GENERAL INVESTIGATIVE DIVISION

By teletype 4/17/73, WFO advised Los Angeles and FBIHQ of information received by the Finance Committee to Reelect the President from one Arthur Blum of Los Angeles indicating money deposited in six accounts at area banks. The Acting Director instructed that we determine from Assistant U. S. Attorney Silbert whether the FBI should run out Blum's information and whether we should seek subpoenas for the bank records. He also instructed that we determine whether Silbert desires Chapin to be interviewed concerning this matter and the Acting Director instructed that we develop all there is to know about Blum. These instructions were relayed to WFO by airtel dated 4/19/73.

The attached Bureau copy of a WFO teletype dated 4/19/73, advises that Silbert desires that Blum be located and interviewed; that if his information appears to be reliable, subpoena will be issued for the bank records; and Silbert does not desire Chapin interviewed at this time.

Pursuant to instructions by Mr. Felt, on 4/17/73, personnel of the FBI Laboratory conducted a security survey of the Grand Jury room at the U. S. District Courthouse, presently being used by Assistant United States Attorney (AUSA) Earl J. Silbert in connection with the above captioned matter.

This survey was limited to the area within the Grand Jury room. It included a physical search for listening devices in the most likely places without defacing walls, ceilings and furniture, and an RF sweep of the area. No evidence of eavesdropping devices was observed at the time of this survey. Donald Campbell, an assistant to Silbert, was advised of the results at the conclusion of this survey.

BACKGROUND: This concerns burglary of Democratic National Committee Headquarters, Washington, D. C., 6/17/72.

Attached relates details of further interview of Arthur Blum (who previously contacted Treasurer of Committee to Re-Elect the President alleging to have information concerning large deposits in California banks) which revealed numerous inconsistencies in statements made concerning these accounts and that he is in financial trouble with his creditors and it is apparent Blum concocted story as a vehicle to release him from harassment by creditors.

No further action being taken regarding Blum.
