Theodore Olson, Solicitor General, United States of America, was interviewed at his residence, [redacted] Great Falls, Virginia. After being advised of the identity of the interviewing agents and the nature of the interview, Olson furnished the following information.

b6  
b7C

Barbara Olson, Theodore's wife, was a passenger on American Flight # 77, departing Dulles Airport at approximately 8:10am or 8:30am this morning, bound for LAX Airport in Los Angeles, California.

At approximately 9:00am this morning, he did not look at his watch, one of the women in his office advised him of the terrorist attack at the World Trade Center (WTC) in New York. He went to his back office and turned on the television. At that time they were rerunning film of the second plane hitting the WTC.

At this time one of the women in his office told him that Barbara was on the phone. [redacted] She did not relay the call from his wife. It was someone else in the office. At the time he was thanking God that her flight could not have had enough time to get to New York. He picked up the call from his wife and spoke for about one (1) minute. Barbara told him that her plane had been hijacked. She said they had knives and box cutters. He asked if they knew she was on the phone and she replied that they didn't. Barbara told him that they put the passengers in the back of the plane. She had been sitting in first class. Olson's call was then cut off.

b6  
b7C

After the first call, Olson used his direct line to the Attorney General, but was unable to reach him, so he called the DOJ Command Center and requested someone come to his office. He told them that his wife's plane had been hijacked and gave them the flight number. He wanted to pass this information to someone who could possibly do something.

Shortly after, the same person buzzed him again and said Barbara was on the phone again. Barbara was put through to him. Barbara said the pilot had announced that the plane had been hijacked. She asked Olson what she should tell the captain to do. Olson asked

her for her location. She said they were over homes and asked someone else in the plane who said they were traveling North East. Olsen told his wife that two planes had been hijacked and hit the WTC. Barbara did not seem panicked. This call was then cut off. She didn't manifest anything about a crash. Olson then went back to the television and learned of the crash at the Pentagon.

Barbara did not say anything to describe the hijackers, but did refer to them as "they". She told him "they" had knives and box cutters. She did not make any statements about the hijackers stabbing or slashing the passengers.

Barbara Olson's cell phone number is (202) 365-5889. Olson doesn't know if the calls were made from her cell phone or the telephone on the plane. She always has her cell phone with her.

After dropping classes at the language center he found residency through friends at the Mosque. He moved into an apartment at [REDACTED] San Diego, CA. He resided there for approximately eight months with other members of the Mosque, however, not the same time period as Nawaf or Khalid. He then moved into an apartment that was going to be vacated by Nawaf and Khalid. [REDACTED] entered into a verbal agreement with the two men to stay in the apartment which was located behind a Burger King restaurant off Balboa Avenue, San Diego, CA. On September 21, 2001, Special Agent (SA) [redacted] SA [redacted] and SA [redacted] were processing MOHDAR MOHAMED ABDULLAH at the San Diego FBI field office subsequent to his being detained as a material witness. During the processing ABDULLAH made several spontaneous statements to the agents. ABDULLAH stated that he had hatred in his heart for the U.S. government for the way the government was doing his people. He also stated that the U.S. brought "this" on themselves. ABDULLAH also asked agents how they felt about the President targeting all of his (ABDULLAH's) people.

ABDULLAH was subsequently transported to the Federal Bureau of Prisons and remanded into their custody.

(U) ~~(S)~~ Anwar Aulaqi was born on 04/21/71 in New Mexico while his father was in the United States on a diplomatic posting from Yemen. Aulaqi holds an engineering degree from Colorado State University and obtained religious training from a France based Islamic correspondence program on Sharia and FIQH. Aulaqi obtained a Master's degree in Education from San Diego State University. He currently attends George Washington University where he is pursuing a PhD in Human Resource Development. He is attending school through a scholarship provided by the Ministry of Education in Yemen.

~~(S)~~ Aulaqi spent nearly five years as the Imam of the Al-Ribat Mosque in San Diego, California, where he had a following of approximately 200-300 people. On 06/07/99 Aulaqi became the subject of an FBI/San Diego  predicated upon his

Mosque, at 3159 Row Street, Falls Church, Virginia. He resides at 3331 Kaywood Drive, Falls Church, Virginia.

(U) ~~(S)~~ After the September 11, 2001 terrorist attacks T-1 reported that Aulaqi was the spiritual leader of Nawaf M. Alhazmi and Khalid Almidhdir, two hijackers that were on American Airlines flight 77 that crashed into the Pentagon. The source reported that Aulaqi met consistently and privately with Alhazmi and Almidhdir for prayers and the Juma.

(U) ~~(S)~~ Between 09/15/01 and 09/19/01 Aulaqi submitted to four FBI interviews. In an interview on 09/17/01 Aulaqi was shown a picture of the flight 77 hijackers and thereupon stated that he knew Nawaf Alhazmi from the Al-Ribat mosque in San Diego. He did not recognize Khalid Almidhdir.

(U) ~~(S)~~ During the FBI interview, Aulaqi was familiar enough with Nawaf Alhazmi to describe some of Alhazmi's personality traits. Aulaqi considered Alhazmi to be a loner who did not have a large circle of friends. Alhazmi was slow to enter into personal relationships and was always very soft spoken, a very calm and extremely nice person. Aulaqi did not see Alhazmi as a very religious person, based on the fact that Alhazmi never wore a beard and neglected to attend all five daily prayer sessions. Aulaqi also was able to provide a physical description of Nawaf Alhazmi.

(U) ~~(S)~~ Intensive analysis of Aulaqi's activities and associates is ongoing at WFO and San Diego. This data suggests a more pervasive connection between Alhazmi and Aulaqi than what he admitted to during his interview with the FBI.
