Miss Helene Sobel,

New York City, N.Y.

Dear Miss Sobel:

Your letter of September 28th, and while we are having many many opportunities to lease the space as referred to in your letter, there is a possibility that we might become interested in your proposition.

We would like to know if there is a similar operation going on at this time, where it is located, and the annual volume of business that is being done.

We would also like to know if you have the capital available, or are in position to secure same, necessary for purchasing the equipment and merchandise stock.

Would also like to know what percentage of sales would be devoted to rent and still be a profitable operation for the proprietors.

Thanking you for your interest.

Yours very truly,

Dear Sir:

Answering yours of the 12th., Inst., wish to inform you that as to there being a similar operation near your place -- there is none like it. The idea is original.

The volume of business one can do is tremendous -- dealing in woman's Vanity. It would be necessary to check space and see how much business it could accommodate, in order to arrive at an approximate amount. Then you can determine rent percentage -- which I would leave in your hands.

Would like to put in all my experience and knowledge into a place like this. I find the work very delightful. Can arrange for merchandise and capital.

Awaiting your further indulgence in the matter,

Very truly yours,

HS--

Mr. Harrison Smith,

Dear Sir:

You have a large empty store adjacent to the Boulevard Cafeteria -- which I think could be turned into a profitable place.

I usually visit my sister during the summer months -- Miss Leah Sobel -- who is with Society on the Dailey Oklahoman -- and during the last two visits, I thought quite a bit about that space.

Am in the Beauty industry. Your space could make an ideal "BEAUTY HAVEN" -- serving Oklahoma women not only with Hair work, but cosmetics of all kinds -- and everything that women go after -- including reducing, etc. Such a place would be good for the cafeteria, and vice versa.

With some special and outstanding wall decorations pertinent to Woman's Beauty, this place would attract not only Oklahoma City patrons, but women from nearby towns as well.

The above project could be handled on a percentage basis between you and the writer.

I would like to hear from you.

Sincerely,

Helene Sobel

DATE: MAR. 15, 1951

FROM : SAC, OKLAHOMA CITY

SUBJECT: MORTON SOBELL, was
ESPIONAGE - R

On March 14, 1951, a telephone call was received at this office from HARRISON M. SMITH, presently vacationing in Sebring, Fla., who advised that in his office at 2512 First National Building, Oklahoma City, there was correspondence with HELEN SOBELL, who he thought possibly the wife of this subject.

Mr. SMITH stated that HELEN SOBELL corresponded with him concerning the rental of some property in Oklahoma City for the operation of a beauty parlor during the fall of 1949. He thought this might be of some significance to the MORTON SOBELL trial as he had noted in the paper that one of the individuals involved had been instructed to meet someone in Mexico City and use the pass word "I am from Oklahoma."

The correspondence was obtained from Mrs. RUTH NORMAN, Secretary to Mrs. HARRISON SMITH, was photostated and copies of same are enclosed. It is noted, however, from this correspondence that the name is spelled HELENE SOBEL, and also from the correspondence it appears that SOBEL is the maiden name of HELENE rather than her married name inasmuch as she refers to her sister, Miss LEAH SOBEL.

The above is being furnished for the information of the New York Office.

Advised the U.S. Attorney had just informed us they would need to introduce into evidence a properly authenticated copy of the I&NS manifest of entry dated 8/18/50 at Laredo, Texas, re SOBELL.

I pointed out to Payne this was set forth in the report of Rex I. Shroder dated 8/23/50 at San Antonio, Paragraph 1, Page 20. I asked SA Payne to take this matter up with I&NS and see that we had the document here by Tuesday morning. I told him to keep us advised as to the progress and in the event it was required that San Antonio Division handle this matter with I&NS, WFO should pass along appropriate instructions to San Antonio. He said this would be done.

Mr. Payne also advised me that the Selective Service file on SOBELL had been mailed to Colonel Cobb's office that afternoon by Selective Service Headquarters in Washington; that the proper person wo whom the subpoena should be directed was Frank G. Martin, Deputy Director, D.C. Selective Service System, 1901 D Street, N.W. He suggested that we contact Colonel Cobb at CH 4-7300 and SA Shroder advised that this had already been done.

Call To: SAC Weeks, San Antonio, 4:30 PM, 3/21/51

Advised SAC Weeks the defense was objecting to the introduction into evidence of the authenticated incoming copy of the manifest on MORTON SOBELL. I explained to him it would be necessary for I&NS to send a representative to New York to introduce the original documents into evidence and to be here if at all possibly by 10:00A.M. on 3/21/51.

I said that if SOBELL had advised Inspector Huggins he was being deported from Mexico, Huggins would be satisfactory to introduce the manifest into evidence. However, if Huggins had no personal contact with SOBELL re this matter, a representative who is in charge of their filing system should come to New York to introduce the evidence.

Mr. Roberts of San Antonio called me at 10:30 P.M. on 3/20/51 and advised he had checked this matter and Huggins had received the information relating to his departure from Mexico directly from MORTON SOBELL and accordingly he was enroute from Laredo to San Antonio where they would attempt to get him on an American Airlines Flight 156 departing 1:35 A.M. 3/21/51, due to arrive NYC 10:00 A.M. 3/21/51. I pointed out it was absolutely essential that Huggins be here the morning of 3/21/51.

I talked with Mr. Obendorf at 8:25 A.M., WFO, on 3/21/51 and asked him to check Flight 156 from San Antonio to determine if Huggins was on that flight. I explained he was due in Washington at 8:28 A.M. He called back at 8:40 and stated Huggins was on the flight.

Re New York letter to Bureau dated 1-24-51.

On 3-13 and 3-14-51 Mr. PETER NICHOLAS CAMP, 3711 Whitney Street, Cincinnati 27, Ohio, upon interview, furnished the following information concerning his employment at the Max B. Miller and Company, of New York, New York, of his employment as an Interpreter for Soviet Engineers, etc.:

CAMP was employed as a Chemical Engineer by the Max B. Miller and Company, 501 Fifth Avenue, New York City, in February, 1940. At the time, the Miller firm was designing and supervising the construction of refineries in the USSR. The Miller firm had been instrumental in the design and construction of such a refinery at Grozny, USSR, and had perhaps three or four of its men in the Soviet Union from 1939 through 1940. CAMP has the names of such men if they are needed. Furthermore, the Max B. Miller and Company firm, a firm which designs all types of refineries, was actively engaged, after the period of CAMP's employment, in the design of other refineries which were given to the USSR under Lend Lease.

CAMP's work with the Miller firm brought him in limited contact with the E. B. Badger and Company, 500 Fifth Avenue, New York City, and this firm, under Lend Lease arrangements, had been employed to train Soviet Engineers in the refining methods of the refineries which the Miller firm was designing and building in the United States. Consequently, CAMP knew something of these activities.

In about January, 1944, CAMP believes that he was advised by Mr. MALCOLM TUTTLE, Research Director and Chief Engineer of Max B. Miller and Company, that the E. B. Badger and Company needed a Russian interpreter who could accompany Soviet Engineers in a tour that the latter were making of American refineries in order to interpret for them. CAMP believes that TUTTLE suggested contact with S. SEMENOV, who was described by CAMP as being in charge of Soviet personnel working out of the E. B. Badger and Company offices, 500 Fifth Avenue, New York. CAMP states that no other individual had any part whatsoever to play in his eventually doing work as an interpreter for the Soviet Engineers.

CAMP went to see SEMENOV in January, 1944, explained his qualifications as an interpreter to SEMENOV in an interview which was conducted in Russian, and at the time SEMENOV informed CAMP that the latter was one of the few people that SEMENOV knew in the United States who could speak both Russian and English. CAMP was not immediately employed by SEMENOV because the latter protested that the fee for CAMP's services, which was paid by the E. B. Badger and Company to the Max B. Miller and Company, was too high. Approximately a week after this interview, however, SEMENOV called CAMP and told him that he had been selected for work as an interpreter, and suggested that he see JOHN PRITCHARD, the Office Manager of the E. B. Badger and Company, in New York, immediately for his instructions.

SEMENOV informed CAMP that the particular assignment was to last about six months, and that it was to cover only the matter of his interpreting for the Soviet Engineers on tour at the time. CAMP noted that another feature about his qualifications for the assignment was the fact that he was also a Chemical Engineer and thus, he had a knowledge in English and in Russian of the technical terms of the refining industry. CAMP noted that there were a few details which had to be worked out with his draft board but that these were cleared up in due time, and in February, 1944, he proceeded to Texas City, Texas where he was to begin work at the Southwest Oil Refining Company.

CAMP worked at the Southwest Oil Refining Company at Texas City for approximately the entire month of March, 1944. There were seven Soviet Engineers who were being trained at this plant at that time, and they had been there about three months prior to CAMP's arrival. Not much headway had been made in training them because of their inability to speak English. CAMP, who apparently has a very good memory for names, identified the surnames of some of these Engineers as POLONIN, SAAKOV and DONTZOV. While working at Texas City, CAMP lived at a hotel at Galveston, Texas and the Soviet Engineers resided in private homes.

CAMP went to the Sinclair Refining Company, at Corpus Christi, Texas, thereafter remaining throughout April and a part of May, 1944. There were seven Soviet Engineers being trained at this refinery at that time and CAMP was the only interpreter at this plant. While at Corpus Christi, CAMP again met SEMENOV and the two had a very brief meeting which concerned merely the progress of the men and CAMP's fulfillment of his duties.

After their names write Engineers of Soviet Gov. Purchasing Comm 1944

From Corpus Christi, CAMP went to the Continental Oil Company, Ponca City, Oklahoma, where there were 15 Soviet Engineers stationed, and where CAMP was stationed from May, 1944 until the latter part of July, 1944. Eight additional Engineers had been sent from New York City in order to receive training with the members of the other Soviet group. The Continental plant was a very modern one and because of the number of Soviet Engineers, two other interpreters were hired. CAMP remembers the name of one of these, VICTOR HENDRICKS, an employee of the Max B. Miller and Company at the time, but CAMP does not recall the name of the other one.

From Ponca City, CAMP went to the Champlin Oil Company plant at Enid, Oklahoma and was there from the latter part of July, 1944 until the latter part of August, 1944 when he was ordered to return to New York City. There was but one Soviet Engineer at the Champlin plant, and he was named ALIEV. It is noted that CAMP was married at Enid on August 18, 1944, but that his wife was unable to furnish any pertinent information concerning the subject matter of New York relet.

CAMP had known of SEMENOV in connection with the Soviet personnel working in conjunction with the E. B. Badger and Company before his meeting with SEMENOV in January, 1944 and believes he may possibly have been introduced to SEMENOV before this meeting. However, CAMP declares he had no other meetings with SEMENOV other than the interview in January, 1944 and the brief meeting between the two at Corpus Christi, Texas in April, 1944. CAMP declares that at no time did SEMENOV ask for any assistance other than his work as an interpreter. CAMP observed that in their January, 1944 interview, SEMENOV was principally interested in determining CAMP's qualifications. CAMP asserted that SEMENOV made no reference to political matters nor was there any extraneous discussion outside the matter of CAMP's qualifications. CAMP noted that there was no mention in this interview, or the latter meeting, of any information to be furnished by CAMP concerning fuels, chemicals, concentrates, etc., nor any mention of the "Houdry" process.

CAMP has not seen SEMENOV since their meeting at Corpus Christi, and he had no social connection whatsoever with SEMENOV. CAMP had no knowledge of the activities of SEMENOV outside the E. B. Badger and Company and the Max B. Miller and Company. Although CAMP was aware of the fact that SEMENOV was connected with the Amtorg Trading Corporation, however, CAMP did not visit SEMENOV at any time at the Amtorg offices, and CAMP does not even know their location in New York City.

CAMP identified the following men in the Miller and Badger firms as those with whom SEMENOV came in close contact, and CAMP noted that insofar as he knew, each of these men was completely loyal to the United States except MITRAFANOV:

MAX B. MILLER, JR., 501 Fifth Avenue, New York City
BRUCE HACKSTAFF, same address
WERNER "JACK" HOFFMAN, same address
_____ BAIDING, same address
VICTOR [illegible], now employed by the Pepsi Cola Company and living at Tenafly, New Jersey
JOHN [illegible], Office Manager, E. B. Badger and Company, New York City
A. V. MITRAFANOV, E. B. Badger and Company, New York City.

It is noted that CAMP had no information to reflect against the loyalty of MITRAFANOV, but not knowing his nationality was not certain of his loyalty to the United States. CAMP noted that LUKE NOKASIAN, an employee of the E. B. Badger and Company, was in charge of the Soviet Engineers in behalf of the Badger firm at the Sinclair Refinery at Corpus Christi, and in view of SEMENOV's trip to Corpus Christi in April, 1944, CAMP thought that possibly NOKASIAN may have been contacted by SEMENOV.

Concerning the "Houdry" process, CAMP noted that every phase of it was unclassified information, except that which concerned the chemical composition of the catalytical heat agent used in the cracking process. CAMP noted that except for this information, the Soviet Engineers were permitted access to every bit of information and every part of the refineries which they visited in Texas and Oklahoma. CAMP noted that the information regarding the chemical composition of the catalyst was strictly confidential and that this information was not passed on to anyone. CAMP recalled that in the classes which were given in Texas City and Corpus Christi for the Soviet Engineers, the latter were always trying to get some person to explain the chemical composition of the catalyst agent to them, but he noted that they were always doing this in a rather joking way.

CAMP asserted that there was only a very limited amount of fraternization between the Soviet Engineers and himself, as well as the other Americans working at the refineries, such as NOKASIAN. CAMP noted that the Soviet Engineers would split up and live in private homes and that their social contacts, excluding SEMENOV, were very few in number and brief. CAMP did recall a few

occasions of such fraternization but these do not seem to be pertinent at this time. CAMP noted that the Soviet Engineers were primarily concerned with learning everything they possibly could about refineries, their production methods, and processes, etc. He noted that there was never any discussion of politics between any of the Soviet Engineers and himself. CAMP recalled only one instance when one of the Soviet Engineers asked him if he, CAMP, had ever had any of his friends disappear here in the United States, inasmuch as this Soviet had had a number of his friends in the USSR suddendly disappear, never to be heard from again.

CAMP noted that he had no contacts with the Amtorg Trading Corporation and that he had no reason at any period while employed by the Miller firm to contact Amtorg. CAMP was not specifically asked whether or not his father had any contacts at Amtorg for fear of disclosing the identity of the Los Angeles informant. However, the question of who assisted CAMP in getting the work as an interpreter for the Soviet Engineers was thoroughly covered from every angle, and CAMP asserted that he received no assistance from anyone other than the suggestion which had been made him, he believes, by Mr. TUTTLE.

CAMP declared that he quit working for the Miller firm in October of 1945 in order to accept more lucrative employment with the Graham Manufacturing Company, New York, New York.

It is noted that New York relet made reference to New York letter to the Bureau dated September 22, 1950 entitled, "MORTON SOBELL, was, Espionage - R," copies of which, together with appropriate photographs, were furnished Cincinnati. New York relet requested that CAMP be interrogated along the lines of its letter dated September 22, 1950, and that the photographs referred to be shown to CAMP.

Concerning the photographs, it is noted that they were forwarded to the Newark Office on October 9, 1950 as enclosures with Cincinnati letter of the same date, entitled as above. However, CAMP was questioned concerning if the following individuals, a number of whom were graduated from City College of New York in 1938 along with CAMP, but the latter was unable to recall ever having met any of these people, nor did he have any knowledge of any of their activities:

JOEL BARR
WILLIAM DANZIGER
WELDON EUGENE DAYTON
MAX ELITCHER
HELENE ELITCHER
VIVIAN GLASSMAN
RUTH GRANGLASS
CARLA SMALL JAVNA
STEVEN JAVNA
RUSSELL McNUTT
MARK PAGE
WILLIAM PERL, aka WILLIAM MUTTERPERL
STANLEY ROBERT RICH
JULIUS ROSENBERG
Mrs. ETHEL ROSENBERG
HETTI SAVIDGE
ALFRED SARANT
LOUISE SARANT
ANN SIDORVITCH
MIKE SIDORVITCH
MORTON SOBELL
NATHAN SUSSMAN

CAMP had a 1938 City College of New York yearbook which disclosed the names of WILLIAM DANZIGER, MAX ELITCHER, WILLIAM MUTTERPERL, and MORTON SOBELL, possibly others in the above list as CCNY graduates, but this did not help him in any way to remember these people.

It is noted that CAMP was shown two of the four photographs of SEMENOV which New York furnished Cincinnati, and he identified these as photographs of the SEMENOV with whom he had had his contact at E. B. Badger and Company, New York City.

Check of the indices of the Cincinnati Office disclosed no derrogatory information concerning FATHER NICHOLAS CAMP.

RE: MORTON SOBELL; HARRY BELOCK
ESPIONAGE - R

At 6:20 p.m. on March 23, 1951, Inspector CARL HENRICH, of the Bureau, telephoned and advised that ALEC CAMPBELL, formerly head of the Criminal Division of the Justice Department, was in to see MR. LADD, of the Bureau.

CAMPBELL stated to MR. LADD that he had talked with WILLIAM PARKHURST and EDWARD GARRETT, of the Reeves Instrument Company and they have indicated to CAMPBELL that they are able to furnish information of interest to the Bureau concerning MORTON SOBELL. They also expressed concern over security of confidential material at the Reeves Instrument Company, and it was pointed out that the Bureau does not handle plant protection matters, but that such was handled by the Munitions Board.

CAMPBELL also indicated that one HARRY BELOCK, formerly with the Reeves Instrument Company, has secret material in his possession at his home or his office, which he obtained from Reeves Instrument Company. EDWARD GARRETT can relate the facts concerning the BELOCK matter.

Inspector HENRICH requested that GARRETT and PARKHURST be interviewed on March 24, 1951, concerning SOBELL and BELOCK, and that the results of these interviews be teletyped to the Bureau, and thereafter reported in individual case files. The teletype to the Bureau should be entitled, "REEVES INSTRUMENT COMPANY". MR. HENRICH indicated that the question of plant protection should not be gone into, with GARRETT and PARKHURST.

I advised Mr. Kuntz that he should take this matter up with Mr. Saypol and if the latter had any desires with respect to this matter he could advise me and I would furnish Mr. Saypol with whatever information he needed to assist him in complying with Mr. Kuntz' request.

I called Mr. Carl Hennrich, Bureau, at 11:30 A. M. today and advised him that defendants, JULIUS and ETHEL ROSENBERG; and Morton Sobell would be sentenced 4/5/51 at 10:30 A. M. I advised him Judge Irving Kaufman had stated this was a just verdict and he complimented the FBI on its usual efficient investigation of the case, stating that they performed a splendid job in the true tradition of the FBI. I said that United States Attorney Irving Saypol complimented the Attorney General, the United States Attorney's staff, Mr. Hoover and the FBI. He paid tribute to the work of the men and women of the FBI, stating that the excellence of their work could be expressed only in superlatives. They are not a police force, but an investigative agency; and their eternal vigilance, pervading, ceaseless, untiring efforts resulted in bringing this case to prosecution. He also advised that Mr. BLOCH had extended his appreciation to the FBI for its courtesies. He was satisfied that the Jury deliberated carefully. I pointed out that the defendants accepted the verdict in stoic fashion.

Reference is made to lead set forth in Serial 285 of instant case to interview JOSEPH DANIELS, 2505 Aqueduct Avenue, Bronx, New York. DANIELS was listed as a reference by MORTON SOBELL in his application for employment with Reeves Instrument Corp.

Mrs. EVELYN DANIELS, 2505 Aqueduct Avenue, Bronx, New York, was telephonically contacted on March 15, 1951, at which time she advised that she was separated from her husband. She stated that he is now living at 410 Clinton Avenue, Brooklyn, New York.

Mrs. DANIELS advised that while she and her husband were living in Albany, New York, MORTON SOBELL was a guest at her home on one occasion. She explained that at that time both DANIELS and SOBELL were employed as engineers by the General Electric Company, Schenectady, New York, and were co-workers.

She stated that this was the only time she saw SOBELL and the conversation was casual with the result that she has no information to offer concerning SOBELL'S political beliefs. She voluntered the information that SOBELL was an "all right guy" and that he was in his present predicament because he was "confused". She felt that SOBELL'S

acts were caused by a confused mind rather than through malice. She explained that SOBELL is probably a theoretical communist and if he ever visited Russia he would never have done any harm to the United States. She stated that she formed this opinion of SOBELL by reading the newspapers and not through personal contact with him as she has only seen him once.

(Mrs. DANIELS seemed confused herself on the telephone.)

JOSEPH DANIELS, 410 Clinton Avenue, Brooklyn, New York, was interviewed in the New York Office on March 16, 1951, by Special Agent ROBERT L. STEVENSON and ROBERT W. COHOLAN.

Mr. DANIELS stated he first met MORTON SOBELL in September, 1943, when he started working at the General Electric Plant in Schenectady, New York. He stated that SOBELL was already employed there since they were both working in the same department namely Aeronautic and Marine, they became acquainted. DANIELS stated he was working on the design of a B-29 computor and believed SOBELL was working on radar and their work was classified secret and top secret.

DANIELS further stated that he saw SOBELL every day at work and became friendly with him. He advised he invited SOBELL to his home for dinner on one occasion but nothing unusual occurred and the conversation was casual. He stated that SOBELL was not married at that time and seemed to be worried about his forthcoming marriage since his wife-to-be had a small child by a previous marriage. He believed SOBELL was concerned over the child's reaction to him.

In connection with his employment at G. E., DANIELS stated he never had any reason to suspect SOBELL as subject never said or did anything that he would consider subversive. However, he stated that SOBELL was in favor of a Second Front in Europe and mentioned once or twice the advantage a Second Front would give to the Allies. DANIELS also recalled that on D-day, SOBELL was the only one in the department who had brought in a radio to listen to reports of the invasion. DANIELS stated that this is the only thing he ever noticed SOBELL do at G. E. which he would consider an indication of communist tendencies on SOBELL'S part.

DANIELS advised that he left G. E. in July or August, of 1944 and moved to New York City where he obtained employment with Lear Inc., manufacturer of auto-pilots. While working for Lear a friend of his named ALBERT CEZAR advised him he was looking for an engineer to work for him since CEZAR was a manufacture of electrical equipment. DANIELS recommended SOBELL and CEZAR took a trip to Schenectady to see SOBELL. According to CEZAR, SOBELL turned the position down.

DANIELS stated he did not see SOBELL again until March or April, 1947, when SOBELL started working for REEVES. He stated that SOBELL had listed him as a reference. He believes one SID GODET presently working at REEVES had told SOBELL that he (DANIELS) was at REEVES and that is why SOBELL recommended him as a reference. According to DANIELS, GODET was also employed at G. E.

DANIELS further stated that SOBELL'S wife worked at REEVES with him and he met her on one or two occasions. In connection with their work at REEVES, he stated that he (DANIELS) was on the plotting board for guided missiles and SOBELL took his job when he left REEVES in October, 1947. He stated that SOBELL never gave any indication that he was engaged in espionage. However, he stated it would have been a simple matter for SOBELL to transmit information to the Russians, since he had access to performance specifications of guided missiles and could memorize equations and other data and transcribe it at his home.

In connection with communist indications on SOBELL'S part, DANIELS advised that on one occasion, he told SOBELL that the Communists were responsible for bringing Hitler to power. SOBELL objected to this statement and told DANIELS that it was a lie but did not explain why it was a lie.

DANIELS stated he has not seen SOBELL since he left REEVES in September, 1947. He stated SOBELL had a mal-content attitude and did not get along too well with people which caused SOBELL to keep to himself.

Concerning himself DANIELS stated that he was born as JOSEPH LAWRENCE DANIELS, June 2, 1918. His mother was ROSE JACOBS and his father was ARTHUR DANIELS. He has a brother, ARTHUR DANIELS, and a sister SYLVIA DANIELS. He graduated from George Washington High School, New York City in 1936 and has attended Columbia, CCNY, and NYU, but has not received a degree taking engineering courses. He stated he is considered a competent engineer and has acquired most of his knowledge through text books studied at home and thru practical application.

He advised that he married EVELYN SKLONSKY, 9/28/40 and they have one child, LAURA, born 6/3/43. He stated he is separated from his wife. He described his married life as hectic and at the time of the separation he was rapidly becoming an alcoholic until he received psychiatric treatment which cured him.

He stated at the present time he is employed as an engineer by Avion Instrument Company, 121 E. 24th Street, New York City.

Concerning ALBERT CEZAR, mentioned above, DANIELS stated that he is the President and owner of the Electronics Transformer Company, 207 West 25th Street, New York City. DANIELS stated CEZAR bears investigating by the FBI, as he is a Communist sympathizer.

He explained that he has known CEZAR for a number of years and when he left REEVES in September, 1947, he had developed an audio-amplifier which he intended to manufacture commercially. He stated that he told CEZAR of this and entered into an agreement with him in which he was allowed to use his laboratory.

He stated that sometime in 1948, CEZAR told him that he had been to the Russian Consulate in 1948 and volunteered to set up a transformer factory in Russia. CEZAR also told the Russians that in the event they did not want the factory in Russia he would set it up in France. CEZAR did not tell DANIELS the Russian reaction to his plan.

DANIELS also stated that CEZAR subscribes to "Soviet Russia Today."

On March 17, 1951, DANIELS voluntarily came into the office and advised that he now recalled that SOBELL was a camera enthusiast and owned a Leica camera. He also stated that SOBELL took a trip to Gaspe, Canada. He believed that this information would be pertinent to our investigation.

DANIELS then told the interviewing agent that he had resigned his position on March 16, 1951. He stated that he could not get along with his boss and thought it was best for him to leave Avion.

DANIELS creates a very poor impression as he appears to be extremely nervous. He has admitted that he has taken psychiatric treatment.

TARTAKOW ADVISED THAT THIS THESIS WILL BE IN THREE SECTIONS, THE FIRST SECTION DEALING WITH THE ROSENBERG TRIAL, THE SECOND SECTION A SCIENTIFIC ANALYSIS OF THE ATOM BOMB AND THE THIRD SECTION, WHICH WILL BE OF A GENERAL NATURE AND CONTAIN CONCLUSIONS FOR THE FIRST TWO SECTIONS. TARTAKOW ALSO ADVISED THAT WILLIAM MESSING, ATTORNEY FOR ABRAHAM BROTHMAN, VISITED BROTHMAN AT THE FEDERAL HOUSE OF DETENTION AND INFORMED BROTHMAN THAT HE HAD HEARD FROM NAOMI BROTHMAN THAT ABRAHAM BROTHMAN WAS BECOMING INVOLVED IN THE ROSENBERG CASE BY WRITING A THESIS. TARTAKOW ADVISED THAT MESSING WAS EXTREMELY EXCITED AND CAUTIONED BROTHMAN AGAINST BECOMING INVOLVED IN ANY WAY WITH ROSENBERG. TARTAKOW ALSO STATED THAT BROTHMAN HAD RECEIVED SOME LETTERS FROM MIRIAM

MOSKOWITZ WHILE BOTH OF THEM WERE AT THE U.S. COURT HOUSE, WHICH LETTERS WERE SMUGGLED BY BROTHMAN UNCENSORED INTO THE FEDERAL HOUSE OF DETENTION, ~~AND THAT BROTHERS HAD LOST THE LETTERS~~. TARTAKOW ADVISED THA BROTHMAN MISPLACED THESE LETTERS AND THAT HE, TARTAKOW, OBSERVED THE LETTERS HUNG ON THE BULLETIN BOARD IN THE FEDERAL HOUSE OF DETENTION AND THAT HE REMOVED THE LETTERS BECAUSE HE HAD NOTICED THE NAME ELIZABETH BENTLEY WRITTEN ON ONE OF THE SHEETS. HE ADVISED THAT HE DISPLAYED THESE LETTERS TO ROSENBERG WHO IMMEDIATELY RECOGNIZED THE HANDWRITING AS BEING THAT OF MIRIAM MOSKOWITZ AND SO ADVISED TARTAKOW. TARTAKOW STATED THAT HE RETURNED THE LETTERS TO BROTHMAN AND ONLY HAD ANY OPPORTUNITY TO TAKE A QUICK LOOK AT ONE SHEET BUT THAT HE DID NOTICE THAT MIRIAM MOSKOWITZ ASKED BROTHMAN HOW HE HAD RAISED THE FIVE THOUSAND DOLLARS TO PAY MR. MINTON HIS APPEAL ATTORNEY AND THAT SHE HAD REFERRED TO ELIZABETH BENTLEY AS A QUOTE PROSTITUTE UNQUOTE. TARTAKOW ADVISED THAT IN HIS OPINION JACOB FRIEDUS HAS FURNISHED BROTHMAN THE MONEY TO PAY HIS APPEAL ATTORNEY. TARTAKOW ALSO ADVISED THAT ROSENBERG TOLD HIM THAT THE SOVIET UNION HAS A NEW CITY CALLED SAHI (PHONETIC) WHICH IS A TOWN DEVOTED TO SCIENTIFIC RESEARCH. HE ADVISED THAT ROSENBERG TOLD HIM THAT ALL SCIENTIFIC

INFORMATION OBTAINED IN THE UNITED STATES IS SENT TO THIS TOWN WHICH IS LOCATED IN THE URAL MOUNTAINS. TARTAKOW STATED THAT HE DISCUSSED THIS TOWN WITH BROTHMAN AND THAT BROTHMAN WAS AWARE OF EXISTENCE OF SANI. TARTAKOW STATED THAT HE HAD A DISCUSSION ABOUT JACOB GOLOS AND ASKED ROSENBERG WHAT THE OPINION OF THE RUSSIANS WAS CONCERNING GOLOS. HE ADVISED THAT ROSENBERG STATED THE RUSSIANS WERE DISSATISFIED WITH GOLOS TOWARD THE END OF HIS CAREER BECAUSE OF HIS AFFILIATION WITH ELIZABETH BENTLEY AND THAT BENTLEY WAS NOT TRUSTED BY THE RUSSIANS. HE STATED THAT GOLOS AT THE TIME OF HIS DEATH HAD THE NAMES OF HIS CONTACTS IN HIS HEAD AND THEY HAD NEVER BEEN REDUCED TO PAPER WHICH CAUSED A TIE UP OF OPERATIONS IN GOLOS' APPARATUS BECAUSE NO ONE ELSE WAS AWARE OF THE IDENTITY OF HIS CONTACTS. TARTAKOW STATED THAT FROM CONVERSATIONS WITH ROSENBERG IT APPEARS THAT QUOTE DENNIS UNQUOTE (PHONETIC) WAS HIS LAST CONTACT WITH THE RUSSIANS. HE STATED THAT ROSENBERG HAS REFERRED ON NUMEROUS OCCASIONS TO A RUSSIAN CONTACT NAMED HENRY AND TARTAKOW FEELS THAT HENRY AND DENNIS ARE NOT IDENTICAL AND THAT HENRY PRECEDED DENNIS IN POINT OF TIME. HE STATED THAT HE BASED THIS CONCLUSION ON THE FACT THAT ROSENBERG USED HENRY AS AN AUTHORITY WHEN DISCUSSING GOLOS. TARTAKOW STATED THAT

ROSENBERG STATED THAT HE HAS HAD MANY A WHISKEY SOUR WITH GOLOS. HE STATED THAT HE BELIEVES THAT ROSENBERG KNEW ELIZABETH BENTLEY BUT DOES NOT RECALL IF ROSENBERG EVERY STATED THAT HE MET HER. TARTAKOW ADVISED THAT WITHIN THE PAST WEEK A MAN BY THE NAME OF SUSSMAN HAS VOLUNTEERED TO TAKE CHARGE OF THE ROSENBERG CHILDREN. TARTAKOW ADVISED THAT ROSENBERG TOLD HIM THAT THIS SUSSMAN HAD A BROTHER WHO SERVED IN THE LOYALIST ARMY IN SPAIN BUT THAT THIS BROTHER'S WIFE WAS VERY ILL AND HE HAD BEEN UNABLE TO DEVOTE AS MUCH TIME TO PARTY WORK AS HE WOULD LIKE.

TARTAKOW ADVISED THAT ROSENBERG TOLD HIM THAT EMANUEL BLOCH HAD RECEIVED A TELEPHONE CALL FROM A LEADING SCIENTIST WHO ADVISED BLOCH THAT ON THE DAY THE VERDICT WAS ANNOUNCED IN HIS CLASS HIS STUDENTS STOPPED WORKING TO SIGN A PETITION STATING THAT ALL THE ATOMIC INFO GIVEN IN THE ROSENBERG TRIAL WAS IN TEXTBOOKS AND THAT, IF THE SENTENCE WERE CARRIED OUT, THEY WOULD ALL IMMEDIATELY DROP THEIR SCIENTIFIC COURSES FROM THEIR STUDIES. TARTAKOW ADVISED THAT ROSENBERG ALSO HAD RECEIVED A LETTER FROM BEN GOLD OF THE FURRIERS UNION, ADVISING ROSENBERG THAT HE WOULD OFFER HIM ALL THE FINANCIAL AND MORAL SUPPORT HE NEEDED. TARTAKOW ALSO ADVISED THAT A WOMAN HAD STOPPED AT THE WOMEN'S HOUSE OF DETENTION AND STATED SHE WANTED TO LEAVE MONEY FOR JULIUS AND ETHEL ROSENBERG, AND THAT SHE WAS ALLOWED TO LEAVE SEVEN DOLLARS FOR ETHEL ROSENBERG'S COMMISSARY PURCHASES. TARTAKOW ALSO ADVISED THAT ROSENBERG STATED THAT HIS ATTORNEY, EMANUEL BLOCH, RECEIVED MONEY FROM ANOTHER ATTORNEY WHO WAS IN CONTACT WITH THE RUSSIANS. TARTAKOW STATED THAT, WITH REFERENCE TO THE PERSON WITH WHOM ROSENBERG HAD LEFT THE SEVEN THOUSAND DOLLARS AND THE LEICA CAMERA THE DAY FOLLOWING HIS ORIGINAL INTERVIEW BY AGENTS OF THE NYO, THIS PARTY CONSISTED OF A MAN

AND HIS WIFE AND CHILDREN WHO RESIDE IN KNICKERBOCKER VILLAGE. TARTAKOW STATED THAT THIS FAMILY WAS PLANNING TO MOVE FROM KNICKERBOCKER VILLAGE TO A HOME OF THEIR OWN AT THE TIME ROSENBERG GAVE THEM THE ABOVE ITEMS. TARTAKOW STATED THAT THE PERSON WHO HAS THESE ITEMS IS CONSIDERED TO BE QUOTE REALLY SOLID UNQUOTE BY ROSENBERG. HE STATED THAT ROSENBERG IS THE ONLY PERSON WHO KNOWS THE IDENTITY OF THE ABOVE-DESCRIBED PERSON, AND THAT EMANUEL BLOCH IS NOT AWARE OF THIS PERSON'S IDENTITY. WITH REFERENCE TO THE PUBLICATION OF QUOTE REPORT UNQUOTE, TARTAKOW ADVISED THAT THE INDIVIDUAL LOCATED IN PORT JERVIS IS NAMED HERMAN OR HYMAN GOLDFARB. TARTAKOW STATED THAT GOLDFARB IS EMPLOYED IN A CHEMICAL CORPORATION IN PORT JERVIS, NY, BUT THAT GOLDFARB LIVES IN NYC. TARTAKOW STATED THAT THE CONTACT IN CHICAGO IS NAMED MORRIS YANOFF. TARTAKOW STATED THAT ROSENBERG DESCRIBED BOTH OF THESE PERSONS AS PEOPLE WHO CAN BE TRUSTED WITH ANYTHING. TARTAKOW STATED THAT ALL OF THE PEOPLE WHO ARE TO FORM THE NATIONAL BODY OF QUOTE REPORT UNQUOTE ARE LISTED IN THE PHONE BOOK, AND THAT EACH OF THEM HAS BEEN CONTACTED OR WILL BE CONTACTED AND WILL BE GIVEN A CODE WORD

TARTAKOW STATED THAT COMPLETE DETAILS FOR MAILING AND DISTRIBUTING THE PAPER HAVE BEEN WORKED OUT, AND THAT THE PUBLICATION IS TO BE PRINTED ON LEGAL SIZE PAPER AND MAILED IN LEGAL ENVELOPES WITH ONE AND ONE-QUARTER CENT STAMPS. TARTAKOW STATED THAT BLOCH WILL FURNISH SIX THOUSAND DOLLARS WORTH OF ONE AND ONE-QUARTER CENT STAMPS TO BE USED. TARTAKOW ADVISED THAT THE LOCATION OF THE HOUSE IS BEING LEFT UP TO HIM BUT THAT THEY HAVE SPECIFIED A HOUSE IN THE SUBURBS, IN PREFERABLY A NEGRO NEIGHBORHOOD. HE STATED THAT CLARE KOREBLAU AND BERNIE GLADSTONE ARE TO ASSIST HIM IN VARIOTYPING AND ORGANIZING THE PAPER. WITH REFERENCE TO CLARE KOREBLAU, TARTAKOW STATED THAT ROSENBERG REFERRED TO HER AS BEING FROM JERSEY. TARTAKOW STATED THAT BLOCH IS WRITING SOME LEGAL PAPERS TO BE USED IN THE PUBLICATION OF QUOTE REPORT UNQUOTE, AND THAT CLARE KOREBLAU IS TO DO RESEARCH WORK IN CONTESTING TESTIMONY OF VARIOUS WITNESSES IN THE HISS, REMINGTON, AND ROSENBERG TRIALS.
