It is the observation of the NYO that the plans and aims of the OAAU are identical to that of the MMI with the exception that the Islamic religion is not present. However, this omission may make the OAAU more attractive to certain Negroes who were unwilling to affiliate with the MMI.

Basically, MALCOLM X as chairman of the OAAU espuses the same line that he follows as leader and spokesman for the MMI. He continues to have an overtone of black nationalism; continues to criticize non-violence in the civil rights field and urges a policy of self defense; and desires to internationalize the racial movement and affiliate with African nations.

The third confidential source used is [redacted] The LHM is classified "Confidential" to protect this source since revelation of information therefrom might reveal this source which could have an adverse effect on the national defense interests.

The sources used to characterize JESSE GRAY are [redacted] and [redacted]

The NYO will continue to closely follow the activities of MALCOLM X, the MMI and the OAAU. Close liaison in this regard is being maintained with BSS, NYCPD.

Any information coming to the attention of the NYO indicating that MALCOLM X or his MMI/OAAU are planning any racial type demonstration or activities anywhere, will be promptly furnished to the Bureau and interested offices.

The July 1, 1964 edition of the "New York Journal American", a daily newspaper published in New York City, contained an article on page one concerning Malcolm X Little, founder and leader of the Muslim Mosque, Incorporated (MMI) and chairman of the Organization of Afro-American Unity (OAAU).

Characterizations of the MMI, Nation of Islam (NOI) and NOI Mosque #7, New York City, are attached hereto and all sources therein have furnished reliable information in the past.

This article bore a front page headline stating "Malcolm X Plans For A Take-Over". It indicated that Malcolm X had announced the formation of the OAAU which is a Negro organization dedicated to "fomenting a black revolution in this country 'by any means necessary', including arming Negroes."

In an interview, the article continued, Malcolm X said that he and other militant Negro groups have established a "brain trust" which is mapping an OAAU program. Members of this brain trust named by Malcolm X are:

1. Reverend Albert Cleage of Detroit Michigan, leader of Michigan Freedom Now Party.

2. Gloria Richardson of the "Freedom Now" movement in Cambridge, Maryland

3. Lawrence Landry of Chicago, Illinois, leader of the Chicago school boycott.

4. John Lewis, head of the Student Non-Violent Coordinating Committee.

5. Jesse Gray, New York Harlem rent strike leader.

On November 20, 1958, a confidential source who has furnished reliable information in the past, advised that Jesse Gray had been the organizer for the Harlem Region of the Communist Party, USA (CPUSA), but this position terminated during November, 1958.

On January 24, 1964, a second confidential source who has furnished reliable information in the past, advised that according to William Patterson, Chairman of the New York District CP, Jesse Gray is no longer a CP member but is friendly to the CP.

The article indicated that the OAAU is out to wrest control of the Negro civil rights movement from less militant leaders such as: Roy Wilkins, Executive Secretary of the National Association for the Advancement of Colored People; James Farmer, head of the Congress of Racial Equality; and Dr. Martin Luther King, head of the Southern Christian Leadership Conference.

Malcolm X indicated that the OAAU will begin a voters registration campaign among Negroes and instruct them to vote for Negro candidates. Also, "militant" demonstrations for getting jobs for Negroes are planned in New York City, Detroit, Chicago, Cleveland, Philadelphia and other areas with a large Negro population.

On arming Negroes, Malcolm X stated that it was the duty of every Afro-American to protect its people against "mass murderers, bombers, lynchers, floggers, brutalizers, and exploiters". He stated "A man with a rifle or a club can only be stopped by a person who defends himself with a rifle or club."

Organization of Afro-American Unity

The article indicated that Malcolm X was not worried by the inauspcious start the OAAU got at its founding meeting (in NYC on 6/28/64), stating that it would take a little time for "our" message to be grasped by the Negro community. He stated "we" have the program and the nucleus and predicted that before long the OAAU would be the leading black organization in this country.

[redacted] b7D

On June 29, 1964, a third confidential source, who has furnished reliable information in the past, advised that Malcolm X was dissappointed over the number of persons who registered to join the OAAU following the organizational meeting on June 28, 1964. Only 90 persons registered.

On July 1, 1964, this third source advised that according to Malcolm X his threats and program to organize Negroes to go and fight white racists in Mississippi unless President Johnson sendsin federal troops, is designed to put the government on the spot and force the President to do something.

During the past month, MALCOLM X LITTLE and the MMI have attempted to publicize the illegitimate children of ELIJAH MUHAMMAD through various news media. He has been successful in getting the story on several radio programs during interviews, but a fear of libel suits has apparently kept such publicity at a minimum. However, representatives of various news agencies have advised MALCOLM that they could publicize it if the women involved instituted legal action against MUHAMMAD.

It is noted that during the first weekend of June, 1964, MALCOLM sent his MMI assistant, JAMES 67X WARDEN, to Phoenix and Los Angeles where he obtained statements from two of the women involved, a Sister EVELYN and Sister LUCILLE.

On 6/29/64, [redacted] advised that on that date, MALCOLM engaged in a conversation concerning the above with b7D

fact joined up with MALCOLM LITTLE would be speculative. Chicago has all of its sources alerted in this regard. In the event it is proven WALLACE MUHAMMAD and/or others have joined MALCOLM LITTLE the Bureau and interested offices will be immediately advised by appropriate communication suitable for dissemination.

[redacted], who has furnished reliable information in the past, advised that during an FOI meeting held by MTI No. 2, Chicago, on 6/16/64, Lieutenant LOUIS 3X (CARR) announced there are more deceptive members among us and they are being seduced by defected members who had supported MALCOLM LITTLE. LOUIS 3X remarked that LITTLE was the greatest deceiver of all times. Source added that CARR remarked that MALCOLM's group numbers about 20 and is holding meetings in Washington Park on Sundays.

b2
b7C
D

Source was subsequently contacted by SAs [redacted] and [redacted] and advised that Lieutenant LOUIS 3X had stated the dissident members of MTI No. 2 were followers of MALCOLM LITTLE. He stated this group, according to LOUIS 3X, consisted of WADE X, ROBERT 18X EDMUNDS and ARTHUR 3X. Source advised he had no knowledge other than the above announcement that there was an organized group following MALCOLM LITTLE in Chicago. Source stated that he believes Lieutenant LOUIS 3X and other Temple officials will brand any person or groups of persons who deviate from the teachings of ELIJAH MUHAMMAD as followers of MALCOLM LITTLE whether they are or not.

b7C

On 6/18 and 26/64, [redacted], who has furnished reliable information in the past, was contacted by SA [redacted] in this regard. He stated he knew WADE X, ARTHUR 10X and other members of this dissident group of former NOI members. He stated he had no knowledge and had heard no announcements at MTI No. 2 regarding individuals following LITTLE holding meetings in Washington Park on Sundays.

b2
b7C
D

[redacted] and [redacted], who have furnished reliable information in the past, advised SA [redacted] on 6/26/64, that they knew of no group following MALCOLM LITTLE holding meetings in Washington Park on Sundays.

b2

All sources advised they would be alert for such information and [redacted] and [redacted] stated they would visit Washington Park on Sunday in an effort to see if they could spot WADE X and others meeting there.

b7C
D

[redacted] advised SA [redacted] on 6/29/64, that he was unable to visit Washington Park on 6/28/64, as he had to work. [redacted] advised SA [redacted] on 6/30/64, that he visited Washington Park for a period of approximately 2½ hours on Sunday, 6/28/64, but did not observe any NOI members holding meetings in this park.

b2
b7C
D

On 6/24/64, [redacted] advised ARTHUR SQUALLS, aka ARTHUR 10X, was interviewed on 6/22/64, by officers of the Chicago Police Department about his alleged beating by members of MTI No. 2. He stated "I have been a member of the Black Muslim cult for the last 2½ years and am a firm believer in the Islam religion; however, I have no allegiance to ELIJAH MUHAMMAD, Sr. I do have faith in and believe in what he taught me." ARTHUR 10X went on to describe his involvement with MTI No. 2, and his alleged beating. This information has been previously furnished the Bureau in referenced airtel. The officers mentioned above stated that ARTHUR 10X remarked that he had an appointment with a "Chicago Daily News reporter" and hoped to talk to LEN O'CONNOR, a well known T.V. commentator in Chicago with Station WNBQ-TV. ARTHUR 10X stated "I want all the darn publicity I can get".

b7C
D

[redacted] who has furnished reliable information in the past, on 6/24/64 advised that LOTTIE and CLARA MUHAMMAD, ELIJAH MUHAMMAD's daughter and wife, were in contact and LOTTIE stated there were two carloads of plotters sitting out front now having a meeting (presumably in front of MTI No. 2, 5335 South Greenwood, Chicago). LOTTIE stated she could see WALLACE (MUHAMMAD) out there and that they are sinning and double sinning by pulling some of the others away. LOTTIE stated that ELIJAH MUHAMMAD had remarked that they should leave this to Allah as he, Allah, will take care of them altogether. CLARA remarked that she had told WALLACE that she, CLARA, did not think that he, WALLACE, could be her son any longer. CLARA added that she is beginning to believe that this is the time that Allah had told them that would come about. CLARA remarked that they should leave WALLACE and MALCOLM alone and all of them should just keep their mouths shut.

b2
b7D

[redacted]

b7C

[redacted] continued on 6/25/64, that CLARA MUHAMMAD and LOTTIE MUHAMMAD remarked that neither one of them can understand WALLACE. They indicated that WALLACE had been going around to the members of the Mosque trying to get them to leave it and if they had not heard him saying so they would not have believed it.

b2
b7D

As the Bureau has been advised in previous communication, HASSAN SHARRIEFF telephonically contacted SA [redacted] during this past week and indicated he had disassociated himself from the NOI and his father, RAYMOND SHARRIEFF, had announced to the membership of MTI No. 2 that WALLACE MUHAMMAD and HASSAN SHARRIEFF had deviated and were hypocrites.

b7C

b7c On 6/25-26/64, [redacted] Old Courthouse, Chicago, Illinois, advised SA [redacted] of the following:

[redacted] telephonically contacted [redacted] on 6/23/64, and stated that HASSAN SHARRIEFF had asked [redacted] if he, HASSAN, and his friends should carry a gun for protection since they had left the NOI. [redacted] stated he told [redacted] to tell HASSAN to call the FBI in Chicago concerning this.

b7c On 6/25/64, [redacted] again contacted [redacted] and remarked that HASSAN had contacted the Chicago Police Department and was advised that HASSAN could keep a gun in his house and also hinted in a fashion that he might carry one for protection. [redacted] stated that HASSAN had given him a Spanish .38 caliber Starfire for his protection but after talking it over with [redacted] returned this gun to HASSAN on 6/26/64. [redacted] does not know if HASSAN or his friends have guns, are carrying them or the source of supply of same.

b7c [redacted] further indicated to [redacted] that approximately two weeks ago two professional karate NOI members of Chicago, LOUIS 3X (CARR) and JOHN 21X (GARRISON) were sent to Detroit, Michigan to get MALCOLM X, this being approved by RAYMOND SHARRIEFF and ELIJAH MUHAMMAD, Jr. [redacted] stated that MALCOLM X was so heavily guarded that they could not get to him. The pretext used by these two men while visiting Detroit was to visit a sick relative. [redacted] indicated that these two individuals are still trying to get MALCOLM X. [redacted] added that on 6/25/64, he got a "sort of a direct threat" from [redacted] in that he was warned that he [redacted] had better stop allowing his friends to hold meetings at his house as he and his friends might get hurt. [redacted] indicated to [redacted] there is a story in the Bible about a brother who had been asked by his father to kill his brother. [redacted] stated that while MALCOLM X was in Mecca he wrote a letter to [redacted] suggesting that he join MALCOLM X. After talking this over with [redacted] both agreed that since [redacted] was on parole he should not join with anyone. ~~([redacted] has a copy of this letter.)~~

As the Bureau and New York have been advised by teletype on 6/26/64, reservations have been made on American Airlines Flight 702 for a group of 30 persons, including ELIJAH MUHAMMAD, to travel to New York City on 6/28/64. Included in this group were the names W. MUHAMMAD and H. SHARRIEFF which would indicate that these individuals are back in the "fold".

b7C

On 6/28/64, SA [redacted] conducted a fisur at O'Hare Field and neither WALLACE MUHAMMAD nor HASSAN SHARRIEFF were observed in the group of approximately 30 individuals who accompanied ELIJAH MUHAMMAD to New York City.

As the Bureau is aware there is an indication MALCOLM LITTLE will be in Chicago on 7/2/64, for a radio appearance. A New York source advised that MALCOLM planned to meet with WALLACE MUHAMMAD during his visit to Chicago.

Chicago will closely follow this matter and pertinent data will be forwarded to the Bureau and interested offices.

As is apparent from the above, the situation in the NOI in Chicago is in a state of discord and indecision. Chicago does not believe the above is factual enough to be disseminated to other agencies at this time.

The Security Unit of the Chicago Police Department has been furnished information of a general nature regarding the above data.

On June 29, 1964, a confidential source, who has furnished reliable information in the past, furnished information that Martin Luther King, Jr., contacted Clarence Jones on that date. King stated that he is going to St. Augustine, Florida, on June 30, 1964, and he mentioned the possibility of a bi-racial committee being formed (to deal with the racial situation in that city). King mentioned that the Klan (Ku Klux Klan) took over the city last week, and he said that the decent people became enraged. King mentioned that he feels that this week will bring a real change, and he said that it looks like victory.

King mentioned to Jones that he does not think the bodies (of the three civil rights workers who have been missing since June 21, 1964) will ever be found in Mississippi, and he stated that he believes that the bodies have been disposed of. Jones remarked that the Sheriff (the Sheriff of Neshoba County, Mississippi) probably helped in this.

King mentioned that he will appear at the Republican Convention (which will start on July 13, 1964, in San Francisco, California) a week from tomorrow, and he said that he plans to give a strong plea for civil rights. Jones remarked that he will assist King with the text. King mentioned that he will make a reference to Goldwater (Senator Barry Goldwater from Arizona, who voted against the Civil Rights Bill) at a press conference at the convention. King mentioned that he will be in New York on Thursday and Friday (July 2 and 3, 1964) for a television program. Jones replied that he can have the text completed by that time and that King could look it over.

On June 29, 1964, a second confidential source, who has furnished ~~reliable information~~ in the past, furnished information that Clarence Jones contacted John Killens (who is a Negro author) on that date. Jones told Killens how great he thought Malcolm X is, and both men agreed that he is a real leader and a person to watch. Killens said that he would like to get together with Malcolm as soon as possible.

Jones stated that he believes Malcolm needs organizational help, and he suggested that Killens or Ossie (Ossie Davis) could help with Malcolm's speeches. Jones said that he is willing to do anything he can to help. Jones stated that they should try to get Malcolm's speech printed, and he suggested the possibility of having it printed in Freedomways or put out in a pamphlet.

On June 29, 1964, the second confidential source furnished information that Clarence Jones was in contact with Ruby (Dee) and a man, whom the source was unable to identify, on that date. Jones stated that he had attended a meeting which Malcolm X (Malcolm X Little, who is the founder and leader of the Muslim Mosque, Incorporated, and is Chairman of the Organization of Afro-American Unity) had last night, and he stated that he was really moved by the statement of principles made by Malcolm X. Jones mentioned that it (the statement) concerned the matter of Afro-American unity and racism and the common problem to eliminate racism in this country.

Jones mentioned that Malcolm X is to go to Africa in ten days. Jones and the man, whom the source could not identify, planned to meet with Martin Luther King and Malcolm X before Malcolm X goes to Africa.

On February 26, 1962, John O. Killens was interviewed under oath by [redacted] b7(c) a Special Agent of the Federal Bureau of Investigation, at which time Killens said that he had been a member of the Washington Committee for Democratic Action, had been a delegate to a 1941 conference of the American Youth Congress, and had participated in activities of and made contributions to the National Negro Congress. Malcolm Says Muhammad Fails Cause of Negroes

Malcolm X, the dissident Black Muslim, criticized Elijah Muhammad yesterday for not using his organization to fight bigotry in the South. Since breaking with the Muhammad group, Malcolm X has operated through his own Afro-American Unity Organization.

"Elijah spends his time denouncing white persons and my followers," Malcolm declared in an interview. "Why doesn't he denounce the Ku Klux Klan and the White Citizens Councils? Why doesn't he send followers to Mississippi and Florida to help the Negro and white civil rights volunteers who are trying to better things there?"

He accused the self-styled "messenger of Allah" of disservice to Negroes by his failure to join white persons in the civil rights struggle.

Attached hereto are characterizations of Muslim Mosque, Incorporated (MMI), Nation of Islam (NOI) and NOI Mosque Number 7, New York City, and all sources therein have furnished reliable information in the past.

On June 29, 1964, a confidential source, who has furnished reliable information in the past, advised that the MMI held a public rally from 8:15 p.m. to 10:45 p.m., June 28, 1964, at the Audubon Ballroom, Broadway and 166th Street, New York City. There were approximately five hundred persons in attendance and the speaker was MMI leader Malcolm X Little.

In his speech, Little announced the formation of a new, non-white, civil rights action group to be known as the "Organization of Afro-American Unity." This group will be led by Little and will sponsor a program for Negroes of education, politics, culture, economics and social reform. The organization will conduct in 1964 a voters registration drive for Negroes, and one of its leading aims will be to take the racial situation in America to the

United Nations. Little also stated that he would send a telegram to civil rights leader Dr. Martin Luther King offering their help to King in the racial struggle down South if the United States Government fails to take decisive action.

Little announced that temporary headquarters of the new organization would be in the MMI Headquarters at Suite 128, Hotel Theresa, 2090 Seventh Avenue, New York City. Those present at the meeting were offered the opportunity to join this new group by registering and paying an initial fee of $2.00 and by paying dues thereafter of $1.00 per week. Little announced that this new organization would hold a meeting next Sunday night (July 5, 1964) in the Audubon Ballroom, at which officers would be named.

Little claimed that this new group had the support of many local unnamed organizations, of several individuals who were on stage with Little and of new Afro-Asian nations, particularly Ghana.

NYT-

The June 29, 1964, edition of "The New York Times," a daily newspaper published in New York, New York, contained an article on page 32 concerning the above meeting. The article stated that Little called for unity among Negroes in their fight for civil rights at a membership drive meeting of the "Organization of Afro-American Unity" held on the evening of June 28, 1964, at the Audubon Ballroom, New York City. They described this Afro-American organization as a recently formed black nationalist group.

Malcolm X Repeats Call For Negro Unity on Rights

Malcolm X called again last night for unity among Negroes in their fight for civil rights.

He made the plea before about 600 persons at a membership-drive meeting of the Organization of Afro-American Unity, at the Audubon Ballroom, 166th Street and Broadway. The organization is a recently formed black nationalist group.

He did not mention in his speech the presence in the city of Elijah Muhammad, the Black Muslim leader with whom he recently split. Asked to comment on Mr. Muhammad, Malcolm X replied:

"We all should band together and go to Mississippi. This is my closing message to Elijah Muhammad: Lead us against our enemy. Don't lead us against each other."

Malcolm X to Elijah: Let's End the Fighting

Malcolm X today called for an end to the three-month dispute which has split the Black Muslim movement in Harlem.

In an open letter to Elijah Muhammad he urged an end to the hostilities which threaten to flare into open warfare between the two groups,—his dissidents and the parent body headed by Elijah. He called for unity in solving the problems of egroes in Mississippi, Alabama, Georgia and other parts of the South.

"Instead of [illegible] all this energy [illegible] he wrote, "[illegible] working in unity [illegible] and organized [illegible] effort to solve the very [illegible] problems facing our A[illegible]."

Poses a Question

He asked Elijah Muhammad how, since the Muslims did not resort to violence when they were attacked by "white racists" in Los Angeles and Rochester, N. Y., they could [illegible] declaring war on each other.

Malcolm X's statement came on the heels of an announcement by Muhammad's followers that they had received a "tip" from one of Malcolm's followers that plans were being made to assassinate Elijah Muhammad when he arrives at Kennedy Airport Sunday morning.

Fails to Show Up

The dramatic announcement of the "tip" came during a press conference at the Shabazz restaurant, a Muslim cafeteria at Lenox Av. and 116th St. Muhammad was to have announced plans to launch "his first economic program for Black America."

Muhammad did not appear. Instead, Minister James X, who described himself as Muhammad's "representative at this time and this place," read a prepared statement dealing with a forthcoming address by Elijah Muhammad on "economic independence for Black America."

Malcolm X, reached at his Boston hotel, denied that he or his followers were plotting to kill the Muslim leader. "I'm surprised at the accusation," he said. "No Muslim would think of assassinating Muhammad. He has never been in any danger in his life.

"We don't have to kill him. What he has done will bring him to his grave."

Muhammad's followers said that they would take every precaution to protect their elder. "We have our own security guards," they said. "We just want the police to know about the threat. Malcolm wants to regain his position by killing the Messenger."

'Don't Think He'll Come'

Malcolm X scoffed at the accusation and said that the assassination threat was an excuse by Muhammad to bypass the June 28th speaking engagement. "I just don't think he'll come," he said.

The leader of the dissident Muslim group acknowledged that his followers were arming themselves but that the weapons were not for use against Negroes or Muslims. "All Negroes should own a rifle and use them to protect themselves with if the government can't do it."

June 26, 1964

MUSLIM MOSQUE, INC.

A source, who has furnished reliable information in the past, furnished the following on June 25, 1964:

Malcolm X appeared on the Bob Kennedy "Contact" show on Radio Station WBZ, Boston, Massachusetts, from 6:30 p.m. to 8 p.m. on June 25, 1964.

Malcolm X was asked where he saw himself fitting into the Civil Rights struggle. He replied he saw it as a Human Rights struggle and not as a Civil Rights struggle. He feels he fits into any struggle for a way to bring about complete recognition of the Afro-American as a complete full-fledged human being or into any program designed to bring this about.

Malcolm X was asked if he felt an organization such as the "Mau Mau" of Africa or the "Blood Brothers" of New York was needed in this country and would he condone or foster such an organization. Malcolm X would not give a direct answer to this question but stated he would never condemn any action resulting from the continued suffering of the person who took the action. He sees conditions deteriorating to such a degree that any type of organization could possibly develop.

Malcolm X stated that on Sunday, June 28, 1964, he will announce the formation of a new group which will be called "Organization of Afro-American Unity" (OAAU). This will be a non-religious, action group which anyone can join except members of the white race. Its program will be political and economical and will furnish education for every aspect of life in the Afro-American Community. For every aspect of this life that is now negative, this new organization will design

an action to show the Community itself how to act on these negative aspects and so make for a more positive existence in the Afro-American Community.

Malcolm suggested that if white people are interested in helping, they can form an organization of their own and call it "White Friends of the Organization of Afro-American Unity."

Its principal aim is to lift the entire Civil Rights conflict into the realm of Human Rights and as such to bring it before the United Nations and air it on a world-wide basis.

When asked how militant this new group would be, Malcolm X stated that the black people in this country are justified in obtaining freedom by any means necessary. He then qualified this by saying they would be justified in taking any action which was intelligent, just and legal.

The group is willing to work with all other leaders and organizations who are making a genuine effort to bring about the end of the unjust conditions Negroes are experiencing in the United States. The group will not limit itself "to turning the other cheek". One tenet of the organization is the right of the Afro-American to defend himself, Malcolm X stated "We endorse the right of self-defense".

He predicted the new organization will have grass roots support from the Negro population and that it had already received pretty good support. Malcolm X refused to identify any members but stated that some famous writers, college students and a representative cross section of the Afro-American Community have met in private since Malcolm's return from Africa and they think they have finally got something to solve the Negroes' problems.

Later during telephone conversations with some of the audience, which is a feature of this radio show, Malcolm X, in answering a question concerning action in connection with the Civil Rights issue, stated he believed in fighting for Civil Rights and when he says fight for it he means fight for it. No elaboration was made on exactly what he meant by this remark.

On 6/24/64 [redacted], reliable, advised JOHN ALI (SIMMONS, National Secretary of the NOI) was in contact with an unknown man who told him MALCOLM X was to have been on the program tomorrow night (June 25) but it had been postponed to next week, exact date not known. ALI stated he would like to know when. ALI was asked if he would like to appear on the program with MALCOLM and he stated he would. The man stated he would ask MALCOLM about it and let JOHN know. The unknown man stated the police had suggested they provide a body guard for MALCOLM because of what was attempted in New York or Boston.

On 6/25/64 [redacted], advised SA [redacted] he had ascertained MALCOLM LITTLE would be on Radio Station WVON, 1450 kc, a FM-AM radio station at 3350 South Kedzie, some night next week; that he would appear on a program called "Hot Line," which is MC'd by WESLEY SOUTH, and which is on Monday through Friday from 11:00 p.m. to Midnight. The program is of the type whereby people can call in and ask questions.

[redacted] advised later on the same date that he had learned from SOUTH that MALCOLM would be in Chicago on Thursday, 7/2/64; that he was scheduled to arrive at O'Hare International Airport and was to go directly to the studios of NORMAN ROSS, where he would tape a TV program, "Off the Cuff" between 1:00 p.m. and 3:00 p.m.; that he would appear at Radio Station WVON at 10:30 p.m. and would be "live" on "Hot Line" between 11 p.m. and Midnight; that he was going to leave Chicago immediately after this program because of threats on his life. [redacted] advised SOUTH told him that during conversations with MALCOLM he had stated he broke with ELIJAH MUHAMMAD because of the "bastardy cases" and said there were some sixteen in all. SOUTH opined that MALCOLM would talk about these "bastardy cases" on the radio program. SOUTH advised further that MALCOLM's "contact in Chicago is a man by the name of OMAR." [redacted]

For the information of the Bureau, Radio Station WVON carries "Hot Line" both on AM and FM. NORMAN ROSS is a well known local TV personality. His show, "Off the Cuff" appears on ABC Channel 7, WBKB-TV, on Sunday nights starting between 11:00 and 11:15 p.m., depending on the length of the preceding movie, and lasts for some two hours.

Chicago will make efforts to determine when MALCOLM X will appear on the "Off the Cuff" show, presuming at this date it will be on the night of July 5 next.

Chicago will monitor both the TV show and the radio show. If no new statements are noted, other than those previously made over the radio in Boston on 6/12/64, the material will be channelized through routine channels. New and pertinent data will be forwarded to the Bureau and interested offices in communications suitable for dissemination.

Regarding the "OMAR" mentioned above, Chicago feels it could be MARVIN EARL BARRETT, deposed Minister of Muhammad's Temple No. 12, Philadelphia, Pa. He has used the name MARCUS OMAR and MARVIN OMAR and may be in Chicago.

The Philadelphia Office is requested to ascertain if BARRETT is still in Philadelphia, and, if not, to attempt to ascertain if he may have returned to Chicago.

For the information of the Omaha Office, Chicago will attempt to ascertain if MALCOLM plans to go to that city upon leaving Chicago the morning of 7/3/64. New York should be alert for information indicating where MALCOLM may go after leaving Chicago.

Chicago will remain alert for any contact between WALLACE MUHAMMAD and MALCOLM LITTLE and the Bureau and interested offices will be advised of same.

Says Muhammad Brought Stork To Six Teens

Claim Two Local Lasses From Gtn. Are Among Them

NEW YORK (Special to the Tribune) Surrounded by 18 policemen and eight of his own body guards, suspecting an assassination attempt at any moment, Black Nationalist Party leader Malcolm X told a jam-packed courtroom here Monday how his former spiritual member, Elijah Muhammad, divine leader of the Black Muslims, impregnated two girls from prominent Philadelphia families and four others of his corps of 18 "private secretaries."

The result of this "divine intercourse", as Malcolm said Elijah termed it, has been 11 illegitimate children and another on the way.

ABORTION PERFORMED

To hide the proof of his own violation of the sect's absolute ban on adultery and fornication, Malcolm said, Elijah had at least one abortion performed, tried to switch the "blame" for the others, and had mothers of the illegitimates expelled from the movement for sexual misconduct.

This sensational testimony was brought forth as a result of a suit instituted by the Muslims against Malcolm in an attempt to force him to vacate his home in Queens, which they claim they own, and which Malcolm should leave because he has severed himself from the Muslim sect.

DIVINE RELATIONS

He said that Elijah won the girls' confidence by telling them that he was a holy man, and that intercourse with him would be on a "divine" level.

"Suddenly, in 1959, six secretaries dropped out of sight," Malcolm said. "I later discovered that they had become pregnant. I also learned that Elijah had arranged for some other man to "follow him," a man who would take the blame when and if children were born.

GIRLS EXPELLED

"The girls themselves were humiliated at Muslim meetings and expelled from the movement for adultery.

"But when two of the girls who were both from Chicago happened to meet and discuss their experiences, it became clear that they had been duped. Elijah took all possible steps to hide everything even though his own family was shocked when two of the girls walked into his house carrying their children."

Malcolm specified that four of the girls had one child, two had two children, and another three.

Violence stemming apparently from the same allegations of immorality erupted outside the Philadelphia mosque of the Muslims at Broad and Susquehanna ave. last Sunday when several members who attempted to investigate the truth of charges of "corruption" were soundly beaten and dispersed by men whom they identified as members of the movement.

NEVER LEFT SECT

Malcolm, however, contended that he never left the sect officially and would not do so until he was granted a hearing at which he could defend himself against charges of disobedience which had been leveled at him by Elijah. He said the sect was afraid that he would use the hearing to bring out into the open the alleged facts which he disclosed at Monday's court hearing.

Malcolm said that his rebellion has prompted the main body of Muslims to seek his speedy death by assassination, and said that a group of Muslims who thought he was arriving in Boston Sunday attacked a car carrying his assistant, whom he had sent in his stead, but were frightened off by a shotgun.

New York newspapers have reported "inside information" that the New York City Police Department has assigned several Negro detectives to follow Malcolm everywhere he goes, with the purpose of discouraging or capturing his would-be assailants.

FOLLOWERS ARRESTED

Wednesday, police arrested several of Malcolm's followers outside the mosque he formerly ministered on Harlem's Lenox ave., after they had tangled with a group of Elijah Muhammad supporters. Both sides were heavily armed with weapons ranging from simple wooden clubs to a machine gun, but there were no serious injuries.

In his court testimony, Malcolm said that the Philadelphia girls (whose names the Tribune withholds) were from prominent Germantown families. They were among 18 attractive teen-agers which the aged Muhammad has gathered about him, harem-style, in the sect's Chicago headquarters.

Sizzling Sect Saga

Local Muslims Claim Charges Are Revenge for Suspension

The feud between Black Muslim leader Elijah Muhammad and his former No. One aide, Malcolm X, which reached a violent and scandalous crisis this week, had its public beginning in November of last year, when Malcolm referred to the murder of President Kennedy as "a case of chickens coming home to roost."

He was immediately suspended by Elijah, who said that he had banned such statements about the dead President. Several months later, Malcolm announced his withdrawal from the movement to found his own Black Nationalist Party.

"KNEW TOO MUCH"

Monday, he told a New York court that the real reason he was suspended was that "he knew too much" about Muhammad. His motives in making the charges were questioned, however, by loyal followers of Muhammad who called his charges false.

In Chicago, John Ali, spokesman for Elijah, said:

"The man (Malcolm) is a liar. Everybody knows the real reason he was suspended. It was for disobeying instruction of Elijah Muhammad and making statements concerning the assassination of President Kennedy. The man was belittled and felt he could not face the public. This damages his ego. That's why he says these things. He has a low, base, vile mind."

NEEDS PUBLICITY

"Malcolm is trying to intimidate people, to keep in the news so he can attract more followers," said Minister James, who is Malcolm X's successor at Mosque 7. "He has been so unsuccessful so far we don't even consider his movement important enough to look into."

"I've gotten all the publicity I needed," said Malcolm X wryly. "The thing that has Elijah Muhammad insane with rage is that his followers are leaving in droves."

Harlem sources said some of the tension might be the beginning of a buildup toward the appearance by Elijah Muhammad at a rally in New York June 28.

Elijah Muhammad lives in Phoenix, Ariz. The movement's headquarters are in Chicago.

RE: NATION OF ISLAM;

DECLASSIFIED BY 8269 [illegible]
ON 1-30-84

Characterizations of the Nation of Islam and of Muslim Mosque Incorporated appear in the Appendix attached hereto.

In June, 1964, a source advised that the Nation of Islam (NOI), Mosque #14, Hartford, Connecticut, was formulating plans to attend a rally at the 369th Armory, New York City, New York, on June 28, 1964, which rally will be addressed by ELIJAH MUHAMMAD. This source advised that members of NOI Mosque #14 at Hartford, Connecticut, have hopes that travel to New York City to attend this rally will be made in thirteen buses. Current plans of this NOI Mosque are that buses will leave Hartford, Connecticut on Sunday morning, June 28, 1964, and return from New York the evening of the same day. It was the opinion of this source that not more than two or three buses would be used from Connecticut to attend this rally.

A characterization of NOI Mosque #14 appears in the Appendix attached hereto.

A second source advised in June, 1964, that at a recent meeting of Muhammad's Temple of Islam of the NOI held at Bridgeport, Connecticut, on June 16, 1964, those in attendance were requested to get as many persons as possible to travel to New York City on June 28, 1964, and reaffirm their faith in "The Messenger" (ELIJAH MUHAMMAD).

This second source also advised that on the basis of information obtained at this meeting, he was of the belief that

MALCOLM X would be addressing his followers at New York City at the same time as ELIJAH MUHAMMAD would be addressing the NOI at New York City on June 28, 1964.

This second source has also advised that nothing has been said regarding travel to New York City by chartered bus to attend the NOI rally of June 28, 1964, and it is assumed by the source that travel will be by private transportation.

A characterization of Muhammad's Temple of Islam, Bridgeport, Connecticut, appears in the Appendix attached hereto.

A third source advised on June 12, 1964, that as of that date, to this source's knowledge, no plans were being made by the New Haven Temple of the NOI to attend the June 28, 1964 NOI rally to be held at New York City.

A characterization of Muhammad's Temple of Islam, New Haven, Connecticut, appears in the Appendix attached hereto.

A fourth source advised on June 17, 1964, that he had recently been advised by a member of the Fruit of Islam (FOI), if anyone said anything unfavorable about "The Messenger" (ELIJAH MUHAMMAD), he should be punched in the mouth, and that if MALCOLM X didn't keep his mouth shut, he would be in serious trouble.

A characterization of the FOI appears in the Appendix attached hereto.

This fourth source advised that he had no information or knowledge relating to any NOI members traveling to New York by chartered bus to attend the NOI rally on June 28, 1964. This source advised he assumed that any member of the NOI attending the rally from Bridgeport, Connecticut, would undoubtedly travel to New York by private automobile.

ELIJAH said someone should tell MALCOLM to go out himself with a gun and start shooting and just watch how long he would last. An unknown minister (believed to be [redacted] of Boston) was in contact with ELIJAH MUHAMMAD and asked him how he was feeling. ELIJAH said that he too had been thinking about the minister and asked him if he could stop out and see him before the 26th. ELIJAH said he had been studying some things and thought it would be best that they talk and that he wanted to talk with [redacted] but with the unknown minister first. ELIJAH spoke of his trying to get his recording and correspondence done for the week including articles for the Herald Dispatch. The unknown minister mentioned that he had received a paper from them this morning with a picture of ELIJAH on the front page. ELIJAH remarked that they (referring to the Herald Dispatch) want to work with them (Muslims) again. ELIJAH spoke of the unknown minister contacting him on June 11 and that they had a great job and they could not lose any time. He said it was very important they see each other for at least a 5 minute talk and ELIJAH remarked that sometimes it is just a few words but it should be done in person. ELIJAH mentioned that the unknown minister would have to make a change in New York as he did not think the plane came straight out. He said that he would probably go to Chicago and then change there.

[redacted] was in contact with ELIJAH MUHAMMAD and told him he had arrived in Boston and was merely contacting him to let him know the "fellow" was there and was still there. He said the "fellow" (believed referring to MALCOLM LITTLE) went right after the entire thing. [redacted] mentioned they have some of the believers there from Springfield and Hartford and that [redacted] was there. [redacted] asked ELIJAH if he thought it would be wise to go after "it" with the body. ELIJAH said he was not in the position to give any answer to such a question when he did not understand the situation. ELIJAH said as for himself he did not care about a dog barking at him even if the dog [illegible] his flesh as long as he did not [illegible] it. [redacted] asked ELIJAH if he wanted them to send the tape and ELIJAH said yes. ELIJAH commented he had nothing to do with anyone else's ideals - everyone to his own ideals. ELIJAH said he cared nothing about a dog barking, especially when he had the leash in his hand. ELIJAH said he thought that dog was very silly to bark in everyone's house, especially when some might not like it.

[redacted] said MALCOLM was trying to get members from the temples in that area and he had gotten a few weak ones. ELIJAH commented they would not be a loss to him. [redacted] said [redacted] an aid to MALCOLM, was so afraid after the show the other night that he and several others ran to the airport carrying a loaded shotgun and said that they (the Muslims) were after them to kill them. He said MALCOLM had 45 the previous week so they were losing power. ELIJAH commented that he would never forgive him (MALCOLM X) nor ever forget him. He said MALCOLM only wants revenge. NATION OF ISLAM

MUSLIM MOSQUE INCORPORATED

On June 17, 1964, a confidential source who has furnished reliable information in the past advised that Rudolph X. Nickols, Nation of Islam (NOI) minister from Washington, D. C., addressed a meeting of Muhammad's Mosque #24, held June 14, 1964, at 2116 North Avenue, Richmond, Virginia. Nickols declared at this meeting that Malcolm X. Little should be killed for teaching against Elijah Muhammad, national NOI leader. He said that Malcolm X. has white devils as well as black men in "his organization", which is wrong, and he accused Malcolm X. of attempting to take away Muhammad's followers from the NOI.

Nickols did not indicate that any special action is planned against Malcolm X.

Characterizations of the NOI and Muhammad's Mosque #24 are attached.

This source also on June 17, 1964, advised that, to the source's knowledge, the Muslim Mosque, Incorporated (MMI) has never been mentioned at NOI meetings in Richmond, but that Nickols' remarks regarding Malcolm X. Little's "organization" undoubtedly referred to the MMI. According to the source, NOI members in Richmond have never been issued instructions regarding actions they should or should not take in contact with any follower of Malcolm X. insofar as the possibility of violence in such a contact is concerned.

A characterization of MMI is attached.

A Bridgeport, Conn. NOI informant has advised that members are being urged to attend the rally at New York on 6/28/64, however, no mention has been made concerning the number to attend or the means of transportation.

Concerning the public announcement of MALCOLM X, leader of MMI, pertaining to his expose of ELIJAH MUHAMMAD, contact with New Haven informants has revealed nothing new or positive concerning the feeling of the NOI in this regard. One informant advised he was recently advised by a member of the NOI to the effect that if anyone said anything unfavorable about "The Messenger", he should bepunched in the mouth, and that if MALCOLM X didn't keep his mouth shut he would be in serious trouble.

The above information is being furnished to the Bureau and New York for information purposes and will be followed by appropriate letterhead memorandum.

New Haven will continue to follow and any additional information received concerning the above will be furnished the Bureau and interested offices.

Seize Guns, Ammo

Bulletin

Six followers of Malcolm X who were arrested Tuesday night in an armed confrontation with 15 Black Muslims of Elijah Muhammad, were held in a total of $18,500 bail Wednesday before Supreme Court Justice Mitchell J. Sherwin, as the Amsterdam News went to press.

Fiery Malcolm X went into temporary hiding in fear of his life late Tuesday night as police averted a shooting war between rival Muslim factions by arresting six of Malcolm's followers at 116th Street and Lenox Avenue who police say were armed with guns and ammunition and ready to make war on the Muslim followers of Elijah Muhammad.

The six were charged with felonious assault, violation of the Sullivan law, unlawful assembly and violation of the conservation law.

Held are Jesse 2X. Ryan, 22, of 2050 Crotona Parkway, Bronx; Herbert Dudley, 31, of 324 W. 84th St.; George 2X Whitney, 31, of 114 Morris Ave., Bronx; Vincent Nolden, 23, of 721 E. 166th St., Bronx; James Vestal, 31, of 9 W. 117th St., and William George, 35, of 111 W. 118th St.

To Queens

Police said the men, obviously concerned at the welfare of Malcolm X, first tried to reach him by phone at home and then drove to his home at 23-21 97th Street, in East Elmhurst when they got no answer.

But after learning that Malcolm was safe and safe in Queens, police said the group then drove back to Harlem to 116th Street and Lenox Avenue in the vicinity of Elijah Muhammad's Temple Number 7 which was once headed by Malcolm X.

Things happened fast after that.

Malcolm's followers reportedly tried to buy a paper at the corner newsstand, but followers of Elijah Muhammad poured out of a nearby restaurant and for a moment war was imminent. Then the cops arrived.

George 2X was reportedly toting a loaded revolver and police said they found a rifle and ammunition for it in the car in which the six had been riding.

Muhammad Attacked

Malcolm X attacked the character and reputation of Elijah Muhammad in a sensational statement to some newsmen this week and a showdown appeared imminent between the two Muslim factions.

Malcolm's bitterness appeared to stem mainly from the attempt by his former followers to evict him from his home in East Elmhurst which the Black Muslims contend is a church parsonage in which he is no longer entitled to live.

The court hearing in that case this week ended with a judge reserving decision and it was expected that nothing would happen for at least another month.

As Malcolm appeared in court police received reports of attempts to assassinate him and the Queens courthouse became an armed camp as armed cops guarded him in addition to some of his followers bearing shotguns.

Some of the followers are former Muhammad supporters who were members of the elite Muhammad guard who have followed Malcolm since he quit Muhammad last March.

June 28 Is Day

Locally, with Malcolm followers now openly brandishing weapons New York police and others are cautiously waiting to see if the showdown further develops between supporters of the two on Sunday, June 28 when Muhammad himself is scheduled to come to Harlem to address a monster Muslim Rally at 2 p.m. in the 369th Guard Armory.

Malcolm followers have indicated they will conduct a rival rally on the same day, probably at the Audubon Ballroom.

In an apparent attempt to avoid violence, Muhammad has said that he is coming to Harlem "because the situation is bad, very dangerous. The people are demanding a solution to the situation between whites and blacks. They must have a peaceful solution. We don not want it solved by violence."

MALCOLM X SPEAKS:

'Guerrilla Warfare Is Next'

By CLARENCE HUNTER
(Star Staff Writer)

Malcolm X sat in a Harlem restaurant and spooned up a banana split as he talked about reciprocal dying, guerrilla fighting, revolution and his new Pan African organization.

Malcolm, the former chief spokesman for Elijah Muhammad, head of the Black Muslims, a black supremacist sect, said he has discarded the unyielding "hate white" philosophy of that group.

His conversation, however, indicated that he still regards the white man as the Negroes' No. 1 enemy and that his future course will be to fight that enemy with every ounce of his energy.

"I reserve the right to do whatever, wherever, whenever and however is necessary to get results," he said. He was not smiling.

No "metamorphosis" resulted from his pilgrimage to Mecca, Malcolm said. He remains inflamed over the American Negro's condition and thinks only a revolution will correct it.

Freedom for Negroes

"Take a duck, for example," Malcolm said. "Ducks can't lay chicken eggs unless a revolutionary change makes it possible for them to do it. When you have a political system which is not capable of producing freedom for Negroes because it was founded to produce freedom for whites, then you must change it and you don't change it by getting on your knees and singing "We Shall Overcome" for 400 years."

His political group, separate from his exclusively-black Muslim Mosque, Inc., so that it can attract other black peoples as well as American Negroes, will not advocate, nor will it initiate violence, Malcolm promised.

"The last thing the Negro wants to do is violence, but he must protect himself," Malcolm said. "When you start talking freedom, you have to talk about dying a little, too. Reciprocal dying, I mean. When a black man dies, a white man should die. Suffering is all right and non-violence is all right, too, as long as they are reciprocal."

Malcolm insisted that Negroes "should form vigilante committees, Man Mat . . . anything to protect themselves." He said "people aren't using much foresight if they don't see guerrilla warfare as the next step in the civil rights struggle." There are evidences of this in Cambridge, Md., "where Negroes shot a Negro National Guardsman," Malcolm said.

MALCOLM X

Devil and Double Devil

As a Black Muslim, Malcolm was known to view all whites as "devils." Now after a 12-day visit to the world of Islam, he said he is convinced that "blacks and whites" can solve their problems amicably if they approach them in a spirit of "brotherhood and tolerance between peoples of all colors and national origins."

As a result of this tempering, he still speaks of devils, but in this fashion:

"Anyone . . . mind you, I am saying anyone . . . who overtly, intentionally, and knowingly deprives another man of his human right is a devil. I said anyone who does this is a devil. And, if he consciously, knowingly and intentionally deprives the man of knowledge that will enable him to correct his condition, he is a double devil. And this devil has to go."

The Afro-American Freedom Fighters, Malcolm's new political group, is envisioned by him as the vehicle which will exterminate the "devil" that hounds him. It was in the graduating Malcolm began will

[illegible] the American Negro's cause with the independence drives of African nations.

Take Fight Before U. N.

"You have never heard of a Negro organization with the word fighter in it, have you?" Malcolm asked. "The first aim of the AAFP will be to lay the groundwork to get the American Negro's case before the United Nations to make it an international issue. I want to take the whole Negro struggle to the Human Rights Commission of the U. N. and charge the United States with the same thing as South Africa and Portugal are charged with there."

Groups like the Algerian Freedom Fighters and the Mau Mau are people trying to throw off the yoke of colonialism . . . and this is the task facing the American Negro," Malcolm said.

Malcolm, who became a Black Muslim while he was in prison [illegible] 1946, said he has no idea how many followers he will attract to his mosque or Freedom Fighter organization, both headquartered in Harlem.

Having just returned from Algiers, he said he must work to create an organization that will follow the tenets of Islam in "the best way we can in a Western and highly mechanized society."

Sees Mosque Prospering

Malcolm is confident his mosque will prosper. He will attract converts as well as defectors from the Black Muslims, he predicted.

"Many are leaving the Black Muslim movement, especially the militant and young men who have gone out because of the lack of activity," Malcolm said. "When I entered the Nation of Islam in 1952 in Detroit, there were not over 400 active Muslims following Mr. Elijah Muhammad and he [illegible] mosques. By mid . . . now, I don't want to sound like I'm bragging . . . no one could count the number of his followers."

Claiming "there's no way of telling" how many followers he has now, Malcolm said: "Two nation calls for help in organizing Muslims in other cities—Philadelphia, Washington, Boston and Los Angeles."

He said he wasn't worried about financial support. "We are scratching," is the way he described his money situation. "I don't have any expensive habits. I never have met a true revolutionary who worried about money."

The desire and willingness to cooperate with other civil rights organizations, Malcolm said, is the major difference between his present group and his Black Muslim affiliation.

"In the Black Muslims I belonged to an organization which stressed moral reformation but never took part in politics, the civil rights struggle or the Negro revolt," he recalled. "Now in our Muslim Mosque, we will keep religion in the mosque because we don't want to involve it directly in the struggle. Through our Freedom Fighters, we will work with any organization in any way desirable to attack the political, economic or social evils that affect Negroes."

Pan African Movement

The traditional rights groups such as the NAACP, Urban League, Southern Christian Leadership Conference and CORE shunned Malcolm X when he was a Black Muslim. He expects them to change this posture now. This is one reason he will work hard to create a strong Pan African movement. No Negro leader could afford to ignore such a group, he said.

The Freedom Fighters, Malcolm emphasized, won't encourage the physical return of Negroes to Africa.

"We will work for a psychological, cultural and social migration to Africa," he said. "The Jews in America have benefited from such a migration to Israel which automatically enhanced their prestige right here in America. If the Negro in this country was to become involved in a similar way, the common bond that would exist between the African and us would automatically put us in a stronger political, economic and social position in this country."

As Malcolm talked and answered questions for about two hours in the H Restaurant on 125th street between Fifth and Lenox avenues, about 10 men, apparently his followers, entered and sat in various booths. He greeted each as "brother" with a smile, a quick handshake or a slight nod of his head. Malcolm sported a closely cropped beard he grew while traveling abroad.

Why He Left Black Muslims

Why did he leave the Black Muslims?

Carefully avoiding any derogatory remarks about Mr. Muhammad, Malcolm explained that he was "forced out" of the group by a combination of things that included his personal disillusionment with the enforcement of the sect's moral code.

"As long as I thought the Black Muslims represented moral reformation, I represented them. When I saw differently I left them," said Malcolm, who celebrated his 39th birthday while visiting in Algeria on May 19. He, his wife and three children, live in Queens, not far from the New York World's Fair.

The fact that he had been told that the Black Muslim sect "was not teaching orthodox Islam, and that we had strayed 180 per cent from the path," whetted Malcolm's appetite for understanding "Islam as it really was," Malcolm said.

Guest of Prince Faisal

He contacted Mahmoud Youssef Shawarbi, deputy director of the Islamic Center of New York and director of the Islamic Federation of the United States and Canada.

Mr. Shawarbi, he said, opened his eyes to brotherhood and tolerance between persons of different races. He gave him a letter of introduction which opened many doors for him during his pilgrimage, Malcolm said.

While in Jedda, Saudi Arabia, Malcolm said, he was a state guest of Prince Faisal, who supplied him with transportation and a religious guide. He visited Mecca and Medina at will, wearing the native clothing and performing all the requirements of the religion.

On the way home, Malcolm visited Beirut, Cairo, Nigeria and Ghana. His speeches, especially in Ghana and Nigeria, attacked America's racial ills. He said he sought the aid of the Africans to get America's racial problems before the United Nations.
