Submitted Text:

[redacted] During Ms. Ford's hearing, she identified that there were four at that party: Kavanaugh, Judge, P.S.?, and someone else not known to her by name. During the yearbook session with Kavanaugh, a high school friend-alumnus had the initials which was mentioned by Dr. Ford. I find it interesting that while all the attention has been placed on Judge, that no one has questioned the P. S. person. Where would Ford have

gotten these initials that remained in her mind all these years. Perhaps, P.S. can affirm that he was at least at parties together with Kavanaugh and Judge and some beer-drinking binges!

Judge Bret Kavanaugh committed perjury during his interview on live TV when he announced his drinking of alcoholic beverages was legal at 17 years old. As the legal drinking age was either 18 or 21. As a judge he knows this to be untrue. He repeated this statement a number of times. As this was at the federal level in front of senators there is ample witnesses. As a citizen of the United states, I demand this be prosecuted. This is blatant disregard of federal law.

Dr Ford close to 1 million dollars in G Fund Me accounts. She obviously has an anxiety disorder. She likely has a high ACE score (adverse childhood experience). Her counseling and medical records need to be part of this investigation. Her allegations are likely due to mistaken identity in her mind. Has she imagined it was Judge Kavanaugh because she was a victim of sexual abuses as a child./She got herself into this mess and has a lot of money. The American people and the President of the United States deserve to know the truth.

The FBI needs to check things listed on Brett Kavanaugh's calendar that should be fairly easy to check, such as the time he claims he donated bone marrow. One does not just walk in and donate bone marrow. Usually this is an all day procedure and requires quite a bit of recovery. Other items also could be easy to check his creditabilty.

I watched the US Senate hearing on Brett Kavanaugh, but at the time did not realize the lies that Kavanaugh told. I should have caught the FFFFF reference and also never heard of Devils' Triangle as drinking game, but on searching after the hearing came across this article, published before the hearing: https://www.vox.com/2018/9/26/17901368/kavanaugh-yearbook-boof-devil-triangle-renate-beach-week and also about underage drinking: https://gazette.com/news/as-a-teen-kavanaugh-was-never-a-legal-drinker-in/article_aa23f352-c37a-11e8-9789-3f0d74becf33.html Lying under oath is a felony. Just based on these lies he must be charged. It is your duty to expose these obvious lies, even though they are not directly about the sexual assault charge, they raise the serious question of his truthfulness in denying those charges. Regarding Balsey Ford vs Judge Kavanaugh.False Memory Syndrome can occur when a therapist helps a client recall specific details of repressed memories. How does this happen? When a counsellor guides the person in recalling specific info forgotten thru guided imagery or hypnosis. I believe that Mrs Ford has been sexually assaulted. However, when & how did she recall Kavanaugh's identity as her abuser? This fact is extremely important when evaluating who the perpetrator is and what may have really happened being it is so long ago.. And this does make a difference in the court of law. Regarding the KAVANAUGH INVESTIGATION: Please investigate what Christine Blasey Ford actually attested in her polygraph. It looks to me like she attested to the veracity of the SHORT HAND WRITTEN STATEMENT which does NOT include Kavanaugh's name. Christine Blasey Ford wrote up a statement in her own handwriting on a piece of yellow notebook paper. She then discussed this HANDWRITTEN STATEMENT and a more complete story was typed up. However, Ford was never asked directly if Kavanaugh did the attempted sexual assault. She is only asked if her statement is true. Well, WHICH STATEMENT WAS SHE REFERRING TO? Is it the full typed up statement or is it the HANDWRITTEN STATEMENT? The handwritten statement does not include Kavanaugh's name. Mark Judge's name appears but Kavanaugh's name does not appear om tje handwritten statement. It sure looks to this untrained eye that she could easily be attesting to the handwritten

statement and not the more complete typed up statement. This could be the strategy she used to pass the polygraph.

Please investigate Supreme Court nominee Brett Kavanaugh.Credible claims of sexual asssault have been brought against Justice Kavanaugh as witnessed by millions of Americans at yesterday's Senate Judiciary Committee hearing. It is neither fair to the American people, nor in keeping with our nation's commitment to justice to have to hope that those claims will be investigated: they must be. The American Bar Association has called for a delay in the process and a thorough investigation. The integrity and credibility of the Supreme Court is at stake, and I implore you, as our leading law enforcement agency, to open an investigation into these matters immediately.

President Trump announced the FBI has free reign during their investigation into Kavanaugh's background. [redacted] feels it is unfair to only investigate one side. Inconsistencies in Dr. Ford's statements warrant an investigation into her story. Dr. Ford has made several statements such as she didn't want to testify in Washington, DC because she doesn't like to fly when, in fact, she flies frequently for family vacations.

b6
b7C

[redacted] questioned statements made by Dr. Ford regarding the locked bedroom door that she later claims to have used to exit the room; having a "wet" bathing suit on under dry clothes; running into the adjacent bathroom not knowing if there was a lock on the door instead

I would like to report that Director Chris Wray and the men and women of the bureau are in dereliction of their duty to carry out thorough and expansive background investigation of allegations made against Supreme Court nominee Brett Kavanaugh. I report this crime against the people of the United States because of the deluge of daily news reports about the FBI turning its back on witnesses connected to the these allegations. I call upon Director Wray and the FBI to follow up with all witnesses who have relevant or corroborative information about the various allegations against Brett Kavanaugh. Please do your jobs. PAL2018 [redacted] Information sent to SecD (Security Division) concerning SCOTUS Nominee Kavanaugh b6 b7C

On 10/02/2018, at 10:43 p.m. Eastern Time,the FBI Public Access Line received the following information via telephone call. [redacted] b7E This data is in raw form as received. [redacted]

[redacted] date of birth [redacted] telephone number [redacted] [redacted] called the FBI Public Access Line (PAL) Unit to provide information pertaining to Nominee Judge Brett Kavanaugh. b6 b7C

[redacted] provided the following information: b6 b7C

[redacted] called on behalf of the women who haven't been contacted by the FBI. These women are concerned their information is not wanting to be heard. Elizabeth Rasor, the former girlfriend of Mark Judge, remembers a story Judge told her when they were dating. Judge mentioned he went to a party where a bunch of guys had sex with a woman when she was drunk. This memory refutes Judge's public statement that he has no knowledge of the party.

The alarming thing to [redacted] is that these women are coming out with their stories but the FBI investigation deadline could be tonight, 10 b6 b7C

/02/2018. The nation has one of the most credible witnesses, Dr. Ford, and if Kavanaugh is still confirmed despite her claims, it will send the wrong message to other victims. It is devastating for other victims who feel their stories won't matter.

The accusers coming forth know the penalty of lying to the FBI, so why would they risk those penalties unless they were telling the truth. The dark forces really seem to be at work here.

[redacted] If you have an all male police force, it's not as good as if you include at least one woman on the force. For example, trivial, but not-so-trivial things, are solved by hiring a woman to the force, including less porn on the police department computers. If more women are included in the top positions in agencies like the FBI, it would make these agencies, including the FBI, better. b6 b7C

[redacted] Police can stop monitoring me and my computer and devices, as I've done nothing wrong, at least not in their jurisdictions. As for the FBI director, Christopher Wray, why is he doing the investigations on the Brett Kavanaugh for the SCOTUS seat when he himself is a part of the Federalist Society? Hmm? I'd call that something that is corrupt that the FBI should be looking into. No wonder Trump thinks he's got the LE down on their hands and knees! He does! WTFlying Kite! The director should be investigated! https://demwritepress.com/2018/10/01/quid-pro-quo-trump-the-federalist-society-brett-kavanaugh/

I already sent you information last Friday on the other guy that also copied some of her site and there she allegedly tried b6 b7C

the same thing back in March with Judge Grassley by trying to find someone to claim that Judge Grassley raped that person. It clearly looks like she failed to get anyone in those two separate cases to do it so she decided to try to do it herself. You can very easily check this out by requesting Facebook to retrieve this information from her Facebook page. Another method with be to have her give you a list of the friends she had on Facebook and ask them under oath what they know she had posted. I would start with the folks she talks about in the Planned Parenthood Action group that she has been chatting with. After you check this out everyone including myself will have a better knowledge about if this actually happen or not. Another item that has not been mentioned was the fact that it was the Democrats that wanted you guys to investigate this and not her and I think by all the pictures of her with the very worried looks on her face will help explain the reasons why. Best wishes in your research of this and you will be doing the country a great favor in finding out the truth in this matter.

Kavanaugh under oath admitted that his best friend, Judge, had problems with drugs and alcohol. In his yearbook one of the descriptive words by his name was "Devil's Triangle". If you look up this phrase it is not a beer quarters game like Kavanaugh described. It is two men having sex with one women. Does this sound familiar? Dr Ford described two really drunk men,Kavanaugh and Judge, on top of her. Maybe they were so drunk they thought they did the Devil's Triangle and thats why Kavanaugh referenced that in his yearbook. Like a badge of stupid! Kavanaugh and Judge could have blacked out!

I suggest that the gathering alleged by Christine Blasey-Ford occurred at the home of [redacted] who had recently moved out of his marital home. [redacted] parents divorce was finalized in Aug. 1982 (via case search Maryland). It is likely that his father maintained a home in suburban Montgomery Cty for visitation purposes. In Aug. 1982 when the divorce was finalized, [redacted] lists a [redacted] address, suggesting he was spending much of his time away from MD. Such a situation would explain the "sparsely furnished" living room described by Dr. Ford. Such a room is not what one would expect to find in the home of an upper class suburban family at the time. The situation

"Indelible in the hippocampus is laughter." - Dr. Ford "Indelible in" is not a common phrase. The passive construction of this sentence furthermore is rather studied. "Indelible" itself is uncommon even in older texts and literature etc. In the twitter feed, [redacted] "indelible" is used twice in two poems. In the first, it is a combination of two tweets, reading "To you, for you and of you / indelibly stained / Upon my heart." The other poem is also part of a series of tweets, reading "Be indelible in all that you do…" I do not know what percentage of phrases using indelible say "indelible in," but it would be interesting if there were more common usages of the word and what they are. My gut feeling is that [redacted] had a role in writing Dr. Ford's speech or whoever it is that is helping

'The Atlantic': The surprise of Brett Kavanaugh's testimony is that he, too, appears not to care (about lying) . Tiny example: Kavanaugh said, again and again and again, that his high-school beer drinking had been legal, because he was 18, and the drinking age in Maryland was 18 at the time. Except neither of those things is true. He was 17 during the summer in question—he was born in February, 1965, and Christine Blasey Ford is talking about the summer of 1982—and in any case the drinking age in Maryland at the time was 21. These are not complicated or gray-zone facts. (Mild complication: While Kavanaugh

was still 16, Maryland's drinking age was 18. Then, soon after he turned 17, the Maryland legislature raised the legal age to 21, as you can read here. But at no point in Kavanaugh's high school career was he of legal drinking age in Maryland.) Any high school student who likes beer knows exactly what the drinking age is. Kavanaugh knew then, and now. He just plain lies about it. And he seems not to care. This lie stands out because his claim is so easy to disprove. So too with boof and ralph ("I'm known to have a weak stomach"). But Kavanaugh showed the same Trump-like lack of concern in a number of other, more policy-related assertions. Nathan J. Robinson has an extremely detailed analysis of Kavanaugh's response to Christine Blasey Ford's account, here. (Its headline is, "How We Know Kavanaugh Is Lying.") Soon after Kavanaugh's nomination was announced, and long before the sexual-assault claims, Democratic senators Dick Durbin and Patrick Leahy said that Kavanaugh had misled them ("perilously close to being lied to") about his role in the Bush administration's torture policies, back during his D.C. Circuit confirmation hearings back in 2006. Lisa Graves, who had been a Judiciary Committee staffer for Leahy, wrote in Slate that newly released emails and documents established that Kavanaugh had lied about his Bush White House role back at the 2006 hearings. The details are complicated, but she concludes: Newly released emails show that while he was working to move through President George W. Bush's judicial nominees in the early 2000s, Kavanaugh received confidential memos, letters, and talking points of Democratic staffers stolen by GOP Senate aide [redacted] [redacted] That includes research and talking points [redacted] stole from the Senate server after I had written them for the Senate Judiciary Committee as the chief counsel for nominations for the minority. Receiving those memos and letters alone is not an impeachable offense. No, Kavanaugh should be removed because he was repeatedly asked under oath as part of his 2004 and 2006 confirmation hearings for his position on the U.S. Court of Appeals for the D.C. Circuit about whether he had received such information from [redacted] and each time he falsely denied it…. [H]e lied. Under oath. And he did so repeatedly. [redacted] The lying is the big concern and then drinking and aggression

Did Chealsea Clinton ever see CHristina BLasey Ford when she was at STanford UNiversity about sexual assault? Could CHristina B. Ford be acting out this accusatin against Brett Kavanaugh on behalf of CHralsea Clinton who is afraid to confront a person who may have sexually assaulted CHealsea. CHealsea appears on the INternet in bathing suits. Oddly CHealsea and Bill Clinton were just on the news together promoting her new book. THis is disgusting.

going to get anything out&I hope they did not sabotage anything either to wash away the stains of crime causa that is where you find them in those records,butta dont tell nobody I said that.Is supposed to be a surprise like everytime,see "SURPRISE."Yeah,I'm just outdone,if I can't get the guys records to show them dtap&other immunizations b/c those guys may get up from deadly scenarios&make a mircle happen,they justa might make heart transplants go away.But you cant be lazy. ======About seeing The Devil himself means what??=======KAvanaugh sure bringing himstud around me a lot lately.BUt he stopped by me 22 years ago,&I&was to be with Kavanaugh why?I sent him away&KAvanaugh was bumping gums w/me&that girl Ford too.I never want nothing to do w/them, I sent their assets packing,no way I wanna talk to them&counsel the,b /c they both psychos.Something smellin ripe&I don't know what it is.I know Trumpett got issues,but he keeping the order&peace its gotta count fer something.I think I am gonna stir it up to keep him full 4yrs,nothing personal I like peaceable prosperous x's here,gonna work on figurin how to pay t though.I know it bad a sell given the NYC perspective&I know we all or most of our loot back from dah looters,so look the charges gonna do what they do,do you!I am still wanna be USA forever-see she cant speak right-tryin ta I don't know about the devil, but if he got out of America headed for Iran&points Eastward, b/c he did something that caused him to kill himself in the beg,then perhaps its all going to end soon.He had hooves,a tail&a body like a goat&looked like my old professor he had horns&skin parchment w/red cheeks. Hi. It is a little bit backwards, but can Dr. Ford take a lie detector test? It is not as telling as Kavanaugh's lie detector test would be, but with Kavanaugh's refusal to take the test, along with a negative lie detector test from Dr. Ford, the inference would strongly help bring closure to the issue of whether the rape happened. The nation

could move on? A simple question to Dr.Ford would suffice. Did Brett Kavanaugh rape you, right? Yes or no. Appointed or we move on. Closure.

Part 2 (I will repeat my intro for context, and then continue where Part 1 left off, due to the size limit:) I'm sure that the FBI would agree that, to be fair, the FBI should also pay attention to information regarding the the accusers, too (in addition to investigating Judge Kavanaugh). So I'm passing along some info. First, a recent article from an investigative reporter, re the first accuser Christine Blasey Ford, which contains some potential "leads" that the FBI could follow up on (including the name of a man who sounds like he could provide relevant info from 1982). And the investigative reporter would probably be willing to cooperate with the FBI to provide more info. Here are some salient excerpts, followed by a link to the full text of the article:(PART 2)"Her own school yearbooks... celebrated "boys [and] beer" and pictured beer bottles and beer cans and scenes of boys and girls drinking at parties. One published a photo of Ford

and other girls at a Halloween party alongside a caption boasting of "pass[ing] out" after playing "Quarters" and other binge-drinking games. Her father, [redacted] Neither her parents nor her two siblings have come out to voice support for Ford... The Holton-Arms yearbooks in question, which cover her sophomore, junior and senior years, are titled "Scribe '82," "Scribe '83" and "Scribe '84"... the annual books... even talked about hiring male strippers, including one in a "gold G-string," for sweet 16 parties. They also featured the young Holton coeds dressed as Playboy bunnies and posing seductively atop desks, school-uniform skirts hiked up. One section, "While the Parents Were Out," talked about partying with boys at area house parties where kids got so drunk they "ruined" their parents' "heirloom Persian rugs" with vomit. "The tenth grade taught us how to party," the girls bragged in another section. And, "Loss of consciousness is often an integral part of the party scene." A caption on another page talked about girls having "their choice of men" at the neighboring boys schools, including Georgetown Prep: "No longer confining ourselves to the walls of Landon and Prep, we plunged into the waters of St. John and Gonzaga with much success." [redacted] who went to school in the area at the time, asserted that Holton-Arms girls back in the 1980s were hardly innocent "victims" of Georgetown Prep boys. "I am her age," he said of Ford. "I went to high school next to Prep and knew lots of Holton-Arms girls. This is pure false memory syndrome." Added [redacted] "One of my best women friends had Kavanaugh ask her out [and] she said he was 'one of the nice ones.' His mom was a judge. I mean, seriously?" The opposition has tried to make an issue of Kavanaugh's yearbooks & drinking, so it's only fair to also look at the accuser's yearbooks and drinking. Here's a link to that "RealClearInvestigations" article: "Suppressed Blasey Ford Yearbooks: Fast Times At Holton-Arms"

And the investigative reporter would probably be willing to cooperate with the FBI to provide more info. Here are some salient excerpts, followed by a link to the full text of the article: "...the yearbooks of Kavanaugh's chief accuser, Christine Blasey Ford. As Paul Sperry reports, the yearbooks from the elite, all-girl Holton-Arms School

show that she too was schooled in an atmosphere of heavy drinking and sexual conquests in the early 1980s... "...Ford, whose story suffers from significant gaps in her memory, wasn't exactly a choir girl. In fact, congressional sources say her own yearbooks, among other things, present a potential issue for her and her character [and her credibility]... A [Judiciary] committee staffer told RealClearInvestigations, "We have her yearbooks," which had been mysteriously scrubbed from the Web prior to Ford coming out with her allegations... "...the annual class books feature a photo of an underage [Christine] Ford attending at least one party, alongside a caption boasting of girls passing out from binge drinking. Her yearbooks also openly reference sexually promiscuous behavior by the girls, including targeting boys at Kavanaugh's alma mater, Georgetown Prep, an all-boys school in the affluent Maryland suburbs of Washington, D.C. Ford attended neighboring Holton-Arms School, an all-girls academy. Other evidence indicates Ford, a popular cheerleader at the time, was immersed in an alcohol-fueled party culture and no stranger to "keg parties" in the D.C. area — or the "bar scene" along the Maryland and Delaware coast. In fact, Ford was known as a "party girl" on the Delaware shore during summer breaks, another source with direct knowledge of the congressional investigation said. One report, moreover, recounts how Ford once got caught in "a romantic triangle" at Dewey Beach that ended with the two men getting into a fistfight over her. At Holton-Arms, the source added, she was known by classmates, and even some parents, by a sexually derogatory nickname playing off her maiden name Blasey, suggesting she was promiscuous. "She was not the wholesome Catholic girl they're trying to portray her as," the source said, making her claims of victimization at the hands of Kavanaugh "harder to believe." "...classmates said the former cheerleader, who was known as "Chrissy," was part of the underage drinking tradition that was no secret among Maryland prep schools in the early 1980s"...[to be continued in next message because of the size limit in this box]

I want to tell you that i believe a foreign agency (the mossad) did something similar to me as was done to Dr. Ford. I don't know their purpose. At night in [redacted] in my bed while i was in a half awake state, i was stradled by a woman while lying on my side. Then i was rubbed all around, someone held my feet. Then in my sleep i had a nightmare, after that i had bipolar type two symptoms. I was asked in my sleep "if you could move anywhere, would you move to Sweden?" I answered, "the only

place i would move to is israel." I did't know who they were. That's up to you to investigate. After i wrote this conversation in my diary, i was asked in my sleep, something along the lines of what is your special gift? I answered psychology. "What are you going to do with it?" I was asked, i answered," join intelligence" this is because i love to analyze the propoganda psychology behind the media and pop culture in America and in great britain. That aside, everything they do is color coded on account of them putting me on LSD (i think) i met an agent of this agency at Cid's tonight. She said that red rock tastes better than the eldorado water. She was wearing a lime green shirt. I left for a moment, fed up with them. I came back and Then she went on about purifying water. Then she said it felt like she was getting a brain tumor. [redacted] told me to get an mri scan of my brain. To see if there was any growth. The whole center for mental health in [redacted] is part of a foreign agency. I beleive. That's all i can think of for now...

Subject: Kavanaugh Background Investigation Walk-In (Seattle Division [redacted] Resident Agency) b6 b7C

Importance: High

On 10/1/2018, [redacted] walked into the Seattle Division's [redacted] Resident Agency to provide information regarding the confirmation of United States Circuit Judge Brett Kavanaugh to the United States Supreme Court. b6 b7C

[redacted] was interviewed and presented the interviewing agent a memo he had prepared regarding the allegations of Kavanaugh's prior conduct. [redacted] did not provide any substantive information, simply a personal analysis and possible leads for the FBI to follow based on information already in the public record. Of note, on [redacted] self-completed visitor information form he claimed to be an investigator for US Representative Cathy Rodgers (D-WA), but upon questioning clarified he had simply exchanged some communications with her office on the matter. [redacted] memo is attached for reference along with a copy of his [redacted] state Driver License and Visitor Form. b6 b7C

Re Kavanaugh: Very carefully examine the 1982 calendar re handwriting and the composition of the ink. Some days may have been left blank at that time and only recently filled in with a concocted alibi. From my personal experience: fired from my final job at [redacted] I was charged for keys/lock changes, uniforms, various equipment I had never received upon hire. I signed a form for what I did in fact receive but didn't think to cross out what I hadn't. My vindictive boss FORGED check marks on other items (keys, etc) and even though the marks were in an obviously different handwriting, width of ballpoint ink,so different pens, and didn't line up, I was so lucky to be out of there, I didn't contest it, even though it cost me some $800 in forfeited bonuses and payback for equipment never received, I was so glad to be out of there. Now happily [redacted] but WATCH OUT FOR FORGERY! I keep a calendar, but I don't fill in every day. Plenty of room for an alibi...

FBI October 2, 2018 Dear Sir/Madam: My name is [redacted] and never was involved with the police, warrants, etc. [redacted] I believe that I have the solution of the current Kavanaugh case and I feel compelled to share it with you. This also explains the seeming truthfulness of both Mrs. Ford and Mr. Kavanaugh. Mrs. Ford, Mr. Kavanaugh, and Mr. Mark Judge entered the room most likely somewhat inebriated and Mrs. Ford ended up on the bed. It is my judgement that Mr. Mark Judge is who penetrated Mrs. Ford, having his head on Mr. Ford's neck and shoulder while Mr. Kavanaugh was holding in her place and shutting her mouth shut, towering over her head, so she thought she was looking up at Mr. Kavanaugh's eyes and face while actually being violated by Mr. Mark Judge. If you would take a couple minutes and arrange the scene described above you'll be amazed how

b6 b7C

clearly Mrs. Ford was certain that the person who was violating her was Mr. Kavanagh but the person was actually Mr. Mark Judge. If you have any questions please do not hesitate to contact me. Sincerely,

URGENT!!! This is an email I received yesterday: Christine Ford Wrote Article on Self-Hypnosis Used to "Create Artificial Situations" The left is quick to dismiss and label anything a "conspiracy theory" that

goes against what they want the liberal masses to believe. However, a lot of the things they call "conspiracy theories" are likely to be proven true. Christine Ford published a paper in 2008 that explains how it is possible to self-hypnotize and invent stories (and memories) that the person wants to believe. If Ford proved in the paper that it is commonly done, how can this one be a conspiracy theory? Christine Ford has not turned over her therapist's notes to the Senate regarding her suppressed memories about Judge Kavanaugh abusing her decades earlier. This alone set off red alerts in the minds of the American people. If there is nothing to hide, then why refuse to turn over the reports? What could those reports reveal about Ford's story? This may be because if the memories were revealed through hypnosis they would be "absolutely inadmissible" in a court of law in many states, including New York and Maryland. If she was able to hypnotize herself, she could have easily planted false memories of Brett Kavanaugh attempting to rape her. Additionally, this would come in handy when she quickly volunteered to take a polygraph. Why was she so eager to take the polygraph? No one prompted her to do so. People have said that this is why polygraphs aren't used as evidence in a court of law. If the person being tested believes the situation happened, then in their mind it isn't a lie. If they believe they were assaulted by someone, then to them it isn't a lie. People have been known to ace a polygraph test this way. Please LOOK INTO THIS NOW!!! THIS COULD REALLY CHANGE THE OPINION OF THE LEFT SIDE SUPPORTERS!!! Sincerely,

Re.current look into Dr. C. Blasey Ford's allegations, I have heard no mention of the third boy present, whom she could not identify. It seems to me he might have been the host, and that with what she can remember about the location of the home, other witnesses you contact might be able to suggest leads as to where events she reports could have taken place. That is, which of their friends lived in that vicinity.

No gurls. FYI. The reference, with respect to Mr. Kavanaugh's reflection of who he is that the Little Flower is a Social Work Organization that specializes in placement of Foster children in protective homes and adoptions. I know he lived with his mother and all that, I did not know she placed him into Protective Services, and this again goes on in New York. I do not know this organization to be in another state. The Little Flower, it is not a church although one may have become synonomous with it. Funny, how a foreigner coming to America and attaining a wealth of training and education can make a

mountain out of a mole hill. Mind you he may have been purchased by foreign Patrons like Obama and be around foreigners like Ginsberg and plot against government. They have been fairly harmful to the publics physics and mental wellness and quite nasty. Kavanaugh is out to juice America with the rest of them that have remained in hiding and not observed yet.

With two credible accusations of sexual assault by Christine Blasey Ford and Deborah Ramirez, the Senate Judiciary Committee must suspend its confirmation process of Judge Brett Kavanaugh for the U.S. Supreme Court and call for a full investigation of the allegations. These allegations are directly relevant to determining Kavanaugh's character and fitness for a lifetime appointment to our nation's highest court. Indeed, how these allegations are handled present a crisis of legitimacy for the U.S. Supreme Court, itself. We stand with Christine Blasey Ford and Deborah Ramirez and ask that you call for a full investigation into their allegations and to halt the Kavanaugh hearings now!

Hello, this is [redacted] (first I, spent most of the day, toiling out in the yard, doing yard-work, I came in when I was finished & [redacted] & I, caught say the last 30 minutes of Don Trump's address to the United-Nations & enclosed below is what little I have to say about his presentation that I managed to catch, [redacted] more or less felt the same way, the rest of it allegedly & evidently is just more hype geared at me from the local media affiliates, because although I, continue to remain in limbo as far as my work status goes, there are still sour-grapes in effect, because I, maintained all along that the Key-Arena was closing down, being sold to the Oakview-Group & it's all going down now in say 10 days or so, so naturally it's generating hype, even possibly reaching up to the highest-levels being who I, am please understand). Still it changes nothing, I, am not standing down on anything, you there at the F.B.I. are supposed to be protecting me from this sort of stuff, I, maintain too & as for Don Trump, instead

of allegedly of worrying about me, [redacted] & the reathers I ruffle in the media, he had better be far more focused on his nominee, Brett Cavanaugh instead. [redacted] A.T.T.N. [redacted] This is [redacted] first from my work status, I, still have not heard anything from anybody, about anything, as you for example, may or may not already know, I, continue not to accuse you either within the media per se', until I, have legal proof as far as you are concerned, as far as your alleged obsession over myself goes or not. (You f.y.i. are receiving this e-mail, since Don Trump was just on the air regarding various topics on a live segment given today, mostly regarding his nomination of Brett Cavanaugh to the Supreme-Court, he struck me as a viewer, as being abrupt with your media, as he should be & at times, struck me on impression as being a bit erratic perhaps on his own opinions on other matters he covered), the word is behind the scene's however, is that he's sided with you for example as the media against me, in having the right to stand up for myself against you, again I, am accusing none of you of anything, only documenting it for shall we say legal-purposes in the future & as I, have maintained, legally...you as the media are not going to control me, have any say in how I, conduct, nor live out my own life, nor is he either, since this is still the U.S. of America [redacted] so...he, "Don Trump", for example, would be way off basis even as our president, to even consider going there, if it were real or so in truth. So I, of course have my doubts about his alleged stance too, even if for example, he did not agree with everything I say or do for himself either [redacted] Like everybody else there at Komo-4 news, why don't you do us all a big, fat, favor & stick to daily-news & information, which is what you are paid foremost to do yourself & worry about me, [redacted] of whom is not doing anything anyway. In 1994 I witnessed [redacted] have sex with 3-5 guys in one night, one after the other. [redacted] Prior to that several girls in my class, including [redacted] tried to coerce and force me to date [redacted] The moment I could bail out I did. Girls can be very bad. The night [redacted] willingly had sex with multiple guys, teens, I even tried to stop her by pulling her hair while she had a guy on top of her. She came into a room where my friends and I were hanging out to have sex on a mattress on the floor. At least 2 of the guys had already graduated high school, including [redacted] I've reported [redacted] numerous times for sexual harassment, and [redacted] tried to commit suicide, which they tried to blame me for. Crazy. [redacted] is bad, but [redacted] didn't do anything wrong that night. The last person to have sex with [redacted] is bad, and he's tried to blame me for his crimes at

b6

least once when I've nearly always tried to talk him out of bad decisions. I feel bad for Brett Kavanaugh. We grew up in an era where nobody told us anything. Rape is bad, very bad. But, grabbing boobs or an ass is not bad when you don't know any better. And, in my experience girls can be even worse. That's how we grew up. At least Brett Kavanaugh knows what it was like. In 2008 I was homeless, and [redacted] took me in. When [redacted] found out that we were living together she posted on Facebook something saying how excited she was that the 2 of us were together. She was the one who wanted me and Brett together, but she never visited. And, I don't even like that. That time the girl was the predator, if you choose to call her that. Been that way most of the time. I met [redacted] for drinks [redacted] and she came back to [redacted] After [redacted] came home I snuck away and went to sleep. She texted me the next day, "Did you fall asleep on me last night?" Yup. It's crazy, in [redacted] and I were driving back to school. We were caught in a snow storm and had to get a hotel in Hudson, NY, right at the Rip Van Winkle Bridge. [redacted] Sometimes, you just have to laugh. [redacted] has even claimed to be [redacted] Totally crazy, and when you look at the facts she is the worst criminal. They've even glorified guys [redacted] around [redacted] and I witnessed them have sex with a female in our hotel room. I figure she was a prostitute that [redacted] paid for. I can elaborate. [redacted] need to be investigated. This virus has even reached [redacted] Why? Hope it's not you.

Apparently, some of my neighbors don't recognize me as living here. They like [redacted] They talk to me and then they make like I'm [redacted] and lose the privacy of my home and person. So, I can't live without being a Siamese twin Human handcuffed to this filth-shit human. There's a former neighbor, [redacted] Besides being very negative and informing me that 1 in 3 bunion surgeries fail - I'm having surgery tomorrow, after talking to him, I no longer had any b6 b7C b7E

privacy from [redacted] It turns out he's been responsible for the assaults to my hands where it felt like someone was targeting the nerves in my hand. I'm absolutely battered physically here every day. Apparently, if I help [redacted] become a big star by having my presence in her space so the public will trust this Al Qaeda bitch, I won't feel pain. [redacted] used to live here in one of the apartments above me. So, with respect to the Jihadi attitude towards the US, Shiia or Sunni makes no difference. That is [redacted] who has been able to watch me in my apartment and knows when I haven't been wearing a bra under two layers so that I can be molested while my driving my car. I gave [redacted] some non-beef salami some moths ago - food from my refrigerator before I was traveling - so somebody is mad about that. [redacted] had a Swedish-Iranian visitor and for some reason the taste of his body odor wound up near my mouth and was later all over my friend [redacted] who was in a car accident (not his fault) in Van Nuys about a month ago. I saw [redacted] earlier in the week and [redacted] Swedish-Iranian friend's odor was all over him. The Swedish guy is no longer there. Again, [redacted] is Brett Kavanugh's brother metaphysically, tho is a libertarian/liberal. [redacted] doesn't have a green card. How was his odor all over [redacted] had both her legs amputated and someone told me that somebody close to her, now deceased, was a bigwig in ISIS. For some reason before hearing that, I used to have an urge to yell at her because she would intrude in my space. She was living with a Jewish guy. That was fine with me. When I first met [redacted] a roll of quarters for the laundry that I had, disappeared. I guess she did take it cause this harem thing with [redacted] is helped being set up by her. She deliberately dyed my hair too black to match [redacted] when I had her do my hair. Above me is a couple and she's El Salvadoroan. Works at a marijuana dispensary. Some gang crap people have been threatening me. I rode my bicycle with a friend at the beach yesterday and I was hit in the crotch and the legs though the ride. In my apartment, I was being pressured to help [redacted] with Sutherland in the bed. These are not the kids from Coronado St I told you about who were friendly. They no longer have to pay homage to the MS13 - they were able to get separate thanks to Trump.

Another thing about [redacted] I didn't even know she was engaged until after that night. [redacted] did something similar. I had sex with her sometime around 1997-1998. After that I was speaking with [redacted] and I told him and he told me that [redacted] was dating [redacted] I felt bad. That's how [redacted] is. Crazier? A few years later [redacted] came back to my apartment when I was living in [redacted] house. When I pulled down her tight spandex pants from behind she teasingly responded as if I violated her. Totally nuts. Then, eventually she went home. That incident has followed me to this day, in [redacted] Sexual harassment and stalking by [redacted] and their families, and others. As if Ididd something wrong so they could do something wrong to me. It's wrong. How do they even know? It's an obsession, a dangerous obsession. [redacted] is infested. Why? I've been reporting this for several years. I've never

raped a female, ever. I've never committed a sexual crime. Yet, the community and my neighborhood has terrorized me. Underage girls even want me sexually, they stalking me and harass me. And, until Trump became President they used the hospital and sheriff to sexually traffic me and punish me and torture me. They still haven't stopped though. Why? For several years they've coerced and threatened and tried to force me repeatedly into pedophilia, incest, rape, sodomy, etc.. I've been summonsed to court by a judge who repeatedly commits abuse and misconduct. I've been hospitalized by a hospital that abuses and tortures victims of sex trafficking. Department of Health is assigned to victims of human trafficking. Something is very, very wrong. I'm taking about local public corruption, which they'll oppose by saying the graft and corruption is private. And, they'll site the FBI in their own defense. And, this all ties into Brett Kavanaugh. Brett Kavanaugh, aside from me, might be the one man who can understand what is happening. And, what happened to him. I wasn't perfect in high school either. I'm not perfect now, and neither are you guys. [redacted] for years. Now, for several years they have been encouraged and enabled to stalk me, interfere with business, defame me, and threaten anyone who wants to be my friend. [redacted] do the same thing. And, they all steal my poetry, copyrighted, intellectual property. You guys have hung up the phone on me, told me that I need a lawyer over the phone, and maybe even hospitalized me. This goes back to 2011. You need to know. Check out these [redacted] I can elaborate. You might need a judge like this. This is so bad. Look into the doctors at [redacted]
