Rebutel 3-15-51, in which your office, as well as the Washington Field Office, was requested to conduct certain investigation for the purpose of determining the exact connection between one Ray Pinkson and subject Glassman.

In a letter dated 3-7-51 from WFO in the case entitled "Raymond Israel Pinkson, was; Internal Security - C," there was set forth a listing of the toll charges on the telephone of Pinkson and Dr. Celia Rowbitzky at 316 Peabody Street N. W., Washington, D. C., telephone RA 5973. In this list, it was noted that on September 20 and September 21, 1950, calls were made from the above phone to New York City to the telephone ORE 3-6378. These calls were made at 6:29 p.m. and 10:17 p.m., respectively. (non-300872-45)

Inasmuch as it is known that the telephone number of Vivian Glassman in New York City is ORE 3-6378, this information is being furnished for your information and assistance in connection with the requested investigation.

Examination requested by: SAC, New York

Reference: Letter dated 3/27/51

Examination requested: Document

Specimens: K5 One Property Pass; one Request for Admittance; a photographic copy of a letter of resignation and a photographic copy of an Application for Position all bearing the known handwriting and handprinting of VIVIAN GLASSMAN.

Results of examination:

It was concluded that the handprinting on specimen Qc1 of this case was prepared by VIVIAN GLASSMAN, whose known handprinting is found on K5 listed above and also on specimen Kc1 previously submitted. It should be noted that both K5 and Kc1 were necessary in order to make this identification.

A definite conclusion cannot be reached whether the handwriting on specimen Qc2 was written by VIVIAN GLASSMAN, because of variations which still remain unaccounted for on the basis of the available known handwriting. It should be noted that the handwriting on specimen Qc2 is very limited and appears to have been written quite rapidly.

Specimens Kc1 and Qc1, referred to above were received from your office with a letter dated August 23, 1950. Specimen Qc2 was submitted by the Cleveland office with a letter dated August 7, 1950.

The evidence is retained.

PERSONAL ATTENTION

VIVIAN GLASSMAN, wa.
ESPIONAGE - R

You are aware that as a result of the investigation of this matter, as well as the case involving the subjects in the Rosenberg espionage network, definite information was developed showing that Glassman was closely associated with Joel Barr and Julius and Ethel Rosenberg. In addition, it was learned that she was acquainted and in contact with other members of the network, such as William Perl, Albert Sarant and David and Ruth Greenglass.

According to Glassman's own statement, she was contacted in July, 1950, by an unknown individual who advised her of his acquaintance with Barr and Rosenberg, and she thereafter made a trip to Cleveland, Ohio, to furnish Perl with money and to give him instructions as to leaving the country by way of Mexico. You will also recall that Rosenberg, in recently referring to Glassman's trip during his conversation with Jerome Eugene Tartakow, advised that his Russian contact had selected Glassman for this assignment and he mentioned that he thought this selection was unfortunate, as Glassman was too well-known as a Communist.

EX-135 RECORDED - 117 | 65-59334-137

APR 11 1951

In view of the above information and the apparent importance of Glassman in this Soviet espionage network, you are cognizant of the Bureau's serious responsibility of maintaining adequate coverage so that the Bureau will be kept currently advised as to her contacts and activities. It is believed essential that every effort should be made to identify any of her known contacts, bearing in mind that one of these persons may be identical with Rosenberg's Russian contact whom he referred to as "Dennis."

It is requested that you give this matter your personal consideration and furnish the Bureau with your observations and suggestions as to your future handling of this investigation, in order to assure that the Bureau's responsibility is fulfilled.

This matter should be given your immediate attention.

Re report of SA RICHARD T. HRADSKY, dated February 28, 1951 at New York.

Referenced report sets out a lead to report the contents of the letter obtained in the permissive search of ALFRED SARANT'S residence on July 29, 1950 which bore a return address of GLADYS GLASSMAN WEISMAN.

Albany teletype to Director, New York and Los Angeles on July 29, 1950, which appears to be the communication referred to in referenced report, refers to letters received by the SARANTS from BETTY SANDERS. There are no letters from GLADYS GLASSMAN WEISMAN. One of these letters which was postmarked October 14, 1945, at Los Angeles, California, and is addressed to Mr. and Mrs. A. SARANT, 65 Morton Street, New York City, N. Y., bears a return address of SANDERS, c/o KAHN, B25 No. Hobart Blvd, Hollywood, California. On the reverse side of this envelope is a pencilled notation which was presumably placed thereon after its receipt at 65 Morton Street and may have been made by one of the SARANTS. This notation which was referred to in referenced teletype has a return address which upon close scrutiny appears to be GLADYS GLASSMAN, WEISMAN, 4437 Ambrose Ave., H, 27, California. It would appear that this would be interpreted to mean that the SARANTS had this address for GLADYS GLASSMAN in care of WEISMAN, 4437 Ambrose Avenue, Hollywood 27, California.

Photographs of this letter as well as all of the other letters from BETTY SANDERS were furnished to the New York office by letter on July 29, 1950 in the case entitled "ALFRED SARANT, Espionage - R". The original letter is being forwarded as an enclosure with this communication. The remainder of the letters from BETTY SANDERS are being maintained by the Albany office since there is a good possibility that BETTY SANDERS may have been implicated in the ROSENBERG case.

The contents of this letter are not being reported since they bear no reference to GLADYS GLASSMAN.

The New York office should note, however, that in this letter BETTY SANDERS requests LOUISE SARANT to obtain certain articles from her luggage which had been shipped ahead to New York City. She desired that these items be taken from the luggage before it was delivered to her home.

LOUISE SARANT has been interviewed concerning this matter and she advised that the articles in question were personal things, photographs, and letters which pertained to BETTY SANDERS' personal life and which she did not want her mother to see.

Referenced New York report dated November 22, 1950 reflects that on November 11, 1950 a toll call was made to Englewood 3-9309M from the telephone listed to subject and her sister. Through the information service of the New Jersey Bell Telephone Company, Newark, New Jersey, it was ascertained that the above number was changed during August, 1950 when dial service was inaugurated in Englewood, New Jersey, and a new number, Englewood 4-1543, was issued. It was also ascertained that service to the latter number was discontinued on September 25, 1950, and that both of the above telephone numbers were listed to HERBERT HOLTZMAN, 182 B Central Avenue, Englewood, New Jersey. The information service of the aforementioned telephone company advised that neither of the above numbers was reissued subsequent to the dates set forth above and were not in service on November 11, 1950.

Newark indices reflect one HERBERT HOLTZMAN, who was born in 1921, as a member of the IWO as of November, 1949. The above individual was a member of Lodge #614, Englewood, New Jersey, of the above organization, having joined during April, 1948.

Inasmuch as the telephone numbers listed above were not in service on the date when the pertinent phone call was made from subject's residence, no further investigation will be conducted to identify HOLTZMAN unless deemed advisable by the office of origin.

The records of the Credit Bureau of Greater Newark, Inc., 24 Branford Place, Newark, New Jersey, contain no reference to HOLTZMAN.

Photographs of the following individuals have been obtained at Fort Monmouth, New Jersey, and are being forwarded to the New York Office as enclosures to this report:

ELEANOR GLASSMAN;
ESTHER LUTTAN;
JUDITH GROLLMAN;
MILDRED BLOCK;
ELAINE ADLER, nee GOLD;
ALICE KATZ.

ADMINISTRATIVE PAGE

Photographs of VIVIAN FRUCHTBAUM and GLADYS SIEGEL are not available. A photograph of subject, not known to have been available previously, is also being forwarded to the office of origin.

The Newark Office has no informants available to identify former members of the Shore Branch of the Communist Party or members of the Communist Party Club which met in a grocery store in Nutely, New Jersey. This information is set forth in view of leads directed to the Newark Office in referenced New York report dated February 28, 1951.

Referenced New York letter to the Bureau requested that the Newark Office determine if the initials of subject or girls with whom she resided in Long Branch, New Jersey, were set forth on a list of members of the Shore Branch of the Communist Party obtained on December 10, 1943. It was also requested that the aforementioned list be checked for the initials of JOEL BARR and ALFRED SARANT are reflected thereon.

A review of the above list reflects one "A.K." was transferred out of the Shore Branch in August; one "A.B." was transferred into the Shore Branch during July; one "J.G." was recruited into the Shore Branch during April. All of the foregoing months are believed to apply to the year 1943.

At the time the list was obtained it was believed that the above initials applied to the following individuals who were active in the Communist Party:

"A.K." - ABRAHAM KAGAN;
"A.B." - ABE BLOOM;
"J.G." - JAMES GUISCHARD.

It is to be noted that inasmuch as the above list consisted of initials only no conclusive identification could be made. The initials set forth above could also apply to subject's acquaintances:

"A.K." - ALICE KATZ;
"A.B." - ALICE MARSKY, nee KATZ;
"J.G." - JUDITH GROLLMAN.

No reference to JOEL BARR, ALFRED SARANT or subject's other associates in New Jersey was noted on the above list of Communist Party members.

Reurtel 4/10/51 in which you set forth information as to the results of your surveillance on subject Glassman.

It is noted that as a result of a surveillance it was developed that Glassman contacted an individual driving an automobile which was registered to Arthur C. Brudin, 300-A Grand Street, New York City. Check of Bufiles has failed to reflect any information concerning this individual. Your office is requested to immediately conduct an investigation for the purpose of determining the background, business connections and activities of this individual.

It is also suggested that at the time of a future interview with Glassman you might be in a position to use to advantage certain of the information furnished by informant Jerome Eugene Tartakow as a method of possibly enlisting her cooperation. In this respect it is believed that you might particularly confront her with the information obtained to the effect that the $2,000 which was given to her for Perl was never actually returned to the individual who provided her with the money. It is also believed that you might question her as to whether she has had any contact with Perl, Perl's attorney, or the Rosenberg attorney, it being noted that Tartakow recently advised that Rosenberg's attorney, Block, has been in contact with Glassman.

During the course of such interview with her it is suggested that you might make an effort to determine whether she is acquainted with an individual by the name of Dennis, it being noted that Tartakow has mentioned that Rosenberg's Russian contact, Dennis, was the one who selected Glassman for the assignment to visit Perl in Cleveland.

This matter should receive your expeditious attention.

Rebulet 4/ /51 and report of SA DAVID A. WIBLE dated 10/11/50 at Cleveland, Ohio.

Bureau letter reflects that a definite conclusion could not be reached regarding the handwriting on the registration card obtained by the Cleveland Office, at the Hotel Regent, as being that of the subject.

Reference report reflects that [redacted] Hotel Regent, registered subject for room 605 on 7/22/50 and that she initialed and placed notations on the registration card at the time subject was registered. B1D

It is requested that inasmuch, as the Laboratory report is inconclusive because subject apparently endeavored to disguise her handwriting at the time of registration, that the enclosed photographs of VIVIAN GLASSMAN be shown to [redacted] for her identification of subject as the individual she registered at Hotel Regent on the night of July 22, 1950 as Mrs. S. SUBJECT: VIVIAN GLASSMAN was.

Rebulet 4/9/51.

Reference letter reviewed the facts in this investigation regarding VIVIAN GLASSMAN'S admitted close association with JOEL BARR and JULIUS and ETHEL ROSENBERG, Soviet Agents, and her statement to Bureau agents that she was contacted in the evening of July 21, 1950 by a man whose identity was unknown to her, who advised her of his acquaintance with JOEL BARR and that she thereafter made a trip to Cleveland, Ohio, to furnish WILLIAM PERL with money and instructions to leave the United States by way of Mexico. GLASSMAN'S acquaintance and contact with other members of the ROSENBERG network such as ALFRED SANT and DAVID and RUTH ROSENGLASS was also mentioned.

Reference letter reflects that GLASSMAN stated that the unknown man that contacted her on July 21, 1950 advised her of his acquaintance with BARR and JULIUS ROSENBERG and that she thereafter made the trip to Cleveland, Ohio, to furnish WILLIAM PERL with money and instructions to leave the country by way of Mexico.

It has been noted that GLASSMAN would not admit that the stranger told her that he was directed to her by JULIUS or ETHEL ROSENBERG to request her to make the trip to Cleveland, Ohio, to contact PERL, nor would she divulge the details of the conversation she had with the stranger although she was pressed for details of this phase of her story. She refused to admit that she made the Cleveland trip with the understanding that JULIUS ROSENBERG wanted her to tell WILLIAM PERL to flee the jurisdiction of the FBI and denied that the stranger mentioned ROSENBERG name.

If she made this admission, it is believed it would have warranted her apprehension as a member of the ROSENBERG conspiracy.

While no admission has been obtained from GLASSMAN that she agreed to make the Cleveland trip in behalf of, or at the request of JULIUS or ETHEL ROSENBERG, conveyed to her through the stranger, the following information has been obtained which would tend to support the conclusion that she did make the Cleveland trip with knowledge that she was acting in ROSENBERG'S behalf and possibly at his request and that her actions were those of a conspirator:

1. She made airplane reservations on United Airlines in a false name and refused to give her telephone number or address when requested to by the Airline.

2. She registered under an alias at the Regent Hotel, Cleveland, Ohio on 7/22/51.

3. The statement of WILLIAM PERL dated July 28, 1950 which reflects that he stated that VIVIAN GLASSMAN appeared at his apartment on July 23, 1950 and upon entering she reached for some paper lying on a table and for a lapboard nearby; motioned to PERL to sit next to her and wrote that she had been instructed to talk to him by writing rather than talking; that she had been instructed to go to Cleveland and give him money and instructions which she had memorized as to how he and a friend were to leave the country; that for identification she was to mention a ship incident in which she was concerned with JOEL BARR and also the name "JOHN"; that she also wrote to the effect that she knew JULIUS ROSENBERG.

4. Testimony of JEROME EUGENE TARTAKOW that ROSENBERG stated that he furnished his Russian contact with the name of PERL among others as a person to be helped to flee the United States and that his contact selected VIVIAN GLASSMAN as a courier for the job.

Investigation is being directed toward development of additional sources who can testify that VIVIAN GLASSMAN was aware of ROSENBERG'S espionage conspiracy and performed other acts in furtherance thereof.

In this connection, DAVID GREENGLASS was recently re-interviewed regarding his recollection of some incident which might reflect that VIVIAN GLASSMAN had performed some espionage services for ROSENBERG and his interview will be set forth in a report in this matter which is being prepared. In addition, Assistant United States Attorney, Southern District of New York JOHN M. FOLEY, has agreed to call witnesses known to have been associated at the 65 Morton Street apartment for purpose of connecting VIVIAN GLASSMAN with photographic activities there. Proof of knowledge on this part of GLASSMAN of the actual Commission of Acts of espionage by a member of the network is considered an essential element in this investigation and investigation being pointed toward developing this requisite through detailed interviews with cooperative individuals connected with ROSENBERG which might bring GLASSMAN within the provisions of other statutes such as Misprison of a Felony, Commission of an Act in Furtherance of the Conspiracy to Commit Espionage and the Internal Security Act of 1950 as well as the Espionage Statute itself.

65-59334-146

Inasmuch as this investigation is closely tied in with the investigation of WILLIAM PERL, ALFRED SLOAN and JOEL BARR, for espionage, close liaison is being maintained with developments in those cases which would prove of value in involving GLASSMAN in the espionage conspiracy.

It would appear from a review of VIVIAN GLASSMAN'S employment since she left Hunter College in 1939 that she apparently was not used to obtain national defense information through employment in an industrial installation or other vital facility. Her only employment of such nature was at the U.S. Army Signal Corps at Ft. Monmouth, N.J. from May 1942 to September 1, 1943. She returned to the study of social work at the New York School of Social Work from October 1943 to February 1947 having filed an entrance applicant in June 1943 and then went to work at the Jewish Board of Guardians, the National Maritime Union and the United Service for New Americans as a social service worker at each organization. If she were being used to furnish national defense information, it is unlikely that she would have been permitted to return to school and remain there until 1947 and then engage in social service work. Her place in the network it would appear was therefore apparently not that of furnishing national defense information except possibly from May 1942 to September 1943.

The likelihood of her being used as a courier, as a typist, or for microfilming is the most obvious conclusion that can be drawn from known information concerning her.

Viewed, however, in the light of ROSENBERG'S statement to TARTAKOW that he believed the choice of VIVIAN GLASSMAN by his Russian contact, to act as courier to contact PERL, was very unwise since GLASSMAN was too well known as a Communist to be used in this capacity it might be concluded that ROSENBERG did not use her as a courier. If this statement by ROSENBERG is indicative of ROSENBERG'S opinion of GLASSMAN'S usefulness it may be speculated that GLASSMAN'S only act as a courier was on the July 22, 1950 trip to Cleveland.

This trip is an overt act which this investigation is endeavoring to connect through interview of associates of ROSENBERG and GLASSMAN with other acts of members of the ROSENBERG group or with an agreement by GLASSMAN with a member of the conspiracy to violate the espionage statute.

65-59334-146

Letter to Director, FBI
NY 65-15385

Spot check surveillances are being instituted to check subject's contacts and activities and her mail and toll calls are also being covered to identify her contacts. Every effort will be exerted to identify the unknown man who contacted her on July 21, 1950, who may possibly be identical with the individual named "DENNIS" mentioned by ROSENBERG as his Russian contact to TAMTAKOW.

The possibility of GLASSMAN attempting to flee the jurisdiction of the United States has been recognized and stops have been placed on the name VIVIAN GLASSMAN with the Airline reservation offices in New York City; with the Immigration and Naturalization Service; U.S. Customs and the State Department. In addition, a neighbor of GLASSMAN'S who is willing to keep notes on the time that she hears GLASSMAN enter and leave her apartment has been developed and will be kept in touch with to keep as close a check on GLASSMAN'S presence at home as possible.

New York is requested to furnish the WFO with a recent photograph of ELLIE GLASSMAN in order that this office may exhibit it to CI's and CSI's of this office.

The originals of the above letters and envelopes will be maintained as exhibits in WFO file 100-17304.

Copies of this letter are being sent to the Newark Office since the letter headed "Tuesday" indicates that ELLIE GLASSMAN has met HERSH PINKSON and his wife, who reside in Newark.

This material was orginally picked up by D. C. Sanitation Truck #340, on April 24, 1951 (JOHNSON, driver).

There is being enclosed to the Newark Office three prints each of three different photos containing the subject, RAY PINKSON, and some other unidentified individuals. It is believed that the unidentified adults are subject's brother and sister-in-law who reside in Newark. Newark is requested to exhibit these pictures to informants in an attempt to confirm the identity of the unknown individuals. Newark is then requested to return one copy each to WFO and send one copy of each to New York indicating the identities of all individuals therein. Negatives of these photos were obtained through the trash cover on PINKSON'S home and will be maintained in WFO file 100-17304.

STANDARD FORM NO. 64

Office Memorandum • UNITED STATES GOVERNMENT

TO : DIRECTOR, FBI

DATE: May 26, 1951

FROM : SAC, WFO

SUBJECT: RAYMOND ISRAEL PINKSON, aka
INTERNAL SECURITY - C

VIVIAN GLASSMAN
ESPIONAGE - R
(Bufile 100-300892)

Through a trash cover made by Special Agent GILBERT G. BENJAMIN on May 8, 1951, there were obtained two envelopes and two letters addressed to subject RAY PINKSON, 316 Peabody Street, N.W. Each letter was signed with the name ELLIE. One of the envelopes bore the return address E. GLASSMAN, 343 East 8th Street, New York City. This material was collected by District of Columbia Sanitation Truck #340 on May 8, 1951. The personnel on this truck included F. E. GREEN, driver, and JACK KING, WILLIE STODDARD, JOHN W. BRADSHAW, and ARTHUR I. WILSON, helpers. It is noted that both envelopes bore New York postmarks and were mailed via air mail. One was postmarked 7:00 P.M., April 24, 1951, and the other 6:30 P.M., March 5, 1951. The letters are as follows:

"Sunday

"Dear Ray,

"Hello!

"A social service office is not the most secluded spot for unexpected long distance calls -- especially at closing time on Saturday morning. So I hope I didn't sound too cold or abrupt.

"Of course, I must confess the call was also a surprise -- as were your book and your letter. Somehow I didn't imagine you quite as impulsive and romantic as you seem to be. Which is all to the good, albeit somewhat overwhelming to the unsuspecting. I think people should say what they feel and think (where practicable) -- so please don't have qualms about having written as you did. (You do, however, run the risks you so wisely enumerated and then disregarded). INDEXED - 109 65-59334-158

"I don't think I was scared, Ray. A little puzzled perhaps and perhaps, a little, set (?) on guard (~~when you think~~ somebody is vulnerable to hurt or disappointment). But this I

"will try to fight against since I also realize you are grownup and capable of taking care of yourself.

"I am looking forward to reading Steym's (?) book which I have not yet begun, being currently steeped in the 8th century or so of Chinese civilization. The details escape but you are left with an impression of real growth, change, development and retrogession elsewhere (with differences, of course.) Most of it is new -- and interesting. So much to learn in the world!

"The week went very fast -- with highlights here and there -- my nephew's birthday party, my (third) modern dance class, a successful heart operation on one of the children at the hospital, a request for civilian defense (and loyalty oath) volunteers with practically 100% refusal in our department, two weddings from the office.

"And so, another week. I hope yours is a pleasant one. Be well and have fun.

"Yours,
"Ellie

"P.S. On second thought, 12:30 sounds better for Saturday -- same place! E."

"Monday

"Dear Ray,

"More sober and undistracted thought confirmed my original reaction to going together to California with or without others and/or strings. I hope you will understand, even if you don't agree -- and not be too disappointed.

"The birthday celebration continued all weekend really confirming the beginning of a new year -- a better one I trust.

"So I had my first driving lesson yesterday and apart from the this-is-much-easier-than-I thought feeling (stage #1 for good drivers-to-be, I understand), I should be managing well enough to contribute substantially to the driving. We've been having a few sprays of cold water from more experienced friends (& drivers) about not being able to see the country or really make it comfortably in 10 days. But we're still discussing it.

65-59334-158

"About Atlantic City -- it's still indefinite. I also remembered having theater tickets for May 12 so I'm not sure about the arrangements. I will let you know.

"Meanwhile, I hope your good spirts and good luck in business continue.

"Yours,
"Ellie

"P.S. Your earrings were easily fixed as you suggested and make a really charming pendant and earring set. Thanks again."

The originals of the above material will be maintained as exhibits in Washington Field Office file 100-17304.

If any of the above information is used for dissemination outside the Bureau, it should be carefully paraphrased in order to protect the technique of the trash cover used to obtain this material.

MILTON MANES, former close associate of JULIUS ROSENBERG, and wife, CAROL FREEMAN MANES, both state VIVIAN GLASSMAN and JOEL BARR, unknown to them. MILTON MANES recalls meeting at ROSENBERG's apartment, New York City, in 11/45, at which DAVID GREENGLASS was present, but has no recollection of GLASSMAN or BARR being present.

- RUC -

DETAILS:

AT PITTSBURGH, PENNSYLVANIA

On May 27, 1951, MILTON MANES, who is presently employed as a chemist at the office of Synthetic Liquid Fuels Branch, Research Development Division, U. S. Bureau of Mines, Bruceton, Pennsylvania, and who resides at 356 Rock Hill, Road, Bridgeville, Pennsylvania, was interviewed at the Pittsburgh Office. At this time MANES advised as follows concerning his alleged presence at the apartment of JULIUS ROSENBERG in New York City during 1946 or 1947, along with VIVIAN GLASSMAN, JOEL BARR, DAVID and RUTH GREENGLASS, and JULIUS

ROSENBERG, as reported to the New York Office by DAVID GREENGLASS.

MANES stated that he had no recollection of visiting the ROSENBERGS during 1946 or 1947, but that he did recall being at the ROSENBERG apartment on several occasions during October and November 1945, during which period he was employed on a fellowship at Duke University, Durham, North Carolina. MANES advised that sometime during October 1945 he had burned his right arm while conducting research at Duke University and, being unable to continue his studies, decided to spend several days visiting relatives in New York City. He said that about Thanksgiving (late November)1945 he again spent several days at New York City after his mother had suffered a serious stroke. According to MANES he visited the ROSENBERGS several times during the two trips; however, he said he could recall only one occasion when there were more than himself and the ROSENBERGS present, and it was his belief that this occasion was during his second visit, or during November, 1945.

The meeting in question, MANES continued, was merely an informal get-together between himself, the ROSENBERGS, and some of the latter's close friends. MANES stated that the meeting took place one evening at the ROSENBERG's apartment and he recalled the following as being present:

JULIUS ROSENBERG,
ETHEL ROSENBERG,
DAVID GREENGLASS and possibly his wife,
RUTH GREENGLASS,
BERNARD GREENGLASS and his wife, and one of
MANES' brothers, either DANIEL or LAWRENCE
MANES.

He further stated that other persons may have been present briefly, but said that he had no recollection of any specific person and the names, VIVIAN GLASSMAN and JOEL BARR, were not known to him. Moreover, when photographs of GLASSMAN and BARR were exhibited to MANES, he stated that he had never seen either

65 59334-162

of these individuals, either at the ROSENBERG apartment or at any other time.

MANES had a vague recollection of BERNARD GREENGLASS recounting his experiences in the United States Army, and of DAVIS GREENGLASS making a passing reference to the fact that he had formerly been employed on the Atom Bomb Project at Los Alamos, New Mexico, but he could not recall any other details of the meeting. MANES could not definitely recall which of his two brothers, DANIEL or LAWRENCE, was present at the meeting, but thought it was probably LAWRENCE.

No other information of value was furnished by MANES during this interview.

AT BRIDGEVILLE, PENNSYLVANIA

On June 11, 1951, Mrs. CAROL FREEMAN MANES was interviewed at her home, 356 Rock Hill Road, Bridgeville. Mrs. MANES stated that she had no recollection of being present at the meeting held at the ROSENBERG apartment in New York City in November, 1945, at which DAVID GREENGLASS, BERNARD GREENGLASS, JULIUS ROSENBERG, ETHEL ROSENBERG, and her husband, MILTON MANES, were present. She said that she only visited the ROSENBERG apartment a few times and had never met either DAVID or RUTH GREENGLASS at the ROSENBERG residence. Mrs. MANES specifically recalled one visit with her husband to the ROSENBERGS about November, 1945, at which time both ROSENBERGS as well as LAWRENCE MANES were present. She described this meeting as only a brief social call and stated that she was certain that neither DAVID nor RUTH GREENGLASS was present on this occasion.

Photographs of VIVIAN GLASSMAN and JOEL BARR were exhibited to Mrs. MANES and she stated that she had never seen either of these persons, either at the ROSENBERG apartment or at any other time.

ADMINISTRATIVE PAGE

It is noted that substantially the same information concerning his visit to the ROSENBERG Apartment in November, 1945, was furnished by MILTON MANES during interview by Pittsburgh Agents on August 15, 1950, in connection with a lead set forth in the case entitled "JULIUS ROSENBERG, et al, ESPIONAGE - R."

No leads are being set forth to interview either of MILTON MANES' brothers, DANIEL or LAWRENCE MANES, and this is being left to the discretion of the New York Office, which is origin in this case. It is noted, however, that during interview on May 27, 1951, MILTON MANES advised that LAWRENCE MANES is presently residing at 1401 Prospect Place, Brooklyn 13, New York. The exact residence of DANIEL MANES was not known to MILTON MANES, however, DANIEL MANES is believed to be residing in the borough of the Bronx, New York City.

TITLE	CHARACTER OF CASE
VIVIAN GLASSMAN, was.	ESPIONAGE - R; INTERNAL SECURITY ACT OF 1950

SYNOPSIS OF FACTS:

Confidential Informant has no knowledge of connections and associates of RAYMOND PINKSON in New York City. No record of subject at Bureau of Public Documents, Washington, D.C.

- R U C -

DETAILS: AT WASHINGTON, D.C.

Confidential Informant T-1, of unknown reliability, advised he believes RAYMOND PINKSON began going with a girl by the name of GLASSMAN, first name unknown, in New York sometime last fall and that he had never known of her visiting PINKSON in Washington. T-1 said he understood the GLASSMAN girl was to visit PINKSON in Washington during cherry blossom time in the spring of 1951 but for some reason unknown to him she did not come to Washington with the result that PINKSON's ardor for her apparently cooled. T-1 continued PINKSON was in New York City for almost a week during the ROSENBERG Trial at which time he believed PINKSON stayed with his brother at Newark, New Jersey. T-1 stated PINKSON left for New York City on a Friday and returned to Washington the following Wednesday.

T-1 further advised that PINKSON left Washington July 4, 1951 and went to some camp in the Catskills with his brother from Newark, New Jersey, returning to Washington the following Sunday. T-1 remarked he had gathered from RAYMOND PINKSON's conversation that he has a new girl in the New York City area and is no longer going with the GLASSMAN girl. T-1 added that prior to cherry blossom time this spring PINKSON went to New York City regularly [illegible] week-ends to see the GLASSMAN girl.

T-1 further remarked that PINKSON never mentioned the names of anyone he associated with in New York City and in particular he had never heard PINKSON mention JULIUS ROSENBERG, MAX ELITCHER, WILLIAM PERL, or ERNEST PATAKI. T-1 added he was familiar with the name JULIUS ROSENBERG only because of newspaper publicity.

CARPER W. BUCKLEY, Assistant Superintendent of Documents, Government Printing Office, advised their files contain no record of VIVIAN GLASSMAN. Mr. BUCKLEY added that records are maintained only of those individuals who have a fund deposited to their account or are on a mailing list or subscribers to various periodicals.

Office Memo. • UNITED STATES GOVERNMENT

DATE: August 6, 1951

TO : Director, FBI

FROM : SAC, New York

SUBJECT: VIVIAN GLASSMAN, was.
ESPIONAGE -R
INTERNAL SECURITY ACT OF 1950

Rereports of SA RICHARD T. HRADSKY dated May 10, 1951 and July 25, 1951 at New York.

The synopsis of reference report dated May 10, 1951 reflects that subject was visited on the night of April 5, 1951 by ARTHUR CARL BOUDIN, which statement was based on the identity of the individual to whom the automobile, into which subject was seen entering, was registered, as obtained from the New York Bureau of Motor Vehicles. Further investigation has revealed that the individual that agents observed with subject on the night of April 5, 1951 was MAX FIRESTONE and not ARTHUR CARL BOUDIN, FIRESTONE having borrowed BOUDIN'S automobile that night. This subsequent indentification is reflected in reference report dated July 25, 1951.

In view of this subsequent identification an amended synopsis has been prepared for report dated May 10, 1951 and five copies of page two of this report are herewith enclosed, which, if this meets with the Bureau's approval may be inserted in the Bureau's copies.

Additional amended pages have been prepared for the offices which received copies of report dated May 10, 1951 which will be directed to the designated offices if the amended pages submitted are approved by the Bureau.
