[redacted] denied knowing about the murder in question. After the third or fourth denial, [redacted] That got [redacted] attention that they were serious. [redacted] did not scream or yell, but realized that this was not normal. He felt traumatized and wondered if it was really happening. The noises in the room were not so loud as to attract attention of anyone outside the room.

b6 -4,-5,-7
b7C -4,-5,-7

[redacted] The officers threatened that there were worse things ahead for [redacted] if he did not cooperate. This continued for five to fifteen minutes before the officers left the room.

b6 -5
b7C -5

During the first two interrogation sessions, [redacted] was mentally trying to figure a way out of the situation. The officers would tell him little details of the case each time he made a denial. The officers would say things about people present at the crime scene, who set up the crime, names of people involved. [redacted] continued to deny involvement. After the second session, the officers told [redacted] things would go to another level next time.

b6 -4,-5,-7
b7C -4,-5,-7

After another hour or two, [redacted] and [redacted] returned to the room. [redacted] noticed [redacted] told [redacted] had no specific recollection of being punched or kicked during this session. He could not recall any specific conversations except being told not to watch the detective who walked behind him.

b6 -5
b7C -5

At that point, [redacted] told himself he needed to come up with a plan, because "these cats could kill me."

After another break of about an hour, [redacted] and [redacted] came back into the room. This time, [redacted] felt the session was totally different. He knew there was a possibility he was not coming out of there. He decided to holler and scream and make noise to alert people he was in the room. [redacted] asking him questions and feeding him details of the case. [redacted] told [redacted] that there was a "next level", where he would be taken out of the station and he will not come back. [redacted] believed them to be talking about taking him to [redacted] left the room.

b6 -4,-5,-7
b7C -4,-5,-7

[redacted] identified the next officer in the room as FNU [redacted] was white, [redacted] He said to [redacted]

b6 -2,-4,-5,-7
b7C -2,-4,-5,-7

[redacted] told [redacted] that he had been beaten and the other detectives had kicked his ass. [redacted] that [redacted] would come back and [redacted] could not protect [redacted] from them.

b6 -4,-5,-7
b7C -4,-5,-7

[redacted] the man began to ask [redacted] questions. [redacted] could tell the man was not the police and thought the man would help him. [redacted] told the man about being beaten and choked. The man stopped typing and called out for [redacted] came back, took [redacted] He said that [redacted] and [redacted] would come back

and [redacted] would not be able to help. [redacted] asked [redacted] what he wanted [redacted] to say. [redacted] gave him specifics to tell the man. b6 -5,-7 b7C -5,-7

[redacted] brought [redacted] back into the room with the man. [redacted] stayed in the room for a few minutes. [redacted] did not recall if anyone else was in the room. The man asked [redacted] whether anyone had beat or hit him, or forced him to sign a statement. [redacted] recalled this question happening both at the beginning and at the end of this session. [redacted] said "no" to each question. He did this because [redacted] was present in the room, and also because when [redacted] did tell the man that he had been beaten, the man sent him out to a detective. [redacted] did not feel safe answering "yes" to the question so he said he had been treated fine. b6 -5,-7 b7C -5,-7

Next, [redacted] gave a statement. [redacted] told him to feel free to correct and initial anything that did not sound right. [redacted] felt that he gave evidence the police officers wanted based upon what they told him. He thought he could correct the statement at a later time, but wanted to get out of the police station. b6 -5,-7 b7C -5,-7

After reviewing the statement, [redacted] signed the paper. He was handcuffed and transferred to a holding cell. The holding cells were single person cells. To the best of his recollection, he did not see anyone while he was in the cell. [redacted] b6 -5,-6 b7C -5,-6

[redacted] arrived to represent [redacted] told him what happened and how he had been treated. He showed [redacted] the scratches on his neck, which were from his abuse.

The next day, [redacted] had a brief conversation, but there was no time to talk specifics as to what had happened to them at Area 2. [redacted] does not recall any conversation with [redacted] prior to going before [redacted] The two talked briefly. b6 -2,-5 b7C -2,-5

information. AUSA [redacted] showed [redacted] transcripts of his previous testimony to refresh his recollection of events. After reviewing his transcripts [redacted] initially repeated his recollection that [redacted] He then recalled the suppression hearing and [redacted] telling him that the police officers were saying [redacted] did not have an independent recollection of what he had previously testified to with respect to [redacted]

JON BURGE was known as the "big cheese" in the neighborhood. BURGE's nickname was "Red" because of his red hair. He would come around the street for heater cases. [redacted] had heard that BURGE was tough and didn't play. [redacted] had seen BURGE one or two times on the street but never had any interaction with him. [redacted] had been brought in to Area 2 a couple times before this incident, but BURGE had not been one of the arresting officers. [redacted] did not see BURGE at Area 2 on [redacted]

344-12-7209 (Mr. Deas)
8415 S. Indiana
Chicago 60619 773-846-7293
1947 start
- with C Park Dist police - consolidated w/ PD in '59 abt city
Patrolman
civilian Detective (DIC) - plainclothes, not ranked, still patrolman by payroll
Wolfson made them rank, gave exam
retired in 1983 as

area 2 - b/came involved there 1979 or 80
- was in DIC in bldg b/4 it was, when it was something else in late 70's
b6 -4
b7C -4
- Burge already @ bldg - in robbery, reorganized + everyone got diff titles
- after reorg: Deas was Area Commander
went from robbery to Violent Crimes robbery
- Burge was promoted to lt (DIC) after reorg.
Deas had no authority to promote - think
just worried K: getting self promoted

③ [redacted]
② [redacted]

Brezack (ph) came after [redacted]
b6 -4
b7C -4

its offices sep. in bld. [redacted] w/ Deas
- Burge 2nd floor cin rite -
VC - [redacted]
[redacted]

pers. feeling on allegation - "it's possible"
~~surprised~~
B very energetic, "gung-ho," may be prone to deviate the
righteous path
- Robbery Dic - not investigating nice, courteous people
always ready
B was young - gung ho may be have been doing
- electric shock box, attatch to testicles

have been
said B did in station - D was in different hours
B wasn't 9-5, wked around the clock as it dictated
D said he should have heard screaming b/c bld had
nothing to absorb sound - he doesn't recall hearing
doesn't recall seeing black box
occasionally would go upstairs - never saw injuries

can only say its possible he did it

if guy killed pos
stray from path? - "don't go into woods w/ swith to hunt bear"
- possible your adrenaline is high, want to get person +
do damage to person, use some physical force to bring
guy down, cool off b/4 cuff
are incidences where force will be used
@ Roll Call w/o/T Wilson - he said want these
indiv. want to prosecute them, if take them down as
necessary cuff them, after take them down but no
more physical - protect yourself
didn't want them to be able to get out on a technicality
of undue or unnecessary force

19-cv-4048(FBI)-4055

Area 2
- ~~[illegible]~~ A Wilson's arrest - Deas @ station until 10 pm

Burge & a few men were out on tips
B - "[illegible]" - came in, had another bit of information
me was on the west side, want to hit early
in am -

- Beauty shop - in evening, found one of the guns
owner gave permission to search place - Deas present
none people arrested, got guns
[redacted] (Det.) [redacted] told Deas abt it. b6 -4 b7C -4
Deas left & came into station
Deas knew going to shop, he figured as a show of concern for it show importance
he would accompany them as morale factor,
D was more worried abt his men getting hurt than them
hurting the wilsons
D wanted to be on scene, ~~concerned~~ on streets 20+ yrs before 1st promotion
he was street policeman, he wanted to go

When guys went to get AW, Deas went home - he was tired
told men to be careful & let him know how it went.
think B called got call abt arrest - asked if all men OK - asked if any problems
told AW reached for bag & had been taken down physically
doesn't recall - thinks cut B off & said "ben int station"
not told of injuries at that time
- in station 91st & Cottage w/in 30 min, still dark,
early in AM.
- saw AW when Deas got to station, belive it was
still dark
H Burge, told D AW was upstairs, D said he'd go
up there
19-cv-4048(FBI)-4056
upstairs, walk to back, step in squadroom
B office on rite; VC admin offices on left

B said AW was standing on left
AW - facing east - standing
D could see a piece of tape over bridge nose, D asked what happened, B told him when they grabbed him (w/ bag)
AW received cut on nose - thinks said hit on side of bed, not sure
- doesn't recall if AW had jacket, thinks just shirt & pants
- not sure if cuffed, may or may not have been
- would have thought he'd be cuffed but can't say

- Besides B's others present - D can't recall
B was w/ D, not where AW was, thinks 3 or 4 guys standing around
D didn't talk to AW ever
- only time D recalls seeing AW

11th + State - where 'biggerings' were, + central lock up was

remembers being there w/ Brazak b/4 AW arrested
B's had exempt rank, + 1 missing, theme of mtg was don't go out, citizen complaints that men are snatching people out of cars, kicking in doors, to check on Wilsons - B's got complaints
- struck D as odd, he told superintendent - that the one person to H wasn't there [redacted] - he was [redacted] - his group was going - he personified
b6 -4
b7C -4
D said he was a little out of line
when D got to Area 2, he couldn't get thru, all men had parked cars there, jmc wanted to set up command post @ Area 2
- gave them [redacted] office to work out of

19-cv-4048(FBI)-4057

(later found out that juric had been at Mayo for a checkup)
only mtg D recalls that related to Wilson
- mtg w/ Burge [redacted] b6 -4 b7C -4
doesn't remember that meeting when asked to leave b/c B had it handled

- lockup w rejected b/c injured - doesn't recall, "vague"

- heard abt letter to Brez. in connection w/ AW being injured

- asked B "Did you beat this man" - got a negative
no further looking into - sufficient for B that he said no,
rumor was another PO did it, he quit dept & went to PL

in conversation
- some men said it was the fellas who took AW in squadroll to 11th & State did it, & they were being investigated
one died b/4 went to PL

can't recall who said
↓
maybe a week or 2 after learned to injured
- OPS already started investigating
wordout inv. by IA for beating AW
D let them investigate, do their job

B → if allegation true, w/ box is true, could say D was resp. as comm. officer
- D wasn't told to cut B slack

complaint of force/beatings
AW was first incident came to D attention
Frank Pape - B mentor (now dead)
old regime, quite a guy
B may have taken a little bit of him

nobody came to D out of ch. of command to compl. re B.

[redacted] b6 -4 b7C -4

remembers her - never compl. to D re: treatment
~~[illegible]~~ incident the whole time he supervised
where someone came to him compl re: white supv. treating
black det. in a bigoted way - D was lt in burglary
(Area 4)

B never indicated racist to D. D never got compl. b6 -4,-6
- spoke to Burge last when B was in Chicago b7C -4,-6
- for court case - [redacted], on Wilson he thinks
several yrs. ago

[redacted]

supposed to have been racist, never brought to D
attention as racist, brought as a reminiscence
- FL had tendency to interfere in other people's cases + take over to show them up
D had heard FL has tended to violate civil rites of black individuals
& FL admitted it

- shown anon. letter written to [redacted] b6 -4,-6 b7C -4-6
no insight on that
- 2nd anon letter
said sounds like [redacted]
[redacted] - pictures as one of fellows, more like a gentleman
if he rembers rite person
out of place in robbery, ~~he was~~ never heard vulgarity
doesn't know if FL worked w/ [redacted] or not

Felony review had a dispatcher, we cover all Cook Cty. → court recording equipment
They dispatched us, I went to area w/ equipment, meet ASA,
then go to interview room, w/ A, ASA, detective;

typical process:

ASA does interview (statement), & I record it. (regular stenograph machine)
w/ steno. equipment.
↳ conducts testimony

I type statement up in next room, give copy (Ct. reported statement) to ASA; ASA gives to A who makes corrections & gives back to ASA.

(★) I take picture of A. & provide Ct. reporting service only. of A's statement.

I was never left alone w/ witness! Always would come in based on call from ASA. (Felon Review) I get there b/c they are ready to make a statement (A)

I would ct. record the statement until completion or if A invoked Rt. to counsel.

I would never leave room during a statement.

3 I dn recall seeing choke marks on any particular person, just some would have the marks, I would take the picture, but DN remember the name.

4 I dn remember seeing a bag around an interview room where it mite have been used to choke someone.

Interview room would typ ~~have~~ have a table, a few chairs & maybe a person's snacks.

(Δ)
If any person complained to me about treatment I would have documented it on file statement.

Δ's was never ~~so~~ cuffed when I took file statement. If Δ was cuffed, ASA would order them un-cuffed.

"When they had serious investigations going on, they sent the girls home."

CPD. [redacted] [redacted] as

[redacted]

Type of statements, reports. Took statements sometimes @ old Area 2. Shift was whenever told to come and go (don't come in until ... it comes later) 4-5 hours a day. Paid for full 8.

Does not recall Burge working on [redacted] worked case → later Burge partner [redacted] Burge caught him. Burge took care of him. Said not to worry about it and he'd take care of it. Never saw bruises on subject. b6 -4,-5 b7C -4,-5

Burge was known for tactics ~~such as~~

[redacted] worked on Robbery on [redacted]

OFFICERS

Talking of a black box ~~by time moving~~ to new AREA 2.

Black officers didn't like the way subjects treated.

Quite a bit of controversy ~~between~~ black/white officers.

Remembers one subject chained to radiator.

When she came in, he was screaming that he had been (in 1960's) chained to radiator. In winter.

[redacted] ~~trick his statement~~ ~[redacted]

b6 -5
b7C -5

[You got ~~rewarded~~ for keeping your mouth shut - sent home.]

subject complained of being burnt. Fire Dept across street came to attend to burns.

In that same room, one subject jumped out window.

Been in ~~there when people~~ were screaming & crying.

She saw the black box - told by cops that there was a mongoose inside. Perhaps used to "scare" prisoners. Didn't look like the one on TV. Day time cops showed it to her

Heard hollering, screaming, fussing - but common for people to make noise. Did not know what the screams were from.

When screams got loud, someone would take her out for breakfast or a bar. They had their way to keep us from knowing what was going on.

Girls sent home w/ big case.

b6 -4,-5
b7C -4,-5

[redacted] - blind, in 80's worked for commander, FNU [redacted]

Took statements from prisoners until 80's.

b6 -4,-5,-6
b7C -4,-5,-6

[redacted] - Detective, black, worked w/ [redacted]

[redacted]

Burge talked nasty when drunk. Talk about sex

[redacted]

would sometimes be brought in for statement w/ prisoner. Prisoner not ready for statement, sent out, brought back to get statement.

[redacted]

b6 -4,-5
b7C -4,-5

Burge "Didn't show racism [redacted] Black officers said he was

"I know there were people beaten. I know that. It was the way."

Area 4 ~~was~~ had a dungeon with cells. When blacks were escaping, it was used to house them. Far worse than Area 2.

They talked about prisoners falling over chairs and having accidents @ Area 4.

IN [redacted]

When heard screaming, told to pack up stuff and leave b/c they were working on something. Done more by nights / afternoon crew.

Would arrest people in daytime, still there in evening and didn't know what happened to prisoners.

Lt. [redacted] @ New AREA 2.

[redacted] followed [redacted] through promotions, not Burge

[redacted]

Supplies kept in basement @ old A2. Never heard screams from there.

[redacted]

[redacted] [redacted] worked all 3 shifts b6 -4,-5 b7C -4,-5

Burge would come in mid-day and work over.

[redacted] Never spoke of abuse.

[redacted]

Black officers swallowed a lot of what they didn't like.

[redacted]

[redacted]

[redacted]

Midnight ~~guys were~~ mean.
They would go into conference Rooms to talk. Sat
Ger and girls outside of office to know less.

[redacted]

b6 -4,-5,-6
b7C -4,-5,-6

Never heard of bassing. Typewriter covers disappeared
in 1970's. No gun-pointing to subject.
Never saw beatings. Not heard of cattle prods.
Black box was like a Jack-in-the-Box. Joke

First thing told by [redacted]

Recalls Burge working hard on [redacted]
[redacted] (perhaps) or [redacted] came out. And
[redacted] were there a couple days. She came
in and were told to go home.

Anytime ~~there~~ was a major case, girls were sent
home.

SPECIAL PROSECUTOR JUDGE EGAN INDICT *ALL* OF BURGE'S DETECTIVES!

Enough is Enough!

We, the undersigned, urge you, Special Prosecutor Judge Egan, to recommend indictments of former Chicago Police Commander Jon Burge and *all* of the detectives who worked directly under his command at Area 2 and 3 police headquarters from the late 70s to the early nineties.[1]

Sources tell us that as a result of your investigation you now have in your possession the necessary information implicating not just Commander Burge but his detectives in the torture ring that railroaded over 118 men to prison and/or death row on the basis of confessions extracted through systematic torture, including the use of electro-shock, suffocation, burnings and severe beatings.[2]

We believe that for your office to recommend anything short of indictments for all officers involved would send a clear signal to all the families and their loved ones, still languishing in prison, that you too are involved in a cover up and hence guilty of conspiracy to cover up police torture in Chicago.

We have great faith, however, that you understand your historic role and will see that justice is served.[3] We know from countless discussions with those you have interviewed, as well as a meeting held in May between yourself, Enough is Enough Campaign Director Joan Parkin, and Bertha Escamilla, that you are conducting a thorough investigation. We are however concerned that former State's Attorney, Mayor Richard M. Daley, and the present States Attorney, Richard Devine, will hold undo influence upon your recommendations because of their conflict of interest[4] and political might.

We lend you all of our support and encouragement to do the right thing. Please remember that there is no greater power than that of the countless families, friends, and torture victims who have your back and are mightier than any backroom deals orchestrated by a handful of corrupt officials. Let not history but ourselves be the judge of what is right and wrong. May the truth be your guide and the people your sword.

Respectfully,

Eddie Spencer

[1] Area 2 & 3 Detectives Basile, Burge, Boffo, Boudreau, Bosco, Brzeska, Byron, Byrne, Cullom, Crescenzo, Cegielski, Egan, Dignan, Dowling, Dwyer, Flood, Foley, Garity, Grunhard, Gutrich, Glynn, Gorman, Halloran, Hick, Hill, Hoke, Kelly, Kill, Krippel, Lotito, Maslanka, McDermott, McKenna, Mcweeny, O'Brien, Ohara, Paladino, Phelan, Pienta, Rizzo, Smith, Steen, Terrazas, Wilson, Yucatis (now deceased, but his torture victims still remain in prison on confessions he extracted through torture).

[2] Countless torture victims have disclosed to us and you testimony that corroborates their night of horror in Chicago's Police torture chambers at Area 2 and 3 at the hands of former Police Commander Jon Burge and his Detectives.

[3] Special Prosecutor Judge Egan is the third and hopefully final person to fully uncover Chicago's Police Torture Conspiracy. In 1993 Michael Goldston submitted a report that lead to the firing of Jon Burge. In 2002, former Governor George Ryan pardoned four of Burge's victims from death row and released three after having conducted a thorough investigation. Now the torch has been passed to Judge Egan, who has the power to finally win real justice for all 118 Police Torture Victims.

[4] Mayor Daley was States Attorney when most of the torture victims were railroaded to prison and/or death row. States Attorney Richard Devine was removed from jurisdiction of the torture cases by Chief Judge Paul Biebel because of his conflict of interest, who as assistant to Daley while the torture ring was operating, continued to obstruct the Burge victim's efforts to get hearings.

Talk to witness, get statement from defendant, once charged you are off of it. Based at 26th/CAC.

"Did I know he was a bad guy at the time? 'Not really.'" Want to go along with the cops. Burge had the reputation of being a tough guy, but no allegations of abuse had come to light."

Maybe 4-6x working Burge + det.

Not really a time when someone came who appeared roughed up.

Recalls [redacted] case vaguely, if someone had been in bad condition. No one had told him they had been beaten. Don't recall anyone marked.

"Can't say I was real surprised. You would hear things... joking. That stuff like this went on. You got a feeling that the cops were rough guys and they get frustrated. It wouldn't be surprising."

"Probably saw cases with guys roughed up" - but they may have been in an altercation or coming off drugs. Would have a conversation with these subjects. No one had ever claimed to be roughed up.

Was there pressure to turn a blind eye?
"You learn by example (to turn a blind eye). You get the idea of what's going on and it won't help your career to complain on a detective."
Kind of the reason the left Chicago.

AGREED THAT: There was a sense that they were getting what they deserved if the cops beat them ~~a~~ little.
