EDWARD WODEL, 6608 Lynford Street, advised on May 29, 1950 that about two years previously he had visited the GOLD home and had met two Indian scientists who were friends of HARRY GOLD. WODEL said that he visited the GOLD home because GOLD's mother had died and it was an old Jewish custom to bring food to the bereaved family.

He said that he met these scientists through JOE GOLD, brother of HARRY, but that he had paid little, if any, attention to them at that time. He said they were introduced to him by JOE as friends of HARRY GOLD. He also said that he understood that these scientists were working in New York at that time. He said that he was present only a few minutes when the scientists left GOLD's home. He described one of them as being about 5'7" or 5'8", thin build, light complexion and wearing glasses. He described the other one as about the same height and complexion, but with a stocky build. He could recall no more information concerning these two men. He repeated that they were only in the home a few minutes after he arrived there. He said he attached no significance to the meeting at the time and, therefore, did not pay very much attention to these men.

In accordance with your telephone request of March 13, 1951 regarding a surveillance of ERNEST PATAKI at the Emerson Radio and Phonograph Corporation, Jersey City, New Jersey, the following surveillance was conducted by agents of this office on March 13, 1951.

At 5:20 p.m. PATAKI left the plant of the Emerson Company and proceeded alone on foot to a bus stop at Fourteenth Street and Jersey Avenue in Jersey City, New Jersey. At that point he boarded a Public Service bus and left this bus in Newark at the corner of Raymond Boulevard and Mulberry Street. He proceeded alone on foot to Nat's Fine Food Restaurant, 232 Market Street, Newark, New Jersey, where he had dinner with an unidentified male who was approximately 40 years of age, 5 feet 3 inches tall, 150 pounds in weight, and who had black hair which was combed straight back. It was also noted that he walks with a limp in his left leg.

At approximately 6:40 p.m. PATAKI and this unidentified individual entered a building at 218 Market Street in Newark which is the location of the Madison Institute, a Radio and Television School, as well as a Tailoring School. It appeared that the unidentified individual who entered the building with PATAKI was an instructor in this school.

On March 14, 1951 [redacted] b7c, b7D Veterans Administration, 20 Washington Place, Newark, New Jersey, ascertained on pretext from the Madison School that ERNEST PATAKI commenced employment as a part-time instructor in radio and television on January 29, 1951. His schedule calls for him to conduct classes in radio and television on Monday, Tuesday, Thursday, and Friday of each week and the classes commence at 6:45 p.m. and are dismissed at 11:15 p.m.

The following background information contained in the records of the Madison Institute are set forth below:

ERNEST PATAKI was born on June 5, 1915 but the place of his birth was not noted in those records. He attended a business high school at Szeged, Hungary from 1921 to 1933. He attended the Cooper Union College in the Night School from 1936 to 1944. He received a Bachelor of Electrical

Engineering Degree from this college in 194'. He lists membership in the IRAE.

Concerning previous employment, he advised that he was employed from June, 194' to August, 1950 as an engineer in the Federal Telecommunications Laboratories, Inc., Nutley, New Jersey, in the Engineering Department under the supervision of A. M. LEVINE. From August, 1950 to October, 1950 he was employed by the Tele-King Corporation, 601 West 26th Street, New York City.

From November, 1950 to the time of his employment with the Madison Institute he was employed by the Thorson Radio and Television Company in the Quality Control Division under the supervision of one F. LESLIE.

PATAKI's residence is listed as 217 East Nineteenth Street, New York City, and he lists former residence as 54 West 91st Street, New York City, but the dates of this residence are not indicated in these records. He noted that he was single and that his telephone number was SP 7-0961.

His references are ALBERT SHADLITZ, 1 Adams Court, Nutley, New Jersey, and F. McGEE, 28 St. Marks Place, New York City.

On May 13, 1951 Special Agent JAMES H. HIGDON, JR. had occasion to interview Mr. JAMES F. LOYD, Director of Personnel, Federal Telecommunications Laboratories, Inc., Nutley, New Jersey, on another matter. At that time LOYD advised that some months ago, the exact time he cannot remember, he received a telephone call from a representative of the Cooper Union College relative to ERNEST PATAKI who was at that time under consideration for some teaching position with this institution. LOYD stated that he gave PATAKI the usual employment reference as was indicated by his satisfactory record in the laboratories and that several months subsequent to that time he telephonically contacted the Cooper Union College in an effort to ascertain if PATAKI had been given employment at that college. At that time he learned from an unknown official at the Cooper Union College that PATAKI was no longer under consideration for a position with this college.

Mr. LOYD furnished Special Agent HIGDON with a copy of a photograph of ERNEST PATAKI which was taken in 194'. There is being

enclosed herewith three copies of this photograph for the completion of your files.

Mr. F. R. CERTO, Employment Manager, Emerson Radio and Phonograph Corporation, Fifteenth Street, Jersey City, New Jersey, advised that ERNEST PATAKI has been employed as an engineer in the Quality Control Division. PATAKI was originally employed by the company in New York City but since approximately February 15, 1951 he has been employed in this company in the Jersey City plant. CERTO stated that PATAKI has been with the company for such a short period of time that they know very little about him. CERTO advised that PATAKI is considered by his superior, Mr. FRANK LESLIE, to be quiet and reserved and an individual who keeps "pretty much to himself."

You will be advised of information developed concerning the identity of ALBERT SHADONITZ.

STEVENS said Professor ROSSI is in charge of the research and Assistant Professor WILLIAMS is ROSSI's assistant.

Informants T-1 and T-2 of known reliability on February 17, 1952, advised BRUCE DAYTON continued to reside at 45 Orchard Street, Jamaica Plain, Massachusetts.

II. DAYTON'S LANDLORD

T-1 and T-2 both advised the house in which DAYTON resides is currently owned by the ZEYTOONTZIAN family, who also reside at 45 Orchard Street. Both agree it was previously

owned by the TALIANIAS family, who reside at 47 Orchard Street, Jamaica Plain, Massachusetts. The Informant said that DAYTON has no obvious acquaintances with any other family in the neighborhood.

The 1951 Police List for the City of Boston lists the following residents at 45 Orchard Street:

MARY ZEYTOONTZIAN, housewife, age 59, resided in 1950 in Woodville (Mass.)

PETER ZEYTOONTZIAN, baker, age 68, resided in 1950 in Woodville.

WALTER ZEYTOONTZIAN, baker, age 24, resided in 1950 in Woodville.

The 1951 Police List also indicates the following persons reside at 47 Orchard Street:

ANDRONIKI TALIANIAS, housewife, age 68, resided in 1950 in Greece.

ANTHONY TALIANIAS, proprietor, age 45, resided this address in 1950.

NIKI TALIANIAS, housekeeper, age 29, resided this address in 1950.

TOULA TALIANIAS, housewife, age 45, resided this address in 1950.

ARISTEDES ANGELUS, manager, Ezone Cleaners, Copley Square, Boston, Massachusetts, who is well acquainted with the Greek population in Boston, informed SA JOHN C. HESSIN, that ANTHONY TALIANIAS of Jamaica Plain is past

president of the Council of St. John's Greek Orthodox parish in Boston. He had no further information concerning TALIANIAS.

III. CURRENT ACTIVITIES

Informants T-1 and T-2 stated they have no reason to question subject's loyalty to the United States. They indicate that DAYTON resides at 45 Orchard Street with his two children, a daughter DERRY about ten years of age and a son ERIC about five years of age. They have no information concerning Mrs. DAYTON except to note that DAYTON's daughter had mentioned that her mother was in Arizona for her health and that they never wrote to her or received mail from her.

Both Informants had observed an unidentified woman bring DAYTON's son ERIC home at noon on numerous occasions and had seen her around DAYTON's house several times on Sundays and during the evenings.

It is T-1's impression that the woman had remained overnight a few times. The woman was identified by T-1 as follows:

Color:	White
Height:	5 feet 6 inches
Build:	Medium
Hair:	Dark brown, straight
Age:	Mid-thirties
Complexion:	Dark
Characteristics:	Glasses, dark rims
Appearance:	Tailored

The woman drives a small yellow foreign-made auto. The license number was not known to the Informants, but T-1 recalled that it was a New York license.

T-2 said neighborhood gossip indicates that DAYTON and this woman had been seen embracing on the side porch of DAYTON's house.

T-1 stated he had observed DAYTON carrying a B-4 or flight bag in the direction of the nearest bus stop to his home, although DAYTON owns a car, one Wednesday, which the Informant believed was February 6, 1952.

T-1 again observed DAYTON carrying the same or similar luggage toward his home the following Saturday (February 9, 1952).

The Informant is not certain of the dates, but to the best of his recollection, they are correct.

IV. DAYTON'S HOUSEKEEPER

Informants T-1 and T-2 have noted that DAYTON has a housekeeper who comes about noon and leaves when DAYTON returns home in the evening. His return is normally about 5:30 or 6 p.m., but occasionally it is much later.

The Informants are not aware of the identity of the housekeeper but have heard DAYTON's children refer to her as MARY. They described the housekeeper as follows:

Race:	White
Height:	5 feet 6 inches
Build:	Medium
Hair:	Grey

Weight: About 150 pounds

T-2 has had a few brief conversations with the housekeeper and received the impression she is an intelligent individual.

It was previously reported in this investigation that DAYTON had made a $20 check payable to Mrs. MARY A. DONOVAN on October 18, 1951. The check was endorsed MARY A. DONOVAN, 29 Catherine Street, Roslindale.

It was also previously reported that DAYTON had mentioned his housekeeper at 45 Orchard Street was Mrs. DONOVAN.

The 1951 Police List for Boston lists the following information for the occupants of 29 Catherine Street, Roslindale, Massachusetts:

MARY A. DONOVAN, housewife, age 53.

GEORGE F. DONOVAN, student, age 24

WALTER DONOVAN, retired, age 60

WALTER T. DONOVAN, student, age 25

The 1945 City Directories for the City of Boston list WALTER DONOVAN, 29 Catherine Street, as a chauffeur in the City Department of Public Works, Street Cleaning Division.

PAUL L. CARTY, City Retirement Board Office, City Hall, Boston, Massachusetts, made available retirement records of WALTER DONOVAN, which contained the following information:

DONOVAN was 42 years old in 1929 and in that year resided at 698 Shawmut Avenue, Roxbury, Mass. He was then employed in the Street Cleaning Dept.

DONOVAN's date of birth was listed as December 27, 1888, and his birthplace was listed as Boston, Massachusetts. His father is listed as PATRICK and his mother's maiden name as CATHERINE HART.

The file indicates DONOVAN was hired July 25, 1929, as a laborer, and was a citizen of the United States and served in the United States Navy from July 9, 1917, to February 14, 1919, receiving an honorable discharge.

On December 7, 1939, DONOVAN held the position of chauffeur. His wife is listed as MARY AGNES TAYLOR DONOVAN, who in 1939 resided at 29 Catherine Street, Roslindale.

WALTER DONOVAN retired from city employment in 1946 due to a disability, being employed in the Sanitary Division of the Public Works Department prior to his retirement.

Informants T-3 and T-4 of known reliability advise that they have no personal knowledge of WALTER or MARY DONOVAN but are aware the DONOVANs are regular in their attendance at the St. Andrew's Roman Catholic church, Roslindale, Massachusetts.

T-5 of unknown reliability stated he has observed Mrs. DONOVAN at 29 Catherine Street, Roslindale, on a few occasions. She impressed the Informant as being the dominant personality of her family and as being somewhat aloof from the neighbors. T-5 has no reason to question Mrs. DONOVAN's loyalty or the loyalty of any member of her family.

According to T-5, Mrs. DONOVAN gives the impression of steady emotions and of being a person who would not be un-nerved in an emergency. He also believes Mrs. DONOVAN would be discreet but has no knowledge of whether she would be cooperative with the FBI. The Informant stated that Mr. DONOVAN is a retired city employee and feels he

is loyal and reliable and could be trusted where discretion is involved.

The Informant said the DONOVANs have two boys, both veterans. The taller of the two impresses the Informant as being aloof and cool. The Informant also stated that this boy receives mail from Paris, France, the mail including letters and magazines in French.

It is the Informant's observation that Mrs. DONOVAN receives the periodical "JUSTICE", published by an unknown labor union.

Informant T-6 of known reliability stated he is very slightly acquainted with Mrs. DONOVAN, who is the housekeeper at 45 Orchard Street, Jamaica Plain, Massachusetts. The Informant stated Mrs. DONOVAN appears to take care of the house at 45 Orchard Street when the DAYTON children are home.

According to the Informant, DAYTON is also employed at Boston University, although the Informant has no further details.

It was the Informant's observation that the week of approximately February 4 to 9, 1952, Mrs. DONOVAN apparently remained at 45 Orchard Street constantly.

T-7 of known reliability had no pertinent information concerning MARY A. DONOVAN.

T-8 of known reliability stated that [redacted] of [redacted] was born June 16, 1924, at Boston, Massachusetts. His parents were listed as [redacted] and [redacted]

[redacted] was a corporal in the United States Air Force from April 10, 1947, to May 20, 1948, and received an honorable discharge and disability compensation.

b6
b7c

From July 13, 1942, to January 13, 1946, this individual was a seaman first class in the United States Navy, receiving an honorable discharge.

The Informant also advised that [redacted] of [redacted] was born February 25, 1926, at Boston, Massachusetts, and was an aviation ordnance man second class in the United States Navy from May 6, 1943, to February 13, 1947, receiving an honorable discharge.

b6
b7c

This individual, according to the Informant, has no disability compensation, has had no serious illnesses, and has a normal nervous system.

Records of the Credit Bureau of Greater Boston, Incorporated, 11 Beacon Street, Boston, Massachusetts, were checked by SE FRANCIS L. X. MANNIX but contained no additional information concerning the DONOVANS.

Records of the Massachusetts Board of Probation, Boston, Massachusetts, a central repository for all criminal records in the state of Massachusetts, were checked by SE FRANCIS L. X. MANNIX but contained no information identifiable with any of the DONOVAN family.

V. DAYTON'S TELEGRAM TO SACRAMENTO, CALIFORNIA

It was previously reported in this investigation that DAYTON sent a telegram from his home telephone to Sacramento, California, September 5, 1951.

T-9 of known reliability stated the following telegram was sent from the home of BRUCE DAYTON, Jamaica Plain, Massachusetts, on September 5, 1951, to ELSIE CORE, 3309 Twenty-second Avenue, Sacramento, California.

The message reads:

"Hope you can arrange visit when in Boston. MIT phone X2396. Home phone listed. Write us your plans when definite. Unlimited hospitality.

BRUCE DAYTON"

VI. INTERVIEW WITH ROSE COSETTE SEGURE

On January 21, 1952, Miss ROSE COSETTE SEGURE was interviewed by SA WILLIAM J. PANTTAJA and the writer.

Miss SEGURE specifically declined to state whether she was or ever had been a member of the Communist Party or to state whether her former associates were or had been members of the Communist Party.

Concerning BRUCE DAYTON, she did state she was only casually acquainted with him and cannot now even remember what DAYTON looks like. She has heard nothing of him since their association on the Science for Victory Committe in California except that he had secured employment at a college in upper New York State. She would furnish no further information concerning DAYTON.

Regarding the Science for Victory Committee, Miss SEGURE acknowledged that she was officially an organizer for this committee but indicated she was never very active or effective in that capacity. According to Miss SEGURE, the committee was composed chiefly of scientists, and the purpose of the organization was to assist the war effort during World War II.

Miss SEGURE remarked that those days were the days of the united front, 1943 to 1944. The war effort was to be furthered by this committee by

the committee's helping industry and the Government in the developing of new arms and devices for the armed forces. The status of the committee was intended to be that of a technical and scientific adviser to the Government and industry.

Miss SEGURE advised she was not aware of any plans or aims on the part of the committee to secure access to important laboratories or to observe weapons under battle conditions. She said she had no reason to suspect the committee or any of the individual members therein of securing or planning to secure classified information for transmittal to any foreign country or for any unauthorized disclosure.

Miss SEGURE stated the committee included many persons who would be in the Federation of Architects, Engineers, Chemists, and Technicians at the Radiation Laboratory at Berkeley, California. She indicated the Science for Victory Committee somewhat took the place of the Federation of Architects, Engineers, Chemists, and Technicians. She said that she had no personal knowledge of any request by the Government of the committee for a list of its members but believed that had the list been withheld from the Government, it probably was withheld on the basis that union membership should not be disclosed to the Government.

Miss SEGURE would not, however, acknowledge that the Science for Victory Committee was an attempt to organize a union at the Radiation Laboratory in contravention of that agreement between the C. I. O. and the United States Government.

Miss SEGURE stated the Science for Victory Committee included many persons who were not qualified for membership in the Federation of Architects, Engineers, Chemists, and Technicians.

Miss SEGURE declined to discuss further the Science for Victory Committee or any of its members.

MISCELLANEOUS

VERONICA B. TISZA, M. D., of Cambridge, Massachusetts, has received a check from the subject and has sent the subject a letter as indicated in reference report. The report of SA RICHARD A. WRIGHT at Chicago January 11, 1952, sets forth background information on her husband, LASLO TISZA. LASLO TISZA is a physicist at Massachusetts Institute of Technology, as is subject, and it is noted both attended the 1949 American Physical Society meeting at New York City.

LASLO TISZA is to be interviewed by the Boston office in the near future and will be questioned concerning DAYTON. A decision will be made at that time as to the advisability of interviewing VERONICA B. TISZA.

For the information of the San Diego office, WELDON BRUCE DAYTON has been identified as being present at 65 Morton Street, New York City, in January, 1950, with WILLIAM PERL, an alleged member of the JULIUS ROSENBERG espionage ring. It was at this address that the ROSENBERG ring maintained an apartment for use in connection with espionage activities.

DAYTON's wife, CAROL, and ALFRED SARANT, another member of the ROSENBERG group, left the United States together for Mexico while SARANT was being questioned by Bureau agents concerning his connection with the ROSENBERG group.

Since September, 1950, DAYTON has been engaged in unclassified nuclear research at MIT. During World War II he was engaged in various research projects in California for the Navy at Mare Island and at California Institute of Technology. He completed his work on his Ph.D. at Cornell University, Ithaca, New York, in 1950, and while in Ithaca he was a next-door neighbor of SARANT.

Information copies have been designated to offices having an interest in this investigation.

Information copies should be designated for Albany, Los Angeles, New York, San Francisco, and Washington Field.

T-11 received on January 8, 1952, a communication addressed to subject, which communication was dated January 8, 1952, from Miami, Florida. As the significance of this communication cannot be evaluated, it is being placed in the Administration section of this report.

Office Memorandum • UNITED STATES GOVERNMENT

TO: Director, FBI (101-2973)

DATE: 10/6/53

FROM: SAC, New York (100-115417)

SUBJECT: SARAH SILVERMAN POWELL, was
SM-C MRS SIDNEY POWELL

Rebulet 8/7/53, captioned "MAX ELITCHER, ESP - R", Bufile 101-2115 and WFO letter to Bureau 8/31/53.

The information which is set forth in referenced WFO letter to Bureau, reflects that Civil Service records indicate that the subject was last employed by the Federal Government on 4/8/49.

Substantiating this information, [redacted] VA, 250 Livingston Street, Brooklyn, NY, advised on 9/16/53 that the subject was employed at the Brooklyn VA, 35 Ryerson Street, Brooklyn, NY as a position classifier, Grade 7, from 8/29/49 to 4/8/49, at which time this position was terminated due to a reduction in force. (b)(7)(d)

The following investigation was conducted by the NYO in an effort to determine any present Communist activities on the part of the subject:

The files of the Credit Bureau of Greater New York and the NYS Department of Motor Vehicles reflected that the subject presently resides at 5627 194th Street, Flushing, Queens, NY and that she is presently married to SIDNEY POWELL, who is employed as office manager of the Fein-Schlosberg Company at 1770 Second Avenue, NYC.

The following security informants of the NYO were unable to associate the subject as active in Communist activities: [redacted] (b)7(d)

The files of the BSSI, NYCPD contained no information concerning the subject.

A review of the records of the Board of Elections, Queens County, NY, reveal that the subject and her husband, SIDNEY POWELL, in 1952, registered as being Democrats.

The indices of the NYO failed to reflect any additional information concerning Communist activity on the part of the subject which has not already been reported to the Bureau.

On 1/17/51, the subject was interviewed by SAs JAMES T. O'BRIEN and JAMES E. FREANEY, at which time she gave the following information:

She advised that she had been acquainted with MAX ELICHTER and said that she had played tennis with him in Washington, D. C. She further advised that she had never heard of a MORTON SOBELL. She stated she did not recognize SOBELL's photograph when it was shown to her. She denied that she had ever been a member of the CP or associated with the American Peace Mobilization.

Since an interview has already been conducted with the subject and since there is no indication of any current or additional Communist activity on the part of the subject, this case is being closed in the NY Division.
