FEDERAL BUREAU OF INVESTIGATION

Date of transcription 01/12/2011

On January 12, 2011, at approximately 11:30 AM, Special Agents (SA) [redacted] and [redacted] with the Federal Bureau of Investigation (FBI), conducted an interview of [redacted] Date of Birth [redacted] social security account number [redacted] cellular telephone [redacted] at his residence [redacted] Arizona. A summary of the information that [redacted] provided is as follows: b6 b7C

[redacted] advised that on a Sunday morning, sometime after Christmas 2010, [redacted] traveled to the desert West on I-19, near Amado, Arizona. The purpose of [redacted] trip was to collect some sand in order to fill in an area of newly planted trees in his back yard. This area is owned by a mining company and is frequently used by people for target practice. As [redacted] drove into the area, he noticed what he thought was an SUV, [redacted] did not recall a description, color, make or model, but believed it to be an SUV because he recalled that the back of the SUV was open, and he could see inside and thought he saw boxes of ammunition. Standing next to the vehicle, [redacted] saw a young, "nice looking" unknown male (UM), who had short brown hair. b6 b7C

[redacted] pulled next to the UM, to let the UM know that [redacted] was continuing further down the road. [redacted] wanted to make sure the UM knew [redacted] was there, to make sure the UM didn't accidentally shoot any rounds in [redacted] direction. The UM told [redacted] that he was there target shooting, and that the UM was trying out a newly purchased 9 millimeter handgun. [redacted] did not see any magazines. [redacted] stated that later he heard rapid fire shooting and that it sounded like "a submachine gun," or fully automatic. b6 b7C

[redacted] advised that the UM was wearing casual clothing, and stuck out to [redacted], because he was younger than most people that use that area for practice shooting. [redacted] advised that the UM would tilt his head to the right, when talking to [redacted] did not observe any safety glasses on the UM, nor did [redacted] see any hearing protection. b6 b7C

[redacted] stated that he was positive that the UM was the guy he saw on television after the shooting. b6 b7C

was headed home and had been driving around. [redacted] asked Loughner if he was in a hurry and Loughner replied he was not.

At this point a newer model gray sports utility vehicle (Vehicle #2) pulled up behind [redacted] vehicle. Vehicle #2 was a mid-size vehicle possibly a Nissan or Toyota. [redacted] told Loughner that he would be back and [redacted] went to the passenger side of Vehicle #2. A white female, mid to late 30's, dark hair, slight build wearing glasses was driving Vehicle #2. The driver of Vehicle #2 told [redacted] she was headed to work and observed a German shepherd dog had been hit by a car. The driver of Vehicle #2 told [redacted] the dog was dead and wanted him to contact animal control. [redacted] told her there was nothing he could do and she drove off northbound on the I-10 Freeway. b6 b7C

[redacted] observed another AZ Game employee, [redacted] in a vehicle at the intersection of Cortaro and I-10 Freeway. [redacted] was headed southbound on the I-10 Freeway and honked her horn and made a hand motion at [redacted] inquiring if he was okay. [redacted] gave her a thumbs up sign and she departed south on the I-10 Freeway. [redacted] returned to his vehicle. At this point in the traffic stop, Loughner had not made any suspicious movements. [redacted] ran Loughner's drivers license through NCIC and it came back negative. [redacted] noticed a stolen identification flag on Loughner's license asking for the requestor to confirm the identification with the holder of the license. [redacted] re-approached the Subject Vehicle and Loughner still had his hands on the steering wheel. [redacted] observed Loughner wearing a black hooded sweatshirt and dark colored jeans possibly black. [redacted] asked Loughner if he had any issues with a stolen identification and Loughner said it was regarding a MySpace issue that happened a while ago but that it was taken care of. Loughner explained he was having trouble getting that flag removed from his drivers license. b6 b7C

[redacted] told Loughner he was not going to get a ticket and Loughner started to cry. [redacted] asked Loughner if he was okay and Loughner said he was happy he was not getting a ticket. Loughner wanted to thank [redacted] and shake his hand. [redacted] shook his hand and lectured Loughner about not running red lights. Loughner stopped crying and [redacted] again asked him if he was okay. Loughner composed himself and said he was headed to his home and that he did not live that far away. Loughner departed northbound on the I-10 frontage road. Loughner never exited his vehicle and [redacted] never searched Loughner's vehicle. b6 b7C

 b6 b7C

On 01/09/2011 at approximately 3:50 p.m. SA [redacted] re-contacted [redacted] who advised he did not see any boxes of ammunition in the passenger compartment of the Subject Vehicle.

On 01/10/2011, SA [redacted] re-contacted [redacted] who advised he did not recall seeing a black bag or a diaper bag on the seats of the Subject Vehicle. [redacted] could not say if any bag was on the floor of the Subject Vehicle. b6 b7C
