On June, 28, 1964, Malcolm X Little, founder and leader of the Muslim Mosque, Inc. (MMI), publicly announced the formation of a new, all-Negro, militant civil rights action group to be known as the Organization of Afro-American Unity (OAAU), with himself as Chairman. This announcement was made at a public rally held by the MMI in the Audubon Ballroom, Broadway and 166th Streets, New York City.

A printed and published statement of basic OAAU aims read by Malcolm X at this meeting indicates that it shall include "all" people of African descent in the Western Hemisphere, as well as "our" brothers and sisters on the African continent. It is patterned after the "letter and spirit" of the Organization of African Unity established (by African heads of States) at Addis Ababa, Ethiopia, in May, 1963.

A recording of the remarks of Malcolm X at this meeting indicates that the aim of the OAAU is to eliminate differences between Negroes so they can work together for "Human Rights," while the initial objective is to "inter-nationalize" the American civil rights movement by taking it to the United Nations. Little condemned the nonviolent civil rights movement and claims that Negroes should be taught to protect themselves, when and if necessary. The OAAU will sponsor a program for Negroes in education, politics, culture, economics and social reform.

Malcolm X was assassinated on February 21, 1965, while addressing an OAAU rally at the Audubon Ballroom, New York City.

On April 13, 1965, a source advised that on March 26, 1965, the OAAU filed a Certificate of Incorporation with the Department of State, State of New York, Albany, New York, and henceforth the organization's true name would be Organization of Afro-American Unity, Incorporated.

On February 28, 1966, a second source advised that the president and head of the OAAU is Ella Collins, a half-sister of the late Malcolm X who resides in the Harlem Section of New York City.

On May 8, 1967, the first source advised that the headquarters of the OAAU is located at 224 West 139th Street, New York, New York, which is the residence of Ella Collins.

APPENDIX

BLACK PANTHER PARTY

According to its official newspaper, the Black Panther Party (BPP) was started during December, 1966, in Oakland, California, to organize black people so they can take control of the life, politics, and the destiny of the black community. It was organized by BOBBY GEORGE SEALE, BPP Chairman, and HUEY P. NEWTON, BPP Minister of Defense. NEWTON is presently serving a sentence of 2 to 15 years on a conviction of manslaughter in connection with the killing of an Oakland police officer.

The official newspaper, "The Black Panther," which further describes itself as the "Black Community News Service," states that the BPP advocates the use of guns and guerrilla tactics in its revolutionary program to end oppression of the black people. Residents of the black community are urged to arm themselves against the police who are consistently referred to in the publication as "pigs" who should be killed.

"The Black Panther" issue of September 7, 1968, contains an editorial by BPP Minister of Education, GEORGE MASON MURRAY, which ends with the following:

Included in the introduction to an article appearing in the October 5, 1968, edition of "The Black Panther" is the statement, "... we will not dissent from American Government. We will overthrow it."

Issues of "The Black Panther" regularly contain quotations from the writings of Chairman MAO Tse-tung of the People's Republic of China and feature MAO's statement that "political power grows out of the barrel of a gun."

The national headquarters of the BPP is located at 3106 Shattuck Avenue, Berkeley, California. Branches have been established at various locations throughout the United States.

About 11:00 P.M., NUNDING, Black Panther leader in Greensboro, came over and started speaking to the students on the main floor. BLACK PANTHER PARTY
RACIAL MATTERS

A meeting was held in Greensboro, North Carolina. This was a BPP meeting, and "NADINE" was telling the gathering about what the white man has done and is doing to the black man. Persons recognized as being present were...

NELSON JOHNSON made the statement that the Black Panthers had gotten organized in Dudley High School, A and T College, Page High School, and Smith High School, claiming the Panthers have two hundred sympathizers at Dudley High School who would be ready to move on signal from the Panther leaders. WALTER BRAY made the statement that he was a Panther and said, "After all his craft appeals are exhausted, he would tell the board simply that the Black Panther Constitution forbids him to fight any wars anywhere for anybody except which the Panthers sanction, goodnight."

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.
NELSON JOHNSON made the statement that he was watching anyone who happens to drop by because, if anyone comes to him and tries to get him involved in any kind of plot with dynamite before the Panther Headquarters say the time is right, that he will tell them it is their thing and they should go ahead and do it because it could be a police trap. (U)

reported that on another meeting of the BPP was held at Greensboro, North Carolina. NADINE or NUNNING was the principal speaker and gave a lecture which was a repetition of facts from Chairman MAO TSE-TUNG with about present. It appeared that at least five or six of those present were undoubtedly high school children. Also present were.

On advised that on February 18, 1969, a meeting sponsored by the BPP was held in Hudgin Hall on the A and T State University campus with about 35 or 40 Negro males and females in attendance. Those in attendance represented a number of schools and recognized were.

The discussion at this meeting concerned a memorial ceremony for MALCOLM X on February 22, 1969, where they wanted to remove the American flag at Windsor Community Center and replace it with a black flag with a red "X" on it.

On reported that on the afternoon of February 22, 1969, about 250 to 300 Negroes assembled at the Windsor Community Center where they held a memorial ceremony for MALCOLM X. WALTER BRAME introduced CECIL ROUSON, who gave a speech concerning MALCOLM X; and Panthers recognized at the ceremony were NELSON JOHNSON, WALTER BRAME, NUNNING, CECIL ROUSON, and ROBERT HEARNES. (U)
HEARNES made the statement that his drive-in restaurant on East Market Street was more or less Black Panther Party Headquarters and invited everyone to come and hang out there. NELSON JOHNSON was scared that he might do something that would get him kicked out of school, noting he attends A and T-State University, and prevailed upon the crowd present not to raise the black flag at the Windsor Community Center, which is Greensboro, North Carolina, city property. But instead the group walked to the Bennett College campus where they lowered the American flag and raised the black flag at the end of their MALCOLM X commemoration ceremony.

It was learned that another group of Black Panthers was also meeting at North Carolina, and that NUNNING has not returned from his trip to New York. Without the leadership of NUNNING, there does not seem to be much organization as far as the Black Panthers are concerned.

Advised that is a new Black Panther Party member at Greensboro, North Carolina, who is supposedly from South Carolina.

It was determined NUNNING has discussed the fact that, after he left Greensboro, North Carolina, on February 26, 1969, and went to New York, he had been in New York, University of Wisconsin, Madison, Wisconsin, and also claimed he had been in Oregon and Oakland, California, and back to Connecticut before coming back to Greensboro. NUNNING claims that he has been offered a teaching job in Connecticut but stated that he would be in Greensboro at least three or four months. NUNNING recently made the statement that North Carolina and the South particularly are

effective areas for the BPP to organize and said that the area around Greensboro is going to be a "power base" since the Negroes there are really treated much better than they are in New York and the northern part of the country. (1)

WALTER BRADE discussed a meeting to be held on March 25, 1969, at the Hayes-Taylor YWCA where members of the Greensboro Redevelopment Commission had been urged to be present. BRADE said that they were going to take up some of the housing problems of the poor Negroes in Greensboro and desired BPP members present. BRADE was somewhat suspicious of NUNING and claims he has found out that NUNING is not really a member of the BPP from New York as he has claimed in the past. (2)

reported that on March 25, 1969, a meeting was held at the Hayes-Taylor YWCA, East Market Street, Greensboro, North Carolina, attended by about 300 to 400 people which included at least 35 to 40 BPP members. Those in charge of the meeting were WALTER BRADE and NELSON JOHNSON, with only one member of the Greensboro Redevelopment Commission showing up. After the meeting was over, WALTER BRADE said that in a few more days there would be more Black Panther Party members coming to Greensboro. BRADE indicated that NUNING and ERIC BROWN are the ones who are pushing the administration at A and T State University to come out with a public statement condemning the police department for firing at students at A and T State University on March 14, 1969. (4)

reported that there is dissension between NUNING and WALTER BRADE. BRADE claims that he is the official leader of the BPP in Greensboro, although NUNING has claimed that he is the leader. Some
of the militants in Greensboro do not trust NUNDING since they believe that he is a phony. WALTER BRAIME has said that he had made some checks in New York and that neither NUNDING nor ERIC BROWN are as big members of the BPP in New York as they claim to be. (U)

On reported that WALTER BRAIME made a statement that he is glad that is in jail since was an informant for either the FBI or the local police. BRAIME indicated that he is making an effort to take over all of the BPP leadership from NUNDING, whose true name has been determined to be HAROLD AVENT. (U)

On reported that on a Black Panther political meeting was held in Greensboro, North Carolina. At the meeting BRAIME played some old recordings of speeches by MALCOLM X, and the group discussed them analyzing the political situation. It was determined that W. E. M. BRYANT, JR., has opened a Black-African store on the corner of Market and Denbow Road in Greensboro and calls his place the "House of Umusimoja." This is supposed to be an African term; and BRYANT has artifacts, publications, books, and African regalia for sale. (U)

On reported that it was determined that HAROLD AVENT, also known as NUNDING, had left Greensboro; and no one seems to think he will return. A group met to discuss the future direction of the BPP activity at Greensboro. (U)

On advised that WALTER BRAIME has made the statement that he has written a letter to Cincinnati, Ohio, where PAUL GEZON, former head of the Office of Economic Opportunity in Greensboro, is moving. He said that he was writing to tell the Black Panthers in Cincinnati not to deal with GEZON as the Panthers in Greensboro did not like GEZON or his work. (U)
RE: BLACK PANTHER PARTY

reported that on April 15, 1969, the Greensboro Redevelopment Commission was holding its meeting in the City Council Chamber in Greensboro. About 20 to 25 Panthers showed up at the meeting with WALTER BRAME ramrodding the group.
RE: BLACK PANTHER PARTY

According to [redacted], there was no indication that HOWARD LAMAR FULLER was a member of the BPP; however, he was sympathetic to the philosophy and comments of the BPP members who were present at the meeting.

According to [redacted], CHICO NIBLETT said that NUNNING claimed that he had joined the BPP; but actually the BPP had closed its membership prior to the time that NUNNING had said that he had become a member. CHICO stated that he had been hearing about NUNNING in the South, and several weeks ago NUNNING had [redacted] because he wanted to get this matter straight about his so-called membership in the BPP.

On [redacted], W. E. B. BRYANT indicated that he, a high-ranking person in the BPP organization, had been in Greensboro on [redacted] and [redacted] and [redacted] had cleared with [redacted] concerning Black Panthers from Greensboro going to Winston-Salem, North Carolina, on [redacted] to hold a rally.

There were 14 individuals who were introduced to the crowd as having come from Cornell University. This was determined to be a meeting of the "Student Organization for Black Unity (SODU)."

reported that W. E. M. BRYANT's book store is now the center for black militant activity in Greensboro, North Carolina. BRYANT sells mainly paperback books and hardback books about MALCOLM X, the Muslims, and so forth. The only BPP publication he sells is the Black Panther Newspaper.

reported that the situation at Dudley High School is tense and that people are upset in view of the talk spread by the black militants as if the police are trying to harass the sympathizers of CLAUDIA DARNES, a member of the BPP who was refused permission by school officials to run for a student body office.

On [redacted] reported that two A and T State University students were overheard talking at W. E. M. BRYANT's store; however, their identities were not known. They said that [redacted] was the man who directed the operation of the shooting at police on the night of May 22, 1969, at Scott Hall on A and T State University. These students claimed that [redacted] directed some of the students to sneak out onto the campus causing the police to be drawn down Luther Street to the dead end where the crossfire for the campus was directed against the police and they were injured. It is not known whether this is true but was the opinion expressed by these two students. It was also said that most of the guns were taken out of Scott Hall between 4:00 and 4:30 A. M. on May 23, 1969, prior to the time the National Guard swept the campus. (U)
RE: BLACK PANTHER PARTY

NUNDING insisted that NEWTON was unjustly shot and said that it was a typical example of the injustice that Negroes have to put up with when they are dealing with white cohorts. During the meeting, NUNDING listed the executives of the BPP as Minister of Defense HUEY P. NEWTON, Minister of Information ELDRIDGE CLEAVER, Prime Minister STOKELY CARMICHAEL, Chairman BOBBY SEAL. He gave main offices of the BPP as 4421 Grove Street, Oakland, California, with mailing address of Post Office Box 8641, Emeryville Branch, Oakland, California.

On advised that on February 21, 1969, memorial ceremonies for MALCOLM X were held at the Windsor Community Center, Greensboro, North Carolina. One of the speakers was CECIL ROUSON, a former bodyguard of MALCOLM X. HAROLD AVENT also spoke and said that police officers observing the ceremony were a bunch of pigs, urging all Negroes to get a "piece," meaning a gun, and use it when necessary.
RE: BLACK PANTHER PARTY

reported that HAROLD
AVENT had returned to New York and was to return to Greensboro, North Carolina, at a later date. According to AVENT did not return to Greensboro, 1969; and during this period, no actual meetings were held.

advised that a representative from Oakland, California, was in Greensboro, North Carolina, trying to get the BPP organized. stated that when they get the BPP together and not in various small groups as it is now, he was going to make Greensboro pay for what it did to him when he was arrested in connection with the robbery of Sid's Curb Market. admitted that he robbed the man and stated he was mad for having been put in jail under high bond.

On May 12, 1969, Main Street, Durham, North Carolina, advised a Special Agent of the FBI that HOWARD L. FRIDLER, who acts as director of training in community organization for the Foundation for Community Development, had made arrangements and brought CHICO NEBLETT to teach and speak for one day at the MALCOLM X Liberation University during April, 1968. However, he, did not hear NEBLETT speak. advised that he was not aware of the existence of any BPP in Durham, North Carolina; although, according to his information, CHICO NEBLETT is associated with the BPP.

CARVER GENE NEBLETT, also known as CHICO NEBLETT, has been publicly identified as the East Coast Field Marshal for the BPP.
RE: BLACK PANTHER PARTY

Attached as an appendix to this memorandum are characterizations of the Black Panther Party (BPP) and the Student Non-Violent Coordinating Committee (SNCC). Also attached is a characterization of the Organization of Afro-American Unity which contains background information regarding MALCOLM X LITTLE, also known as MALCOLM X. (U)
BLACK PANTHER PARTY

According to its official newspaper, the Black Panther Party (BPP) was started during December, 1966, in Oakland, California, to organize black people so they can take control of the life, politics, and the destiny of the black community. It was organized by BOBBY GEORGE SEALE, BPP Chairman, and HUEY P. NEWTON, BPP Minister of Defense. NEWTON is presently serving a sentence of 2 to 15 years on a conviction of manslaughter in connection with the killing of an Oakland police officer.

The official newspaper, "The Black Panther," which further describes itself as the "Black Community News Service," states that the BPP advocates the use of guns and guerrilla tactics in its revolutionary program to end oppression of the black people. Residents of the black community are urged to arm themselves against the police who are consistently referred to in the publication as "pigs" who should be killed.

"The Black Panther" issue of September 7, 1968, contains an editorial by BPP Minister of Education, GEORGE MASON MURRAY, which ends with the following:

Included in the introduction to an article appearing in the October 5, 1968, edition of "The Black Panther" is the statement, "...we will not dissent from American Government. We will overthrow it."

Issues of "The Black Panther" regularly contain quotations from the writings of Chairman MAO Tse-tung of the People's Republic of China and feature MAO's statement that "political power grows out of the barrel of a gun."

The national headquarters of the BPP is located at 3106 Shattuck Avenue, Berkeley, California. Branches have been established at various locations throughout the United States.
The Student Nonviolent Coordinating Committee (SNCC), headquartered at 360-362 Nelson Street, S.W., Atlanta, Georgia, is a nonmembership organization, which was born out of the sit-in movement that erupted across the South beginning in 1960.

Today SNCC identifies itself as an organization in the revolutionary vanguard. It advocates that to be successful it is necessary to develop a revolutionary ideology and revolutionary program.

According to SNCC, the year 1967 marked a historic milestone in the struggle for the liberation of black people in the United States and the year that revolutionaries throughout the world began to understand more fully the impact of the black movement. SNCC declared that "liberation will come only when there is final destruction of this mad octopus - the capitalistic system of the United States with all its life-sucking tentacles of exploitation and racism that choke the people of Africa, Asia, and Latin America. The realities of black life, together with the recognition instilled in SNCC workers forced its members to further popularize the legitimacy of self-defense and rebellions when oppression became too great."

From May, 1966, until May, 1967, Stokely Carmichael was National Chairman of SNCC. As of July, 1968, Carmichael resided in Washington, D.C., where he was affiliated with SNCC and active as temporary chairman of a black coalition group. In May, 1967, Carmichael was replaced by Hubert Geroid Brown, commonly known as H. Rap Brown, who served until June, 1968.

In June, 1968, at the Staff and Central Committee meeting of SNCC held in Atlanta, Georgia, it was decided to restructure the organization by equalization of responsibility by creating ten deputy or vice chairmanships. The primary purpose for this change is to take law enforcement pressure off any single individual.
ORGANIZATION OF AFRO-AMERICAN UNITY, INC. (OAAU)

On June 28, 1964, Malcolm X Little, founder and leader of the Muslim Mosque, Inc. (MMI), publicly announced the formation of a new, all-Negro, militant civil rights action group to be known as the Organization of Afro-American Unity (OAAU), with himself as Chairman. This announcement was made at a public rally held by the MMI in the Audubon Ballroom, Broadway and 166th Streets, New York City.

A printed and published statement of basic OAAU aims read by Malcolm X at this meeting indicates that it shall include "all" people of African descent in the Western Hemisphere, as well as "our" brothers and sisters on the African continent. It is patterned after the "letter and spirit" of the Organization of African Unity established (by African heads of States) at Addis Ababa, Ethiopia, in May, 1963.

A recording of the remarks of Malcolm X at this meeting indicates that the aim of the OAAU is to eliminate differences between Negroes so they can work together for "Human Rights," while the initial objective is to "inter-nationalize" the American civil rights movement by taking it to the United Nations. Little condemned the nonviolent civil rights movement and claims that Negroes should be taught to protect themselves, when and if necessary. The OAAU will sponsor a program for Negroes in education, politics, culture, economics and social reform.

Malcolm X was assassinated on February 21, 1965, while addressing an OAAU rally at the Audubon Ballroom, New York City.

On April 13, 1965, a source advised that on March 26, 1965, the OAAU filed a Certificate of Incorporation with the Department of State, State of New York, Albany, New York, and henceforth the organization's true name would be Organization of Afro-American Unity, Incorporated.

On February 28, 1966, a second source advised that the president and head of the OAAU is Ella Collins, a half-sister of the late Malcolm X who resides in the Harlem Section of New York City.

On May 8, 1967, the first source advised that the headquarters of the OAAU is located at 224 West 139th Street, New York, New York, which is the residence of Ella Collins.

On advised that a BPP sponsored party had recently been held at the Negro American Legion Post in Winston-Salem. THURMOND DUBOISE and HARRY TYSON gave the party and sold mixed drinks specifically to assist in raising the $300 for the charter from California.

On reported there had been a meeting the previous evening at 7:30 p.m., at Winston-Salem, however, Black Panther members were involved.

On reported that on , ERIC BROWN had indicated that three or four members of the BPP at Greensboro were going to Winston-Salem that date to hold a rally. Information was later received from that ERIC BROWN and three others did go to Winston-Salem, where a rally was held by the BPP. W. E. M. BRYANT, JR., stated that CHICO NEBLETT, the BPP leader for the East Coast, had been in Greensboro on Tuesday, April 22, 1969, and had given ERIC BROWN permission to have the rally at Winston-Salem.

On June 2, 1969, advised that on Thursday, Friday, and Saturday of the last several weeks, two out-of-town Black Panthers known only as KENYATA (phonetic) and MATISE (phonetic) were in Winston-Salem selling the Black Panther newspaper.
RE: BLACK PANTHER PARTY, WINSTON-SALEM, NORTH CAROLINA

On [redacted] reported that ROBERT GREER was apparently the head of the Black Panther group in Winston-Salem, North Carolina, and WILLIAM RICE and JULIUS CORNELL are also members. It advised that THURMOND DUBOISE was at the first organization of the BPP held at the House of Commons, however, has had no contact with DUBOISE in view of the fact that GREER thinks the House of Commons is bugged and he and several others have been meeting at GREER's residence. It advised approximately 15 individuals who appear to be members of the BPP. It advised one of these individuals was known as NATE.

On June 16, 1969, [redacted] reported that NATHANIEL SHELF, also known as NATE had been observed selling the BPP newspaper in Winston-Salem, North Carolina. It determined from SHELF that the papers were obtained at the "Cultural Exchange" on Northwest Boulevard, Winston-Salem, North Carolina, and that when SHELF was through selling newspapers, he was to return the money to the man who ran the Cultural Exchange. It also reported that while at the Cultural Exchange, the person identified as CLARENCE WALKER was observed wearing a Black Panther type shirt and claimed to be a Black Panther.

It advised that on the Saturday before the Black Panther unit in Winston-Salem had had physical training at Paisley High School and the Wednesday before that at Kennedy Junior High School. It stated there were approximately 20 members present, one of whom was identified as JESSIE STITT. It said that the Secretary-Treasurer of the Winston-Salem group was NELSON MALLOY. (N, C)
RE: BLACK PANTHER PARTY, WINSTON-SALEM, NORTH CAROLINA

On [redacted], it was reported that there are approximately 20 members of the Black Panther group in Winston-Salem, North Carolina, which group is not chartered or recognized by the National BPP organization.

The individuals previously mentioned in this memorandum are the known membership at Winston-Salem, North Carolina. [c]

According to its official newspaper, the Black Panther Party (BPP) was started during December, 1966, in Oakland, California, to organize black people so they can take control of the life, politics, and the destiny of the black community. It was organized by BOBBY GEORGE SEALE, BPP Chairman, and HUEY P. NEWTON, BPP Minister of Defense. NEWTON is presently serving a sentence of 2 to 15 years on a conviction of manslaughter in connection with the killing of an Oakland police officer.

The official newspaper, "The Black Panther," which further describes itself as the "Black Community News Service," states that the BPP advocates the use of guns and guerrilla tactics in its revolutionary program to end oppression of the black people. BLACK PANTHER PARTY
RACIAL MATTERS

On [redacted] reported that the Afro-American Student Organization at Fayetteville State College, Fayetteville, North Carolina, was sponsoring a "Black Political Education Program" during the week of April 21-25, 1969. Listed as speakers for the program are CHICO NEBBLETT, East Coast Field Marshal of the Black Panther Party (BPP), and KOKO HUGHES, Central Coordinator of the Black Panther Party. [redacted] advised other scheduled speakers during the week would be Q. T. JACKSON, Vice President of the Student Government of Howard University, Washington, District of Columbia, and J. T. MC QUEEN, President of the Black Student Union, George Washington University, Washington, District of Columbia.

[redacted] advised that JAMES GARRETT, Head of the Black Studies Department, Federal City College, Washington, District of Columbia, and PAUL MONROE, Acting Chairman of the Black Student Union Alliance, Washington, District of Columbia, DON L. LEE, Cornell University, and CLEVELAND SELLERS, Instructor in Black Ideology at Cornell University, are scheduled to appear as speakers during the program and workshops.

[redacted] advised the purpose of the program is to emphasize the need for political education in the black community and the implementation of "total liberation of the black people."

On [redacted] advised the Black Political Education Program opened at 6:30 P.M. on April 21, 1969, with a

meeting in the quadrangle of the dining hall on campus. The first speaker was CHICO NEBLETT who outlined the policies of the Black Panther Party and made the following quotes:

"We Black Panthers do not advocate war, we don't talk of hating honkies but of an undying love for ourselves and our people."

"We black have been robbed by the white of our money, housing, food, culture and identity. We have been raped and robbed of our humanity so systematically that we don't even realize it."

Advised after the opening speech by NEBLETT before approximately three hundred people, that a workshop was held, attended by about ninety persons, in which NEBLETT talked about the "white man has robbed the Indians, Negroes, Africans, and have created germicide, but yet the white call us blacks violent." NEBLETT again stated the Black Panthers do not advocate violence or war, and the only reason for carrying guns was to protect themselves from the impulsive "white fool." NEBLETT explained the Black Panther Party Ten Point Plan and said the greatest of the points was to "free all black prisoners," and for "black men to be exempt from the military service." Stated in essence NEBLETT was saying that the only way to deal with the white man was through violence because that is the only thing the white man understands.

Stated NEBLETT was not too overly impressive in his talks but did speak with a very militant tone and stressed militancy throughout his talks. The students did not appear too interested in the Black Panther Party, and no application or inference was made for the students to join the party. During the workshop, stated the students continuously inquired of NEBLETT the reason for the Black Panther Party, their aims, purposes, and just how students would be helpful to the party. The Black Panther Party talks by NEBLETT did not appear to influence the students and there was very little support or encouragement for the party at the workshop. It was apparent that CHICO was not too enthused with the reception of the students.
stated KOKO HUGHES talked a very short time with the women, stressing the importance of the black woman in the black community and in society today. She told the women that they should improve their image, change their hair style to Afro, wear the right type of clothing and to become African and believe in the Black awareness.

advised that KOKO HUGHES reportedly was leaving Fayetteville either the evening of April 21, 1969, or April 22, 1969. observed CHICO driving a 1967-69 Corvete Stingray, dark beige in color, bearing New York license, number unknown. did not know how long CHICO would remain on campus.

On advised that the scheduled speakers, Q. T. JACKSON and J. T. MC QUEEN, both failed to appear at the college and did not speak, therefore, the programs for April 22, 1969, and April 23, 1969, were not conducted. stated a play, "Halleluiah, Baby," was being presented on campus on Thursday and Friday, April 24 and 25, 1969, as part of the program.

On advised no other workshops in connection with the Black Political Education Program were held inasmuch as the scheduled speakers failed to appear for the program. stated the play will be held on April 25, 1969, which will close the program. stated the program was very loosely organized and was considered a failure as none of the scheduled speakers, except CHICO and KOKO appeared. stated that the talks by the Black Panthers did not appear to be overly impressive to the students and through inquiry he was unable to obtain any information that the Black Panther Party has any support on the campus.

On CARVER GENE NEBLETT, also known as CHICO, and DOROTHY JEAN MC QUEEN HUGHES, also known as KOKO, as being identical to the two speakers on April 21, 1969.

Characterization of the Black Panther Party is attached as an appendix to this memorandum.

William D. Ruckelshaus
Assistant Attorney General, Civil Division
By: Harland F. Leathers, Chief
   General Litigation Section
Civil Action No. 2490 (U.S.D.C. W.D. N.C.)

Your letter to the Criminal Division of this Department of June 9, 1969 has been referred to this office for reply.

Plaintiffs in the captioned action are numerous Negro sympathizers with the Black Panther movement in Charlotte, North Carolina. The defendants are local and State police and other employees and Federal employees. The specifically named Federal employees are Stanley Noel, Special Agent (or Investigator) of the Alcohol, Tobacco and Firearms Division of the Treasury Department, and Dean Parmann, Special Agent of the FBI. However, in addition to those specifically named Federal employees, the complaint included as defendants, under a "John Kilroy" alias, other Federal employees whose names are unknown to plaintiffs and who allegedly participated in the acts charged in the complaint.

The complaint is grounded on defendants' alleged invasion of plaintiffs' civil rights in connection with arrests, searches of premises and seizure of various articles of property. The principal relief sought from the defendants is money damage. However, the complaint also prays for an injunction against further harassment or intimidation of plaintiffs or from defendants' obtaining arrest or search warrants or executing the same except according to proper legal procedures.

You are authorized to represent the Treasury Department employees and the FBI employees, both those who are specifically named in the complaint and those who may be encompassed within the "John Kilroy" alias.

You should move to dismiss the complaint or for summary judgment as indicated below. However, since some time will doubtless be required in connection with obtaining the necessary information and preparing the motion papers, with supporting affidavits and memorandum of law, you should move for a suitable extension of time.
Claim for Damages

The motion to dismiss or for summary judgment should be grounded on the doctrine of official immunity, viz., that the acts of the Federal defendants were performed in the exercise of their official duties or within the outer perimeter of those duties. *Barr v. Matteo*, 360 U.S. 564, 569, *et seq.* (1959); *Holmes v. Eddy*, 341 F.2d 477, 479-480 (4th Cir. 1965), cert. den., 382 U.S. 892; *Norton v. McShane*, 332 F.2d 855 (5th Cir. 1964), cert. den., 330 U.S. 981; *West v. Garrett*, 332 F.2d 543 (5th Cir. 1963). The motion should be supported by affidavits by each of the Federal defendants and by a higher level superior.

With respect to the Treasury Department defendants, we enclose herewith copies of signed statements by the specifically named defendant Stanley Noel as well as by John E. Wurtels, Owen D. Bean and Earl W. Blake. These statements reflect that all their acts were performed properly and legally and in the course of their official duties. You should utilize these statements as the framework for the affidavits to be executed and filed in support of the motion for summary judgment on behalf of the Treasury Department employees. However the affidavits by those Treasury Department defendants should expressly recite, by way of conclusion, that all their acts were performed in the exercise of their official duties or within the outer perimeter of those duties. The supporting affidavit by the higher level Treasury Department official should recite that he has read the affidavits of the Treasury defendants and that he concurs in their conclusion that all their acts were performed in the exercise of their official duties or within the outer perimeter of such duties.

Your memorandum of law in support of the motion to dismiss or for summary judgment should emphasize that the doctrine of official immunity has as its rationale not only the exoneration of Government officials and employees from a civil judgment for tort liability but also for relieving them of the burden and expense of going to trial in defense of acts performed in the exercise of their official duties or within the outer perimeter of such duties. See *Barr v. Matteo*, 360 U.S. 564, 571 (1959); *Tenney v. Brandhove*, 341 U.S. 347, 377 (1951).

We have requested a report from the Director of the FBI with respect to the acts by the specifically named defendant, FBI Agent Dean Parmann, as well as his associates who may be encompassed within the "John Kilroy" alias in the complaint. Upon our receipt of such report we will forward the same to you in order that you may prepare the necessary affidavits by the FBI defendants and their superior along the lines indicated above for the affidavits by the Treasury Department defendants and their superior.
Claim for injunctive relief

With respect to the demand in the complaint for injunctive relief, you should move to dismiss on behalf of the Federal defendants on the ground that the action is in reality a suit against the United States to which it has not consented and of which the Court lacks jurisdiction. Land v. Dollar, 330 U.S. 731, 738 (1947); Larson v. Domestic & Foreign Corp., 337 U.S. 682, 704 (1949); Degan v. Bank, 372 U.S. 609, 620 (1963); Havold v. Gordon, 373 U.S. 57, 58 (1963). The Supreme Court held in those cases that, notwithstanding that the nominal defendants are agencies or officials of the Government, the action is in reality against the United States if the judgment will interfere with the public administration or if the effect of the judgment would be to restrain the Government from acting or to compel it to act.

Please forward to us copies of the papers filed herein and continue to keep us informed of developments.

Civil Action No. 2490 (U.S.D.C. W.D. N.C.)

I forward herewith a copy of a civil complaint in the captioned action in which one of the named defendants is Special Agent Dean Parmann of the FBI, presumably stationed in or about Charlotte, North Carolina. The complaint charges Parmann, together with other named defendants, with violating plaintiffs' civil rights in connection with certain arrests, searches of premises and seizure of various articles of property. Under a "John Kilroy" alias, the complaint also includes as defendants other Federal enforcement agents or officials whose names are unknown to plaintiffs but who allegedly participated in the acts charged in the complaint.

I shall appreciate your furnishing me with a report of the acts by Special Agent Parmann and his other associates in the Bureau, if any, with respect to the matters charged in the complaint. Please also advise me whether you and such individuals desire that they be represented by the United States Attorney in Charlotte, North Carolina, in the defense of the action.

Director, FBI (105-105706)
On May 28, 1969, Attorney at Law George S. Daly telephonically contacted the Charlotte, North Carolina, Division of this Bureau. Mr. Daly stated that he represents Michael Grant Laney and James Covington, who were recently arrested in a raid at their residence, 316 South Turner Street, Charlotte, North Carolina, by the Charlotte Police Department. He related that after interviewing his clients and other witnesses he desired to lodge a complaint about the illegal search of the residence at 316 South Turner Street by the FBI and because this residence had been under constant surveillance.

Mr. Daly was informed that the arrests of his clients were not made by Special Agents of this Bureau and that public source information available indicated that the arrests were made by the Charlotte, North Carolina, Police Department and Special Agents of the Alcohol, Tobacco and Firearms Division. He was also informed that Special Agents of this Bureau did not participate in any manner in the search of the residence at 316 South Turner Street and that the search of the residence was actually conducted, according to newspaper accounts, by the Charlotte Police Department and Alcohol, Tobacco and Firearms Division Agents in connection with the arrests which were made.

Mr. Daly did not acknowledge the explanation furnished concerning the fact that the FBI was not involved in this matter and instead said that he had been told by his clients that FBI Agent L. Dean Paarmann had been a member of the raiding party.

on the residence along with 40 other law enforcement officers. Mr. Daly added that within the next four to five days it is his intention to go into the U. S. District Court at Charlotte and obtain a temporary restraining order prohibiting law enforcement officers from harassing his clients.

Special Agent L. Dean Paarmann of this Bureau advised that he had not been a member of any raiding party at 316 South Turner Street, Charlotte, North Carolina, on May 27, 1969, on which date Michael Grant Laney and James Covington were arrested by the Charlotte Police Department and Alcohol, Tobacco and Firearms Agents. Special Agent Paarmann also denied ever having entered this residence. Special Agent Paarmann also advised that he had not participated in a constant surveillance of this residence and had no knowledge that this residence was, in fact, under any constant surveillance. Special Agent Paarmann stated he had no knowledge that this residence was illegally searched at the time of the aforementioned raid.

Special Agent Paarmann advised that at approximately 11 AM on May 28, 1969, he talked with Michael Laney and James Covington at the Mecklenburg County Jail after they had been arrested and incarcerated. The reason for interviewing these individuals was to obtain information concerning a possible violation of the Antiriot Laws in an official investigation.

In this regard it is noted that [redacted] is wanted by the local police at Charlotte, North Carolina, for an attempted armed robbery of a local cab driver which took place approximately one week earlier. This Bureau's interest in [redacted] in connection with a possible Antitrust Laws violation is not related to the armed robbery charge for which he is currently being sought by the Charlotte Police Department.

The information set forth above has been furnished to the United States Attorney, Charlotte, North Carolina.

On 7/1/69, advised his company was previously contacted by BOB LEWIS, who described himself as a vice president of Carrolene Company, 2611 Gordon Road, Northwest Atlanta, Georgia. After initial contact, an order was received from this company on 5/12/69 for 1,440 boys T-shirts and 6,000 men's T-shirts, color black. It was requested on this black T-shirt that be written in white letters "I'm black and I'm proud." Below that in brown and white is a likeness of JAMES BROWN and below that in brown letters the name JAMES BROWN. He advised there had been some difficulty filling this order, as this company did not have a credit rating. He stated he preferred not to have the lettering done in his shop and planned to send these T-shirts to Southern Creators, 424 West Third Street, Charlotte, N. C., for the screen printing. He said he had been in telephonic conversation with R. O. CANNON, who was the president of Carrolene Company, who indicated this would be only a preliminary order and that they planned a high volume of sales of this T-shirt in various chain stores.

said he may discontinue working with this company due to their lack of a credit rating and the fact they seemed to have difficulty "getting together."

Re Charlotte airtel to the Bureau dated 5/29/69.

Enclosed for the Bureau are two copies each of a complaint and summons issued 6/6/69 in USDC, WDNC.

On 6/9/69, SA L. DEAN PAARMANN of the Charlotte Office of the FBI was served with a summons by a Deputy United States Marshal indicating that he had been named as one of the defendants in a civil action filed on 6/6/69 with the Clerk of USDC, WDNC.

This complaint and motion for temporary restitution order and a motion of preliminary injunction alleged that SA PAARMANN participated in a raid along with 40 other law enforcement officers at a residence in Charlotte, N. C., on 5/27/69.

The Bureau was afforded affidavit executed by SA PAARMANN on 5/29/69 categorically denying any such participation.

It should be noted that the plaintiff in this matter specifically named representatives of the FBI; Alcohol, Tobacco and Firearms Division of the U. S. Treasury Department; a Special Agent of the N. C. State Bureau of Investigation; the chief and members of the Mecklenburg Co., N. C., PD; and the chief and certain members of the Charlotte, N. C., PD.

As a result of this action, a meeting was held on the afternoon of 6/9/69 with USA JAMES O. ISRAEL, JR., WDNC, Asheville, N. C., and representatives of the defendants in this matter.
Mr. ISRAEL advised that he intended to telephonically contact the U.S. Department of Justice in Washington for any assistance they could offer and also to personally contact the legal counsel for the IRS in Atlanta, Ga.; the AG for the State of North Carolina; and the Mecklenburg County and Charlotte City attorneys.

Mr. ISRAEL indicated some concern regarding this complaint because of the possibility that U.S. District Court Judge JAMES P. MC MILLAN appears to have been in contact with the plaintiffs' attorney several times within the past week.

The plaintiffs' attorney, Mr. GEORGE S. DALY, local ACLU lawyer, is well known in the Charlotte area for his representation of a group of hippie-type individuals who have been involved in certain local violations and who were successful in obtaining a restraining order against so-called police harassment.

5. We want education for our people that exposes the true nature of this decent American society. We want education that teaches us our true history and our role in the present-day society.

We believe in an educational system that will give to our people a knowledge of self. If a man does not have knowledge of himself and his position in society and the world, then he has little, if any, chance to contribute anything.

6. We want all black men to be exempt from military service.

We believe that Black people should not be forced to fight in the military service to defend a racist government that does not protect us. We will not fight and kill other people of color in the world who, like Black people, are being victimized by the white racist government of America. We will protect ourselves from the fear and existence of the racist police and the racist military, by whatever means necessary.

7. We want an immediate end to POLICE BRUTALITY and MURDER of black people.

We believe we can end police brutality in our black community by organizing black self-defense groups that are dedicated to defending our black community from racist police oppression and brutality. The Second Amendment to the Constitution of the United States gives a right to bear arms. We therefore believe that all black people should arm themselves for self-defense.

8. We want freedom for all black men held in federal, state, city, prison and jails.

We believe that all black people should be released from the many jails and prisons because they have not received a fair and impartial trial.

9. We want all black people when brought to trial to be tried in court by a jury of their peer group or people from their own communities, as defined by the Constitution of the United States.

We believe that the courts should follow the United States Constitution so that black people will receive fair trials. The 14th Amendment of the U.S. Constitution gives a man a right to be tried by his own people. A peer is a person from a similar economic, racial, religious, geographical, environmental, historical and national background. To do this the court will be forced to select a jury from the black community from which the black defendant came. We have been, and are being tried by all-white juries that have no understanding of the "average reasoning man" of the black community.

10. We want land, bread, housing, education, clothing, justice and peace.

And as our major political objective, a United Nations-supervised plebiscite to be held throughout the black colony in which only black colonial subjects will be allowed to participate, for the purpose of determining the will of black people as to their national destiny.

When, in the course of human events, it becomes necessary for one people to dissolve the political bands which have connected them with others, and to assume, among the powers of the earth, the separate and equal station to which the laws of nature and of nature's God entitle them, a decent respect to the opinions of mankind requires that they should declare the causes which impel them to the separation.

We hold these truths to be self-evident, that all men are created equal; that they are endowed by their Creator with certain inalienable rights; that among these are life, liberty, and the pursuit of happiness. That, to secure these rights, governments are instituted among men, deriving their just powers from the consent of the governed; that, whenever any form of government becomes destructive of these ends, it is the right of the people to alter or to abolish it, and to institute a new government, laying its foundation on such principles, and organizing its powers in such form, as to them shall seem most likely to effect their safety and happiness. Prudence, indeed, will dictate that governments long established should not be changed for light and transient causes; and accordingly, all experience hath shown, that mankind are more disposed to suffer, while evils are sufferable, than to right themselves; by abolishing the forms to which they are accustomed. But, when a long train of abuses and usurpations, pursuing invariably the same object, evinces a design to reduce them under absolute despotism, it is their right, it is their duty, to throw off such government, and to provide new guards for their future security.

1. We want freedom. We want power to determine the destiny of our Black Community.

We believe that black people will not be free until we are able to determine our destiny.

FREE HUEY
Minister of Defense, Black Panther Party

2. We want full employment for our people.

We believe that the federal government is responsible and obligated to give every man employment or a guaranteed income. We believe that if the white American businessmen will not give full employment, then the means of production should be taken from the businessmen and placed in the community so that the people of the community can organize and employ all of the people and give a high standard of living.

3. We want an end to the robbery by the white man of our Black Community.

We believe that this racist government has robbed us and now we are demanding the overdue debt of forty acres and two mules. Forty acres and two mules was promised 100 years ago as restitution for slave labor and mass murder of black people. We will accept the payment in currency which will be distributed to our many communities. The Germans are now aiding the Jews in Israel for the genocide of the Jewish people. The Germans murdered six million Jews. The American racist has taken part in the slaughter of over fifty million black people; therefore, we feel that this is a modest demand that we make.

4. We want decent housing, fit for shelter of human beings.

We believe that if the white landlords will not give decent housing to our black community, then the housing and the land should be made into cooperatives so that our communities, with government aid, can build and make decent housing for its people.

Reference is made to our letter dated June 4, 1969, in which it was set forth that Special Agent L. Dean Paarmann of the Charlotte, North Carolina, Division of this Bureau denied that he had in any way participated in the arrests of the clients represented by Attorney George S. Daly. The other allegations made by Attorney Daly against Special Agent Paarmann were also denied.

Enclosed herewith for your information is one copy each of a complaint and summons issued on June 6, 1969, in the United States District Court, Western District of North Carolina.
