U.S. DEPARTMENT OF THE TREASURY
BUREAU OF ALCOHOL, TOBACCO & FIREARMS

TAPE #79

3/7/93
9:25 A.M. - 12:36 P.M.

(Tape 79)

STEVE: -- talk to him? He says --

DAVID: Tell him to go drink a glass of milk.

STEVE: He says, he says nah, go drink a glass of milk.

DICK: Listen. We have it ready for you.

STEVE: (Indiscernible.)

DICK: So this is going to be another rejection on, on our, on your part toward the efforts that we've made. Let me, let me go into -- you remember this article I spoke to you about this morning?

STEVE: Dick says, Dick says I guess this will be another rejection on your part.

DAVID: Another what?

STEVE: Rejection on your part to the efforts that are being made.

DAVID: (indiscernible).

STEVE: He says you're making no damn efforts.

DICK: Well, and what you define what I just offered to you, to David? Have David define what that is if that's not an effort on our part?

STEVE: Could you define what that is today? What their, their offer of the 6 frozen gallons for four children?

He's not answering. So that, that must mean that's an insult --

DICK: No, it's -- I, I -- it's not an insult --

STEVE: Because he had 4 --

DICK: -- at all.

STEVE: -- at least I know it was at least 4 days ago. Maybe it was 5. I can't even -- (unidentified male voice in background not discernible) --

DICK: Well, listen.

STEVE: Like he said. He gave $1,000. He never thought that would be a consideration (indiscernible).

DICK: Well, we're going to, we're going to send it in to you at no cost to you.

STEVE: All right.

DICK: Okay?

STEVE: Well, that's what was expected back 4 days ago. Because we were -- at that time if you recall, Dick, we were sending children out. And they would have kept on coming out. But when all of a sudden an issue is made out of something like that after $1,000 was sent, it did not show a good faith on your half or a good working relationship of trust.

DICK: Well --

1 STEVE: I mean even if those children we sent
2 out would have remained here, they would have got some
3 of that milk before they went out, but they'd have
4 still gone out. He, he -- it had nothing to do with
5 anything like that.
6 DICK: Steve, let -- you know, we talked
7 earlier about negotiations. You, you make repeated
8 effort -- or statements concerning negotiations.
9 Negotiations on the basic level are a tit for tat, a
10 concession on both parts, a backing down in some
11 instances, a moving forward in other instances. It's,
12 it's --
13 STEVE: You know, a wiser -- okay.
14 DICK: -- an agreement to agree not --
15 STEVE: A wiser question on your behalf might
16 be David, what could we do if anything at all, you
17 know. What we'd like to do is see maybe another child
18 or two or whatever. Is there anything that we could do
19 to maybe ensure that one or two could come out? I
20 would think that you might just want to ask that, put
21 it in his head, and see what he has to say about it or
22 as a reaction.
23 DICK: Well, I'll tell you what. Listen.
24 Send two kids out, and we'll send the milk in.
25 STEVE: No, you --
DICK: Tell, tell David --

STEVE: -- you already told me you were going to send the milk in regardless.

DICK: Now who told you that? That's not at all what I said.

STEVE: You just said, you just said 3 minutes ago.

DICK: That is absolutely unequivocally untrue.

STEVE: Okay.

DICK: I said milk for four children is what you and I discussed. And David talked about sending people out two by two making the reference to a Biblical passage. Let's send two of the kids out. I'll get the milk to you for two kids.

STEVE: Oh, by the way. (Unidentified male voice in background not discernible.) Sita is right here. Okay, Sita wants to talk to you.

DICK: Good. Put her on. I'll be happy to speak with her. (Unidentified male voice in background not discernible.)

[gap]

SITA: Hello?

DICK: Sita, how are you this morning?

SITA: Not very happy.

DICK: Not very happy? Did you -- David just --

1 SITA: I'm not very happy with the picture.
2 DICK: With the picture?
3 SITA: Yes.
4 DICK: Why, what's your unhappiness with the
5 picture?
6 SITA: (Indiscernible) I specific asked that
7 those kids have a special diet. No pork. Those hot
8 dogs were pork. And my kids weren't happy in that
9 picture.
10 DICK: Not -- absolutely untrue. Absolutely
11 untrue. Those were --
12 SITA: What I saw --
13 DICK: -- all beef hot dogs. What we'd ask
14 them to give them --
15 SITA: What I saw in that picture --
16 DICK: I know. But listen, Sita. Let me
17 explain that to you. Because if that's what you're
18 unhappy about I can tell you --
19 SITA: No, not --
20 DICK: We have told those folks that turkey
21 or all beef as a substitute, but there is to be
22 absolutely no pork. Absolutely. We, we monitor those
23 requests. We, we honored them and, and we will
24 continue to do that when we can. Those kids are being
25 well cared for. Pork is not in their diet.
SITA: Not what I saw in that picture.

1 DICK: Sita, are you going to tell me that
2 you can look at a hot dog and tell me whether it's --
3 SITA: I can see the color of that picture.
4 And the kids were forced to smile. And why did you
5 guys cut Nahara's (phonetic sp.) hair?
6 DICK: Cut her hair?
7 SITA: Cut his hair. And who gave you guys
8 the right to cut those kids' hair?
9 DICK: Perhaps the child -- I don't even know
10 that the child's hair was cut. But if it was, maybe it
11 was the child's request to cut it. Maybe they had some
12 medical problems. Maybe there were some bugs in the
13 hair.
14 SITA: Bugs! That's baloney!
15 DICK: Sita, I'm not going to -- listen.
16 SITA: His hair was so --
17 DICK: Sita.
18 SITA: -- short already.
19 DICK: You listen to me for a moment, okay?
20 I'm telling you that those kids are being properly
21 cared for. Their hair is clean. They're getting a
22 healthy diet. We've made the request that they were
23 not to receive pork. And I'm doing that for you. We
24 are doing that for you. And now you're going to get on
25 and condemn us for what we've done for those kids?
Listen, I'm not going to listen to that.

1 SITA: Then don't talk to me then.
2 DICK: Then you just put Steve back on.
3 SITA: Okay.
4 DICK: Because I'm telling you we have done
5 that for you. And then all of a sudden you want to get
6 on there and call me a liar. That's, that's just
7 absolutely not true.
8 Now let's talk about the pork thing a little
9 bit. We know that you sincerely do not want those
10 children to have pork. And we can honor that, because
11 there are agents that don't eat pork either. And
12 that's completely reasonable. And we want to honor any
13 reasonable request. And we have done that. The kids
14 do not get pork.
15 SITA: And one thing too. When the kids were
16 supposed to come out we, we sent a letter where their,
17 where they were going. And they are still here also.
18 DICK: That's, that's right. And we
19 addressed that issue before. This cannot be done
20 overnight. We're hoping to reunite you and your kids.
21 We're hoping to reunite the two of you. And we
22 understand where you want those kids to go in the event
23 that's not done. But these things, you know, it has to
24 be done on a timely basis. And I know your time and --
25 SITA: Jim promised me that he'll call their
grandparents or whoever they were going to the next

1 day. That's what's my understanding. That's why I
2 went out for my life with my kids.
3 DICK: Um-hum.
4 SITA: And now not even one word. And I
5 cannot even speak to them.
6 DICK: Well, yes, you can speak to them.
7 That's, that's your choice. You said that you wanted
8 to stay in there.
9 SITA: Yes. I want to speak to them.
10 DICK: Well, you can speak to them. But you
11 know, it was your choice. We asked you to come out.
12 We're ready to have you come out any time you like.
13 But until you do that --
14 SITA: Yes, I can come out any time I want.
15 DICK: Sure. David said you could.
16 SITA: But what you guys been doing, coming
17 inside the property which you were told, were told not
18 to come in. And day after day they keep coming in and
19 flashing their butt and sticking their finger at us.
20 DICK: Listen. I want to find out what time
21 that was. That's one of the things I wanted to ask --
22 SITA: It was yesterday.
23 DICK: -- of, of Steven. Pardon me?
24 SITA: It was yesterday.
25 DICK: I understand that. Because he brought
that to my attention. But I wanted to follow up on

1 that and so that I can run that down. Because that's
2 unacceptable. And I told him that.
3 SITA: It's very childish.
4 DICK: Yeah, it's more than that. It's
5 unprofessional. It's unprofessional. If it was just
6 childish, maybe we would deal with that. But it's
7 unprofessional, and we're not going to allow it. And
8 there has been a great deal of consternation about
9 that. And you can bet that it better not happen again.
10 Because the man that did that if he's an FBI agent is
11 going to be fired, period. End of story. He's gone.
12 That's not going to happen.
13 Now did Steven tell you that, that we've,
14 we've tried to get the milk in and done those kinds of
15 things? And that we're trying to honor your requests?
16 We have some of the parents there that say hey, send
17 the kids out to, to the folks who have been designated
18 by those people. And others say keep them all
19 together. Don't move them into foster homes.
20 You know, we have to confront these issues
21 one by one. And what you want and what someone else
22 wants may be different. And we have to deal with all
23 those issues as soon as we can and in the best way we
24 can. In the meantime, those kids are being well cared
25 for.
And the reason we sent the pictures in is

1 because there was some suggestion from somebody inside
2 there that, that the kids had been sent to foster
3 homes. We said absolutely untrue. And then what, what
4 do we get? We get you're lying. So instead, we went
5 out and took videotape which we sent in to you that
6 we're tell, told did not work. And we send in hard
7 copy --
8 SITA: There's nothing, there was nothing in
9 the --
10 DICK: Okay. Well, we're making arrangements
11 to get you another copy of that. Okay? We'll, we'll
12 send that in again so you can take a look at it. But
13 that's what we're doing, Sita. We got to work
14 together, and we're doing that for you.
15 And I can appreciate your position as a
16 mother. Because I would have the same concerns as a,
17 as you as a father of two children myself. So I can
18 appreciate some of your, some of your, your concerns.
19 And I --
20 SITA: (Indiscernible.)
21 DICK: -- certainly I'm not getting mad at
22 you, Sita, for expressing those. Because as a mother,
23 that's your responsibility to ensure that your wishes
24 are, are followed and that the kids' wishes are. So
25 please, I can appreciate that. I know you're
frustrated.

1 SITA: I (indiscernible).

2 DICK: I know you're tired. Sita, trust me.
3 We're -- I'm going to take, make sure that those kids
4 are, are handled properly. Please. If there's nothing
5 else that happens here, understand that I will ensure
6 and we will ensure the FBI that those kids are properly
7 cared for. And the only way we can improve on that
8 care is for you to come out and take care of those kids
9 themselves -- yourself. (Unidentified voice in
10 background not discernible.) And you know, you and I
11 both know that, Sita, that you're --

12 SITA: Excuse me. There is a girl want to
13 talk to you.

14 DICK: Okay. What -- who is this I'm
15 speaking with?

16 SITA: She's Nick. And she's the brother
17 who -- (unidentified female voice in background not
18 discernible) -- the sister of the brother who died
19 wanted -- (unidentified male voice in background not
20 discernible) --

21 DICK: Okay, put her --

22 SITA: That wouldn't take, excuse me --

23 DICK: Put her on. I'll be happy to speak
24 with her.

25 SITA: Just a minute.

[gap]

1 NICOLE: Hello?
2 DICK: Hi. Who's this?
3 NICOLE: This is Nicole.
4 DICK: Nicole, how are you this morning?
5 This is Dick. Have I spoken with you before?
6 NICOLE: No. I spoke to Jim. But I --
7 DICK: Okay.
8 NICOLE: -- haven't spoken to you before.
9 DICK: Good. I'm glad to have the
10 opportunity to speak with you.
11 NICOLE: I think personally you're a real
12 asshole myself.
13 DICK: Now that's, that's -- thank you. I, I
14 appreciate that.
15 NICOLE: Okay? I'm pretty teed off with the
16 whole situation.
17 DICK: Okay. What are your concerns? Tell
18 me specifically what your concerns are.
19 NICOLE: I will. I will tell you very
20 specifically.
21 DICK: Okay. And I'll answer. Give me one
22 at a time, and we'll answer them one at a time.
23 NICOLE: Number one.
24 DICK: Okay.
25 NICOLE: You send your agents here, you
murder my twin brother.

1 DICK: Who, who is that?
2 NICOLE: Peter Gent.
3 DICK: Peter Gent is your brother.
4 NICOLE: He's been laying --
5 DICK: Okay, please accept my, my regrets.
6 NICOLE: Your regrets --
7 DICK: Nicole, I was not there. The FBI was
8 not there. That was an ATF attempt to serve that
9 warrant. And they are as upset about this obviously,
10 they lost four agents.
11 NICOLE: Well, they --
12 DICK: They're as upset as you are about it.
13 NICOLE: I don't think so. We let them come
14 in here and take their dead man, their wounded. And
15 you guys won't even take my dead brother out of here.
16 I think it's sick. You people are sick in the head.
17 And I'm really --
18 DICK: We will try to do that. We understand
19 your concern.
20 NICOLE: We'll try. When? Next year? He is
21 down -- he's dead. And I bet --
22 DICK: I know that.
23 NICOLE: -- you haven't even notified my
24 parents, have you? They've come all the way from
25 Australia. You -- I'm just so teed off with this whole
situation. I have a little baby. David sends out

1 $1,000, and you don't even have enough human decency to
2 send in 6 gallons of milk.
3 DICK: Nicole, I spoke with him about that.
4 We're ready to send that milk in.
5 NICOLE: When? We asked for that 4 days ago.
6 DICK: It's here. We will -- we're ready.
7 We're ready to go on that. We're ready to go on it.
8 (Unidentified male voice in background not
9 discernible.) I just told Steven about that and David
10 too.
11 NICOLE: David says stop bullshitting, all
12 right?
13 DICK: We're not --
14 NICOLE: I mean you --
15 DICK: We're not doing that at all.
16 NICOLE: You are. Because you're trying to
17 develop some sort of trust here. And from what I can
18 see in observation, there is none. You have been
19 telling lies. I've seen with Steve you've just been
20 telling lies over and over again. You've got your
21 bulldozers all around this place trampling over things.
22 I mean who do you people think you are?
23 DICK: Nicole, I understand your frustration.
24 NICOLE: You don't understand my frustration.
25 You're not in here. You're not in, sitting in my room
with my kids trying -- and I've got a stupid --

1 DICK: I know. I know.
2 NICOLE: -- bulldozer aimed right at my room.
3 I mean you've got jerks in those tanks. You need to
4 get your act together.
5 DICK: Nicole, I understand what you're
6 saying.
7 NICOLE: You don't understand what I'm
8 saying.
9 DICK: Yes, I do. Yes, I do.
10 NICOLE: You guys have done nothing,
11 absolutely nothing.
12 DICK: I know you're concerned. We're
13 concerned, and we're trying to work this out together.
14 NICOLE: You want David to release people on
15 what elements? There is no trust.
16 DICK: Well, yeah, that's exactly true. And
17 we --
18 NICOLE: Exactly.
19 DICK: -- we -- listen, Nicole, yesterday we
20 offered to move our Bradleys back --
21 NICOLE: Well, how come they --
22 DICK: -- and to do other --
23 NICOLE: -- how come they keep rolling back
24 in here? Every time they go out --
25 DICK: Because David won't, won't help us.
He won't work with us.

1 NICOLE: David?
2 DICK: You're going to have to, you're going
3 to have to talk with David and get David to work with
4 us.
5 NICOLE: You're not working with us. That's
6 what the point is. You have not proven yourself at
7 all.
8 DICK: Really?
9 NICOLE: Really, you have not.
10 DICK: What are these offers that we have
11 made for, to you repeatedly over time and, and the
12 things we have done already.
13 NICOLE: What have --
14 DICK: We send you pictures for the kids.
15 NICOLE: And you cut off all their hair. Are
16 they still together? You're going to send them out to
17 foster parents. They were all given out --
18 DICK: We're not. We're not.
19 NICOLE: -- with addresses.
20 DICK: I know that.
21 NICOLE: You're not -- I don't trust you
22 guys. I really don't trust you guys at all.
23 DICK: Well, then you know the answer to that
24 is?
25 NICOLE: Where's our line? Where's our
phone?

1 DICK: You know what the answer --
2 NICOLE: Where's our phone line to the press?
3 DICK: It's -- that's all in place.
4 NICOLE: We have none.
5 DICK: We suggested yesterday that we would
6 make people available when you come out -- you can pick
7 people that you want to be there to ensure everybody's
8 safety when you come out. We'll do that.
9 NICOLE: I'm not coming out. I am not coming
10 out. Based on what you guys have done, I'm not coming
11 out. I don't want to come out. I am not coming out.
12 DICK: Okay. Well, that's your option. I'm
13 not trying to convince you to do that.
14 NICOLE: Good. Don't.
15 DICK: I'm suggesting that, that David has
16 said that that's an option and that if, if at --
17 NICOLE: An option?
18 DICK: -- a point in time you want to do that
19 then, then please, we will, we'll love to have you out
20 here. You can care for your children. Now one child
21 apparently I was told at least one child asked to have
22 his hair cut.
23 NICOLE: What -- David said your option is
24 you're going to burn hot and in hell. I mean this is
25 ridiculous.
DICK: Well, I'm sorry you feel that way.

1 We're --

2 NICOLE: Oh.

3 DICK: -- we're just doing the best we can

4 under --

5 NICOLE: I don't think so.

6 DICK: -- this is a difficult situation for

7 all of us. And we're doing the best we can, and what

8 we ask is in return for you to work with us. And we'll

9 get, we'll get things worked out. It may not be as

10 quickly as you would like. And it may not be as

11 quickly as I would like.

12 NICOLE: Quickly. How long does it take to

13 get a dead body out of this place?

14 DICK: Again, we're trying to deal with all

15 these requests of yours. And again it's not getting

16 done as quickly --

17 NICOLE: Look.

18 DICK: -- as you want, Nicole.

19 NICOLE: You came in here. When you guys

20 fired on us, you guys fired first. I have bullet holes

21 in my son -- I'm glad he wasn't in his bed. He would

22 have been killed.

23 DICK: Nicole, you need to tell the world

24 that very same thing.

25 NICOLE: Well, then why don't you give us a

line out?

1 DICK: You will have the opportunity to do
2 that.
3 NICOLE: When? When, Dick? When?
4 DICK: You know, listen. Let me tell you
5 what again, very briefly what we went over this morning
6 with Steven concerning a local article that was written
7 in the Forth Worth Star Telegraph where a person writes
8 in and says that the, the attack, he calls it an attack
9 on the compound by federal agents was an attempt to
10 suppress religion simply because the members live
11 communally.
12 And he goes on to say the government has
13 become a police state. They want everybody to bow down
14 to them. Goes on to say, he said the raid's violence
15 which left four ATF agents and at least some Dividians
16 dead was the fault of the U.S. Government.
17 Now that's the kind of support you're getting
18 out there. But you need to, to ensure that that is
19 communicated by the people inside that can tell what
20 happened from their viewpoint.
21 NICOLE: Dick, don't try and patronize me.
22 DICK: ATF is --
23 NICOLE: You don't want us to have a line.
24 You don't want us to have a line out. That is a,
25 that's a fact. You don't. Because you would have
given it to us a long time ago.

1 DICK: Your best line is to walk out of there
2 and talk to whomever you want to talk to.
3 NICOLE: I'm not walking out of -- oh,
4 freedom of speech. What happened to the Constitution
5 of America? It doesn't exist.
6 DICK: What did I just tell you? You have
7 the ability to talk to anyone you wish. When you come
8 out of there absolutely. And I told David and Steve
9 there will be so many requests to talk to you folks
10 you'll be able to get your story out in any fashion --
11 NICOLE: That's a load of baloney.
12 DICK: It isn't a load of baloney.
13 NICOLE: It's -- that's bullshit, Dick.
14 DICK: Listen, Nicole. Let me review a
15 couple of things for you, the things that we've done at
16 your request. Not specifically yours. But the folks
17 inside that were done for you, okay? A phone line was
18 opened up. Obviously --
19 NICOLE: (Indiscernible.)
20 DICK: -- that was for both. That was for
21 both of us.
22 NICOLE: Keep going.
23 DICK: Okay, but it was done. You had the
24 same interest in it as we have. And that was done on
25 the 28th, Sunday.
And then David wanted to make a statement,

1 and in return for that he said I will bring all my
2 people out. He gets an hour on the telephone -- or I'm
3 sorry. An hour in the media after he does a statement
4 of his own choice. He puts it together. Nobody,
5 nobody edited that statement. He put exactly what he
6 wanted on there. And it was played verbatim.
7 Then we get, we get a reference to play the
8 tape on national TV and they will come out. Now that
9 comes from Scott. It's, it's played. Again, you don't
10 come out. Then someone suggested, Rita I believe, said
11 play the tape during prime time, and the women and the
12 children will come out. Of course, it's played during
13 prime time. Nobody comes out. Or you know, the group
14 doesn't come out.
15 David wants 150 feet of phone line. We
16 furnish that to him.
17 NICOLE: You, you don't hook it up?
18 DICK: Well, how can we hook it up? We're
19 not in there. We sent in a telephone for it.
20 NICOLE: Why did you cut off all
21 communication in the first place?
22 DICK: That -- and again I told you I'm not
23 going to lie to you. That is commonly done --
24 NICOLE: Commonly done.
25 DICK: -- in these, in these situations.
NICOLE: Freedom of speech. Commonly done.

1 DICK: No.

2 NICOLE: Yes.

3 DICK: There's actually has nothing to do

4 with freedom of speech. It has to do with as I

5 suggested to some of the guys yesterday when you have

6 this kind of incident, as unfortunate as it is, there

7 are all kinds of people out there that, that want to

8 involve themself to some degree. And some, just people

9 with some off --

10 NICOLE: Dick --

11 DICK: -- the wall things --

12 NICOLE: Dick the truth is --

13 DICK: -- to say will call in.

14 NICOLE: -- David and Steve were on, on the

15 press. They were speaking live to the people on radio.

16 And they were telling what you happened, and you guys

17 didn't like it. So you cut our lines. That's what

18 happened. (Unidentified male voice in background not

19 discernible.)

20 DICK: Absolutely.

21 NICOLE: Absolutely.

22 DICK: We did --

23 NICOLE: You didn't like what they were

24 saying.

25 DICK: No, I'm saying we cut the lines. It's

not because what, of what you were saying --

1 NICOLE: Because you didn't like it. Because
2 they told how the BATF --
3 DICK: Um-hum.
4 NICOLE: -- came in here and started firing
5 first. And they did not know that. They accused us of
6 that first.
7 DICK: Nicole, there's been a national
8 inquiry made, a Congressional inquiry made reference to
9 yesterday in the paper.
10 NICOLE: (Indiscernible.)
11 DICK: They're opening up an inquiry on that.
12 And you'll all get a chance to say exactly what you
13 saw, what you did, and what you saw the ATF do. That
14 is -- it's your right. It's your responsibility. And
15 the world will demand it.
16 NICOLE: Dick, it doesn't make one hell of a
17 difference, all right? So that's not -- still until I
18 start seeing some milk or, or some --
19 DICK: We've got the milk.
20 NICOLE: -- such element here, I, I really
21 have nothing more to say to you.
22 DICK: Nicole, we have the milk.
23 NICOLE: Well, where --
24 DICK: And I made that clear to both --
25 NICOLE: Are you going to let it go sour?
Are you going to let it sit out there and go sour?

1 DICK: No. We're -- I told, I told the
2 fellows in there that we're, we're prepared to, to give
3 you the milk and to send the kids out and the milk will
4 go in.
5 NICOLE: No, we're not sending the kids out.
6 We want the milk here.
7 DICK: That's exactly where it's going to be.
8 NICOLE: Well, why --
9 DICK: We're going to send the milk in.
10 NICOLE: Okay. And we're not sending the
11 kids out. We, we need the milk here for the babies.
12 DICK: I hear what you're saying, Nicole.
13 But as I indicated to Steve and to David --
14 (unidentified male voice in background not
15 discernible) -- we need to make concessions to one
16 another. This is how you --
17 NICOLE: Look, these are David's babies, all
18 right? They need milk.
19 DICK: I know.
20 NICOLE: They've had none for 3, 4, 5, 6 days
21 because the mothers are so stressed out with all this
22 baloney, garbage stuff you're throwing up at us.
23 DICK: Well, it's not garbage. I am sorry
24 you feel that way. Because we are ready to send the
25 milk in. And --
NICOLE: Well --

1 DICK: -- and I've said that repeatedly this
2 morning. Was the first thing I said to --
3 NICOLE: You keep saying, Dick. But we
4 haven't seen it.
5 DICK: What did I tell them? Did they tell
6 you what I suggested?
7 NICOLE: You want kids out.
8 DICK: Absolutely.
9 NICOLE: Well, then what, what point --
10 DICK: And the milk will come in.
11 NICOLE: -- is there in bringing milk in?
12 DICK: Pardon me? What, what does that have
13 to do with bringing milk in? My bosses have indicated
14 they're willing to do that if you're willing to send
15 some people out. We have to work with one another.
16 There has to be some give and some take. And we're
17 willing to do that.
18 NICOLE: Look.
19 DICK: And you're going to have to be willing
20 to give and take.
21 NICOLE: Dick, there's seven seals, all
22 right? And I've been in this message for 5 years, in
23 this truth.
24 DICK: Um-hum.
25 NICOLE: I have seen more than what you could
have ever seen. I have an experience that you don't

1 understand. God said wait. And so I'm waiting.
2 Because I am trusting in something that I have seen,
3 that I have experienced. I don't trust in you kind of
4 people.
5 DICK: Well, I think we've shown you a lot of
6 good trust and good faith and reason for you to --
7 NICOLE: No, you've shown me no trust at all.
8 DICK: No, that's not --
9 NICOLE: No trust.
10 DICK: -- true. I'm sorry you feel that way,
11 Nicole. But that is --
12 NICOLE: Lamb-like and you speak like a
13 dragon. That's what I've experienced.
14 DICK: Nicole, we're interested in ensuring
15 your safety and all the other folks in there --
16 NICOLE: My --
17 DICK: -- and your kids.
18 NICOLE: You come in here and start blasting
19 the place while it's full of kids. You don't, you
20 don't come with your arrest warrant. I was down there
21 when Robert Gonzales came in here, all right?
22 DICK: Um-hum.
23 NICOLE: I was there. I noticed -- I was
24 very suspicious of his behavior.
25 DICK: Okay.
NICOLE: The way he was in the study.

1 DICK: Um-hum.

2 NICOLE: I was very suspicious. And then he

3 said he wasn't going to come back until Monday. He

4 shows up on Sunday morning with a newspaper with an

5 article on our members here full of baloney from the

6 press. He comes in. He sits down.

7 DICK: Is that the first time you had seen

8 that article?

9 NICOLE: No. We, we -- that was -- we'd

10 already had one the day before.

11 DICK: Okay.

12 NICOLE: Okay?

13 DICK: Okay.

14 NICOLE: And he came in here. I remember

15 standing at the window. I was about to walk off. And

16 he looked up at me. But the expression he had on his

17 face made me even more suspicious again. Okay?

18 DICK: I understand what you're saying.

19 NICOLE: Then he leaves. Ten minutes later

20 we've got the whole place in bullets. I mean --

21 DICK: Nicole, all of us -- please. I am as

22 appalled about what happened as you are. You'll have

23 to believe that. I don't want to ever see anything

24 like this happen. I was not there. I'm with another

25 agency. They're --

NICOLE: You have, you have agents that have

1 left your agency for this very reason. Because they're
2 trigger happy.
3 DICK: From the FBI?
4 NICOLE: The BATF.
5 DICK: Well, see, again I'm not with the
6 BATF.
7 NICOLE: It's all the same thing.
8 DICK: Well, no, it isn't.
9 NICOLE: You're all lamb-like and speak like
10 a dragon.
11 DICK: That's like saying your religious
12 group -- that's like saying your group is the same as
13 every other religious group. And that's not true, is
14 it?
15 NICOLE: You're all under the same
16 government.
17 DICK: Absolutely. We all are under the same
18 God too.
19 NICOLE: Exactly.
20 DICK: And we're all under the same God. But
21 yet you have --
22 NICOLE: No, we're not all under the same
23 God.
24 DICK: Well --
25 NICOLE: But we're judged by the same God.
DICK: We, we all believe in a form of a God,

1 do we not? I mean most of us. Let's face it, most of
2 us do.
3 NICOLE: You don't know our God.
4 DICK: In the same fashion the FBI and the
5 ATF are not even under the same department in the
6 government. We're not even under the same department.
7 And I will tell you that all our respective agency
8 heads are just, just devastated by the way this thing
9 was handled on Sunday. We do not condone it. We do
10 not accept it. We will not accept it. And everything
11 that we do in not only ATF --
12 NICOLE: Dick.
13 DICK: -- but the FBI will be scrutinized so
14 that --
15 NICOLE: Dick.
16 DICK: -- make sure that doesn't happen
17 again.
18 NICOLE: I have a 1-year-old little girl.
19 DICK: Okay.
20 NICOLE: Okay?
21 DICK: What's her name.
22 NICOLE: Her name is Paigis (phonetic sp.).
23 DICK: Paigis?
24 NICOLE: Okay? And she hasn't had any milk
25 for 5 days.
DICK: Okay.

1 NICOLE: Okay, I'm doing the best that I
2 can --
3 DICK: You as a mother then should demand
4 that we, that, that David allow us to get that milk
5 into you then. They say they're no longer interested
6 in milk, because it came up 4 days ago, and because
7 it's there you no longer have an interest. It would
8 seem --
9 NICOLE: We have an interest.
10 DICK: -- to me that interest would be even
11 greater now.
12 NICOLE: Why don't you send it in?
13 DICK: We are prepared to send it in.
14 NICOLE: Well, just send it in. I don't know
15 what the big hold up is.
16 DICK: David, David is not agreeable to that.
17 NICOLE: He's not agreeable for you to send
18 the milk in.
19 DICK: Exactly.
20 NICOLE: I have nothing more to say to you,
21 Dick.
22 DICK: Well, I hope you're doing well. I
23 hope your child is doing well. And, and I hope that --
24 DAVID: Dick, listen to me.
25 DICK: I'm listening.
DAVID: The God that you do not understand in

1 the Book of Colossians, Paul talks about there are
2 those with fleshy minds who intrude into things that
3 they do not understand. Their fleshy minds puffed up.
4 Mankind has been separated from God, the realities of
5 God and the deep knowledge of God. God in his mercy
6 has said unto men messages and truth of things which to
7 the carnal mind would un (sic) be, would not be even
8 comprehended. The deep things of God. The mysteries
9 of God.
10 DICK: Um-hum.
11 DAVID: Now you don't know what you're
12 dealing with.
13 DICK: David, I'm just trying --
14 DAVID: No, listen to --
15 DICK: -- to deal with you as best I can.
16 DAVID: -- no, no, no, no. Okay. Well, I'm
17 going to deal with you the best I can. But let me tell
18 you something. You don't understand these children.
19 DICK: I know they need milk, and we're ready
20 to bring it.
21 DAVID: You don't know the reason for these
22 children. And the thing of it is you're sticking your
23 finger in a position that God's going to break your
24 finger off and shove it up your rear end. Now there is
25 not a power on earth greater than the power of God.
And the God that I speak of you do not understand.

1 You can go ahead, and you can listen to me
2 talk, and you can listen to me rattle. And you can
3 listen to me go line upon line, precept on precept,
4 here a little, there a little and show you all over the
5 book the comparisons of the same idealogy as the
6 prophets. But what you fail to understand is the fear
7 of that God who's going to back those words. Ezekiel
8 says there will come a time when there will be the
9 effect of every vision. Now you're going to be in
10 trouble.
11 And you know something, one of the greatest
12 things that's going to be done to people like you is
13 that for 100 years all the great men, the mighty men,
14 the wicked men of the earth are going to be hurled
15 together. And that's going to be your hell. You're
16 going to live in a world where pride and arrogancy
17 (sic) opinion and self is going to be predominant. And
18 you know what? There's people in the world that's been
19 bigger than you, more deceptive than you.
20 Now, I asked for you milk for the children.
21 They're neutral. And God is registering exactly
22 everything --
23 DICK: David, I understand they're neutral.
24 Send those kids out. They are neutral. Send them out.
25 DAVID: Hey. I told you my God said wait.
Now if you want to make a move, buster, go ahead and

1 make a move.

2 DICK: We -- David I'll assure you --

3 DAVID: Now --

4 DICK: -- that there is not going to be any

5 move made.

6 DAVID: Listen to me. It doesn't make any

7 difference to me at this point. Because like I said,

8 you're going to learn the hard way. And I got a gift

9 for you. You read Psalms 137 and let me remind you it

10 shall be filled upon you and your family to the letter.

11 Do you understand? Read this Psalm and try to observe

12 some wisdom. And that's from God.

13 DICK: David, you said you cared about me the

14 other day. And then all of a sudden now you're mad at

15 me. I don't understand why.

16 DAVID: Hey. You're getting me mad. And

17 that's all right --

18 DICK: Well, I'm not trying to.

19 DAVID: -- because in Psalms 2 you don't want

20 to kiss with me, then go ahead and make me angry.

21 Remember, it's just the Bible. If it's not true, you

22 have no fears. But if it's true, you have a great fear

23 to come upon you unlike you've ever known.

24 DICK: David, I read an article to, to Steve

25 and to Nicole with that, you know, is representative of

some of the stuff that people are saying. Can I give

1 you a minute to go over that with you? I want to show
2 you what people out there think about the government.
3 I know you're concerned that what the government did is
4 wrong.
5 OLIVER: Hello.
6 DICK: It is wrong. Listen to me. Listen to
7 what it said here in the Fort Worth Star dated the 7th.
8 An article from a fellow who suggests that the
9 February 28th raid on the compound by federal agents
10 was an attempt to suppress religion simply because its
11 members live communally. He goes on to say the
12 government has become a police state.
13 OLIVER: Hello.
14 DICK: He said the raid's violence which left
15 people dead and wounded was the fault of the
16 government. (Unidentified male voice in background not
17 discernible.) You attack a man's home, and he will
18 fight back. I think that that was a set up. Those are
19 things that people are saying publicly out there. So
20 there is that support for you, Dave. It really is.
21 There really is that support.
22 OLIVER: Hello.
23 DICK: And, and we need to get that, we need
24 to get that message out.
25 OLIVER: This is not Dave.
DICK: I'm sorry. Who do we have now?

1 OLIVER: This is Oliver.
2 DICK: What's your name, please?
3 OLIVER: My name is Oliver.
4 DICK: Oliver?
5 OLIVER: Gyarfas.
6 UNIDENTIFIED MALE SPEAKER: Oliver.
7 DICK: Spell that last name?
8 OLIVER: G-Y-A-R-F-A-S.
9 DICK: Okay. What can I do for you?
10 OLIVER: I'm Hungarian.
11 DICK: Okay.
12 OLIVER: Yeah, I have a sister here that has
13 a young baby.
14 DICK: All right. What is her name, and
15 what's the baby's name? (Unidentified voices in
16 background not discernible.)
17 OLIVER: Her name is Isha (phonetic sp.)
18 Gyarsas. She's my sister.
19 DICK: Okay. And, and she has a baby? What
20 age is the baby?
21 OLIVER: She's around 1, 1-1/2.
22 DICK: She needs some milk is what you're
23 saying.
24 OLIVER: Yes, she needs the milk. You know,
25 she's real hungry. She, she's dependent on it.
DICK: I absolutely am willing to get that

1 milk in to you. I've communicated that to Nicole,
2 Steve and David this morning a number of times.
3 OLIVER: She's also fixing to have another
4 one.
5 DICK: Well, what time is she going to do
6 that? I mean how far along is she?
7 OLIVER: It's quite soon. I'm not really
8 sure as to the date but, you know --
9 DICK: Okay. Well, let's get the milk in.
10 We're, we're willing -- you know. We're willing and
11 we're ready to do it.
12 OLIVER: Well, when? You know --
13 DICK: As soon as you get the children with
14 their coats on and send them out. (Unidentified male
15 voice in background not discernible.)
16 OLIVER: I don't, I don't think we can send
17 the children out, you know.
18 DICK: You know, David just told me that the
19 kids are neutral. That means that there is no reason
20 for the children to stay there. (Unidentified male
21 voice in background not discernible.) We've asked that
22 four children come out, and we will send in milk. An
23 adult will come out with them and take the milk back
24 in, and the children will be, will remain with us. And
25 we will ensure their safety and their, and their care
and their well-being. Your sister, please, have her

1 send one of her children out.

2 OLIVER: See we, we understand that. But at

3 the moment, we want to keep the kids. And while we're

4 keeping the kids we'd, we'd like some milk for the

5 kids, you know? I mean --

6 UNIDENTIFIED MALE SPEAKER: That's what you

7 want.

8 DICK: That's exactly what I want to do.

9 OLIVER: -- I'm sure we'd send them out

10 eventually. But you know, it's -- we, we want milk

11 right now, because they need it right now.

12 DICK: I understand. And we're ready to go

13 right now. We're ready to go right now. You have to

14 tell David and others -- and you guys sit down and talk

15 about this.

16 OLIVER: Believe me, we have.

17 DICK: Don't let somebody make your decision

18 for you.

19 OLIVER: Oh, no.

20 DICK: Talk it over amongst yourselves. Get

21 together with your sister.

22 OLIVER: Hey, if I wanted to leave, buddy,

23 I'd leave right now.

24 DICK: I'm not suggesting you'd leave at all.

25 Not at all.

OLIVER: I want to stay here with my family.

1 DICK: Great. Great. I feel, I feel happy
2 for you. However, those children are not old enough to
3 make that decision on their own, are they? You -- we
4 have to help one another out here. And we need some
5 show of your good faith and willingness to, to work
6 with us. And we're happy to do that.
7 OLIVER: We just want some milk. It's no big
8 deal.
9 DICK: The milk, the milk is ready.
10 OLIVER: We gave you money. We gave you
11 $1,000.
12 DICK: Listen, we're -- the money. You know,
13 we'll send the money back to you folks if you're
14 concerned about the money.
15 OLIVER: No, we want milk. We don't want
16 money. We want milk.
17 DICK: Well, no, that's not an issue then.
18 The money is not an issue. The milk we will have for
19 you. We have the milk for you.
20 OLIVER: Well, send it over for God's sake.
21 What's your problem?
22 DICK: Pardon me? Pardon me?
23 OLIVER: Send it over for God's sake.
24 DICK: We're ready to send it to you. You
25 know, I don't know how I can, I can tell you any -- you
know, we're ready. We're ready to go. It's here.

1 It's a demonstration of what we're willing to do for
2 you. But yet on the other hand, you're unwilling to do
3 anything for us.
4 OLIVER: We sent you a lot of kids, buddy.
5 We, we did send you, send you a lot of kids.
6 DICK: There are a number of kids that came
7 out. And is that something that we're supposed to be
8 happy about? It's these children --
9 OLIVER: Well, sure --
10 DICK: -- that we're interested in caring
11 for. I mean you, you think that's something, you know,
12 is that for me? Or I mean what it is it's for the
13 welfare of those children and the families.
14 OLIVER: Oh, yes.
15 DICK: You said -- David said that all of you
16 would come out if we allowed you to do certain things
17 which we allowed. We -- you, you put the tape
18 together. We didn't edit it. It got on national
19 television in its entirety. No editing. David assured
20 us that as soon as that was done all of you were coming
21 out. So we took David at his word.
22 OLIVER: Okay. There's someone else who
23 wants to talk to you, another mother. Okay?
24 DICK: Put, put her on.
25 [gap]
KATHY: Hello?

1 DICK: Good morning.
2 KATHY: Good morning.
3 DICK: Who is this?
4 KATHY: This is Kathy.
5 DICK: Kathy, how are you this morning?
6 KATHY: Just fine (indiscernible).
7 DICK: I hope you're doing better.
8 KATHY: I'm sorry?
9 DICK: I hope you're doing well.
10 KATHY: Well, I'm trying. It's hard with the
11 babies when they're hungry and crying for the milk
12 we've asked for.
13 DICK: Kathy, I'm a father of two children.
14 KATHY: Then you should understand.
15 DICK: I completely understand.
16 KATHY: Doesn't seem like it.
17 DICK: I understand your concern. And I will
18 agree. I want to get the milk in. I've told David
19 that. I've told Steven that. I've told that to
20 Nicole. I'll tell it to you. And, and the fellow I
21 just spoke with. I've told you all the same thing. We
22 have the milk. We'll, we'll get the milk in to you.
23 But --
24 KATHY: Oh, you have the milk. Good, good.
25 DICK: The milk we --
KATHY: Will we be expecting it today, then?

1 DICK: You will expect it as soon as you send
2 the kids out to us.
3 KATHY: As soon -- we don't need the milk to
4 send the kids out to you.
5 DICK: Pardon me?
6 KATHY: Not only that, but I don't really
7 want to send my child out to you. Know why? Because
8 you did not keep your promise. Those children were to
9 be sent to their homes with people they know, they're
10 familiar with. You go off, you keep them at some
11 house. I don't know where they are.
12 DICK: Kathy, they're all together.
13 KATHY: Cut off their hair. Oh, my God.
14 DICK: Kathy, that's completely in error.
15 One child asked to have his or her hair cut.
16 KATHY: One child asked to have his hair cut?
17 Which one?
18 DICK: I don't know which child it was. I
19 don't have the name. However, those children are being
20 well cared for. And there was some concern, and I'm
21 sure you had some concern, too, about how the kids were
22 going to be cared for. So rather than have somebody
23 accept my word, we got a videotape --
24 KATHY: Dick, Dick, Dick, Dick. Why did
25 Nahara have his hair cut?
DICK: Pardon me?

1 KATHY: Why did Nahara have his hair cut?
2 DICK: I have no idea. But you know what, I
3 will find that out for you. That's --
4 KATHY: Thank you. I would appreciate that.
5 DICK: We will do that. And please tell Sita
6 that we will find that out.
7 KATHY: Okay.
8 DICK: We'll be happy to. But Sita was
9 worried about her child having pork. And I've assured
10 her that that child is not having pork. You know --
11 KATHY: Good --
12 DICK: -- I know you folks are concerned
13 about the care of those kids. The only person that
14 will do a better job is the mother or the father. And
15 you have that option, but you're not going to exercise
16 that option. So --
17 KATHY: We, we really have no choice in that
18 matter --
19 DICK: Are you going to hold me --
20 KATHY: -- as far as your treatment, as far
21 as what you've done.
22 DICK: We are treating those children very,
23 very well.
24 KATHY: When you find out why Nahara got his
25 hair cut, please make sure you call us back and tell
us. We're very concerned.

1 DICK: I'm going to run that down certainly.
2 I'll --
3 KATHY: Good.
4 DICK: -- I'll find out. Kathy, I will have
5 the milk there for you. Please, talk among yourself
6 and, and let's work together on this. And, and you
7 folks get together. And the overriding concern in this
8 whole, this whole thing is for the care of those
9 children immediately.
10 KATHY: Okay, well, when you find out all
11 these things and when you get the milk sent out, please
12 call back, okay? Goodbye.
13 * * * * *
14 SCOTT: Hello?
15 DICK: Hello, this is Dick. Who's this?
16 SCOTT: Scott.
17 DICK: Scott, listen. I just wanted to let
18 you folks know, and I'm sure you have not forgotten.
19 But the daily press briefing that I know you have a lot
20 of interest in --
21 SCOTT: Um-hum.
22 DICK: -- is going to be on in short moments.
23 And we'll get back to you after the conclusion of that.
24 SCOTT: Okay.
25 DICK: All right. Very well.
SCOTT: Okay, bye.

1 DICK: Bye now.

2 * * * * *

3 DICK: We didn't do something right. We got

4 no ringing.

5 * * * * *

6 STEVE: Hello?

7 DICK: Hello?

8 STEVE: Hello?

9 DICK: Hello, Steve?

10 STEVE: Yes. Dick?

11 DICK: Can you hear me?

12 STEVE: Yes, I can hear you.

13 DICK: Okay, well, I can't hear you well.

14 STEVE: You can't?

15 DICK: How about now?

16 STEVE: Yeah, I -- you're fine. I can hear

17 you very plainly.

18 DICK: Listen, you've got a guy up in your

19 tower there with a balaclava on and cammy paint.

20 What's going on out there? You think this is a game?

21 STEVE: Listen. I don't even know what

22 you're --

23 DICK: Well, get --

24 STEVE: -- what's -- tell me what's happening

25 now?

DICK: I'm telling you that you've got a man

1 in cammy paint and a balaclava --

2 STEVE: Wait, what's -- I don't even know

3 what --

4 DICK: Camouflage paint.

5 STEVE: Okay, there's a guy with camouflage

6 paint and he's where at?

7 DICK: In your tower.

8 UNIDENTIFIED MALE SPEAKER: Upper left-

9 hand --

10 STEVE: Well, what do you mean there's a --

11 DICK: Upper left-hand window of your tower

12 in the center back side.

13 STEVE: And what is he supposed to be doing?

14 DICK: Well, the question is you think this

15 is a game? You think this is a game we're playing?

16 STEVE: I don't even know -- what are you

17 talking about, Dick? Make yourself plain. There's a

18 guy in the tower. What does that mean?

19 DICK: With camouflage paint as though he's

20 looking the area over and making some sort of a move on

21 something. Is that what you want to do?

22 STEVE: I don't -- now this is the first I've

23 even heard of it. I don't even know what you're

24 talking about. I'd have to go investigate.

25 DICK: Well, then you better find out what

we're talking about. You're the person in charge in

1 there, you and David. You better take care of these
2 kinds of things, and you better control those people in
3 there.
4 STEVE: Or what? Do you want to take us --
5 do you want to come in and take us out?
6 DICK: No. That's exactly what we do not
7 want to do.
8 STEVE: Okay, just relax a minute. Let me
9 find out what is going on.
10 DICK: You find, you find out --
11 STEVE: This is the first I've heard
12 anything. I don't even know what you're talking about.
13 DICK: You find out. It's the --
14 STEVE: Look, I'll call you back.
15 DICK: -- upper window on the tower. You
16 find out what --
17 STEVE: I'll call you back, Dick.
18 DICK: Very well.
19 STEVE: Okay, bye.
20 * * * * *
21 DICK: Hello?
22 STEVE: Hello, Dick?
23 DICK: Yes.
24 STEVE: I went and checked it out. Someone
25 was looking out the window. They might -- they had a
camouflage jacket on. Is that what you're talking

about?

DICK: And a balaclava.

STEVE: And a bottle of what?

DICK: A balaclava.

STEVE: I have -- what is a balaclava.

DICK: Well, you check with your people and find out what a balaclava is if you don't know what it is.

UNIDENTIFIED MALE SPEAKER: Hood.

STEVE: I have no idea.

DICK: It's a hood. It's a hood.

STEVE: It's a what?

DICK: It's a hood that goes over the face.

STEVE: We don't even have such a thing. I don't know where on earth you have that. There's a woman up there -- we got some jackets a long time ago. Some guy sold us some things. They were cheap like a dollar or so for the clothes. So the -- and they're 100 percent cotton. There's a woman up there that had a jacket on that is looking out the window.

DICK: Let me tell you something, Steve. I'm sitting here trying to work with you getting no cooperation from you --

STEVE: Are you, are you hearing me though?

DICK: And then --

STEVE: That's -- I'm telling you what it is.

1 I checked it out. That's exactly what it was.
2 DICK: Well, I'm glad you did. But let's
3 caution those people in there about those kinds of
4 things. We've got people out there that get concerned
5 when they see that kind of thing.
6 STEVE: See someone looking out the window?
7 DICK: No.
8 STEVE: No, no. You listen to me. We --
9 DICK: Making those kind --
10 STEVE: -- get concerned when you're on our
11 damn property and you have never come around and said
12 what you would do from the beginning. I am tired of
13 even dealing with you, Dick. I really am tired of it
14 day after day after day going on this merry-go-round
15 with you. Over and over again the same thing. Remove
16 your crap off our property, and we might get serious
17 with you like you originally said.
18 You call me threatening me because we have a
19 human being in our building looking out the window with
20 a bala what is it, whatever it is? You speak your
21 stupid, crazy language. I don't even know what you're
22 talking about. Don't accuse me and threaten me of
23 anything. If you want to take me out and take these
24 people out, do so. You don't believe in God. You
25 don't believe in the Bible. Try it and find out. I'm
anxious to see myself.

1 UNIDENTIFIED MALE SPEAKER: See if they
2 believe in God.
3 STEVE: See if you believe in a God. I know,
4 I really know you don't.
5 DICK: You think you're the only one that
6 talks to God out there?
7 STEVE: I have never said that, Dick. But I
8 mean these, the way your manner has been round and
9 around, we've only -- we've been so clear about things
10 from the beginning with you --
11 DICK: If anything that you have been clear
12 about --
13 STEVE: -- you guys, you have not complied --
14 no, no, no. You have not complied from day one with
15 having your vehicles on our private property which you
16 agreed to. You agreed to that, Dick, you and your
17 people there. And still they wander around, and you've
18 got the audacity to call me up because a human being is
19 looking out a window when you've got guys in our
20 automobiles, moving our motorcycles, doing things that
21 you never called me about.
22 You know what I want to say to you? And I'm
23 trying to hold back. Because I still love you and your
24 soul and those people down there. I do want to
25 communicate with you. We all do. But what is this
one-sided business, Dick? Let's start being real

1 serious.

2 DICK: That's our point.

3 STEVE: No, no, it is not your point. You

4 start looking at what and then -- and you're recording

5 everything. You look to hear what you're saying. It

6 becomes very redundant when you're repetitively saying

7 the same thing -- (unidentified male voice in

8 background not discernible) --

9 DICK: Listen --

10 STEVE: Listen. And you're evading your

11 statements. You asked me to look at that press

12 conference. I did. It made me sick also.

13 DICK: Listen, when you fired on federal

14 officers, you lost some of your private property

15 rights.

16 STEVE: No, when they fired on human beings

17 that are to be protected by this very government which

18 is for the people, by the people. They should be stuck

19 in jail right now. That investigation should -- just a

20 minute. Here's David.

21 STEVE TO DAVID: He says we lost our rights

22 when we fired on them.

23 DAVID: Now, Dick, let me say something. You

24 think the only people in this organization is here at

25 this camp? You ask Robert Gonzales what I told him,

what I've told everybody else. I've gone all around

1 this world ever since 1985. We're not the only people
2 that believe this message.
3 DICK: David, you're not the only one that
4 listens to God either.
5 DAVID: No. Let me tell you something. My
6 God has seven seals. Your God does not. You do not
7 know the seven seals. You therefore are out of rank
8 with the living God. And this nation is going to learn
9 of a living God. As little David of old went before
10 Goliath, I stand before you. You and this nation's
11 going to learn there's a God in heaven. He has a
12 truth, and just because you wish to evade it, just
13 because you do not know the fear of the Lord does not
14 mean you're going to be without responsibility. You
15 are going to pay.
16 Now keep your press conferences going. Keep
17 communications going. But remember, I'm telling you
18 there's a lot more of us than you know. A lot more
19 than you realize.
20 DICK: What is that supposed to imply?
21 DAVID: That implies you go ahead and you do
22 with us what you feel. You go ahead and tell the press
23 what you want.
24 DICK: We're trying to --
25 DAVID: Because that's what you're doing.
DICK: -- communicate to you in part --

1 DAVID: And I am trying to communicate with
2 you. Everything I've said you've got recorded. Now
3 you -- I suggest to you you review in the fear of God
4 very prayerfully what I've shown you all over that
5 scripture, all over that Bible.
6 DICK: Listen, David, we're going to work
7 together to resolve this issue. We are --
8 DAVID: Oh, you, you --
9 DICK: -- going to do that.
10 DAVID: -- we, we referring to you and who
11 else there?
12 DICK: No. That we meaning we here and you
13 in there are going to work together to resolve this
14 issue. And the sooner that we agree on that, the
15 sooner we're going to get it resolved appropriately
16 with --
17 DAVID: Do not call us up and tell us that
18 someone is looking out the window. We have the right
19 to look out. This is God's world. His sun is shining
20 outside. We can look out if we want to.
21 DICK: I did not tell you to look out the
22 window. I said take care in the manner in which you do
23 that so nothing --
24 DAVID: Right. You fire on us --
25 DICK: So that nothing happens.
DAVID: -- you fire on us and it starts.

1 DICK: There is no firing going to be done.
2 DAVID: Okay. So you don't have to warn us
3 about looking out the window then.
4 DICK: I am telling you that the safety rules
5 need to be followed. We talked --
6 DAVID: Okay. So follow them.
7 DICK: -- about that. You understand them.
8 We understand them.
9 DAVID: Follow them.
10 DICK: And as long as we both understand
11 them, there will be no problem.
12 DAVID: Follow them then, Dick. Okay?
13 DICK: Do we agree? They're -- the safety
14 rules --
15 DAVID: We agree.
16 DICK: -- are going to be followed. Is that
17 correct?
18 DAVID: Mine and yours.
19 DICK: Absolutely. There will be no
20 problems. But we'll work together with one another to
21 ensure that does not happen.
22 DAVID: Are you worried about dying, Dick?
23 DICK: Am I worried about dying?
24 DAVID: Yes.
25 DICK: Not today or tomorrow, now.
DAVID: Okay. That's good. We share the

1 same.

2 DICK: Well, then let's get this worked out

3 between us and ensure that there is no further injury

4 to anybody on either side. And to do that --

5 DAVID: Well, then why are you calling us up

6 now? What's the nature of this call?

7 DICK: The nature of the call is to --

U.S. DEPARTMENT OF THE TREASURY
BUREAU OF ALCOHOL, TOBACCO & FIREARMS

TAPE #80

3/7/93
12:36 A.M. - 3:16 P.M.

(Tape 80)

DICK: -- we must communicate with one another.

DAVID: So in other words every time we look out the window we have to call and tell you?

DICK: No, that is not what you have to do. However --

DAVID: Are you saying that someone was looking out the window with a high-powered rifle scoped in on one of your men? Is that what you're saying?

DICK: No. But there is some concern that given what had happened there if people are wearing camo paint -- you know what camo paint is, do you not?

DAVID: Yes, I do.

DICK: All right. We're concerned when we see people wearing balaclavas on a nice day like this looking out the window with black face paint on.

DAVID: Well, what's wrong with that?

DICK: Well, what does that indicate to you?

DAVID: It indicates war, Dick.

DICK: Well, that's not what we want. And that's not what you want.

DAVID: Okay. Then why are you bringing this military equipment here for war? Why did the ATF agents come in here after I had been --

DICK: For the safety of all parties

1 involved --

2 DAVID: No. For the safety of themselves so

3 they could come in, push around a bunch of people, kick

4 people down on the ground and exalt about it the next

5 few days about how they pushed American citizens

6 around. That's going to stop, Dick.

7 DICK: I read to you this morning --

8 DAVID: Do you understand me?

9 DICK: -- what the press, what the response

10 was.

11 DAVID: This is just the beginning, Dick.

12 There's a lot more of us than you realize, Dick.

13 DICK: I understand what you're saying,

14 David. But let's end --

15 DAVID: You do not understand.

16 DICK: -- let's end it now that's still --

17 DAVID: Mr., Mr. General Public is also

18 watching too.

19 DICK: Absolutely. I read you an excerpt

20 from a, from a article this morning concerning the

21 people in the public that are, are concerned and are

22 watching. And they support the fact that your

23 contention that the government was at fault. There are

24 a lot of people that understand that --

25 DAVID: I am saying --

DICK: -- an would agree with you.

1 DAVID: I'm not saying that the government at
2 large is at fault. I am saying that the government
3 which is supposed to be of the people, for the people,
4 by the people are ignorant that there are certain
5 powers in the hands of certain individuals who are not
6 responsible enough to hold those positions.
7 DICK: Then take the opportunity to explain
8 that.
9 DAVID: I am going to as soon as I get my
10 message --
11 DICK: Well, then we're in agreement. We
12 agree on that, do we not?
13 DAVID: Now -- yes. So stop calling us up
14 and making these bogus and very silly and stupid
15 offers.
16 DICK: Let's follow the rules for our --
17 DAVID: The babies are innocent. Now --
18 DICK: Absolutely.
19 DAVID: -- send the milk for the babies.
20 DICK: Let's -- absolutely. We're ready to
21 go. You send the kids out as we have agreed and what
22 we talked about, and the milk will get in.
23 DAVID: We never agreed to that. You agreed
24 to that. I did not agree to that. You agreed to that.
25 DICK: Well, let's agree to it then. Let's
agree to it then.

1 DAVID: Absolutely not. You send the milk
2 for the --
3 DICK: Let's get it done.
4 DAVID: Look. Three children ago we agreed
5 on the milk. You've lied three children ago.
6 DICK: There was no lie.
7 DAVID: Mark -- yes. Mark was the one that
8 we agreed on the milk. Jim says I'll see what we --
9 DICK: That is absolutely untrue. David,
10 listen. Don't --
11 DAVID: Oh, it isn't. I'm a liar then. We
12 can't do nothing I say.
13 DICK: Don't put words in my mouth. I will
14 not put words in your mouth. Let's have mutual respect
15 for one another. I will listen to you. You will
16 listen to me. Is that agreed?
17 DAVID: To a degree.
18 DICK: Let's talk. Let's get this done.
19 DAVID: What is the talk accomplishing?
20 DICK: Let's get off, let's get off the
21 center mark here. We'll get the milk in to you. You
22 send kids out.
23 DAVID: You stated on the TV, you stated on
24 the TV that you offered us the milk and we refused it.
25 DICK: That's exactly true.
DAVID: Oh, it is. Oh, wait a minute.

1 DICK: We offered you -- I am offering you
2 once again the milk. Right here and now I am offering
3 you the milk.
4 STEVE: We heard such a one-sided thing. You
5 never brought in how it was part of a negotiation, that
6 it was a part of a bargaining process, an exchange.
7 It, it came -- hello, Dick?
8 DICK: I'm here.
9 STEVE: Okay. You know yourself it came
10 across loud and clear like you were offering to us but
11 for some crazy reason we rejected it. Over and over
12 again --
13 DICK: You reject our terms. Did you not
14 reject our terms?
15 STEVE: That was not made clear that it was
16 terms or anything else. It was --
17 DICK: Absolutely. It was very clear to me.
18 STEVE: I listened to this very well.
19 DICK: I watched the same thing you did. I
20 watched the same thing you did, and it was very clear
21 to me.
22 STEVE: The, the -- in fact, breaking that
23 whole session down, the connotations that were given
24 and a lot of phrases that were made I was, I was
25 amazed. It seems like it is breaking down just by the
very person Bob Ricks the way he was speaking.

1 Sometimes he came through okay. Show complete
2 honesty --
3 DICK: Show us a sign, Steve.
4 STEVE: -- in regards to these negotiations.
5 DICK: Show us a sign that you care one iota
6 about what we're trying to --
7 STEVE: We have --
8 DICK: -- accomplish here.
9 STEVE: -- Dick, haven't we have been?
10 DICK: Show us one sign. Show us one sign.
11 STEVE: Haven't we been by sending out
12 children and all the rest?
13 DICK: When did you send out your last child?
14 DAVID: Not because (indiscernible).
15 STEVE: And that -- that's right. And that's
16 not even because you asked. It's because David
17 originated the thing to begin with. Is that --
18 DICK: Fine. I am --
19 STEVE: -- not true?
20 DICK: -- asking now and I have been asking
21 for several days as has John Cox. Let's get together.
22 Send those children out. We'll send the milk in.
23 We'll get that resolved on the television next time
24 around --
25 STEVE: Can I ask you? You be frank with me
now. What was the reason for you calling me up over

1 such a thing with that kind of a spirit and --
2 DICK: Because --
3 STEVE: -- tell me what that was about.
4 DICK: -- I will tell you. Okay, would you
5 listen to me? I've told --
6 STEVE: I am listening.
7 DICK: -- you that before.
8 STEVE: I am listening.
9 DICK: We have people outside as you well
10 know. These people are somewhat exposed at times, all
11 right? They're concerned about their safety on the
12 outside as well as you're concerned about your safety
13 on the inside. When someone goes to a window with a
14 balaclava which you were not familiar with. I will
15 explain that --
16 STEVE: We don't have, we don't have such a
17 thing by the way. That is wrong. It's incorrect.
18 Take a picture and show it and send it to me.
19 DICK: And -- well, how about black paint on
20 the face?
21 STEVE: No black paint on the face. You're
22 looking at a dark-skinned woman that was looking out a
23 window.
24 DICK: A dark-skinned woman --
25 STEVE: That's correct.
DICK: -- looking out the -- in camouflage?

1 STEVE: No, that had a camouflage jacket on.
2 DICK: I will relay that to those folks who
3 made the report.
4 STEVE: The excitement of you who's in a safe
5 place. These people are in Bradleys, and they're
6 reporting such things, someone looks out. I mean
7 incredible.
8 DICK: Well, what are you reporting to us?
9 Did you not report to us --
10 STEVE: Everything. We, we were getting
11 back --
12 DICK: -- things that concern you?
13 STEVE: -- remember how this morning how I
14 talked to you about bringing some kerosene in for
15 heaters, because there was a chill. It was cold. We
16 had run out.
17 DICK: I heard you talk about, yeah.
18 STEVE: Yes. And you didn't respond to that.
19 I was waiting for you to call back after that session
20 and we pick up to where we were.
21 DICK: It was not --
22 STEVE: And instead of you calling back with
23 something of substance, you're calling back with
24 something that is so foolish. Here are full-grown
25 military men in armor, iron clad vehicles, and they're
concerned about someone's face looking out the window

1 with a bala whatever it is on their face. In the first
2 place it's not even true.
3 DICK: Would you have us just stand out there
4 on the road? Is that what you would prefer that we
5 did?
6 STEVE: Did I say anything like that?
7 DICK: Okay. Then understand what those
8 Bradleys are for.
9 STEVE: Don't we show -- aren't we showing a
10 lot of trust with yourself, because we're not squawking
11 and screaming like these people are constantly?
12 DICK: (Unidentified male voice in background
13 not discernible.) Listen, the Bradleys will remain
14 there with the people in them for protective. Okay,
15 for protective reasons.
16 STEVE: Have I said any --
17 DICK: All right?
18 STEVE: -- and did I ever say anything about
19 that, Dick?
20 DICK: Yes, you did.
21 STEVE: No, only from what Jim --
22 DICK: We have talked about that at length
23 over the last 2 days.
24 STEVE: Only from -- hey, Dick, but only from
25 what Jim gave us from the beginning. And in fact it
was conversations in the beginning right after that one

1 which had said --

2 DICK: Things -- Steve, things are fluid

3 here, all right? We make -- we do certain things as a

4 result of what you do or do not do. We will continue

5 to do that to ensure our safety. We are trying to

6 ensure your safety as well.

7 STEVE: And you should -- that's why I have

8 reiterated to you, Dick, that our concern for your very

9 people -- we do not -- we didn't fire first that time.

10 And this time watch and see what happens. Never have

11 we ever attempted to take human life. We are the ones

12 that wanted these guys to get out of here safely to a

13 hospital. Not only did we agree with them, we were

14 amazed at how slow they were coming on and taking off

15 the wounded. Just a moment. Here's David.

16 DAVID: I was talking with some of the guys.

17 DICK: Okay.

18 DAVID: Did you know there was three of your

19 agents that were being held at gunpoint? Did you know

20 that?

21 DICK: Three of the ATF agents?

22 DAVID: Yeah, one guy -- yes. One guy, 6'3",

23 was crying please, don't shoot. Don't shoot. And the

24 guys --

25 DICK: What, what are -- what point are you

making there?

1 DAVID: And, and the guys did not shoot him.
2 DICK: Well, I, I --
3 DAVID: Now did you know that Wayne, did you
4 know that Wayne faced one of your ATF agents too.
5 These guys were scared to death.
6 DICK: You think our agents didn't or the ATF
7 agents didn't face some of your people?
8 DAVID: Oh, I know they did. They tried to
9 shoot them.
10 DICK: Let's face it.
11 DAVID: They tried to shoot them.
12 DICK: Both sides were concerned, confused
13 and probably scared.
14 DAVID: No, no. We weren't confused, and we
15 were not scared, no. The women were the ones taken by
16 surprise.
17 DICK: Well, listen, listen. If you were not
18 scared --
19 DAVID: Now look --
20 DICK: -- when somebody is firing at you
21 then, then, you know, you're, you're an unusual person.
22 DAVID: Hey, I was the one that went -- I was
23 the one that went to the door, remember? I was the one
24 that first met them all. I was the one first fired at
25 several times.
DICK: Fine. All right.

1 DAVID: You like to -- that's all right.
2 Okay, cool. Now --
3 DICK: No, I'm saying I will believe you.
4 DAVID: Okay, here's the thing.
5 DICK: Tell me that.
6 DAVID: Here's the thing. That agent that
7 shot me, you see what I'm saying, the only reason why
8 he --
9 DICK: Okay.
10 DAVID: -- he shot me was because I was going
11 to say something to him, and he wasn't fired upon.
12 DICK: All right.
13 DAVID: Otherwise, he would have never shot
14 me. You don't seem to understand our appreciation for
15 life --
16 DICK: David, make that point.
17 DAVID: -- or our love for souls.
18 DICK: David, if you have a self-defense
19 defense, then make that case. Make that case.
20 DAVID: I'm going to.
21 DICK: That's all we want you to do. And
22 that's what we've been telling you for several days.
23 DAVID: You want me to come out.
24 DICK: Absolutely.
25 DAVID: I told you I'm going to come out. My
problem is -- your problem is you don't understand that

1 there's a chain of command here. You don't --
2 DICK: The question is, David --
3 DAVID: -- where I got this information from.
4 You do not believe. You are not a believer in the
5 spirit of prophecy.
6 DICK: David, you gave us your word that you
7 would leave that compound --
8 DAVID: Yes. Now you take it up with God.
9 DICK: Listen to me now. Listen to me. You
10 told us that you would leave that compound with all the
11 folks out there --
12 DAVID: Immediately.
13 DICK: -- after you were allowed to make a
14 broadcast over the Christian Broadcast Network.
15 DAVID: That's exactly what I said. I agree
16 with you.
17 DICK: Now did you break your word? Did you
18 break your word?
19 DAVID: Yes, I broke my word. Did you break
20 your word?
21 DICK: No.
22 DAVID: Yes, you did.
23 DICK: We followed up --
24 DAVID: Oh.
25 DICK: -- as a result of your non-compliance.
DAVID: Now --

1 DICK: Did we not?
2 DAVID: No.
3 DICK: Now answer me that question?
4 DAVID: Wrong.
5 DICK: Did you agree to come out?
6 DAVID: Wrong. Yes.
7 DICK: You just told me you agreed to come
8 out.
9 DAVID: Yes. Now you want to start twisting
10 words and start getting nowhere? You want to play the
11 rubber band word routine? (Unidentified male voice in
12 background not discernible.) Now my God stated to
13 wait. Things are being developed at this very moment.
14 Okay?
15 DICK: Things are being developed by the law
16 enforcement community here at the same time. You
17 understand that?
18 DAVID: I do understand that.
19 DICK: Well, you better understand it, David.
20 DAVID: I do.
21 DICK: Because we got to work out a
22 resolution to this.
23 DAVID: You big boys do what you got to do,
24 and we'll do what we have to do. All right?
25 DICK: Let's --
DAVID: If you don't want to sit and wait

1 like I asked, then make your move.
2 DICK: We're working together. Nobody's
3 going to make a move. But you're going to have to work
4 with us. We're going to have to work together to get
5 this resolved safely.
6 DAVID: Look. The talk is becoming vain. I
7 told you I am ready and willing to come out. You do
8 not understand me. You do not understand what I'm
9 saying. You do not believe me. I've already sent
10 children out to you. I made that move. You did not
11 require --
12 DICK: You told me that the children are
13 innocent, do you not this morning?
14 DAVID: Oh, sure they are.
15 DICK: Then let's send them out. Let's send
16 them out of that house right now.
17 DAVID: No.
18 DICK: Let's send them out.
19 DAVID: So just --
20 DICK: You're telling me the children are
21 innocents --
22 DAVID: So they are.
23 DICK: -- but yet you want to keep them in
24 there?
25 DAVID: Look, I'm keeping --
DICK: What is the purpose for that?

1 DAVID: Hey, none of your business.
2 DICK: Well, give me a reason for it.
3 DAVID: I don't have to.
4 DICK: Give me a reason. Give me --
5 DAVID: I don't have to.
6 DICK: -- give me a cogent reason for those
7 kinds of things.
8 DAVID: I have right to remain silent.
9 Anything I say can and will be held against me in a
10 court of law. There is my Miranda rights.
11 You, you people just are so arrogant, so
12 proud and so foolish. Why don't you learn the
13 everlasting gospel? Why don't you believe Revelation
14 14? Why don't you fear God and give him glory? Know
15 what his judgment is? His judgment is he gave a book
16 to his son. Why don't you believe that? Then you know
17 the other part about Babylon is fallen. Your confusion
18 would be gone. If you were to look at Psalms 2, you'd
19 realize who you're fighting against.
20 DICK: David --
21 DAVID: Now look at --
22 DICK: -- you're not the only one that
23 believes in God or a God, all right?
24 DAVID: No, no, no. I'm the only one that
25 has the proper understanding of God and the light of
the seven seals. Now contend with me on that. What's

1 the third seal? Where is it found? Tell me. Come on.
2 You got the prophecies there in front of you. You got
3 the Bible. Where's it at?
4 DICK: I'm not going to argue about the seals
5 with you.
6 DAVID: Okay. Okay. Now look. You're --
7 I'll give you an honest opportunity before God blows
8 your rear-end away. You get on the phone. You call
9 Vatican. You call everywhere you want to in the world.
10 You find a priest. You find a teacher. And you tell
11 him to tell you and show you where the third seal is.
12 DICK: David --
13 DAVID: Then I'll send you out another child.
14 DICK: -- listen. The seals are all well and
15 good. And we will deal with --
16 DAVID: You don't know what they are.
17 They're, they're evil against you though.
18 DICK: David, you can tell me about that.
19 DAVID: They're going to destroy you and
20 punish you with immense torments. They're good for us.
21 Bad for you though.
22 DICK: David, let's get those innocent
23 children out of there.
24 DAVID: Okay. Call me up and show me where
25 the third seal is, and then I'm going to send you more
children out.

1 DICK: David, I told you that I am not in a
2 position --
3 DAVID: Oh, what? Oh, so you don't want to
4 take up God's little task here, huh?
5 DICK: It's not -- that's not the point.
6 DAVID: Father, it looks like you're going to
7 have to do your work.
8 DICK: That is not the point, David.
9 DAVID: Oh, it is the point where I come
10 from. You may not fear God. You may not fear his
11 judiciary. You may laugh and scoff at his judgment.
12 DICK: David, I have never done that in all
13 the conversations we had.
14 DAVID: Yes, you are doing that right now my
15 friend. And you need to understand. That's what
16 you're doing. And you're starting to make me mad. Now
17 why don't you read Psalms 2 one more time. Let's try
18 to calm down --
19 DICK: David, do you respect what I'm trying
20 to do with you, for you?
21 DAVID: I respect nothing of you. Because
22 you have not deserved such respect.
23 DICK: You don't believe that I have
24 represented you --
25 DAVID: You do not respect what I'm trying to
do for you, do you? You don't respect what I'm trying

1 to do for you, do you?

2 DICK: David, I hear what you're saying.

3 DAVID: But you do not perceive it. Just

4 like Isaiah the prophet said. Having ears you hear

5 not, and having eyes you see not. A fat hard that's

6 put you to sleep. Hey, you need to read Isaiah 28 too.

7 It's a good prophecy about the drunkards.

8 DICK: David, I'm going to give you what my

9 understanding of the third seal is. And I want you to

10 get the kids in their coats and send them up the

11 street, and I will tell you what my belief concerning

12 the third seal is.

13 DAVID: I don't want your opinion. Give me

14 the prophetic fact.

15 DICK: The black horse and the rider. All

16 right? I'm going to give you part of it. You send

17 those kids out, and I will go into detail with the rest

18 of it. The measure of wheat for a penny. Three

19 measures of barley for a penny. Hurt not the oil and

20 the wine. Revelation 6, verses 5 and 6. Get those

21 children together, and send them out the door.

22 DAVID: That's your interpretation?

23 DICK: (Unidentified male voice in background

24 not discernible.) That is the third seal. My

25 understanding is based on some of the things that you

told us and some our examinations of Revelation 6,

1 verses 5 and 6. Now if I am in error or if I am in
2 wrong that may be in part. However, we are making an
3 effort to determine what those are and to listen to you
4 and to deal with what those things that you're telling
5 us about.
6 In turn, I expect you to get those children
7 together and send them out as we have agreed. I have
8 done what --
9 DAVID: You keep saying as we have agreed.
10 DICK: You suggested --
11 DAVID: Where is the third seal found?
12 DICK: Revelation 6, verses 5 and 6 is a --
13 DAVID: (Making interruptive noise.) That
14 seal must be a mystery of God he declared to the
15 prophets. Where in the rise of the prophets is it
16 found?
17 DICK: David, I'll be glad -- I'll be very,
18 very glad to talk with you about that, okay? I'm not
19 an expert on this.
20 DAVID: Steve, I think it's going to be
21 time --
22 DICK: David, I'm not an expert on this.
23 I've admitted that to you.
24 DAVID: I know. And because you're rejecting
25 knowledge, God's going to reject you.
DICK: David, I don't reject any knowledge.

1 A person would have to be a fool to reject knowledge,
2 would they not?
3 DAVID: Look. Let's hang up and let's calm
4 down.
5 DICK: We'll talk about it.
6 DAVID: And you call me back --
7 DICK: We'll talk --
8 DAVID: -- a little bit later, all right?
9 DICK: We'll talk about it. Now listen --
10 DAVID: Because --
11 DICK: -- we talk about --
12 DAVID: -- I'm also human too.
13 DICK: I understand. And we talk about the
14 third seal, and you're going to let some children leave
15 the compound. Is that correct?
16 DAVID: You are going to show me the third
17 seal, and I will let some children leave the compound.
18 DICK: David, how am I going to accept from
19 you that what you say that -- (unidentified male voice
20 in background not discernible) -- in other words, I
21 tell you what the third seal is or what we believe the
22 third seal might be. But then you're going to say no,
23 that doesn't -- just like you did before. No --
24 DAVID: No, no, no. I never did that.
25 DICK: That's not, that's not the definition.
That's not my explanation. That's not God's

1 explanation. And then --

2 DAVID: It's self-obvious. It's in the

3 prophesies. It's obvious.

4 DICK: David, what's obvious to you may not

5 be obvious to others.

6 DAVID: Hey. Psalms 45 is obvious. That's

7 the first seal. It's obvious. Even you know that.

8 The same king, the same crown, the same bow.

9 Everything in Psalms 45 is the same as the first seal.

10 That's obvious. The second seal, the man on the red

11 horse. Hey, Zechariah's prophesy, the man on the red

12 horse. The same truth. The same seal.

13 DICK: They shall kill one another. He was

14 given a great sword.

15 DAVID: Yeah.

16 DICK: Great horse rider power was given to

17 him --

18 DAVID: But that revolved, that revolves

19 around --

20 DICK: -- to take peace from the earth.

21 DAVID: -- that revolves, that revolves

22 around Zechariah Chapter 1 and 2.

23 DICK: David, when I try to understand what

24 you're saying, you reject that out of hand. All right?

25 DAVID: I'm going to reject your opinions.

But when you're showing me right out of the Bible,

1 reading it word for word, I'm going to accept it.
2 DICK: Hey, I'll be happy to read whatever it
3 is that you feel that will help me understand this from
4 the Bible. I will do that. There, you know, I'm not
5 disagreeing with that. I don't --
6 DAVID: Look.
7 DICK: -- want to reject knowledge at all.
8 DAVID: Let's unwind. Your voice is becoming
9 monotonous. Let's give it a fair chance. Sit back.
10 Take control of yourself. Sit down. Sit with those
11 other wise men of yours. And let's find that third
12 seal.
13 DICK: David, I will agree to sit down and
14 talk if you will agree to sit down and do the same
15 thing with the folks out there. Okay?
16 DAVID: I am.
17 DICK: I explained --
18 DAVID: I already told you you could talk to
19 the women.
20 DICK: I know. I know.
21 DAVID: It's not -- there's a lot of women
22 here who want to talk to you.
23 DICK: I know that. But I'm, I'm suggesting
24 that you talk together about the mutual welfare and,
25 and concern that you have for your children out there.
DAVID: Look. You either are going to comply

1 with our small requirements --

2 DICK: I'm going to look. I'll give you my

3 word.

4 DAVID: Or, or, or --

5 DICK: I'll give you my word on that.

6 DAVID: -- you're going to come in here and

7 try to blow us up.

8 DICK: We're not going to do that.

9 DAVID: Look.

10 DICK: So we can start from that premise.

11 DAVID: You're going to try.

12 DICK: We're not going to do that. We're not

13 going to try to do that. We can agree on that. And

14 I'll call you back shortly with -- and we'll get

15 together again.

16 DAVID: And there's some girls that want to

17 talk to you.

18 DICK: I'll be happy --

19 DAVID: They, they want to give you a piece

20 of their mind.

21 DICK: I'll be happy to talk with them.

22 DAVID: And you can do what you wish to. You

23 can talk with them and, and, you know, convince them

24 that they need to come out. And if they desire to,

25 it's fine.

DICK: Well, kick --

1 DAVID: But right now, right now they're
2 really interested in those 6 gallons of milk.
3 DICK: Okay. David, please, do me a, do me a
4 favor at the same time. You talk amongst yourselves
5 and determine if you think that the welfare of these
6 children and the milk is worth some consideration. And
7 I'll get back to you shortly.
8 DAVID: It's always been. It's the chief
9 one.
10 DICK: Okay. I'll, I'll get back to you on
11 it then. Okay?
12 DAVID: All right.
13 DICK: All right. Bye now.
14 * * *
15 STEVE: Hello?
16 DICK: Hello, Steve. Dick.
17 STEVE: Yeah, Dick. How you doing?
18 DICK: May I speak with David, please?
19 STEVE: Just a minute.
20 [gap]
21 STEVE: Totally out cold.
22 DICK: Well, wake him. I've -- he's
23 suggested that he would talk to me as soon as I did
24 some looking at the third seal and spent some time
25 trying to understand and define the third seal. I've
done that. It's been a couple hours, and I would like

1 you to ask him to, to go ahead and talk with me,
2 please.
3 STEVE: I'll try to wake him but, you know,
4 I'm not going to shout or scream or anything. But I
5 will try. I'm looking right at him. He's, he's
6 definitely out. Just a minute.
7 DICK: Well, he -- I'm doing this at his
8 request.
9 STEVE: Just a minute. (David and Steve
10 speaking in background, not discernible.)
11 [gap]
12 STEVE: Okay. What have you found on the
13 third seal?
14 DICK: Well, I need to communicate this to
15 David.
16 STEVE: Why to him?
17 DICK: Well, because he's the one that asked
18 me to do it. And he told me that he would talk with me
19 and then --
20 STEVE: He said he would, he would talk with
21 you?
22 DICK: He did. And that once we were able to
23 resolve this third seal that he would send out
24 children.
25 STEVE: He wants to talk to you, because
you're the one that told him that.

1 Here he is. Hang on, Dick.
2 DAVID: I'm here.
3 DICK: David.
4 DAVID: Yeah.
5 DICK: Dick.
6 DAVID: Go ahead.
7 DICK: I spent some time at your request
8 looking at this third seal.
9 DAVID: All right.
10 DICK: And I believe your question to me is
11 what is the third seal and what is -- what does the
12 third seal represent?
13 DAVID: Where is it found in the Bible?
14 DICK: And it's my understanding that once --
15 that you're going to send some children out once we get
16 this, once we discuss this at some length. Is that --
17 DAVID: Uh-huh.
18 DICK: -- is that -- that is the agreement
19 we're talking about, is it not?
20 DAVID: Yeah, where is it found.
21 DICK: And I appreciate your getting up. I
22 know you're tired, but I appreciate your getting up
23 and, and helping me out with this thing.
24 DAVID: Okay. Go ahead.
25 DICK: All right. We're -- the third seal
we're talking about a famine condition that could be

1 brought on the Roman empire as a result of their
2 persecution of the Christians in Asia Minor. We're
3 dealing with a black horse and rider.
4 DAVID: Dick --
5 DICK: It has to do with possibility of
6 famine and that people should, should measure out their
7 wheat and that the days' wages --
8 DAVID: Dick. You know, I love you guys so
9 much. But would you like me to share with you what the
10 third seal is?
11 DICK: Certainly. But David --
12 DAVID: (Indiscernible.)
13 DICK: -- do I have your agreement, do I have
14 your agreement that once we share this information with
15 one another I will, I will give you what I, I've tried
16 to determine and tried to find out. And I will listen
17 to your representation.
18 DAVID: Now, wait a minute. Here, turn the
19 light on, sweetheart. Thank you. Where's my Bible at?
20 I'm going to -- got your Bible there, Dick?
21 DICK: Yes, I do.
22 DAVID: Okay. Did you ever get in touch with
23 Robert?
24 DICK: No. We have not been in touch with
25 Robert.
DAVID: Wait one second here, all right?

1 (David speaking in background, not discernible.)
2 [gap]
3 DAVID: Okay. You know, this is the most,
4 this is the most profound and awesome riddle the world
5 has ever received, isn't it?
6 DICK: Yes, it is.
7 DAVID: And you know it's -- and the end of
8 the world ends on this riddle, you know? Okay.
9 Let's -- let me remind you. In the third chapter of
10 Revelation, Christ talks to the church of Philadelphia.
11 And he tells them that he has the key of David, right?
12 DICK: Yes.
13 DAVID: He can open and none can shut, right?
14 Now if it's true that in Chapter 10 of Revelation when
15 Christ comes down as the mighty angel there's a mystery
16 to his coming. He cries as when a lion roareth.
17 There's the symbol, Lion and tribe of Judah, right?
18 And he utters seven thunders, doesn't he? Seven
19 thunders uttered their voices, right?
20 DICK: David, what verse are we reading,
21 please? Let me follow along with you.
22 DAVID: Oh, okay. In Chapter 10 of
23 Revelation.
24 DICK: Chapter 2 of Revelation.
25 DAVID: Ten. Chapter 10.
DICK: I'm sorry. I'm sorry. I

1 misunderstood you. Chapter 10 of Revelation.
2 DAVID: Chapter 10, yeah. I'm trying to wake
3 up here.
4 DICK: All right. All right.
5 DAVID: Now we find out during the sixth --
6 now remember, the seventh seal is contained in Chapter
7 8. And in this seal, the seventh seal, the trumpets
8 are being administered, right?
9 DICK: In the seventh seal, yes.
10 DAVID: Okay. Now during the sixth trumpet,
11 what happens is, is that there's a, there's a picture
12 of a large company of warriors, okay?
13 DICK: All right.
14 DAVID: There's 200 million.
15 DICK: 200 million warriors.
16 DAVID: Right. So where it says right here
17 that -- okay, it tells us here that verses 13, and the
18 sixth angel sounded, and I heard a voice from the four
19 horns of the golden altar which is before God, saying
20 to the sixth angel which had the trumpet, loose the
21 four angels which are prepared which are bound in the
22 great river Euphrates. Now Euphrates was the river
23 that went under Babylon, right?
24 DICK: David, yes. But tell me where are you
25 reading from?
DAVID: I'm reading from Revelation 9 --

1 DICK: Okay.

2 DAVID: -- 13.

3 DICK: Verse 13. Right. The sixth angel.

4 DAVID: Yes.

5 DICK: Sounded his trumpet.

6 DAVID: Exactly.

7 DICK: All right.

8 DAVID: Okay. So what happens is, is that

9 Euphrates was the river that ran underneath Babylon,

10 okay?

11 DICK: All right.

12 DAVID: Okay. And the four angels were

13 loosed, which were prepared for an hour, a day, a

14 month, and a year to slay the third part of men. Okay?

15 DICK: All right.

16 DAVID: And the number of the army of the

17 horsemen were two hundred thousand thousand --

18 DICK: Or 200 million.

19 DAVID: Which is 200 million. Okay, now

20 right now, these four angels which are loosed are

21 liberated. They're really not bound. But what happens

22 is, is that in Chapter 7 of Revelation these four

23 angels were the same angels --

24 DICK: Standing at four corners of the earth.

25 DAVID: Of the earth holding the four winds

of the earth, that the wind should not blow upon the

1 earth or the sea or tree or anything. And the angels
2 in the east, their commander says hurt not till we have
3 sealed the servants of our God on their forehead.
4 Now in Jeremiah 30 and 31 refers to the
5 whirlwind of the Lord, it goes forth with a fury. When
6 those four winds are let loose, right?
7 DICK: All right.
8 DAVID: It creates a whirlwind. A gigantic
9 whirlwind. That's when Isaiah 21 says as whirlwinds in
10 the south go through. Talks about the anger of the
11 Lord. Okay? In Isaiah 27 what happens is, is this is
12 the time referred to in prophecy called the filling of
13 the 144,000. I'll go over here real quick and, and
14 show you real quick here. It's in 27th Chapter of
15 Isaiah. I'm reading this, because that way --
16 DICK: 27th Chapter of Isaiah?
17 DAVID: Yeah.
18 DICK: All right.
19 DAVID: In the 26th Chapter, the first of the
20 people have God that been under attack. So then that
21 day shall this song be sung in the land of Judah; We
22 have a strong city; salvation will God appoint for
23 walls and bulwarks. The same as Zechariah, Chapter 1
24 and 2 that I read last night where God will be a wall
25 of fire and about Jerusalem. So it says open ye the
gates, that the righteous nation which keepeth the

1 truth may enter in. And only those who keep the seals.
2 Thou wilt keep him in perfect peace, whose mind is
3 stayed on thee: because he trusteth in thee. Trust ye
4 in the Lord for ever: in the Lord God is everlasting
5 strength.
6 For he bringeth down them that dwell on high.
7 That's you guys. The lofty city he bringeth, layeth it
8 low, layeth it low, even to the ground; he bringeth it
9 even to the dust. That's the fall of Babylon.
10 The foot shall tread it down, even the feet
11 of the poor, and the steps of the needy. Now the way
12 of the just is uprightness: thou, most upright, which
13 is the Father who sits on the throne dost weigh the
14 paths of the just. That's the seven seals.
15 Yea, in the way of thy judgments, O Lord,
16 have we waited for thee. Because see we know the seven
17 seals. The reason being is the desire of our souls to
18 thy name. That's why the 144,000 in Chapters 14 has
19 the seal of living God which is the name of the Father
20 on their foreheads.
21 And to the remembrance of thee. With my soul
22 have I desired thee in the night; yea, with my spirit
23 within me will I seek thee early. Because they learn
24 the truth when the Lamb comes as it is right now to
25 show them the truth that is written.
DICK: The Lamb, Lamb will show the truth.

1 DAVID: Yeah. That's why I'm here. I
2 brought my reward to give to every man. I'm here to
3 teach these seals.
4 DICK: All right.
5 DAVID: Same as in Psalms 2. The heathen
6 raged. They imagine a vain thing. Kings of the earth,
7 rulers take counsel. Gather against the Lord and
8 against me saying let's break his bands asunder and
9 cast his cords from us. You all don't want these
10 seals. He that sits in the heavens, my Father, is
11 laughing at you right now. And the next step is the
12 Father fixing to, to speak to you, and you're going to
13 be in big trouble anyway.
14 So it says here when thy judgments are in the
15 earth --
16 DICK: David, David, let me -- where, where
17 are you again now?
18 DAVID: We're here at Chapters 26 of Isaiah.
19 DICK: Okay.
20 DAVID: Verses 9.
21 DICK: Okay. Hold on for just a minute here.
22 Let me, let me catch up with you a little bit, 26, 9.
23 DAVID: Well, you remember, remember what we
24 already read, right?
25 DICK: Right. Okay. My soul yearns for you
in the night.

1 DAVID: Okay. This is takedown of what it
2 states about in that day, Chapter 26, verse 1. Shall
3 this song be sung land of Judah. Psalms 40 is the song
4 of the Lamb. He brings seven seals. A new song.
5 Psalms 40. Song of the Lamb. Same as Revelation,
6 Chapter 15. Song of Moses, Deuteronomy 32. And the
7 song of the Lamb. Okay.
8 DICK: All right.
9 DAVID: And that day shall this song be sung
10 land of Judah. We have a strong city; salvation will
11 God appoint for walls and bulwarks. Mean God's going
12 to save these people, right?
13 Open ye the gates, that the righteous nation
14 which keepeth the truth may enter in. What truth is it
15 they've got to keep? We got to find out, don't we?
16 Thou wilt keep him in perfect peace, whose
17 mind is stayed on thee: because he trusteth in thee.
18 Trust ye in the Lord, for in the Lord Jehovah is
19 everlasting strength. For he bringeth down them that
20 dwelleth on high, that's Babylon, the lofty city, he
21 layeth it low, he layeth it low, even to the ground; he
22 bringeth it even to the dust. The feet of the poor
23 shall tread it down, even the steps of the needy. Feet
24 of the needy, poor, steps of the needy.
25 The way of the just which is the path we walk
in is uprightness: thou, most upright, which is the

1 Father who's got the book, dost weigh the path of the
2 just. He directs our steps, don't he?
3 Yea, in the way of thy judgments, O Lord,
4 have we waited for thee. There are seven seals you
5 understand. The reason why the desire of our soul is
6 to thy name. That's what I was saying. The 144,000 in
7 Chapter 7 of Revelation are sealed by the angel from
8 the east who has the seal of the living God which is a
9 scroll with seven seals. That's why in Chapter 14 the
10 144,000 stand on Mt. Zion with the seal of the living
11 God in their foreheads which is God's name.
12 To remembrance of thee. With my soul have I
13 desired thee in the night; yea, with my spirit within
14 me will I seek the early for when thy judgments are in
15 the earth, which is the fulfillment of these terrible
16 things such as the seals teach, the inhabitants of the
17 world will learn righteousness.
18 Now here's what Christ had to suffer so much
19 for and he let you guys have. Let favour be showed to
20 the wicked. That's what I'm trying to do right now to
21 you guys. Yet will he not learn righteousness. In the
22 land of uprightness if you all are allowed to be in
23 this kingdom that all the prophets talk about, okay,
24 will he deal unjustly, and will not behold the majesty
25 of the Lord.
Now my Father sits in heaven, he sits on the

1 throne. He gave me a book. There's seven seals. If
2 you don't know these seals, you're not a part of my
3 kingdom. You have nothing to do with me.
4 But anyway, Lord, when thy hand is lifted up,
5 you know what's in God's hand, don't you? The book
6 with seven seals. He upholds his word above heaven.
7 They will not see. You guys aren't looking very good.
8 But you're going to see. And you're going to be
9 ashamed for your envy at the people, those who know
10 these things. Yes, the fire of thine enemies shall
11 devour them. It's going to backfire. What you all are
12 going to do is going to backfire on you.
13 Lord, thou wilt (indiscernible) peace for us:
14 for thou hast also wrought all our works in us. O Lord
15 our God, other lords beside thee have had dominion over
16 us, such as teachers and preachers and government
17 officials and stuff like that. But by thee only will
18 we make mention of thy name. Because they're going to
19 be dead. They're not going to live. They'll be
20 deceased. They will not rise. Therefore thou hast
21 visited and destroyed them, and made all their memory
22 to perish. That's what's fixing to happen to you guys,
23 you see?
24 DICK: That's a reference to the fourth seal.
25 DAVID: Now listen. What we're doing here is
we're fixing, we're going into the, into the third

1 seal. That's the thing we're talking about. This is
2 not the fourth seal.
3 DICK: All right.
4 DAVID: Let me show you.
5 DICK: Okay.
6 DAVID: Thou hast increased the nation, O
7 Lord. Just like Psalms 18 when I read to you guys.
8 You've got it there on record. After you're punished,
9 after God makes an example out of you, and after you
10 find out beyond question who I really am, then I'm
11 given a kingdom just like Daniel 7 and all the prophets
12 teach, Isaiah 2, Michael 4.
13 And then the rest of the nations are asked if
14 they want any of this, if they'd like to have a cup of
15 God's wrath. Of course, at that time they're going to
16 disarm. Hopefully they're going to come and learn of
17 God's ways and allow me to finish teaching them the
18 truth.
19 So this is where it says thou hast increased
20 the nation. Thou art glorified: thou hadst removed it
21 far unto all the ends of the earth. Lord, in trouble
22 have they visited thee, they poured out a prayer when
23 thy chastening was upon them.
24 Like a woman with child, that draweth near
25 the time of her delivery, is in pain, and crieth out in
her pains; so have we been in thy sight, O Lord. We

1 have been with child, we have been in pain, we have as
2 it were brought forth wind. (Makes "raspberry" noise.)
3 You know what I mean? We have not wrought any
4 deliverance in the earth; neither have the inhabitants
5 of the world fallen.
6 Well, the way this happens is there's going
7 to be a resurrection. Now let me explain about these
8 angels. Thy dead men shall live, together with my dead
9 body shall they arise. Awake and sing, ye that dwell
10 in the dust: for thy dew is the dew of herbs, and the
11 earth shall cast out the dead.
12 Come, my people, enter thou into thy
13 chambers, and shut thy doors about thee: hide thyself
14 as it were for a little moment, until the indignation
15 be past. For the Lord cometh out of his place to
16 punish the inhabitants of the earth for their iniquity.
17 And the earth shall also disclose her blood, and shall
18 no more cover her slain.
19 So in that day, the Lord with his sore and
20 great and strong sword shall punish leviathan the
21 piercing serpent, which is your leader. Even leviathan
22 that crooked serpent; he shall slay the dragon in the
23 sea. In that day sing ye unto her, A vineyard of red
24 wine.
25 I the Lord do keep it; I will water it every
morning: lest any hurt it, I will keep it night and

1 day.

2 DICK: David, as you're going along, can you

3 give me some references so I can kind of follow along

4 with you too?

5 DAVID: Okay.

6 DICK: I'm trying to, I'm trying to keep up

7 with you but I'm, I'm having difficulty, you know --

8 DAVID: We're in verse 4 now, okay?

9 DICK: Verse 4 of --

10 DAVID: I'm taking the eucharist right now.

11 Hold on a second.

12 [gap]

13 DAVID: Okay. All right. 27, verse 4.

14 DICK: Isaiah 27, verse 4.

15 DAVID: 28, verse 4. I'm sorry.

16 DICK: 28, verse 4.

17 DAVID: Yeah. During the time that the

18 kingdoms of this world are to be overthrown, Isaiah 14

19 refers the same as Isaiah 28 -- excuse me, 27, I'm

20 sorry. Fury is not in me. You got that verse there?

21 DICK: I've got Isaiah 28, 4.

22 DAVID: 27, 4.

23 DICK: Okay. We're going to 27, 4, all

24 right? 27, 4. I am not angry. If only there were

25 briefs and thorns confronting me. I would march

against them in battle. I would set them all on fire.

1 DAVID: Right. Okay. So you got the New
2 American Standard?
3 DICK: I do.
4 DAVID: Verse 5. Or let him take hold of my
5 strength. Right?
6 DICK: Right. Refuge, right.
7 DAVID: That he may make peace with me; and
8 he shall make what?
9 DICK: And let them make peace with me.
10 DAVID: In other words, what's God's
11 strength?
12 DICK: The ability to make peace.
13 DAVID: Nah. It's his word.
14 DICK: Well, through his word but to make
15 peace through his word.
16 DAVID: Seven, seven seals is the negotiation
17 here. If you reject the seven seals, you're rejecting
18 me. If you reject me, you're rejecting my father. And
19 then judgment cannot be diverted. You will be
20 punished. And your great nation, the United States of
21 America, the great land shadowing with wings that all
22 the prophets talk about. The lamb-like beast of
23 Revelation 13 is going to be made an example of above
24 all nations. It's all going to come to end in 1 hour.
25 This is what Revelation 18 is talking about, the fall
of Babylon.

1 Now I know you don't understand these things,
2 and I know you think you're too big for this to happen.
3 DICK: No, I don't. I have Revelation 18
4 here.
5 DAVID: But the, but the day of judgment is
6 here at hand. Now watch. Well, he will cause them
7 that come of Jacob, right, to take root: Israel shall
8 blossom and bud, and fill the face of the world with
9 fruit. Israel shall be preserved out of this.
10 Now read verse 7 to me from your translation.
11 DICK: 28, 7?
12 DAVID: Yes.
13 DICK: Okay. 28, 7.
14 DAVID: Right.
15 DICK: And these also stagger from wine and
16 reel from beer, priests and prophets stagger from beer.
17 DAVID: No, no, no, no. Verse 7 of 27.
18 DICK: Verse 7 of 27.
19 DAVID: Right.
20 DICK: All right. Verse 7. Has the Lord
21 struck her as he struck down those who struck her. Has
22 she been killed as those were killed who killed her.
23 DAVID: Right. In other words, that's going
24 to be something in verse 8 what are you going to do
25 when this question is asked?
DICK: By warfare and exile you contend with

her. With his fierce blast he drives her out as I on a day the east wind blows.

DAVID: Oh, what a sorry translation. Okay. Now --

DICK: You don't want the -- I mean this translation's not --

DAVID: No, no, no. No, now wait a second. Let's look here.

DICK: Okay.

DAVID: It says according to the King James, verses 7, hath he smitten him, as he smote those that smote him? Or is he slain according to the slaughter of them that are slain by him? In measure, when it shooteth forth, thou wilt debate with it: he stayeth his rough wind in the day of the east wind.

Now remember that in the seal we've learned that an angel is ascends from the east, correct? With the seal of the living God, right?

DICK: Right.

DAVID: Telling the four ends -- four angels to hold the four winds that it would not blow upon earth or sea, right?

DICK: Right.

DAVID: In other words, you know, hold the winds, and let not the winds blow. Hurt not until we've sealed the servants of our God on their

1 foreheads. That's why Isaiah states here that he
2 stayeth which means he holds in check his rough wind.
3 When those four winds are loosed, the whirlwind of the
4 Lord that all the prophets talk about, what all the
5 prophecies is let loose, and God's anger as in Jeremiah
6 says the fierce anger of the Lord shall not return
7 until he's performed the intents of his heart. In the
8 latter days you shall consider it.
9 It says behold, the whirlwind of the Lord
10 goeth forth with fury. A continuing whirlwind. For it
11 shall fall with pain upon the head of the wicked. In
12 the latter days you shall consider it perfectly.
13 Now that's where the question is hath he
14 smitten him. Now God's allowing me to be smitten. And
15 I've been smitten by you.
16 DICK: All right.
17 DAVID: Okay. But am I going to be smitten
18 as God's going to smite those that smote me? No. Or
19 am I going to be slain according to the slaughter of
20 them that's going to be slain by me? No. Now it says
21 here everyone's going to get to see who wins in this
22 confrontation. Everybody in the world is going to get
23 to see who's going to come out of this smelling like a
24 rose and who's going to come out of this looking bad.
25 Now in measure thou wilt debate with it.
There's seven measures. There's sevens seals. Thou

1 wilt debate with it. We're supposed to debate with
2 this. And while we're debating, God's holding his
3 rough wind. The angels aren't letting those winds
4 loose yet.
5 If your eyes could be opened to the invisible
6 powers that are confronting this world right now, you
7 would understand that there are four angels, four
8 commanding angels, that are holding back legions and
9 legions of angels. And you know, angels are beings
10 just like people of the world. It's just they're not
11 as, they're not as, as embodied in, in such limited
12 beings. They're not of dirt in other words.
13 DICK: From the four corners of the earth.
14 DAVID: From the four corners of the earth.
15 Now this is so that the seal of the 144,000 can take
16 place. But it says here by this therefore shall the
17 iniquity of Jacob be purged; and this is all the fruit
18 to take away his sin; when he maketh all the stones of
19 the altar as chalkstones that are beaten in sunder,
20 groves and images which are idols shall not stand up.
21 Yet the defenced city shall be desolate, and
22 the habitation forsaken, and left as a wilderness:
23 there shall the calf feed, and there shall he lie down,
24 and consume the branches thereof. When the boughs
25 thereof are withered, they shall be broken off: women
come and set them on fire. You'll learn about those

1 women too. For you are a people of no understanding.
2 That's what we're dealing with now. Therefore he that
3 made you will not have mercy on you, and he that formed
4 you will shew you no favor.
5 And it will come to pass in that day, that
6 the Lord shall beat off of the channel of the river
7 unto the stream of Egypt, and ye shall be gathered one
8 by one, O children of Israel. And it shall come to
9 pass on that day, that a great trumpet shall be blown,
10 that's the seventh trumpet. And they shall come which
11 were ready to perish in the land of Assyria and the
12 outcast land of Egypt and shall worship the Lord in the
13 holy mount at Jerusalem. Okay, this is where the
14 gathering comes.
15 DICK: That's seals four through seven.
16 DAVID: No. Let me go back now. You know,
17 under our circumstances it's kind of a frustrated study
18 here. And I know your man's swimming. But the point
19 we're doing right now is we know there's a strong city,
20 salvation God will appoint.
21 Now let me explain what happens when these
22 four angels let the winds loose, okay?
23 DICK: All right.
24 DAVID: Now we're going back to Chapter 9 of
25 Revelation to confirm this prophecy. Remember, all the
books of the Bible, all the prophecies, all the

1 warnings and terrible exactions against mankind are
2 brought to focus and view in the Book of Revelation so
3 that nations will be without excuse in the latter days
4 when God finally has to bring these things to pass upon
5 the sons of men.
6 DICK: So Revelation 9 is where we're going
7 to go.
8 DAVID: Revelation 9.
9 DICK: The fifth angel sounded his trumpet --
10 DAVID: Fifth angel.
11 DICK: -- and I saw a star that had fallen
12 from the sky to the earth.
13 DAVID: No, we're talking about the sixth
14 angel now. Because we're --
15 DICK: The sixth.
16 DAVID: -- developing a point.
17 DICK: All right.
18 DAVID: Go ahead. Go ahead.
19 DICK: I'm looking. I'm going down. We're
20 starting at 9, verse 13.
21 DAVID: Okay.
22 DICK: The sixth angel sounded his trumpet,
23 and I heard a voice coming from the horns of the golden
24 altar that is before God. It said to the sixth angel
25 who had the trumpet release the four angels who are
bound at the great river Euphrates. And the four

1 angels who had been ready or kept ready for this very
2 hour and day and month and year --
3 DAVID: Month and year.
4 DICK: -- were released to kill a third of
5 mankind.
6 DAVID: Exactly.
7 DICK: The number of amount of troops was 200
8 million.
9 DAVID: Exactly.
10 DICK: Or a hundred thousand hundred
11 thousand.
12 DAVID: Hundred thousand thousand.
13 DICK: I -- right. I heard their number, 200
14 million.
15 DAVID: Go ahead.
16 DICK: The horses' riders I saw in my vision
17 looked like this. Their breastplates were fiery red,
18 dark blue, and yellow as sulphur. The heads of the
19 horses resembled the heads of lions. And out of their
20 mouths came fire, smoke and sulphur. A third of
21 mankind was killed by the three plagues of fire, smoke
22 and sulphur that came from their mouths.
23 DAVID: Um-hum.
24 DICK: The power of the horses was in their
25 mouths and in their tails for their tails --
DAVID: Remember, these aren't real horses

1 now, either. The prophet has to explain to you that
2 there's a little vehicle, a little machine here that
3 seems to be a horse as in the days of ancient Israel
4 like in the book of Nahum where it says they're in
5 chariots with flaming torches --
6 DICK: Right.
7 DAVID: -- that jostle in the broad ways and
8 they have the, have the noise of thunder.
9 DICK: The Bradleys.
10 DAVID: Well, it's -- well there's more --
11 it's more involved than just little Bradleys. But
12 yeah, it's -- the prophet's trying to explain that the
13 vehicular transport is quite different than what they
14 were accustomed to in their day.
15 DICK: All right.
16 DAVID: Okay. Go ahead.
17 DICK: The rest of mankind that were not
18 killed by these plagues still did not repent of the
19 work of their hands. They did not stop worshipping
20 demons and idols of gold, silver, bronze, stone and
21 wood.
22 DAVID: Exactly.
23 DICK: Idols that cannot see or hear or walk.
24 Nor did they repent of the --
25 (End of tape 80.)

U.S. DEPARTMENT OF THE TREASURY
BUREAU OF ALCOHOL, TOBACCO & FIREARMS

TAPE #81
3/7/93
3:16 P.M. - 4:03 P.M.

(Tape 81)

DAVID: -- translation.

DICK: He was robed in a cloud with a rainbow above his head. His face was like the sun. And his legs were like fiery pillars.

DAVID: Uh-huh.

DICK: He was holding a little scroll which lay open in his hand.

DAVID: Uh-huh.

DICK: He planted his right foot on the sea and his left foot on the land.

DAVID: That's the Book of Revelation. That's what we're dealing with right now. Go ahead.

DICK: And he gave a loud shout, like the roar of a lion. When he shouted, the voices of the seven thunders spoke.

DAVID: Uh-huh.

DICK: And when the seven thunders spoke, I was about to write, but I heard a voice from heaven say, seal up what the seven thunders have said and do not write it down.

DAVID: Okay. Go ahead.

DICK: Then the angel I had seen standing on the sea and on the land raised his right hand to heaven, and he swore by him who lives forever and ever --

DAVID: That's the father.

DICK: Who created the heaven's and all that is in them, the earth and all that is in it and the sea, and all that is in it, and said, there will be no more delay. But in the days --

DAVID: Time no, time no longer, in other words.

DICK: But in the days when the seventh angel is about to sound his trumpet, --

DAVID: Uh-huh.

DICK: The mystery of God will be accomplished, just as he announced to his servants, the Prophets.

DAVID: Exactly. Okay? Now, whatever the Prophets have stated, remember, these events of revelation are the previews of the events that are to soon take place against this great nation known as Babylon.

Now, remember, in Daniel 2, Babylon is a cessation, a continuation of the empires that will rule over Israel to the end of time when God will break the yoke of all nations from off his people, that God may set himself up a kingdom.

Now the nations are as such in Daniel 2. The head of gold is Babylon, the arms of silver, which is part of the same mind of man, the same spirit, is the Meso-

1 Persians, Alexander, excuse me, Fires and Derias
2 (phonetic), and then we'll come into the empire of
3 Grecia, the belly of brass, and then Rome will come in,
4 the legs of iron, and then Rome will apparently fall,
5 but not so, it will evolve itself into ten toes
6 representing many nations, partly strong and partly
7 broken, known as Europe. In other words, Rome will
8 still rule through Europe because Daniel tells us there
9 will rise up a power that will get involved in a
10 religion known as Roman Catholicism, and it will rule
11 the world and it'll have pre-eminence in the world
12 until the time the ancient of days comes and judgments
13 given to the saints of the most high. That's why those
14 ambassadors are sent to Vatican right now all the time,
15 you see? You know, there's the greatest world,
16 political and social libraries of all empires contained
17 in the Vatican. Upon us is a great religious
18 figurehead, it has the smallest nation, a little horn,
19 the smallest nation in all the world but yet one of the
20 most prominent nations of the world.
21 Now, what we're looking at here is we know
22 whatever the seven thunders are, they must be found in
23 the testimony of the prophets. So as we said before,
24 as we open the first seal, the white horse, the bow,
25 the crown, it is brought to view in the 45th Psalm.
You know, you agree with me so far, right?

1 DICK: I'm following you, yes.

2 DAVID: Okay, now, we've already been shown
3 that the truth of that 45th Psalm tells us who's going
4 to win this battle, who's the mightiest of them all,
5 and the reason it's giving is so that the definite
6 threat may be known that men might fear God, 'cause
7 Christ doesn't really want to hurt anybody. That's up
8 to them. If they want to go ahead and take a punch,
9 the prophet's have given the details of the aftermath
10 of that.

11 Now, but the point is, is that the girl brought to
12 view in Psalm's 45, Hearken O daughter, and consider,
13 brings us to Revelation 19, where the marriage of the
14 lamb does come, and the wife does make herself ready,
15 and the invitation there is blessed is everyone that is
16 called to the marriage sufferer of the lamb. And that's
17 what we're trying to do, we're trying to invite people
18 to life eternal, to become one with the spirit of God.
19 The spirit of man and the spirit of woman should be
20 unity. Their minds should be as one, their hearts
21 should as one.

22 On the later days in the doctrine of God, God has
23 something on his mind. God's got seven seals. Christ
24 is one with the father. Christ, likewise, has seven
25 eyes, he knows what the seven seals are and all those
are unity with me and knowledge of the seven seals

shall be a part of the marriage of the lamb, that event of Revelation 19, which clearly tells you that after that subject is brought to view in the 19th Chapter, then John sees the heaven depart and the man on the white horse is there and righteously this judge and make war.

Now, no one's going to get hurt until it is fulfilled that the probation of man has not been sufficient in regards to God's allowing him to have the privileges which they again will reject. That's what Isaiah 27 is all about. Let righteousness, -- show the wicked, you -- learn righteousness. They just don't care about God's magistrate, they just don't care about his judiciary, his thrown and his word.

Now, the second seal, the man on the red horse who has the great sword, if they should kill one another is the events referring to Zechariah's testimony where Zechariah Chapter 1, he explains that God's angry at the Jews 'cause they would not listen to the former prophets. Zechariah sees a vision, a man riding on the red horse --

DICK: In committing war and bloodshed.

DAVID: No, that's not what it says.

DICK: Okay.

DAVID: The key note is that the events reveal that in the word of God, God is able to entail

1 the future, and because the testimony of Christ, which
2 is the spirit of prophecy, we see the warfare comes in
3 the fact that in the vision, Zechariah's shown four
4 horns and he questions the angel of the Lord, which is
5 on this red horse, what be these? And he says, these
6 are they which scattered Judah, Israel, and
7 Jerusalem,that there be nobody and no place, that they
8 can now lift up their head. Now, that was the four
9 horns of Babylon, Medopersia (Phonetic), Greece and
10 Rome. And the prophet says that they will come back
11 one day to Jerusalem as carpenters to build. In other
12 words, the Jews, having been scattered, by war, by
13 confrontation, by political power, which is people
14 killing one another, just as the seal tells us, they
15 will come back one day to build there.
16 Well, we know in Jerusalem today, on Mt. Zion,
17 there's a catholic tabernacle there. We know that all
18 religions of the world from all of these empires today,
19 known as Europe, all have places and churches in
20 Jerusalem.
21 God states clearly though, that when he gets ready
22 to take over Jerusalem, 'cause he's jealous for -- the
23 great jealousy, it'll be manifested by a wall of fire
24 around the bout. When God is ready to set up his
25 kingdom there, there's not going to be a multitude of
religions and a multitude of professions, because

that's just confusion. There's one God and there's one book and there's one set of seals and there's one lamb, then if there's not a unity in that, then only that and that truth shall win and prevail.

Now, the third seal, we turn to the Book of Revelation again, as in Chapter 10, the seven thunders, which are uttered, whatever this sixth seal, sixth trumpet is about this 200 million, which is definitely more troops than you got out here, isn't it?

DICK: It certainly is.

DAVID: I think you're outnumbered my friend. We find out there in the third seal, it says right here, and there went out, this is Revelation 6 verses 4 --

DICK: Hold on for a second, David. Revelation 6, verse 4.

DAVID: This horse, which was red, had power, second seal, now, Chapter, verse, verse 5, when he had opened the third seal, I heard a third beast say, come and see. And behold lo a black horse. He that sat up on him, had a pair of balances in his hand. And I heard a voice in the midst of the four beasts say, a measure of wheat for a penny, and three measures of barley for a penny. See thou hurt not the oil and the wine. Okay, now --

DICK: Which were very precious in that day.

1 DAVID: No. That day is not that day. These
2 seals are to be revealed --
3 DICK: No, I understand.
4 DAVID: -- in the end of the world.
5 DICK: But I understand. Oil and wine were,
6 are a very precious thing in --
7 DAVID: Oil and wine were basic --
8 DICK: -- extreme.
9 DAVID: -- every day commodities of Israel.
10 The olive trees flourished, everybody had it, just like
11 today everybody's got margarine and everybody's got
12 Crisco.
13 DICK: All right.
14 DAVID: You know? I mean, everybody's got
15 these things, you know, they were never scarce.
16 DICK: All right.
17 DAVID: Now, but remember, that, which must
18 be hereafter, revolves around seals that, when there's
19 time no longer, will be finished. So these events, the
20 prophecies, are projected to events in the last
21 movements that God makes in the world of unbelief
22 before He brings the greatest empire, the greatest
23 nation, to ruins. Just like the days of Egypt. God
24 didn't pick on the third world countries. God went to
25 pick on the greatest nation. God's a contender. You
know, there's only one nation in the world that's above

1 all nations. The United State's of America is No. 1,
2 Mr. Big Daddy-O. And that's why this is taking place
3 here today. You know, we need a challenge. We need a,
4 -- that's not really a challenge, you know what I'm
5 saying? But at least let's let the world think it is.
6 Let's see if these big, smart pronosticators and
7 intelligent people, soothsayers and magicians and
8 astrologers and psychologists, let's see if they can
9 play the game, Name That Seal. Let's see who wins this
10 game.
11 Okay, now, as we found Psalm's 45 to give us light
12 on the first seal, as we found Zechariah's testimony to
13 give us light on the second seal, whether we have
14 discerned the entailed truth or not, we definitely see
15 the evidences of these prophets for telling on these
16 events, right?
17 DICK: Okay.
18 DAVID: So likewise, we must find the third,
19 fourth, fifth, sixth and seventh seals also contained
20 in the testament of the prophets.
21 Okay, now, the third seal, if you'll turn in your
22 Bible to the Book of Hosea, --
23 DICK: Okay, hold on for just a moment.
24 Okay, Hosea.
25 DAVID: Okay.
DICK: What chapter?

DAVID: We turn to Chapter 12.

DICK: I'm sorry. Hold on for a minute. You have to bear with me. I've got a lot of material here.

DAVID: I'm doing everything in my power to negotiate with my God and my kingdom of heaven to do so. We're giving this nation every opportunity possible for you to wise up to realize what you're dealing with here.

DICK: Bear with me, bear with me.

DAVID: Okey-doke, it's right in front of Joel.

DICK: Right. I'm looking here, just a second.

DAVID: You don't have a King James Bible there anywhere?

DICK: You know, I don't, David. I really don't. Okay, I've got Hosea, Chapter --

DAVID: Chapter 12.

DICK: Chapter 12, verse?

DAVID: Well, let's take a look at this 'cause, like I say, each one of these books contain a seal now.

DICK: Okay.

DAVID: Now, Ephraim, which was the ten tribes after the split between Judaiah and the other ten tribes, Ephraim began to become the political

1 leader of the northern kingdom's of Israel. But now,
2 it says here Ephraim feedeth on wind, and followeth
3 after the east wind, he daily increaseth lies and
4 desolation and they do make a covenant with the
5 Assyrians, and oil is carried into Egypt.
6 Lord also hath a controversy with Judah, and will
7 punish Jacob according to his ways, according to his
8 doings will he recompense him.
9 He took his brother by the heel in the womb.
10 Remember the stories of Jacob and Esau? And by his
11 strength he had power with God. Remember how Jacob
12 pled with the angel of the Lord?
13 DICK: He struggled?
14 DAVID: Uh-huh. Remember that?
15 DICK: Uh-huh.
16 DAVID: Before the night he thought he was
17 going to be destroyed, and yet God delivered him from
18 the hands of Esau, right? Yeah, he had power over the
19 angel, he prevailed, he wept, and made supplication
20 unto him. He found him in Bethel. Means the House of
21 God, right?
22 DICK: All right.
23 DAVID: And there he spake with us. When
24 (Indiscernible) came out of Egypt, that's where God
25 spoke to him. Even to the Lord God of hosts, the Lord
is his memorial. Which Jacob put a rock at Bethel and

1 Jacob set up a rock there and says, you know, this is
2 the place where I've talked with God and this is God,
3 this is a rock.
4 Therefore turn thou unto thy God, keep mercy and
5 judgment and wait on thy God continually.
6 He is a merchant, the balances of deceit are in
7 his hand. Huh. He loveth to what?
8 DICK: Defraud.
9 DAVID: Oppress. Okay? Now, in what seal do
10 you know that something deals with Christ pertain to a
11 man on a black horse with a pair of balances in his
12 hand?
13 DICK: Third seal.
14 DAVID: Now, the key is that there are three
15 measures of barley for a penny and a measure of wheat.
16 Now, which of those two is a better deal? The wheat or
17 the barley?
18 DICK: The wheat.
19 DAVID: No, the barley. You get three scoops
20 of barley. You only get one scoop of wheat.
21 DICK: I'm sorry, right, I'm sorry. One
22 measure of wheat and three of barley.
23 DAVID: Okay, now, in the grain harvest, the
24 first ripe grains of the ceremonial law of Moses which
25 represented the harvest of man is the wave sheep. The
wave sheep were the first of the first fruits. They

1 were the barley, okay? Now, we know that on the 18th
2 day of the first month, 2000 years ago, that when
3 Christ was resurrected, others were resurrected with
4 him, correct?
5 DICK: All right.
6 DAVID: The multitude came out of the graves
7 and that they, for 40 days, according to ceremonial
8 law, gathered a 120 who were to be presented before the
9 Father on the day of Pentecost, which represented the
10 wheat or the two loaves of bread. Now, that was called
11 the wave loaves, that's the first wheat harvest.
12 DICK: The wave loaves, okay.
13 DAVID: The wave loaves. Now, the reason why
14 there's three measures of barley, well, like I said,
15 and I know you don't want an extensive study on all
16 these things, but here's the key right here. Now, it
17 says right here, he is a merchant, in other words,
18 we're doing some dealing here aren't we? Now, he knows
19 something you don't know, and the thing of it is, the
20 balances of deceit are in his hand, he loveth to
21 oppress. What causes the oppression, do you think? He
22 knows more than you know, don't he?
23 DICK: He certainly does because he uses the
24 dishonest, -- you're talking about the merchant who
25 uses the dishonest scales?
DAVID: Exactly. And who is this? Who's

1 doing this? The Lord. Right? Therefore turning thou
2 into thy God, keep mercy and judgment and wait on thy
3 God continually, why? He's a what? A merchant. The
4 balances of the deceit are in his hand.
5 DICK: All right.
6 DAVID: And Ephraim said, yet I am become
7 rich. Ephraim thinks he has something, don't he?
8 DICK: Rich and wealthy he says.
9 DAVID: I have found me out substance, in all
10 my labours they shall find none iniquity in me that
11 were sin. But what does God say in verse 9?
12 DICK: I am the Lord, your God who brought
13 you out of Egypt.
14 DAVID: Go ahead.
15 DICK: I will make you live in tents again as
16 in the days of your appointed feast.
17 DAVID: Which is the feast of tabernacles.
18 Well, what's the deal then, in verse 10 then?
19 DICK: I spoke to the prophets, gave them
20 many visions and told parables through them.
21 DAVID: Uh-huh. Go ahead.
22 DICK: Verse 11.
23 DAVID: Yeah.
24 DICK: Is Gilead, we wicked if people are
25 worthless, do they sacrifice bulls, their altars will
be like piles of stones on a plowed field.

1 DAVID: God's going to destroy their form of
2 worship, isn't he?
3 DICK: Exactly.
4 DAVID: Okay, verse 12.
5 DICK: Jacob fled to the country of Eraham
6 (Phonetic). Israel served to get a wife, and to pay
7 for her he tended sheep.
8 DAVID: Okay.
9 DICK: The Lord used a prophet to bring
10 Israel up from Egypt, by a prophet he cared for him.
11 DAVID: Uh-huh.
12 DICK: But, Ephraim was bitterly provoked him
13 to anger.
14 DAVID: Go ahead.
15 DICK: His Lord will leave upon him the guilt
16 of his bloodshed and will repay him for his content.
17 DAVID: Okay, so, why do you think the Lord's
18 a merchant man for? Because who do you think the
19 barter is, what's the bargain here? Well, here's the
20 bargain, my friend, in the third seal, if you
21 understood everything pertaining to what the prophets
22 taught, you know, the knowledge of the prophets, the
23 knowledge of their truth, right? Is the ransom for
24 your soul. Your soul and everybody that sits in there
25 with you. Everyone in this nation. We're trying to
work a deal with you. We're trying to help you

1 understand the whole tenor of what the third seal is
2 right now.
3 Now, let's go over here to Chapter 1 of Hosea, and
4 let's see if we can't do a little bit of, of background
5 work here. We see over here in Chapter 1, verses 9,
6 then said God, what? Call his name Lo-ammi, right?
7 DICK: All right, I'm at Chapter 1, verse 9,
8 sort a battle by horses, in horsemen, but by the Lord,
9 their God.
10 DAVID: No, no, you're, we're looking at
11 Hosea Chapter 1, verses 9.
12 DICK: Oh, I'm sorry, verse 9.
13 DAVID: Okay.
14 DICK: Chapter 1.
15 DAVID: Okay.
16 DICK: Verse 9 is as I just read it to you,
17 in this edition that I have. Hosea.
18 DAVID: Uh-huh, Chapter 1, verse 9, then said
19 God, Call his name Lo-ammi.
20 DICK: That's not in the translation -- I'm
21 sorry, I'm, that's, I'm sorry, my apologize, I was
22 reading the wrong verse.
23 DAVID: Okay.
24 DICK: Then the Lord said, Call him Lo-ammi,
25 for you are not my people, and I am not your God.
DAVID: Okay, verse 10.

1 DICK: Yet the Israelites will be like the
2 sand on the seashore which cannot be measured or
3 counted. In the place where it was said to them, you
4 are not my people, they will be called sons of the
5 living God. The people of Judah and the people of
6 Israel will be united, and they will appoint one leader
7 --
8 DAVID: Uh-huh.
9 DICK: And will come up out of the land --
10 DAVID: For great shall be the day of
11 Jezreel.
12 DICK: Right.
13 DAVID: Who, do you know who that leader is?
14 DICK: I believe I know who that leader is.
15 DAVID: Okay, well, let's find out over here
16 who that leader is. It says right over here, in
17 Chapters 3. Go ahead, read Chapter 3 to me. You'll
18 see who that leader is.
19 DICK: The Lord said to me, go, show your
20 love to your wife again though she is loved by another
21 and is an adulteress. Love her as the Lord loves the
22 Israelites.
23 DAVID: Okay.
24 DICK: Though they turn to other gods and
25 love the sacred raisin cakes.
DAVID: Go ahead.

1 DICK: So I brought her 15 skilled sheckles
2 of silver and about a homer and a, is that pronounced
3 levic (phonetic)?
4 DAVID: Uh-huh.
5 DICK: Of barley. Then I told her, you are
6 to live with me many days. You must not be a
7 prostitute or be intimate with any man and I will live
8 with you.
9 DAVID: Okay.
10 DICK: For the Israelites will live many days
11 without king or prince, without sacrifice --
12 DAVID: Without a king, uh-huh.
13 DICK: -- or sacred stones without ephod or
14 idle. Afterward, the Israelites will return and seek
15 the Lord their God, and David their king. They will
16 come tempting to the Lord and to his blessings in the
17 last days, trembling to the Lord and to his blessings
18 in the last days.
19 DAVID: Okay, okay. So who is this David the
20 king they're going to be enlightened to in the latter
21 days? Throughout the realms of Babylon, Meda-Persia,
22 Greece, Rome and Europe, Israel will not have a king.
23 They will not have a sacrifice, they will not have
24 (indiscernible), they will not have the images or the
25 implements of the sanctuary, not until who comes again?
Christ.

1 DICK: All right.

2 DAVID: Now, remember, the seven seals of the
3 Book of Revelation, the same God of the gentiles is
4 still the God of Israel. In the Romans 11, what we've
5 been shown, is Paul made it very clear that God did not
6 cast away his people which he knew. For the redeemer
7 we find, according to Paul, says that all Israel will
8 be saved as it is written, and he quotes the prophecies
9 of Isaiah, that the redeemer shall again one day return
10 to Zion and shall turn away and -- from Jacob and this
11 is the covenants that I will make with them when I
12 shall take away their sins. Because we're seen and
13 we're judging to see whether you gentiles, whether you
14 who claim to spiritual Israel are going to be any more
15 decent and any more respective to your messiah, but
16 when I'm trying to show you the seals and what the Jews
17 were 2,000 years ago. You've got to learn these seals.
18 Now, Hosea very clearly states that they're going
19 to seek the Lord their God in the latter days. Is that
20 true or is that false?

21 DICK: That is true.

22 DAVID: So would there not be a truth here
23 worth knowing pertaining to the latter days?

24 DICK: There would be.

25 DAVID: Okay, now, we go over here and we see
in Chapter 6, -- 'cause remember, my students, I, I

1 open up these whole books --

2 DICK: All right.

3 DAVID: -- to them. You know, they feel that

4 truth is, is worth enough time to spend sufficient time

5 and fully comprehending every measure of statement in

6 these books, comparing them with all the statements to

7 the other prophets, okay?

8 Now, we see in Chapter 6 of Hosea. What does it

9 say to us?

10 DICK: Israel is unrepentant.

11 DAVID: Well, go ahead. Chapter 6 of Hosea.

12 Verse 1.

13 DICK: Come, let us return to the Lord. He

14 has torn us to pieces but he will heal us. He has

15 injured us but he will bind up our wound.

16 DAVID: By scattering amongst the nation. Go

17 ahead.

18 DICK: After two days he will revive us. On

19 the third day he will restore us and we may live in his

20 presence.

21 Let us acknowledge the Lord. Let us press on to

22 acknowledge him as surely as the sun rises, he will

23 appear, he will come to us like the winter rains.

24 DAVID: Okay. So the angel who is sent from

25 the east are sent just like the sun arises, doesn't he?

And what's the great light that he has? He has the

words of the seven seals. Go ahead.

DICK: Like the spring rains, the water, the earth, Chapter, or Verse 4, what can I do for you? And from what can I do for you, Judah? Your love is like the morning mist, like the early dew that disappears.

DAVID: It doesn't last long, does it.

DICK: Just a short while. Therefore, I cut you in pieces with my prophets. I killed you with the words of my mouth. My judgments flash like lightning upon you.

DAVID: Okay. For the covenant of the son of man, it's suppose to be lighting from the eastern side to the west, seven seals. What else can merciful God in heaven do for you people? If you cannot believe in the warnings and the forward nations of Gods testament, if you cannot sit here and reason with us, and back down and humble your hearts before God, everything written by the mouth of the prophets will come upon you in perfect order.

I'm afraid for you. You, you're saying, on the one hand, that you, that you respect my religion, and on the other hand, I'm playing a life and death riddle with you, I'm trying to be a merchant with you, I'm trying to deal with you in mercy as best to my ability, and you say that my actions are contrary to your laws. I agree, but remember, your actions, likewise, shall be

1 uncovered. Your deeds and your activities shall be
2 investigated to the very light of, of reason, and
3 everything that you and your nations ever done. I'm
4 willing to throw these records out, but you have to
5 first acknowledge God. Forget about me, I'm just a
6 middle man. Forget about me. I am nothing more than
7 what God has permitted me to be. But the seven seals
8 are definitely important things.
9 Now, verse 6, what did God desire?
10 DICK: Mercy, not sacrifice.
11 DAVID: Yes, and the knowledge of what?
12 DICK: Acknowledgment of God rather than
13 burnt offering.
14 DAVID: And how do we know God but by his
15 seven seals, when there's time no longer, right?
16 DICK: Right.
17 DAVID: Okay. Now, it's very important then,
18 I'm hoping you're being able to see. Very important.
19 Okay. Now he says here, over here, that in Chapter 7,
20 verses 15. What does that verse mean there to you?
21 DICK: Verse 15?
22 DAVID: Right.
23 DICK: Okay, hold on for a second. Train
24 them and strengthen them that they do not plot evil
25 against me. Educated and strengthen so they won't plot
--

1 DAVID: The evil against God, right?
2 DICK: Exactly.
3 DAVID: So verse 16, what do they do then?
4 DICK: They do not turn to the most High.
5 They are like a faulty bow, their leaders will fall by
6 the sword because of their insolent words.
7 DAVID: Rage of their tongues, go ahead.
8 DICK: For this they will be ridiculed in the
9 land of Egypt.
10 DAVID: Okay.
11 DICK: They will be ridiculed by God.
12 DAVID: Okay. Because something to do with
13 their tongues, raging against someone, right?
14 DICK: Um-hum.
15 DAVID: Okay, so we go over here, in verses
16 11 and 12, and what does your scripture say there?
17 DICK: Verses 11 or 12 or are we talking
18 about Chapter 11 and 12?
19 DAVID: No, verses 11, 12, Chapter 8.
20 DICK: Okay. Though Ephraim built many
21 altars for sin offerings, these had become altars for
22 sinning.
23 DAVID: Okay.
24 DICK: Wrote for them the many things of my
25 law, but they regarded them as something alien. So
they didn't, they didn't follow the law --

1 DAVID: No, wait a minute. I have written to
2 them the great things of my law, --
3 DICK: Okay.
4 DAVID: -- but they were counted as a strange
5 thing.
6 DICK: All right.
7 DAVID: The last part of God's law is his
8 truth, the seven seals, of which you and your gentlemen
9 there and people of this country, are thinking are very
10 strange.
11 DICK: No, David, I don't believe that's
12 accurate.
13 DAVID: Oh, it is accurate.
14 DICK: We may, no, we may not understand them
15 all, but I don't think that we say they're strange.
16 DAVID: Look, let me say something.
17 DICK: Okay.
18 DAVID: In your, in your public reports, your
19 stating that I go into these very unique, strange
20 biblical babblings. Okay? Now, if there's a babbling
21 here it's you guys, it's not me. Just because you're
22 not subduing yourselves to have respect towards me, for
23 you have no knowledge of what respect I deserve, you
24 know, you think that these things, 'cause I have to --
25 I have to in very limited time project to you these
statements.

1 Now, you know Hosea says something about the Lord
2 being a merchant man, right?
3 DICK: Right.
4 DAVID: Balances, right?
5 DICK: Balances, yes.
6 DAVID: Okay, now you also know very clearly
7 that in the third seal Christ is revealed in a work
8 that will pertain to a black horse and he will have a
9 pair of balances, right?
10 DICK: Right, to measure the wheat and the
11 barley.
12 DAVID: Okay, not to measure the wheat and
13 the barley, but what happens is, is that the offering
14 is three measures of wheat --
15 DICK: For a penny.
16 DAVID: And three, and a measure, excuse me,
17 three measures of barley for a penny and a measure of
18 wheat for a penny.
19 DICK: Right.
20 DAVID: Now, that's the thing that you don't
21 yet understand. But, do you understand the Book of
22 Hosea as of yet?
23 DICK: Well, David, I'm not going to say that
24 I understand the whole, the whole book. You know, I'm
25 understanding as you're telling me about the book. You
know, these things that you've learned, you know, it's

1 taken you some time, you've learned this through a
2 period of time.
3 DAVID: No, it hasn't. I learned it in a
4 matter of five minutes, the whole book. You know,
5 you've got to be foolish. Here you sit, a man of this
6 generation, and you have telephone lines and access to
7 the greatest scholars of all the world. Men that are
8 in their 50's, 60's, 70's and 80's.
9 DICK: Okay.
10 DAVID: And you should be able to call them
11 up and inquire to them and say, hey, I've got a
12 situation, there's this young, 33 year old guy out here
13 in Waco, Texas, no place, nobody, and he's telling us
14 that the seals are found in the prophecies, can you
15 give me a quick run down on where the seals of
16 revelation meet their parallels in the prophetic
17 (Indiscernible) so I can answer this guy so we can get
18 all these kids out? You would think that'd be so
19 simple, wouldn't you?
20 DICK: David, I'm trying to understand. I'm
21 trying to understand --
22 DAVID: Let me tell you what you should
23 understand. You should understand that God who says no
24 man will know, I don't care how many translators and
25 how many times people have read this Bible over and
over and over again. God, who has the power over the

1 minds of men has kept from the eyes of man the
2 knowledge of the seals so that in judgement, thanks to
3 Christ who forgave you for not knowing what you're
4 doing, you'll not be judged by the law in latter days,
5 but be judged by the spirit of truth.
6 Now, there's one simple test.
7 DICK: Okay.
8 DAVID: That stands between you, heaven and
9 hell. You've got a decision to make. You want to go
10 to hell, stand next to the law and be measured by your
11 actions and faults everything that breaks the law you
12 should receive a just recompense or would you like a
13 free gift?
14 DICK: Of the seven seals?
15 DAVID: Would you like the righteousness of
16 Christ, everything Christ has received in heaven?
17 DICK: Certainly.
18 DAVID: Well, then, what you must do is
19 humble yourself, realize who you're dealing with and
20 simply play God's little game. It's a test of wisdom.
21 It's a test of honest childlike wisdom. Show me the
22 seven seals from the prophecies and I'm yours. Or, let
23 me show you and you are mine.
24 You can't get any fairer than that. God is being
25 very fair with this nation. God is being very sober
and very fair.

1 DICK: Okay.

2 DAVID: Now you have access all over the

3 world to gather your scholars and your teachers, the

4 men of your high deportment, to show you these seals.

5 DICK: All right. My understanding is that

6 if we show the seven seals, that you and your followers

7 will, will then understand that we know what the seven

8 seals are and that we will prepare to answer to God.

9 DAVID: Well, yeah, then, like I say, if you

10 know the seven seals, then I'm wrong. Then, so, then I

11 don't have a God then, everybody knows it then, so,

12 man, I'll just come on out. I mean, the only reason

13 why I'm here is because my God tells me to wait.

14 DICK: All right.

15 DAVID: I have no intention of, of, of

16 sitting here rotting and dying. I'd rather live in

17 prison than have to live here in this cold place.

18 DICK: Tell me again, David. When will you

19 come out with, with your folks?

20 DAVID: You see, where I stand right now is

21 this, when I was a child I had communications all the

22 days of my life, okay?

23 DICK: Okay, okay.

24 DAVID: In 1985, I was taken, when I was in

25 Israel, --

DICK: All right.

1 DAVID: I was taken, in my perceptions of my
2 being, to a place where I was shown all things
3 pertaining to the seals. This is my work.
4 DICK: All right, in 1985, then, all right.
5 DAVID: Okay. From 1985, to the present
6 time, I am not a person who studies the Bible night and
7 day. You can ask anybody that knows me.
8 DICK: All right.
9 DAVID: What I'm saying is, is that if I am
10 wrong, then, the seven seals, which are a mystery of
11 God, the God already told the prophets, right?
12 DICK: Okay.
13 DAVID: Then the prophecies, hey, they're
14 scholars and teachers in the world who are 60, 70, 80,
15 90 years old who are great scholars and theologians of
16 the world, yes or no?
17 DICK: Certainly.
18 DAVID: Great learned men, men who know
19 several languages. You know, -- language, arabic,
20 hebrew, right?
21 DICK: Certainly.
22 DAVID: Greek? Well, then, they should know
23 these things, shouldn't they?
24 DICK: I'm sure, I'm sure that there are
25 several that do.
DAVID: Well, like, get on the phone and get

1 them and get, and let them show you where the seals are
2 at. Call me up and show me the references and I'm out
3 of here.
4 DICK: All right --
5 DAVID: Because I have no foundation then.
6 DICK: All right, let me ask you a question
7 in light of what you just said, David. Is not this
8 open to interpretation? In other words --
9 DAVID: No, no. Psalm's 45 clearly shows you
10 the king, the bow, his horse. You can't deny that.
11 You can't be stupid and deny that.
12 DICK: I'm certainly not denying anything you
13 say.
14 DAVID: You cannot deny that Zechariah says
15 right there, a man on a red horse.
16 DICK: All right.
17 DAVID: Who do you think that man is? Come
18 off of it. You can't deny Hosea. He is a merchant
19 man, he has balances in his hand, come on. Revelation
20 says, point blank, he's got a pair of balances.
21 DICK: I understand. We're talking about
22 Hosea for the second seal then.
23 DAVID: The third seal.
24 DICK: I'm sorry, please, the third seal.
25 With the black horse, the rider with the balances.
DAVID: Exactly.

1 DICK: All right. Hosea for the third seal.
2 DAVID: Does he have a pair, -- is the
3 Revelation of Christ, does it not say he has a pair of
4 balances?
5 DICK: Exactly what it says.
6 DAVID: Does Hosea say he is a merchant man,
7 he's got the balances in his hand?
8 DICK: He does, it does.
9 DAVID: Okay. I'm not stupid, are you stupid?
10 Maybe I am stupid.
11 DICK: Well, I don't think that I am stupid,
12 I --
13 DAVID: The prophet says, the prophet says
14 he'll be one way and the Revelation says he'll be that
15 same way.
16 DICK: All right. So my understanding is
17 then, David, we can show you where the seals are found,
18 the information concerning the seals is found, then you
19 will, and your folks, will come out.
20 DAVID: Exactly.
21 DICK: All right.
22 DAVID: Do you understand the reasons why I
23 would say that?
24 DICK: Well, I understand you want us to
25 understand --
DAVID: Because if my God, if my God told me

1 that he'd give me the shadow of his hand, that's what
2 he told me. Right there in Isaiah, he told me that
3 audibly.
4 DICK: And God wants you to teach the seven
5 seals.
6 DAVID: He says he will, he will keep me as a
7 secret and a wonderment to many until I manifest myself
8 in the sacred scriptures by revealing the key notes of
9 the sacred scriptures to men, that men might know me by
10 the word of God instead of knowing me by miracle and
11 wonderment, right?
12 DICK: All right.
13 DAVID: Then --
14 DICK: I'm sorry, go ahead, David. I didn't
15 mean to interrupt.
16 DAVID: Then my trust is in God. And so God
17 speaks to me, right?
18 DICK: Right.
19 DAVID: And he tells me to wait and I wait.
20 DICK: All right.
21 DAVID: But, if you show me these things,
22 then that means my God lied to me. So why should I
23 obey him?
24 DICK: David, what I would like to do then,
25 is to go ahead and work on that and I'm going to take
that to my bosses. Now, as a sign of good faith on

1 your part, and we talked about this earlier, you'll
2 send out some children while we go to work on the rest
3 of the seals.
4 DAVID: Absolutely not. You did not show me
5 the third seal, I showed it to you.
6 DICK: We worked together on it.
7 DAVID: No, we didn't. I didn't work at all.
8 I knew it all along and I know what it entails
9 completely. Now it's time for you to go and work and
10 get all of your wise men together and really search
11 this out. Now, if these men of religion, men of the
12 cloth, really believe in God and love and mercy, they
13 will seek into God for the knowledge of these things,
14 will they not?
15 DICK: That's --
16 DAVID: Let God reveal to them. God talks to
17 them. Don't God talk to them? They say God does.
18 Okay, it's time for them to get with God, just like in
19 the days of ancient Babylon when Nebuchadnezzar had a
20 dream, right. He asked the wise men and astrologers,
21 the religious men of his day to answer his dream?
22 Okay, let's see.
23 DICK: David, I'll take that, exactly what
24 you said, to my bosses. Now, I know what they're going
25 to tell me, because we've been, we've been talking back
and forth with one another for several days now.

1 They're going to tell me that you must show a sign of
2 good faith.
3 DAVID: I did. I gave you this simple test.
4 DICK: And, and I took the test and I, and I
5 walked with you through several books of the Bible.
6 DAVID: You didn't show it to me. I showed
7 it to you, now, come on.
8 DICK: David, I'm not a biblical scholar --
9 DAVID: Okay, well, find someone that is.
10 Put me in touch with someone that is.
11 DICK: We can do that. We'll work, we'll
12 work on that, but please, show us a sign of your good
13 faith.
14 DAVID: I did already. You've got several of
15 my children there. Now, work on it. Wait a second,
16 someone wants to say something to you.
17 WAYNE: Hello?
18 DICK: Yes. Who is it that I'm speaking
19 with?
20 WAYNE: This is Wayne.
21 DICK: Wayne.
22 WAYNE: Who am I speaking with?
23 DICK: Dick.
24 WAYNE: Hello, Dick.
25 DICK: How are you doing this afternoon?
WAYNE: All right, and you?

1 DICK: Good. I'm glad to hear from you.
2 WAYNE: Why?
3 DICK: Well, I know that, that you're an
4 attorney in there and one of the concerns that folks in
5 there had is that when they come out, how will they be
6 treated, in what fashion will they be treated and what
7 are the procedures that will be followed, and I've
8 asked them to ask you to confirm some of the things
9 that I've told them. I hope they've come to you to do
10 that.
11 WAYNE: Well, we know, we know that you're
12 not following legal procedures. Everything you've done
13 is unconstitutional. You've thrown the constitution
14 out of the window. I mean, weak judges have
15 interpreted the constitution so that it doesn't mean
16 anything anymore. You know that and I know that.
17 DICK: David, we have followed the letter of
18 the law --
19 WAYNE: This is Wayne talking now.
20 DICK: I'm sorry, Wayne, please. I'm, I'm
21 just getting a little groggy here. We have followed
22 the law. We will continue to follow the law and you,
23 and you can explain to those folks inside what law must
24 be followed, and that is, as you suggested, the
25 constitution.
WAYNE: You don't serve a warrant by piling

1 out of your vehicle with your guns blazing.
2 DICK: Couldn't agree more. Couldn't agree
3 more.
4 WAYNE: I'm an eyewitness. It happened.
5 DICK: Absolutely, and you're an attorney.
6 WAYNE: Arrest those men. Investigate the
7 people that gave them orders to do that.
8 DICK: Okay, Wayne.
9 WAYNE: And then we'll start putting some
10 confidence in what you're telling us.
11 DICK: Tell the world what those men did. I
12 wasn't there.
13 WAYNE: Well, then give us, give us the
14 communication link to the world if you want us to tell
15 the, tell the world something.
16 DICK: You'll you'll have that communication
17 link then --
18 WAYNE: When?
19 DICK: We said that all along.
20 WAYNE: When?
21 DICK: As soon as you come out.
22 WAYNE: Give it to us now.
23 DICK: Wayne, listen.
24 WAYNE: We don't trust you.
25 DICK: Okay. I understand that. But listen,
we suggested yesterday, that we are agreeable to bring

1 out people to witness your coming out so that you feel
2 comfortable with the arrangements that have been made.
3 And, and they're, they're folks of your, of your
4 picking and your choosing. We are agreeable to doing
5 that. I know that there are concerns in there that
6 your folks will not be well treated, and we can, we can
7 deal with those issues by bringing people here that
8 you're comfortable with to witness the whole thing.
9 WAYNE: I'm comfortable with the
10 constitution.
11 DICK: As are we.
12 WAYNE: Okay, how about starting with the
13 Bill of Rights first amendment, freedom of the press?
14 How about giving us a right to talk to the press?
15 DICK: We're going to give that to you in
16 detail. You're, you know how many people out here want
17 to speak to you folks, Wayne?
18 WAYNE: No, I'm not talking future, I'm
19 talking now. How about opening up a link between us
20 and the press?
21 DICK: Wayne, we've opened up, we've done a
22 number of things that you've asked us to do and we've,
23 we've offered a number of things to you that you've
24 asked for. However, we have not gotten any show of
25 good faith from you. We have gotten, not gotten any
positive response to anything we've done.

1 WAYNE: We could have wasted every ATF on
2 this, on these grounds. And that's what we did for
3 you. We let you come in and take the wounded off, we
4 didn't fire on them, --
5 DICK: I know that.
6 WAYNE: -- and now you want to forget that.
7 You said we haven't done anything for you?
8 DICK: Wayne, I wasn't there, I'm talking
9 about --
10 WAYNE: I don't care if you weren't there.
11 You represent them. Have you ever heard of the law of
12 agency? You, you are their agents. You're working for
13 them. You're not working for us. You name me one
14 attorney that's working for us out there.
15 DICK: Wayne, people are going to be standing
16 in line to represent you folks, you know that.
17 WAYNE: I'm not talking future, I'm talking
18 now. Why isn't there a federal lawsuit to, to make the
19 press have the right to talk to us now? Why isn't
20 there one filed right now?
21 DICK: I'm sure there might be at some future
22 point.
23 WAYNE: No, not future, right now. How come
24 when attorney's try to call up the FBI, you won't even
25 identify yourselves. Are you chicken or something?
DICK: Now, what are you responding to?

1 WAYNE: How come no one can get service on
2 you guys?
3 DICK: How do you mean that Wayne?
4 WAYNE: What I'm saying, the attorney's, they
5 call up the FBI, they say they have a lawsuit, they
6 want to file it, and then they ask for somebody to
7 stick their neck out and tell them who they are so they
8 can put it on the lawsuit and have it filed and you
9 guys hang up on the telephone.
10 DICK: I don't know who it is you're
11 referring to. I have no knowledge --
12 WAYNE: I'm talking about all of you.
13 DICK: Let me tell you what my personal --
14 WAYNE: You call them.
15 DICK: My personal experience has not been
16 that way.
17 WAYNE: Okay, call Steve Brasher (Phonetic)
18 in Dallas.
19 DICK: What would Steve tell me if I were to
20 call him?
21 WAYNE: He'll tell you what attorney's been
22 trying to file lawsuits on the FBI and the ATF.
23 DICK: Well, that's a, that's a subject of
24 which I know nothing. I'm not from Dallas --
25 WAYNE: Well find out.
DICK: I'm not from Dallas, but --

1 WAYNE: Well find out.

2 DICK: Listen Wayne, we're not dealing with
3 that issue. We're dealing with this issue here and
4 now. Not what happened in the past, but what's
5 happening here and now at this time, in this place.
6 That's what we're dealing with and that's what we must
7 deal with to get, to get things moving. To get you
8 folks in a position where you can, where you can confer
9 with attorneys and where you can confer with the public
10 at large, and those kinds of people.

11 There have been many, many letters of support that
12 have been published in the newspaper, one I read to the
13 fellows out there today, indicating that many people
14 thought what ATF did was completely unlawful and
15 inexcusable.

16 WAYNE: Is congress investigating?

17 DICK: Congress, the article I -- two days
18 ago there was an article in the newspaper indicating
19 there would be a congressional inquiry in this matter.

20 WAYNE: When are they gonna start it?

21 DICK: It's presently ongoing. We're
22 gathering all kinds of information.

23 WAYNE: We haven't heard anything in the
24 media about congress investigating the ATF.

25 DICK: It's being done. We're trying to
gather reports.

1 WAYNE: It is not being done. Don't lie to
2 me, mister.
3 DICK: Wayne, listen, --
4 WAYNE: It is not being done.
5 DICK: What's the most important part of that
6 inquiry? The information coming --
7 WAYNE: That they get it started. That's the
8 most important part.
9 DICK: They need the information from you
10 folks inside there to do this in a reasonable manner.
11 They can't take the information from the ATF only.
12 They need the information from you folks inside. How
13 would they deal with inquiry without the information
14 from you folks within? It's impossible.
15 WAYNE: It's impossible to deal with, with
16 you, if you're not going to respect the constitution,
17 then we're not dealing with the government. You know
18 what we're dealing with? You know what you are?
19 DICK: I'm sure you're going to tell me.
20 WAYNE: You're un-American.
21 DICK: Really?
22 WAYNE: Really.
23 DICK: All right, you're certainly entitled
24 to your opinion. That, that's your opinion and,
25 please, you're welcome to it. And we can deal with
that issue too. You have the right to, to give us, and

1 we demand that information. You think that we want to
2 see a reoccurrence of, of the events of Sunday?
3 Absolutely not. You're the folks that can tell your
4 story to the American public. You have a forum, you
5 need to use that forum. It's imperative that you use
6 the forum. It's your responsibility to use that forum
7 to see that nothing like this ever happens again.
8 WAYNE: You're telling me the whole legal
9 profession doesn't have one lawyer out there that has
10 the nerve to go down to the federal court and file a
11 lawsuit for us?
12 DICK: I can't answer that question for all
13 the lawyers, you know that. That's, that's a question
14 you know I can't --
15 WAYNE: But you nobody's done it.
16 DICK: Now, what control do I have over that?
17 I have absolutely no control over that as you well
18 know.
19 WAYNE: I don't believe you.
20 DICK: Wayne, you know what you just said
21 makes absolutely no sense. What, what remedy do you
22 suggest? What is your suggestion as to how to get this
23 past this point of impasse?
24 WAYNE: We're demanding that you give us our
25 constitutional access to the media.
DICK: You're going to have access to the

1 media.

2 WAYNE: Not going to, give it to us now.

3 DICK: You will --
