[redacted] CECE

was walking toward the plane and disconnected the phone once she got to the security gate. She re-connected while walking to the plane. CECE LYLES told [REDACTED] that she was going to have an easy day due to the flight load. She said that there was twenty-four passengers scheduled for coach class and eleven first class passengers. There were also five flight attendants aboard the flight. She was working in coach class that day. When she got to the gate to get onto the airplane, she told [REDACTED] she had to disconnect because a supervisor was at the gate. [REDACTED] commented that usually there is not a supervisor at the gate and she usually continues talking until she gets onto the airplane. [REDACTED] instructed her to call him when she got to San Francisco.

[REDACTED] advised that he went home and took his six year old son to school. After dropping his son off at school, he came home, watched ESPN Sports Center, ate breakfast and then went to sleep.

At 9:58 AM, [REDACTED] received a call at home from her cellular telephone. LYLES was in a deep sleep at the time and he awoke. [REDACTED] commented that CECE LYLES' telephone number [REDACTED] was the number on the caller ID. [REDACTED] subscribes to the SPRINT cellular telephone network.

The following was a discourse of the conversation:

LL:	Hey baby. How you doing?
CCL:	Babe, my plane is being hijacked, my plane is being hijacked.
CCL:	Babe, they are <b>forcing</b> their way into the cockpit.
CCL:	They <b>forced</b> their way into the cockpit.

[REDACTED] commented that she spoke in past tense, indicating that the hijackers had made their way into the cockpit. [REDACTED] recalled the following series of statements:

CCL:	Babe, I called to tell you I love you, tell the kids that I love them.
CCL:	Oh Lord, it feels like the plane is going down.

LISA JEFFERSON, GTE Airphone Customer Service Representative, 2809 Butterfield Road, Oak Brook, Illinois, work phone number [REDACTED] was interviewed telephonically [REDACTED]

[REDACTED] at her residence, [REDACTED], Illinois, 60429. After being advised of the agent's identity and the nature of the interview, JEFFERSON provided the following information:

JEFFERSON received a phone call at approximately 8:45 a.m. Central time, September 11, 2001 from an individual aboard a commercial airliner. The caller identified himself as TODD BEAMER of Cranberry, New Jersey, a passenger aboard United Airlines (UAL) Flight 93 to San Francisco, departing at 8:00 a.m. Eastern time and landing 11:14 a.m. Pacific time. BEAMER called to state that the airplane was about to be highjacked. He stated that three individuals, two wielding knives, the third with a bomb strapped to his waist with a red belt, were preparing to take control of the flight.

JEFFERSON estimated that she spoke to BEAMER for seven minutes before the two highjackers armed with knives entered the cockpit, securing the door behind them. The third highjacker with the bomb remained in the main cabin with the passengers after closing the privacy curtain between First Class and Economy Class. BEAMER stated that after a short period, the aircraft maneuvered erratically and continued to do so. He stated that the aircraft was turning around. JEFFERSON noted that the call had an unusually low amount of background noise.

JEFFERSON continued her conversation with BEAMER for another eight minutes. During this time she could hear screams, prayers, exclamations, and talk of subduing the highjackers. At no time did she hear any discernable language other than English. At approximately 9:00 a.m. Central time, BEAMER said that the passengers were about to attack the highjackers.

Her last exchange with BEAMER, in which he asked JEFFERSON to call his pregnant wife, Lisa, [REDACTED] to tell them that he loved them, occurred at 9:00 a.m. Central time. Next, JEFFERSON heard another passenger give the go-ahead to make their move. After that point, she heard nothing. She kept the connection open for another twenty minutes without hearing anything, at which time she disconnected the call. During the call, tracking equipment indicated that the call was being serviced by a Pittsburgh transceiver, indicating that the aircraft was in that service area.

Approximately five minutes later, JEFFERSON received a call from [REDACTED] of Verizon Quality Control for residential service. [REDACTED] indicated that a passenger, JEREMY LNU, aboard UAL 93 was currently phoning his in-laws via an airphone. The in-laws contacted Verizon while remaining in contact with JEREMY. For some reason, Verizon contacted GTE Airphone during this call with JEREMY's in-laws. JEFFERSON could not hear JEREMY via this chain of calls. JEFFERSON received information second hand about the conversation between JEREMY and his in-laws via the Verizon employee. JEFFERSON estimates that this call came at 9:30 a.m. Central time. Conversation with Verizon continued until approximately 9:43 a.m. at which time the connection with the airphone ended.

MICHAEL WOODWARD, [REDACTED]

[REDACTED] Manager of Flight Services, AMERICAN AIRLINES (AA),  
was advised of the identities of the interviewers and the purpose of  
the interview. WOODWARD furnished the following information:

WOODWARD arrived at work on September 11, 2001, at  
approximately 6:30 a.m., at the Flight Services office at Boston  
LOGAN AIRPORT. He attended a meeting at approximately 6:45 a.m., in  
his office with a flight attendant. The meeting lasted for 15  
minutes. WOODWARD prepared for the rest of his workday and at  
approximately 7:30 a.m., WOODWARD went to AA Flight 11 in order to  
check on the status of the flight and the flight attendants. b6  
WOODWARD spoke briefly with the flight attendants and looked on board b7C  
Flight 11. WOODWARD did not notice anything which he considered to  
be unusual on board Flight 11. When the flight attendants told him  
they were prepared for departure, WOODWARD exited Flight 11.

At some time between 8:15 a.m. and 8:45 a.m., WOODWARD was  
contacted and asked to go to one of the departure gates. WOODWARD  
had trouble recalling which gate he went to, but he believes he went  
to Gate 31 or 32. Shortly, thereafter, WOODWARD realized a flight  
attendant on board one of the flights had called the Flight Services  
office to report trouble on a flight. WOODWARD then proceeded to the  
Flight Services office, where he took a phone call from ANY SWEENEY  
(True Name: MADELINE SWEENEY), a Flight Attendant on AA Flight 11.  
The following information was relayed to WOODWARD by SWEENEY via  
telephone (WOODWARD was unsure whether SWEENEY was on the on-board  
phones or a cellular telephone):

"The flight has been hijacked. This flight is Flight 11  
from Boston to LA. The plane is a 767. I am in the back with BETTY  
ONG (AA Flight Attendant). A man in business class has had his  
throat slashed and is presumably dead. #1 flight attendant has been  
stabbed and #5 flight attendant has been stabbed. There is a bomb in  
the cockpit. I can't make contact with the cockpit, can you do it?

We have paged for a doctor or nurse for the flight attendants. The coach passengers don't know what's happening. BOBBI is not on oxygen and KAREN is. BOBBI is on the floor behind the cockpit. The hijackers are of Middle Eastern descent. One spoke good English and one didn't. It is a rapid descent. Something is wrong. I don't think the captain is in control. I see water. I see buildings. We're very, very low. Oh, my God."

b6

At this point in the conversation, WOODWARD stated the phone went "staticky" for a short time and then the phone line died. [REDACTED] then entered and told WOODWARD and others that a plane had just crashed into the WORLD TRADE CENTER (WTC). WOODWARD said that during the entire conversation he had with SWEENEY, her voice remained calm and even. WOODWARD also stated that due to the things she was saying, he assumed she was in the rear of the aircraft and that no hijackers were near her. WOODWARD did not hear any noise in the background during the conversation. WOODWARD also stated he took notes during this entire conversation. The notes have been previously received by the FEDERAL BUREAU OF INVESTIGATION (FBI).
