Willie Mae Mallory

On January 27, 1971, NY T-1, who has furnished reliable information in the past, advised that Willie Mae Mallory of Cleveland, Ohio, was to speak before a group named the "National Youth Congress" at New York City on or about February 12, or 13, 1971.

On February 11, 1971, NY T-2, who has furnished reliable information in the past, advised that Willie Mae Mallory is a Black Nationalist who has most recently associated herself with the National Committee to Combat Fascism (NCCF).

The "New York Times" newspaper, dated October 26, 1970, Page 30, Column 2, described the NCCF as a "subsidiary organization of the Black Panther Party" (BPP).

A characterization of the BPP is attached to this memorandum.

On February 13, 1971, NY T-3, who has furnished reliable information in the past, advised that a meeting of the National Youth Congress (NYC) took place at the United Nations Church Center, with approximately sixty people in attendance. The program consisted of the showing of a film dealing with the attempt to free the African colony of Angola from Portugese rule. There were no other events which took place at this meeting.

ENCLOSURE

Willie Mae Mallory

> On February 3, 1971, in a document issued by the NYC, the organization described itself as "...addressing itself to the problems of black youth. Members of the Youth Congress are encouraged to study Scientific Materialism and one of the Martial Arts."

According to NY T-3, Willie Mae Mallory, Charles Enlow Koen, Director of the United Front, Cairo, Illinois, a group which has been boycotting merchants in Cairo, and James Rufus Forman, a former national officer of the Student National Coordinating Committee (SNCC), were all present at the aforementioned NYC meeting but did not take an active part in any of the proceedings.

> A characterization of SNCC is attached to this memorandum.

On February 15, 1971, NY T-2 advised that Willie Mae Mallory departed from New York City on that date by Commercial Airliner for Cleveland, Ohio.

During the months of February and March, 1971, several confidential sources, who are familiar with some aspects of racial activities in the New York City area, advised they could furnish no further information concerning Willie Mae Mallory, Charles Enlow Koen, James Forman, or the NYC.

1. APPENDIX

BLACK PANTHER PARTY
Also Known As
Black Panther Party for Self-Defense

According to the official newspaper of the Black Panther Party (BPP), the BPP was started during December, 1966, in Oakland, California, to organize black people so they can take control of the life, politics, and the destiny of the black community. It was organized by BOBBY G. SEALE, BPP Chairman, and HUEY P. NEWTON, Minister of Defense, BPP.

The official newspaper, called "The Black Panther," regularly states that the BPP advocates the use of guns and guerrilla tactics in its revolutionary program to end oppression of the black people. Residents of the black community are urged to arm themselves against the police who are consistently referred to as "pigs" who should be killed.

The newspaper, in its issue of September 7, 1968, had an article by the then Minister of Education, GEORGE MURRAY. This article ended with the following:

"Black men. Black people, colored persons of America, revolt everywhere! Arm yourselves. The only culture worth keeping is revolutionary culture. Change. Freedom everywhere. Dynamite! Black power. Use the gun. Kill the pigs everywhere."

The BPP newspaper, issue of October 5, 1968, had an article introduced with the following statement: "We will not dissent from American government. We will overthrow it."

DAVID HILLIARD, Chief of Staff, BPP, in a speech at the San Francisco Polo Field on November 15, 1969, said "We will kill Richard Nixon."

DAVID HILLIARD, in the "New York Times," issue of December 13, 1969, was quoted as follows: "We advocate the very direct overthrow of the government by way of force and violence."

APPENDIX

BLACK PANTHER PARTY (cont'd)

In the issue of April 25, 1970, the BPP newspaper had an article by Minister of Culture EMORY DOUGLAS as follows:

"The only way to make this racist US government administer justice to the people it is oppressing, is... by taking up arms against this government, killing the officials, until the reactionary forces...are dead, and those that are left turn their weapons on their superiors, thereby passing revolutionary judgement against the number one enemy of all mankind, the racist U.S. government."

The BPP Headquarters is located at 1046 Peralta Street, Oakland, California Branches of the BPP, and Committees to Combat Fascism, under control of the BPP, have been established in various locations in the United States of America.

On December 29, 1969, CV T-1 advised Operation Black Unity was an umbrella-type civil rights-type organization formed during the summer of 1969 to arrange for the black ownership of business in the black community.

II. ACTIVITIES

On November 24, 1970, CV T-1 advised subject was in attendance at a meeting of the Congress of Africa People (CAP), held at the Humanitarian Unitarian Chruch, 8113 Euclid Avenue, Cleveland, Ohio. Source advised the purpose of this meeting was to establish a regional CAP chapter in Cleveland for the State of Ohio and to announce that CAP was going to protest the then recent invasion of Guinea, which CAP described as being tacitly approved by the United States.

CV T-9 advised the Congress of African Peoples, held September 3-7, 1970, in Atlanta, Georgia, has been publicly described as an expansion of Black Power Conferences held in 1966, 1967 and 1968, in the United States, and in 1969, in Bermuda, all of which attracted

> thousands of black people. The ideology expressed during the Congress was Pan Africanism, described as a working relationship between blacks in America and those on the continent of Africa. Under this theory, both economic and political institutions would be established to deal with the problems of the blacks. The Congress closed with a call for formation of a black political party under the banner of Pan Africanism.

CV T-2 advised subject was present at an African Peoples Conference on December 26, 1970, at the Karamu House, Cleveland, Ohio. The conference was conducted under the name African Peoples Liberation Party (APLP) and during the evening subject engaged in close conversation with Queen Mother MOORE.

The following article appeared in "The Black Liberator," on January 21, 1971, published by the Black Liberation Front (BLF) at Cuyahoga Community College, Cleveland, Ohio:

Mae Mallory to speak at UN

Mae Mallory is scheduled to speak at the United Nations Friday, Feb. 12, 1971 as the guest of the National Youth Congress. The topic for discussion will be the "Plight of Black People in South Africa." The vicious white racist government of South Africa is comparable only to the United States, with Rhodesia running third.

Presently Mae Mallory is full-time student here at Cyahoga Community College. Her particular field of interest is journalism. The National Youth Conference is a student organization, but Mrs. Mallory will speak as a worker rather than student. This is the subject that is most familiar to her, she says.

In September 1968, Fred Meely, a veteran of the Student Non-Violent Co-Ordinating Committee, organized the National Youth Congress. The main purpose for the organization was to unite and resist those who show themselves as the enemy of the oppressed Third: World people, particularly African whether at home or abroad. The consciousness of Black people together with the revolutionary zeal of the youth makes it possible for this organization to function.

According to the Youth Congress they have concentrated on recruiting youth at the high school level, college students and young workers.

In August 1970 the National Youth Congress was accredited in the United Nations as a non-governmental organization.

The United Nations is not seen as a panacea for oppressed people of the world. Picture Patrice Lumumba who entrusted the United Nations to provide aid and guidance to benefit his young nation, the People's Republic of the Congo. Instead Patrice Lumumba was murdered in a most brutal way. In spite of its many short-comings it does provide the means for Third World people to gather and solidify the struggle against a common enemy.

Representatives from the independent African nations, Nigeria, Algeria, Zambia, Tanzania, and Guinea will speak at this youth meeting. Countries where revolutionary struggle is taking place, will have representation also: Zimbabwe known by the slave name as Rhodesia. Frelimo will represent Moambique. Angola, Namibia and South Africa will be represented by students here in the United States.

The National Youth Congress briefing on Southern Africa will be a historical first for Black people in the United States. After the briefing a small group will be selected to write a position paper and all of those gather from all parts of the country will decide upon actions to be taken. All progressive Black organizations student or otherwise are invited to send a delegation.

In acordance with the policy of the United Nations, only the official representatives of self-governing countries are allowed to speak in the General Assembly. The guest speaker will speak at the United Nations Church Center. Included on the speakers list is James Forman, author of the Black Manifesto and Howard Fuller of Malcolm X University.

On February 13, 1971, CV T-6 advised subject attended a seminar sponsored by the National Youth Congress, held at the United Nations Church, New York City. Source advised subject did not participate in the seminar, but attended as a member of the audience.

On February 13, 1971, CV T-7 advised the seminar consisted of the showing of a film dealing with the attempt to free the African Colony of Angola from Portuguese rule.

On February 8, 1971, CV T-5 advised subject, along with several other students, had led black and white students into the Cuyahoga Community College Cafeteria taking food and walking out without paying for the food.

On March 10, 1971, CV T-8 advised the subject has been frequenting the "People's Church" in East Cleveland, Ohio. Source stated the People's Church is frequented by known extremists and is run by a white "hippie" minister.

CV 157-2806

DETAILS:

At Cleveland, Ohio

I. BACKGROUND

A. Residence

On June 24, 1971, CV T-1 advised subject continues to reside at 1201 Hayden Avenue, Apartment 4, Cleveland, Ohio, telephone number 216/249-6235.

B. Employment

On June 24, 1971, CV T-1 stated subject continues to be associated with, and maintains an office at, Operation Black Unity, 1167 Hayden Avenue, Cleveland.

(On December 29, 1969, CV T-2 advised Operation Black Unity was an umbrella-type civil rights-type organization formed during the Summer of 1969 to arrange for the black ownership of business in the black community.)

II. ACTIVITIES

On March 18, 1971, CV T-1 advised subject would depart Cleveland, Ohio, on March 20, 1971, via airline to visit JEAN WALTON, 1907 Columbia Road, NW, Washington, D.C. (WDC) and to participate in a rally sponsored by the D.C. Committee to Free Angela Davis.

(ANGELA DAVIS - DAVIS, a self - admitted member of the Communist Party (CP) in California, is now incarcerated in Marin County, California, awaiting trial on murder-kidnaping charges involving the slaying of a judge in that state and the CP, USA, has been instrumental in the formation of groups to free or defend her.

Trial date has not been set but it appears activities of such groups will accelerate as the time for trial approaches and still more such groups may be formed.)

(WALTON is Chairman of the D.C. Committee to Free Angela Davis and Field Representative of the Washington Teacher's Union.)

On March 22, 1971, CV T-3 advised that a "Free Angela Davis Rally" was held on March 21, 1971, at All Souls Church, 16th and Harvard Streets, NW, WDC. The event which began about 4:30 p.m. was sponsored by the Black Women's Caucus of the D.C. Committee to free Angela Davis.

Source stated subject was the main speaker at this affair wherein she stated she was not in Cleveland, Ohio, during the "shoot-out" between the police and Black Nationalists (BN) there; but she wished she had been as she stated she would have been right in the middleof the disturbance.

MALLORY said she is against Mayor STOKES of Cleveland because she had talked with STOKES about a convicted BN and STOKES, according to source, stated he could not get along with any BN.

Above source advised MALLORY said that there is very little activity in Cleveland on behalf of ANGELA DAVIS and she found the same to be true in WDC which dissatisfies her. She has talked to some black people in Washington and they have said that DAVIS was with the CP and the CP should help her and not the black people.

MALLORY then said that she understood WDC is seventy percent black and with this high percentage, the black population should be able to dominate the city. MALLORY said she had heard of the bombing at the U.S. Capitol and of the bombing scares in other buildings. MALLORY understands that the general belief is that black people did not have anything to do with the bombing, but that it was the work of white radicals. She said that if some black person does decide to do "his thing," she wants him to leave a note or sign that it was for the support of ANGELA DAVIS.

MALLORY then advised that she has no objection working with white people as long as they are working to "uproot the system". She is against black people who go around jumping on white people who are their sympathizers or their friends, when there are so many white racists walking around.

MALLORY concluded with the idea that "the system" will suffer if ANGELA DAVIS, BOBBY SEALE, ERIKA HUGGINS, and an unidentified black male from New York are not freed.

(SEALE and HUGGINS are Black Panther Party (BPP) members recently freed following a hung-jury trial in New Haven, Connecticut.)

The BPP is a black extremist organization started in Oakland, California, in December, 1966. It advocates the use of guns and guerrilla tactics to bring about the overthrow of the U.S. Government.

On April 7, 1971, CV T-4 advised the International Black Workers Congress (IBWC) held a conference at the Ozanam Center, located on Wylie Street, Pittsburgh, Pennsylvania, on April 3 and 4, 1971. This source related that the IBWC is an organization reportedly founded by JAMES FORMAN of New York, New York, who previously functioned as a national official of the Student National Coordinating Committee (SNCC). The objective of the IBWC, according to this source, is the creation of a national black labor and student organization for the purpose of formenting unrest among black industrial workers and students through revolutionary tactics, in an effort to seize control of the present governmental structure.

The SNCC was formerly known as the Student Nonviolent Coordinating Committee and was founded in 1960 during the period of civil rights activity in the South. The organization advocates the use of force to achieve revolutionary goals and the destruction of the capitalist system of government in the U.S.

According to this source, approximately 150 people were in attendance at this conference, with the conference being supervised by FORMAN. Those attending this conference were made up of students from the majority of the black colleges in this country, as well as black representatives from industrial establishments throughout the country. Source was unable to identify these representatives or the colleges and industrial firms they represented, but did state the majority of the student representation was from Hampton College in Virginia and Fisk University in Tennessee. The greatest number of black industrial representation was from Detroit, Michigan, and Atlanta, Georgia. The Hampton College students indicated they were organizing black workers at the Newport News, Virginia shipyards.

Source went on to relate that reports pertaining to organizing both black workers and students from various geographical areas in the country were given to the attendees. These organizing reports were nine in number and were repetitious in nature, describing what efforts have been instituted to organize the black industrial workers in a given area into a political force, or the black students into political education groups. Some of those recognized presenting progress reports with respect to organizing and their remarks are as follows:

This is Buffalo 157-14464 DOB

First Name Unknown (FNU [redacted] Chicago, Illinois, who indicated to attendees efforts were currently going on to organize black industrial workers; however, he did not elaborate on the extent of the progress or in what specific industrial areas this organizing was taking place. [redacted] indicated to some of the people attending that a warrant was "out for him" in Chicago for mail theft.

b6
b7C

MAE MALLORY, Cleveland, Ohio, who reported that Political Education classes were in the process of being established at Cuyahoga Community College (CCC), Cleveland, Ohio, which will teach the concepts of the Marxist-Leninist ideology.

[redacted] who stated they belonged to a group known as the League of Revolutionary Black Workers, in Detroit, Michigan; however, they did not further describe this group, except that it was involved in the organizing of black workers in the automotive industry. They further indicated they were connected with a group known as the Dodge Revolutionary Union Movement (DRUM), based in Detroit, Michigan, and also involved in the organizing of black automotive workers.

b6
b7C

[redacted] Georgia, telephone 753-2880, reported to the conference that efforts were being undertaken in Atlanta, Georgia, to similarly organize black Post Office Department employees.

[redacted] WDC, stated efforts were being undertaken to begin establishing bookstores on or near black campuses and communities for the purpose of circulating "political education" material advocating the Marxist-Leninist ideology.

b6
b7C

[redacted] Atlanta, Georgia, who indicated he was affiliated with the recruiting of students to travel to Cuba to harvest farm produce, informed the attendees that he had made contact with representatives of Puerto Rican based organizations, which he did identify, and they would be extended an invitation to attend the next conference, on or about August 21, 1971, in Detroit, Michigan.

CV 157-2806

During the course of this conference, FORMAN stated he had been in contact with JAMES HORTON, whom source described as the operator of an anti-poverty group known as "Fight Back", located at 2035 Fifth Avenue, New York, New York. He stated that with the assistance of HORTON, they have established a Political Education class, meeting at the aforementioned location, which teaches the Marxist-Leninist ideology.

Source stated that he determined that FORMAN and the IBWC are in the process of setting up their headquarters somewhere in Detroit, Michigan, and have created a non-existent organization known as "International Black Appeal," whose purpose will reportedly be to function as a fund raising arm of the IBWC.

According to this source, FORMAN extended to BILL EPTON, and several members of the Black Workers Council (BWC) from New York, New York, an invitation to attend and participate in this conference. This source related the BWC is also engaged in the organizing of black workers in New York City, and in the recent past were given a copy, by FORMAN, of his IBWC "manifesto", which they were critical of, in part. FORMAN, in extending his invitation for them to attend this conference, invited EPTON and his group to formally present their criticism during the conference.

During the evening session of this conference, on April 3, 1971, EPTON presented a list of the BWC criticisms of the "manifesto" to FORMAN prior to a "floor discussion" of them; however, subsequent to reading them, FORMAN became highly incensed with EPTON and his group, and refused further discussion. A heated exchange resulted between EPTON, MAE MALLORY and FORMAN over his refusal to permit further discussion, with MALLORY accusing EPTON of trying to disrupt the conference with his Progressive Labor Party (PLP) rhetoric.

> The PLP was founded in 1962 by individuals expelled from the CP, USA, for following the Chinese communist line. Its objective is the establishment of a militant working-class movement based on Marxism-Leninism and MAO Tse-tung thought.

On May 4, 1971, CV T-5 advised that a group of approximately eight individuals entered the "Commuter" (campus newspaper) office at CCC, Cleveland, Ohio, and claimed that they were going to continue to write articles for the paper. This source advised that the individuals were former staff members of the "Black Liberator", a former CCC newspaper published by the Black Liberation Front (BLF), a local black extremist group at CCC. This source also advised that these individuals wanted to continue to operate the "Black Liberator" as a paper using the facilities provided by the "Commuter". The source advised that the campus newspaper staff refused to allow the individuals to utilize their space and requested them to leave. They refused to do so and were subsequently arrested for trespassing by the Cleveland, Ohio Police Department.

This same source advised that those arrested were WILLIE MAE MALLORY, KEN MOORE, former editor of the "Black Liberator", KATHLEEN JOHNSON and PAULETTA SCOTT, former staff members, WILLARD GRINAGE, FAYE GRINAGE, and BETTY GREER. This source added that CURTIS JOHNSON, member of the BPP, was also at the scene but ran from the area before he was arrested.

(On July 7, 1971, CURTIS JOHNSON was sentenced to 1-20 years in prison for shooting at a police officer.)

On May 5, 1971, [redacted] Intelligence Unit, Cleveland, Ohio Police Department, advised that WILLIE MAE MALLORY, KEN MOORE, KATHLEEN JOHNSON, PAULETTA SCOTT, BETTY GREER, FAYE GRINAGE, and WILLARD GRINAGE were arrested on May 4, 1971, for trespassing at CCC, Cleveland. [redacted] advised that these individuals refused to leave the office of the campus newspaper when requested and were subsequently arrested and incarcerated until approximately 1:00 p.m. on May 5, 1971, at which time subject was released on $20 bond. [redacted] stated that all the above individuals were subsequently released after their hearing on that date. [redacted] also advised that one [redacted] was at the scene on May 4, 1971, but fled the area when arrests were made at the newspaper office. He further advised that [redacted] initially resisted arrest, but subsequently entered the police wagon without any incident. No further incidents occurred or disturbance resulted.

On June 4, 1971, CV T-1 advised subject had planned to travel to Gary, Indiana to attend another International Black Worker's Congress. On June 7, 1971, this source stated subject was not able to attend this Congress due to a transportation problem.

On June 28, 1971, CV T-1 advised subject was a speaker at a meeting held that date at the "People's Church" in East Cleveland, Ohio. The meeting was sponsored by the BPP to raise funds for incarcerated members.

In the administrative pages of referenced report you recommended subject be deleted as a KBE as her activities have been limited to participation in small local demonstrations. Referenced report revealed subject on 6/28/71 was one of the speakers at a meeting sponsored by Black Panther Party (BPP) of Cleveland for the purpose of raising funds for incarcerated members. She has also been active in activities of the International Black Workers Congress (IBWC), a black extremist group organizing among black workers and students to further revolutionary struggle. On 10/2/71 she addressed a demonstration held in front of Cuyahoga County, Ohio, Jail regarding police harassment and conditions within prisons.

NOV 23 1971 FBI

In view of subject's long time prominence among black extremists and the above activity, subject is not being deleted as a KBE at this time. Information reported in the next 90-day report concerning subject should be analyzed for the purpose of determining if you believe subject should be deleted as a KBE.

Paragraphs 1, 5 and 8, page 8 of referenced report should be deleted as each is purely administrative.

Paragraph 6, page 8 of referenced report reveals telephone number had previously been subscribed to by a Herman Holmes, 7916 South Drexel, Chicago, Illinois. Paragraph 7 is a characterization concerning Herman John Holmes, Jr. Since the latter formerly resided at 7916 South Drexel, delete last word "a" from line 3, paragraph 6, so reads "listed to Herman Holmes."

The National Black Economic Development Conference is referred to on page 8 but no characterization is set forth concerning that organization. Incorporate characterization in amended page.

Paragraph 2, page 20 of referenced report identifies the source who regularly furnishes data regarding subject's checking account. The data reported, in addition, is administrative in nature and has no evidentiary value as it only lists the amounts of checks charged to subject's account. This data should have been set forth in the administrative pages. Delete paragraph 2 from report.

Paragraph 2, page 22 of referenced report reveals [redacted] was designated the payee of a check drawn on subject's bank account. [redacted] however, is not identified in report. He, of course, was a Priority II, Security Index, subject due to his involvement in black extremist activities. Submit amended page to referenced report which incorporates characterization regarding [redacted] b6 b7C

Although the subscribers of various telephone numbers are listed on pages 5 through 8 in referenced report, there is no reported connection indicated between these individuals and Mallory. I. BACKGROUND

A. Residence

On October 18, 1971, LUDI RICHARDSON, Manager of the apartment building at 1201 Hayden, advised that MALLORY resides at 1201 Hayden, Apartment 5. RICHARDSON advised that MALLORY pays $85 per month for rent on her four room apartment and that all payments for rent are made to LOU SEIDMAN, owner of the apartment building.

B. Employment

On October 22, 1971, GERALD STRUCKHOFF, Administrator for the Euclid Park Nursing Home, 20611 Euclid Avenue, Cleveland, Ohio, advised that MALLORY is currently employed at the nursing home as a nurse's aid. She works five days a week from 11:00 PM to 7:00 AM and her salary is approximately $13 per day. Mondays and Tuesdays are her normal days off. As of October 22, 1971, MALLORY had been employed for about one week at the nursing home.

C. Previous Employment

On October 4, 1971, CV T-6 advised that in her employment application at Cleveland Clinic, MALLORY listed her previous employment as Upjohn Homemakers, 11750 Shaker Boulevard, Cleveland, Ohio, August, 1971 to present; Black Economic Development Conference (BEDC), Varick Memorial Church, 806 Quincy, Brooklyn, New York, March, 1969 to June, 1971. Her employer with this organization was shown as CALVIN MARSHALL, III.

(On April 29, 1971, CV T-3 advised that Reverend MARSHALL is the pastor of the Varick Memorial African Methodist-Episcopal Zion Church, the oldest black church in Brooklyn, New York, organized in 1818. Further MARSHALL is the chairman of the board of the BEDC and a member of the Executive Committee of the National Committee of Black Churchman. He is a professor of Pastorial Care at the Institute of Black Ministers at the Conwell School of Theology, Philadelphia, Pennsylvania.)

MALLORY described the above organization as a civil rights group and her position as a community worker with a salary of $100 per week. Her reason for leaving was shown to be that the organization was out of funds.

Prior to this MALLORY was employed at Long Island College Hospital, St. John's Place, Brooklyn, New York from February, 1967 to February, 1969. She was employed as a nurse's aid with a salary of $80 per week. Her reason for leaving this employment was "went to Africa."

The meeting was sponsored by the Black Panther Party (BPP) of Cleveland to raise funds for incarcerated members. MALLORY spoke in support of the BPP cause and urged those in attendance to contribute money to the cause.

BPP

The BPP is a black extremist organization started in Oakland, California, in December, 1966. It advocates the use of guns and guerrilla tactics to bring about the overthrow of the United States Government.

CV T-5 advised that in July, 1971, MAE MALLORY was on the mailing list of the International Black Workers Congress (IBWC).

(CV T-8 advised on April 7, 1971 that the IBWC is an organization reportedly founded by JAMES FORMAN of New York, New York, who previously functioned as a national official of the Student National Co-ordinating Committee (SNCC). The objective of the IBWC, according to this source, is the creation of a national black labor and student organization for the purposes of fomenting unrest among black industrial workers and students through revolutionary tactics in effort to seize control of present Governmental structure.)

SNCC

The SNCC was formerly known as the Student Nonviolent Co-ordinating Committee and was founded in 1960 during the period of civil rights activity in the South. The organization advocates the use of force to achieve revolutionary goals and the destruction of the capitalist system of government in the United States.

On September 2, 1971, CV T-1 advised that MALLORY does not plan to attend the IBWC to be held on the weekend of September 4-5, 1971 due to limited finances and part-time employment.

(On the morning of September 13, 1971, police and National Guardsmen entered Attica State Prison by force to subdue prisoners who had taken the prison by force several days before and were holding prison gurads as hostages. As a result of action taken by prisoners, police and National Guard, over 28 prisoners were killed. Additionally, nine persons who were held as hostages were found dead.)

Source advised that MALLORY spoke at the demonstration on October 2, 1971, about police harassment and general conditions within todays prisons. Source advised that MALLORY then attended a gathering at Cleveland State University where the events of Attica were relived by several speakers. MALLORY did not speak at this gathering.

On October 5, 1971, CV T-1 advised that MALLORY is not currently attending Cuyahoga Community College as she did not have enough money to enroll. The Black United Front in Cairo is a predominantly black group led by KOEN, which has been boycotting white downtown merchants of Cairo, Illinois since 1968.

On August 13, 1971, SC [redacted] determined the Chicago, Illinois telephone number 312 488-6976 was currently disconnected. However, it had previously been listed to HERMAN HOLMES, 7916 South Drexel, Chicago, Illinois. b6 b7C

HOLMES is employed as regional director of NBEDC, which is located at 7126 South Jeffery, Chicago, Illinois.

NATIONAL BLACK ECONOMIC DEVELOPMENT CONFERENCE (NBEDC)

The March 25, 1971, edition of the Chicago Daily Defender, which is a daily newspaper in Chicago, Illinois, described the NBEDC as the group which issued the controversial black manifesto in 1969 and in its initial thrust, demanded $500 million in reparation from churches and synagogue for injustices inflicted on blacks by whites.

CV T-10 has advised that on January 6, 1971, a call was placed from Cleveland phone number 216-249-6235, listed to MAE MALLORY, to a New York telephone number 212-255-0352 and that on May 20, 1971, and June 18, 1971, a call was placed to a Detroit phone number 313-342-1181.

A check of the 1971-72 Manhattan (New York, New York) Telephone Directory reveals telephone number 255-0352 is listed to the Workers World, 46 West 21st Street, New York, New York.

"Workers World"

On May 1, 1970, a source advised that the "Workers World" is the official newspaper of the Workers World Party, published twice monthly, with editorial offices located at 46 West 21st Street, New York, New York.

A check of the April, 1971, Detroit, Michigan Telephone Directory reflects that telephone number 313-342-1181 is listed to the Black Star Publishing Company, 8824 Fenkell, Detroit, Michigan.

REPUBLIC OF NEW AFRICA

The Republic of New Africa (RNA) was founded in Detroit, Michigan, in March, 1968. Its purpose is to establish an independent black nation within the United States, demanding the States of Alabama, Georgia, Louisiana, and Mississippi, and $10,000 per black citizen for reparations. The RNA, a violence-prone, black extremist, separatist organization, is now headquartered in New Orleans, Louisiana.

> Parked in the driveway at this address was a green Plymouth, four door sedan, bearing 1971 Ohio license AX 8976.

A check of registration information on 1971 Ohio license plates revealed that AX 8976 is registered to MAE MALLORY, 1201 Hayden Avenue, Cleveland, Ohio, on a 1967 Plymouth, four door sedan.

On September 13, 1971 [redacted] Shaker Heights Police Department advised that MAE MALLORY was involved in an automobile accident on Thursday, July 29, 1971. CONFIDENTIAL

WORKERS WORLD PARTY

On April 17, 1959, a source advised that on February 12, 1959, a Socialist Workers Party (SWP) minority group under the leadership of National Committee member Sam Ballan split from the SWP.

The source stated that this minority group, referred to as the Marcyites, after many years of program and policy differences on varied issues concerning tactics and interpretation of political events, split from the SWP on the grounds that the Party was liquidating itself by departing from the Marxist precepts of Leon Trotsky and retreating from the fight for the world socialist revolution. The final issue which ultimately forced the split was the minority's opposition to the SWP regroupment policy which involved cooperation with the Communist Party (CP) periphery individuals characterized by the minority as petty bourgeois.

The minority program, according to the source, advocated unconditional defense of the Soviet Union and has as its goal the building of a revolutionary party with a complete proletarian orientation for the purpose of overthrowing capitalism in the United States and throughout the world.

On May 12, 1960, source advised that this minority group had chosen the name Workers World Party.

On May 1, 1970, a second source advised that the Workers World Party, which maintains headquarters at 46 West 21st Street, New York, New York, supports the People's Republic of China in its ideological dispute with the Soviet Union, but at the same time has called for a peaceful solution to recent Sino-Soviet border disputes.

The SWP has been designated pursuant to Executive Order 10450.

EMPLOYMENT

On January 28, 1972, GERALD STRUCKHOFF, Administrator, Euclid Park Nursing Home, 20611 Euclid Avenue, Cleveland, Ohio, advised that MAE MALLORY quit her position with the nursing home, effective January 25, 1972. The reason given for her voluntarily quitting was because of a difference of opinion on personnel matters between STRUCKHOFF and MALLORY. MALLORY is now unemployed.

On September 22, 1971, CV T-3 advised that on September 17, 1971, MAE MALLORY visited the Tanzania Mission to the United Nations in New York City, New York. The purpose of her visit to the mission is unknown.

CV T-2 furnished the following information on December 15, 1971:

MAE MALLORY has worked at the Euclid Park Nursing Home for several weeks, however, is not a good worker. MALLORY sleeps on the job and when instructed not to sleep, goes into a tirade about not getting enough money for the job she does.

MALLORY is very vocal when she winds up and gives the impression of hating everyone who has money as she thinks everyone should have the same amount of money. MALLORY is complaining all the time about not having money and being broke. MALLORY talks about companies who are exploiting their people inasmuch as these companies go to other countries and employ the people there at lower rates of income than they would have to pay if they operates in the United States. MALLORY talks about the exploitation of the working class in general, referring to no specific ethnic group. MALLORY will occasionally go off on a tangent stating that colored people are better than just being entertainers, and as she is expounding, the feeling is present that her speech has been well rehearsed and memorized. MALLORY sounds like a broken record when she starts on this tangent as she keeps saying the same things over and over again.

MALLORY has talked about traveling and has indicated that the "organization" has paid for her travels in the past ~~but that the "organization" currently has no money and she~~ cannot travel at this time. MALLORY has talked about having traveled to the Caribbean, Tanganyika and Guinea. MALLORY has said that her daughter, PAT, is currently living in Tanzania and that in a couple of years when she gets the money together, she wants to travel to Tanzania to permanently live. MALLORY talks about building herself a $27,000 house which she states would be a mansion over there as compared to what it is here. U.S.A.

X MALLORY

MALLORY does not seem to respect authority in her dealings with her fellow workers and supervisors.

The following is a news article which appeared in the Akron Beacon Journal, Akron, Ohio, on December 22, 1971. The Akron Beacon Journal is a daily newspaper with distribution in the Greater Akron, Ohio area:

CV 157-2806

Willie Mac's Conviction Is Upheld

COLUMBUS (OPS) — The Ohio Supreme Court today upheld the contempt convictions of Mrs. Willie Mae Mallory and 19 other members of "The July 23rd Defense Committee."

Mrs. Mallory has been a civil rights activist in the Cleveland area.

The high court ruled that Cuyahoga County Common Pleas Court did not err in rejecting demands for jury trial in the 20 cases, in which Mrs. Mallory and the others blocked a hallway of the Criminal Courts Building in Cleveland on May 28, 1969, after a court order had prohibited such action.

Under decisions of the U. S. Supreme court the right to trial by jury exists, even in contempt cases, when the offense is serious, but the Ohio Supreme Court said Mrs. Mallory's case came a year before the U. S. Supreme Court's ruling; and therefore the lower court did not err in denying her trial by jury.

In the other 19 cases, the Ohio Supreme Court ruled, there is no right to trial by jury in a contempt case involving a "petty offense" — one involving imprisonment for six months or less as the other 19 did.

CV 157-2806

CV T-1 advised on August 27, 1971 that the below listed long distance telephone call was made from Cleveland telephone number 249-6235, which has previously been determined to be subscribed to by MAE MALLORY:

All sources (except any listed below) whose identities are concealed in referenced communication have furnished reliable information in the past.

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.

The July 23, 1971 Defense Committee was formed to protest the prosecution of FRED (AHMED) EVANS, founder and leader of the Afro Set in Cleveland, Ohio, on charges of murder arising out of the July 23, 1968 Glenville Riots where four policemen were shot and killed. EVANS has been convicted of murder and is currently incarcerated while his conviction is on appeal.

AFRO SET

The Afro Set, also known as Black Nationalist Party For Self-Defense, a black extremist organization, was found in Cleveland during the Summer of 1967 by HARLLEL B. JONES, who refers to himself as the Prime Minister, and who is the absolute leader of this group. The Afro Set has as its primary goal, complete take-over and control of the black community. It teaches hatred of white people and outside authority. The Afro Set is headquartered in Cleveland, Ohio and has a chapter in Columbus, Ohio.

Enclosed are three copies of an article captioned "Ahmed Evans supporters form new defense committee" which was printed on page six of the 2/2/72 edition of the "Workers World."

The article revealed an organization known as "Friends of the July 23 Defendants" had been recently formed in Cleveland to fight against the "racist frameups" resulting from the 7/23/68 shooting of three policemen. A primary objective of this organization is to fight for a new trial for the three blacks who were convicted of this shooting. The article indicated twenty individuals had been convicted for contempt of court in connection with endeavors to demonstrate on behalf of above three blacks. This Committee will also campaign to have these contempt charges dropped.

The article contained a letter from Mallory, in which she identified herself as Secretary of the July 23 Defense Committee. She requested that funds to assist the July 23 Defense Committee in its efforts to get a new trial for the above three blacks be forwarded in care of the Committee to Post Office Box 2494, East Cleveland, Ohio 44112.

Promptly reinstitute investigation to secure information regarding current activities of July 23 Defense Committee.

Since the enclosure reveals Mallory, as secretary of this Committee, has solicited contributions in the form of checks made payable to the Committee, you should endeavor to locate the bank account of this Committee and institute monitoring of it. Ascertain individuals who can make withdrawals from the account and endeavor to determine identities of individuals or organizations making sizable donations.

Institute investigation of Friends of the July 23 Defendants for the purpose of ascertaining the true character of this group. Determine its officers, objectives, activities and sources of funds. Determine if any of its leaders have been involved in black extremist or subversive activities.

Pertinent information developed concerning captioned committees should be set forth in form suitable for dissemination. Such communications should include pertinent data set forth in the enclosure. Also submit recommendation concerning need for additional investigation of such committees.

During your continuing investigation of Mallory, you should ascertain extent of her involvement in activities of the captioned committees. Also determine who was responsible for leasing Post Office Box 2404. Pertinent information concerning Mallory's activities should be incorporated in the next report submitted concerning Mallory.

NOTE:

Mallory is a key black extremist who is under active investigation as she is influential in extremist circles in Cleveland. The July 23 Defense Committee was established in early 1970, and an investigation at that time revealed it was being used to secure funds for Mallory and an associate, under the guise of aiding Ahmed Evans, one of above-referred to blacks who was convicted for killing a policeman 7/23/68. Investigation was closed when organization became defunct.

RE: WILLIE MAE MALLORY

BLF

The BLF was a local black extremist organization, which is now defunct, and had operated on the campus of Cuyahoga Community College, Cleveland, Ohio.

WWP

The WWP was founded in 1959 by individuals who disagreed with policies of the Socialist Workers Party (SWP). The WWP dissidents advocated unconditional support of the Soviet Union and the building of a revolutionary party geared to the overthrow of capitalism. More recently, the WWP has called for peaceful solutions to Sino-Soviet border disputes; however, the WWP generally supports the People's Republic of China in its ideological differences with the Soviet Union.

The SWP has been designated pursuant to Executive Order 10450.

MALLORY is currently residing in Tanzania and is expected to return to the United States approximately October 1, 1972. Her previous address was 1201 Hayden, Number 5, Cleveland, Ohio.

Due to MALLORY's past association with extremist groups, it is to be noted that MALLORY may travel to Miami for the purpose of disrupting the Republican National Convention and the Democratic National Convention, respectively.

MALLORY and 19 other members of "The July 23rd Defense Committee" were convicted for blocking a hallway of

the Criminal Courts Building in Cleveland, Ohio, on May 28, 1969, after a court order had prohibited such action. The July 23rd Defense Committee was formed to raise funds for FRED (AHMED) EVANS, who is currently on Death Row at the Ohio State Reformatory, Mansfield, Ohio, for the killing of three policemen during the Glenville riots in Cleveland, Ohio, July, 1968. MALLORY received a one year sentence and was fined $1,000.

MALLORY was arrested by the New York Police Department (PD), December 1, 1964, on a charge of disorderly conduct and felonious assault during a picket demonstration at the United Nations, New York City. MALLORY was arrested at Monroe, North Carolina, on August 27, 1961, and charged with feloniously kidnapping G. BRUCE STEGALL and his wife during a racial disturbance. The STEGALL's were innocent passersby who were allegedly held at gun point for two hours by MALLORY and others. A Federal warrant charging MALLORY with Unlawful Flight to Avoid Prosecution - Kidnapping was issued and MALLORY was apprehended. The Federal warrant was dismissed upon receipt of North Carolina State warrant. MALLORY was indicted, appealed, and charges were evidentually dismissed.

RE: WILLIE MAE MALLORY

On June 10, 1972, an article in "The Call and Post," a weekly newspaper of general circulation in the Cleveland, Ohio area, revealed that the appeal of MALLORY and 19 other members of the "July 23rd Defense Committee" to the Supreme Court of the United States was refused with Justice DOUGLASS dissenting.

"July 23rd Defense Committee"

The July 23rd Defense Committee was formed to raise funds for FRED (AHMED) EVANS, who is currently on Death Row at the Ohio State Reformatory, Mansfield, Ohio, for the killing of three policemen during the Glenville riots in Cleveland, Ohio, July, 1968.

MALLORY and 19 other protestors were arrested for blocking a hallway of the Criminal Courts Building, Cleveland, Ohio, on May 28, 1969, after a court order had prohibited such action.

On July 13, 1972, [redacted] Cleveland Sheriff's Office, advised that his office has a mandate from the Ohio Court of Appeals for subject's arrest. If arrested in Ohio, MALLORY will serve a one year sentence in the workhouse as prescribed by Judge MC MONAGLE on June 9, 1969. [redacted] further stated MALLORY was tried on June 9, 1969, before Judge MC MONAGLE, case #92550, and charged with violation of a court order. MALLORY was found guilty and fined $1000, and sentenced to one year in the workhouse. On appeal, MALLORY was released June 9, 1969.

SUCCINCT SUMMARY

MALLORY is currently being carried as a Key Black Extremist as she has associated with well-known Black Extremists and is very vocal in support of extremist activities. She has appeared before several different black extremist groups including the Black Panther Party (BPP), National Committee to Combat Fascism (NCCF), and the Black Liberation Front (BLF). She has been associated with the Worker's World Party (WWP) in the past, but at the present has no association with any particular group. MALLORY will attend most local rallies which are supported by extremist elements; and when given the opportunity, will speak in support of the goals expressed by the group.

MALLORY was arrested at Monroe, North Carolina, August 27, 1961 on a kidnapping charge and a UFAP - Kidnap warrant was subsequently issued. MALLORY was apprehended and charges were eventually dismissed. MALLORY also was arrested by the New York Police Department, December 1, 1964, on a charge of disorderly conduct and felonious assault during a picket demonstration at the United Nations, New York City.

ADDENDUM: Domestic Intelligence Division 12/1/73 WHA:plh

Subject is a well-known, and long-time black extremist who has advocated since the 1960's that blacks resort to armed violence to "free" themselves. She first gained national prominence following her arrest with three other blacks and subsequent conviction on 2/27/64 in Union County, North Carolina, for violation of North Carolina kidnaping statutes in connection with the kidnaping of a white couple following a racial riot in Monroe, North Carolina, on 8/27/61. She was sentenced to imprisonment for 16-20 years but North Carolina Supreme Court ruled the indictment was defective.

After the riot in the Watts section of Los Angeles, California, in Summer of 1965, Mallory publicly stated "blacks shouldn't have burned the white folks' stores, they should have burned the white folks." At a meeting on 5/23/69, in Cleveland, she stated "I am calling on the black people to organize for revolutionary guerrilla warfare."

ADDENDUM CONTINUED PAGE 3

ADDENDUM CONTINUED:

She was main speaker at the Free Angela Davis Rally on 3/21/71, in Washington, D. C. She stated the 70% black population in Washington, D. C., should be able to dominate the city. She stated she had heard of the bombing at the U. S. Capitol and of various bombing scares in Washington and general belief that blacks had nothing to do with the bombing. She stated that if some blacks did decide to do "his thing" she desired he leave a note supporting Angela Davis. She stated she had no objection working with white people if they were striving to "uproot the system."

In 1971, she was an active participant in the meeting at which the International Black Workers Congress (IBWC) was formed. IBWC is a group of black workers, students and other third world groups formed to further revolutionary struggles.

Subject proceeded to Tanzania in early 1972, reportedly to visit her daughter and is still there. It is not clear when she will return to the United States as it was expected she would return on 10/1/72.

Subject is an undeniable leader of black extremists, despite lack of any organizational affilation, who can significantly influence and direct black extremists in this country. Her continued advocation of armed violence for blacks and participation in confrontations with police reveal her willingness and capability to engage in acts dangerous to the national security.

Since subject continues to reside in Tanzania and since we have not developed information regarding date of her return to this country, subject is no longer being considered a Key Extremist.

Upon subject's return to the U. S., you should analyze her activities and submit your recommendation relative to her redesignation as a Key Extremist. Upon her return, you should also seek Bureau authorization for a prompt interview with subject.

You should continue efforts through your sources to develop information concerning subject's activities in Tanzania, particularly any indicating she is continuing black extremist activities.

A review of this matter at FBIHQ determines that the subject apparently has been in Tanzania since early 1972. There has been no reported information indicating she is involved in extremist activities while in Tanzania. In view of these factors, it would appear that subject no longer is qualified for inclusion on the ADEX.

Cleveland should evaluate this matter and in the absence of any indication of subject's return to the U. S. or her involvement in extremist matters abroad and affecting the U. S., Cleveland should submit an FD-122 recommending subject's deletion from the ADEX. In the event Cleveland should become aware of subject's return to the U. S. in the future, Cleveland should report any pertinent activity indicating she has resumed her involvement in extremist matters.

SUCCINCT SUMMARY

WILLIE MAE MALLORY was a well-known and long-time black extremist who had advocated since the 1960s that blacks resort to armed violence to "free themselves". MALLORY was an undeniable leader of black extremists despite lack of any organizational affiliation, who could significantly influence and direct black extremists in this country. MALLORY's past advocation of armed violence for blacks and participation in confrontations with police revealed her willingness and capability to engage in acts dangerous to the national security.

MALLORY proceeded to Tanzania in early 1972, reportedly to visit her daughter and is still there at this time. It is not clear when she will return to the United States as it was expected she would return on October 1, 1972.

Investigation by the Cleveland Division did not develop any information which indicated that MALLORY is involved in extremist activities in Tanzania; affecting the United States or that she plans to return to the United States. Therefore, MALLORY at present, does not pose a realistic, direct, or current danger to the security of the United States. In view of the above, it is recommended that MALLORY be removed from the ADEX.

Appropriate INS stop, including baggage search, placed February 8, 1973. In the event Cleveland should become aware of subject's return to the United States, Cleveland will report any involvement in extremist matters.

Re Cleveland FD-122 to the Bureau, 4/29/75.

Investigation of MALLORY was closed in July, 1974. MALLORY was removed from ADEX per Cleveland FD-122 recommendation dated April 29, 1975.

MALLORY has been residing in Tanzania since early 1972, and it is unclear when she will return to the United States. No information has been developed by the Cleveland Division to indicate MALLORY is involved in extremist activities in Tanzania affecting the United States or that she plans to return to the United States.

Appropriate INS stop, including baggage check, placed February 8, 1973.

In view of the above, Bureau authority is requested to delete WILLIE MAE MALLORY from the Extremist Photograph Album.
