**PERSONAL AND CONFIDENTIAL
BY SPECIAL MESSENGER**

Rear Admiral Robert L. Dennison
Naval Aide to the President
The White House
Washington, D. C.

My dear Admiral:

I thought the President and you would be interested in the attached memorandum which sets forth information concerning Julius Rosenberg, who was arrested on July 17, 1950, for conspiring to violate the Espionage Statute.

As further pertinent information regarding this matter is received you will be advised.

This information has been made available to Rear Admiral Sidney W. Souers, Special Consultant to the President, and Mr. James S. Lay, Jr., Executive Secretary, National Security Council.

With expressions of my highest esteem and best regards,

Sincerely yours,

J. Edgar Hoover

Re New York teletype 4:45 A.M. 7/23/50.

There is being forwarded to New York, under separate cover, thirty keys, the property of Alfred Sarant, Ithaca, N.Y. They should be used by that office in investigation of the 65 Morton Street Apartment and other apartments possibly used by the Rosenberg ring.

These keys on rings should be left on their respective rings. These keys should be returned to Albany as soon as possible on completion of New York's investigation.

The keys are identified as follows:

- 1 - 1 key #423
- 2 - 1 key #5A
- 3 - 1 key #423
- 4 Chain containing 4 keys as follows:
 - (a) 1 marked "car door"
 - (b) 1 #8050
 - (c) 1 marked Ignt. #747
 - (d) 1 marked HBW1302
- 5-Key ring containing 9 keys as follows:
 - (a) 1 marked P5000
 - (b) 1 marked Chicago, Ill B827
 - (c) 1 marked N716
 - (d) 1 marked N716 (same as c)
 - (e) 1 marked B-955937
 - (f) 1 Yale key marked G-546
 - (g) 1 marked 5256
 - (h) 2 miscellaneous keys with no number
- 6 Key chain with seven keys as follows:
 - (a) 1 marked #1017B
 - (b) 1 marked #261
 - (c) 1 marked #5256
 - (d) 1 marked #214
 - (e) 1 marked #6XP
 - (f) 1 marked #6XP
 - (g) 1 marked with no number
- 7 Seven loose miscellaneous keys

OFFICE IN MOUNT VERNON. HE IDENTIFIED PHOTOS OF SUBJECT AND WIFE, TAKEN IN CENTRAL PARK AND OBTAINED FROM RUTH GREENGLASS. HE DENIED KNOWING SARANTS, BARR, SOBELL, ELICHTERS, PERL AND SILVERSTEIN AND DID NOT IDENTIFY THEIR PHOTOS. HE STATED HE PURCHASED HOUSE IN 1946-47 IN FRENCHTOWN, N.J. CONSISTING OF THREE COTTAGES AND FIVE PLUS ACRES, OWNED JOINTLY WITH ~~WALDO~~ MC NUTT. HE PAID \$2000.00 CASH FOR PROPERTY BUT PERSISTENTLY REFUSED TO DISCLOSE SOURCE OF \$2000.00. MC NUTT PAID \$500.00. AGREEMENT WITH MC NUTT CALLED FOR PAYMENT TO MC NUTT OF HALF OF PROCEEDS OF FUTURE SALE OF TWO COTTAGES AND PORTION OF LAND, WITH SIDOROVICH MAINTAINING TITLE TO REMAINING HOUSE AND LAND. HE ADMITTED BEING IN NEW YORK JANUARY 1945 TO ARRANGE SALE OF HOUSE. STATED HE WENT TO MOUNT VERNON ALONE BUT OTHERWISE WAS NOT SEPARATED FROM ANNE. DENIED ANY KNOWLEDGE OF ANNE BEING AT SUBJECTS HOUSE IN JANUARY 1945 AT MEETING ARRANGED BY SUBJECT AND AS SET FORTH IN SIGNED STATEMENTS OF DAVID AND RUTH GREENGLASS. HE DENIED THAT HE EVER GAVE ANY INFORMATION OF CLASSIFIED MATERIAL TO JULIUS AND DENIED ANY KNOWLEDGE OF SIXTY FIVE MORTON AND DENIED HE EVER VISITED SAID HOUSE AT ANY TIME. HE DENIED THAT HE HAD BEEN IN NYC AT SIXTY FIVE MORTON ST. IN JUNE 1949 OR JANUARY 1950. HE ADMITTED BUYING LEICA CAMERA FROM AN UNKNOWN SOLDIER WHILE RETURNING ON TRAIN FROM NYC TO CLEVELAND IN JANUARY 1945, FOR A SUM OF ABOUT \$100.00. ANNE SIDOROVICH IN LATER INTERVIEW SAID HE OBTAINED CAMERA

END PAGE TWO

PAGE THREE

FROM A SOLDIER FRIEND WHO OWED HIM \$100.00. HE STEADFASTLY DENIED BEING ENGAGED IN ANY ESPIONAGE ACTIVITY WITH ROSENBERG AND DENIED THAT HE EVER DID ANY WORK ALONG SUCH LINES FOR ROSENBERG OF ABOVE NAMED INDIVIDUALS AND STATED JULIUS NEVER APPROACHED HIM FOR SUCH ACTIVITY OR EVER ATTEMPTED TO RECRUIT HIM FOR SUCH WORK. HE REFUSED TO SIGN A WAIVER OF SEARCH BUT ABOUT 8-19PM AGREED TO HAVE AGENTS ACCOMPANY HIM TO HIS HOUSE. AT HOUSE ANNE SIDOROVICH IDENTIFIED PHOTO OF JULIUS ROSENBERG AND DAVID GREENGLASS AND AFTER SOME HESITENCY IDENTIFIED PHOTO OF RUTH GREENGLASS. SHE STATED SHE COULD NOT DENY OR AFFIRM THAT SHE VISITED APARTMENT OF JULIUS AND ETHEL AND MEETING RUTH AND DAVID GREENGLASS AS STATED BY LATTER. SHE DENIED THAT JULIUS ROSENBERG EVER ATTEMPTED TO RECRUIT HER FOR ESPIONAGE WORK OR EVER ASKED HER TO GO TO ALBUQUERQUE OR DENVER TO MEET RUTH OR DAVID. SHE DENIED ANY KNOWLEDGE THAT JULIUS EVER ASKED MIKE TO DO ANY PHOTO COPYING OR OTHER WORK. SHE DENIED ANY KNOWLEDGE OF APT. AT SIXTY FIVE MORTON ST. AND CLAIMED SHE DID NOT KNOW BARR, SOBELL, SARANTS, ELICHTER OR PERL AND DID NOT RECOGNIZE THEIR PHOTOS. SHE STATED THAT MIKE DID NOT GO TO NEW YORK ON ANY DATE IN JANUARY LAST AND CLAIMED HE HAD NOT BEEN AWAY FROM HOME OVER NIGHT SINCE THEIR BABY WAS BORN MAY 9, 1949. BOTH MIKE AND ANNE ORALLY AGREED TO PERMIT SEARCH OF PREMISES BUT IN ACCORDANCE WITH BUREAU INSTRUCTIONS, SEARCH IN ABSENCE OF WRITTEN CONSENT WAS NOT MADE. ANNE PRODUCED PHOTO ALBUMS AND GAVE TO AGENTS FOUR GROUP PHOTOS, ONE INCLUDING MICHAEL, COPIES OF WHICH WILL

END PAGE THREE

PAGE FOUR

BE SENT TO ALL INTERESTED OFFICES. NEW YORK WILL INTERVIEW ATTORNEY
AYLESWORTH, FIRST NAME UNKNOWN, WITH OFFICES AT MOUNT VERNON, NY. AND
OBTAIN ALL INFO RE SALE AND PURCHASE OF HOUSE AT CHAPPAQUA. NEWARK WILL
CHECK PURCHASE IN 1946-47 OF HOUSE BY SUBJECT AT FRENCHTOWN, NEAR
FLEMINGTON, NJ. APPROPRIATE SOURCES OF CHECKING THIS PURCHASE UNKNOWN
TO CLEVELAND. FURTHER DETAILS RE INTERVIEW WILL BE SUBMITTED AFTER
APPROPRIATE REVIEW.

Office Memorandum • UNITED STATES GOVERNMENT

TO : Director, FBI

DATE: July 26, 1950

FROM : SAC, New York

SUBJECT: JULIUS ROSENBERG
ESPIONAGE - RALL INFORMATION CONTAINED
HEREIN IS UNCLASSIFIED
DATE 7/14/86 BY 3042 PWS/SS

On July 17, 1950, the apartment of JULIUS ROSENBERG, Apartment 11GE, 10 Monroe Street, was searched incident to his arrest and the following timetables were found in a desk located in the living room of the apartment:

1. Timetable of the New York Central Railroad effective January 30, 1949, containing on page 14 a condensed timetable from Chicago to New York and Boston. A circle is drawn around a train entitled "The Easterner" leaving Cleveland at 12:30 a.m. and arriving at Syracuse at 8:40 a.m. A circle is also drawn around the "Interstate Express" leaving Cleveland at 5:30 a.m. and arriving at Syracuse 12:46 p.m.

2. New York Central timetable effective January 30, 1949, containing on page 14 a condensed timetable from Chicago to New York and Boston. The arrival time in Syracuse, New York, for the Interstate Express was 12:46 a.m. The Ohio State Limited arrived at Syracuse 2:50 p.m. The Paul Revere arrived at Syracuse 12:41 p.m. and the Knickerbocker arrived at Syracuse at 5:16 a.m. These various arrival times at Syracuse are all underlined. It is also noticed that the underlinings of these times are made in the blank space next to the arrival times of these trains at Rome, New York and it is noted that none of these trains stop at Rome.

3. Lehigh Valley Railroad timetable containing a schedule of trains between New York, Philadelphia, Wilkes-Barre, Ithaca, Rochester, Buffalo, Niagara Falls, Toronto, Detroit, and Chicago, dated April 28, 1940. In this timetable No. 10 entitled "Auburn and Ithaca Branch", check marks are made next to the arrival time at Ithaca, namely 1:30 p.m., and the departure time from Auburn, namely 11:55 pm.

This information is being furnished to the interested offices for information purposes and for possible use in further interrogation of suspects.

ESPIONAGE - R

119799

During a search of the apartment of JULIUS ROSENBERG, 10 Monroe Street, New York City, conducted incident to his arrest on July 17, 1950, three watches were located in the upper right-hand drawer of a bureau located in the living room. The watches are described as follows:

1. One Croton aquamatic man's wristwatch, serial #48363, with the notation on the back AQ.
2. One Clebar man's wristwatch, 17 jewels, with the notation on the back (ld).
3. One Waltham pocket watch and chain with case marked BWC Company, serial #6454038.

Enclosed herewith are the above-described watches and it is requested that they be examined for the presence of microdots and any other appropriate examination considered advisable. It is requested that these items be returned as they are the property of the subject.

SUBJECT: JULIUS ROSENBERG
ESPIONAGE - R

ALL INFORMATION CONTAINED
HEREIN IS UNCLASSIFIED
DATE 7/14/86 BY 3042 PWS/CS

Handwritten notes and signatures in the top right corner, including "AGI" and "130".

Supervisor Al Tuohy of the New York Office called Mr. Laughlin at 5:40 P.M. and advised that agents of the New York Office had been talking to Ruth and David Greenglass and that the latter was furnishing considerable pertinent information.

David Greenglass stated that in November, 1944, Julius Rosenberg asked Ruth Greenglass to go to Albuquerque and get David to furnish information regarding the atom bomb. Ruth complied with this request, contacted her husband David about November 29, 1944, and he agreed to obtain the desired information.

David Greenglass came to New York on a furlough on January 4, 1945. At that time he met Rosenberg. Rosenberg described to David Greenglass how the Navy type atom bomb worked. David furnished Rosenberg names of personnel at Los Alamos whom he, David, felt were ideologically suited for recruitment.

In February, 1945, Ruth Greenglass went to Albuquerque to live. Prior to leaving New York, Ruth was told by Rosenberg she would be contacted by Ann who would pick up information which Ruth was to get from her husband David regarding the atom bomb. Ruth was given a half piece of cardboard; Ann was to have the missing half. Ruth was to meet Ann around the end of May, 1945, in front of a Safeway store on Central Avenue in Albuquerque. Ann never did show up but Harry Gold did and displayed the matching half of the piece of cardboard which Rosenberg had told Ruth he would give to Ann. Gold contacted Ruth on June 3, 1945. Details regarding this meeting already have been furnished to the Bureau by Gold.

In the Fall of 1945, David Greenglass came to New York City again on furlough and on this occasion he furnished Rosenberg certain papers (notes and "maybe a couple of sketches") he had written on the atom bomb such as what it looked like, what it was made of, etc. Greenglass said he did not get any money for this information. It will be recalled that previous information was available to the Bureau concerning the contact made between David Greenglass and an unknown man in a car in New York City. David believed that this contact occurred on this occasion while he was in New York.

David Greenglass was discharged from the service on February 28, 1946, and until September, 1949, he was associated in business with Rosenberg. David said that he learned from conversations with Rosenberg that the latter has contacts

In Upstate New York and Cleveland, Ohio, who Greenglass believes are espionage contacts.

According to Greenglass, when Fuchs was arrested Rosenberg told him to get out of the country. Greenglass said no. Subsequently when Gold was arrested, Rosenberg allegedly again told Greenglass to leave the country and gave him \$500. David said he told Rosenberg this was not enough money, that he had too many bills and he just could not leave. A few days later, on Sunday, May 28, 1950, Rosenberg gave Greenglass \$4,000 more and told him to get out of the country by June 11. Rosenberg instructed Greenglass to go by way of Mexico to Sweden or Switzerland and ultimately to Czechoslovakia.

Greenglass said that he hid this \$4,000 in the chimney of his apartment at 265 Rivington Street, N.Y.C. Greenglass said he attached the money to a metal flue way up in the chimney by means of scotch tape. Following his arrest, Greenglass said he gave this \$4,000 to O. John Rogge, his attorney, as a fee. Greenglass said he did not tell Rogge where he got this money.

Greenglass said that Rosenberg had told him of his going to leave town and that Joel Barr had already left. (Barr is a former classmate of Rosenberg, an alleged Communist who is suspected of espionage activities. He has been out of the country for approximately two years.) Rosenberg said that when Greenglass got to Czechoslovakia he would see several people that they know.

David said that he and his wife Ruth discussed leaving the country and decided against it but they felt that they should go out of town, to the mountains until Rosenberg left.

Greenglass told the agents that Rosenberg was unable to leave because the FBI was "tailing him night and day."

Mr. Tuohy said that Ruth Greenglass has also been interviewed and generally relates the same story as that of her husband. The agents interviewing the Greenglasses are letting them talk generally and they anticipate going back filling in specific details when the general picture is outlined, particularly as regards the questioning for the purpose of obtaining information regarding the individual named Ann.

Mr. Tuohy said that the question confronting the New York Office now is whether sufficient information is available to warrant presenting the facts at this time to the Department for an opinion as to prosecution or whether the Bureau desired to wait until an opportunity was had to thoroughly interrogate

the Greenglasses and obtain complete statements from them. Mr. Tuohy pointed out that consideration must be given to the possibility of Rosenberg getting away. He lives in an apartment in Knickerbocker Village which is on the Lower East side of New York. According to Mr. Tuohy, this settlement covers a full block and has all kinds of exits, including subterranean passages, etc. Additionally, the neighborhood is congested, pushcarts are common and the placing of radio cars might arouse suspicion.

After discussing this matter with you, Mr. Tuohy was advised that New York should proceed with its questioning of the Greenglasses and endeavor to obtain detailed statements from each of them and to furnish this information promptly to the Bureau in order that it might be presented to the Department. Mr. Tuohy was also instructed to maintain a discreet coverage of Rosenberg until such time as this additional information could be presented to the Department and an opinion obtained as to prosecutive action.

memo to Dept. being prepared.

July 17, 1950

RECORDED 173

JULIUS ROSENBERG
ESPIONAGE - R

PERSONAL AND CONFIDENTIAL

65-58236-130

Reference is made to my memorandum to you dated June 16, 1950, in the case entitled, "David Greenglass; Espionage - R," in which I brought to your attention the admissions which had been made by David Greenglass concerning his espionage activities in behalf of the Soviet Union. Pursuant to arrangements made between Mr. O. John Rogge, the attorney for Greenglass, and Mr. Irving Saypol, the United States Attorney for the Southern District of New York, David Greenglass and his wife, Ruth Greenglass, were interviewed by Special Agents of our New York Office on July 14, 1950.

David Greenglass furnished the following information which supplements and changes to some extent the information previously furnished by him.

Greenglass stated that in November, 1944 Julius Rosenberg, the brother-in-law of David Greenglass, asked Ruth Greenglass to go to Albuquerque, New Mexico, and to ask David to furnish information concerning the atomic bomb. Ruth Greenglass contacted David about November 29, 1944 at Albuquerque and David agreed to furnish the information. In January, 1945, David Greenglass, while in New York City on furlough, contacted Julius Rosenberg, and Rosenberg described to Greenglass generally how the atomic bomb worked. Greenglass subsequently learned that the atomic bomb that Rosenberg had described was the "Naval type" bomb which was later dropped on Hiroshima. At the same meeting, David Greenglass furnished to Rosenberg the names of personnel at Los Alamos whom David believed to be ideologically suited for recruitment to furnish information to the Russians.

DCR

In February, 1945, Ruth Greenglass moved to Albuquerque and had previously been told in New York City by Julius Rosenberg that she would be contacted in Albuquerque by "Anne," last name unknown, who would pick up the information from her concerning the atomic bomb to be furnished to Ruth by her husband, David. Greenglass is of the opinion that the torn portion of cardboard, which he ultimately used as a means of identifying Harry Gold, had been given to Ruth by Julius Rosenberg and that "Anne" was to have the matching piece. Ruth told David Greenglass that "Anne" was supposed to meet her in front of the Safeway store on Central Avenue, Albuquerque, New Mexico, about the latter part of May, 1945, but she did not show up. Harry Gold arrived in June and the facts concerning the meeting between Gold and Greenglass are the same as set forth in my reference memorandum to you.

Greenglass had a furlough about two months after his meeting with Gold. This furlough took place in about the Fall of 1945, at which time David Greenglass went to New York City, where he met Julius Rosenberg and furnished

RJL:DE:EAS

71 AUG 7 1950

Handwritten signatures and stamps including "RECEIVED" and "FBI" markings.

278

him with papers he had with him concerning the information which he had gathered concerning the atomic bomb. Greenglass was of the opinion that the information furnished to Rosenberg at that time was substantially as follows:

"The A bomb is made up of 36 pentagonal shaped molds. When all set together the molds formed a sphere made of high explosives with balls of plutonium in the center. Inside the plutonium is a sphere of beryllium. A plastic shield is in between the plutonium and the high explosives. The high explosive has two detonators for each high explosive segment. The detonators were connected to a number of condensers possibly about 36 or 72. The condensers are also called capacitors. The number of detonators was twice the number of molds and the number of condensers were equal in number to the number of detonators. The beryllium had a hollow center. The beryllium had a number of cone shaped holes in it, the apex of each cone being toward the periphery of the beryllium. The beryllium was gold plated which prevented it from emitting neutrons. The detonation of the high explosives causes the plutonium to be crushed or imploded and, therefore, increases the number of plutonium neutrons which are free. The beryllium also becomes crushed and the beryllium neutrons are jettied out through the cones into the mass of plutonium which sets off the chain reaction of the plutonium which results in the atomic explosion."

Greenglass is now of the opinion that he also gave Rosenberg at that time a couple of sketches of the mold which makes up the atomic bomb. He gave this information to Rosenberg in an unsealed envelope when they met on the street somewhere in New York City. Greenglass does not know whether Rosenberg looked at the information, nor does he know the disposition Rosenberg made of this information.

Rosenberg at that time attempted to persuade Greenglass to stay on his job at Los Alamos after his discharge from the Army. Greenglass states that he declined. Rosenberg furnished Greenglass with no money at that time.

During the previous interview of David Greenglass on June 16, 1950, he furnished information in a signed statement setting out that while he was on furlough from Los Alamos, his brother-in-law, Julius Rosenberg, asked to see him one evening. Greenglass said that he borrowed a 1935 Oldsmobile and traveled to the vicinity of about First Avenue, somewhere about East 42nd Street and below East 59th Street. He said that he parked the car at the curb and that Julius Rosenberg walked over to the car and told him to wait. Rosenberg came back with a man and introduced him by a first name which Greenglass does not remember. The man then got into the car and they drove around while the man asked Greenglass questions about a high explosive lens which was being experimented on at Los Alamos. Greenglass said that this furlough was either the one before he met Harry Gold in the Summer of 1945, or a furlough after that time.

Greenglass, in the interview on July 14, 1950, still is not sure as to the date of this contact.

David Greenglass was discharged from the U. S. Army on February 28, 1946, and from about that time until September, 1949, he was associated with Julius Rosenberg in business in both the G and B Engineering Company and the Pitt Machine Products Company, Inc. Through conversations with Julius Rosenberg during the latter period, he has learned that Rosenberg has contacts in upstate New York and Cleveland, Ohio, whom Greenglass believes to be espionage contacts, but he is not certain of this.

Greenglass states that when Fuchs was arrested in England about February, 1950, Rosenberg told him to get out of the country. Greenglass declined to do so. When Harry Gold was arrested in May, 1950, Rosenberg came to David Greenglass and pointed out Gold's picture in the paper and said, "That is the man who contacted you in Albuquerque and you must get out of the country." Rosenberg gave Greenglass \$500 for this purpose at this time, which Greenglass stated was insufficient. A few days later, on Sunday, May 28, 1950, Rosenberg came to Greenglass and gave him \$4,000 in twenty-dollar bills and told him to leave the country by June 11, 1950. He also instructed Greenglass as to the details in traveling to Mexico where he would obtain a passport in a surreptitious manner and funds for traveling to either Switzerland or Sweden, where further arrangements would be made for him to travel to Czechoslovakia, where he was to report in writing as to his arrival to the Soviet Embassy there.

Rosenberg told Greenglass that more important people than Greenglass had already left the country and mentioned that he, Rosenberg, intended to leave the United States. Rosenberg also said that Greenglass would see several acquaintances upon his arrival in Czechoslovakia. Greenglass indicated to Rosenberg that he would leave the country, but Greenglass states that he and his wife planned to go to the mountains in New York State until Rosenberg had left the United States. Greenglass said he then intended to return to New York City. Greenglass states that he assumes Rosenberg has been unable to leave the United States because he is under surveillance by the FBI.

Greenglass said that the "Anne" who was supposed to contact Ruth Greenglass in Albuquerque is either married to or living with one "Mike," whose last name he does not know. Greenglass furnished a description of this individual. Greenglass states that he saw "Mike" in the Summer of 1948, at which time "Mike" was attempting to contact Rosenberg. Greenglass has gathered through conversations with Rosenberg that Rosenberg was renting two apartments in New York City, one in Greenwich Village and the other in the vicinity of 12th Street and Avenue B, both of which were used only for microfilm work and were not tenanted. Greenglass states that when he was discharged from the Army in 1946, Rosenberg wanted him to live in the 12th Street and Avenue B apartment, which he said was furnished. Greenglass declined and did not see the apartment.

Greenglass said that the \$4,000 furnished to him by Rosenberg was hidden by him high up in the flue of the fireplace in the bedroom of his apartment in a position where it could not be seen from below and was attached to the flue with scotch tape. He said that his wife gave this \$4,000 to his attorney, Mr. G. John Rogge, as a fee for Greenglass' defense. He states that Mr. Rogge did not know the source of the money. In this connection, Ruth Greenglass states that she, prior to going to the hospital because of the injury to her leg, took this money from the hiding place and gave it to the attorney, Mr. Louis Abel, who later turned the money over to Mr. Rogge. It is to be noted that Ruth Greenglass reportedly removed the money from its hiding place prior to David Greenglass' arrest.

In the interview with Ruth Greenglass she said that in November, 1944, prior to her departure for New Mexico to visit her husband, Rosenberg in the presence of his wife, Ethel Rosenberg, advised her that she might have noticed that he and his wife in recent months had not been attending Communist Party meetings or any functions that had a "Red" tinge to them. He also said that Ethel had not been buying the "Daily Worker" at the usual newsstand. He explained that he and his wife had discontinued their open affiliations with the Communist Party. Rosenberg said that he always wanted to do more than merely be in the Communist Party and that he had searched for two years to place himself in contact with the "Russian underground" in order to do the work which he felt that he was slated for. He said that he had wanted to do something to directly help the Soviet Union. Rosenberg told her that her husband, David, was working at the place where the atomic bomb was being made and that the bomb was more dangerous than any weapon that had ever been used. Rosenberg told her that there were radiation effects from the bomb.

Rosenberg asked her when she visited her husband in Albuquerque, New Mexico, to ask him if he would make scientific information available to the Russians. He said that the Russians were working on the same thing and that there was not a free exchange of information between the Allies. Rosenberg felt that the Soviet Union should be on an equal plane with the other Allies as far as this atomic information was concerned. Rosenberg indicated to Ruth Greenglass that he had asked some unidentified person for this type of information and had been turned down.

When Ruth Greenglass was reluctant to do what Rosenberg asked of her, Ethel Rosenberg told Ruth that she should at least ask her husband, David, if he would furnish this type of information. Ruth Greenglass said that she was finally persuaded by the Rosenbergs to ask David about the matter. Rosenberg contacted Ruth Greenglass again prior to her departure for Albuquerque and gave her about \$150 to help pay her expenses.

Ruth Greenglass traveled by train to Albuquerque and stayed at the El Fidel Hotel, having previously made telegraphic reservations. David Greenglass arrived there about November 28, 1944. They spent their second wedding

anniversary together on November 29, 1944. Ruth Greenglass states that just prior to her departure for New York she told David Greenglass what Rosenberg told her about David's work and his request. Greenglass did not give her an immediate answer, but on the following day stated he thought he would do it and that he would discuss it with Rosenberg when he came to New York City on his expected furlough. Her husband told her about the physical setup of the Los Alamos installation and gave her the names of certain people who were working there at that time, among whom she recalls were Dr. Oppenheimer and Dr. Urey.

When Ruth Greenglass returned to New York City, Julius Rosenberg contacted her at her home and she told him that her husband was agreeable and she also furnished him with the aforementioned names and information. About a month later, David Greenglass returned to New York City on furlough and one night Ruth Greenglass and her husband went to the Rosenberg's apartment at 10 Monroe Street, New York City, where Rosenberg's wife, Ethel, and an unidentified woman, "Anne," were present. Ruth Greenglass states at that time "Anne" lived with her husband "Mike" in Chappaqua, New York, and that they were old friends of the Rosenbergs.

A short time later that evening, "Anne" left the Rosenbergs and Julius Rosenberg cut a Jello box top in half in an irregular manner, one-half of which he gave to David and he said he would give the other half to "Anne" who would come out to New Mexico to see David and to get the information from him. Ruth Greenglass said she believes "Anne" and "Mike" are presently living with their one child in Ohio. Ruth stated that some days later, Julius Rosenberg came to her house and arranged for David Greenglass to meet him, together with an unidentified man. A day or so later, Rosenberg came to her house again and they left together. David Greenglass returned about two hours later and told her he had met someone whom he had not been able to see too clearly. Rosenberg introduced the man to David, but she did not think that Rosenberg told David the man's name.

David Greenglass returned to New Mexico after this furlough and in March, 1945, Ruth Greenglass went to Albuquerque to live. One Sunday morning in June, 1945, a man came to their apartment on High Street, Albuquerque, and said he was Dave from Pittsburgh. This man gave Greenglass the matching half of the Jello top. He told David what he wanted and David wrote the requested information down and told him to return later. The man returned later the same day, at which time David gave him some written information and David received a sealed envelope from him. After the man's departure, they learned that the envelope contained \$500 in cash. Ruth Greenglass claims that they did not expect money and she thought it made David feel unclean to receive it. She recalls that David and the unknown man discussed lenses and high-speed cameras. The man indicated that he might return at a later date and he wanted to receive information along the same line as David had given him. He also wanted to know the names of persons at Los Alamos who were inclined to be "leftists." Ruth thinks that David may have furnished him with these names.

Ruth Greenglass was shown a full face and profile photograph of Harry Gold. She stated that she recognized the picture as being a photograph of Harry Gold which she had seen in the newspapers and that Rosenberg had advised both her and David that Harry Gold was the man who had contacted them at Albuquerque. She claims that she cannot positively identify the photograph of Gold, saying that it looks somewhat like their contact, but that the unknown man was much younger and was not as heavy. She said that the profile photograph more closely resembled their Albuquerque contact.

Ruth Greenglass states that Julius Rosenberg maintains an apartment at an unknown address located in the vicinity of 12th Street and Avenue B in New York City, where he does microfilm work. She furnished descriptive information concerning the persons she had mentioned previously under the names of "Anne" and "Mike." An investigation is being undertaken to locate and identify "Anne" and "Mike."

You will note that in the above there are certain inconsistencies between the information provided by David Greenglass as compared to the information provided by Ruth Greenglass. It is contemplated that additional interviews will be conducted with both of these persons in order to resolve these inconsistencies and to obtain further information.

On the basis of the foregoing information, you are requested to advise as to whether it will be possible to immediately undertake prosecutive action against Julius Rosenberg for conspiring to violate the Espionage Statute (Section 34, Title 50). As you are aware, the Statute of Limitations on the offense will not have run in view of the fact that the espionage occurred during wartime. It is suggested that the venue will probably most logically be in the Southern District of New York. It is suggested that if you authorize prosecutive action against Julius Rosenberg, that a complaint be filed at the earliest possible time, bearing in mind his reported plans to leave this country. You are requested to consider and advise us as to whether there is sufficient evidence available on which to institute prosecutive action against Ethel Rosenberg.

You are also requested to advise as to whether you believe on the basis of the information provided by Ruth and David Greenglass there are sufficient facts on which to obtain a search warrant in the event we are successful in locating the apartments in New York City which Ruth and David Greenglass allege are used for microfilm work in connection with Julius Rosenberg's activity as a Soviet espionage agent.

CONF WASH 14 PHILA 2 FROM NEW YORK 15 107 P
DIRECTOR AND SAC URGENT

ALL INFORMATION CONTAINED
HEREIN IS UNCLASSIFIED
DATE 7/14/96 BY 3042 PWT/AB/there

JULIUS ROSENBERG, ESPIONAGE - R. RUTH GREENGLASS INTERVIEWED IN NY OFFICE TODAY. SHE ADVISED THAT WHEN FUCHS WAS ARRESTED THAT JULIUS ROSENBERG CAME TO THE GREENGLASS APARTMENT AND SAID THAT HE WAS GOING TO SEE QUOTE HIS BOYS UNQUOTE, SO THAT THEY WOULD BE TIDED OVER FINANCIALLY. HE SAID THAT THE MAN WHO HAD CONTACTED THEM IN ALBUQUERQUE WOULD BE PICKED UP NEXT, AND THAT QUOTE THEY UNQUOTE WERE GOING TO CONTACT THIS MAN TO TELL HIM TO KEEP QUIET. ON MAY TWENTY-THREE LAST, ROSENBERG CAME TO SEE THE GREENGLASS APARTMENT WITH A COPY OF THE NEW YORK HERALD - TRIBUNE, IN WHICH A PHOTOGRAPH OF GOLD APPEARED. ROSENBERG TOLD GREENGLASS THAT GOLD WAS THE MAN WHO CONTACTED THEM IN ALBUQUERQUE. HE TOLD THEM THAT THEY HAD TO LEAVE THE COUNTRY BECAUSE SOMETIME BETWEEN JUNE TWELVE AND SIXTEEN LAST, SOMETHING WOULD HAPPEN TO THEM. ROSENBERG WANTED DAVID AND RUTH TO TAKE THEIR CHILDREN WITH THEM TO THE SOVIET UNION. ROSENBERG WAS GOING TO GET US PASSPORTS FOR THE GREENGLASSES. ROSENBERG SAID QUOTE MY FRIEND TELLS ME BEFORE YOU GET A PASSPORT YOU HAVE TO GET INJECTED AGAINST SMALLPOX. UNQUOTE.

PAGE TWO

ROSENBERG WANTED THEM TO GET A DOCTOR TO GIVE A FALSE LETTER CONCERNING SUCH A SMALLPOX INNOCULATION. THE GREENGLASSES REFUSED TO DO THIS.

ROSENBERG TOLD THEM HE WOULD GET HIS DOCTOR TO PREPARE SUCH A LETTER FOR HIMSELF AND THE GREENGLASSES. ROSENBERG TOLD THEM THEY SHOULD LEAVE EVERYTHING IN THEIR HOUSE AND JUST TAKE THEIR CLOTHING AND GO TO MEXICO CITY, WHERE THEY COULD RENT A HOUSE AND AFTER ONE MONTH WRITE TO THE SOVIET CONSULATE, USING A NAME WHICH SHE DOES NOT RECALL, AND ABOUT THREE DAYS LATER, THEY WOULD MEET SOME ONE IN FRONT OF A STATUE IN A PARK. THEN, THEY WOULD TRAVEL BY BOAT TO EUROPE, AND GO TO BERNE, SWITZERLAND OR SOME OTHER CITY IN EUROPE, WHERE THEY WOULD CONTACT A SOVIET CONSULATE BY LETTER AND THREE DAYS LATER MEET SOMEONE

IN FRONT OF A STATUE IN A PARK. AT THIS TIME ROSENBERG GAVE THE GREENGLASSES ONE THOUSAND DOLLARS IN CASH, CONSISTING OF OLD TEN AND TWENTY DOLLAR BILLS. ABOUT JUNE SECOND LAST, ROSENBERG RETURNED TO THE GREENGLASSES APARTMENT AND GAVE THEM FOUR THOUSAND DOLLARS IN OLD TEN AND TWENTY BILLS. HE PROMISED THEM AN ADDITIONAL TWO THOUSAND WHICH HE HAS NOT PAID THEM. RUTH GREENGLASS SAID THAT A COUPLE OF DAYS BEFORE SHE WENT TO THE HOSPITAL ON JUNE THIRTEENTH LAST THAT SHE GAVE HER BROTHER-IN-LAW, LOUIS ABEL, A SEALED ENVELOPE CONTAINING THE FOUR THOUSAND DOLLARS WITH INSTRUCTIONS TO ABEL TO HOLD THE ENVELOPE WHICH HE WAS TOLD CONTAINED MONEY FOR THEM, UNTIL A LATER TIME WHEN THEY MIGHT NEED IT. SHE SAID BEFORE THEY GAVE THE FOUR THOUSANDS

END PAGE TWO

PAGE THREE

TO ABEL THAT THEY HAD HIDDEN THE ENVELOPE IN THE FIREPLACE, IN HER BEDROOM, AND USED SCOTCH TAPE TO FASTEN IT TO THE CHIMNEY WALL. SHE WAS RELUCTANT TO FURNISH THIS INFORMATION, FOR FEAR OF INVOLVING HER BROTHER -IN-LAW. SHE SAID THAT WHEN THE AGENTS SEARCHED HER APARTMENT ON JUNE FIFTEENTH LAST THAT THE FOUR THOUSAND DOLLARS WAS NOT IN HER APARTMENT. AT EIGHT THIRTY A.M., ON JUNE SIXTEENTH LAST, ABEL CAME TO THE GOUVERNEUR HOSPITAL, NYC, AND TOLD HER THAT DAVID WAS IN THE CUSTODY OF THE BUREAU, AND WANTED O. JOHN ROGGE TO BE HIS ATTORNEY. RUTH SAID SHE THEN TOLD ABEL TO TAKE THE MONEY IN THE ENVELOPE AND GIVE IT TO DAVID-S ATTORNEY, O. JOHN ROGGE. RUTH SAID THAT FIVE HUNDRED DOLLARS OF THE ONE THOUSAND DOLLARS WAS DEPOSITED IN A SPECIAL CHECKING ACCOUNT OF THE MANUFACTURES TRUST COMPANY, LOCATED AT GRAND AND NORFOLK STREETS, NYC, AND THE BALANCE WAS USED TO PAY DEBTS AND LIVING EXPENSES. SHE SAID THAT THE FIVE HUNDRED DOLLARS GIVEN THEM IN JUNE NINETEEN FORTY-FIVE WAS PUT IN A SAFE DEPOSIT BOX IN A BANK IN ALBUQUERQUE, AND WITHDRAWN AS THEIR NEEDS REQUIRED IT. RUTH GREENGLASS STATED THAT SHE BELIEVES THAT ROSENBERG HAS BEEN SUPPLYING FUNDS TO YOUNG PEOPLE WHOM SHE CANNOT IDENTIFY TO SEND THEM TO COLLEGES TO OBTAINING ENGINEERING AND SCIENCE DEGREES. ROSENBERG EXPRESSED THE OPINION THAT IF THEY GET ENOUGH TRAINED EXPERTS PLACED IN IMPORTANT JOBS THAT EVENTUALLY THEY WILL BE HELPFUL TO THE RUSSIAN GOVT. WHEN DAVID CAME OUT OF THE ARMY, ROSENBERG PROPOSED TO PAY HIS TUITION AND SUBSISTENCE TO SEND NIM TO THE UNIVERSITY OF CALIF., BERKELEY, CALIF., BUT DAVID DID NOT ACCEPT THE OFFER. RUTH BELIEVES ROSENBERG HAS STUDENTS AT MIT, STEVENS INSTITUTE OF

END PAGE THREE

TECHNOLOGY, COLUMBIA UNIVERSITY, SYRACUSE UNIVERSITY, AND IN THE CITY OF ROCHESTER. RUTH SAID THAT AFTER DAVID AND ROSENBERG WERE IN BUSINESS TOGETHER FOR ABOUT TWO YEARS THAT JULIUS OFFERED THEM THE USE OF AN APARTMENT LOCATED IN THE VICINITY OF TWELFTH ST. AND AVENUE B, NYC. SHE BELIEVES THIS APARTMENT WAS FURNISHED. ROSENBERG BOUGHT A CAMERA AT WILLOUGHBY-S AND HE USED MICROFILM IN THE CAMERA FOR PHOTO COPY WORK. HE ALSO HAD RIGGED UP AN ATTACHMENT FOR THE CAMERA TO BE FITTED ON THE BOTTOM OF A DROPLEAF TABLE IN THE APARTMENT. RUTH THINKS THAT ROSENBERG DEVELOPS HIS OWN FILM. SHE ALSO KNOWS THAT HE HAS ANOTHER APARTMENT IN THE GREENWICH VILLAGE SECTION OF NYC., THE EXACT LOCATION OF WHICH SHE DOES NOT KNOW. SHE UNDERSTOOD FROM ROSENBERG-S REMARKS THAT ROSENBERG USED THE APARTMENTS FOR MEETING PEOPLE, PHOTO COPYING, AND TYPING. SHE FURTHER UNDERSTANDS THAT ROSENBERG HAS A SYSTEM OF OBTAINING FUNDS IN WHICH THE BAGGAGE LOCKERS AT GRAND CENTRAL RAILROAD STATION ARE UTILIZED. SHE CAN FURNISH NO SPECIFIC INFO RE THIS. RUTH UNDERSTANDS THAT ROSENBERG HAS PERSONAL MEETINGS WITH AN UNKNOWN PERSON OR PERSONS IN WESTCHESTER COUNTY, NY, AND THAT ROSENBERG WALKS IN THE WOODS WHEN HE MAKES HIS CONTACTS. RUTH SAID THAT JOEL BARR USED TO VISIT JULIUS AND ETHEL ROSENBERG YEARS AGO AND THAT BARR WENT TO EUROPE UNDER THE PRETEXT OF STUDYING MUSIC. SHE BELIEVES THAT HE TRAVELS EXTENSIVELY. SHE THOUGHT BARR WENT TO FINLAND ABOUT A YEAR OR TWO AGO. EXAMINATION OF THE NEIGHBORHOOD IN THE VICINITY OF TWELFTH ST. AND AVENUE B, NYC, WITHOUT MAKING ANY NEIGHBORHOOD INQUIRIES, INDICATES THE POSSIBILITY THAT THE APARTMENT REFERRED TO BY RUTH GREENGLASS IS LOCATED AT ONE EIGHT FIVE AVENUE C BETWEEN ELEVENTH AND

END PAGEFOUR

PAGE FIVE

TWELF STS. IN A SIX- STOREY ELEVATOR APARTMENT BUILDING. APPROPRIATE INVESTIGATION WILL BE MADE AT THIS ADDRESS. RUTH GREENGLASS WILL NOT BE AVAILABLE FOR REINTERVIEW UNTIL ABOUT ONE THIRTY P.M., JULY SEVENTEEN NEXT, BECAUSE OF FAMILY OBLIGATIONS. RUTH ADVISES THAT NO ONE OTHER THAN ROGGE AND HIS ASSOCIATES ARE AWARE THAT SHE AND DAVID ARE COOPERATING WITH THIS OFFICE. THE INVESTIGATIVE FILES OF THE VALB ARE BEING REVIEWED BY THIS OFFICE FOR LOGICAL LEADS. THE RECORDS OF BKLYN. POLYTECH WILL BE CHECKED ON MON. MORNING. CONSIDERATION IS BEING GIVEN TO THE POSSIBILITY THAT ANNE BLUM, SISTER OF WILLIAM PERL, IS IDENTICAL WITH QUOTE ANNE UNQUOTE PREVIOUSLY DESCRIBED BY DAVID AND RUTH GREENGLASS. ALBANY REQUESTED FORWARD PHOTO OF AL SARANT AS SOON AS CAN BE DISCREETLY OBTAINED COPIES INSTANT TEL FORWARDED SD ALBUQUERQUE, CLEVELAND, AND ALBANY.

JULIUS ROSENBERG, ESP - R. IN INTERVIEW FOURTEENTH INSTANT DAVID GREENGLASS FURNISHED THE FOLLOWING INFORMATION. IN NOVEMBER, 1944 JULIUS ROSENBERG ASKED RUTH GREENGLASS TO GO TO ALBUQUERQUE, NEW MEXICO, TO ASK DAVID GREENGLASS TO FURNISH INFORMATION CONCERNING THE ATOM BOMB. RUTH GREENGLASS CONTACTED DAVID ABOUT NOVEMBER TWENTYNINE, 1944, AT ALBUQUERQUE AND DAVID AGREED TO FURNISH THE INFORMATION. IN JANUARY, 1945 DAVID GREENGLASS, WHILE IN NYC ON FURLOUGH CONTACTED JULIUS ROSENBERG AND ROSENBERG DESCRIBED TO HIM GENERALLY HOW THE A BOMB WORKS. GREENGLASS SUBSEQUENTLY LEARNED THAT THE A BOMB ROSENBERG HAD DESCRIBED WAS THE NAVAL TYPE A BOMB WHICH WAS LATER DROPPED ON HIROSHIMA. AT THE SAME MEETING DAVID GREENGLASS FURNISHED TO ROSENBERG THE NAMES OF PERSONNEL AT LOS ALAMOS WHOM DAVID BELIEVED TO BE IDEOLOGICALLY SUITED FOR RECRUITMENT TO FURNISH INFORMATION FOR THE RUSSIANS. IN FEBRUARY, 1945, RUTH GREENGLASS MOVED TO ALBUQUERQUE AND HAD BEEN PREVIOUSLY TOLD IN NYC BY JULIUS ROSENBERG THAT SHE WOULD BE CONTACTED IN ALBUQUERQUE BY ANNE, LAST NAME UNKNOWN, WHO WOULD PICK UP THE INFORMATION FROM HER CONCERNING THE A BOMB TO BE FURNISHED TO RUTH BY DAVID GREENGLASS. DAVID IS OF THE OPINION THAT THE TORN PORTION OF CARDBOARD WHICH HE ULTIMATELY USED AS A MEANS OF IDENTIFICATION OF GOLD HAD BEEN GIVEN TO RUTH BY JULIUS ROSENBERG AND THAT ANNE WAS TO HAVE THE MATCHING PIECE. RUTH TOLD DAVID THAT ANNE WAS SUPPOSED TO MEET HER IN FRONT OF THE SAFEWAY STORE ON CENTRAL AVENUE, ALBUQUERQUE, NEW MEXICO, ABOUT THE LATTER PART OF MAY, 1945, BUT SHE DID NOT SHOW UP. GOLD ARRIVED IN JUNE AND THE FACTS CONCERNING THE GOLD MEETING ARE THE SAME AS SET FORTH IN GREENGLASS SIGNED STATEMENT DATED JUNE FIFTEEN, 1950, WHICH IS SET FORTH IN FULL IN REPORT OF SA JOHN W. LEWIS, JUNE TWENTYSIX, 1950, AT NEW YORK, ENTITLED DAVID GREENGLASS, WAS, ESP - R. GREENGLASS HAD A FURLOUGH

TWO MONTHS AFTER HIS MEETING WITH GOLD. THIS FURLOUGH WAS ABOUT THE FALL OF 1945 AT WHICH TIME DAVID WENT TO NYC WHERE HE MET JULIUS ROSENBERG AND FURNISHED HIM WITH PAPERS HE HAD WRITTEN CONCERNING THE INFORMATION HE HAD GATHERED ABOUT THE A BOMB. GREENGLASS WAS OF THE OPINION THAT THE INFORMATION FURNISHED TO ROSENBERG AT THAT TIME IS SUBSTANTIALLY AS FOLLOWS....QUOTE THE A BOMB IS MADE UP OF 36 PENTAGONAL SHAPED MOLDS. WHEN ALL SET TOGETHER THE MOLDS FORMED A SPHERE MADE OF HIGH EXPLOSIVES WITH BALLS OF PLUTONIUM IN THE CENTER. OF INSIDE THE PLUTONIUM IS A SPHERE OF BERYLLIUM. A PLASTIC SHIELD IS IN BETWEEN THE PLUTONIUM AND THE HIGH EXPLOSIVES. THE HIGH EXPLOSIVE HAS TWO DETONATORS FOR EACH HIGH EXPLOSIVE SEGMENT. THE DETONATORS WERE CONNECTED TO A NUMBER OF CONDENSERS POSSIBLY ABOUT QUOTE 36 OR 72 UNQUOTE. THE CONDENSERS ARE ALSO CALLED CAPACITATORS. THE NUMBER OF DETONATORS WAS TWICE THE NUMBER OF MOLDS AND THE NUMBER OF CONDENSERS WERE EQUAL IN NUMBER TO THE NUMBER OF DETONATORS. THE BERYLLIUM HAD A HOLLOW CENTER. THE BERYLLIUM HAD A NUMBER OF CONE SHAPED HOLES IN IT, THE APEX OF EACH CONE BEING TOWARD THE PERIPHERY OF THE BERYLLIUM. THE BERYLLIUM WAS GOLD PLATED WHICH PREVENTED IT FROM EMITTING NEUTRONS. THE DETONATION OF THE HIGH EXPLOSIVES CAUSES THE PLUTONIUM TO BE CRUSHED OR IMPLoded AND THEREFORE INCREASES THE NUMBER OF PLUTONIUM NEUTRONS WHICH ARE FREE. THE BERYLLIUM ALSO BECOMES CRUSHED AND THE BERYLLIUM NEUTRONS ARE JETTED OUT THROUGH THE CONES INTO THE MASS OF PLUTONIUM WHICH SETS OFF THE CHAIN REACTION OF THE PLUTONIUM WHICH RESULTS IN THE ATOMIC EXPLOSION UNQUOTE. GREENGLASS IS OF THE OPINION THAT HE ALSO GAVE ROSENBERG AT THAT TIME A COUPLE OF SKETCHES OF THE MOLD WHICH MAKES UP THE A BOMB. HE GAVE THIS INFORMATION TO ROSENBERG IN AN UNSEALED ENVELOPE WHEN THEY MET ON THE STREET SOMEWHERE IN NYC. GREENGLASS DOES NOT KNOW WHETHER ROSENBERG LOOKED AT THE INFORMATION, NOR DOES HE KNOW WHAT DISPOSITION ROSENBERG MADE OF IT. ROSENBERG AT THAT TIME ATTEMPTED TO PERSUADE

GREENGLASS TO STAY ON HIS JOB AT LOS ALAMOS AFTER HIS DISCHARGE FROM THE ARMY. GREENGLASS DECLINED. ROSENBERG FURNISHED GREENGLASS WITH NO MONEY AT THAT TIME. GREENGLASS IS OF THE OPINION THAT THE CONTACT WITH THE UNKNOWN MAN IN NYC ARRANGED BY JULIUS ROSENBERG MAY HAVE BEEN MADE DURING THIS FURLOUGH OR POSSIBLY DURING THE JANUARY FURLOUGH IN 1945. FULL DETAILS OF THAT CONTACT ARE SET FORTH IN THE GREENGLASS SIGNED STATEMENT DATED JUNE 16, 1950, AND IS SET FORTH IN FULL IN THE REPORT OF JOHN W. LEWIS JUNE 26, 1950, NEW YORK, ENTITLED DAVID GREENGLASS WAS., ESP - R. DAVID GREENGLASS WAS DISCHARGED FROM THE ARMY FEBRUARY 28, 1946, AND FROM ABOUT THAT TIME UNTIL SEPTEMBER, 1949, WAS ASSOCIATED WITH JULIUS ROSENBERG IN BUSINESS IN BOTH THE G AND R ENGINEERING COMPANY AND THE PITT MACHINE PRODUCTS COMPANY, INC. THROUGH CONVERSATIONS WITH JULIUS ROSENBERG DURING THE LATTER PERIOD, HE HAS LEARNED THAT ROSENBERG HAS CONTACTS IN UPSTATE NEW YORK AND CLEVELAND, OHIO, WHOM GREENGLASS BELIEVES TO BE ESPIONAGE CONTACTS BUT CANNOT BE CERTAIN. GREENGLASS STATES THAT WHEN FUCHS WAS CAUGHT IN ENGLAND ABOUT FEBRUARY 1950 ROSENBERG TOLD HIM TO GET OUT OF THE COUNTRY. GREENGLASS DECLINED TO DO SO. WHEN HARRY GOLD WAS ARRESTED IN MAY, 1950 ROSENBERG CAME TO DAVID AND POINTED OUT GOLD'S PICTURE IN THE PAPER AND SAID THAT IS THE MAN WHO CONTACTED YOU IN ALBUQUERQUE AND YOU MUST GET OUT OF THE COUNTRY. ROSENBERG GAVE GREENGLASS FIVE HUNDRED DOLLARS FOR THIS PURPOSE AT THIS TIME WHICH GREENGLASS STATED WAS INSUFFICIENT. A FEW DAYS LATER ON SUNDAY, MAY 28, 1950 ROSENBERG CAME TO GREENGLASS AND GAVE HIM FOUR THOUSAND DOLLARS IN TWENTYDOLLAR BILLS AND TOLD HIM TO LEAVE THE COUNTRY BY JUNE ELEVEN, 1950. HE ALSO INSTRUCTED GREENGLASS AS TO THE DETAILS IN TRAVELLING TO MEXICO WHERE HE WOULD OBTAIN A PASSPORT IN A SURREPTITIOUS MANNER AND FUNDS FOR TRAVELLING TO EITHER SWITZERLAND OR SWEDEN WHERE FURTHER ARRANGEMENTS WOULD BE MADE FOR HIM TO TRAVEL TO CZECHOSLOVAKIA WHERE HE WAS TO REPORT

IN WRITING AS TO HIS ARRIVAL TO THE SOVIET EMBASSY THERE. ROSENBERG TOLD GREENGLASS THAT MORE IMPORTANT PEOPLE THAN HE HAD ALREADY LEFT THE COUNTRY, THAT JOEL BARR HAD LEFT THE US AND THAT HE, JULIUS ROSENBERG, WOULD LEAVE THE US. JULIUS ROSENBERG ALSO SAID THAT GREENGLASS WOULD SEE SEVERAL ACQUAINTANCES UPON HIS ARRIVAL IN CZECHSLOVAKIA. GREENGLASS INDICATED TO JULIUS ROSENBERG THAT HE WOULD LEAVE THE COUNTRY BUT GREENGLASS SAID HE AND RUTH PLANNED TO GO TO THE MOUNTAINS IN MY STATE UNTIL ROSENBERG HAD LEFT THE US. GREENGLASS SAID HE THEN INTENDED TO RETURN TO NYC. GREENGLASS SAID THAT HE ASSUMES ROSENBERG HAS BEEN UNABLE TO LEAVE THE US BECAUSE HE IS UNDER SURVEILLANCE BY THE FBI. DAVID GREENGLASS SAID THAT THE ANNE WHO WAS SUPPOSED TO CONTACT RUTH IN ALBUQUERQUE IS EITHER MARRIED TO OR LIVING WITH ONE MIKE, LAST NAME UNKNOWN. MIKE IS DESCRIBED AS FOLLOWS. WHITE, MALE, EIGHT FIVE FEET EIGHT INCHES TO FIVE FEET NINE INCHES, WEIGHT ONE HUNDRED AND EIGHTYFIVE TO ONE HUNDRED NINETY POUNDS, BUILD HEAVY, MUSCULAR, SOLID, HAIR BLACK, BALD IN CENTER, WEARS GLASSES, DARK RIMS, ROUND HEAD MUSCULAR JAW, SMOKES PIPE, TALKS WITH PIPE IN MOUTH, COMPLEXION RUDDY, GOOD TEETH, BORN IN US OF RUSSIAN OR UKRANIAN ANCESTRY. HEAVY BEARD. WAS FRESHMAN IN DAY SCHOOL OF BROOKLYN POLYTECH INSTITUTE, ONE NINE THREE NINE. BELIEVED TO BE A GRADUATE ENGINEER. RELIGION POSSIBLY RUSSIAN ORTHODOX. BELIEVED TO BE EMPLOYED BY GIBBS AND COX, CLEVELAND, OHIO, IN 1948. GREENGLASS SAW MIKE IN SUMMER OF 1948 AT WHICH TIME WAS ATTEMPTING TO CONTACT ROSENBERG. GREENGLASS BELIEVED MIKE HAS TWO CHILDREN BY ANNE. GREENGLASS HAS GATHERED THROUGH CONVERSATIONS WITH ROSENBERG THAT ROSENBERG WAS RENTING TWO APARTMENTS IN NYC, ONE IN GREENWICH VILLAGE AND ONE IN THE VICINITY OF TWELFTH STREET AND AVENUE B BOTH OF WHICH WERE USED ONLY FOR MICROFILM WORK AND WERE NOT TENANTED. WHEN GREENGLASS WAS DISCHARGED FROM THE ARMY IN 1946 ROSENBERG WANTED GREENGLASS TO LIVE IN THE TWELFTH ST AND AVENUE B APARTMENT WHICH HE SAID WAS FURNISHED. GREENGLASS

DECLINED AND DID NOT SEE THE APARTMENT. GREENGLASS SAID THAT THE FOUR THOUSAND MENTIONED ABOVE WAS HIDDEN BY HIM HIGH UP IN THE FLUE OF THE FIREPLACE IN THE BEDROOM OF HIS APARTMENT IN A POSITION WHERE IT COULD NOT BE SEEN FROM BELOW AND WAS ATTACHED TO THE FLUE WITH SCOTCH TAPE. HE SAID THAT HIS WIFE GAVE THIS FOUR THOUSAND TO HIS ATTORNEY O. JOHN ROGGE AS A FEE FOR GREENGLASS'S DEFENSE. ROGGE DOES NOT KNOW THE SOURCE OF THE MONEY. RUTH GREENGLASS INTERVIEWED TODAY AT NYO. SHE STATED THAT IN NOVEMBER FOURTYFOUR, PRIOR TO HER DEPARTURE FOR NEW MEXICO TO VISIT HER HUSBAND, DAVID, THAT THE SUBJECT IN THE PRESENCE OF HIS WIFE, ETHEL ROSENBERG, ADVISED RUTH THAT SHE MAY HAVE NOTICED THAT HE AND ETHEL IN RECENT MONTHS HAD NOT BEEN ATTENDING CP MEETINGS OR ANY FUNCTIONS THAT HAD A QUOTE RED UNQUOTE TINGE TO THEM. ALSO THAT ETHEL HAD NOT BEEN BUYING THE QUOTE DAILY WORKER UNQUOTE AT HE USUAL NEWSSTAND. IN EXPLAINING WHY HE AND ETHEL HAD DISCONTINUED THEIR OPEN AFFILIATIONS WITH CP, JULIUS SAID THAT HE ALWAYS WANTED TO DO MORE THAN BE IN THE CP AND HE HAD SEARCHED FOR TWO YEARS TO PLACE HIMSELF IN CONTACT WITH WHAT RUTH GREENGLASS DESCRIBED AS A QUOTE RUSSIAN UNDERGROUND UNQUOTE, SO THAT JULIUS COULD DO THE WORK THAT HE FELT THAT HE WAS SLATED FOR. HE WANTED TO DO SOMETHING TO DIRECTLY HELP RUSSIA AND IT TOOK HIM TWO YEARS TO FIND THE GROUP THROUGH WHICH THIS HELP WOULD BE EFFECTED. SHE SAID THAT JULIUS TOLD HER THAT HER HUSBAND, DAVID, WAS WORKING AT THE PLACE WHERE THE ATOM BOMB WAS BEING MADE AND THAT THE BOMB WAS MORE DANGEROUS THAN ANY WEAPON THAT HAD EVER BEEN USED. JULIUS TOLD HER THAT THERE WERE RADIATION EFFECTS FROM THE BOMB. JULIUS ASKED RUTH THAT WHEN SHE VISITED DAVID IN ALBUQUERQUE, NEW MEXICO, TO ASK HIM IF HE WOULD MAKE SCIENTIFIC INFORMATION AVAILABLE TO THE RUSSIANS, THAT THE RUSSIANS WERE WORKING ON THE SAME THING AND THAT THERE WAS NOT A FREE EXCHANGE OF INFORMATION BETWEEN THE ALLIES. JULIUS FELT THAT RUSSIA SHOULD BE ON AN EQUAL PLANE WITH THE OTHER ALLIES AS FAR AS THIS ATOMIC INFORMATION WAS CONCERNED. JULIUS INDICATED TO RUTH THAT HE HAD

ASKED SOME UNIDENTIFIED PERSON FOR THIS TYPE OF INFORMATION AND HAD BEEN TURNED DOWN. WHEN RUTH WAS RELUCTANT TO DO WHAT JULIUS ASKED OF HER, THEN ETHEL TOLD RUTH THAT SHE SHOULD AT LEAST ASK HER HUSBAND, DAVID, IF HE WOULD FURNISH THIS TYPE OF INFORMATION. RUTH SAID SHE WAS FINALLY PERSUADED BY JULIUS AND ETHEL TO ASK DAVID IF HE WOULD DO WHAT JULIUS WANTED.

JULIUS CONTACTED RUTH AGAIN PRIOR TO HER DEPARTURE FOR ALBUQUERQUE, NEW MEXICO, AND HE GAVE HER ABOUT ONE HUNDRED FIFTY DOLLARS TO HELP PAY HER EXPENSES. RUTH TRAVELLED BY TRAIN TO ALBUQUERQUE AND STAYED AT THE EL FIDEL HOTEL HAVING PREVIOUSLY MADE TELEGRAPHIC RESERVATIONS. DAVID ARRIVED THERE ABOUT NOVEMBER 28, 1944. THEY SPENT THEIR SECOND WEDDING ANNIVERSARY TOGETHER ON NOVEMBER TWENTYNINE, FORTYFOUR. RUTH STATED THAT JUST PRIOR TO HER DEPARTURE FOR NY, SHE TOLD DAVID WHAT JULIUS TOLD HER ABOUT DAVID-S WORK AND HIS REQUEST. DAVID DID NOT GIVE HER AN IMMEDIATE ANSWER. THE FOLLOWING DAY DAVID SAID HE THOUGHT HE WOULD DO IT AND THAT HE WOULD DISCUSS IT WITH JULIUS WHEN HE CAME TO NY ON HIS EXPECTED FURLOUGH. DAVID TOLD HER ABOUT THE PHYSICAL SETUP OF THE LOS ALAMOS INSTALLATION AND GAVE HER THE NAMES OF CERTAIN PEOPLE WHO WERE WORKING THERE AT THE TIME, AMONG WHOM AS SHE NOW RECALLS, WERE OPPENHEIMER AND UREY. WHEN RUTH RETURNED TO NY, JULIUS CONTACTED HER AT HER HOME AND SHE TOLD HIM DAVID WAS AGREEABLE AND SHE ALSO FURNISHED HIM WITH THE AFOREMENTIONED INFORMATION AND NAMES. ABOUT A MONTH LATER, DAVID RETURNED TO NYC ON FURLOUGH AND ONE NIGHT DAVID AND HIS WIFE, RUTH, WENT TO ROSENBERG-S APARTMENT, LOCATED AT TEN MONROE STREET, NYC, WHERE HIS WIFE, ETHEL AND AN UNIDENTIFIED WOMAN NAMED QUOTE ANNE UNQUOTE WERE PRESENT. RUTH SAID AT THAT TIME ANNE LIVED WITH HER HUSBAND QUOTE MIKE UNQUOTE E, IN CHAPPAQUA, NY, AND THAT ANNE AND MIKE WERE OLD FRIENDS OF THE ROSENBERGS, A SHORT TIME LATER THAT SAME EVENING, ANNE LEFT THE ROSENBERG-S APARTMENT AND JULIUS CUT A JELLO BOX TOP IN HALF IN AN IRREGULAR MANNER, ONE HALF OF WHICH HE GAVE TO DAVID, AND HE SAID THAT HE

WOULD GIVE THE OTHER HALF TO ANNE WHO WOULD COME OUT TO NEW MEXICO, TO SEE DAVID TO GET THE INFORMATION FROM HIM. RUTH SAID SHE BELIEVES ANNE AND MIKE ARE PRESENTLY LIVING WITH THEIR ONE CHILD IN OHIO. RUTH STATED THAT SOME DAYS LATER, JULIUS CAME TO HER HOUSE AND ARRANGED FOR DAVID TO MEET HIM TOGETHER WITH AN UNIDENTIFIED MAN. A DAY OR SO LATER, JULIUS CAME TO HER HOUSE AGAIN IN THE EVENING AND JULIUS AND HER HUSBAND LEFT TOGETHER. DAVID RETURNED ABOUT TWO HOURS LATER AND TOLD HER HE HAD MET SOMEBODY WHOM HE HAD NOT BEEN ABLE TO SEE TOO CLEARLY. JULIUS INTRODUCED DAVID TO THE MAN BUT SHE DID NOT THINK JULIUS TOLD DAVID THE MAN-S NAME. DAVID SPENT BETWEEN TWENTY AND THIRTY MINUTES WITH THIS UNKNOWN MAN. SHE DOES NOT KNOW WHAT THEY DISCUSSED. DAVID RETURNED TO NEW MEXICO AFTER HIS FURLOUGH AND IN MARCH FORTYFIVE, SHE WENT TO ALBUQUERQUE TO LIVE. ONE SUNDAY MORNING IN JUNE, FORTYFIVE A MAN CAME TO THEIR APARTMENT ON HIGH STREET, ALBUQUERQUE AND SAID HE WAS DAVE FROM PITTSBURGH. THIS MAN GAVE DAVID GREENGLASS THE MATCHING HALF OF THE JELLO TOP. THIS MAN TOLD DAVID WHAT HE WANTED AND DAVID WROTE THE REQUESTED INFORMATION DOWN AND TOLD HIM TO COME BACK LATER. THE MAN RETURNED LATER THAT DAY AT WHICH TIME DAVID GAVE HIM SOME WRITTEN INFORMATION AND DAVID RECEIVED A SEALED ENVELOPE FROM HIM. AFTER THIS MAN-S DEPARTURE, THEY LEARNED THAT THE ENVELOPE CONTAINED FIVE HUNDRED DOLLARS IN CASH. SHE CLAIMED THAT THEY DID NOT EXPECT MONEY AND SHE THOUGHT IT MADE DAVID FEEL UNCLEAN TO RECEIVE IT. RUTH RECALLED THAT DAVID AND THE UNKNOWN MAN DISCUSSED LENSES AND HIGH SPEED CAMERAS. THE UNKNOWN MAN INDICATED THAT HE MIGHT RETURN AT A LATER DATE AND HE WANTED INFORMATION ALONG THE SAME LINE AS DAVID HAD GIVEN HIM. HE ALSO WANTED TO KNOW THE PEOPLE IN THE INSTALLATION WHO WERE INCLINED TO BE QUOTE LEFTIST UNQUOTE AND SHE THINKS THAT DAVID MAY HAVE FURNISHED HIM WITH THESE NAMES. RUTH WAS SHOWN A FULL FACE AND PROFILE PHOTO OF HARRY GOLD. SHE STATED THAT SHE SAW HIS PICTURE IN THE NEWSPAPER AND KNEW THAT IT WAS HARRY GOLD.

ALSO THAT WHEN GOLD WAS ARRESTED AND HIS PICTURE APPEARED IN THE NEWSPAPER, JULIUS ADVISED BOTH HER AND DAVID THAT HARRY GOLD WAS THE MAN WHO HAD CONTACTED THEM AT ALBUQUERQUE. SHE COULD NOT POSITIVELY IDENTIFY THE PHOTOS OF GOLD, SAYING THAT THEY LOOKED SOMEWHAT LIKE HIM, BUT THAT THE UNKNOWN MAN WAS MUCH YOUNGER AND WAS NOT AS HEAVY. HOWEVER, SHE SAID THE PROFILE PHOTO MORE CLOSELY RESEMBLED THE UNKNOWN MAN. RUTH DESCRIBED ANNE AS ABOUT THIRTY YEARS OF AGE IN FORTYFIVE. FIVE FEET FIVE INCHES, BLOND, STRAIGHT HAIR, WORE SIZE FOURTEEN DRESS, WELL BUILT, WILLOWY, NEAR SIGHTED, WORE GLASSES, DID NOT HAVE NY ACCENT, WAS EITHER POLISH OR CZECH DESCENT. SHE DESCRIBED MIKE AS ABOUT TWO OR THREE YEARS OLDER THAN ANNE, FIVE FEET THREE INCHES TALL, STOCKY, SQUARE BUILD, WORE HEAVY GLASSES, WAS A QUIET SETTLED INDIVIDUAL. RUTH SAID THAT JULIUS MAINTAINS ANOTHER APARTMENT AT AN UNKNOWN ADDRESS LOCATED IN THE VICINITY OF TWELFTH STREET AND AVENUE B IN NYC, WHERE HE DOES MICROFILM WORK. THE INTERVIEW OF RUTH GREENGLASS WAS DISCONTINUED AT FIVE FORTY PM THIS FOURTEENTH INSTANT AND WILL BE CONTINUED NINE THIRTY AM FIFTEEN INSTANT. THE BUREAU IS REQUESTED TO FURNISH THESE ADDITIONAL FACTS TO THE DEPARTMENT FOR PROSECUTIVE OPINION AND ADVISE OF THE RESULTS OF THE DECISION OF THE DEPARTMENT. IT IS RECOMMENDATION OF THE NYO THAT PRIOR TO THE OBTAINING OF PROCESS, ATTEMPT BE MADE TO VOLUNTARILY INTERVIEW ROSENBERG TO ELICIT INFORMATION FROM HIM CONCERNING HIS IMPLICATION IN ESPIONAGE. IT IS EMPHASIZED THAT IN THE EVENT ROSENBERG REFUSES TO ACCEDE TO VOLUNTARY INTERROGATION, THAT ARRANGEMENTS WILL HAVE TO BE PERFECTED IN ORDER THAT IMMEDIATE PROCESS MIGHT BE OBTAINED TO EFFECT HIS ARREST. IN CONSIDERING THESE MATTERS, IT IS POSSIBLE THAT THE DEPARTMENT MIGHT DESIRE PROCESS FILED ON ROSENBERG IN SANTA FE ON THE BASIS OF CONSPIRACY. THE BUREAU IS REQUESTED TO CONSIDER THE ADVISABILITY OF DISCUSSING THE TECHNICAL INFORMATION SET FORTH HEREIN WITH THE ATOMIC ENERGY COMMISSION IN WASHINGTON TO DETERMINE THE DEGREES OF CLASSIFICATION OF THE

~~CONFIDENTIAL~~

INFORMATION WHICH GREENGLASS FURNISHED TO ROSENBERG. THE NYO WILL TAKE IMMEDIATE STEPS TO IDENTIFY ANNE AND MIKE. INVESTIGATION TO LOCATE THE APARTMENTS REFERRED TO HEREIN AS BEING USED BY ROSENBERG WILL BE CONDUCTED. HOWEVER, NEIGHBORHOOD INVESTIGATION TO LOCATE SAME WILL NOT BE CONDUCTED UNTIL SUCH TIME AS DECISION IS OBTAINED AS TO PROCEEDING AGAINST ROSENBERG IN VIEW OF THE POSSIBILITY OF PREMATURELY DISCLOSING TO THE SUBJECT THE NATURE OF OUR INTEREST. COPIES OF INSTANT TELETYPE BEING FORWARDED TO ALBUQUERQUE AND CLEVELAND VIA AMSD AND THE ALBUQUERQUE OFFICE IS REQUESTED TO LOCATE AND PHOTOGRAPH REGISTRATION OF RUTH GREENGLASS AT THE EL FIDEL HOTEL ABOUT NOVEMBER 27, 1944. CLEVELAND IS REQUESTED TO EXAMINE THE RECORDS OF GIBBS AND COX ON BASIS OF THE INFORMATION SET FORTH HEREIN TO IDENTIFY MIKE. IT WILL BE NOTED THAT THERE ARE A FEW MINOR DISCREPANCIES AS TO DETAILS IN THE STORIES OF RUTH AND DAVID GREENGLASS. EFFORTS WILL BE MADE IN SUBSEQUENT INTERVIEWS TO RECONCILE THESE APPARENT DISCREPANCIES WHICH ARE BELIEVED CAUSED BY IMPERFECT RECOLLECTION AT THIS TIME ON THE PART OF RUTH AND DAVID DUE TO LAPSE OF TIME SINCE THE INCIDENTS OCCURRED. THE NYO IS PRESENTLY CONDUCTING A DISCREET BED TO BED SURVEILLANCE OF ROSENBERG FOR THE PURPOSE OF ATTEMPTING TO KEEP REASONABLY ADVISED OF HIS WHEREABOUTS. THIS TYPE OF SURVEILLANCE IS BEING UTILIZED INASMUCH AS FULL SURVEILLANCE IS IMPRACTICAL BECAUSE OF ADVERSE NEIGHBORHOOD CONDITIONS. RESUMPTION OF INTERVIEW OF DAVID WILL BE COMMENCED ON JULY SEVENTEEN INSTANT IN A.M. IN VIEW OF IMPRACTICABILITY OF CONDUCTING INTERVIEW AT FEDERAL HOUSE OF DETENTION OVER WEEKEND. HE WILL BE BROUGHT TO THE MARSHAL'S OFFICE, US COURT HOUSE ON MON. AM. INTERVIEW OF RUTH WILL BE RESUMED AM JULY FIFTEEN INSTANT. BUREAU REQUESTED TO ADVISE IMMEDIATELY UPON RECEIPT OF DEPARTMENTAL DECISION.

JULIUS ROSENBERG, ESP R. THE FOLLOWING SIGNED STATEMENTS OBTAINED FROM
DAVID GREENGLASS TODAY...

"I, DAVID GREENGLASS, MAKE THE FOLLOWING STATEMENT TO JOAN W. LEWIS AND LEO H. FRUTKIN WHO HAVE IDENTIFIED THEMSELVES TO ME AS SPECIAL AGENTS OF THE FEDERAL BUREAU OF INVESTIGATION. I MAKE THIS STATEMENT FREELY AND VOLUNTARILY AND I HAVE BEEN ADVISED OF MY RIGHT NOT TO MAKE A STATEMENT. I HAVE ALSO BEEN ADVISED OF MY RIGHT TO AN ATTORNEY. NO PROMISES OR THREATS HAVE BEEN MADE TO ME TO GET ME TO MAKE THIS STATEMENT. I UNDERSTAND THAT THIS STATEMENT MAY BE USED AGAINST ME IN A COURT OF LAW.

I WAS BORN MARCH THREE, NINETEEN TWENTYTWO AT NYC AND MY HOME IS NOW AT TWO SIX FIVE RIVINGTON ST, NYC, NY. I WAS INDUCTED INTO THE US ARMY APRIL TWELVE, FORTYTHREE AND WAS GIVEN ARMY SERIAL NO. THREE TWO EIGHT EIGHT TWO FOUR SEVEN THREE AND WAS DISCHARGED FROM THE ARMY FEB TWENTYEIGHT, FORTYSIX. ABOUT AUGUST, FORTYFOUR, AS A NON-COMMISSIONED OFFICER IN THE US ARMY, I WAS ASSIGNED TO A HIGHLY SECRET ARMY PROJECT AT LOS ALAMOS, NEW MEXICO WHICH I LATER LEARNED TO BE THE ATOM BOMB PROJECT.

ABOUT NOV TWENTYNINE, FORTYFOUR, I TRAVELED FROM LOS ALAMOS TO ALBUQUERQUE, NEW MEXICO WHERE I MET MY WIFE RUTH WHO HAD COME FROM NYC TO CELEBRATE OUR WEDDING ANNIVERSARY. ON OR ABOUT THAT DATE, WHILE

1A2 PAGE TWO

WALKING ON ROUTE US SIX SIX TOWARD THE RIO GRANDE RIVER IN ALBUQUERQUE, MY WIFE RUTH TOLD ME THAT MY BROTHER-IN-LAW, JULIUS ROSENBERG, WHO IS MARRIED TO MY SISTER ^{Roseberg} ETHEL, HAD ASKED RUTH TO ASK ME TO FURNISH INFO CONCERNING THE WORK I WAS DOING AT LOS ALAMOS SO THAT IT COULD BE FURNISHED TO THE SOVIET GOVERNMENT. RUTH TOLD ME THAT I WAS WORKING ON THE ATOM BOMB PROJECT. I WAS VERY SURPRISED BUT TOLD RUTH THAT I ALREADY KNEW I WAS WORKING ON THE ATOM BOMB. SHE SAID THAT MY BROTHER IN LAW EXPLAINED THAT WE ARE AT WAR WITH GERMANY AND JAPAN AND THEY ARE THE ENEMY AND THAT SOVIET RUSSIA IS FIGHTING THE ENEMY AND IS THEREFORE ENTITLED TO THE INFORMATION. RUTH TOLD ME THAT SHE DID NOT LIKE FOR ME TO GET INVOLVED IN THIS MATTER AS SHE THOUGHT IT WOULD CAUSE TROUBLE. I TOLD RUTH, HOWEVER, THAT I WOULD AGREE TO GIVE WHATEVER INFO CAME TO ME IN THE COURSE OF MY EMPLOYMENT AT LOS ALAMOS ON THE ATOM BOMB PROJECT.

I HAD A FURLOUGH FROM ABOUT DEC THIRTY, FORTYFOUR TO ABOUT JAN TWENTY, FORTYFIVE, WHICH TIME I SPENT IN NYC. WHILE IN NYC DURING THAT TIME I TALKED TO JULIUS ROSENBERG AND ROSENBERG DESCRIBED TO ME GENERALLY HOW THE ATOM BOMB FUNCTIONS. I LATER LEARNED THROUGH MY EMPLOYMENT AT LOS ALAMOS THAT THE BOMB WHICH ROSENBERG HAD DESCRIBED TO ME AT THAT TIME WAS THE NAVAL TYPE ATOM BOMB WHICH WAS LATER DROPPED ON HIROSHIMA ABOUT AUG, FORTYFIVE. DURING THIS SAME MEETING WITH JULIUS ROSENBERG IN JAN, FORTYFIVE, I FURNISHED JULIUS ROSENBERG WITH A LIST OF NAMES OF PERSONS EMPLOYED AT LOS ALAMOS WHOM I BELIEVED TO BE IDEOLOGICALLY SUITED FOR RECRUITMENT TO FURNISH INFO CONCERNING THE ATOM BOMB FOR THE RUSSIANS.

IT MAY HAVE BEEN DURING THE ABOVE-MENTIONED FURLOUGH IN JAN,

WA2 PAGE THREE

FORTYFIVE OR POSSIBLY DURING A FURLOUGH ABOUT SEPT, FORTYFIVE THAT THE FOLLOWING INCIDENT OCCURRED.

ONE NIGHT, WHILE I WAS IN NYC ON FURLOUGH FROM THE LOS ALAMOS ATOM BOMB PROJECT, MY BROTHER IN LAW, JULIUS ROSENBERG, ASKED TO SEE ME. I BORROWED AN AUTOMOBILE, DROVE TO THE VICINITY OF ABOUT FIRST AVENUE, SOMEWHERE BETWEEN EAST FORTYSECOND ST AND EAST FIFTYNINTH ST IN NYC, AND PARKED THE CAR AT THE CURB ON A NORTH BOUND STREET FACING NORTH. JULIUS ROSENBERG WALKED OVER TO THE CAR AND TOLD ME TO WAIT. THEN HE WALKED AWAY AND CAME BACK WITH A MAN AND INTRODUCED HIM TO ME BY FIRST NAME WHICH I DO NOT RECALL. THE MAN GOT INTO THE CAR AND JULIUS ROSENBERG WALKED AWAY. I DROVE THE CAR AROUND IN NYC FOR ABOUT FIFTEEN MINUTES WHILE THE MAN ASKED ME QUESTIONS ABOUT A HIGH EXPLOSIVE LENS WHICH WAS BEING EXPERIMENTED WITH AT THE LOS ALAMOS ATOM BOMB PROJECT AT THAT TIME. I TRIED TO DESCRIBE THE LENS TO THE MAN WHILE I WAS DRIVING BUT WAS UNABLE TO FURNISH HIM WITH A GREAT DEAL OF INFO CONCERNING IT BECAUSE I WAS CONCENTRATING ON THE DRIVING. AFTER I LET THE MAN OUT OF THE CAR I NEVER SAW NOR HEARD OF HIM AGAIN. AT THE END OF MY FURLOUGH TIME I RETURNED TO MY ASSIGNMENT AT LOS ALAMOS.

ABOUT FEB, FORTYFIVE, MY WIFE RUTH MOVED TO ALBUQUERQUE, NEW MEXICO. SHE SAID SHE HAD BEEN TOLD BY JULIUS ROSENBERG THAT A WOMAN NAMED ANNE WOULD COME TO ALBUQUERQUE, NM AND WOULD MEET RUTH IN FRONT OF A STORE ON CENTRAL AVE. IN ALBUQUERQUE, AT WHICH TIME ARRANGEMENTS WOULD BE MADE FOR A MEETING TO PICK UP INFORMATION TO BE FURNISHED BY ME CONCERNING THE ATOM BOMB. AS I RECALL, ANNE WAS

END PAGE THREE

5

WA2 PAGE FOUR

SUPPOSED TO COME TO ALBUQUERQUE ABOUT THE LATTER PART OF MAY AND RUTH WAS TO WALK IN FRONT OF THE STORE AT A CERTAIN TIME ON THREE DIFFERENT CONSECUTIVE DAYS UNTIL THE MEETING WITH ANNE SHOULD BE MADE. THIS MEETING, HOWEVER, NEVER OCCURRED.

ABOUT JUNE, FORTYFIVE A MAN CAME TO THE APARTMENT WHERE MY WIFE RUTH WAS LIVING AT TWO NAUGHT NINE NORTH HIGH ST, ALBUQUERQUE, NM. HE HAD WITH HIM A TORN PIECE OF CARDBOARD WHICH MATCHED A TORN PIECE OF CARDBOARD I HAD BEEN FURNISHED AS A MEANS OF IDENTIFYING THE PERSON TO WHOM I WAS TO FURNISH INFORMATION CONCERNING THE ATOMIC BOMB. I AM UNABLE TO RECALL AT THIS TIME WHETHER MY HALF OF THE TORN CARDBOARD WAS FURNISHED TO ME BY JULIUS ROSENBERG DURING MY JAN, FORTY FIVE FURLOUGH IN NYC OR WHETHER ROSENBERG HAD GIVEN IT TO MY WIFE RUTH TO GIVE TO ME WHEN SHE MOVED TO ALBUQUERQUE IN FEB, FORTYFIVE. THIS MAN WHO HAD THE PROPER IDENTIFICATION, I BELIEVE, INTRODUCED HIMSELF TO ME AS DAVE, ALTHOUGH I AM NOT CERTAIN OF THE NAME HE USED, HOWEVER, I LATER RECOGNIZED THIS MAN-S PICTURES IN VARIOUS NEWSPAPERS AS BEING HARRY GOLD. AT THE TIME GOLD CAME TO ME IN ALBUQUERQUE IN JUNE, FORTYFIVE I FURNISHED HIM WITH A LIST OF NAMES OF PERSONS EMPLOYED AT THE LOS ALAMOS ATOM BOMB PROJECT WHOM I THOUGH MIGHT BE IDEOLOGICALLY SUITED FOR RECRUITMENT TO FURNISH INFO TO THE RUSSIANS CONCERNING THE ATOM BOMB AND I ALSO GAVE HIM A SKETCH OF A HIGH EXPLOSIVE LENS MOLD WHICH WAS AN EXPERIMENT TO STUDY IMPLOSION EFFECTS ON A STEEL TUBE TO UNDERSTAND THE EFFECT IT WOULD HAVE ON URANIUM SO THAT IT COULD BE DETERMINED HOW A CRITICAL MASS COULD BE ARRIVED AT WHICH WOULD NOT EXPLODE BEFORE DETONATION. I ALSO FURNISHED

END PAGE FOUR

4

WA2 PAGE FIVE

GOLD WITH INFORMATION CONCERNING THE IDENTITY OF A WORLD-FAMOUS SCIENTIST WHO WAS WORKING AT LOS ALAMOS UNDER AN ASSUMED NAME AND ALSO FURNISHED INFORMATION THAT ~~OPPENHEIMER~~ AND ~~KISTIAKOWSKY~~ WERE WORKING AT LOS ALAMOS. GOLD TOLD ME THAT I WAS LIVING IN A RATHER POOR PLACE AND SAID I COULD PROBABLY USE SOME MONEY. I ANSWERED THAT I COULD USE SOME MONEY. GOLD THEN GAVE ME AN ENVELOPE CONTAINING FIVE HUNDRED DOLLARS IN CURRENCY. GOLD SAID THAT HE WOULD COME BACK TO SEE ME AGAIN AND I AGREED TO SEE HIM BUT HE NEVER CONTACTED ME AGAIN. MY WIFE RUTH ALSO MET GOLD AT THAT TIME.

I HAD A FURLOUGH FROM LOS ALAMOS ABOUT SEPT, FORTYFIVE, WHICH I SPENT IN NYC. ALMOST AS SOON AS I GOT TO NYC JULIUS ROSENBERG GOT IN TOUCH WITH ME AND I MET HIM ON THE STREET SOMEWHERE IN THE CITY. AT THAT TIME I FURNISHED JULIUS ROSENBERG WITH AN UNSEALED ENVELOPE CONTAINING THE INFO I HAD BEEN ABLE TO GATHER CONCERNING THE ATOMIC BOMB, AS WELL AS A COUPLE OF SKETCHES OF THE MOLDS WHICH MAKE UP THE ATOM BOMB. TO THE BEST OF MY RECOLLECTION, THE INFORMATION I FURNISHED ROSENBERG CONCERNING THE ATOM BOMB AT THAT TIME IS SUBSTANTIALLY AS FOLLOWS...

THE ATOMIC BOMB IS MADE UP OF THIRTYSIX PENTAGONAL-SHAPED MOLDS. WHEN ALL SET TOGETHER, THE MOLDS FORM A SPHERE MADE OF A HIGH EXPLOSIVE, WITH A BALL OF PLUTONIUM IN THE CENTER. INSIDE THE PLUTONIUM IS A SPHERE OF BERYLLIUM. A BARIUM PLASTIC SHIELD IS IN BETWEEN THE PLUTONIUM AND THE HIGH EXPLOSIVE. THE HIGH EXPLOSIVE HAS TWO DETONATORS FOR EACH HIGH EXPLOSIVE SEGMENT. THE DETONATORS ARE CONNECTED TO A NUMBER OF CONDENSERS, POSSIBLY ABOUT THIRTYSIX OR SEVENTYTWO. THE CONDENSERS ARE ALSO CALLED CAPACITATORS. THE NUMBER OF DETONATORS IS TWICE THE NUMBER OF MOLDS AND THE NUMBER OF CONDENSERS IS

END PAGE FIVE

5

WA2 PAGE SIX

EQUAL IN NUMBER TO THE DETONATORS. THE BERYLLIUM HAS A HOLLOW CENTER. THE BERYLLIUM HAS A NUMBER OF CONE-SHAPED HOLES IN IT. THE APEX OF EACH CONE IS TOWARD THE PERIPHERY OF THE BERYLLIUM. THE BERYLLIUM IS GOLD-PLATED WHICH PREVENTS IT FROM EMITTING NEUTRONS. THE DETONATION OF THE HIGH EXPLOSIVE CAUSES THE PLUTONIUM TO BE CRUSHED OR IMPLoded AND THEREFORE INCREASES THE NUMBER OF PLUTONIUM NEUTRONS WHICH ARE FREE. THE BERYLLIUM ALSO BECOMES IMPLoded AND THE BERYLLIUM NEUTRONS ARE JETTED OUT THROUGH THE CONES INTO THE MASS OF PLUTONIUM WHICH SETS OFF THE CHAIN REACTION OF THE PLUTONIUM WHICH RESULTS IN AN ATOMIC EXPLOSION.

I DO NOT KNOW WHETHER ROSENBERG READ THE ABOVE INFO OR WHAT DISPOSITION HE MADE OF IT. HE DID NOT GIVE ME ANY MONEY FOR THE INFO AT THAT TIME. THE WAR WAS OVER AT THAT TIME AND I WAS HOPING TO BE DISCHARGED FROM THE ARMY IN THE NEAR FUTURE. ROSENBERG AT THAT TIME ATTEMPTED TO PERSUADE ME TO CONTINUE MY EMPLOYMENT AT THE LOS ALAMOS ATOM BOMB PROJECT IN A CIVILIAN CAPACITY AFTER SUCH TIME AS I SHOULD BE DISCHARGED FROM THE ARMY. I DECLINED TO FOLLOW THIS ADVICE, INASMUCH AS I DESIRED TO RETURN TO MY HOME IN NYC.

SHORTLY AFTER MY DISCHARGE FROM THE ARMY FEB TWENTYEIGHT, FORTYSIX, I RETURNED TO MY HOME IN NYC AND AFTER A FEW MONTHS BECAME ASSOCIATED IN BUSINESS WITH JULIUS ROSENBERG. HE AND I AND OTHERS WERE PARTNERS IN THE ~~G~~ AND R ENGINEERING CO, NYC, IN FORTYSIX, AND CONTINUED THAT ARRANGEMENT WHEN THAT COMPANY WAS TAKEN OVER BY THE ~~PITT~~ MACHINE PRODUCTS CO, INC, NYC. I SEVERED MY RELATIONS WITH THE LATTER COMPANY IN SEPT, FORTYNINE. DURING MY ASSOCIATION WITH JULIUS ROSEN-

END PAGE SIX

6

WA2 PAGE SEVEN

BERG IN BUSINESS FROM FORTYSIX TO FORTYNINE, I LEARNED THROUGH CONVERSATIONS WITH HIM THAT HE HAS BEEN EXTENSIVELY ENGAGED IN SOVIET ESPIONAGE. HE HAS SINCE MY DISCHARGE ATTEMPTED TO PERSUADE ME TO BECOME A STUDENT OF NUCLEAR PHYSICS AT THE MASSACHUSETTS INSTITUTE OF TECHNOLOGY TO BE FINANCED BY HIM AND THE GI BILL OF RIGHTS IN ORDER THAT I COULD MAKE CONTACTS IN THE FIELD OF NUCLEAR PHYSICS TO OBTAIN INFO FOR THE SOVIET GOVT. HE ALSO ON ONE OCCASION ATTEMPTED TO PERSUADE ME TO BECOME A STUDENT AT THE UNIV OF CHICAGO AT RUSSIAN EXPENSE BECAUSE SEVERAL OF THE PERSONS THERE PREVIOUSLY WORKED ON THE LOS ALAMOS ATOM BOMB PROJECT.

PERIODICALLY, SINCE I WAS DISCHARGED FROM THE ARMY, I HAVE BORROWED SUMS OF MONEY FROM JULIUS ROSENBERG IN DIFFERENT AMOUNTS UP TO TWO HUNDRED DOLLARS EACH WHICH PROBABLY TOTALS ABOUT ONE THOUSAND DOLLARS. ON EACH OCCASION, ROSENBERG WOULD TELL ME THAT HE WOULD HAVE TO BORROW THE MONEY FROM SOMEONE ELSE TO LET ME HAVE IT. I BELIEVE HE MADE THESE LOANS TO ME WITHOUT EXPECTING REPAYMENT BECAUSE OF THE KNOWLEDGE I HAD OF HIS SOVIET ESPIONAGE ACTIVITIES.

ABOUT FEB, FIFTY, WHEN ~~KLAUS FUCHS~~ WAS ARRESTED IN ENGLAND, ROSENBERG CAME TO ME AND SAID THAT I WOULD HAVE TO LEAVE THE COUNTRY BECAUSE FUCHS ARREST WOULD LEAD DIRECTLY TO GOLD. I DECLINED, HOWEVER, TO LEAVE THE US. WHEN HARRY GOLD WAS ARRESTED, JULIUS ROSENBERG CAME TO ME AND POINTED TO GOLDS PICTURE IN THE PAPER AND SAID THAT THIS IS THE MAN WHO CONTACTED ME IN ALBUQUERQUE AND THAT I WOULD HAVE TO LEAVE THE COUNTRY. HE SAID THAT MORE IMPORTANT PERSONS THAN I HAVE LEFT THE COUNTRY. HE GAVE ME ONE THOUSAND DOLLARS FOR EXPENSES TO GET OUT OF THE US. I TOLD HIM THAT THIS WAS NOT ENOUGH MONEY FOR ME TO LEAVE BECAUSE I HAD NUMEROUS DEBTS TO PAY. A FEW DAYS LATER, JULIUS ROSENBERG AGAIN CAME TO MY HOME AND GAVE ME FOUR THOUSAND DOLLARS IN TWENTY DOLLAR BILLS TO LEAVE THE COUNTRY. I BELIEVE THAT

END PAGE SEVEN

WA2 PAGE EIGHT

DAY WAS SUNDAY, MAY TWENTYEIGHT, FIFTY. I INDICATED TO JULIUS THAT I WOULD LEAVE THE COUNTRY AND HE SAID I SHOULD LEAVE ANY TIME AFTER JUNE ELEVEN, FIFTY. JULIUS GAVE ME THE FOLLOWING INSTRUCTIONS AS TO WHAT I SHOULD DO IN THIS REGARD. I WAS TO GO TO MEXICO CITY BY TRAIN WITH MY FAMILY. THERE I WAS TO RENT A HOUSE AND WRITE A LETTER TO THE SOVIET EMBASSY AT MEXICO CITY. IN THE LETTER, I WAS TO MENTION SOMETHING ABOUT THE UNITED NATIONS. I WAS THEN TO WAIT THREE DAYS AT WHICH TIME I WOULD GO TO THE PLAZA DE LA /SOMETHING OR OTHER/ AND STAND IN FRONT OF A STATUE OF CHRISTOPHER COLUMBUS AT FIVE PM WITH MY THUMB IN A MEXICO CITY STREET GUIDE. A MAN WOULD THEN COME TO ME AND SAY HAVE YOU EVER SEEN SUCH A STATUE BEFORE. I WAS TO ANSWER NO, THAT I HAVE LIVED IN OKLAHOMA ALL MY LIFE. HE WAS TO SAY THERE IS A MUCH BETTER STATUE IN PARIS. THE MAN WOULD THEN GIVE ME PASSPORTS AND MONEY FOR A TRIP TO EITHER STOCKHOLM, SWEDEN, OR BERNE, SWITZERLAND, WHERE I WAS TO REPEAT THE SAME PROCEDURE AND IF I WERE TO GO TO STOCKHOLM I WOULD STAND IN FRONT OF A STATUE OF LINNEAUS, AT WHICH TIME I WOULD RECEIVE THE NECESSARY PAPERS TO CONTINUE MY TRIP TO CZECHOSLOVAKIA WHERE I WAS TO WRITE TO THE SOVIET AMBASSADOR TO MERELY STATE, "I AM HERE."

MY WIFE AND I DECIDED NOT TO LEAVE THE COUNTRY BUT WANTED TO GIVE ROSENBERG THE IMPRESSION THAT WE INTENDED TO LEAVE. WE DECIDED TO GO TO THE MOUNTAINS IN UPSTATE NY AND STAY THERE UNTIL ROSENBERG LEFT THE COUNTRY AS HE INDICATED HE WOULD DO. WE PLANNED TO RETURN TO NYC AFTER WE HAD LEARNED OF ROSENBERG-S DEPARTURE.

END PAGE EIGHT

END PAGE TWELVE

12

WHICH WOULD NOT EXPLODE BEFORE DETONATION. I ALSO FURNISHED GOLD WITH INFO CONCERNING THE IDENTITY OF A WORLD-FAMOUS SCIENTIST WHO WAS WORKING AT LOS ALAMOS UNDER AN ASSUMED NAME AND ALSO FURNISHED INFO THAT OPPENHEIMER AND KISTIAKOWSKY WERE WORKING AT LOS ALAMOS. GOLD TOLD ME THAT I WAS LIVING IN A RATHER POOR PLACE AND SAID I COULD PROBABLY USE SOME MONEY. I ANSWERED THAT I COULD USE SOME MONEY. GOLD THEN GAVE ME AN ENVELOPE CONTAINING FIVE HUNDRED DOLLARS IN CURRENCY. GOLD SAID THAT HE WOULD COME BACK TO SEE ME AGAIN AND I AGREED TO SEE HIM BUT HE NEVER CONTACTED ME AGAIN. MY WIFE RUTH ALSO MET GOLD AT THAT TIME.

I HAD A FURLOUGH FROM LOS ALAMOS ABOUT SEPT, FORTYFIVE, WHICH I SPENT IN NYC. ALMOST AS SOON AS I GOT TO NYC JULIUS ROSENBERG GOT IN TOUCH WITH ME AND I MET HIM ON THE STREET SOMEWHERE IN THE CITY. AT THAT TIME I FURNISHED JULIUS ROSENBERG WITH AN UNSEALED ENVELOPE CONTAINING THE INFO I HAD BEEN ABLE TO GATHER CONCERNING THE ATOMIC BOMB, AS WELL AS A COUPLE OF SKETCHES OF THE MOLDS WHICH MAKE UP THE ATOM BOMB. TO THE BEST OF MY RECOLLECTION, THE INFO I FURNISHED ROSENBERG CONCERNING THE ATOM BOMB AT THAT TIME IS SUBSTANTIALLY AS FOLLOWS.

THE ATOMIC BOMB IS MADE UP OF THIRTYSIX PENTAGONAL-SHAPED MOLDS. WHEN ALL SET TOGETHER, THE MOLDS FORM A SPHERE MADE OF A HIGH EXPLOSIVE, WITH A BALL OF PLUTONIUM IN THE CENTER. INSIDE THE PLUTONIUM IS A SPHERE OF BERYLLIUM. A BARIUM PLASTIC SHIELD IS IN BETWEEN THE PLUTONIUM AND THE HIGH EXPLOSIVE. THE HIGH EXPLOSIVE HAS TWO DETONATORS FOR EACH HIGH EXPLOSIVE SEGMENT. THE DETONATORS ARE CONNECTED TO A NUMBER OF CONDENSERS, POSSIBLY ABOUT THIRTYSIX OR SEVENTYTWO. THE CONDENSERS ARE ALSO CALLED CAPACITATORS. THE NUMBER OF DETONATORS IS TWICE THE NUMBER OF MOLDS AND THE NUMBER OF CONDENSERS IS

13

END PAGE THIRTEEN

EQUAL IN NUMBER TO THE DETONATORS. THE BERYLLIUM HAS A HOLLOW CENTER. THE BERYLLIUM HAS A NUMBER OF CONE-SHAPED HOLES IN IT. THE APEX OF EACH CONE IS TOWARD THE PERIPHERY OF THE BERYLLIUM. THE BERYLLIUM IS GOLD-PLATED WHICH PREVENTS IT FROM EMITTING NEUTRONS. THE DETONATION OF THE HIGH EXPLOSIVE CAUSES THE PLUTONIUM TO BE CRUSHED OR IMPLoded AND THEREFORE INCREASES THE NUMBER OF PLUTONIUM NEUTRONS WHICH ARE FREE. THE BERYLLIUM ALSO BECAME IMPLoded AND THE BERYLLIUM NEUTRONS ARE JETTED OUT THROUGH THE CONES INTO THE MASS OF PLUTONIUM WHICH SETS OFF THE CHAIN REACTION OF THE PLUTONIUM WHICH RESULTS IN AN ATOMIC EXPLOSION.

I DO NOT KNOW WHETHER ROSENBERG READ THE ABOVE INFORMATION OR WHAT DISPOSITION HE MADE OF IT. HE DID NOT GIVE ME ANY MONEY FOR THE INFO AT THAT TIME. ROSENBERG AT THAT TIME ATTEMPTED TO PERSUADE ME TO CONTINUE MY EMPLOYMENT AT THE LOS ALAMOS ATOM BOMB PROJECT IN A CIVILIAN CAPACITY AFTER SUCH TIME AS I SHOULD BE DISCHARGED FROM THE ARMY. I DECLINED TO FOLLOW THIS ADVICE, INASMUCH AS I DESIRED TO RETURN TO MY HOME IN NYC.

SHORTLY AFTER MY DISCHARGE FROM THE ARMY FEB TWENTYEIGHT, FORTYSIX, I RETURNED TO MY HOME IN NYC AND AFTER A FEW MONTHS BECAME ASSOCIATED IN BUSINESS WITH JULIUS ROSENBERG. HE AND I AND OTHERS WERE PARTNERS IN THE G AND R ENGINEERING COMPANY, NYC, IN NINETEEN FORTYSIX, AND CONTINUED THAT ARRANGEMENT WHEN THAT COMPANY WAS TAKEN OVER BY THE PITT MACHINE PRODUCTS CO, INC, NYC. I SEVERED MY RELATIONS WITH THE LATTER COMPANY IN SEPT, FORTYNINE. DURING MY ASSOCIATION WITH JULIUS ROSENBERG IN BUSINESS FROM FORTYSIX TO FORTYNINE, I LEARNED

END PAGE FOURTEEN

14

WA2 PAGE FIFTEEN

THROUGH CONVERSATIONS WITH HIM THAT HE HAS BEEN EXTENSIVELY ENGAGED IN SOVIET ESPIONAGE. HE HAS TOLD ME THAT HE HAS CONTACTS WITH SCIENTISTS OR ENGINEERS IN CLEVELAND, OHIO, AND IN UPSTATE NY, I BELIEVE AT SYRACUSE, ROCHESTER, BUFFALO, AND SCHENECTADY. HE ALSO TOLD ME THAT USUALLY, WHERE HE HAS A CONTACT WHO IS A SCIENTIST WORKING AT SOME PLANT OR LABORATORY DOING SECRET WORK, THAT HE ALSO HAS A CONTACT WITH A TECHNICIAN OR SOME INSIGNIFICANT PERSON WHO MAKES MICROFILM OF THE INFORMATION FURNISHED BY THE SCIENTIST. THIS MICROFILM IS THEN TAKEN TO SOME MOVIE THEATER IN NY BY JULIUS ROSENBERG WHERE IT IS HIDDEN IN SOME OBSCURE PLACE AND IS SHORTLY THEREAFTER PICKED UP BY THE RUSSIANS. HE HAS TOLD ME THAT IN SOME INSTANCES HIS CONTACTS FURNISH HIM THE INFO BEFORE IT IS MICROFILMED AND IN THOSE CASES, ROSENBERG HIMSELF MAKES UP THE MICROFILM. FOR THIS PURPOSE, HE HAS A LEICA CAMERA AND ALSO HAS TWO APARTMENTS HAVING NO TENANTS WHERE HE DOES THE PHOTOGRAPHIC WORK. ONE OF THESE APARTMENTS IS LOCATED IN THE VICINITY OF TWELFTH STREET AND AVE B IN NYC AND IS A FURNISHED APARTMENT. THE OTHER IS LOCATED SOMEWHERE IN GREENWICH VILLAGE, NY. I DO NOT KNOW WHETHER HE HAS RENTED BOTH OF THE ABOVE APARTMENTS AT THE SAME TIME. HE OFFERED TO LET ME USE THE APARTMENT AT TWELFTH ST AND AVE B FOR LIVING QUARTERS WHEN I WAS DISCHARGED FROM THE ARMY IN FEB, FORTYSIX, HOWEVER, I DECLINED THIS OFFER AS I DID NOT WISH TO HAVE ANY FURTHER PARTICIPATION IN SOVIET ESPIONAGE AND SO DID NOT SEE THE APARTMENT. ROSENBERG HAS TOLD ME THAT WHEN HE WANTS TO MEET ANY OF HIS RUSSIAN ESPIONAGE SUPERIORS IN PERSON THAT ARRANGEMENTS ARE MADE FOR THEM TO MEET HIM SOMEWHERE ON LONG ISLAND AND THAT ON THOSE OCCASIONS THE RUSSIAN IS VERY CAREFUL TO ELUDE ANY SURVEILLANCE THAT IS BEING CONDUCTED ON HIM. JULIUS ROSENBERG TOLD ME THAT HE

END PAGE FIFTEEN

15

WAS AGE SIXTEEN

KNOWS ABOUT A SKY PLATFORM THE US GOVERNMENT IS WORKING ON IN UPSTATE NY. HE EXPLAINED THAT THIS PROJECT IS PRESENTLY IN THE STAGE WHERE THE MATHEMATICS ARE BEING WORKED OUT AND IT WOULD CONSIST OF A PLATFORM AT A POINT IN SPACE WHERE GRAVITY CEASES TO EXIST, PERHAPS ABOUT FIVE THOUSAND MILES FROM THE EARTH. HE ALSO TOLD ME THAT HE KNOWS OF WORK BEING DONE ON ATOMIC ENERGY IN CONNECTION WITH ITS USE IN PRODUCING POWER FOR AIRPLANES. HE HAS MENTIONED A CONTACT IN UPSTATE NY WHO IS WORKING ON JET AIRPLANES. HE HAS SINCE MY DISCHARGE ATTEMPTED TO PERSUADE ME TO BECOME A STUDENT OF NUCLEAR PHYSICS AT THE MASSACHUSETTS INSTITUTE OF TECHNOLOGY TO BE FINANCED BY HIM AND THE GI BILL OF RIGHTS IN ORDER THAT I COULD MAKE CONTACTS IN THE FIELD OF NUCLEAR PHYSICS TO OBTAIN INFORMATION FOR THE SOVIET GOVERNMENT. HE ALSO ON ONE OCCASION ATTEMPTED TO PERSUADE ME TO BECOME A STUDENT AT THE UNIV OF CHICAGO AT RUSSIAN EXPENSE BECAUSE SEVERAL OF THE PERSONS THERE PREVIOUSLY WORKED ON THE LOS ALAMOS ATOM BOMB PROJECT. HE HAS ALSO TOLD ME THAT HE IS KNOWN TO ELIZABETH BENTLEY AND JACOB X COLOS. ROSENBERG WAS UNDER THE IMPRESSION THAT HE HAD INTRODUCED ME TO HARRY GOLD, HOWEVER, THAT IS A MISTAKE. ROSENBERG HAS TOLD ME THAT THE RUSSIANS ARE VERY WEAK IN ELECTRONICS AND RADIO TUBES AND ANY INFO IN THAT REGARD IS VERY VALUABLE TO THEM. JULIUS ROSENBERG ALSO ONCE TOLD ME THAT HE TOOK THE WHOLE PROXIMITY FUSE OUT OF EMERSON ELECTRIC COMPANY IN A BRIEFCASE WHILE ROSENBERG WAS EMPLOYED THERE AND THAT THE PROXIMITY FUSE WAS A HIGHLY SECRET INVENTION AT THAT TIME.

THE PERSON NAMED ANNE, MENTIONED ABOVE, WHO WAS SUPPOSED TO HAVE
END PAGE SIXTEEN

WA2 PAGE SEVENTEEN

CONTACTED RUTH IN ALBUQUERQUE, NM, IS MARRIED TO MIKE, WHOSE LAST NAME I CANNOT RECALL. I DO NOT KNOW WHETHER I EVER MET ANNE BUT HAVE A VAGUE IMPRESSION OF HAVING MET HER ONCE AT THE HOME OF JULIUS ROSENBERG. I REMEMBER THAT MIKE ATTENDED BROOKLYN POLYTECHNIC INSTITUTE, BROOKLYN, NY, WHILE I WAS THERE IN NINETEEN FORTY AND I BELIEVE THAT HE WAS A FRESHMAN AT THAT TIME IN THE DAY SCHOOL AND PROBABLY WENT ON TO GRADUATE AS I UNDERSTAND HE IS NOW A GRADUATE ENGINEER. ABOUT THE SUMMER OF FORTYEIGHT, MIKE CAME TO THE PITT MACHINE PRODUCTS CO, INC, AND ASKED TO SEE JULIUS ROSENBERG WHO WAS NOT THERE AT THE TIME. HE TOLD ME I BELIEVE THAT HE WAS THEN WORKING AT SOME ESTABLISHMENT IN OHIO WHICH I BELIEVE MAY BE GIBBS AND COX IN CLEVELAND, OHIO. MIKE IS DESCRIBED AS FOLLOWS. AGE, ABOUT THIRTYTWO YEARS, HEIGHT FIVE FEET EIGHT - FIVE FEET NINE, WEIGHT ONE EIGHTYFIVE - ONE NINETY LBS, BUILD, HEAVY, MUSCULAR, SOLID, HAIR, BLACK, BALD IN CENTER ROUND HEAD, MUSCULAR JAWS, SMOKES PIPE AND TALKS WITH PIPE IN MOUTH, RUDDY COMPLEXION, GOOD TEETH, NATIONALITY, BORN IN US, OF RUSSIAN OR UKRAINIAN ANCESTRY, HEAVY BEARD, BUT SMOOTH SHAVEN.

THROUGH CONVERSATION WITH JULIUS ROSENBERG, I GOT THE IMPRESSION THAT THE MAN WHO PREVIOUSLY RENTED THE APARTMENT AT TEN MONROE ST, NYC, NOW OCCUPIED BY ROSENBERG, WAS AN ENGINEER ALSO ENGAGED IN SOVIET ESPIONAGE AND IT WAS THROUGH THIS MEDIUM THAT ROSENBERG WAS ABLE TO GET THE APARTMENT. THIS MAN LEFT NYC OSTENSIBLY TO GO TO THE WEST COAST TO LIVE BUT INSTEAD WENT TO CHINA. ROSENBERG ALSO TOLD ME THAT A NUMBER OF THE SCIENTISTS WHO ATTENDED THE CULTURAL AND SCIENTIFIC MEETING AT THE WALDORF ASTORIA HOTEL IN NYC SOME TIME AGO, WERE CONTACTS OF ROSENBERG. ROSENBERG ALSO TOLD ME THAT ONE OF HIS CONTACTS IS

END PAGE SEVENTEEN

17

WA2 PAGE EIGHTEEN

A MAN WHO FLEW TO EGYPT AS A TWO HUNDRED DOLLAR A DAY CONSULTANT ON AN EGYPTIAN DAM PROJECT. THIS TRIP WAS MADE IN THE SUMMERTIME BETWEEN THE PERIOD FROM FORTYSIX TO FORTYNINE.

PERIODICALLY, SINCE I WAS DISCHARGED FROM THE ARMY, I HAVE BORROWED SUMS OF MONEY FROM JULIUS ROSENBERG IN DIFFERENT AMOUNTS UP TO TWO HUNDRED DOLLARS EACH WHICH PROBABLY TOTALS ABOUT ONE THOUSAND DOLLARS. ON EACH OCCASION, ROSENBERG WOULD TELL ME THAT HE WOULD HAVE TO BORROW THE MONEY FROM SOMEONE ELSE TO LET ME HAVE IT. I REGARDED EACH OF THESE AS LOANS BUT BECAUSE OF MY KNOWLEDGE OF ROSENBERG-S SOVIET ESPIONAGE ACTIVITIES, I BELIEVE THAT ROSENBERG REGARDED THEM AS BLACKMAIL.

ABOUT FEB, FIFTY, WHEN KLAUS FUCHS WAS ARRESTED IN ENGLAND, ROSENBERG CAME TO ME AND SAID THAT I WOULD HAVE TO LEAVE THE COUNTRY BECAUSE FUCHS ARREST WOULD LEAD DIRECTLY TO GOLD. I DECLINED, HOWEVER, TO LEAVE THE US. WHEN HARRY GOLD WAS ARRESTED, JULIUS ROSENBERG CAME TO ME AND POINTED TO GOLD-S PICTURE IN THE PAPER AND SAID THAT THIS IS THE MAN WHO CONTACTED ME IN ALBUQUERQUE AND THAT I WOULD HAVE TO LEAVE THE COUNTRY. HE SAID THAT MORE IMPORTANT PERSONS THAN I HAVE LEFT THE COUNTRY ALREADY AND THAT ~~JOEL BARR~~ HAD LEFT THE US BEFORE FUCHS WAS ARRESTED AND IS DOING WORK FOR THE RUSSIANS OVERSEAS. HE GAVE ME ONE THOUSAND DOLLARS FOR EXPENSES TO GET OUT OF THE US. I TOLD HIM THAT THIS WAS NOT ENOUGH MONEY FOR ME TO LEAVE BECAUSE I HAD NUMEROUS DEBTS TO PAY. A FEW DAYS LATER, JULIUS ROSENBERG AGAIN CAME TO MY HOME AND GAVE ME FOUR THOUSAND DOLLARS IN TWENTY

END PAGE EIGHTEEN

11

DOLLAR BILLS TO LEAVE THE COUNTRY. I BELIEVE THAT DAY WAS SUNDAY, MAY TWENTYEIGHT, FIFTY. I INDICATED TO JULIUS THAT I WOULD LEAVE THE COUNTRY AND HE SAID I SHOULD LEAVE ANY TIME AFTER JUNE ELEVEN, FIFTY. JULIUS GAVE ME THE FOLLOWING INSTRUCTIONS AS TO WHAT I SHOULD DO IN THIS REGARD. I WAS TO GO TO MEXICO CITY BY TRAIN WITH MY FAMILY. THERE I WAS TO RENT A HOUSE AND WRITE A LETTER TO THE SOVIET EMBASSY AT MEXICO CITY. IN THE LETTER, I WAS TO MENTION SOMETHING ABOUT THE UNITED NATIONS. I WAS THEN TO WAIT THREE DAYS, AT WHICH TIME I WOULD GO TO THE PLAZA DE LA /SOMETHING OR OTHER/ AND STAND IN FRONT OF A STATUE OF CHRISTOPHER COLUMBUS AT FIVE PM WITH MY THUMB IN A MEXICO CITY STREET GUIDE. A MAN WOULD THEN COME TO ME AND SAY HAVE YOU EVER SEEN SUCH A STATUE BEFORE. I WAS TO ANSWER NO, THAT I HAVE LIVED IN OKLAHOMA ALL MY LIFE, HE WAS TO SAY THERE IS A MUCH BETTER STATUE IN PARIS. THE MAN WOULD THEN GIVE ME PASSPORTS AND MONEY FOR A TRIP TO EITHER STOCKHOLM, SWEDEN, OR TO BERNE, SWITZERLAND, WHERE I WAS TO REPEAT THE SAME PROCEDURE AND IF I WERE TO GO TO STOCKHOLM I WOULD STAND IN FRONT OF A STATUE OF LINNEAUS, AT WHICH TIME I WOULD RECEIVE THE NECESSARY PAPERS TO CONTINUE MY TRIP TO CZECHOSLOVAKIA WHERE I WAS TO WRITE TO THE SOVIET AMBASSADOR TO MERELY STATE "I AM HERE."

JULIUS ROSENBERG ALSO TOLD ME THAT SOME OF THE SOVIET ESPIONAGE AGENTS ARE NOT RUSSIANS BUT ARE IN THE DIPLOMATIC SERVICE OF FRIENDLY NATIONS, THAT IS NATIONS THAT ARE NOT BEHIND THE IRON CURTAIN.

MY WIFE AND I DECIDED NOT TO LEAVE THE COUNTRY BUT WANTED TO GIVE ROSENBERG THE IMPRESSION THAT WE INTENDED TO LEAVE. WE DECIDED TO GO TO THE MOUNTAINS IN UPSTATE NY AND STAY THERE UNTIL ROSENBERG LEFT THE COUNTRY AS HE INDICATED HE WOULD DO. WE PLANNED TO RETURN TO NYC

JULIUS ROSENBERG, ESP-R. RUTH GREENGLASS EXECUTED FOLLOWING SIGNED STATEMENT THIS DATE. QUOTE I, RUTH GREENGLASS, MAKE THE FOLLOWING STATEMENT TO JOHN A. HARRINGTON AND WILLIAM F. NORTON, JR., WHO HAVE IDENTIFIED THEMSELVES TO ME AS SPECIAL AGENTS OF THE FEDERAL BUREAU OF INVESTIGATION, UNITED STATES DEPARTMENT OF JUSTICE. I MAKE THIS STATEMENT FREELY AND VOLUNTARILY AFTER HAVING BEEN ADVISED OF MY RIGHT NOT TO MAKE A STATEMENT, THAT I HAVE A RIGHT TO AN ATTORNEY, AND HAVE CONSULTED AN ATTORNEY. I UNDERSTAND THAT THIS STATEMENT MAY BE USED AGAINST ME IN A COURT OF LAW. THIS STATEMENT IS NOT BEING MADE AS A RESULT OF ANY THREATS, PROMISES OR DURESS. I WAS BORN MAY ONE, TWENTYFOUR AT NEW YORK CITY AND PRESENTLY RESIDE AT TWO SIX FIVE RIVINGTON STREET, NEW YORK CITY. I WAS MARRIED TO DAVID GREENGLASS ON NOVEMBER TWENTYNINE, NINETEEN FORTYTWO AT NEW YORK CITY. IN THE EARLY PART OF NOVEMBER NINETEEN FOUR FOUR, I PLANNED TO VISIT MY HUSBAND DAVID IN ALBUQUERQUE, NEW MEXICO TO SPEND OUR WEDDING ANNIVERSARY TOGETHER ON NOVEMBER TWENTYNINE, NINETEEN FORTYFOUR. DAVID WAS THEN IN THE UNITED STATES ARMY AND STATIONED IN THE VICINITY OF

ALBUQUERQUE, NEW MEXICO. ^R IN THE EARLY PART OF NOVEMBER NINETEEN FORTY FOUR, ONE EVENING I VISITED JULIUS ROSENBERG AND HIS WIFE ETHEL AT THEIR HOME, GE DASH ONE ONE, TEN MONROE STREET, NEW YORK CITY.

ETHEL ROSENBERG IS MY HUSBAND-S SISTER. ON THE EVENING IN QUESTION, JULIUS ROSENBERG KNEW THAT I INTENDED TO VISIT MY HUSBAND DAVID IN ALBUQUERQUE, NEW MEXICO ABOUT NOVEMBER TWENTYNINE, NINETEEN FORTYFOUR. DURING THE COURSE OF THE EVENING, JULIUS ROSENBERG TOLD ME THAT I MIGHT HAVE NOTICED THAT HE AND HIS WIFE ETHEL ROSENBERG IN RECENT MONTHS HAD NOT BEEN ATTENDING ANY COMMUNIST PARTY MEETINGS OR ANY FUNCTIONS THAT HAD WHAT HE DESCRIBED TO BE A QUOTE RED UNQUOTE TINGE TO THEM, AND THAT ETHEL ROSENBERG HAD NOT BEEN BUYING THE "DAILY WORKER" AT HER USUAL NEWSSTAND. TO EXPLAIN TO ME WHY HE AND ETHEL ROSENBERG HAD DISCONTINUED THEIR OPEN AFFILIATION WITH THE COMMUNIST PARTY, JULIUS ROSENBERG SAID THAT HE ALWAYS WANTED TO DO MORE THAN TO BE JUST A MEMBER IN THE COMMUNIST PARTY AND THAT, THEREFORE, HE HAD SEARCHED FOR TWO YEARS TO PLACE HIMSELF IN CONTACT WITH A GROUP WHICH I BELIEVE HE DESCRIBED AS A QUOTE RUSSIAN UNDERGROUND UNQUOTE. IN THIS WAY JULIUS ROSENBERG FELT THAT HE COULD DO THE WORK THAT

END OF PAGE TWO

PAGE THREE

HE WAS SLATED FOR. HE STATED THAT HE WANTED TO DO SOMETHING TO DIRECTLY HELP RUSSIA AND THAT IT TOOK HIM TWO YEARS TO FIND THE GROUP THROUGH WHICH THIS HELP COULD BE GIVEN. JULIUS ROSENBERG THEN TOLD ME THAT MY HUSBAND DAVID WAS AT THAT TIME WORKING AT THE PLACE WHERE THE ATOM BOMB WAS BEING MADE AND THAT THIS BOMB WAS MORE DANGEROUS THAN ANY WEAPON THAT HAD EVER BEEN USED. HE ALSO TOLD ME THAT THERE WERE RADIATION EFFECTS FROM THE BOMB. AT THIS TIME I HAD NO KNOWLEDGE AS TO WHAT THE SIGNIFICANCE OF THE ATOM BOMB WAS, THOUGH I DID KNOW THAT MY HUSBAND WAS WORKING ON A SECRET PROJECT FOR THE UNITED STATES ARMY. JULIUS ROSENBERG REQUESTED ME WHEN I VISITED MY HUSBAND DAVID IN ALBUQUERQUE, NEW MEXICO TO ASK DAVID IF HE WOULD MAKE SCIENTIFIC INFORMATION AVAILABLE TO THE RUSSIANS. JULIUS ROSENBERG SAID THAT THE RUSSIANS WERE WORKING ON THE ATOM BOMB AND THAT THERE WAS NOT A FREE EXCHANGE OF INFORMATION BETWEEN THE ALLIES AND RUSSIA. JULIUS ROSENBERG SAID THAT HE FELT THAT RUSSIA SHOULD BE PLACED ON AN EQUAL PLANE WITH THE OTHER ALLIES AS FAR AS THE AVAILABILITY OF THIS ATOMIC INFORMATION WAS CONCERNED. BECAUSE I WAS VERY RELUCTANT TO DO WHAT JULIUS ROSENBERG REQUESTED ME TO DO, HIS WIFE ETHEL ROSEN-

END OF PAGE THREE

PAGE FOUR

BERG, WHO WAS PRESENT DURING THIS CONVERSATION, TOLD ME THAT I SHOULD AT LEAST ASK MY HUSBAND DAVID IF HE WOULD FURNISH THIS TYPE OF INFORMATION TO THE RUSSIANS. I WAS VERY RELUCTANT TO DO WHAT JULIUS AND ETHEL ROSENBERG REQUESTED ME TO DO, BUT THEY FINALLY PERSUADED ME TO ASK DAVID IF HE WOULD BE WILLING TO FURNISH INFORMATION TO THE RUSSIANS. AT A LATER DATE, PRIOR TO MY DEPARTURE FOR ALBUQUERQUE, NEW MEXICO, JULIUS ROSENBERG GAVE ME ABOUT ONE HUNDRED FIFTY DOLLARS TO HELP PAY THE EXPENSES OF MY TRIP. IN THE LATTER PART OF NOVEMBER, NINETEEN FORTYFOUR I LEFT NEW YORK BY TRAIN FOR ALBUQUERQUE, NEW MEXICO. I HAD PREVIOUSLY MADE RESERVATIONS BY TELEGRAM AT THE EL FIDEL HOTEL, ALBUQUERQUE, NEW MEXICO. I ARRIVED AT ALBUQUERQUE, NEW MEXICO A FEW DAYS BEFORE MY WEDDING ANNIVERSARY. DAVID ARRIVED IN ALBUQUERQUE ABOUT NOVEMBER TWENTYEIGHT, NINETEEN FORTYFOUR AND JOINED ME AT THE EL FIDEL HOTEL. WE SPENT OUR SECOND WEDDING ANNIVERSARY TOGETHER ON NOVEMBER TWENTYNINE, NINETEEN FORTYFOUR. DAVID HAD A PASS FOR ABOUT FIVE DAYS JUST PRIOR TO MY RETURN TO NEW YORK, WHILE DAVID AND I WERE TAKING A WALK, I TOLD HIM WHAT JULIUS ROSENBERG HAD TOLD ME ABOUT HIS WORKING AT THE PLACE WHERE THE ATOM BOMB WAS BEING MADE. DAVID ASKED ME WHO HAD TOLD ME ABOUT THE ATOM BOMB AND I TOLD

END OF PAGE FOUR

4

PAGE FIVE

HIM THAT JULIUS ROSENBERG HAD. I THEN TOLD DAVID OF THE REQUEST THAT JULIUS AND ETHEL ROSENBERG HAD MADE TO ME THAT I ASK DAVID TO FURNISH THE RUSSIANS WITH SCIENTIFIC INFORMATION, AND I EXPLAINED THEIR REQUEST TO DAVID IN THE SAME WAY THAT JULIUS AND ETHEL ROSENBERG HAD EXPLAINED IT TO ME. AT FIRST DAVID WAS SHOCKED AT WHAT JULIUS ROSENBERG WANTED HIM TO DO. AT FIRST HE SAID NO AND HE DID NOT MAKE ANY DECISION THAT SAME DAY. THE FOLLOWING DAY, AFTER HAVING THOUGHT IT OVER, DAVID SAID THAT HE WOULD DO WHAT JULIUS ROSENBERG HAD REQUEST OF HIM. DAVID ALSO SAID THAT HE WOULD DISCUSS THIS MATTER WITH JULIUS ROSENBERG WHEN HE RETURNED TO NEW YORK ON HIS EXPECTED FURLOUGH DAVID TOLD ME ABOUT THE PHYSICAL SET-UP OF THE LOS ALAMOS INSTALLATION AND HE GAVE ME THE NAMES OF CERTAIN PEOPLE WHO WERE WORKING THERE IN NOVEMBER NINETEEN FORTYFOUR, AMONG WHOM, AS I NOW RECALL, WERE ~~OPPENHEIMER~~ AND ~~UREY~~. I RETURNED TO NEW YORK IN THE EARLY PART OF DECEMBER NINETEEN FORTYFOUR AND JULIUS ROSENBERG CAME TO SEE ME AT MY APARTMENT AT TWO SIX FIVE RIVINGTON STREET, NEW YORK CITY AND I TOLD HIM THAT DAVID AGREED TO DO WHAT HE REQUESTED. I ALSO GAVE JULIUS ROSENBERG THE NAMES THAT I REMEMBERED THAT DAVID HAD GIVEN ME OF THE PEOPLE

END OF PAGE FIVE

PAGE SIX

WHO WERE WORKING AT LOS ALAMOS. I ALSO TOLD JULIUS ROSENBERG ABOUT THE PHYSICAL SET-UP OF LOS ALAMOS AS DAVID HAD TOLD ME. JULIUS ROSENBERG SAID HE WOULD WAIT UNTIL DAVID RETURNED TO NEW YORK ON HIS EXPECTED FURLOUGH TO DISCUSS THIS MATTER FURTHER WITH DAVID ⁹ ABOUT A MONTH LATER, MY HUSBAND DAVID RETURNED TO NEW YORK CITY ON FURLOUGH AND ONE EVENING DAVID AND I WENT TO JULIUS ROSENBERG-S APARTMENT AT TEN MONROE STREET, NEW YORK CITY WHERE WE MET JULIUS AND ETHEL ROSENBERG AND A WOMAN I KNEW AS ANNE. ANNE AND HER HUSBAND MIKE I KNEW AS OLD FRIENDS OF JULIUS AND ETHEL ROSENBERG, AND ANNE AND MIKE AT THAT TIME LIVED AT CHAPPAQUA, NEW YORK. ANNE REMAINED AT JULIUS ROSENBERG-S APARTMENT FOR A SHORT PERIOD OF TIME AND THEN LEFT. JULIUS ROSENBERG ASKED DAVID WHAT HE WAS DOING AND DAVID TOLD JULIUS ROSENBERG HE WAS WORKING IN THE EXPERIMENTAL SHOP AT LOS ALAMOS. DAVID EXPLAINED TO JULIUS ROSENBERG THAT IF SOMEONE BROUGHT IN A SKETCH OF A PART HE WANTED MADE, DAVID WOULD MAKE IT FOR HIM BECAUSE DAVID WAS A MACHINIST AND THIS WAS THE TYPE OF WORK HE DID. I RECALL THAT JULIUS ROSENBERG ASKED DAVID HOW THE ATOM BOMB WAS DETONATED BUT I DO NOT RECALL WHAT DAVID TOLD JULIUS. WE ALL HAD DINNER. AFTER DINNER JULIUS AND ETHEL ROSENBERG, DAVID AND MYSELF SAT AROUND TALKING. JULIUS TOLD DAVID WHAT HE WANTED HIM TO DO. HE DID NOT WANT DAVID TO GO OUT OF HIS WAY TO OBTAIN INFORMATION AND HE DID

END OF PAGE SIX

Q

PAGE SEVEN

NOT WANT DAVID TO BE OBVIOUS IN WHAT HE WAS DOING. I DID NOT UNDER-
STAND WHAT JULIUS AND DAVID WERE TALKING ABOUT BECAUSE IT WAS OF A
TECHNICAL NATURE. P BEFORE WE LEFT JULIUS ROSENBERG-S APARTMENT,
JULIUS ROSENBERG PRODUCED THE COVER FROM A JELLO BOX SIDE. JULIUS
ROSENBERG, IN THE PRESENCE OF HIS WIFE ETHEL, DAVID AND MYSELF, CUT
THIS JELLO BOX SIDE IN HALF IN AN IRREGULAR MANNER. ONE HALF OF THIS
JELLO BOX SIDE JULIUS ROSENBERG GAVE TO DAVID AND JULIUS SAID THAT
HE WOULD GIVE THE OTHER HALF OF THE JELLO BOX SIDE TO ANNE, THE WOMAN
WHO HAD BEEN IN HIS APARTMENT PREVIOUSLY THAT SAME EVENING. JULIUS
ROSENBERG SAID THAT ANNE WOULD COME OUT TO SEE US IN NEW MEXICO
TO GET THE INFORMATION FROM DAVID AND THAT SHE WOULD PRODUCE THE
MATCHING HALF OF THE BOX SIDE. I BELIEVE THERE WAS SOME DISCUSSION
BY JULIUS ROSENBERG OF ANNE BEING MET IN A MOVIE THEATER AT DENVER,
COLORADO. P DURING DAVID-S FURLOUGH IN JANUARY NINETEEN FORTYFIVE,
JULIUS ROSENBERG WAS VERY PERSISTENT ABOUT BEING WITH US A GREAT DEAL
AT A TIME WHEN WE FELT THAT WE WANTED TO BE ALONE. P SEVERAL DAYS AFTER
DAVID HAD RECEIVED THE JELLO BOX SIDE FROM JULIUS ROSENBERG, JULIUS
END OF PAGE SEVEN

PAGE EIGHT

ROSENBERG CAME TO MY APARTMENT AND SPOKE TO DAVID ABOUT DAVID MEETING JULIUS ROSENBERG AND AN UNIDENTIFIED MAN AT A LATER DATE. A DAY OR SO LATER, JULIUS ROSENBERG RETURNED TO MY APARTMENT AGAIN IN THE EVENING AND JULIUS ROSENBERG AND DAVID LEFT THE APARTMENT TOGETHER. DAVID RETURNED TO MY APARTMENT ABOUT TWO HOURS LATER AND TOLD ME HE HAD MET SOMEBODY WHOM HE HAD NOT BEEN ABLE TO SEE TOO CLEARLY BECAUSE THE MAN KEPT HIS FACE IN THE DARK. DAVID TOLD ME THAT HE HAD MET THIS MAN ON A STREET IN THE FIFTY-S IN THE VICINITY OF AN ELEVATED RAILROAD. DAVID SAID THAT JULIUS ROSENBERG INTRODUCED DAVID TO THIS UNKNOWN MAN SAYING QUOTE THIS IS DAVE UNQUOTE, BUT JULIUS ROSENBERG DID NOT TELL DAVID WHO THE MAN WAS OR WHAT HIS NAME WAS. DAVID SPENT BETWEEN TWENTY AND THIRTY MINUTES WITH THIS UNKNOWN MAN BUT I DO NOT RECALL WHAT DAVID TOLD ME HE DISCUSSED WITH THIS UNKNOWN MAN. P AFTER HIS FURLOUGH, DAVID RETURNED TO LOS ALAMOS, NEW MEXICO AND IN MARCH NINETEEN FORTYFIVE I WENT OUT TO ALBUQUERQUE, NEW MEXICO TO LIVE. FIRST I LIVED IN A HOTEL AND THEN I STAYED AT THE APARTMENT OF A FRIEND OF DAVID-S WHOSE WIFE HAD GONE BACK EAST. WHEN DAVID-S FRIEND-S WIFE RETURNED FROM THE EAST, I THEN WENT TO A HOTEL TO LIVE UNTIL I FINALLY OBTAINED THE APARTMENT AT TWO NAUGHT NINE NORTH HIGH STREET, ALBUQUERQUE, NEW MEXICO. DAVID ONLY CAME HOME ON WEEK-ENDS. P ONE

END OF PAGE EIGHT

PAGE NINE

SUNDAY MORNING IN JUNE NINETEEN FORTYFIVE, A MAN CAME TO OUR APARTMENT AT TWO NAUGHT NINE NORTH HIGH STREET, ALBUQUERQUE, NEW MEXICO AND SAID HE WAS DAVE FROM PITTSBURGH. THIS MAN GAVE MY HUSBAND DAVID THE MATCHING HALF OF THE JELLO BOX SIDE. THIS MAN TOLD DAVID WHAT INFORMATION HE WANTED AND DAVID WROTE DOWN THE INFORMATION REQUESTED AND TOLD THIS MAN TO COME BACK LATER. THIS MAN RETURNED LATER THAT SAME DAY, AT WHICH TIME DAVID GAVE HIM SOME WRITTEN INFORMATION; IN RETURN DAVID RECEIVED A SEALED ENVELOPE FROM THIS MAN. I RECALL THAT DAVID AND THIS MAN DISCUSSED HOW THE ATOM BOMB WAS DETONATED AND THAT THIS MAN TOLD DAVID THAT HE WAS A CHEMICAL ENGINEER. I ALSO RECALL THAT DAVID AND THIS UNKNOWN MAN DISCUSSED LENSES AND HIGH-SPEED CAMERAS. THIS UNKNOWN MAN ALSO INDICATED TO DAVID AND ME THAT HE MIGHT RETURN AT A LATER DATE AND HE WANTED INFORMATION FROM DAVID ALONG THE SAME LINES AS DAVID HAD GIVEN HIM. HE ALSO WANTED TO KNOW THE NAMES OF THE PEOPLE AT LOS ALAMOS WHO WERE INCLINED TO BE QUOTE LEFTIST UNQUOTE. I THINK THAT DAVID GAVE THIS MAN THE NAMES OF SUCH PEOPLE WORKING AT LOS ALAMOS. AFTER THIS MAN RECEIVED THIS INFORMATION, WE ALL LEFT THE APARTMENT AND WE WALKED TO THE FRONT OF THE USO BUILDING AND DAVID AND I RETURNED TO OUR APARTMENT. WE OPENED THE

END OF PAGE NINE

PAGE TEN

ENVELOPE WHICH THIS MAN HAD GIVEN DAVID AND DISCOVERED THAT IT CONTAINED FIVE HUNDRED DOLLARS. THE TAKING OF THE MONEY MADE DAVID AND ME FEEL WORSE BECAUSE IT WAS NOW APPARENT THAT WE WERE NOT JUST PASSING INFORMATION BUT RATHER THAT WE WERE BEING PAID FOR IT. WHEN DR. KLAUS FUCHS WAS ARRESTED, JULIUS ROSENBERG CAME TO OUR APARTMENT AND TOLD DAVID AND ME THAT THE MAN WHO HAD CONTACTED US IN ALBUQUERQUE, NEW MEXICO IN JUNE NINETEEN FORTYFIVE WOULD BE THE NEXT ONE TO BE PICKED UP AND THAT QUOTE THEY UNQUOTE WERE GOING TO CONTACT THIS MAN TO TELL HIM TO KEEP QUIET. ON MAY TWENTYTHIRD, NINETEEN FIFTY, JULIUS ROSENBERG CAME TO OUR APARTMENT WITH A COPY OF A NEWSPAPER WHICH I THINK WAS THE NEW YORK QUOTE HERALD TRIBUNE UNQUOTE IN WHICH APPEARED A PHOTOGRAPH OF ONE HARRY GOLD WHO HAD BEEN ARRESTED IN PHILADELPHIA, PENNSYLVANIA BY THE FBI. JULIUS ROSENBERG TOLD US THAT THIS HARRY GOLD WAS THE MAN WHO HAD CONTACTED US IN ALBUQUERQUE, NEW MEXICO. JULIUS ROSENBERG THEN TOLD US THAT WE HAD TO LEAVE THE UNITED STATES BECAUSE SOMETIME BETWEEN JUNE TWELVE AND JUNE SIXTEEN, NINETEEN FIFTY SOMETHING WOULD HAPPEN TO US. JULIUS ROSENBERG WANTED DAVID AND ME TO TAKE OUR TWO CHILDREN WITH US TO THE SOVIET UNION. JULIUS

END OF PAGE TEN

PAGE ELEVEN

ROSENBERG WAS GOING TO OBTAIN UNITED STATES PASSPORTS FOR US. JULIUS ROSENBERG SAID QUOTE MY FRIEND TELLS ME BEFORE YOU GET A PASSPORT YOU HAVE TO GET INJECTED AGAINST SMALL POX UNQUOTE. JULIUS ROSENBERG WANTED US TO GET A DOCTOR TO GIVE US A FALSE LETTER STATING THAT WE HAD RECEIVED SUCH A SMALLPOX INNOCULATION. DAVID AND I REFUSED TO DO THIS. JULIUS ROSENBERG THEN TOLD US THAT HE WOULD GET HIS DOCTOR WHO LIVES IN KNICKERBOCKER VILLAGE, NEW YORK CITY TO PREPARE SUCH A LETTER FOR HIMSELF AND FOR US. JULIUS ROSENBERG ADVISED US TO LEAVE EVERYTHING WE HAD IN OUR APARTMENT AT RIVINGTON STREET AND TO JUST TAKE OUR CLOTHING WITH US AND GO TO MEXICO CITY, MEXICO. ¶ AT MEXICO CITY WE WERE TO RENT A HOUSE AND AFTER LIVING THERE ONE MONTH WE WERE TO WRITE TO THE SOVIET CONSULATE AT MEXICO CITY, MEXICO USING A NAME WHICH JULIUS ROSENBERG GAVE US BUT WHICH I DO NOT RECALL AT THE PRESENT TIME, AND ABOUT THREE DAYS LATER WE WERE TO MEET SOMEONE IN FRONT OF A STATUE IN A PARK IN MEXICO CITY, MEXICO. AFTER THIS MEETING WE WERE TO TRAVEL BY BOAT TO EUROPE AND PROCEED TO EITHER BERNE SWITZERLAND OR SOME OTHER CITY IN EUROPE, THE NAME OF WHICH I DO NOT RECALL, WHERE WE WOULD AGAIN CONTACT THE SOVIET CONSULATE THERE BY

END OF PAGE ELEVEN

//

PAGE TWELVE

LETTER AND THREE DAYS LATER WE WOULD MEET SOMEONE IN FRONT OF A STATUE IN A PARK IN THE EUROPEAN CITY. AT THIS POINT OUR TRANSPORTATION TO THE SOVIET UNION WOULD BE ARRANGED FOR US. JULIUS ROSENBERG TOLD US THAT HE THOUGHT THAT IT WAS A GOLDEN OPPORTUNITY FOR US TO GO TO THE SOVIET UNION. AT THIS TIME JULIUS ROSENBERG GAVE DAVID AND ME ONE THOUSAND DOLLARS IN CASH CONSISTING OF OLD TEN AND TWENTY DOLLAR BILLS. FIVE HUNDRED DOLLARS OF THIS I PUT IN A SPECIAL CHECKING ACCOUNT AT THE MANUFACTURERS TRUST COMPANY LOCATED AT GRAND AND NORFOLK STREETS, NEW YORK CITY, AND THE BALANCE WAS USED TO PAY SOME DEBTS AND HOUSEHOLD EXPENSES. ABOUT JUNE TWO, NINETEEN FIFTY JULIUS ROSENBERG RETURNED TO OUR APARTMENT AND GAVE DAVID AND ME FOUR THOUSAND DOLLARS IN CASH, CONSISTING OF OLD TEN AND TWENTY DOLLAR BILLS. THIS MONEY WAS TO BE USED BY US FOR OUR FLIGHT FROM THE UNITED STATES. AT THIS TIME JULIUS ROSENBERG PROMISED US AN ADDITIONAL TWO THOUSAND DOLLARS WHICH WE NEVER RECEIVED FROM HIM.

I WOULD LIKE TO MAKE IT CLEAR THAT AT THE TIME WE RECEIVED THE FIVE THOUSAND DOLLARS FROM JULIUS ROSENBERG WE NEVER INTENDED TO LEAVE THE UNITED STATES BECAUSE THIS IS OUR COUNTRY AND WE WANT TO STAY HERE AND LIVE HERE AND RAISE OUR CHILDREN. I WOULD LIKE TO POINT OUT THAT WE ACCEPTED THE MONEY FROM JULIUS ROSENBERG BECAUSE DAVID SAID

END OF PAGE TWELVE

12

PAGE THIRTEEN

ASAC Whelan of New York called at 5:35 P.M. and referred to the teletype from the New York Office dated June 29, 1950, in this case in which New York referred to the offer made by counsel for the Greenglasses, Mr. O. John Rogge, to have his clients interviewed.

Mr. Whelan stated that the New York Office was interested in determining the reaction to Rogge's offer at the Department.

Mr. Whelan pointed out that regardless of how the Department felt, he believed that the Bureau may have a responsibility of accepting Rogge's offer to talk to Ruth and David Greenglass for the purpose of obtaining and developing information regarding Julius Rosenberg and any other data regarding Russian espionage activities known to the Greenglasses. Mr. Whelan pointed out that the Greenglasses are under indictment and that the offer to have them talk to Bureau Agents initiated with Rogge.

He said it is entirely possible that if at the time of the trial or sentencing of the Greenglasses, Rogge makes a public announcement that he offered to cooperate and assist in this investigation with the Department and/or the FBI, it might be embarrassing for the Bureau to have to admit that his offer, particularly since it involved information of possible intelligence character, was not accepted.

I told Mr. Whelan that it was my understanding that this matter had been referred to the Department and that the Bureau presently was awaiting a reply from the Department as to what, if any, action it proposed to take on the offer. Mr. Whelan was informed, however, that these observations would be brought to the attention of the appropriate Bureau officials and that the New York Office would be advised as to what, if any, additional action was desired.

Handwritten initials and checkmark

Re Albany teletypes to Bureau and New York, July 25, 1950,
1:05 AM and 2:28 PM, and Albany letter to New York, July 25, 1950.

Examination of the Bee-Bee camera owned by Alfred Sarant was made by SA LESTER O. GALLAHER. This examination reflects that the number of the box is #14285. This number is located on the back of the camera at the top of the body. The camera has a 10.5 cm., F 2.9 Meyer Gorlitz Trioplan lens #793584 fitted in a Compur shutter #3537075. The latter manufactured by F. Deckel - Munchen. A clamp above the lens facilitates easy removal and replacement of the lens and shutter assembly.

The camera was originally designed for use with 6.5 cm. x 9 cm. cut film, film packs or glass plates; however, a Mico Springback manufactured by Mico Photo Products Company, Chicago, Illinois, has been attached to the camera in order to adapt it for use with 2 1/4" x 3 1/4" cut film or film pack. This "Springback" has a ground glass focusing screen built into it thereby making it unnecessary to remove the ground glass to attach the cut film holder or the film pack adapter. A hole has been drilled in the back of the camera in the top to facilitate the attachment of the "Springback" by means of a screw. In general, the design of the camera is almost identical to the Kodak Recomar used by the Bureau.

It is further noted that the name Certotrop appears on the camera as well as the name Bee-Bee. The former name has been painted over. It appears to have been done at the place of manufacture.

Mr. FRANK RIZZATTI, of the Burleigh Brooks Company, Ten West 46th Street, New York City, has advised that the Bee-Bee cameras were imported by his firm from the Certowerke, Dresden, Germany and distributed in this country by the Burleigh Brooks Company. The camera was sold in Europe under the trade name Certo, but sold in this country under the trade name Bee-Bee, this name standing for the Burleigh Brooks Company.

According to RIZZATTI, this camera has not been imported since approximately 1939 or 1940, because of the disruption of normal trade channels due to World War II and because of the fact that the Certowerke is presently in the Russian Zone and business relations have not been resumed with this firm. He stated that two models of the camera were manufactured, these being the 6.5 cm. x 9 cm. and a 9 cm. x 12 cm., each model having been equipped with various lenses.

UNRECORDED COPY FILED IN 65-59242

Letter to Director
NY 65-15348

Mr. LOU RIZZATTI advised on July 27, 1950, after searching the records of the Burligh Brooks Company, that he was unable to find any information concerning instant camera. He was able to locate records reflecting that Bee-Bee cameras #114282, #114283, and #114284 were imported by the company in 1937 and sold in 1939. However, he was unable to locate any information which would indicate the persons or firms to whom the cameras were sold. He advised that these three cameras were all equipped with similar lens equipment to instant camera. He further advised that because the company had moved its headquarters since 1939, many records prior to 1940 had been destroyed.

During the interview of Mr. FRANK RIZZATTI, mentioned above, he indicated that occasionally cameras were sold directly from the Burligh Brooks Company rather than through dealers, as was generally the custom. He stated this would occur when a dealer did not have the camera in stock or when the Burligh Brooks Company received mail order inquiries concerning the camera. Therefore, a possibility exists that this camera was taken from stock and sold directly at any time between 1937 and 1939, and because of the incompleteness of the Burligh Brooks Company records, no indication presently exists as to the disposition of this camera. The camera is being returned to the Albany Office with this letter.

Office Memorandum • UNITED STATES GOVERNMENT

TO : Director, FBI
FROM : GUY HOTTEL, SAC, Washington Field
SUBJECT: JULIUS ROSENBERG
ESPIONAGE - R

DATE: July 27, 1950

ALL INFORMATION CONTAINED
HEREIN IS UNCLASSIFIED
DATE 7/14/86 BY 3042 PWS/MS
h 7 D

ReNYtel to Bureau and Washington Field dated July 21, 1950, at 9:58 P. M., and WFOTel to Bureau and New York dated July 27, 1950.

The records of the Office of Scientific Research and Development in the Office of Emergency Management, on file at the National Archives, reflect Contract OEM-sr-885 was entered into by the OSRD and Emerson Radio and Phonograph Corporation, 111 - Eighth Avenue, New York City, on January 1, 1943. The contract reflects the "subject work" of the contractor (Emerson) was to "conduct studies and experimental investigations in connection with and carry on continuous developmental work on special radio devices and associated equipment for use primarily in connection with ordnance. The contractor agrees to deliver, transportation paid, where and as directed by the contracting officer or an authorized representative, several models of and manufacturing drawings and specifications for special radio devices developed hereunder". The original contract was to proceed until April 30, 1943.

The contract was stamped "confidential" and is still graded confidential.

By letter dated April 29, 1943 from IRVIN STEWART to S. W. GROSS of Emerson, the contract was extended to August 31, 1943. The contract was extended to January 31, 1944 by letter dated September 11, 1943 from CLEVELAND NORCROSS, Acting Contracting Officer, to S. W. GROSS of Emerson. This letter is noted as Supplement #1 to Contract OEM-sr-885. Supplement #2 to the contract extended it to April 30, 1944. Supplement #3 to the contract is a letter from IRVIN STEWART to S. W. GROSS extending the contract to August 31, 1944. Supplement #4 reflects the contract will be terminated September 30, 1944. All Supplements to the contract were stamped "confidential".

As noted, the contract makes no reference to fuzes, however, a contract proposal on OEM-sr-885 in the file reflects the scope as "the further development of (a) generator-powered radio proximity fuze for application on ground approach and plane to plane bombs, and (b) a generator-powered proximity fuze for use on plane to plane rockets.

Correspondence in the files indicates OEM-sr-885 was a developmental contract, whereas OEM-sr-1113 was an experimental construction contract.

Contract OEM-sr-1113 was executed on September 20, 1943, effective as of May 15, 1943, between OSRD and Emerson Radio and Phonograph Company for

cc - New York (65-15336)

"... manufacture and deliver... special electronic devices". The contract was to continue to January 31, 1944. Supplement #1 extended OEM-sr-1113 to March 31, 1944. Supplement #2 changed only the payment articles of the contract. Supplement #3 is a letter dated April 10, 1944 from IRVIN STEWART to Emerson, extending the contract to August 31, 1944.

Letters in the file of OEM-sr-1113 indicate the contract was closed June 10, 1944, inasmuch as the devices specified in the contract would be performed under an Emerson contract with the Supply Corps of the U. S. Army.

Contract OEM-sr-1113 is stamped "confidential", however, it was re-graded to "unclassified" on the order of the Secretary of the Army, however, no date is shown as to this down-grading in classification.

As noted, the contract listed "subject work" as manufacture and delivery special electronic devices, however, a contract proposal on OEM-sr-1113 reflects scope of the contract is "to continue experimental production of the generator-powered radio bomb fuze...".

Contract OEM-sr-1500 was an informal agreement between Emerson Radio and Phonograph Corporation and OSRD, entered into for the production of 2000 modified "T-50" type fuzes. The settlement agreement entered into on November 28, 1945 reflects the contracting officer (Government) sent a letter of intent to Emerson on June 28, 1945 and Emerson sent a letter of acceptance on July 2, 1945. The contract was terminated August 17, 1945 at the convenience of the Government.

The correspondence in the file indicates the fuzes produced under OEM-sr-1500 were to be used on British rockets and the funds were to be taken from Lend Lease.

Correspondence in OEM-sr-1500 is stamped "confidential" but has been re-graded to "unclassified" upon order of Secretary of the Army, the date not indicated.

Major L. S. SWINEHEART, Chairman, Joint Documents Unit, Security Classification Review Branch, advised OEM-sr-1113 and OEM-sr-1500 were down-graded to "unclassified" on October 11, 1949 per authority granted under JC 418 and 419.

By teletype on July 25, 1950, the Washington Field Office requested the St. Louis Division to review Contract #W28-004-sc-114, on file at GAO-Army Audit Division, 4300 Goodfellow Boulevard, Building 203, St. Louis, Missouri. It is believed that Signal Corps Contract which St. Louis had been requested to review is a production contract for the fuzes developed under OEM-sr-1113.

Office Memorandum • UNITED STATES GOVERNMENT

TO : Director, FBI

FROM : SAC, New York

SUBJECT: JULIUS ROSENBERG
ESPIONAGE - R

DATE: July 27, 1950

ALL INFORMATION CONTAINED
HEREIN IS UNCLASSIFIED
DATE 10/7/96 BY 3042 PWS/AB

Listed below are the names and descriptions of several individuals who at the present time are being investigated as members or suspected members of a Russian espionage parallel operated by JULIUS ROSENBERG. ROSENBERG was arrested at New York City on July 17, 1950 and charged with conspiracy to commit espionage against the United States. DAVID GREENGLASS has admitted furnishing information concerning the atomic bomb to HARRY GOLD in 1945 at Albuquerque, New Mexico, at which time GREENGLASS was a member of the United States Army stationed at Los Alamos, New Mexico. GREENGLASS has also advised that he was recruited to perform this work by JULIUS ROSENBERG. ROSENBERG is married to ETHEL GREENGLASS ROSENBERG, sister of DAVID GREENGLASS.

Photographs of the individuals listed are being furnished to the offices listed below to assist in their investigation or in any interviews conducted in the instant case.

The Knoxville Office is requested to exhibit these photographs to ALFRED DEAN SLACK for a possible identification.

The Philadelphia Office is requested to exhibit these photographs to HARRY GOLD and to THOMAS BLACK for possible identification.

The Baltimore Office is requested to show the photographs which have not already been shown to WHITTAKER CHAMBERS for possible identification.

FEDERAL BUREAU OF INVESTIGATION

Form No. 1

THIS CASE ORIGINATED AT

NEW YORK

FILE NO. 65-4350 JMF

REPORT MADE AT Philadelphia	DATE WHEN MADE JUL 26 1950	OFFICE WHICH MADE 67-2078 7/10, 12/50	REPORT MADE BY ROBERT G. JENSEN
TITLE JULIUS ROSENBERG		CHARACTER OF CASE ESPIONAGE - R	

SYNOPSIS OF FACTS:

HARRY GOLD, self-confessed Soviet agent, states he received information from DAVID GREENGLASS in Albuquerque, N.M. in June 1945. Tentative arrangements for a second meeting of GREENGLASS and GOLD in NYC for December 1945 were made. GOLD recalls this meeting in NYC to be at residence of a relative of GREENGLASS. RUTH GREENGLASS, DAVID's wife, stated she discussed arrangements of meeting with relative. GOLD states he believes relative's first name is JULIUS, but cannot recall whether or not he was given last name. This second meeting never occurred, according to GOLD.

ALL INFORMATION CONTAINED

DETAILS:

AT PHILADELPHIA, PA.

HARRY GOLD, a self-confessed Soviet Espionage Agent currently in Federal custody at the Holmesburg County Prison on charges of violating Sub Section A, Section 32, Title 50, USC in September 1945, furnished the following information to Special Agents T. SCOTT MILLER, Jr. and RICHARD E. BRENNAN on June 2, 26 and July 10 and 12, 1950.

Upon instructions from "JOHN" (later identified by GOLD as ANATOLI A. YAKOVLEV), GOLD's Soviet Espionage Superior, GOLD did in June 1945 contact DAVID GREENGLASS, a U.S. Army non-commissioned officer, in Albuquerque, New Mexico. GOLD has stated that he paid GREENGLASS the sum of \$500.00 for what GOLD believes to be a generalized description of the unit

51 AUG 16 1950

in Los Alamos, New Mexico, where GREENGLASS worked. He may also at this time have received a sketch of some structural equipment from GREENGLASS.

DAVID GREENGLASS on June 15, 1950 advised Special Agents JOHN W. LEWIS and LEO H. FRUTKIN at New York City that his wife, RUTH, arrived in New Mexico in the latter part of 1944 from New York City. At this time, according to GREENGLASS, RUTH said that DAVID's brother-in-law, JULIUS ROSENBERG, had wanted to know if GREENGLASS would furnish information on the Atom Bomb. GREENGLASS agreed to this.

On June 16, 1950 DAVID GREENGLASS was remanded to the custody of the United States Marshal, Southern District of New York, in default of \$100,000 bail by United States Commissioner EDWARD W. MC DONALD, Southern District of New York. GREENGLASS was charged with a violation of Title 50, Section 34, USC (1946 Edition).

It should be noted in connection with the information concerning the relative of GREENGLASS, GOLD on June 2, 1950, reported the following:

During a conversation held with DAVID GREENGLASS in Albuquerque, New Mexico in June 1945, tentative arrangements were made for a second meeting between GOLD and GREENGLASS. This meeting was to take place in New York City during a furlough which GREENGLASS expected to get at Christmas time in 1945. GOLD was to call GREENGLASS' father-in-law in the Bronx, New York City. According to GOLD, the father-in-law's name was or may have been PHILIP.

PH 65-4350

On June 26, 1950 GOLD advised that to the best of his recollection, the relative to DAVID GREENGLASS whom GOLD was to contact in December 1945 was named JULIUS and not PHILIP, as he had previously reported.

He also indicated that he is not certain nor can he recall whether he was ever given the last name of this relative. GOLD said that he came away from Albuquerque in June 1945 with the impression that DAVID GREENGLASS and his wife, RUTH, would be in New York City at this relative's residence in December 1945.

At this time GOLD stated he was not to contact the relative, JULIUS, but to make inquiry at this residence regarding the whereabouts of the GREENGLASSES. He believes that he was given the phone number of this relative to call and the GREENGLASSES would be there or he could learn their whereabouts through calling this number.

GOLD also advised that he has the impression that RUTH GREENGLASS indicated to him that she had spoken to this relative, JULIUS, and explained the arrangement for meeting shortly before she left New York for Albuquerque, New Mexico.

GOLD stated that in the fall of 1945 when he mentioned the arrangements for a tentative meeting with GREENGLASS set for December 1945 to ANATOLI A. YAKOVLEV, YAKOVLEV seemed to have lost interest. Accordingly, GOLD said he did not then attempt to reach GREENGLASS through his relative.

On June 12, 1950 HARRY GOLD advised that he had no further knowledge concerning the relative of GREENGLASS beyond that which he has previously furnished.

~~CONFIDENTIAL~~

JULIUS ROSENBERG
ESPIONAGE - R

Reference is made to my memorandum to the Attorney General dated July 17, 1950, entitled as above, wherein there was set forth information obtained from David Greenglass concerning Julius Rosenberg.

For your additional information there are attached hereto copies of two statements made by David Greenglass on July 17, 1950, and a copy of a statement made by his wife, Ruth Greenglass, also on July 17, 1950.

It should be noted that in the statements provided by David Greenglass, there is set forth technical information concerning the atom bomb. Attempts are now being made to determine the classified nature of that information. When such has been received you will be appropriately advised.

FIRST STATEMENT OF DAVID GREENGLASS

ALL INFORMATION CONTAINED
HEREIN IS UNCLASSIFIED
DATE 7/14/86 BY 3042 PWS

"I, David Greenglass, make the following statement to John W. Lewis and Leo H. Frutkin who have identified themselves to me as Special Agents of the Federal Bureau of Investigation. I make this statement freely and voluntarily and I have been advised of my right not to make a statement. I have also been advised of my right to an attorney. No promises or threats have been made to me to get me to make this statement. I understand that this statement may be used against me in a court of law.

"I was born March 3, 1922 at New York City and my home is now at 265 Rivington Street, New York City, New York. I was inducted into the U.S. Army April 12, 1943 and was given Army Serial Number 32882473 and was discharged from the Army February 28, 1946. About August, 1944, as a noncommissioned officer in the U. S. Army, I was assigned to a highly secret Army project at Los Alamos, New Mexico which I later learned to be the atom bomb project.

"About November 29, 1944, I traveled from Los Alamos to Albuquerque, New Mexico where I met my wife Ruth who had come from New York City to celebrate our wedding anniversary. On or about that date, while walking on route U. S. 66 toward the Rio Grande River in Albuquerque, my wife Ruth told me that my brother-in-law, Julius Rosenberg, who is married to my sister Ethel, had asked Ruth to ask me to furnish information concerning the work I was doing at Los Alamos so that it could be furnished to the Soviet Government. Ruth told me that I was working on the atom bomb project. I was very surprised but told Ruth that I already knew I was working on the atom bomb. She said that my brother-in-law explained that we are at war with Germany and Japan and they are the enemy and that Soviet Russia is fighting the enemy and is therefore entitled to the information. Ruth told me that she did not like for me to get involved in this matter as she thought it would cause trouble. I told Ruth, however, that I would agree to give whatever information came to me in the course of my employment at Los Alamos on the atom bomb project.

"I had a furlough from about December 30, 1944 to about January 20, 1945, which time I spent in New York City. While in New York City during that time I talked to Julius Rosenberg and Rosenberg described to me generally how the atom bomb functions. I later learned through my employment at Los Alamos that the bomb which Rosenberg had described to me at that time was the

ENCLOSURE

"Naval type atom bomb which was later dropped on Hiroshima about August, 1945. During this same meeting with Julius Rosenberg in January, 1945, I furnished Julius Rosenberg with a list of names of persons employed at Los Alamos whom I believed to be ideologically suited for recruitment to furnish information concerning the atom bomb for the Russians.

"It may have been during the above-mentioned furlough in January, 1945 or possibly during a furlough about September, 1945 that the following incident occurred.

"One night, while I was in New York City on furlough from the Los Alamos Atom Bomb Project, my brother-in-law, Julius Rosenberg, asked to see me. I borrowed an automobile, drove to the vicinity of about First Avenue, somewhere between East 42nd Street and East 59th Street in New York City, and parked the car at the curb on a north bound street facing north. Julius Rosenberg walked over to the car and told me to wait. Then he walked away and came back with a man and introduced him to me by first name which I do not recall. The man got into the car and Julius Rosenberg walked away. I drove the car around in New York City for about fifteen minutes while the man asked me questions about a high explosive lens which was being experimented with at the Los Alamos Atom Bomb Project at that time. I tried to describe the lens to the man while I was driving but was unable to furnish him with a great deal of information concerning it because I was concentrating on the driving. After I let the man out of the car I never saw nor heard of him again. At the end of my furlough time I returned to my assignment at Los Alamos.

"About February, 1945, my wife Ruth moved to Albuquerque, New Mexico. She said she had been told by Julius Rosenberg that a woman named Anne would come to Albuquerque, New Mexico and would meet Ruth in front of a store on Central Avenue in Albuquerque, at which time arrangements would be made for a meeting to pick up information to be furnished by me concerning the atom bomb. As I recall, Anne was supposed to come to Albuquerque about the latter part of May and Ruth was to walk in front of the store at a certain time on three different consecutive days until the meeting with Anne should be made. This meeting, however, never occurred.

"About June, 1945 a man came to the apartment where my wife Ruth was living at 209 North High Street, Albuquerque, New Mexico. He had with him

*a torn piece of cardboard which matched a torn piece of cardboard I had been furnished as a means of identifying the person to whom I was to furnish information concerning the atomic bomb. I am unable to recall at this time whether my half of the torn cardboard was furnished to me by Julius Rosenberg during my January, 1945 furlough in New York City or whether Rosenberg had given it to my wife Ruth to give to me when she moved to Albuquerque in February, 1945. This man who had the proper identification, I believe, introduced himself to me as Dave, although I am not certain of the name he used, however, I later recognized this man's picture in various newspapers as being Harry Gold. At the time Gold came to me in Albuquerque in June, 1945 I furnished him with a list of names of persons employed at the Los Alamos Atom Bomb Project whom I thought might be ideologically suited for recruitment to furnish information to the Russians concerning the atom bomb and I also gave him a sketch of a high explosive lens mold which was an experiment to study implosion effects on a steel tube to understand the effect it would have on uranium so that it could be determined how a critical mass could be arrived at which would not explode before detonation. I also furnished Gold with information concerning the identity of a world-famous scientist who was working at Los Alamos under an assumed name and also furnished information that Oppenheimer and Kistiakowsky were working at Los Alamos. Gold told me that I was living in a rather poor place and said I could probably use some money. I answered that I could use some money. Gold then gave me an envelope containing five hundred dollars in currency. Gold said that he would come back to see me again and I agreed to see him but he never contacted me again. My wife Ruth also met Gold at that time.

*I had a furlough from Los Alamos about September, 1945, which I spent in New York City. Almost as soon as I got to New York City Julius Rosenberg got in touch with me and I met him on the street somewhere in the city. At that time I furnished Julius Rosenberg with an unsealed envelope containing the information I had been able to gather concerning the atomic bomb, as well as a couple of sketches of the molds which make up the atom bomb. To the best of my recollection, the information I furnished Rosenberg concerning the atom bomb at that time is substantially as follows:

*The atomic bomb is made up of thirtysix pentagonal-shaped molds. When all set together, the molds form a sphere made of a high explosive, with a ball of plutonium in the center. Inside the plutonium is a sphere of beryllium. A barium plastic shield is in between the plutonium and the high

"explosive. The high explosive has two detonators for each high explosive segment. The detonators are connected to a number of condensers, possibly about thirtysix or seventytwo. The condensers are also called capacitors. The number of detonators is twice the number of molds and the number of condensers is equal in number to the detonators. The beryllium has a hollow center. The beryllium has a number of cone-shaped holes in it. The apex of each cone is toward the periphery of the beryllium. The beryllium is gold-plated which prevents it from emitting neutrons. The detonation of the high explosive causes the plutonium to be crushed or imploded and therefore increases the number of plutonium neutrons which are free. The beryllium also becomes imploded and the beryllium neutrons are jettied out through the cones into the mass of plutonium which sets off the chain reaction of the plutonium which results in an atomic explosion.

"I do not know whether Rosenberg read the above information or what disposition he made of it. He did not give me any money for the information at that time. The war was over at that time and I was hoping to be discharged from the Army in the near future. Rosenberg at that time attempted to persuade me to continue my employment at the Los Alamos Atom Bomb Project in a civilian capacity after such time as I should be discharged from the Army. I declined to follow this advice, inasmuch as I desired to return to my home in New York City.

"Shortly after my discharge from the Army February 28, 1946, I returned to my home in New York City and after a few months became associated in business with Julius Rosenberg. He and I and others were partners in the G and R Engineering Company, New York City, in 1946, and continued that arrangement when that company was taken over by the Pitt Machine Products Company, Incorporated, New York City. I severed my relations with the latter company in September, 1949. During my association with Julius Rosenberg in business from 1946 to 1949, I learned through conversations with him that he has been extensively engaged in Soviet espionage. He has since my discharge attempted to persuade me to become a student of nuclear physics at the Massachusetts Institute of Technology to be financed by him and the GI Bill of Rights in order that I could make contacts in the field of nuclear physics to obtain information for the Soviet Government. He also on one occasion attempted to persuade me to become a student at the University of Chicago at Russian expense because several of the persons there previously worked on the Los Alamos Atom Bomb Project.

"Periodically, since I was discharged from the Army, I have borrowed sums of money from Julius Rosenberg in different amounts up to two hundred dollars each which probably totals about one thousand dollars. On each occasion, Rosenberg would tell me that he would have to borrow the money from someone else to let me have it. I believe he made these loans to me without expecting repayment because of the knowledge I had of his Soviet espionage activities.

"About February, 1950, when Klaus Fuchs was arrested in England, Rosenberg came to me and said that I would have to leave the country because Fuchs arrest would lead directly to Gold. I declined, however, to leave the United States. When Harry Gold was arrested, Julius Rosenberg came to me and pointed to Gold's picture in the paper and said that this is the man who contacted me in Albuquerque and that I would have to leave the country. He said that more important persons than I have left the country. He gave me one thousand dollars for expenses to get out of the United States. I told him that this was not enough money for me to leave because I had numerous debts to pay. A few days later, Julius Rosenberg again came to my home and gave me four thousand dollars in twenty dollar bills to leave the country. I believe that day was Sunday, May 28, 1950. I indicated to Julius that I would leave the country and he said I should leave any time after June 11, 1950. Julius gave me the following instructions as to what I should do in this regard. I was to go to Mexico City by train with my family. There I was to rent a house and write a letter to the Soviet Embassy in Mexico City. In the letter, I was to mention something about the United Nations. I was then to wait three days at which time I would go to the Plaza de la (something or other) and stand in front of a statue of Christopher Columbus at five P.M. with my thumb in the Mexico City street guide. A man would then come to me and say have you ever seen such a statue before. I was to answer no, that I have lived in Oklahoma all my life. He was to say there is a much better statue in Paris. The man would then give me passports and money for a trip to either Stockholm, Sweden, or Bern, Switzerland, where I was to repeat the same procedure and if I were to go to Stockholm I would stand in front of a statue of Linneaus, at which time I would receive the necessary papers to continue my trip to Czechoslovakia where I was to write to the Soviet Ambassador to merely state, 'I am here.'

"My wife and I decided not to leave the country but wanted to give Rosenberg the impression that we intended to leave. We decided to go to the

mountains in upstate New York and stay there until Rosenberg left the country as he indicated he would do. We planned to return to New York City after we had learned of Rosenberg's departure.

"I have read the above statement consisting of this page and seven preceding pages. It is true to the best of my knowledge."

"Julius Rosenberg with a list of names of persons employed at Los Alamos whom I believed to be ideologically suited for recruitment to furnish information concerning the atom bomb for the Russians.

"It may have been during the above-mentioned furlough in January, 1945 or possibly during a furlough about September, 1945 that the following incident occurred.

"One night, while I was in New York City on furlough from the Los Alamos atom bomb project, my brother-in-law, Julius Rosenberg, asked to see me. I borrowed an automobile, drove to the vicinity of about First Avenue, somewhere between East 42nd Street and East 59th Street in New York City, and parked the car at the curb on a north-bound street facing north. Julius Rosenberg walked over to the car and told me to wait. Then he walked away and came back with a man and introduced him to me by first name which I do not recall. The man got into the car and Julius Rosenberg walked away. I drove the car around in New York City for about fifteen minutes while the man asked me questions about a high explosive lens which was being experimented with at the Los Alamos atom bomb project at that time. I tried to describe the lens to the man while I was driving but was unable to furnish him with a great deal of information concerning it because I was concentrating on the driving. After I let the man out of the car I never saw nor heard of him again. At the end of my furlough time I returned to my assignment at Los Alamos.

"About February, 1945, my wife Ruth moved to Albuquerque, New Mexico. She said she had been told by Julius Rosenberg that a woman named Anne would come to Albuquerque, New Mexico, and would meet Ruth in front of a store on Central Avenue in Albuquerque, at which time arrangements would be made for a meeting to pick up information to be furnished by me concerning the atom bomb. As I recall, Anne was supposed to come to Albuquerque about the latter part of May and Ruth was to walk in front of the store at a certain time on three different consecutive days until the meeting with Anne should be made. This meeting, however, never occurred.

"About June, 1945, a man came to the apartment where my wife Ruth was living at 209 North High Street, Albuquerque, New Mexico. He had with him a torn piece of cardboard which matched a torn piece of cardboard I had been furnished as a means of identifying the person to whom I was to furnish information concerning the atomic bomb. I am unable to recall at this time whether my half of the torn cardboard was furnished to me by Julius Rosenberg during my January, 1945 furlough in New York City or whether Rosenberg had given it to my wife Ruth to give to me when she moved to Albuquerque in February, 1945.

"This man who had the proper identification, I believe, introduced himself to me as Dave, although I am not certain of the name he used, however, I later recognized this man's pictures in various newspapers as being Harry Gold. At the time Gold came to me in Albuquerque in June, 1945, I furnished him with a list of names of persons employed at the Los Alamos Atom Bomb Project whom I thought might be ideologically suited for recruitment to furnish information to the Russians concerning the atom bomb and I also gave him a sketch of a high explosive lens mold which was an experiment to study implosion effects on a steel tube to understand the effect it would have on uranium so that it could be determined how a critical mass could be arrived at which would not explode before detonation. I also furnished Gold with information concerning the identity of a world-famous scientist who was working at Los Alamos under an assumed name and also furnished information that Oppenheimer and Kistiakowsky were working at Los Alamos. Gold told me that I was living in a rather poor place and said I could probably use some money. I answered that I could use some money. Gold then gave me an envelope containing \$500 in currency. Gold said that he would come back to see me again and I agreed to see him but he never contacted me again. My wife Ruth also met Gold at that time.

"I had a furlough from Los Alamos about September, 1945, which I spent in New York City. Almost as soon as I got to New York City Julius Rosenberg got in touch with me and I met him on the street somewhere in the city. At that time I furnished Julius Rosenberg with an unsealed envelope containing the information I had been able to gather concerning the atomic bomb, as well as a couple of sketches of the molds which make up the atom bomb. To the best of my recollection, the information I furnished Rosenberg concerning the atom bomb at that time is substantially as follows.

"The atomic bomb is made up of thirty-six pentagonal-shaped molds. When all set together, the molds form a sphere made of a high explosive, with a ball of plutonium in the center. Inside the plutonium is a sphere of beryllium. A barium plastic shield is in between the plutonium and the high explosive. The high explosive has two detonators for each high explosive segment. The detonators are connected to a number of condensers, possibly about thirty-six or seventy-two. The condensers are also called capacitors. The number of detonators is twice the number of molds and the number of condensers is equal in number to the detonators. The beryllium has a hollow center. The beryllium has a number of cone-shaped holes in it. The apex of each cone is toward the periphery of the beryllium. The beryllium is gold-plated which prevents it from emitting neutrons. The detonation of the high explosive causes the plutonium to be crushed or imploded and therefore increases the number of

"plutonium neutrons which are free. The beryllium also becomes imploded and the beryllium neutrons are jettied out through the cones into the mass of plutonium which sets off the chain reaction of the plutonium which results in an atomic explosion.

"I do not know whether Rosenberg read the above information or what disposition he made of it. He did not give me any money for the information at that time. The war was over at that time and I was hoping to be discharged from the army in the near future. Rosenberg at that time attempted to persuade me to continue my employment at the Los Alamos Atom Bomb Project in a civilian capacity after such time as I should be discharged from the army. I declined to follow this advice, inasmuch as I desired to return to my home in New York City.

"Shortly after my discharge from the army February 28, 1946, I returned to my home in New York City and after a few months became associated in business with Julius Rosenberg. He and I and others were partners in the G and R Engineering Company, New York City, in 1946, and continued that arrangement when that Company was taken over by the Pitt Machine Products Company, Inc., New York City. I severed my relations with the latter Company in September, 1949. During my association with Julius Rosenberg in business from 1946 to 1949, I learned through conversations with him that he has been extensively engaged in Soviet espionage. He has told me that he has contacts with scientists or engineers in Cleveland, Ohio, and in upstate New York, I believe at Syracuse, Rochester, Buffalo, and Schenectady. He also told me that usually, where he has a contact who is a scientist working at some plant or laboratory doing secret work, that he also has a contact with a technician or some insignificant person who makes microfilm of the information furnished by the scientist. This microfilm is then taken to some movie theater in New York by Julius Rosenberg where it is hidden in some obscure place and is shortly thereafter picked up by the Russians. He has told me that in some instances his contacts furnish him the information before it is microfilmed and in those cases, Rosenberg himself makes up the microfilm. For this purpose, he has a leica camera and also has two apartments having no tenants where he does the photographic work. One of these apartments is located in the vicinity of Twelfth Street and Avenue B in New York City and is a furnished apartment. The other is located somewhere in Greenwich Village, New York. I do not know whether he has rented both of the above apartments at the same time. He offered to let me use the apartment at Twelfth Street and Avenue B for living quarters when I was discharged from the army in February, 1946, however, I declined this offer as I did not wish to have any further participation in Soviet espionage and so did not see the apartment. Rosenberg has told me that

when he wants to meet any of his Russian espionage superiors in person that arrangements are made for them to meet him somewhere on Long Island and that on those occasions the Russian is very careful to elude any surveillance that is being conducted on him. Julius Rosenberg told me that he knows about a sky platform the U.S. Government is working on in upstate New York. He explained that this project is presently in the stage where the mathematics are being worked out and it would consist of a platform at a point in space where gravity ceases to exist, perhaps about 5,000 miles from the earth. He also told me that he knows of work being done on atomic energy in connection with its use in producing power for airplanes. He has mentioned a contact in upstate New York who is working on jet airplanes. He has since my discharge attempted to persuade me to become a student of nuclear physics at the Massachusetts Institute of Technology to be financed by him and the GI Bill of Rights in order that I could make contacts in the field of nuclear physics to obtain information for the Soviet Government. He also on one occasion attempted to persuade me to become a student at the University of Chicago at Russian expense because several of the persons there previously worked on the Los Alamos Atom Bomb Project. He has also told me that he is known to Elizabeth Bentley and Jacob Golos. Rosenberg was under the impression that he had introduced me to Harry Gold, however, that is a mistake. Rosenberg has told me that the Russians are very weak in electronics and radio tubes and any information in that regard is very valuable to them. Julius Rosenberg also once told me that he took the whole proximity fuse out of Emerson Electric Company in a briefcase while Rosenberg was employed there and that the proximity fuse was a highly secret invention at that time.

"The person named Anne, mentioned above, who was supposed to have contacted Ruth in Albuquerque, New Mexico, is married to Mike, whose last name I cannot recall. I do not know whether I ever met Anne but have a vague impression of having met her once at the home of Julius Rosenberg. I remember that Mike attended Brooklyn Polytechnic Institute, Brooklyn, New York, while I was there in 1940 and I believe that he was a Freshman at that time in the Day School and probably went on to graduate as I understand he is now a graduate engineer. About the summer of 1948, Mike came to the Pitt Machine Products Company, Inc., and asked to see Julius Rosenberg who was not there at the time. He told me I believe that he was then working at some establishment in Ohio which I believe may be Gibbs and Cox in Cleveland, Ohio. Mike is described as follows. Age, about thirty-two years; Height, 5' 8" - 5' 9"; Weight, 185 - 190 lbs.; Build, heavy, muscular, solid; Hair, black, bald in center, round head; Muscular jaws; Smokes pipe and talks with pipe in mouth; Ruddy complexion; Good teeth; Nationality; Born in United States, of Russian or Ukrainian ancestry; Heavy beard, but smooth shaven.

"Through conversation with Julius Rosenberg, I got the impression that the man who previously rented the apartment at 10 Monroe Street, New York City, now occupied by Rosenberg, was an engineer also engaged in Soviet espionage and it was through this medium that Rosenberg was able to get the apartment. This man left New York City ostensibly to go to the West Coast to live but instead went to China. Rosenberg also told me that a number of the scientists who attended the Cultural and Scientific meeting at the Waldorf Astoria Hotel in New York City some time ago, were contacts of Rosenberg. Rosenberg also told me that one of his contacts is a man who flew to Egypt as a \$200 a day consultant on an Egyptian Dam Project. This trip was made in the summertime between the period from 1946 to 1949.

"Periodically, since I was discharged from the Army, I have borrowed sums of money from Julius Rosenberg in different amounts up to \$200 each which probably totals about \$1,000. On each occasion, Rosenberg would tell me that he would have to borrow the money from someone else to let me have it. I regarded each of these as loans but because of my knowledge of Rosenberg's Soviet espionage activities, I believe that Rosenberg regarded them as blackmail.

"About February, 1950, when Klaus Fuchs was arrested in England, Rosenberg came to me and said that I would have to leave the country because Fuchs' arrest would lead directly to Gold. I declined, however, to leave the United States. When Harry Gold was arrested, Julius Rosenberg came to me and pointed to Gold's picture in the paper and said that this is the man who contacted me in Albuquerque and that I would have to leave the country. He said that more important persons than I have left the country already and that Joel Barr had left the United States before Fuchs was arrested and is doing work for the Russians overseas. He gave me \$1,000 for expenses to get out of the United States. I told him that this was not enough money for me to leave because I had numerous debts to pay. A few days later, Julius Rosenberg again came to my home and gave me \$4,000 in twenty dollar bills to leave the country. I believe that day was Sunday, May 28, 1950. I indicated to Julius that I would leave the country and he said I should leave any time after June 11, 1950. Julius gave me the following instructions as to what I should do in this regard. I was to go to Mexico City by train with my family. There I was to rent a house and write a letter to the Soviet Embassy at Mexico City. In the letter, I was to mention something about the United Nations. I was then to wait three days, at which time I would go to the Plaza De La (something or other) and stand in front of a statue of Christopher Columbus at 5:00 PM with my thumb in a Mexico City street guide. A man would then come to me and say have you ever seen such a statue before. I was to answer No, that I have

lived in Oklahoma all my life, he was to say there is a much better status in Paris. The man would then give me passports and money for a trip to either Stockholm, Sweden, or to Berne, Switzerland, where I was to repeat the same procedure and if I were to go to Stockholm I would stand in front of a statue of Linneaus, at which time I would receive the necessary papers to continue my trip to Czechoslovakia where I was to write to the Soviet Ambassador to merely state 'I am here.'

"Julius Rosenberg also told me that some of the Soviet espionage agents are not Russians but are in the diplomatic service of friendly nations, that is nations that are not behind the Iron Curtain.

"My wife and I decided not to leave the country but wanted to give Rosenberg the impression that we intended to leave. We decided to go to the mountains in upstate New York and stay there until Rosenberg left the country as he indicated he would do. We planned to return to New York City after we had learned of Rosenberg's departure. I assume that Rosenberg has not departed from the United States because he is under surveillance by the Federal Bureau of Investigation.

"I have read the above statement consisting of this page and ten preceding pages. It is true to the best of my knowledge.

/s/ David Greenglass

STATEMENT BY RUTH GREENGLASS

ALL INFORMATION CONTAINED
HEREIN IS UNCLASSIFIED
DATE 7/14/86 BY 3042AW/AS

"I, Ruth Greenglass, make the following statement to John A. Harrington and William P. Norton, Jr., who have identified themselves to me as Special Agents of the Federal Bureau of Investigation, United States Department of Justice. I make this statement freely and voluntarily after having been advised of my right not to make a statement, that I have a right to an attorney, and have consulted an attorney. I understand that this statement may be used against me in a court of law. This statement is not being made as a result of any threats, promises or duress.

"I was born May 1, 1924, at New York City and presently reside at 265 Rivington Street, New York City. I was married to David Greenglass on November 29, 1942, at New York City. In the early part of November, 1944, I planned to visit my husband, David, in Albuquerque, New Mexico, to spend our wedding anniversary together on November 29, 1944. David was then in the United States Army and Stationed in the vicinity of Albuquerque, New Mexico.

"In the early part of November, 1944, one evening I visited Julius Rosenberg and his wife, Ethel, at their home, GE-11, 10 Monroe Street, New York City. Ethel Rosenberg is my husband's sister. On the evening in question, Julius Rosenberg knew that I intended to visit my husband, David, in Albuquerque, New Mexico, about November 29, 1944. During the course of the evening, Julius Rosenberg told me that I might have noticed that he and his wife, Ethel Rosenberg, in recent months had not been attending any Communist Party meetings or any functions that had what he described to be a 'Red' tinge to them, and that Ethel Rosenberg had not been buying the 'Daily Worker' at her usual newsstand. To explain to me why he and Ethel Rosenberg had discontinued their open affiliation with the Communist Party, Julius Rosenberg said that he always wanted to do more than to be just a member in the Communist Party and that, therefore, he had searched for two years to place himself in contact with a group which I believe he described as a 'Russian underground.' In this way Julius Rosenberg felt that he could do the work that he was slated for. He stated that he wanted to do something to directly help Russia and that it took him two years to find the group through which this help could be given.

"Julius Rosenberg then told me that my husband, David, was at that time working at the place where the atom bomb was being made and that this bomb was more dangerous than any weapon that had ever been used. He also told me that there were radiation effects from the bomb. At this time I had no knowledge as to what the significance of the atom bomb was, though I did know that my husband was working on a secret project for the United States Army.

"Julius Rosenberg requested me when I visited my husband, David, in Albuquerque, New Mexico, to ask David if he would make scientific information available to the Russians. Julius Rosenberg said that the Russians were working on the atom bomb and that there was not a free exchange of information between the Allies and Russia. Julius Rosenberg said that he felt that Russia should be placed on an equal plane with the other Allies as far as the availability of this atomic information was concerned.

"Because I was very reluctant to do what Julius Rosenberg requested me to do, his wife, Ethel Rosenberg, who was present during this conversation, told me that I should at least ask my husband, David, if he would furnish this type of information to the Russians. I was very reluctant to do what Julius and Ethel Rosenberg requested me to do, but they finally persuaded me to ask David if he would be willing to furnish information to the Russians.

"At a later date, prior to my departure for Albuquerque, New Mexico, Julius Rosenberg gave me about \$150 to help pay the expenses of my trip.

"In the latter part of November, 1944, I left New York by train for Albuquerque, New Mexico. I had previously made reservations by telegram at the El Fidel Hotel, Albuquerque, New Mexico. I arrived at Albuquerque, New Mexico, a few days before my wedding anniversary. David arrived in Albuquerque about November 28, 1944, and joined me at the El Fidel Hotel. We spent our second wedding anniversary together on November 29, 1944. David had a pass for about five days.

"Just prior to my return to New York, while David and I were taking a walk, I told him what Julius Rosenberg had told me about his working at the place where the atom bomb was being made. David asked

me who had told me about the atom bomb and I told him that Julius Rosenberg had. I then told David of the request that Julius and Ethel Rosenberg had made to me that I ask David to furnish the Russians with scientific information, and I explained their request to David in the same way that Julius and Ethel Rosenberg had explained it to me. At first David was shocked at what Julius Rosenberg wanted him to do. At first he said no and he did not make any decision that same day. The following day, after having thought it over, David said that he would do what Julius Rosenberg had requested of him. David also said that he would discuss this matter with Julius Rosenberg when he returned to New York on his expected furlough. David told me about the physical set-up of the Los Alamos installation and he gave me the names of certain people who were working there in November, 1944, among whom, as I now recall, were Oppenheimer and Urey.

"I returned to New York in the early part of December, 1944, and Julius Rosenberg came to see me at my apartment at 265 Rivington Street, New York City, and I told him that David agreed to do what he requested. I also gave Julius Rosenberg the names that I remembered that David had given me of the people who were working at Los Alamos. I also told Julius Rosenberg about the physical set-up of Los Alamos as David had told me. Julius Rosenberg said he would wait until David returned to New York on his expected furlough to discuss this matter further with David.

"About a month later, my husband, David, returned to New York City on furlough and one evening David and I went to Julius Rosenberg's apartment at 10 Monroe Street, New York City, where we met Julius and Ethel Rosenberg and a woman I knew as Anne. Anne and her husband, Mike, I knew as old friends of Julius and Ethel Rosenberg, and Anne and Mike at that time lived at Chappaqua, New York. Anne remained at Julius Rosenberg's apartment for a short period of time and then left. Julius Rosenberg asked David what he was doing and David told Julius Rosenberg he was working in the experimental shop at Los Alamos. David explained to Julius Rosenberg that if someone brought in a sketch of a part he wanted made, David would make for him because David was a machinist and this was the type of work he did. I recall that Julius Rosenberg asked David how the atom bomb was detonated but I do not recall what David told Julius. We all had dinner. After dinner Julius and Ethel Rosenberg, David and myself sat around talking. Julius told David what he wanted him to do. He did not want David to go out of his way to obtain information and he did not want David to be obvious in what he was doing. I did not understand what Julius and David were talking about because it was of a technical nature.

"Before we left Julius Rosenberg's apartment, Julius Rosenberg produced the cover from a jello box side. Julius Rosenberg, in the presence of his wife, Ethel, David and myself, cut this jello box side in half in an irregular manner. One half of this jello box side Julius Rosenberg gave to David and Julius said that he would give the other half of the jello box side to Anne, the woman who had been in his apartment previously that same evening. Julius Rosenberg said that Anne would come out to see us in New Mexico to get the information from David and that she would produce the matching half of the box side. I believe there was some discussion by Julius Rosenberg of Anne being met in a movie theater at Denver, Colorado.

"During David's furlough in January, 1945, Julius Rosenberg was very persistent about being with us a great deal at a time when we felt that we wanted to be alone.

"Several days after David had received the jello box side from Julius Rosenberg, Julius Rosenberg came to my apartment and spoke to David about David meeting Julius Rosenberg and an unidentified man at a later date. A day or so later, Julius Rosenberg returned to my apartment again in the evening and Julius Rosenberg and David left the apartment together. David returned to my apartment about two hours later and told me he had met somebody whom he had not been able to see too clearly because the man kept his face in the dark. David told me that he had met this man on a street in the Fifty's in the vicinity of an elevated railroad. David said that Julius Rosenberg introduced David to this unknown man saying 'this is Dave,' but Julius Rosenberg did not tell David who the man was or what his name was. David spent between 20 and 30 minutes with this unknown man but I do not recall what David told me he discussed with this unknown man.

"After his furlough, David returned to Los Alamos, New Mexico, and in March, 1945, I went out to Albuquerque, New Mexico, to live. First I lived in a hotel and then I stayed at the apartment of a friend of David's whose wife had gone back east. When David's friend's wife returned from the east, I then went to a hotel to live until I finally obtained the apartment at 209 North High Street, Albuquerque, New Mexico. David only came home on week ends.

"One Sunday morning in June, 1945, a man came to our apartment at 209 North High Street, Albuquerque, New Mexico, and said he was Dave from Pittsburgh. This man gave my husband David the matching half of the jello box side. This man told David what information he wanted and David wrote down the information requested and told this man to come back later. This man returned later that same day, at which time David gave him some written information; in return David received a sealed envelope from this man. I recall that David and this man discussed how the atom bomb was detonated and that this man told David that he was a chemical engineer. I also recall that David and this unknown man discussed lenses and high-speed cameras. This unknown man also indicated to David and me that he might return at a later date and he wanted information from David along the same lines as David had given him. He also wanted to know the names of the people at Los Alamos who were inclined to be 'Leftist'. I think that David gave this man the names of such people working at Los Alamos. After this man received this information, we all left the apartment and we walked to the front of the USO building and David and I returned to our apartment. We opened the envelope which this man had given David and discovered that it contained \$500. The taking of the money made David and me feel worse because it was now apparent that we were not just passing information but rather that we were paid for it.

When Dr. Klaus Fuchs was arrested, Julius Rosenberg came to our apartment and told David and me that the man who had contacted us in Albuquerque, New Mexico, in June, 1945, would be the next one to be picked up and that 'they' were going to contact this man to tell him to keep quiet.

"On May 23, 1950, Julius Rosenberg came to our apartment with a copy of a newspaper which I think was the New York 'Herald Tribune' in which appeared a photograph of one Harry Gold who had been arrested in Philadelphia, Pennsylvania, by the FBI. Julius Rosenberg told us that this Harry Gold was the man who had contacted us in Albuquerque, New Mexico. Julius Rosenberg then told us that we had to leave the United States because sometime between June 12 and June 16, 1950, something would happen to us. Julius Rosenberg wanted David and me to take our two children with us to the Soviet Union. Julius Rosenberg was going to obtain United States passports for us. Julius Rosenberg said 'my friend tells me before you get a passport you have to get injected against small pox.' Julius Rosenberg

wanted us to get a doctor to give us a false letter stating that we had received such a smallpox inoculation. David and I refused to do this. Julius Rosenberg then told us that he would get his doctor who lives in Knickerbocker Village, New York City, to prepare such a letter for himself and for us. Julius Rosenberg advised us to leave everything we had in our apartment at Rivington Street and to just take our clothing with us and go to Mexico City, Mexico.

"At Mexico City we were to rent a house and after living there one month we were to write to the Soviet Consulate at Mexico City, Mexico, using a name which Julius Rosenberg gave us but which I do not recall at the present time, and about three days later we were to meet someone in front of a statue in a park in Mexico City, Mexico. After this meeting we were to travel by boat to Europe and proceed to either Bern, Switzerland, or some other city in Europe, the name of which I do not recall, where we would again contact the Soviet Consulate there by letter and three days later we would meet someone in front of a statue in a park in the European city. At this point our transportation to the Soviet Union would be arranged for us. Julius Rosenberg told us that he thought that it was a golden opportunity for us to go to the Soviet Union.

"At this time Julius Rosenberg gave David and me one thousand dollars in cash consisting of old ten and twenty dollar bills. Five hundred dollars of this I put in a special checking account at the Manufacturers Trust Company located at Grand and Norfolk Streets, New York City, and the balance was used to pay some debts and household expenses. About June 2, 1950, Julius Rosenberg returned to our apartment and gave David and me four thousand dollars in cash, consisting of old ten and twenty dollar bills. This money was to be used by us for our flight from the United States. At this time Julius Rosenberg promised us an additional two thousand dollars which we never received from him.

"I would like to make it clear that at the time we received the five thousand dollars from Julius Rosenberg we never intended to leave the United States because this is our country and we want to stay here and live here and raise our children. I would like to point out that we accepted the money from Julius Rosenberg because David said that if Julius suspected that we would not leave the United States that some physical harm might come to us or our children.

"I have read the foregoing statement consisting of this page and nine other pages and I have initialed the bottom of each page and every correction. I say that this statement is true to the best of my knowledge and belief."

DESCRIBED AS WHITE, THIRTY YEARS, SIX FEET, HUSKY, ATHLETIC, ONE SEVENTYFIVE POUNDS, FULL HEAD OF HAIR, OFF COLOR, DYED OR BLEACHED A REDDISH BLONDE, SLOPPILY DRESSED. INVESTIGATION AT CHAPPAQUA, NEW YORK TODAY DETERMINED THAT SIDOROVICH AND WIFE ANNE OWNED PROPERTY AT CAMPFIRE ROAD, CHAPPAQUA, NEW YORK FROM JANUARY TWENTYSEVEN, FORTYFOUR TO JANUARY EIGHTEEN, FORTYFIVE. A NEIGHBOR ADVISED THAT SIDOROVICH SAID HE WAS IN THE ALB IN SPAIN AND KNEW LEM HARRIS, A KNOWN CP MEMBER. ANNE SIDOROVICH WAS UNDERSTOOD TO HAVE WORKED IN A DRESS SHOP IN NYC, POSSIBLY BERGDORF-GOODMAN, AN EXCLUSIVE FIFTH AVE. DRESS SHOP. THE RECORDS OF KOLLMORGEN CORPORATION, AN OPTICAL CONCERN WHERE SIDOROVICH WAS EMPLOYED FORTYONE TO FORTYFOUR, REFLECT THAT SIDOROVICH WAS PREVIOUSLY EMPLOYED BY THE WILLIAMS AERONAUTICAL RESEARCH COMPANY. IT TO BE NOTED THAT ROSENBERG WAS EMPLOYED BETWEEN THIRTYNINE AND FORTY BY PAUL WILLIAMS, OWNER OF WILLIAMS AERONAUTICAL RESEARCH COMPANY, NYC. WILLIAMS WAS A PILOT FOR THE SPANISH LOYALIST ARMY. IT IS BELIEVED THAT SIDOROVICH MAY BE IDENTICAL WITH [REDACTED] AND [REDACTED] WITH THE INDIVIDUAL DESCRIBED AS BEING IN THE WESTERN PART OF NY STATE. IT IS RECOMMENDED BY THE NY OFFICE THAT SIDOROVICH SHOULD BE INTERVIEWED BY THE CLEVELAND OFFICE IMMEDIATELY BEFORE HE CAN BE CONTACTED BY PERL AND THEY CAN COLLABORATE THEIR STORIES. FURTHER THAT THE BUREAU SHOULD CONSIDER THE ADVISABILITY OF HAVING SAS JOHN A. HARRINGTON AND LEO H. FRUTKIN PROCEED TO CLEVELAND TO ASSIST IN THE INTERVIEW OF SIDOROVICH AND PERL BECAUSE THESE AGENTS ARE FAMILIAR WITH THE GREENGLASS AND ROSENBERG CASES. [THE NEW YORK OFFICE IS ARRANGING TO CONTACT MAX ELITCHER AT HIS PLACE OF EMPLOYMENT AND ENDEAVOR TO ARRANGE FOR HIS INTERVIEW AT THE NEW YORK OFFICE ON TWENTIETH INSTANT. IF A WAIVER OF SEARCH IS OBTAINED FROM ELITCHER A SEARCH OF HIS RESIDENCE WILL BE MADE AND AN ATTEMPT WILL ALSO BE MADE TO INTERVIEW HIS WIFE, HELENE ELITCHER, SIMULTANEOUSLY. FOR INFO OF BUREAU ELITCHER WAS AT WORK TODAY AND IS EXPECTED AT WORK TOMORROW. THE BUREAU WILL BE ADVISED OF THE RESULTS OF THE ELITCHER INTERVIEWS AND ANY SEARCH CONDUCTED. NYO IS ENDEAVORING TO LOCATE THE OTHER APARTMENT OF ROSENBERG ON THE EAST SIDE OF NEW YORK. NO POSITIVE IDENTIFICATION HAS BEEN MADE TO DATE OF THIS APARTMENT. [THE NEW YORK OFFICE IS FORWARDING PHOTOS OF SUBJECT

Date of Declassification Indefinite

JULIUS ROSENBERG, ESP-R. REBUTEL JULY EIGHTEEN LAST INVESTIGATION AT SIXTYFIVE MORTON ST, NYC TO DATE HAS ESTABLISHED FACT THAT ALFRED SARANT RENTED APARTMENT SIX I AT THIS ADDRESS IN OCTOBER OF FORTYTHREE. SARANT LIVED IN THIS APARTMENT UNTIL LATTER PART OF FORTYSIX AT WHICH TIME HE MOVED TO ITHACA, N.Y. SARANT CONTINUED TO PAY THE RENT MONTHLY BY CHECK FROM ITHACA, N.Y. UNTIL JANUARY, FIFTY. IN FORTYFIVE NAME ROSS, NOT OTHERWISE IDENTIFIED, APPEARED ON MAIL BOX FOR SARANT-S APARTMENT. IN FORTYFIVE THE NAME PERL WAS NOTED AS A TENANT OF SARANT-S APARTMENT. RUTH AND DAVID GREENGLASS HAVE ADVISED THAT ROSENBERG HAD TWO APARTMENTS IN NYC WHICH HE USED FOR PHOTOGRAPHING AND DEVELOPING AND MEETINGS. ONE APARTMENT WAS LOCATED IN THE LOWER EAST SIDE AND THE OTHER WAS LOCATED IN GREENWICH VILLAGE. IT IS TO BE NOTED THAT SIXTYFIVE MORTON IS LOCATED IN THE GREENWICH VILLAGE SECTION OF NYC. THE PRESENT SUPERINTENDENT OF SIXTYFIVE MORTON ST. HAS BEEN SO EMPLOYED SINCE OCTOBER OF FORTYEIGHT, AND ABOUT DECEMBER OF FORTYEIGHT OR JANUARY OF FORTYNINE HE ENTERED SARANT-S APARTMENT FOR REPAIR WORK AND NOTED THE APARTMENT WAS SPARSELY FURNISHED. THE LIVING ROOM CONTAINED A WHITE METAL TOP KITCHEN TABLE, A REFLECTOR AND PHOTO FLOOD TYPE BULB WAS SCREWED INTO A WALL SOCKET AND ARRANGED TO CAST A LIGHT BEAM ON THE KITCHEN TABLE. IN JUNE OR JULY OF FORTYNINE A MAN WHO CLAIMED TO BE SARANT CAME TO THE SUPERINTENDENT AND REQUESTED A KEY FOR THE SARANT APARTMENT AND HE WAS LET INTO THE APARTMENT. HE LIVED IN THE APARTMENT FOR A WEEK AND LEFT. THE SUPERINTENDENT AND HIS WIFE HAVE POSITIVELY IDENTIFIED A PHOTOGRAPH OF MIKE SIDOROVICH AS THE MAN OF JUNE OR JULY OF FORTYNINE. IN DECEMBER OF FORTYNINE THE SUPERINTENDENT ENTERED SARANT-S APARTMENT FOR REPAIRS AND THERE WERE ABOUT SEVEN MEN IN SLEEPING BAGS SLEEPING ON THE APARTMENT FLOOR INCLUDING AN INDIVIDUAL SAID TO BE MR. PERL
