*Sen. Williams joins an odd crew*

NEW Jersey's U.S. Sen. Williams has thrown his support solidly behind the anti-war marches to be held in Washington and San Francisco on April 24.

He gave the demonstrations a glowing testimonial in a news release this week, calling them "a positive step toward peace" which would bring "unity" to the nation again.

"I support the April 24th rallies as a historic milestone in our return to a national consensus, and a positive step toward peace," Sen. Williams said.

The senator's praise means that he has the same feelings toward the originators and promoters of these demonstrations.

The sponsoring group is known as the National Peace Action Coalition. The coalition was put together by the Socialist Workers party, which has been cited as a Communist front, and the Young

Socialist Alliance, the youth branch of the Socialist Workers party. These two organizations represent the Troskyite branch of Communism.

A Chicago policeman who infiltrated the Young Socialist Alliance said, in testimony before the House Committee on Internal Security one year ago, that the organization was "trying to create their revolution . . . They feel it would be a violent revolution . . . They advocate violence when it is necessary to be implemented toward a political goal."

These are the promoters of the demonstrations to which Sen. Williams has given his blessing.

The "unity" which Sen. Williams sees growing out of the demonstrations will have to be the only kind of "unity" that Communism permits — Communist "unity." We see that kind of "unity" in hapless Poland and Czechoslovakia.

POLITICAL CIRCUIT WHS ASS WIPER  
By MIKE BEATRICE JACK CHASE

You crazy Kennedy's  
**O'Donnell aims  
campaign guns**

Kenneth P. O'Donnell, at a press conference Wednesday, became the first of the gubernatorial candidates to announce specifically what his campaign strategy will be, both for the September primary and, if successful in that political war, the November election.

Although regarded as a liberal, progressive leader, one who gave himself the label "the anti-establishment candidate," O'Donnell has chosen a traditional theme of party versus party, Democrat against Republican, as the foundation of his strategy.

O'Donnell doesn't say that the Democrats need revitalizing, only an attractive candidate that can win. He says, the lack of desirable options in the past has forfeited victory to the Republicans.

And, of course, he identifies himself as the only contending Democrat who can tip over Gov. Francis W. Sargent come election day.

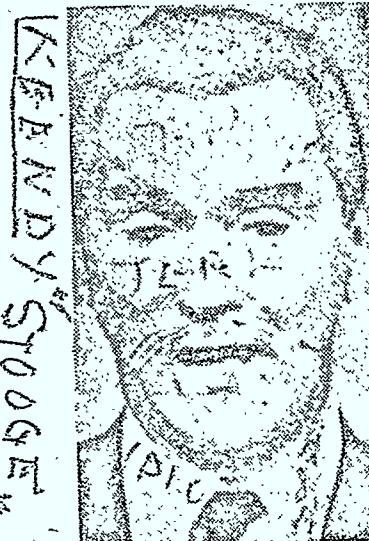

Republican control of government doesn't work in the executive branch of a state in which the legislature is overwhelmingly Democratic, says O'Donnell. And this is not because the legislature becomes obstructionist, he adds.

O'Donnell contends that, historically, his party, has led the way for all liberal and progressive programs, and that the Republicans have conceded their support only when forced to do so.

He considers Sargent highly vulnerable because of lack of accomplishment. He denounces him as an "Autumn liberal," indicating that the governor comes in with late support for programs only after they have been proven popular.

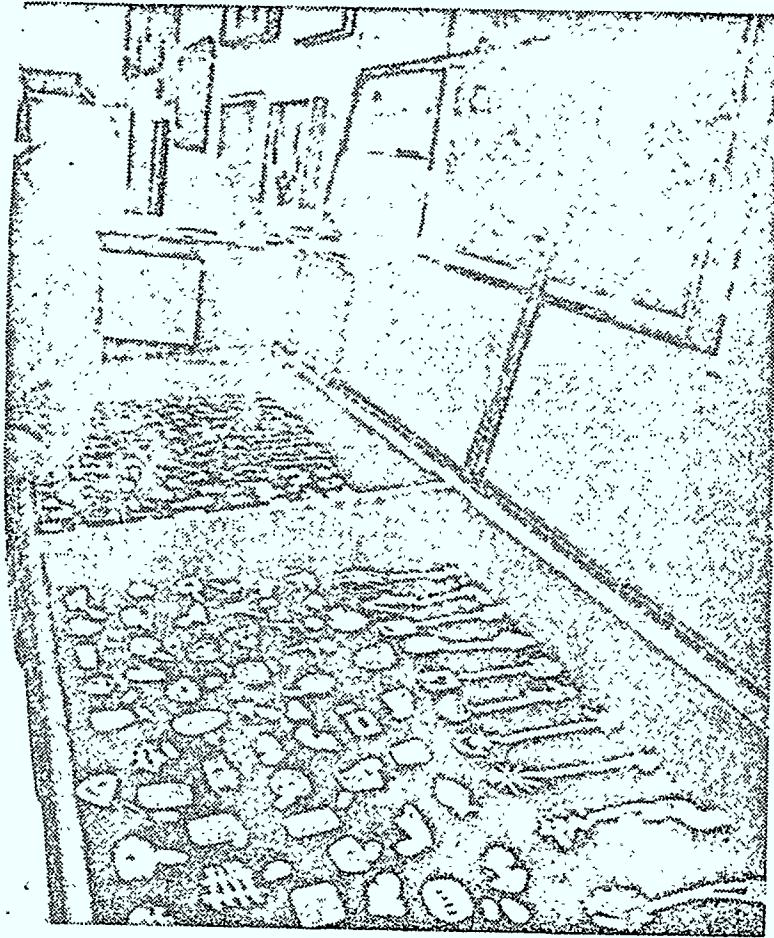

O'Donnell intends to "make Sargent a Republican, a Nixon Republican, a man who carries out Republican policy."

He says Sargent, in the spirit of the regime of former Gov. John A. Volpe, blames resistance from the Democratic legislature for failure to get things done. Behind the O'Donnell strategy is his conviction that the majority of Bay Staters prefer to vote Democratic; that the 40 percent of the voters who are registered Democrats

## I.C. Case Faces Highest Test

# Court Review Abort

**WASHINGTON** (UPI) — The Supreme Court, in a panel decision, agreed Monday to examine the constitutionality of the District of Columbia's abortion law.

The court will schedule arguments next fall on an appeal by the Justice Dept. from a ruling last Nov. 10 by U. S. District Judge Gerhard A. Gesell striking down the district's 69-year-old criminal statute against illegal abortion. The case will be decided by written opinion of the high court.

Gesell dismissed an indictment of Dr. Milan Vuitch, a Yugoslav immigrant who has been crusading for more liberal abortion policies.

Many states have laws similar to the district's, which bars an abortion except when necessary for the preservation of the mother's life or health."

A—For some time after the deaths of John M and Robert Kennedy, family matriarch Mrs. Rose Kennedy wanted very much to see her youngest son reach the nation's highest office in order to carry out the unfinished work of his brothers. For a while, Rose urged him in this direction, though his wife Joan was horrified. But as time passed, even Rose became fearful for Teddy and when she was made aware that he receives more threatening mail than anyone in Congress, Rose decided she did not want him to run.

KILLER WILL

EDGARTOWN — "Is he going to be here?"

From noon until long after dark yesterday that was the question being asked by nearly everybody in this beautiful port.

They were asking about the best-known yachtsman in our waters and, to a man, they sincerely hope

Edward M. Kennedy will be competing in the

47th annual regatta under

the burgee of the Edg-

artown Yacht Club. The East

Coast's best regatta sets

underway at noon today.

There always has been

tremendous interest in Kennedy participation. The older members of the family, particularly the late Josephine, and the late President, came here in Victura to do well in the Wianno Senior Class, sort of the flagship fleet of the One design racing classes in Southern Massachusetts waters.

With the exception of two years ago, soon after the death of Sen. Robert Kennedy, Ted has been racing here and has enjoyed great success.

Last year the senator finished ninth in the huge fleet. Later that night came the tragedy of Chappa-

quidick and if Kennedy prefers to avoid the scene of a nightmare, most people will understand.

But the feeling around the yacht club yesterday was that the youthful senator belongs here.

Last night, Ralph Martin, secretary of the Race Committee, had a large list of entries for the Wianno Class. Victura was not listed among them.

"Entries are closed," Ralph said. "but if the Senator shows up today, he certainly will be welcome."

There have been several questions about the entries for this great show. They have worried about the

cruising boats. Rightly so. The fleet figured to be smaller. The New York Yacht Club cruise rendezvoused at Newport at evening colors. Many of the great racing yachts will be there. Supposedly it's the East Coasts' banner event.

"But here's the way it is," Martin said. "In 1969 we had 82 yachts in the Cruising classes, the Edgartown rule division and the Midget Ocean racing fleet. That was an all-time high for us. Right this moment we have 90 entries in those divisions as well as all the One design classes."

The lure of Edgartown is greater than ever.

## Palmer-Nicklaus lead

fourball by 3 with 61

United Press International

LIGONIER, Pa. — Arnold Palmer, elating his hometown fans with an old-fashioned charge, teamed with Jack Nicklaus for a ten-under par 61 yesterday to take a three-stroke first-round lead in the \$200,000 National Four-Ball Championship.

The game's two most dynamic stars combined for ten birdies — Palmer 6 and Nicklaus 4 — as they missed the tournament scoring record by just one stroke.

In the four-ball, only team event on the PGA

and still lives just ten miles away in Latrobe, began the round with an 18-foot birdie putt and Nicklaus finished it with an 18-inch birdie putt.

A morning-long drizzle bothered most of the early starters, but the skies cleared and the sun broke through just as Palmer and Nicklaus began their round with most of the gallery of 9,140 following them.

The 61 was two strokes better than the best score Palmer and Nicklaus previously had posted as a team. "We both had the ball in close quite a lot," Palmer said. "We teamed very well."

Besides the first hole,

## Agnew hits snag in on US aid to South

United Press International

SEOUL — Vice President Spiro T. Agnew and South Korean President Park Chung Hee held eight hours of hard bargaining yesterday on the US role in defending the Asian republic against Communist aggression but failed to reach any agreement. Another meeting was scheduled for today.

A US official described the talks as "delicate" and said Park raised issues Agnew felt had to be referred back to President Nixon at the summer White House in San Clemente, Calif.

the trouble within the industry, but it seemed to me that the program which had the most chance of success in curtailing those imports was one which worked within the framework of existing international trade agreements.

The Administration has, in fact, the tools to protect the American industry and to assist it to become viable and competitive. The greatest hope lies in persuading President Nixon to act now with the means already at hand.
