bugging case have worked', acknowledged yesterday that he was the principal organizer of dummy campaign committees to raise money for the re-election of President NIXON."

"The fund-raising committees that BENNETT formed--bearing names such as Supporters of the American Dream--were established in 1971 as a means of legally collecting NIXON campaign contributions without reporting them under the Federal Corrupt Practices Act, according to BENNETT."

"BENNETT said he shut the committees down several months ago, however, 'when we became front page news and a lot of people got scared' that they might be making illegal contributions."

"Committees like those established by BENNETT reportedly raised a portion of $10 million collected for the President's re-election before April 7, when the Corrupt Practices Act was supplanted by a new campaign reporting law that requires full disclosure of all contributions."

"In all, from 75 to 90 committees were established by BENNETT and 'people who told me they would set them up for me... it was a sort of a chain-reaction thing,' he said."

"BENNETT is the son of conservative Republican Senator WALLACE F. BENNETT of Utah. He heads the firm of Robert R. Mullen and Company."

FEDERAL BUREAU OF INVESTIGATION

Date of transcription 6/23/72

Mr. ROBERT R. BENNETT, President, Robert R. Mullen and Company, Suite 770, 1700 Pennsylvania Avenue, N.W., was advised of the identities of Special Agents DONALD E. STUKEY, II, and JOHN W. MINDERMAN and the fact that they are representatives of the Federal Bureau of Investigation.

Mr. BENNETT stated that EVERETTE HOWARD HUNT is employed by the Robert R. Mullen and Company as a Writer in the field of Public Relations and that his principal duty is handling the account of the Bureau of Education of the Handicapped, Department of Education, Department of Health, Education and Welfare. Mr. BENNETT stated that Mr. HUNT's duties include preparation of news releases and pamphlets, producing radio and television announcements concerning the hiring of the handicapped, and arranging for radio and television personalities to make appearances on radio and television to promote the hiring of the handicapped.

Mr. BENNETT noted that Mr. HUNT receives $125.00 a day per diem from the Robert R. Mullen and Company for the handling of this account. Mr. BENNETT explained that Mr. HUNT is on a per diem basis with the company rather than a salary basis because a portion of his time is devoted to his position as a Consultant at the White House and he receives $100.00 a day per diem for this consulting position. Mr. BENNETT stated that a review of the records of the Robert R. Mullen and Company revealed that EVERETTE HOWARD HUNT has been employed by the firm since May 1, 1970. Mr. BENNETT noted that Mr. HUNT was with the firm prior to his purchase of the company from Mr. MULLEN in 1970.

Mr. BENNETT stated that he was approached by Mr. ROBERT R. MULLEN approximately four years ago concerning the purchase of the Robert R. Mullen and Company. Mr. MULLEN expressed

a desire to retire from the company. Mr. BENNETT stated that at that time he was employed as an Executive in the Public Relations Department of the J. C. Penny and Company, but was dissatisfied with his duties with that company. Mr. BENNETT stated that when he approached J. C. Penny officials concerning the possibility that he might leave the company, he did not receive a favorable response. Mr. BENNETT said that he did not feel that he could leave the J. C. Penny and Company under those circumstances, as an unfavorable recommendation from J. C. Penny officials would be detrimental to a further career in the Public Relations field. Mr. BENNETT stated that through his contact, he was able to receive a presidential appointment as the Congressional Liaison Officer with the Department of Transportation. Mr. BENNETT explained that his primary purpose in seeking this position was to leave the J. C. Penny and Company gracefully and further it would permit him to establish new contacts in the Washington, D.C. (WDC), area. Mr. BENNETT said that he served as the Congressional Liaison Officer with the Department of Transportation for approximately two years. BENNETT stated that he was again approached by Mr. ROBERT R. MULLEN concerning the purchase of the Robert R. Mullen and Company and that he resigned his position with the Department of Transportation in order to purchase the Robert R. Mullen and Company.

Mr. BENNETT stated that Mr. MULLEN arranged a luncheon meeting approximately two years ago to discuss the details of the purchase of the company. Mr. BENNETT said that he was surprised when DOUGLAS CADDY and EVERETTE HOWARD HUNT appeared at the meeting with Mr. MULLEN. Mr. MULLEN explained that DOUGLAS CADDY and EVERETTE HOWARD HUNT had expressed a desire to purchase a portion of the stock of the Robert R. Mullen and Company and he, Mr. MULLEN, felt that they should all get together and discuss this issue. Mr. BENNETT said that he did discuss this matter with DOUGLAS CADDY and EVERETTE HOWARD HUNT, but no conclusion was reached at this luncheon meeting.

Mr. BENNETT explained that one of the principal accounts of the Robert R. Mullen and Company is the General Foods Corpora-

tion, whose headquarters are located in White Plains, New York. BENNETT stated that the General Foods Corporation maintains an office and assigns an employee to the Robert R. Mullen and Company to maintain liaison between the Robert R. Mullen and Company and the General Foods Corporation Headquarters in White Plains, New York. BENNETT stated that DOUGLAS CADDY was at that time an employee of the General Foods Corporation and was assigned to the Robert R. Mullen and Company as the Liaison Officer. ∧

BENNETT stated that subsequent to this meeting with MULLEN, CADDY and HUNT, he exercised his original option for the exclusive purchase of the Robert R. Mullen and Company and completed the negotiations for the purchase of the company with Mr. MULLEN. ∧

Mr. BENNETT stated that during this period of negotiations for the purchase of the company, both the Robert R. Mullen and Company and the General Foods Corporation found DOUGLAS CADDY's performance to be unacceptable and Mr. CADDY was released from his position by the General Foods Corporation. BENNETT stated that through a contact, Mr. MULLEN arranged for DOUGLAS CADDY to obtain a position as an attorney with the law firm Gall, Lane, Powell and Kilcullen, Suite 707, 1250 Connecticut Avenue, N.W., WDC. Mr. BENNETT noted that DOUGLAS CADDY had left the Robert R. Mullen and Company before he assumed the duties as President of the company. ∧

Mr. BENNETT stated that he knows that Mr. HUNT has maintained a personal relationship with Mr. CADDY as Mr. CADDY has called the Robert R. Mullen and Company offices on several occasions requesting to speak to Mr. HUNT. ∧

Mr. BENNETT stated that he last saw EVERETTE HOWARD HUNT on June 19, 1972, and Mr. HUNT made no reference to the burglary of the Democratic National Headquarters on June 17, 1972. ∧

Mr. BENNETT stated that he read in the news articles concerning Mr. HUNT in "The Washington Post" on the morning of

June 20, 1972, and he subsequently received a long distance telephone call from Mr. HUNT, who stated that he was in New York, New York, at a television studio completing the production of a television spot announcement for the Bureau of Education of the Handicapped. Mr. BENNETT stated that he requested that in view of the adverse publicity concerning Mr. HUNT that he immediately return to WDC and clarify his alleged relationship with the persons who are accused of burglarizing Democratic National Committee Headquarters. Mr. BENNETT said that he was advised by Mr. HUNT that he would return to WDC and would appear for work on June 21, 1972. Mr. BENNETT stated that Mr. HUNT failed to appear for work on June 21, 1972, and he has made no contact with the Robert R. Mullen and Company concerning his absence. Mr. BENNETT stated that he has suspended per diem payments to Mr. HUNT until he returns to work.

Mr. BENNETT stated that he has seen photographs of the individuals accused of burglary at Democratic National Committee Headquarters on June 17, 1972, and none of these persons are known to him.

Re Miami airtel to Acting Director, Att: FBI Laboratory, 6/26/72, and Miami teletype to Bureau, 6/29/72.

Enclosed is one cellophane envelope containing registration card for GEORGE F. LEONARD and an individual named WARREN [illegible] room 1038, Fontainebleau Hotel, Miami Beach, Florida, for period 1/21/72 thru AM, 1/24/72.

The enclosed registration card is evidence of the fact that GEORGE F. LEONARD with another guest with the last name WARREN engaged room 1038, Fontainebleau Hotel, 1/21/72 - AM 1/24/72. Recent investigation has indicated that GEORGE LEONARD could possibly be identical with GEORGE GORDON LIDDY, former SA, and that WARREN, while a known alias of MC CORD, on this occasion could be identical with subject E. HOWARD HUNT.

The FBI Laboratory is requested to compare the signature of GEORGE F. LEONARD on the enclosed registration card with the known signature of GEORGE GORDON LIDDY, E. HOWARD HUNT and JAMES WALTER MC CORD, JR.

Following are developments in captioned matter:

INTERVIEWS COMMITTEE TO REELECT THE PRESIDENT (CRP): Interviews are presently continuing of various personnel at CRP. On Friday, 6/30/72, Millicent (Penny) Macey Gleason, daughter of James Gleason, ranking Montgomery County official, was interviewed in the presence of an attorney at the CRP at which time she furnished little, if any, information. However, she subsequently recontacted our Washington Field Office and sought an additional interview away from office of CRP. Lengthy interview of Penny Gleason was held Saturday, 7/1/72, at Holiday Inn in Maryland. During this interview she stated the presence of the attorney at the initial interview had prevented her from discussing captioned matter candidly with the interviewing Agents. Agents thereafter interviewed her extensively and have compiled 47 pages of notes on this interview which are presently being transcribed. Highlights of the interview with Penny Gleason were:

(1) Robert Houston, Security Supervisor, CRP, on 6/18/72, cleaned out McCord's office at CRP; (2) Rob Odle, Director of Administration, CRP, has been less than completely frank with Agents during interviews of him and has in fact tried to divert them from investigation of more substance to leads which would keep them "busy." According to Miss Gleason, immediately following McCord's arrest, Odle was contacted by Mrs. McCord at which time she made a statement to the effect "It looks like your project failed." (3) Papers removed from McCord's office include a memorandum prepared in May or June, 1972, from Odle suggesting that arrangements be made through Attorney General Kleindienst to have McCord receive all copies of FBI teletypes such as he did when employed by CIA.

Memorandum to Mr. Bates
Re: JAMES WALTER McCORD, JR.; ET AL.

Hotels in Washington during the period 5/22-30/72, using aliases Jose Piedra and Joe Granada have been identified as Felipe De Diego, an employee of subject Barker's real estate firm, and Reinaldo Pico who is presently believed to be in South America on a business trip. Diego interviewed by Miami office and admits making trip but states he was not aware of the purpose of the trip although while in Washington, D. C. it appeared they were waiting for some type of instructions from an unidentified source.

FEDERAL GRAND JURY: The Federal grand jury remained in session Friday evening, 6/30/72, until 10:00 P.M. Principal witness was Michael Douglas Caddy who attempted to invoke an attorney-client relationship with E. Howard Hunt. This was not allowed. Caddy is the attorney who appeared at police headquarters following subjects' arrest 6/17/72, although subjects had made no request while in custody. Subsequent investigation determined that Caddy received a long distance telephone call from subject Barker's wife in Miami at 2:00 A.M. — 3:00 A.M., 6/17/72. Mrs. Barker had been previously instructed by her husband to call Caddy if she did not hear from Barker by 2:00 A.M.

Alfred Carleton Baldwin who stayed in the Howard Johnson Motel rooms rented by McCord for about a seven-week period in May and June, 1972, which rooms were located across the street from the Democratic Party Headquarters at the Watergate, was scheduled to appear before the Federal grand jury on 6/30/72; however, he requested a delay in his appearance. Rescheduled for 7/5/72 as is McCord.

SCHEDULED INTERVIEWS: David Young, White House Staff, is to be interviewed today, 7/3/72, concerning assignments of E. Howard Hunt and George Gordon Liddy who reportedly worked for Young while assigned to the White House as consultants. They have been identified as the individuals who in December, 1971 to January, 1972, attempted to recruit former CIA employees for special security assignment with the Republican Party.

Former Attorney General Mitchell is scheduled to be interviewed 7/5/72, concerning subject James Walter McCord's assignments with the CRP and his responsibilities for employing persons assigned to guard the Mitchell family.

Memorandum to Mr. Bates
Re: JAMES WALTER MC CORD, JR.: ET AL.

Kathleen Chenow who reportedly was David Young's secretary at the White House and whose telephone listing was given by Hunt and one George, believed to be George Gordon Liddy, as a point of contact, is to be interviewed upon her return from England in the near future.

SUBJECT: WASHINGTON DAILY NEWS STORY
REGARDING MATERIAL FOUND IN DESK
OF WHITE HOUSE AIDE HOWARD E. HUNT
June 30, 1972

Pursuant to your instructions, the Inspection Staff today interviewed all the employees in the General Investigative, Laboratory and Identification Divisions as well as in the Washington Field Office who could be identified as having knowledge of the material obtained from the White House which allegedly had been in the possession of Hunt. This included 29 WFO employees, 7 General Investigative, 6 Laboratory and 3 Identification Division.

All the employees were asked whether they knew Patrick Collins, the reporter who wrote the Washington Daily News article, or any other persons at that paper. All denied being acquainted with anyone at the Washington Daily News and all denied that they had furnished information in their possession to anyone other than fellow employees who had a need to know. Employees who had received this information in the course of performing their duties were added to the list and interviewed. All employees indicated they did not furnish this information to anyone outside the Bureau and they had no knowledge of how the information could have come into the possession of the newspaper.

RECOMMENDATION:
