October 3, 1963

UNKNOWN SUBJECTS;
BOMBING OF 16TH STREET CHURCH
SEPTEMBER 15, 1963
BIRMINGHAM, ALABAMA

The following article appeared in the "Minneapolis Morning Tribune" for Thursday, October 3, 1963:

"LETTER TO RICHFIELD BOY
Negro Tells of
Brother's Slaying

^{A APPROX}
"One day last week, a letter from James
(Wee Will) Ware, 16-year-old Birmingham, Ala.,
Negro, arrived in Richfield.

"It was addressed to TOM OLSON, 6939 4th
Av. S., a junior at Richfield High School. The
pair became friends this summer when both were
delegates at a national Hi-Y conference at
St. Olaf College, Northfield, Minn.

"On Sept. 15, Wee Will was pedaling his
bicycle along a street with his brother, Virgil,
13, sitting on the handlebars.

"Birmingham was tense, because of the
bombing earlier of a Negro church, where four
girls were killed: Denise McNair, 11; Carol
Robertson, 14; Cynthia Wesley, 14, and Addie
Mae Collins, 14.

This document contains neither recommendations nor
conclusions of the FBI. It is the property of the FBI and
is loaned to your agency; it and its contents are not to
be distributed outside your agency.

**UNKNOWN SUBJECTS;
BOMBING OF 16TH STREET CHURCH
SEPTEMBER 15, 1963
BIRMINGHAM, ALABAMA**

"On Docena Road, the two boys on the bicycle were approached by a red motorbike which was decorated with Confederate stickers and carrying two white youths. One of the youths pulled out a pistol and fired twice. Virgil Ware fell off the bike, fatally wounded.

"Two white youths, Lee Farley and Larry Joe Sims, both 16, have been charged with murder and bound over to a Birmingham Grand Jury that will convene Monday.

"Tom Olson read about the shooting in the papers and wrote his friend a consoling letter. Here is Wee Will's reply:

"Hi, Tom,

"Things are really going bad for me down here. Virgil, my brother's funeral will possibly be Sunday.

"The newspapers don't give a complete rundown of what's going on around here. Our darling Governor has caused so much trouble, until I am about ready to leave this place. But I figure this is what he wants. All of the Negroes to leave Ala. (the nut).

"THE LITTLE girl Denise McNair was my next door neighbor's niece. As you know she was one of the girls who was killed in the bombing of the 16th St. Bapt. Church.

"I've been in school since the beginning of the semester but is quite hard to study with the fear that engulfs B'ham. We have a fire drill almost every morning because of a bomb threat.

**UNKNOWN SUBJECTS;
BOMBING OF 16TH STREET CHURCH
SEPTEMBER 15, 1963
BIRMINGHAM, ALABAMA**

"'All of the Negro businesses have closed up and near dark there isn't a Negro to be seen on the street. And could you blame them? The State Troopers sent here to protect us will ride along the street with their rebel flagged cars saying 'run nigger.'

"'It's quite difficult to write a cheerful letter under the circumstances but in spite of all I guess I still have a lot to be thankful for. Don't forget to come to my funeral when ever you read about it. (Smile, I think).

"'Love, Wee Will Ware."

This article states, "It is too late to blame the sick criminals who handled the dynamite. The FBI and the police can deal with that kind. The charge against them is simple. They killed four children. Only we can trace the truth, Southerner--you and I." This article has been inserted in the Record previously by several other Congressmen.

SUBJECT: The Congressional Record

Pages A6093 - A6094. Congressman Smith, (R) California, extended his remarks and stated "there has been considerable confusion surrounding the role the public believes the FBI should play in recent civil rights flareups. I would like to call attention to two recent articles on this subject which point up that the FBI actually does not have jurisdiction in 95 percent of these cases. Where they do have jurisdiction they are on the job in their usual efficient and effective way." UNITED STATES GOVERNMENT

Memorandum

TO : The Director

DATE: 9/27/63

FROM : N. P. Callahan

SUBJECT: The Congressional Record

Pages A6096 - A6097. Congressman Andrews, (D) Alabama, submitted for inclusion in the Record a recent statement made by Mr. William M. Spencer, of Birmingham, Alabama, entitled "Judgment Without Trial." Mr. Spencer pointed out that in reporting the recent bombings in Birmingham all news media have so slanted their reports as to imply that they were perpetrated by white persons. He stated, "The most skilled investigators of the FBI, the law enforcement agencies of Birmingham, of Jefferson County, and of the State of Alabama, have searched diligently and thoroughly for evidence to identify the criminal or criminals, but to this date, there has been disclosed to the public not one shred, not one scintilla, of evidence which would point an accusing finger at any person. - - - We deem it to be the duty of the President of the United States and of the Attorney General to make public a full report of all the facts found by the investigators of the FBI of the bombings in Birmingham; that if no evidence has been found that the crime, or any of them, were perpetrated by a white person, or persons, such fact should be clearly stated; that if no evidence has been found that the crimes, or any of them, were perpetrated by a citizen of Birmingham, white or black, or any other color, such fact should be clearly stated."

In the original of a memorandum captioned and dated as above, the Congressional Record for *Thursday 9-26-63* was reviewed and pertinent items were marked for the Director's attention. This form has been prepared in order that portions of a copy of the original memorandum may be clipped, mounted, and placed in appropriate Bureau case or subject matter files.

HARVEY H. HEWITT
COLONEL, U.S. AIR FORCE (RET.)
210 EAST GREENWAY BOULEVARD
FALLS CHURCH, VIRGINIA

September 14, 1963

Dear Senator Robertson:

Last night (September 13) Washington television station WTOP broadcast a recording of some statements made in Baltimore by Governor Wallace of Alabama. In one statement the Governor charged that since 1947 there had been 47 bombings in Alabama of Negro homes and churches but that the Federal Bureau of Investigation, which had investigated every case, had failed to come with a single solution.

The Governor intimated that these bombings had very likely been committed by persons with pro-Negro sentiments who hoped through the "liberal" press and networks to arouse hatred against white persons in Alabama who are opposed to racial integration. He said that no Negroes had been killed and that personal injury and property damage had been slight. But that the integration forces, through the publicity given to the bombings, had succeeded in attracting much sympathy and money to their cause.

Governor Wallace also intimated that the F.B.I. in their investigations must have found evidence of this duplicity on the part of the pro-Negro forces. He said that such evidence if any has not been brought to light because of embarrassment it might bring to the United States Department of Justice and the Attorney General.

I feel that the charges made by Governor Wallace are serious ones which bring into question the integrity our system of justice on the Federal level. I therefore ask that the charges be looked into to determine their truth or falsity.

Sincerely yours,

Harvey H. Hewitt

BY SPECIAL MESSENGER

Honorable A. Willis Robertson
United States Senate
Washington, D. C. 20510

My dear Senator:

I have received the letter Colonel Harvey H. Hewitt wrote to you on September 14, 1963, with the copy of your reply to him of September 19th, and I do appreciate your bringing this matter to my attention. Let me assure you at the outset that the implied charges against the FBI reported in Colonel Hewitt's letter have no basis in fact.

Both sides in the racial issue have used the FBI's name in recent months to gain support for their respective points of view. Obviously, neither side has spoken with any authority since their statements have dealt with cases on which no public announcement has been made regarding the results of our investigations. Supposition often is stated as fact, and the matter of legal jurisdiction frequently is ignored.

At the present time, different individuals are citing various totals for the number of bombings which have occurred in Alabama. Some allege the FBI has investigated all of them; others declare we have taken little or no action. Our jurisdiction to investigate these bombings comes from the Civil Rights Act of 1960 which became effective on May 6, 1960. It is broad in scope, but the Department of Justice has stated that Congress clearly indicated there was no intention in the statute to usurp investigative and prosecutive authority in bombing matters from state and local authorities. The Department has instructed that the FBI should not initiate investigations into such cases without special Departmental authorization.

Honorable A. Willis Robertson

The facts of each bombing incident have been presented immediately to the Department, and the FBI has been requested to investigate five bombing cases in Alabama, including the one on September 15th in which four children were killed. Due to the nature of the September 15th bombing, the FBI began an immediate investigation and advised the Department of the actions being taken. Although the FBI does not actively investigate all bombing cases, it does cooperate in every way possible with state and local authorities. The full facilities of the FBI Laboratory and Identification Division are available to render any assistance.

The FBI's actions in the civil rights field are governed by laws as they are in all fields. We cannot exceed our authority nor will we attempt to do so. If a Federal law within our jurisdiction is violated, FBI Agents will conduct a prompt, thorough and objective investigation. If no Federal law is involved, we will not--cannot--investigate.

In spite of these facts, we are accused of both exceeding and shirking our duties. Some of these charges stem from a lack of understanding, but many of them come from persons who have a personal interest and distort the truth to suit their own purposes.

Acting within the law, the FBI has recorded a number of accomplishments in the civil rights field. For example, FBI investigations have enabled the Department of Justice to file more than forty suits in five states to end racial discrimination in voting. FBI Agents solved the case involving the burning of a Greyhound bus transporting "Freedom Riders" through Alabama in 1961. Six persons have been convicted for their part in this crime. An FBI investigation in September, 1962, led to the arrest and conviction in state court of four persons for burning a Negro church in Terrell County, Georgia. FBI Agents also arrested Byron De La Beckwith, the man charged with the murder of Medgar Evers, the Mississippi leader of the National Association for the Advancement of Colored People.

Honorable A. Willis Robertson

I hope the foregoing will prove helpful to your constituent in understanding our role in civil rights cases. I am enclosing two recent newspaper articles you may desire to forward to him and am returning his letter.

Sincerely yours,

J. Edgar Hoover

The Birmingham Office indicated that Allen is the only one who ever, according to their knowledge, got a conviction against any member of the Klan heretofore. It was not indicated what the conviction was for. It is significant to note that Captain Allen has not been friendly with the Bureau.

REC'D

Birmingham in its efforts to run down sources of dynamite has ascertained there are two manufacturers of dynamite in Alabama; E. I. DuPont at Watson and Hercules at McAdory. These two companies have one wholesale outlet in Birmingham apiece and these wholesale outlets have a total of 200 regular wholesale customers. They also sell retail. Due to the large mining operations in Birmingham the use of explosives is widespread and few accurate records are kept. Birmingham is continuing this project.

Additional interviews have been conducted in the neighborhood of the 16th Street Baptist Church without pertinent information being developed.

You will be kept advised of pertinent developments.

SAC Roy K. Moore at Birmingham advised at 7:35 p. m., that Charles Arnie Cagle was tried in local court today on charges of having in his possession dynamite. This trial resulted in his conviction following which he was fined \$100 plus costs and sentenced to six months in jail at hard labor. SAC Moore advised that the prosecution put on only two witnesses that being police officers.

Cagle and Robert E. Chambliss were arrested by the Alabama Highway Patrol (AHP) on 9-29-63, in connection with the Birmingham bombings on open charges. John Wesley Hall was also taken into custody 10-1-63, by the AHP. All three were charged on 10-1-63, with having in their possession an explosive, to wit, dynamite, without a permit as required by Section 451 of the General City Code of the city of Birmingham of 1944.

SAC Moore advised further that no date has been set as yet for the trial of Chambliss and Hall.

For information, the public schools of Birmingham, Alabama, opened for the Fall Term of 1963 on the morning of September 4, 1963. Three public schools of Birmingham were scheduled to be desegregated on September 4, 1963, and these three schools were as follows:

Ramsay High School
1800 - 13th Avenue, South

West End High School
1840 Pearson Avenue, SW.

Graymont Elementary School
300 - Eighth Avenue, West.

The September 5, 1963, Final Edition of the BIRMINGHAM POST HERALD, Page 5, carried an article, "Police Inspector Has Busy Morning". The article written by BILL MOBLEY, stated NSRP members and demonstrators led by Dr. EDWARD R. FIELDS, Information Director, National States Rights Party, demonstrated on the morning of September 4, 1963 at West End High School, where they were dispersed by officers of the Birmingham Police Department. It was stated that the group then went to Graymont Elementary School, and that the group then went next to Ramsay High School. One of the persons participating in these NSRP demonstrations was

UNKNOWN SUBJECTS; Bombing of 16th Street Baptist Church, Birmingham, Alabama, September 15, 1963
BOMBING MATTERS
Bufile 157-1025
Birmingham file 157-352

At 10:19 AM, on September 15, 1963, there was an explosion, generally believed to have been caused by ten or more sticks of dynamite, at the 16th Street Baptist Church, Birmingham, Alabama (Negro), taking the lives of four children, who were among approximately 100 - 125 people in attendance at Sunday School. Twenty or more persons were

injured. The church is located at the corner of 6th Avenue and 16th Street, North, near the downtown section of the city. The point of impact was outside the church, a brick building, on the 16th Street side under some concrete steps and against the wall. Damage to the church building was estimated to be \$30,000 - \$40,000 and undetermined amount of damage to surrounding buildings.

This church had been a meeting place in the past for racial demonstrators. This bombing, one of a series in the recent past in Birmingham, is possibly attributable to racial extremists.

The crime scene search has failed to develop evidence indicating that the explosion was detonated by any specific type of detonator. It is unknown at this point whether a fuse or a timing mechanism was used.

Birmingham newspapers on September 18, 1963, state that a fund for rewards in this case has reached \$76,000.

UNKNOWN SUBJECT; Explosion at 1601
Center Street, South, Birmingham,
Alabama, September 25, 1963,
BOMBING MATTERS
Birmingham file 157-407

About 1:30 AM, September 25, 1963, persons in the vicinity of 1601 Center Street, South, a well maintained Negro neighborhood of medium priced homes, reported an explosion to the Police Department. At 1:45 AM, a second explosion of greater intensity, possibly several sticks of dynamite occurred at the corner adjacent to the captioned address. This second explosion shattered a telephone pole, blew a small crater in the curbing and showered the neighborhood with high oxidized nuts, bolts and other metal fragments, which caused extensive shrapnel damage to surrounding property but no injuries. Laboratory reports dynamite residues on fragments. First explosion believed to have occurred within ten feet of the second and was believed to be lure to cause neighbors and police to be injured by the second blast.

NATIONAL STATES RIGHTS PARTY
(NSRP)

On November 26, 1957, a source advised that the United White Party (UWP) was organized at a convention held in Knoxville, Tennessee, on November 10, 1957. An article in the November 26, 1957, issue of the "Greenville Piedmont", a newspaper of Greenville, South Carolina, reported "the recent formation of a new political party, to be known as the United White Party". According to the article, the party was formed at a recently held meeting in Knoxville, Tennessee, at which many klansmen were represented. The UWP was reported as being opposed to all "race mixing organizations and individuals".

The July, 1958, issue of "The Thunderbolt", self-described as the "official Racial Nationalist Organ of the National States Rights Party" (NSRP), reported that rank and file "States Righters" had merged with the UWP under "the banner of the National States Rights Party", with national offices at Post Office Box 261, Jeffersonville, Indiana.

In November, 1958, a source advised that the NSRP is composed of past members of klan-type organizations and notorious anti-Semites.

Issue Number 19, dated June, 1960, "The Thunderbolt", announced the address of the headquarters of the NSRP had been changed from Jeffersonville, Indiana, to Post Office Box 783, Birmingham, Alabama.

On June 17, 1960, a source advised that EDWARD R. FIELDS, the Information Director of the NSRP, is the individual who "runs the NSRP".

"The Thunderbolt" continues to publish articles attacking Negroes and persons of the Jewish faith.

The Late Final Edition of THE BIRMINGHAM NEWS, a daily newspaper at Birmingham, Alabama, for September 8, 1963, on Page A-4, carried an article, "Two Arrests Made in School Disorders". The article stated that two Birmingham men had been arrested by Birmingham Police in connection with demonstrations on September 4, 1963 at two city schools where desegregation had been scheduled. The article identified one of the men as DAVID STANLEY, 18, of 1865 Bessemer Road. The article stated that STANLEY was charged with Assault With Intent to Murder for throwing rock at the Graymont Elementary School which rock struck an officer.

1531 D

On September 10, 1963, the Red Star Final Edition of THE BIRMINGHAM NEWS on Page 1, carried headline "Nine Adults Arrested at West End." This article stated that Birmingham Police on September 10, 1963 had arrested at least nine adults; two after a brief battle outside of West End High School. The article stated that about 1,000 students had refused to enter the high school building after the Negro girls had been enrolled. It was also stated that about 200 adults, some of them NSRP Members, reportedly passed out literature urging a white boycott of any racially mixed schools. The article stated that the Birmingham Police Department began making arrests when some of the above mentioned adults failed to move or after having been ordered to do so, and that STANLEY, age 18, was one of the two arrested.

On September 16, 1963, a Special Grand Jury Session was convened in Birmingham, Alabama for the U. S. District Court, Northern District of Alabama. The purpose of this Federal Grand Jury was to act as an investigative body and fully probe into any possible obstruction or interference by any individuals or organizations with the orders of the U. S. District Court, Northern District of Alabama, Birmingham, requiring desegregation of three Birmingham schools, which Court orders were then outstanding and in effect.

On September 23, 1963, the above mentioned Special Federal Grand Jury returned indictments against eight individuals in regard to the above mentioned matter. One of the persons indicted was DAVID STANLEY.

UNKNOWN SUBJECTS; Bombing of 16th Street Baptist Church, Birmingham, Alabama, September 15, 1963
BOMBING MATTERS
Bufile 157-1025
Birmingham file 157-352

At 10:19 AM, on September 15, 1963, there was an explosion, generally believed to have been caused by ten or more sticks of dynamite, at the 16th Street Baptist Church, Birmingham, Alabama (Negro), taking the lives of four children, who were among approximately 100 - 125 people in attendance at Sunday School. Twenty or more persons were injured. The church is located at the corner of 6th Avenue and 16th Street, North, near the downtown section of the city. The point of impact was outside the church, a brick building, on the 16th Street side under some concrete steps and against the wall. Damage to the church building was estimated to be \$30,000 - \$40,000 and undetermined amount of damage to surrounding buildings.

This church had been a meeting place in the past for racial demonstrators. This bombing, one of a series in the recent past in Birmingham, is possibly attributable to racial extremists.

The crime scene search has failed to develop evidence indicating that the explosion was detonated by any specific type of detonator. It is unknown at this point whether a fuse or a timing mechanism was used.

Birmingham newspapers on September 18, 1963, state that a fund for rewards in this case has reached \$76,000.

UNKNOWN SUBJECT; Explosion at 1601

Alabama, September 25, 1963,
BOMBING MATTERS
Birmingham file 157-407

About 1:30 AM, September 25, 1963, persons in the vicinity of 1601 Center Street, South, a well maintained Negro neighborhood of medium priced homes, reported an explosion to the Police Department. At 1:45 AM, a second explosion of greater intensity, possibly several sticks of dynamite

occurred at the corner adjacent to the captioned address. This second explosion shattered a telephone pole, blew a small crater in the curbing and showered the neighborhood with high oxidized nuts, bolts and other metal fragments, which caused extensive shrapnel damage to surrounding property but no injuries. Laboratory reports dynamite residues on fragments. First explosion believed to have occurred within ten feet of the second and was believed to be lure to cause neighbors and police to be injured by the second blast.

NATIONAL STATES RIGHTS PARTY
(NSRP)

On November 26, 1957, a source advised that the United White Party (UWP) was organized at a convention held in Knoxville, Tennessee, on November 10, 1957. An article in the November 26, 1957, issue of the "Greenville Piedmont", a newspaper of Greenville, South Carolina, reported "the recent formation of a new political party, to be known as the United White Party". According to the article, the party was formed at a recently held meeting in Knoxville, Tennessee, at which many klansmen were represented. The UWP was reported as being opposed to all "race mixing organizations and individuals".

The July, 1958, issue of "The Thunderbolt", self-described as the "official Racial Nationalist Organ of the National States Rights Party" (NSRP), reported that rank and file "States Righters" had merged with the UWP under "the banner of the National States Rights Party", with national offices at Post Office Box 261, Jeffersonville, Indiana.

In November, 1958, a source advised that the NSRP is composed of past members of klan-type organizations and notorious anti-Semites.

Issue Number 19, dated June, 1960, "The Thunderbolt", announced the address of the headquarters of the NSRP had been changed from Jeffersonville, Indiana, to Post Office Box 783, Birmingham, Alabama.

On June 17, 1960, a source advised that EDWARD R. FIELDS, the Information Director of the NSRP, is the individual who "runs the NSRP".

"The Thunderbolt" continues to publish articles attacking Negroes and persons of the Jewish faith.

Reference is made to your letter dated 9/26/63, and Laboratory report PC-77373, D-432066 dated 10/1/63, in your case captioned "UNSUBS; EXPLOSION AT 1601 CENTER STREET, SOUTH, BIRMINGHAM, ALABAMA, 9/25/63; EM" (Your file 157-407, Bufile 157-1042).

No wire fragments similar to the K22 wire found in Blanton's Ford were found in the debris submitted under cover of your letter of 9/26/63.

The K23 nails are new and on this basis, they are different from the rusty old assortment of used nails recovered in your case 157-407. The nails which were recovered at the scene of the explosion do not appear to have any value for comparative purposes with other specimens of old nails.

You will be advised later concerning the results of the toolmark comparisons. After the examinations have been completed, specimens K22 through K26 will be returned to you.

K24 Pair of pliers with insulated grips found in Blanton's Ford

K25 Pair of Barcalo slip-joint pliers found in Blanton's Ford

K26 Pipe nipple connected to street elbow found in Blanton's Ford

Results of examination:

The 34½" long piece of gray insulated stranded-copper wire, specimen K22, which was found in Blanton's automobile is an old wire made primarily for automotive wiring. It is an 18-gauge wire consisting of 16 copper strands. Wire, such as K22, is available at most automotive supply stores, garages and at many service stations. The manufacturer of the K22 wire could not be determined.

The K23 nails are new 10 d (10 penny) cement-coated box nails.

No. E9 1.4 volts Eveready mercury energized battery for transistor radio and electronic applications. The paper cover, as may be observed in above photo, is in condition. No evidence it has been subjected to an explosion.

Jack (in Electronics) tested battery and it tested as 1.3 volts and is in a serviceable condition now.

Initialed paper cover by arrow pointing to positive bottom.

No visible evidence that battery was used to trigger the explosion.

No battery components found in previously submitted Bezbomb evidence, Q1 through Q6.

Q28: See photo page 1.

Stiff nonmagnetic wire about $7\frac{3}{4}$ " long measured to extreme ends of terminals, $6\frac{3}{4}$ " of insulation between terminals. One is an aluminum-co male plug in terminal and the other is a crimped on brass terminal similar to those used to make contact in fuse holders of an automobile or to make the center contact of an automobile light bulb. \Rightarrow Black insulation on wire, O.D. = $3/32$ ". Wire in perfect physical condition no evidence it had been in an explosion. Solid black plastic insulation $1/64$ " thick.

Soft copper strands (not tinned) under insulation each strand 0.010" diameter, 16 individual strands. It is equivalent to a solid conductor #18 gauge wire. Wire is a type used extensively for automotive applications. Had to cut open part of the insulation to examine wire construction.

The only wires previously submitted in the BAPBOMB case are Q6 (piece of red plastic-insulated telephone "JKT" station wire, copper coated steel) and a piece, K1, of red plastic-insulated wire taken from a bell signal system used in the church.

 RE: BAPBOMB

The following article appeared in the editorial column of "The Birmingham News" on the evening of October 1, 1963:

"UNKIND CUT

" We do not understand motivation of an editorial in 'The Andalusia Star-News,' a splendid weekly in South Alabama usually with balanced, if often acid, comment.

" Last week the paper referred to Birmingham's difficulties, church bombing, and police and FBI work toward uncovering the criminals. Said the 'Star-News' '... it is certainly very apparent that the investigative arms of the peace officers, that are commanded by the Federal Bureau of Investigation, are accomplishing nothing.'

" More: 'Every day that goes by, without some arrests in Birmingham by the federal agents, casts a heavy shadow of doubt about the efficiency of the FBI ...

" These statements are patently false or misleading and they malign not only dedicated FBI agents but the community of Birmingham. No one has 'taken over' this city.

" We regret dissemination of such information about our city in any area of this state."

It is obvious that "The Birmingham News," in this instance, rallied to our defense and in language which is probably as strong as any newspaper normally sees fit to use for comment with respect to another newspaper, particularly in the same state. "The Birmingham News" endeavored to set the record straight.

Racial informants and potential racial informants of the Mobile Office were contacted on 9/15/63, but could furnish no information concerning instant bombing. They were alerted to immediately report any information they may obtain in the future pertinent to this matter.

Interviews conducted with the persons on the Mobile bombing suspect list and members of Klan and hate type organizations, including former Klansmen, have been conducted, but no information of value to this case was developed through these interviews. In accordance with the suggestions of the Birmingham Office, the original FD-302s for these interviews are being maintained in Mobile file with copies of FD-302s in the individual case files of the persons interviewed, where such files exist. As the interviews were negative in results, the FD-302s are not being included in report being submitted by Mobile.

Dear Sir:

This is to let you know that the bombing of the Negro church in Birmingham was planned and executed by the Negro and White Communists which killed the 4 girls. Murder to these people does not mean a thing.

I am a communist and was in on the plans this was done in order to gain the sympathy of the whole world and this country, and especially the religious organisations for they are the most gullable.

Please put your best men on this and uncover this ingenious plot, and expose this scheme to the public before it is too late. Some of the other bombings in Birmingham is also being done by the Negroes themselves. Do not try to trace me for I would be killed tomorrow if fellow members found out that I was an informant. I am also a member of CORE which is composed of mostly Communists.

Sincerely Yours

A Negro Communist

GENERAL INVESTIGATIVE DIVISION

[REDACTED]
[REDACTED] wants to confer with Birmingham FBI as he is concerned about lack of cooperation.

100
Recommend that if he wants to talk to FBI at Birmingham he can meet SACs Faisst and Roy Moore at Birmingham Office. No meeting outside of office is necessary on a clandestine basis. Moore and Faisst are ready to lay it on the line to [REDACTED] that State Police had Klan members riding in State Police cars, that they picked up various suspects and didn't tell FBI, Birmingham Police Department or Sheriff's office a thing about it, and when SAC Faisst tried to contact [REDACTED] he was unavailable; that no information given by him to FBI re arrest of Chambliss or Cagle; consequently, FBI has no other choice than to rely on [REDACTED] actions which speak louder than words.

If approved, SAC's Faisst and Moore will be instructed to meet with [REDACTED] in the event he wants to see them at our office at Birmingham.

Senior Resident Agent
CONTACTED SRA [REDACTED] AT MONTGOMERY, AND STATED HE
EXTREMELY CONCERNED ABOUT LACK OF COOPERATION BETWEEN FBI AND
HIS DEPT. IN BIRMINGHAM DURING CURRENT INVESTIGATIONS OF INSTANT
MATTER. STATED HE FELT FBI IN BIRMINGHAM WAS DESIROUS OF
OBTAINING ALL INFO OBTAINED BY STATE INVESTIGATORS BUT WAS
UNWILLING TO FURNISH ANY INFO THE FBI DEVELOPED TO STATE
INVESTIGATORS. BY WAY OF EXAMPLE, STATE THAT ON ONE OCCASION
HIS DEPT. HAD FURNISHED LEADS TO THE FBI AND THEN THE FBI
DECLINED TO ADVISE THE INVESTIGATORS RESULTS OF INVESTIGATION
OF THESE LEADS. HE DID NOT FURTHER IDENTIFY THE LEADS.

SRA [REDACTED] INFORMED [REDACTED] THAT HE UNDERSTOOD THE DEPT.
PUBLIC SAFETY WAS NOT FURNISHING IMPORTANT INFO OBTAINED BY

██████████ STATED WAS WILLING TO MEET WITH FBI REPRESENTATIVES IN BIRMINGHAM AND FURNISH TO THEM ALL INFO IN POSSESSION OF HIS DEPT. TO DATE IN CONNECTION WITH THE BOMBINGS IN BIRMINGHAM.

HE STATED HIS DEPT. HAS SOME EXCELLENT INFO. AND FEELS IF THE INVESTIGATION CAN BE CONDUCTED IN A COOPERATIVE MANNER ALL THE BOMBINGS IN BIRMINGHAM CAN BE COMPLETELY SOLVED. HE REPEATED HE DOES NOT FEEL THAT EXCHANGE OF INFO SHOULD BE ON A ONE WAY BASIS AND THAT A FREE EXCHANGE BETWEEN HIS DEPT. AND THE FBI SHOULD TAKE PLACE.

██████████ STATED THAT WHILE HE COMPLETELY DETESTS THE KLAN GROUP, HE DOES FEEL HE HAS THE CONFIDENCE OF NOT ONLY CERTAIN KLANSMEN WHO HAVE BEEN TAKEN INTO CUSTODY DURING THIS INVESTIGATION, BUT POSSIBLY OTHER KLANSMEN, AND FEELS HE WOULD BE ABLE TO GET FURTHER IN TALKING TO THEM THAN THE FBI SINCE THE KLAN GROUP IS SCARED OF THE FBI AND QUOTE DOES NOT TRUST

THE FBI, ~~UNQUOTE~~. [REDACTED] STATED ON ONE OCCASION ROBERT SHELTON CAME TO THE HIGHWAY PATROL STATION AT A TIME WHEN A LARGE NUMBER OF KLANSMEN WERE BEING INTERVIEWED AND STARTED TELLING THE KLANSMEN THEY SHOULD NOT TALK OR COOPERATE IN ANY WAY. [REDACTED] ADVISED HE PERSONALLY ORDERED SHELTON TO LEAVE THE PREMISES AND TO NOT FURTHER INTERFERE WITH THE STATE/S INVESTIGATION.

[REDACTED] ADVISED HE IS TO RETURN TO BIRMINGHAM TONIGHT, THAT HE WILL CONFER WITH HIS ATTORNEYS CONCERNING THE TRIAL OF SOME OF THE KLANSMEN WHICH IS TO TAKE PLACE TOMORROW AFTERNOON AND THEN WILL BE TIED UP DURING THE TRIAL WHICH BEGINS AT ONE THIRTY PM. [REDACTED] STATED AFTER THE TRIAL IS OVER HE WILL CALL SAC FAARIST AND ARRANGE, IF POSSIBLE, TO MEET WITH HIM OR OTHER FBI REPRESENTATIVES AT A MEETING PLACE TO BE SELECTED DURING THE CONVERSATION, AND IF THE FBI IS WILLING, HE WILL THEN MEET WITH THEM AND FURNISH ALL INFO IN HIS POSSESSION.

62c ██████████ ALSO STATED HE FELT PERSONAL JEALOUSIES AND ANIMOSITIES, AS WELL AS A CERTAIN AMOUNT OF POLITICAL OVERTONES, HAD CREATED THE RIFT BETWEEN THE FBI AND HIS DEPT. AND HE FEELS THAT THESE ~~QUOTE~~ "THORNS" ~~UNQUOTE~~ CAN BE REMOVED BY A MEETING BETWEEN HIMSELF AND FBI REPRESENTATIVE.

FROM : SAC, TAMPA (157-856) (P)

SUBJECT: BAPBOMB

ReButel 9/15/63 and Birmingham airtel to Atlanta, 9/28/63.

Klansmen and National States Rights Party members (and persons believed to be members), including racial informants and racial PCI's, also potential bombing suspects of Tampa Office, have been interviewed as per Bureau instructions in this matter. No pertinent information was developed as a result of the interviews.

It is to be noted that whereabouts of various individuals on 9/15/63, as indicated by them, was not verified through additional investigation. This would have been done in any instances where there was reason to question the klansman, hate group member or potential bombing suspect.

Informants and sources have been requested to remain alert for any information whatsoever which might be helpful to the BAPBOMB case and they have stated they will immediately furnish any such information to the Tampa Office.

Below are set forth the identities of persons interviewed relative to this BAPBOMB investigation:
