Re: BORIS AND HELOISE BLINDER

The following investigation was conducted by Special Agent GILMER G. ROBINSON covering the following period: November 2-6, 15, 16, 17, and December 1 and 4, 1943.

[redacted]

Source R-1 advised that GREGORI KHEIFETS visited HELOISE BLINDER at her residence on October 29, 1943. Because of circumstances beyond the control of this informant it was impossible to determine the complete conversation of GREGORI KHEIFETS and HELOISE BLINDER. However, the above source stated that the following was a fragmentary conversation which occurred between KHEIFETS and Mrs. BLINDER on October 29:

Woman: "....membership.....Party....Russia....England....where you work? United States....."

Woman: "...not to give correspondence to you....Party...."

Woman: "I know this. This is not your business. I know what I am doing .....Party....you do not understand....FEDUSHIN (Mrs.) will remain....what did you buy?....this is my business."

Man: "You have brought that musical score.....in Russia his name was TUROK.....(humming)....

"Do you want any money?"

Woman: "Oh, well, that can wait.....apartment...payment....moving..... Can it be moved?"

Man: "Screws.....I do not like....it is not right to take that much.... ....it should be taken and....telephone number should not be given .....AMTORG.....Soviet will send.....after....send....Revolution... .....otherwise.....10 days....two weeks....."

Woman: "From the other side?"

Man: "....yes....American....and Italy. (or Portugal?)....tell directly to the office...."

Roman: "I can take the money.....they will obtain....."

Ivan: "Ask YAKOVLEV".....perhaps because the capital is ours.....

Re: BORIS NIKOLAEVICH OSIPOV, was.
Colonel Osipov, Colonel Ossipov

On February 10, 1944, the Bureau by letter advised the San Francisco Field Office that the Bureau had received information from a highly confidential reliable source that a Colonel OSSIPOV was reported to be the Chief of Sabotage Operations of the N.K.V.D.

Confidential Informant T-10 advised on April 12, 1944 that ALEXANDER FOMINE, clerk of the USSR Consulate, attempted to locate an individual by the name of OSIPOV in Room 1218 at an address believed to be the Wolcott Hotel, New York City. FOMINE was advised by an unidentified woman that OSIPOV had left for the Consulate.

On April 13, 1944, Informant advised that FOMINE contacted one LEBEDEV at Washington, D. C. FOMINE told LEBEDEV that Colonel OSIPOV desired to talk with him. Colonel OSIPOV then contacted LEBEDEV and requested LEBEDEV to tell Colonel SARAYEV (ph) that "We need some money. Tell him to send $300.00 for General Sharapova's wife, $400.00 for me and my wife and $100.00 for Mrs. Wvedensky". LEBEDEV told Colonel OSIPOV "Alright. I shall report to Colonel SARAYEV". LEBEDEV inquired of Colonel OSIPOV "Tell me, please, your room number? Maybe we will contact you." Colonel OSIPOV replied "Room 718".

On April 27, 1944, Informant advised that NIKOLAIEV (ph) believed to be of the AMTORG TRADING CORPORATION, contacted YAKOLEV, believed to be ANATOLI A. YAKOLEV, Clerk of the USSR Consulate. NIKOLAIEV inquired if Colonel OSIPOV was at the Consulate. YAKOLEV stated that he would find out; that he should be there.

Confidential Informant T-10 advised that on May 26, 1944, ANATOLI A. YAKOLEV, clerk in the U.S.S.R. Consulate, told Mr. LUKIANOV of the Amtorg Trading Corporation that L. S. SHAPIRO, a correspondent, was going to Moscow by plane and could only take a limited amount of baggage, and that Mr. SHAPIRO had requested the Consulate to send the rest of his baggage to Moscow. Later, Mr. YAKOLEV was advised that Mr. SHAPIRO, the correspondent who was going to the Soviet Union, could send his excess baggage to Portland, Oregon, in the name of Captain GLASOV, of the Soviet Purchasing Commission, Portland, and that a letter would be written to GLASOV to put this baggage on one of the Russian ships. The reason for FRANKLIN's seeing SHAPIRO prior to his leaving for Moscow is unknown.

Rebulet to Assistant Director E. J. Connelley, at El Paso, 10/2/51, captioned "MOCASA, ESP-R"; remylet to Bureau, 10/10/51, captioned "BORIS MORROS, ESP-R"; and rebulet to Los Angeles, 10/19/51 captioned "BORIS MORROS, ESP-R".

It is to be noted that the Los Angeles Herald Express on February 3, 1954 contained an article datelined Zurich, Switzerland, February 3, which read as follows:

"CHAPLIN DENIES HE'LL ADOPT ROSENBERG CHILDREN.

"Charles Chaplin's secretary, in behalf of the movie comedian, flatly denied today a Communist newspaper report saying he planned to adopt the children of Ethel and Julius Rosenberg, executed atomic spies.

"The secretary said that the report published in the Swedish Communist daily newspaper Ny Dag was 'without foundation and absolutely ridiculous'.

"Chaplin is at his Switzerland home at Corseaux-Sur-Vevey, but plans to make another film in Britain this spring. He has lived in Switzerland since leaving the United States in 1952."

B7D

It is to be recalled that [redacted] reported to SA BERYL M. GOODENOW at New York City on August 14, 1953 that BORIS MORROS met APHANASY IVANOVICH in Vienna, Austria, on August 4, 1953, at which time APHANASY said, "By the way, did you know that CHARLES CHAPLIN may adopt the ROSENBERG children. It is much better this way than for the Soviet Government to help them." Although MORROS tried to question APHANASY, he seemed in a hurry to make his next meeting and would not elaborate on this.

It is further to be noted that APHANASY IVANOVICH contacted BORIS MORROS in Vienna, Austria on about July 11, 1951, at which time MORROS received certain information concerning efforts to discredit EISENHOWER and JOHN E. HOOVER. This information was given to SA HOWARD H. DAVIS at Paris, France, on September 13, 1951.

It is further to be noted that the Los Angeles Daily News on October 8, 1951 carried an article, "SAY SOVIET PURGING CELLS THAT FUMBLED BLAST AT IKE, HOOVER". The article was written by LYLE C. WILSON and was apparently carried over the U.P. wires. The source of the information was given as Copenhagen, Denmark.

The information obtained from [redacted] and the information in the newspaper article is very similar. It was thought at that time that this might jeopardize the informant's future operations, and in fact, might place him in extreme danger should this information have been planted by the Soviets with MORROS. Though MORROS was questioned closely, he denied this information had been furnished to any individual outside this Bureau.

The similarity between the CHAPLIN incident and the IKE-HOOVER incident is pointed out. The informant will be questioned about the CHAPLIN incident as soon as he returns to the United States.

Local NATIONAL LAWYERS GUILD chapters have distributed a pamphlet to local bar members charging frame-up conviction of JULIUS and ETHEL ROSENBERG for espionage activity in behalf of Soviet Union.

[redacted] OS

[redacted]

Committee for Ethel and Julius Rosenberg

T-18 advised on June 2, 1952 that a representative of the Committee for Ethel and Julius Rosenberg had called on the Hollywood ASP office for cooperation in connection with a meeting to be held by this committee on June 11, 1952 at the City Terrace Cultural Center in Los Angeles. The committee representative requested SARAJO LORD, ASP's Executive Director, to furnish them with a banner or streamer reading, "The Rosenbergs must not die" which was to be used in connection with the forthcoming meeting.

T-13 advises that the Los Angeles, Hollywood, and Beverly Hills chapters of the National Lawyers Guild in Los Angeles have distributed a form letter, dated May 29, 1952, to local attorneys pointing out that the imposition of a death sentence against ETHEL and JULIUS ROSENBERG for espionage during peacetime is the first such sentence imposed in this country. The letter notes that all members of the Executive Board of the local National Lawyers Guild chapters have obtained and are distributing for the information of the local bar, a "fact sheet on the Rosenberg case". The letter noted that the widest possible dissemination of this information was desired. This letter was written over the signature of LAURENCE R. SPERBER, National Lawyers Guild Secretary.

T-19 identified LAURENCE SPERBER as having been a member of the Lawyers Branch of the Los Angeles County Communist Party about 1948.

The current president of the local chapters of the National Lawyers Guild, according to the current letterhead, is Mr. WILLIAM B. ESTERMAN who, according to T-19, was also a member of the Communist Party's Lawyers' Branch at the time T-19 was a member between 1946 and 1948.

LA 100-15732
MMB:bep

Attached to the aforementioned letter from the National Lawyers Guild to T-13 was a thirty-page pamphlet entitled "To Secure Justice in the Rosenberg Case" pointing out that ETHEL and JULIUS ROSENBERG had been victimized with a death sentence on April 15, 1951 for alleged atomic espionage for the Soviet Union. The foreword in this pamphlet notes that a full report of the case was not made available to the public until August, 1951 when the "National Guardian" began to publish a series of articles by WILLIAM A. REUBEN. As a result of this series, the National Committee to Secure Justice in the Rosenberg Case was formed, which has since published in a pamphlet, in a slightly abridged form, the series by REUBEN. The pamphlet maintains that "the facts of the arrest, trial, conviction, and sentencing of Julius and Ethel Rosenberg indicate that at the very least there is grave doubt of their complicity in any alleged atom-spying conspiracy whatever; and at the very worst that they, too, have been convicted on trumped-up evidence....." The pamphlet attempts to draw a parallel between the ROSENBERG case and the SACCO-VANZETTI case following World War I and draws the conclusion that the ROSENBERGs must not be allowed to die "while we have the voice and courage and means and still an opportunity to prevent it".

The pamphlet urges those who read it to write to President TRUMAN and the U. S. Attorney General, asking that the government consent to a reversal of the ROSENBERG conviction and allow a new trial or discontinuance of their prosecution.
