MEMORANDUM

RE: MARK PAGE, wa.
MARCUS POGARSKY
NY 100-91484

The following investigation was conducted by SA William J. Jamison 8/2,3,4,8,9/1950.

At IDEAL NOVELTY & TOY COMPANY
184-10 Jamaica Ave.

Plant Manager, Mr. William Halperin, stated that PAGE was employed as an engineer from 2/28/49 to 4/28/50 at which time he was released for incompetence. His SS# was 093-16-6753. He was hired through Mr. Joseff Yakaloff of 156 East 79 St. who was also the subject's supervisor. Mr. Halperin had little information pertaining to the subject and was unable to locate his personnel folder.

Supervisor, Joseff Yakaloff, stated that he has been in this country only since January, 1949. He was previously in the toy manufacturing business in Mexico City for twenty years. He stated that he did not know PAGE before he hired him. PAGE was recommended to him for the position by another employee, MORRIS RUDMAN, who was a close personal friend of the subject. Yakaloff said that approximately three months after PAGE was hired, he was instrumental in having RUDMAN fired because he was "too slow". Yakaloff was of the opinion that RUDMAN is no longer on friendly terms with PAGE as a result.

FBI - NEW YORK
AUG 14 1950
203

Mr. Yakaloff and Mr. Halperin supplied RUDMAN'S application which reflected that he resided at 451 Columbia Street, Brooklyn, and had telephone number UL-5-1592. (Current phone directory lists

100-91484-24

same adress and phone number.) On the application, Rudman listed the following employment history:

B. GREENGLASS, TOOLS AND DIES
64 Sheriff St.
1937-1941

PITT MACHINE PRODUCTS
370 East Houston St.
1941-1949

RUDMAN listed his education as CCNY Evening School, B.M.E. He was married, had two children, was 32 years of age, height 5'7"; weight 170. This information was as of January, 1949.

Mr. Halperin and Mr. Yakatoff had no information as to current employment of Page or Rudman, but recalled that a liquor company requested a character recommendation for PAGE about one month ago. They were unable to locate the letter and could not recall the name of the firm.

Indices check reflects two references on a MORRIS RUDMAN:

65-15455 (closed)
65-15536 (pending) assigned J.W.Lewis

At BULOVA WATCH COMPANY
62-10 Woodside Avenue

Miss Jane Kelly, personnel office, advised subject under name MARCUS POGARSKY was employed 5/25/40 to 1/13/41. He worked on a special "war project" and names of his associates or supervisors were not contained in the folder. Miss Kelly stated that none of the personnel who worked on that project is now with the firm, and that there is no way in which former supervisors could be located.

The subject's previous employment history was:

B. GREENGLASS

MEMO:

RE: MICHAEL SIDOROVICH
ANNE SIDOROVICH

Dr. MAX LIONEL HART, 6345 Wetherole Drive, Rego Park, NY, was interviewed on 11/1/50 and 11/20/50 by SAS RICHARD A. MINIHAN AND STUART J. CAMERON.

Dr. HART Advised that he had never treated anyone by the name of SIDOROVICH. He was exhibited photographs of MICHAEL and ANNE SIDOROVICH and the names of known aliases of the subjects were suggested to him, and he stated that he had no recollection of the SIDOROVICH family.

Dr. HART was advised that ANNE SIDOROVICH, in an interview at Cleveland, Ohio, had stated that she had consulted a Dr. MAX HART, 6345 Wetherold Drive, Jamaica, L.I., who had been recommended to her by ETHEL ROSENBERG. Dr. HART said that he could offer no explanation except the possibility that she might have accompanied ETHEL ROSENBERG, a former patient of his, and had asked medical advise of him. If this had occurred, Dr. HART said he might have given her medical advice and would not recall her. However, Dr. HART stated that he had no record or recollection of ANNE SIDOROVICH.

Dr. HART ADVISED that he recalled ETHEL ROSENBERG on one occasion asking him if he would be interested in purchasing a piece of property at Chappaqua, NY at a good price. Dr. HART recalled the price as $3,000.00 and that ETHEL and JULIUS ROSENBERG had been staying at the property with friends.

Dr. HART further stated that he and his wife were not interested inasmuch, as ETHEL ROSENBERG had previously told him of the trouble in obtaining water, and that there was no water in the house.

He said that he also recalled that the ROSENBERG child had suffered a slight injury at Chappaqua, NY, which he treated.

MEMO
NY 65-15348

JULIUS AND ETHEL ROSENBERG

Dr. HART advised that JULIUS and ETHEL ROSENBERG were patients of his, and his last contact with them was about five or six years ago. He stated that his only contacts with the ROSENBERGS were professional and his treatments routine. He added that he knew nothing of their personal life and from his associations with them had no reason to doubt their loyalty.

Dr. HART recalled that the ROSENBERGS first visited him about 12 years ago at the recommendation of one STELLA MARKOWITZ PAGE, wife of MARK PAGE, who was a patient of his at that time. He further advised that the original name of PAGE was POGARSKY.

DAVID AND RUTH GREENGLASS

Dr. HART stated that RUTH GREENGLASS occasionally would accompany ETHEL ROSENBERG on her visits to him but he could recall only treating RUTH once.

Dr. HART also recalled meeting DAVID GREENGLASS on one occasion, not as a patient, but that DAVID had accompanied the ROSENBERGS to his office. He recalled that DAVID was in uniform and had mentioned that he was just discharged from the Army. Dr. HART added that he knew nothing about the GREENGLASS' private life.

For the benefit of offices who have not received previous copies of reports in this case, MARK PAGE has been reported to have been an active member of the Engineering Group of the YOUNG COMMUNIST LEAGUE at the City College of New York, New York City, for at least the first six months of 1937 and was a close associate of JULIUS ROSENBERG, Executive Secretary of the YCL at City College, who since that time has been convicted as an espionage agent.

It has been reported by RUTH GREENGLASS, wife of DAVID GREENGLASS, also a convicted espionage agent, that her husband had told her that ROSENBERG had told him that animosity existed between ROSENBERG and MARK PAGE. She also stated that ETHEL ROSENBERG, wife of JULIUS ROSENBERG and herself a convicted espionage agent, had taken her son, MICHAEL, to MARK PAGE's home in East Orange, New Jersey at various times.

It should be noted that the YOUNG COMMUNIST LEAGUE has been cited by the Attorney General as coming within the purview of Executive Order 9835.

For the benefit of offices who have not received previous copies of reports in this case, MARK PAGE has been reported to have been an active member of the Engineering Group of the YOUNG COMMUNIST LEAGUE at the City College of New York, New York City, for at least the first six months of 1937 and was a close associate of JULIUS ROSENBERG, Executive Secretary of the YCL at City College, who since that time has been convicted as an espionage agent.

It has been reported by RUTH GREENGLASS, wife of DAVID GREENGLASS, also a convicted espionage agent, that her husband had told her that ROSENBERG had told him that animosity existed between ROSENBERG and MARK PAGE. She also stated that ETHEL ROSENBERG, wife of JULIUS ROSENBERG and herself a convicted espionage agent, had taken her son, MICHAEL, to MARK PAGE's home in East Orange, New Jersey at various times.

It should be noted that the YOUNG COMMUNIST LEAGUE has been cited by the Attorney General as coming within the purview of Executive Order 9835.

FACTS OF COMPLAINT Complainant personally advised she is employed as a moulding stripper at the Manhasset Moulding Company, 53 Manhasset Ave. Manhasset NY and feels there is a plot which may be subversive to force her out of her position. She stated above concern originally employed only white personnel, but currently employs both white and negro, the latter of whom are attempting to force the white employees to leave. She stated the ring-leader appears to be ARTHUR SMITH who has adopted such tactics as making insulting remarks leaving vulgar notes, interfering with her normal work production and similar means which which have already resulted in the resignation of several white women. SMITH conducts his campaign with the apparent full sanction of MARK PAGE, Co. Pres. & Mgr. who appears to encourage SMITH in his campaign, in spite of protests from some of the other employees including one WILLIAM McGUIRE who has observed some of the happenings. PAGE has chosen to ignore the patriotic holidays of July 4th and Armistice Day ordering his employees to work those days and has instructed his production manager GUY KING to refrain from interfering with SMITH'S activities. KING on one occasion discharged SMITH but PAGE ordered the latter reinstated the following day. SMITH has also established his residence in a white section of Manhasset throught the SPECIAL AGENT cooperation of JOHN FELS, real estate agent and former head of the PROGRESSIVE PARTY in Great Neck L.I. The Company employs SMITH, negro age 24, his wife LaVERNE SMITH nee WALKER age 39, and her son ROBERT WALKER age 21 as well as others. SMITH carries a six inch pocket knife which he has displayed on occasion. Complainant felt above activities should be reported to FBI.

SUBJECT: [illegible]
SECURITY MATTER - C

This case is being reopened under the program of investigating all individuals included in the Communist Index in the NYO.

The following minimum investigative steps must be taken:

1. Review file and all pertinent references thoroughly.

2. Contact informants, sources and defected Communists who could be expected to know the subject. Contact for evidence of current activity and also for the sources' evaluation of potential dangerousness.

3. Determine residence and employment. Check against the key facilities and classified contractors lists to insure full and complete dissemination is made. Submit Form FD-128 if the subject has moved to a new field division.

4. If the subject has been a CP drop or ceased activity suddenly, develop information to show the reason. Many of these drops are purely on the basis of theoretical and intellectual differences. The convictions of the persons involved remain unchanged in their hard-core devotion to the principles of international Communism, waiting only for what they consider to be a more favorable climate within ruling Communist circles. It should also be borne in mind constantly that unexplained cessation of Communist activity by a subject may well be based upon a contemplated assignment in espionage or illegal underground activity.

5. Consider interview or reinterview without regard to prior interview results. Bear in mind the Khrushchev revelations of terror under Stalin, anti-Semitism in the Soviet Union and the Hungarian revolt.

6. Secure a current description.

These cases must be given expeditious attention since it will be our responsibility to fully handle the approximately 4232 cases on individuals included in the Communist Index.

In the event reports are submitted in this case, the cover letter (or cover pages) should have the additional caption "Communist Index" after the title.

On 9/17/59, Mrs. John Lunde, proprietor, premises at 51 - 57 Manhasset Ave., Manhasset, LI, NY., advised that the Manhasset Moulding Co., 53 Manhasset Ave., had gone out of business sometime in 1956 and that Mark Page, one of the officers had gone to Cuba to sell vacuum cleaners.

On 9/17/59, John DiLeo, Clerk, Great Neck, LI, NY. Postoffice advised that subject no longer resided at 2 West Mill Drive, Great Neck. DiLeo also advised that subject left no forwarding address.

The Nassau County Telephone Directory reflects a Mark Page residing at 29 Burberry Lane, Great Neck, LI, NY.

On 9/18/59, Mark Page, 29 Burberry Lane, Great Neck, NY was interviewed under pretext and he advised that he was formerly associated with the Manhasset Moulding Co., in Manhasset but that this business went defunct about 4 years ago. Page advised that he is a self employed engineer and maintains his office in his residence.

The following informants were contacted and they advised they possessed no information concerning the subject:

9/1/59	SA Leroy W. Sheets
9/2/59	SA David Ryan
9/2/59	SA David Ryan
9/8/59	SA John A. Haag

Review of subject's file reflects that he was active in the CP during 1943 - 1948 in the Newark, N. J. area. Subject was interviewed on 2/18/53 at which time he refused to answer any questions concerning his connection with the CP. In view of the fact that subject's alleged CP activities took place in the Newark area back in 1948 it is not believed that a re-interview at this time would serve any purpose as far as the Bureau is concerned.
