ARMED AND DANGEROUS

Synopsis: To update FBI Headquarters regarding captioned mass murder case.

Details: At approximately 11:30 a.m. on 04/20/1999, the two referenced subjects entered the Columbine High School, Littleton, Colorado, and thereafter began shooting students and staff, and also utilizing explosive devices. It was subsequently determined that prior to entering the school, the two subjects planted explosive devices in and around the school parking lot, and killed two students outside the school building.

Through further investigation, it was determined that the two subjects probably committed suicide after murdering 13 individuals, students and staff. In addition to the homicide victims, there were a total of 23 other victims wounded by gunshots and bomb shrapnel. As of today, 16 of these individuals remain hospitalized with 5 being in critical condition.

To date, the FBI's sole responsibility in this investigation is to assist Jefferson County, Colorado, authorities, as requested. This includes providing two Evidence Response Teams (ERT), the Denver bomb technicians, the SWAT team and a number of Agents used for interviewing purposes. The FBI continues liaison with the Bureau of Alcohol, Tobacco, and Firearms and the U. S. Attorney's Office for Colorado.

174A-DN-57419-2
~~4-DN-57405-2~~

On 04/20/1999, the Denver SWAT team assisted with the securing of a perimeter of the Columbine High School and evacuating students. Subsequently, the Denver ERT has been conducting crime scene investigations, including the crime scene investigation regarding the two fatalities outside of the school building, the area outside the school, and vehicles in the school parking lot. The Denver bomb technicians have been assisting EOD personnel in searching for numerous explosive devices at the school, in vehicles, and at residences.

Denver Agents have interviewed an associate of the subjects, which has produced a lead regarding an individual who may have sold at least one weapon to the subjects. The cooperating witness has volunteered to take a polygraph to verify his information. [redacted] This alleged gun seller is identified as Philip Joseph Duran, W, M, DOB [redacted]

b7C

Denver intends to continue to provide any services needed as requested by Jefferson County Sheriff's Office. It is fully anticipated that this matter will remain a local homicide (mass murder) investigation.

A total of approximately 400 law enforcement officers from 24 agencies have been involved in the investigation.

Denver has requested assistance from the Critical Incident Response Team/EAP to assist Denver employees who were at the crime scene and who had students in this school.

The Denver Command Post number is (303) 626-2721.

Synopsis: To advise FBI Headquarters and Denver Division regarding the status of an investigation involving an incident at Evans High School in Columbia County, Georgia.

Details: On 04/21/1999, Sheriff Clay Whittle, Columbia County Sheriff's Office (CCSO), Appling, Georgia, contacted the Augusta Resident Agency office of the FBI. Sheriff Whittle advised the CCSO had questioned two local Evans High School (EHS) students on 04/19/1999, regarding death threats they reportedly made at EHS. EHS services a suburban area near Augusta and has a student population of approximately 1,500 students. To date, although numerous students and faculty members have been interviewed, CCSO Investigators have been unable to substantiate that such threats were made. The EHS students who allegedly made the threats are identified as [redacted] a white male, Date of Birth [redacted] Social Security Account Number [redacted] telephone number [redacted] a white male, Date of Birth [redacted] Social Security Account Number [redacted] telephone number [redacted]

174A-DN-57419-6

During the sheriff's office interviews of the subjects, with their parents present, consent was given to search the two residences. During a search of [redacted] bedroom, a locked briefcase was found. The briefcase contained a Grendel, Model .380, semi-automatic pistol. The pistol reportedly belonged to [redacted] father, who is in the Army, currently stationed in Korea.

A search of [redacted] residence revealed seven additional firearms, all reportedly belonging to [redacted] father. The firearms included two pistols and five long guns. Other items seized by the CCSO include two personal computers, one at each residence, several computer hard drives, as well as Excalibur and Samurai type swords.

[redacted] were placed in custody, charged with underage possession of a handgun. The two are currently undergoing psychological testing.

Investigators noted that [redacted] are believed to be practicing some type of witchcraft, in that a large altar with witchcraft symbols was located in [redacted] bedroom. [redacted] also reportedly have an area where they participate in war-type games. Based on a tip from a fellow student, a Remington 12-gauge shotgun, located by Investigators on 04/22/1999, was found in this area. Investigators have further confirmed that [redacted] did frequently wear trench coats to EHS, and would also dress in all black outfits with combat boots.

b7C

As a result of the recent events in Littleton, Colorado, Sheriff Whittle requested FBI technical assistance in examining the seized computers. Sheriff Whittle was concerned that [redacted] had communicated with members of the Trenchcoat Mafia in Littleton or had visited the same websites. Due to the Atlanta Division computer specialists participating in a Field Training Exercise in Knoxville, Tennessee, Columbia Division was contacted for assistance. Columbia computer specialist [redacted] immediately responded and assisted the CCSO with computer analysis. The CCSO is greatly appreciative of his expertise and professionalism.

Although numerous rumors abound, thus far, no evidence has been found to indicate [redacted] communicated with members of the Trenchcoat Mafia in Littleton. This is contrary to many news reports, fueled by rumors, that are currently circulating throughout the region. However, it should be noted that the computer analysis has not been completed and evidence establishing such a link could arise at a later time.

To: CID From: Atlanta
Re: 4-DN-57405, 04/23/1999

An ABC News affiliate from Atlanta was reportedly at EHS on 04/23/1999 to interview the school's principal. If true, it is likely the EHS segment will air on 04/23/1999, on the ABC Evening News.

b7C

Continuing communication will be maintained with Sheriff Whittle and Senior Investigator [redacted] of the CCSO. Any additional information will be immediately disseminated to receiving offices.

[redacted] thought it was unusual that Harris was coming from the direction of the junior parking lot, but did not think anything else of it, and had no contact with Harris. [redacted] advised that he went home and had lunch as he usually does, and then tried to go back to school. When he tried to go back to school he was met by police barricades and went back to his residence. [redacted] advised that as the news reports unfolded he quickly figured out that the gunmen were probably Harris and Klebold. He advised that he stayed at his residence by the telephone, figuring that the authorities would want to talk to him at some point in time, although he was never contacted. He also advised that he had several phone conversations with [redacted] during this time frame. [redacted] denied any prior knowledge of what had occurred at the Columbine High School. He advised that neither Harris nor Klebold had told him about their plans.

[redacted] advised that he had not been completely truthful with the investigating agents about information he had concerning Harris and Klebold. [redacted] advised that he had not told everything he knew to this point, because he was afraid he would get arrested and blamed for what happened at the Columbine High School. [redacted] advised that he wanted to provide additional information about Harris and Klebold's activities prior to the assault on the school.

b7C
b7D

[redacted] advised that he was aware that Harris and Klebold had been experimenting with black powder and pipe bombs for over a year. [redacted] advised that he saw them blow up several things, and he also saw pipe bombs which he detailed as follows:

[redacted] was also aware that Harris and Klebold had been stealing computer parts from a room in the school. Harris and Klebold had acquired a key to this locked room full of computer parts, and had been taking parts out of there. [redacted] stated that Klebold had stolen an old laptop computer from this room, but that Klebold's father had found out about it and made him give the old laptop back.

b7C
b7D

[redacted] advised that [redacted] may be able to provide more information about Harris and Klebold's recent activities [redacted]

[redacted] stated that he believed one of the factors which caused Harris and Klebold to attack the school was that Harris could not find a date for the prom. Greetings Gay Bikers,

Today, a bunch of our fellow homosexuals at Columbine HS in Denver Colorado, known as the Trench Coat Mafia, decided that they had taken enough crap from the straight community that had been abusing them and have decided to take matters into their own hands. We should all applaud their bravery and hope that they can hold out as long as possible in their fight for gay people everywhere. We can only hope that they can turn this into the gay alamo and hold out for 13 days of glory. If they can hold out for two days I think gay bikers everywhere should considering riding into Denver as a relief force to fight alongside them.

We need to show solidarity!!!

Queen Jeff

After hearing about what happened in Littleton, CO I decided to look for people that say there in this gang. On America Online I searched for "trench coat mafia" and turned up several things under there member profile. I dont know if you have this info or not but I hope this helps. These people below are claiming that they are part of this group, even some of them are in Littleton, Co. This is a sick thing that happened. Please keep me posted if you can, at least send me a reply saying you got it if you can.

Dear FBI:

We are all shocked and saddened by the recent events which might be referred to by some as the Denver Massacre. If you are at liberty to pursue the lead that I am about to give you, you might find it to be a good one. It was said on one of the TV networks that there were individuals at the crime scene WITHOUT MASKS AND TRENCHCOATS that were instead dressed in camouflage military garb. According to the story, they were handcuffed and detained but not arrested. My impression here is that they were not students, were related to the students in the Trenchcoat clique, were orchestrating the massacre and might have falsely claimed that they were law enforcement personnel in order to be released. Now, this is a theory, a hunch, if you will. If these individuals could be interviewed again and gently persuaded to disclose whatever knowledge they possess of this terrible tragedy, my theory could be verified or falsified and you would be a step further in your attempt to solve this case. With a sincere desire to assist you in making this country a safer place to live, I now close.

Yours sincerely,
A Concerned Citizen

If you can get spooked easily, don't read this. I found it on the Net. this is from one of the
kids who did the colorado school killings. He had it up on his web page. His original Pages is
down now, and most people will not have the opportunity to read this, But I can assure you it IS
real, and it is disturbing. In a time when it seems everone is pointing fingers at video games,
and music, and everything else, I found it most important to read what the doer actually wrote. It
is interesting. the boy was obviously disturbed, but his reasoning is interesting, to say the
least.

Official Eric Harris Manifesto

By now it's over. If you are reading this my mission is complete. I have finished revolutionizing
the neoeuphoric infliction of my internal terror. Your children who have ridaculed me, who have
chosen not to accept me, who have treated me like I am not worth their time are dead. THEY ARE
FUCKING DEAD. Surely you will try to blame it on the clothes I wear, the music I listen to, or the
way I choose to present myself- but no. Do not hide behind my choices. You need to face the fact
that this comes as a result of YOUR CHOICES. Parents and Teachers, YOU FUCKED UP. You have taught
these kids to be gears and sheep. To think and act like those who came before them, to not accept
what is different. YOU ARE IN THE WRONG. I may have taken their lives and my own- but it was your

doing. Teachers, Parents, LET THIS MASSACARE BE ON YOUR SHOULDERS UNTIL THE DAY YOU DIE. Am I
insane? Maybe. Is it my fault? No. I did not choose this life, but I have indeed chosen to exit
it. You may think the horror ends with the bullet in my head- but you wouldn't be so lucky. All
that I can leave you with to decipher what more extensive death is to come is "12Skizto". You have
until April 26th. Goodbye.

REBEL NEWS: Yo, this page will be getting some bigass changes soon. Ill be adding some new pages to it such as "New group names" and "Top 10 lists." Gonna have some cool shit. check it out. or ill blow you up. cause jo mamma.....is so fat.

Homework sucks.

Mother fucker blew BIG. Pazzie was a complete success and it blew dee fuck outa a little creek bed. Flipping thing was heart-pounding gut-wrenching brain-twiching ground-moving insanely cool! His brothers havent found a target yet though.

Atlanta, Pholus, Peltro, and Pazzie are complete. for those of you that dont know who they are, they are, they are the first 4 true pipe bombs created entirely from scratch by the rebels (REB and VoDkA). Atlanta and Pholus are each 1 1/4" by 8" pipes, Peltro is 1" by 6", and Pazzie is 3/4" by 5". Each if packed with powder that we got from fountains, morter shells, and cracking balls. Each also has a +14" morter shell type fuse. Now our only problem is to find the place that will be "ground zero." Me and VoDkA also have made 2 more noisey crickets.

God damnit i'm sick of people saying "wick" when talking about fireworks! Don' falkin' say anothuh falkin' WICK or I's gone to rip yer falkin' HAID off and YOU-rinate down yo' falkin' neck!! ITS FUSE!

Philosophy:

My belief is that if I say something, it goes. I am the law, if you don't like it, you die. If I don't like you or I don't like what you want me to do, you die. If I do something incorrect, oh fucking well, you die. Dead people cant do many things, like argue, whine, bitch, complain, narc, rat out, criticize, or even fucking talk. So thats the only way to solve arguments with all you fuckheads out there, I just kill! God I cant wait till I can kill you people. Ill just go to some downtown area in some big ass city and blow up and shoot everything I can. Feel no remorse, no sense of shame. Ich sage FICKT DU! I will rig up explosives all over a town and detonate each one of them at will after I mow down a whole fucking area full of you snotty ass rich mother fucking high strung godlike attitude having worthless pieces of shit whores. I don't care if I live or die in the shootout, all I want to do is kill and injure as many of you pricks as I can, especially a few people. Like brooks brown!

America:

Love it or leave it mother fuckers. All you racist (and if you think im a hypocrite, come here so I can kill you) mother fucking assholes in America who burn our flags and disgrace my land, GET OUT! And to you assholes in iraq and iran and all those other little piece of shit desert lands who hate us, shut up and die! We will kick your ass if you try to fuck with us or atleast I will! I may not like or government or the people running it or things like that, but the physical land and location I DO fucking love! So love it or leave it!

Society:

I live in denver, and god damnit I would love to kill almost all of its residents. Fucking people with their rich snobby attitude thinkin they are all high and mighty and can just come up and tell me what to do and then people I see in the streets lying their fucking asses off about themselves. And then there is all you fitness fuckheads saying shit like "yeah do 50 situps and 25 pushups each morning and run a mile every day and go to the gym and work out and just push yourself to be better and you can achieve anything and set high goals and have great expectations and be happy and be kind and treat everyone equal and give to charity and help the poor and stop violence and drive safely and don't pollute and don't litter and take shorter showers and don't waste water and eat right food and don't smoke or drink and don't sell guns and don't be a bad person".....phew. I say "fuck you....shutup....and die...." And then pull the trigger of a DB#3 that is in your fucking mouth. All you fucking people with your set standards and shit, like you have to go to college and be smart and shit, and you have to have a job and pay taxes, blah blah fucking blah, shutup and DIE! I really don't give a good god damn about what you think is "right" and what is "wrong" and what is acceptable and what isnt nice, I just don't fucking CARE! SHUTUP AND DIE!!!!!!

natural! YES! I wish the government would just take off every warning label. So then all the dumbasses would either severely hurt themselves or DIE! And boom, no more dumbasses. heh.

YOU KNOW WHAT I HATE!!?

---ASSHOLES THAT CUT!!! Why the fuck cant you wait like every other human on earth does. If you cut, you are the following: Stuck up, self centered, selfish, lazy, impatient, rude, and.....damn i ran out. anyway. Every fucking line i get into i end up having to wait a fucking hour when there WAS only me and 1 other person in the line! Then the queer sucking asshole lets all his/her so called friends cut in behind em! If that happens 1 more time i will have to start referring to the Anarchists cookbook (bomb section).

YOU KNOW WHAT I REALLY HATE!!?

---LIARS!! OH GAWWWWWD I HATE LIARS. And living in this fucking neighborhood there is thousands of them!! Why the fuck must people lie so damn much! Especially about stupid things! Like "Yeah, I just bought 5 cases of M-80's in Oklahoma for about $5. And they are legal there and everything. Yeah my parents buy most of my guns, every once in a while ill use my 4,000 dollar paycheck and buy a shotgun or 2. And my brand new hummer just broke down on the highway when i was going 250mph. Stupid cars." like that. now, what fucking part if any would a normal human being believe? And thats just one person! Another BIG example is Brooks Brown (303[redacted]) Now, according to him, he has a 216 IQ, 5 other homes (2 in alaska, and 3 in Florida), 95mph fast ball(he is only 16), runs a mile in about 5 minutes, has an uncle thats the former head of all the armed forces and has access to.....Theee Button..., his other uncle is a multi-millionare that lives in downtown detroit, and his neighbors are the chick that sang "r.e.s.p.e.c.t." and the lead singer of Aerosmith. And that same uncle owns 30% of the stock of that tylenol company, And his grandparents give..GIVE..him about 1000 dollars for each month, and his other Grandpa can blow up every house in America because all the houses have C-4 in the foundations. Again, according to Brook Brown. OK, when people lie like that, its not impressive, noone believes it, it sounds just plain stupid, and its a fuckin waste of my time.

YOU KNOW WHAT I HATE!!?

Ill be about -60 outside too." And that day we get an inch of snow and its 26 out. I feel like getting a baseball bat, breaking it over his head, and then STABBING him with the broken end!!!

FD-302 (Rev. 10-6-95)

FEDERAL BUREAU OF INVESTIGATION

Date of transcription 4/27/99

[redacted] Columbine High School (CHS), was interviewed at CHS. After being advised of the identity of the Special Agent and the nature of the interview, [redacted] provided the following information:

[redacted] described the video taping system that was in place in the cafeteria as consisting of four cameras located at the northeast corner near the soda machines, the northwest corner near the entrance to the faculty lounge, the southwest corner located above the windows, and at the southeast corner near the stairway. All cameras are set to point into the cafeteria area and operate on a clockwise "rollover" system. Each camera terminates at a VCR which is located in a custodial closet in an area east of the cafeteria. [redacted] are the individuals that usually change the tapes. [redacted] showed the interviewing Agent the location of the closet and the cameras.

b7C
b7D

[redacted] said the purpose of the taping system is to document activity in the cafeteria, especially students leaving trash at the tables. [redacted] procedure to periodically review the tapes to see if there is any trash located in the cafeteria and if trash is discovered to review the tape to find out which group of students left the trash, and then try to identify those students and have them clean up their mess. [redacted] finds trash on a tape [redacted] generally pull that tape out of the VCR and place it on top for later review.

On April 20, 1999, [redacted] started the tape in the morning between 7:00 am and 8:00 pm, then probably reviewed the tapes sometime between 10:00 am and 11:00 am, and may have seen trash or an object on the table and removed that tape and re-inserted another. [redacted] would have unlocked the door at approximately 11:10 am, and put in another

re-wound tape to record lunchtime activity since that is a high volume time in the cafeteria.

[redacted] changing the tape before lunchtime, but is less sure whether [redacted] changed the tape several hours earlier. [redacted] probably did but has no specific knowledge of changing the tape between 10:00 am and 11:00 am.

[redacted] said that the normal procedure is for [redacted] to do a walk-through after each class period when classes occupy the cafeteria, and he believes that [redacted] would have done a walk-through at around 10:15 am. [redacted] said he is sure that the door to the custodial closet where the VCR is kept was locked each time he went there on April 20, 1999.

[redacted] said that on April 20, 1999, after the tape change which he believes would have occurred around 10:30 am, he went into the kitchen, got his lunch and [redacted] he ate lunch with [redacted] returned to the custodial closet between 11:10 am, and 11:15 am, and changed the tape. After the tape change [redacted] the kitchen and heard [redacted] voice on the radio saying words to the effect that he needed [redacted] whom [redacted] identified as the campus security policeman, in the west parking lot. [redacted] said [redacted] voice was agitated so [redacted] went into the cafeteria area from the west entrance and saw several students looking to the west into the parking lot.

b7C
b7D

[redacted] said he saw two students laying in the parking lot that appeared to have been injured. At that time he also noticed a student on his knees outside the window area to the west with a severe facial wound. [redacted] said he also saw a student laying outside the door of the cafeteria. One student wanted to pull this student in and [redacted] stopped him, feeling that the student was more likely to get medical attention outside than inside. [redacted] said that students both outside and inside were ducking from what [redacted] thought were gunshots that appeared to be coming from the north or northwest. He said the student that had been shot in the face was also facing to the north so [redacted] inferred that the threat came from that area.

[redacted] then ran into the faculty lounge to ensure someone was on the telephone calling 911. Once he verified that was in fact taking place, he ran back out and found the student that had been lying down had pulled himself half in and half out of the door. At that time [redacted] noticed that the student had been shot in the back and [redacted] suggested that they not move him further. [redacted] then went around the serving line of the cafeteria and heard and felt a large "boom" which threw him to the ground. He believes the explosion came from the cafeteria area. He said he then crawled to the kitchen where he found three cooks and two more students ducked under appliances in the kitchen. At that time he noted [redacted] running in the vicinity of the kitchen and he could hear bits and pieces of conversation over his two-way radio from persons outside the kitchen.

At that point [redacted] said things begin to quiet down somewhat so he went to the storage room and noted students had began to huddle in there, so he went back out and got the cooks and another teacher whom he believed was a social studies teacher, and helped them into the storage room. He said the social studies teacher had been wounded in the leg and was obviously in a great deal of pain. He said the teacher had been hit with something from the explosion and the teacher said it felt like he had been hit with a "full beer can."

b7C
b7D

[redacted] said shooting was going on while he was in the kitchen and until the time they went into the closet. Even after they were in the closet he would hear rustling, shots and screaming from an area he thought was above the kitchen. He estimated that the shooting went on for 20 to 30 minutes and then became sporadic. [redacted] did not know at any point where the shooting was coming from other than at some point it was louder and then became quieter. After approximately 1 ½ to 2 ½ hours, [redacted] and the students were directed out of the closet by police officers and taken out the west door of the cafeteria. [redacted] thinks that occurred at around 3:00 pm. [redacted] said the day of the incident he was wearing a white T-shirt and jeans.

[redacted] said that he did recall a student who was performing community service working in the cafeteria prior to the incident. [redacted] said the student's name was possibly [redacted] and would be listed on a sheet in the custodian's office.
