Good afternoon,

The following information is sent on behalf of FBI Assistant Director George P. Beach in advance of a SITREP expected later this evening:

On January 6, 2021 Washington, DC became the scene of a number of individual protest gatherings. United States Park Police reported a total of four permitted First Amendment events attracting an unknown number of participants.

At approximately 11:30 AM a large number of persons gathered in the Ellipse area and listened to a speech by POTUS.

At the conclusion of the speech, a huge number of persons moved on foot down Constitution and Pennsylvania Avenues to the area of the United States Capitol.
At approximately 2:30 PM a large group of protestors moved onto the grounds of the Capitol, some of whom eventually breached several doors and windows and gained entry to, and throughout, the building. Several hundred protestors remain in the Capitol.

Members of Congress and Staff have been removed to positions of safety.
At the present time, a coordinated police response consisting of members of the United States Capitol Police, United States Park Police, Metropolitan DC Police, Metro North Police, HSI, Federal Protective Service, US Marshals Service, FBI, and Virginia State Troopers are beginning to clear the Capitol.

The DC National Guard was earlier deployed in a limited capacity to assist with traffic control, and a request was made by the city to deploy National Guard Members to the United States Capitol.

Open source reporting indicates a woman was shot and seriously injured in the downtown area prior to the action at the Capitol.

Thus far we know of three reports of potential IED devices in the downtown area - [redacted] b7E -1,2
[redacted] All have been rendered safe or disrupted by FBI SABT and Metro PD Bomb technicians.

We received reports that the State Capitols of Kansas and Georgia were breached, and verified that the report from Kansas is false and remains the site of otherwise peaceful protests. Details on the potential breach in Georgia are being determined.

The DC Mayor has enacted a citywide curfew beginning at 6:00 PM and ending at 6:00 AM tomorrow, January 7, 2021.

We anticipate communicating to our partners a SITREP later this evening.

Thank you.
