Mrs. Roosevelt Testifies

—United Press Photo.

Mrs. Eleanor Roosevelt yesterday made a spirited defense of the United Nations specialized agencies before a House Foreign Affairs sub-committee. She urged U. S. counter-measures to meet the Reds in the economic and scientific fields, pointing out that Russian scientists are trained from their youth to specialize in their fields, and are taught to speak a foreign language as well. (Mrs. Roosevelt's column is on Page 11 today.)
