Re Bureau telephone call to Los Angeles, 1/6/78.

Bureau Supervisor [redacted] extension [redacted] advised the writer that additional investigation in captioned matter is necessary. He requested that [redacted] and CHARLES TEAGUE, former Congressman from the 13th Congressional District be interviewed, and [redacted] a journalist who accompanied the applicant on his trip to Vietnam in 1966, be contacted. In addition, contact with personnel at the Center for the Study of Democratic Institution, Santa Barbara, California, contacted for additional associates or acquaintances of the applicant. [redacted] indicated that total investigations to date concerning SHEINBAUM has shown a lack in number of interviews of persons personally acquainted with the applicant. Every effort should be made to supplement the already completed investigation with additional names of persons who know SHEINBAUM well enough to comment about him.
