BUDED: 5/17/91

Bureau has been requested to conduct a Level III background investigation of appointee for an unspecified Presidential appointment within the Corporation for Public Broadcasting, which requires Senate confirmation.

Field Offices are reminded that the investigative status of a background investigation (BI), all deadlines and the position for which the appointee is being considered shall not be disclosed to any interviewees. If during the course of the investigation, interviewees provide the nature of the position, that information is not to be further divulged outside the FBI. Inquiries by interviewees concerning the nature of the position are to be handled as set forth in MIOG, Part II, Section 17-5 (5). Appointees making inquiries regarding the status of their BI are to be referred to the client agency.

Conduct investigation in accordance with guidelines set forth in airtel to all offices dated 11/29/90, captioned "Changes in Special Inquiry (SPIN) Background Investigations (BI) and Procedures."

Receiving offices note that the last ten years of appointee's life must be accounted for and, if during the course of investigation unexplained or unaccounted for gaps are identified, leads should be directed to the field office covering appointee's current employment to have appointee contacted and to have his activities during specific periods identified.

As this is a Presidential appointment, field offices are expected to meet deadline.

LEADS:

WMFO will immediately interview appointee in accordance with MIOG, Part II, Section 17-5.6 and will report results on an FD-302. At an absolute minimum, the FD-302 should clearly set forth the appointee's responses to those questions labeled a-m under Section 17-5.6 cited above.

WMFO, as principal office, insure at least 12-15 persons knowledgeable concerning appointee are interviewed.

WMFO check White House, United States Secret Service, and Public Integrity Section, Department of Justice.

Birmingham: Interview listed reference [redacted] home address [redacted] daytime phone [redacted] whom the appointee has known for 40 years. Also, check State Bar to determine if the appointee is licensed and if any grievances or complaints have been filed against him.

MISCELLANEOUS

b6

[redacted] of American Legion Post #134, #4 Hollywood Drive, Homewood, Alabama, advised that records of former members are destroyed after ten years, and he did not recall a former member of the post named VICTOR GOLD.

The files of the Birmingham Division of the FBI show that on August 11, 1954, BH T-1 furnished information which, in the opinion of BH T-1, was a partial mailing list for the Southern Conference Educational Fund, Inc. (SCEF). The following information was on a card furnished by BH T-1:

"VICTOR GOLD - Atty.
Frank Nelson Bldg.
Birmingham, Ala."

It was noted that these cards contained the names of many prominent persons, both professional and governmental figures, concerning whom there is no derogatory information known to the Birmingham Division.

A characterization of SCEF is set out in the Appendix to this report.

SOUTHERN CONFERENCE EDUCATIONAL FUND, INCORPORATED
"THE SOUTHERN PATRIOT"

An article in the December, 1967, issue of "The Southern Patriot" (SP) recites that the Southern Conference of Human Welfare (SCHW) was founded in 1938; SP, the publication of SCHW, was taken over by the Southern Conference Educational Fund, Inc. (SCEF), in the late 1940's when SCHW went out of existence and SCEF, originally the "educational wing" of SCHW, continued as an independent organization. Originally concerned with segregation and oppression of black people, SCEF in 1964 recognized that the legal back of segregation had been broken and that economic and political gains were necessary if southern life was to change. SCEF also supports academic freedom and the southern movement for world peace.

SCHW was cited as a communist front by the House Committee on Un-American Activities, House Report 592, June 12, 1947.

The September, 1967, SP stated the work of SCEF is centered in organizing the poor in Appalachia for political and economic power, helping white people in the deep South find common cause with black people, helping local groups organize action for peace and working for abolition of the "House Un-American Activities Committee."

Carl and Anne Braden are listed in SP in April, 1970, as Executive Directors of SCEF. They have headed SCEF since 1966.

[redacted] self-admitted member of the Communist Party (CP), Louisville, Kentucky, on December 11, 1954, in Jefferson County, Kentucky, Criminal Court in a state sedition prosecution, identified Carl James Braden and his wife, Anne McCarty Braden, as having been known to her as members of the CP from 1951 through 1954. b6 b7C

On [redacted] a source advised that [redacted] a CP functionary, expressed great admiration for Carl and Anne Braden and SCEF, which they head. He stated SCEF is the best organization in the South as far as doing effective work is concerned and they have a better idea of what they are doing, where they are heading and they influence other organizations for the better. b6 b7C b7D

The April, 1970, issue of SP lists the editorial and business offices of SCEF as 3210 West Broadway, Louisville, Kentucky; its office of publication, 411 Cowan Street, Nashville, Tennessee; Eastern offices, 130 Morningside Drive, New York, New York; and its Western office, 5889 West Pico Boulevard, Los Angeles, California.

The following investigation was conducted by SA [redacted] on March 6, 1981: b6 b7c

A search of the files of the Personnel Office, Office of Administration, Executive Office of the President revealed no information concerning Victor Gold.

Richard Bond, Deputy Chief of Staff, Office of the Vice President, White House, advised he has known Victor Gold on a professional basis since approximately May of 1979 when he first met Gold in connection with the Bush for President Campaign. During that Campaign and the subsequent Reagan-Bush Presidential Campaign and in fact to date, Gold has served as Senior Advisor and Speech Writer to the Vice President. At present, Bond believes that the appointee is working on a part-time basis in that capacity. Gold has certainly earned the respect and confidence of the Vice President and Bond knows of absolutely nothing negative concerning him. He has an excellent background in Government affairs and Bond would recommend him for a position of confidence and trust.
