**Newly Reported Threats and Incidents**

*The following information has not been published in previous editions of the UBL Unit / Radical Fundamentalist Unit Daily Threat Update.*

(U)

1). (C) FBI HQS reported on 6/7/01 regarding an alleged international radical fundamentalist threat to London, New York, and Boston. A walk-in to the FBI has provided the threat related information set forth below. [REDACTED]

[REDACTED] The FBI is currently attempting to corroborate his threat reporting.

(U)

A

(C/OC) [REDACTED] three prisoners identified as [REDACTED] These three individuals were in prison because they were accused of being involved in the East African bombings.

(U)

(C/OC) [REDACTED] they were associated with an international terrorist group. One of the discussions [REDACTED] a failed attempt to bomb a U.S. Navy ship in the vicinity of Croatia. A boat was purportedly pre-positioned with explosives but the bombing failed after the two men involved in the operation were caught traveling on fraudulent documentation. The walk-in could not provide any other information regarding this purported aborted terrorist operation.

~~SECRET~~

(U) ~~(C/OC)~~ The walk-in also reports that the three individuals are currently associated with a plan to attack U.S. interests in the event they are extradited to the United States. The operations have been in the planning stages for several years and individuals are already in place to initiate the attacks. The locations to be targeted are New York, Boston, and London. In Boston, the terrorists are planning to attack a U.S. Navy ship that is moored close to shore and in the immediate vicinity of large numbers of civilian boats and a large building(s). The walk-in believes the building(s) may be a hotel or barracks. A civilian boat laden with explosives will likely be used in the operation. The walk-in noted that the terrorists want to attack an area with large crowds in order to inflict a high number of casualties.

(U) ~~(C/OC)~~ The explosives used in the attacks may be taken into the United States, via Canada. Individuals who are not involved in the execution of the operations will be used to transport the explosives. Two of the individuals may reside in Dearborn, Michigan. During the FBI interview the walk-in did not provide specific locations in New York City or London that are being targeted.
