POSSIBLE ASSASSINATION ATTEMPT
 AGAINST SENATOR EDWARD M. KENNEDY

On 11/27/79, Special Clerk (SC) [redacted] was assigned to complaint duty at WFO. At approximately 11:05 a.m., she received a call from a person identifying himself as [redacted] Cal Creek, Oregon 97410. He alluded to an assassination attempt against Senator KENNEDY which was to take place in the Pacific Northwest, but regarding which he would provide no other details.

At 11:23 a.m. on 11/27/79, Special Agent (SA) [redacted] contacted [redacted] at [redacted].

[redacted] stated that he had "intelligence information that something would happen in the Northwest Washington, Oregon, or Northern California area, that would start a war - possibly an assassination attempt on Senator KENNEDY."

[redacted] then said, "Turn your recorder up louder and I'm not going to answer 20 questions. I'm just saying that there could be a possible assassination attempt in the Northwest."

United States Secret Service (USSS), Washington, D. C. (WDC), has been advised.

ENCLOSURE

APR 25 1963

APR 21 1963

Dear Senator Benton,

For the past six years, since the summer of 1977 my family has been harassed, badly threatened, terrorized and slandered. There were 3 attempts to pick up my daughter [redacted] and put her into a car. There have been at least seven attempts to do badly harm to myself. I have bought and sold \$30,000 worth of property equity since the summer of 1978. Mortgage foreclosure began in May of 1979. I have been slandered consistently.

I notified the F.B.I. and the Secret Service of the removal of Kennedy interests around my family and I. They verified the "pressure & look-alikes to Kennedy" around me but we (the F.B.I.) cannot prove what there were for." I don't think there is any question in anybody's mind but that I have been set-up in a scam to insinuate that Senator Kennedy has been involved.

I am requesting that your office approach Senator Kennedy with the possibility of my meeting with him. He, I don't believe, is aware that the man we believe to be

responsible for one of the
attempts to pick up my
daughter is using his name.
The following people are the
ones I have worked with.
Mr. [redacted] - my private attorney
of 11 years
Mrs. [redacted] - U. S. Dept of Justice
Houston, Texas
Mr. [redacted] - Formal Deputy
Marshall - English
Mr. [redacted] - F.B.I.
Mr. [redacted] - Houston Office
Mr. [redacted] - F.B.I. New Orleans,
La.

Various Sheriff's offices in Harris,
Montgomery, Brazoria, Galveston
and Fort Bend County.

Clearing up this
matter to the satisfaction of
everyone including the safety
of myself and my two daughters
is absolutely necessary.

I would appreciate
a response from your
office in regards to this.

Thank you

[redacted]

Frederick, Tex

Please send this response
to your Houston office - as
there is some dispute about
tampering with my mailbox.

DEFINED THE GROUP CONCEPT AS THE IDEA THAT THE WHOLE IS MORE IMPORTANT THAN THE INDIVIDUAL.

DURING THIS TIME, [] MADE ANOTHER APPEARANCE TO THE HOUSTON OFFICE; HOWEVER, NO WRITE UP OF THIS VISIT CAN BE FOUND. THE AGENT WHO HANDLED THIS COMPLAINT IS SPECIAL AGENT [] AND DURING THIS VISIT, [] EXPRESSED CONCERN SHE WAS BEING HARASSED BY MEN WHO LOOK IDENTICAL TO TED KENNEDY. SHE AT FIRST BELIEVED THE PERSON WAS ACTUALLY TED KENNEDY; HOWEVER, AT THE TIME, KENNEDY WAS CAMPAIGNING FOR PRESIDENT IN ANOTHER CITY, OTHER THAN HOUSTON, AND AFTER THIS WAS POINTED OUT TO HER, SHE DEDUCED THAT IT MUST BE ONLY A TED KENNEDY LOOK ALIKE. THE HARASSMENT IS IN THE FORM OF STARRING AT HER AND MAKING SEXUAL ADVANCEMENTS TOWARD HER. SHE LATER CONTACTED THE COMPLAINT AGENT TELEPHONICALLY WITH A LIST OF LICENSE PLATES OF TED KENNEDY LOOK ALIKES WHO HAD ATTEMPTED TO RUN HER OFF THE ROAD DURING A WEEKEND TRIP TO FREEPORT, TEXAS. [] IS RATHER VAGUE CONCERNING WHY SHE IS ALLEGEDLY BEING HARASSED BY KENNEDY, BUT INDICATED IT CONCERNS SOME BOOK OR MAGAZINE ARTICLE THAT [] WAS ASSOCIATED WITH AND THIS ARTICLE WAS CRITICAL OF THE KENNEDY FAMILY.

Dear Senator Bentsen:

THREATS AGAINST SENATOR EDWARD KENNEDY

Your April 28th letter to Special Agent [redacted] enclosing the attached correspondence from Ms. [redacted] has been brought to my attention.

b6
b7C

Ms. [redacted] first contacted the Bureau in 1979 complaining that she was being harassed by men who look like Senator Edward Kennedy although she had originally believed it was actually Senator Kennedy. On another occasion she furnished a list of license plates of individuals looking like Senator Kennedy who she claimed had attempted to run her off the road during a weekend trip.

Based on the information in Ms. [redacted] communication to you and the data she has previously furnished the Bureau, there is no indication of a violation of Federal law falling within our investigative authority. If she has not already done so, she should notify her local law enforcement authorities regarding her fear for her safety and that of her daughters and the United States Postal Service with regard to her statement that someone is tampering with her mail.

I hope this information will assist you in responding to Ms. [redacted]

Sincerely yours,

PURPOSE: To provide to the Criminal Investigative Division (CID) material received by staff members of the House Permanent Select Committee on Intelligence and to recommend appropriate action.

DETAILS: On January 25, 1984, [redacted] staff member, HPSCI, telephonically advised that several staff members of the Committee had received printed material through the U. S. Mail containing derogatory statements about Senator Kennedy and others. She advised that although the material did not seem to contain direct threats against the recipient's, the vituperative nature of the material caused them to be concerned that perhaps it might be an implied threat. Those receiving the material were [redacted]. The recipients had no idea as to why they were selected to receive the material, and speculated that their addresses may have been obtained from the Congressional Staff Directory.

Based on directions from the Congressional Affairs Office (CAO) Ms. [redacted] sent the attached material to the FBI for analysis. She stated that she did not want the material returned and that she would leave it up to the FBI as to whether or not it represented any kind of threat.

Although each recipient received a separate set of material, Ms. [redacted] forwarded only one copy for review.

It is noted that the return address on the material included no name, only "P. O. Box 821, Glendale, CA 91209."
