SUBJECT: JAMES WALTER McCORD, JR.; ET AL.
BURGLARY DEMOCRATIC PARTY
NATIONAL HEADQUARTERS
INTERCEPTION OF COMMUNICATIONS

The following is furnished with regard to the trips made by subjects (exclusive of McCord) to Washington, D. C., on 5/3-4/72 and 5/22-30/72, as reported by Felipe de Diego who accompanied subjects on both trips. U

According to Diego, the trip to Washington, D. C., on 5/3-4/72, was organized and paid for by subject Bernard L. Barker and was for the sole purpose of paying homage to J. Edgar Hoover while he lay in state in the Capitol Rotunda. Diego identified the ten individuals who made this trip including subjects Barker, Martinez, Fiorini (Sturgis) and Gonzales. Diego and four other individuals on this trip were interviewed and furnished substantially the same story concerning the visit to the Capitol Rotunda and a subsequent clash with a group of demonstrators near the Capitol. One individual who was present on this trip, Reinaldo Pico, has not been interviewed since he is reportedly in South America on business. Upon his return, however, he will be interviewed concerning this trip, as well as the 5/22-30/72, trip he made with subjects to Washington, D. C. U

Diego has also admitted accompanying subjects Barker, Martinez, Gonzales and Fiorini, along with Reinaldo Pico, to Washington, D. C., 5/22-30/72, at which time they all stayed at the Hamilton Hotel from 5/22-26/72 and the Watergate Hotel from 5/26-30/72. All expenses for this latter trip were also paid by Barker and he, Barker, never told Diego the purpose of the trip. According to Diego he spent the entire time awaiting instructions which never came. Diego admitted, however, the group was not together constantly and he cannot speak for the actions of the others during this period. Diego U

Specimens received from Los Angeles 7/10/72

Q58 Passenger's letter of appraisal for American Airlines flight number 32 on 9/4/71, signed "G. Larimer"

Q59 Passenger's letter of appraisal for American Airlines flight number 32 on 9/4/- signed "Ed J. Hamilton"

Q60 Book entitled "The Latter-day Saints: The Mormans Yesterday and Today," the flyleaf of which contains a typewritten note on Robert R. Mullen & Co. letterhead paper beginning "Dear Margaret: I've been trying to reach you..." signed "Ed Hamilton"

[redacted]

Result of examination:

It was determined that the "Hamilton" signatures on specimens Q60 and Q61 were prepared by the writer of the "Hamilton" signatures on specimens Q51 through Q55. Characteristics indicate that the "Hamilton" signature on specimen Q59 may also have been prepared by this same individual.

Insufficient comparable writing for a satisfactory examination precluded a determination of whether or not the "Hamilton" signatures on specimens Q59, Q60 and Q61 were prepared by EVERETT HOWARD HUNT, JR., the writer of specimen Kc14.

The typewritten note on specimen Q60 was determined to have been prepared on the typewriter employed in the preparation of the typewriting on specimens Q45 through Q48.

Sandy Smith, reporter for TIME magazine contacted me today. He merely wanted to advise me a rumor was being circulated from CIA sources that the $89,000 deposit in the Mexico City bank was delivered to Mexico by an ex-FBI Agent. Smith was positive that this story came from CIA but said he can furnish no further details. U

We have received no previous information in this regard. I have asked SAC Kunkel of WFO if he could check to see if there is any foreign travel on the part of George Liddy. He will let me know. U

WALTER WALSH, residing at 126 Bedford Street, Hamden, Connecticut, and employed as a pharmacist at St. Vincent's Hospital, was contacted at St. Vincent's Hospital, Bridgeport, Connecticut.

He stated he has been a social acquaintance of ALFRED BALDWIN for about the past six years. In response to inquiry he said he had received a telephone call from BALDWIN sometime during the past month or two. He said he could not recall the date of the call, could not recall when he last heard from BALDWIN, and had no idea of BALDWIN's present whereabouts.

He acknowledged that he was aware that BALDWIN recently was in Washington, D. C., but disclaimed any knowledge of BALDWIN's employment. He said that he felt any inquiries concerning BALDWIN should be directed to BALDWIN himself. He advised that he felt he would hear from BALDWIN in the near future, at which time he would tell BALDWIN to contact the New Haven Office of the FBI.

Date June 23, 1972

DANIEL J. BRENNAN, Jr., attorney with the firm of Brennan, Daly and Le Mamara, 76 Lyon Terrace, Bridgeport, furnished the following information:

He met ALFRED BALDWIN through their association with the Connecticut Chapter of Former FBI Agents. During a conversation with BALDWIN at one of the recent meetings, BALDWIN informed him that he was a Republican and a nephew of the former governor, RAYMOND BALDWIN. Subsequently in May of this year BRENNAN said that he was the recipient of a telephone call from BALDWIN informing him that he, BALDWIN, was currently unemployed and solicited his assistance in obtaining a job with the State of Connecticut. BRENNAN said he felt that with BALDWIN's background he would be able to assist him and put him in touch with BRIAN GAFFNEY who is the head of the Republican Party in Connecticut. He said he had no further contact with BALDWIN until June 6, 1972, when he received a long distance telephone call from him. BALDWIN told him that he was not in Connecticut at the time and would not say where he was. BALDWIN said he felt he was over-qualified for any position the State of Connecticut might have to offer him and further he felt he would not be able to obtain a position with the State of Connecticut because his uncle, RAYMOND BALDWIN, was not in good standing with Governor THOMAS MESKILL. BALDWIN told him that he had taken a job with an independent organization that was setting up the security for the Republican National Convention in Miami, Florida, and was currently working at that job. BRENNAN said he told BALDWIN to get in touch with him when he returned to Connecticut to which BALDWIN replied he would not be coming back to Connecticut until around August of this year.

Mr. BRENNAN checked his records and noted BALDWIN had called his office on two other occasions on the sixth of June, the first one being at 9:30 A.M. and the other at 2 P.M. These records reflect that both calls came from Washington, D.C.

Continuing, BRENNAN said he had no further contact with BALDWIN until Monday, June 19, 1972, when BALDWIN called his office and left a message and a phone number at which he

could be reached. BRENNAN called him and ascertained that BALDWIN was back in Connecticut and was staying with his mother who resides somewhere in the New Haven area. During the conversation with BALDWIN, BRENNAN asked him if MC CORD was part of the organization with whom he was working to which BALDWIN replied he had nothing to do with that job. BRENNAN said nothing further was mentioned concerning the breaking into of the Democratic Headquarters in Washington, D.C. and said he had read of this episode in the Bridgeport paper the previous morning.

BALDWIN inquired as to possible employment with the State of Connecticut and BRENNAN said he told him he would get in touch with BRIAN GAFFNEY and set up an interview for BALDWIN. BRENNAN said he subsequently made arrangements for an interview for BALDWIN with GAFFNEY on Tuesday, June 27, 1972.

2. Second telephone number in Martinez' telephone book listed to George Gordon Liddy (former FBI Bureau supervisor and presently with Committee to Re-elect the President) who after being advised of nature and purpose of interview declined to discuss the matter with Bureau Agents. Liddy reported to have worked for several month period at EOB sharing office with Dave Young. His position is reportedly Staff Assistant, Domestic Council, terminated 12/10/71, reason unknown. Both Liddy and Young were under supervision of John Ehrlichman, Assistant to the President.

3. Assistant U.S. Attorney, Washington, D. C., advised only six individuals have appeared before Federal Grand Jury in this matter (names set out).

4. John Dean, Counsel to the President, turned over to Bureau Agents two large cartons of personal effects of Everette Howard Hunt, one item in particular was black attache case. Contents of this case contained numerous pieces of electronic equipment, including ancillary equipment from Bell and Howell transceivers previously recovered from subjects at time of arrest. Also in this attache case were two disguised electronic pieces which appeared to be concealed microphones. Majority of items recovered in Hunt's office are identical to items purchased by James Walter McCord in Philadelphia. All items turned over by White House were hand delivered to FBI* for examination. Approximately 2,000 copies of papers apparently relating to Ellsburg case were in this material, classification ranged from Secret, Top Secret, to Eyes Only. Hunt initially assigned to White House to declassify Pentagon documents.

INTERCEPTION OF COMMUNICATIONS

ALL INFORMATION CONTAINED HEREIN IS UNCLASSIFIED DATE 3/24/78 BY SP2 TAP/DJC

With respect to the photographs of documents developed by a Miami, Florida, photographer at the request of subjects Barker and Fiorini (Sturgis), the following is noted:

On June 22, 1972, Michael Richardson, employed in his father's business, Rich Photos, 1600 W. Flagler Street, Miami, Florida, advised that about noon, Saturday, June 10, 1972, one white male whom he tentatively identified from a photograph as Bernard Barker, came to this store which is located in a heavily populated Cuban area. This individual presented two rolls of exposed Kodak tri-X black and white 35 millimeter film on which he said documents had been photographed. He requested immediate development and printing of 8 by 10 prints. Richardson did a rush job and determined there were four exposed document negatives on one roll and 34 document negatives on the other roll for a total of 38 exposed negatives. Richardson made one 7 by 10 print of each of the 38 negatives.

REC-102 ST-103 REC-6 -304

Richardson said most of the documents had an emblem and were headed "Chairman Democratic National Committee." The documents photographed appeared to have been on onion skin paper and most were typed. A few consisted of handwritten notes. ~~On at~~ least one of the documents, there was the signature "Dick." Several letters had the name Lawrence O'Brien. One or more of the documents concerned a resume of an unrecalled woman who headed a local campaign for Senator Hubert Humphrey. Richardson said all documents were photographed with a shag carpet background and hands

covered with clear-type gloves held down each corner of each document. A total of four hands were in view on each document. The pictures were made with an electronic flash, photographed from an angle.

Richardson said while he was working on this job, he was called three times in an effort to hurry him and when he had finished the job, the original customer, Barker and two other white males came to pick up the prints. The bill amounted to $76.85, but in their haste they overpaid, forgetting a deposit given to him when he began the job. Richardson made no written record of the transaction since it was for cash. He maintained no copy of the negatives or prints. Richardson tentatively identified one of the two men who accompanied Barker as being Fiorini, but was unable to identify the third man.

At 2:15 p.m. today, Mr. Tom O'Connell, General Counsel, Federal Reserve Board, called me. He said he had received a call from the Administrative Assistant to Senator Proxmire wanting information regarding the tracing of the $100 bills through the Federal Reserve banks.

I told him we had received a call already from Mr. Howard Shuman, Administrative Assistant to Senator Proxmire, regarding this same matter. Mr. Shuman was advised that the tracing of this money was part of our investigative effort and that we could furnish no further information. It was suggested to Shuman he might desire to make inquiry of Henry Petersen, Assistant Attorney General, Criminal Division.

O'Connell wanted to know if there would be any objection to their telling the Senator's office that the FBI was making inquiry through the Federal Reserve in Philadelphia and Miami regarding these bills. I informed him that we as the investigative agency were conducting this investigation, that any matters regarding the evidence or any legal aspects would have to be checked with the United States Attorney in Washington or with Mr. Petersen. O'Connell said he had been at one time an Assistant U. S. Attorney and knew U. S. Attorney Titus. He said he agreed with our stand but that the Federal Reserve was getting "a lot of heat" from the Senator's office.

REC-24 137-4027-306

He indicated he would probably talk with the U. S. Attorney first.

Date of transcription June 26, 1972

Dr. EDWARD C. BRANDOW, JR, was interviewed at his office, 662 Madison Avenue, Albany, New York. He advised that he has known EVERETTE HOWARD HUNT since 1946 or 1947. He considers him a good friend and last saw him when Dr. BRANDOW visited him enroute to and returning from Florida during the latter part of March and first part of April, 1972. He visited HUNT at his home which is located on River Road, Potomac, Maryland. The duration of both visits was for several hours only. During these visits HUNT mentioned that he was in some way connected with the re-election of President NIXON and a consultant to the Whitehouse. Over the years HUNT said he has traveled extensively and Dr. BRANDOW knows him to be an author. He recalls that HUNT once sent him a postcard from Cuba;about three or four months afterwards the Bay of Pigs incident occurred. Although HUNT has never so stated, it is the opinion of Dr. BRANDOW that HUNT has worked for the Central Intelligence Agency (CIA). Because of this, Dr. BRANDOW never asked him any questions about his personal affairs. He considers HUNT to be an extremely intelligent and capable individual. To the best of his knowledge Dr. BRANDOW is the only individual from Albany who has visited HUNT in Washington recently. HUNT has not been to Albany for two or three years. U

The names of the subjects in this case are not familiar with Dr. BRANDOW nor did he have any information concerning captioned burglary. U

GEORGE W. BERRY, Physician, 2424 Arroyo, telephone number 817-772-2426, advised that JAMES WALTER McCORD, JR., is his brother-in-law and has been married to his sister RUTH for some 25 years. Dr. BERRY advised that McCORD was formerly an Agent of the Federal Bureau of Investigation and some year ago retired from the Central Intelligence Agency (CIA). Dr. BERRY further advised that the last information he had concerning the employment of McCORD was that he, McCORD, was teaching law enforcement at an unknown college in Maryland.

md

Dr. BERRY continued by stating that he last visited with McCORD in Rockville, Maryland, some two years ago and that subsequent to this he has been in "very infrequent" telephone contact with McCORD and his wife.

Dr. BERRY further stated that he has no knowledge of any associates of McCORD's; that he does not know anything concerning the activities of McCORD; and he positively could not furnish any information concerning the alleged connection of McCORD with the burglary of the Democratic National Headquarters in Washington, D. C., on June 17, 1972.

Dr. BERRY concluded by stating that he has a daughter by the name of CAROLYN BERRY, who resides in Dallas, Texas, and he was advised by CAROLYN on this day, June 23, 1972, that she had been interviewed by Special Agents of the Federal Bureau of Investigation.

EXAMINATION OF MONEY FOR FINGERPRINTS

On the afternoon of 6-26-72, an Agent of Washington Field Office personally delivered five envelopes containing money obtained from the subject's room and Room 214, Watergate Hotel, by the Metropolitan Police Department, Washington, D. C. The money consisted of $5,058.00 in U. S. currency, one silver dollar and $.58 in coins. Two envelopes and a piece of paper were also delivered with the money. This material had been previously processed by the Metropolitan Police Department by means of ninhydrin and silver nitrate methods and bore the typical brown silver nitrate stains.

The submitted material was examined in the Latent Fingerprint Section, but no fingerprints of value for identification purposes were discernible. We, of course, could not reexamine the material for latent prints possibly developed by the prior ninhydrin treatment after the silver nitrate process was used. The discoloration caused by the silver nitrate could conceivably interfere with the legibility of such impressions. The material was returned personally to the Agent of Washington Field Office.

RECOMMENDATION:

REC-2 139-4687-310

JUL 5 1972

It is recommended that Washington Field Office ascertain if the Metropolitan Police Department developed any latent prints on this material through chemical processing and also if they have any other latent prints developed in this case. If approved, General Investigative Division to handle.

Washington Field office recommends immediate handling of the following interviews and feels any delay in these interviews will delay the Federal grand jury inquiry which is presently going on:

1. Interview of former Attorney General John Mitchell to resolve Alfred Carleton Baldwin's employment as body guard to Martha Mitchell and association with Committee to Reelect the President. Inquiries at this Committee have failed to satisfactorily resolve this question. Baldwin is individual who occupied lookout at Howard Johnson Motel.

2. Interview of David Young, White House staff, concerning the employment of Everette Howard Hunt and George Gordan Liddy. Hunt and Liddy have been identified as individuals attempting to recruit special security force to prevent political espionage against Republican Party. Hunt and Liddy were consultants at the White House for several months and reportedly were members of Young's staff.

GENERAL INVESTIGATIVE DIVISION

Attached advises of two investigative requests received by WFO from Asst. U. S. Attorney Earl Silbert who is handling presentation of McCord case to Federal Grand Jury, Wash., DC. With respect to Alfred Carleton Baldwin, III, who is scheduled to appear before FGJ 2:00 pm 6/30/72, WFO is requested to obtain information from Committee to Reelect President regarding Baldwin's reported employment as bodyguard for Martha Mitchell. WFO has been instructed to conduct this investigation at once.

Mr. Silbert further requested interview of David Young at White House for whom Everette Howard Hunt reportedly worked while Hunt was White House consultant. Mr. Silbert contemplates subpoena for Hunt to appear before FGJ and would like results of interview of Young before issuing subpoena for Hunt. WFO requests Bureau authority to conduct this interview.

SUBJECT: JAMES WALTER McCORD, JR.; ET AL.
BURGLARY DEMOCRATIC PARTY
NATIONAL HEADQUARTERS
INTERCEPTION OF COMMUNICATIONS

Investigation by our Miami office has developed the identity of the ten individuals who traveled on 5/3/72, from Miami to Washington, D. C., and returned to Miami on 5/4/72. These individuals are - Pablo Manuel Fernandez Mayan, Humberto F. Lopez, Angel Ferrer, Reinaldo Pico, Felipe De Diego, Hiram Gonzalez and subjects Virgilro Gonzalez, Bernard L. Barker, Frank Fiorini (Sturgis) and Eugenio Rolando Martinez.

Miami has interviewed Fernandez, Lopez, Ferrer, De Diego and Hiram Gonzalez. Each of these men confirmed that the sole purpose of the trip to Washington on 5/3/72, was to render respect for J. Edgar Hoover who was lying in state at the Capitol. All of those interviewed have advised they all used aliases during the trip for the purpose of not revealing their true identity in the event the plane was hijacked to Cuba. Reinaldo Pico has been determined to be on a business trip to South America and his date of return to Miami is not certain.

ACTION: For information.
