This morning Edgar Ford of the Administrative Division of the Department called to advise that Andretta had told him to contact the Captain of the Guard in the Building to arrange for additional guards for Monday, April 4, in view of a delegation coming to visit the Attorney General or Assistant Attorney General Tompkins. Ford asked if I had any information on this.

I told Mr. Ford that by memorandum dated March 23, 1955, to Assistant Attorney General Tompkins we advised that the Daily Worker published an article on March 18, to the effect that two Negro women publishers were attempting to work up a delegation to come to Washington to see the Attorney General to protest the imprisonment and "Jim Crow" prison conditions re Claudia Jones, convicted under the Smith Act. I told Mr. Ford that the question of additional guards was, of course, a matter for the Department to decide.

I talked to Attorney Kevin Maroney of the Department as Ford said he had further information. Maroney said that about ten days ago Halois M. Robinson, Secretary of the National Committee to Defend Negro Leadership, had written to the Department asking for an appointment with the Attorney General or Tompkins. The Department replied on March 29, that the Claudia Jones matter was pending in court and it would be inappropriate to discuss it. This morning the Department received a telegram expressing indignation at the Department's reply and stating that the delegation was coming anyway.

ACTION:

This is for your information. A copy is directed to Mr. Nichols so that this situation can be considered relative to tours on Monday, April 4.

On March 23, we alerted the New York Office to the proposed delegation to the Attorney General and instructed that

"My dear daughter

"Claudia, I have received your letter dated March 19th but mailed March 23rd for Alderson. However I daresay letters must be read and determined as to whether they should be mailed etc which accounts for their delay in reaching the person to whom they are sent, of course, your communication was in part some of the information you had already given me on my visit to you. It was however a very interesting letter, which some of your friends asked to see. Since my return from my visit I delayed a prompt reply awaiting information concerning your case, and other news that would interest you. Well on Friday night March 25th I attended a familiar committee meeting in which Attorney Sachet was invited to tell the families what was going on in Court - re the Claudia Jones & Mendel motions, and other happenings such as a new trial for the 13 which is now pending court decision re the falsifying of Matusow. The first thing that was demanded by the chairman of this meeting, was to have me tell to the families, how you were getting on, your health did you get your 'Salt Free Diet'. Did you get your Birthday cards. Flowers and other tokens of Good will etc.. I told them how I found you, and you were now getting the 'salt Free Diet' but you were still complaining of occasional heart pains and headaches. Of course they were all elated that you are none the worse for your 8 hours daily task, and now living in your own cottage. In reference to birthday cards I have seen Leona, Martha and others who said they had received returned cards etc from Alderson, so you see they did not reach you. Attorney Sachet spoke at length concerning the motion for new trial for the 13 and thinks there is a possible chance Judge Dimock allowing it. In the matter of yourself & Mendel he said that the court had denied it at this juncture. I arose in the meeting and questioned whether all the medical reports to his knowledge were submitted. He

Parole Comm.

said yes, and that a court physician was appointed to examine them. Sachet was again questioned by some of the family group as to his authenticity of the knowledge of all the medical reports as ordered by the court for examination by the appointed doctor. He again replied that the last one he saw was Dr. Elster's. Of course I was not quite satisfied with his report of your case nor was any - one of the Families Committee. First the the denial was not given in open court, he said he heard it from some attorney in the 'inner chamber. Secondly he was asked what can be done now. He said he didn't think the judge would change his mind. Be of good cheer & courage. Love from all.

"My dear daughter

"Claudia, continuing with Sachet's explanation he further thinks the judge is ok and would give the least doubt where involved to the prisoner. And furthermore he declares we must remember he was criticized two or three times in these cases by the Press for his leniency, and that did not make any difference with his manner of decisions. He further said that his only hope in the trial re- (retrial) of the 13 was a passage in Law which the judge himself quoted that gives him that hope. However the committee does not stop there. A delegation is being formed to ask your release. This delegation goes to Washington to the Parole Board. Of course the Negro delegation goes on April 4th to Washington in their pleas before attorney general Brownell.

Parole Comm

Many affairs are being given for your release etc. Mary Kaufman is still away in Denver on some case there. If she were here I think perhaps I would have had a more fully explained account of the case. However I know you are not over suprised of such a decision. I gave your best regard to your many friends, who are almost confident that we all will see you before the actual date of your release. As to your request of my asking Ena to make out your Income Tax return, I was informed by Mary, Ena is away out of the city, and will not be returning before Ben is released. Mary says she will get some one to make it out. I also told her of your request re the extra allowance that was arranged before you left New York, she is looking after it. Fine enclosed check for twenty-four dollars (\$24.00) for commissary needs for April & May. I attended an affair last night (Sat. 26th) given by the Negro delegation committee in your behalf. Views from all over the world were read concerning your leadership etc. It was a grand affair. Now take care of yourself, hoping to have more assuring news when I next write to you. Family & friends send their love & best wishes to you.

"Yours truly

The train leaves for Washington at 12:25 a.m., May 10, 1955. CLAUDIA JONES' PAROLE

If Claudia Jones were not a courageous Negro woman and a Communist leader, and if her crime were something other than thinking, she would almost automatically be released when she becomes eligible next Wednesday for parole.

It is a shocking state of affairs not only that Claudia Jones is behind bars but that her friends and well-wishers find it necessary to campaign for her release.

In the case of Claudia Jones, who is loved and admired by so many thousands, her release is not only a matter of simple justice, but of life itself. The condition of her health is exceedingly grave—a condition further aggravated by discriminatory restrictions during visits by her family at the penitentiary, and by the fact that she is not allowed to correspond with personal life-long friends.

The committee for the National Committee to Defend Negro Leadership has been given an appointment for next Tuesday with the parole board, to argue for parole. The delegation which the committee is planning for that date should get the widest support.

Above all, we urge a big and immediate response to the committee's appeal for letters urging parole to the Federal Parole Board, 101 Indiana Ave., Washington, D. C.

[redacted] that by letter dated 4/26/55 JAMES W. FORD, Secretary of captioned organization, requested appointment with Mr. THOMAS D. GROVER, Federal Parole Board, for himself and Miss JEAN TAYLOR, identified as representing Women's Group with which subject organization has been cooperating; request for appointment in connection with application for parole by CLAUDIA JONES.

Mr. RICHARDSON stated FORD was given an appointment for 10:00 a.m. today but, by letter dated 4/28/55, FORD attempted to change appointment to 2:00 p.m. on the same date, explaining the travel connections would make it difficult to fulfill earlier appointment; request for change in appointment not allowed.

RICHARDSON stated he had believed that this appointment was to consist of interview by FORD and JEAN TAYLOR, and that only after WFO had advised his Department on 5/6/55 did he realize that this appointment was for a delegation from captioned organization. He explained he would not and did not undertake to make an appointment for the membership of subject organization to appear before the U.S. Board of Parole.

RICHARDSON stated that the following individuals appeared at his office at 10:00 a.m. this date at which time all except JAMES W. FORD and Miss BEATRICE GOODLOW were required to register with Dr. T. C. ESSELSTYN, Staff Director, Bureau of Prisons. Dr. ESSELSTYN stated that FORD identified all members of group as being either members of subject organization or friends of CLAUDIA JONES. Dr. ESSELSTYN stated he began preparing list of names of members of delegation, and after having written the first two names decided he would have the remainder of the group register in their own handwriting.

RICHARDSON stated that JAMES FORD was the spokesman for the group and introduced each member of the delegation by name. Members of the group and comments made by each individual follow, according to the information supplied by Mr. RICHARDSON:

Page Four

10. CHARLES CUMBERBATCH, Negro; described himself as the father of CLAUDIA JONES; stated he had seen his daughter on two occasions; that she still suffers from cardiac condition and urged her parole.

11. Mrs. SARY BROWN, apparently white, swarthy; stated she did not know CLAUDIA JONES personally, but wanted to protest an injustice, and "Jim Crow" in prisons.

12. Mrs. L. JOHNSON, Negro, neighbor of CLAUDIA JONES who first met JONES about five years ago; urged parole be granted JONES.

13. Miss MARTHA JOHNSON, light-complected Negro; stated she had known CLAUDIA JONES for 21 years; stated that CLAUDIA JONES was inspiration for many women because of articles JONES wrote on bad conditions in public schools - overcrowding, insufficient teaching, and segregation.

14. PAUL ROBESON, Negro; stated he had known CLAUDIA JONES for a number of years; described JONES as a fighter for human dignity and the rights of individuals; spoke in vague generalities and mentioned nothing further specific regarding CLAUDIA JONES.

15. Mrs. V. MULBERRY, white, made no comments during interview but took notes of proceedings.

RICHARDSON stated that the theme of discussion by group appeared to be that neighbors, friends, and relatives of CLAUDIA JONES desire that her parole be granted and that JONES, being a champion in the fight for nondiscrimination and the preservation of dignity of the individual, suffers more than the average person by her incarceration; moreover, her present poor health should be another factor why she should be paroled. RICHARDSON stated that FORD made available a 48-page booklet titled "Ben Davis - Fighter for Freedom" by CLAUDIA JONES, which FORD requested be made part of JONES' file.

Page Five
Parole

RICHARDSON stated that the only comment he made to the group was that he, too, was against segregation in U. S. prisons but that the Board of Parole was not the proper place to discuss this matter. RICHARDSON stated the interview terminated at 10:55 a.m. He stated that Miss JEAN TAYLOR, originally scheduled for an appointment, was not a member of the delegation.

RICHARDSON advised that a parole hearing regarding CLAUDIA JONES was held last week (exact date unknown) at Alderson Women's Prison, West Virginia, and that the results of the hearing are not yet known.

RICHARDSON stated interview with delegation of above-captioned organization this date will have no bearing on CLAUDIA JONES' application by this Board. List of signatures of members of delegation made available by RICHARDSON being retained WFO. EUC.

Mr. [REDACTED] Domestic Intelligence Division, called and advised that the Washington Field Office ascertained through Mr. Schovel Richardson, Chairman of the Board of Parole, the identities of the 15 individuals who appeared at the Board of Parole at 10:00 A. M. this morning on behalf of Claudia Jones, convicted Smith Act subject presently confined in prison at Alderson, West Virginia. The spokesman for the group was James W. Ford, Secretary of the National Committee to Defend Negro Leadership. They appealed for her parole because of the condition of her health; she was wanted back in her neighborhood by her friends and her father had a home for her. Mr. Richardson advised that this appearance of the delegation would have no effect on the parole hearing which was held last week in Alderson, West Virginia, the outcome of which is not known to Mr. Richardson.

There were no incidents in connection with the delegation and at least nine of them have proceeded to Union Station, presumable for return to New York City.

CULTURAL UNION FOR THE DEMOCRATIC REVIVAL OF GERMANY

District Treptow

Puschkinallee 9 a
Berlin
March 24, 1955

Mr. Herbert Brownell,
U.S. Attorney-General,
Washington.

The District Administration of the Cultural Union (District Treptow) of the German Democratic Republic is deeply affected by the cry for help coming from the hell of Alderson.

Such a courageous patriot and unbending fighter as Claudia Jones languishes in jail, a very ill woman. What every man is entitled to - a doctor's care and the compliance with his orders - is denied to her. Is this the American "freedom", which does not even allow to give medical help to a sick person, or to follow the doctor's advice?

Why do people act in this manner against this American Negro? She is only a "Negro", only a "woman"!

Are the American nation and the American Government so weak that they are afraid of a woman? Is this woman so strong that she makes nation and government tremble with fear? If, through this fear and dread, her death is brought about too soon, then the American Government rightfully should be afraid because Claudia Jones' death will open the eyes not only of the citizens of the United States of America but also of the citizens of the whole world, and it will force them to ponder and act.

We German members of the Cultural Union call to all members of the cultural organizations of the U.S.A. to do everything in order to bring about a change in the treatment of Claudia Jones immediately. The cultural world of the 20th century must not tolerate such a cultural shame, and must not look on without acting.

For the Members of the Cultural Union

signed Erica Taut

Berlin, March 23, 1955.

Dear Mr. Lombard,

We members of the Song and Dance Ensemble, "Ernst Hermann Meyer", of the Humboldt University in Berlin, express the sharpest protest against the imprisonment of the American peace-fighter, Claudia Jones.

As a result of her fight against despotism and injustice, she became a victim of the Smith Act. Although she has fallen dangerously ill, she continues to be held imprisoned in the women's jail in Alderson, Virginia. With the death of Claudia Jones, American justice would become guilty of a crime against humanity.

In order to save the life of Claudia Jones, we demand the annulment of the sentence and her immediate return into her homeland, the British West Indies.

To
Mr. Edward Lumbard,
United States Attorney,
Foley Square,
New York.

With great indignation, we have heard of a new crime of the American justice. Claudia Jones has been imprisoned, according to the notorious Smith Act, because of her consistent fight for citizens' rights of the colored and white populations. This fact alone, which mocks every democracy, fills us with disgust.

To this is added the fact that Claudia Jones finds herself in a situation which endangers her life. This was attested by her physician and confirmed after an examination in a New York hospital.

We protest energetically against this violation of the most elementary human rights, and we demand of you the immediate annulment of the sentence of terror against the Communist and Negro woman, Claudia Jones, and the issuance of a permission to emigrate to her homeland, the British West Indies.

Leipzig, March 25, 1955.

To
U.S. Attorney-General
Herbert Brownell,

Washington, U.S.A.

We, the wives and mothers of the Democratic Women's Union of Germany, District Board of the City of Leipzig, who have convened for a Functionary Conference, are indignant and most deeply shaken by the cruel treatment of the illegally jailed patriot, Claudia Jones. We protest most sharply against this treatment, which mocks humanity, and we demand the repeal of the sentence as well as the immediate release of the defenseless, seriously ill prisoner. We assure you that we shall not rest until Claudia Jones has regained her freedom and may depart to her homeland, the British West Indies.

Dear Mr. Herbert Brownell,

The United States of America is always praised as the land of humanitarianism, freedom, and democracy. The fact that the defenseless patriot, Claudia Jones, in spite of serious illness, remains in prison, makes one miss any humanity.

We are deeply shocked by this inhuman behaviour of the U.S. institutions of justice.

We protest most decidedly against the imprisonment of Claudia Jones, and we demand that you order the immediate release of the American patriot, Claudia Jones.

To
US District Attorney Edward Lambard
Foley Square
New York

Eisenach, March 23, 1955.

Dear Mr. Lambard,

We have heard that the patriot, Claudia Jones, imprisoned for political reasons in the Federal Women's Jail in Alderson, has become seriously ill.

How can American justice simply look on when a woman who has done everything in the interests of the American people, who fights openly against racial discrimination and against Fascism in the U.S.A., is dying? It contradicts every sense of humaneness if the U.S. District of the U.S.A. permits that Claudia Jones, who is suffering from serious physical infirmities, is allowed to be kept in prison. Could this possibly be the expression of your much-praised democracy?

Claudia Jones must not remain imprisoned any longer.

Release Claudia Jones.

Should she die in jail, it would be a crime of American justice against the American people. All peace-loving people in the world remember very well the judicial murder of Ethel and Julius Rosenberg. You, Mr. District Attorney, must not count on the forgetfulness of peace-loving people. Such a crime we do not forget.

In case the Supreme Court of the U.S.A. should not grant our request and demand, it would perpetrate a new revolting crime.

Then we should ask you: are you afraid of this courageous woman? But if you are afraid of this one patriot, how much more afraid should you be of the exactly 1 billion warriors for peace, who all stand behind

To
Mr. Edward Lumbard,
U.S. District Attorney,

New York.

Remark: The original of this letter was sent by us to Mr. Herbert Brownell, Attorney-General of the U.S.A. in Washington.

With great indignation we take into cognizance the disgusting methods with which U.S.A. justice is striving to do away with all upright people who stand in the way of the war goals of the American imperialists.

After Ethel and Julius Rosenberg, though innocent, were put to death two years ago, patriot Claudia Jones, dangerously ill, is languishing now behind prison walls.

American justice is attempting in vain to intimidate the American people with such a terrorism against patriotic men and women and to divert them from the fight for peace and against American Fascism. In answer to this, peace-loving people in all parts of the world only intensify their struggle for peace and against this "culture". They will never forget the guilty ones who are responsible for these crimes.

We shall not permit that the courageous American patriot, Claudia Jones, unprotected, die in prison, and we demand the immediate annulment of the terror-sentence against her as well as her urgent release from prison.

If you, Mr. Attorney-General, permit this monstrous crime you also will be made responsible for this.

On 5/13/55, Dr. T. C. ESSELSTYN, Staff Director, Board of Parole, Bureau of Prisons, HOLC Building, First and D Streets, N. W., Washington, D. C., made available to SAs [REDACTED] the file on subject maintained at that office. Dr. ESSELSTYN stated he did not desire his identity be protected.

Subject's file reveals that she was tried and convicted by the Southern District of New York of conspiracy to teach and advocate the overthrow of the U. S. Government and on 2/3/53, she was sentenced to serve one year and one day. The file reflects that subject is serving this time at the Women's Federal Prison located at Alderson, West Virginia, and that on 5/3/55, subject became eligible for parole. It is noted that reairtel reported that at a parole board hearing held at Alderson, West Virginia, on 5/4/55, the parole was denied subject by reason of "gravity of offense, lightness of sentence and pending detainer for deportation."

In this connection, subject's file contains numerous communications directed to either the Attorney General of the U. S. or the U. S. Board of Parole, urging the parole of subject.

The contents of these communications are being set out below for the information of appropriate field offices.

For the information of the Bureau, subject's file contains communications emanating from Australia, Canada and Germany. The text of these communications is being set out at the end of instant letter in the event the Bureau desires dissemination.

Her health is said to be poor, as it was before her imprisonment, and it is believed that further imprisonment may seriously affect her chances of recovery. Since Miss JONES is eligible for parole, I urge that for humanitarian reasons her application for parole be granted at this time. Her health makes continued prison experience a threat to life.

"Miss CLAUDIA JONES was convicted on the testimony of paid informer, one of whom has now recanted his testimony. On 8/30/55 [redacted] Federal Reformatory for Women, Alderson, West Virginia, was advised by SA [redacted] that it would no longer be necessary to obtain copies of correspondence to the subject. As set out in my let to New York, 8/25/55, a review of the records of the Federal Reformatory for Women, Alderson, W. JUDICIAL ACTION

Assistant United States Attorney GEORGE BAILEY advised on January 27, 1955, that a motion filed this date for the reduction or suspension of sentence imposed on the subject seeks additional relief in that subject, because of outstanding order of deportation, is willing, should court grant motion on condition she depart from the United States, to take all steps necessary to facilitate her departure.

On January 31, 1955, a motion to reduce or suspend sentence of subject was heard before United States District Judge EDWARD DIMOCK, Southern District of New York. A decision was reserved at this time pending receipt of medical reports prepared by United States Public Health Service at Alderson, West Virginia. Attorney MARY KAUFMAN, representing subject, argued for reduction or suspension of subject's sentence on the basis that her physical condition indicated "her days are numbered," and incarceration would be in effect, "her death sentence."

Also on January 31, 1955, AUSA BAILEY advised an order to show cause why a new trial should not be granted in the case of "UNITED STATES vs. E. G. FLYNN ET AL" (subject a defendant in this case) was filed in the United States District Court, Southern District of New York. An order to show cause was returnable in the United States District Court, Southern District of New York, on February 2, 1955, and was based on affidavits of defendants' Attorney MARY KAUFMAN and former government witness HARVEY MATUSOW, who alleged that certain matters to which he testified were either false or not entirely true.

On February 2, 1955, Judge DIMOCK set hearing on motion for new trial for March 10, 1955; on February 8, 1955, Judge DIMOCK reset the hearing for February 10, 1955. The hearing commenced on February 10, 1955, with defendants represented by Attorneys HARRY SACHS and MARY KAUFMAN. m4

On April 22, 1955, AUSA BAILEY advised Judge DIMOCK had filed an opinion denying the motion for a new trial as to all defendants with the exception of GEORGE BLAKE CHARNEY and ALEXANDER TRACHTENBERG. m4

The United States Supreme Court Clerk's records reflect that the defendants - appellants in the "UNITED STATES vs. E. G. FLYNN, ET AL," including the subject, filed a petition for rehearing in the United States Supreme Court on February 4, 1955.

AUSA BAILEY advised on April 1, 1955, that United States District Judge DIMOCK filed a short memorandum opinion that day, denying motion to reduce or suspend sentence of subject; DIMOCK conditioned denial of subject's motion on previous statement to Bureau of Prisons that it would provide salt-free diet for subject.

AUSA BAILEY advised on May 6, 1955, that defendants' attorney had filed a motion for reargument on the motion for a new trial in the UNITED STATES vs. FLYNN case. This notice was returnable on May 16, 1955, at which time there

AUSA LEON SILVERMAN applied on May 16, 1955, for adjournment of date for government filing answering papers to motion of the eleven incarcerated defendants for reargument of their motion for a new trial. Judge DIMOCK granted government's delay on reargument until May 19, 1955.

On May 13, 1955, Dr. T. C. ESSELSTYN, Staff Director, Board of Parole, Bureau of Prisons, Washington, D.C., advised SAS [REDACTED] and [REDACTED] that b7C (FBI) parole had been denied subject at parole board hearing held at Alderson, West Virginia, on May 4, 1955, by reason of "Gravity of offense, lightness of sentence and pending detainer for deportation."

AUSA SILVERMAN, Southern District of New York, advised on May 26, 1955, that United States District Judge DIMOCK filed an opinion this date denying motion for reargument of defendants' motion for a new trial in the case entitled "UNITED STATES vs. E. G. FLYNN." The subject is one of the defendants in the above case.

AUSA BAILEY advised on June 6, 1955, that Attorney MARY KAUFMAN filed an appeal by subject, CLAUDIA JONES, and others in the UNITED STATES vs. FLYNN case from the order of April 22, 1955, denying their motion for a new trial, and from Judge DIMOCK's order of May 26, 1955, denying their motion for reargument on motion for a new trial.

AUSA BAILEY on July 5, 1955, advised that the appeal of the UNITED STATES vs. FLYNN defendants' from denial of motions for reargument of their motions for a new trial remains pending. He further advised he expects defendants' attorney to file written brief on this matter during August, 1955, with possible argument in the Fall of 1955.

The CRC has been designated by the Attorney General of the United States pursuant to Executive Order 10450.

The "Daily Worker" of April 6, 1955, page 3, column 3, in an article entitled, "17 in Visit Ask Justice Dept. Free Claudia Jones to Save Life" advises that a delegation of 17 sponsored by the NCDNL, vigorously demanded that the Department of Justice on April 4, 1955, that CLAUDIA JONES' prison sentence now being served in West Virginia, be suspended on the ground that her life was at stake. Also in this article, the subject's father, CHARLES COMBERBATCH, told of the visit and talk with his daughter, and described, with emotion, his deep concern over her health. He stated that his daughter, out of concern for him, tried to conceal her real condition. "But I can tell she was suffering," he said.

AUSA GEORGE BAILEY, during the Spring of 1955, furnished SA [REDACTED] with seven petitions which urged the United States Attorney J. EDWARD LUMBARD to agree to suspend sentence for CLAUDIA JONES. These petitions based their appeals on the premise that the subject suffers from a severe heart condition.

AUSA BAILEY furnished SA [REDACTED], during the months of March, April and May, 1955, 13 letters protesting the jailing of the subject, CLAUDIA JONES. "It is the opinion of the medical staff here that incarceration in this institution for a period of one year and one day will in no way endanger the health of this individual."

On February 17, 1955, AUSTIN BAILEY made available a Photostat of another letter from KATHERINE HERROLD, Senior Surgeon, United States Public Health Service, dated February 15, 1955, wherein she sets out the results of the completed medical report on subject. The following are the remarks of KATHERINE HERROLD in regard to the subject's condition:

"The patient's blood pressure has been stabilized on anti-hypertensive medication and ranges from 180/120 to 180/110. After ~~some~~ evaluation, we did not feel that it was indicated that she be maintained on digitalis. However, the patient has been maintained on this medication since 1953 and because of her subjective reactions, including marked anxiety and over magnification of all her symptoms, without objective findings, she was digitalized.

"The patient has been discharged from the hospital and it has been recommended that she be given a light duty assignment. There is no indication that incarceration will in any way be detrimental to the health of this individual."

The "Daily Worker" of March 7, 1955, page 6, column 2, contained an article entitled "CLAUDIA JONES Denied Diet Prescribed for Her Illness." This article reflects in part as follows:

"Claudia Jones has written her father from the Women's Prison at Alderson, West Virginia, that she is unable to obtain the salt-free diet prescribed for her by her New York physician, it was learned yesterday. ORDER TO SHOW
CAUSE

C. 136-7

-X

Upon the annexed affidavit of George Blake Charnay and upon all of the proceedings heretofore had herein, let the United States Attorney for the Southern District of New York, and Edward J. Shaughnessy, District Director of the Third District of Immigration and Naturalization Service at New York show cause before me or one of the Justices of this Court, sitting at a term thereof, to be held at the United States Court-house, Foley Square, in the Borough of Manhattan, City and State of New York, in Room 318 thereof, on the 2nd day of November, 1935, at 10:30 o'clock in the forenoon of that day or as soon thereafter as counsel can be heard, why an order should not be granted restraining and enjoining Edward J. Shaughnessy from deporting or otherwise executing any warrant of deportation against Claudia ^{Jones} For such reasonable period of time as would make it possible for the above named defendants to consult with said Claudia Jones in connection with such defendants' preparation for the trial of the above entitled cause, and if necessary, to be a witness for said defendants in said trial, on the ground that such consultation and availability as a witness are essential

-2-

to their proper and adequate defense, and for such action, further and different relief as to the Court may deem just and proper.

Sufficient reason appearing therefor, upon the hearing and determination of the within order to show cause, it is hereby ordered that Edward J. Shaughnessy, District Director of the Third District of Immigration and Naturalization Service at New York, and all persons acting under him to and thereby are restrained and enjoined from deporting said Gladia Jones; and further

Sufficient reason appearing therefor, the service of a copy of this order to show cause and the annexed affidavit, upon the United States Attorney for the Southern District of New York and Edward J. Shaughnessy, on the 31st day of October, 1955, be deemed good and sufficient service.

STATE OF NEW YORK)
) SS:
COUNTY OF NEW YORK)

GEORGE BLAKE CHARNEY, being duly sworn, deposes and says:

I am a defendant in the above entitled cause. I make this affidavit in support of an order to show cause why an order should not be granted restraining and enjoining Edward J. Shaughnessey, District Director of the Third District of Immigration and Naturalization Service at New York, from deporting or otherwise executing any warrant of deportation against Claudia Jones, for such reasonable period of time as would make it possible for me and my co-defendant, Alexander Trachtenberg, to consult with Claudia Jones in connection with our preparation for the trial of the above entitled cause, and if necessary to be a witness in our behalf.

Upon information and belief a final administrative order of deportation was made and entered against Claudia Jones on October 27, 1952 ordering her deportation. Upon information and belief a warrant of deportation upon said order was issued and unless stayed or other contingencies and eventualities occur, the warrant for deportation will be executed and said

Claudia Jones will be a competent witness.

Upon information and belief, on October 20, 1955, a temporary stay of execution of the warrant of deportation was granted by order of Hon. Edward A. Tamm, Judge of the District Court for the District of Columbia, pending a hearing and determination of a motion by Claudia Jones for a temporary injunction restraining her deportation. The action will be heard by that Court on November 2, 1955.

gsc Claudia Jones, together with Alexander Trachtenberg and ten others, were jointly tried and convicted as co-conspirators under the indictment issued in the above entitled cause. All of said co-defendants, with the exception of Claudia Jones, Alexander Trachtenberg and your deponent, pursuant to said conviction, are presently serving terms of imprisonment in various Federal institutions throughout the country and are not available for consultation. Claudia Jones completed her term of imprisonment on October 23, 1955. Alexander Trachtenberg and your deponent were granted a new trial by order of Hon. Edward J. Dimock, District Judge for the Southern District of New York.

gsc Until now, because of her confinement in a Federal institution, there has been no opportunity for consultation with Claudia Jones. In order to adequately prepare for trial it will be necessary to consult with Claudia Jones prior to and during the course of the trial and it will be necessary that she be available ^{if needed} as a witness on behalf of your deponent.

During the first trial at least four witnesses for the Government, Louis Budenz, John Lautner, Bernice Baldwin and Lou Rosser testified as to events and conversations in which Claudia Jones was alleged to have participated. Consultation with her as to these and other matters introduced in evidence

at the time of the first trial as well as to introduce into evidence at the second trial, which may be introduced in the second trial, in a certified or uncertified manner, and to introduce into evidence at the second trial.

An order to show cause is being applied for using this motion on for a hearing, because the warrant for deportation may be executed at any time and the motion may be brought on for hearing by service of regular notice of motion.

No previous application has been made by the defendants in the above entitled case for the relief sought herein.

WHEREFORE your respondent respectfully urges for an order to show cause why an order should not be granted restraining and enjoining Edward J. Shaughnessy from deporting or otherwise executing any warrant of deportation against Claudia Jones for such reasonable period of time as will be necessary for the purposes related above, and for such other and further relief as to the court may seem just and proper.
