RE LV TEL MARCH 4, 1975, AND LAS VEGAS TELCALL TO SAN FRANCISCO MARCH 5, 1975.

LOUISE SCOTT REINTERVIEWED THIS DATE AT WHICH TIME SHE SPENT FIRST HOUR OF INTERVIEW TELLING FAMILY HISTORY RE HER TWO SONS JACK AND WALTER SCOTT. SHE AGAIN STATED THAT WALTER IS ABSOLUTELY CRAZY, A DRUNK, VIOLENT AND THAT SHE AND HER HUSBAND WANTED NOTHING TO DO WITH HIM WHATSOEVER.

SHE ADVISED IN REFERENCE TO JACK, THE REASON FOR HIS BEING TERMINATED AT OBERLIN COLLEGE, OHIO, WAS DUE TO THE FACT THAT HE HIRED ATHLETES WHO GAVE THE BLACK POWER SALUTE DURING THE OLYMPICS IN MEXICO CITY. SHE STATED IT WAS ~~AT~~ THIS TIME THAT JACK MOVED TO BERKELEY, CALIFORNIA, FOR ADDITIONAL STUDIES AND, ACCORDING TO LOUISE, IT WAS AT BERKELEY WHERE JACK BECAME INVOLVED IN ANTIWAR DEMONSTRATION MOVEMENTS AND BECAME VERY FAMILIAR WITH ~~VARIOUS~~ INDIVIDUALS WHO PARTICIPATED IN THESE MOVEMENTS.

REC-104 REC-107 7-15200-4826

ANY DETAILS ABOUT AN ALLEGED TRIP THEY HAD TAKEN THIS SUMMER TO PENNSYLVANIA AND NEW YORK CITY. WHEN ASKED WHETHER OR NOT SHE WOULD ADMIT OR DENY THIS TRIP, SHE ADVISED THAT HER HUSBAND TOLD HER PRIOR TO LEAVING FOR SAN FRANCISCO NOT TO ANSWER ANY QUESTIONS OR FURNISH ANY INFORMATION TO THE FBI IF THEY CAME BACK FOR REQUESTIONING HER ABOUT THIS TRIP OR ANY OTHER TRIPS OR ANY ACTIVITIES RE JACK AND MICKI.

SHE STATED THAT SHE HAS MET MANY ASSOCIATES OF JACK AND MICKI, HOWEVER, COULD NOT RECALL ANY NAMES IN PARTICULAR AND STATED THAT MANY OF THESE ASSOCIATES SHE HAD MET AT JACK'S HOUSE IN BOTH OBERLIN, OHIO, AND BERKELEY, CALIFORNIA, AND STATED SOME OF THESE ASSOCIATES ACCOMPANIED THEM ON THEIR TRIPS.

SHE ADVISED THAT DURING PAST SUMMER SHE WAS AT JACK AND MICKI'S APARTMENT IN NEW YORK CITY AND DESCRIBED THE LAYOUT OF THE APARTMENT AS BEING ON THE THIRD FLOOR, WALK-UP AND BOTH STATED THAT DUE TO THE NOISE, MICKI AND JACK BOTH COMMENTED THEY COULD NOT WRITE THERE BECAUSE OF CONDITIONS OF THIS NATURE, AND THEY WERE LOOKING FOR A PLACE IN THE COUNTRY WHERE IT WOULD BE QUIET AND SECLUDED. THE RESPONSE TO A QUESTION AS TO WHETHER OR NOT SHE HAD EVER BEEN AT A FARM WITH JACK AND MICKI PENNSYLVANIA, SHE ANSWERED NO.

END PGE TWO

SHE ADVISED THAT AT NO TIME DID JACK OR MICKI HAVE ANY OF THEIR ASSOCIATES OR FRIENDS AT THEIR APARTMENT ON CASADA WAY, LAS VEGAS, DURING THE TIME THEY HAD RESIDED IN THIS APARTMENT, THAT BEING FROM APRIL, 1974, UNTIL MIDDLE NOVEMBER, 1974.

SHE STATED THAT WALTER HAS TAKEN ALL OF THE FAMILY FUNDS AND ALSO HAS RECEIVED A GREAT AMOUNT OF MONIES FROM JACK. SHE STATED THAT SHE, HER HUSBAND AND JACK HAD GIVEN WALTER IN THE NEIGHBORHOOD OF $30,000 OVER THE PAST FEW YEARS. SHE ADVISED THAT BILL WALTON AND JACK ARE VERY CLOSE FRIENDS, THE REASON FOR THIS IS BECAUSE JACK HELPED WALTON GET INTO UCLA AND WAS A STRONG INSTIGATOR OF HIM JOINING THE TRAILBLAZERS BASKETBALL TEAM AFTER GRADUATION. SHE STATED THE HOUSE WALTON PRESENTLY LIVES IN WAS BUILD BY THE OWNER OF THE TRAILBLAZERS WHO IN TURN SOLD IT TO WALTON FOR $100,000.

SHE WAS ADVISED BY THE INTERVIEWING AGENTS TO TELL THE WHOLE TRUTH AND HIDE NOTHING BUT IF SHE DID NOT WANT TO DISCUSS THIS MATTER, THERE WAS A CHANCE THAT SHE SOULD BE SERVED A SUBPOENA TO APPEAR BEFORE FEDERAL GRAND JURY, SAN FRANCISCO, AT A LATER DATE. SHE ADVISED SHE WOULD BE WILLING TO APPEAR.

IT IS THE OPINION OF THE INTERVIEWING AGENTS THAT MRS. SCOTT APPEARS TO BE GREATLY CONCERNED ABOUT THE WELFARE OF HER SON JACK AND IS WILLING TO GO TO ANY LENGTHS TO PROTECT HIM AND THIS WAS

END PAGE THRE

APPARENT DUING THE COURSE OF THE COMPLETE INTERVIEW. IT IS ALSO THE OPINION OF THE INTERVIEWING AGENTS THAT SHE KNEW HER SON WALTER WAS THE SOURCE OF THE INFORMATION CONCERNING THE ALLEGED HARBORING OF PATTY HEARST AND THE HARRIS FUGITIVES. BOTH SHE AND HER HUSBAND HAVE NOT MISSED ANY OPPORTUNITY TO DOWNGRADE WALTER.

1) Items that would lend themselves to bearing latent fingerprints should be processed to tell if there are any prints on them and these should be compared with the known prints of WILLIAM HARRIS, PATRICIA HEARST, EMILY HARRIS and WENDY NASAKO YOSHIMURA, FBI Number 375 418.

2) Paper items should also be processed for indented writing.

3) The debris and soil obtained from the vehicle should be compared with soil samples which will be obtained by the Philadelphia Office from the farm near Honesdale, Pennsylvania.

On 2/18/75, [redacted] Bureau of Vital Records and Health Statistics (BVS), Richmond, Va., advised SA [redacted] that he recently learned from a BVS Field Agent, who travels the State of Virginia, that when the Field Agent contacted [redacted] BVS, Highland County, Va., [redacted] that a woman identifying herself as [redacted] who wished to obtain a birth certificate for [redacted] resembled PATRICIA CAMPBELL HEARST. This woman applied for the certificate for passport purposes, but at a later time indicated she needed the certificate to obtain welfare payments.

[redacted] explained to the Field Agent that the birth of [redacted] was the only birth recorded in Highland County during 1974. [redacted] became suspicious of [redacted] and insisted that [redacted] present the child, which [redacted] did. In addition, because of the proximity of Highland County to the State of West Virginia, a request was made of BVS in Charleston, W. Va., for any information regarding the possible recording of the birth of [redacted] in that state. This inquiry determined that BVS, Charleston, W. Va., has no such information.

It is noted that the certificate reflects one [redacted] purported aunt of [redacted] whose address is reflected as General Delivery, Monterey, Va., is shown as certifying the birth of [redacted]

REQUEST OF THE BUREAU:

1. The FBI Laboratory is requested to compare handwriting and handprinting appearing on enclosed documents with known specimens of PATRICIA CAMPBELL HEARST, WILLIAM TAYLOR HARRIS, and EMILY MONTAGUE HARRIS.

2. The FBI Identification Division is requested to examine Items 2 through 5 for latent fingerprints, and compare with prints of HEARST and the HARRISes.

b7c
b7D

It is noted that [redacted] supra, furnished Item No. 1 (the original Certificate of Live Birth) on the express condition that it be returned as soon as possible without damage.

The Identification Division is requested to perform any examination for latent fingerprints on Item No. 1, if any exists, which can be accomplished without damage to the document itself.

LEADS:

RICHMOND:

AT HIGHLAND COUNTY, VA.

Will contact [redacted] and exhibit Wanted Flyer 475A and artists' conceptions of PATRICIA CAMPBELL HEARST depicted in various wigs, in an effort to determine whether she dealt with PATRICIA HEARST.

AT MONTEREY, VA.

1. Attempt to locate [redacted] through General Delivery, in an effort to positively identify [redacted]

2. Attempt to locate and eliminate [redacted] Route 250.

AT RICHMOND, VA.

Will return original Certificate of Live Birth to [redacted] supra, upon return, following FBI Laboratory examination.

Result of examination:

A definite conclusion was not reached whether the questioned writing on Q1979 was prepared by PATRICIA CAMPBELL HEARST, K32, due to the lack of sufficiently comparable writing and the presence of unexplained variations. However, some handwriting differences were observed in comparing the signature on Q1979 with the available writing of HEARST.

Specimens received 3/10/75

K93 .30 carbine caliber U. S. Carbine, Model M1, Serial Number 1627729

Result of examination:

Test bullets and cartridge cases obtained from the K93 weapon were microscopically compared to the .30 caliber bullets, bullet fragments and cartridge cases previously submitted in this case without effecting an identification.

An inspection of the K93 weapon revealed no modifications similar to those noted on the four .30 caliber carbines recovered from the debris of the burned residence at 1466 East 54th Street, Los Angeles, California, (the scene of the May 17, 1974 shoot-out). It is noted that these weapons were .30 caliber U.S. Carbines, Model M1, which had been modified so as to permit them to deliver only controlled full-automatic fire.

The K93 weapon is an unmodified .30 caliber U.S. Carbine, Model M1, which is capable of delivering only semiautomatic fire.

The test bullets and cartridge cases obtained from the K93 weapon are being placed in the Laboratory's Reference Fired Specimen File. The K93 weapon is being returned to the Atlanta Office under separate cover by registered mail.

Re Indianapolis nitel to Bureau, dated 3/11/75.

Enclosed for the Bureau are one 7" reel tape and one cassette tape.

The 7" reel tape enclosed is an original received 3/11/75 from JOHNNY HORTON, disc jockey, radio station WTTS, Bloomington, Indiana. HORTON received a telephone call at approximately 8:45 PM, 3/11/75 from a person claiming to be "TANYA" of the SLA. HORTON was unable to record the initial call, however, the caller called back immediately repeating the same message. The second call was recorded by HORTON and is contained on the 7" reel tape enclosed. A cassette copy of the original was made by the Indianapolis Division and is also being forwarded. HORTON believed the message he received was definitely tape recorded and the message lasts approximately 40 to 45 seconds. The pertinent message is contained at the beginning of the reel tape on Side 1. Other things included on the tape are miscellaneous recordings contained on the tape before HORTON recorded the pertinent message.

The FBI Laboratory is requested to compare the voice on the enclosed tapes with the known voice of PATRICIA HEARST. The FBI Lab may also consider comparison with any other tapes received by persons claiming to be HEARST and determined not to be identical with HEARST.

SUBJECT: CANADIAN BROADCASTING CORPORATION (CBC), RADIO AND TELEVISION NETWORKS, STATEMENT PERTAINING TO HEARNAP INVESTIGATION

On 3-5-75, Wayne Edmonston, representing CBC Radio in Toronto, Canada, and Janet Leissner, representing CBC Television in Washington, D. C., contacted your (Mr. Moore's) office and requested statements pertaining to the possible presence in Canada of Hearnap fugitive Patricia Hearst. These inquiries were prompted by the arrest on drug charges on 3-4-75 of Patricia Hearst's sister, Anne Randolph Hearst, and two associates at the U. S.-Canadian border at Niagara Falls, New York. There was press speculation that Anne Hearst may have been in contact with her sister, Patricia, in Canada.

Dear Mr. Kelley,

This letter concerns my knowledge and some of the facts and proof I have, about the S.L.A. radical movement and Patricia Hearst; also of the weather underground movement that has been claiming the responsibility of the recent bombing of the State Department, and other bombings since 1970.

Mr. Kelley, I'm not good at expressing myself - so I can be fully understood in what I try to say or write; so I hope that you will read all of this letter and try to understand what I'm saying. It might seem that it is far out at times, but believe me Sir what I am writing you is the truth and most of it I can prove without a doubt if given an opportunity.

(over)

ENCLOSURE

to do so.

I know the respect we all owe to agents of the FBI, their job and what they stand for. I realize that all these agents are well trained and have their jobs; but too, it is easy to make mistakes and overlook things, we are all guilty of this including some investigators of the FBI.

These United States is the best country in the history of the world, and the people of our country (including) are good citizens. Our form of government is the best known to man, and it determines our way of life today. But our country is in my opinion because, in a hundred different ways - and most of the time and our troubles is related in some form or another.

Hate radicals (moronic), are approximately 20 percent connected to our other disorderly, in our country. These moronic red and the people behind them is much bigger than they appear on the surface. The master minds of the disorder in the United States today, is a master-mind of corruption and blending the disciplines of the FBI and other law enforcement agencies of the world, and they have deliberately succeeded in their battle against us.

So, I compose some medicine of most radical-

groups (past and present), and also the FBI has proof of this also, but only in a very small way compared to the bigness of it.

I can prove that Russell Little, that is accused in the shooting death of Marcus Foster in California, concerning the SLA movement, had connections with the Minutemen organization as far back as 1967, when he was only (17) seventeen years old or near that age; and the contact of Minuteman Florida in 1967 also, that Camilla Hall had attended the convention of the Patriotic Party in Los Angeles, Calif. during the middle part of the year in 1967. The Patriotic Party was the political arm of the Minutemen. Camilla Hall, is one of the members of the SLA that died in the fire during the shootout of May 17, 1974 - in Los Angeles.

There is connection after connection of these groups, in person - writings - letters - pictures and in alot of other ways. The financial backing for most radical groups come through a company in the Oakland, California area, I can prove this; the company is talking about it a "front"; since this company became inactive, it became successful overnight, taking in millions of dollars.

This has been uncovered by the FBI and that list is in the hands of radical members of various groups; and on the surface it looks like -

(over)

So they are organizing underground, and in reality they are operating more strongly than ever in other ways and means - and with some name changes, for an example - the minutemen and Bob Dugan of Indiana, Missouri. The minutemen were brought the attention of their plan, such as the period of publicity - to gain the attention of the public in general, and other periods they went through and were successfully also. Since the arrest and the conviction and the release of Bob Dugan, the FBI thinks and believes that the organization was broken up - and that nothing is happening today. But there is not happening just in this one movement alone.

Sir, there has been millions of dollars spent and countless man hours, in the investigation of Patty Hearst and the SLA. But Patty Hearst and William Emily Harris is still at large, the same as some members of the Weather underground have been years now. Currently one person, Katherine Ann Power, is one of these people, and what has she been doing? Is she instrumental in helping the remnants of these people? But the most important thing - is that the investigation would indicate a pattern underlying the plot and master minds of the whole radical movements, including the so-called

(over)

LEFT and RIGHT wing groups. I have talked myself blue in the face concerning what I'm trying to get down on paper to you in this letter. I either have the wrong things where I was misunderstood, or I just wasn't believed; I don't know why. But now Kelly will know some of the facts and I have some of this and I will know how to get more. At times I have gave up hope that the truth will never come out, but she got to lying and got my information out in her. This investigation will get on track the right track. Not a track that was laid for you to follow - to throw your investigations off the true course; before all the facts can be uncovered and the real truth brought out.

I've talked with special agents of the FBI, but I can understand how they were confused over what I was saying, because their training is in the field of investigations of crime, not the radical concerns. What I need - is to talk with an agent that has deep appendages in the political and radical movements in this country that can understand what I'm talking about, and will understand the papers and other information I have. Is it possible for an agent of this type to interview me, I would like for the whole conversation to be recorded where it can be replayed - if necessary, so fully you will understand the situation.

(over)

[illegible] reality, I honestly believe and would bet on it, that if an investigation was started concerning the past and impossible that I have, that Tally Hurst and Dixon would be found and arrested within one month, at the latest, once the investigation was started. And it would take dictatorship agents and man-hours to accomplish this fact.

Sir, I'm in prison now, and I have a criminal record, which is paper-labeled; but it isn't, I'm not a criminal minded person. My only desire and the only thing I want is to return home to my wife and four children and live a normal happy life. I'm in prison because of a poor investigation, and in all honesty I can understand why. The police and our courts are changed in everything they do, by laws that seem to favor and protect the guilty. I'm a little bitter at what happened to me, but I have an open mind and I can understand. But don't hold my prison record against me Sir, pertaining to this letter. If at all possible please arrange an interview with me with an agent concerning this letter, and I'm sure a lot of good accomplishments will come out of it.

It would take a long book in order for you to really understand what I'm writing and trying to say, but an interview would be better than this letter.

(OVER)

Mr. Kelley, in 1967 Robert (Bob) Dugger had actual FBI fingerprint records, and even tape histories of some agents of the FBI. Dugger took the fingerprint records, put them in envelopes; other than my wife, I can name at least twenty (20) persons he could have sent some of those records to the FBI. How did he get them? I don't know. I don't know if you were in charge of the FBI office in Kansas City or not in 1967, but I would like to give you some names mentioned in conversations, I didn't take them down, you know at the time, because I didn't know who you were. To my knowledge I never met you; but I met Mr. George Arnett of the FBI, a few times. Sir, I always tried to ~~may be~~ be helpful in the investigations, because I found out the hard way that these people are wrong about our country and in their beliefs, and they need to be stopped fast. If you'd get it completely out of hand, then there would be no stopping them.

I also have information concerning two (2) gun runners - that ships stolen guns into Mexico in exchange for marijuana money and also for narcotics and that at least two of these people are involved with radical groups.

I do not want recognition of any kind, I merely want the truth brought out - as I know you do also. I hope my information could help you.

Love R.

so that it would prove that my word is good, and that the information reflects what is genuine.

Also, considering transported to another institution somewhere, I haven't heard yet where I'm being transported to. But I know it won't be hard for you to find out. I hope that this letter will turn out to bring us some good, and that an agent will interview me as soon as possible, in regards to this letter.

Thank you

Very Respectfully,

WILLIAM WALTON, also known as Bill, 18336 Nixon Street, West Linn, Oregon, was located in Room 879, Marriot Inn, 4277 West 150th Street, Cleveland, Ohio, where WALTON was staying with the Portland Trailblazers of the National Basketball Association.

WALTON was advised of the identities of the interviewing Agents and that the nature of the interview concerned the whereabouts of PATRICIA HEARST. WALTON furnished the following information:

WALTON is totally unaware of any information regarding PATRICIA HEARST, EMILY HARRIS and WILLIAM HARRIS.

JACK SCOTT, former Oberlin College athletic director, and his wife, MICKY, reside with WALTON and other individuals at WALTON's above address in West Linn, Oregon.

Regarding WALTON's relationship with SCOTT, WALTON corresponded with SCOTT on an irregular basis prior to May or June, 1974. On May 29, 1974, WALTON underwent a knee operation in Portland, Oregon, and remained there for approximately six weeks. On an unrecalled date between May 29 and the middle of June, 1974, JACK SCOTT visited BILL WALTON in Portland, Oregon.

WALTON did not see SCOTT from that time until approximately the middle of August, 1974, when WALTON picked up SCOTT at the Portland Airport and took him to the West Linn, Oregon residence, where SCOTT and he have resided from the middle of August to the present time. WALTON could not recall from what city SCOTT flew into Portland when he picked him up during the middle of August, 1974. From approximately August 16, 1974 until September 18, 1974, SCOTT and his wife MICKY resided with WALTON and other individuals at the West Linn, Oregon residence.

On September 18, 1974, WALTON went to Salem, Oregon for the two week Portland Trailblazers training camp sessions. When WALTON returned to the West Linn residence in early October,

1974, SCOTT was still residing there and there was no indication or comment from SCOTT that he had departed the West Linn residence during WALTON's absence.

WALTON stated that he has become very close with JACK SCOTT and that he and SCOTT have never discussed the Symbionese Liberation Army (SLA), nor the PATRICIA HEARST case.

When specifically asked whether he had any knowledge concerning a trip by JACK SCOTT from Berkeley, California to the State of Pennsylvania in the company of PATRICIA HEARST, EMILY HARRIS and WILLIAM HARRIS, during July, 1974, WALTON advised he was not in contact with JACK SCOTT during July, 1974 and that SCOTT has never mentioned to him anything regarding a trip to the State of Pennsylvania with PATRICIA HEARST or the HARRISes. In addition, WALTON did not believe SCOTT traveled to the State of Pennsylvania during September, 1974, since he was with WALTON from August 16, 1974, until approximately September 18, 1974, at the West Linn, Oregon residence, and although WALTON was at the training camp from September 18, until early October, 1974, he was sure he would know of SCOTT had traveled to Pennsylvania.

SCOTT has never mentioned anything to him regarding Homesburg or Homesville, Pennsylvania, nor is WALTON familiar with any farm in that area associated with JACK SCOTT.

WALTON was unfamiliar with WILLIE (Last Name Unknown), MARTY MILLER, PHIL SHEWICK (phonetic) and PHIL SHENNICK (phonetic).

When asked if he was familiar with any SUSAN who knew JACK SCOTT, WALTON advised that SUSAN was "my lady". WALTON advised SUSAN is his girlfriend and resides with him and SCOTT at the West Linn, Oregon residence. WALTON advised SUSAN is the only SUSAN he knows of who also knows JACK SCOTT and that she is not identical to PATRICIA HEARST. WALTON further stated that to his knowledge, SUSAN is not pregnant nor has she ever used a pregnant disguise.

WALTON stated that he has never come across any information regarding PATRICIA HEARST during his mountain hikes.

BILL WALTON was advised of the provisions of the Harboring Statute by Special Agent [redacted] and of the fact that Federal warrants are outstanding for PATRICIA HEARST, EMILY HARRIS and WILLIAM HARRIS.

JOHN JOSEPH SCOTT was interviewed in Room 546 at the Hilton Hotel, O'Farrell and Mason Streets. He stated that he is the father of JACK SCOTT, who is presently residing with BILL WALTON in Portland, Oregon, and he is also the father of WALTER SCOTT, who he characterized as a madman, a drunk, and an individual who has been in a number of mental institutions. In regard to himself [redacted] b7c He stated that he is in San Francisco in response to a Federal Grand Jury subpoena directing him to appear before the Grand Jury on March 6, 1975, and he advised that he has contacted an attorney who he would not name. He was advised by SA [redacted] that we wished to question him regarding possible Federal violations and that if he has violated the Federal Harboring statute, we had assurances from the United States Attorney JAMES BROWNING that in the event he cooperated and was entirely truthful, he would not be prosecuted. It was pointed out to him that if he had violated some other Federal law of which we were not aware, we could not make these assurances in regard to that particular violation. He stated he did not wish to be interviewed until he had consulted his attorney with whom he had an appointment at 2:30 p.m., March 5, 1975; however, he thereafter volunteered the following information:

He stated that in June, 1974, his son, WALTER, was living with he and his wife, LOUISE, at their apartment complex in Las Vegas, Nevada, and he advised that WALTER was virtually holding them "captive" and that he would get drunk and misuse them and upon one occasion he claimed WALTER beat him, JOHN JOSEPH, so that his arm was black and blue and the only thing that stopped WALTER was that a neighbor intervened with a handgun. He stated sometime in June his other son, JACK SCOTT, called him from the Bay area and they planned that he and his wife would go to the

Bay area to escape from WALTER. He stated they did in fact drive his automobile to Berkeley and stayed at the Villa Motel for one night and the following day moved to the Holiday Inn in Emeryville where JACK contacted them by prearrangement. He stated on this day he was involved in an accident on the Bay Bridge and visited his doctor, Dr. IVERSON.

On the following Monday, probably June 17, 1975, he and his wife and JACK decided to drive to JACK's apartment in New York in order to get away from WALTER. As they were driving down University Avenue enroute to Route 80, they observed a white female with a sign that said Ohio sitting on a knapsack. JOHN JOSEPH stated that his wife suggested that since they were going through Ohio they pick her up. He stated that they did pick her up, however, the only name he can recall for her is KATY. He described her as a white female of possible Latin extraction, about 25 years, with long shoulder length black hair and an olive complexion. He advised that they drove to Ohio where she, KATY, left them at a town that he cannot recall and enroute when they would stop at motels, he believed she registered as JACK's wife. He claimed he had no information that JACK may have known the young girl before they picked her up. He stated that after leaving KATY off in Ohio they proceeded directly to JACK's apartment in New York where he and LOUISE stayed approximately one day. The last motel they stayed in prior to arrival in New York City was in Toledo, Ohio, name not recalled. They arrived in New York on a date not known, but on a Sunday (probably June 23, 1975). At the apartment the only individuals present were JACK SCOTT, MICKEY SCOTT, and JOHN JOSEPH and his wife. He stated that WALTER SCOTT, his son, was not in the apartment while they were there nor were any other individuals.

He stated that after staying there one day, he and his wife left and drove to the home of his brother, WALTER SCOTT, in Scranton, Pennsylvania, where they stayed for approximately two days and they then drove back to Las Vegas

He stated that in the latter part of September or early October, JACK and MICKEY SCOTT drove from their apartment with their dog, Sigmund, in a van which contained some of their furniture to Las Vegas and stayed with he and his wife for a short period of time. He stated that WALTER SCOTT was not present when JACK and MICKEY arrived nor during their visit. He stated that the only people he saw in the van were JACK and MICKEY SCOTT. He stated after a short period of time JACK and MICKEY left enroute to Oregon, however, they left their dog, Sigmund, with JOHN JOSEPH and LOUISE.

He was exhibited photographs of PATRICIA HEARST, WILLIAM HARRIS, and EMILY HARRIS and he stated he does not know these individuals, has never seen them, and has no knowledge of their whereabouts. He further denied that he has ever had any knowledge of their whereabouts. When asked if he knew JAY WEINER, he explained that he had lived in Oberlin, Ohio, with his son, JACK, and knew WEINER there and that WEINER and his girlfriend, KAY WALTON, also of Oberlin, had come through Las Vegas at Christmas time and had stayed overnight with them. He stated that KAY WALTON is now living in Albuquerque, New Mexico. He claimed that at the time that JACK and MICKEY SCOTT arrived in Las Vegas in the van, the brother, WALTER, was in Tripoli or Libya.

During Cincinnati's investigation to locate SUSAN EDITH SAXE and CATHERINE ANN POWER, Agents have also been instructed to make inquiries regarding HEARST, in view of the fact of their affiliations with radicals, health food connections and the fact that SAXE and POWERS are lesbians and HEARST and HARRIS have been associated with lesbians.

During this coming month, Cincinnati will continue to expedite handling all leads regarding this matter and will interview those individuals whose telephone numbers have been provided by other divisions as individuals that have been in contact with JACK SCOTT.

Re Jackson airtel to the Bureau dated 2/10/75.

Monthly Summary of Investigation by the Jackson Division

During February, 1975, frequent contacts have been maintained with the television stations and news media throughout Mississippi, and information concerning PATRICIA HEARST has been used extensively by television stations and by the news media. No specific leads regarding PATRICIA HEARST or her associates have developed from this publicity.

On 2/4/75 the Jackson FBI Office held an "Open House" for members of the news media. Copies of the tape cassette setting forth recording of PATRICIA HEARST's voice which was previously sent other news media in California, were played on a speaker for members of the news media, and they expressed keen interest in this case. The tape was loaned to a representative of Station WJTV Channel 12 TV to be played at the earliest possible date in an effort to assist in locating PATRICIA HEARST. Additional material available was also made available to members of the news media.

On 2/25/75 [redacted] Pascagoula, Mississippi, advised he observed a white male and a white female in a 1966 Lincoln Continental with Alabama License plates, numerals unknown, at Pascagoula, Mississippi, on 2/19/75. The white male was described as being in his early 30's; 5'10"; 190 pounds; shoulder length black or dark brown hair with some gray in it; dark complexion; heavy build; mustache, and using the name [redacted] This white male was accompanied by a white female about 5'10", wearing platform shoes, dishwater-blonde shoulder length hair, who closely resembled PATRICIA HEARST. This resemblance is based on wanted posters observed in newspapers which showed photos of PATRICIA HEARST. These two individuals spoke a foreign language which the white male indicated was "Lebanese". They indicated they were enroute to Houston, Texas, and then would possibly go to Denton or Dennison, Texas, after about a month in Houston, and would eventually go on to California. [redacted] observed a .38 pistol under the front seat of this car and another larger pistol on the back seat of the car.

Extensive efforts were made in the Pascagoula, Mississippi, area to locate and identify the above individuals but with negative results. Due to the wide variation in the height of the unknown female (5'10"), no leads were set forth for Mobile or Houston in this matter.

Additional alleged sightings of persons who resemble PATRICIA HEARST have been checked during February, 1975, in various locations in Mississippi, with negative results.

NCIC Search Regarding Weapon Used By PATRICIA HEARST

On 5/16/74 appropriate personnel and employes were alerted regarding this weapon; however, no information has been developed to indicate that any possible weapon might be identical with the one used by PATRICIA HEARST in California on 5/16/74.

Women's Liberation Movement - Lesbian Groups

No information has been developed regarding PATRICIA HEARST which would link her with Top Ten Fugitives SUSAN EDITH SAXE or KATHERINE ANNE POWER who were reportedly in the

Lexington, Kentucky, area during the fall of 1974.

Proposed Investigation to be Conducted During March, 1975

Will continue contacts with leading car rental agencies, hotels, motels, hospitals, law enforcement agencies, camping supply businesses, news media, and all other sources likely to encounter transient persons in Mississippi. Will conduct appropriate investigation on any telephone subscribers determined to live in Mississippi who may have contact with pertinent individuals involved in possible harboring of PATRICIA HEARST during the past few months. To date, no telephone calls to anyone in Mississippi have been furnished by any other office, and PATRICIA HEARST is not believed to have had contact with anyone in Mississippi during the past year.

Re Mobile airtel to Bureau, 2/10/75, and San Francisco nitel to Los Angeles and Mobile, 2/21/75.

Mr. RANDOLPH HEARST, father of victim, was in receipt of a letter from ALBERT E. BELL, No. 104372, Unit 17, Hayneville, Alabama. BELL, apparently a prisoner, claimed he would be able to bring PATRICIA HEARST home if she desired to return. He claimed to know a lot about the SLA and where the members are located.

Investigation through the Alabama Board of Corrections disclosed that ALBERT E. BELL is not and never has been a prisoner in the Alabama penal system; no prison unit is located at Hayneville, Alabama, and the "Number 104372, Unit 17" is not significant.

The following persons at Hayneville, Alabama, on 2/23-26/75, interviewed negatively in efforts to identify and locate ALBERT E. BELL:

Patty has four faces; she could be here

BY ANDREW KILPATRICK, News staff ~~writer~~

Where is Patty Hearst?

She could be in our midst. She could be anywhere, FBI agents in Birmingham say.

"We are convinced she is alive. At least we have to go on that assumption," according to L. R. Kirkpatrick, special agent in charge of the FBI in Birmingham.

"Logic suggests she is still alive," Kirkpatrick said, since she was alive after six Symbionese Liberation Army (SLA) members were killed in a fiery shoot-out at a Los Angeles house last May.

PATTY'S CAPTORS would not want to taint their case with her murder, Kirkpatrick thinks.

Kirkpatrick, who thinks Patty is in the United States, said she could be near a college community, in Tuscaloosa, Auburn or Birmingham, for example.

But, he said, "We have no specific leads that she is in Alabama," though a number of the FBI agents in the state are working on the case, as they are in all states. Every FBI agent is educated about the case, Kirkpatrick said.

FBI agent Jim Snider in Birmingham, who is coordinating the investigation, said a handful of leads have been checked out, but have not led anywhere, as one of the most intensive manhunts in history continues.

THE FBI, he said, checks immediately on any tips. Some of the tips have come from people who think they have seen someone who looks like Patty, but each time the FBI has found that it is not.

The FBI, of course, is also looking for Bill and Emily Harris, who were seen with Patty Hearst at a Los Angeles sporting goods shop where Bill Harris allegedly tried his hand at shoplifting a pair of socks May 16, 1974.

Though the three were spotted, they escaped under the cover of gunfire from Patty, then commandeered two vehicles to complete their getaway.

The next day six SLA members were killed in the Los Angeles house, but Patty and the Harrises were not among those slain.

ON JUNE 7, a Van Nuys, Calif., radio station received a tape in which Patty Hearst praised the virtues of her dead comrades.

No word has been received from Patty since that time.

Kirkpatrick said he believes Patty is using a dis-

guise, but even if she is FBI agents say there is little she can change about her height, 5 feet 3 inches, and her weight, 110 pounds, and a mole on her right chin.

There is no way of knowing whether she is traveling in a revolutionary community, perhaps in a van, or is working as a secretary or a cocktail waitress, Kirkpatrick said.

"SHE COULD be on a farm...she could have a job she could be in a basement," said Kirkpatrick, who thinks she is not moving about much or she would have been spotted by now.

Whatever she looks like or wherever she is, Kirkpatrick said, she is with friends who are sympathetic to her cause. "It's surprising the number of people who are sympathetic with a cause whether or not it's worthy."

COVER PAGE

He identified his brother as JACK SCOTT who was born March 3, 1941 at Scranton, Pa., and attended high school at Scranton Central High School and West Scranton High School. Because of some difficulty in the Scranton School System, JACK SCOTT went to Syracuse, New York, to live with WALTER SCOTT while WALTER was employed at General Electric and he subsequently graduated from Central High School at Syracuse, New York.

He attended Villanova University in Philadelphia, Pa., on a track scholarship for only two months. He then worked in Greenland for RCA for a short period of time. He returned to the Syracuse, New York, area and attended Syracuse University from which he graduated in 1965.

During his attendance at Syracuse University sometime in 1962 or 1963, he was arrested for demonstrating and spent two days in jail.

He attended graduate school at the University of California at Berkeley, California, and received a Doctorate Degree in Education in 1971.

He subsequently signed a four year contract to teach at Oberlin College in Oberlin, Ohio; however, after one and a half years his contract was terminated and paid off by the college officials principally because of his radical philosophy.

While attending Syracuse University, JACK SCOTT became involved with a white female named MICKI MC GEE and he has been involved with this person ever since and resides with her in a common-law status. She also shares his radical philosophical ideas.

WALTER SCOTT furnished the following information regarding the activities of PATRICIA HEARST and WILLIAM and EMILY HARRIS which he had obtained through personal experience and conversations with his brother and parents. He noticed that at times when his brother discussed these matters, he was under the influence of narcotics.

JACK SCOTT rented an apartment at 317 West 90th Street, New York, New York, in February 1974. This apartment which was located on the third floor cost $400 a month. He had reason to visit his brother at this apartment in April or May 1974.

In late June 1974, WALTER SCOTT visited his parents at 6436 Casada Way, Las Vegas, Nevada. He was there for a period of one or two days when his parents told him they were going to visit a KATIE (Last Name Unknown) in El Paso, Texas. He said KATIE formerly resided in an apartment underneath his parents at 2014 Sacramento Street, San Francisco, California.

His parents were gone for a period of 10 to 12 days and after a while he began trying to get in touch with them. He contacted his brother in New York City and told him he was looking for his parents and was told they were in the East and MICKI MC GEE wired him money to come to the apartment in New York City to see the parents.

WALTER SCOTT did fly into New York and went to his brother's apartment where he found his parents, his brother and his wife, an individual named PAUL HOCK and three other individuals who he later learned from his brother were PATRICIA HEARST and WILLIAM and EMILY HARRIS. He remained at the apartment for a period of three hours and then proceeded to Washington, D.C., where he stayed with an unnamed girl friend.

From subsequent conversations with his brother and parents WALTER SCOTT determined that his brother prevailed upon his parents to drive HEARST East in late June 1974. They transported her in JOHN SCOTT's 1969 or 1970 LTD which bore Ohio license plates registered to MICKI MC GEE. They arrived in the Mount Pocono, Pa., area and stayed at a popular hotel or motel, possibly Pocono Manor Hotel, which was located within a 10 mile radius of the race track.

SCOTT recalled being told that his parents encountered difficulty in obtaining accommodations inasmuch as a major race was to be held at the raceway nearby. However,

eventually they were successful in obtaining a room for the night.

In the meantime, an individual named DALE SCHINNICK, described as a former Olympic broad jumper and Air Force Lieutenant, drove EMILY and WILLIAM HARRIS east to JACK SCOTT's apartment in New York City.

EMILY HARRIS and MICKI MC GEE drove to the Mount Pocono, Pa., area to pick up HEARST and drove her to the apartment of JACK SCOTT. It was shortly thereafter that his parents drove to New York to the apartment and this is where WALTER SCOTT met all of these individuals.

After WALTER SCOTT left for Washington, D.C., his parents also left New York, and drove to the residence of his uncle, WALTER A. SCOTT, 1534 Capouse Avenue, Scranton, Pa. He set the time frame for this trip out of New York to Scranton, Pa., around June 28, 1974, give or take two or three days either way. While visiting his uncle, JOHN SCOTT gave him a $500 check which he had received from JACK SCOTT drawn on the latter's bank account in New York City, which was to cover the expenses for his trip east. This uncle cashed this check for JOHN SCOTT at a bank in Dunmore, Pa. His parents remained with the uncle for a two or three day period and then drove to Las Vegas, Nevada.

Sometime after WALTER and his parents left his brother in New York City, JACK SCOTT rented a farm in the vicinity of Lake Ariel-Honesdale, Pa. This farm was described as being approximately two and one-half acres in size and contained about a one-half acre pond and a large rustic house which was approximately 30 years old. He feels his brother may have rented this farm under his own name. For a two to two and one-half month period, July, August, September 1974, PATRICIA HEARST, WILLIAM and EMILY HARRIS and other associates of JACK SCOTT stayed at and/or visited this farm. He said they swam in the pond and played volley ball in the yard regularly. He was told that they had an actual volley ball net and they exercised this way. He also recalls JACK telling him that this farm was up for sale at the same time they rented it. They apparently purchased groceries at a small grocery store in the Lake Ariel, Pa., area.

His brother or his wife, MICKI MC GEE, owned a seven or eight year old tan Volkswagen which had Ohio license, registered to MC GEE. They schemed to abandon this vehicle and report it stolen and thereby collect the insurance money on it. The vehicle was reported stolen and recovered by the Pennsylvania State Police (PSP) and by this time JACK and his wife had left the area and they prevailed upon the uncle, WALTER A. SCOTT, to handle the recovery of the vehicle and the claim with the insurance company.

In August 1974, WALTER SCOTT obtained employment with the Oasis Oil Company in Tripoli Lybia, North Africa, as a Systems Analyst. Sometime around the middle of September 1974, WALTER SCOTT received a telephone call from MICKI MC GEE indicating that JACK SCOTT was going to transport HEARST back out West and would be at his parent's residence at Las Vegas, Navada, during the last week of September 1974. WALTER SCOTT immediately returned to his parent's residence at Las Vegas, and on the same day his brother arrived in a yellow van accompanied by HEARST. The van had been rented in New York City and also contained some of the furniture from the New York apartment. He was able to pinpoint this particular day because they heard a radio announcement concerning a multimillion dollar bank robbery which had occurred that day in Reno, Nevada.

HEARST remained in Las Vegas for one day in a motel room with JACK SCOTT and insisted on going back to the Berkeley-Oakland, California, area. JACK SCOTT made arrangements and two individuals, whom WALTER SCOTT did not see and were not identified by JACK, arrived and drove HEARST to the Berkeley-Oakland, California, area. During the time she was at Las Vegas, HEARST was introduced to WALTER as SUSAN. She had her hair cut short to the point where it was almost a "butch" haircut. She had what appeared to be false freckles on her face and she was disquised to look like she was six months pregnant.

From conversations WALTER SCOTT got the impression that PATRICIA HEARST was not pregnant. During the trip East with his parents, HEARST made a general nuisance of herself and the father grew to dislike her. While in New York against the wishes to the others, she insisted on visiting a clinic in the neighborhood of the apartment to determine whether or not she was pregnant or infected with a Venereal Disease.

In early October 1974, JACK SCOTT left Las Vegas, Nevada, and went to live with BILL WALTON, the professional basketball player, in Portland, Oregon.

His brother and wife, MICKI MC GEE, are presently living with BILL WALTON in Portland, Oregon, along with WALTON's girl friend, SUSAN (Last Name Unknown), (not identical with HEARST) and a Negro male. He said all of these individuals are on some sort of narcotic with the possible exception of WALTON's girl friend. He said in November 1974, he visited his brother in Berkeley, California, during which time JACK SCOTT had come to the San Francisco, California, area to purchase drugs and return them to the WALTON residence in Portland, Oregon.

SCOTT advised that as far as he knows his brother became acquainted with WALTON through friends in the Berkeley-Oakland, California, area and subsequently because WALTON is known for his anti-culture philosophy. He pointed out that in the past his brother, JACK SCOTT, cooperated in writing a book for DAVE MEGASY, a former professional football player with the St. Louis Cardinals, who according to SCOTT, likewise has radical ideas. He believes that his brother and his group are attempting to exploit WALTON because of his new ideas. In addition, SCOTT said his brother, JACK, already possesses some kind of rights to publish a book on HEARST.

In the form of additional background information and associates of his brother, WALTER SCOTT, referred to a MILLY (Last Name Unknown) who is currently serving at Soledad Prison, California, for being involved in bombings at the Oakland, Berkeley, San Francisco, California, area. He identified another individual named MARTY MILNER who is also a California fugitive due to the fact that he has perpetrated fraudulent credit card schemes in California and other places in the country. MILNER is suppose to be employed by a New Jersey State College in the Atlantic City, New Jersey, area. JACK SCOTT told him that he drove an Oriental girl friend of MARTY MILNER from the West Coast to New Jersey and left her with MILNER about two years ago.

Another associate of JACK SCOTT is a person named JAY WEINER having originally met WEINER while he was at Oberlin College. WEINER left Oberlin College sometime after JACK SCOTT's contract of employment was terminated.

WEINER currently resides in Philadelphia, Pa., and is a writer for News Day Newspaper in Long Island, New York. SCOTT recalled that about three weeks ago, MILNER wrote an article concerning BILL WALTON where he named some of SCOTT's associates. He termed the article 95 percent political.

SCOTT stated that exactly five weeks ago, JAY WEINER over the Christmas holidays, drove MILNER's Oriental girl friend from Philadelphia, Pa., to Las Vegas, Nevada, and eventually to Portland, Oregon. The trip was made via car but he does not know whose car was used. He estimated that trip took ten days. WEINER while in Las Vegas, Nevada, stayed at his parent's home since previously WEINER called his father to ask permission to remain there. SCOTT indicated that WEINER may presently be attending Temple University in Philadelphia, Pa., on a part-time basis.

WALTER SCOTT also identified an individual named PAUL HOCK who became acquainted with JACK SCOTT while teaching philosophy at Oberlin College. HOCK who is originally from Connecticut, is now teaching at some small college in Montreal, Canada. From what WALTER SCOTT knows about HOCK, he feels that this individual would ultimately crack and furnish what information he has regarding JACK SCOTT's activities with these fugitives.

SCOTT also noted that during a 1972 visit with his brother and wife at Oberlin, Ohio, he observed in their apartment at least one-half dozen hand guns and rifles.

SCOTT recalled an incident involving his father when he lived at 2014 Sacramento Street, San Francisco, California, wherein a bill collector was attempting to collect an old overdue bill from his father and they became involved in a heated argument and a police officer was

summoned to the scene at which time his father pointed a rifle at the police officer. His father was not arrested for this incident.

SCOTT pointed out that his brother has influenced his father and mother completely with his philosophy and his father is anti-law enforcement and refers to police officers as "Pigs". Along these lines, he pointed out that his father keeps a pistol handy at the motel where he is employed, specifically underneath the registration counter and he said that if his father was approached in the wrong manner and aggrivated, he feels his father would attempt to shoot interviewing officers.

SCOTT advised that from various conversations he has had with his brother, he was definitely told that the kidnapping of PATRICIA HEARST was legitimate and that before she broke and decided to embrace their philosophy, she was literally hanged in a closet for about a three week period. He further explained that the kidnapers definitely knew something about PATRICIA HEARST prior to the kidnapping and that she too was anti-culture.

SCOTT stated he has not been employed since September 1974 and he has now a job offer from ARANKO (American-Arab Oil Company) of Houston, Texas, to teach computer science at Dharan, Saudi Arabia. This job, if he accepts, will pay $2,700 a month.

A number of times during the interview SCOTT was asked if he knew the present whereabouts of PATRICIA HEARST or the HARRISES and each time he said, if HEARST is not dead by now, she is in the Berkeley-Oakland, California, area. He could not give any specific reason for thinking she was dead other than the fact she may have outlived her usefulness.

Concerning the HARRISES he felt they might possibly be located in the Carolinas but again he gave no reason for this nor could he connect any conversations with his brother or parents which indicated these individuals were located in North or South Carolina.

The following is an account of polygraph examinations administered to WALTER JOSEPH SCOTT:

Polygraph examination of WALTER JOSEPH SCOTT:

WALTER SCOTT on 1/31/75, was interviewed for approximately ten hours by SRA [redacted] and SA [redacted], at the Scranton, Pa., RA. The pre and post polygraph interview of WALTER SCOTT was conducted by SA [redacted] Polygraph Examiner, and SA [redacted] participated in the pre and post polygraph interview. WALTER SCOTT, in total, has been interviewed for approximately 30 hours.

b7c

A consent to interview and waiver to take polygraph examination were obtained from SCOTT and incorporated into PH file.

On the evening of 2/1/75, after conclusions of more than 10 hours of interview, an attempt was made to have WALTER SCOTT take polygraph examination. The results are considered meaningless primarily due to his fatigue at that time.

On Sunday, 2/2/75, WALTER SCOTT returned for a polygraph interview and advised he had had a restful night.

The conclusions of the polygraph examination were made considering the past and present mental conditions of WALTER SCOTT, whose overall demeanor gives appearance of being tense. SCOTT smiles infrequently. Some of his actions to release tensions are not the best interest in obtaining readable polygraph charts, for example, he was observed and admitted that he was biting his teeth together, which he classifies as a way to release tension. This interferes with the polygraph chart.

Due to the extensive pre-polygraph interview, the polygraph examination was directed toward verification in ascertaining the truthfulness of WALTER SCOTT's story, to ascertain if he was implicated in any way to the harboring of PATRICIA HEARST or the HARRISes and primarily toward checking the truthfulness of his account of PATTY HEARST being in his parents' Las Vegas apartment around 9/27/74.

When questioned about his brother's possible implication in the actual kidnapping, WALTER SCOTT volunteered that he really had no evidence of this and really did not suspect his brother of being involved, but also pointed out that during the polygraph, his mind dwelled on the fact that his brother could have been involved. He pointed out that the actual kidnapping took place at about the time JACK SCOTT had been dismissed from the Oberlin College for his radical activities.

SA [redacted] on 2/3/75, without divulging the identity of the case involved, discussed the mental condition of a person being afforded a polygraph examination with [redacted] noted psychiatrist at the [redacted] engaged in a continued study of the polygraph. [redacted] advises that a person having a mentally depressed state of mind does not lose accuracy. He advises that a person involved in the computer field, as is WALTER SCOTT, is a type of person who has to "Dot every i and cross every t", and it was probably more because of this reason that the person being interviewed would want to be very explicit as to what he actually knew and to what he actually suspected. He stated that from a narrative of WALTER SCOTT's employment history (no specific details furnished other than computer work, mostly in scientific fields), he did not believe that the person being interviewed was in a deep state of depression at the present time. A person in deep depression is more relaxed in the evening hours and his general conversation is directed toward degrading himself. It is to be noted that WALTER SCOTT, throughout the extensive interview, wanted to convey that he had responsible positions that paid him in the $20,000 bracket. He said that his I.Q. was 139 and that his military record would verify this.

It is significant to note insofar as the current polygraph examination is concerned, there are no noticeable emotional responses indicating deception to the very important questions inquiring as to whether or not WALTER SCOTT furnished truthful information to the FBI about PATTY HEARST and about the HARRISes.

On February 7, and February 8, 1975, source was interviewed by SA [redacted] and [redacted] an artist from the FBI Laboratory. The source provided information concerning his recollection of the appearance of PATTY HEARST. BECKER then produced two artist's conceptions of HEARST. One of these artist's conceptions is actually retouched photograph of HEARST and shows her smiling. The source advised that this artist's conception bears an excellent resemblance to the appearance of PATTY HEARST when he saw her last. The second artist's conception shows PATTY HEARST without a smile. The source viewed this artist's conception and stated that the resemblance to HEARST according to his recollection is somewhat closer and has some value but is not as good a likeness as the artist's conception with a smile.

Source provided the following information regarding associates of JACK SCOTT:

He stated that PAUL HOCH is a white male, between 28 and 33 years of age, who is an avowed Socialist and a close associate of JACK SCOTT. The source described HOCH as highly intelligent with a Ph.D. in Theoretical Psychology and another Ph.D. in a field unknown to the source. HOCH's parents live in New York City at an unknown location. He believes HOCH lived with them in the summer of 1974.

The source advised that another associate of JACK SCOTT who has been mentioned previously by him is MARTY MILNER. He provided the following additional information regarding MILNER:

MILNER was formerly a social worker in New York City and attended Syracuse University with JACK SCOTT. JAY WEINER is a radical associate of JACK SCOTT. WEINER met JACK SCOTT at Oberlin College in Ohio. At that time SCOTT was on the faculty of Oberlin College and JAY WEINER was a sports writer for the Oberlin College paper. The source characterized WEINER as a quiet, pseudo intellectual. His mother lives in Philadelphia, Pa., and he has a brother in Philadelphia, Pa. His career ambition is to be a professional sports writer.

Source was interviewed regarding the activities of JACK SCOTT and supplied the following information regarding SCOTT's involvement with fugitives PATTY HEARST, EMILY HARRIS and WILLIAM TAYLOR HARRIS. The source supplied the following two telephone numbers belonging to JACK SCOTT during spring and early summer 1974. These are both New York City telephones. They are 212-362-1612 and 212-362-8772.

The source advised that he now recalls that on approximately October 27, 1974, JACK SCOTT took a mysterious airplane trip between Portland, Oregon, and Boston, Mass. He was very mysterious regarding the reason for the trip.

The source advised that on approximately November 17, 1974, JACK SCOTT and his wife, MICKI, stayed at the Campus Motel, 1619 University Avenue, Berkeley, Calif., telephone number 841-3844. They were there for several days on approximately the date given.

JACK SCOTT utilized the following motels in the Berkeley, Calif., area. They are in order of importance, 1. Berkeley House, 2. Bellaire, 3. Capri, and 4. Plaza.

The source advised that he was told by JACK SCOTT that the fugitives named above have good identifications and names of deceased persons. He was under the impression that the identifications were obtained while JACK SCOTT was in the New York City area. He was unable to furnish any information particularly regarding how these identifications were obtained.

The source advised that JACK SCOTT and his associates utilized a telephone relay system which is clandestine in nature. This simply involves calling a third party to relay a message by telephone to the person for whom the message was originally intended.

The source advised that JACK SCOTT frequently uses credit cards belonging to his father. These credit cards

The source is of the impression that these cards were obtained by JACK SCOTT's father at the time that he (SCOTT's father) was living in California and had a good line of credit.

The source is also of the impression that at the time SCOTT's father moved to Las Vegas he simply left no forwarding address and continues to use the cards as does JACK SCOTT on occasion.

Source provided the following information concerning his knowledge of the activities of JACK SCOTT:

After JACK SCOTT left the home of his parents in Las Vegas he went to Berkeley, Calif., with his wife MICKI. Upon arrival at Berkeley, Calif., which occurred on approximately October 8, 1974, JACK SCOTT was treated for a rash or a skin infection at the University of California Hospital. Following his release from the Hospital, he proceeded to Portland, Oregon, to take up residence with BILL WALTON, a basketball player for the Portlant Trail-blazers. All of this occurred within the month after SCOTT brought PATTY HEARST to Las Vegas on her way back to Berkeley, Calif.

The source supplied the following information regarding JACK SCOTT's use of the telephone in a clandestine manner. The source has been present when SCOTT had made apparently clandestine telephone calls on occasion which apparently pre-determined times. On occasion, code words were given and intermediaries relayed the information to the party for whom it is ultimately intended.

Source was shown a photograph of JAY WEINER, white male, date of birth July 2, 1954. Source identified this photograph as being a friend of the person who is referred to as JAY WEINER, an associate of JACK SCOTT. He pointed out; however, that the photograph was obviously taken some years ago.

The source was shown a photograph of PAUL HOCH, date of birth September 3, 1942. The source advised that this photograph is a photograph taken at an earlier date of the individual he knows as PAUL HOCH, who is an associate of JACK SCOTT.

The source was questioned as to his knowledge of anyone connected with JACK SCOTT in the Vancouver, British Columbia area of Canada. The source advised that Vancouver is significant with regard to JACK SCOTT's associates. JACK SCOTT has a long time friend named ERNEST BECKER who formerly was a professor at Syracuse University. Source advised that he thinks BECKER is black but he is not sure of this and has never seen BECKER. BECKER exerted an extremely radical influence on JACK SCOTT when he was attending Syracuse University. BECKER was later dismissed from Syracuse University over his radical activities. BECKER was married to a women the source thinks may be named JUSTINE, race unknown. The last time the source knew anything about BECKER he was dying of terminal cancer approximately 1 1/2 years ago and living in Vancouver, British Columbia. JACK SCOTT has maintained an excellent close friendship with BECKER over the years and is also very friendly with BECKER's wife. The source advised that although ERNEST BECKER may now be dead, his wife shares his radical ideas and is close enough to JACK SCOTT that he might turn to her for assistance even in concealing fugitives.

The source advised that JACK SCOTT has intensive feelings for BECKER and was most distressed when he discovered BECKER was dying. At times he considered moving to Vancouver, British Columbia, to help BECKER's wife at the time he would pass away. Source advised that following BECKER's termination

at Syracuse University and he may have gone to the Berkeley area and then taught for some time at a university, name unknown, in the Vancouver area.

When questioned regarding any associates of JACK SCOTT in the San Diego area, the source revealed that there is a friend MICKI MC GEE from Oberlin College who was at the present time teaching in the Physical Education Department at Oberlin College. She was radical in her political beliefs and was a girl friend of GEORGE SAUER, a professional athlete and a friend of JACK SCOTT. She was coaching women's sports at Oberlin College at the time of JACK SCOTT's departure.

Source provided the following information concerning an associate of JACK SCOTT:

He advised that this person whose name is believed to be BOB FULLER, might be a very key person in JACK SCOTT's radical activities. The source did not mention him earlier inasmuch as he could think only of persons who got things from SCOTT and FULLER was in a different category all together. FULLER was responsible for SCOTT gaining many things, so much so as to appear startling to the source.

The source advised that FULLER was the president of Oberlin College in Ohio during 1972 and 1973. He is a white male, 37 to 39 years of age, 5'11", 165 pounds, and he was responsible for radicalization of the entire Physical Education Department at Oberlin College. He was reponsible for getting JACK SCOTT the job of athletic director at the college even though SCOTT had very poor qualifications for the job and no employment record that was noteworthy. In fact, the source pointed out that JACK SCOTT had never worked before. Furthermore, JACK SCOTT did not have a degree in Physical Education but in Educational Psychology. Instead of starting at $10,000 a year which a normal degree holding person would have to start at he started at $16,000 in very plush offices and was given very much a free rein within the Department.

The source feels that FULLER may have authorized some funding of JACK SCOTT's trip to Cuba while he was at Oberlin College. FULLER brought PAUL HOCH to Oberlin College and placed him in the Physical Education Department. HOCH had a degree in Theoretical Psychology, hardly an ideal background for physical education. TOMMY SMITH, a notorious black radical from track and field events, was also brought to Oberlin College, as a coach.

FULLER appeared to cater to the newly radicalized Physical Education Department to the point where the trustees of the college and other faculty members became hostile toward him. As a result, FULLER was forced to resign.

Another fact which seems strange to the source was

that although FULLER'S pending resignation was not common knowledge at all at the college somone had forewarned JACK SCOTT before hand so that he could leave the college before being kicked out. This was necessary because FULLER was SCOTT's main support at the college. FULLER then induced full pay-offs of JACK SCOTT's contract by the college trustees.

FULLER, described as highly intelligent, was in New York City as of the summer of 1974. He has a Ph.D. in Physics from Princeton University. His wife has a Ph.D. in mathematics and may now be teaching at Columbia University. FULLER had come from Columbia University to Oberlin College.

Title: HEARNAP

Character: KIDNAPPING

Synopsis: Following receipt of information that PATRICIA CAMPBELL HEARST, EMILY HARRIS, and WILLIAM TAYLOR HARRIS, had been residing on a farm in the Honesdale-Lake Ariel,Pa., area, intensive investigation was initiated there. Farm located, neighbors interviewed, and photographs shown without affecting identification. Similarities: however, were noted on physical descriptions supplied by neighbors. On 2/7/75, and 2/8/75, farm processed by FBI Laboratory crew flown in from Washington, D.C. On 2/10/75, FBI Laboratory advised results of examinations described four latent fingerprint lifts from farm to be identical to fugitive WILLIAM TAYLOR HARRIS. Investigation continuing. DETAILS:

AT HONESDALE, PA.

Following the receipt of information that PATRICIA HEARST, EMILY HARRIS, and WILLIAM TAYLOR HARRIS may have been in the Honesdale, Pa., area during the summer of 1974, the following investigation was conducted:

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.

U. S. GOVERNMENT PRINTING OFFICE : 1970 O - 406-840

The following investigation was conducted by SAs [redacted], and [redacted] b7c, D

[redacted]

On 9/19/74 a 1968 beige Volkswagen coupe, VIN 118231733, bearing 1974 Ohio license plate YY1587 was recovered at Seelyville, Pa., and stored at a location in Seelyville, Pa. State Police records indicate that a stolen report was filed in New York City on 9/6/74 reporting the vehicle stolen. The registered owner of this vehicle was listed as MICKI SCOTT, 317 West 90th Street, New York, N.Y. On 9/28/74 the vehicle was released to WALT A. SCOTT after proper identification was shown.

Contact was made with real estate agents of the Strout Realty Company, Hamlin, Pa., and representatives advised that based on a description furnished by FBI Agents the only farm which might fit the description would be that owned by TIMOTHY O'SULLIVAN, RD #2, Callicoon, N.Y., and O'SULLIVAN had placed a listing with the realty company to sell the property located at RD #3, Box 145, Lake Ariel, Pa., around 7/6/74 with the instructions that this property was currently being rented and that no sales could be

agreed upon until after 10/1/74. Mr. O'SULLIVAN further advised the real estate agency that he had rented the property for a three-month period to some writers from New York City for approximately $2,000. Representatives went by the property on several occasions and observed several Volkeswagens with out-of-state license plates either New York or Ohio, which they were not positive of, and also took photos of the house. On one occasion a representative observed an oriental-featured girl looking out one of the windows but for the most part the occupants of the farm would not come out in the public but would send usually the oriental girl to handle any inquiries made at the farm.

On 2/3/75 a representative of the realty company who had access and custody of the property agreed to show the property to Special Agents of the FBI and accompanied by this representative Special Agents made an inspection of the property and determined that it is a white frame house, multi-storied, 7.3 miles from Route 348, with an address of Box 145, RD #3, Lake Ariel, Pa. This house in the front had a mailbox with the name SCHOTT which also had several bullet holes in it. There was a paved surface adjacent to the residence with a swing set and a clothesline running

from a pole in the yard to the corner of the house. The house had two entrances, one from the front off a covered front porch and a rear entrance to the kitchen. On the first floor of the house was the kitchen, diningroom, livingroom, bath, and hallway. On the second floor were three bedrooms and a stairway leading to the attic. There was also a basement in the house which contained the furnace and other utilities.

Observed on the dresser of one of the front bedrooms second floor was a book of matches advertising Quality Inns with the address Quality Inn Ambassador, 3484 Hanley Road, RD #1, Perrysburg, Ohio, 43551, telephone number 419-837-5080. In the basement of the residence was observed pieces of newspaper and an envelope twisted together and partially burned. The envelope was addressed from Finan, Beecher, Wagner, and Rose, Attorneys and Counselors at Law, to Mr. TIMOTHY O'SULLIVAN, 4-0 Corporation, RD #2, Callicoon, N.Y., 12723, postmarked U.S. Postal Service Pennsylvania 180 8 August 72 PM with the PM encircled in blue ink. This envelope contained the notation on the front 2967064 Karl Wagner House. Also observed in the house were various pieces of newspaper, both from

New York City and Scranton, Pa., dated during the period August and September 1974. Ashtrays contained cigarette butts of True, Carlton, and Marlboro cigarettes and there were several empty Schaefer beer bottles in the kitchen. On the diningroom table was a notepad with a note to tenants with instructions on how to obtain fuel for the house. On the back of the notepad were notations containing figures of dollar amounts and other notations which had been crossed through and the word Tallahassee. In a cabinet in the livingroom was observed a disconnected telephone with telephone number 937-4645.

This residence was unusually clean of any other material which might reflect the identities of any occupants and was a completely furnished home. Also on the premises was a barn which contained machinery and farm instruments together with corn and a boat. In the bar were observed several newspapers from New York City dated during the period August and September 1974. To the rear of the house over the hill were several ponds.

Neighborhood investigation reflects neighbors collectively observed several white females and several white males at the farm during the period July, August, and the

first part of September 1974 and at least two Volkswagens were observed, one of an orange or red color with a New York or New Jersey license number and one of a lighter possibly tan color with either Ohio or New York license plates. One of the occupants was described as a nice-looking oriental type girl with short black hair and one of the occupants was described as a white female, short, with very short red hair and freckles,and one neighbor remembered the name MICKI being used by one of the females but could not describe MICKI. Another neighbor advised that the occupants had a large aging German shepherd dog named Sigmund. Neighbors further advised that sometime around the first or second week of September 1974 the occupants of the farm left the farm and no one has rented this premises since that time.

Background information concerning the owner TIMOTHY O'SULLIVAN is being developed before a direct approach is made to O'SULLIVAN to determine what his feelings may be in regard to cooperating with the FBI in this matter.

She further advised that there were several females and several males living there up until about the first or second week of September and that she recalls them having two Volkswagons in front of the house at various times, one being sort of orange or red possibly with a New York license plate and the other was a lighter colored Volkswagon with Ohio license plate. In the basement of the residence wrapped in newspapers and partially burned was an envelope from the law office of FINAN, BEECHER, WAGNER and ROSE, Attorneys and Counselors at Law, 402 Broad Street, Pike County, 18337, with the remainder of the address burned away. This envelope was postmarked United States Postal Service, Pennsylvania, 1180, p.m., August 8, 1972, and that p.m. of the postal stamp was circled in blue ink. This envelope was addressed to Mr. TIMOTHY O'SULLIVAN, 4-C Corporation, RD 2, Callicoon, New York, 12723 and written on the front of the envelope was the notation 296-7064, KARL WAGNER's house. Schaefer Beer. This potential evidence was not disturbed. On the dining room table was a note to the tenant explaining how to obtain fuel for the house and on the back of the note was scribbling with dollar figures and numbers scratched out in ink and the word "Tallahassee".

A careful inspection of the remainder of the house reflected that it was unusually clear of garbage and anything else that might have shown anything concerning the occupants of the house.

An inspection of the barn on the premises reflects that it contained machinery, some corn, a boat, and other farm instruments and the only thing of potential evidentuary material was several pages from newspapers from New York City, New York, dated during the August-September 1974 period.

b7c [redacted] A photograph of the farm was obtained from [redacted] and that farmhouse was described as a white, two story frame building with an entrance off a front covered porch and an entrance through the back of the house. On the first floor is a kitchen, dining room, living room and a hallway. On the second floor are three bedrooms with a stairway to the attic and the house also contained a basement where the furnace, washing machine and other utilities were located. Outside of the house was a paved section of ground adjacent to the house for parking purposes. In the rear of the house was a swing set and clothes line with the clothes line running from a pole in the center of the yard to the corner of the house. In the rear of the house over the hill were several ponds. The barn was located approximately 25 yards to the left of the house and there was a mailbox adjacent to the road with the name SCHOTT written on it and there were several holes in the mailbox and appeared to have been made by a gun.

Located in a cabinet drawer of the living room on the first floor of the house was a telephone which was disconnected bearing telephone number 937-4645.

Dear Mr. Kelley,

This letter concerns my knowledge and some of the facts and proof I have, about the SLA radical movement and Patricia Hearst; also of the weather underground movement that has been claiming the responsibility of the recent bombing of the State Department, and other bombings since 1970.

Mr. Kelley, I'm not good at expressing myself - so I can be fully understood in what I try to say or write; so I hope that you will read all of this letter and try to understand what I'm saying, it might seem that it is "far out" at times, but believe me Sir - what I am writing you is the truth and most of it I can prove without a doubt, if given an opportunity -

to do so.

I have the deepest respect in all Special agents of the FBI, their job and what they stand for. I realize that all these agents are well trained and know their jobs; but Sir, it is easy to make mistakes and over-look things, we are all guilty of this - including some investigations of the FBI.

These United States is the best country in the history of the world, and the people of our country (in whole) are good citizens. Our form of Government is the best known to man, and I believe in our way of life fully. But our country is in very serious trouble now, in a hundred different ways - and most of the ills and our troubles is related in some form or another.

These radicals (movements), are approximately 20% percent - connected to each other in some way, in our country. These movements and the people behind them is much bigger than they appear on the surface. The master-minds of the dissension in the United States today, is also master-minds of confusing and throwing the investigations of the FBI and other Law enforcement agencies of the course, and they have been very successful in their tactics so far.

Sir, I can prove connections of most radical -

(OVER)

groups (past and present), and I know the FBI has proof of this also, but only in a very small way compared to the bigness of it.

I can prove that "Russel Little", that is accused in the shooting death of Marcus Foster in California, concerning the SLA movement, had connections with the minutemen organization as far back as 1967, when he was only (17) seventeen years old at that age; and the contact of him in Florida in 1967. Also, that "Camilla Hall" had attended the convention of the Patriotic Party in Des Moines, Iowa - during the middle part of the year in 1967. The Patriotic Party was the political arm of the minutemen. Camilla Hall, is one of the members of the SLA that died in the fire - during the shootout of May 17, 1974 - in Los Angeles.

There is connection after connection of these groups, in person - writings - letters - pictures, and in alot of other ways. The financial backing for most radical groups comes through a company in the Oakland, California area, I can prove this; the company I'm talking about is a "Front"; since this company became in - existence, it became successful over-night, taking in millions of dollars.

There has been numerous of arrests by the FBI over these last few years of radical members of various groups; and on the surface it looks like -

(OVER)

some of their organizations were broken up, but in reality they are operating more strongly than ever, in other ways and means - and with some name changes; for an example - the minutemen and Robert B. Dupugh of Marborne, missouri. The minutemen went through the different periods of their plan; such as the period of publicity - to gain the attention of the public in general; and other periods they went through and were successfully also. Since the arrest and the conviction and the release of Bob Dupugh, the FBI thinks and believes that the organization was broken up - and that nothing is happening today. But there is alot happening just in this one movement alone.

Sir, there has been millions of dollars spent and countless man hours, in the investigation of Patty Hearst and the SLA. But Patty Hearst and William - Emily Harris is still at large, the same as some members of the weather underground has been for years now. I'm only one person, but I have knowledge - facts and proof of these people, and what I have could very easy be instrumental in finding the whereabouts of these persons. But the most important thing - is that the investigation could uncover facts concerning the plot and masterminds of the whole radical movements, including the so-called-

(OVER)

LEFT and RIGHT wing groups. I have talked myself blue in the face concerning what I'm trying to put down on paper to you in this letter. I either did the wrong things - where I was misunderstood, or I just wasn't believed; I don't know why. But Mr. Kelley - I do know some of the facts and I have proof of this and know how to get more. At times I have gave up hope that the truth will never come out, but I've got to try and get my information out - where the investigations will get back on track, the right track. Not a track that was laid for you to follow - to throw your investigations off the true course; but where all the facts can be uncovered and the real truth brought out.

I've talked with Special Agents of the FBI, but I can understand how they were confused over what I was saying, because their training is in the field of investigations of crime, not the radical movements. What I need - is to talk with an agent that has deep experience in the Political and radical movements in this country that can understand what I'm talking about, and will understand the papers - and other information I have. If it is possible for an agent of this type to interview me, I would like for the whole conversation to be recorded where it can be replayed - if necessary, to fully understand the situation.

(over)

in all sincerity, I honestly believe and would bet on it, that if an investigation was started concerning the facts and information that I have, that Patty Hearst and Tania would be found and arrested within one month, at the latest, once the investigation was started. and it would not take but a very few men-agents and man-hours to accomplish this fact.

Sir, I'm in prison now, and I have a criminal record, which on paper looks bad; but it isn't, I'm not a criminal minded person. my only desire - and the only thing I want - is to return home to my wife and four children and live a normal happy life. I'm in prison because of a poor investigation, and I'm all honestly I can understand why. the police and our courts are hampered in everything they do, by laws that seems to favor and protect the guilty. I'm a little bitter over what happen to me, but I have an open mind and I can understand. But don't hold my prison record against me Sir, pertaining to this letter. If at all possible please arrange an interview with me with an agent concerning this letter, and I'm sure alot of good and accomplishments will come out of it.

It would take a long book in order for you to really understand what I'm writing and trying to say - but an interview would be better than ten books.

(OVER)

Mr. Kelley, in 1967 Robert (Bob) Dupuy had actual FBI papers and records, and even life histories of some agents of the FBI. Some people think this for true, fictitious, but it was very real; other than myself - I can name at least twenty (20) persons who also saw some of these records of the FBI. How did he get them? I don't know. I'm not sure if you were in charge of the FBI office in Kansas City or not in 1967, but I recall hearing your name mentioned in conversations, I didn't take stock in your name at the time, because I didn't know who you were. To my knowledge I never met you; but I met Mr. George Arnett of the FBI, a few times. Sir, I always tried to ~~my~~ be helpful in the investigations, because I found out the hard way - that these people are wrong about our country and in their beliefs, and they need to be stopped fully - before it gets completely out of hand, where there won't be no stopping them.

I also have information concerning two (2) gun rings - that ships stolen guns into mexico in exchange for mexican money and also for narcotics. and that at least two of these people are involved with radical groups.

I'm not after rewards of any kinds, or recognition I only want the truth brought out - as I'm sure you do also. The only way this whole matter could help me;

(over)

is that it would prove that my word is good, and that the information and facts I have, is genuine.

Sir, I'm being transfered to another institution tomorrow; I haven't heard yet - where I'm being transfered to. But I'm sure it won't be hard for you to find out. I hope that this letter will turn out to being of some good, and that an agent will interview me as soon as possible, in regards to this letter.

Thank you

Very Respectfully,

HEARNAP SUMMARY

Attached reports on the extensive physical surveillances of key suspects involved in the harboring of SLA fugitives.

Our San Francisco Office advised on 2/27/75, that John Vincent Scott and Micki Scott were observed arriving San Francisco International Airport (SFIA) at 11:30 a.m., 2/27/75, via Pacific Southwest Airlines Flight 931 from San Diego. Scotts rented 1974 Chevy from Trans Rent-A-Car, Burlingame, California. Scotts to return car to SFIA 3/1/75. Scotts drove to San Francisco and thence to Berkeley, California, and surveillance efforts are continuing. Scotts lost in traffic in Berkeley.

John Joseph Scott was served with a grand jury subpoena on 2/27/75, and a formal request for immunity has been sent to the Department of Justice should he desire not to testify during his appearance before Federal Grand Jury in San Francisco on 3/6/75. Department to advise by 3/3/75, concerning immunity.

Our Las Vegas Office identified Jack Scott as previously arriving at residence of elder Scotts on 2/26/75. Scott and his parents were observed making phone calls from pay telephones and efforts to trace these calls are continuing. Jack Scott departed McCarran Airport at 9:00 p.m. en route to San Francisco via San Diego, California.

Our Philadelphia Office advised that J. Weiner appeared for interview 2/27/75, denied having seen fugitives and refused to answer questions concerning trips made by him to Scranton area during Summer of 1974. Weiner desires future interview after thinking things over.

PH 4389-PCI advised that John Joseph Scott has filed no Federal income taxes for approximately ten years. Philadelphia Office recommends strongly that Jane Olmstead of Washington, D. C., (girlfriend of PH 4389-PCI) not be interviewed in that such interview would adversely affect future relationship with source and possibly divulge his identity. Source is scheduled to depart for Iran on 3/3/75. Efforts being made to locate fingerprints of Philip Shinnick for comparisons with prints located at Honesdale, Pennsylvania, farm.

Fugitive investigative efforts continuing.

SOURCE DEPARTED PHILADELPHIA VIA BOAC FLIGHT 560 FOR IRAN, EVENING OF MARCH 3, 1975, AS PLANNED.

SOURCE HAS RECALLED THAT WITHIN A DAY OF THE DATE PATTY HEARST WAS SEEN BY HIM AT THE ELDER SCOTT'S LAS VEGAS HOME, MICKIE SCOTT DISAPPEARED FOR SEVERAL DAYS. SOURCE IS CERTAIN MICKIE SCOTT WAS AT APARTMENT WHEN HE FIRST SAW HEARST IN LAS VEGAS BUT LEFT APPROXIMATELY A DAY LATER. HE RECALLS BEING TOLD BY JACK SCOTT THAT MICKIE HAD GONE TO SAN DIEGO, SUPPOSEDLY TO WORK ON A BOOK SHE WAS CO-AUTHORING WITH LINDA HUEY.

SOURCE ALSO NOW RECALLS THAT ON DAY HE ARRIVED AT LAS VEGAS, (SEPTEMBER 28, 1974), HIS MOTHER TOLD HIM ON THE PHONE WHEN HE CALLED FROM THE AIRPORT THAT JACK SCOTT COULD MEET HIM AT THE AIRPORT. SOURCE ADVISES HE HAD NOT RECALLED THIS PHONE CALL UNTIL RECENT INTERVIEW AND THIS WOULD INDICATE JACK SCOTT MUST HAVE BEEN AT THE APARTMENT IN LAS VEGAS FOR SOME TIME BEFORE HIS ARRIVAL. THEREFORE, HIS SIGHTING OF HEARST AND JACK SCOTT ARRIVING IN THE RENTAL VAN AT THE HOUSE WAS NOT THEIR INITIAL ARRIVAL AT ALL. SOURCE ALSO POINTED OUT THAT FATHER TRIED TO KEEP HIM FROM COMING TO LAS VEGAS WHEN HE CALLED FROM ENGLAND IN LATE SEPTEMBER AND TRIED TO WIRE MONEY TO HIM. THE SOURCE CAME TO LAS VEGAS INSTEAD, WITHOUT INDICATING TIME OF ARRIVAL AND PARENTS WERE NOT AWARE OF HIS PRESENCE IN THIS COUNTRY UNTIL HE CALLED FROM LAS VEGAS AIRPORT. SAN FRANCISCO MAY WISH TO CONSIDER POSSIBILITY THAT SOURCE INTERRUPTED ACTIVITIES AT LAS VEGAS AND THAT HEARST AND SCOTT COULD HAVE BEEN THERE FOR SEVERAL DAYS. POSSIBLY, WHEN THE SOURCE ARRIVED UNEXPECTEDLY AND JACK AND HEARST WALKED IN ON HIM, HEARST WAS MOVED TEMPORARILY TO A MOTEL. JACK THEN MAY HAVE STAYED IN LAS VEGAS TO PACIFY AND KEEP TRACK OF SOURCE WHILE

MICKIE MOVED HEARST TO ANOTHER LOCATION, POSSIBLY SAN DIEGO. AIRLINE RESERVATIONS IN LAS VEGAS AT THIS TIME MAY PROVE TO BE AN INVESTIGATIVE POSSIBILITY. PHILADELPHIA IS AWARE, HOWEVER, THAT THIS MAY REQUIRE A GREAT AMOUNT OF MANPOWER AND THAT THE ABOVE IS SUPOSITION.

[redacted] b7D

JAY WEINER AND PARENTS RE-INTERVIEWED AT PHILADELPHIA, NIGHT OF MARCH 3, 1975. WEINER ADMITTED TRIP TO SCRANTON, PA., IN LATE JULY OR AUGUST OF 1974. ON THIS DAY, HE MET JACK AND MICKIE SCOTT AT NEW YORK CITY APARTMENT AND DROVE TO SCRANTON FOR "AN OUTING". WEINER RECALLS STOPPING AT A HOUSE CLOSE TO SCRANTON WHICH JACK AND MICKIE SCOTT WERE RENTING OR ABOUT TO RENT SO THAT THEY MIGHT HAVE THE "SOLITUDE TO WRITE". WEINER ADVISED HE WENT BRIEFLY THROUGH THE HOUSE, USED BATHROOM, BUT SAW NO ONE AT HOUSE. HE ADVISED HE, JACK AND MICKIE SCOTT LEFT

HOUSE AFTER 15 OR 20 MINUTES. THEY THEN WENT TO FOOTBALL GAME IN SCRANTON AND DROVE TO NEW YORK THAT NIGHT. HE ADVISED THIS WAS THE ONLY TIME HE WAS AT FARM AND HE HAS NO KNOWLEDGE OF FUGITIVES' PRESENCE AT FARM. WEINER ADVISED HE HAS NEVER SEEN WENDY YOSHIMURA.

WEINER CONFIRMED THAT HE HAS SPOKEN BY PHONE TO ELDER SCOTTS, PHIL SCHINNICK AND PAUL HOUK, SINCE FIRST CONTACTED BY BUREAU AGENTS. HE CLAIMS NONE OF THEM HAVE ADMITTED ANY INVOLVEMENT TO HIM. WEINER SAYS SCHINNICK CONTACTED HIM ON MARCH 3, 1975, TO ARRANGE A LECTURE BY WEINER TO SCHINNICK'S CLASS AT RUTGERS. IT IS NOTED SCHINNICK NO LONGER EMPLOYED BY RUTGERS, ACCORDING TO PREVIOUS INVESTIGATION BY NEWARK.

PHILADELPHIA IS OF THE OPINION THAT WEINER REALIZES POSSIBILITY HIS FINGERPRINTS MAY BE DISCOVERED AT FARM IN HONESDALE, PA., AND IS CONCEALING HIS KNOWLEDGE OF WHEREABOUTS OF FUGITIVES.

IT IS RECOMMENDED SAN FRANCISCO CONSIDER ISSUING SUBPOENA FOR WEINER TO TESTIFY UNDER OATH BEFORE GRAND JURY. WEINER APPEARS VERY NERVOUS AND A GRAND JURY MIGHT HAVE A DESIRABLE EFFECT UPON HIM.

I. BACKGROUND REGARDING KIDNAPPING IN STRONGSVILLE, OHIO, FEBRUARY 7, 1975

On February 7, 1975, an eighteen year old son of a wealthy Strongsville, Ohio, businessman was kidnapped in the vicinity of his residence by one male individual. The victim was placed in the trunk of the male's car, but later escaped by prying the trunk open and fleeing on foot.

Subsequent investigation determined that RICHARD GEORGE KRAVANJA was believed to be responsible for the kidnapping. Due to the local nature of the kidnapping, KRAVANJA was charged with kidnapping by the Strongsville, Ohio, Police Department. KRAVANJA surrendered himself with his attorney to the Strongsville, Ohio, police on the morning of February 11, 1975. KRAVANJA was subsequently indicted by a local Grand Jury at Cleveland, Ohio, and he is incarcerated at the Cuyahoga County Jail on $50,000 bond.

During the course of the kidnapping, a male caller, believed to be KRAVANJA, telephoned the residence of the victim and requested a large sum of money. A call was taped by the Federal Bureau of Investigation (FBI) with the consent of the victim's father and this tape was listened to by the Special Agent who received numerous telephone calls from a male caller on the evening of January 4-5, 1975, in connection with a $250,000 extortion of Mr. RANDOLPH A. HEARST.

Upon listening to the above tape, the Special Agent advised that the voice on the tape sounded like the voice of the male individual who telephoned him on numerous occasions on January 4-5, 1975.

V. INTERVIEW OF GEORGE NIETO AND OBTAINING OF ROYAL TYPEWRITER, FEBRUARY 18, 1975

FEDERAL BUREAU OF INVESTIGATION

1

Date of transcription 2/25/75

GEORGE NIETO, 13316 Harold Avenue, Cleveland, Ohio, telephone number 941-4766, was advised of the identities of the interviewing Agents and that the nature of the interview concerned RICHARD G. KRAVANJA, also known as Richard Anthony Cravana. Mr. NIETO was interviewed in the garage of his residence.

Mr. NIETO advised that he and his wife, TERESA, raised RICHARD KRAVANJA. Mr. NIETO advised that the persons living at his residence are himself, his wife, TERESA, and his mother, CARLOTTA NIETO and his sister, MARIA NIETO.

Mr. NIETO stated that RICHARD is very close to himself (NIETO) and Mr. NIETO's mother. He visits their residence on an irregular but fairly frequent basis. Mr. NIETO stated that he could not recall the specific times or dates when RICHARD visited Mr. NIETO's residence over the past two months.

When he was specifically asked whether he could recall if RICHARD visited Mr. NIETO's residence between January 3, 1975 and January 6, 1975, Mr. NIETO stated that due to the passage of time, he was unable to recall that weekend specifically and, therefore, he could not recall if RICHARD visited his residence at that time. Mr. NIETO stated that every Sunday, including January 5, 1975 to his knowledge, he, his wife, and his mother attend the 11:00 AM mass at the Ascension Church. Mr. NIETO stated they are gone from their residence from approximately 10:45 AM until 12:15 PM and the only one home on Sunday mornings at that time is his sister, MARIA NIETO, who attends a Saturday afternoon mass each weekend.

At this point, Mr. NIETO was furnished a "Consent to Search" form and his rights in this regard were explained to him by the interviewing Agents. Mr. NIETO stated that he understood his rights regarding the search of his home and he signed the Consent to Search form with a statement that "You can look anywhere. I have nothing to hide."

IX. INTERVIEW OF RICHARD G. KRAVANJA ON MARCH 3, 1975

FEDERAL BUREAU OF INVESTIGATION

1

Date of transcription 3/5/75

RICHARD G. KRAVANJA, also known as Richard Kravana and Richard A. Cravana, was interviewed in the library at the Cuyahoga County Jail, 1560 East 21st Street, Cleveland, Ohio, in the presence of [redacted] of the Strongsville Police Department, Strongsville, Ohio.

b7c

KRAVANJA was advised of the identities of Special Agent [redacted] of the Federal Bureau of Investigation (FBI) and [redacted] KRAVANJA was furnished an "Interrogation; Advice of Rights" form, FD-395, which he read, stated he understood his rights, and he signed the "Waiver of Rights" section of the form. Special Agent [redacted] and [redacted] then signed the witness section of the "Interrogation; Advice of Rights" form. KRAVANJA was advised he did not have to answer any questions and he still retained the rights contained on the above form.

When asked by Special Agent [redacted] if he sent letters to Mr. RANDOLPH HEARST in California through the United States Mails, KRAVANJA stated, "I did it." KRAVANJA stated he prepared and mailed two typed letters, one page each, in envelopes addressed to Mr. HEARST in California, during the Christmas holidays, 1974, and early January, 1975. KRAVANJA stated he used the typewriter owned by his uncle, GEORGE NIETO, to type the two letters he sent to Mr. HEARST. He stated the typewriter was located in the basement recreation room at GEORGE NIETO's residence, 13316 Harold Avenue, Cleveland, Ohio. KRAVANJA advised that he told GEORGE NIETO that he needed to use the typewriter for "something he needed for school". KRAVANJA stated GEORGE NIETO was totally unaware of the fact that he used the typewriter to type letters to Mr. HEARST. KRAVANJA stated he never took the typewriter out of his uncle's residence, but rather he typed the letters to Mr. HEARST in his uncle's basement recreation room. He stated he used paper kept in his apartment for one of the letters.

Regarding the contents of the letters, KRAVANJA stated he recalled in one letter he directed Mr. HEARST to come to Cleveland, Ohio, but he could not recall if he asked Mr. HEARST to bring money to Cleveland. He could not

recall the contents of the letters in any other detail.

KRAVANJA stated that two or three days after New Years Day, 1975, he used pay station telephones in the Parma, Ohio, and Parma Heights, Ohio, area to telephone a representative of Mr. HEARST who had come to the Cleveland area as he had directed in the letter to Mr. HEARST. He stated he recalls making at least three calls to the representative of Mr. HEARST. KRAVANJA advised he recalls that the representative of Mr. HEARST identified himself as "Mr. HEARST's lawyer" and he recalled the man told him he was "from out of town" and was driving a rental car.

KRAVANJA stated he cannot recall the telephone numbers nor locations to which he directed HEARST's representative. He stated he could not recall specific telephones from which he telephoned HEARST's representative, nor did he recall giving instructions to drop a package containing money at any specific locations.

KRAVANJA stated he was emotionally upset during this period since he had broken up with his girlfriend, DOLLY PARISI, during December, 1974. He stated "everything fell apart" for him after he broke up with DOLLY PARISI and he cannot explain why he sent the letters to Mr. HEARST. He stated he did not send the letters to Mr. HEARST to obtain money and he would never cause physical harm to anyone. He stated that he "just had to do it and I don't know why" when asked why he sent the two letters to Mr. HEARST.

When asked why he could not recall more details concerning the letters sent by him to Mr. HEARST and the night he made the telephone calls, KRAVANJA stated he was not trying to withhold any information, but on occasion he cannot recall what he does or says. He stated he honestly could not recall any other details regarding the letters or the night of the telephone calls to HEARST's representative, although he stated he knows he did something wrong.

KRAVANJA stated no one else was involved with him in the preparation and mailing of the letters to Mr. HEARST, nor on the night he made telephone calls to Mr. HEARST's representative.

KRAVANJA stated he wanted his family and others to be proud of him and this led him to send the letters to Mr. HEARST. KRAVANJA stated that during the Christmas holidays, 1974, he strongly considered taking his own life due to the breakup with his girlfriend.

KRAVANJA declined to furnish a written statement regarding the above information.

GENERAL INVESTIGATIVE DIVISION
HOOVER SUMMARY

Attached SFO teletype advises that John Joseph Scott was located in Room 546, Hilton Hotel, San Francisco. Scott was advised U.S. Attorney (USA) agreeable to immunity on harboring charges. Scott voluntarily furnished some information prior to meeting with his attorney. Scott claimed he and his wife held "almost as captives" by alcoholic son Walter Scott in Las Vegas apartment. He admits departing Berkeley, California, 6/17/74, and picking up unidentified female hitchhiker known only as "Katy" whom they transported to unknown town in Ohio. While traveling to east coast with John Joseph Scott and his wife Louise, his son Jack and hitchhiker Katy registered as man and wife.

USA's Office, San Francisco, advised that on 3/5/75, (radical) attorney Doron Weinberg contacted them and stated he was retained by John Joseph Scott and would request a two weeks continuance of Scott's appearance before FGJ. USA agreed to continuance. John Joseph Scott indicated he would testify before grand jury along lines of above interview.

Las Vegas Office advised that Louise Scott reinterviewed 3/5/75, and characterized her son Walter as "absolutely crazy, a drunk, and violent." She refused to discuss details concerning trips to Pennsylvania and New York City. She stated she would be willing to appear before FGJ. She showed great concern for welfare of her son, Jack Scott.

On 3/5/75, Bill Walton telephonically contacted Portland Office advising that all interviews with him, Susan Guth, and Don Salera would have to be arranged through attorney Charles Garry of San Francisco.

Our San Diego Office advised Lynda Ann Huey interviewed 3/4/75. Huey denied knowing whereabouts of Jack and Micki Scott. She stated that the Scotts stayed at her house 2/26-27/75, and that when Jack Scott arrived, he advised that his father would "probably have to go to jail due to the grand jury." Jack and Micki told Huey they would have to "drop out of sight due to the grand jury."

The General Investigative Division has instructed the San Francisco Office (SFO) to immediately initiate Federal Grand Jury (FGJ) action on remaining harboring suspects.

Our Buffalo Office advised 3/5/75, that Anne Randolph Hearst and Donald Robert Moffett charged with misdemeanor violation Federal narcotics laws by Drug Enforcement Agency, Buffalo, and arraigned before U.S. Magistrate. Moffett and Hearst released on $1,000 personal recognizance bond and preliminary hearing set for 3/19/75. Hearst represented by attorney George Grobe of Buffalo who has applied for return of Hearst's 1974 Mustang. In view of misdemeanor charge, automobile will be returned. Copy of address book and other personal papers of Anne Hearst obtained and being evaluated by SFO.

Investigation continuing.

The conference included showing enlarged photographs and slides prepared by Milwaukee to depict subjects and possible disguises. Tapes of subjects' voices furnished by Bureau and Chronology of Events Surrounding the Kidnaping of Patricia Campbell Hearst were played. Milwaukee prepared a tape of Mr. KELLEY's comments as set forth in "Argosy" magazine which was also played.

Milwaukee has continued saturation of publicity approach to this case. Areas deemed most logical have been targeted for heavy saturation of Wanted Flier 475A (WF 475A). In addition to Milwaukee, Green Bay RA, Kenosha RA, and Madison RA have been furnished WF 475A in quantity for heavy saturation. To date approximately 10,000 of this WF have been distributed for dissemination to all persons deemed logical during the normal course of Bureau business including theaters, sporting goods and gun stores, and all phases of law enforcement.

Milwaukee continues to immediately follow look-alike sightings to their logical conclusions. Leads received from other Divisions are handled expeditiously and results of investigation are submitted as soon as thorough investigation is completed. This includes investigation indicated by teletypes concerning possible associates of those individuals believed to have assisted in harboring and travel of subjects.

Milwaukee has again depleted its supply of WF 475A and by separate communication has requested 3,000 more of this wanted flier in order to continue the saturation of publicity program being conducted in the Milwaukee Division.

Based on Tampa nitel dated 2/22/75 regarding information from one [redacted] concerning a [redacted] Milwaukee conducted intensive investigation to locate [redacted] Results of investigation regarding the only [redacted] who had been in Oshkosh disclosed one [redacted] whose father [redacted] advised the FBI of the whereabouts of his son [redacted] on 12/24/74;

[redacted] was located at Madison, Wisconsin, and was interviewed separately and furnished the same story to the FBI as had his father. Also [redacted] claimed he had not been out of Wisconsin for more than one year and had never been to Canada. [redacted] claimed he never heard of [redacted] and has no idea how [redacted] got his name.

Thorough logical investigation to locate any other [redacted] in Oshkosh, Wisconsin, including pertinent directories and agencies in addition to a search of the University of Wisconsin records, State of Wisconsin Driver's License files, and Winnebago County, Wisconsin, Local Draft Board records, disclosed no other [redacted] in the Oshkosh area.

As deemed pertinent to better handling of their assignments in connection with this case, Milwaukee employees will at logical intervals be updated regarding developments in this case.

Informants and contacts will continue to be alerted regarding the subjects and appropriate dissemination of information will be made to local law enforcement in Wisconsin.

NATIONAL CRIME INFORMATION CENTER (NCIC) SEARCH RE WEAPON USED BY PATRICIA HEARST ON 5/16/74:

Milwaukee had an article regarding the .30 caliber Carbine allegedly used by PATRICIA HEARST on 5/16/74 printed in the 2/21/75 issue of the Law Enforcement Bulletin of the State of Wisconsin, Department of Justice.

This article pointed out that the firearm used has not been recovered and requested should a firearm matching the description be recovered, the nearest FBI Office should be contacted. Appropriate employees of the Milwaukee Office and all Agents have been alerted regarding the above.

Milwaukee will continue saturation of publicity and will vigorously follow all leads in this case until a logical conclusion is reached.

HE STATED THAT IN JUNE, 1974, HE AND HIS WIFE CAME TO BERKELEY AFTER ARRANGING TO MEET HIS SON, JACK, THERE. THEY THEN STARTED TO DRIVE IN THEIR CAR TO THE EAST COAST; HOWEVER, WHILE IN BERKELEY, THEY PICKED UP A FEMALE HITCHHIKER, KNOWN ONLY AS KATY, WHO WAS GOING TO OHIO AND THEY LEFT BERKELEY ON ABOUT JUNE 17, 1974. THE INDIVIDUALS MAKING THE TRIP WERE JOHN JOSEPH SCOTT, HIS WIFE LOUISE, JOHN VINCENT SCOTT, AND THE FEMALE HITCHHIKER WHO IS DESCRIBED AS LATIN OR SPANISH EXTRACTION, 25 YEARS, SHOULDER LENGTH, BLACK SHINY HAIR. ACCORDING TO JOHN JOSEPH SCOTT, HIS SON, JACK, AND THE FEMALE HITCHHIKER REGISTERED IN THE VARIOUS MOTELS THEY STAYED AS MAN AND WIFE. JOHN JOSEPH SCOTT STATED THAT IN

EITHER LATE SEPTEMBER OR EARLY OCTOBER, 1974, HIS SON, JACK, AND JACK'S WIFE, MICKI, ARRIVED LAS VEGAS IN A YELLOW VAN HAVING JOURNEYED FROM NEW YORK WITH PART OF THEIR FURNITURE. JOHN JOSEPH SCOTT DISCLAIMS ANY KNOWLEDGE OF PATRICIA HEARST OR THE HARRIS', AND CLAIMS THAT ON THE TRIP EAST, AFTER THEY ARRIVED AT JACK'S APARTMENT IN NEW YORK, NO ONE ELSE WAS THERE AND SPECIFICALLY NOT HIS SON, WALTER. HE ALSO CLAIMS THAT UPON JACK AND MICKI'S ARRIVAL IN LAS VEGAS, HIS SON, WALTER WAS NOT PRESENT AT THE LAS VEGAS APARTMENT.

THE INTERVIEW HAD TO BE TERMINATED INASMUCH AS JOHN JOSEPH SCOTT HAD AN APPOINTMENT WITH HIS ATTORNEY REGARDING HIS GRAND JURY APPEARANCE. HIS ATTORNEY IS DORON WEINBERG, A KNOWN RADICAL ATTORNEY, WHO CONTACTED THE UNITED STATES ATTORNEY'S OFFICE AND ASKED FOR A CONTINUANCE OF JOHN JOSEPH SCOTT'S APPEARANCE BEFORE THE GRAND JURY INASMUCH AS HE (WEINBERG) HAD NOT HAD AN OPPORTUNITY TO DISCUSS ANYTHING WITH HIS CLIENT. BY AGREEMENT, THE APPEARANCE WAS CONTINUED UNTIL MARCH 20, 1975; HOWEVER, JOHN JOSEPH SCOTT APPEARED

BEFORE THE FEDERAL GRAND JURY, SAN FRANCISCO, ON MARCH 6, 1975, IDENTIFIED HIMSELF, AND STATED HE DESIRED TO CONSULT WITH HIS ATTORNEY BEFORE TESTIFYING. THE MATTER WAS THEN PUT OVER UNTIL MARCH 20, 1975. JOHN JOSEPH SCOTT STATED HE HAS NOT SEEN HIS SON, JACK, OR MICKI FOR ONE WEEK WHEN HE LAST SAW THEM IN LAS VEGAS.

RE: LOUISE SCOTT.

ON MARCH 5, 1975, OUR LAS VEGAS OFFICE RE-INTERVIEWED LOUISE SCOTT AND SHE REFUSED TO DISCUSS ANY TRIP THEY MAY HAVE TAKEN TO PENNSYLVANIA AND NEW YORK CITY IN THE SUMMER OF 1974, AS SHE ADVISED THAT HER HUSBAND HAD TOLD HER NOT TO ANSWER ANY QUESTIONS OR FURNISH ANY INFORMATION TO THE FBI.

RE: WALTER AMBROSE SCOTT.

OUR PHILADELPHIA OFFICE HAS ADVISED THAT THEY HAVE INTERVIEWED WALTER AMBROSE SCOTT, THE BROTHER OF JOHN JOSEPH SCOTT, AND HE ADVISED IN EARLY SEPTEMBER, 1974, MICKI SCOTT CALLED HIM AND TOLD HIM THAT THEIR CAR HAD BEEN STOLEN AND IT WAS RECOVERED BY THE PENNSYLVANIA STATE POLICE, HONESDALE, PENNSYLVANIA. MICKI ASKED WALTER AMBROSE TO HANDLE PICKING UP THE CAR AND HANDLE THE CLAIMS BY THE INSURANCE COMPANY WHICH HE DID.

WALTER AMBROSE WAS ADVISED THAT HIS BROTHER, JOHN

SF 7-855

JOSEPH SCOTT, AND WIFE, LOUISE, VISITED HIS HOME IN SCRANTON, PENNSYLVANIA, ON JUNE 24 THROUGH JUNE 26, 1974, STATING THEY HAD JUST BEEN AT JACK AND MICKI'S APARTMENT IN NEW YORK. THEY WERE DRIVING THEIR FORD AUTOMOBILE AND CLAIMED THEY WERE JUST ON VACATION.

RE: JAY WEINER -- GRAND JURY SUBPOENAS.

ON MARCH 6, 1975, FOLLOWING A DISCUSSION WITH DEPARTMENTAL ATTORNEY, BRANDON ALVEY, AND UNITED STATES ATTORNEY, JAMES L. BROWNING, JR., SAN FRANCISCO, A DECISION WAS REACHED THAT THEY WOULD ISSUE A SUBPOENA AT THIS TIME FOR JAY WEINER; HOWEVER, INASMUCH AS VENUE LIES IN THE MIDDLE DISTRICT OF PENNSYLVANIA, THEY CONTACTED THE UNITED STATES ATTORNEY AT SCRANTON AND ARRANGED FOR GRAND JURY SUBPOENA TO BE ISSUED SCRANTON. FOLLOWING WEINER'S APPEARANCE, THEY WILL CONSIDER ISSUING GRAND JURY SUBPOENAS FOR PHILLIP SHINNICK, JOHN VINCENT SCOTT, AND HIS WIFE, MICKI SCOTT.

AND THAT THE LAST TIME HE HAD SEEN THE SCOTTS WAS ON THE LAST PART OF OCTOBER OF FIRST PART OF NOVEMBER, 1974, WHEN THEY WERE STAYING AT THE RESIDENCE OF HIS SON, BILL, IN PORTLAND, OREGON, AND HE WAS THERE VISITING HIS SON. HE HAS NO KNOWLEDGE OF THE FUGITIVES IN CAPTIONED MATTER AND HAS RECEIVED NO INFORMATION REGARDING THE FUGITIVES FROM HIS SON. THE INTERVIEWING AGENTS FELT THAT WALTON WAS COOPERATIVE, BUT GUARDED.

THE NEXT DAY, HE WENT TO THE HOME OF JANE OLMSTEAD IN WASHINGTON AND STAYED FOR FOUR OR FIVE DAYS. FROM THERE, HE WENT TO SCRANTON TO THE HOME OF HIS UNCLE, WALTER AMBROSE.

PHILADELPHIA HAS ADVISED THAT WALTER AMBROSE HAS STATED THAT ON JUNE 23, 1974, THE SOURCE CALLED HIM FROM LAS VEGAS BETWEEN THE HOURS OF 6:00 AND 9:00 A.M. VARIOUS TIMES AT WHICH TIME HE WAS DRUNK AND NEEDED MONEY BADLY. HE ALSO CALLED ON JUNE 24, 1974, FROM LAS VEGAS. HE CALLED COLLECT FROM THE LAS VEGAS AIRPORT ON JUNE 25, AND ALSO ON JUNE 25 HE CALLED FROM WASHINGTON, D.C. ON JUNE 26, HE CALLED AGAIN CALLED FROM WASHINGTON, D.C. WALTER AMBROSE STATED HE TALKED THE SOURCE INTO COMING TO HIS HOME IN SCRANTON AND THE SOURCE ARRIVED IN SCRANTON ON JUNE 28, 1974. WALTER AMBROSE STATED HE IS ABLE TO PINPOINT DATES BECAUSE HE KEEPS A DAILY LOG.

WALTER AMBROSE ALSO ADVISED THAT HIS BROTHER, JOHN JOSEPH SCOTT, AND HIS WIFE, LOUISE, VISITED HIM IN SCRANTON FROM JUNE 24 THROUGH JUNE 26, 1974, STATING THEY HAD JUST BEEN AT

JACK AND MICKI'S APARTMENT IN NEW YORK.

JANE HUNT OLMSTEAD ADVISED THAT THE SOURCE ARRIVED AT HER HOUSE IN WASHINGTON, D.C., AND STAYED WITH HER FROM JUNE 25 THROUGH JUNE 29, WHEN HE LEFT BY PLANE FOR SCRANTON, PENNSYLVANIA, TO VISIT HIS UNCLE.

FROM A REVIEW OF THE ABOVE, IT APPEARS THAT JOHN JOSEPH SCOTT AND LOUISE WERE AT JACK'S APARTMENT IN NEW YORK ON JUNE 23, 1974, AT WHICH TIME THE SOURCE, ACCORDING TO WALTER AMBROSE, WAS IN LAS VEGAS AND DID NOT LEAVE LAS VEGAS UNTIL JUNE 25 WHEN HE APPARENTLY FLEW TO WASHINGTON, D.C., AND STAYED WITH JANE OLMSTEAD.

IN REGARD TO THE DATE OF JUNE 28, WALTER AMBROSE HAD SOURCE AT HIS HOME IN SCRANTON ON THIS DATE. IF THE ABOVE FACTS ARE CORRECT, IT DOES NOT APPEAR THAT THE SOURCE COULD HAVE BEEN IN JACK'S APARTMENT IN NEW YORK WHEN JOHN JOSEPH SCOTT AND LOUISE WERE THERE AND WHEN HE CLAIMED TO HAVE SEEN THE FUGITIVES.

THIS PHILADELPHIA OFFICE IS REQUESTED TO ADVISE IF THEY HAVE ANY INFORMATION WHICH WOULD SHED ANY LIGHT ON THIS

SF 7-655

MATTER AND IF NOT, IT IS REQUESTED THAT PHILADELPHIA, AT SCRANTON, RECONTACT WALTER AMBROSE AND DETERMINE IF HE HAS HIS BILL SHOWING THE COLLECT CALLS FROM THE SOURCE ON JUNE 25TH AND 26TH. IT APPEARS THAT THE CALLS ON THE 23RD AND 24TH OF JUNE FROM LAS VEGAS WERE NOT COLLECT AND WERE CHARGED TO THE TELEPHONE OF JOHN JOSEPH SCOTT; [redacted]

Mrs. LOUISE SCOTT was contacted and interviewed at her apartment, Camelot Apartments, 5016 Maryland Parkway South, at which time she furnished the following information:

Mrs. SCOTT advised that approximately one week ago MICKEY SCOTT, wife of the younger son JACK SCOTT, came to Las Vegas on some Sunday evening, February 16, 1975. She advised that she and her husband picked her up at Mc Carran Airport at approximately 8:30 that evening. She stated that MICKEY stayed with them until Tuesday morning February 18, 1975, at which time they took her to Mc Carran Airport at approximately 7:30 a.m. where she got a flight to either Portland or San Diego. Mrs. SCOTT stated that she was going to meet a lady by the name of HUEY since both MICKEY and this HUEY lady were in the process of writing a book.

Mrs. SCOTT was then asked if during the Summer of last year if she along with her husband, her son JACK, and MICKEY had taken a trip. She hesitated for a minute and then stated "Yes, we're having so much trouble with our oldest son WALTER that we all left on a trip."

Before the interviewing Agent could determine dates, places, times, etc., regarding this trip her husband JOHN SCOTT entered the room and told Mrs. SCOTT that these individuals (referring to the interviewing Agents) wanted any information about us they should contact our attorney in San Francisco.

In view of the above the interview was terminated.

JOHN JOSEPH SCOTT was approached in his office at Apartment 1, 5016 South Maryland Parkway, Las Vegas, Nevada, and a short discussion was had with him concerning the harassment calls he had complained of receiving on his telephone. Mrs. SCOTT was present but excused herself and went into another room. SCOTT was then asked if he would step outside to the Bureau car so that we could have a further discussion with him to which he readily assented. At the Bureau car SA [redacted] advised SCOTT that we desired to speak to his son, JACK SCOTT, concerning the PATTY HEARST kidnaping. SCOTT replied that his son, JACK, was in Portland at the WALTON house, and that if we desired to speak to him that we should go there and do so. Agent [redacted] then told SCOTT that we also wanted to ask him questions concerning the PATTY HEARST kidnaping and the individuals possibly connected with the kidnaping. At this time Agent [redacted] displayed photos of WILLIAM TAYLOR HARRIS, FBI Number 308668L5, EMILY MONTAGUE HARRIS, FBI Number 325804L2, PATRICIA CAMPBELL HEARST, FBI Number 325805L10, plus a reprint from People Magazine of December, 1974, which contains various drawings of PATTY HEARST. SCOTT replied that he has never seen any of these individuals and did not know them, except what he had read in the newspaper.

b7c

SCOTT was asked when he had last seen JACK SCOTT's wife, MICKEY. SCOTT replied that he had seen her a week ago Monday when she had visited Las Vegas on her way to San Diego where she is collaborating on a book with some woman in San Diego. SCOTT stated that MICKEY and JACK SCOTT were in Portland, Oregon, at BILL WALTON's residence.

SCOTT was advised by Agent [redacted] that the FBI had information that he, SCOTT, might have seen PATTY HEARST in Las Vegas last fall and might have been instrumental in harboring her. SCOTT denied ever seeing PATTY HEARST in Las Vegas or anywhere else. He denied assisting PATTY HEARST or the HARRISES in any way. He denied making any trip to Berkeley, California, last fall in connection with PATTY HEARST or the HARRISES. He denied being away from his apartment on Casada Way in Las Vegas for a two week period in the late Summer or early Fall of 1974, and denied making a trip

across the country in association with the HARRISES or PATTY HEARST. When questioned as to whether or not his son, JACK SCOTT, and wife, MICKEY, knew anything concerning the HEARST kidnaping, SCOTT replied, "I don't know, ask them".

SCOTT then made a general statement about harassment and stated that his attorney was VINCENT HALLANAN in San Francisco. At this time SCOTT was advised by Agent [redacted] of the harboring statute concerning aiding and abetting Federal fugitives and of the penalties thereof. SCOTT then said he had nothing further to say and referred any further questions to his attorney and walked into his apartment where SAS [redacted] were talking to his wife. SCOTT at this time told his wife not to talk to the interviewing Agents and reiterated that the Agents could contact his attorney. SCOTT at this time complained that his wife suffered from hypertension and that he might wind up suing the Government if anything happens to her.

Date 3/4/75

JOHN JOSEPH SCOTT at 5106 Maryland Parkway, Apartment 1, Las Vegas, Nevada, was recontacted concerning the present location of his son JACK SCOTT. Present during the conversation with JOHN JOSEPH SCOTT, was his wife LOUISE SCOTT, who invited the interviewing Agents into his apartment and furnished the following information:

SCOTT stated that he had just been involved in a heated argument with a Mexican tenant over a refund of an apartment deposit.

Concerning his son JACK, SCOTT advised that his son JACK was present in this apartment on Wednesday, February 26, 1975, when the interviewing Agents served the GrandJury subpoena. When asked why he didn't mention the presence of his son in the apartment at the time, SCOTT stated that "you didn't ask me." SCOTT explained that his son JACK had unexpectedly arrived in Las Vegas, On Wednesday, and departed that same evening to an unknown destination. SCOTT stated that his son JACK lectures extensively throughout the country concerning drugs and sports and they never know when he might stop in Las Vegas to visit them. SCOTT stated that he assumed that his son JACK and JACK's wife would be in Portland, Oregon, at BILL WALTON's residence.

Concerning any trip that he and his wife LOUISE made in the late summer or early fall while living at 6400 Casada Way, Las Vegas, SCOTT stated that he did make a trip "not in September," to San Francisco to see his doctor, a Doctor IVERSON (phonetic). SCOTT stated that he formerly worked at the Clay Jones Hotel in San Francisco, and had two "free falls" in an elevator as a result of cable failure in 1970, and 1971. SCOTT explained that he received a prescription for Codeine from Doctor IVERSON, which Las Vegas pharmacists would not fill, because it was written by an out of state Doctor. When questioned concerning the exact date or time of his visit to San Francisco, SCOTT stated that he would save that for the Grand Jury appearance. SCOTT advised that he intended to appear before the Federal Grand Jury and that he intended to testify truthfully since he had nothing to hide. SCOTT stated he would arrive in San Francisco on

Wednesday, March 5, 1975, the day before the Grand Jury appearance, because although there was a flight into San Francisco arriving at 8:30 AM, he was afraid it would not be early enough to make the 9:30 AM appearance if he should be delayed in any way. Later in the conversation, SCOTT stated that the reason he was traveling to San Francisco, on Wednesday, was in order to contact his attorney, VINCENT HALLANAN. SCOTT stated that even if his attorney should recommend that he cite the Fifth Amendment privilege in his appearance before the Grand Jury, he would disregard the attorney's advice and testify fully and truthfully.

SCOTT related that his son JACK was very upset over the fact that his parents had received a Federal Grand Jury subpoena. SCOTT stated that his wife would not accompany him to San Francisco when he was to appear before the Grand Jury.

During the ensuing conversation with SCOTT, he related that he had been an alcoholic until 1969, and was in several hospitals. SCOTT stated that he has not taken anything alcoholic since 1969, when he realized what he had done to his wife and family.

Concerning his son WALTER, SCOTT related that WALTER is a "Jekyll and Hyde" personality and is a maniac when drunk. SCOTT said that he and his wife are deathly fearful of WALTER and have had trouble with him ever since he was in high school. SCOTT related that on one occasion WALTER assaulted his eight month pregnant wife, and on another occasion beat up five other guys when WALTER was in the U.S. Marine Corp. He said he did not know where WALTER was presently located and last heard from him when he was in Philadelphia. SCOTT stated that WALTER has been in and out of three or four mental institutions in and around Washington, D.C., area, and has such intelligence that he can talk his way out of any hospital. SCOTT related last fall, when WALTER was visiting them at the Casada Way Apartment, when he was drunk he grabbed a 22 rifle in the apartment, and threw it towards his mother on the bed. He then grabbed the rifle and started to beat his father. SCOTT stated that his right arm from the elbow to the shoulder was black and blue from the beating, and the police were called to calm JACK down. SCOTT further advised, there is a warrant outstanding in Las Vegas,

for his son WALTER, therefore, they believed he will not return to Las Vegas on this account. SCOTT stated that he and his wife had their suitcase packed and in the trunk of the car ready to move from the Casada Way Apartment, in order to get away from their son WALTER; and were in fear that he would see the suitcases, realizing what was happening and again fly off the handle.

SCOTT related that his son JACK is the opposite of WALTER, good hearted, and has always tried to help them in any way he could with WALTER. SCOTT stated that on one occasion last year, WALTER was gambling and wanted some money and JACK stated that he would furnish WALTER an airline ticket, but no money, to fly to Scranton, Pennsylvania, and would leave $1,000 with Western Union to be picked up by WALTER when he arrived. SCOTT stated that this was done, and within a very short time, WALTER had spent the $1,000, and sought more money from his parents. SCOTT stated on another occasion, WALTER had stolen $450 belonging to his mother. SCOTT stated as a result of the problems that they have had with WALTER over the years, they are financially strapped.

SCOTT stated that his son WALTER did work for Summa Corporation prior to getting a job with an oil company overseas. The older SCOTT inquired as to whether or not the interviewing Agents knew where WALTER SCOTT was located.

SCOTT stated that both of his sons are highly intelligent and have an IQ just below that of EINSTEIN.

SCOTT related another incident concerning his son WALTER on an occasion when he and his wife attended a football game with some neighbors from the Casada Way Apartment with WALTER. WALTER got into an argument with another man in the parking lot and demanded his father's belt. SCOTT stated that he took off his belt and gave it to his son since he was afraid not to. WALTER then wrapped the belt around his hand and was about to get into a fight with the other individual when the neighbor managed to talk him out of it.

SCOTT advised that his son JACK has testified before a congressional meeting concerning drugs and sports; and Mrs. SCOTT displayed a newspaper clipping concerning the appearance and also displayed a photograph of the Nixon family from the White House.

Date 3/10/75

LOUISE SCOTT, 5016 Maryland Parkway South, was reinterviewed in her apartment, Camelot Apartments, at which time she furnished the following information:

Mrs. SCOTT spent the first hour furnishing detailed information pertaining to family history about her two sons, WALTER and JACK. She described WALTER as being absolutely crazy, a drunk, violent, and that she wanted nothing to do with him whatsoever. She considered JACK to be a brilliant person and a person who has been extremely good to her and to her husband.

Mrs. SCOTT stated that the reason why JACK was terminated at Overland College, Ohio, approximately one year ago was due to the fact that he had hired two Negro athletes who gave the black power salute during the Olympics in Mexcio City. She advised that one of these was named C. KASS JACKSON. The other she did not know. She advised that this was the reason for JACK moving to Berkeley, California, to work on his Doctor's degree, and while at Berkeley, California, became associated with members of the Anti-War Movement and became actively involved in Anti-War demonstrations.

Mrs. SCOTT stated that she and her husband along with her son and MICKEY had taken several trips together and advised that they frequently visited them while they were at Berkeley, California; however, refused to discuss any details about an arranged trip they had taken this past Summer, 1974, to Pennsylvania and New York City.

Mrs. SCOTT will neither admit nor deny this trip, and stated that her husband told her to furnish no information about this trip to the FBI if they came back for requestioning her while he was in San Francisco testifying before the Federal Grand Jury. She did advise, however, that during the Summer of 1974, they were in JACK and MICKEY's apartment in New York City, and described the apartment as being on the third floor, which you had to walk up three flights of stairs to reach it.

She stated that she has met many friends and associates of both JACK and MICKEY, however, could not recall any names in particular, and stated that she met the associates while JACK was in Overland, Ohio, and Berkeley, California. She advised that some of these associates did accompany them on several trips.

She advised that while in New York, JACK and MICKEY made the comment that they were looking for a place in the country where it would be quiet and secluded so that they could write, since it was so noisy in New York City and around their apartment that they could not enjoy peace and quiet.

She advised that at no time was she at a farm with JACK and MICKEY in Pennsylvania during the Summer of 1974.

S She advised that during the past several years her son WALTER had taken about all the family funds and also had received an amount of money from JACK. She stated that her husband and JACK had given WALTER in the neighborhood of about $30,000 over the past few years.

Mrs. SCOTT advised that JACK was a close friend of BILL WALTON. The reason for this close association was because of JACK helping WALTON getting to the University of California at Los Angeles and was a strong instigator of WALTON's joining the Portland Trailblazers basketball team. She advised that MICKEY and JACK were residing with the WALTONS in Portland, Oregon, in a house in which the owner of the Trailblazers built for BILL WALTON and sold to him for $100,000.

Mrs. SCOTT stated that she had no additional information to furnish and stated that if necessary she would be willing to appear before the Federal Grand Jury in San Francisco, California, to testify.

Re Dental Chart of Patricia Campbell Hearst.

Re San Francisco Nitel to the Bureau, Et Al, 2/28/75 concerning the comparison of dental chart of a deceased female body recovered 11/27/74 in South Bend, Indiana, against dental records of Patricia Campbell Hearst.

Referenced San Francisco Nitel sets forth the results of dental chart comparisons made of a deceased female body recovered 11/27/74 at South Bend, Indiana, against dental records of Patricia Campbell Hearst. Dr. DAVID S. ALLEN, who was PATTY HEARST's orthodontist for approximately a five year period, advised that most of PATTY HEARST's dental cavities were done in gold as opposed to silver and amalgam type fillings. Contact with CHAUNCEY CROSS, DDS, 1007 Leland, Springfield, Illinois, revealed that the American Dental Association, 211 E. Chicago Ave., Chicago, Illinois, prints a bi-monthly newsletter and a monthly journal which is distributed nation-wide to dentists.

If not already done and considered possibly worthwhile, the Bureau and San Francisco should consider furnishing the American Dental Association with PATTY HEARST's dental chart and photograph to be published in the newsletter and/or journal, in view of the fact that most of her cavities have been filled with gold.

On February 26, 1975, at approximately 8:30 a.m., an attempt was made to interview JAY WEINER, 1102 Elbridge Street, Philadelphia, Pa. The interviewing agents knocked on the door and rang the bell of the residence described above. An individual later identifying himself as SAMUEL WEINER, father of JAY WEINER, arrived at the house at the same time the agents were ringing the door bell. Both agents identified themselves to Mr. WEINER and Mr. WEINER invited the agents to come inside. He then summoned his son, JAY WEINER, to the downstairs living room area.

Upon JAY WEINER's entrance to the room, both agents identified themselves as FBI Agents and showed WEINER credentials. WEINER wrote down the names of both agents. JAY WEINER was advised by SA [redacted] that the agents wished to interview him regarding any knowledge he might have of the whereabouts of PATRICIA HEARST. WEINER replied that he did not want to talk to FBI Agents about this matter or any other matter. He then asked the interviewing agents to leave his home.

At this point, SA [redacted] spoke to SAMUEL WEINER and made arrangements for separate interview of SAMUEL WEINER at a later time. These arrangements were made over the objection of JAY WEINER. SAMUEL WEINER indicated a desire to talk privately with the agents at a time to be arranged later. He furnished the agents with his name and home telephone number. The interview was then terminated.

JAY WEINER voluntarily appeared at the Philadelphia Office of the FBI on February 27, 1975 and was interviewed by SA [redacted] and SA [redacted]. WEINER advised that he was aware of the identities of both agents. He was advised by SA [redacted] that he was being questioned regarding his knowledge of the whereabouts of PATRICIA CAMPBELL HEARST, WILLIAM TAYLOR HARRIS, and EMILY HARRIS, all FBI fugitives. He was advised of the provisions of the Federal Harboring Statute by SA [redacted] and was presented a standard FBI Warning and Waiver form setting out his constitutional rights, which he read and stated that he understood. He declined to sign the form, but reaffirmed that he would consent to limited interview and understood his rights as contained on the form. By limited interview he said he meant that there were certain questions he was not prepared to answer because they might reflect on persons that were friends of his.

WEINER was asked why he had changed his mind and decided to come to the FBI Office for interview. He advised that he did this for several reasons. He said that he did not particularly like the FBI, but felt he had been rude to the agents who interviewed him the previous day as persons and wished to correct this. He advised also that his family had had some influence on his decision.

When questioned regarding his relationship with JACK SCOTT, WEINER supplied the following information:

WEINER advised that he was acquainted with JACK SCOTT at Oberlin College, Ohio, and became very friendly with him there. He also had known JACK SCOTT at Berkeley, Calif. He advised that his relationship with SCOTT is

similar to that of a brother and that he considers JACK's wife, MICKI, to be as a sister to him. WEINER advised that he is well acquainted with PHIL SCHIMNICK, another friend of JACK SCOTT, and is friendly with SCHIMNICK's wife. WEINER stated that he has never seen the fugitives mentioned above and is certain that he has never met them inadvertently. His only knowledge of them since the kidnapping of PATRICIA HEARST has come through reading newspapers and periodicals. He advised that he might have peripheral information, but is not involved in harboring them in any way. WEINER stated that he would consider harboring these persons or transporting them to be a very grievous matter and would consider that if anyone else did it, it would be grievous for them.

WEINER was asked if he had attempted to reach JACK SCOTT following his (WEINER's) visit the previous morning by FBI Agents. WEINER stated that he had attempted on several occasions to get a hold of SCOTT as a result of that interview, but had been unable to do so.

WEINER was asked whether he had been to Scranton, Pa., during the summer of 1974. He refused to answer that question. He advised that he also took a trip during December of 1974. He stated that this in no way involved transportation of the fugitives mentioned above. He drove to Memphis and picked up a girl, who was a student with him at Oberlin College. He then drove to Chicago and Las Vegas. He stopped with the girl in Las Vegas and saw JACK SCOTT's parents. He then drove to San Jose, Calif., where he dropped off the girl. He then proceeded to Portland and then to San Francisco. From San Francisco he drove to Boulder, Colo., where he left his car. He then flew to Portland and back to Boulder. He stated his reason for visiting Boulder was to see friends that lived in the Boulder area.

PH 7-1299

WEINER was again questioned regarding any trips he took to Northeast Pennsylvania, specifically the Scranton area, during the summer of 1971. He again refused to furnish any information in that regard, but said he wished to think about it and be interviewed again within several days. The interview was then terminated.

FEDERAL BUREAU OF INVESTIGATION

Date of transcription 3-10-75

JAY WEINER, 1102 Kilbridge, Philadelphia, Pennsylvania, was reinterviewed during the early evening hours of March 3, 1975, by SAs [redacted] and [redacted]. WEINER was interviewed in the presence of his parents, Mr. and Mrs. SAMUEL WEINER, as requested by both JAY WEINER and his parents. He was interviewed at his home, the address of which is indicated above.

WEINER acknowledged that he was aware of the identities of both agents as Special Agents of the FBI, and that he was aware of the purpose of the interview. Mr. and Mrs. WEINER at this point had been made aware of the identities of both agents and the purpose of the interview by SA [redacted]

WEINER was again advised of his rights by SA [redacted] and was presented a standard FBI warning and waiver form, which he read and stated that he understood. WEINER refused to execute the form, but acknowledged that he did understand his rights and would consent to interview. When questioned regarding his knowledge of a trip allegedly made by him to the Scranton, Pennsylvania area during the summer of 1974, WEINER supplied the following information:

JAY WEINER stated that in late July or August of 1974, he was in New York City, and met friends of his, JACK and MICHAEL SCOTT, at their apartment. The purpose of the meeting was for WEINER and the SCOTTS to go on "an outing" to the Scranton, Pennsylvania area, which is the original home of JACK SCOTT. The purpose of the trip was to acquaint JAY WEINER with the Scranton area, which had been discussed in many conversations with the SCOTTS. WEINER stated that

he had always wanted to visit Scranton and have a special brand of hot dog called "Texas Hots," which is a local favorite in the Scranton area. WEINER advised that there was no other purpose for the visit.

NICKI SCOTT, JACK SCOTT and JAY WEINER proceeded in JAY WEINER's Volkswagen, leaving New York City around Noon and going to the Scranton, Pennsylvania, general vicinity. WEINER recalled that shortly before arriving at Scranton, and a short distance from Scranton, they turned off the main road and went to a house, which JACK and NICKI told him they were renting or were about to rent for a place to get away and write. WEINER recalled that he and JACK and NICKI stopped at the house and stayed for approximately twenty minutes. No one was at the house according to WEINER. WEINER used the bathroom facilities and after staying fifteen or twenty minutes, the SCOTTS' and WEINER drove on to Scranton. WEINER at this point was shown a photograph of a farmhouse in the Lake Ariel vicinity. WEINER was unable to state whether this was in fact the farmhouse. He advised that the only thing he could recall was that there was a piano downstairs in the house. He stated that he could not tell whether or not anyone was living there and had no impressions in this regard. WEINER denied that he met anyone at that house and stated that this was his only visit to the house.

Upon leaving the house, JAY WEINER, NICKI SCOTT and JACK SCOTT proceeded by car to the Scranton, Pennsylvania area where they saw a semi-pro football game, involving the Lackawanna County Eagles and the Chambersburg Cardinals. The weather was very cold and because of the cold, WEINER and the SCOTTS' left at half time and drove directly back to New York City. According to WEINER, they did not stay at the farm that night and drove directly back to New York. WEINER advised also that the SCOTT's dog, SIGMUND, accompanied them on the trip.

Date of transcription 3/10/75

JANE HUNT OLMSTEAD was interviewed at her residence, 751 Delaware Avenue, S.W., Washington, D.C. She freely and voluntarily furnished the following information:

She stated that her home telephone number is (202) 737-3612. She stated that she is employed as an eleventh grade American Literature teacher at the High Point High School in Beltsville, Maryland. Her work telephone is (301) 937-1000.

She stated she is acquainted with WALTER SCOTT. She has known him since 1972 when she met him at a singles function in suburban Maryland. [redacted] WALTER would never drink around her and has extremely strong feelings against the use of any kind of narcotics. He is extremely proud of being a United States Marine Corps veteran of the Korean War and is also proud of having attended West Point for a period of time. His feelings are basically conservative and he is a real "child of the 1950's".

b7c

She has never meet WALTER's brother JACK or WALTER's parents. She knows that WALTER both loves and hates his brother. She believes him to be somewhat jealous of his brothers success. WALTER has bragged to her about JACK's success at Oberlin College and in other fields. Although she has never met JACK in person she has talked to him on the phone and his wife MICKI on the phone. This was done in the past by her, trying to locate WATER, since WALTER would often call her in the middle of the night from an unknown phone number. She has also talked to WALTER's parents on the telephone but has never met them in person. She has talked to the parents regarding WALTER's location and her attempts to locate him. WALTER, in the past, has indicated to her that his parents are pretty messed up. She understands WALTER's parents to be not native born American citizens. His father is from England and his mother is from Ireland.

Interviewed on 3/6/75 at Washington, D.C. File # WFO 7-1201

b7c

by SAS [redacted] and Kismv Date dictated 3/7/75

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.

ENCLOSURE 7-1500-3610

WALTER has stated that his brother JACK smokes "dope" a lot and she understands from him that JACK has been to Cuba. The last she knew was that JACK SCOTT had an apartment in New York City and had a listed phone for some type of society. She remembers that she called this phone number in New York towards the end of May in an attempt to locate WALTER. Previous to that time she has also had been in contact with JACK SCOTT's telephone number in Oberlin, Ohio in an effort to contact WALTER.

b7c [redacted]

She recalled that she had actually made reservations at a lecture series in Washington, D.C. and had to cancel her attendance because suddenly WALTER appeared knocking at her door on June 25. She had no idea he was coming. As she recalls the reason for his visit was to hunt for a job and during his period of stay he visited the National Institute of Health in Bethesda, Maryland where he applied for a job. During his visit they did not go out much because she was afraid that WALTER would start drinking. He does not usually drink around her but will wait until she is not watching.

WALTER did not talk about what he previously been doing before his visit to her but during the period of stay he called someone in Scranton, Pennsylvania on just about a daily basis. The number he called was (717) 346-9275 and he called this number from June 26 through June 29, 1975. This could be WALTERS uncle's telephone number in Scranton. WALTER also called, on June 28, 1975, telephone number (717) 346-8711 in Scranton, Pennsylvania.

WALTER left by plane on June 29 from Washington National Airport for Scranton, Pennsylvania where he was going to visit his uncle. She knows this since she brought him to the airport. She stated that her and WALTER had a big fight before he left.

During the summer and fall of 1974 he would contact her sporadically by telephone and send her a Christmas card. She believes in the late fall he was out of the country because of some of the letters.

During the first two weeks in January WALTER came to the Metropolitan Washington, D.C. area again and stayed at the Linden Hill Motor Inn/Hotel in Bethesda, Maryland, 5400 Pooks Hill road, telephone (301) 530-0300. Although she never saw

him in person during this period of time, she talked to him quite often on the telephone. It was during this period of time that WALTER began to say that his parents and JACK SCOTT were in a good deal of trouble and that he had been talking to the FBI.

OLMSTEAD stated that he never mentioned the HEARST case to her as being anything anybody was involved in. She assumed that the trouble with his relatives were involved in was regarding narcotic smuggling. She assumed this since he had indicated they traveled around quite a bit and that his brother was a heavy narcotics user.

She was shown photographs of WILLIAM TAYLOR HARRIS, EMILY MONTAGUE HARRIS and PATRICIA HEARST. She recognized HEARST's photograph from exposure in the press but stated that she has never seen any of the three individuals personally and knew nothing whatsoever about the case.

She promised her cooperation with the FBI and stated that she would tell no one that the FBI had contacted her regarding WALTER or the PATRICIA HEARST matter.

HE STATED THAT ON MARCH 12, 1975, WALTON AND GUTH WOULD BE IN HIS OFFICE AND HE WOULD TALK TO THEM ABOUT BEING INTERVIEWED BY THE FBI. ON MARCH 12, 1975, GUTH AND WALTON WERE INTERVIEWED IN GARRY'S PRESENCE AT WHICH TIME BOTH DENIED HAVING ANY KNOWLEDGE OF THE WHEREABOUTS OF THE FUGITIVES, BOTH

DENIED THEY HAD BEEN TOLD BY JACK OR MICKI SCOTT ANYTHING CONCERNING THE FUGITIVES, AND BOTH DENIED THEY KNEW ANY CONNECTION BETWEEN JACK AND MICKI SCOTT AND THE FUGITIVES.

WALTON STATED THAT HE FIRST PERSONALLY MET JACK SCOTT EARLY SEPTEMBER, 1974*, WHEN JACK FLEW TO OREGON ON THE SAME DAY THAT SUSAN GUTH DID. GUTH PLACES THIS DATE AT EITHER AUGUST 31, 1974, OR SEPTEMBER 1, 1974. WALTON STATED THAT SOMETIME AFTERWARDS, ON A DATE WHICH HE DOES NOT RECALL, MICKI SCOTT ARRIVED. GUTH PLACES THIS DATE AT APPROXIMATELY SIX WEEKS AFTER JACK'S ARRIVAL AND WHEN MICKI ARRIVED, SHE WAS DRIVING A YELLOW VAN WITH FURNITURE IN IT. GUTH BELIEVED JACK WAS PRESENT. GUTH STATED THAT AS FAR AS SHE CAN RECALL, JACK STAYED AT THE WALTON RESIDENCE ALL OF SEPTEMBER, 1974. SHE POINTED OUT, HOWEVER, THAT SHE (GUTH) WAS AWAY FOR AT LEAST ONE WEEK AND DOES NOT KNOW IF JACK WAS THERE DURING THAT PERIOD. WALTON WAS AT TRAINING CAMP IN SALEM FOR TWO WEEKS BEGINNING SEPTEMBER 18, 1974. BOTH GUTH AND WALTON DESCLAIMED ANY KNOWLEDGE OF THE WHEREABOUTS OF JACK OR MICKI SCOTT.

* when J. Scott first lived with Walton see FD 302 1/16/74 CI 74094

WALTON GIVES THE IMPRESSION OF BEING MENTALLY SLOW AND IS A VERY SOFT-SPOKEN INDIVIDUAL WHO APPEARS TO HAVE LITTLE REGARD FOR DATES OR TIMES. BOTH HE AND GUTH CLAIM THAT THEIR LIFE-STYLES ARE SUCH THAT MANY PEOPLE RESIDE AT THEIR HOUSE AT VARIOUS TIMES, INCLUDING ATHLETES AND WRITERS, AND THEY ARE UNABLE TO PINPOINT DATES OF ARRIVAL AND DEPARTURE OF THESE INDIVIDUALS.

ARMED AND DANGEROUS.

GENERAL INVESTIGATIVE DIVISION
KIDNAP SUMMARY

San Francisco Office (SFO) by attached teletype advises prime objective is to get J. Weiner before Federal Grand Jury so that his information will become a matter of record as sworn testimony. If cooperative, attempts should be made to target him against the Scotts and their associates since it appears that if any one knows current whereabouts of fugitives, it is Jack and Micki Scott. Current whereabouts of Jack and Micki Scott remains unknown; however, with Weiner's testimony, we will have sufficient probable cause to obtain harboring warrants. Primary objective remains the location of our fugitives and obtainment of harboring warrants will be held in abeyance pending Weiner's willingness to cooperate. SFO plans on obtaining subpoena for Philip Shinnick's appearance before grand jury probably in San Francisco.

Subsequent Los Angeles teletype dated 3/12/75, sets forth results of in-depth interview of [redacted] sincere and cooperative and furnished specific details concerning Jack and Micki Scott, Bill Walton, and [redacted] relationship to these people. [redacted] believes Walton and Susan Guth unaware of Scott's involvement and present whereabouts.

On 3/11/75, John L. Guth, Assistant U. S. Attorney (AUSA), Civil Division, Los Angeles, was interviewed concerning his sister Susan Guth. AUSA Guth is cooperating and has agreed to contact his sister privately concerning this matter.

On 3/12/75, Susan Guth and Bill Walton were interviewed in the presence of their attorney Charles Garry at which time Walton denied knowledge of whereabouts of fugitives, that they have been told by Jack or Micki Scott anything concerning these fugitives, and that they knew of any connection between Jack and Micki Scott and the fugitives. Walton stated that many people reside at his house including athletes and writers and that he is unable to pinpoint dates of arrivals and departures of these individuals.

General Investigative Division monitored local broadcast 6:30 a.m., 3/13/75, that U. S. Attorney's Office, Harrisburg, Pennsylvania, announced they may seek indictments for one or more individuals who harbored Patricia Hearst in the Honesdale, Pennsylvania, area last year.

Philadelphia Office instructed to seek seal of J. Weiner's Federal Grand Jury testimony and request any indictments be withheld at this time to allow use of Weiner as source.

Investigation continuing and SFO being apprised.

RE: PH 4389-PCI - INFORMATION FROM JAY WEINER.

RE CLEVELAND TELETYPE TO BUREAU MARCH 12, 1975. 5003

INTERVIEW WITH WEINER APPEARS TO BE OUR FIRST MAJOR BREAKTHROUGH SINCE INITIAL INFORMATION OBTAINED FROM PHILADELPHIA SOURCE, AND EVERY EFFORT MUST BE MADE TO CAPITALIZE ON IT. IT APPEARS OUR FIRST OBJECTIVE SHOULD BE TO GET WEINER BEFORE THE FEDERAL GRAND JURY SO THAT INFORMATION WILL BE MADE A MATTER OF RECORD AS SWORN TESTIMONY.

REC-107 7-15200-5012

FOLLOWING THIS, IF HE IS COOPERATIVE, WE SHOULD ATTEMPT TO TARGET HIM AGAINST THE SCOTTS AND THEIR ASSOCIATES SINCE SF FEELS THAT IF ANYONE IN THIS GROUP KNOWS THE CURRENT WHEREABOUTS

22 APR 1 1975

TELETYPED TO:

84 JUL 30 1975

OF OUR FUGITIVES IT IS JACK AND MICKI SCOTT, IT BEING NOTED THAT MICKI SCOTT WAS LAST IN CONTACT WITH WEINER TELEPHONICALLY ON MARCH [illegible], 1975. AS BUREAU AWARE, THE CURRENT WHEREABOUTS OF JACK AND MICKI SCOTT IS UNKNOWN.

IT APPEARS THAT BASED UPON INFORMATION OBTAINED FROM WEINER WE HAVE SUFFICIENT PROBABLE CAUSE TO OBTAIN HARBORING WARRANTS AGAINST JACK AND MICKI SCOTT, HOWEVER, AS PREVIOUSLY INDICATED OUR PRIMARY OBJECTIVE IN THIS INVESTIGATION IS TO DETERMINE THE LOCATION OF OUR FUGITIVES. IT IS FELT THE OBTAINMENT OF SUCH WARRANTS SHOULD BE HELD IN ABEYANCE PENDING DETERMINATION AS TO WEINER'S WILLINGNESS TO COOPERATE WITH US, AND AN EARLY CONTACT WITH ATTORNEY CHARLES GARRY IN AN EFFORT TO INDUCE GARRY TO HAVE HIS CLIENTS, JACK AND MICKI SCOTT, VOLUNTARILY COOPERATE WITH US.

AFTER WEINER'S APPEARANCE BEFORE THE GRAND JURY, SAN FRANCISCO PLANS ON OBTAINING A SUBPOENA FOR SHINNICK'S APPEARANCE BEFORE A GRAND JURY, PROBABLY IN SAN FRANCISCO.

SAN FRANCISCO STRONGLY FEELS THAT THE INFORMATION FROM WEINER SHOULD IN NO WAY ALTER OUR CURRENT COURSE OF OPEN AND DIRECT INVESTIGATION.

FOLLOWING PRELIMINARY LEADS BEING SET FORTH BASED UPON REVIEW OF INFORMATION FURNISHED BY WEINER.

PHILADELPHIA, AT SCRANTON, SHOULD DETERMINE THE DATE OF THE MINOR LEAGUE FOOTBALL GAME BETWEEN LACKAWANNA AND THE CHAMBERSBURG CARDINALS IN THE SCRANTON STADIUM (SEE PAGE NINE OF RETEL).

AT PHILADELPHIA, DETERMINE IF THE CALL MADE BY MICKI SCOTT TO WEINER ON MARCH 1, 1975 WAS COLLECT OR PRE-PAID (SEE PAGE 13 OF RETEL).

PHILADELPHIA REFER TO PAGES EIGHT AND NINE OF RETEL WHERE IT IS INDICATED THAT WEINER, JACK AND MICKI SCOTT ON AUGUST 17, 18 OR 19TH VISITED THE LAKE ARIEL FARM AND NO ONE ELSE WAS PRESENT AND WEINER GOT THE IMPRESSION THAT THE FUGITIVES WERE STILL IN THE IMMEDIATE AREA OF LAKE ARIEL. PHILADELPHIA IN THE LAKE ARIEL AREA, SHOULD CONDUCT INVESTIGATION TO DETERMINE

IF THE FUGITIVES AND WENDY YOSHIMURA COULD HAVE MOVED TO ANOTHER FARM OR RESIDENCE IN THIS LOCATION.

NEWARK AT ATLANTIC CITY, NEW JERSEY, LOCATE AND INTERVIEW MARTY MILLER AT STOCKTON STATE COLLEGE REGARDING ANY KNOWLEDGE HE MAY HAVE ABOUT JACK AND MICKI SCOTT'S HARBORING AND TRANSPORTING THE FUGITIVES AND THEIR PRESENT WHEREABOUTS.

NEWARK ALSO DETERMINE PRESENT WHEREABOUTS OF SHINNICK SO THAT WHEN SUBPOENA OBTAINED HE MAY BE IMMEDIATELY SERVED.

INDIANAPOLIS, AND OMAHA, REFER TO PAGES 10 AND 11 OF RETEL REGARDING THE TRAFFIC STOP MADE BY A STATE TROOPER ON JACK SCOTT WHICH WOULD HAVE OCCURRED EITHER ON THE DATE OF THE INDIANA-IOWA GAME OR SHORTLY THEREAFTER WHICH SHOULD HAVE BEEN IN THE LATTER PART OF SEPTEMBER, 1974. THE TRUCK IN QUESTION IS A YELLOW FORD ECONOLINE BEARING THE WORDS RYDER AND HAVING NEW YORK COMMERCIAL PLATES 1038-GC. INDIANAPOLIS, AND OMAHA, SHOULD ATTEMPT TO DETERMINE IF ANY RECORD WAS MADE OF THIS STOP AND IF THE TROOPER REMEMBERS, HOW MANY PEOPLE WERE IN THE VEHICLE AND WHETHER HE MADE A RECORD OF THE TRAFFIC STOP.

PHOTOS OF MICKI AND JACK SCOTT BEING FURNISHED OMAHA AND INDIANAPOLIS BY AIRMAIL, HOWEVER, ABOVE INVESTIGATION SHOULD NOT BE HELD IN ABEYANCE PENDING RECEIPT OF THESE PHOTOS.

NO LEADS ARE BEING SET FORTH TO INTERVIEW INDIVIDUALS WHOM WEINER CONFIDED IN ABOUT HIS CONTACT WITH THE FUGITIVES AT THIS TIME SINCE IF HE IS COOPERATIVE WITH US IT MIGHT JEOPARDIZE HIS EFFECTIVENESS.

ARMED AND DANGEROUS.

GENERAL INVESTIGATIVE DIVISION

Attached details corroborative interview of harboring suspect Jay Weiner, which is consistent with information furnished by former PH-4389-PCI re the coast-to-coast travel of HEARNAP fugitives Patricia Hearst and Emily and William Harris during June through September, 1974.

Weiner described various harboring activities after being served Federal Grand Jury (FGJ) subpoena by Bureau Agents 3/11/75, and will testify to same at FGJ, Harrisburg, Pennsylvania, 3/13/75.

Departmental Attorney Brandon Alvey, who is handling FGJ, was advised and will seek to seal Weiner's testimony since latter may be used as FBI source in this case.

HE WOULD COMPLY WITH SUBPOENA.

WEINER VOLUNTARILY ACCOMPANIED BUAGENTS IN HIS PERSONAL VEHICLE TO THE OFFICE OF THE DIRECTOR OF SECURITY, OBERLIN COLLEGE, WHERE HE WAS INTERVIEWED AT LENGTH. AFTER INITIAL HESITANCY, WEINER FURNISHED THE FOLLOWING INFORMATION:

FROM MAY 30, 1974, TO SEPTEMBER 6, 1974, WEINER WAS EMPLOYED AS A SPORTS INTERN (REPORTER) WITH "NEWSDAY". GARDEN CITY, N. Y., AND RESIDED AT 460 HUDSON ST., LONG BEACH, N. Y.

HE MET JACK AND MICKI SCOTT AT OBERLIN COLLEGE DURING 1972 AND BECAME VERY CLOSE TO THEM DUE TO COMMON POLITICAL AND SPORTS INTERESTS.

ON MAY 30, 1974, HE VISITED MICKI SCOTT AT THE SCOTT'S APARTMENT, 317 W. 90TH ST., NEW YORK CITY, BUT HE DOES NOT RECALL JACK BEING PRESENT. HE SAW JACK AND MICKI SCOTT ONCE OR TWICE ON UNRECALLED DATES IN JUNE 1974 IN NEW YORK CITY.

ON JULY 1, 1974, WEINER RECEIVED A TELEPHONE CALL FROM MICKI SCOTT IN WHICH MICKI TOLD WEINER TO COME TO THE SCOTTS' APARTMENT ON JULY 2, 1974, TO CELEBRATE WEINER'S BIRTHDAY

WHICH WAS THE SECOND OF JULY. MICKI INDICATED THEY WOULD BAKE A CAKE AND HAVE A BIRTHDAY CELEBRATION PICNIC IN THE POCONO MOUNTAINS.

WEINER WENT TO SCOTT'S APARTMENT ON THE MORNING OF JULY 2, 1974. WEINER AND MICKI WENT OUT TO GET CAKE INGREDIENTS, ONLY TO DISCOVER MICKI'S CAR HAD BEEN TOWED AWAY TO THE DOCKS IMPOUND LOT BY THE NEW YORK POLICE DEPT. HE AND MICKI WENT TO THE IMPOUND LOT AND GOT BACK THE CAR, A RED VOLKSWAGEN BUG WITH NEW JERSEY TAG. WEINER, JACK AND MICKI SCOTT DEPARTED FOR THE POCONO MOUNTAINS AT ABOUT 1:30 PM ON JULY 2, 1975, IN THE RED VOLKSWAGEN.

AT ABOUT 4:30 PM, THEY ARRIVED AT A TWO-STORY FARM HOUSE NEAR LAKE ARIEL, PA. OUTSIDE THE HOUSE, WEINER WAS INTRODUCED TO AND GREETED WARMLY BY A WHITE FEMALE NAMED JUDY (LNU). INSIDE THE HOUSE, WEINER WAS INTRODUCED TO A WHITE FEMALE NAMED SUSAN (LNU), A WHITE MALE NAMED ALAN (LNU), AND AN ORIENTAL FEMALE NAMED JOAN (LNU). SHORTLY THEREAFTER, EVERYONE WENT OUT FOR A WALK FOR ABOUT 15 MINUTES BEHIND THE FARM HOUSE NEAR A LAKE OR RIVER WHILE

ENGAGING IN "SMALL TALK". WHEN THE GROUP NEARED THE HOUSE, JACK AND NICKI SCOTT TOOK WEINER OFF ALONE AND TOLD HIM SUSAN WAS PATRICIA HEARST, JUDY WAS EMILY HARRIS, ALAN WAS BILL HARRIS, AND JOAN WAS WILLY BRANDT'S GIRLFRIEND, WENDY (LNU). WEINER TOLD SCOTT HE KNEW SUSAN WAS PATRICIA HEARST WHEN HE MET HER BUT HE DID NOT KNOW THE HARRISES UNTIL SCOTT TOLD HIM. DURING THIS WALK, JACK SCOTT TOLD WEINER HE HAD TAKEN A SIMILAR WALK WITH UNIDENTIFIED FRIENDS IN THE "BAY AREA" WHEN HE, SCOTT, FIRST MET HEARST AND THE HARRISES. SCOTT TOLD WEINER THIS OCCURRED AT A RENTED HOUSE WITH GUNS ALL OVER THE PLACE. SCOTT TOLD HIM THE RENT WAS COMING DUE IN TWO OR THREE DAYS AND/OR THE OWNERS DID NOT KNOW PEOPLE WERE LIVING IN THE HOUSE. WEINER COULD NOT MORE SPECIFICALLY RECALL SCOTT'S STATEMENTS IN THIS REGARD.

UPON RETURNING TO THE HOUSE, WEINER WAS GREETED WARMLY BY THE FUGITIVES WHO KNEW HE HAD BEEN TOLD OF THEIR TRUE IDENTITIES. BILL HARRIS TOLD WEINER TO CALL THEM BY THEIR SLA NAMES, YOLANDA (EMILY), TEKO (BILL), AND TANIA (PATTY), WHICH WEINER DID FOR THE REST OF THAT NIGHT. WEINER STATED

WENDY WAS ALWAYS REFERRED TO AS JOAN.

BILL HARRIS OR WENDY WENT TO BUY CAKE INGREDIENTS AND THEY ALL PREPARED AND ATE DINNER AT ABOUT 7:00 PM. AN ARTICLE IN "ROLLING STONE" REGARDING DEATH ROW JOE AND PATTY HEARST WAS AMUSINGLY DISCUSSED AT DINNER.

AFTER DINNER, AN INTENSE DISCUSSION TOOK PLACE AMONG WEINER, PATRICIA HEARST, THE HARRISES AND MICKI SCOTT. JACK SCOTT WAS SLEEPING UPSTAIRS AND WENDY WAS NOT PRESENT. EMILY HARRIS WAS THE LEADER AND TOLD WEINER HE WAS THERE BECAUSE JACK AND MICKI "NEEDED SOMEONE TO BACK THEM UP" AS SUPPORT IN THE NEW YORK CITY AREA. THEY ASKED WEINER HOW HE COULD HELP AND HE STATED HE DID NOT KNOW HOW SINCE HE HAD A FULL TIME JOB BUT NO MONEY. WEINER TOLD THEM HE WAS NOT VIOLENT NOR A GUN CARRIER. THEY STATED THEY UNDERSTOOD BUT NEEDED HIS SUPPORT "ABOVE GROUND". WEINER WAS TOLD HE COULD HELP PATTY AND THE HARRISES BY HELPING JACK AND MICKI SCOTT.

IN ADDITION, PATTY TOLD HIM THE KIDNAPPING WAS "FOR REAL" AND WEINER COULD HELP THEM BY USING WHAT HE LEARNED

IN SCHOOL SUCH AS ALTERING DOCUMENTS. PATTY REFERRED TO HER FATHER AS "RANDY" AND REFERRED TO HER MOTHER WITH EXTREME CONTEMPT AND HATRED. PATTY SCOFFED THAT THE STATE OF CALIFORNIA COULD HAVE GIVEN A GREAT DEAL OF MONEY IN THE FOOD DISTRIBUTION PROGRAM.

PATTY APPEARED CALM AND ABSOLUTELY DID NOT APPEAR TO BE HELD AGAINST HER WILL.

EMILY HARRIS STATED THE RUMORS OF THE DONALD DE FREEZE AND PATTY HEARST CONNECTION WERE UNTRUE AND BILL HARRIS STATED HE WAS NOT SHOPLIFTING IN LOS ANGELES BUT WHEN THE GUARD ATTEMPTED TO FRISK HIM, HARRIS FEARED HIS HANDGUN WOULD BE FOUND AND ENGAGED IN A SHOVING MATCH WHICH RESULTED IN PATTY SHOOTING THE FRONT OF THE SPORTS STORE FROM THE VAN. PATTY STATED SHE SHOT UP THE FRONT OF THE STORE DURING BILL'S ESCAPE FROM THE GUARD. BEFORE WEINER AND SCOTTS DEPARTED, EMILY HARRIS HUGGED WEINER AND ALMOST APOLOGIZED TO HIM FOR PUTTING WEINER IN AN "UNFAIR" POSITION REGARDING THEIR IDENTITIES AND WHEREABOUTS.

WEINER, JACK AND MICKI SCOTT DEPARTED LATER IN THE

EVENING FOR NEW YORK CITY IN A LATE MODEL LIGHT BLUE PINTO OR VEGA WITH CALIFORNIA TAGS. THEY ARRIVED IN NEW YORK CITY AT ABOUT 3:00 AM, ON JULY 3, 1974, AND WEINER TOOK THE 3:30 AM TRAIN TO HIS RESIDENCE IN LONG BEACH, N.Y.

WEINER DID NOT OBSERVE GUNS, DRUGS NOR NARCOTICS AT THE HOUSE. PATTY WAS OBSERVED SMOKING HEAVILY AND BILL HARRIS DRANK BEER THAT NIGHT.

WEINER DID NOT PHYSICALLY OBSERVE HEARST NOR THE HARRISES AFTER JULY 2, 1974. HE FURNISHED DESCRIPTIVE COMMENTS AS FOLLOWS:

PATRICIA HEARST: 5' 3", THIN, 90-100 LBS., DYED BLONDE HAIR JUST OVER EARS, LONGER THAN ARTIST'S CONCEPTION, NO FRECKLES, APPEARED TO BE 14 YEARS OLD, SLIMMER CHEEKBONES AND MUCH NARROWER CHIN THAN IN ARTIST'S CONCEPTION, WEARING RED TANK TOP, JEANS, AND ANKLE HIGH BOOTS.

EMILY HARRIS: 5' 3" OR TALLER, HEFTY BUILD, AT LEAST 115 LBS., HAIR TO MIDDLE OF NECK, DYED BRIGHT RED, WEARING TANK TOP AND JEANS. EMILY MOST RESEMBLES SECOND FROM LEFT PHOTO ON WANTED FLYER 475A.

WILLIAM HARRIS: ABOUT 5' 7" TALL, SLIGHTLY MORE THAN 145 LBS., CLOSE CROPPED HAIR, DYED BRIGHT RED LIKE EMILY'S HAIR, POSSIBLY NO MUSTACHE, AND MOST RESEMBLES SECOND PHOTO EFT ON WANTED FLYER 475A.

WENDY YOSHIMURA: WEINER IDENTIFIED PHOTO OF YOSHIMURA AS IDENTICAL TO JOAN (LNU) AT THE FARM. HAIR SHORTER, ATTRACTIVE, ODD COMPLEXION, ALMOST PLASTIC LOOKING .

ON JULY 4, 1974, WEINER TELEPHONED MICKI SCOTT AT THE APARTMENT AT NEW YORK CITY REGARDING PHILADELPHIA PHILLY'S BALLPLAYERS WHO WERE INTO TRANSCENDENTAL MEDITATION. WEINER CALLED FROM SHEA STADIUM.

ON JULY 16, 1974, JACK AND MICKI SCOTT, PAUL HOCH, LINDA HUEY AND WEINER ATTENDED NEW YORK STARS BALL TEAM FIRST HOME GAME.

ON JULY 24, 1974, OR THEREABOUTS, WEINER WENT TO SCOTT APARTMENT IN NEW YORK CITY AND TALKED TO MICKI, POSSIBLY ABOUT THE FUGITIVES IN A GENERAL WAY, THAT IS, HOW ARE THEY, ETC. JACK NOT RECALLED BEING PRESENT.

ON EITHER AUGUST 17, 18 OR 19, 1974, WEINER, JACK AND

MICKI SCOTT DROVE TO THE FARM AT LAKE ARIEL, PA. WEINER DROVE HIS TAN VOLKSWAGEN SEDAN AND THE SCOTTS DROVE THEIR 1970 VOLKSWAGEN. UPON ARRIVING AT THE FARM, WEINER OBSERVED NO ONE PRESENT AND NUMEROUS APPLIANCES AND A RADIO HAD BEEN REMOVED. THE HOUSE WAS CLEAN AND IT APPEARED THE FUGITIVES HAD MOVED OUT. JACK AND MICKI SCOTT PROCEEDED TO WIPE DOWN ALL PARTS OF THE HOUSE WHERE FINGERPRINTS COULD BE LEFT, STATING "WHERE WOULD THE COPS LOOK FOR FINGERPRINTS?" THEY STAYED IN THE HOUSE ABOUT TWENTY MINUTES AND LEFT IN WEINER'S CAR FOR SCRANTON, PA. THEY STOPPED AND BOUGHT TEXAS HOT HOTDOGS IN SCRANTON AND HAPPENED UPON A MINOR LEAGUE FOOTBALL GAME BETWEEN LACKAWANNA AND THE CHAMBERSBURG CARDINALS AT SCRANTON STADIUM. THEY ATTENDED THE GAME. DURING THE EVENING JACK INDICATED THAT THE "PEOPLE" HAD MOVED. WEINER FEELS FUGITIVES WERE STILL IN THE IMMEDIATE AREA OF LAKE ARIEL AND IN CONTACT WITH JACK SCOTT. THEY RETURNED TO NEW YORK CITY LATE THAT NIGHT, LEAVING THE SCOTTS' BEIGE VOLKSWAGEN AT THE FARM.

ON EITHER AUGUST 29 OR 30, 1974, MICKI SCOTT HAD DINNER

WITH WEINER AND SANDY PADWE, ASSISTANT SPORTS EDITOR OF "NEWSDAY", AT WEINER'S LONG BEACH, N.Y., RESIDENCE. MICKI STATED SHE AND JACK WERE GOING TO PORTLAND, ORE., TO LIVE WITH BILL WALTON AND THAT JACK WAS ALREADY IN PORTLAND.

ON THE FEAST OF ROSH HASHANA ON EITHER SEPTEMBER 8 OR 9, 1974, WEINER SAW JACK SCOTT AND MICKI SCOTT AT THEIR NEW YORK APARTMENT FOR A BRIEF PERIOD OF TIME.

DURING THE FIRST WEEK OF OCTOBER 1974, WEINER CALLED TO JACK'S FATHER, JOHN J. SCOTT, IN LAS VEGAS, NEV., AMONG OTHERS, IN ORDER TO LOCATE JACK SCOTT. JACK SCOTT TELEPHONED WEINER IN PHILADELPHIA DURING THE FIRST WEEK OF OCTOBER 1974 FROM A PAY TELEPHONE IN PORTLAND, ORE. JACK TOLD WEINER THAT "OUR FRIENDS ARE OFF OUR HANDS," BUT GAVE NO INDICATION AS TO THEIR WHEREABOUTS.

WEINER VISITED WALTON'S RESIDENCE IN PORTLAND, ORE., FROM DECEMBER 27, 1974, TO JANUARY 2 OR 3, 1975. DURING THIS STAY, JACK TOLD WEINER THAT "THEY" WERE IN A VAN WITH HIM BEING TRANSPORTED WEST WHEN THEY WERE STOPPED BY A STATE

TROOPER IN EITHER IOWA OR INDIANA. JACK TALKED THE TROOPER OUT OF GIVING HIM A SPEEDING TICKET BY JOKING ABOUT A BIG TEN FOOTBALL GAME THAT DAY BETWEEN IOWA AND INDIANA.

ON BOTH JANUARY 4 AND 5, 1975, WEINER VISITED WILLY BRANDT IN SOLEDAD PRISON, CALIF., AND GAVE BRANDT ABOUT FIVE CODED MESSAGES FROM JACK SCOTT. WEINER COULD ONLY RECALL TWO MESSAGES WHICH WERE "THE TEAM HAS MOVED WEST" AND "EMMA IS NOT WITH THEM ANYMORE." WEINER ADVISED EMMA REFERRED TO WENDY, WILLY'S GIRLFRIEND. WILLY TOLD WEINER HE WAS GLAD EMMA WAS NOT WITH "THEM".

NO MESSAGES WERE GIVEN BY BRANDT TO WEINER FOR DELIVERY TO JACK SCOTT. WEINER DROVE HIS GIRLFRIEND, KATE WATSON, TO LAS VEGAS TO MEET THE ELDER SCOTTS AND THEN WEINER AND WATSON DROVE TO ALBUQUERQUE WHERE THEY RENTED AN APARTMENT FOR WATSON. WATSON STILL RESIDING THERE. WEINER DROVE TO BOULDER, COLO., ARRIVING AT 5:00 AM ON JANUARY 10, 1975, AND STAYED WITH HIS BROTHER, ED,WEINER. AT NOON ON JANUARY 10, 1975, HE RECEIVED A CALL FROM MICKI SCOTT IN PORTLAND, WHO STATED BILL WALTON WANTED TO BREAK HIS SILENCE AND BE INTERVIEWED

BY WEINER. WEINER DEPARTED DENVER, COLO., FOR PORTLAND, ORE., ON JANUARY 11, 1975, VIA 10:00 AM UNITED AIRLINES FLIGHT. WEINER WAS MET AT AIRPORT AT PORTLAND BY JACK AND MICKI SCOTT AND HE INTERVIEWED WALTON ON THAT EVENING AND ON FOLLOWING DAY, SUNDAY, JANUARY 12, 1975. WEINER DEPARTED PORTLAND ON NOON FLIGHT, JANUARY 13, 1975, FOR DENVER, COLO. HE PICKED UP HIS BROTHER ED IN BOULDER, COLO., AND DROVE TO HIS PARENTS' HOME IN PHILADELPHIA, PA., WHERE HE NOW RESIDES. AFTER ARRIVING IN PHILADELPHIA ON JANUARY 19, 1975, WEINER READ "DAILY WORLD" NEWSPAPER ARTICLE REGARDING FBI CONTACT AT BILL WALTON'S RESIDENCE. WEINER CALLED MICKI AND ASKED WHAT WAS UP. MICKI EXPLAINED IT WAS NOTHING AND WAS VERY CURT.

ON FEBRUARY 24, 1975, JACK SCOTT CALLED WEINER IN PHILADELPHIA AND SAID THE FBI HAS A BAD THEORY THAT WILLY BRANDT AND JACK SCOTT STARTED THE SLA AND WERE BEHIND IT.

ON FEBRUARY 25, 1975, JACK SCOTT CALLED WEINER IN PHILADELPHIA AND SAID THAT THE FBI WAS PROBABLY TALKING TO FRIENDS OF HIS AND THAT WEINER SHOULD ADVISE SCOTT IF THE

FBI COMES TO SEE HIM.

ON FEBRUARY 27, 1975, THE FBI HAD ATTEMPTED TO INTERVIEW WEINER IN PHILADELPHIA AND WEINER CALLED JOHN J. SCOTT IN LAS VEGAS, NEV., IN ATTEMPT TO LOCATE JACK SCOTT. JOHN J. SCOTT TOLD WEINER HE DID NOT KNOW WHERE JACK WAS. JOHN J. SCOTT HUNG UP ON WEINER AND TOLD HIM HE WOULD CALL WEINER FROM A PAY TELEPHONE IN A HALF HOUR. HE SUBSEQUENTLY CALLED WEINER AND STATED HE, JOHN J. SCOTT, HAD BEEN SUBPOENAED TO A FGJ BUT THAT HE GAVE THE FBI AGENT A HARD TIME. JOHN J. SCOTT GAVE WEINER A PAY STATION TELEPHONE NUMBER IN LAS VEGAS AND THE CODE NAME "PETE DOYLE". WEINER DESTROYED THIS PAY STATION TELEPHONE NUMBER AFTER THE FBI CAME TO REINTERVIEW HIM IN PHILADELPHIA AND HE DID NOT KNOW WHETHER THE CODE NAME PETE DOYLE WAS TO BE HIS NAME OR THE NAME OF THE PERSON HE WAS TO ASK FOR.

ON MARCH 1, 1975, MICKI SCOTT CALLED WEINER IN PHILADELPHIA AND TOLD WEINER THE FBI WAS "HASSLING" HIM BECAUSE WEINER HAD VISITED WILLY BRANDT IN SOLEDAD PRISON. SHE STATED THAT ALL THE PEOPLE WERE SEEING ATTORNEYS. THIS IS WEINER'S LAST CONTACT

WITH EITHER JACK OR MICKI SCOTT TO THE PRESENT.

ON MARCH 1, 1975, PAUL HOCH CALLED SANDY PADWE AND TOLD HIM "WE HAVE TO GET OUT A STORY ABOUT THE FBI HARASSING JACK SCOTT ON THE WIRE SERVICES." HOCH THEN TELEPHONED WEINER IN PHILADELPHIA AND TOLD HIM THE SAME THING. WEINER TOLD HOCH THAT IT WAS A BAD IDEA.

ON MARCH 3, 1975, PHIL SHINNICK CALLED WEINER IN PHILADELPHIA AND GAVE HIM A TELEPHONE NUMBER AT A PAY STATION WHERE HE COULD CALL SHINNICK. WEINER CALLED SHINNICK AT THIS NUMBER AND SHINNICK STATED "YOU DON'T HAVE ANYTHING TO WORRY ABOUT, ONLY THAT ONE TIME."

WEINER WAS NEVER IN THE APARTMENT OF JACK SCOTT IN NEW YORK CITY IN THE COMPANY OF ANY HEARNAP FUGITIVES.

PAUL HOCH WAS ONLY SEEN ON ONE OCCASION BY WEINER SINCE MAY 30, 1974, AND THAT WAS AT THE NEW YORK STARS FOOTBALL GAME ON JULY 16, 1974.

WEINER NEVER OBSERVED JOHN J. OR LOUISE SCOTT IN THE NEW YORK CITY AREA FROM MAY 30, 1974, TO THE PRESENT. WEINER TOLD THE FOLLOWING PEOPLE IN GENERAL TERMS THAT HE SAW PATTY

HEARST: KATE WATSON, ALBUQUERQUE, N.M.; BRAWNER SMOOT, OBERLIN, OHIO; ED WEINER, BROTHER, 417 SOUTH PERTH STREET, PHILADELPHIA, PA.; ANN ROBERTS, BOULDER, COLO., AND JAKE EMERY, BOULDER, COLO.

WEINER BELIEVES HE RECALLS THAT AT ONE TIME JACK SCOTT TOLD HIM HE DROVE WILLIAM HARRIS TO THE FARM EASTBOUND AND HE AND HARRIS POSED AS A "GAY" TWOSOME. WEINER STATED JACK'S BEST FRIEND IS MARTY MILLER, STOCKTON STATE COLLEGE, ATLANTIC CITY, N.J.

WEINER STATED HE DOES NOT KNOW WHERE THE FUGITIVES ARE PRESENTLY LOCATED AND THAT IF HE DID HE PROBABLY WOULD NOT TELL THE FBI. FD-302 TO FOLLOW.

IS FURNISHING THE FOLLOWING EXPANDED COMMENTS OF JAY WEINER CONCERNING JACK SCOTT'S STATEMENTS THAT SCOTT WAS STOPPED BY A STATE TROOPER WHILE DRIVING A VAN WITH THE HEARNAP FUGITIVES:

WEINER VISITED BILL WALTON'S RESIDENCE IN PORTLAND, OREGON FROM DECEMBER 27, 1974, THROUGH JANUARY 2 OR 3, 1975. WEINER, ACCOMPANIED BY A FEMALE ASSOCIATE KATE WATSON, ARRIVED AT WALTON'S RESIDENCE IN THE EARLY MORNING OF DEC. 27, 1974, AND FOUND MICKI SCOTT, JACK'S WIFE, THERE. MICKI TOLD WEINER THAT JACK WAS IN PHOENIX, ARIZONA WITH BILL WALTON ON SOME PUBLIC RELATIONS OR PROMOTIONAL WORK. JACK RETURNED TO WALTON'S RESIDENCE IN PORTLAND SOMETIME PRIOR TO WEINER AND WATSON'S DEPARTURE ON JANUARY 2 OR 3, 1975.

AT THIS TIME, JACK SCOTT TOLD WEINER THAT "THEY" (FUGITIVES) WERE IN A VAN WITH HIM (JACK SCOTT) TRAVELING WEST WHEN THE VAN WAS STOPPED FOR SPEEDING BY A STATE TROOPER IN EITHER IOWA OR INDIANA. JACK TOLD WEINER THAT HE TALKED THE TROOPER OUT OF GIVING HIM A SPEEDING TICKET BY JOKING ABOUT A BIG TEN FOOTBALL GAME THAT DAY BETWEEN IOWA AND INDIANA.

WEINER RECALLED DEFINITELY THAT THE FOOTBALL GAME WAS

578

BETWEEN TEAMS THAT BEGAN WITH THE LETTER "I".

ON MARCH 13, 1975, [redacted] THE PLAIN DEALER NEWSPAPER SPORTS DEPARTMENT, CLEVELAND, OHIO, DETERMINED THAT IOWA DID NOT PLAY INDIANA IN FOOTBALL IN 1974; INDIANA PLAYED ILLINOIS ON SEPTEMBER 14, 1974, AT CHAMPAIGN, ILLINOIS, AND IOWA PLAYED ILLINOIS ON OCT. 26, 1974, AT IOWA CITY, IOWA.

CLEVELAND BELIEVES WEINER POSSIBLY RECALLED INCORRECTLY OR CONFUSED ILLINOIS WITH IOWA AND HE MAY HAVE BEEN REFERRING TO THE INDIANA-ILLINOIS FOOTBALL GAME ON SEPTEMBER 14, 1974, OR THE IOWA-ILLINOIS GAME ON OCTOBER 26, 1974.

SAN FRANCISCO HAS ADVISED INDIANAPOLIS AND OMAHA TO CONDUCT INVESTIGATION TO DETERMINE IF ANY RECORD WAS MADE OF THIS STOP BY THE STATE TROOPERS. SAN FRANCISCO ADVISED THAT THE VAN IN QUESTION IS POSSIBLY A YELLOW FORD ECONOLINE BEARING THE WORD RYDER AND HAVING NEW YORK COMMERCIAL PLATE 1038-GC.

CLEVELAND FURNISHING CHICAGO AND SPRINGFIELD WITH PHOTOS OF JACK SCOTT.

CHICAGO CONDUCT INVESTIGATION THROUGH ILLINOIS HIGHWAY

PATROL TO DETERMINE IF ABOVE VAN WAS STOPPED DURING SEPTEMBER OR OCTOBER, 1974, NOTING THE PROBABLE ROUTE WEST WAS ON INTERSTATE 80.

SPRINGFIELD WILL CONTACT ILLINOIS HIGHWAY PATROL HEADQUARTERS TO DETERMINE IF COMPUTER INQUIRY CAN BE MADE OF ALL STATE TROOP POSTS IN ILLINOIS REGARDING THE STOPPING OF THE ABOVE VAN.

STATEMENT OF JAY WEINER AFTER BEING COMPELLED TO TESTIFY BEFORE A FEDERAL GRAND JURY IN HARRISBURG

Tuesday night, I was subpoenaed to appear before a Federal Grand Jury sitting today in Harrisburg. I had three choices: (1) to refuse to cooperate and be held in contempt of court, (2) to perjur myself and face future prosecution, (3) to tell the truth. After much thought and struggle and advice from my friends, my family and my attorney, I chose to tell the truth. I told the truth because the FBI and the US Attorney already knew it. Somebody else snitched. I told the truth because I am not prepared to go to jail for the so-called alleged crimes of others, and because my family, like all American working families, cannot afford the high price of American justice. It appears the FBI is merely trying to justify all the time it has spent on an unproductive search. My freedom, however restricted, is important to me, and can be helpful to others.

To the progressive people of the country, I only ask that you understand the position - innocently - in which I was placed. To TANIA, TEKO, YOLANDA, and all my sisters and brothers underground or in prison I hope you are safe and alert. To my comrade JACK and my dearest sister MICKI I am with you. Please try to understand the terrible pressure

ENCLOSURE 7-15200-504

of my family, friends, and I have been under these past two weeks. I only hope that the love I feel for you - and the love you have always extended to me - is shared with you by others and that you are safe in or out of this monster's belly.

HEARNP

Attached advise[redacted] Jay Weiner appeared at Ha[redacted]isburg, Pennsylvania, 3/13/75, represented by attorney Thomas Menaker, Harrisburg, Pennsylvania (Menaker previous attorney for Berrigans trial in Harrisburg, Pennsylvania), to testify before Federal Grand Jury.

Weiner granted immunity obtained from U. S. Department of Justice through Departmental Attorney Brandon Alvey. [redacted]

Following grand jury appearance, Weiner handed out press statement showing clearly his allegiance to the SLA.

U. S. Attorney, Northern District of Pennsylvania, is considering recalling Weiner and possibly interviewing Agents from Cleveland Office.

Enclosed for the Bureau, Denver and San Francisco are xerox copies of [redacted] and Moab, Utah, newspaper article 11/4/71, [redacted]

On 3/13/75, [redacted] was interviewed at her place of residence, [redacted] which is located approximately 15 miles southwest of Cisco, Utah. [redacted] advised that approximately one year ago, someone in the Thompson, Utah, area reported sighting an individual similar to PATTY HEARST. She said at that time the Utah Highway Patrol set up road blocks in an effort to locate Miss HEARST, and gossip resulted around the Thompson-Cisco, Utah, area.

She said at that time she may have mentioned to two or three individuals that perhaps PATTY HEARST was en route to the hippie type community which is located approximately 15 miles southeast of the Dewey Bridge, in Grand County, Utah. [redacted] said that this community was established by JOHN STEVENS three or four years ago, and since its establishment there have been many rumors as to activities taking place there

She said these rumors included the following:

A. A nudist colony

B. A colony of polygamists

C. A central location for an underground newspaper

D. A central distributing point for illegal drugs and narcotics

[redacted] said that she has had only limited contact with STEVENS and his group, and has never been at their community. She said that she understands there have been three or four new homes built at that location in the past two or three years, but that she does not know how many individuals reside in that area.

[redacted] said that she has had several people stop at her home asking directions to the STEVENS' ranch, and that these people seem to be generally "high classed hippies". She said that she has no information indicating PATTY HEARST is presently or was ever at the STEVENS' ranch.

On 3/13/75, [redacted] advised that JOHN STEVENS, 455 Andrea Court, Moab, Utah, telephone number 259-6857, purchased the old "Scarf" ranch located at the Dolores Triangle in Grand County. He said that he believes this ranch to be approximately 600 to 700 acres, [redacted] he said that his last trip there was in 1973, and at that time there were approximately 15 or 16 individuals residing at that ranch.

He said that JOHN STEVENS, his wife, and mother, own and operate the ranch.

On 3/13/75, [redacted] advised that JOHN STEVENS and his

576

community located approximately 15 miles southeast of the Dewey Bridge in Grand County have not caused any problems in the county, and as nearly as he can tell they are law-abiding citizens. He said that there have been many rumors regarding them and their activities, but none of these rumors have been verified. He said that he understands STEVENS paid between $80 and $90,000 cash for the ranch, has built three new homes and paid cash, purchased a warehouse in Moab, Utah, for $30,000 and paid cash and has paid over $7,000 to have electricity taken into the ranch.

[redacted] advised he had no further information regarding STEVENS or his group.

Unless advised to the contrary, Salt Lake City is conducting no further investigation to further identify STEVENS or to locate PATTY HEARST at the STEVENS' ranch.

Publishing Firm Sets Up Headquarters In Moab Area; Plans Activities

Real People Press, a publishing firm operated by John O. Stevens is now setting up its business in Moab. The firm, which began operations in 1967 has now published five books all dealing with the stated purpose of the company: "to publish ideas and ways that a person can use independently to become more real — to further his own growth as a human being and to develop his relationships and communication with others.

The company sprang up when Stevens' mother collected works by a number of noted psychologists concerning, as the title states, "The Problem of Being Human." Added to the psychologists' papers are Barry Stevens' own comments and ideas. When she approached a number of publishing houses about publishing the book she was turned down because the trade journal publishers said it was textbook material and the textbook publishers insisted that the material belonged in a trade book. Finally her son had a number of copies of the book printed and began selling them out of his garage.

Enters Business

At the time he entered, albeit unknowingly, into the publishing business, John Stevens was teaching psychology at the junior college level in California. The work of publishing and marketing books became more than just a pastime in June of 1969 when he was forced to move his operation from his garage to a more suitable location.

By that time he had published "Gestalt Therapy Verbatim," by Frederick S. Perls, the originator and developer of Gestalt Therapy, which he also edited from verbatim transcripts of complete therapy sessions conducted by Perls. Also on the market in 1969 was "In and Out of the Garbage Pail," a novel autobiography by Frederick Perls of memories and reflections on his life.

Yet Another Book

In 1969, Real People Press published "Don't Push the River," a first person account of Barry Stevens' use of Gestalt Therapy at the Gestalt Institute in Canada. "Notes to Myself" by Hugh Prather was published in 1970. This book is a number of short paragraphs about living: feelings and experiences, behavior and relationships. These serve as beginnings for the reader's exploration of his own experiences and as thoughtful and insightful reminders about them.

Latest Book

"Awareness: Exploring, Experimenting, Experiencing" by John Stevens himself is the latest book to be published by Real People

John Stevens, owner of Real People Press, has moved his operation to Moab "because he liked the country." Real People Press published ideas and ways that a person can use independently to become more real.

Press. This book deals with exercises and experiments with students and groups used by Stevens during his teaching career. The book is designed to be used by an individual or in a classroom situation and of the book, Stevens says, "The experiments in this book are tools. Like any tools, they can be used skillfully or clumsily; they can be unused or misused."

Real People Press publishes about 250,000 copies of its five books each year with some 27,000 copies sold last month. The company does not publish poetry, but will deal only with books in that sector of psychology dealing with human awareness and relations with others. The operation, which will include a warehouse to be set up sometime in February, will employ only a small number of people, according to Mr. Stevens and at this time no one is being hired for the operation.

Re CV airtel to Bureau, 2/26/75.

The following investigation was conducted at Newark, Ohio:

On 3/7/75, a spot check of Wilson St., located a two story house, reddish-brown in color, located on the north side of the street, on the west side of a bridge over a creek. This house is located at 180 Wilson Street.

Attempts to contact anyone at this residence were negative on 3/7 and 3/11/75, and it was noted that it appeared to be deserted.

On 3/12/75, an individual was observed at the residence, apparently doing repair work. This person identified himself as [redacted] noted that he had purchased the property at 180 Wilson Street a short time ago, and had thereafter evicted the residents inasmuch as he plans to use it as a business location.

to a house on Mulholland Street. He also noted that since these persons moved, it had been necessary for him to fumigate the residence and perform extensive repairs due to the filthy conditions found therein.

He also noted that [redacted] and her mother were known to have called numerous male individuals into the house from the street, especially if these persons happened to be carrying a bottle of some sort. [redacted] and her mother would then apparently talk the person into sharing his bottle with them in return for "favors."

[redacted] noted that [redacted] is a red-headed, cross-eyed, white female, and her mother is a gray-headed white female. He was displayed photographs of PATRICIA HEARST and EMILY HARRIS, and noted that [redacted] and her mother do not resemble these individuals in the slightest.

At this point, [redacted] advised that [redacted] and her mother had just approached the residence from the rear, apparently to retrieve some dogs which they had left there. These two individuals were thereafter observed at this residence.

It was noted that [redacted] is described as follows:

Race:	White
Sex:	Female
Age:	About 25
Height:	5'8"
Weight:	140
Hair:	Red
Characteristics:	Protruding front teeth; Cross-eyed

[redacted] mother is described as follows:

Race:	White
Sex:	Female
Age:	About 50
Hair:	White
Height:	5'4"
Weight:	130
Characteristics:	Bulbous nose.

It was noted that neither of these individuals bore any resemblence to PATRICIA HEARST or EMILY HARRIS.

It was also noted that on March 11, 1975, a review of the records of the Newark, Police Department disclosed a record for one [redacted] described as follows:

It was noted that this individual had a lengthy arrest record, including numerous arrests for intoxication and disorderly conduct, as well as CCW, auto theft, and selling barbituates. The last arrest for this individual was on 9/27/74, for DOC and intoxication. Disposition is shown as bail forfeited.

It is noted that this individual might be identical to the [redacted] mentioned in referenced Cleveland airtel.

In view of the above, Cincinnati is conducting no further investigation regarding the individuals who previously resided at 180 Wilson St., in regard to this matter.

JAY (No Middle Name) WEINER, 1102 Elbridge Street, Philadelphia, Pennsylvania, was located on West College Street adjacent to Wilder Hall, Oberlin College, Oberlin, Ohio, by Special Agents of the Federal Bureau of Investigation (FBI) [redacted] WEINER was advised of the identities of the above Agents and Special Agent (SA) [redacted] served WEINER with a subpoena to testify at the Federal Grand Jury (FGJ), Harrisburg, Pennsylvania, Middle District of Pennsylvania, at 11:00 a.m. on March 13, 1975. WEINER stated he would appear at the FGJ in Harrisburg, Pennsylvania, on March 13, 1975. He stated he was considering a discussion of his involvement in the PATRICIA HEARST matter with the FBI, but he desired to ask the interviewing Agents some questions before he decided to furnish any information.

The interviewing Agents suggested that the interview be continued in the office of the Oberlin College (OC) Security Director located in OC Service Building. WEINER agreed to this and voluntarily traveled to the above office in his personal vehicle.

The interview resumed with WEINER briefly asking the Agents their aim in desiring a full and candid interview with him. The interviewing Agents explained to WEINER that the FBI had a responsibility to locate Federal fugitives PATRICIA HEARST, WILLIAM HARRIS, and EMILY HARRIS, and to obtain evidence concerning persons who knowingly harbored these fugitives.

At this point, WEINER stated he was ready to furnish information concerning his total involvement in the PATRICIA HEARST matter.

WEINER was furnished an "Interrogation; Advice of Rights" Form, which he read, stated he understood his rights fully, and he desired to waive his rights during the interview. WEINER declined to sign the waiver of rights section on the form, which was duly noted thereon.

ENCLOSURE

JAY (NMN) WEINER furnished the following information:

WEINER met JACK SCOTT and his wife, MICKI SCOTT, during 1972 when WEINER was a student at Oberlin College, Oberlin, Ohio, and JACK SCOTT was the Athletic Director at Oberlin College. WEINER became close friends with JACK and MICKI SCOTT due to their common political and sport interests, especially the Institute for the Study of Sport and Society (ISSS), which was operated by the SCOTTS at Oberlin College.

WEINER was employed as a Sports Intern (reporter) at "Newsday", Garden City, New York, from May 30, 1974, to September 6, 1974, and he resided at 460 Hudson Street, Long Beach, New York. WEINER returned to Philadelphia, Pennsylvania, during the Fall, 1974, to attend Temple University and reside with his parents at 1102 Elbridge Street, Philadelphia, Pennsylvania.

On May 30, 1974, WEINER visited MICKI SCOTT at JACK and MICKI SCOTT's apartment, 317 West 90th Street, New York City. WEINER does not recall JACK SCOTT being present. WEINER saw JACK and MICKI SCOTT on one or two unrecalled dates in June, 1974, in New York City.

On July 1, 1974, WEINER received a telephone call from MICKI SCOTT in which MICKI told WEINER to come to the SCOTT's apartment on the following day, July 2, 1974, to celebrate WEINER's birthday, which was on the second of July. MICKI indicated they would bake a cake and have a birthday celebration in the Pocono Mountains.

WEINER went to the SCOTT's apartment on the morning of July 2, 1974. WEINER and MICKI SCOTT left the apartment to buy cake ingredients but discovered that MICKI's automobile had been towed away by the New York Police Department to the Docks Impound Lot. He and MICKI went to the Docks Impound Lot and got the car back. The car was a red

Volkswagen Sedan with a New Jersey license tag.

WEINER, JACK and MICKI SCOTT departed for the Pocono Mountains in the red Volkswagen at about 1:30 p.m. on July 2, 1974.

At about 4:30 p.m., WEINER and the SCOTTs arrived at a two-story farmhouse near Scranton, Pennsylvania. Just prior to arriving at the farmhouse, WEINER observed a road sign that read "Lake Ariel, Pennsylvania". Upon arriving at the house, a white female was observed on the porch and she was introduced to WEINER as JUDY (LNU). JUDY (LNU) greeted WEINER warmly and they all proceeded to enter the house. At this point, WEINER was introduced by JACK SCOTT to a white female named SUSAN (LNU), a white male named ALAN (LNU), and an oriental female named JOAN (LNU). WEINER flashed immediately on SUSAN (LNU) as being PATRICIA HEARST, but he did not immediately recognize or know the true identities of JUDY (LNU), ALAN (LNU), and JOAN (LNU).

There was a tenseness in the room at this time and the group engaged in idle "small talk". An unrecalled person in the group suggested that they take a walk behind the house. Everyone at the house, including Sigmund, the SCOTT's German Shepherd dog, went out behind the house for a walk. The group divided into two sub-groups, the makeup of which WEINER could not specifically recall. The groups walked behind the house to a body of water which WEINER believed to be either a lagoon, lake, or river. General conversation took place during the walk, which lasted approximately twenty minutes before the two groups neared the rear of the farmhouse. At this point, JACK SCOTT told WEINER he wanted to talk with him and WEINER, JACK SCOTT, and MICKI SCOTT went off alone behind the house while the other individuals entered the house.

During his walk with JACK and MICKI SCOTT, WEINER was asked by JACK SCOTT "do you know who those people are?" WEINER responded "are they who I think they are?" JACK SCOTT responded "yes", and JACK SCOTT stated that SUSAN was PATRICIA HEARST, ALAN was BILL HARRIS, and JUDY was EMILY HARRIS. WEINER could not recall whether JACK SCOTT at that time told him the true identity of JOAN (LNU), the oriental female.

WEINER believed he may have been told by JACK SCOTT at this time that JOAN (LNU) was WILLY BRANDT's girl friend, WENDY (LNU), but it may have occurred at another point during the evening at the farm. WEINER told JACK SCOTT that he knew SUSAN was PATRICIA HEARST when he met her, but he did not know ALAN (LNU) and JUDY (LNU's) true identities until JACK SCOTT told WEINER they were BILL and EMILY HARRIS. During this walk, JACK SCOTT told WEINER that he, SCOTT, had taken a walk similar to this walk with WEINER in the "Bay area" with unnamed friends. SCOTT told WEINER his walk took place either at or near a rented house in the "Bay area" when he first met PATRICIA HEARST, but WEINER could not recall if SCOTT specifically stated the HARRIS' were also met by SCOTT at this time.

JACK SCOTT told WEINER that he observed "guns all over the place" at the rented house and, in fact, slept with a gun lying not far from where he was sleeping. SCOTT told WEINER that regarding the rented house, either the rent was coming due in two or three days or the owners did not know people were living in the house. WEINER could not more specifically recall SCOTT's statements regarding the rented house in the "Bay area", and WEINER does not recall JACK SCOTT telling him on what date this occurred.

Upon returning to the house, WEINER was greeted warmly by PATRICIA HEARST, BILL and EMILY HARRIS, and JOAN (LNU) who, because of their reaction to him upon entering the house, were obviously aware that he had been told by JACK SCOTT of their true identities. One of the people asked him why he did not go "berserk" when he recognized PATRICIA HEARST after the initial introductions earlier that day. WEINER told them he did not know why he did not go "berserk" but that he was extremely excited and agitated when he recognized PATRICIA HEARST. BILL HARRIS told WEINER to call them by their Symbionese Liberation Army (SLA) names, that is YOLANDA for EMILY HARRIS, TEKO for BILL HARRIS, and TANIA for PATRICIA HEARST. WEINER called them by their SLA names for the rest of that night in conversation. WEINER does not recall being given an SLA name for JOAN (LNU), and he referred to her as JOAN (LNU) for the rest of the evening.

BILL HARRIS or JOAN (LNU) went to a local store to buy cake ingredients and the dinner was prepared, and the whole group ate at about 7 p.m. An article appearing in "The Rolling Stone" regarding "Death Row Joe" and PATRICIA HEARST was discussed at dinner with much amusement and derision. After dinner an intense discussion took place among WEINER, PATRICIA HEARST, EMILY and WILLIAM HARRIS and MICKI SCOTT. JACK SCOTT had gone upstairs to sleep and JOAN (LNU) was not present. They were all seated at a table with the exception of MICKI SCOTT, who was lying on the floor with Sigmund, the German Shepherd dog. EMILY HARRIS was the leader of the discussion and told WEINER he was there because JACK SCOTT and MICKI SCOTT "needed someone to back them up as support for them" in the New York City area. One of the group asked WEINER how he could help them, and WEINER responded that he did not know how he could since his time was taken up with a full time job and he had no money. WEINER told them he was not oriented toward violence, nor was he a "gun carrier". The others stated they understood his position but that they needed his support "above ground". At this point, PATRICIA HEARST told WEINER he could help them by using what he learned in school such as altering documents and things of this nature. WEINER was told by one of the others present that he could help PATRICIA HEARST and the HARRIS' by helping JACK and MICKI SCOTT.

WEINER recalls that during this conversation, PATRICIA HEARST told him the kidnapping was "for real". PATRICIA HEARST never referred to her father as dad or father but called him "RANDY". PATRICIA HEARST only referred to her mother with extreme contempt and hatred. During the conversation someone mentioned that PATRICIA HEARST's mother was in the hospital according to the news media. PATRICIA HEARST then stated it probably was because she was drunk and fell down and broke her arm. PATRICIA HEARST scoffed that the State of California could have given a great deal of money in the Food Distribution Program right after her kidnapping.

During the evening, WEINER told PATRICIA HEARST he had seen the famous photograph which had appeared in the news media showing PATRICIA HEARST in army fatigues standing with a shotgun in front of the SLA seven-headed cobra symbol. PATRICIA HEARST told him that was her in the picture, and PATRICIA HEARST corrected WEINER by stating that it was an automatic weapon she was holding and not a shotgun.

WEINER recalled PATRICIA HEARST as appearing very calm, mellow, and she absolutely did not appear to be held against her will.

During the discussion, EMILY HARRIS told WEINER that the rumors of a romantic connection between DONALD DE FREEZE and PATRICIA HEARST were untrue.

BILL HARRIS told WEINER that he was not shoplifting at the sports store in Los Angeles, but when the security guard at the store attempted to frisk him, HARRIS feared his handgun would be found and a shoving match resulted with the guard. BILL HARRIS told WEINER this resulted in PATRICIA HEARST shooting the front of the sports store from the van when he and EMILY HARRIS escaped. PATRICIA HEARST told WEINER that she "shot up" the front of the store during BILL HARRIS' escape from the guard.

When the SCOTTs and WEINER were about to depart the farmhouse that night, EMILY HARRIS hugged WEINER and "almost apologized" to him for placing WEINER in an unfair position now that he knew their true identities and their whereabouts.

WEINER, JACK and MICKI SCOTT departed the house for New York City at approximately 10:30 p.m. to 11 p.m. on July 2, 1974. JACK SCOTT left the red Volkswagen with New Jersey license plates at the farm and they traveled to New York in a late model light blue Pinto or Vega with California license plates.

During the ride back to New York City, WEINER believed JACK and MICKI SCOTT "staged" an argument between themselves regarding the so called Weathermen fugitives stealing guns. WEINER believed the argument was "staged" to impress upon him the seriousness of his knowledge concerning the whereabouts of PATRICIA HEARST, BILL and EMILY HARRIS.

WEINER and the SCOTTs arrived in New York City at about 3 a.m. on July 3, 1974, and WEINER took the 3:30 a.m. train to his residence in Long Beach, New York.

WEINER did not observe guns, drugs, nor narcotics at the farmhouse. PATRICIA HEARST was observed to smoke cigarettes heavily during the evening, and BILL HARRIS was the only one he observed drinking beer that night. WEINER had the impression that HEARST and the HARRIS' had recently arrived at the farmhouse.

WEINER did not physically observe or talk to HEARST or the HARRIS' after July 2, 1974.

WEINER furnished the following descriptive comments:

PATRICIA HEARST, white female, 5'3" tall, thin, 90 - 100 pounds, hair just over ears, dyed blonde, no freckles, appeared to be about 14 years of age, wore a red tank top, jeans, and ankle high boots. WEINER was then shown an artist's conception of PATRICIA HEARST with short light hair. WEINER was not advised that the artist conception depicted PATRICIA HEARST. WEINER immediately stated "that's her", but she has much slimmer cheekbones and a much narrower chin than in the artist conception.

EMILY HARRIS appeared slightly taller than 5'3", hefty build, at least 115 pounds or slightly heavier, hair to the middle of the neck, dyed bright red, wearing a tank top and jeans.

WEINER was shown the four photos of EMILY HARRIS appearing on the FBI Wanted Flier 475a, and WEINER indicated that the photograph, which was the second from the left, most closely resembled the appearance of EMILY HARRIS on July 2, 1974.

WILLIAM HARRIS, about 5'7" tall, slightly more than 145 pounds, close cropped hair, dyed bright red, very similar to EMILY HARRIS' hair, possibly a small mustache. WEINER was shown the four photographs of WILLIAM HARRIS, which appear on the FBI Wanted Flier 475a, and WEINER indicated that the photograph of WILLIAM HARRIS, which was the second from the left, most closely resembled what WILLIAM HARRIS looked like on July 2, 1974.

WEINER was shown a photo of WENDY MASAKO YOSHIMURA, and WEINER stated the woman in the photograph was identical to the person he had referred to as JOAN (LNU) at the farm on July 2, 1974. WEINER indicated her hair was shorter than in the photograph, she was attractive, and had an odd complexion, almost plastic looking.

On July 4, 1974, WEINER telephoned MICKI SCOTT at her apartment in New York City and they discussed some Philadelphia Phillies baseball players who were "into" "transcendental meditation". WEINER called MICKI from Shea Stadium in the New York City area.

On July 16, 1974, JACK and MICKI SCOTT, PAUL HOCH, LINDA HUEY, and WEINER attended a New York Stars World Football League home game in New York City together. WEINER recalled that a friend of JACK SCOTT, GEORGE SAUER, was playing for the New York Stars and this was the reason for the group attending the game. WEINER recalled that this was the first home game of the New York Stars football season in 1974.

On July 24, 1974 or thereabouts, WEINER went to the SCOTTs' apartment in New York City and talked to MICKI, but he does not recall JACK SCOTT being present. The conversation was general in nature, and he believes he may have asked MICKI how "their friends at the farm" were getting along. WEINER believes MICKI responded that they were all right or words to that effect. This occurred the same day that WEINER did a story in "Newsday" regarding EDDIE EIHORN (phonetic), the President of the TVS sports television network.

On either August 17, 18, or 19, WEINER, JACK SCOTT, and MICKI SCOTT drove to the farm at Lake Ariel, Pennsylvania. WEINER drove his tan Volkswagen Sedan and the SCOTTs drove their older beige Volkswagen. Upon arriving at the farm, WEINER observed no one present, and he noted that numerous appliances, the dish rack on the kitchen sink, and a radio were no longer in the house. The house was clean and it appeared that the previous occupants had moved out. JACK and MICKI SCOTT in WEINER's presence, proceeded to wipe down all parts of the house where fingerprints could be found. This was done in a light-hearted, joking way, and either JACK or MICKI SCOTT stated "where would the cops look for fingerprints" and "we'd make good cops".

WEINER recalls that he used the washroom at the house and that the three of them were at the house for approximately twenty minutes. The three of them left SCOTT's Volkswagen at the farm and they drove into Scranton, Pennsylvania, in WEINER's Volkswagen.

In Scranton, Pennsylvania, the three of them drove around for a while and eventually stopped at a place where they bought some "Texas hot" hotdogs. A short time later while driving in Scranton, Pennsylvania, they happened upon a football game at a stadium which WEINER believes was the Scranton Stadium. They all believed that this was a high school football game at first, but JACK SCOTT commented that there were too many blacks playing and therefore probably was not a high school game since there are not that many blacks residing in Scranton, Pennsylvania. They decided to watch the game and upon entering the stadium determined that it was a minor league football game between Lackawanna and the Chambersburg Cardinals. WEINER recalled that it was a "family night" game and he, WEINER, was wearing a t-shirt with words on the front side to the effect that the words favored the National Football League (NFL) Players Association in their dispute with the National Football League owners. WEINER believed the t-shirt had words someting like "Liberty" or "Freedom" for the NFL players.

At some point during the evening, WEINER believes he asked JACK SCOTT where the "people" had gone, referring to PATRICIA HEARST, the HARRIS', and JOAN (LNU). SCOTT responded that the "people" had moved. Also, during the evening, the three of them discussed the possibility of buying or renting the farm that they had visited on July 2, 1974. WEINER believes either JACK or MICKI SCOTT commented that they might see a real estate man about purchasing or renting the house in the future. It was indicated during the conversation that the farm could be used for writers such as the SCOTTs, WEINER, and others.

The three of them drove back to New York City after the football game and arrived in the early morning of the following day. The three of them returned to New York City in WEINER's Volkswagen, and the SCOTTs' beige Volkswagen was left at the farm without JACK or MICKI SCOTT ever indicating

to WEINER why they left the Volkswagen there.

On either August 29 or 30, 1974, MICKI SCOTT had dinner with WEINER and SANDY PADWE, Assistant Sports Editor of "Newsday" at WEINER's Long Beach, New York residence. During the evening, MICKI told WEINER that she and JACK SCOTT were going to Portland, Oregon, to live with BILL WALTON and that JACK SCOTT was already in Portland.

On the Jewish feast of Rosh Hashana, which was either September 8 or 9, 1974, WEINER saw JACK SCOTT and MICKI SCOTT at their New York apartment for a brief period of time, and WEINER could not recall any specific discussions held at that time. During the first week of October, 1974, WEINER attempted to call JACK SCOTT since he had not seen or hear from him, JACK, or MICKI SCOTT since September 8 or 9, 1974. WEINER called JACK's father, JOHN J. SCOTT, in Las Vegas, Nevada, TOM MESCHERY, former Assistant Professional Basketball Coach, now living in either Seattle or Portland, and others in an attempt to locate and talk to JACK SCOTT. JACK SCOTT eventually telephoned WEINER in Philadelphia from a pay telephone station in Portland during the first week of October, 1974, and JACK SCOTT told WEINER that "our friends are off our hands," but JACK SCOTT gave no indication as to their whereabouts. WEINER recalled that SCOTT called him from a pay telephone station because there was no telephone in BILL WALTON's residence at this time.

During the Christmas holidays, 1974, and January, 1975, WEINER and a female associate, KATE WATSON, traveled west in WEINER's car and stayed with JOHN J. and LOUISE SCOTT, JACK's parents, at the apartment complex the older SCOTTs' operated in Las Vegas. WEINER recalled that he and WATSON stayed at the older SCOTTs' apartment in Las Vegas on Christmas Eve, 1974.

WEINER and WATSON departed the older SCOTTs' apartment in Las Vegas and drove to the residence of BILL WALTON in Portland, Oregon, where JACK and MICKI SCOTT were residing.

WEINER and WATSON arrived at WALTON's residence during the early morning hours of December 27, 1974, and they stayed there until January 2 or 3, 1975. MICKI SCOTT was

there, but MICKI told WEINER that JACK SCOTT was in Phoenix, Arizona, with BILL WALTON on some type of public relations or promotional work. JACK SCOTT and BILL WALTON returned to WALTON's residence in Portland sometime prior to WEINER's departure on January 2 or 3, 1975. At this time, JACK SCOTT told WEINER that "they" had been in a van with JACK SCOTT traveling west when the van was stopped for speeding by a State Trooper in either Iowa or Indiana. JACK SCOTT told WEINER that he talked the State Trooper out of giving him a speeding ticket by joking about a Big Ten Football Game that day between Iowa and Indiana. WEINER recalled that Iowa and Indiana were the two football teams JACK SCOTT referred to at this time, and he definitely recalled that the names of the two teams began with the letter "I".

Also at this time, JACK SCOTT told WEINER to give WILLY BRANDT about five or six coded messages from JACK SCOTT. WEINER had told SCOTT that he planned to visit WILLY BRANDT in the Soledad, California Prison on January 4 and 5, 1975. WEINER could only recall two of the five or six messages that JACK SCOTT asked him to transmit to WILLY BRANDT. One message was "the team has moved west" and the other message he recalled was "Emma is not with them anymore". WEINER stated EMMA referred to WENDY, WILLY's girl friend.

The persons at the WALTON residence from December 27, 1974, to January 2 or 3, 1975, were: BILL WALTON, JACK SCOTT, MICKI SCOTT, JAY WEINER, SUSAN GUTH, KATE WATSON, and DON (LNU), white male.

On January 2 or 3, 1975, WEINER and WATSON departed Portland in WEINER's car and traveled to San Francisco, California, where WEINER dropped WATSON off at the home of some of her friends. WEINER alone drove to Soledad Prison in California and visited WILLY BRANDT on both January 4 and January 5, 1975. WEINER gave BRANDT the five or six messages which JACK SCOTT asked him to relate to BRANDT. WEINER recalled that WILLY BRANDT was "glad" that EMMA was no longer with them.

No messages were given by BRANDT to WEINER for delivery to JACK SCOTT or anyone else.

WEINER drove back to San Francisco after he visited BRANDT on January 5, 1975, and picked up KATE WATSON.

WEINER and WATSON drove to Las Vegas, Nevada, and stayed with JACK SCOTT's parents for a day or so in the SCOTTs' apartment complex. WEINER and WATSON then drove to Albuquerque, New Mexico, where they reviewed the apartments for rent in a local newspaper, and WEINER accompanied WATSON in locating an apartment which she rented and where she is currently residing.

WEINER then drove alone from Albuquerque, New Mexico to Boulder, Colorado, arriving at 5 a.m. on January 10, 1975, and he stayed with his brother, ED WEINER. At noon on January 1 1975, he received a telephone call from MICKI SCOTT, who was in Portland, Oregon, and MICKI told WEINER that BILL WALTON wanted to break his silence with the news media and be interviewed by WEINER. WEINER called "Newsday", Garden City, New York, and received an "okay" for expenses he would incur while traveling to Portland to interview WALTON. WEINER departed Denver, Colorado, for Portland, Oregon, on January 11, 1975, via a 10 a.m. United Airlines Flight. WEINER was met at the airport in Portland by JACK and MICKI SCOTT, and BILL WALTON was interviewed that evening. The interview with WALTON went poorly that night since WALTON was holding back. On the following morning, January 12, 1975, WEINER told WALTON and the SCOTTs that there was no reason to interview WALTON if he would not be candid. Two friends of BILL WALTON, RANDY (LNU) and ABRAHAM (LNU), came over to the house on January 12, 1975, and argued with WALTON that he should not give an open and candid interview to the news media. WALTON got mad at these individuals and told WEINER he was ready to give an open and candid interview at that time. The interview took place on that day with WALTON, and on the following day, January 13, 1975, WEINER departed Portland on a noon flight to Denver, Colorado, arriving at about 4 p.m.

WEINER picked up his brother in Boulder, Colorado, and they drove to their parents home in Philadelphia, Pennsylvania where WEINER now resides.

After arriving in Philadelphia on January 19, 1975, WEINER read an article in the "Daily World" newspaper of January 16, 1975, regarding an attempt by the FBI to interview BILL WALTON at his Portland residence.

WEINER then called MICKI SCOTT in Portland and asked "what was up?" MICKI SCOTT explained to WEINER that it was nothing and the problem was about an interview WALTON had given. MICKI was very curt, and WEINER did not pursue this matter.

On February 24, 1975, JACK SCOTT called WEINER in Philadelphia and told him the FBI had a "bad theory" that WILLY BRANDT and JACK SCOTT had started the SLA and were behind it. On February 25, 1975, SCOTT called WEINER in Philadelphia and stated that the FBI was probably talking to SCOTT's friends and that WEINER should advise SCOTT if the FBI comes to see him.

On January 27, 1975, WEINER recalled that the FBI had attempted to interview him in Philadelphia, and WEINER then called JOHN J. SCOTT in Las Vegas, Nevada, in an attempt to locate JACK SCOTT. JOHN J. SCOTT told WEINER he did not know where JACK was. JOHN J. SCOTT told WEINER he would call him from a pay telephone in a half hour, and JOHN J. SCOTT hung up on WEINER. JOHN J. SCOTT subsequently called WEINER in about a half hour and stated that he, JOHN J. SCOTT, had been subpoenaed to a Federal Grand Jury but that he gave the FBI a hard time. JOHN J. SCOTT gave WEINER the pay telephone station telephone number in Las Vegas and the code name PETER DOYLE. WEINER destroyed this pay telephone station telephone number after the FBI came to reinterview him in Philadelphia, and he did not know whether the code name PETE DOYLE was to be his name or the name of the person he was to ask for.

On March 1, 1975, MICKI SCOTT called WEINER in Philadelphia and told WEINER that the FBI was hassling him because WEINER had visited WILLY BRANDT in Soledad Prison. MICKI SCOTT stated that all the "people" were seeing attorneys. This was WEINER's last contact with JACK and MICKI SCOTT to the time of this interview.

On March 1, 1975, PAUL HOCH called SANDY PADW and told him "we have to get out a story about the FBI harassing JACK SCOTT on the wire services". HOCH then telephoned WEINER in Philadelphia and told him the same thing. WEINER told HOCH that it was a bad idea.

PAUL HOCH was only seen on one occasion by A WEINER since May 30, 1974, and that was at the New York Stars football game on July 16, 1974.

On March 3, 1975, PHIL SHINNICK called WEINER in Philadelphia and gave him a telephone number at a pay station telephone where WEINER could call SHINNICK. WEINER called SHINNICK at this number, and SHINNICK stated "you don't have anything to worry about, only that one time".

WEINER was never at the apartment of JACK SCOTT in New York City in the company of PATRICIA HEARST or the HARRIS'.

WEINER never observed JOHN J. or LOUISE SCOTT in the New York City area from May 30, 1974, to the time of this interview.

WEINER told the following people in general terms that he saw PATRICIA HEARST:

KATE WATSON, Albuquerque, New Mexico;
BRAWNER SMOOT, Oberlin, Ohio;
ED WEINER, 417 South Perth Street,
Philadelphia, Pennsylvania;
ANN ROBERTS, Boulder, Colorado;
JAKE EMERY, Boulder, Colorado.

WEINER believes he recalls that at one time JACK SCOTT told him that he, SCOTT, drove WILLIAM HARRIS to the Lake Ariel, Pennsylvania farmhouse eastbound and that he and HARRIS posed as a "gay" twosome. WEINER stated JACK SCOTT's close friend is MARTY MILLER, Stockton State College, Atlantic City, New Jersey.

WEINER recalled that on one occasion JACK SCOTT told him that SCOTT had worked out a communication system with "the people in Pennsylvania" but that "they" could not handle the simple system and SCOTT was disgusted with them. SCOTT explained the system in part was to call someone and to get very angry on the telephone in a short period of time. This was a signal to go to a certain pay telephone station and wait for a pre-designated telephone contact.

JAY (NMN) WEINER declined to furnish the interviewing Agents with a signed statement regarding the above information.

WEINER stated he did not know where PATRICIA HEARST or the HARRIS' were at the present time and if he did, he probably would not tell the FBI. WEINER was shown photographs of JACK SCOTT, NICKI SCOTT, and JOHN J. SCOTT, at which time he identified them as being identical to the persons he referred to during this interview.

The following description of WEINER was obtained through observation and interview:

SUMMARY

HEARNAP, OO: SF

RE: PH 4389-PCI - JAY WEINER

WEINER, AN ASSOCIATE OF JACK AND MICKI SCOTT, WAS SERVED WITH GRAND JURY SUBPOENA BY OUR CLEVELAND OFFICE ON MARCH 11, 1975, AT WHICH TIME HE WAS INTERVIEWED BY AGENTS OF THE CLEVELAND OFFICE AND HE ADMITTED KNOWING JACK AND MICKI SCOTT AS FAR BACK AS 1972. HE STATED ON JULY 2, 1974, IN RESPONSE TO A PHONE CALL HE WENT TO SCOTT'S APARTMENT IN NEW YORK. THIS WAS PURPORTEDLY TO CELEBRATE WEINER'S BIRTHDAY. WEINBERG, JACK AND MICKI SCOTT DEPARTED THE APARTMENT JULY 2 ENROUTE TO THE POCONO MOUNTAINS. THE SAME DAY THEY ARRIVED AT A TWO STORY FARMHOUSE NEAR LAKE ARIEL, PENNSYLVANIA, WHERE HE MET INDIVIDUALS WHO JACK SCOTT [illegible] AS PATRICIA HEARST, EMILY HARRIS, BILL HARRIS, AND [illegible] LISTED

WENDY YOSHIMURA. WEINER STATED HE RECOGNIZED PATRICIA HEARST BUT HE DID NOT KNOW THE HARRISES UNTIL SCOTT TOLD HIM WHO THEY WERE. BILL HARRIS TOLD WEINER TO CALL THEM BY THEIR SLA NAMES, YOLANDA (EMILY), TEKO (BILL), AND TANIA (PATTY). IN DISCUSSIONS, EMILY HARRIS APPEARED TO BE THE LEADER AND TOLD WEINER HE WAS THERE BECAUSE JACK AND MICKI "NEED SOMEONE TO BACK THEM UP". PATTY TOLD HIM THAT THE KIDNAPPING WAS "FOR REAL", AND SHE DID NOT APPEAR TO BE HELD AGAINST HER WILL. SHE STATED SHE SHOT UP THE FRONT OF THE STORE DURING BILL HARRIS' ESCAPE. (THIS IS THE SHOOTING AT MEL'S SPORTING GOODS STORE IN LA ON MAY 16, 1974.) WEINER STATES HE HAS NOT PHYSICALLY OBSERVED HEARST OR THE HARRISES SINCE JULY 2, 1974.

HE STATED THAT IN THE MIDDLE OF AUGUST, 1974, HE, JACK AND MICKI RETURNED TO THE FARM AT LAKE ARIEL, AT WHICH TIME HE NOTED THAT NO ONE WAS PRESENT AND APPLIANCES HAD BEEN REMOVED AND IT APPEARED THAT THE FUGITIVES HAD MOVED OUT. AT THIS TIME, JACK AND MICKI SCOTT WIPED DOWN ALL PARTS OF THE HOUSE WHERE

FINGERPRINTS COULD BE LEFT, STATING "WHERE WOULD THE COPS LOOK FOR FINGERPRINTS". WEINER STATED THAT IN THE FIRST WEEK OF OCTOBER, JACK SCOTT WAS IN TELEPHONIC CONTACT WITH HIM AND TOLD HIM "OUR FRIENDS ARE OFF OUR HANDS". WEINER VISITED SCOTTS IN OREGON FROM DECEMBER 27, 1974 TO JANUARY 2 OR 3, 1975, AND DURING THIS TIME JACK TOLD WEINER THAT "THEY" WERE IN A VAN WITH HIM BEING TRANSPORTED WEST WHEN THEY WERE STOPPED BY A STATE TROOPER WHOM JACK TALKED OUT OF GIVING A TICKET. WEINER ADVISED THAT ON JANUARY 4 OR 5, 1975, HE VISITED WILLIAM BRANDT (WENDY YOSHIMURA'S BOYFRIEND AND A CONVICTED BOMBER) IN SOLEDAD PRISON WHERE HE GAVE BRANDT ABOUT FIVE CODED MESSAGES FROM JACK SCOTT, TWO OF WHICH HE CAN RECALL AND WHICH ARE, "THE TEAM HAS MOVED WEST", AND "EMMA IS NOT WITH THEM ANY MORE". WEINER STATED EMMA REFERRED TO WENDY YOSHIMURA. ACCORDING TO WEINER, THE LAST CONTACT HE HAD WITH JACK OR MICKI SCOTT WAS ON MARCH 1, 1975 WHEN MICKI CALLED WEINER IN PHILADELPHIA AND TOLD WEINER THAT THE FBI WAS "HASSELING" HIM BECAUSE WEINER HAD VISITED WILLIAM BRANDT IN SOLEDAD. ON MARCH 3, 1975, PHILLIP SHINNICK CALLED WEINER

AND GAVE HIM A TELEPHONE NUMBER AT A PAY STATION WHERE HE COULD CALL SHINNICK. WEINER STATED HE WOULD CALL HIM AND SHINNICK STATED, "YOU DON'T HAVE ANYTHING TO WORRY ABOUT, ONLY THAT ONE TIME."

ON MARCH 13, 1975, IN RESPONSE TO THE SUBPOENA, WEINER APPEARED AT HARRISBURG, PENNSYLVANIA, REPRESENTED BY ATTORNEY THOMAS MENAKER, HARRISBURG, PA., WHO PREVIOUSLY HAD BEEN AN ATTORNEY FOR THE BERRIGAN TRIAL IN HARRISBURG. WEINER REFUSED TO TESTIFY WITHOUT IMMUNITY AND IMMUNITY WAS OBTAINED FROM DEPARTMENTAL ATTORNEY BRANDON ALVEY. WEINER THEN TESTIFIED AND IDENTIFIED FUGITIVES AS BEING AT THE FARM DURING THE TIME PERIOD PREVIOUSLY GIVEN TO CLEVELAND AGENTS AND HE PLACED JACK AND MICKI SCOTT AT THE FARM AT THE SAME TIME. HOWEVER, HE HEDGED ON CERTAIN DETAILS OF THESE IDENTIFICATIONS SO AS TO TAKE SOME OF THE STRENGTH FROM THE IDENTIFICATIONS. HE NOW DENIES BEING TOLD THE TRUE IDENTITIES OF THE FUGITIVES BY JACK SCOTT AT THE FARMHOUSE.

FOLLOWING THE GRAND JURY APPEARANCE WEINER HANDED OUT XEROX COPIES OF A STATEMENT TO THE PRESS WHICH IN PART

SENT GREETINGS TO YOLANDA, TEKO AND TANIA, AND TO JACK AND MICKI, AND INDICATING HE WAS TESTIFYING SO AS NOT TO GO TO JAIL.

WILLIAM WALTON - SUSAN GUTH.

ON MARCH 12, 1975, ATTORNEY CHARLES GARRY, SAN FRANCISCO, MADE AVAILABLE WILLIAM WALTON AND HIS GIRL FRIEND, SUSAN GUTH, AND THEY WERE INTERVIEWED IN GARRY'S PRESENCE. BOTH DENIED HAVING ANY KNOWLEDGE THAT JACK OR MICKI SCOTT HARBORED THE FUGITIVES AND BOTH DENIED HAVING ANY INFORMATION. IN INTERVIEW WITH GUTH AND WALTON, IT APPEARS THAT WALTON HAD NEVER PERSONALLY MET JACK SCOTT UNTIL SCOTT CAME TO HIS RESIDENCE IN OREGON ON EITHER THE LAST DAY OF AUGUST OR SEPTEMBER 1, 1974. WALTON WENT TO A TRAINING CAMP ON SEPTEMBER 16, 1975, FOR TWO WEEKS AND SOMETIME DURING SEPTEMBER GUTH LEFT THE RESIDENCE FOR AT LEAST A WEEK. THEY CLAIM THAT WHILE THEY WERE THERE DURING SEPTEMBER, THEY BELIEVED JACK SCOTT WAS THERE ALL DURING SEPTEMBER BUT THEY DO NOT KNOW HIS WHEREABOUTS DURING THEIR ABSENCE FROM THE RESIDENCE.
