 ELECTION YEAR STRATEGY
 INFORMATION CENTER (EYSIC)

Reference is made to your memorandum captioned
 "John Lennon; Allamuchy Tribe (NL)," dated February 3, 1972,
 your reference I-360. (2) U. Per CIA ltr. dtd. 1/16/84 and
 affidavit 574 dtd. 1-25-84

For your information, organization formerly known
 as Allamuchy Tribe, led by Rennie Davis, convicted Chicago
 Seven Conspiracy trial defendant, was recently renamed EYSIC

A confidential source, who has furnished reliable
 information in the past, has advised that John Lennon, former
 member of The Beatles singing group, has contributed \$75,000
 to assist in the formation of EYSIC, formed to direct movement
 activities during the coming election year to culminate with
 demonstrations at the Republican National Convention during
 August, 1972. This source advised that other leaders of EYSIC
 are in constant contact with Lennon. (S) (S) (u)

On February 2, 1972, a representative of Immigration
 and Naturalization Service, New York, advised that Lennon,
 born October 9, 1940, in England, arrived in New York City on
 August 11, 1968, with B-2 visitor's visa. He left the
 United States and subsequently reentered holding H-1 temporary
 visa which expires at the end of February, 1972. Lennon has
 applied for a B-2 visa indicating his intention to become a
 United States citizen.

On February 2, 1972, a second confidential source,
 who has furnished reliable information in the past, advised
 that Lennon and his wife, Yoko Ono Lennon, are currently
 vacationing in the Virgin Islands for health reasons and most
 EYSIC planning meetings will be postponed until their return
 to New York City, possibly during the second week in February,
 1972. (S)

At this time, this Bureau has no additional pertinent
 information concerning other foreign sources of funds for the
 activities of EYSIC or Rennie Davis. (S) (u)

INFORMATIVE NOTE

Date 3/17/72

You were previously advised that John Winston Lennon, and his wife, Yoko Ono, are in the U.S. [and that Lennon is the major financial contributor to Election Year Strategy Information Center (EYSIC) which was organized to conduct disruptive demonstrations during the Republican National Convention. EYSIC has been "dying on the vine" recently due to Lennon's imminent deportation and recent dissatisfaction with Rennie Davis, militant revolutionary, who is the head of EYSIC.]

Attached states that Lennon and his wife appeared at the Immigration and Naturalization Service (INS) in New York City on 3/16/72 for deportation proceedings. Both Lennon and wife won delay until 4/18/72; Lennon because he stated he was attempting to fight a narcotics conviction in England, the basis for his deportation; and Ono on the basis of a child custody case in which she is involved.

We are closely following these proceedings and you will be kept advised.

On January 21, 1972, [redacted] advised that a group of individuals calling themselves, the Allamuchy Tribe, were to open an office in New York City within the next two weeks. The main purpose of the group was to coordinate New Left movement activities during this election year to culminate with demonstrations at the Republican National Convention in San Diego, California during August, 1972.

Rennard Cordon Davis, is a convicted defendant of the so called Conspiracy Seven Trial, Chicago, Illinois, in the period September, 1969 through February, 1970, involving those persons earlier indicted for violation of the Federal Anti-Riot Statute.

Stewart Albert: [redacted] on April 25, 1966 advised that Albert was arrested on April 18, 1966 at Berkeley, California along with other members of the Progressive Labor Party (PLP) while demonstrating in front of the Berkeley City Hall.

Enclosed for information of New York are two copies of Alexandria airtel dated 3/31/72 captioned "White Panther Party, IS - WPP; CALREP; MIDEM," which contains information from Alexandria source relating to current activities of subject.

It appears from referenced New York teletype that subject and wife might be preparing for lengthy delaying tactics to avert their deportation in the near future. In the interim, very real possibility exists that subject, as indicated in enclosed airtel, might engage in activities in U.S. leading toward disruption of Republican National Convention (RNC), San Diego, 8/72. For this reason New York promptly initiate discreet efforts to locate subject and remain aware of his activities and movements. Handle inquiries only through established sources and discreet pretext inquiries. Careful attention should be given to reports that subject is heavy narcotics user and any information developed in this regard should be furnished to narcotics authorities and immediately furnished to Bureau in form suitable for dissemination.

RE: John Winston Lennon

CONFIDENTIAL

In view of subject's avowed intention to engage in disruptive activities surrounding RNC, New York Office will be responsible for closely following his activities until time of actual deportation. Afford this matter close supervision and keep Bureau fully advised by most expeditious means warranted.

NOTE:

John Lennon, former member of Beatles singing group, is allegedly in U.S. to assist in organizing disruption of RNC. Due to narcotics conviction in England, he is being deported along with wife Yoko Ono. They appeared at Immigration and Naturalization Service, New York, 3/16/72, for deportation proceedings but won delay until 4/18/72 because subject fighting narcotics conviction and wife fighting custody child case in U.S. Strong possibility looms that subject will not be deported any time soon and will probably be in U.S. at least until RNC. Information developed by Alexandria source that subject continues to plan activities directed toward RNC and will soon initiate series of "rock concerts" to develop financial support with first concert to be held Ann Arbor, Michigan, in near future. New York Office covering subject's temporary residence and being instructed to intensify discreet investigation of subject to determine activities vis a vis RNC.

RESEARCH SECTION

AX 100-506

On 3/31/72, Alexandria source mentioned in referenced letter who has furnished reliable information in the past concerning the WPP and who has been characterized by the Detroit Office on the basis of information furnished as "a competent observer and an efficient interviewer who obtained very factual and significant information" advised as follows:

On 3/26/72, [REDACTED] told source that he had been recently contacted by one [REDACTED] who is allegedly [REDACTED] and who allegedly had some connection with the People's Coalition for Peace and Justice (PCPJ) in 1968, and who was said to have taken part in planning Youth International Party (YIP) demonstrations at the Democratic National Convention in Chicago.

b7c
b7D [REDACTED] told source that [REDACTED] related to him that he had been in contact in the recent past with individuals who were planning disruptive activities directed towards the Republican National Convention in San Diego, California, in August, 1972.

[REDACTED] stated that there would be no organized effort to disrupt the Democratic National Convention scheduled for Miami, Florida, in July, 1972, by this group as the Democrats are currently destroying themselves and will need no assistance from anyone to disrupt their own convention. However, "there will be a lot of trouble at the Republic National Convention in San Diego" and plans are currently being discussed but not implemented as how to best achieve this disruption. One of the primary reasons according to [REDACTED] as to why no active efforts have been made to implement these plans is a lack of funds at the present time. This group consists, according to [REDACTED] of people who were formerly affiliated with the PCPJ and YIP, and who have some funds left over from prior campaigns of these organizations.

b7c
b7D
[redacted] told [redacted] that many former leaders of the PCPJ and YIP have been discredited in the eyes of "rank and file" activists of these organizations as they feel that former leaders such as JERRY RUBIN have "become self-made superstars" and are only interested in obtaining fame and publicity for themselves rather than in the past stated goals of YIP and other related groups.

Leadership of PCPJ and YIP, according to [redacted] is currently fragmented and the task of "picking up the pieces" and putting together an effective organization has been assumed by WPP leader JOHN SINCLAIR and a former member of the Beatles singing group, JOHN LENNON. LENNON and SINCLAIR are said to be working together and devised the following plan to obtain funds to finance activities against the Republican Convention:

A series of "rock concerts" featuring big-name established stars in the musical field as headliners and backed up with lesser known individuals and groups will be put on throughout the country. LENNON is said to have the know-how and the connections to achieve the above. These performances will provide the main source of funds needed by LENNON and SINCLAIR to carry out the disruptive tactics in San Diego.

b7c
b7D
The first such concert, according to source, is to be held in the Chrysler Arena, Ann Arbor, Michigan, in the near future. This will be, according to [redacted] "the opening gun of the campaign."

Alexandria source again advised that [redacted] remind him that he desired no direct contact with the Federal Bureau of Investigation but would furnish information only to him. Additionally, for the information of the Bureau, Alexandria source still desires an interview with [redacted] (Bureau refer to Alexandria airtel to Director, 3/10/72.)

Additionally, the above information if disseminated outside the Bureau could tend to compromise [REDACTED] as it is not known how many individuals have had access to it.

commented that subject felt he was being deported due to his outspoken remarks regarding U.S. policy in Southeast Asia. Attorney requested delay so character witnesses could be introduced to testify on behalf of subject. Attorney also read into court record fact subject had been appointed to the President's Council for Drug Abuse, correct name National Commission on Marijuana and Drug Abuse (NCMDA), and to the faculty of New York University, New York City. As a result of these revelations, INS set new hearing date for 5-2-72, and Lennons left INS to be met by throng of supporters and news media reporters who listened to subject's press release implying he was being deported due to his political ideas and policy of the U.S. Government to deport aliens who speak out against the Administration.

OBSERVATIONS:

Irony of subject being appointed to President's Council for Drug Abuse, if true, is overwhelming since subject is currently reported heavy user of narcotics and frequently avoided by even Rennie Davis and Jerry Rubin, convicted Chicago Seven Conspiracy trial defendants, due to his excessive use of narcotics. New York City Police Department currently attempting to develop enough information to arrest both Lennons for narcotics use. WFO has contacted NCMDA under pretext and determined no information available indicating subject has been appointed to NCMDA. New York Office has confirmed that Lennon has been offered teaching position at New York University for Summer of 1972. In view of successful delaying tactics to date, there exists real possibility that subject will not be deported from U.S. in near future and possibly not prior to Republican National Convention. Subject's activities being closely followed and any information developed indicating violation of Federal laws will be immediately furnished to pertinent agencies in effort to neutralize any disruptive activities of subject. Information developed to date has been furnished as received to INS and State Department. Information has also been furnished Internal Security Division of the Department.

ACTION:

Attached for approval are letters to Honorable H. R. Haldeman at The White House and Acting Attorney General with copies to the Deputy Attorney General and Assistant Attorney General, Internal Security Division, containing information concerning Lennon.

You were previously advised that both John Lennon and his wife, Yoko Ono, are in the U.S. and that Lennon is the major financial contributor to the Election Year Strategy Information Center (EYSIC) which was organized to conduct disruptive demonstrations during the Republican National Convention. EYSIC has been "dying on the vine" due to Lennon's possible deportation which he is fighting in court. *SP4*

Attached states that Lennon and his wife appeared in New York City Court 5/3/72 to obtain an injunction against deportation proceedings. Immigration and Naturalization Service (INS) hearing has been delayed until 5-9-72 and the New York City Court granted a visa petition be given to subject and his wife.

INS has advised that British authorities stated that Lennon's narcotics conviction in England is not likely to be overturned. It stated a large volume of mail is being received from both supporters and non-supporters of deportation proceedings. Mayor Lindsay has publicly requested INS stop the deportation proceedings as Lencons are "distinguished artists in the music field and are an asset to U.S."

Lennon and his wife have been fighting deportation proceedings in New York City. Attached states Lennon and his wife are scheduled for deportation proceedings on 5/17/72 in New York City. INS planning to utilize two key points during the hearing as follows: (1) establish claims by the Lennons that child was abducted by natural father are false; (2) establish that Lennon's claim he earned no income while in U.S. involves fraud. Miami should note that LENNON is reportedly a "heavy user of narcotics" known as "downers". This information should be emphasized to local Law Enforcement Agencies covering MIREP, with regards to subject being arrested if at all possible on possession of narcotics charge.

Local INS has very loose case in NY for deporting subject on narcotics charge involving 1968 arrest in England.

INS has stressed to Bureau that if LENNON were to be arrested in US for possession of narcotics he would become more likely to be immediately deportable.

INS maintains that Lennon is deportable from the United States due to his failure to "timely renew his visitors visa", which expired during February, 1972, and in particular, his 1968 Narcotics conviction in England. (S)(u)

On July 27, 1972, Mr. Anthony DiVito, Attorney, INS, New York City advised that INS is still in the exchange of briefs stage with Lennon's Attorney and no definite decision has been reached as to when Lennon will be deported.

Attached is a memorandum, including descriptive data and photograph of Lennon.

Re NY airtel and LHM, 7/27/72.

Referenced communications set forth background information as requested by Miami in view of MIREP activities in that city, August 21-24, 1972.

Case Agent traveled to Miami as a member of the Weatherman Task Group (WTG). The subject was not observed by the case agent and based on informant coverage it is believed that the subject did not travel to Miami for the Republican National Convention as he had previously planned.

On August 28, 1972, Mr. VINCENT SCHIANO, Chief Trial Attorney, INS, NYC, advised that no information has come to his attention to indicate the subject traveled to Miami.

For the past several months there has been no information received to indicate that the subject is active in the New Left.

Sources; [REDACTED]

all advised during the month of July, 1972, that the subject has fallen out of the favor of activist JERRY RUBIN, STEWART ALBERT, and RENNIE DAVIS, due to subject's lack of interest in committing himself to involvement in anti-war and New Left activities.

In view of this information the New York Division is placing this case in a pending inactive status. When information concerning subject's tentative deportation is received such information will be sent to the Bureau.

A review of records relating to the individuals arrested in Miami Beach, Florida, on 8/22 and 23/72, in connection with protest demonstrations against the Republican National Convention, failed to reflect that the subject was one of those arrested.

Inasmuch as there is no indication that the subject ever appeared in Miami Beach during either of the national political conventions in July and August, 1972, no further investigation is being conducted by Miami.

NEW YORK (UPI) -- FORMER BEATLE JOHN LENNON, FIGHTING A 1972 DEPORTATION ORDER, HAS FILED SUIT AGAINST THE JUSTICE DEPARTMENT, FORMER ATTORNEY GENERAL JOHN N. MITCHELL AND OTHER OFFICIALS, CHARGING THEY SINGLED HIM OUT FOR "IMPROPER SELECTIVE PROSECUTION."

LEON WILDES, LENNON'S ATTORNEY, SAID MONDAY HE HAS DOCUMENTS SHOWING LENNON'S DEPORTATION WAS ORDERED FROM WASHINGTON BECAUSE OF SENATE INTERNAL SECURITY COMMITTEE REPORT WHICH SOUGHT TO LINK LENNON WITH PLANS TO DISRUPT THE 1972 REPUBLICAN NATIONAL CONVENTION.

IN 1973, NEW YORK IMMIGRATION DIRECTOR SOL MARKS SAID AT A NEWS CONFERENCE HE MADE THE DECISION TO PROCEED AGAINST LENNON HIMSELF. WILDES SAID MARKS SAID IN A DEPOSITION LAST WEEK HE ACTED AS A "CONDUIT" FOR INSTRUCTIONS FROM WASHINGTON, WHICH HE UNDERSTOOD TO MEAN THAT "WE WERE NOT TO GIVE THIS MAN A BREAK."

MARKS ALSO ADMITTED HE HAD MISINFORMED THE PRESS AT HIS 1973 NEWS CONFERENCE, WILDES SAID.

PROCEEDINGS AGAINST LENNON, BEGUN IN MARCH 1972 WHEN HE WAS CHARGED WITH OVERSTAYING HIS VISA, ARE STILL PENDING. PROSECUTORS CITED A 1968 BRITISH CONVICTION FOR MARIJUANA POSSESSION AS THE BASIS FOR DENYING HIM PERMANENT RESIDENCE.

WILDES SAID SEN. STROM THURMOND, R-S.C. SENT A LETTER TO MITCHELL IN FEBRUARY 1972, ENCLOSING THE COMMITTEE MEMORANDUM.

"THIS APPEARS TO ME TO BE AN IMPORTANT MATTER, AND I THINK IT WOULD BE WELL TO BE CONSIDERED AT THE HIGHEST LEVEL ... AS I CAN SEE MANY HEADACHES MIGHT BE AVOIDED IF AN APPROPRIATE ACTION BE TAKEN IN TIME," WILDES QUOTED THURMOND'S LETTER AS SAYING.

WILDES SAID OTHER DOCUMENTS SHOW KLEINDIENST SENT THE MEMO TO IMMIGRATION COMMISSIONER RAYMOND FARRELL AND THAT FARRELL'S DEPUTY INSTRUCTED SUBORDINATES IN NEW YORK TO SEEK DEPORTATION OF LENNON AND HIS WIFE, YOKO ONO.

WILDES SAID THE SUIT NAMES THE JUSTICE DEPARTMENT, MITCHELL, RICHARD KLEINDIENST, DEPUTY ATTORNEY GENERAL AT THE TIME AND MITCHELL'S SUCCESSOR, AND "VARIOUS IMMIGRATION OFFICERS."

AN OPEN FORUM FOR THE PEOPLE'S PARTY

A TIME OF TRIAL FOR THE PEOPLE'S PARTY

By Lowell Young

"My candidacy is the only way to avoid a fourth party on the left in 1972." — George McGovern

The George McGovern candidacy for the Democratic nomination for President has been transformed from an invisible campaign supported by only a faithful few into a lavishly financed campaign of a front-runner. From the beginning, McGovern's campaign has been an attempt to co-opt a fourth party on the left by adopting the left's issues and rhetoric as his own. His initial strong stands in opposition to the war and in favor of amnesty for all draft evaders and exiles, legalization of marijuana, abortion on demand, and the shifting of the burden of taxation from the poor and the working class onto the shoulders of the super-rich and the corporations were all designed to rally all possible fourth party constituents to his cause. And, for the moment, he has partially succeeded.

Recently, Abbie Hoffman, Jerry Rubin, John Sinclair, Gene Plamondon, and the entire Rainbow People's Party of Michigan have come out in support of George McGovern's candidacy. Abbie Hoffman and Jerry Rubin founded the Youth International Party (YIP) in early 1967. Their perfection of the use of guerrilla theater was designed to gain media attention in order to try to educate the American people about the hypocrisy of the present system.

To strengthen their organization and broaden their base of support, they united YIP with the Michigan based White Panther Party. The White Panther Party was founded by John Sinclair and "Pun" Plamondon with the intention of it becoming

the white counterpart of the Black Panther Party. But, that never came to be due to the different forms of oppression the different constituencies of the Black and White Panther Parties are subjected to. Black people are oppressed racially and materially; so the ten-point program of the Black Panther Party related to those forms of political oppression by making political demands for "land, bread, housing, clothing, education, justice, and peace." The white people Sinclair and Plamondon were attempting to organize were primarily culture-oriented; so the ten-point program of the White Panther Party related primarily to their cultural oppression by demanding an open society where free dope, free sex, and free rock music abounded. (They did make political references as well, the principle ones being the right of armed self-defense and complete support for the ten-point program of the Black Panther Party.)

While their followers were primarily culturally oriented, Sinclair and Plamondon were themselves very political. They were thought to believe that the perverted system of values in this country was a direct outgrowth of the undemocratic political system and the competitive economic system. By primarily relating to their followers' cultural oppression now, they supposedly hoped to educate them to the system's role in that oppression later. They were therefore viewed as very dangerous by the power structure and were moved against. Plamondon was framed on a charge of attempting to blow-up a Federal Building in Ann Arbor and is still in jail today. Sinclair was given a ten year jail sentence for possessing two joints and wasn't released until early this Spring.

The Rainbow People's Party was founded by Sinclair as the successor to the White Panther Party. It concentrated its efforts on local community organizing in the Ann Arbor area and linked-up with the state-wide Human Rights Party. Five Rainbow candidates, including "Pun" Plamondon's wife Genie, ran for Ann Arbor city council seats in April under the Human Rights Party banner. Part of the agreement between the two parties was that neither would support any Democratic candidates. But, two weeks after two of their candidates got elected, Sinclair, Genie Plamondon, and the rest of the Rainbow Party broke the agreement and announced their support for George McGovern.

But they are not alone. Such "radical" entertainers as Joan Baez and John Lennon have also come out in support of McGovern. Also, Gore Vidal, Secretary of State in the People's Party Shadow Cabinet, and an individual with the means to provide the party with much needed economic assistance, never came across with a cent and at the May 4th Moratorium rally in New York City announced his support for George McGovern.

The defections by potential members and, worse yet, by people within the party itself, makes this a period of extreme darkness for the People's Party. But, that proverbial light at the end of the tunnel is coming into view; and the reason is George McGovern himself.

As his chances of getting the nomination have become better, McGovern has found it necessary to broaden his base of support by moving to the right. He is making an attempt to win over the reactionary labor leaders currently in the Humphrey camp. He is talking more about the economic issues relevant to George Wallace's alienated constituency than about the political or cultural issues relevant to his own alienated constituency.

George McGovern has a history of backing off on strong stands he might initially take. He initially agreed to introduce a bill on the floor of the Senate calling for Statehood for the Colony of Columbia, but at the last moment changed his mind, much to the embarrassment and anger of Julius Hobson and the D.C. Statehood Party. He initially agreed to run a slate of delegates in Chicago as a challenge to Mayor Daley in the Illinois Primary, but, after a twenty minute talk in the Mayor's office, agreed not to challenge Daley, much to the chagrin of his Chicago supporters. During the recent Nebraska primary, McGovern was accused of harboring "radical" views regarding the issues of marijuana, amnesty, and abortion. He immediately changed his previously stated positions. Now, he is opposed to the legalization of marijuana, says that abortion is a matter for the states to deal with, and that all draft evading cases should be dealt with on an individual basis.

"Radicals" who support George McGovern do not have a clear understanding of the true nature of this society and the ruling system responsible for the current oppressive conditions. We in the People's Party have a general understanding of the problem, but by no means do we possess a specific or a clearly thought out understanding to the point that we can serve as that force which will educate and awaken the unconscious and mislead (by McGovern on down) masses of the American people.

In order to develop that specific and clearly thought out understanding, we must turn our energies inward - i. e., concentrate on educating those of us already committed to building the People's Party so that we can begin to make crystal clear the differences between what we must advocate and the "New Populism" of George McGovern and the left-wing of the Democratic Party. They advocate reforming the present capitalist system; we must advocate replacing the present capitalist system with Socialism. But, in order to talk about Socialism to others, we must first have a complete understanding of Socialism ourselves.

Our attempts at recruitment should center upon those groups and individuals politically educated enough to contribute to this period of internal development. This doesn't mean that we should be closed to those who through their own bitter experience decide that they should join the party. In the immediate future, as McGovern's move to the right - and thus his duplicity - becomes more blatant, the People's Party can expect an influx of McGovern's more radical supporters, including; hopefully, all those mentioned above. The doors should and will be open to them..

The further one looks into the future the brighter that light at the end of the darkness becomes. If McGovern gets the nomination, wins the election, and then proceeds to carry on Johnson's and Nixon's policies (since he can't do any different because of the nature of the system); then for many millions of the American people that will be it. They will be through with the Democratic Party and the capitalist system, and they will turn to the only mass-based, independent political party calling for Socialism: the People's Party!

Lennon Is Given 60 Days to Leave

The Justice Department announced yesterday that John Lennon, the former Beatnik, had been given 60 days to leave the country or be forcibly deported. The order is based on a decision reached by the Board of Immigration Appeals on July 10, and Mr. Lennon's departure deadline is retroactive to that date.

Mr. Lennon, who has been living in New York and other American cities since 1971, has fought lengthy and costly legal battles through the Immigration and Naturalization Service and the Federal courts, to have his visa extended.

Extensions have been denied because he pleaded guilty in Britain, in 1968, to a charge of possession of marijuana. In his appeals of earlier denials of extensions Mr. Lennon contended the marijuana had been planted in his home and he had pleaded guilty to the possession charge only to spare his former wife, then pregnant, the ordeal of a court appearance.

A spokesman for Mr. Lennon's lawyer said that "various avenues for appealing the order are being explored."

[REDACTED] University of Hartford, 200 Bloomfield Avenue, Hartford, Connecticut, advised on January 9, 1969, that a group of students were planning a march from the university campus center to the administration building on January 9, 1969.

The march was to demonstrate the protest of the students over the suspension of the campus newspaper, "The UH News, Liberated Press." The press was suspended by Dean of Student Relations, EUGENE T. SWEENEY, on Wednesday, January 8, 1969, after publication of nude photographs, front and back, of Beatle JOHN LENNON holding hands with his girlfriend YOKO ONO. (S) (u)

b7C [REDACTED] advised no march took place but a standing room only rally concerning the issue was held in the campus center on January 9, 1969. Present at this rally were about 200 students and five faculty members. Both the students and faculty asked and answered questions concerning the suspension and other matters which they felt should be aired at this time.

The faculty felt that guidelines should be drawn for journalistic good taste, but the students refused to agree to this. When the authorities stated that no more money was to be allocated for the publication of the paper, the students stated they had been given \$2,000 previously from student government funds and additional papers would be printed.

A suggestion was made for a poll to be taken of students, faculty, and alumni concerning the paper, but the faculty did not agree with this.

IT IS THE LATEST ALBUM OF JOHN LENNON OF THE BEATLES AND HIS LATEST FLAME YOKO ONE. THE COVER OF THE ALBUM WAS A PHOTOGRAPH OF LENNON AND ONO COMPLETELY NUDE; AND BELIEVE ME THEY DIDN'T HIDE A THING. IT IS NOW BEING SOLD TO OUR YOUNG PEOPLE ON THE RECORD STANDS. MR. NELSON, IT IS THE MOST DISCOLORED AND VULGAR DISPLAY OF GARBAGE I HAVE EVER SEEN IN MY LIFE.

ISN'T THERE SOME WAY WE CAN GET THIS ALBUM OFF THE MARKET?? IT HAS TO BE SENT IN THE MAIL TO THE STORES WHICH IN TURN SELL IT TO THE KIDS. IT DOES HAVE AN ENVELOPE OVER THE PICTURE WHEN BOUGHT IN THE STORES, SO IT IS ALSO FRAUGULENT ADVERTISING. MOST OF THE STORE MANAGERS DO NOT KNOW THIS PICTURE IS ON THE COVER BECAUSE OF THE ENVELOPE. I AM AT THIS TIME TRYING TO GET AHOLD OF ALL OF THE LOCAL MERCHANTS CARRYING THIS ALBUM AND FILLING THEM IN ON WHAT IS REALLY ON THIS ALBUM.

YOU ASK WHY THE YOUTH OF TODAY ARE LIKE THEY ARE... THIS IS ONE OF THE PRIME REASONS. ANCHER, I SAY TO YOU, THIS HAS TO STOP... AND I MEAN NOW!! PLEASE WRITE ME AS SOON AS YOU RECEIVE THIS LETTER AND TELL ME WHAT WE CAN DO TO GET THIS TRUTH OFF OUR YOUTH MARKET.

O I T. O. M.

By letter dated March 17th, Congressman Bennett sent a copy of H.R. 5171, which is legislation he has introduced to prohibit the dissemination of obscene material to minors. Congressman Bennett pointed out that his bill is patterned after a New York State statute which has been upheld by the Supreme Court. He also sent a copy of two other identical bills, H.R. 6186 and H.R. 7167. In his letter, Congressman Bennett requested "any information you can provide me to back up this bill." By letter of March 18th, Congressman Bennett followed up his previous letter with a request for "evidence." which would show that the rise in crime or the rise of sex crimes is attributable to pornography. He also asked if we can show that a substantial number of criminals have been exposed to pornography. He also asked if we know of any articles or research which would demonstrate a clear need for such a law as he proposes.

We have had cordial relations with Congressman Bennett over the past several years.

RECOMMENDATION:

That the Director restrict our assistance in this matter to provide Congressman Bennett with appropriate reprint material, and that attached letter to this effect be sent.

Mr. Moss Lee Innes,
c/o U.S. Embassy,
Ottawa, Ontario.

Dear Sir:

Attached is a copy of a letter dated March 18, 1970 which was received from Mr. Edward MARZQA of Radio Station WJWL in Georgetown, Delaware and a copy of our reply to Mr. MARZQA dated April 21, 1970.

2. According to the February 20, 1970 edition of the Telegram (Toronto daily newspaper), Mr. Ritchie YORKE of Toronto, Ontario was endeavouring to set up a "Peace Network", being a loose organization of radio stations aimed at promoting the July 3/5, 1970 Mosport Peace Festival at Mosport, Ontario. [REDACTED] (b7D)

3. The Mosport Peace Festival was initiated by John LENNON (of Beattle fame) and his wife, while visiting Canada during December 1969. To facilitate the "peace festival", which in fact would be a youth orientated rock festival, Ritchie YORKE and John BROWER [REDACTED] both of Toronto, Ontario, were engaged as advertising and expediting co-ordinators for promotion of the "festival". The Mosport location for the "festival" was recently vetoed by the Ontario Municipal Board and at the present time it is not certain whether the "festival" will proceed at some other location. [REDACTED] (b7D)

4. Should Mr. MARZQA contact your Agency, you may verbally pass the information contained in paragraphs 2 and 3 to him.

Yours truly,

Dear Sir:

This will acknowledge receipt of your letter dated March 18, 1970 concerning the lobbying of a youth delegation under the auspices of "Peace Station Network" of 120 Avenue Road, Toronto 5, Ontario for the purpose of having WJWL broadcast 5-minute "peace" programs.

We regret that we are unable to supply you with the information which you requested, as government policy requires us to liase with the Federal Bureau of Investigation in matters related to enquiries of this nature. We therefore suggest you redirect your enquiry to the Federal Bureau of Investigation.

Gentlemen:

WJWL has been approached by the Peace Station Network of 120 Avenue Road, Toronto 5, Ontario, Canada, to participate in a network of stations broadcasting 5-minute "peace" programs.

On a telephone listener opinion program on WJWL, I read the proposal, then solicited listener response to the question of whether WJWL should or should not air the "peace" programs.

The response was overwhelmingly against such programming. I advised the Peace Station Network to remove WJWL and our FM affiliate, WSPA, from their mailing lists. **NO RECORD**

I was subsequently approached by a youth delegation with petition in hand claiming the station was unfair in refusal of time. We were abrogating the constitutionally guaranteed freedom of expression. I tried to explain that this was a Canadian organization, with no claim to any U.S. rights. Not satisfied, they claimed it was "their right to hear" that I was infringing on. Well, to head off any prolonged debate, I agreed to listen to a tape from the Peace Station Network people if they would procure one. After so reviewing same, we would make a final judgement.

APR 2 1970
S. I. INDEX

The purpose of this letter is not to solicit any program recommendation from your organization. It is rather, to ascertain if the Royal Canadian Mounted Police has any information which may shed some light on the Peace Station Network. I would like to know who the officers are; what their purposes are; how they are financed; and why the Canadian base. I have my suspicions.

The decision of course is mine. I would appreciate however, something more concrete than my intuition to support whatever that decision may be.

I would appreciate an early response.

Sincerely,
WJWL

ELECTION YEAR STRATEGY INFORMATION CENTER (EYSIC)

NEW "NEW LEFT" GROUP FORMED

Operating under the cumbersome title of Election Year Strategy Information Center is a new organization which has been formed to direct New Left protest activities during the 1972 election year, with these efforts geared to culminate in massive demonstrations at the Republican National Convention in San Diego in August. Before finally settling on this name, EYSIC was known both as the Allamuchy Tribe and the International News Service, names which some members of the group still occasionally use. Organizers of this band of activists are seasoned veterans of protest: Rennie Davis, Jerry Rubin, Stewart Albert, and Jay Craven. (CONFIDENTIAL)(U)

Finances do not seem to be an immediate problem for EYSIC since John Lennon, formerly with The Beatles musical group, has reportedly contributed \$75,000 to this embryonic organization. Lennon's money and name have placed him in a position of considerable influence in EYSIC--no key planning sessions are being held without Lennon (pictured at left). Lennon, a British subject, has also taken steps to acquire American citizenship. (CONFIDENTIAL)

EYSIC is headquartered in New York City in space rented in a warehouse on Hudson Street. Plans are being generated there to get EYSIC members to appear at major primary elections in 1972 to confront the candidates with the "New Left message" and to additionally encourage individuals to travel to

San Diego to demonstrate in August against the Republican Party. (CONFIDENTIAL)(U)

Jerry Clyde Rubin

DATE 6/14/97 BY [Signature]
8269/She/dk

On February 22, 1972, Jerry Rubin appeared on the Mike Douglas Television Show which was aired on Channel II, Columbia Broadcasting System, from 4:30 p.m. to 6:00 p.m. John Lennon, formerly with the Beatles musical group, and his wife were co-hosts on this show. This program was tape recorded and pertinent statements made by Rubin are included in this memorandum.

Mike Douglas introduced Jerry Rubin stating his feelings were quite negative concerning Rubin but that John Lennon wanted him on the show.

John Lennon stated that Rubin was not at all like his image as he and his wife were not like their image. He stated he found something in Rubin that was artistic.

Mike Douglas asked, "What is Jerry Rubin thinking about these days?"

Rubin stated, "Glad you asked that! We're going to support Nixon for President, because by going to China he is furthering communist revolution throughout the world, and also encouraging communism at home. Anything to get elected! Even though it's not appreciated by the right wing, it's appreciated by the left.-I'm just kidding! What he has really done is automate the war in Vietnam so that its machines killing people create a situation where 43 people can be murdered at Attica, create a situation where four kids can be killed at Kent State and people are afraid. The atmosphere of the country is one of his debts. I think the administration did this, and he is the symbol of it. And so I'm working very hard with people all over the country to defeat Nixon."

When questioned about the "Movement," Rubin stated that "the way the movement has changed is the pressure is so heavy that if anybody does anything, gets arrested, jailed, killed, that people are very pessimistic."

Douglas stated he had heard that Rubin was against drugs and this was the reason he was in favor of having him on the program. Rubin stated he was not against drugs but against heroin. Rubin stated, "the police are the protectors of the heroin trade, and heroin is used against Black people and against some white people right now, as a killer drug. Too many young kids are taking downers and heroin, because they see no future for themselves in this country, they see no hope in changing the country, they see no decent life in which they can be creative and express themselves, so they shoot into their veins and take a pill. And that's the society's fault, as it offers no alternative. As a revolutionary movement, we've got to give an alternative."

When questioned about voting, Rubin stated that all young people should vote as a block, just like women should vote as a block. "We've got to get Nixon out of the White House because we've got to stop the automated war in Vietnam. It's power if we vote together. We shouldn't vote for any candidate that doesn't automatically withdraw everything from Vietnam. And we ought to go to both Conventions in Miami and San Diego and non-violently make our presence felt-and stand on the issues. If we do anything any other way, we'll be killed."

When questioned as to what he thinks is right in this country, Rubin stated that what's right is the fact that there are people in the country who want to change it. He stated that what he thought was beautiful about it, is that the children of America want to change the country and are going to.

YOUTH ELECTION STRATEGY, ALSO
KNOWN AS PROJECT "YES"

On February 3, 1972, a confidential source advised that a group headed by RENNARD CORDON DAVIS, also known as Rennie Davis, is in its first phase of planning for disruption at the Republican National Convention (RNC) to be held in San Diego, California, from August 21 - August 23, 1972. According to this, source, DAVIS and other associates from the People's Coalition for Peace and Justice (PCPJ) recently moved from Washington, D. C. to New York City.

RENNARD CORDON DAVIS is a convicted defendant of the so-called Conspiracy 7 Trial, Chicago, Illinois, in the period September, 1969 - February, 1970, involving those persons earlier indicted for violation of the Federal Anti-Riot Statute.

PCPJ in a press release dated March 1, 1971, described itself as being headquartered in Washington, D. C. and consisting of over 100 organizations which are using massive civil disobedience to combat racism, poverty, repression and war.

According to this source, the plans for San Diego include rock concerts featuring JOHN LENNON, formerly of the Beatles rock music group, and his wife, YOKO ONO, as the main crowd drawers backed up by lesser rock group talents.

It was further related by this source that dates have been reportedly been arranged in Florida and New Hampshire and the concerts will include speeches by JERRY RUBIN and FENNIE DAVIS, along with LENNON who will urge the audience to (a) register to vote; (b) work for the legalization of marijuana; and (c) get to San Diego for the GOP Convention.

This source further stated that conflicting reports make it difficult to analyze the proposed activities of JOHN LENNON at this time. While this source indicates LENNON may be coming to San Diego, other indications are that he will perform along the East Coast only and contribute a portion of his proceeds to the San Diego Convention Coalition.

JERRY RUBIN is a convicted defendant of the so-called Conspiracy 7 Trial, Chicago, Illinois, in the period of September, 1969 - February, 1970, involving those persons earlier indicted for violation of the Federal Anti-Riot Statute.

SDCC is a group comprised of representatives of various radical groups in San Diego, California, which was formed for active opposition to the United States Government through "serious, determined, and long term social upheaval."

The aforementioned confidential source, along with other confidential sources familiar with certain phases of New Left activity in the San Diego area, advised

on February 24, 1972, that information has been received in San Diego regarding proposed activities of a group headed by ~~RENNIE DAVIS~~ and including ~~JOHN LENNON~~ in connection with the RNC but no specific information has been received regarding any such activities under the name of Election Year Strategy Information Center (EYSIC) or Youth Election Strategy, also known as Project "Yes." (X) (u)

EYSIC is a group formed from meetings held at the Peter Stuyvesant Farm, Allamuchy, New Jersey, during December, 1971. The group is headed by RENNIE DAVIS and was organized for the purpose of directing New Left activities during the election year and to culminate with demonstrations at the 1972 RNC. On January 28, 1972, the group changed its name from Allamuchy Tribe to EYSIC.

Youth Election Strategy, also known as Project "Yes," is the video-tape arm of EYSIC which will eventually attempt to purchase the Liberation News Service in New York City. This group is controlled by JOHN LENNON, RENNIE DAVIS, and JERRY RUBIN, who are also key figures in EYSIC. They will make the contacts for video tapes, films, special events, and entertainers to raise money for the group to finance demonstrations in opposition to the RNC. (X) (u)

Liberation News Service (LNS) publishes news packets in New York City on a weekly basis and the packets are sold to radical New Left underground newspapers.

Chicago, Illinois, for violation of the Federal Antiriot Law Statute in that he traveled in interstate commerce from outside the State of Illinois with intent to incite, organize, promote and encourage a riot on or about August 28, 1968. On February 20, 1970, Davis received 23 individual and separate criminal contempt citations regarding the above trial, and was sentenced to serve two years, one month and nine days regarding these citations. Davis was incarcerated February 14, 1970, Cook County Jail, Chicago, and released on \$25,000 bond on February 28, 1970, pending trial. During January, 1971, Davis organized the MDC at Washington, D.C. to exert an influence on the PCPJ policies concerning the planning of a massive anti-war demonstration at Washington, D.C. during May, 1971.

Stewart Albert

On April 25, 1966, a second source, who has furnished reliable information in the past, advised that Stewart Albert was arrested on April 12, 1966 at Berkeley, California, along with other Progressive Labor Party (PLP) members while demonstrating in front of the Berkeley City Hall.

PLP

The PLP was founded in 1962 by individuals expelled from the Communist Party, USA, for following the Chinese Communist line. Its objective is the establishment of a militant working-class movement based on Marxism-Leninism and MAO Tse-tung thought.

MDC

The MDC in New York City (NYC) is publicly known as an organization that participated in demonstrations in Washington, D.C. during the first week in May, 1971, sponsored by the PCPJ.

PCPJ

The PCPJ is self-described as an organization consisting of over 100 organizations using massive civil disobedience to combat war, racism, poverty and repression. Its National Office is located at 156 5th Avenue, NYC, Room 527.

b7c On January 24, 1972, the first source advised that John Winston Lennon, who was formerly associated with the Beatles Music Group, donated \$75,000 and [redacted] donated \$15,000 to the group to finance their activities. X u

Mary Boulton

Mary Boulton is the widow of the late Frank Bancroft. The now defunct "New York Journal American" in its November 28, 1952 issue, carried an article entitled, "Oust Teacher, Wife of UN Aide." This article related that the wife of Frank Bancroft, a United Nations Executive that was suspended for refusal to answer a question if he was a communist, had lost her substitute teacher's license in the State of New York. The article related that her husband had been subpoenaed by a Federal Grand Jury, later for appearance before a Senate Internal Security Subcommittee. The article further related that Mrs. Bancroft had failed to appear when she was summoned for questioning concerning a Board of Education Probe into Communism.

On January 27, 1972, a third source, who has furnished reliable information in the past, advised that during December, 1971, a group of individuals calling themselves the Allamuchy Tribe had met in Allamuchy, New Jersey to discuss plans for coordinating demonstrations at the Republican National Convention in San Diego, California in August, 1972. The group included Carole Sue Cullen, Carol Mildred Kitchens, Michael Alan Drobenare and other individuals unknown to him who were members of the PCPJ in Washington, D.C. that had traveled to New Jersey for this particular meeting. with Stewart Albert and Rennie Davis, Jerry Rubin appeared to be in leadership at the meeting. *(S)*

Jerry Rubin

On February 18, 1970, Jerry Rubin was found guilty in United States District Court, Northern District of Illinois, Chicago, Illinois for violating the Federal Antiriot Law Statute for traveling in interstate commerce from outside the State of Illinois with intent to incite riots in Chicago, Illinois during the Democratic National Conventions in August, 1968. On February 20, 1970, he was sentenced to five years imprisonment and fined \$5,000. On February 28, 1970, the United States Court of Appeals, Seventh Circuit, Chicago, Illinois, ordered him released on \$25,000 bond, pending appeal of his conviction.

4 On January 28, 1972, the first source advised that ~~the~~ the group formerly known as the Allamuchy Tribe had changed its name to the "Election Year Strategy Information Center" (EYSIC). This change was made as to be "more effectively known, since the general public would soon become aware of its anti-Republican National Convention activities." *(S) u*

On February 2, 1972, the first source advised that a meeting had been held at the Washington Square Methodist Church in NYC on January 29, 1972 to further discuss officers and finances of EYSIC. The group decided that a permanent staff of officers would be set up in the near future and that the officers would receive \$125 per week salary. *(S) u*

On February 2, 1972, a fourth source, who has furnished reliable information in the past, advised that Christine Johnson, Noreen Banks, Allan Alpern, Mike Weber, and Winslow Peck, who are all members of the PCPJ in Washington, D.C., transferred to the PCPJ office in NYC to work on the EYSIC project. All of these individuals were to stay with Thomas Hirsch at Apartment 9E1, 600 West 111th Street, NYC. Tom Hirsch is also associated with the PCPJ in NYC.

On February 17, 1972, the first source advised that individuals with EYSIC had formerly planned on using a warehouse on the corner of West 10th Street and Hudson Avenue in NYC as their headquarters. However, they had abandoned the idea due to the warehouse space being in such dilapidated condition. The source advised that at the present, Jerry Rubin, Stewart Albert and John Winston Lennon are working in office space at the Global Village, which is a TV media type of organization in NYC. They are coordinating plans to purchase the Liberation News Service (LNS) in NYC and use its wire services and mailing list to expand the activities of EYSIC. This group, a segment of EYSIC is calling itself the Youth Election Strategy (YES), and it has the financial backing of Lennon. *g h*

LNS

The LNS is self-described as an underground news wire service with headquarters in NYC which publishes news packets weekly that are sold to radical New Left underground newspapers. It was founded in 1967 and reportedly has a paid circulation over 600.

(On February 23, 1972, a fifth source, who has furnished reliable information in the past, advised that the Global Village is located at 454 Broome Street, NYC. The source further advised that several members of EYSIC are making plans to form a musical band to travel to several election primaries. They will eventually travel to San Diego, California to participate in demonstrations at the Republican National Convention. *g h*

Irish

A meeting of the committee against internment in Northern Ireland took place at the Irish Institute at 326 West 48th St., at 4:05 PM.

An amendment to the purpose of the group was made, so that the body was now not just against internment, but also for the immediate withdrawal of British troops from Northern Ireland.

A speaker from the floor asked that the purpose of the body be amended to include support for the Irish Republican Army in money and even in guns. This motion wasn't even accepted by the chair, and the gentleman declared he would leave the meeting.

A steering committee was set up after much discussion and argumentation. The original committee contained two representatives from the following clubs: Irish Republican Clubs, Northern Aid Committee, National Association for Irish Freedom, and the American Committee for Ulster Justice.

Members of the Socialist Workers Party were present, and they came into the meeting as a unit and argued the following points: "with four organizations it's packed (the steering committee)...the steering committee must be broad, the four organizations have shown that they can't cooperate freely...it is important that the steering committee be representative of all tendencies and individuals...those people who want to take responsibility will be able to do so (in the broad steering committee). There are talented people who want to do work".

The broad steering committee motion was passed.

NY 105-115849

A March 1 or 4th action date was proposed. The SWP people called for a mass demonstration.

It was announced that JOHN LENNON had offered entertainment. One route proposed was a march from Columbus Circle to Bryant Park, or Central Park.

Someone suggested that all British people, and all British organizations be harrassed, as the Jewish Defense League does with the Soviets.

A boycott of British goods was proposed.

It was suggested that the Irish ask the Chinese in the Hotel Roosevelt (Red Chinese) to talk to NIXON when he is in Peking. This idea was strongly put down.

Three members of the SWP (if not more) were named to the steering committee: RAY "MARKY" (1930-local of the New York Public Library System), GENE "BERTINE" of Local 1199, and NAT LONDON, formerly of the Peace Action Coalition. In all 28 names were accepted for the committee.

The Irish Republican Clubs are aware of the presence of SWP people, and they are watching them. MARY COTTER was a spokesman for the Irish group, and she's a SWP person (this occurred at a BOAC demonstration previous to this meeting), and as such served the interests of the Irish group rather than the SWP.

[REDACTED] This is the first sign of tightening in the open house procedure that has prevailed. (X)(u)

One Michael LNU, acting as front man for Rennie Davis, John Lennon and Jerry Rubin, came to Washington Square Meth to the NY Office and had a long discussion with William Kittredge about what was going down. The office will be opened in 2 weeks - 1 month at Hanson and 10th Street and will occupy 2 floors there. The staff that was brought from Washington, DC appear to have some problems with the middle leadership (Stu Alpert and Jay Craven in particular). The staff salaries are said to be \$125 per week, and Rubins presence in the top echelon is confirmed. The bulk of the is coming from Lennon-One. (X)(u)

Renner and Kittredge went to the NYLC loft to see William Smith about 8:00 p.m. and later went to Larry Levy's returning to the church at 1:30 a.m. (1/26/72) Joseph Pissarevsky was in touch with Revolutionary Union, Dia Cooper with LNS, and C. Donham with AIO. The purpose of all these meetings was to discuss a conference format that this group has cooked up and to feel out the various groups vis a vis the Red Balloon people. (X)(u)

Reference is made to Federal Bureau of Investigation (FBI), memorandum dated February 28, 1972, and captioned as above.

67D

[REDACTED] the Election Year Strategy Information Center (EYSIC) is no longer functioning. The organization ceased to exist approximately the first of March, 1972. Former members Jerry Rubin and Stewart Albert, upon dissolving EYSIC seem to have no definite plans regarding either the Miami Democratic National Convention or the Republican National Convention in San Diego. Rennard Cordon Davis who was also associated with EYSIC was last known to be in Florida.

Jerry Rubin and Rennard Cordon Davis, are both convicted defendants of the so called Conspiracy Seven Trial, Chicago, Illinois, in the period September, 1969 thru February, 1970; involving those persons earlier indicted for violation of the Federal Anti-Riot Statute.

that Albert was arrested on April 12, 1966, at Berkeley, California, along with other members of the Progressive Labor Party (PLP) while demonstrating in front of the Berkeley City Hall.

Progressive Labor Party

The PLP was founded in 1962 by individuals expelled from the Communist Party, USA, for following the Chinese Communist line. Its objective is the establishment of a militant working class movement based on Marxism-Leninism and MAO Tse-tung thought. b7D

[REDACTED]

[REDACTED] EYSIC is no longer operational. Youth Election Strategy, which started out as a political education arm of EYSIC is presently engaged in the production of films depicting the Automated Military Machinery used in Southeast Asia by the United States Army. The films are designed so as to be shown to demonstrators at the sites of the Republican and Democratic National Conventions. The source advised that John Winston Lennon was formerly associated with EYSIC, however shortly before the organization was dissolved, Jerry Rubin and Rennard Davis were apparently at odds with Lennon due to his excessive use of drugs. (S)(u)

John Winston Lennon. On February 2, 1972, Mr. Raymond Connley, Immigration Officer, Immigration and Naturalization Service (INS) New York City, advised that Lennon, Alien Registration Number A-17597321, first arrived in New York City on August 11, 1968, under a B-2 visitors visa. He subsequently departed the United States, and during his 1971 re-entry was granted another B-2 visa. Lennon is married Yoko Ono, Alien Registration Number A-19489154. They both entered the United States on August 13, 1971 and their visas were due to expire on February 29, 1972.

On March 14, 1972, Mr. VINCENT SCHIANO, Chief Trial Attorney, INS, New York City, advised that LENNON and his wife, on March 6, 1972 were served with an INS order to show cause why they should not be deported from the United States as over stayed visitors.

Mr. SCHIANO advised on March 16, 1972, that LENNON and his wife showed at INS, New York City on this date, however their hearing was delayed until April 18, 1972.

After JOHN LENNON plugged it on the Dick Cavett Show, the benefit concert for the Attica Defense Committee turned a larger crowd than expected. Among the people who came were OTTO PREMINGER & a party of 5 people. Security was tight. The AIO core group included RONALD ROSEN, JOSEPHINE PIZZINO (both new members of AIO), JAMES DUFFY, MAURICE WADE, and was led by WALTER TEAGUE. Also on security were WALTER APONTI (recently purged from AIO) LAWRENCE REWER, DIANE DANHAN, and STEPHEN POMERANTE. The benefit was held at the Wash. Sq. Meth Ch, began at about 20:00, was ended about 1:30 Sunday morning by a bomb threat, and netted \$2,000 for the Defense Comm and \$200 for the WSM Ch. (S)(u)

At 15:00 the NYRC had a meeting on re-organization at its hq (93 B third Ave). The meeting was fruitless. The two factions are basically these: LAWRENCE LEVY and HENRY PLATSKY want to form a more, intellectually oriented group which functions as a study group, at least at the outset. ROBERT HENES, EUGENIE S. JOSEPH, SUSAN LNU, WILLIAM SMITH, LESTER BAUM, and some unidentified members of the Prison Collective (on arm of NYRC concerned 5 prisoner liaison) wish the group to become more action oriented feeling that any form of movement toward the study group idea is a cowardly retreat. John & Yoko Wait & Wait

A decision in the deportation proceedings against former Beatle John Lennon and his Japanese-born wife, Yoko Ono may not be reached until September, the U.S. Immigration and Naturalization Service said yesterday.

The government and the defense were to have submitted briefs by July 1, but they are still waiting for a transcript of the May 17 hearing.

Special inquiry officer Ira Fieldsteel, who is hearing the case, will be away in August, and so a decision is not expected until September.

If the government wants to deny Lennon permanent residence here

because of a 1968 marijuana conviction in England.

PacTel Appeals Refund

Pacific Telephone & Telegraph asked the U.S. Supreme Court yesterday to stop a \$145 million refund to its customers which was ordered by the California Supreme Court Tuesday. The California court denied Pacific Tel's \$143 million rate increase.
