Synopsis: Transmission and analysis of records obtained by Legat (G).

Enclosure(s): Copies of records received by writer from Legat (G)

Details: To cover lead (F) set in (F), (G) provided records from Saudi American Bank (SAMBA) to writer, for analysis and transmission to New York. Note that the records have been bated stamped and copied by (G), and the originals given to SA (S).

The records are summarized as follows:

1. The original responses to the Legat's request (in Arabic), along with translations, each of which summarize the relevant account information.

The summary dated 8/4/02 is in regard to Saudi American Bank (SAMBA) accounts (P-1) and (P-1). It indicates that account statements and account opening documents are provided.

According to the summary, (P-1) was opened on 11/13/99 with a transfer of 66,456.45 Saudi riyals (SR). No further information

To: New York From: Counterterrorism
Re: (F) 1/09/2003

is provided about the source of the funds or the conversion to U.S. dollars. It also indicates that credit card (P-1) is connected with this account. Further, there was at least one other transfer to the (P-1) account, leaving the account balance at 300,611.58 SR.

The summary indicates that (P-1) was opened on 5/28/00 with a cash deposit of \$53,273.67, that there were two credit transactions totaling \$54,281.69 and debits totaling \$40,563.07, with a remaining balance of \$13,718.62 on 9/18/01.

An additional summary, also dated 8/4/02, indicates that the last transaction on the (P-1) account was on 9/18/01.

The summary dated 12/5/01 is in regard to FAHED NAHI AL-HAZMY. There is no mention of AL-BAYOUMI in this summary, so it is not being reviewed herein.

The summary dated 9/21/02 refers to "money transfers that are going into" BAYOUMI's Bank of America account. The first two listed were from United Saudi Bank (USB), \$1,185.00 transferred (after fees) on 9/24/98 and \$9,995.00 on 9/20/99; the next one was from SAMBA in the amount of \$3,036.60 on 11/9/99; three transfers are listed from ABDUL-AZIZ AL-HABIB via Al-Rajhi Investment Company, one for \$5,000 on 2/8/00 from account (P-1) the others for \$13,000 on 4/8/01 and \$5,333 on 4/15/01 from account #88/2.

2. A review of the account statements provided revealed that account (P-1) was opened on 5/28/00 with \$53,273.67 in cash. The first transaction in the account was on 9/28/00, when BAYOUMI withdrew \$200 from his (P-1) account via an ATM at the San Diego Airport, followed by 3 more ATM withdrawals in the San Diego area totaling approximately \$2,600.00. Beginning on 10/14/00 there are ATM withdrawals at various locations in Great Britain (GB) which continue through the month of November. Beginning 12/5/00, the ATM withdrawals in the San Diego area resume and continue through January 14, 2001. On 1/18/01 ATM withdrawals begin again in GB and continue through 2/15/01, after which the account activity ceases temporarily, leaving the balance at \$27,410.57. On 5/10/01 ATM withdrawals begin again in GB and continue through 9/18/01, leaving a closing balance of \$13,718.62. Writer noted only one credit transaction beyond the initial account-opening deposit, which appeared to be an ATM refund on 1/15/01 for \$1,000.00. The rest of the transactions were ATM withdrawals. The account statements end after 05/02, reflecting no transactions, only the \$13,718.62 balance noted previously.

3. A money transfer application reflecting a \$3,036 transfer to BAYOUMI's BofA account (P-1) from ASIF JAVED via SAMBA indicates his (JAVED's) telephone number is (P-1) his identity card number

To: New York From: Counterterrorism
Re: (F) 1/09/2003

is (P-1), and that DALLAH AVCO was the "sponsor." It appears that JAVED used cash to fund this transfer, which was send on 11/9/99.

4. The Al Rajhi Banking records indicate that remitter AL HABIB's telephone number is (P-1) address (P-1) and that his \$5,000 wire transfer to BAYOUMI was debited from his account # (P-1)

5. The original account opening documents should be reviewed by an Arabic speaker, as should the additional Arabic documents enclosed (including what appears to be correspondence from AL-HABIB).

After they talked to him, they accused him of receiving a call from Al-Thumairy who told him that he's meeting with Omar Al-Bayoumi to inform the latter to meet with two individuals at an Arabic restaurant (holders of Saudi passports). It is believed that that they are of Yemeni descent and that they were among those who were involved in the hijacking of the plane in the event of September 11, 2001.

Also, any information that you may have available regarding the two individuals that he referred to as (P) [REDACTED] and Omar Al-Bayoumi; their biographical information; the truth behind their relationship with/ Fahad Al-Thumairy and his involvement in the event of September 11, 2001.
