ReNYtel to Bureau, 11/1/63.

Information previously furnished by [redacted] in
referenced teletype reflects that THOMAS EBOLI, "acting-
boss", GENOVESE "family", in a conversation with MIKE
GENOVESE, brother of VITO GENOVESE, was planning a trip near
the vicinity of a prison on 10/31/63.

Informant advised that EBOLI was disturbed by an
item he had read in WALTER WINCHELL's column, "New York
Journal American", dated 10/28/63 as follows:

"Vito Genovese's and the late Tony Bender's
right hand man (rated a bigger catch than
Valachi) is singing his head off for the
Feds. He was quietly smuggled out of his
distant Federal cell to one here."

EBOLI stated, according to the informant, that if
this information had appeared in LEE MORTIMER's column, he
would have disregarded it. He further stated, however,
"that this guy here (WINCHELL), being that he's so close with
EDGAR HOOVER, he could check it out and there must be
something to this."

EBOLI also appeared disturbed because of a message he had received, apparently verifying this information. According to the message, one of three prisoners who had been eating together in the prison "since they went in the can", had been taken out and placed in isolation or the "hole".

It was first believed from the low conversation of the parties that EBOLI was referring to the name "Frankie Hots or Hart", who is known to the NYO as FRANK CAGGIANO, presently incarcerated at the USP, Lewisburg, Pennsylvania.

However, the name of "Frankie the Bug" is also mentioned in the conversation, and now appears to be the individual suspected by EBOLI of furnishing information. It is noted that "Frankie the Bug" may be identical with FRANK CARUSO, who is serving a narcotics conspiracy sentence in the USP, Atlanta, along with [redacted] and [redacted].

[redacted] Both CARUSO and [redacted] have been identified as "Cosa Nostra" members in the GENOVESE "family". EBOLI stated that if it were true that CARUSO were talking, "he could destroy all of us". EBOLI further stated that "only last week we got a message that [redacted] and [redacted] went to see him. Frankie wasn't there".

Immediately following this statement, EBOLI made reference to someone being in isolation or in the "hole".

EBOLI also made reference to an "ex-cop" named "Regan" (ph). He stated that "Regan" was very friendly with "Tony Bananas" (ANTONIO CAPONIGRO) and knows "Frankie the Bug". The name of "Frankie Hots" and "Tony Caruso" are also mentioned in this conversation at this point. This is followed by a statement from EBOLI that "someone has been spilling their guts". One of the above mentioned may be the source of EBOLI's information and may have brought this message back from a prison contact.

EBOLI informed MIKE GENOVESE at the beginning of the conversation that he was going away for a couple of days, "I got a message back ---we got real bad information". EBOLI

NY 92-1569

stated that he was going to leave immediately, "we got our clothes in the car", apparently to check out the information^{b6} received. He stated "I'll stay fifty miles away, and I'm^{b7C} sending Lefty Blanc (ph) in to see Nick La Placa". It is noted that LA PLACA may be identical with PETER DOMINICK LA PLACA, FBI #800992 now serving a prison term at the USP Atlanta along with FRANK CARUSO, FBI #187656 and [REDACTED] FBI [REDACTED]

Apparently EBOLI wished to learn through LA PLACA if CARUSO was out of prison circulation and in isolation. It was EBOLI's thought that the removal of CARUSO from prison circulation was merely a trick to cover his defection, but he hoped to verify this through LA PLACA.

The Atlanta Office will attempt to discreetly determine the following:

- a. Verify present location of inmates FRANK CARUSO, NICK LA PLACA and [REDACTED]
- b. Attempt to learn whether FRANK CARUSO has been placed in isolation or solitary.
- c. Attempt to learn if CARUSO has been interviewed recently by any law enforcement agency.
- d. Ascertain approved visitors of NICK LA PLACA and determine if anyone attempted to visit him since 10/31/63.
- e. If feasible determine whether CARUSO, LA PLACA, and [REDACTED] were known to eat together in the prison dining room. If not, determine who did eat regularly with CARUSO and LA PLACA.

Philadelphia will hold in abeyance further investigation concerning FRANK CAGGIANO at Lewisburg since

NY 92-1569

[redacted] has recently advised that the FRANK CAGGIANO at Lewisburg, who was a member of the "Skimp gang", is not identical with the "Frankie Hots or Hart" referred to by the informant as a [redacted]

The NYO will continue attempts to further develop a FRANK CAGGIANO referred to by [redacted] under the Top Echelon Criminal Informant Program.
