GENERAL INVESTIGATIVE DIVISION

This concerns burglary of Democratic National Committee Headquarters, Washington, D.C., 6/17/72, in which Oren S. Frost makes general denials that he prepared "Gemstone" operation charts allegedly involving Liddy bugging operation.

Jeb Magruder, in confidential interview, advised Frost may have been individual who prepared alleged charts reported by McCord displayed by Liddy to Mitchell, Dean and Magruder setting forth bugging operations on behalf of Committee to Re-Elect the President. Frost denies any such charts prepared by him, however, it is noted that Frost was evasive during interview.

This information will be made available to AUSA Silbert.

HE IS ART DESIGN CONSULTANT BY OCCUPATION AND AS SUCH HAS DONE WORK FOR REPUBLICAN PARTY SINCE 1968 IN NATURE OF DESIGNING LETTERHEADS AND PRESENTATION FOLDERS.

AT SOME TIME PROBABLY DURING 1971, BARTY PORTER OF THE COMMITTEE FOR THE REELECTION OF THE PRESIDENT (CREP) CONTACTED HIM AND ASKED HIM TO DESIGN A NUMBER OF ORGANIZATIONAL CHARTS IN CONNECTION WITH UPCOMING ELECTION CAMPAIGNS. HE RECALLS CHARTS PREPARED DEALT WITH ORGANIZATIONAL STRUCTURE FOR WAGING CAMPAIGN AND CONTAINED STRUCTURE OF ORGANIZATION FOR ELECTION CAMPAIGN. CHARTS SET FORTH TITLES FOR MOST PART AND CONTAINED ONLY FEW NAMES OF INDIVIDUALS. HE RECALLED THAT CHARTS WERE APPROXIMATELY FOUR FEET BY FIVE FEET IN SIZE. FROM SIZE OF CHARTS, HE GOT IMPRESSION THAT CHARTS WERE TO BE USED AT MEETING INVOLVING MANY INDIVIDUALS, NAMELY FOR RATHER LARGE ORGANIZATIONAL MEETING.

NH  
DC

HE COULD NOT RECALL EXACT NUMBER OF CHARTS PREPARED, BUT GUESSED THAT APPROXIMATELY FIVE TO TEN CHARTS WERE PREPARED. HE ADVISED THAT WORD "GEMSTONE" WAS NOT ON ANY OF THESE CHARTS. HE FELT SURE THAT THEY WERE INNOCUOUS ORGANIZATIONAL

CAMPAIGN CHARTS AND COULD NOT BE CONSTRUED AS CHARTS OUTLINING COVERT INTELLIGENCE OPERATIONS. SINCE HE PREPARED CHARTS, HE FELT THAT CHARTS THEMSELVES WERE TO BE USED AT OPEN MEETING AND WERE NOT OF CODED NATURE.

AFTER ABOVE CHARTS PREPARED, HE PERSONALLY CARRIED CHARTS FROM NEW YORK CITY TO WDC ABOARD TRAIN. PORTER MET HIM AT WDC TRAIN STATION AND CHARTS WERE PLACED IN PORTER'S STATION WAGON. THEY PROCEEDED TO WDC HEADQUARTERS OF CREP. AT CREP HEADQUARTERS, HE WAS INTRODUCED TO JEB MAGRUDER AND D.C. SPOKE TO HIM FOR APPROXIMATELY TWO MINUTED. MAGRUDER REVIEWED HIS WORK AND INTRODUCED HIM TO PETER VALEY. PURPOSE OF N.Y. INTRODUCTION WAS FOR POSSIBLE FUTURE EMPLOYMENT FOR FROST AS ART DESIGN CONSULTANT. CHARTS WERE PLACED IN PORTER'S OFFICE AT CREP AND WERE GENERALLY VISIBLE TO ALL DUE TO THEIR GENERAL NATURE AND LARGE SIZE. NO ATTEMPT MADE TO CONCEAL CHARTS FROM ANYONE. FROST ALSO RECALLED MEETING KEN REITZ D.C. AT CREP AND EXCHANGED BRIEF GREETINGS WITH REITZ.

END PAGE THREE

PAGE FOUR

FROST ADVISED ABOVE CHARTS WERE ONLY CHARTS HE EVER PREPARED IN CONNECTION WITH ANY EMPLOYMENT FOR REPUBLICANS. HE ADVISED THAT HE NEVER PREPARED CHARTS FOR LIDDY. HE HAS NEVER MET LIDDY AND HAS NEVER HAD ANY DEALINGS WITH LIDDY OR ANYONE HOLDING HIMSELF OUT AS REPRESENTATIVE OF LIDDY.

ALREADY  
INT.

IN NOVEMBER OF 1971, PHIL ~~JOANOU~~, NUMBER ONE MAN TO DALEY, CALLED FROST FROM CALIFORNIA AND ASKED FROST TO PREPARE SOME ART LAYOUTS WITH TWO OR THREE THEME APPROACHES FOR PRESIDENTIAL ADVERTISING CAMPAIGN. FROST UNDERTOOK THIS ASSIGNMENT AND AFTER FEW DAYS BROUGHT LAYOUTS TO DRAKE HOTEL IN NEW YORK CITY AND SHOWED THEM TO DALEY AND JOANOU WHO SELECTED TWO THEMES AND ASKED FROST TO DEVELOP THEM. THE LAYOUTS SELECTED DEMONSTRATED THEMELINE AND FORMAT FOR PRESIDENTIAL REELECTION CAMPAIGN, AND CONSISTED OF BUMPER STICKER DESIGNS, BUTTON DESIGNS, NEWSPAPER ADVERTISEMENTS, AND ADVERTISING FOLDER. NO CHARTS WHATSOEVER WERE INCLUDED IN THESE LAYOUTS. AFTER ABOVE MEETING, FROST BROUGHT ABOVE LAYOUT TO CREP HEADQUARTERS IN

END PAGE FOUR

WASHINGTON, DC. DURING THIS VISIT HE ALSO SAW MAGRUDER, WAVED TO HIM AS HE WAS PASSING IN HALLWAY. HE ALSO RECALLS SEEING REITZ. FROST DISPLAYED LAYOUTS TO DALEY AND JOANOU AND ALSO OBTAINED REGULAR EMPLOYMENT FROM DALEY WHO DECIDED TO HIRE FROST AT \$800 PER WEEK TO WORK FOR "THE NOVEMBER GROUP" WHERE HE WAS TO BE RESPONSIBLE FOR "THE GRAPHIC LOOK OF THE CAMPAIGN."

A FEW WEEKS LATER, IN EITHER FEBRUARY OR MARCH, 1972, HE STARTED WORKING AT THE "NOVEMBER GROUP" OFFICES IN NEW YORK CITY. HIS WORK AT THE NOVEMBER GROUP LASTED UNTIL THE MIDDLE OF NOVEMBER, 1972. DURING ENTIRE PERIOD AT "NOVEMBER GROUP" HE NEVER PREPARED ANY CHARTS.

FROST ADVISED THAT AT NO TIME DURING ABOVE EMPLOYMENT WITH REPUBLICANS, DID HE EVER HEAR WORD "GEMSTONE." HE COULD RECALL NO ONE INVOLVED IN PREPARATION OF CHARTS INVOLVING POSSIBLE INTELLIGENCE OPERATIONS. WHILE AT NOVEMBER GROUP, ~~BILL~~ TAYLOR WAS HIS IMMEDIATE SUPERIOR. ~~PAUL~~ MULLER WAS FINANCIAL

DIRECTOR OF NOVEMBER GROUP AND PAID HIS SALARY.

FROST ADVISED HE MAINTAINS BUSINESS DIARY AT HIS RESIDENCE IN CONNECTICUT WHICH WOULD SHOW SPECIFIC DATES OF HIS TRAVELS AND DEALINGS WITH CREP. HE ADVISED THAT HE MAY HAVE AT HIS RESIDENCE, ORIGINAL SKETCHES OR "ROUGHS" OF CHARTS AND OTHER ART DESIGN WORK HE HAS DONE FOR THE REPUBLICANS. HOWEVER, MANY SUCH ITEMS HAVE BEEN DESTROYED BY HIM BECAUSE OF UNAVAILABLE STORAGE SPACE.

FROST WAS ADVISED THAT IT WAS POSSIBLE THAT SUBPOENA DUCES TECUM MAY BE ISSUED FOR HIM. HE STATED THAT IT SHOULD BE SERVED AT HIS RESIDENCE IN CONNECTICUT WHERE HIS RECORDS ARE KEPT.

*For Summary of  
FBI action re these

This memorandum is submitted in view of the Acting Director's request as to what instructions were furnished by WFO to Houston in connection with information received from Hugh Walter Sloan, Jr., to the effect that the four Mexican bank drafts purchased by Manuel Ogarrío had been received by the Committee to Reelect the President from the Texas Finance Committee. *DO*

*TEXAS* WFO has advised that Sloan, former Treasurer of the Finance Committee to Reelect the President, confidentially advised he had received about \$750,000 in checks from one Roy Winchester, Texas Finance Committee, about 4/7/72, or later. Included in this sum were the Mexican bank drafts. Assistant U. S. Attorney Earl Silbert requested background information be obtained discreetly concerning Winchester but that interview be held in abeyance until Sloan appeared before the Federal grand jury and WFO telephonically advised Houston to this effect. *W*

After Sloan's appearance before the Federal grand jury, Mr. Silbert advised WFO that Sloan indicated he had previously informed the Finance Committee to Reelect the President about this situation and it appeared the Finance Committee to Reelect the President had alerted the Texas Finance Committee. Accordingly, Mr. Silbert requested that Winchester be interviewed at once and this interview was requested by WFO teletype to Houston (attached). *4259-2068*

Set forth below is an up-to-date summary of efforts as of 8/21/72, to trace funds possibly used in financing captioned matter:

As indicated in memorandum C. Bolz to Mr. Bates, 8/2/72, a copy of which is attached for ready reference, the \$25,000 cashier's check dated 4/10/72, purchased by Kenneth Dahlberg cannot be further traced. According to Hugh Walter Sloan, Jr., former treasurer of the Finance Committee to Reelect the President, George Gordon Liddy received the check from Sloan and subsequently returned \$25,000 in cash to Sloan. This cash was co-mingled with other cash on hand at the Finance Committee and no specific accounting entry with respect to the transaction apparently exists.

With respect to the \$89,000 in Banco Internacional drafts, Sloan advised that Liddy took these drafts and subsequently returned about \$86,000 in cash to Sloan which money was co-mingled with other cash at the Finance Committee and no specific accounting entry relating to these four checks exists at the Finance Committee. Liddy kept the balance of these four checks for "services rendered."

Set forth below is a summary of efforts as of 8/1/72, to trace funds possibly used in financing captioned matter.

TRACING OF CASH RECOVERED IN CONNECTION WITH ARRESTS: At the time of subjects' arrests on 6/17/72, and subsequent search of their hotel rooms, 44 new \$100 bills were found, 10 of which bore the prefix "C" and 34 the prefix "F". The 10 prefix "C" bills were disbursed by the Philadelphia Federal Reserve Bank to the Girard Bank and Trust Company, Philadelphia, on 4/3/72. It was not possible to trace these prefix bills beyond this point because of the bank's practice of not recording the serial numbers of \$100 bills received or disbursed.

The prefix "F" bills were determined to have been sent by the Miami Federal Reserve Branch to the Republic National Bank, Miami, on 4/18/72. Subject Bernard L. Barker maintains an account at this bank and while he is known to have received \$10,000 in \$100 bills on 5/8/72, from this bank, it could not be specifically established that the pertinent prefix "F" bills were part of the money Barker received on 5/8/72. *B*

KENNETH DAHLBERG - \$25,000 CASHIER'S CHECK: Dahlberg, prominent industrialist from Minneapolis and Regional Chairman of the Finance Committee to Reelect the President, has a winter home in Boca Raton, Florida. On 4/10/72, he purchased for cash a \$25,000 cashier's check at First Bank and Trust Company of Boca Raton, Florida. This check was deposited on 4/21/72, to the trust account of Barker Associates, Inc., at the Republic National Bank, Miami, Florida. Barker received cash for this check on that date. Dahlberg advised he had no idea how Barker came into possession of the check as Dahlberg gave the check on 4/11/72, to Maurice Stans, Chairman of the Finance Committee to Reelect the President, at a meeting in Washington, D. C. Stans confirmed that he received this check from Dahlberg and immediately turned it over to Hugh

Walter Sloan, Jr., then treasurer of the Finance Committee to Reelect the President. Sloan advised that since the check was dated after 4/7/72, effective date of the Federal Disclosure Act, he gave the check to George Gordon Liddy, counsel to the Finance Committee to Reelect the President, to determine the proper way to handle the receipt of the check. Sloan said Liddy subsequently returned \$25,000 in cash to Sloan. Apparently no accounting entry was made concerning this transaction and the cash lost its identity being co-mingled with other cash on hand at the Finance Committee.

\$89,000 BANCO INTERNACIONAL CHECKS: The review of the Barker Associates, Inc., bank account at the Republic National Bank, Miami, showed that in addition to the \$25,000 check of Kenneth Dahlberg, 4 bank drafts totaling \$89,000, drawn on the Banco Internacional, Mexico City, Mexico, payable to Sr. Manuel Ogarrio, were deposited by Barker on 4/21/72. Barker sought immediate cash for these 4 drafts but was told by the bank that since they were third party checks, Barker would have to wait for them to clear before he could receive the money. On 5/8/72, he was given \$89,000 in cash by the Republic National Bank for these 4 bank drafts.

BI

Hugh Walter Sloan, Jr., advised that he received about \$750,000 in the form of checks, about 4/7/72, from Roy Winchester, Co-chairman of the Southwestern Region of the Finance Committee to Reelect the President. Included in these checks were the 4 Mexican bank drafts. Sloan turned these bank drafts over to Liddy who subsequently gave Sloan about \$86,000 in cash. Liddy kept the remainder, which Sloan thought was about \$2,500 for himself, for "services rendered." This cash returned by Liddy was placed with other money in the cash account of the Finance Committee to Reelect the President and apparently no specific accounting entry relating to these 4 checks exists. Therefore,

no further tracing can be made of the 4 bank drafts. It is noted that on 7/14/72, Bernard L. Barker in testimony at a bond reduction hearing in U. S. District Court, Washington, D. C., said he received the 4 bank drafts totaling \$89,000 from 2 men and that he turned the cash over to them. He took the Fifth Amendment when asked to identify these individuals.

FINANCING INTELLIGENCE GATHERING OPERATION: Jeb Stuart Magruder, Deputy Campaign Director, Committee to Reelect the President, on 7/27/72, advised that in late January or early February, 1972, it was determined that an intelligence gathering service should be formed. He assigned Liddy, then counsel for the Committee to Reelect the President, the responsibility for gathering intelligence. Specifically, Liddy was to endeavor to obtain information concerning possible harassment or disruption at various rallies and public appearances throughout the nation and to assure that surrogate candidates and celebrities in attendance were not harassed. Liddy was also to determine information concerning possible disruption at the Republican National Convention. Magruder authorized Hugh Walter Sloan, Jr. to permit Liddy to spend up to \$250,000 to gather intelligence regarding the above.

On 7/26/72, Sloan advised he gave Liddy about \$199,000 over an approximate 5-month period with the largest sum paid at one time being \$81,000 in May, 1972. Sloan said he never asked Liddy what the money was used for.

The Honorable L. Patrick Gray  
Acting Director  
Federal Bureau of Investigation  
Washington, D. C.

Dear Mr. Gray:

We represent those individuals whose telephones were tapped and who participated in a majority of those conversations which were illegally intercepted in the Watergate incident. As you know, the United States Court of Appeals for the District of Columbia Circuit issued the attached orders during the Watergate trial suppressing the contents of the illegally intercepted telephone conversations and preventing their disclosure.

We are now concerned that the contents of these conversations may be disclosed during either your confirmation hearing before the Judiciary Committee or the investigation to be held by the Select Committee on Presidential Campaign Activities, in light of the various requests for information which have been and may be made therein. Our concern has been intensified by the fact that the FBI documents already transmitted to the Judiciary Committee have been widely and publicly disseminated. Disclosure of the contents of the conversations to members of the Senate and to anyone else would be a clear violation of the federal wiretapping law and would, in the words of the Court of Appeals, "frustrate the purpose of Congress in making wiretapping a crime."

We obviously cannot identify for you each FBI document which contains the contents of the conversations. We do know that the F.D. 302 statements of both R. Spencer Oliver and Alfred C. Baldwin III contain such references.

MAY 8 1973

We would, therefore, appreciate it if you would review and delete from any FBI material to be transmitted to the Congress any and all contents of the illegally intercepted conversations, references thereto, and matter derived therefrom.

In addition to our concern that the contents of the conversations not be illegally disclosed, we are also troubled by the possibility that other FBI files may be turned over to members of the Senate and their staffs and used in ways which will not safeguard the rights of individuals who may be mentioned in those files.

The ACLU has, for many years, opposed legislative investigations which ignored the rights of individuals to privacy and to procedural fairness. We have developed the enclosed set of guidelines which we believe should govern the disclosure of information about individuals in the course of such investigations. The most important of these guidelines include -

- - No mandate, however specific, may authorize a congressional committee to investigate merely for the sake of exposing unorthodox views or criminal activity. Congress has no power to expose individuals, but only to conduct legislative investigations pursuant to its constitutional powers.

- - Before airing defamatory, prejudicial, or adverse information, a committee should screen such material in executive session to determine whether or not it is reliable. The individual whom the information tends to prejudice should be properly notified and given an opportunity to appear before the committee in executive session with other witnesses if he so requests, or with other evidence rebutting the information. The same requirement of fair notice pertaining to witnesses at public hearings should apply here, and should include a ban on disclosure of the names of witnesses in advance of their appearance. There should be an absolute prohibition on the publication of information discussed at the session, prior to a determination of whether to hold a public session at which the defamatory information will be presented. An investigating committee should not recall for a public hearing a witness who has claimed his privilege against self-incrimination in executive session in response to certain questions put to him, merely in order to ask him the same questions publicly.

- - If adverse testimony is given in public session after the committee has determined in executive session that it is appropriate to the investigation, any person about whom such testimony is offered should be afforded an opportunity to:

✓

- (a) testify or offer sworn statements in his behalf;
- (b) subject the witness offering prejudicial testimony to cross-examination;
- (c) obtain the assistance of the investigation committee in compelling the attendance of witnesses and the production of documents reasonably necessary to rebut the charges against him.

Implementing these safeguards, which relate to the public use of material in FBI documents, would be impossible if raw FBI data were simply handed over to these Committees without clear restrictions on its dissemination within the Senate prior to any public disclosure. For example, at a minimum, we suggest that only a single copy of any document be transmitted, with the understanding that it may be examined but not copied and that no disclosure will take place prior to compliance with the safeguards outlined above.

We hope, therefore, that you will insist upon the establishment of these safeguards to protect individuals who may be mentioned in any FBI documents prior to their transmittal to Congress. We believe that protecting the rights of all persons mentioned in these documents, whether innocent or guilty, can only preserve the integrity of the Bureau and its investigative process.

We look forward to hearing from you on these matters. We have sent a similar letter to Senator Eastland and the other members of the Judiciary Committee, asking them to establish these safeguards.

Sincerely yours,

*Charles Morgan Jr*

AFTER THE ELECTION, PROBABLY IN JANUARY, 1973, HE RECEIVED A TELEPHONE CALL FROM PORTER SETTING FORTH THAT LA RUE WOULD LIKE TO SEE HIM IN WDC. KEATON PRESSED PORTER AS TO THE PURPOSE OF THIS AND PORTER PROFESSED NOT TO KNOW. KEATON FLEW TO WDC AND MET LA RUE ON THE SECOND FLOOR OF 1701 PENNSYLVANIA AVE., NW, ON 1-16-73. HE NEVER MADE AN EFFORT TO DO SO, AND NEVER HEARD FROM PORTER OR LA RUE AGAIN ABOUT THE MATTER.

KEATON DENIES GIVING \$50,000 OF HIS OWN MONEY TO CREP OR ANYONE DURING APRIL, 1972. HE ALSO DENIES GIVING \$16,000 AFTER 4-7-72, AND AFTER 6-17-72.

At 8:00 a.m., today you called and wanted to make certain SAC McDermott, Washington Field Office, fully understood that we are to continue a vigorous hardhitting investigation into the Watergate case. I advised you there was no question in anybody's mind that this was the situation and these are the instructions. I did advise you in view of the current grand jury hearings directed by Assistant U. S. Attorney (AUSA) Silbert we were following very strict "ground rules" with respect to coverage of leads. At the outset let me say the FBI is not receiving the full transcript of the entire grand jury testimony. We are receiving, however, portions of the testimony where it is necessary for background purposes in covering specific leads requested by AUSA Silbert. In covering such specific leads we are not on our own initiative covering additional leads as an outgrowth of the coverage of the first lead but rather making available to Silbert the results of the original lead and where appropriate suggesting to him further investigation. We are, of course, being guided by his decision in this regard. This procedure is being followed in view of the fact (1) the FBI is not receiving the over-all information as to what is going on in the grand jury room and (2) we do not want to disrupt any plans or direction AUSA Silbert is following in connection with the grand jury.

With respect to investigation based on information obtained other than the grand jury testimony it is felt we should follow the same procedure, i.e., contacting Silbert before we conduct any investigation and make certain it would not be in conflict with his plans concerning the grand jury. For example, there is an article in Jack Anderson's column relative to a bank account with the banker stating he has never been contacted by the FBI.\* SAC McDermott has already been instructed to review the content of that article and before conducting any investigation check with Silbert to ascertain if he has any objection. While talking to SAC McDermott I again reminded him of the procedures we are following at the present time in this matter and he indicated that he was fully aware and in agreement with these procedures.

# GOP Cash Rumored in Swiss Bank

By Jack Anderson

Of the hundreds of thousands in unaudited cash stashed in GOP safes across the country, there are whispers some money wound up in a secret Swiss bank account.

We have established that Art MacQuoid, a minor Republican functionary in Los Angeles County, paid a mysterious call to the Swiss Credit Bank of Zurich on Feb. 12. In two long-drawn-out interviews, he admitted visiting the Swiss bank but refused to discuss the details except to say his business with the bank was "strictly personal."

He told us he was close to President Nixon's personal lawyer, Herbert Kalmbach, who kept around \$500,000 in Nixon campaign funds in a California bank account. At least some of this money, according to investigators, was used as part for political spy-

ing. MacQuoid also acknowledged he had been in contact with persons involved in the Watergate case, but did not admit any involvement himself.

MacQuoid specifically mentioned that he served as a go-between for money used in the Watergate escapade or other activities. He paused for a moment and answered "No comment." He told my associate Jack Clotherty, however, that he had not had any

previous dealings with the Swiss bank.

Our sources say MacQuoid flew to Switzerland ostensibly on a ski trip. He left Los Angeles on Scandinavian Airlines charter flight C-1219 with a group called "The Far West Ski Association" on Feb. 10. Two days later, he slipped into the Swiss Credit Bank. He returned to Los Angeles on flight C-1225 on Feb. 25.

Through an attorney, Kalmbach denied knowing MacQuoid.

## Hush Money

Sources close to the Watergate investigation, meanwhile, tell us at least \$500,000 was spent in an attempt to hush up the scandal. Wiretapper James McCord alone deposited \$60,000 in a Riggs National Bank account immediately after the Watergate trial. Investigators say he collected, all told, around \$100,000.

As early as Aug. 7, Watergate ringleader G. Gordon Liddy's wife rented a safety deposit box at the Marine National Bank in Poughkeepsie, N.Y. She also left a padlocked trunk in the bank's silver storage room. Branch manager George Harnen told us Mrs. Liddy "expressed concern as to who would have access to the safe deposit box." She asked specifically whether "the authorities" could get into the box or trunk. The FBI, however, hasn't yet contacted the bank about the

Liddy deposits, Harnen told us.

Our story has also been confirmed that Mrs. E. Howard Hunt, the late wife of the other Watergate ringleader, handed out cash to the burglary-bugging squad. She was killed in a Chicago airliner crash, with \$10,000 in \$100 bills in her purse. Hunt has told friends they intended to invest the money in a motel rather than keep it in a bank where it could be easily traced.

Probably never in the history of American politics has so much loose cash been floating around.

## Washington Whirl

Sky Posts—The White House has ordered three new Boeing 747s for the President to use as airborne command posts in case of war. The Air Force confirmed reports that hangars are now being planned at Andrews Air Force base outside of Washington for the planes.

Bangladesh's Bookkeeping—The bed-drest bureaucrats of Bangladesh are so fouled up in bookkeeping that more than \$400 million in American aid has yet to be turned over to the ravaged and impoverished land. The U.S. has given Bangladesh \$400 million for fuel, low-cost rice, pesticides, fertilizers, and the like. This has been received and spent. Another \$105 million is available

to pay for schools, generate coastal repair and other construction. But under law the U.S. cannot turn it over until Bangladesh vouchers for the spending. So far, this has proved too complicated for the new nation's harassed clerks.

Eagle Scandal—Rep. John Dingell (D-Mich.) has written an infuriated letter to Interior Secretary Rogers Morton complaining that two accused killers of bald eagles are getting federal grazing privileges on public land. Dingell said the privileges have been accorded Dean Visintainer of Craig, Colo., and Herman Werner of Casper, Wyo., who were named in the shotgun slaying of up to 635 bald and golden eagles. Dingell says he will hold public hearings if Morton can't explain satisfactorily how the eagle slayers got federal grazing permits.

Gauzza's Travels—Gen. Gauzza, a enterprising former West Point officer, has been named as a candidate for the post of U.S. ambassador to Bangladesh. He was born in Sicily and has spent most of his life in the U.S. He has yet to be named over as the Italian-born diplomat. This year, Gauzza spent days in the Virgin Islands on "official business" in course

A review of the teletypes received from various field offices as a result of leads emanating from the current grand jury conducting investigation of the Watergate case has been made. It has been determined that a number of leads are being conducted at the specific request of AUSA Silbert involving possible violations of the Election Laws Statute. The current policy of Election Laws matters is that investigation regarding this is conducted at the specific request of the Criminal Division of the Department.

The leads concerning possible Election Laws violations were discussed with Supervisor Ruhl, WFO, and he stated that all leads are being conducted at the specific request of AUSA Silbert with the concurrence of Assistant Attorney General Henry Petersen. Supervisor Ruhl further stated that the Agents are in daily contact with AUSA Silbert and they advise him of the results of our investigation based upon his prior request. Supervisor Ruhl advised that all leads to his knowledge are being cleared with Petersen by Silbert.

Supervisor Ruhl advised that he will transmit a communication to FBIHQ reflecting the above which will be for record purposes.

We have previously agreed that the assignment of FBI Agents to the White House and Executive Office Building constitutes mere window dressing and that the Bureau's reputation for integrity is being employed to give a semblance of respectability and good faith in the marshaling and sequestration of the papers of HALDEMAN, EHRLICHMAN and DEAN. *at me up*

I would suggest that you ask Mr. RUCKELSHAUS to confer with AG Designate RICHARDSON and Mr. LEONARD GARMENT, Counsel to the President (which three apparently originally agreed to this use of FBI Agents) for the purpose of now having the Bureau coverage withdrawn.

We have assisted Mr. GARMENT and his staff in making firm recommendations concerning the identification and secure isolation of the papers under discussion, and he appeared extremely appreciative of both the recommendations and the action that the Bureau had taken. As of this morning, all of these documents will be in one of two secure locations in the Executive Office Building. Both locations are protected by sound-sensor detecting equipment which is monitored by the Executive Protection Service (EPS). I learned last evening that Chief EARL DRESCHER of the EPS has been told by his Secret Service superiors to discontinue the EPS guard duty over these papers. (We had arranged for one EPS uniformed officer to be with an FBI Agent at each station.) *11*

Understand that we had to rely completely upon White House Staff people, including assistants of HALDEMAN, EHRLICHMAN and DEAN, to identify the files of these men which should be sealed. We (FBI) exercised no judgment or discretion in the selection of these papers; nor have we reviewed any. Now that these papers have been marshaled into secure locations, access to them under a program recommended by us to Mr. GARMENT would be extremely limited. Only a few people would be permitted to authorize access to them. HALDEMAN and EHRLICHMAN and some of their staff people will require access in the future because of

Re: White House Sentry Duty

on-going incomplete projects in which they were involved. As such access is required in the future, FBI would be exercising no judgment in determining who shall be granted access, or to what files or documents access will be granted. FBI Agents will not have safe combinations or door keys which permit access. FBI Agents would only assure that during periods when individuals are permitted access to these files, no documents are purloined or removed in any fashion, other than for copying purposes which would be permitted.

Admittedly there are many papers of a strictly personal nature which have no relevancy to Watergate which should be removed. The files which are now sealed and secured will be culled by persons as yet undetermined on the White House Staff for the purpose of removing such "irrelevant" documents for return to appropriate persons. FBI Agents will not participate in this culling of files and, of course, this culling permits an opportunity for no one who is so inclined to remove whatever papers desired from the seized files. The very people who will cull the files most probably are those who worked for EHRLICHMAN and HALDEMAN (BRUCE KEHRLI, as an example).

Obviously if there is any suggested breach of security with regard to these files, or unaccountability or disappearance of any document, the FBI stands to be blamed despite the fact that we have no knowledge of the contents of the files, had no role in their selection, cannot prevent their being stripped by persons authorized to cull them, do not control the security hardware sealing them, etc. In summary, we do not have custody of these files. Our role is to limit access to the room containing the files to persons who have been "cleared" for access by others and to see that original papers are not removed except by those authorized to "cull" the files. no

Our role, therefore, is reduced to that of unthinking hallway sentries performing GS-3 level guard duty, exercising absolutely no effective control over these files.

The Bureau has been placed in this untenable position for the purpose of "putting on a show" and lending an aura of custodial integrity, which we in no way can assure. no

Custodial responsibility for White House documents should be returned to White House security people at the earliest possible hour so as to extricate the Bureau from this impossible posture in which we find ourselves.

*Case James Water My Card*

An article appeared in "The Washington Post" edition of Thursday, 3/1/73, captioned "Gray Backs FBI On Watergate." Included in this article is a statement that "Gray said he shared Ervin's concern about a report in 'The Washington Post' last October 15 that the FBI's reports were used improperly by Presidential aides."

This refers to an article in "The Washington Post" dated 10/15/72, under the caption "Key Nixon Aide Named As 'Sabotage' Contact" (article attached). Included in this article is the statement "On Aug. 19, two days before the Republican National Convention, Segretti went to Miami Beach where presidential aides showed him copies of two interviews he had with the FBI, including one that was not yet 24 hours old."

Review of files indicates that Segretti was interviewed at Marina Del Ray, California, on 6/26, 6/28, and 6/30/72. He was subsequently contacted on 8/19/72, when he was served with a summons ordering him to appear before the Federal grand jury, Washington, D. C., on 8/22/72. He was not interviewed at this time. On 8/19/72, during this contact, he was in Marina Del Ray and not in Miami, Florida. It is noted that this information in report form was transmitted to the Bureau under Los Angeles report of 9/7/72, and a copy of this report was hand carried to Assistant Attorney General Petersen, Criminal Division, Department of Justice, on 9/27/72. It is to be noted that the above information concerning serving of summons on Segretti was reported to the Bureau and WFO by teletype on 8/19/72.

# Key Nixon Aide Named As 'Sabotage' Contact

By Carl Bernstein  
and Bob Woodward  
Washington Post Staff Writers

President Nixon's appointments secretary and an ex-White House aide indicted in the Watergate bugging case both served as "contacts" in a spying and sabotage operation against the Democrats, The Washington Post has been told.

The appointments secretary, Dwight L. Chapin, 31, meets almost daily with the President. As the person in charge of Mr. Nixon's schedule and appointments, including overall coordination of trips, Chapin is one of a handful of White House staff members with easy access to the President.

In a sworn statement, Lawrence Young, 32, a California attorney, said he had been told by Donald H. Segretti that "Dwight Chapin was a person I reported to in Washington."

Segretti, 31, a lawyer and a close friend of Young, has been identified by federal investigators as one of the 50 undercover operatives engaged since 1971 in an apparently unprecedented spying and sabotage effort staged by Nixon aides against Democratic presidential candidates.

Federal law enforcement officials have said that much of this spying and sabotage is probably illegal but that any unlawful activities connected to the undercover campaign would be difficult or impossible to prove in court. However, the same officials regularly used words like "despicable" and "vicious" when describing the activities.

In a statement issued through the White House press office Friday night, Chapin acknowledged knowing Segretti "since college days." While declining to discuss the allegation that he was one of Segretti's "contacts," Chapin said:

"As The Washington Post reporter has described it, the story is based on hearsay and is fundamentally inaccurate."

In three separate interviews, Young, who attended the University of Southern California with both Chapin and

Segretti, said that Segretti told him—among other things—that:

- On Aug. 19, two days before the Republican National Convention, Segretti went to Miami Beach where presidential aides showed him copies of two interviews he had with the FBI, including one that was not yet 24 hours old.

- The aides briefed him on what to say when testifying the following Tuesday before a federal grand jury investigating the Watergate bugging here in Washington.

- The money for Segretti's activities, including a \$20,000 annual salary, was

paid from a "trust account in a lawyer's name . . . a high-placed friend of the President, and he was instructed to guard that name zealously."

Federal law enforcement sources, apprised of what Young told The Post, said Segretti had told essentially the same story to investigators.

According to Young, Segretti also told him that he received political sabotage and spying assignments from E. Howard Hunt Jr., the ex-CIA agent and White House aide who was among seven men indicted on charges of conspiring to eavesdrop on the Democrats' headquarters in the Watergate.

Young, who describes himself as a liberal Democrat, made his statements in separate interviews with two Washington Post reporters and a special correspondent of the newspaper, Robert Meyers. Young has signed a sworn affidavit to the accuracy of his accounts of conversations with Segretti.

In five or six conversations with him, Young said, Segretti detailed widespread undercover activities undertaken on behalf of President Nixon's re-election and mentioned Chapin's name in connection with them many times.

Segretti was first linked by investigators to the sabotage and spying activities on the basis of records of long-distance telephone calls from Hunt while Hunt was still serving in the White House, according to law enforcement sources and Young's account.

According to Young, Segretti said that he reported frequently to Chapin on the progress of his sabotage activities.

Young said that when the FBI first interviewed Segretti about his undercover activities, Segretti immediately sought—and received—assurances from Chapin that he would not be abandoned as a "sacrificial lamb" by the Nixon forces.

## *Contact in 'Sabotage'*

Ten days before the Miami National Convention, Segretti said, "He told him that he had met with Hunt several months earlier and had been asked by Hunt to organize 'an attack' by demonstrators on the Doral Beach Hotel GOP Headquarters, during the Republican convention in the name of supporters of the Democratic nominee for President. Segretti refused Young said.

"He was worried because there was no prior warning that he would be contacted by the FBI," said Young. "He felt he would be given prior warning, that he would be briefed as to what to say. . . by the people he was working for. He was afraid of being left out on a limb, sacrificed without any protection or coverage. He wanted some advice as to what he should do."

On that occasion, Young said, Segretti told him that he had met with Hunt several months earlier and had been asked by Hunt to organize "an attack" by demonstrators on the Doral Beach Hotel GOP Headquarters, during the Republican convention in the name of supporters of the Democratic nominee for President. Segretti refused Young said.

According to Young, Segretti was upset by the possibility of testifying before the Watergate grand jury and told him he knew nothing about the bugging of Democratic headquarters. Segretti's dealings with Hunt concerned only "legal" sabotage and spying activities against the Democrats, Young said he was told.

"Don said he knew Hunt by a different name, an assumed name," said Young, "but that he knew he was Hunt. Hunt would always talk in a very whispery, conspiratorial voice, he said. . . and seemed to add even more intrigue than was already there."

A week after that first visit from the FBI, Young said, Segretti was questioned again by federal agents, who at the same time subpoenaed him to appear before the Watergate grand jury.

"He was extremely worried," Young recalled, "and I suggested he put in an immediate call to the people he had been working for; but he said all of his contacts were already in Miami Beach for the convention. So he made further calls. He was trying to call Chapin." Young added:

"Then I got a call from Don around midnight saying he was on his way to Miami, that he had made contact—he wouldn't say with whom—and they had told him to come to Miami. . . When he informed me he was going to Miami, he wasn't in a panic any more because he had been told not to worry about it."

In Miami Beach, according to Young's account, presidential aides briefed Segretti on what to tell the grand jury. They assured Segretti that prosecutors would ask "easy questions" in front of the grand jury, and rehearsed Segretti on his testimony.

The Nixon aides in Miami Beach assured Segretti he would not be asked about specific sabotage activities by the grand jury, or about his contacts with Chapin, Young said.

That relieved Segretti, especially because of his long term friendship with Chapin, Young said. "He was concerned with Dwight's name. Quite often he would say, 'I talked to our

friend'—meaning Chapin—or he'd use the initials 'D.C.' when discussing covert activities.

The presidential aides, according to Young's account, instructed Segretti to tell the grand jury "just what he had told the FBI, which was not any damaging material; it was just about the phone calls from Hunt and some small activities he (Segretti) was doing, some innocuous thing about being involved in some campaign activities."

Young added: "He was told to tell the truth, not to perjure himself and not to worry about it. He was to stick to just what he had said to the FBI."

Three days after the Miami Beach meeting, Young said, Segretti flew to Washington for his appearance before the grand jury. Upon arrival, said Young, "the U.S. attorney interrogated him ahead of time in an office and thoroughly went into everything"—including Chapin's alleged role in the sabotage campaign; where Segretti was getting his money from, and the names of such other persons involved in acts against the Democrats. Such an interrogation is customary.

However, the prosecutor told Segretti "not to worry, that those weren't the questions that would be asked," according to Young's account.

(Assistant U.S. Attorney Earl J. Silbert was in charge of the grand jury investigation. He has repeatedly refused to comment on the Watergate case and related matters. Reliable federal law enforcement sources have praised the thoroughness of investigation at Silbert's level, while emphasizing that the U.S. attorney's office focused almost exclusively on the Watergate bugging and a related attempt to eavesdrop on the campaign headquarters of Sen. George McGovern. One highly placed source observed that the grand jury's investigation had to be narrow. Had the inquiry gone into more than the Watergate incident, it "never would have finished, believe me.")

Inside the grand jury room, "the questions went along on a very easy scale," Young said he was told by Segretti. The inquiries were made by a prosecutor whose name Segretti did not mention, Young said, adding: "It was just innocent stuff and nothing about . . . whom he was working for."

A woman on the grand jury, however, began asking leading questions on her own accord, said Young, "including who paid Don" and questions about whom he worked with "on the White House staff."

"Then he (Segretti) said the names came out," Young recalled, "especially Dwight Chapin's . . . and the name of the lawyer who paid him." Young said Segretti had not told him the other names—except Hunt's—that were mentioned in the grand jury proceedings.

According to Young, Segretti told him that "I'm just a small fish; there are many others" in the sabotage campaign that federal investigators say was conducted on behalf of President Nixon's re-election and directed by White House aides and officials at the Committee for the Re-election of the President.

Young emphasized that Segretti repeated that he was

cruffled for the work by the Nixon forces and he did no volunteer.

Segretti could not be reached for direct comment, and is reported by associates to be in hiding.

The money that Segretti received for his undercover activities, it was reported last week, came from a fluctuating, secret cash fund of \$370,000 to \$700,000, which was kept in the office safe of former Secretary of Commerce Maurice Stans, finance chairman of the Nixon campaign.

The fund was allegedly controlled in 1971 by John N. Mitchell while he was still Attorney General of the United States. By the time Mitchell had left the Justice Department to become President Nixon's campaign manager last April 1, several White House and campaign aides to the President were also authorized to make disbursements from the fund, according to sources close to the Watergate investigation.

Federal investigators said that Segretti, and many other operatives involved in sabotage activities by the Nixon forces, were paid from the fund indirectly, through middlemen.

The purposes of the undercover effort, according to federal investigators and persons whom Segretti attempted to recruit as agents provocateurs, were to discredit individual Democratic presidential candidates; create confusion in their campaigns, and the Democratic primaries to the effect that the Democratic Party could reunite after choosing its presidential nominee.

The covert activities, according to information in FBI and Justice Department files, represented a battery of the Nixon re-election effort included:

Following members of Democratic candidates' families and assembled dossiers on personal details of lives; forging letters and distributing them under the candidates' heads; investigating potential donors to the Nixon campaign before contributions were solicited; leasing false and manufactured items to press about the candidates; throwing their campaign schedules into disarray; investigating the lives of dozens of Democratic campaign workers, planting provocateurs in the ranks of organizations expected to demonstrate at the Republican and Democratic national conventions.

Segretti, according to Young, to him that his sabotage and spying activities were conducted across the country, particularly in the states with important Democratic primaries, and included the following examples:

In the Midwest, said Young, Segretti went to work at local Republican headquarters, training Nixon workers to infiltrate Democratic campaign organizations. Inside the camp of Democratic candidate, according to Young's account, the Nixon workers were to urge the Democrats' followers to conduct sabotage against the Democratic presidential opposition. The tactics recommended were to throw stink bombs in the campaign headquarters to keep volunteers and information seekers away. If anyone was caught in the act, the plan was to blame would be placed on the

a Democratic candidate—not the Nixon forces.

- In Florida, said Young, Segretti organized Democratic clubs to work against Sen. Edmund S. Muskie, who federal investigators have said, was the victim of extensive sabotage by the Nixon forces.

- Frequently, said Young, Segretti distributed fabricated campaign literature under the letterhead of individual Democratic candidates. These were intended to embarrass both the purported sender's campaign and—through scurrilous or false attacks on other Democratic presidential candidates—weaken his opponents as well.

According to Young, Segretti said that Nixon campaign leaders in some states complained to Segretti about his activities, but were told "to call Washington to check him out. After an interval of time, word came back that he was ok."

Three attorneys who served in the Army with Segretti have told The Washington Post that Segretti asked them to disrupt the campaign schedules of Democratic candidates, plant spies inside the various Democratic presidential camps and "be imaginative" in devising their own schemes to confuse and divide the Democrats.

The three lawyers, including an assistant attorney general of the state of Tennessee, all refused Segretti's recruitment offers, in which he purport-

edly promised them "big jobs" in Washington after President Nixon's re-election.

At the University of Southern California, where young, Segretti and Chapin all graduated in 1963, Segretti and Chapin lived in fraternity houses that were next door to each other, and both were involved in an organization called Trojans for Representative Government, Young said.

The group, organized to reform USC campus politics, included other members who later went on to the White House staff, according to Young and others. They reportedly included Ronald Ziegler (Class of '61), President Nixon's press secretary; Tim Elbourne ('62), a presidential assistant; Mike Gubin ('61), a member of Dr. Henry Kissinger's staff; and Herbert L. Porter ('60), a White House advance man now working at the Committee for the Re-election of the President. Porter, according to sources close to the Watergate investigation, was among the persons who directly received large amounts of money from the secret fund that financed the Nixon forces' undercover activities.

Chapin has been associated with the President since 1964, when he worked for Mr. Nixon at the Republican convention against Sen. Barry Goldwater, the GOP's nominee for president that year. In 1966, when Mr. Nixon campaigned across the country on behalf

of GOP congressional candidates, Chapin was often seen at his side.

Chapin did advance work for those trips and, upon Mr. Nixon's election as President in 1968, was named appointments secretary at the White House, with the title "deputy assistant to the President."

Chapin is known as Mr. Nixon's premier advance man, the person in charge of making sure that schedules are perfectly timed and executed.

Chapin was one of four White House staff members—with Ziegler, presidential domestic counsel John Ehrlichman, and assistant to the president H. R. Haldeman—to leave the J. Walter Thompson advertising agency to work in the White House.

Chapin issued the following statement Friday night through the White House press office:

"As The Washington Post reporter has described it, the story is based entirely on hearsay and is fundamentally inaccurate.

"For example, I do not know, have never met, seen or talked to E. Howard Hunt. I have known Donald Segretti since college days, but I did not meet with him in Florida as the story suggests, and I certainly have never discussed with him any phase of the grand jury proceedings in the Watergate case."

"Beyond that, I don't propose to have any further comment."

The attached concerns the testimony of the Acting Director at the Afternoon Session on Thursday, 3/1/73. This is in regard to page 293, lines 18-22, in which Senator Kennedy asked "who else did you interview about those alleged destructions of the files?"

Review of the WFO reports reveals there were two situations in which Committee to Reelect the President (CRP) files apparently were destroyed. First, finance records such as ledgers and records regarding contributors were destroyed about 4/6/72, prior to the date on which the new regulations relative to disclosure of the names of contributors and the expenditure of funds went into effect on 4/7/72. Second, there apparently was destruction of material having to do with Liddy's intelligence gathering operation. Herbert Porter advised he threw away receipts Liddy gave for the money that Porter received from Sloan to pass on to Liddy, and allegedly Liddy used the CRP shredder on 6/17/72, after the arrest at the Watergate, to destroy some documents, probably the logs and memoranda dealing with Baldwin's overhearings of the conversations on Spencer Oliver's telephone. It was also reported that McCord's assistant, Robert Houston, removed some material from the CRP offices over the weekend of 6/17-18/72. (He told us this was some equipment he was working with, it was not destroyed and was returned to the office.)

It is noted our regular reporting procedure is that not all negative information is set forth in the FD-302. The WFO reports show that skimpy information about record destruction was received and reported by our Agents from Porter, Houston, Penny Gleason (Security Officer), Judy Hoback (Sloan's assistant), and Stephen Anderson (Security Guard). The FD-302s of other CRP people are silent with respect to record destruction. However, on Sunday, 3/4/73, case Agent Angelo Lano recalled that the Federal grand jury inquiry looked into both destruction of record phases.

Gebhardt to Baker  
RE: CONFIRMATION

He recalled that those who were questioned relative to the destruction of the financial records were Sloan, Porter, Hoback, Jeb Magruder, Maurice Stans, Sally Harmony (Liddy's secretary), Paul Barrick (CRP Treasurer who succeeded Sloan when he resigned) and Lee Nunn (Finance Chairman, Finance Committee, CRP). Those questioned before the Federal grand jury relative to the destruction of intelligence gathering records were Houston, Penny Gleason, Sally Harmony, Rob Odle (Director of Administration, CRP), Martha Duncan (Office Manager, CRP), and Sylvia Panarites (Odle's secretary).\*

RECOMMENDATION: Although the FD-302's do not set forth all the efforts we made to get to the bottom of the destruction of files matter, it is believed in the interest of thoroughness and accuracy in answering Senator Kennedy's question that the insert for his question should include the fact that all of the above mentioned people were questioned on that point. Upon approval, the attached insert will be furnished to the Committee.

Mr. Gray. After checking, I find that there are two situations in which records at the Committee to Reelect the President were allegedly destroyed. The first of these relates to financial records of contributions before April 7, 1972, when the new Disclosure Act took effect. The second involved alleged destruction of records at the Committee offices after the arrests of the five men at the Democratic Headquarters on June 17, 1972. Our Agents contacted a number of people at the Committee concerning these points and during the Federal grand jury inquiry a number of people were also questioned concerning the records destruction. Those questioned included Jeb Magruder, Herbert Porter, Maurice Stans, Hugh Sloan, Paul Barrick, Lee Nunn, Sally Harmony, Judith Hoback, Robert Odle, Robert Houston, Sylvia Panarites, Millicent Gleason and Martha Duncan.

The memorandum from Mr. Kinley dated March 5, 1973, instructed that I was to discuss the attached questions and answers with a top experienced prosecutor in the Criminal Division to be certain we are on target and correct. These questions and answers are then to be given to Senator Hruska to use himself or to give to whatever Republican is next in line so as to clarify the record in this Segretti matter.

I discussed this matter in detail with Assistant Attorney General Henry Petersen from 3:45 p.m. to 4:17 p.m. on March 5, 1973. Mr. Petersen called and discussed these questions with William S. Lynch, Chief of the Organized Crime and Racketeering Section. Mr. Petersen advised that he thought the questions and answers were too detailed and that a more general response would be appropriate. Specifically, he said that the position expressed in the questions and answers that disclosure of FD-302s to the individual furnishing the information in the FD-302 was lawful and probably could be compelled, however, from a prosecutive standpoint the Department would prefer that the FBI not publicize that fact. He suggested that we use other language to indicate that the FBI would be guided by the advice of the United States Attorney but that we recognize it would not be unlawful per se to furnish the FD-302 to such an individual.

Mr. Gray instructed that we check to determine whether Segretti was called before the grand jury or the court as a witness. Mr. Nuzum advised me that Segretti was called as a witness to the grand jury on August 22, 1972

DISCLOSURE OF FD-302

Mr. Petersen and I examined the questions and answers in detail and prepared the attached proposed revised questions and answers. Question number 4 Mr. Petersen suggested should be deleted as repetitious. He suggested that question number 5 should be deleted because the reason the FBI uses FD-302s is not germane to the intent of one disclosing the FD-302 to another.

MEMORANDUM FOR: *JK* MR. KINLEY

The attached Questions and Answers constitute an example of what I mean when I say to prepare Qs and As, and bring out our points.

I want John Mintz to go over his memorandum very carefully and to go over these Qs and As very carefully with a top experienced prosecutor in the Criminal Division, to be certain we are on target and are correct. Then we will give these Questions and Answers to Senator Hruska to use himself or to give to whatever Republican Senator is next in line, so as to clarify the record in this Segretti matter.

Now is the time to clarify it, and I want to do it first thing Tuesday when the hearings open, if possible.

I believe a Republican can get the nod from the Chairman to start the questioning, since the Democrats have been monopolizing the questioning so far.

Be sure to check to determine whether or not Segretti was called as a witness before the Grand Jury or at the trial. It was my recollection that he was not.

After these questions are asked and have become a matter of the official testimony, I want a copy of them to be delivered to Senator Weicker, after you call Bob Herrema and tell him that these have become a matter of official testimony and the Senator may want to have these just for his information.

### QUESTIONS AND ANSWERS

Q. In connection with Mr. Segretti, was the information developed by the FBI in interviews with him presented to the United States Attorney or Assistant United States Attorney?

A. Yes sir.

Q. Did the United States Attorney or Assistant United States Attorney ever indicate to the FBI that there was a likelihood of prosecuting Mr. Segretti?

A. No sir, not up to this point in time.

Q. If there did occur the alleged showing of his FBI interview reports, the FD 302's, to Mr. Segretti by a Presidential aide as reported in a newspaper, has there been a violation of law even assuming that this alleged act occurred?

A. No sir, I testified that if this alleged act occurred as reported in a newspaper, I would classify it as a grievous and most serious breach of trust, but not as a violation of the laws of the United States within the investigative jurisdiction of the FBI.

Q. Isn't it true that even if this alleged act occurred exactly as reported in a newspaper, there would have been no violation of law within the investigative jurisdiction of the FBI?

A. Yes sir, that is true; we would not have had jurisdiction to investigate and no investigation was warranted.

Q. Is it correct to state that there had been no violation of law because FBI reports of interviews, FD 302's, are prepared for disclosure in accordance with law?

A. Yes sir (18 U. S. C. 3500).

ENCLOSURE

137-4051 2086

Q. Is it the law that a witness may be afforded access to his statement, or notes of his oral statement recorded by a Government agent, for the specific purpose of refreshing his recollection prior to testifying?

A. Yes sir (Thompson v. U.S., 342 F.2d 137, Fifth Cir. 1965, certiorari denied, 381 U.S. 926).

Q. Would this alleged showing of his interview reports by the FBI, the FD 302's, to Mr. Segretti, if in fact it did occur, violate FBI policy?

A. No sir, FD 302's are subject to the same safeguards as other FBI file material, except that they are prepared for the express purpose of disclosure. Disclosure may be made to the source itself under long-standing FBI policy. If a copy is requested prior to formal referral of a case to the United States Attorney, it should be furnished to him. This is our policy, which is supported by common sense and the experience of the law. The law permits a source, a witness, a suspect, and even a defendant to have access to his statement.

Q. In this instance, had there been a formal referral of a case against Mr. Segretti to the United States Attorney?

A. No sir.

Q. Then is it your testimony that Mr. Segretti could have obtained from the FBI a copy of his FBI interviews, FD 302's, if he had requested them?

A. Yes sir, he was entitled to have them under law. In this instance, if he had requested them of us we would have provided them. He was not a suspect, a subject, or a witness in this criminal case involving a violation of the intercept of communications statute.

Q. Why were you incensed and outraged then when you read the story in the newspaper alleging the showing to Segretti by a Presidential aide, and why did you call Mr. Dean, Counsel to the President?

A. Because at the time, I knew that I was providing him with FD 302's for use in his official capacity in conducting an inquiry for the

- 3 -

President, and if this incident had occurred, as alleged, he had breached the trust I had placed in him to safeguard these documents and use them only in his official capacity. Further, he was the only Presidential aide that I knew to have had such documents in his possession.

*Ce* *H* I met this afternoon shortly after 3 p. m. with Senator Howard Baker (R. - Tenn.) at his residence, 3224 Woodland Drive, Washington, D. C. The Senator was working at his residence today rather than go to his office since the Senate was not in session.

I told the Senator that I was seeking his advice and counsel and hopefully his assistance concerning a very disturbing direction being taken by some members of the Senate Judiciary Committee in connection with the hearings for the confirmation of Mr. Gray. I pointed out that Mr. Gray had offered to make available to any Senator the complete Watergate file, along with experienced agent personnel to answer questions, and that while no member of the Judiciary Committee has, as yet, availed himself to this offer, certain members have persisted in asking questions about specific aspects of the investigation. It was explained to the Senator that Mr. Gray does not want to expose the investigative results of this case on the public record yet he finds himself in a most difficult position when members of the Committee ask him specific questions. *[initials]*

Senator Baker said he was aware of the situation since he has followed the confirmation hearings through an assistant which he has had attending the hearings most of the time. He stated he certainly can understand our concern and realizes that Mr. Gray is in no position to decline to answer the questions since he would open himself to the charge that he is attempting to cover up.

*REG-102* *REG-81/37-40 89-2087*  
It was pointed out to Senator Baker that Senator Sam Ervin (D. - N. Car.) and Senator Edward Gurney (R. - Fla.) while members of the Select Committee on Presidential Campaign Activities (Watergate Committee), apparently are reluctant to speak out against the present trend of questioning lest their fellow Judiciary Committee members might think they are trying to muzzle them. Senator Baker said he can understand this feeling on their part, adding however that he has received the indication that Senator Ervin is

Re: CONFIRMATION

"disturbed" by the trend of events. He said he is glad that we have come to him with this problem and he will do everything possible to see if he cannot bring about some solution. He said as Vice Chairman of the Select Committee on Watergate and without the encumbrance of also being a member of the Senate Judiciary Committee, he can openly discuss the matter with Senator Ervin and thus give Senator Ervin a reason for expressing his views before the Judiciary Committee. He said that without some expression on the part of Senator Ervin, he really sees little likelihood that the likes of Senator Kennedy will ever let up in their efforts to get the entire Watergate investigation spread on the public record.

Senator Baker said he has a meeting scheduled with Senator Ervin early in the morning, 3/6/73, and he thinks this would be the best time to discuss the matter with him, although he offered to call Senator Ervin immediately if this was desired. I told the Senator I would leave that to his good judgment and he said he thought a personal contact would be better. He stated he may be at the confirmation hearings briefly in the morning and will communicate at that time with Bowers concerning his contact with Senator Ervin. He said that if he does not see Bowers in the morning, Bowers should call him at noon to determine the outcome of the conversation.

Senator Baker stated he will handle the conversation with Senator Ervin in such a manner that there will be no indication whatever that this problem was brought to him by the FBI. He reiterated that he appreciates the opportunity to be of assistance and said he will do everything possible to work this matter out since he does have a personal interest.

This matter will be followed up with Senator Baker tomorrow and you will be advised of the results.

The Acting Director listed several key points and asked the following:

(1) "Dean had an inquiry to conduct for the President; he was there in an official capacity...not as counsel to interviewee...he was as interested as we in getting to the bottom of it. (Ask SA's if he interfered with Q's)"

(2) "CRP attys for same reason? (But were they there as counsel to interviewees or as counsel to CRP in anticipation of law suits in future)" *LB*

In response to the above questions, the Supervisor at WFO has advised that concerning question #1, Mr. Dean acted in an official capacity as counsel to the President and concerning question #2, the attorneys present during the interviews of employees of the CRP acted as counsel for the Committee only and not as attorneys for the individuals. We have been advised that Mr. Dean and the attorneys for the CRP did not interfere with the questioning. It was obvious, however, that all people we interviewed were previously debriefed by the attorneys. They were not reluctant to answer questions, however, we had to drag answers from them.

The interviewing Agents pointed out that the mere presence of the legal counsel during the interviews was somewhat of a hamper in view of the fact that any employee would be reluctant to totally furnish any information in the presence of his "employer." The interviewing Agents pointed out that the most difficult encounter was the scheduling of employees as it was necessary to arrange interviews through counsel and in the presence of counsel. **MAY 9 1973**

Present also was Attorney H. DONALD KISTLER.

Mr. ANDERSON was hired for a security guard position with the above Committee in mid April, 1972. He heard of the position from some friends at his former employment as Security Supervisor, Dart Drug Corporation who were also employed as security guards with this Committee. Mr. ANDERSON was with the Dart Drug Corporation for two years, four months, and prior to this was for three years in the U. S. Army Intelligence Corps.

He reviewed the following photographs:

Mr. ANDERSON recognized the photographs of JAMES W. MC CORD as the Chief of Security at the Committee for the Re-Election of President NIXON.

Mr. ANDERSON held the photograph of EVERETTE HOWARD HUNT and stated he knew the face, but was unable to recall the place or the circumstances. He then requested to know Mr. HUNT's name. When advised the photograph he held was that of EVERETTE HOWARD HUNT, Mr. ANDERSON stated he knew Mr. HUNT.

Mr. ANDERSON continued:

ANDERSON recalls the only contact he had with HUNT was HUNT attended a social function at the Anderson home, along with other Embassy staff personnel. ANDERSON recalled he was twelve years old at the time, and may have played with the Hunt children.

ANDERSON has not seen HUNT in over ten years. After the newspaper account linking HUNT as a suspect in the breaking and entering of the National Democratic Headquarters, Washington, D. C., Mr. ANDERSON had occasion to talk by telephone with his mother, MARGARET ILLIS CLELAND (Mrs. FRANK CLELAND) now residing in Bloomfield, Connecticut, telephone 203-242-7617, about the matter. [REDACTED]

B1 [REDACTED] She recalled to ANDERSON that Mr. HELMS had fired HUNT while at Central Intelligence Agency.

ANDERSON determined his mother and father were not acquainted with Mr. MC CORD.

At 4:20 p.m., Mr. ANDERSON telephoned the Washington Field Office, Federal Bureau of Investigation and requested the below named Special Agents to recontact him. A meeting at 7:30 p.m., June 30, 1972, was arranged in the vicinity of 15th and G Streets, N.W., Washington, D. C..

Mr. ANDERSON arrived alone and advised he had some additional information he would like to furnish outside the presence of anyone else except the FBI.

Mr. MC CORD left the Security Office of the Committee around 6:16-6:30 p.m., June 16, 1972. MC CORD stated to ANDERSON, who was on duty at the Committee, that he planned to be in town for several hours. MC CORD did not state where he would be, but took a beeper with him. MC CORD had hung around the office later than usual, then when PENNY GLEASON, another security staff member had departed for dinner, MC CORD instructed ANDERSON to take a key from the master box of keys for each desk, file cabinet and office on the second floor. This is the Finance Committee floor. MC CORD stated this Committee had some papers which they had been ordered to destroy and the desks and cabinets would have to be checked to verify this destruction. ANDERSON was to advise JACK ERNST, nother security guard who would be on duty June 17, 1972, and have ERNEST deliver these keys to HUGH SLOAN, June 17, 1972, when SLOAN requested them. ANDERSON assembled the keys, and placed them on top of a file cabinet with written instructions for ERNST.

At approximately 10:20 p.m., June 16, 1972, when ANDERSON returned from his security rounds, GLEASON, who was then at the switchboard/reception desk, advised him MC CORD had returned to pick up his raincoat. She stated MC CORD's jacket was stuffed. ANDERSON believes the beeper was turned in at this time, but is not sure.

After the event of the arrest of Mr. MC CORD at the Democratic National Committee (DNC) Office on June 17, 1972 became known, GLEASON advised ANDERSON as follows:

Around two p.m., June 17, 1972, she received a telephone call from Mrs. MC CORD who requested how Mrs. MC CORD could get in touch with an attorney named RAFFERTY (phonetic). GLEASON was unable to locate any contact telephone for such a person in the Committee phone directories and then called Mrs. MC CORD to advise her. It was either during this call or a later call placed by Mrs. MC CORD, that she asked GLEASON to please remove all of Mr. MC CORD's diplomas, awards, and presentations which decorated Mr. MC CORD's office at the Committee.

During the same afternoon, a man came to the Committee Office whom GLEASON believed was (First name unknown) BITTENBENDER (phonetic), an officer with the Metropolitan Police Department, Intelligence Division.

He asked GLEASON to telephone Mrs. MC CORD to advise her that Mr. MC CORD was okay and would be in touch with Mrs. MC CORD later.

ANDERSON then stated that he recalled that ROBERT HOUSTON, Mr. MC CORD's Security Supervisor, was always at the Committee Office on Saturday. However, on June 17, 1972, HOUSTON did not work, but he did work on Sunday, June 18, 1972. GLEASON advised ANDERSON she observed HOUSTON going through some file cabinets of MC CORD's and removing some papers. HOUSTON told GLEASON that he had to burn the papers. ANDERSON does know that the combination lock on this file drawer had been removed about two weeks before June 17, 1972, with the combination known only to MC CORD and HOUSTON. Previous to this, almost all the security staff knew how to unlock the file drawer.

ANDERSON believes HOUSTON also removed from the Security Office a battery charger and a Mason Kit which had been in the office on Friday, June 16, 1972.

On one subsequent occasion ANDERSON was in the Security Office while HOUSTON was going through a file cabinet. Another employee, an unrecalled Black truck driver that hangs out in the Security Office said, "Hey BOB, looks like you are on another burn mission." Laughter was the only comment.

On either the 19th or 20th of June, ANDERSON asked HOUSTON what had happened to all the equipment, but not mentioning any type equipment in particular. HOUSTON advised ANDERSON he had taken it out. HOUSTON offered no further explanation.

Miss MILLICENT (PENNY) MACEY GLEASON, 513 Gilmore Drive, Silver Spring, Maryland, telephone numbers 593-5459 and (unlisted number) 553-5561, telephonically contacted SA CHARLES W. HARVEY at the Washington Field Office of the Federal Bureau of Investigation (FBI) at 11:00 a.m., July 1, 1972. Miss GLEASON stated that she had conversed with STEVE ANDERSON, another security officer for the Committee for the Re-Election of the President, who had been interviewed by SAs HARVEY and HARVEY W. JAMES on June 30, 1972, and that her purpose in calling was to make arrangements for a confidential interview concerning the burglary of the Democratic National Committee (DNC) which occurred at the Watergate Hotel, Washington, D. C. (WDC), on June 17, 1972. Miss GLEASON noted that she had been contacted by SAs HARVEY and JAMES on June 30, 1972, at the Security Office of the Committee for the Re-Election of the President, 1701 Pennsylvania Avenue, N.W., WDC, but that she did not feel comfortable in furnishing information in the presence of the attorney whose presence was required when interviews were conducted on the premises of the aforementioned committee.

Miss GLEASON stated that she was calling from home and that she would drive to downtown WDC where she would again telephone SA HARVEY.

At approximately 12:50 p.m. on July 1, 1972, Miss GLEASON again telephoned SA HARVEY and stated she was calling from a pay telephone at the corner of 13th Street and Pennsylvania Avenue, N.W., WDC. She expressed concern that she might have been followed by unknown persons associated with the aforementioned committee and that she desired that the interview be held farther away from WFO.

SA HARVEY then met Miss GLEASON at the Drug Fair store located at 13th Street and Pennsylvania Avenue, N.W. and both then walked to the 1200 block of G Street, N.W., where they were picked up by SA PAUL P. MAGALLANES, in his personally

owned automobile and transported to the area of 8th and I Streets, N.W., WDC, where the interview began. After over two hours of interviewing, it became apparent that the volume of information being furnished by Miss GLEASON necessitated a more adequate environment and since she indicated that she did not desire to be seen at or near WFO, the remainder of the interview was conducted in Room 300 at the Holiday Inn located at 1900 Connecticut Avenue, N.W., WDC. This room was rented in the name of SA HARVEY.

From the beginning of the interview, Miss GLEASON emphasized that she would surely be fired from her position as Security Officer for the Committee for the Re-Election of the President, hereinafter referred to as the Committee, should her superiors learn of her contact with the FBI. Miss GLEASON stated that she would attempt to furnish all information in her possession which might have any bearing whatsoever on the investigation of the burglary at the DNC. In this regard, she had in her possession her own handwritten notes concerning suspicious conduct by various personnel associated with the Committee.

Miss GLEASON advised as follows:

She has been employed as a Security Officer by the Committee since Easter Monday, 1972. When she began her employment there, Mr. JAMES W. McCORD, Chief of Security for the Committee, informed her and other security officers that he and his group would not have anything to do with the Republican National Convention and that "other people" would handle that. However, as time passed, McCORD and his security officers became more and more involved in the security preparations for the convention until the entire situation was being controlled by McCORD.

Concerning the events immediately preceeding the arrest of McCORD on June 17, 1972, and the events thereafter, Miss GLEASON furnished the following information in chronological order: (It should be noted that her memory of details of certain events was refreshed by discussing some of the more noteworthy and pertinent events, thus the information furnished hereinafter is not necessarily in chronological order.)

On the night of June 16, 1972, she was in the third floor security office of the Committee attempting to straighten

A7

~~CONFIDENTIAL~~

things up. Sometime between 9:30 and 10:00 p.m., Mr. McCORD came in the office and jokingly remarked that he had dropped by to make sure they had plenty of work. McCORD's appearance was unusual in that his shirt sleeves were rolled up and he was not well dressed. He was usually dressed very well. McCORD stated that he had come by to pick up his raincoat. Upon leaving, he said words to the effect, "PENNY, I want to thank you for what you've done for our office." Her impression was that McCORD's remark seemed more like a "good-bye" than a "thank you". As he left, she noticed that his pockets were bulging with unknown items. She believed that McCORD returned a "Bellboy" telephone alerting device. She left the office and went home at approximately 10:15 p.m. on that date (June 16, 1972).

Previously, at approximately 4:00 p.m. on June 16, 1972, McCORD wanted to know who was going to work on which shift the next day and instructed security officer JACK ERNST to be on the second floor (the space occupied by the finance committee). McCORD also wanted security officer GEORGE SHANKS to work on the 3rd floor with her (GLEASON). The reason for this was that earlier in the evening of June 16, 1972, McCORD had instructed security officer STEVE ANDERSON to go through the keys for the second floor finance office of the Committee and obtain one key for each file cabinet and desk on that floor. ANDERSON was supposed to give these keys to HUGH SLOAN or GORDON LIDDY on the next morning (June 17, 1972) in order that he (SLOAN or LIDDY) could go through the desks and file cabinets to either locate some papers for destruction or insure that some papers had already been destroyed. Since ANDERSON would not be available on the morning of June 17, 1972, the task of getting the keys to SLOAN or LIDDY was given to the aforementioned ERNST. ANDERSON, however, did get the keys as instructed and left them for ERNST to pick up. In this regard, Miss GLEASON stated that she believes McCORD told ANDERSON to give the keys to LIDDY and that ANDERSON believes that he was to give the keys to SLOAN. In other words, it was not an "either or" situation, but ANDERSON was instructed to give the keys to one specific individual - SLOAN or LIDDY, which one not definitely known. She (Miss GLEASON) has no idea what papers were involved in this situation but, to her knowledge, the desks and file cabinets were not inspected on June 17, 1972.

WFO 139-166

On June 17, 1972, Miss GLEASON arrived at work with JACK ERNST at approximately 7:00 a.m. Someone, identity not recalled, came in and said that the DNC had been burglarized. She attached no significance to this statement at this time but thought it strange that GORDON LIDDY and POWELL MOORE, JOHN MITCHELL's press man, were running around the office together inasmuch as she had never observed them together before. At approximately 9:30 a.m. - 10:00 a.m. on the same date "JEB" MAGRUDER called from an unknown location and told one of the office girls to advise him concerning the UPI wire reports concerning the DNC break-in.

At approximately 11:00 a.m. - noon, on the same date (June 17, 1972), she received a telephone call from Mrs. McCORD who was on the verge of tears. Mrs. McCORD asked, "PENNY, do you know an attorney named RATLISS?" Mrs. McCORD inquired about the name RATLISS, not RAFFERTY. (Miss GLEASON noted that at this point she still did not connect the burglary of the DNC with Mrs. McCORD's call). When she informed Mrs. McCORD that the name was not familiar to her and that ROB ODLE was in the office, Mrs. McCORD stated that she wished to speak with ODLE. Thereupon, Miss GLEASON gave Mrs. McCORD ODLE's direct telephone number and Mrs. McCORD presumably called him.

She (GLEASON) then ran upstairs to the fourth floor to see what was wrong and SYLVIA PANNARITES, ODLE's "secretary at that moment" said "everything's fine, go back downstairs". As she (GLEASON) was leaving ODLE's office, she heard ODLE instruct SYLVIA to get Assistant Attorney General SANTARELLI on the telephone. Miss GLEASON does not believe that ODLE is aware of the fact that she overheard this statement. She noted that SANTARELLI's wife, CONNIE, is employed by the Committee as head of personnel.

Miss GLEASON then went back to her office on the third floor and ODLE came running in shortly thereafter and stated to her, "I want you to stay until midnight because calls will be coming in on the West Coast incident." She was still unaware of McCORD's arrest at this time and had no idea what ODLE meant by "the West Coast incident". She then thought that possibly JOHN MITCHELL or his bodyguard, STEVE KING, had been injured on the West Coast. She then went upstairs and found MARTHA DUNCAN (office manager), ODLE and SYLVIA PANNARITES in "JEB" MAGRUDER's office.

WFO 139-166

She was still unable to find out what had happened and went back to her third floor office. MARTHA DUNCAN then came downstairs to the security office and stated to Miss GLEASON, "Are you shocked? Are you disillusioned." Miss GLEASON was still unaware of McCORD's arrest but answered "yes", even though she (Miss GLEASON) did not know what DUNCAN was talking about.

By this time it was approximately 1:00 p.m. - 2:00 p.m. (June 17, 1972), and Miss GLEASON decided to contact JEAN COLEMAN, secretary to CLIFF MILLER who, according to Miss GLEASON, is one of the two men at the Committee who are close to the President. COLEMAN stated to Miss GLEASON, "PENNY one of the men in the break-in at the DNC was Mr. McCORD. If ROB ODLE found out I told you, he'd fire me."

On the same date (June 17, 1972), ODLE personally asked Miss GLEASON to get BOB HOUSTON (security supervisor under McCORD) on the telephone. ODLE also stated, "Does HOUSTON know?" Thereupon, Miss GLEASON replied in the negative. She then called HOUSTON and told him that ODLE wanted to talk to him. HOUSTON at that time asked Miss GLEASON "Did you call Mr. McCORD about the DNC break-in?" Since ODLE had instructed Miss GLEASON not to give out any information, she lied to HOUSTON and told him "yes" in response to his question.

During the afternoon hours on the same date (June 17, 1972), Miss GLEASON received a telephone call from a man who said he was a friend of Mr. McCORD's and was on the District of Columbia police force. This individual then indicated that he wanted to come over to the Committee. She then told the caller to wait while she checked. At that time, ODLE, LIDDY and POWELL MOORE were in conference. She interrupted the conference and asked LIDDY what she should do about the man on the telephone and LIDDY replied that he did not want the man to come over. Miss GLEASON then told ODLE about the caller and ODLE told her to pay no attention to LIDDY's orders and to have the caller come over. She then told ODLE that since he (ODLE) did not want anybody to know anything, she would tell security officer MIKE MASSE that he (ODLE) wanted him to check downstairs and that she would go to the lobby to meet the individual who had called.

~~CONFIDENTIAL~~

WFO 139-166

Thereupon, she went to the lobby and at approximately 4:00 p.m. (June 17, 1972), one GARY BITTENBENDER, an Intelligence Officer for the Metropolitan Police Department (MPD), WDC arrived. At that time, she realized that on Wednesday (June 14, 1972), she had been introduced to BITTENBENDER by McCORD in the security office of the Committee. McCORD had introduced BITTENBENDER to her as "one of your classmates" from Montgomery County Junior College. Miss GLEASON thought this was a peculiar introduction since she was unable to recall ever having seen BITTENBENDER before.

Continuing with her recollection of BITTENBENDER's activities on the afternoon of June 17, 1972, Miss GLEASON advised that while she and BITTENBENDER were in the lobby, she observed GORDON LIDDY leave the building. She called upstairs to inform ODLE that she was bringing BITTENBENDER upstairs, but ODLE was talking on another telephone.

She noted that she did not require BITTENBENDER to sign in or out on the register and that he was the so-called "mystery man" seen in the Committee.

Concerning the "mystery man", she believes that ODLE was well aware of the identity of this individual and sent the FBI on a chase to locate the individual in order to create busy work and tie up Agents from investigating more substantive aspects of the case.

BITTENBENDER told Miss GLEASON that he had coincidentally been in the MPD cellblock when McCORD was booked in and that he recognized McCORD. BITTENBENDER kept repeating, "It's a very interesting case." He also said, "Maybe things like this won't happen when political rights are given back to policemen."

When they arrived in the security office, BITTENBENDER asked Miss GLEASON for a mug shot that

8 11

CONFIDENTIAL X

WFO 139-166

he had previously given McCORD. Miss GLEASON had no knowledge of this mug shot and, consequently, to her knowledge, BITTENBENDER never retrieved same. ODLE then came down to the security office, told Miss GLEASON to leave, and thereafter talked with BITTENBENDER for approximately 15 minutes. She went to get a Coke and when she came back BITTENBENDER was gone.

Later, on June 17, 1972, she heard from an unrecalled individual that GORDON LIDDY had left his second floor office at 6:00 p.m. never to return.

Miss GLEASON also recalled that during the day of June 17, 1972, Mrs. McCORD called her again and requested that Mr. McCORD's personal pictures and plaques be removed from the walls of the security office. She (GLEASON) removed these items and placed same in a file cabinet. Among the items were a key to the White House to McCORD from the U. S. Secret Service and an award presentation photograph showing RICHARD HELMS presenting an award to McCORD. This photograph bore the notation "With deep appreciation, DICK HELMS." The word deep was underlined.

12  
CONFIDENTIAL X

Miss GLEASON further advised that she departed the office at approximately 11:30 p.m. Saturday night, June 17, 1972, but that she was emotionally upset over the events of that day and was unable to sleep. At 2:00 a.m., June 18, 1972, she called the office inasmuch as she was concerned that the Students for a Democratic Society (SDS) had apparently tapped a recorded message into the telephone lines of the November Group, an advertising type agency for the Republican National Party, located in New York, New York. She called the office at that hour to determine if their lines had been similarly tapped and to find out what was happening. She spoke with ODLE and he was obviously quite drunk as were the other two people at the office at that time; MARTHA DUNCAN and SYLVIA PANNARITES. ODLE kept pleading with Miss GLEASON, "Penny don't leave us, we need you so much." She informed ODLE that she was not leaving and thereafter MARTHA DUNCAN got on the telephone and said, "We can't talk now, we're waiting for MITCHELL to call." Miss GLEASON stated that ODLE and DUNCAN will lie for each other to protect themselves.

Miss GLEASON recalled that since she was unable to sleep, she went to the Committee, arriving there at approximately 4:20 a.m., June 18, 1972. She learned later in the day from PANNARITES that ODLE, DUNCAN, and PANNARITES had left the office at approximately 4:00 a.m.

BOB HOUSTON arrived at the office at 8:00 a.m., Sunday, June 18, 1972. He told Miss GLEASON that he had read about MC CORD's arrest in the paper. HOUSTON immediately went to the file cabinet in the security office and began removing files. When Miss GLEASON asked HOUSTON what he was doing, he replied, "We're going to remove some of Mr. MC CORD's personal files." HOUSTON also removed some tapes and commented that his (HOUSTON's) voice was on some of them.

One file that was removed from the security office (possibly by HOUSTON, but Miss GLEASON did not observe this), concerned FBI teletypes. By memorandum, date not recalled but which was dated late May or early June, 1972, ROB ODLE advised "JEB" MAGRUDER that it would be nice if arrangements could be made for MC CORD to receive FBI daily teletypes like he (MC CORD) did when he was with CIA. In this same memo, ODLE asked MAGRUDER to talk to KLEINDIENST about the matter. This memo was labeled "Confidential-Sensitive."

Concerning the items removed from the security office by BOB HOUSTON on June 18, 1972, Miss GLEASON continued as follows:

~~CONFIDENTIAL~~

WFO 139-166

HOUSTON proceeded to remove all of MC CORD's writings and he accomplished this without any direction as if the procedure were part of a prearranged plan. One of the tapes removed from the security office, presumably by HOUSTON, concerned SCOTT CAMILLE, head of the Vietnam Veterans Against the WAR (VVAW) and Cuban refugees. The content of this tape was, to her best recollection, as follows: "According to confidential sources they are teaching groups how to make home made bombs and are giving them firearms and artillery to use against the D.C. Police stationed in Miami." The same tape also contained information concerning the security arrangements at the Hotel Doral in Miami, Florida.

This tape had been brought back to WDC by MC CORD when he was on one of his trips to Miami. Miss GLEASON said MC CORD went to Miami on two occasions:

- 1) In approximately mid-May, when he checked out of the Hotel Doral for security arrangements.
- 2) Sometime during the approximate period of June 5-15, 1972. When MC CORD returned to WDC from this trip, he asked Miss GLEASON, "Penny, how would you like to go to Miami?" MC CORD apparently intended to send Miss GLEASON to Miami for the convention. On this same trip, MC CORD met with a Bell and Howell official in Miami concerning something to do with setting up radio communications for the convention. This trip lasted one or one and a half days. It was from this trip that MC CORD brought back to WDC the aforementioned tape concerning SCOTT CAMILLE and the Cuban refugees.

When MC CORD returned from the previously mentioned trip number one, Miss GLEASON typed a rough draft memo concerning security arrangements for the convention. CONNIE SANTARELLI typed the final paper and took same over to the White House during the latter part of May. This memo went into the details concerning an "audio counter sweep" since it had been determined that Senator MC GOVERN and the MITCHELLS would be staying in the same hotel. The memo covered other security matters such as identification cards. It also stated that two Committee security officers were supposed to go to the DNC as observers. Miss GLEASON stated that she believed that the above was

4 14 ~~CONFIDENTIAL~~

~~CONFIDENTIAL~~

WFO 139-166

significant because all of the above-mentioned security arrangements had been taken care of prior to MC CORD's arrest. Along this same line, she recalled that MC CORD was making special arrangements with WDC Police Chief JERRY WILSON to obtain Special Police Officer (SPO) Commissions for all Committee security officers. These commissions would entitle them to carry firearms.

Concerning the other items missing from the security office and which were presumably taken by HOUSTON, Miss GLEASON advised that also missing was a handwritten memo from MC CORD to BILL TIMMONS, Assistant to the President. This memo covered security procedures for the Miami convention and dealt with such things as security officer contracts, walkie-talkies, and security details in general.

Miss GLEASON also advised that she does not know what disposition HOUSTON made of any of the items he took out of the security office. She noted that the general assumption is that he burned the files but that she does not believe that this is necessarily so. HOUSTON only said he was taking the items "out of the office" and he allegedly took MC CORD's personal files to the office of Mc Cord Associates on June 18, 1972.

She recalled that around the first of June, 1972, HOUSTON told her that MC CORD wanted the combination lock changed on one of the file cabinets in the security office. It was assumed, she believes, by MC CORD and HOUSTON that she had no knowledge of the contents of this file cabinet. She stated that this was not the case, that she knew most of the contents of the cabinet in question, and that to her knowledge there was no mention of the DNC in the files.

On June 19, 1972, HOUSTON removed a desweeper kit from the security office and she noticed that a walkie-talkie type battery charger was also missing from the security office, presumably removed by HOUSTON.

Also, on June 19, 1972, HOUSTON made the statement, "We'll operate as normally as possible and all the people will be paid by RNC."

On June 21 or 22, 1972, HOUSTON told her that their office telephones had been tapped since June 19, 1972. She asked by whom, and he replied he did not know.

~~CONFIDENTIAL~~

It was possibly on this same date that ODLE, POWELL MOORE, and HOUSTON came in the security office and asked Miss GLEASON and STEVE ANDERSON to "please leave." The aforementioned three individuals then went into the security office for a closed door conference.

When HOUSTON was interviewed by SA's DANIEL C. MAHAN and JOHN E. DENTON on approximately June 24, 1972, HOUSTON was "less than complete" with his information concerning tape recorders. She stated MC CORD had two new tape recorders but that an older, broken recorder was in the office but is now gone. The date and time this recorder was removed is unknown but it was there on the weekend of June 10-11, 1972.

On June 28, 1972, Miss GLEASON learned that GEORGE DUBROSKY, security officer for the RNC, told STEVE ANDERSON that MC CORD telephoned the RNC for JIM CAUDILL, Security Supervisor for the RNC. She has no knowledge of the text of the call and assumes it was made on the same date (June 28, 1972). MC CORD reportedly, through this call, left a message for the security people to "hang loose" and "be cool."

On June 30, 1972, HOUSTON told her that he had talked with MC CORD but that HOUSTON did not divulge what was discussed nor when he actually talked with MC CORD.

Also, on June 30, 1972, MAURINE DEVLIN, a receptionist for the finance committee on the second floor, told Miss GLEASON that FBI agents had displayed some photographs to her and that she had recognized the photograph of BERNARD BARKER as being identical with an individual who had previously been in the finance committee. It is unknown to Miss GLEASON whether DEVLIN admitted this fact to the FBI agents.

Miss GLEASON stated that she believes she observed some green or turquoise surgical gloves in a security office cabinet at one time but she was unable to recall when she observed this or the circumstances surrounding same.

On June 30, 1972, STEVE ANDERSON told her to advise the interviewing agents that on an unrecalled occasion he observed a small camera, brand name possibly Renault, in GORDON LIDDY's cabinet. At another unrecalled time, ANDERSON observed a handgun in LIDDY's cabinet.

Miss GLEASON recalled that approximately one week prior to the burglary of the DNC, MC CORD had instructed security officers TOM WISE and STEVE ANDERSON in the operation of sweeping devices" in case the need arises and I'm not here."

Miss GLEASON stated that she has not been able to figure out any connection between MC CORD and the other four individuals who were arrested with him on June 17, 1972, at DNC. She noted that some of the other persons arrested with MC CORD were Cuban, that she has taken many telephone calls from MC CORD, and that she cannot recall ever having heard a caller with a Spanish accent.

On June 30, 1972, JUDY HOBACK, Secretary to MAURICE STANS, told Miss GLEASON that STANS had instructed her not to give any of their records to ROB ODLE because "something might happen to the records" before FBI agents got a chance to examine them. HOBACK is the bookkeeper for the Committee and her superior is HUGH SLOAN.

Miss GLEASON noted that she keeps a filing system for guest registers for the Committee and that a check of her files on June 30, 1972, disclosed that the registers for the days of June 17, 18, and 19, 1972, are missing. She noted the possibility that these may have been turned over to the FBI.

In thinking back concerning the weekend of June 17-18, 1972, Miss GLEASON thought it was peculiar that FRED LARUE, BART PORTER, the MITCHELLS, and possibly "JEB" MAGRUDER, all happened to be at a celebrity party in California on that weekend. Also, DEVAN L. SHUMAY, Director of Public Affairs, was fishing on Chesapeake Bay. She noted that some of these people are usually in WDC on any given weekend.

She noted that if MAGRUDER was in California on the weekend in question, then the above people who were in California on the pertinent weekend knew about the DNC break-in before the Committee people in WDC, because, as previously mentioned herein, MAGRUDER had called the Committee on June 17, 1972, concerning the UPI wire reports relating to the matter.

Miss GLEASON also stated that MC CORD always went where he wanted when he wanted and if they (security personnel) went to the White House and mentioned MC CORD's name, they could "get anything we wanted."

On June 15, 1972, Mr. MC CORD instructed security officer TOM WISE to go to the Statler Hilton Hotel and buy some tear gas canisters. WISE returned with a box containing approximately thirty "Sheriff" tear gas canisters, black in color, and in plastic boxes. MC CORD pulled \$30 cash from his pocket and gave same to WISE for purchase of the canisters. During the week of June 26, 1972, Miss GLEASON looked in the box containing the aforementioned canisters and discovered that approximately seven or eight were missing. At the time when MC CORD told WISE to purchase the canisters, he (MC CORD) said that he wanted Miss GLEASON to have some of the canisters for her personal use. Miss GLEASON found this strange at that time inasmuch as she already had a "General MK-VII Chemical Baton Tear Gas Cartridge." She noted that the receipt reflecting WISE's purchase of the aforementioned "Sheriff" canisters is still somewhere in the security office and that there is no list of individuals who were issued the canisters.

On June 17, 1972, while Miss GLEASON was at the Committee, MARTHA DUNCAN told Miss GLEASON, "GORDON LIDDY is going to be the one to fry." Miss GLEASON stated that she did not know what DUNCAN meant by this statement.

On June 19 or 20, 1972, BART PORTER's assistant, ROGER STONE, called the Committee headquarters and asked of PORTER's whereabouts in California, stating that it was a matter of life and death that he, STONE, get a hold of him. Mr. STONE then called again and pleaded with Miss GLEASON for Mr. PORTER's number in California. Miss GLEASON then gave Mr. STONE two numbers where PORTER could be reached in Beverly Hills, California. PORTER then called and asked to be connected to Mr. FRED LARUE who was staying at Mr. MITCHELL's apartment because CLIFF MILLER had some important information that had to be passed on. PORTER did not say what the information was. Mr. STONE then called and asked if Miss GLEASON had been advised by Mr. PORTER of the information. Miss GLEASON replied in the negative and STONE stated "I can't discuss it."

On approximately Wednesday or Thursday, June 21 or 22, 1972, Mr. LARUE called and asked Miss GLEASON to get HUGH SLOAN. Miss GLEASON attempted to gain the whereabouts of Mr. SLOAN but was unsuccessful in her efforts.

On June 20, 1972, Miss GLEASON and MARTHA DUNCAN got together at the Roger Smith Hotel and over drinks discussed what had happened at the Committee headquarters. (At this point, Miss GLEASON stated that she, Miss GLEASON, and Miss DUNCAN do not particularly get along with each other as a matter of fact, are hostile toward each other. Therefore, she was surprised when Miss DUNCAN requested that they have a drink together.) While at the Roger Smith Hotel, Miss DUNCAN stated that the "higher echelon" told Miss DUNCAN to spy on Miss GLEASON. When Miss GLEASON asked why, Miss DUNCAN replied, "To see what you know." Miss DUNCAN then asked Miss GLEASON how well she knew Mr. MC CORD. (Here, Miss GLEASON stated that on the Saturday of the break-in, Mr. ODLE and Miss DUNCAN requested Miss GLEASON to go to Mr. MC CORD's house in order that Mrs. MC CORD would have someone with her. Apparently Mr. ODLE and Miss DUNCAN assumed that Miss GLEASON was a close personal friend of the MC CORD family. Miss GLEASON stated that she had no transportation and, therefore, she could not go to the MC CORD house by herself. Upon learning the latter, Mr. ODLE dropped the idea. Subsequent to this, Miss GLEASON learned that some close personal friend of Mrs. MC CORD stayed with her the Saturday of the break-in.) While at the Roger Smith Hotel, Miss DUNCAN asked Miss GLEASON, "Everybody has their price. Do you think Mr. MC CORD was paid off?" Miss DUNCAN further stated that "people upstairs" had told her not to talk about the incident and for her (DUNCAN) to spy on the security office.

On possibly the evening of June 19 or 20, 1972, about 9:00 p.m., Mr. ODLE told Miss GLEASON to keep the switchboard open. Later on, Miss GLEASON went back to the press section of the Committee headquarters to get a Coke and overheard Miss DUNCAN say "Is it in JACK ANDERSON's column?" Miss DUNCAN was talking with Mr. ODLE and with Mr. SCHUMWAY. The following day JACK ANDERSON's column contained an article covering LAWRENCE O'BRIEN's expense voucher. Miss GLEASON state that Mr. ODLE did not say why he wanted the switchboard open. After reading the following day's "Washington Post", ODLE then told everyone to go home.

On Wednesday, June 21, 1972, the previously mentioned GARY BITTENBENDER called and stated that "Everything's okay and that he's being taken care of."

WFO 139-166

Miss GLEASON heard noises on the telephone lines and assumed that the Committee telephones were being tapped. BITTENBENDER said he would be on vacation and would return on June 26, 1972.

On Thursday, June 22, 1972, Mr. ODLE's Assistant, ANDY LAWRENCE, called Miss GLEASON and asked her to go to Mr. ODLE's office. (Here, Miss GLEASON stated that while she was having a drink with Miss DUNCAN at the Roger Smith Hotel, Miss DUNCAN had told Miss GLEASON that a HOWARD HUNT was very big at the White House and that everyone knew him.) When Miss GLEASON arrived at Mr. ODLE's office, Mr. ODLE asked her whether she knew a Mr. HOWARD HUNT. Miss GLEASON replied in the negative and Mr. ODLE asked her "Are you sure?" and Miss GLEASON said that she was. Mr. ODLE then asked Miss GLEASON if she or anyone else in the security office knew what was going on.

6 8 ~~CONFIDENTIAL~~

WFO 139-166

Miss GLEASON was the only security officer from the security office of the Committee to be questioned by Mr. ODLE about the incident. Miss GLEASON indicated however that Mr. HOUSTON may have also been questioned but that she was not certain. On June 26, 1972, Miss GLEASON and the staff from the Committee were advised that Committee lawyers would be present at the offices. Sometime during the week of June 26, 1972, someone, identity unrecalled, advised Miss GLEASON, "Don't talk too much because one of the FBI Agents is unfriendly to us." On the date Miss GLEASON was advised of the presence of the attorneys, Mr. HOUSTON told everyone in the security office that no one could talk with anyone from the FBI without a Committee attorney being present. Therefore, Miss GLEASON believed, she could say nothing in front of the attorney when she was contacted on June 30, 1972.

On June 29, 1972, Miss GLEASON was instructed by Mr. ODLE to remove Mr. MC CORD's I.D. data sheet from the Committee records. The I.D. data sheet was described by Miss GLEASON as an 8 by 11 sheet of paper with Mr. MC CORD's personal data thereon after which Mr. MC CORD's picture was placed on a card issued to him by the Committee. This card identified him as a staff member.

On June 29, 1972, at approximately 9:00 p.m., Miss GLEASON was at the Committee when a special delivery package arrived for Mr. GORDON LIDDY. The return address bore the name of the Department of the Treasury, the Office of Law Enforcement, New York City, New York. Miss GLEASON signed for the package and was instructed by JUDY HOBACK to place the package in the mail room inasmuch as Mr. LIDDY had been dismissed.

Miss GLEASON described JUDY HOBACK as being deeply affected by all of the strange things that have been going on in the finance department of the Committee where Mrs. HOBACK is head bookkeeper and with the strange goings on in the Committee as a whole. Miss GLEASON further described HOBACK as a fine up-standing, honest woman who has much integrity and who is ready to burst because of the strange behavior at the Committee. Miss GLEASON will have a luncheon date with Mrs. HOBACK on July 3, 1972, which date was suggested by Mrs. HOBACK and Miss GLEASON is of the belief that Mrs. HOBACK will advise her of what has been going on at the Committee subsequent to the Democratic

National Committee Headquarter's burglary. Miss GLEASON is further of the belief that Mrs. HOBACK should be interviewed by the FBI and will suggest to her that she do so without advising Mrs. HOBACK that she has already been interviewed by the FBI.

Sometime after the burglary, date unrecalled, Miss GLEASON was advised by Mr. SCHUMWAY, "Don't worry about MC CORD, he'll be alright. I know what most of the facts are and I'm not at liberty to discuss them. We should have known (laughter) from the Bay of Pigs invasion."

Immediately following the burglary at the DNC, the attitude at the Committee was that the FBI was going to "whitewash" the entire investigation. According to Miss GLEASON, this line of reasoning was based upon the fact that President NIXON appointed Mr. KLEINDIENST as Attorney General and Mr. GRAY as Acting Director of the FBI. Along this same line, MIKE WILSON, driver for Mr. MITCHELL, once commented, "There wouldn't be any problem if the FBI had gotten there (to the scene of the burglary) before the D.C. police. The FBI would have covered it up."

Miss GLEASON reiterated her opinion that Committee officials are sending FBI agents on fishing expeditions to keep them from getting to the truth. She also reiterated that ROB ODLE has not been entirely truthful with FBI agents who have interviewed him. She also said that persons associated with the Committee have discussed the fact that Attorney General KLEINDIENST and Mr. MITCHELL or Mr. GRAY (not certain which two) were at the same hotel in California immediately following the DNC burglary. She noted that these circumstances led some people to believe that the FBI would merely go through the formalities of an investigation while actually covering up the truth.

CONFIDENTIAL

WFO 139-166

The attitude presently prevailing at Committee Headquarters is one of serious concern. The feeling now is that the FBI is getting closer. The attitude is now one of panic, especially on the part of Committee officials such as Mr. ODLE. Some people, however, still are not completely convinced that the FBI is not merely covering up the investigation.

Miss GLEASON was exhibited the following black and white photographs and could identify none except the photograph of JAMES W. MC CORD:

FRANCIS XAVIER DOLAN, SR.

BERNARD BARKER

JAMES W. MC CORD

FRANK STURGIS

VIRGILIO MARTINEZ

EUGENIO GONZALES

Miss GLEASON was exhibited the following black and white photographs and could identify none except the photograph of GORDON LIDDY whom she described as being identical with the Mr. GORDON LIDDY who was dismissed by the Committee during the week of June 26, 1972:

On July 2, 1972, Miss GLEASON telephonically advised SA PAUL P. MAGALLANES of the following:

While being interviewed by SA MAGALLANES and HARVEY on July 1, 1972, she forgot to mention that while she was at the Roger Smith Hotel on June 20, 1972, with MARTHA DUNCAN, DUNCAN had advised Miss GLEASON that Mrs. MC CORD had told Mr. ODLE, "Well it looks your project has failed." MARTHA DUNCAN then stated to Miss GLEASON, "I wonder why she would say something like that?" DUNCAN described Mrs. MC CORD's tone of voice as being calm and relaxed. DUNCAN did not indicate to Miss GLEASON whether she, DUNCAN, had listened to Mrs. MC CORD on Mr. ODLE's telephone extension, or whether Mr. ODLE related to DUNCAN what Mrs. MC CORD had told him. Miss GLEASON thought that it was strange that DUNCAN described Mrs. MC CORD's tone of voice as being calm and relaxed since Miss GLEASON had talked with Mrs. MC CORD on the same date, June 17, 1972, on at least two occasions and Mrs. MC CORD was frantic, excited, frightened and very upset because her husband had been arrested. The above quote attributed to Mrs. MC CORD occurred on June 17, 1972, the same day of the burglary of the Democratic National Committee Headquarters.

Miss GLEASON was assured by SAs MAGALLANES and HARVEY that the FBI is not covering up the Democratic National Committee burglary investigation and that the FBI thoroughly investigates each and every case which comes to its attention. She was further advised that all Special Agents are thoroughly investigated prior to their appointments as Special Agents of the FBI and that there has not been one incident of the FBI "covering up" an investigation.

Miss HOBACK advised the other persons in the photographs displayed were completely unfamiliar to her.

Miss HOBACK stated the only persons hired as security guards by Mr. JAMES WALTER McCORD, JR., who were not on the actual payroll of the committee but were paid by McCord Associates, were listed as EEL SHEA and RON HOWARD. She advised McCord Associates would furnish a billing to the committee listing the hourly wages of SHEA and HOWARD and the committee in turn would pay McCord Associates.

All other persons hired by McCord Associates were listed on the committee payroll and she would make the list available on June 26, 1972.

Mrs. JUDITH GRAHAM HOBACK, 9702 Montauk Street, Bethesda, Maryland, was located and interviewed at her residence and was advised of the identities of PAUL P. MAGALLANES and JOHN W. MINDERMAN as Special Agents of the Federal Bureau of Investigation (FBI). She was further advised of the nature of the interview.

Mrs. HOBACK, a registered Democrat, provided the following information:

Her present position at the Finance Committee to Re-Elect the President (FCTRP), 1701 Pennsylvania Avenue, N.W., is Assistant to the Treasurer. This title was conferred on her on July 17, 1972, and she had previously been employed at the FCTRP as an Accountant. She began her employment at the FCTRP on November 1, 1971, and worked directly for Mr. HUGH SLOAN. Her general duties were to revamp the books in order to set up a more efficient computer system. Mrs. HOBACK redrafted all checks from the inception of the FCTRP, which was in March, 1971. She classified all checks into the new computer accounting system. Her general duties further included payment of all bills approved for payment by Mr. ROBERT ODLE and Mr. HUGH SLOAN. Mrs. HOBACK wrote all disbursement checks.

The Committee to Re-Elect the President (CTRP) is a political entity and is solely for political propaganda and has no banking powers nor fund powers nor does it disburse any monies for bills and/or salaries. The FCTRP is a separate legal entity which has banking powers plus fund raising powers and which pays all bills and salaries of the CTRP.

All monies that came to the FCTRP came to Mr. HUGH SLOAN. These monies were directed to "Dummy Committees" or to the general Finance Committee and these monies were handled by Mr. SLOAN and his secretary, JANE DANNENHAUER, who typed all

letters of transmittal to the payments for the "Dummy Committees". Mrs. HOBACK handled the money for the Finance Committee. Mrs. HOBACK also records all cash, for whatever Committee, into ledger books. There were about four or five ledger books existing prior to April 7, 1972, and these books were destroyed prior to April 7, 1972. All bank accounts which existed for the account of the Finance Committee for the Re-Election of President NIXON were closed on April 6, 1972, and all pertinent records for that Finance Committee were destroyed. On April 7, 1972, the Finance Committee to Re-Elect the President came into existence and new ledger books and records were started. All "Dummy Committee" funds subsequent to April 7, 1972, were incorporated into the following Committees:

Radio Committee to Re-Elect the President  
Media Committee to Re-Elect the President  
Television Committee to Re-Elect the President  
Finance Committee to Re-Elect the President

Mrs. HOBACK believed that all contributors lists were destroyed prior to April 7, 1972. She further believes that no persons have a list of contributors.

Prior to April 7, 1972, cash in the form of currency came down from CTRP to Mr. SLOAN from various individuals at CTRP. This currency was turned over to Mr. SLOAN to be put into his safe in his office for safe keeping. Mr. SLOAN was the custodian of this cash, but Mrs. HOBACK does not know the identity or identities of the person or persons who gave the cash to Mr. SLOAN. Mr. SLOAN separated this cash from the "Dummy Committees" and from the FCTRP and put the cash into his safe. Mrs. HOBACK believed that Mr. SLOAN kept a written record of which individuals gave him cash, as well as how much cash was given him. Mrs. HOBACK continued that the reason for this was because Mr. SLOAN would have to account to whom ever gave him the cash for the disbursement of same. Mrs. HOBACK believed Mr. JEB STUART MAGRUDER instructed Mr. SLOAN to hand out various amounts of cash to certain persons from the CTRP. These disburse-

ments were made at various times prior to April 7, 1972. Mrs. HOBACK believed Mr. MAGRUDER was the only person who instructed Mr. SLOAN on disbursement procedures regarding the aforementioned cash for which Mr. SLOAN was custodian.

From February, 1972, until April 7, 1972, a record existed of disbursements of cash from Mr. SLOAN to various individuals and the amount which was received by those individuals. Mrs. HOBACK had occasion to verify the addition of figures handwritten by Mr. SLOAN on yellow legal sized sheets of work paper on approximately six occasions between the beginning of February, 1972, and approximately April 6, 1972. On or about April 6, 1972, Mrs. HOBACK recalls being handed one such tally sheet of handwritten figures by Mr. SLOAN. On this tally sheet were Mr. SLOAN's handwritten notations which indicated the following cash disbursements to the below noted individuals:

GEORGE GORDON LIDDY, either \$81,000 or \$89,000.

Mr. BART PORTER, over \$100,000.

Mr. JEB MAGRUDER, cannot recall exact amount but believes it to be approximately \$50,000.

Mrs. HOBACK stated that she believes the aforementioned figures represent a final tally on the indicated date of the cash disbursements made by Mr. HUGH SLOAN to the indicated individuals.

The cash as mentioned above was located in Mr. SLOAN's safe in his office. The safe was described as gray with two shelves. Mr. HOBACK received the combination for the safe on April 11, 1972, but she had occasion to go into the safe many times between February, 1972, and the present, inasmuch as her financial ledgers were kept therein. She observed on many occasions an attache case, tan in color, located in the safe and observed green currency inside of the attache case, and is certain that the attache case was full of cash. JANE DANNENHAUER, Mr. SLOAN's Secretary, had the combination for the safe from the

start of her employment, but Mrs. HOBACK is certain that DANNENHAUER knows absolutely nothing regarding the contents in the safe and the items described in transmittal letters she typed for the banks. Mrs. HOBACK explained that Mr. SLOAN protected DANNENHAUER and LANNENHAUER did not know what she was typing. Mrs. HOBACK observed Mr. PORTER, Mr. LIDDY and Mr. MAGRUDER in Mr. SLOAN's office on many occasions. On some of these occasions, the door to Mr. SLOAN's office was closed and when Mrs. HOBACK would buzz his office to enter, Mr. SLOAN would reply that he did not want to be disturbed.

Mr. SLOAN appeared at the Finance Committee on July 18, 1972, at about 3:30 p.m. and told Mrs. HOBACK that if he did not get an attorney that evening he was ready to talk with the FBI. Mr. SLOAN stated that technically, he was not the Treasurer for the above funds and was merely a custodian of same. He further stated to Mrs. HOBACK that he was not really responsible for the above-mentioned cash since he was only responsible for FCTRP funds. Mrs. HOBACK recalled that Mr. SLOAN had stated to her during the week after the Democratic National Committee Headquarters (DNCH) office burglary that the best thing NIXON could do "was to get rid of the whole CTRP". He further remarked to Mrs. HOBACK "I cannot believe that the FBI will not trace the \$100 bills to us. They are too professional." The latter was in reference to press articles which had appeared in which it was disclosed that those arrested for the burglary had in their possession numerous \$100 bills. Mr. SLOAN further told Mrs. HOBACK that he had disbursed brand new \$100 bills and that the FBI would find his fingerprints on same.

The Security Guards at the CTRP were all hired by Mr. JAMES MC CORD, who brought them to Mrs. HOBACK in order to fill out various salary forms. The Security Guards were paid by the Finance Committee, but Mr. MC CORD paid the salaries of two guards (identities not recalled) and would then bill the Finance Committee for their salaries.

Mrs. HOBACK did not recall ever observing any foreign check all of the period she has been employed by the Finance Committee, especially a check drawn on a Mexican bank.

Mr. MAURICE STANS, on returning to the Finance Committee from trips throughout the country, would bring in checks. Fund raisers would also bring in checks and contributors would come into the office and give checks and checks would also arrive by mail. Whenever a large check comes into the Finance Committee, it is spread or disbursed to various other Committees, such as Radio Committee to Re-Elect the President, Media Committee to Re-Elect the President, Television Committee to Re-Elect the President or the FCTRP. The latter is done for gift tax purposes. There are very few large checks that come into the Committee and Mrs. HOBACK would have recalled observing any large check.

A meeting of State Chairman was held on April 11, 1972, at the Washington Hilton Hotel, which meeting Mrs. HOBACK did not attend. Attending the meeting were the following individuals:

Mr. MAURICE STANS  
Mr. HUGH SLOAN  
Mr. LEE NUNN, State Coordinator  
Mr. NEWTON WEED, Corporation Fund Raiser  
Mr. GEORGE GORDON LIDDY  
Mr. PAUL BARRETT, Comptroller  
JANE DANNENHAUER  
YOLANDA DORMINY

Mrs. HOBACK was of the opinion that an agenda for the meeting was drawn up.

Mrs. HOBACK did not recall recording or observing a certified check from a Mr. KENNETH DAHLBERG, which check was drawn on a Boca Raton, Florida, bank. Mrs. HOBACK did not recall reimbursing any individual for expenses or travel to Mexico and to Miami, Florida. If, however, she did reimburse anyone for such expenses, same would be recorded in her ledger books.

Mr. GEORGE GORDON LIDDY, as legal counsel, gave legal advice on transactions, which stock was turned into cash.

Mrs. HOBACK did not know whether Mr. LIDDY brought money to the Finance Committee.

Mrs. HOBACK commutes to and from work with SALLY HARMONY, Mr. LIDDY's Secretary, and SALLY HARMONY has stated to Mrs. HOBACK in the past that she, HARMONY, would purger herself before the Grand Jury in order to protect Mr. LIDDY. Mr. LIDDY and HARMONY have been very close and HARMONY would do anything for Mr. LIDDY in order to protect him. Mrs. HOBACK has observed Mr. LIDDY and HARMONY, prior to the burglary of the DNCH, shreading various office papers in the shreading machine. SALLY HARMONY has stated to Mrs. HOBACK that she will not be called before the Grand Jury nor be questioned further by the FBI, inasmuch as she is of the opinion the FBI thinks she knows nothing. Mrs. HOBACK has heard from unrecalled persons at the office that Mr. LIDDY was shreading office papers on the day of the burglary.

Mrs. HOBACK believes Mr. LIDDY was "bought off" by the CTRP. Mr. LIDDY was given a two-week separation salary check and Mrs. HOBACK believes that he was also given cash. Mrs. HOBACK is certain, however, that the cash did not come from Mr. SLOAN's safe. At the time of Mr. LIDDY's departure from the Committee, Mr. SLOAN was in Bermuda on a vacation. Mr. STANS indicated to Mrs. HOBACK that LIDDY was terminated "because of what LIDDY did". Mrs. HOBACK was directed by Mr. ROBERT ODLE to draft a two-week separation check of compensation for Mr. GEORGE GORDON LIDDY. Mrs. HOBACK recalls experiencing some difficulty in obtaining the necessary two Committee signatures to validate Mr. LIDDY's final two-week separation check. She advised that some of the four individuals authorized to validate such a check with their signature were hesitant to do so. Upon handing Mr. ODLE Mr. LIDDY's separation check, Mr. ODLE handed Mrs. HOBACK a copy of a memo from Mr. MARDIAN to Mr. MAURICE STANS, which memo indicated that Mr. LIDDY was terminated because he did not cooperate with the FBI.

Mrs. HOBACK indicated that Mr. SLOAN had the responsibility to account for all Finance Committee funds to Mr. STANS

~~CONFIDENTIAL~~

WFO 139-166

Mr. SLOAN accounts to no one else for the funds. Mr. STANS is very insistent on record keeping of said funds and insists on each contributor receiving a "thank-you" note within 48 hours after receipt of donation.

Mrs. HOBACK stated that Mr. SLOAN resigned from the Committee of his own volition. He stated to Mrs. HOBACK that his resignation was the best thing for the Committee and for President NIXON. Mr. SLOAN said it would be better for all concerned if he became a private citizen. Mrs. HOBACK has knowledge that Mr. SLOAN had received pressure from Mrs. SLOAN to resign because his eating and sleeping habits have been very erratic since the Watergate burglary. Mr. SLOAN has also been constantly worrying. Mr. SLOAN was also advised by his attorney (name unrecalled) to resign.

In recent conversation with Mrs. HOBACK, Mr. SLOAN said that he was approached by an unnamed individual in the CTRP and the suggestion was made to Mr. SLOAN that "He take a dive or a fall". Whereupon, Mr. SLOAN replied to that individual, "You've got the wrong pigeon". Mr. SLOAN was approached with the above suggestion on more than one occasion and Mrs. HOBACK believes he was approached on three occasions. Mr. SLOAN was shocked by what was proposed and stated that the entire incident was unbelievable. Mrs. HOBACK is convinced that Mr. SLOAN did not take a "dive or fall".

HERB KALMBACH, Newport Beach, California, an Attorney and Fund Raiser for the FCTRP prior to April 7, 1972, was contacted by Mr. SLOAN regarding the Watergate burglary, but Mr. KALMBACH did not want to be apprised of the burglary or of any circumstances pertaining thereto. Mr. KALMBACH also indicated that he did not want to be apprised by Mr. SLOAN of what was happening at the Committee. Mr. SLOAN recontacted Mr. KALMBACH on July 18, 1972, regarding Mr. SLOAN's possible defense and Mr. KALMBACH was supposed to fly into Washington, D.C. (WDC), the evening of July 18, 1972, for purposes of defending Mr. SLOAN.

Mrs. HOBACK was subpoenaed to appear before a Federal Grand Jury, which is investigating the Watergate burglary, on July 6, 1972. She appeared at the Grand Jury accompanied by Attorney KISSLER (phonetic). She answered all questions requested of her by the Grand Jury and subsequent to her appearance she was requested to meet with Attorney KENNETH PARKINSON, Attorney PAUL O'BRIEN and Mr. HUGH SLOAN in Mr. ROBERT MARDIAN's office at the Committee. Mr. MARDIAN was not present at the meeting. Mrs. HOBACK attended this meeting between the hours of 6:30 p.m. and 7:00 p.m. Mrs. HOBACK discussed her testimony before the Grand Jury with the attorneys present and told them that she answered all questions requested of her by the Grand Jury, but said that she "stopped short of the truth". The attorneys then asked her for clarification of what she meant by "stopped short of the truth". Mrs. HOBACK then looked to Mr. SLOAN who addressed the attorneys present by asking if the conversation was a privileged communication. Mr. SLOAN received an affirmative answer to that question and he then instructed Mrs. HOBACK to continue. She then told the attorneys about the cash disbursements made by Mr. SLOAN from the cash on hand kept within the attache case located in the safe in Mr. SLOAN's office. She detailed to the attorneys present specific knowledge concerning cash disbursements made from those monies to specific individuals, namely, Mr. GEORGE GORDON LIDDY, in the amount of \$81,000 or \$89,000; Mr. BART PORTER, in the amount of over \$100,000; and to Mr. JEB MAGRUDER, in the amount of what she thought was over \$50,000. Immediately following these disclosures, Attorney O'BRIEN remarked, "JESUS CHRIST!" SLOAN immediately stated to the attorneys present "Wait until you hear what I have to say". Mr. SLOAN then instructed Mrs. HOBACK to depart the meeting and to drive Mrs. SLOAN to Mr. SLOAN's residence, inasmuch as Mr. SLOAN wanted to protect Mrs. HOBACK from what he was about to disclose to Attorneys PARKINSON and O'BRIEN.

Mr. SLOAN arrived at his residence about two hours later and told Mrs. HOBACK that he wanted to have some private words with Mrs. SLOAN for a few minutes. At dinner with Mrs.

WFO 139-166

SLOAN and Mrs. HOBACK, Mr. SLOAN said that he was instructed by Attorneys PARKINSON and O'BRIEN to go to California on the following day, July 7, 1972, because they did not want him to be subpoenaed before the Federal Grand Jury then impaneled at WDC and investigating the Watergate burglary. The attorneys wanted a week or two in order to plan things out.

While eating dinner, Mr. SLOAN received a telephone call, the duration of which was a few seconds. Upon returning to the dinner table, Mr. SLOAN stated to Mrs. SLOAN and Mrs. HOBACK that Mr. FRED LA RUE had instructed him to depart for California on the following day, July 7, 1972, in order to be in on the State Committeemen meetings in California with Mr. MAURICE STANS. Mr. SLOAN remarked that "LA RUE does not leave anything to chance. He is very technical." On the following Monday or Tuesday, Mrs. HOBACK received a telephone call from Mr. SLOAN from California and Mr. SLOAN inquired of her personal safety and welfare.

Mr. SLOAN departed for California on July 7, 1972, and the official reason given was that he went to meet with Mr. STANS so that both could talk to State Committeemen. Mrs. HOBACK is of the opinion Mr. SLOAN went to California to tell Mr. STANS that he was going to resign.

Mr. SLOAN arrived at the Finance Committee office on July 14, 1972, about 1:00 p.m., went straight into Mr. STANS' office and remained therein for approximately 40 minutes. He then came out of the office and dictated a letter of resignation to J. DANNENHAUER. Mrs. HOBACK did not observe Mr. SLOAN clean out his desk at this time and Mr. SLOAN departed this office shortly thereafter. Mrs. HOBACK did not observe anyone clean out Mr. SLOAN's desk on Friday, July 14, 1972. Some time during the afternoon of July 14, 1972, Mr. STANS related to Mrs. HOBACK that he had spent the entire week attempting to convince Mr. SLOAN not to resign from his position as Treasurer.

~~CONFIDENTIAL~~

Mrs. HOBACK stated that Mr. SLOAN had never mentioned to her that he took the position with the Finance Committee with the intention that he would resign the position at about this time.

Mrs. HOBACK was asked the following question:

Do you recall recording a total of \$114,000 or two checks for \$89,000 and one for \$25,000 into a "Dummy Committee" in the name of Barker and Associates? Mrs. HOBACK replied in the negative.

Mrs. HOBACK was asked the following question:

Do you have any knowledge of funds being misappropriated at the Finance Committee? Mrs. HOBACK stated that except as noted above, she has no knowledge of any misappropriation of Finance Committee funds.

Mrs. HOBACK provided the following personal information:

*James Walter McLean*

In connection with our conversation earlier today regarding Mr. Gray's agreement to provide Assistant Director Dalbey's memorandum, a review of the testimony does not disclose that this commitment was made prior to the session of Tuesday, 3/6/73. In that session (3/6/73) there is even some question as to whether a commitment was made. It all depends on the inflection of Senator Kennedy's voice. To assist you in evaluating this, the following is furnished:

On Page 58, of the 2/28/73 testimony, Mr. Gray, testifying in answer to Senator Ervin's question, responded, "...I asked my Legal Counsel to prepare me a memorandum regarding whether or not we had a duty to send any material to the White House. The answer came back, on our own initiative, no; in response to a directive from an individual acting for the President of the United States, that is another matter and we do."

In the testimony of Tuesday, 3/6/73, Page 388, Mr. Gray is responding to Senator Kennedy's questions which deal with the transmittal of the Watergate summary, which was addressed to the Attorney General and believed forwarded by the AG to Mr. Dean at the White House: "Senator Kennedy. And was it addressed to Mr. Dean?" "Mr. Gray. My recollection is that it was addressed to the Attorney General. It was a memorandum from the Acting Director to the Attorney General. We can check that. I will check it, Senator, and make certain my testimony is accurate, but that is my recollection. Because I had asked for a legal opinion on this, you know, from my own office of legal counsel."

R. J. Baker to Mr. Kinley, 3/7/73  
re: CONFIRMATION (Asst. Dir. Dalbey's  
memo of 7/20/73)

Continuing on Page 389:

"Senator Kennedy. Would that be part of the file?

"Mr. Gray. We have already made it part of the record. I am certain of that. If we haven't, I would do it.

Regarding Senator Kennedy's last question, "Would that be part of the file?" if it was said in a normal tone, it would appear to refer to the memorandum from the Acting Director to the AG. If, on the other hand, he emphasized the word "that" he could have been referring to Dalbey's memorandum. Further, it would appear that Mr. Gray, in referring to what had been made a part of the record, was referring to the memorandum to the AG, since we have furnished that in response to a prior session.

OBSERVATION:

Since we will not get the transcript of this morning's (March 7, 1973, a.m.) testimony for at least a day, we will hold off making a determination on this unless Mr. Gray specifically wants Dalbey's memorandum made a part of the record regardless, in which event we will submit it in response to Senator Byrd's question this morning.

*Sen. Kennedy was referring to Dalbey's memo,  
or at least Mr. Gray so interpreted that question.  
Dalbey's memo should be inserted.*

SUBJECT: CONFIRMATION

*6, 5, 1 James Walter McCree*

The Acting Director has inquired "What about the destruction of the files and records that Kennedy is pursuing on page 291." He also instructed that a brief summary be put together as to what information we received regarding destruction of records, including from whom and when, and asked that the questions and answers be prepared.

The point Senator Kennedy is talking about on page 291 is to the effect that while we were investigating the Watergate case, there were allegations in the press that Mr. Mardian either ordered or in some way was involved in the destruction of relevant documents at the Committee to Reelect the President. He wanted to know what investigation, if any, the FBI conducted into those allegations. *M*

The press item Senator Kennedy refers to undoubtedly was a story written by "Washington Post" reporters Bob Woodward and Carl Bernstein, which appeared on pages A1 and A33 of the 10-6-72, "Washington Post" captioned "Nixon Aides Got Wiretapping Memos." The next to the last paragraph of that article states as follows:

"According to law enforcement and Nixon committee sources, the destruction of records was part of a 'house-cleaning' directed by former Assistant Attorney General C. Mardian, now political coordinator of the President's campaign, and Frederick C. LaRue, a former White House aide who is staff assistant to the director of the Nixon campaign."

The following is a brief summary concerning the above matter.

Review of the WFO reports reveals there were two situations in which Committee to Reelect the President (CRP) files apparently were destroyed. First, finance records such as ledgers and records regarding contributors were destroyed about

Re: CONFIRMATION

4-6-72, prior to the date on which the new regulations relative to disclosure of the names of contributors and the expenditure of funds went into effect on 4-7-72. Second, there apparently was destruction of material having to do with Liddy's intelligence gathering operation. Herbert Porter advised he threw away receipts Liddy gave for the money that Porter received from Sloan to pass on to Liddy, and allegedly Liddy used the CRP shredder on 6-17-72, after the arrest at the Watergate, to destroy some documents, probably the logs and memoranda dealing with Baldwin's overhearings of the conversations on Spencer Oliver's telephone. It was also reported that McCord's assistant, Robert Houston, removed some material from the CRP offices over the weekend of 6-17 through 6-18-72. (He told us this was some equipment he was working with, it was not destroyed and was returned to the office.)

According to Millicent Gleason, a security officer at the Committee to Reelect the President, when interviewed on 7-1-72, Robert Houston, James McCord's assistant at the Committee, early in the morning of 6-18-72, went to the file cabinet in the security office and began removing files. When the FBI interviewed Houston, he denied it.

Also, Baldwin told us he prepared logs of the telephone conversations from which McCord prepared typed memoranda. We do not know these memoranda still exist. No one interviewed, except Baldwin from whom the information about the logs and memoranda was originally obtained, would admit to knowledge of them. In fact, Case Agent Lano advised he heard Baldwin's attorney state in closing comments to the jury that, in effect, Liddy destroyed evidence, possibly the memoranda, soon after the arrests on 6-17-72, using the CRP shredder.

On 7-18-72, Judith Hoback, former Assistant to the Treasurer of the Finance Committee to Reelect the President, advised FBI that about five ledger books used to record cash were destroyed prior to 4-7-72. Also, all bank accounts which existed for the account of the Finance Committee to Reelect the President were closed on 4-6-72, and all pertinent records destroyed. Mrs. Hoback also told us that she heard from unrecalled persons at the office that Mr. Liddy was shredding office papers on the day of the burglary. She said she believes all lists of contributors were destroyed prior to 4-7-72.

Memorandum to Mr. Baker  
Re: CONFIRMATION

On 6/30/72, Stephen Anderson, a security guard at the Committee, was interviewed in the presence of Committee Attorney H. Donald Kistler. He furnished only negligible information at the time but late in the day on 6/30/72, he telephoned WFO and requested to speak to the Agents who had previously interviewed him and a meeting at 7:30 pm that evening was arranged. He was interviewed alone and he advised he had some additional information he would like to furnish outside of anyone else but the FBI. He told us on the evening of 6/16/72, McCord stayed at the Committee office much later than usual and instructed Anderson to get a key for each desk, file cabinet and office on the second floor of the Committee (the Finance Committee floor). McCord told him the Finance Committee had some papers which they had ordered to be destroyed and the desks and cabinets would have to be checked to verify this destruction. These keys were to be passed on to Hugh Sloan on 6/17/72. Anderson assembled the keys and placed them on top of a file cabinet with written instructions as to what was to be done with the keys. Anderson also advised that Penny Gleason told him that on 6/18/72, she observed Robert Houston going through file cabinets of McCord and removing papers. Houston told Gleason he had to burn the papers.

No one else interviewed at CRP mentioned about the destruction of documents.

OBSERVATION: It is apparent that the item Senator Kennedy is talking about on page 291 is the 10/6/72 newspaper article. We did not at that time, which was after the grand jury had returned its indictment, set out to conduct further interviews of Committee personnel on the point set forth in the article that Mardian and LaRue had something to do with destruction of records. We had already interviewed about 60 people at the Committee including Mardian and LaRue and the only positive information relative to destruction of records is that set forth above in this memorandum. There was no reason to go around and reinterview all those people based on the story in "The Washington Post."

ACTION: For Mr. Gray's information. Attached per request of the Acting Director is a list of questions and answers.

- Q. Mr. Gray, did you interview anyone concerning the allegation of destruction of records at the Committee to Reelect the President?
- A. Yes, we certainly did.
- Q. Did your investigation cover more than one phase?
- A. As a matter of fact, the inquiry concerned two phases; namely, (1) financial records such as ledgers and records regarding contributors and (2) material dealing with possible Watergate implications.
- Q. What was the purpose of your inquiry?
- A. Based upon information received, there was a possibility of an indication of records being destroyed that had significance of Watergate implications.
- Q. How many people did you interview in regards to these matters?
- A. In excess of 60 individuals.
- Q. Was it necessary to interview these people in the presence of the Committee's counsel?
- A. Yes. This was a restriction imposed upon us.
- Q. Do you feel that by this imposition that you did not receive all of the necessary information.
- A. This is always possible in a situation like this that all the information is not received.
- Q. What did Mr. Mardian, an officer of the Committee, have to say about the destruction of the records.
- A. Mr. Mardian told us that he could not furnish us any information due to his attorney-client relationship. We did not talk to him on the basis that he knew about record destruction as we had no such information.

ENCLOSURE

Q. Did anybody want to be interviewed out of the presence of counsel?

A. Yes. As a matter of fact, <sup>THREE</sup> individuals wanted to furnish us information concerning this matter away from their employment.

Q. Of all your interviews, did you develop anything significant or pertinent concerning the destruction of records?

A. We could not pin this matter down, meaning that we developed skimpy information concerning the destruction of records, and without benefit of interview with the subjects in this case, the total picture is not known.

Q. What do you mean without benefit of interview of the subjects?

A. We attempted to interview all subjects in this matter and their counsel advised that they would not submit clients for interview.

Q. Do you feel that additional investigation would resolve the question about any records being destroyed.

A. No, not without benefit of interview of subjects.

Re: CONFIRMATION

Dean was present during the interview of Charles W. Colson, Special Counsel to the President, on 6/22/72, when Colson said Hunt had an office in the EOB. During this interview Dean interjected that he was not sure Hunt had an office and that Dean would look into this matter and let the FBI know.

However, on 6/27/72, Fielding told us that on 6/20/72, he and Dean reviewed the contents of the two cardboard cartons containing Hunt's personal effects, which cartons were taken from Hunt's office at EOB.

This apparent contradiction led the Senator to believe that Dean had lied to us on 6/22/72, and the Senator questioned what the FBI did about this. He was advised that this information was furnished to the Assistant U. S. Attorney, Earl J. Silbert.

Special Agents Angelo J. Lano (Washington Field Office [WFO] case Agent in the Watergate investigation) and John J. Clynick, FBI Headquarters, met with Senator Roman L. Hruska (R - Nebr.) at his office, S108, at the Capitol at 4:12 p.m. on 3/6/73. The Senator commented at the outset that Mr. Gray was making a good appearance at the hearing.

The Senator during the next six hours, reviewed the Watergate case files consisting of 26 Sections, one Subsection, the Summary Book, and he scanned the Questions and Answers Book and the Testimony Analysis Book. He said he was generally pleased, but made two points which, he stated, he intended to question Mr. Gray during the confirmation hearing.

1. He questioned why pages 12, 13, and 14 were missing from WFO report dated 7/19/72 (Baldwin's FD-302 containing excerpts of monitored conversations). The Senator was advised that Special Agent Clynick was told to remove those pages and this was done so as not to disclose the content of the monitored conversations in accordance with the ruling of the U. S. Court of Appeals for the District of Columbia. The Senator also noted that the first partial paragraph on page 15 of that report (same FD-302) related to an intercepted conversation; however, the Senator stated he would make no disclosure about the substance of this partial paragraph (which will be excised from that report).

2. The Senator questioned concerning the apparent conflict in statements by John Dean, Legal Counsel to the President, and Fred Fielding, Assistant to the Legal Counsel, regarding the existence of Hunt's office at the Executive Office Building (EOB) and Hunt's personal effects.

SUBJECT: CONFIRMATION  
DISCLOSURE OF CONTENTS OF  
UNLAWFULLY INTERCEPTED  
COMMUNICATIONS

*James Walter McCord*

The Acting Director requested a legal defense to the charge that disclosure to the Legal Counsel to the President of information furnished by Baldwin concerning the contents of unlawfully intercepted communications constituted a criminal violation under Title 18, United States Code, Section 2511 (1)(c).

The legal defense is based on two theories; (1) an implied exception to the statute intended by Congress based on the legislative history and (2) a principle of criminal law recognized by the Supreme Court that penal statutes having "willful" as an element must also be read as having "evil motive," "bad faith," or "evil intent" as a constituent element. Here, there was no violation because disclosure of the information was done in good faith and without any evil motive or intent.

Attached is a question with an appropriate answer designed to explain the defense.

Q. Would the disclosure of FBI investigative reports to the Counsel to the President constitute a crime under Title 18, United States Code, Section 2511 (1) (c) where the reports contained the contents of unlawfully intercepted communications?

A. Though there is an absence of case law specifically interpreting the subsection of Title III which prohibits disclosure of the contents of unlawfully intercepted communications (18 USC 2511 (1)(c)), the legislative history of the statute (Report of the Committee on the Judiciary, Senate Report No. 1097) provides:

"Subparagraphs (c) and (d) prohibit, in turn, the disclosure or the use of the contents of any intercepted communication by any person knowing or having reason to know the information was obtained through an interception in violation of this subsection. The disclosure of the contents of an intercepted communication that had already become 'public information' or 'common knowledge' would not be prohibited. The scope of this knowledge required to violate either subparagraph reflects existing law (Pereira v. United States, 74 S. Ct. 358, 347 U.S. 1 (1954)). A violation of each must be willful to be criminal (United States v. Murdock, 54 S. Ct. 223, 290 U.S. 389 (1933))."

As indicated by the Report of the Judiciary Committee, it was contemplated that there would be exceptions to the prohibitions of subsection (c). One example is mentioned and there are others which would find justification in general legal principles. It is obvious that the statute should not be used to apply a criminal penalty to one disclosing information which is already "public information" or "common knowledge." Similarly, the statute should not be read so absolutely as to preclude an officer of the government from discharging his official responsibilities for fear of criminal prosecution.

There is a useful analogy in Rule 6(e) of the Federal Rules of Criminal Procedure which prohibits attorneys for the government from disclosing matters occurring before the grand jury except when so directed

139-40 89-2094

ENCLOSURE

by the court. In United States v. American Radiator and Standard Sanitary Corporation, 45 F.R.D. 477 (W.D. Penn. 1968), government attorneys disclosed the record of grand jury testimony to the witness who had furnished the testimony. Defendants in the criminal prosecution moved to enjoin the government attorneys from such disclosure on the grounds it was prohibited by Rule 6 (e). The court denied the motion and held that interviewing prospective government witnesses and reviewing their testimony with them is an appropriate part of the duties of an Attorney for the United States. Further, allowing a prospective Government witness to review his own testimony does not endanger grand jury secrecy and thus is not an improper "disclosure" within the meaning of Rule 6(e). The court declared: "The facts alleged do not indicate that any Government attorney has behaved improperly or breached grand jury secrecy."

Therefore, a reasonable exception to the prohibition on disclosure in Title III could be understood as intended by Congress where necessary in order to permit government officers to discharge their duties. Among the duties of the Acting Director of the FBI is to apprise appropriate government officials of information received which they may require to discharge their own responsibilities. This is particularly apparent when the request for information comes from the Legal Counsel to the President. Good faith disclosure of information of whatever nature under such circumstances would not justify labeling the act a violation of law.

This latter point was recognized in the Judiciary Committee Report by the citation of United States v. Murdock. In that decision, the Supreme Court declared that penal statutes having as one element the word "willful" also must be read as having "evil motive" as a constituent element of the crime. The pertinent subsection of Title III begins "willfully discloses. . . ." therefore there can be no violation of Section 2511 (1)(c) until there is shown evidence of bad faith or evil intent. The result is that there has been no violation of the statute because there was no bad faith or evil intent in furnishing the information.

TESTIMONY

MORNING SESSION, MARCH 6, 1973,  
REQUEST BY SENATOR KENNEDY FOR  
MEMORANDUM

*James Walter Mc Cord*

The report of proceedings of the hearings for the morning of Tuesday, March 6, 1973, at page 388 - 389 indicates that Mr. Gray was discussing a memorandum sent to the Attorney General. Mr. Gray said (at page 388):

"My recollection is that it was addressed to the Attorney General. It was a memorandum from the Acting Director to the Attorney General.

"We can check that. I will check it, Senator, and make certain my testimony is accurate, but that is my recollection. Because I had asked for a legal opinion, you know, from my own Office of Legal Counsel. "

Senator Kennedy then asked (page 389):

"Would that be a part of the file?"

By routing slip (attached), Mr. Gray made reference to Page 385 of the 3/6/73 testimony, in which (at Line 23) Senator Kennedy asked, "On June 19 you felt the White House should get the investigative material?" Mr. Gray responded, "Right."

In Mr. Gray's routing slip, he stated the word "not" had been left out in Senator Kennedy's question, and that it should have read, "...you felt the White House should not get the investigative material?" Mr. Gray instructed that the record be corrected.

Since this was Senator Kennedy's testimony, Inspector Bowers contacted James Flug, Staff Assistant to Senator Kennedy, on the morning of 3/8/73, and brought this to his attention. Flug agreed that the word "not" should have been in the record and stated that Senator Kennedy's office would insert this correction. Inspector Bowers advised Flug that we would also insert the correction in the edited copy which we furnished to the Committee.

The attached concerns the testimony of the Acting Director at the Afternoon Session on Wednesday, March 7, 1973. This is in regard to page 423, line 9, at which point the Acting Director indicated that he would furnish for the record results of a check to be made to determine the answer to Senator Byrd's question which is set forth on page 421, lines 18 through 20. In those lines, Senator Byrd asks "Other than the July 21 memorandum, Mr. Gray, did subsequent memoranda go to the White House, Mr. Dean, reporting on the findings of the FBI?"

Review of the material maintained in the safe in which the Acting Director's copies of reports, teletypes, airtels, etc., are maintained reveals that no summary memoranda are included in that material. As a matter of fact, the only summary memorandum which was prepared in this case, other than the 7/21/72 summary, is an undated WFO memorandum prepared on approximately 6/21/72, for use of then SAC Kunkel in discussing the developments as of that date with then Assistant Director Bates and Mr. Gray. A resume of the information which had been developed to that date is contained in the undated memorandum; however, a copy of that memorandum was not found in Mr. Gray's safe.

Included in the material furnished to Mr. Gray by SAC Kunkel from time to time were a number of memoranda for the file in which a SA would record information received telephonically, frequently indicating a lead; memoranda of justification for expenditure of funds pertaining to the interviews of Penny Gleason and Judy Hoback; and memoranda from CIA setting forth in writing information from their files. The material in the safe also includes a memorandum indicating Bureau authority has been received to serve subpoenas; a recording for the file by SAC Kunkel of a call

from a reporter to whose questions he gave no comment; a memorandum regarding a news article which appeared in the 6/30/72, "Washington Daily News;" and a memorandum regarding the fact that interviews at CRP are to be conducted in the presence of a CRP attorney.

RECOMMENDATION: It does not appear that the above mentioned memoranda for the file would fall within the type of memoranda that Senator Byrd was asking about. The undated summary LHM, mentioned above, which was prepared for use in briefing Mr. Gray, is not contained in the material in his safe; accordingly, it is believed we should have an insert for the record at page 423, line 9, indicating that check of the records does not reveal any memoranda similar to the 7/21/72 memorandum were given to the White House. Upon approval, the attached insert will be furnished to the Committee.

On March 13, 1973, at 8:45 a.m., the Acting Director called me and asked whether it is proper for the FBI to have a list of the witnesses who will appear or who have appeared before a Federal Grand Jury. He was referring not to the substance of the testimony of such witnesses but merely to a list of their names.

Rule 6(e) Federal Rules of Criminal Procedure imposes an obligation of secrecy concerning grand jury proceedings. Included in the secrecy requirement, although not stated in the rule, are witnesses' names. The general rule is that the defendant is not entitled as a matter of law to a list of the names of witnesses who appear before the grand jury. United States v. Potts, 57 F. Supp. 204 (MD Pa. 1944). As stated in United States v. Mesarosh, 13 F.R.D. 180, 184 (WD Pa. 1952), "The defendants have no right to a list of names of the witnesses who appeared before the Grand Jury or of those who will appear at the trial on behalf of the government. The Federal Rules of Criminal Procedure give no such right, and neither does the weight of decisional authority. . . ." See also United States v. Oley, 21 F. Supp. 281 (ED N.Y. 1937).

Therefore, it appears that the general prohibition against disclosure of grand jury proceedings covers the list of names of grand jury witnesses. However, Rule 6(e) provides that disclosure of matters occurring before the grand jury other than its deliberation and the vote of any juror may be made to the attorneys for the Government in the performance of their duties. "Witnesses names are matters before the grand jury and also are entitled to secrecy." (emphasis added) State of Minnesota v. United States Steel Corporation, 44 F.R.D. 559, 589 (District of Minn. 1968).

Memorandum Legal Counsel to Mr. Baker  
RE: CONFIRMATION  
REVIEW OF LIST OF NAMES  
OF GRAND JURY WITNESSES

In view of the exception to Rule 6(e) which permits disclosure to the attorneys for the Government and in view of the fact that witnesses' names have been described as matters before the grand jury it appears that a list of names of grand jury witnesses may be disclosed to the attorney for the Government. Disclosure of such matters to the attorney for the Government for purposes of investigation may also include disclosure to FBI Agents who are investigating the matter being considered by the grand jury where they are working under the direction of the attorney for the Government. United States v. Hoffa, 349 F2d 20 (6th Cir. 1965), affirmed 385 U.S. 293.

OPINION

While all of the decisional law on this point discusses access by defendants to grand jury witnesses' names, it is my opinion that the exception which provides access to matters before the grand jury by the attorney for the Government provides the necessary authority for the FBI to have access to the list of names of the grand jury witnesses in those cases where the Agents are working under the direction of the attorney for the Government.

RECOMMENDATION:

For information.

*Agree.*

*But we will not ask for a list of those who were interviewed by AUSA's & then appeared before the grand jury.*
