Enclosed herewith for receiving offices are a Xerox and true copy of a self-explanatory letter dated 5/9/69 received at the Bureau from an anonymous source. A Xerox copy of the envelope bearing postmark Brooklyn, New York, 5/10/69, which contained the letter, is also enclosed for receiving offices along with a newspaper article containing a picture of Southern University students which appeared in the New York "Daily News" newspaper, May 9, 1969. The anonymous source marked an X near the newspaper photograph that looks like [redacted] or is a reasonable likeness.

The letter in substance indicates that the anonymous source during the Christmas holidays was sent by American Girl Agency to work in the Chemical Bank at 8th Street and Broadway, New York City. While there, the source became acquainted with a Negro male who on Friday, 12-27-68 while having lunch with source and two other employees, said that the "blacks" have a plan to overthrow the U. S. Government and first they are going to assassinate Nixon, then Agnew, and then Earl Warren. The male Negro employee identified himself to the source as [redacted] Southern University, Southern Branch, [redacted] Baton Rouge, Louisiana 70813.
