U.S. DEPARTMENT OF THE TREASURY
BUREAU OF ALCOHOL, TOBACCO & FIREARMS

TAPE #132

March 18 & 19, 1993

7:38 a.m. - 8:21 a.m.

(Tape 132)

STEVE: Hello?

JOHN: Good morning.

STEVE: Good morning.

JOHN: How ya doing?

STEVE: Well, a little bit tired but not too bad.

JOHN: Not too bad, huh. You didn't sleep well last night?

STEVE: No, not too well at all.

JOHN: Oh.

STEVE: How about yourself?

JOHN: Not too bad. Not too bad. I felt, I felt better since we were able to, to really start to talk about substantive issues, you know.

STEVE: Uh.

JOHN: So, I think that's a, a breakthrough. So, we need to keep that -- good things going that we've got started again. How you doing?

STEVE: Well, what we're about ready to do, you know, we usually have a worship hour here. So, --

JOHN: I know. I know. Yeah, I know you have a daily --

STEVE: Yeah.

JOHN: Let me tell you a couple of things that are going to happen --

1 STEVE: All right.

2 JOHN: -- and so that you know about them.

3 Excuse me. Do you know the trash pile behind the back

4 of the house?

5 STEVE: Yes.

6 JOHN: Okay, there's a lot of trash back

7 there. Okay. What -- the message that we're getting

8 over here is that that's going to be moved further away

9 from the house toward one way or another but they're

10 going to move that trash pile with a -- like a bladed

11 -- like a road, a road clearer machine.

12 STEVE: Okay.

13 JOHN: Okay. And it's a bulldozer type

14 vehicle. And it's not a -- it's not any offensive

15 thing. It's got -- it's just like a, a -- an armored

16 road, road grader or an armored bulldozer, I guess

17 would be the better word.

18 STEVE: Okay.

19 JOHN: So, the guys on the, you know, out

20 there said, please, while they're doing this, you know,

21 just everybody stay calm. It's not for an offensive in

22 any way. It's just to move the trash.

23 STEVE: All right.

24 JOHN: Okay. Okay. And they would -- they

25 want no one near the windows when that -- you know, so

they just don't get, you know, upset or anything.

1 STEVE: Uh-huh.
2 JOHN: Okay.
3 STEVE: Well, there might be people peeking
4 out to see what's happening but --
5 JOHN: No weapons, though?
6 STEVE: Oh, no, that's -- you know, there was
7 a report, I think it was by Bob Ricks, I think a couple
8 of mornings ago, and he -- I believe it was him that
9 stated that there were at times people pointing guns or
10 assault weapons, things like that out the window.
11 JOHN: Uh-huh.
12 STEVE: That has never happened, not even
13 once, not even once.
14 JOHN: Okay, that's good. That's good.
15 STEVE: I mean but, no, but it's not good
16 because he stated that that happened. That is not
17 good. He told the press, he told the world that's what
18 happened.
19 JOHN: Right, right.
20 STEVE: This is why their reaction in certain
21 areas, no truth to it whatsoever.
22 JOHN: Good, good. Now, I understand that
23 they had -- they tried to -- remember when I told you
24 they were going to do the, the speakers last night?
25 STEVE: Uh-huh.
JOHN: Did -- could you hear them at all?

1 STEVE: Well, --

2 JOHN: Not too well?

3 STEVE: There was -- apparently, they had

4 problems with connections or something.

5 JOHN: That's my understanding, too.

6 STEVE: I -- probably will continue to have

7 things like that happen to them.

8 JOHN: Yeah. Okay.

9 STEVE: Getting stuck in the mud, things like

10 that. I wouldn't be surprised if it wasn't God just

11 allowing a little bit -- them to know that, hey, you

12 know, think of what you're doing here.

13 JOHN: Well, yeah, like, someone passed me a

14 note, it says that it works two ways. God, God gives

15 both sides chances, you know.

16 STEVE: Both side chances, right, okay.

17 JOHN: Both sides chances, yeah. So, okay,

18 on -- we're clear on the safety rules, right? We've

19 been through those before. You and I have gone through

20 the safety rules before. But there's been no

21 violations of the safety rules that I know about, you

22 know, about weapons and that stuff.

23 STEVE: Yeah, in fact, --

24 JOHN: Yeah.

25 STEVE: -- that's the whole point. That's

what I was bringing up --

1 JOHN: Exactly what you said.
2 STEVE: -- about windows and all this stuff.
3 JOHN: Right, exactly what you said, super.
4 Okay, great.
5 STEVE: But, really -- it, it really isn't.
6 I mean, you know, I say something to you and it seems
7 like the issue is ignored because later on, days later,
8 you've got somebody like Ricks giving a, a different
9 kind of a statement and description than the reality.
10 I mean there's nothing great about that at all.
11 JOHN: Okay.
12 STEVE: John, I don't -- what can be done
13 about things like that?
14 JOHN: You know -- okay, I'm glad, I'm glad
15 you asked me. I'm glad you asked me that question. I
16 was kind of hoping you would. I was going -- I was
17 going to give you the answer whether you asked me or
18 not. If you and I can show some progress today, sub --
19 something good, --
20 STEVE: Substantive, yeah.
21 JOHN: -- we can get these issues, these,
22 these other, these other irritants resolved. These are
23 in a sense, you know --
24 STEVE: You said that things -- now, look,
25 John, I know you're trying your best now but these are
the things that keep people from trusting anybody. And

1 we can keep on saying, let's send this one out or 100
2 or whatever, --
3 JOHN: Uh-huh.
4 STEVE: -- but when those things keep on
5 happening, --
6 JOHN: They're irritants.
7 STEVE: -- come on, we're talking about
8 irritants. We're talking about life.
9 JOHN: Uh-huh.
10 STEVE: What is trust based upon in the first
11 place here?
12 JOHN: Honesty.
13 STEVE: What is it based on?
14 JOHN: Honesty.
15 STEVE: And when you've got men like this ATF
16 agent speaking the way he does and Ricks gets up there
17 and makes statements how -- I'll give you a list like
18 you won't believe. Ricks is not telling the truth
19 himself. At times, it seems like he's trying. He'll
20 try to give -- but over -- there's times or it's just
21 outright not true. And if you want to discuss those
22 things with me or the people here that were involved or
23 that saw or that hear, I mean it's going to come down
24 to it's -- he's definitely not -- he wants it to sound
25 good to the press. That's not acceptable to these
people here. It makes it harder for me --

1 JOHN: I understand.

2 STEVE: -- it really does.

3 JOHN: I understand what you're saying. In,
4 in, in any situation, any situation, there's going to
5 be incorrect statements. And I'll tell you one way and
6 you are an articulate, articulate guy. That's not
7 flattery, that's, that's you. You know that and I know
8 that. You are an articulate person. When you come out
9 and tell the press what occurred and what the incorrect
10 statements have been, that's the way to get your story
11 out because -- for this reason, they are going to
12 record you on video. They are going to record you on
13 audio and that is going to be played on CNN and every
14 network throughout America.

15 STEVE: Does it -- John, does it bother you
16 in any degree at all that the FBI and/or the government
17 can control and have such power over the press and
18 other factions of society? Does that bother you?

19 JOHN: Let, let me tell you something.
20 Control of the press, if you call it control of the
21 press, only occurs when there's one side giving their,
22 giving their point because they have nothing else to
23 focus their attention on. When you have two sides of
24 an issue, even in the case of Watergate, you had deep
25 throat, you know. And, and it's often been referred to
that the press is out of control. You know what I

1 mean?

2 STEVE: I'm not talking about the press being

3 out of control. I'm talking about how they've not been

4 allowed to cover the story and they're all saying

5 basically the same thing.

6 JOHN: Steve --

7 STEVE: There's, there's some others across

8 America that are raising some pretty strong issues

9 about the Constitution, about what -- how far the

10 government's already gone, the concept of Big Brother.

11 I mean seriously.

12 JOHN: Let me tell -- let me tell you

13 something.

14 STEVE: Long before this -- I mean just from

15 my own observation, being at different universities,

16 speaking with professors, just watching history,

17 there's been so many holes in the history that a lot of

18 these professors have given and through the years you

19 ask questions. Where's the other dimension? There's

20 something missing here.

21 JOHN: Steve, when, when you come out and you

22 address the press --

23 STEVE: Well, I wouldn't be addressing

24 anything like that in the first place -- kind of

25 nonsense.

JOHN: Okay. All right. When David, when

1 David comes out and addresses the press or when the
2 people in there with you come out and address the
3 press, do you think anybody is going to listen to the
4 FBI or to Bob Ricks? There's -- that's going to be
5 over. There's going to be no more --
6 STEVE: Oh, no. I mean they're, they're only
7 going to give the, the credence from the way the press
8 is going to lay this out. Here's a bunch of loony --
9 let's, let's you and I be realistic. You know, here's
10 a bunch of loonies --
11 JOHN: Wait a minute, wait a minute. Stop,
12 stop --
13 STEVE: -- coming out and cultists --
14 JOHN: Steve --
15 STEVE: No, it's not that it's going to keep
16 me from coming out, by the way. That has nothing to do
17 with this at all.
18 JOHN: I know, Steve, but let me stop you at
19 one point. You do not sound like a loony and you are
20 not a loony. Let's, let's fact that fact. You're an
21 articulate man. You are going to be --
22 STEVE: Well, look, -- I mean --
23 JOHN: That's not flattery. We can listen to
24 these tapes and anybody that listens to these tapes
25 will say that guy's an articulate man. The press is
going to listen to you. You're intelligent. You've

1 got a story to tell. You are going to be in great
2 demand that for -- not for the sake of dollars. I mean
3 you could make a lot of money if you wanted to but the
4 point is, Steve, they want to hear your story.
5 STEVE: I'm not -- well, that's not something
6 I'm convinced about but --
7 JOHN: Oh, geez.
8 STEVE: I mean, look -- well, look, you know
9 and I -- you and I both know that the press and
10 different magazines and all the other medias and so
11 forth, everybody's into sensationalism and anything to
12 have a unique or oddball story, just like you have
13 these stupid, what is it, Enquirer and Star and all
14 that nonsense.
15 JOHN: No, no, no, that's, that's the
16 supermarket tabloids. We're talking about --
17 STEVE: Well, no, no, but, still, you know,
18 I, I don't really see anything in it. Not -- and I --
19 by the way, there's nothing I want to really get
20 involved with in the first place.
21 JOHN: You want to tell your story of what
22 occurred that 28th --
23 STEVE: I don't know. I don't know. Why of
24 course, you know, I want to get the facts out --
25 JOHN: That's what I'm saying.
STEVE: -- and get life straight again here.

1 JOHN: Let's get life straight. The part of
2 the problem and I was thinking about this last night
3 when I went home, part of the problem that I'm seeing
4 is, is that maybe, maybe we're all responsible for
5 doing this but we're all handling this situation maybe
6 one day at a time as versus as looking at the whole
7 picture for the future. Let's look at this thing as,
8 as not one day at a time but as a long range goal, an
9 immediate goal. And you and I can work together as
10 long as it takes, as long as is necessary, as long as,
11 as we can demonstrate, I can demonstrate, however you
12 want to put it, the negotiators can demonstrate that
13 progress is being made. You know, that's, that's what
14 we're looking at. And you know that as well as I do.
15 STEVE: Uh-huh.
16 JOHN: I mean, you know, that's, that's where
17 we're at. So, you know, if we can cause some momentum
18 to be made today, it's going to go a long way. And,
19 and I know it sounds like, you know, something -- a
20 record that's being replayed and I don't mean to say it
21 that way. I just wish I could rephrase it differently.
22 But, by the same token, I, I want to be honest and, and
23 tell you the way it's at.
24 STEVE: Uh-huh.
25 JOHN: So, what about this morning?
STEVE: What about this morning?

1 JOHN: Yeah, what are we going to do? Are we
2 going to sit -- did you want to get to Byron?
3 STEVE: Well, we're -- they were just going
4 to -- not right now, not this early because we're just
5 going to have some time, you know.
6 JOHN: Uh-huh.
7 STEVE: It's every morning that we have this
8 time and it's very important.
9 JOHN: How about, how about after the daily?
10 STEVE: After that, how about that I call you
11 and talk to you?
12 JOHN: All right.
13 STEVE: And remember how I said I've already
14 talked to some of these women. So, how about that I
15 talk to them again and --
16 JOHN: Great.
17 STEVE: -- they can come and talk with you on
18 the phone?
19 JOHN: I, I accept, accept your
20 representation of what they're going to say and I would
21 be more than thrilled -- more than thrilled to talk to
22 them on the phone.
23 STEVE: I'm not going to -- in fact, I
24 haven't talked to -- only a couple of them I just --
25 and I don't want to say anything to them. I thought
I'm going to let you have the opportunity.

1 JOHN: Great.

2 STEVE: No influence from me whatsoever other

3 than he'd like to talk with you, he's concerned about

4 your safety.

5 JOHN: I am.

6 STEVE: That's about all that I'm saying.

7 So, you can, you know, open up to them what you want or

8 whatever. They will definitely listen.

9 JOHN: All right.

10 STEVE: They're going to listen.

11 JOHN: Okay. Who, who --

12 STEVE: These are the ones that will -- with

13 the children and so forth.

14 JOHN: All right, that will be good. That

15 will be really good. That's great.

16 STEVE: And I'll do that just as soon as

17 this, you know, the hour is over.

18 JOHN: Okay. Thank you very much.

19 STEVE: Sure.

20 JOHN: I'll talk to you later.

21 STEVE: Talk to you later.

22 JOHN: Thanks, thanks, Steve.

23 STEVE: Sure. Bye.

24 JOHN: Bye.

25 * * * *

UNIDENTIFIED FEMALE SPEAKER: Hello?

1 JOHN: Hi, this is John. Is Steve there?
2 UNIDENTIFIED FEMALE SPEAKER: Just a moment.
3 (Gap)
4 UNIDENTIFIED FEMALE SPEAKER: John?
5 JOHN: yeah.
6 UNIDENTIFIED FEMALE SPEAKER: He can -- can
7 he call you back in just a few minutes.
8 JOHN: Sure.
9 UNIDENTIFIED FEMALE SPEAKER: Okay, thanks.
10 JOHN: Okay. Thank you.
11 UNIDENTIFIED FEMALE SPEAKER: Bye-bye.
12 * * * *
13 STEVE: Hello? Hello?
14 MIKE: Hello.
15 STEVE: Yes.
16 MIKE: Steve?
17 STEVE: Yes.
18 MIKE: Mike.
19 STEVE: Mike, what's happening?
20 MIKE: How are you?
21 STEVE: Okay. How's yourself?
22 MIKE: All right.
23 STEVE: Okay. What's happening there?
24 MIKE: Well, we just got notified by other
25 people that they're going to bring some more equipment
up close to the house and they're going to, apparently,

1 remove those diesel fuel tanks.

2 STEVE: Diesel fuel tanks. Now, what do you

3 -- what do you mean diesel fuel tanks?

4 MIKE: Well, that's -- I guess you tell me.

5 STEVE: Oh, you're talking about our's?

6 MIKE: Yeah, the ones right at the, the turn

7 in the road there.

8 STEVE: You betta let me call you back. You

9 guys are getting pretty serious now.

10 MIKE: Well, --

11 STEVE: I'll call you back.

12 MIKE: Okay. We're just letting you know

13 something's coming up.

14 * * * *

15 MIKE: Steve, he says go ahead.

16 STEVE: Just a minute. It's 92 octane super

17 unleaded.

18 MIKE: 92 octane super unleaded, huh?

19 STEVE: Uh-huh.

20 MIKE: Gasoline?

21 STEVE: That's what it is.

22 MIKE: Okay. Yeah, I will just pass it along

23 so that --

24 STEVE: Just, just a minute. I was talking

25 with David, he says a match might go off. He says it

might be better just to leave it alone.

1 MIKE: Okay. Well, we'll telling our people.
2 They literally -- we're in a position, Steve, they're
3 telling us. They said we're moving forward with some
4 equipment for the fuel tanks.
5 STEVE: Keep, keep coming. David says inch
6 by inch, Mike.
7 MIKE: Well, --
8 STEVE: Keep coming, inch by inch. Get
9 closer and closer.
10 MIKE: Some of it's beyond our control now,
11 Steve.
12 STEVE: Somebody did -- you and I, both of
13 us. I'm going to face God, you are, too.
14 MIKE: Right.
15 STEVE: You're right, all of it's beyond your
16 control. You've got choices to make. I do.
17 MIKE: Right. Well, we know that. We've all
18 -- we had --
19 STEVE: So, you know, make your choices and
20 keep on going.
21 MIKE: Well, we've had choices for all these
22 days.
23 STEVE: Okay. We'll talk to you later.
24 (End of Tape #132)
25

U.S. DEPARTMENT OF THE TREASURY
BUREAU OF ALCOHOL, TOBACCO & FIREARMS

TAPE #133

3/19/93
8:21 a.m. - 9:02 a.m.

1 (Tape 133)

2 STEVE: Hello?

3 JOHN: Steve?

4 STEVE: Yes.

5 JOHN: John Dolan.

6 STEVE: How ya doing, John?

7 JOHN: Good. How are you doing? I've only

8 got a couple of minutes, --

9 STEVE: All right.

10 JOHN: -- literally a couple of minutes. So,

11 let me run this by you very quickly.

12 STEVE: Okay.

13 JOHN: I work last night quite late with

14 Mr. Jamar.

15 STEVE: Okay.

16 JOHN: And, and I convinced him how important

17 the things that you asked, how important they are to

18 you and to David. It was -- wasn't easy, it just

19 wasn't easy, and I worked very hard. And I did it for

20 a lot of reasons, but it's done. Okay. I convinced

21 him that everything you wanted, the Time, the Newsweek,

22 the people, the Dr. Arnold tape, and the legal

23 documents would give you something to work with.

24 STEVE: Yeah.

25 JOHN: Is that everything you wanted?

STEVE: Well, see, that was -- after talking

1 to all those people, you know, in the last few days and
2 then getting back and talking with you --
3 JOHN: I know. I know. But that's what he
4 wanted, right?
5 STEVE: Yes. These would be the tools -- can
6 I just say one thing, though?
7 JOHN: Sure --
8 STEVE: Because of what hap --
9 JOHN: -- go ahead.
10 STEVE: When I walked away, I was hoping that
11 during that time you would have time -- some others
12 would be able to talk and I was hoping for all I'm
13 worth that I could be sitting down with these people
14 and saying, look, we got somebody to look at this.
15 JOHN: Okay.
16 STEVE: But here's -- you know what happened
17 then?
18 JOHN: I know but we still can't look.
19 STEVE: But I mean they damaged --
20 JOHN: I, I know, I know it. Look, the boss
21 just wants to make sure that David still wants these
22 things. So, does --
23 STEVE: Well, see, David never, David never
24 put -- just to make it clear, he didn't say really much
25 about it at that time.
JOHN: I know, I know. Look, listen. I can

1 get those things in. Help me. I can get --
2 STEVE: Okay.
3 JOHN: -- those things --
4 STEVE: All right.
5 JOHN: -- today, this morning, before the
6 news conference, just send them in period. I just have
7 to hear David say that he still wants these things.
8 And no trade, it just gets sent in, you know.
9 STEVE: Okay.
10 JOHN: So, that's all I have to hear.
11 STEVE: Okay, just a moment, okay? Just hang
12 on.
13 (Gap)
14 STEVE: John?
15 JOHN: Yes.
16 STEVE: Yeah, he was -- he actually reacted
17 fairly well but he says, yeah, -- he said yes to that
18 but he says, tell them, he said, all I ask is they
19 remember the other day my -- for himself, for himself,
20 he said, was for time because the new moon's coming up.
21 He says, we're not going to be in here forever. We're,
22 we're getting ready to come out of here. He says --
23 JOHN: Okay.
24 STEVE: -- and we have been, and he's been
25 waiting. You know, there's been things shown to him.
JOHN: I know.

1 STEVE: Remember what I -- I know --
2 JOHN: I know. I just need him to say thirty
3 seconds, fifteen seconds it will be delivered. That's
4 all I ask.
5 STEVE: Okay, yeah, yes, to that. He said --
6 JOHN: No, just -- I need to hear his voice,
7 that he wants it. That's what --
8 STEVE: Oh, you want, you want to talk to
9 him, right?
10 JOHN: Thirty seconds, forty seconds at the
11 most.
12 STEVE: Okay. Well, --
13 JOHN: That's all.
14 STEVE: Okay. What he did say, though, he
15 says, you're petrifying the -- he says, that would have
16 been fine to do that and it would have gone such a long
17 way.
18 JOHN: I know. I know.
19 STEVE: But he says what, what the -- he
20 says, if these people are coming back, what are they
21 coming back for? Everything is -- like the 25,000 --
22 JOHN: Steve, Steve, I know we can -- work
23 with me on this. We can --
24 STEVE: Okay.
25 JOHN: -- get it in very shortly.
STEVE: Hang on, okay? Let me ask. Hang on.

1 JOHN: It will only take 40 seconds of his
2 time.
3 STEVE: Okay. Hang on, John. John, hang on.
4 (Pause)
5 STEVE: John?
6 JOHN: Yeah, yeah.
7 STEVE: Okay, hang on. I'm going to try to
8 get the phone over --
9 JOHN: Thanks a lot.
10 (Pause)
11 DAVID: Say, John?
12 JOHN: Good morning, David. Hold on one
13 second, please, sir, one second.
14 DAVID: Sure.
15 BYRON: Hello, David?
16 DAVID: Yes.
17 BYRON: Yeah, this is Byron.
18 DAVID: Who?
19 BYRON: How ya doing? Byron Sage.
20 DAVID: Oh, okay.
21 BYRON: Good morning.
22 DAVID: Well, we had our ears in our -- our
23 fingers in our ears yesterday.
24 BYRON: I apologize for that.
25 DAVID: That 92 octane fuel, we thought, oh,
no, we're all going to be fried now if that --

1 BYRON: Now, hopefully, hopefully, you'll
2 realize what -- I need to get a couple of things past
3 you here real quick --
4 DAVID: Go ahead.
5 BYRON: -- 'cause I'm, I'm heading out the
6 door. John just got called in to talk to Mr. Jamar.
7 John's been working real hard with, with Mr. Jamar most
8 of the night regarding these documents. You still want
9 the, the Waco documents that I was able to get together
10 for you and I understand they're willing now to bring
11 forward the magazines that we've gotten and Time
12 magazine people, Newsweek, the cassette tape and so
13 forth.
14 DAVID: Uh-huh.
15 BYRON: We just want to make sure that you're
16 aware of the fact that we've got them. We're prepared
17 -- in fact, I'm going to be heading up there again.
18 Hopefully, it won't hurt your ears but I'll, I'll make
19 sure that those things are delivered. We can start
20 using those, those as a positive building tool for
21 getting the day off on a positive note.
22 DAVID: Right.
23 BYRON: Okay. So, I'm going to have --
24 DAVID: One, one thing I want -- I do want to
25 emphasize is that, hey, you know, I realize that you
all don't understand where we're coming from but, you

1 know, please try to understand that, you know, it's,
2 it's not going to be that much longer and stuff, you
3 know, for what, for what I have to do and what, what
4 I'm receiving. I mean, you know, like I say, you know,
5 there is a truth. There is a truth. It's, it's going
6 to be known, you know. And, and you're right, I do
7 need to be alive for it to be known. I'm not planning
8 on killing myself, --
9 BYRON: Good.
10 DAVID: -- you know.
11 BYRON: Absolutely.
12 DAVID: The key note is that, you know, if we
13 could just -- if we could just have a, a little more
14 toleration on your part, you know, not -- try not to
15 destroy anymore of the property.
16 BYRON: Dave --
17 DAVID: I mean you're telling, you're telling
18 the individuals here -- now, like I say, just, you
19 know, it's a good day. Things have started off -- the
20 people don't understand when they see their cars --
21 BYRON: I, I couldn't agree --
22 DAVID: -- demolished.
23 BYRON: Dave, I understand exactly what
24 you're saying.
25 DAVID: You know.
BYRON: In fact, I'm, I'm getting waved in,

1 that the boss wants to see me right now.
2 DAVID: All right.
3 BYRON: I'll pass that along to him. I
4 understand what you're saying.
5 DAVID: Good.
6 BYRON: We're all anxious to try to get this
7 resolved safely and --
8 DAVID: Right, and I'm not --
9 BYRON: -- if you'll --
10 DAVID: -- I'm not trying to be a hard
11 person. And like I'm saying, you know, like I say,
12 it's, it's going to turn out the way you people want it
13 to. It's --
14 BYRON: Well, I think it's the way all of us
15 want it to. That's, --
16 DAVID: Well, --
17 BYRON: -- that's what we're trying to find,
18 that common ground.
19 DAVID: Yeah, and, and, and understand, it's
20 just, it's just an element of a little more time. And
21 like I say, you know, try not to, you know, -- I know
22 that the commander is going to do what they feel they
23 have to do, you know. It's -- to me, it doesn't bother
24 me, you know. My, my Harley's been torn up, you know,
25 and stuff like that, you know. Things like that don't
bother me.

1 BYRON: David, David, do me a favor, will
2 you?
3 DAVID: Sure.
4 BYRON: Realize that the -- this is just like
5 any other, any other situation that you and I have
6 faced repeatedly in life. Actions are basically
7 determined as a reaction to what someone else does. As
8 long as, as we can show -- as long as John and myself
9 and the other guys can go in and talk to Mr. Jamar and
10 show him that you are committed to a resolution. What
11 he's looking at is -- in his estimation, that's not
12 necessarily ours, but in his estimation, he's going --
13 he's looking at what he keeps referring to as the big
14 picture. I'm sure you have heard that term before.
15 What he's seeing is a lack of people coming out.
16 DAVID: Right.
17 BYRON: What we're telling him is, we've got
18 a good exchange. We've got good rapport. We've got
19 good dialogue. I think we're -- we have a good
20 understanding. He just wants to see some movement.
21 With John's --
22 DAVID: Well, remind him --
23 BYRON: Let, let me finish, just a second.
24 John's work all evening long to insure him that we
25 think that this is a commitment that you need to see
again so that we can get this thing off the dime. Now,

1 they're flagging me down again. I'm going to have to
2 take off. You'll be able to talk with these guys.
3 They're probably going to call you back just as soon as
4 you want, but --
5 DAVID: Okay. let's, let's talk about this
6 some more 'cause like I say, you know, it's -- that,
7 that move on your -- it doesn't look good. I mean --
8 BYRON: David, I don't doubt for a moment --
9 DAVID: We'll work around it, though.
10 BYRON: Yeah.
11 DAVID: No problem.
12 BYRON: That some of our actions have -- and
13 probably sent the wrong message as far as --
14 DAVID: I don't believe you're doing it. I
15 believe, I believe like, you know, somebody that you,
16 that you don't have control over is doing it.
17 BYRON: Well, let's, let's work together.
18 You and I or you and John and the rest of the guys down
19 here, we can work this thing together and try to
20 correct those actions.
21 DAVID: Okey-doke.
22 BYRON: Okay?
23 DAVID: Okay.
24 BYRON: They'll be right back in touch with
25 you. Listen, I appreciate your coming to the phone.
We're going to try to get these things handled. Hold

on just a second.

DAVID: Okay.

BYRON: Yeah. When you see the Bradley come down, we'll go ahead and deliver it at the same location, if that's okay with you.

DAVID: That'll be fine.

BYRON: Probably -- you're probably talking half an hour to an hour, as long as it takes me to run this stuff out forward.

DAVID: Right.

BYRON: Now, please bear this in mind. These guys will still be here today to try to work through this thing with you. I'm going to be up there right around the corner from you, pal. And as soon as you want to get this thing resolved, I will personally make sure that we get it handled. Okay?

DAVID: Okey-doke.

BYRON: Okay. I'm going to have to get off the phone, Dave, but --

DAVID: Okay.

BYRON: -- I appreciate talking to you.

DAVID: Okay. I'll talk to you later.

BYRON: See ya soon.

DAVID: Bye-bye.

BYRON: Bye.

(End of Tape 133)

U.S. DEPARTMENT OF THE TREASURY
BUREAU OF ALCOHOL, TOBACCO & FIREARMS

TAPE #134

3/19/93
9:02 a.m. - 2:35 p.m.

(Tape 134)

STEVE: Hello?

JOHN: Steve?

STEVE: Yeah.

JOHN: John.

STEVE: I was, I was down at the end of the hall there.

JOHN: Okay.

STEVE: Yeah. I tripped over a box here.

JOHN: Yeah, you okay?

STEVE: Yeah.

JOHN: All right. Delivery's been made.

STEVE: Okay.

JOHN: Okay.

STEVE: Can we send him out?

JOHN: Sure.

STEVE: Okay.

JOHN: Go ahead.

STEVE: Do you want me to call you back in a little while or after awhile or --

JOHN: Sure, sure, we'll be here. We'll be here.

STEVE: Okay.

JOHN: Bye-bye.

STEVE: Okay.

* * * *

JOHN: Hello?

1 STEVE: Hello, John?

2 JOHN: Hi, Steve.

3 STEVE: Yes. David, he's right here and they
4 just played the tape again, you know, the conversation
5 between him and Byron -- he wants --

6 JOHN: Uh-huh.

7 STEVE: They've heard it so many times, you
8 wouldn't believe but, anyway, David's right here with a
9 smile. He wants -- he'd like to speak with you.

10 JOHN: Great.

11 STEVE: Okay, here he is.

12 DAVID: Mr. Dolan?

13 JOHN: Hi, David.

14 DAVID: Sometimes referred to as John-2.

15 JOHN: Yes, or John Dolan (Indiscernible).

16 DAVID: Okay. Say John-1, John-2, John-3,
17 huh?

18 JOHN: Doing, doing fine. How ya doing?

19 DAVID: Fine, now.

20 JOHN: Good.

21 DAVID: Listen. Again, like I, like I tried
22 to emphasize, there's a lot of misunderstanding about
23 -- especially from the magazines, you know, my role and
24 my part in all of this but, you know, the key is I'm
25 going to try to lay out as simply as possible where
we're at here as a body or as a religious organization.

1 JOHN: Okay.

2 DAVID: And what workings are taking place
3 from in, in the, in the midst of us.

4 JOHN: Uh-huh.

5 DAVID: You know, the whole, the whole
6 perception of Christianity is, is obedience to God. I
7 mean that's, that's just the whole matter of the fact.
8 From, from the time that God liberated Israel from
9 Egypt all through, God has something to say and God
10 expects people who have ears to hear and eyes to see
11 to, to witness and to hear and to reason and to walk in
12 the light of his counsel. That's, that's just the
13 whole subject of God throughout the scriptures,
14 correct?

15 And, so, churches and religious bodies are a
16 witness to the world that there is a God and that there
17 are things unseen that are realities and that we who
18 live in the world of reality should take knowledge of
19 the wisdom of the ancients, those who were closer to
20 the beginnings of time and those who witnessed the
21 manifestations of God, you know. The Bible scripture,
22 it's been around a long time. We've all been
23 confronted with it, haven't we?

24 JOHN: Sure.

25 DAVID: Okay. And, of course, you know, we,
just as many other groups in this country are

1 professing a knowledge of God and a lot of people are
2 startled to, to hear what foundation I'm basing our
3 knowledge 'cause we do claim that we're separate from
4 everybody else and not to be compared with any,
5 although that's definitely what people are trying to
6 grasp a hold of.
7 Now, within our range, like I say, the
8 opening of the seals is the most prolific and the most
9 important event in the history of religion known to the
10 scriptures of the Bible. I mean it's, it's the last
11 event, isn't it? And, of course, it's also in itself,
12 it's a test, it's a test and it's an event, it's a
13 political matter. I've been trying to explain to Mr.
14 Dolan about this because, you know, if there is a God,
15 -- he has a government, too, doesn't he? And as we
16 have a sun and we have a system of planetary bodies
17 that, you know, revolve around the sun. So, there are
18 many suns throughout the universe and galaxies and, and
19 just enumerable.
20 JOHN: Uh-huh.
21 DAVID: And we would be vain to think that
22 we're the only form of life or intelligence in this
23 world. I mean just on -- in this, this solar system.
24 I mean, no doubt about it, probability and wisdom would
25 teach us that there are intelligence far above us and
beyond.

1 JOHN: Uh-huh.

2 STEVE: And, of course, you know, if there is
3 this governing power and system called God and if God
4 has communicated to men in this world and if it is
5 through the testament of scripture, then no doubt,
6 again, I emphasize that, you know, the seven seals is
7 definitely a mystery. It's an in-time thing. When
8 there's time no longer, this mystery should be
9 finished. And this is our position. I know it seems
10 to your view to be a, an abstract or a strange --
11 especially based upon our apparent actions, you know.
12 I understand that you all don't want to deal with us on
13 a religious basis, especially from the fact that men
14 have lost their lives. I mean, you know, we're under
15 investigation for firearms misuse. I mean, you know,
16 these are things that we understand, you know, and I'm
17 very sympathetic in regards to these things. But where
18 we're at right now, separate from where you're at, is
19 that, you know, we have a knowledge and an
20 understanding and within our own ranks, within the
21 members -- you know how mankind is, we all make
22 mistakes, don't we?

23 JOHN: Of course.

24 DAVID: You know, within our own members we
25 have a problem that is based upon knowledge that's been
given from the scripture, knowledge that's been

1 violated within our own ranks and there are people who
2 have been enlightened in regards to the will of God in
3 harmony from the Bible and they found themselves in
4 transgression to this will. And, like I say, you have
5 to bear with me to try and understand --
6 JOHN: I, I'm listening to you.
7 DAVID: -- from our point of view. So, you
8 know, and, you know, like I say, when they, when they
9 brought all these things in, you know -- of course, we,
10 we knew, we knew that, you know, the FBI -- remember
11 Mr. Friday and all that on T.V., you know. You know,
12 we knew, we knew you all had bugs and stuff, you know,
13 but --
14 JOHN: Uh-huh.
15 DAVID: -- the thing, the thing of it is
16 this, you know, understand that from amongst us it's
17 not just a matter of people coming out to the, to the
18 judicial system of justice as it is known in the world,
19 it's a matter of a person finding themselves,
20 reconciled unto God because, you know, the Bible
21 teaches clearly throughout all the prophetic writings
22 that God controls the affairs of the nations. You
23 know, there's no nation or empire that's not been
24 allowed to be set up except to be by God.
25 JOHN: Uh-huh.
DAVID: I mean, you know, God's letting us

1 all live.

2 JOHN: Uh-huh.

3 DAVID: And, so, where we stand right now,
4 and I've been trying to explain this since day one and
5 I know it's been kind of, you know, abstract to you, is
6 that we are resolving something within ourselves in
7 regards to individuals who have been found in this
8 transgression, you know. The, the event of Sunday took
9 place.

10 JOHN: Uh-huh.

11 DAVID: Like I say, we have been preparing
12 for, for not this event, in particular, but forever
13 since 1985.

14 JOHN: Uh-huh.

15 DAVID: I mean, you know, the testament of
16 the prophets, the testament of the revelation, the
17 perfect harmonization of scripture, the mind of those
18 who said that God said, you know. Has to be perfectly
19 harmonized before we can get a complete picture and
20 that's what we have done. Individuals have received
21 this information but they, but they fail to adhere to
22 it and every principle and this puts them in a bad
23 light with God.

24 JOHN: Uh-huh.

25 DAVID: And, so, now what we're resolving now
is the fact that, that we, that we understand -- and

1 this is where I tell you that I've been waiting for
2 information from my commander which I state is the God
3 who sits on the throne, my father, which -- he's your
4 father, everybody else's father, too. It's just some
5 people don't know him to the degree that maybe others
6 do. And in the reconciliation, we're in the process
7 now to where these individuals who will be coming out,
8 they know why they'll be coming out.
9 JOHN: Uh-huh.
10 DAVID: And they understand and they are to
11 be made to understand that, you know, everything from
12 this point on is in the providence of God and this is
13 where my position comes in to show them from the
14 testaments again, to reconfirm the covenants.
15 JOHN: Uh-huh.
16 DAVID: Reconfirm to them that what's been
17 written aforetime -- well, you know, that's one thing
18 that God always states, like through Isaiah, he claims
19 he's the God who declares the end from the beginning
20 from ancient times, things not yet done. He claims
21 that by his word he made heaven and earth and he claims
22 by his word his projections of future events will come
23 to pass as he declares. He claims he has that power
24 over the sun, moon, stars, the elements of the atomic
25 creation. You know, he says he can bring it to pass as
he will. And he gives me his options. There are

1 prophets that don't need to be fulfilled. No one needs
2 to be destroyed.
3 JOHN: Uh-huh.
4 DAVID: You know, and there are prophecies
5 that should men fail to take heed to this counsel and
6 his will, then they will definitely receive the
7 retribution foretold.
8 Now, there are people here who are really
9 more concerned and afraid in the fear of God than they
10 are of what they might receive in punishment at your
11 hand.
12 JOHN: Uh-huh. Uh-huh.
13 DAVID: You know. Israel was scattered
14 amongst the nations because when Israel wanted to be
15 like the nations, they forfeited their blessings from
16 God. So, God says, all right, you want to be like
17 them, get out there with them.
18 JOHN: Uh-huh.
19 DAVID: You know, like the prodigal son and
20 the new covenant, you know. And you'll be under their
21 laws and under their mandates and you follow -- like
22 with Babylon, God says to Isaiah -- I mean to Jeremiah,
23 those who go into Babylon, seek the peace of Babylon.
24 And, and, you know, and where the cities of peace will
25 have, then you'll have peace.
JOHN: Uh-huh.

1 DAVID: You're under the law -- and we
2 believe in that.
3 JOHN: Uh-huh.
4 DAVID: You know, we believe in the
5 Constitution. We believe in America. We know God has
6 blessed this nation above all nations, you know. It
7 may be true we may have stepped over the borderline of
8 certain regulations but there's a reason for it and
9 that's where it lies in the hands of God.
10 JOHN: Uh-huh.
11 DAVID: Something that God will have to get
12 us out of, you know. We step into the fires of, of
13 Babylon. It, it's going to take God to get us out of
14 it.
15 JOHN: Uh-huh.
16 DAVID: And we, and we are fully ready and
17 satisfied with that, you know, your decisions in
18 regards to our judicial position. We're satisfied
19 with what the courts will decide in regards to our
20 individual cases because our faith, again, is based in
21 a higher court, you know.
22 JOHN: Right.
23 DAVID: If we go to the Supreme Court here
24 and are found guilty in every degree, then we, we have
25 confidence there's one last court.
JOHN: Right.

1 DAVID: You understand what I'm saying?
2 JOHN: Completely.
3 DAVID: Okay. So, so, this is something that
4 I know -- you know, we've been trying to emphasize to
5 you all but, again, the shadows of the walls between us
6 is, is the, is the fact and it is a fact that, you
7 know, that the way you perceive me to be and the way I
8 may be is two different things.
9 JOHN: Of course.
10 DAVID: But our knowledge in regards to the
11 last will and testament, you know, to the Christian
12 church, clearly what must be hereafter is the seals. I
13 mean that's what John the revelator stated. That's the
14 last new testament message of the Bible. And there's a
15 reason for it to be that way. I mean, you know,
16 there's a reason for it and it's a very reason, so that
17 there will be no shadows of a doubt that only the Lamb
18 can reveal it. And, of course, we stated very clearly
19 that this is exactly what we've taught our students.
20 We've revealed this to our students. And, you know, no
21 man knows Christ by sight.
22 JOHN: Uh-huh.
23 DAVID: And it's -- the only way we can know
24 Christ is that we believe God in, in heaven has a book
25 and there's seven seals and, obviously, anyone with
intelligence can see the seals according to what's

1 revealed in revelation. But, you know, the prophets
2 must be harmonized so that we have the details given to
3 it. So, again, let me emphasize, amongst our ranks --
4 JOHN: Uh-huh.
5 DAVID: -- there are those who need to see,
6 again, from the covenants where their position lies in
7 regards to God dealing with them throughout the system
8 known as the beast. You know, God entitled the nations
9 "The Beast".
10 JOHN: Uh-huh.
11 DAVID: Because man by nature -- we're just
12 like any other kind of animal in creation.
13 JOHN: Uh-huh.
14 DAVID: With our own minds, we're simply
15 beasts.
16 JOHN: Uh-huh.
17 DAVID: Inspirations where God from a higher
18 intelligence gives me a knowledge and wisdom above
19 their natural source.
20 JOHN: Uh-huh.
21 DAVID: You know, the prophets weren't,
22 weren't given just natural communications, were they?
23 Same as, you know, if a space man came down and put you
24 in a spaceship and drove around the universe, you'd
25 definitely come back with a higher light of
understanding, wouldn't you?

1 JOHN: Of course.

2 DAVID: They'd think you's crazy but that

3 would be your wisdom and not theirs.

4 JOHN: Exactly.

5 DAVID: Okay. So, so, I'm trying to

6 emphasize, again, that where our time is spent at this

7 moment -- and like I say, it's not going to take an

8 awful lot of time, but I have to take these individuals

9 and we're going to go over the covenants. And it could

10 be possibly as early as -- well, see, tomorrow's

11 Shabbat, sabbath, right?

12 JOHN: Yes.

13 DAVID: Okay. Well, this is a

14 (Indiscernible) on you all's part. And, like I said,

15 I'd have to -- you know, I would appreciate that you

16 would respect our sabbath but as soon as tomorrow

17 evening, Shabbat evening when the sun starts to go

18 down, when Shabbat's over, --

19 JOHN: Uh-huh.

20 DAVID: -- you know, we could have some

21 people coming out for you. And, like I say, this is,

22 this is, this is a promise. This is a guarantee. I'm

23 glad that, again, there's been some effort on your part

24 to realize that we're, we're hardheaded here, you know

25 that?

JOHN: I know that.

1 DAVID: That we'll die for what we believe
2 in.
3 JOHN: I, I, I --
4 DAVID: What I'm emphasizing to my students
5 is is that, hey, dying is not what brings us in the
6 God, you know. If we die because we are in the will of
7 God, then definitely we're under God's will but if we
8 die in transgression against God, we're in trouble.
9 JOHN: Uh-huh.
10 DAVID: You know, and, and this is something
11 that these people have to realize, that, that God is
12 not to be trifled with. Where blessed them with
13 information and some people violated that information
14 and, you know, they're not, they're not to fear what
15 the world can do to them. They're to fear what God can
16 do. And this is where we need to get reconfirmation to
17 make sure that there is yet an (Indiscernible)
18 remaining for people that fell into this certain thing
19 that we're confronted with here.
20 JOHN: Uh-huh.
21 DAVID: You know, we're, we're a government,
22 we're a self-government in one respect here based upon
23 the judiciary of God's throne and his truth.
24 JOHN: Uh-huh.
25 DAVID: And on the other hand, we're still
subject to the United States of America --

1 JOHN: Sure.

2 DAVID: -- and to the nations that be it. I
3 want you to understand this.

4 JOHN: I do.

5 DAVID: We're fully aware of these things.
6 Okay. So, --

7 JOHN: I do.

8 DAVID: -- go ahead.

9 JOHN: Okay. No, I was, I was just -- your
10 Sabbath starts when, tomorrow at what time?

11 DAVID: Well, it starts this evening.

12 JOHN: It starts this evening at, at dark.

13 DAVID: Evening to evening.

14 JOHN: Even -- evening to evening?

15 DAVID: Right.

16 JOHN: Okay. Okay. Then we would be into
17 the dark hours of tomorrow night?

18 DAVID: Well, actually, when the sun starts
19 to go down. Like I said, I know you want some
20 individuals and, like I say, there's, there's a couple
21 -- like the first two guys that we was talking about,
22 Brad and Kevin?

23 JOHN: Uh-huh.

24 DAVID: You know, these people -- like I
25 said, these people made some mistakes they shouldn't
have made.

1 JOHN: Uh-huh.

2 DAVID: You know, and, and as I said -- okay,
3 try to understand where I'm coming from. I'm already
4 pictured as some, some Rajnee, some cult leader. Well,
5 I am a cult leader, okay.

6 JOHN: Uh-huh.

7 DAVID: Moses was a cult leader.

8 JOHN: Uh-huh.

9 DAVID: An individual, a person, a theocracy,
10 God spaked through Moses and that was it and, and
11 communication came through Moses to Erin. And that's
12 just the way God's always worked. You know, Amos says,
13 by a prophet God (Indiscernible) out of Egypt and by,
14 you know (Indiscernible) service the prophets. Of
15 course, I'm not a prophet. My position is something
16 that deals with the seals, and that's explained in
17 scripture.

18 JOHN: Uh-huh.

19 DAVID: If I tell you I think about myself,
20 don't believe it. Don't believe nothing I say unless,
21 you know, the book is opened --

22 JOHN: Sure.

23 DAVID: -- and the words of the book are made
24 plain. That's what's to be done in the latter days,
25 the books will be opened and the judgment will be set.
And as I say, you know, I am ready and willing to enter

1 into my final phase of whatever comes my way and I,
2 I've worked for -- ever since 1985 to bring a people
3 together into unity and like 2000 years ago, you know,
4 Christ failed, didn't he? I mean he failed, didn't he?
5 The disciples forsook him.
6 JOHN: They sure did.
7 DAVID: You know. Humanity is weak, my
8 friend.
9 JOHN: Yes, we know --
10 DAVID: Very weak.
11 JOHN: We know that.
12 DAVID: And sometimes, you know, God has to
13 take the account on his own shoulders and the
14 crucifixion of Christ. A lot of things were not
15 fulfilled and every scholar in the world will tell you
16 that.
17 JOHN: Uh-huh.
18 DAVID: That Christ reminded that, you know,
19 think not that I've come to destroy the law or the
20 prophets. I've come to fulfill until heaven and earth
21 has passed. Not one jot or tiddle shall pass in the
22 law or the prophets till all be fulfilled.
23 So, in the second time around, as I say, the
24 world cannot do what it doesn't understand. And we
25 cannot do the seven seals unless we know them. And you
have not been blessed with this knowledge yet. I

1 understand that.

2 JOHN: Uh-huh.

3 DAVID: And, so, you can't be judged by what

4 you don't know.

5 JOHN: Right.

6 DAVID: The whole Gospel is based upon, you

7 know, forgive them, they know not what they do. But

8 for those who receive the knowledge -- not just knowing

9 it is going to justify us.

10 JOHN: Uh-huh.

11 DAVID: Especially when it's made as plain as

12 it can be made in this dispensation of time. And it's,

13 it's people within our ranks, you know, fail to do the

14 truth. Then that puts them in a bad light with God.

15 JOHN: That's for sure.

16 DAVID: And, so, here we are in a position to

17 where, you know, I'm, I'm happy again and Steve's happy

18 that finally we get a little breath of air here and we

19 get another, you know, foundation to, to look at each

20 other now and say, you know, look, you know, the

21 cowboys and Indians both have to have their little

22 conversations. You know what I mean?

23 JOHN: That's true. You can -- that's the

24 only way you can work things out is by taking about

25 things. I mean that's, that's really where it's at.

DAVID: And coming to an understanding,

1 exactly.

2 JOHN: Yes. I respect your Sabbath. I was

3 just thinking of something. If, perhaps, one of the

4 gentleman wanted to leave today, it, it would be a good

5 sign and it would also respect the Sabbath, too.

6 DAVID: Okay. What time is it now, Steve?

7 It's close to the worship hour.

8 JOHN: What time -- the daily, right.

9 DAVID: The daily. Yeah, once I'm out of

10 here, the daily will be done away with, you know.

11 JOHN: Okay. How about we --

12 DAVID: You can read -- you can read Daniel

13 11 and 12 and ask yourself the question, what's that

14 daily? The word, sacrifice, was added by translators

15 but morning, evening offerings of the Lamb under the

16 Mosaic law was replaced in the new covenant by the

17 morning/evening worship where the bread and wine is

18 taken instead of the ceremonial animals.

19 JOHN: Uh-huh.

20 DAVID: And what this pictured was is the

21 apostolic church was given inspiration. In other

22 words, communication between heaven and earth with the

23 angelic host.

24 JOHN: Right.

25 DAVID: And, so, the prophets were given

visions to be able to teach the church and guide the

1 church into the will of God through inspiration. Of
2 course, that would, that would be thrown out eventually
3 by the, by the mystery of inequity known as the dark
4 ages. Men would creep up into the portals of the
5 church and uninspired men would try to, try to
6 duplicate religion which would just bring the world
7 into chaos, foretold by the prophets until the time of
8 the reformation. But like I say, this is all
9 information that's been foretold in the scripture. A
10 lot of people have not been able to know it. And the
11 reason being is is just like in the days of -- well,
12 2000 years ago. I mean look, look how many scholars
13 there were is Judaism.
14 JOHN: Uh-huh.
15 DAVID: The Sanhedrim were political, you
16 know, perfectionists. They worked amongst the Roman
17 empire, you know. Rome basically had a democracy in
18 their day to a large degree, you know. They were not
19 --
20 JOHN: Oh.
21 DAVID: -- barbarian people like a lot of
22 people think.
23 JOHN: Uh-huh.
24 DAVID: And they had definitely a penal code
25 where, you know, the crucifixion, it seemed to be cruel
--

1 JOHN: Uh-huh.

2 DAVID: -- but it sure kept the crime rate

3 down. It did.

4 JOHN: Yeah.

5 DAVID: It really did.

6 JOHN: That, that --

7 DAVID: Public --

8 JOHN: That type of punishment certainly did,

9 you know.

10 DAVID: Yeah, definitely. And, and not like

11 it is today, you know. And, you know, if I've done

12 wrong and stuff like that, you know, when I come out,

13 you guys need to give me all nine yards. That's just

14 the way it is, you know. But like I say, --

15 JOHN: Right.

16 DAVID: -- you know, in all respect of

17 caution, you know, be careful because, you know, I may

18 appear to be the worse person in the world but on the

19 other hand --

20 JOHN: Nobody, nobody said --

21 DAVID: -- I'm talking the seven seal

22 business and, and if there's some truth to be learned.

23 JOHN: Yeah.

24 DAVID: Even if it's from the mouth of a

25 jackass like, you know, God had to use a jackass to

talk to Balaam. Remember that story?

1 JOHN: I'm not sure about that.
2 DAVID: Look it up.
3 JOHN: Okay. Let me say this, how about --
4 would 3:00 work after, after the daily?
5 DAVID: Well, like, again, remember, the
6 students here have to be instructed because like I
7 said, --
8 JOHN: Oh, sure.
9 DAVID: Now, this sounds -- it's going to
10 sound weird to you but, okay, you've heard about the
11 star that's coming --
12 JOHN: Right.
13 DAVID: -- with the guitar.
14 JOHN: Yes, the guitar Nebula.
15 DAVID: Yeah. Okay. Now, I've been telling
16 people about this a long time. You see, my father is
17 coming. There is to be a judgment. And I know it
18 sounds funny and when you read all the magazines, I
19 mean, oh, my.
20 JOHN: No, that doesn't sound funny. I mean,
21 to be quite candid, many of us here were shocked when
22 we read that article and heard it on the radio.
23 DAVID: Well, --
24 JOHN: You know, we were shocked. I mean
25 it's just incredible.
DAVID: You see, I have to -- I have to be as

1 a mediator the respect that, you know, -- it's kind of
2 like when we talk about the key of David in the Book of
3 Revelation, you know, you read those wild -- okay,
4 look, let's be honest, straight across the table, I, I
5 stand on two positions. Let's just be worldly people,
6 right?
7 JOHN: Right, let's be -- yeah, let's be
8 worldly people.
9 DAVID: Let's just be worldly people. Let's
10 just (Indiscernible) conversation. Have you ever read
11 the Bible, I mean any at all?
12 JOHN: Yes.
13 DAVID: Isn't there some really far fetched
14 stories there?
15 JOHN: Of course.
16 DAVID: I mean, come on, David and Goliath --
17 JOHN: Of course.
18 DAVID: -- (Indiscernible) stone on me.
19 JOHN: Of course. Of course.
20 DAVID: I mean Samson carrying off, you know,
21 the gates of the Philistine city, weighed several tons.
22 I mean, oh, my.
23 JOHN: I know.
24 DAVID: You know, like crazy stuff, right,
25 except for the fact that when you see documentaries --
for instance, Church of the Gods is a very good

1 documentary you get at the library.

2 JOHN: Uh-huh.

3 DAVID: You know, we have to look at the

4 ancient empires. We have to say to ourselves, such as

5 in the construction of the pyramids and all these

6 monuments of ancient times, how is it that these people

7 could move such tonnage of rock when it's virtually

8 impossible for any modern machinery of our day to do

9 so.

10 JOHN: Right, with equipment available,

11 right.

12 DAVID: Exactly. You know, and it's like --

13 but, you know, the answer's very simple. It's very

14 simple. Here modern man is, his knowledge has

15 increased. You know, he, he finally finds his way into

16 the air, you know. He finally finds that there are

17 certain laws of the atmosphere that it probably applied

18 -- you know, he's not limited just to being grounded,

19 you know, or to run, you know, or just to drive a car.

20 He can fly. You know, man's finally gotten to the

21 moon. I mean, you know, knowledge of -- you know what

22 God says at the Tower of Babel? The scripture says,

23 whatever comes to the mind of men they can do.

24 JOHN: Uh-huh. Uh-huh.

25 DAVID: Because man's created the image of

something called the Oheim, the Gods. Now, I'll tell

1 you something else about God a lot of people get mad at
2 me about but it's something that will help you
3 understand where I'm coming from. Okay, John?
4 JOHN: Yes, I'm -- oh, I'm listening
5 intently. Go on.
6 DAVID: You see, when you read the Book of
7 Genesis -- when you read the Book of Genesis, after
8 (Indiscernible) after Adam and Eve (Indiscernible)
9 sinned, you know, after they, after their mind allowed
10 them to go against information --
11 JOHN: Uh-huh.
12 DAVID: -- given to them from their creator
13 --
14 JOHN: Uh-huh.
15 DAVID: -- you know, they begin to realize
16 that there were certain things in their, in their
17 psychological perception of one another that begin to
18 change. And when they experienced the, the
19 manifestation of guilt, you know, they, they went to
20 clothe themselves. They begin to see their differences
21 and they begin to use their unity amongst themselves,
22 you know, male and female.
23 JOHN: Uh-huh.
24 DAVID: Very important thing. In all of
25 creation you've got positive, negative, cold, hot, up,
and down, (Indiscernible) terrible, male and female.

1 It all works together in this realm of creation. But
2 when they sinned -- a very important point in order to
3 understand where I'm coming from is a fact of the
4 matter. God says, behold. You know, after man sinned
5 --
6 JOHN: Yeah.
7 DAVID: -- God said, behold. Man has become
8 as one of us, --
9 JOHN: Uh-huh.
10 DAVID: -- knowing good and evil.
11 JOHN: Uh-huh.
12 DAVID: Now, you see, a lot of people -- you
13 know, I come along and, and I, I took over and say,
14 hey, look, see the spaceship, see this computer system
15 here. You know, I'm a modern person. It's 1993 right
16 now.
17 JOHN: Uh-huh.
18 DAVID: And I go, now, you see this book,
19 it's called the Holy Bible.
20 JOHN: Uh-huh.
21 DAVID: And it talks about thee and thou, you
22 know. It's been taken from the, from the Aramaic, from
23 the ancient Hebrew, from the, you know, basically
24 hieroglyphic languages, you know, and the early
25 construction of lettering and syllables and the
development of language and it's been translated and

1 all these different things, you know. Man has tried in
2 his very best effort to, to do it as best as he
3 perceives which it's, it's been pretty good but, but
4 here's the key. You know, for such an old book
5 projecting future events, man has not really progressed
6 too much in the knowledge of that book, to be honest.
7 I mean, you know, I used to always tell churches 'cause
8 I used to get in some heated discussions with a lot of
9 religious leaders --
10 JOHN: Uh-huh.
11 DAVID: -- I used to say to churches, one of
12 the greatest blasphemies, my friend, unto God is the
13 fact that you churches brag about burning your candles
14 --
15 JOHN: Uh-huh.
16 DAVID: -- let your light shine, you know, --
17 JOHN: Uh-huh.
18 DAVID: -- in a world of lasers.
19 JOHN: That's an interesting observation, you
20 know.
21 DAVID: Yeah. In other words, let me tell
22 you something my friends, when the church -- when the
23 church is disconnected from the true source of
24 information, that's what brings the dark ages.
25 JOHN: Huh.
DAVID: And the end -- and the perception of

1 mankind is God is not going to delineate his wisdom and
2 knowledge. He's going to give it to men that will use
3 it. You know, anytime religion becomes more pius than,
4 than wise, anytime men become more, you know, set in a
5 position of, you know, look at me, I'm like God, you
6 know, they begin to blunt the fact that God's
7 progressive and God's creative and God is, is -- God is
8 in the heavens, we're on earth. You know, God flies,
9 --
10 JOHN: Yeah.
11 DAVID: -- man didn't, you know, before.
12 And, you know, now I can point, I can say, now, look,
13 people used to laugh, you know, years ago. They used
14 to say (Indiscernible) book, you know.
15 JOHN: Yeah.
16 DAVID: And I used to say, now, wait a
17 minute, now, that would, that would have been a very
18 tangible argument, you know, 50 years ago, maybe even
19 30 years ago. But now when you can take a little
20 computer chip and put it on your lap, a computer or
21 whatever like that and put all 66 books in a little
22 quarter inch square --
23 JOHN: Yeah, it's incredible.
24 DAVID: Yeah, okay. So, now, that's where I
25 have to come into the picture and I have to say, now,
wait a minute. We're going to look at something and

1 we're going to take a lot of old testament writings.
2 Scholars have not been able to understand it.
3 Translators did not know how to translate it. We're
4 going to take and we're going to look at some words
5 here. We're going to find out that a lot of those
6 manifestations which they call chariots, clout, oracle
7 speakers, lions, all this, are very modern things.
8 When we read in the Book of Nahum --
9 JOHN: Uh-huh.
10 DAVID: -- about chariots with the flaming
11 torches that cause the fir trees to shake --
12 JOHN: Yeah.
13 DAVID: -- run like the lightnings, you know,
14 we're gonna -- you know, I -- see, I've been preparing
15 my students for this for many years and that's why
16 we're having a bad trouble. You know, I've been
17 teaching about them that when the time comes of the
18 passion or the time of the end which is not just a
19 bang, God wipes everybody out. It's, it's a
20 progressive thing. You know, I've told them that --
21 JOHN: Uh-huh.
22 DAVID: -- that there's going to be -- you're
23 going to see these things, you're going to see these
24 tanks, you're going to see these things right here in
25 your front yard, you know. God's going to let us know.
And I can honestly tell you that nobody tipped us off

1 except the one who gave me the seven seals.
2 JOHN: Hum.
3 DAVID: You see, now, you all don't
4 understand about inspiration, you know. If God can,
5 can -- well, let me also tell you another thing. God
6 --
7 JOHN: Yeah.
8 DAVID: -- didn't just speak and create the
9 world but it's kinda like this. When a parent is
10 raising a child, the parent tells the child to do
11 something and the child says, why? And the parent,
12 knowing the complexities of life and the reality of
13 perception and all that, says, because I said so. Hear
14 what I'm saying?
15 JOHN: Yes, yeah, in a, in just one little
16 sentence.
17 DAVID: Yeah, because I said so. In other
18 words, you know, you can either tell your child he came
19 from a buttercup when he asks where do babies come
20 from, you know, or the stork brought him.
21 JOHN: Hum.
22 DAVID: But eventually as that mind develops
23 some growth and begins to receive greater information
24 about the facts of life, the kid's going to come up and
25 say, now, come on, now, I know where I came from. I
came out of your stomach. You know, a mother can say

1 to her child, well, you didn't come really from a
2 buttercup, you know, you came out of my belly. And
3 then the kid can think this up, well, that sounds
4 logical because mommy eats food and I was in her belly
5 and the food came down her throat and I ate it.
6 JOHN: Uh-huh.
7 DAVID: No, but then you find out later on,
8 now, wait a minute, no, it's not done that way either.
9 No, I didn't come out of your stomach, I came out of
10 your womb.
11 JOHN: Uh-huh.
12 DAVID: So, as, as man progresses, his
13 knowledge increases and he begins to get a better
14 picture. So, so, what I'm trying to say is I'm trying
15 to say that, you know, when you read the Book of Nahum,
16 look at it objectively and, and say to yourself, now,
17 what are these chariots with flaming torches, you know.
18 And, you know, how do they jostle in the streets and
19 run like the lightnings and, and, you know, what does
20 this -- this is pretty (Indiscernible) because it says
21 the dearness of enters is one who has glad tidings, you
22 know. There, there seems to be a Messiah in, in the
23 middle of this getting into a lot of trouble. But, but
24 the sad thing of it is is that those who, who fail to
25 hear in that book, in the Book of Nahum, what this
Messiah has to say are, are destroyed because God talks

1 about his star throughout the prophecies and he talks
2 about on the stringed instruments. He talks about
3 Messiah and the stringed instruments, about
4 (Indiscernible) which means music to turbulent lyrics.
5 It's a war is what it is.
6 JOHN: Huh.
7 DAVID: It's the bringing down of all
8 nations, you know. When, when Revelation 22 says, I
9 come, my reward is with me, that's what it means. It
10 means Christ says, I come. My reward is with me. When
11 you ask the question, well, what was his reward? Well,
12 God gave him a book. No other personage in all of
13 heaven was worthy to have this book but Christ himself.
14 It's a revelation, Jesus Christ, God gave it to him.
15 Well, it's a book. And when he says, I come, my reward
16 is with me, to give to every man, you know. That's
17 what his purpose is, to give it to everybody.
18 Everybody can have it. It's a free gift. Salvation is
19 free. A big price has been paid for it. Christ is
20 righteous. It's his, it's his calling card. You know,
21 he can give it to everybody that will receive it.
22 JOHN: Uh-huh.
23 DAVID: Well, when Isaiah says, behold, the
24 Lord God shall come with a strong hand, you know,
25 what's stronger than the word of God? You know, --
JOHN: Right.

1 DAVID: -- his reward is with him. Well, what
2 was the reward? A book. A work before me. He's got
3 to do a work when he comes. Says, he'll gather his
4 flock like a shepherd. It says the nations will be a
5 drop of a bucket. Of course, you know, God is ready to
6 wipe out all powers of men during this time if they
7 fail to, to realize that, hey, you just can't judge a
8 person by the appearance of things. Look what happened
9 2000 years ago, you know. And we, and we believe, you
10 know. Hey, what nation has God blessed above all
11 nations? United States --
12 JOHN: United States of America.
13 DAVID: -- of America.
14 JOHN: Right.
15 DAVID: Right. And like I say, there's a lot
16 of foul play but, hey, anytime you get so many billion
17 of people together, you know, something not -- not, not
18 all the apples can stay good.
19 JOHN: Right.
20 DAVID: But, you know, God's in total control
21 and these are things that my students -- as I say,
22 they're -- a lot of them are weak, you know.
23 JOHN: Yes.
24 DAVID: The old sin -- 6000 years of sin, you
25 know, you just don't -- you just don't teach a kid to
walk overnight.

1 JOHN: True.

2 DAVID: Some have made a mistake and, and,
3 and like I say, the past several days we've been
4 discussing this amongst ourselves. We've been
5 discussing, you know, what I have to wait on --

6 JOHN: Right.

7 DAVID: -- because, you know, these people,
8 after they go through your system, they got another
9 system they got to face.

10 JOHN: Absolutely.

11 DAVID: And they have to be able to stand a
12 good witness to show, to show you that what they
13 believe they know and what they know they believe.

14 JOHN: True.

15 DAVID: And -- so, in all, in all due
16 respects, you know, I, I thank you and it's a grace to
17 you and to, and to all those to be able to be lenient
18 upon us 'cause we may just be a bunch of crazy idiots
19 that don't know what we're doing. And we might need --
20 we might need grace on your part to, to give us this
21 time to, to --

22 JOHN: Well, --

23 DAVID: -- unwind.

24 JOHN: I understand. I understand what
25 you're saying, too. What do you -- how do you feel,
then, David, about one of the gentlemen that you

1 mentioned that, that really didn't learn coming up
2 maybe 4:00 p.m. this afternoon or so and then that
3 would leave the Sabbath open -- or both gentlemen, it's
4 up to you.
5 DAVID: Well, when, when -- Shabbat starts at
6 what time now, Steve? 6:30 or 7:00.
7 JOHN: Uh-huh. So, that would give us some
8 time --
9 DAVID: Right. Like I say, I'm going --
10 we've been talking with these guys for the, as you
11 know, for the past, you know, for quite a while.
12 JOHN: Uh-huh.
13 DAVID: And --
14 JOHN: How many, how many are there, David?
15 DAVID: Well, like I say, --
16 JOHN: Two gentlemen?
17 DAVID: -- there's, there's a bunch.
18 JOHN: A bunch that haven't learned, huh?
19 DAVID: Well, --
20 JOHN: I understand.
21 DAVID: -- they've learned but like I say,
22 if, if I take you to a construction job site and I put
23 you on the, the Caterpillar, you know, and I tell --
24 JOHN: Uh-huh.
25 DAVID: -- you when, when it comes to, to
going around the, the lumber stack, stay away from it.

1 JOHN: Right.

2 DAVID: And, and, and never hit that fast

3 reverse switch.

4 JOHN: Right.

5 DAVID: And, and, you know, I'm telling you

6 'cause you're on a big piece of equipment. I mean, you

7 know, I'm putting the trust to you. And, and, you

8 know, it's a job. We want to make profit off of it.

9 We don't have to tear anything up. And you go in your,

10 you know, messing -- and you hit that button and all of

11 a sudden you pull back and all the lumber, just tear it

12 all to pieces, what am I going to do?

13 JOHN: You've done some -- you've done some

14 destruction.

15 DAVID: Yeah. Well, I'm going to have to

16 fire you. I'm gonna, you know, -- it's, it's just a

17 bad deal, you know. You didn't listen. You did a

18 wrong thing. You were instructed thoroughly. You were

19 shown. You made a mistake, you know.

20 JOHN: And you're out.

21 DAVID: And you're out. Okay. Now, that's

22 all right when it comes to losing a job in this world

23 but when it comes to, to, to, to standing in the great

24 and dreadful day of the Lord which all the prophets

25 have clearly foretold -- I'm talking about when it's

God's day.

1 JOHN: Right.

2 DAVID: When the assembly of stars is
3 darkened. There's not a one of us, you see, that's
4 going to be able -- I teach the truth but just because
5 they receive the truth does not mean that if they don't
6 do it, they're going to escape the, the judgment of
7 God.

8 JOHN: Oh, sure.

9 DAVID: Not the -- here's the word
10 (Indiscernible) about the doer. See, we've got -- our
11 works must be in harmony with our knowledge. You know,
12 (Indiscernible) in that day, God's going to punish
13 those who've not sought the Lord, those who've fallen
14 back from the Lord.

15 JOHN: Uh-huh.

16 DAVID: You know, --

17 JOHN: Yeah.

18 DAVID: -- those who've not called upon him.

19 JOHN: Yeah.

20 DAVID: And, so, you know, like I say, I, I
21 don't, I don't want to preach at you. I know you guys
22 get tired of that but I -- like I say, if I could just
23 share a little, little jewel of thought. If you might
24 have any questions, you know, in regards to, you know,
25 the psychology of science or anything like that, if you
have any questions about the universe or, or questions

1 about the hereafter --

2 JOHN: Uh-huh.

3 DAVID: -- or the -- or how I light phases

4 work or how maybe they travel in heaven, you know. How

5 do they get -- how do they -- how do they get here so

6 fast? How, how do those starts travel so fast?

7 JOHN: That's, that's really a question.

8 DAVID: And it's going to get faster and

9 faster, too. So, --

10 JOHN: Oh, yeah.

11 DAVID: You know, it -- the thing of it is

12 is, you know, how can, how can, how can Gabriel, you

13 know, angels and stuff come from Ori -- you know,

14 passed Orion -- you know, the horse they named Orion --

15 throughout that, throughout that portal. It's

16 continual light.

17 JOHN: Uh-huh.

18 DAVID: That's one thing that's always amazed

19 science, you know. But, of course, the story of

20 Genesis tells you, you know, that when God separated

21 the light from the darkness, he, he did it so in the

22 first -- in the first stand of creation. But, of

23 course, this side of Orion was still in darkness. He

24 didn't make the assembly of starts till the fourth day.

25 JOHN: Uh-huh.

DAVID: And there's a reason for that, you

1 know.

2 JOHN: Yeah.

3 DAVID: Because where, where, where the beams

4 of light dwell, you know, throughout eternity, there's,

5 there's something about light people don't know about.

6 And if they knew about it, I mean they could really

7 learn about how you can make things travel real fast.

8 JOHN: Well, I, I -- like I said before, I

9 read that article. It literally astounded me, you

10 know, and I was --

11 DAVID: His guitar, huh?

12 JOHN: Yeah, the guitar Nebula. It's just,

13 it's just astounding. I mean it's just, it's -- what

14 can you say about something like that. It's, you know,

15 it's from God. I mean that's the bottom line.

16 DAVID: Well, there's more, there's more to

17 it, also. The new, the new constellations that have

18 been developing -- well, actually, it goes back to 1985

19 when the Russian cosmonauts, --

20 JOHN: Uh-huh.

21 DAVID: -- they were in their space station.

22 JOHN: Uh-huh.

23 DAVID: And they radioed down and said they

24 saw seven angels flying towards the earth with the

25 wings of the size of a jumbo jet.

JOHN: Yeah.

1 DAVID: So, you know, you all have access to
2 just about any kind of information you all need. You
3 all need to look that up again.
4 JOHN: I know, I know what you're saying.
5 DAVID: Because in '85, like I say, you know,
6 when I was in Israel, that's, that's exactly what got
7 this whole thing started.
8 JOHN: Back in '85.
9 DAVID: Yeah, 1985.
10 JOHN: Yeah.
11 DAVID: You know, you don't, you don't, you
12 don't mess with -- I mean, you know, we would be -- we
13 would be crazy as sober-minded American citizens
14 especially when none of us really have a record. I
15 mean that thing in '88 was just a mishap but, but
16 you'll find that, that everyone here basically, you
17 know, had good jobs, intelligent people.
18 JOHN: Uh-huh.
19 DAVID: You know. You know, who in their
20 right mind would want to resist and stand up against
21 the federal government of America?
22 JOHN: Yeah.
23 DAVID: I mean, you know, let's think about
24 this for a second. You know, either the person is
25 absolutely crazy or maybe there's another reason.
JOHN: Uh-huh.

1 DAVID: You know.
2 JOHN: Yeah.
3 DAVID: And, and, and, and what would be even
4 more crazy -- and this is something that every one of
5 you all could appreciate.
6 JOHN: What's that?
7 DAVID: If there, if there was intelligences
8 higher than this world, --
9 JOHN: Uh-huh, right.
10 DAVID: And they confronted you and they told
11 you what their plan is --
12 JOHN: Yeah.
13 DAVID: -- and they simply did something to
14 you and put the whole Bible, I'm talking about the
15 whole book in your mind and just totally indited you
16 with just a complete picture, you know.
17 JOHN: Almost instantly.
18 DAVID: Instantly, not almost.
19 JOHN: Uh-huh. Uh-huh.
20 DAVID: And then, you know, you have to
21 explain about this thing called the son of God
22 business.
23 JOHN: Uh-huh.
24 DAVID: I mean, you know, there's, there's
25 only one source of life.
JOHN: Uh-huh.

1 DAVID: Only one source of light. And when,
2 when, when this, when this source, when this, when this
3 awesome science --
4 JOHN: Uh-huh.
5 DAVID: Okay. Let me tell you a little --
6 another secret you'll appreciate, too, strictly
7 scientific. Notice how the Bible says that when God
8 came to this world, the spirit of God (Indiscernible)
9 on the face of the waters, the earth was without form
10 and void.
11 JOHN: Yeah.
12 DAVID: That was on the face of the -- you
13 know, the earth was already here.
14 JOHN: Uh-huh.
15 DAVID: But it was covered with waters.
16 JOHN: Yeah.
17 DAVID: It had been destroyed already.
18 JOHN: Uh-huh.
19 DAVID: God says to Adam and Eve, multiply
20 and replenish the earth. That means to put something
21 back that was there before, don't it?
22 JOHN: Of course.
23 DAVID: Yeah, well, I got all the information
24 on that and it's, it's incredible. And the whole, the
25 whole knowledge of God and the concept of what we call
God or mankind perceives as God as far above and beyond

1 the old Elizabethan concept.
2 JOHN: I'm sure of that.
3 DAVID: And I'm telling you something that --
4 there, there, there are some -- there are some weapons
5 that are going to be used on this world that you've
6 never seen. I mean --
7 JOHN: No, we can only conceive that. I mean
8 have some conception of what we've already seen. I
9 mean and that's, you know, there's even stuff out
10 there, I guess, that --
11 DAVID: Well, you know what man's made that
12 we don't know about?
13 JOHN: Yeah, that's what I mean, that man's
14 made that we don't know about, right.
15 DAVID: Yeah.
16 JOHN: Right.
17 DAVID: We didn't talk about things, star
18 wars and all types of laser stuff, you know.
19 DAVID: Yeah.
20 JOHN: It's pretty wild.
21 DAVID: But the things, the things that I'd
22 -- that I would like to be able to talk about are, you
23 know, things that, that we're dealing with right now in
24 regards to -- let's see -- like I say, you know, either
25 I'm going to be allowed to or I'm not. It doesn't
really make any difference. I mean I've been promised

1 that I'll have a chance to speak these things to
2 individuals.
3 JOHN: Oh, you will. There's no -- that's a
4 guarantee. There's no ifs, ands or buts about that.
5 DAVID: Yeah. Well, I hope so, and I -- I
6 hope so -- I hope so for you alls sake because there's
7 no reason for you all to be brought into contempt of a
8 court that you all don't know nothing about. Just
9 because I may be stupid or I may be foolish or I may
10 seem like a weirdo or wild or crazy. I'll admit it --
11 I'll admit it. Give me, give me that. This is totally
12 crazy what's taken place here except for one thing.
13 JOHN: What's that?
14 DAVID: Now, that I'm the subject of review,
15 --
16 JOHN: Uh-huh.
17 DAVID: -- in all courtesy and decency,
18 somebody has to listen to the reasons why.
19 JOHN: Oh, yeah, you've got -- I mean you,
20 you couldn't have said it better.
21 DAVID: And if they, if they deny my source
22 of information, then I can't say anything.
23 JOHN: Oh, nobody's going to do that.
24 DAVID: And then if I can't say anything,
25 then what is going to happen --
JOHN: Well, --

1 DAVID: -- will be strictly the
2 responsibility of those who would not listen.
3 JOHN: Right.
4 DAVID: Just like in Noah's day. As -- you
5 know, what did Christ say? He says, as it was in the
6 days of Noah, so will it be in the days of the son of
7 man. See, Christ foretells of the coming of the son of
8 man.
9 JOHN: Okay.
10 DAVID: You see.
11 JOHN: Yeah.
12 DAVID: This is an event, in the latter days,
13 the coming of the son of man. In the, in the
14 transformation when Christ told the disciples, there
15 will be many of you who will not see death till you
16 shall see the kingdom of the son of man. Well, when,
17 when, when Christ took Peter, James, and John up to the
18 mount, all a sudden, you know, there appeared to other
19 men, Moses and Elijah.
20 JOHN: Uh-huh.
21 DAVID: And all a sudden they, they
22 diatomized and became one complete light.
23 JOHN: Uh-huh.
24 DAVID: You see, we have an aura in our
25 perception we call light. And we talk to each other,
we, we have -- we produce these sound waves and we

1 like, we like develop pictures in our minds. It's an
2 awesome thing. But, of course, we also are aware that
3 we were once nonexistent and yet we are existent now.
4 And we're also aware that we're going to be in the
5 future deceased but yet we don't really know the
6 hereafter.
7 JOHN: Right.
8 DAVID: But, of course, that's the whole
9 subject of scripture, though.
10 JOHN: And that's where everybody's going.
11 DAVID: And that's where we can't avoid but
12 to go wherever that is, whether we want to or not.
13 JOHN: No choice.
14 DAVID: No choice in that, in that, in that
15 discharge.
16 JOHN: That's right. You know, I really feel
17 good about what's happened today. I really think that
18 things are, are just, just a great day. And just
19 between you and me and I mentioned this to Steve and I
20 know he told you, I worked, I worked pretty hard last
21 night with Mr. Jamar. It was a long night. But
22 between all of us, I think we've, we've gained some
23 trust and confidence again. So, I think we're doing
24 well. I think we're doing well.
25 DAVID: Well, like I say, it's, it's -- I
know that -- I know that a lot of John Doe -- was it

1 John Doe?

2 JOHN: John Dolan.

3 DAVID: John Dolan, right.

4 JOHN: Yeah.

5 DAVID: No, the other John.

6 JOHN: John Cox?

7 DAVID: Yeah, John Cox. You know, I really

8 --

9 JOHN: Yeah.

10 DAVID: -- liked John Cox but, you know, like

11 in the beginning, as I say, you know, you know, they

12 were, they were basically trying to pacify me which,

13 you know, that's understandable. I mean --

14 JOHN: Well, I think we're a little bit

15 beyond that.

16 DAVID: The, the events here have been

17 definitely weird, strange, cultic, bizarre. But I

18 haven't, I haven't been on the phone going, you know,

19 (Indiscernible) I want the helicopter and I want to be

20 at the Embassy. I haven't done that, have I?

21 JOHN: You certainly have not done that.

22 DAVID: No, no, no kind of Fidel Castro type

23 stuff?

24 JOHN: No.

25 DAVID: And I'm not, I'm not hiding behind my

children.

1 JOHN: No one will ever say you did that.
2 DAVID: Okay. Well, that's --
3 JOHN: No one will ever say that because --
4 DAVID: Even the magazines?
5 JOHN: -- it's, it's not a fact. You know
6 what I mean? It's not a fact and it's not the truth.
7 DAVID: Right.
8 JOHN: So, the Sabbath, then, is, is from
9 sunset basically to sunset?
10 DAVID: Yeah.
11 JOHN: Okay.
12 DAVID: (Indiscernible) law. It's still
13 there.
14 JOHN: Okay.
15 DAVID: Even to even.
16 JOHN: Even to -- okay, evening to evening.
17 DAVID: I mean, you know, Gregorian, they --
18 you know, the papacy changed, you know. How can --
19 where did they get this 12:00 midnight? It's just like
20 -- it's just like they changed the year in the middle
21 of winter. I mean, come on, the spring is the
22 beginning of the year according to the Bible.
23 JOHN: Uh-huh.
24 DAVID: You know, the beginning of life, you
25 go through the cycles, it dies, it comes back in the
spring, a beginning. Just like the beginning of the

1 month in the Hebrew (Indiscernible).

2 JOHN: Uh-huh.

3 DAVID: It's every new moon. So, is Shabbat,

4 every new moon.

5 JOHN: Right.

6 DAVID: After the moon goes through it's --

7 approximately 29, 30 days, you know, it finally goes

8 through a dark phase where you can't see it and finally

9 one sliver of light. That's the new moon according to

10 scripture. But, you know, the prophecy does say that

11 there will become a power after Christ that will think

12 to change times and laws.

13 JOHN: Uh-huh.

14 DAVID: And, you know, history, you know,

15 the, the papacy -- actually Rome and -- see,

16 Catholicism means universal, catholic.

17 JOHN: Uh-huh.

18 DAVID: Right, it means everything.

19 JOHN: Yeah.

20 DAVID: And, so, when Rome, when Rome saw the

21 psychology of Christianity, you know, it began to

22 realize, hey, what we cannot accomplish by laws and

23 penalties, we could accomplish by spiritual conviction.

24 JOHN: Uh-huh.

25 DAVID: In other words, you know, you can go

ahead and, and, and give out all the 50, 100, $250.00

1 fines you want to for running stop signs.
2 JOHN: Yeah.
3 DAVID: And man is going to still run them.
4 JOHN: Absolutely.
5 DAVID: But if you instill in man's mind that
6 there is something to be feared unknown, such as the
7 God, you know, the God concept, --
8 JOHN: Uh-huh.
9 DAVID: -- the (Indiscernible) concept, the
10 eternal. You know, when you start controlling the
11 spirits of men, you know, then all a sudden you got
12 them in the palm of your hand.
13 JOHN: Uh-huh.
14 DAVID: And that's where you get a lot of
15 problems with a lot of religious cults and facets and
16 sex and all that. You know, that's, that's where,
17 that's where, that's where the papacy had so much power
18 in the dark ages, you know.
19 JOHN: Uh-huh.
20 DAVID: I mean just the, the pontiff ruled
21 over kings, didn't he?
22 JOHN: Uh-huh, sure.
23 DAVID: I mean he was the vicar, vicegerent.
24 I mean he was, he was infallible. The catechism taught
25 that he's ultimately infallible, you know. But the
thing of it is is finally it comes to the point of men

1 being able to read for themselves, Martin Luther. You
2 know, and all of a sudden he realized, hey, wait a
3 minute, this is a controversy. The scripture says
4 contrary to what our catechism teaches.
5 JOHN: Uh-huh.
6 DAVID: So, when he got -- when he got
7 brought before the, the judges and the magistrates and
8 all that when he's (Indiscernible) proscribed and
9 everything, you know. They were saying, you know,
10 you're a heretic. He began to state his thesis and all
11 that, you know, in 1530. Men began to say, hey, wait a
12 minute. This guy's got something here.
13 JOHN: Huh.
14 DAVID: And then their --

BUREAU OF ALCOHOL, TOBACCO & FIREARMS

TAPE #135

3/19/93
2:35 P.M. - 7:41 P.M.

(Tape 135)

1 DAVID: -- science and everything else. You
2 know, for almost (Indiscernible) the whole world was at
3 a standstill. Cobblers still cobbled the way they
4 always cobbled. You know, --
5 JOHN: Right.
6 DAVID: -- carpenters carpented the way they
7 always carpentered.
8 JOHN: Right.
9 DAVID: It's not just religion was dead but,
10 but all progressive sciences and arts and everything,
11 music, it was just dead until the reformation. So,
12 with these -- the knowledge of the seven seals, there's
13 going to come a reformation that's going to turn this
14 world upside down.
15 JOHN: Well, you've certainly got a lot of
16 people interested in hearing what you have to say now.
17 I'll tell you that. That's for sure. And, and you can
18 tell from the press conference that you, that you
19 probably heard today.
20 DAVID: I just want to -- I just want to be
21 able to please my, my -- I call my father. That's what
22 he is. He's, he's --
23 JOHN: I, I know that. I know that.
24 DAVID: And then I want to get out of here.
25 JOHN: That sounds, that sounds like --
DAVID: Yeah, I, I've seen, I've seen a

1 different world, I'm telling you.

2 JOHN: Well, that's good. That's good.

3 DAVID: And it's not, it's not a place where

4 you sit around on clouds and play harps either.

5 JOHN: That's right. That's right. Well,

6 maybe we can work on that then. And how about if you

7 send out those people that have been in there and --

8 before the Sabbath then?

9 DAVID: Okay. Well, I need, I need -- we're

10 going, we're going to have our worship now.

11 JOHN: Okay.

12 DAVID: And I'll start talking with them

13 right after worship.

14 JOHN: All right.

15 DAVID: And like I say, we've got to go

16 through some scriptures and stuff here.

17 JOHN: I appreciate that.

18 DAVID: Would you mind when they come out,

19 can they bring their Bibles?

20 JOHN: Absolutely, positively.

21 DAVID: And can they, can they -- may retain

22 their -- I mean you can look through their Bibles, you

23 know, --

24 JOHN: Yes, they --

25 DAVID: -- 'cause there ain't going to be no

--

1 JOHN: -- can retain --
2 DAVID: -- nuclear warheads in there or
3 nothing.
4 JOHN: Yes.
5 DAVID: Because, like I say, that's, that's
6 where their strength is, you know, understanding what
7 that book has to say.
8 JOHN: Yes, yes.
9 DAVID: Okey-doke.
10 JOHN: Yes, you have my word on the Bibles
11 and just, just give me -- just, you know, for planning
12 purposes, what --
13 DAVID: Okay.
14 JOHN: -- how many gentlemen or people.
15 DAVID: Okay. We'll, we'll stay in touch,
16 then, all right.
17 JOHN: Okay. Just, just for planning
18 purposes, how many are we, we considering?
19 DAVID: Well, one for sure.
20 JOHN: Oh, one for sure.
21 DAVID: Probably two.
22 JOHN: Okay. Excellent. Well, that's great.
23 And how -- just one question, how, how
24 basically -- things -- since things are rolling so
25 well, how do you look at really the long term solution
now, the solution of this now that we've gotten things

1 rolling together?

2 DAVID: Okay. Realistically, --

3 JOHN: Realistically.

4 DAVID: -- what we're dealing with again is

5 -- well, let me, let me back up. What time do we have,

6 Steve?

7 JOHN: I don't want to -- I don't want to

8 hold you up.

9 DAVID: Okay. Look, I'll call you right

10 after worship, okay?

11 JOHN: Go ahead. No, just, just give me a

12 rough idea of what, what your thoughts are. I don't

13 want to hold you from service.

14 DAVID: Well, like I said, it depends on --

15 it depends on the people.

16 JOHN: Okay.

17 DAVID: You know, it could be a matter of a

18 week, you know.

19 JOHN: Oh, yeah.

20 DAVID: It could be less, you know.

21 JOHN: No, I was thinking -- I was thinking

22 in terms of, of everyone.

23 DAVID: Well, that's what, that's what I'm

24 talking about.

25 JOHN: Oh, okay.

DAVID: I mean I'm coming out, too.

1 JOHN: I know. I know that. And I know
2 you're going to lead everybody.
3 DAVID: Well, I don't -- I'm not, I'm not
4 going to say I'm going to be a Moses like it says. And
5 the thing of it is is, is that these people are in
6 trouble with God, a lot of them.
7 JOHN: Okay.
8 DAVID: You see, -- like for instance, the
9 Lord says, remember the Sabbath, keep it holy.
10 JOHN: Right. That's the Sabbath.
11 DAVID: Now, what happens is is the third
12 century A.D. Constantine, Roman Empire, this is
13 strictly historical besides that, you know, they want
14 to -- they want to surmise the Shabbat Sabbath of the
15 Apostolic Church and they begin to incorporate Sunday
16 as a Sabbath. Sunday's manmade.
17 JOHN: Uh-huh.
18 DAVID: Christmas, Easter, Halloween's
19 manmade.
20 JOHN: Uh-huh.
21 DAVID: It's all injunctions of man.
22 JOHN: Uh-huh.
23 DAVID: You know, and, and it's, and it's a
24 part of an abomination to make it (Indiscernible).
25 Those who, those who respect these days, you know, are
leaving off something else, a warning of the prophetic

1 voice telling man that if they take on the mark of the
2 beast or the acceptance of man's traditions, that they
3 will drink of the wine of the wrath of God and they
4 will be punished.
5 JOHN: Right.
6 DAVID: Now, of course, if a person's never
7 come to the knowledge of this, well, that's why Christ
8 had to die because, you know, some people don't know
9 really what God's will is. They don't understand what
10 God has said aforetime by scripture.
11 JOHN: Right.
12 DAVID: And, so, that's why there has to be a
13 church or a voice in the world to, to agitate the
14 mind's of men to say, now, wait a minute, now, wait a
15 minute. What are the conditions of salvation? Well,
16 like (Indiscernible) okay, now. Now, what did -- what
17 was Jesus like? Well, what day did he go to church on?
18 Well, he kept a Shabbat.
19 JOHN: Right.
20 DAVID: Okay. Did he say that we don't have
21 to do that no more? I mean let's read what he says.
22 Let's read the covenants, you know. Okay, so then,
23 then we begin to read new testament. We find out, hey,
24 nothing was changed except one thing, the sacrificial
25 system, the laws pertaining to the slaying of animals.
And that's what the prophets agreed to, you know. The

1 prophets agreed to all throughout the manuscript the
2 day will come when he'll cause a sacrifice in a
3 (Indiscernible) decease. Because of the offering of
4 his self -- come on, you know, that's it.
5 JOHN: Right.
6 DAVID: He gave his own life.
7 JOHN: Right.
8 DAVID: And, so, what did he give in place of
9 that system on the passover? He took the bread. He
10 says, this is my body which is broken for you. This is
11 done is remembrance of me. And this is the blood which
12 you drink in my name which is in remembrance of me.
13 JOHN: Uh-huh.
14 DAVID: Now, this is, this is the new thing
15 of which Proverbs 8 and 9 talks about a time when, when
16 wisdom says, come eat of my bread, drink of the wine
17 which I have mingled.
18 JOHN: You know.
19 DAVID: You know, we find out that this
20 (Indiscernible) wisdom is that woman in Revelation 12
21 who gave birth to the man child. This is the plan of
22 God. Christ's wisdom is justified of her own children.
23 This is God's plan, God's wisdom, you know.
24 JOHN: Uh-huh.
25 DAVID: In the world of creation, out of
Adam's side came forth Eve, right?

1 JOHN: Right.

2 DAVID: And, so, that was his wisdom to be

3 able to conquer the world, wasn't it?

4 JOHN: Right.

5 DAVID: Procreate children.

6 JOHN: Right.

7 DAVID: Did he think of it -- did he think of

8 that himself? Who thought of that first?

9 JOHN: God.

10 DAVID: Exactly. Uh-huh. Pretty good tool,

11 huh?

12 JOHN: Oh, yeah.

13 DAVID: Man's been crazy over it ever since,

14 hasn't he? Can't beat it.

15 JOHN: From the beginning.

16 DAVID: From the beginning. Now, but in

17 Christ, we find that what comes of his side is not a

18 woman but blood and water.

19 JOHN: Right.

20 DAVID: Now, the prophecies tell you what

21 this means. Now, when you, when you take the body of

22 Christ, we're, we're dealing with a spiritual bride of

23 Christ. You know, Christ, Christ procreates by the

24 born again process, by the renewing of our minds,

25 coming to an understanding of the truth that God has

stated from the beginning. In the mediation of Christ,

1 we all -- all through the Books of Hebrews, all through
2 Galatians, you know, all the new testament says, hey,
3 Christ send to the heavens where he is to stand before
4 the father and he's to mediate on behalf of us. Well,
5 what does he mediate? Like the Seventh Day Adventist,
6 you know, they're, they're always talking about Christ
7 and the sanctuary, Christ and the sanctuary. You know,
8 what's he doing --
9 JOHN: Uh-huh.
10 DAVID: -- up there in the sanctuary? Well,
11 what did John the Revelator say? Well, he's up there
12 revealing the seven seals, isn't he?
13 JOHN: Uh-huh.
14 DAVID: Well, that's the New Testament. The
15 New Testament's not Matthew, Mark, Luke and John.
16 Matthew, Mark, Luke and John's telling you why the Old
17 Testament's done away with, because they killed him. I
18 mean they rejected him. They didn't want him. The
19 Jewish synagogue, the temple and the priesthood on
20 earth. Christ is in the temple in Matthew 23. He says
21 to them, your house has left to you desolate. I mean
22 here they are rejecting the only one that can bring
23 them to the knowledge of God.
24 So, you know, Christ is on the cross. He
25 says, father, into thy (Indiscernible) spirit and now
in the hand of God there's a book with seven seals.

1 JOHN: Yeah.

2 DAVID: So, when the papacy and all that,
3 when it, when it turned people away from the knowledge
4 of Christ and the heavenly sanctuary, the knowledge,
5 the episodic knowledge of the seven seals was lost
6 sight of. And the whole -- and the whole Gospel became
7 only a part of the overall fact. Peter says that we're
8 to, we're to understand that their inspiration -- the
9 Apostles are given knowledge to point us heavenward so
10 that the whole world will be ready for the revelation
11 of Jesus Christ.

12 Peter says, you know, to the church,
13 therefore, stand in grace when you're called, you know
14 --

15 JOHN: Uh-huh.

16 DAVID: -- until the latter days when
17 it -- the revelation of Jesus Christ. Hey, the Lamb's
18 supposed to come. There's supposed to be a world ready
19 for him. There's a truth that's going to set men free
20 if they continue with the doctrine. There's seven
21 seals. We know it's about a white horse, a red horse,
22 a black horse, a (Indiscernible) horse. Men are given
23 the opportunity to try to figure it out, to try to know
24 ahead of time. God says it's going to be impossible.
25 So, when he comes, the world's supposed to receive him
with open arms, right?

1 JOHN: Uh-huh.

2 DAVID: So, let's say he comes, in the
3 (Indiscernible) of the book it's written of him.
4 Remember God's got a book, Psalms 40. And the
5 (Indiscernible) book is written to me, I come, right.
6 And he comes and he goes to the papacy. He says, hey,
7 Papa Pope, you know, I'm here, let me show you the
8 seals. The Pope says, you know, un-ah. Why? Because
9 if he shows him the seals, what does that mean? That
10 means the pontiff has to hand the keys of Vatican over
11 to him, right?

12 JOHN: Uh-huh.

13 DAVID: Ah, do you think they can afford to
14 do that?

15 JOHN: I don't know about that, to be honest.

16 DAVID: Exactly. Say the Lutherans, the
17 Presbyterians, the Methodists, hey, all these churches
18 are built in the name of God, aren't they? All the
19 money coming in, that all belongs to Jesus, don't it?
20 Jesus don't want it. But there's one thing about it, I
21 bet you when that man comes, the son of man comes to
22 reveal those seals, I bet ya the attitude of the
23 churches will not be that they want to hand things
24 over. What do you think?

25 JOHN: That's a good question.

DAVID: You know, all a sudden the prophets

1 --

2 JOHN: That's a very good question.

3 DAVID: -- say a big crisis is going to

4 happen. But --

5 JOHN: Well, --

6 DAVID: -- then the truth's going to get out.

7 Everyone's going to be judged by the fact of, hey, what

8 are these seals?

9 JOHN: You know, you're talking about money.

10 I mean even people are out, you know, trying to make

11 money on, on this, on tee-shirts, on sweatshirts, on --

12 DAVID: I know. It makes me sick.

13 JOHN: And I, -- even, even movies, David,

14 even movies.

15 DAVID: I know. My own, my own biological

16 mother. All my life she used to spank me and she used

17 to tell me that I was weird and all that. And I used

18 to say, look -- you know, I used to have a lot of

19 trouble with her because I used to ask her questions.

20 JOHN: Yeah.

21 DAVID: And she used to say, you're a -- you

22 don't even act like my son.

23 JOHN: Yeah.

24 DAVID: And, you know, she talks about in the

25 magazine how at 12 years old I had memorized the New

Testament and all that. Well, at 12 years old, I mean,

1 you know, Christ, 12 years old, you know, he was up
2 there combating with the scholars of his day, wasn't
3 he?
4 JOHN: Yeah.
5 DAVID: You know, and so the thing of it is
6 is that finally it just comes to the fact to where,
7 look, even, even though biologically she may be my
8 mother, it's very obvious that when she takes, you
9 know, say $5,000.00 so she can talk about things she
10 don't even really know about my life, you know, that's
11 blood money.
12 JOHN: Yeah. Well, you know, every -- you're
13 the person who knows about this and, and people on the
14 outside don't know about this and yet they're going out
15 claiming to make movies. There's calls -- been calls
16 in here saying --
17 DAVID: That they know me?
18 JOHN: No, no, no, no, they know about the
19 situation and they want to make 75 or $100,000.00 or
20 technical advise it. It's just incredible, you know,
21 what's going on.
22 DAVID: It's blassemy, isn't it, almighty
23 dollar?
24 JOHN: Almighty dollar and millions. It's
25 just, it's just unbelievable. It's just unbelievable.
DAVID: You know, when they give me a lethal

1 injection or whatever they decide to do with me, then
2 I'll just --
3 JOHN: Well, --
4 DAVID: -- I'll just say, well, --
5 JOHN: -- that's --
6 DAVID: -- give me the cheap stuff.
7 JOHN: No, no, no, no. That's not gonna --
8 let me, let me say, I don't, I don't want to take too
9 much of your time because I know you have something to
10 do and I know your instruction, probably I'm delaying
11 that. I know -- don't want to do that. So, did you
12 want to call me back after instruction or --
13 DAVID: Right.
14 JOHN: -- have me call you or Steve call?
15 DAVID: I'll, I'll give you a call right when
16 we get through, okay?
17 JOHN: Okay. That would be great. I'll talk
18 to you in a little bit then?
19 DAVID: Okay.
20 JOHN: Thank you, David.
21 DAVID: Thank's a lot. God bless.
22 JOHN: Thanks. Thank you.
23 DAVID: Bye.
24 JOHN: Bye.
25 * * * *
JOHN: Hello.

1 STEVE: Hello, John?
2 JOHN: Yes, Steve.
3 STEVE: Yeah. The reason I'm calling is
4 they're starting up another tape outside and normally,
5 like David said, --
6 JOHN: Oh, it's, it's --
7 STEVE: -- it wouldn't bother us but here,
8 here's the thing. We're wondering if it could -- we
9 could dispense with that until tomorrow when the sun
10 goes down because even now we're in some pretty deep
11 discussions and --
12 JOHN: Uh-huh.
13 STEVE: -- he's going to be talking with a
14 lot of these people, who's going out, how, when, where,
15 all of that. A lot of subject matter is going --
16 JOHN: Yes.
17 STEVE: -- to be coming up. And, you know,
18 it's all in regards to what he has told you thus far
19 and we are truly working on that right now.
20 JOHN: I understand that.
21 STEVE: So -- but if he, you know, if he --
22 like David says, past the Sabbath hours, if you want,
23 you know, if you want, you can continue on or whatever
24 kind of a message he has, you know, that's more than
25 fine. It's just right now it's very disruptive
(Indiscernible) --

1 JOHN: I understand what you're saying.
2 STEVE: -- program.
3 JOHN: Okay. I understand what you're
4 saying. Let --
5 STEVE: Okay.
6 JOHN: Let me see what I can --
7 STEVE: Okay.
8 JOHN: -- I can do and I will try right now.
9 STEVE: Okay. Thank you much, John.
10 JOHN: Right, Steve.
11 STEVE: Okay. Bye.
12 * * * *
13 JOHN: Hello? Hello? Hello? Hello? Hello?
14 Hello?
15 STEVE: Hello, John?
16 JOHN: Yes, Steve.
17 STEVE: Do you have anything on playing the
18 tape yet? He's trying to talk with some people here
19 and --
20 JOHN: It's going to stop momentarily. I
21 worked it out. I went in and saw Mr. Jamar and --
22 STEVE: Okay.
23 JOHN: -- he said you can notify those people
24 and that's what's going to happen in about --
25 STEVE: All right.
JOHN: -- very shortly.

1 STEVE: Okay. Thanks much, John.
2 JOHN: Okay.
3 STEVE: I'll be back in touch with you.
4 JOHN: I'll, I'll talk to you after, after
5 daily.
6 STEVE: Okay. Thanks.
7 JOHN: Bye-bye. Bye-bye.
8 STEVE: Bye.
9 * * * *
10 STEVE: Hello?
11 JOHN: Steve?
12 STEVE: Yeah.
13 JOHN: John. How ya doing?
14 STEVE: Not too bad.
15 JOHN: Great. How's David?
16 STEVE: Yeah, he were talking to some people
17 right now.
18 JOHN: Okay. Okay.
19 STEVE: Yeah, what do you have?
20 JOHN: No, I was just checking.
21 STEVE: Okay.
22 JOHN: There's a -- okay. There's,
23 apparently, somebody out getting some pails or
24 something.
25 STEVE: Someone out getting pails?
JOHN: Yeah. In the rear --

1 STEVE: You mean of water maybe or something?
2 JOHN: Yeah, in the back, the backside.
3 STEVE: On the back -- that could be. I
4 don't know, you know. I'm quite a distance away.
5 JOHN: I understand. I understand.
6 STEVE: Yeah.
7 JOHN: Okay. Can you, can -- David's
8 counseling the people right now?
9 STEVE: Yes, he is.
10 JOHN: Okay, great, great. How many folks is
11 he talking to?
12 STEVE: Just a minute.
13 JOHN: Approximately.
14 STEVE: Right now he's talking to three,
15 right, right in his room.
16 JOHN: Fine. Okay. Excellent. I'll wait
17 for your call.
18 STEVE: Okay.
19 JOHN: And, and the gentleman, I guess with
20 the pails, will be coming in?
21 STEVE: Where, in fact -- just a minute.
22 It's kind of -- I wonder where he is -- any idea
23 where's he at, John?
24 JOHN: Out toward the corner where the pool
25 area is, that rough area back there.
STEVE: By the -- like -- by a back door by

1 the pool maybe or --

2 JOHN: Pool area, yeah.

3 STEVE: By the pool area?

4 JOHN: Yeah. I think he's -- I think he's

5 probably getting some buckets for water or something.

6 Yeah. How did -- did the speakers get turned off okay?

7 STEVE: Yeah, the speakers got turned off

8 okay.

9 JOHN: Good. Good.

10 STEVE: Yeah, that's fine. Is, is that --

11 JOHN: Very good.

12 STEVE: If the guy's out there getting water

13 in that area or -- is that a problem or --

14 JOHN: I'm sorry. I, I gave you the wrong

15 location. I apologize. It's at the other end -- gosh

16 -- in other words, the opposite end of the pool area in

17 the rear.

18 STEVE: Opposite end of the pool area.

19 JOHN: You know where the pool area is?

20 Okay, --

21 STEVE: Yeah.

22 JOHN: -- not that corner, the opposite rear

23 corner. Okay, so it would be the south -- okay, not

24 the north corner -- not --

25 STEVE: Is there -- if he's getting water off

the roof or something, is that a problem maybe or what

1 do you think?

2 JOHN: Yeah, if they just could -- if you

3 could just -- could ask him to go in for a while, we

4 get this thing resolved and that we, you know --

5 STEVE: He says it seems to be a problem,

6 John says.

7 DAVID: Tell him that there's two guys back

8 there with guns.

9 STEVE: He said, from what we understand,

10 there's two guys back there with guns already. If they

11 just keep an eye -- and they're watching him --

12 apparently or something.

13 JOHN: Oh, they're watching him?

14 STEVE: Yeah.

15 DAVID: Just relax a bit.

16 STEVE: He says just relax a bit because, you

17 know, he is -- he's working on it. There's no question

18 about it, you know.

19 JOHN: Okay, okay, sure.

20 STEVE: I think --

21 JOHN: Okey-doke.

22 STEVE: Just let them know some of these

23 people want to --

24 JOHN: Sure.

25 STEVE: -- look halfway decent when they come

out.

1 JOHN: I got ya. I understand. I
2 understand. I understand.
3 STEVE: Okay. Okay.
4 JOHN: Great. I'll talk to you in a little
5 bit then.
6 STEVE: All right.
7 JOHN: Just, just --
8 STEVE: David just said, and there's no
9 offense whatsoever, whatsoever.
10 JOHN: Okay. Look -- no problem. Just give
11 me a buzz back then when, when we're ready.
12 STEVE: Okay. Thanks.
13 JOHN: Thanks a lot, Steve.
14 STEVE: Sure.
15 JOHN: Bye.
16 STEVE: Bye.
17 * * * *
18 STEVE: Hello?
19 JOHN: Hi, Steve?
20 STEVE: Yes.
21 JOHN: John. How's it going?
22 STEVE: Not too bad.
23 JOHN: Good. Hey, I confirmed with the
24 custodial authorities. There's absolutely no problem
25 whatsoever keeping the Bibles.
STEVE: Okay, great.

1 JOHN: Okay.
2 STEVE: Great.
3 JOHN: So, I just wanted to pass that along
4 to you. Second, --
5 STEVE: Okay.
6 JOHN: -- a minor thing, some of the fellows,
7 you know, those guys, the trench guys, however you want
8 to call them, are out there concerned about a
9 gentleman. If you could kindly ask the gentleman to
10 get, get back inside, that it would help, help me a
11 lot.
12 STEVE: There's, there's a gentleman out
13 there, outside yet?
14 JOHN: Yes. Yes.
15 STEVE: He says there's guys in trenches --
16 JOHN: May, maybe one.
17 STEVE: -- that are, that are concerned and
18 they would like the guy that's outside to get back
19 inside.
20 JOHN: Okay.
21 DAVID: Is he a black guy or (Indiscernible)?
22 STEVE: Is he a black guy maybe or what? Do
23 you know?
24 JOHN: I'm sorry, I don't have a -- I don't
25 have that description.
STEVE: You don't have a description?

1 JOHN: No, I don't have that. Yeah, Steve,
2 if you just have the people outside come in, that would
3 help.
4 DAVID: (Indiscernible).
5 STEVE: We're trying to figure out where or
6 who it is just right now. I'm not --
7 JOHN: Okay.
8 STEVE: It doesn't make sense to me just --
9 may -- I wonder --
10 JOHN: Okay. Just, just -- yeah, whoever it
11 is --
12 STEVE: Could, could we check on it and call
13 you right back 'cause I, I -- let me find out for sure.
14 I really don't know.
15 JOHN: Okay. Yeah. And -- okay. Okay,
16 apparently, he has a -- what's called a clear rain
17 jacket and he's a white man.
18 STEVE: Oh, a clear rain jacket and he's a
19 white man.
20 JOHN: Yeah.
21 STEVE: I got a feeling that -- okay. Let
22 me, let me try to pass that on, John.
23 JOHN: Okay, great.
24 STEVE: Okay.
25 JOHN: And just ballpark, what, what times
are we looking at?

1 STEVE: You mean for calling you back?
2 JOHN: No, as far as moving, you know, this
3 afternoon.
4 STEVE: As, as far as moving?
5 JOHN: Somebody, somebody moving out of
6 there.
7 STEVE: Someone moving out of here this
8 afternoon?
9 JOHN: Yeah.
10 STEVE: Just a moment.
11 DAVID: (Indiscernible).
12 STEVE: They're trying -- he's right now --
13 that's what he's doing right now, you know. In fact,
14 he's, he's --
15 JOHN: Oh, great. Okay, great, great, great.
16 STEVE: -- trying to get it resolved right
17 now.
18 JOHN: Thanks a million.
19 STEVE: Okay.
20 JOHN: I'll, I'll -- you'll give me a buzz
21 back in a little bit?
22 STEVE: Yes.
23 JOHN: Thanks very much.
24 STEVE: Okay, just a minute, wait.
25 JOHN: Okay.
STEVE: Okay. Well, I, I'm going to let you

1 talk to Kevin and some of these guys here while I'm
2 going to see about this guy down here.
3 JOHN: Okay. Thanks a lot by checking on
4 him.
5 STEVE: Just a minute.
6 (Pause)
7 KEVIN: Hello?
8 JOHN: Kevin?
9 KEVIN: Yeah.
10 JOHN: This is John. How ya doing?
11 KEVIN: How, John.
12 JOHN: Good. How are you tonight?
13 KEVIN: Pretty good.
14 JOHN: Pretty good.
15 KEVIN: Just trying to get -- there's been
16 problems here that we're just trying to get reaffirmed
17 right now before we go out.
18 JOHN: Okay.
19 KEVIN: So, we're just looking at some
20 scriptures right now.
21 JOHN: Okay. I appreciate that.
22 KEVIN: Yeah.
23 JOHN: Are you -- I understand there's
24 another person coming with you?
25 KEVIN: Yeah. You want to speak to Brad?
JOHN: Yeah, let me say hello to Brad.

1 KEVIN: Yeah, sure. Hold on, John.
2 BRAD: How ya doing, John?
3 JOHN: Hi, Brad, how are you tonight?
4 BRAD: Pretty good.
5 JOHN: Good. Good. I know that you wanted
6 to keep your Bible with you, right?
7 BRAD: Exactly.
8 JOHN: Okay. I've, I've already checked that
9 and it's already confirmed that you can do that.
10 BRAD: How about an (Indiscernible) bread and
11 grape juice, too, so we can keep our daily?
12 JOHN: You, you -- bring it out with you and
13 we'll see what we can do but definitely -- I, I only
14 checked on the Bibles 'cause that's the only thing we,
15 we were told that you were going to bring but, but
16 bring it with you and then we'll see what we can do.
17 But definitely the Bibles are absolutely guaranteed.
18 BRAD: Okay.
19 JOHN: Good. So, are you been talking --
20 being, you know, going through the scriptures with
21 David and --
22 BRAD: Right.
23 JOHN: How's that going?
24 BRAD: Huh?
25 JOHN: Good.
BRAD: Oh, oh, pretty good, yeah.

1 JOHN: Good. Good. Great. Okay.
2 BRAD: Yeah. We, we want to try to get along
3 with you all as best we can.
4 JOHN: Hey, let me tell you something.
5 That's -- that, that is going to happen. We're not
6 hard to get along at all and we'll, we'll take good
7 care of you. There's no problem with that at all.
8 BRAD: Okay.
9 JOHN: And we'll work it out and it will be,
10 you know, it will be very smooth. So, don't, don't
11 worry about a thing. Do you have any concerns that I
12 can answer?
13 BRAD: Well, we were wondering about the food
14 because I got thrown in there for a traffic ticket not
15 too long ago and they slam you with pork and we don't
16 eat pork.
17 JOHN: No, no, no, no. They respect your,
18 your dietary rules. So, that's not going to be a
19 problem.
20 BRAD: Okay.
21 JOHN: So, just bring that out but I only, I
22 only called in, to be honest, to check on the Bible and
23 that's -- we're guaranteed that.
24 BRAD: Okay.
25 JOHN: So, -- but bring the -- but bring the
other if you'd like to and, you know. When, when --

1 roughly, just for planning purposes, what time are we
2 looking at, approximately?
3 BRAD: Shortly.
4 JOHN: Shortly. Okay. Very good. Very
5 good. Can -- is there anything else that -- any -- you
6 know, that you have any questions?
7 BRAD: Not at the moment.
8 JOHN: Okay. Just you and Brad, I guess, or
9 is there somebody else?
10 BRAD: Me and Kevin and, and Rita.
11 JOHN: You, Kevin, Rita. Okay. Very good.
12 Well, I appreciate your letting know and I, I think the
13 way we left it is that Steve is going to give me a buzz
14 back.
15 BRAD: Okey-doke.
16 JOHN: Great. Nice talking with you and look
17 forward to it.
18 BRAD: Okay. Do you want to talk to Rita?
19 JOHN: Yeah. Is Rita there?
20 BRAD: Yeah.
21 RITA: Hi, John.
22 JOHN: Hi, Rita, how are you tonight?
23 RITA: Fine.
24 JOHN: Great. Great. Can I answer any
25 questions for you at all?
RITA: Not at this point I don't think.

1 JOHN: Okay. As I understand, you wanted to
2 bring your Bible with you?
3 RITA: Definitely.
4 JOHN: Okay. Definitely, please bring it
5 with you and we've already confirmed with the pickup
6 people and everybody down the line that you will be
7 allowed to keep that. So, that's something that will
8 be -- remain with you. Is that okay?
9 RITA: Yeah.
10 JOHN: Good. Is there any -- are you have
11 any -- you know, is there anything that I can answer
12 for you? Everything's going to go very smoothly.
13 There will be no problems whatsoever and, and I'm sure
14 that Kevin will be right there along with you.
15 RITA: Yeah. Well, at this point, we're just
16 trying to, you know, dig in the Bible and --
17 JOHN: Sure.
18 RITA: -- you know.
19 JOHN: Sure. I know. I know. It takes a --
20 it takes a little bit of strength.
21 RITA: Uh-huh.
22 JOHN: But everything's going to be fine and
23 if you have any questions at all, don't hesitate to, to
24 call and ask.
25 RITA: Okay.
JOHN: Great. And would you -- if you see

1 Steve, would you ask him to give me a buzz back?
2 RITA: Sure will.
3 JOHN: Great, Rita. Thank you very much.
4 RITA: Uh-huh.
5 JOHN: And I'll look forward then -- if
6 there's anything I can answer, don't hesitate.
7 RITA: Okay.
8 JOHN: I'll see you later. Bye-bye.
9 * * * *
10 JOHN: Hello?
11 STEVE: Hello, John?
12 JOHN: Hi, Steve.
13 STEVE: Yeah. I was just talking with David
14 and I passed the message down and David also says, have
15 a little faith in us now, relax.
16 JOHN: I do.
17 STEVE: We're working it out. In fact,
18 they've not gone out -- passed outside the building or
19 anything like that from what they're telling me. They
20 were right in our own courtyard there inside the
21 complex and not, not out passed any place outside the
22 building under any circumstance.
23 JOHN: Okay.
24 STEVE: Yeah.
25 JOHN: All right.
STEVE: And, and I told -- I passed the

1 message down there, don't go beyond, you know, such and
2 such a spot and so forth. So, that's what they're --
3 they're not going to do that.
4 JOHN: Okay. If -- yeah, if they just could
5 call in and, you know, let us know, that would go a
6 long way, and then I could, I could tell them.
7 STEVE: Yes. Yeah, you know, I'm quite a
8 distance from them. So, I wasn't even aware of what
9 was going on. I guess when it started raining, some
10 of them were sticking and washing their head -- hair
11 and all that.
12 JOHN: Yeah. Just, just for the --
13 STEVE: In preparation for coming out and --
14 JOHN: Sure. Just for the time being, if we
15 could keep them in. It's starting to get dark and so
16 on. If you could just keep them in for a little bit,
17 we'll, we'll get this --
18 STEVE: Well, yeah, I passed it on.
19 JOHN: Great.
20 STEVE: I'm sure that's been taken care of
21 now.
22 JOHN: Great. Great. I really appreciate
23 they're doing that and we're -- everything's going
24 smoothly.
25 STEVE: And David says, tell those guys out
there to relax, you know. We're at a place now,

1 everything's going good. We're working this out.
2 JOHN: I know that.
3 STEVE: There's a good rapport.
4 JOHN: You know we're trying and --
5 STEVE: Okay.
6 JOHN: -- it's not a problem. It's not a
7 problem.
8 STEVE: Okay. Okay.
9 JOHN: Great.
10 STEVE: Great.
11 JOHN: I'll talk to you later.
12 STEVE: Thanks.
13 JOHN: Thank you.
14 STEVE: Bye-bye.
15 JOHN: Bye-bye.
16 * * * *
17 STEVE: Hello, John?
18 JOHN: Yeah.
19 STEVE: Yeah. I'm sitting here with David,
20 with three individuals that I believe you must have
21 spoke to. Did -- did he speak -- did you speak at all?
22 JOHN: Yes, I did.
23 STEVE: Okay. And originally and still is,
24 they're going to be coming out just before the sun goes
25 down tomorrow. You remember that, two hours ago,
right?

1 JOHN: No.

2 STEVE: And he's starting to work with others
3 right now that will also be following out after them
4 'cause he, he -- you know, he never went to sleep last
5 night through the morning. He's wearing out and they
6 want some instruction, they want to be -- they want to
7 be shown --

8 JOHN: Steve, Steve, let me interrupt here.

9 STEVE: Okay.

10 JOHN: Kevin indicated this evening and I
11 went in --

12 STEVE: Kevin, did you indicate this evening?
13 You want to go out 'cause I got John on the phone here
14 right now.

15 (Indiscernible voices speaking in the
16 background).

17 STEVE: See, what they're trying to do is get
18 through the Book of Micah. And he -- he says, give,
19 give John Dolan the invitation to take a look at
20 chapter 2.

21 JOHN: Well, I appreciate that except that I
22 spoke to Kevin and I went in and I told Mr. Jamar it
23 would be tonight.

24 STEVE: Just, just a minute.

25 STEVE TO OTHERS: He said he went and told
Mr. Jamar that it would be tonight. John, it wasn't

1 from me because, remember, if you play back --
2 JOHN: No, I, I didn't say that. I said I
3 spoke to Kevin --
4 STEVE: Okay.
5 JOHN: -- and he indicated it would be
6 tonight in a short while and that would have obviously
7 been before the sunset and that he was --
8 STEVE: David -- in fact, remember how David
9 had stressed to me it's of the utmost importance and
10 they, you know, it's their last opportunity to take a
11 look at something that to them is their, is their
12 salvation, the reason they came here to begin with.
13 You know, they can discuss it with you when they come
14 out or whatever but, you know, it -- that's the truth.
15 There's no, you know, no foolishness about it.
16 JOHN: Yeah. Here's -- okay.
17 STEVE: And when I -- when he says that, he
18 means that.
19 JOHN: Sure.
20 STEVE: Not maybe, you know.
21 JOHN: I know that. Is your --
22 STEVE: That's why originally when I talked
23 to you like two hours ago, through those Sabbath hours
24 was extremely important, just like the dailies.
25 JOHN: I appreciate that but --
STEVE: Extremely important.

1 JOHN: -- Kevin indicated it was going to be
2 this evening.
3 STEVE: Well, let, let me hand you back to
4 Kevin then.
5 JOHN: Okay.
6 KEVIN: Okay. John?
7 JOHN: Yeah, Kevin.
8 KEVIN: I didn't know what was happening
9 really. I, I need to get through the Book of Micah.
10 Respect that. And I'll be out tomorrow.
11 JOHN: I, I appreciate that. I -- here's
12 what I did. I went in and I spoke to Mr. Jamar.
13 KEVIN: Uh-huh.
14 JOHN: And I indicated that you, you
15 personally were coming out this evening. And I had
16 arranged -- actually, yourself and Rita and Brad and I
17 had arranged for you keeping your Bibles. So, the
18 Sheriff's Department, based on that, made the
19 representation to me that, you know, you, you would be
20 in there, the Sheriff's Department tonight. You would
21 be able to keep your Bible. I just spoke to a
22 lieutenant down there and everything is all set. So,
23 it kind of, you know, we kind -- we made arrangements
24 based on that, based on tonight. So, have you finished
25 your counseling with David?
KEVIN: No.

1 JOHN: How, how about Brad?
2 KEVIN: None of us. We're, we're, we're here
3 in the -- we're right in the middle of it.
4 JOHN: Yeah, but can I speak to David for a
5 second please, sir?
6 KEVIN TO DAVID: He wants to speak to you,
7 David.
8 DAVID: Hello, John.
9 JOHN: Hi, David, how are you?
10 DAVID: Yeah. We was -- like I was trying to
11 explain to you, you know, I have -- you know, they have
12 to know this because once they get there, you know what
13 it's going to be like. They're going to be out --
14 JOHN: Well, --
15 DAVID: -- there. They're going to be going
16 through all this process.
17 JOHN: Yeah.
18 DAVID: And they're going to be on their own.
19 JOHN: Let me -- okay, let me tell you what
20 I've done. I, I called the Sheriff's Department. I
21 called the -- each -- the guys down -- the transporting
22 guys, everybody and everybody's --
23 DAVID: Uh-huh.
24 JOHN: -- agreed that they may keep their
25 Bibles. I rep -- made a very strong representation --
DAVID: Right.

1 JOHN: -- to Mr. Jamar personally. I went
2 into his office personally based on the fact of prior
3 conversations that, that Rita, that Kevin, and that
4 Brad would be out this evening. So, I, I put --
5 DAVID: No, I didn't, I didn't, I didn't say
6 for sure, remember?
7 JOHN: No, no, you didn't. Kevin told me he
8 would be out in a short while tonight.
9 DAVID: Oh, I see.
10 JOHN: So, that's where I, based on his
11 representation that that was going to happen, I went
12 into Mr. Jamar and told him that.
13 DAVID: Uh-huh.
14 JOHN: So, I gave him my personal word on
15 that. It's, it's going to put me in a real personal
16 bad light. I mean I actually went in and --
17 DAVID: Well, tell him -- well, look, tell
18 him like this, tell him that this is -- look, okay. I
19 cannot emphasize they've got to know this stuff.
20 These, these guys, where, where it stands, is, you
21 know, with what they've already learned, the original
22 purpose, the plan which they messed up on, they'd
23 rather, they'd rather die here. You see what I'm
24 saying? Let me, let me, let me, let me reword that.
25 JOHN: Sure.
DAVID: You know, they have to be assured --

1 are you there? Hello?

2 JOHN: I'm here. I'm here.

3 DAVID: Okay. They have to be assured from

4 the word of God that the providence of God gives us the

5 opportunity to, to show us that in a situation we're

6 now entering into that God, though in chastening us,

7 you know, still gives us opportunity to preserve us.

8 Like I say, we have to face a judgment after, after you

9 all judge us.

10 JOHN: I know. How about this. I,

11 personally, know the jail -- the man down at the, at

12 the Sheriff's Department. He's a personal -- I've --

13 we've, we've gotten to be very close over a short time.

14 I will make arrangements and give you my guarantee that

15 these people can call you and speak to you at any time

16 you want tomorrow or the next day as long as you want

17 to be counseled.

18 DAVID: Well, now, like I said, the Sabbath

19 now --

20 JOHN: Not tomorrow. No, I know, I wouldn't

21 interrupt your Sabbath.

22 DAVID: Okay. Here's -- look, here's the

23 deal. I mean I don't, I don't want this thing to mess

24 up but like I say, --

25 JOHN: Me either. Me either.

DAVID: -- this is the last personal face to

1 face counsel that I'm going to have with these
2 individuals. You know, you're dealing, you're dealing
3 with something to them that's, that's more serious than
4 any judicial system they'll go through on earth. You
5 know, that's why I was saying, I was saying to Steve,
6 you know, call -- you all guys need to look at the Book
7 of Micah. See what you can gleam from it.
8 JOHN: I, I appreciate that.
9 DAVID: See what this, see what this guy
10 Micah saw.
11 JOHN: I know. The only problem --
12 DAVID: You see.
13 JOHN: The only problem is I have a personal
14 problem that I need your assistance with and I don't
15 want this to, you know, we're --
16 DAVID: You're trying to bend us over
17 backwards again.
18 JOHN: No, no, no. It's solely what I did.
19 It's solely what I did based on talking to Kevin,
20 indicating that he would be out shortly this evening.
21 So, --
22 DAVID: Well, I was, I was, I was, you know,
23 laying over here and, and he said he'd be out shortly
24 --
25 JOHN: Right.
DAVID: -- but, you know, the thing -- he, he

1 didn't know, -- he didn't know the structure. We were
2 still having to deal with, with these speaker things
3 out here. You know, it took a while before you finally
4 stopped those speaker things.
5 JOHN: All right. How about this, how about
6 if you counsel him this evening and he comes out this
7 evening later? Please.
8 DAVID: The Sabbath, the Sabbath's going to
9 be --
10 JOHN: Just help me out on this one.
11 DAVID: Look, I'm not going to go against
12 God.
13 JOHN: No, absolute --
14 DAVID: Let me explain something. I will die
15 --
16 JOHN: No, no, I don't want --
17 DAVID: Let me explain something.
18 JOHN: Sure.
19 DAVID: I will die before I will leave these
20 people without a clear perception of what God has
21 opened for them. They're in trouble with God, see.
22 JOHN: I know.
23 DAVID: And the thing of is is that they're
24 only consolment to their mind and conscience is that
25 whatever comes upon them on the outside, they're only
strength is going to be in the promises of God that are

1 clearly made -- manifest through his word. See, I'm,
2 I'm, I'm begging you to understand. This is where our,
3 our head, our head is adamant, you see.
4 JOHN: Sure. We're in complete agreement on
5 the Sabbath. There's absolutely no, --
6 DAVID: Well, you see, --
7 JOHN: -- no problem with that. You and I
8 are in complete agreement. The only, the only thing is
9 if they could depart, just depart, simply depart
10 following meeting with you and counseling on the
11 scriptures this evening. That's anytime this evening.
12 DAVID: Well, that's -- now, the Sabbath's
13 going to be here in about what -- what time is it now?
14 UNIDENTIFIED FEMALE SPEAKER: Five-thirty.
15 DAVID: Five-thirty?
16 JOHN: That's -- it's five, five-thirty now.
17 DAVID: Well, what time, what time is sunset
18 here? Okay. We'll see what we'll do, all right?
19 We'll see what we can do.
20 JOHN: I appreciate it very, very much.
21 DAVID: I'll, I'll really work on it, all
22 right?
23 JOHN: Thank you very, very much. I really
24 need this for me, personally.
25 DAVID: Oh -- well, okay. Well, I'm going to
do what -- I'm going to do it for them.

1 JOHN: I know you are. I know you are.
2 Thank you --
3 DAVID: But understand, but understand,
4 please don't -- in the times past, we made statements,
5 you all, you all have -- possibly not willfully but
6 you've like stretched it to your, to your advantage,
7 you know, and like we, we made --
8 JOHN: I didn't, didn't know -- I wouldn't do
9 that, not on this. I wouldn't do that and I haven't
10 done that and I -- you heard me talk to Kevin. So,
11 that's how it got -- that's how it got started. So, --
12 DAVID: Okay.
13 JOHN: -- I appreciate it. I'll talk to you
14 in a little bit.
15 DAVID: Okay, thanks.
16 JOHN: Thank you, David.
17 DAVID: Bye.
18 JOHN: All right, bye.
19 * * * *
20 KEVIN: Hello?
21 JOHN: Steve?
22 KEVIN: No, this is Kevin.
23 JOHN: Kevin, how are you?
24 KEVIN: Good.
25 JOHN: Good, this is John.
KEVIN: John.

1 JOHN: How's it going?
2 KEVIN: Oh, we're just getting through --
3 JOHN: Okay.
4 KEVIN: -- Micah. We're trying to get
5 through it now.
6 JOHN: Okay. Well, I -- well, send a pickup
7 vehicle then for you now. I'll send a pickup vehicle.
8 KEVIN: Ah, well, we're not through yet.
9 JOHN: Well, are you, are you going to make
10 it tonight? You are going to make it tonight, right?
11 KEVIN: We're trying. Hey, we really are.
12 JOHN: Okay.
13 KEVIN: We're trying but we want to make it
14 through this first. I mean there's no guarantees but
15 if, if we can get through it, you know, possible.
16 JOHN: Okay. What time's sundown?
17 KEVIN: I don't know. You tell me. Probably
18 around 6:30 or so.
19 JOHN: All right. So, anyway, I'll, I'll --
20 I don't want to hold you up. I want you to get back to
21 that. We're just trying to make some arrangements to
22 get your pickup vehicle.
23 KEVIN: Uh-huh.
24 JOHN: So, I'll, I'll dispatch the pickup
25 vehicle and hopefully we'll see you at 6:30, how's
that?

1 KEVIN: I can't, I can't promise that. I
2 mean as soon as we're finished with Micah, it's -- like
3 I said, it's up to David.
4 JOHN: How, how far through are you, your
5 lesson, your, your teaching?
6 KEVIN: Well, we're -- I guess we'd be in
7 Chapter 4 right now.
8 JOHN: Okay. I can't remember Micah, how
9 many chapters we'd -- we're -- I'm looking at there.
10 KEVIN: Okay.
11 JOHN: Hello?
12 KEVIN: Yeah.
13 JOHN: Yeah.
14 KEVIN: Uh-huh.
15 JOHN: Okay. I, I promised the boss, based
16 on our conversation earlier, that Mr. Jamar -- that you
17 would be coming out tonight.
18 KEVIN: Right.
19 JOHN: So, he's going to be a little bit
20 upset with me personally and with -- my credibility is
21 going to be ruined with him, as you can well imagine.
22 So, when you said a short, a short time, I assumed that
23 that was a couple of minutes, you know.
24 KEVIN: Uh-huh.
25 JOHN: So, I've arranged for you to have your
Bible. Everything's been smoothed along the way and

1 we're just looking forward to seeing you tonight.
2 KEVIN: What am I supposed to expect?
3 JOHN: Okay. You'll just walk down the road
4 to the pickup spot. You all just walk down the road to
5 the pickup spot. There'll be a Bradley there. They'll
6 give you directions. You'll sit in the back of the
7 Bradley, right down, get transferred to the van and,
8 and that's basically it. It's going to be smooth as
9 glass. I've arranged with one of the people down at
10 the jail for the Bible, to make sure you're Bible
11 there. I've spoken to them. Everything has been
12 expedited and it's (Indiscernible), it's ready to go.
13 There's absolutely no problem. It's, it's really --
14 it's a piece of cake. It's, -- you know, everybody's
15 been through it, Kathy. Nobody's had any real
16 complaints, Ollie. It's really smooth.
17 KEVIN: Is it going to be like Ollie's
18 accommodations or --
19 JOHN: Yeah, same.
20 KEVIN: The same as Ollies?
21 JOHN: Same place. Same place.
22 KEVIN: Same place with Ollie?
23 JOHN: Not exactly in the same room but in
24 the room probably adjacent.
25 KEVIN: Oh, okay.
JOHN: Okay?

1 KEVIN: Tell you what, John, I'll do you a
2 favor. When I'm finished with Micah, I'll call you
3 back.
4 JOHN: Okay. I need --
5 KEVIN: How's that?
6 JOHN: Okay, that's wonderful. I did promise
7 my boss it would be tonight. We've, we've gotten
8 everything squared away down, downtown, with the Bibles
9 and everything. So, it's smooth --
10 KEVIN: Okay. Hold on, hold on real quick.
11 JOHN: Okay.
12 KEVIN TO OTHERS: John, just wants
13 (Indiscernible) tonight some time (Indiscernible). He
14 says his credibility is out the door.
15 KEVIN: Okay. David says that he's your
16 credibility, okay, and that we're trying as hard as we
17 can right now.
18 JOHN: Okay.
19 KEVIN: Okay?
20 JOHN: Call me back.
21 KEVIN: Okay. I'll give you a call when
22 we're finished.
23 JOHN: Call me.
24 KEVIN: All right.
25 JOHN: Bye-bye.
KEVIN: Thanks. Bye, John.

1 * * * *

2 JOHN: Hello? Hello? Hello? Hello? Hello?

3 STEVE: Hello, John?

4 JOHN: Yeah, Steve.

5 STEVE: Yeah. I just came in. So, I --

6 apparently, I'm just being a little bit updated as to

7 what's been happening here. Some of these guys are

8 sitting here right now. What am I calling for? I'm

9 not even sure what they want me to call for here. I'm

10 a little --

11 DAVID: (Indiscernible).

12 STEVE: They want to confirm, apparently, if

13 they come tonight that they can call in the morning and

14 have that study.

15 JOHN: Yes.

16 STEVE TO DAVID: Yes, he says. It's

17 confirmed.

18 DAVID: Okay. I mean both of them together

19 --

20 JOHN: Yeah. Two calls or you mean on the

21 same line?

22 STEVE: On the same line.

23 DAVID: Is that going to be all right?

24 JOHN: Yeah, I'll try to work it out. How

25 about if I can't -- I'll try to work it out. I don't

know if they have that type of patch system but if they

1 can't do it together, how about they do two individual
2 calls?
3 STEVE TO DAVID: He said if they can't do it
4 -- he doesn't know if they have that kind of a patch
5 system -- can it be done in two individual calls?
6 DAVID: (Indiscernible).
7 STEVE: He says it's going to wear him out.
8 You know, he's still now, you know, totally up to par
9 here.
10 JOHN: Oh, we'll do our best. We'll do our
11 best. Maybe they can patch it through here.
12 STEVE: Don't you have an intercom or
13 something, he said?
14 JOHN: We'll get an intercom.
15 STEVE: They'll get --
16 JOHN: We'll get, we'll get an intercom.
17 STEVE: Okay. That will work.
18 JOHN: Okay.
19 STEVE TO DAVID: Anything else
20 (Indiscernible). John?
21 JOHN: Yeah.
22 STEVE: Here's Kevin. He wants to talk to
23 you personally here.
24 JOHN: Sure.
25 KEVIN: Yeah, so, we're finished right now,
John.

1 JOHN: Okay, Kevin.
2 KEVIN: Hey, are we going to be able to meet
3 you tonight at some point?
4 JOHN: I'll probably meet you tomorrow.
5 How's that?
6 KEVIN: Tomorrow? Okay.
7 JOHN: Yeah, I can meet you tonight. This is
8 --
9 KEVIN: You can on the way -- on the way over
10 or whatever?
11 JOHN: We're in a different location. That's
12 the problem.
13 KEVIN: Oh.
14 JOHN: But I'll see you tomorrow.
15 KEVIN: Oh, okay, John.
16 JOHN: How's that? Is that okay?
17 KEVIN: Yeah. I was just -- yeah, okay,
18 whatever.
19 JOHN: Well, I'd like to --if I'm -- if you
20 want me to meet you tonight, I'll come down there.
21 KEVIN: Yeah. Well, that'd be great.
22 JOHN: All right. I'll look forward to it.
23 KEVIN: I, I take it they'll be a shower,
24 huh, 'cause we haven't had a chance to, to wash up or
25 anything, John.
JOHN: Absolutely. Absolutely. Absolutely.

1 KEVIN: I don't even have a shave going here
2 yet. I don't know how quick you want us to come out.
3 JOHN: We'll get you a shower and a shave.
4 That's, that's nothing, nothing to that.
5 KEVIN: Oh.
6 JOHN: You'll feel better anyway when you
7 have that. Nice hot water and all that -- all the soap
8 you can use.
9 KEVIN: I do.
10 JOHN: Okay.
11 KEVIN: I feel, I feel dirty myself.
12 JOHN: We'll get you --
13 KEVIN: Well, I'll look forward to seeing you
14 tonight or some -- you know.
15 JOHN: I'll see you tonight.
16 KEVIN: Okay. So, --
17 JOHN: Now, hold on, hold on, I need to know
18 when you're departing for, for the pickup vehicle.
19 KEVIN: I just need to go and get some stuff
20 and put some clothes on and I'll be -- I guess I'll be
21 out if that's okay with -- David? Okay. So, tomorrow
22 we're going to be able to talk with David, right?
23 JOHN: Yes.
24 KEVIN: We need to -- we haven't finished a
25 study. We're doing this, you know, --
JOHN: I know.

1 KEVIN: -- for you.
2 JOHN: I know you are and I, I appreciate
3 that and tomorrow we'll finish the study in a phone
4 call.
5 KEVIN: Okay. You know about --
6 approximately what time? Is it going to be in the
7 morning or in the afternoon or --
8 JOHN: We'll, we'll try -- we'll set it up
9 and, and call in and let Steve know or David know.
10 KEVIN: You'll let Steve or David --
11 JOHN: Yeah.
12 KEVIN: -- know?
13 JOHN: Yeah.
14 KEVIN: Okay, John.
15 JOHN: And who -- let -- just for pickup
16 purposes, now, you're coming out, Kevin, and who's
17 coming along?
18 KEVIN: And Brad.
19 JOHN: And -- you and Brad?
20 KEVIN: Me and Brad, I guess, are going to
21 come out.
22 JOHN: Okay.
23 KEVIN: Unless -- I know the original thing
24 was me. So, you want him to stay or -- okay. So, Brad
25 and I will be coming out. Can you give us a few
minutes to put on our clothes?

1 JOHN: Sure, sure.
2 KEVIN: Okay. Like I say, we ain't showering
3 or shaving. So, we're going to need that.
4 JOHN: Well, -- that doesn't matter. We'll
5 have that done for you. You can do that down there and
6 get plenty of hot water, soap, all you want.
7 KEVIN: Okay.
8 JOHN: Shave and feel better and, you know.
9 KEVIN: That'll be great.
10 JOHN: Yeah. That will be done. That will
11 be done tonight.
12 KEVIN: Okay.
13 JOHN: Okay. And I guess Rita -- when's Rita
14 coming?
15 KEVIN: She'll probably -- probably tomorrow,
16 right?
17 JOHN: Tomorrow night. Okay.
18 KEVIN: Oh, yeah, she needs some more study.
19 So, --
20 JOHN: Okay. I understand that. I
21 understand that totally. Okay. I need to notify the
22 pickup vehicle so let's say -- maybe Steve can call me
23 back when you're ready to go out the door?
24 KEVIN: Fine. That will be great.
25 JOHN: Oh --
KEVIN: He can call you back when we're

1 ready.

2 JOHN: Okay. Just for, for what they call

3 logistic purposes, for contacting the pickup vehicle,

4 it's about ten to seven now. We're looking at what,

5 about --

6 KEVIN: Uh, gee.

7 JOHN: Roughly.

8 KEVIN: It will take me about -- I guess I

9 could be ready to go in twenty.

10 JOHN: All right, twenty, and, and Brad, too?

11 Is 7:15 good?

12 KEVIN: Yeah, 7:15 would be great.

13 JOHN: Sounds great. I'll look, I'll look

14 forward to meeting you and please have Steve or

15 somebody call me when, when you're ready to depart the

16 door.

17 KEVIN: Okay. I'll let him give you a call

18 then.

19 JOHN: Right. And I'll look forward to

20 meeting you.

21 KEVIN: Okay, thanks. Thanks a lot, John, I

22 appreciate it.

23 JOHN: My pleasure, Kevin.

24 KEVIN: Okay.

25 JOHN: Talk to you.

KEVIN: Bye.

1 JOHN: See ya. Bye-bye

2 * * * *

3 RACHEL: Hello?

4 JOHN: Hi, Rachel?

5 RACHEL: Hi, how did you know?

6 JOHN: Oh, I'm getting to know your voice.

7 RACHEL: Is this John Dolan?

8 JOHN: Yes, it is.

9 RACHEL: Good to hear your voice again.

10 JOHN: Good to hear your voice.

11 RACHEL: It's been a long time.

12 JOHN: Yeah, it has been.

13 RACHEL: Yeah.

14 JOHN: Sounds like you have a little baby

15 there?

16 RACHEL: Sorry?

17 JOHN: Sounds like you have a little baby

18 there.

19 RACHEL: Yes, I do, --

20 JOHN: Who --

21 RACHEL: -- sitting here in my lap.

22 JOHN: Who is it?

23 RACHEL: That's my Bobby.

24 JOHN: Bobby? Oh.

25 RACHEL: You hear her, she's calling her

daddy.

1 JOHN: She is. Oh, yeah. She's got a strong
2 voice.
3 RACHEL: Yeah. She's calling daddy.
4 JOHN: How old's Bobby?
5 RACHEL: She's a year.
6 JOHN: One year old?
7 RACHEL: Uh-huh.
8 JOHN: Oh, geez.
9 RACHEL: Yeah.
10 JOHN: She's got a great voice, I'll tell you
11 that.
12 RACHEL: Yeah.
13 JOHN: Probably you don't like to hear that
14 about 2:00 in the morning, though.
15 RACHEL: Yeah.
16 JOHN: Yeah. Is, is Kevin around or --
17 RACHEL: Kevin?
18 JOHN: -- or Steve or --
19 RACHEL: Steve? Yeah, they're around here
20 somewhere.
21 JOHN: Okay. 'Cause we were trying to make
22 arrangements for, for Kevin's pickup. So, it's just --
23 RACHEL: Do you want to talk to David?
24 JOHN: Yeah, great.
25 RACHEL: Okay. Here he is.
DAVID: Hello, John?

JOHN: Nineteen.

DAVID: Man, you count good.

JOHN: It's my job, you know. Nineteen, I believe.

DAVID: If you, if you knew my --
