I am on a crusade to clean the world of the 2 giggest Jew money making promoters of Homo-Sexuality on television and radio. I watch and listen to the 2 of you everyday and its always the same old story. On and on about gays and lesbians. Day in and day out. I'm tired of it and so is the decent world. I tried to communicate this to you few months ago but apparently it fell on deaf ears. It is now time for me to take action,I will be watching the 2 of you studing your every move. I must remove the 2 of you from the general public by what ever means possible. I am not afraid of death,are you 2? The purpose of this letter is not intended to alarm or warn you for I shall suffer for thisaction but that is the price you must pay for fame and glory. Riding the world of you 2 jew Pigs will bring my cause into National prominence and give it the exposure it deserves, others will then be able to follow the path that I started and complete my mission of righteousness.You 2 pig jews are only the tip of the iceberg but will make for a quick defrosting . I shall go down in history as the person who founded this movement. I proably will be as famous as the 2 of you put together. This movement is crucial for the world's survival, that it must be started immediately.

As time throug the hour glass, then so are the days of our lives. Time is near and you 2 should cleanse your souls for the Bible forbids your deeds, make amends with your maker, for I am with mine for what I am about to do. I am watching you for the right special time for there are 2 of you that I must destroy. I will be with the 2 of you at the end. I must prepare and ask for forgiviness to.

January 16, 1974

RE: TELEPHONE THREAT TO BOMB JOAN RIVERS SHOW AT DEAUVILLE HOTEL, MIAMI BEACH, FLORIDA, DECEMBER 29, 1973
EXPLOSIVES AND INCENDIARY DEVICES - EXTORTION

The following information was received on December 29, 1973, at 9:25 PM from Detective [redacted] Miami Beach Police Department, Miami Beach, Florida: b6 b7C

At 7:11 PM on December 29, 1973, an anonymous call was received at the police department from a male without accent, saying, "The Polish Underground is going to blow up the Deauville Theater in 15 minutes". The caller hung up. At 7:43 PM the police department received another call, "There will be a bomb at the Deauville at the JOAN RIVERS show tonight". The caller hung up. Both calls were recorded on tape.

On December 31, 1973, entertainer JOAN RIVERS was interviewed and made available a copy of a Western Union telegram addressed to her as "Miss JOANN MALINSKY RIVERS", signed by [redacted] supra, which is as follows: b6 b7C

"You have managed not only to ruin my Christmas holidays, but you also are making me lose ten days of a sorely needed vacation. I am returning to Miami to put a stop to your Polish "joke" routine at the Deauville. Perhaps [redacted] and I can teach you the difference between a joke and an assault on human dignity and decency. My people will no longer sit back supinely while a human cesspool spews her dirt on them. And for a Jewess you should know better. Decent Jews do not condone your racist jokes. Also, I hold the manager of the Deauville responsible for your act. I suggest that he put a muzzle on you or take the consequences. If I hear anything Polish mentioned in your routine "and that includes stash" I promise you, you will regret it. Shalom".

During the interview, Assistant U. S. Attorney (AUSA) [redacted] Southern District of Florida, Miami, unexpectedly appeared at RIVERS' suite, Deauville Hotel, and, b6 b7C

174-4905-3

ENCLOSURE

upon completion of interview, he advised both RIVERS and her husband, ROSENBURG, that neither of the telegrams nor the apparently local telephone calls of December 29, 1973, constituted violations of Federal statutes. Both RIVERS and her husband stated they understood and were sufficiently satisfied to know that this incident had been made a matter of record.

Following the interview, AUSA [redacted] declined prosecution in this matter because of no violation of extortion statute. Further, he observed that the two threatening telephone calls were apparently of local origin and of no interest federally. b6 b7C

A copy of this communication is being furnished to the U. S. Secret Service, Miami, Florida, and the U. S. Attorney, Miami, Florida.
