from April: Tell, ~~April's friend~~ Seth - 3 of Dr. Owens best friends who work w/ Mrs. Getz, told Mrs. Clark that Elwood wants Mrs. Clark to leave Gabriel's house. Several of Mrs. Getz friends were there when the Piersons had all these guests yet ~~so~~ hardly anyone mentioned the party.

The Piersons are really building something down south. ~~[illegible]~~ All the guests that visit want to come & retire on the ranch - but Mrs. Getz doesn't say anything about that. Mrs. Clarke just wants all the gossip & cat calls to stop. That's why she's calling some folks up, it stopped ~~[illegible]~~ some folks ~~from~~ before from gossip, a lot of people stepped up w/ their nurses notes. She doesn't know if they got money for their stories or what she only came to see her dad & try to keep him happy - so she could see April's, so she doesn't know what they are up to. ~~Mrs~~ Pretty much anything that Mrs. Getz talks about lends credence to it. Theodore who once destested Mrs. Clarke & was downright nasty is now trying to court her, and saying how she's been victimized by some crazy unionists. There is a Supreme Court Judge who five years ago turned one of his daughters to authorities for possession of marajuana, has filed suit still against another dau over a serious financial transactions.

Judge Ross G. Thorp filed suit in Superior Court, San Diego, Wed. against a married dau, Elizabeth G. Horton, over the sale of a home he bought for her and loans for an automatic laundry and a deed on the property in the San Diego Shopping Center where the property

Marions mother wrote in a letter:

Wherever the freedom of choice is denied you to the point that #19 takes place, there is suddenly created a prison and a concentration camp instead of a so-called blow for freedom. Since you are more aware than most of the #4 + #5 practiced, than of course you must share the responsibility unless you by choice and free will are willing to take the same steps Olive did to save herself

She makes the accusation of #28. Suggests burning her letter unless already #28.

She said she has said these things for love of Marion and compassion for the others who have also been deluded into giving up their lives for a man who is dangerously psychotic, and a cause that does not exist.

If Hitler calls Marion's mom, see if he can get her to say something to implicate herself and verify it.

message to Sally + Gordon

Roberts having a difficult time resting, he can't sleep at all The Dr. gave him ~~[illegible]~~ very powerful sedatives to rest but its just like drinking H_2O, didn't effect him at all of all the 5 different medications nothing has worked

~~[illegible]~~ Joan was offered full scholarship w/ rm + board by 2 universities. They didn't want Joan to brag about it, they're 2 of the finest private universities. ~~[illegible]~~ They want her to be a model student.

Robert doesn't sleep at all he got 25 minutes sleep from 2 sedatives Then it was a fitful sleep where dreamt that everyone got out of Berbice except himself & Phillip and they had to go & hide in the bush but were caught. His dreams are reality oriented. He worries

about each & every individual equally
His dreams are not like an
~~an~~ endless science lesson - he
enjoys attending science lectures
w/ his wife but she's not here &
he wd. rather not ~~have~~ have
science classes w/ anyone else
because some never develop to
their fullest. Then you get someone
like Mrs. Fenwick who becomes
nasty & trips out. That taught
Robert a good lesson in regards
to having science lectures. It
relaxes him to read - He's been
reading Rush to Judgement & ~~inter~~
interpreting for some of the seniors.
That one Dr. is going to send
him something that might help him
to go to sleep. He said that
~~the~~ conscientious people cannot
go to sleep. The founder of
humanism had the same

thing - of course he's not saying
he's like that person.
- There are no cancer cells now even
though the lab reported ~~that~~ they were
they were under his christian
name to avoid any gossip - I
don't know if you want Mrs. Clarke
to act as though I have them in
Elwood's house. ~~I don't have them~~
~~because~~ I've got emphasema due
to the fact that my mom began smoking
when she was 12 & my dad 15 -
I was born 15 yrs. ago. The only thing
about sleeping pills is they don't
give me any sleep just lower my
B.P. Unless they've got some new
wonder drug don't even bother we've
tried everything under the sun.
This will work magnificently
for some brother Antonio said
the ambassador - said nobody
worries about people like you do.

Said if they did they'd have the same problem, they don't live long lives he said somebody has to worry about people like you. But I did promise him 8 hrs. of rest - but it annoys me so much & our Dr. thinks I shd. get up because when I lay down & don't do anything I get so annoyed.

Dave
Remember the gift that Mitzy gave recently to Simon, it would be nice if she gave the same to Mr. Hurley.

- for Cynthia
write Gabriel's esteemed friends Dr. Natoma, Rev. Keane, Ed Cardinal, Mrs. Stabbert, Dr. Spinosa, Mr. Libby Emmit, Mr. Zabell, Mr. Sager
Also write Bertram complaining about how Meredith is boasting about how Mr. Hurley has been nagging Joan

and Marion's mom has exacerbated things. How could Mr. Hurley get into such a silly thing at this point -
Use maiden names, not names of people over at Gabriels.
Say: Rosie has told us all about Dr. Cathleen & Dr. Owens fine medical staff. We are becoming increasingly familiar w/the Youth. Activities Center & praise Cathleen for being so hospitable - They shd. come from Elwood - folks that have heard broadcasts & read articles in papers.
Shd. go right away! Some say I'm a Dr., some I'm a lawyer or your profession.

FOR SALLY

MARION'S MOM HAS ALWAYS DISLIKED, SARA, ANDREW + THE CHIEF, INSISTING THEY GO BACK HOME. KEITH HAS HAD RECURRING HEADACHES SINCE HER VISIT. HOWEVER, BECAUSE JOAN + KEITH WERE AWARE OF PRISCILLA'S PRURIENT INTERESTS THIS COOLED OUT PRISCILLA + BERTRAM WHO SHARE THE SAME STRANGE FANTASIES. SO SEE WHAT SALLY THINKS ABOUT CONTACTING MR. HURLEY. THERE MAY BE A LITTLE HESITATION BUT REV. WATSON

C-9-a-12vv

HAS GOTTEN MR. HURLEY INTERESTED. COULD CONTACT MR. HURLEY AS MRS. CLARKE HAS CONTACTED PRISCILLA IN THE PAST - IT BACKED PRISCILLA OFF AND IT MIGHT BACK HURLEY OFF. LET HIM KNOW WE KNOW WHAT HE'S UP TO.

MITZI SHOULD GET A HOLD OF HURLEY ALSO, BUT DONT BOTHER SALLY + GORDON WITH IT.

ANY IDEAS ON WHO THERE CAN TAKE MRS HOWARDS PLACE? IF NO ONE THERE CAN DO IT, WE WILL HAVE TO SEND SOMEONE LET US KNOW YOUR SUGGESTIONS

We agree with Gordons feeling about L.A. media in general. But perhaps Jim Clever of Sentinel might do something.

Robert SAYS HE DOES NOT WANT Allen going to Sydneys. He will send Thomas on Monday and thomas will get it on a plane from Sydneys to you. It will be very expensive so Next time give us more time because logistics are difficult, and the new guy is quite different from MR. KIRT.

C-9-a-12xx

① DID ANYONE CALL JUDY TOW YET?
② When you talk to Gordon remind him to call Karens mother.
③ ANY MORE TRAFFIC?

Oct 15th

① Questions you phoned the short copy of Darlenes notes. Since Thomas is going away, why not phone down the other, longer version also, so one can get them both done at once + Thomas can bring them both back? Thomas should be leaving early tomorrow morning.

② Robert's been studying Sally's suggestions and basically like them. He would like Darlenes opinion and input because he says he has good ideas.

④ SEE ABOUT FOLLOWING Sally's suggestions on an office in Atlanta with some of Mac's people, possibly on rotating basis. Get a cost proposition from Sally. We are interested. Also her idea about getting medical supplies from plasma with our outlook.

⑤ Contact James Lawson + others like him - Follow up on Sally's

Donna Stanfield has ten boxes to come by surface in SF
1) the $3,000 worth of tools are needed here (according to Bro. Parr)
2) the Hobby and Crafts equipment and supplies are needed in order to make things for sale here to bring in money for the mission. (according to Bro. Parr)

My question is: will the equipment be worth the cost of sending it over here?? Parr said expedite crating of those 10 boxes. If we don't, he and Donna S. will be extremely hostile. I guess that should also be considered. Let me know please.

Dad I thought you hurt your finger the time they drug you in the alley. I have heard you tell about it before. But only mentioned it. I remember the insident in the alley. Also the bullet that just missed your head on Broadway in Indianapolis Ind. I also remember the F.B.I. that came on Broadway when Charlie Touchet turned you in. I told the F.B.I. He kept looking at me. I told him there was nothing hid between the page & the cover, he said does he buy your clothes I said yes. He said does he buy your hose I said yes every thing. I remember also the stabbing. I was just comming home from the nursing home as you were going in the house. If you remember I couldn't hardly write a letter for the Temple with out help.

The attached was written about three weeks ago. I was not going to hand it in ~~just~~ but now I have second thoughts.

Dad I have a very strong feeling of not being trusted, or Lee Ingram would not have been added to the list of names going to off load the boat.

It is practically the same group of comrades I had helping ~~at~~ on the last crate boat with no problems.

My paranoia makes me feel I am being

watched.

I have no intention of going anywhere and know that I am not about to say anything to the local people that is not right

So what have I or what am I doing wrong?

Thank you Dad.

RE: MY PARANOIA + GUILT

MY PARANOIA HAS GOT ME TO THE POINT THAT I FEEL THAT I HAVE DONE SOMETHING OR SAID SOMETHING OF AND THIS IS WHY WE NEVER HAVE ANY CONVERSATI

I FEEL LIKE A VERY USELESS PERSON AT THIS TIME. PEOPLE HAVE COME IN FROM THE STATES AND ARE BETTER SKILLED IN THE WORK SHOP THAN I AM, SAME WITH THE ELECTRICAL DEPARTMENT AND TOM KILE IS A MUCH BETTER CARPENTER THAN I AM, ALL HE NEEDS IS A PLAN IN THE CAN, TOLD TO THINK FOR HIMSELF AND THAT WOULD ELIMINATE ME IN THE CONSTRUCTION FIELD.

I FEEL VERY PARANOID THAT I HAVE NOT BEEN ASK TO GO TO GEORGETOWN TO DO PURCHASING. I DO NOT WANT TO GO TO GEORGETOWN BUT MY PARANOIA RUNS WITH ME. I KNOW WHAT MY TRACK RECORD WAS WHEN JOYCE AND I ~~WERE~~ WAS DOING THE PURCHASING AND QUITE FRANKLY I HAVEN'T SEEN ANYTHING TO BEAT IT OUT OF RICHARD OR TIM CARTER. I JUST WONDER IF I AM TRUSTED.

YOU USE TO COMMENT TO ME BY THE PA OR IN PERSON ABOUT MY SUGGESTION THAT I TURN IN C-10-A 2C

ON DIFFERENT SUBJECTS. NOW WHEN I WRITE A PROPOSAL I NEVER HEAR A WORD THE LATEST ONE IS THE PROPOSAL TO MAKE EDDIE CRENSHAW THE DAY TIME DRIVER OF THE NEW TRUCK AND TIM "DAY" JONES THE RELIEF OR NIGHT TIME DRIVER. I ALSO WROTE TO YOU IN REGARDS TO A BUILDING THAT WOULD HOUSE THE WALK-IN FREEZER + COOLER. I NEVER HEARD A RESPONSE TO THESE, I CHECKED THEM OFF ~~AS~~ ASUMING YOU NEVER GOT SAME, BUT MY PARANOIA RUNS HIGH.

MY PARANOIA REALLY RUNS HIGH ABOUT NOT BEING GIVEN A GUN ON THE WHITE NIGHTS, I DONT WANT ONE OF THEM, I JUST WANDER WHAT I HAVE DONE NOT TO BE TRUSTED WITH ONE.

THAT I BELIEVE IS THE END OF MY PARANOIA, I USE TO THINK I WAS NOT BOTHERED WITH PARANOIA BUT NOW I BELIEVE I AM CRAZY WITH PARANOIA.

~~I DONT THINK~~

I DONT THINK A DAY HAS GONE BY THAT I FAIL TO THINK OF ME CALLING THE FBI ON YOU AND I FEEL VERY MUCH GUILT EVERYDAY ABOUT THIS STUPID TRICK.

I FEEL GUILT ABOUT NOT LIKING RICE, I HAVE A DISLIKE FOR IT, I THINK OF THE PEOPLE IN THE WORLD WHO ~~[illegible]~~ ARE NOT AS FORTUNATE AS WE ARE, I ALSO THINK OF THE TIME IN MY

LIFE WHEN I DIDNOT HAVE SOMETHING AS GOOD AS RICE TO EAT AND IT IS STILL EXTREMELY HARD FOR ME TO DOWN RICE AND I FEEL GUILTY ABOUT THIS. AND I WILL ADMIT THIS MIGHT BE GETTING GUILT AND SELF CENTERNESS MIXED UP.
I AM NOW FEELING GUILT ABOUT KEEPING MY OPINION TO MYSELF A FEW MONTHS BACK WHEN I HEARD SOME OF THE AGRICULTURAL REPORTS READ THAT I THOUGHT WERE NOT ACCURATE AND HAVE COME TO LIGHT AS SUCH. I SHOULD NOT HAVE STAYED BACK, I SHOULD HAVE SPOKE OUT AND I FEEL MUCH GUILT ABOUT THIS. IT WILL NOT HAPPEN AGAIN.
I FEEL AN EXTREME AMOUNT OF GUILT OVER THE POOR JOB I DID IN GETTING HOUSING BUILT, I BELIEVE WE COULD HAVE DONE MUCH BETTER THAN WHAT WE DID AND I ALSO FEEL GUILT ABOUT LIVING IN THE OFFICE AND I AM LOOKING TO GET OUT.
FINALLY WITH THE PASSING OF CHARLIE THE BORE, IT IS LIKE THE END OF A PERIOD IN TIME TO ME. CHARLIE WAS MORE THAN JUST A BORE HOG TO SOME OF US, HE WAS THE FIRST, HE WAS THE BEGINNING OF MANY GREAT THINGS TO COME, WHICH DUE TO NO FAULT OF HIS NEVER GOT TO THE SIZE THEY SHOULD HAVE BY THIS TIME. I HOPE THAT ALL OUR COMRADES WORKING WITH OUR LIVE STOCK REALIZE THAT CHARLIE'S LIFE WAS SHORTENED

6-10-A-2e

BY FOUR YEARS AND THEY WILL NOT MAKE THE SAME MISTAKE WE MADE. I FEEL VERY GUILTY ABOUT MY PART IN CHARLIE'S SHORT LIFE, HE WAS BUT THREE YEARS OLD AND SHOULD HAVE LIVED TO AT LEAST SEVEN.

CHARLIE WAS LAID ASIDE BECAUSE HIS USEFULNESS WAS GONE. YES CHARLIE WAS THE END OF A STALE IN TIME FOR ME. OH HOW GUILTY I FEEL ABOUT THIS.

DAD, IN NO WAY AM I TRYING TO MANIPULATE A SITUATION ~~[illegible]~~ AND I AM NOT TRYING ANY MONDAY MORNING QUARTER BACKING, THESE ARE MY FEELINGS AT PRESENT AND I THOUGHT IT BETTER TO WRITE THEM, THEN TO REQUEST AND WASTE YOU'R TIME WITH A COUNSELING SATION.

Thank you so very much for all you have done for me.

Greetings Miss Teri Lynn
Happy Birthday. + Please
forgive me for not having
sent a card or at
least a letter. It is
unforgivable but try anyway. Please.
I did try to get a phone
patch through but Uncle James
said that the FCC was
cracking down on those. Anyway
now that you are 14 or is it
41 how do you feel. Probably
no different. I started
writing everybody the other day
and stopped to call Georgetown
to see if I could get Ray.
I was lucky. Of course
you know that I talked to
Ray.

Anyway today I promised
myself that I would finish
writing everybody. So that's what
I'm doing.

C-10-A-3a

I wish I could send you the pants and other things that you need but I've been so broke since I got back and now that I'm not working it ever worse I have some money in saving but trying to hold on to it in case of an emergency. Like getting out of here in a hurry.

Any way as soon as I get a job I'll send some things. I understand that you have quite a head on your shoulder. Well I sorta thought you were a little on the bright side. All of you are in different ways and it makes me proud to know you. I often wonder how you all turned out so well, cause it had nothing to do

C-10-A-3b

fun but hard. It's like working a puzzle but only its number.

I know everyone wants to know when I'm coming back well Since I've got to write Grandma Kay I'll go into it in more detail. It's only a matter of time.

Anyway although you have been away from me most of your life and are so far away now it doesn't change the way I feel about you. I have always felt guilty about have been in one place and you another. I hurt often when I think about all the times I was away or you guys were living elsewhere. But it never meant that I didn't love you. I did the best I could do

at the time. At
any rate I tried.
to do what I thought
was best for you.
The hardest thing
I'd ever had to do
was leave you in S.A. Yet
it was what you wanted
and what I knew would be
a good life for you. So
please try and understand that
a lot of things I did
was because I loved. Some
things I did because I didn't
know how to cope with my
own insecurities but I never
even stopped loving you.
Please be happy because
you have so much to live
for and to give in life.

I Love You Very Much

hate my self for the money I spent that should have been turned in I have not excuse I was not starving everything that was needed was provided at all times so there just is no way to justify it, once I found $10.00 that I spent on hair aids, when I was living at the swaney's in the Valley tips 5.00 sometimes (once) 10.00 that some of it I spent some turned in. I knew better. I ~~knew~~ knew that all monies etc. was to be turned in, not the last time but the other time when Ann (Joe's mom) come she gave me 20.00 that I bought a pair of pants and other shit with that I did not need. I can only say that I was still full of capitalism still wanted the man's shit I ~~[illegible]~~ had no feeling about what I should be working for, my mind of stomic was on me, not on my sisters of brothers around the world, as it should have been, off in my own world as I am so often is even now. But I am working on all of this and somehow try to make up for it. Thank you Fred

Dear Dad: The things that I am guilty about doing in the State is: There is time that was not spent at all wisely just like now my time is still not spent wisely. I fucked off a lot of time that could have been spent for things like pamphleting or other work around the Church, plus money where I sold candy for the Church and other money from the flea market I spent a great deal of it on (Shit) (food Snacks) I could have worked harder and took on leadership but I didn't I didn't want the responsibility because if I had more responsibility I would not have time to Shit off like I did so I tried to find excuses not to. There were many things that I could have done to help make money for freedom that I did not. I wish such things could be undone, but since I cannot change the past, but since I am on the here & now & future. I will work make it up in work some how. I try to my attitude so that I won't take up your time to deal with me. Stop complaining be more greatful for the love & care that you show to all of us

Well, I thought sure since everybody else had written that you would drop at least one line but I guess you are as bad as I am. Everybody tells me you are fine wish I could get that information from you. I take it you are still single. Is that right? Do you have any plans like getting married? [illegible] Miss [illegible] please write [illegible] and [illegible] was unable [illegible] finally he called [illegible] It was sort [illegible] looked up his [illegible] I don't have [illegible] well it [illegible] 16,000 [illegible] 1300 [illegible] [illegible] much [illegible] we

had been back and I said I had gotten back on Aug 2. Then he wanted to know what did I mean and where were the kids. So I told him that you guys were going to stay and go to school and that you would probably be back next June. He said he didn't know you guys were going to stay and how did that happen. So I told him that since I was at work I really didn't want to discuss the matter but that he could call me at home. I gave him the telephone number but I still haven't heard from him.

Anyway maybe you should write him. Hey just want you to know that I'm glad you are there and hope you are as happy [illegible]

Hello Scott!

Well I'm somewhat confused. I got a letter signed Scottie & Teri. But who wrote it. You know all of you guys write so much alike. It sound more like Teri but I'm not sure. So if you didn't write it Then why not :) I know what Teri's doing and Al and Jackie but what are you up to? Are you going to school or did you drop out. Have you gained weight? How's your attitude? By this time I expect it's pretty good. Which one of you had to get on the floor [illegible] day you [illegible] it was you [illegible] so many [illegible] as a mule. Sometimes that [illegible] sometimes not so good. But whatever you are I [illegible]

to get used to the idea that you are not in calling distance. So please write and let me know its you.

I was in the middle of writing you when I called Georgetown and talked to Grandma Kay. I'm sure you know this by now.

She told me you were doing real well and that landscaping is your thing. I never would have guessed that you would go in for grass & plants but why not. It's a good feeling to work with nature and as I said earlier you are a very sensitive person. Just [illegible] you don't know it [illegible] tell you that you are loved very much by me. Enjoy the good life there [illegible]

Hi Mama

It sure was good talking to you the other day. It must have been meant to be.

You were right I should have written as soon as I got back. The trip back was okay. Tirsing but okay. It cost me ten dollars to get out of Georgetown. That was Guyana dollars. So much for the trip back.

Got back to work on Monday and felt good about telling all those misinformed people a great [illegible] of course you have heard about my conversation with Gordon Lindsey. I think thats his name. Well I dont know if you heard he called me back about a week later and wanted to know about David. He also said he had heard that I left the church with hostile feelings and something about a gun. Well I made it clear that I didnt know [illegible] that my [illegible] [illegible] as any encounter with a gun was outrageous.

C-10-A-3g

He indicated that some of the other people that left had given him that information. I ask him if he was working with them he denied it. I also told him if they had any other information to pass on to any one including him to please contact me first. I haven't heard another word. I was a little pushed out of shape with Sandy in S.F. Who [illegible] is [illegible] lot to [illegible] personality [illegible] I don't like [illegible] people [illegible] the big question. When am I [illegible] Will I come Back? [illegible] to you about that [illegible] still [illegible] he could [illegible] every one [illegible] thing [illegible] privacy [illegible]

C-10-A- 5H

in going to the bathroom or taking a shower that gets me, I could care less. It's having to share sleeping quarters. I know that if you are married you share but that's different. I guess I'm a loin cause there are a lot of times I don't want to be around Etna. I value being alone. Maybe more than I should. I enjoy being able to read without being disturb. Maybe this is selfish but [illegible] I can't pretend otherwise. Well I've got a lot of growing to do. Even with all my doubts about how I would fit in there, I know that I'll end up there. It's a comfort to me to know that [illegible] to go [illegible] big [illegible] about me and [illegible] get out [illegible]

[illegible] I [illegible] Dumb [illegible] felt [illegible] It is true

C-10-A-5i

to say I care for him that I like him and respect him. I don't feel it would be the end of the world if we should go our separate ways. I would feel a loss but I feel we would always remain friends. So its not Elvis that keeps me here its me. So much for that. Just one final thing. I will come back.

I stuck one of the Cutless Beans in one of my house plants (it is A1 plant) and I planted it outside the only one to grow was the one inside. Its growing slow but its growing. The way they checked things when I went through customs I could have brought back several full [illegible]

[illegible] to Glory [illegible] when [illegible] Also one [illegible] letter that I [illegible] I still [illegible] I did tell [illegible]

C-10-A-5;

Well we worry about June when and if it gets here Anyway I'm sure he only called to find out why his loan was not approved for more. I could care less especially since he didn't even know who I was when he applied.

Mrs Brown (Elvis mother) has latched onto me so tight that its hard for me to breath. She has no interest except Elvis her grandchildren - me. Its sorta of sad - she such a good person will do anything in the world for anyone but she has no interest in life. I try and do things for her take her place, yet the more I do the more dependent she becomes. She probably [illegible] that since her [illegible] to her advantage [illegible] believe she [illegible] but wek [illegible] his son + [illegible] calls me [illegible] embarrassing (spelling) [illegible] Pocho very [illegible] from Denise

C-10-A-5K

I heard they bought a house. Gloria was there in July. Tina just got back from a 22 day trip to Okanawa. Still can't understand her.

Well I'm beginning to ramble now plus my hand and fingers are tired.

Tell Dad I'll try and not wait too long before I come home. Please thank him for making me feel so welcome and for giving my children a chance in life. [illegible] him makes life easier. I felt good there. Why is it so hard to accept a good life?

Tell everyone hollow. If I start naming people I might forget someone and that would be [illegible]

[illegible] I [illegible] that [illegible] gave me all [illegible] the me [illegible] and all the [illegible] It means [illegible] I could [illegible] soon. It [illegible]

The are all doing fine just want to come over there to the land of freedom & health. I know you must be one of the happiest grandma's in the world I am so happy for all of you that have made it to be with the rest friend we have. There will never be enough words to describe how fortunate we are to have some one like him.

Renetta was there to see Jerry Al + Scotty off. She want to come so badly. She got a letter from Rosie, Verai and Anita and she was thrilled over that.

I hear you are a slim chick now - I know one cannot help but lose all of that excess weight when they are not under all of these pressures.

I know a diet will be waiting for Billie and me when we get there. ☺

She saw the slides Sunday and they are

the write up on Shawanna Harris;

People look at this, though, Jonestown is a model community--but people hold things in and I feel this is what will make our community stronger when people can feel that they have full participatory involvement to the best that can be possible under the circumstances.

I feel I am a voice that is often critical, but I know what will make people feel better in the community.

People are still too religious. They get intimidated by the floor -- I don't feel they will be able to grow to where they should be as long as they feel they are being silenced.

I don't see myself being silent when I know I have a valid reason to speak. I don't care what some try to paint me as, but I do feel it is necessary for me to defend my stand;

The mere fact that Christine would slip and say something like you won't win-- this is enough to take issue with.

Beaula Foster, I feel, was justified in writing up what she did, but for the "screening committee" not to put it on the agenda, I question.

Some seem to get on the floor at the drop of a hat, but why not everyone. I always seem to have reprocussions from what I write up and I feel I will get some from what I said on the floor last night to Ava. But I am not intimidated. I never have seen myself living to an old age, and feel I have 1 write that no one can take away and that's my voice. When my voice is x silent, I am dead.

C-10-A 8a

RE: THINGS THAT WILL AFFECT US

- When things are written up for Peoples Rally and it is not follow through with in Rally or given prompt counseling.

- Peoples Rally Agenda Screening Committee; Since Recording Secretary is involved with all phases of the Rally, should include the recording secretary on Agenda Screening Committee.

- Christine Lucientes told Vernetta that they don't put petty things on the agenda. (Vernetta talked to her the following morning, Christine got defensive and said well you can talk to Ava about it --knowing this would be sending her into a mery-go-round situation--Vernetta told her she had talk to someone about it and Christine said well you won't win! Win what-- isn't this a participatory Rally -- why wasn't Mary Tschetter dealt with and Shuawanna Harris dealt with, why some people are [illegible] and some are not especially when Vernetta gave Christine a typed list which were valid issues for the floor. Vernetta helps people write things up who often can't write or express what they want to say. People need to see the things they bring up dealt with, and if their items could be dealt with in the Rally telling that they will go to counsel and date should be set at that time, then people will not be able to say that someone is not putting what they've got to say on the agenda or before the people.

- We need more Blacks to be involved in the preparing of the agenda, I feel Ava is not doing her job in counseling as it should be; she needs help. I feel Judy and Ava need another person in administration as Rochelle and Ava are too close. Need a person not in a particular click which it is obvious that Ava has clicks.

Ava's name was mentioned & Jimmy's and Shuwan

Dear Stephen:

In analyzing, after the fact, what I was feeling when I called you [illegible] LINE last night --it seemed maybe good to give you some feedback on the reactions you were drawing from at least one person.

It was after my reaction that your mother took you on strongly and told the people to shut up.. It was after you had contradicted and criticized dad, and then told the second in command to "fuck you," that I shouted at you. You were shaking the fabric of our organization and I did not think you realized it! The concrete walls had suddenly become cloth and looked about to rupture or tear.. What you got was a gut reaction.

Mother's subsequently telling people to shut up -- in fact told people that you perhaps could not handle the confrontation... she showed you a preference she would have shown no other leader or member of this family. She would have chewed ass on anyone else -- and would have let the people involve... it was perhaps an unavoidable show of "class" within our structure. It was clear that you were to get different treatment as the natural born... more hostility for the natural born, and more hostility for Dad --automatically.

You as a potential leader should have respect for the existing leader, IF HE IS WORTHY! ...when you do not show it, then question arises that you in fact think him worthy. --of course I think that you think he IS WORTHY.. I WOULD NOT FIND YOU TOLERABLE IF I DID NOT THINK THAT, NOR COULD I BE WRITING YOU--for then I would not trust you, and if I did not trust your "fairness" I would not let you see my thoughts. I consider it a mark of my continuing commitment to you in your line of succession to your Dad and Mother... as a possible choice for next in line.

It appeared that you thought your own image(as potential future leader) was at stake when you corrected ~~XXX~~ Dad...that it was more important for them to have faith in you than in him... was it ego? was it pride? was it youth... I was not sure what was speaking, nor did I try to judge you for this -- am not sure it is definable. There was a decided lack of humility showing at that time.

Others have leadership then , but now that the natural born is allowed to VOICE such stark criticism and contradiction, it may cause others to venture even in THOUGHT INTO AREAS THEY WOULD NOT OTHERWISE HAVE VENTURED... Many times I have felt Dad did not have all the facts, or that he on occasion had not evaluated everything accurately --and I have written notes to this effect.

Are you SURE IT IS HYPOCRACY to take a position with HIM as a leadership figure...? Since this has been MATTERED to this group ...then you should realize you have challenged that method. Indeed he has stated that we should NOT CRITICIZE HIM PUBLICLY..

We are trying to be Marxist-Leninists; we are recognizing the [illegible] of [illegible]... when he said HE PLANNED TO SUICIDE, I knew he was not forgetting my daughter in Georgetown, or Jean Brown, June, Betty and others in SF, I thought of those down river... I am not more humane than he --yet he was voting this way... I thought of my daughter Erin in Georgetown vs 1000 here, and in particular 300 children... If indeed he felt a bloodbath on these babies was inevitable, then I would HAVE TO VOTE the way to save the most... At this point, I do not think they would turn Erin from the marxist way... my children are not that hung up on their comfort, and they have seen the inside of the capitalist shit pile and know what a stench it is... I do not KNOW she would stand --I would hope so.

You have wisdom easily equalling another ten years, Stephen -- but do not be self-riteous over your feats of physical development, etc., for this cause..others have done things they felt were what should be done for this cause--not necessarily liking it!!! I know this has been a major fault

of mine so am more conscious of it --self-centeredness is not a usual fault of yours.. Just be careful what you call hypocracy...

In PC the rubberstamp has been the method, publicly.. a united front. You challenged that last night, and to all appearances got away with the challenge--though you later came around to the united front position.. Only time will assess the affect that had. If it is hypocracy to line up 100% with the d of p...then we are Marxist-Leninist hypocrites.

In my own youth I recall thinking each new horizon conquered a new horizon: at some point, I came to the opinion that nothing was new: we just keep re-hashing old shit.

Yet, in communism, there is a way to take the old, inhuman structures and make them into humane structures. This is very important. But in the great PRIVILEGE of your lifelong education with dad, perhaps you can afford more understanding and patience for those like myself who have to learn a so-thing before learning communism... dad has that patience, as no other I have ever seen. We all should be learning from it, and I get first in line.

In the states I did not really like you too much: I saw a lot of emotional outbursts and shouting.. yet, I saw also that you had been tortured, beaten, knifed --and had daily threats on your life as well as the fearful mind-torture of knowing your dad was a perpetual target; you had also the wisdom to see that no one loved him, and that all hung on one needed him... So I did not feel blame for your actions or outbursts.. though your persistent mouth was rarely respectful or even kind...

I had grown to mistrust you somewhat and disrespect you -- and after seeing Suzanne do her own trip, I had decided you had been indulged too much or the strain was more than humanly endurable...I did not know..

But here, a different Stephen emerged. My disrespect turned to most genuine and sincere respect: not because dad said so, but because your very person commanded it. I saw character on the platform, and hard work and great and sincere love for the children; I adored you for the tenderness you showed your two little brothers whose pain had to be another story -- almost to the very limit of their little minds to bear.. the night of the first women's meeting when you came home and I was arguing with Scott and Mike... I was deeply impressed by your manner: there was total lack of elitism and you showed a humility, it seemed born of a sense of the collective need --that drew from me feelings of loyalty and respect...your total regard for collective need which I was at the time representing... You are capable of great humility, Stephen..it shows sometimes just in fleeting glimpses --but it will rally the mansion of the role.

As your dad said, unless he sees character in a leader--he will disrupt! It would take a [illegible] on your dad's part [illegible] disrupt..even a fraction, and then I would go to him with that dilemma. I cannot see myself leaving this cause. I have thought about it to see if I could live with it-- I cannot bear the thought. Am I too old to change? I left [illegible] because its leader did not practice what he preached and so that entire fold went.. ONLY because of the leaving of its leaders--no one bad or bitter.. the group collapsed; but in looking at the whole world --I see nothing like we have. I could not build it myself -- but it gives my life an [illegible] purpose. So am here to stay, into him.. and if that means under your leadership, then I shall certainly support you to my last breath. As is most important that you understand me as a person --but as one of those in the family in a leadership role, it is important for you to evaluate [illegible] your reactions. I [illegible] sincerely your willingness to [illegible] mantle when and if necessity demands Dad let it down... --most sincerely,

Jack

C-R-A-106

I hope you also realize that it was because I considered your image much more important to the welfare of the group, so I did not challenge you further when you were challenging the hypocrite that called you out of order... You were very insulting, but my silence was not hypocracy -- it was born of the realization that to stir a mud pot makes it stink the more... Dad was in visible pain, for this organization IS HIS [illegible] Y.. I wish he did not feel so intensely, yet know that without it he would not be the only existing TRUE COMMUNIST ON THE PLANET!!!

I salute you, Comrade Stephen -- and respect the deep feelings and frustrations you must deal with as you grow into this most difficult leadership post.

P.S. your mom has my total respect & I'd not hesitate to follow her in life or to my death! Fish
