Local Board No. 1	44
Tensas Parish	107
<i>had</i> 3-1942 3-1942	001
St. Joseph, La. (Local Board Data Sheet With Case)	

November 3, 1942
(Date of mailing)

ORDER TO REPORT FOR INDUCTION

The President of the United States,

To Walter None Brown
(First name) (Middle name) (Last name)

Order No. 1027

GREETING:

Having submitted yourself to a local board composed of your neighbors for the purpose of determining your availability for training and service in the armed forces of the United States, you are hereby

notified that you have now been selected for training and service in the Army
(Army, Navy, Marine Corps)

You will, therefore, report to the local board named above at St. Joseph, La.
(Place of reporting)

at 6:00 am, on the 14th day of November, 1942

This local board will furnish transportation to an induction station of the service for which you have been selected. You will there be examined, and, if accepted for training and service, you will then be inducted into the stated branch of the service.

Persons reporting to the induction station in some instances may be rejected for physical or other reasons. It is well to keep this in mind in arranging your affairs, to prevent any undue hardship if you are rejected at the induction station. If you are employed, you should advise your employer of this notice and of the possibility that you may not be accepted at the induction station. Your employer can then be prepared to replace you if you are accepted, or to continue your employment if you are rejected.

Willful failure to report promptly to this local board at the hour and on the day named in this notice is a violation of the Selective Training and Service Act of 1940, as amended, and subjects the violator to fine and imprisonment. Bring with you sufficient clothing for 3 days.

You must keep this form and bring it with you when you report to the local board.

If you are so far removed from your own local board that reporting in compliance with this order will be a serious hardship and you desire to report to a local board in the area of which you are now located, go immediately to that local board and make written request for transfer of your delivery for induction, taking this order with you.

CURTISS-WRIGHT CORPORATION

304 VALLEY BOULEVARD

WOOD-RIDGE, N. J. 07075

INVITATION FOR TENDERS OF COMMON STOCK

To the Holders of Common Stock of

CURTISS-WRIGHT CORPORATION:

The Board of Directors has determined that the acquisition by the Corporation of a substantial amount of its own Common Stock would be advantageous to the Corporation and its shareholders. Accordingly, the Corporation hereby invites the holders of its Common Stock, upon the terms and conditions set forth in this Invitation and on the enclosed Transmittal Card and on the reverse side thereof, to tender 1,000,000 shares of its Common Stock to the Corporation at a price of \$32 per share. Tendering shareholders will not be required to pay any brokerage commissions on the transfer of shares to the Corporation.

The Corporation will purchase all shares tendered up to 1,000,000 shares. If more than 1,000,000 shares are tendered, the Corporation reserves the right to elect also to purchase all shares tendered in excess of 1,000,000 or also to purchase some of the shares tendered in excess of 1,000,000, in each case at the price of \$32 per share, or to purchase no shares in excess of 1,000,000. If the Corporation purchases 1,000,000 or more shares but fewer than all shares tendered, all purchases will be prorated among the tendering shareholders and the same proportion of shares tendered will be purchased from each. Fractions of shares resulting from any such proration will be disregarded, and the next lower whole number of shares will be purchased.

To take advantage of this Invitation, you must fill out the enclosed Transmittal Card and mail it (registered mail is suggested), together with your stock certificates, to First National City Bank, Tender Agent, P. O. Box 1607, Church Street Station, New York, N. Y. 10008, or deliver the Card and the certificates in person to First National City Bank, Corporate Trust Dept., 8th Floor, 55 Wall Street, New York, N. Y. No alternative, conditional or contingent tenders will be accepted. Shares must be received at the office of the Tender Agent by 3 p.m., Eastern Standard Time, on January 14, 1966. All tenders are irrevocable until the shares are purchased or returned, except as hereinafter provided. Payment for the shares to be purchased pursuant to this Invitation, and return of certificates for shares tendered but not purchased, will be effected promptly after the expiration of the tender period.

The price range of the Common Stock of the Corporation on the New York Stock Exchange during the past two years and for 1965 through December 7, 1965, the day before the Corporation announced that this Invitation would be made, has been reported in published sources as follows:

<u>Year</u>	<u>High</u>	<u>Low</u>
1963	24 $\frac{1}{4}$	17 $\frac{1}{4}$
1964	20 $\frac{1}{2}$	16 $\frac{3}{4}$
1965 through December 7.....	28 $\frac{3}{8}$	16 $\frac{1}{4}$

A-39-6-41

The closing selling price of such stock on the New York Stock Exchange on December 7, 1965 was reported as $27\frac{1}{8}$ per share.

Copies of the annual report of the Corporation for the year 1964 and of the three subsequent interim reports, previously mailed to shareholders, are available upon request. A further interim report will be mailed to shareholders on or about December 28, 1965.

This Invitation is not open to any officer or director of the Corporation or to any "associate" (as that term is defined in the Rules and Regulations of the Securities and Exchange Commission under the Securities Exchange Act of 1934) of any such officer or director. All holders of record of Common Stock on December 3, 1965 will receive the dividend of 25¢ per share declared September 22, 1965 and payable December 28, 1965, whether or not they tender shares pursuant to this Invitation.

Under a program initiated by the Corporation during 1965 for the purpose of acquiring shares of its Common Stock which would be available for use in acquisitions, and for other corporate purposes, the Corporation purchased through the New York Stock Exchange a total of 139,400 shares between April 27, 1965 and December 7, 1965 and now holds 290,023 shares in its treasury. The Corporation intends to add to its treasury holdings the shares it purchases pursuant to this Invitation.

From time to time the Corporation has been approached by third parties indicating an interest in directly or indirectly acquiring the assets of the Corporation. Such approaches have not been definitive as to price, or otherwise. The Corporation has no knowledge as to whether its shareholders will be approached with offers for their stock, by way of invitations for tenders or otherwise.

A holder of Class A Stock has brought suit against the Corporation and its directors seeking injunctive relief against the consummation of this Invitation. In the opinion of counsel for the Corporation, this suit is without merit. The Corporation will remain obligated to purchase all shares tendered up to 1,000,000 shares unless it shall be under legal restraint preventing such purchase, in which case tendering shareholders may withdraw their tenders at any time after January 31, 1966. Tendering shareholders acknowledge that no claim may be made against the Corporation by reason of the Corporation's failure to purchase shares while under such legal restraint.

WHAT HAS TO BE DONE

1. Send in stock certificates after May 31.
2. Get boat registration papers in:
 legalized Bill of Sale
 Certificate of Surrender
3. Discussion w/ attorney on tax matters, etc.

He said in a civil suit in the US they can (if they know where the money is go after it.) But they would have to come to Panama and file suit for it there. That means hire a local attorney and take it to court. However, any money held in the name of a corporation cannot be attached merely if one of the signatories has a civil suit against them. In a private account they can attach money if the suit is won in Panama, if the civil suit is against the person in whose name the account exists---if they can find the money. That is the advantage of a corporation, in that it is not the individual's private money. We are safe in any case since no civil suit will be filed in the name of the person holding funds. Attorney was told about TOS. He assured me no unauthorized person would be able to withdraw the funds.

1. IMPORTANT ITEM THAT COULD NOT BE PUT ON RADIO, NEED ANSWER RIGHT AWAY:

Serena Hunt: Serena is the senior citizen Lois Ponts brought up from Fresno without clearance in '76, who was eventually placed in a resthome on Medi-Cal with help of a Dr. Alan Lewis, by Rheavina & Jack. We have received mail addressed to Rheavina that the resthome Serena is in will no longer be eligible for Medi-Cal patients April 1, 1978, and that Serena be relocated to another Medi-Cal approved facility of her choice as soon as possible.

The background on this case is known by Chaikin: There had been a problem with placing her in a resthome under Medi-Cal because she had property in Fresno and 2 savings accounts. She signed a deed granting ownership in property over to P.T. as a gift, and this was recorded 7/9/76, making it public record that property belonged to P.T. She signed release of savings accounts and they were closed and donated to P.T. She signed power of attorney and appointed Jack & Rheavina as attorneys in fact to act on her behalf. We sold the house, proceeds \$23,000, in 9/76. After Rheavina went overseas, Hue Fortson & Kris Kice have made regular visits as official members of P.T. to make it clear that P.T. had not just placed this old woman in a rest home and ignored her.

Stoen and Cartmell were in on this case from the beginning. Do we now have any obligation to this woman as far as placement?
A.
B. Could we write or call Dr. Lewis and explain that Rheavina and Jack are both overseas and we would appreciate him doing same that he did last time, find a rest home that will take Medi-Cal patients?

C. Or could we write directly to the Dept. of Health, who was the agency that wrote to Serena notifying her that she will have to be relocated, and explain the same?

Attached are copies of 2 letters we received, one from Dept. of Health and one from the Rest Home.

Please send a message back right away on this, ON THE RADIO.

re: Serena Hunt

Dear Friends and Relatives of the Residents of the
San Franciscan Center:

As you are no doubt aware, the California State Department of Health is preparing to relocate the residents of the Center. The residents, along with attorneys from Public Advocates, the Gray Panther organization and other community groups have fought hard to keep the San Franciscan Center open and to force the State to live up to its obligations to the elderly.

The pressures of time, money and an unyielding and uncaring State bureaucracy have made this struggle more difficult than any of us imagined. While we have not given up the fight and will continue to search for a way to save the Center, relocation is now a very real possibility. In fact, it appears to be a certainty.

Although we are not abandoning our attempts to find an operator for the Center, necessity has forced us to concentrate on making the relocation of the residents as humane and orderly as possible.

The State, through its relocation plan presented in State Court, has promised to do certain things to make the relocation humane and orderly. Without abandoning our claim that the State should have promised much more, we intend to hold the State to the promises that it has made.

The things promised by the State Health Department which are probably of the greatest interest to you as relatives and friends of the residents are the following:

- (1) The State will conduct group and individual counselling sessions with the residents to prepare them for the move.
- (2) The State will make every effort not to separate residents who share a common non-English language (for example, Chinese- and Russian-speaking residents).

(continued)

A-39-b-6c

Letter to friends and relatives
Page 2

- (3) The State will make every effort not to separate residents who have become close friends.
- (4) The State will relocate residents to other nursing homes that are capable of providing the level of care required by each resident.
- (5) The relatives and concerned friends of residents may, at their own expense, visit the new nursing home suggested by the State before the resident is transferred to it. If there is good reason why the family or friends do not want the resident transferred to that facility (or why the resident him/herself does not want to move there), the reason should be given to the County social worker and the State, if possible, will make other arrangements. Relatives should also know that the State has promised not to relocate residents against their will.

In making contact with residents and family members, State and County workers should always identify themselves clearly and indicate that the interview being conducted is intended to elicit information to be used for relocation purposes.

If, in your judgment, the State does not live up to one or more of its obligations in carrying out the relocation of your family member or friend, you should demand that the State abide by its promises. In addition to making such a demand, please call me at Public Advocates, 431-7430, and tell me about the State's failure.

You and your relatives and friends at the Center should be very proud of having fought so hard to maintain the San Franciscan Center for our City's elderly. We shall continue with this struggle, and will keep you informed.

Sincerely yours,

ANGELA GLOVER BLACKWELL

Gentlemen:

Attached hereto is our complete file on this case. As you will see in reviewing the file, many demands have been made upon the debtor. However, the balance as above set forth remains wholly due, owing and unpaid.

Because of the failure and refusal of the debtor to make payment of this obligation, the creditor has authorized us as their collection agent to refer the matter to your office for purpose of filing suit. The debtor may be served with summons and complaint as noted above. After service is effected and you are able to enter a judgment in our behalf, we then instruct you to proceed with a levy of execution or other process as you see fit, to enforce payment.

If, for any reason, after reviewing our file, you do not recommend the filing of suit at this time, please communicate with the undersigned within the next 5 days, failing in which we will assume that you have undertaken the employment outlined herein. At your convenience, we will appreciate having the return of our file.

Your Client: Eugenia Gernandt

Dear Ms. McCann:

We are in receipt of your letter wherein you state that the above mentioned party, Mrs. Gernandt is out of the country.

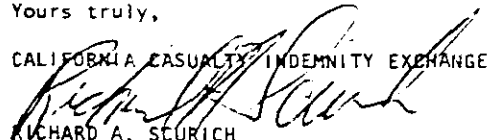

She was involved in an automobile accident with our insured, Steven Reoutt on the above mentioned date. We were informed that she sustained property damage to her vehicle and that there was a possibility she sustained an injury.

Previously, I spoke with her insurance carrier, American Reserve Insurance and they informed me that they did not carry collision coverage for the damage to your client's automobile.

Would you please be so kind as to request from you client whether or not she wishes to pursue a claim against Steven Reoutt? Also, could you please inform me as to her expected date of return to the State of California?

Thank you for your anticipated cooperation in this matter.

Resolution

OF THE SENATE RULES COMMITTEE

By Senator Milton Marks

RELATIVE TO COMMENDING THE REVEREND JIM JONES
AND THE PEOPLES TEMPLE

WHEREAS, The Reverend Jim Jones, an officially ordained minister of the Christian Church (Disciples of Christ) denomination, has been pastor of his church, the Peoples Temple in Redwood Valley, for 25 years; and

WHEREAS, The Reverend Jones, whose steadfast support of the Constitution and encouragement of responsible citizenship have led to his serving with acclaim in many civic posts, travels many hundreds of miles each week to minister the three Peoples Temple churches in Redwood Valley, Los Angeles, and San Francisco; and

WHEREAS, He and the Peoples Temple have extended financial and other kinds of support to the Telegraph Hill Neighborhood and Health Clinic in the Bay Area, the American Cancer Society, the Mendocino County Heart Association and other medical research and testing programs, KQED and other educational broadcasting stations, Big Brothers of America, anti-hunger groups throughout the world, Indian relief, city schools, hospital development, and to the family of a slain highway patrolman in the Fresno area; and

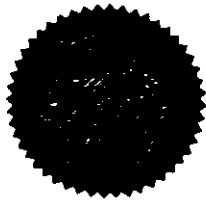

WHEREAS, Pastor Jones ministry is concerned not only with helping to meet the needs of those who are disadvantaged, but also with identifying the causes of those needs so that they might be eradicated from our society; now, therefore, be it

RESOLVED BY THE SENATE RULES COMMITTEE, That the Members commend the Reverend Jim Jones and the Peoples Temple for their exemplary display of diligent and devoted service to and concern for their fellow man, not only in this state and nation, but throughout the world; and be it further

RESOLVED, That suitably prepared copies of this resolution be transmitted to the Reverend Jim Jones and the Peoples Temple.

Dear Sir:

I am writing in regard to the delivery of one (1) drum of paint thinner to us at Port Kaituma. We did receive the one drum and in sound shape but according to charge bill 0275-34 we were charged for five (5) five gallon drums of paint thinner totalling thirty-six dollars and fifty cents (\$36.50). I am sure this situation will be straightened out. I would appreciate all charge bills being mailed directly to us at Port Kaituma as some of them were misplaced when shipped and I have found it impossible to adequately go over my purchase orders with the monthly statement. I would be most grateful if you would send duplicates of all charge bills previously sent. It is of the utmost importance to get these duplicates to complete our bookkeeping process. Thanking you for your kind attention.

Sincerely,
