Enclosed for the Bureau is original and 12 copies of an LHM summarizing investigation reported to date.

For information of the Bureau, not all FBI offices conducting investigation in captioned matter have finalized their respective reporting at the time of preparation of enclosed memorandum. Miami Division has reviewed enough investigative results to conclude that there is a low probability that any significant facts will be exposed hereafter. A wealth of information has been made available for examination and some statements of summary are practical at this time.

108 JUN 20 1986

There has been no evidence produced through investigation to suggest that either subject MICHAEL LEE PLATT or WILLIAM RUSSELL MATIX were, or have ever been, involved in any organization promoting violence, hate, or survival in the confrontation with an adversary. There was no prior criminal record discovered at places of the subjects' residences or travels. [REDACTED] b7d

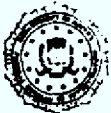

[REDACTED] Neither subject is known to have acquired and/or stashed any large quantities of money or other assets. It appears that they were able to spend the spoils of those bank robberies attributed to them through seemingly reasonable purchases and expenditures, consistent with the means of small business owners. Review of unsolved small business robberies and drug dealer rip-offs in the location of their past common residence has failed to identify any events which would give credibility to their respective stories of past crimes. There remains the real possibility that another person or persons participated in one or more of the bank robberies known to have been committed by PLATT and MATIX, but examination of physical evidence obtained so far fails to identify additional conspirators. Constant attention will be afforded this probability in the further consideration of each of those violations.

Subject MATIX commented to several people [REDACTED] b7d

[REDACTED]

Enclosed LHM contains a section "Synopsis of Shooting Incident." Miami's reporting (LHM) is not derived from in-depth and finite examination of the event, but rather an overview furnished for continuity and purpose as per the KFO and AFO violations and investigation. Any serious conclusions or studies of this incident should be through review of the appropriate Bureau Shooting/Inspection team reports.

Miami will continue to report any significant investigative results in this matter.

Investigation leading to captioned incident was predicated upon receipt of information identifying a 1979 Chevrolet Monte Carlo vehicle as being used by bank robbery subjects in the robbery of The Barnett Bank, 13593 So. Dixie Highway, Miami, Florida, on March 19, 1986. These subjects (identity unknown at the time) had stolen the 1979 Monte Carlo on March 12, 1986, at Miami, Florida. Investigation between March 19, 1986, and April 11, 1986, of previously unsolved bank robberies/armored car heists in the south Florida area determined that the individuals using this stolen automobile were directly responsible for two armored car robberies, two bank robberies, two attempted homicides and one apparent homicide (victim missing), as well as being suspect in other robbery

incidents having similar modus operandi and witness observations. A brief narrative of the robberies attributed to captioned subjects through investigation up to 4/11/86 is as follows:

1) On October 10, 1985, at 12:30 p.m., one assailant with one getaway car driver (possible third passenger in the car) approached a guard of the WELLS FARGO ARMORED CAR SERVICE, serving WINN DIXIE, INC., 7930 Southwest 104th St. Miami, Florida, ordering the guard to "freeze." Simultaneous with this command the assailant wounded the guard with a blast of 12 gauge 00 buckshot, while the subject(s) in the getaway vehicle fired handgun and shoulder weapons at the armored car couriers. Subjects made getaway without obtaining loot.

2) On November 8, 1985, at 12:Noon, two male subjects, wearing mask, entered the lobby of the PROFESSIONAL SAVINGS BANK, 13100 South Dixie Highway, Miami, Florida, brandished shoulder and handgun weapons, and demanded the surrender of WELLS FARGO bags. The subjects obtained a total of \$41,469 from three WELLS FARGO ARMORED CAR COMPANY money bags which had been routinely delivered (daily between 11:00a.m. and 11:30a.m.) that morning. The subjects made their getaway in a gold Chevrolet Monte Carlo automobile (see explanation of vehicle recovered in subsequent armored car robbery, January 10, 1986).

3) On January 10, 1986, at 10:30 a.m., two armed males attacked a BRINKS ARMORED CAR COMPANY courier as he opened the back door of his truck at BARNETT BANK, 13593 South Dixie Highway, Miami, Florida. The attack was initiated by one subject shooting the guard in the back with a large gauge shotgun (#7 shot load). Both subjects then approached the wounded guard, wherein the second subject shot him two additional times with a military type .223 caliber shoulder weapon (witness description suggest an AR-15, Mini 14 or M-16 rapid firing rifle). Subjects obtained \$54,000 loot and made their getaway in a 1977 gold colored Chevrolet Monte Carlo, Florida license tag XQU-175, followed by an eye witness and later recovered by the Federal Bureau of Investigation (FBI). Subjects switched from getaway car to a white Ford pickup truck and witness surveillance was discontinued.

The 1977 Monte Carlo getaway vehicle recovered in this incident had been reported as missing at Miami, Florida, since October 4, 1985, from EMILIO BRIEL, age 25, who mysteriously disappeared that day while target shooting at an abandoned rock pit in rural south Dade County (southwest Miami region). BRIEL's skeletal remains have been located subsequent to captioned incident, and forensic examination verifies investigator's presumption of homicide. It is also suspected that BRIEL's .22 caliber rifle, stolen with his automobile, is one of two untraceable firearms located at the residence of subject MICHAEL LEE PLATT. One .223 caliber bullet recovered from the above described BRINKS ARMORED CAR COMPANY robbery on January 10, 1986 has been matched to shells fired from a RUGER .223 cal. MINI- 14,

model 3000, used by subject MICHAEL LEE PLATT to fatally wound SA's JERRY DOVE and BENJAMIN GROGRAN during captioned incident.

4) On March 19, 1986, at 9:30 a.m., two male subjects carrying a short barrel pump shotgun and a military type shoulder weapon (possibly MINI-14) entered the BARNETT BANK, 13593 South Dixie Highway, Miami, Florida, obtaining \$8,338 in robbery loot. Subjects made their getaway in a 1982 Chevrolet Monte Carlo, black two door model, bearing Florida license NTJ-891.

Investigation determined that the 1982 Chevrolet Monte Carlo, (FL) NTJ-891, was stolen from [REDACTED] on March 12, 1986, while [REDACTED] was target shooting at an abandoned rock pit in southwest Dade County (same locale as BRIEL homicide on October 4, 1986). While [REDACTED] was target shooting, two white males arrived at the rock pit in a white Ford pickup truck with off-color striping, brandished a SMITH & WESSON Magnum revolver and a RUGER MINI-14 rifle, shot [REDACTED] four times and then fled the scene taking [REDACTED] Monte Carlo as well as his two weapons (.38 caliber SMITH & WESSON model 14 revolver and .22 caliber MARLIN rifle, Model 60). [REDACTED] lived and furnished composite description of his assailants. [REDACTED] revolver was recovered at the residence of MICHAEL LEE PLATT subsequent to captioned incident, and MATIX owned a white Ford pick-up truck. b7c

The four bank robberies briefly described above exhibited numerous similar or identical circumstances and characteristics to warrant a conclusion by investigating FBI SA's that these robberies, as well as the rock pit shooting incidents, were carried out by common subjects (exact number unknown). The frequency of the robberies, as well as the relatively confined area of the activity led to a hypothesis that these subjects would carry out similar style robberies in the near future and stage these heists in the same general area. Prior to April 11, 1986, the FBI increased liaison with armored couriers and area banking officers. Local police departments also increased patrol coverage of institutions in the south Miami area. The FBI conducted random surveillance of armored car routes and scheduled deliveries, and saturated the suspect area by quadrant assignment of personnel on dates considered probable robbery days. It was in the furtherance of this technique that SA's were assigned surveillance responsibilities in southwest Miami on April 11, 1986.

SYNOPSIS OF SHOOTING INCIDENT: APRIL 11, 1986

At approximately 8:45 a.m. fourteen SA's, operating out of eleven automobiles, initiated an area canvas/surveillance, loosely covering a target area along South Dixie Highway, (aka U.S. Highway 1) beginning at the north on 130th Street and terminating at the south on 183 Street. This fifty-three block long stretch is primarily a high density commercial zone incorporating five banks, with heavy pedestrian and vehicle traffic during commuting and working hours. After an initial

on-site assignment conference, SA's proceeded to their respective assignment locations and began routine canvassing of these areas, to include personal contact with bank personnel and local police patrol officers in the vicinity.

At 9:26 a.m. SA BENJAMIN GROGAN (accompanied in his vehicle by SA JERRY DOVE) addressed radio traffic to all assigned units that he was behind a black two-door Monte Carlo, Florida license NTJ-891, traveling north on South Dixie Highway. SA GROGAN continued to furnish description of the vehicle, its direction of travel and occupant information as well as instruct the FBI unit with local police radio equipment to request emergency back-up with marked patrol units.

At approximately 9:30 a.m. SA GROGAN and DOVE had been joined in the close surveillance of the subjects vehicle by three additional FBI units, with a fourth unit closing to a distance of approximately three blocks. All units were now located in a residential neighborhood, several blocks removed from the congestion of South Dixie Highway. The subjects, becoming aware of the surveillance, began to drive in an erratic manner, apparently trying to set up a break-out situation facilitating their escape. SA GORDON MCNEILL, (Squad Supervisor) observed the subjects loading weapons and transmitted that information. At this point SA GROGAN (first vehicle behind subjects) ordered the stop/arrest, with SA's GROGAN and DOVE transmitting, "Felony car stop, take them, felony car stop, lets do it."

SA GROGAN engaged his emergency vehicle equipment (police lights and siren) and surveilling SA's therein attempted to contain and stop the subjects, while traveling south in the 122nd block of 82nd Avenue, Miami, Florida. As FBI vehicles attempted to pass the subjects, they swerved to the right, braked, and left the pavement. SA MANAUZZI observed the passenger subject preparing to fire on the overtaking vehicles and rammed the Monte Carlo in an effort to incapacitate the occupants. SA HANLON swung his unit abreast of the subject automobile and rammed it in an effort to stop it. Subsequent repeated ramming/counter-ramming by these two vehicles resulted in the loss of control of the FBI vehicle, and its' ultimate collision with a retaining wall on the west side of 82nd Av. [See EXHIBIT A for final location of vehicles at time of shooting.] Subjects attempted to evade pursuing SA's by negotiating a high speed U-turn and proceeded back north on 82nd Avenue. SA Manauzzi, momentarily stopped from the impact of the previous ramming by his vehicle, observed the subject's vehicle returning in his direction and rammed their vehicle a second time, resulting in termination of the vehicle stop effort. [See EXHIBIT A.]

Both of the subjects initiated firing from within their vehicle before SA's could completely exit their respective units. SA Manauzzi was hit by two separate shotgun blasts as he exited

his automobile. SA MCNEILL cleared his vehicle, returned fire at the subjects automobile, and was wounded in the right hand/arm by rifle fire after discharging four rounds. SA MCNEILL discharged the remaining two rounds in his revolver and retreated around the back of his unit, taking cover to load at the passenger side rear panel area.

As the subjects initiated firing, SA's DOVE and GROGAN returned fire, using their vehicle as cover. SA HANLON cleared his vehicle and joined SA GROGAN at the rear of the GROGAN/DOVE unit. SA MIRELES exited the HANLON/MIRELES unit and proceeded to a cover point at the rear of SA MCNEILL's unit. SA MIRELES was hit in the left forearm by a rifle round as he approached the rear of MCNEILL's vehicle, taking cover at the rear bumper area. SA's RONALD RISNER and GILBERT ORRANTIA simultaneously arrived and staged their vehicle on the west side of 82nd Av. [see EXHIBIT A] SA RISNER exited his vehicle and assumed cover behind the passenger front fender, firing at the subjects from this vantage point. Subject(s) fired on the RISNER unit, and SA ORRANTIA remained in the vehicle for cover, returning fire through the front driver window. It is from this position that SA ORRANTIA was wounded by bullet shrapnel soon after arriving on the scene.

After the initial exchange of fire resulting in the wounding of SA's MANAUZZI and MCNEILL, both subjects exited the black Monte Carlo, and took positions of cover in the forward area of this vehicle and the adjoining FBI and civilian automobiles. From this new vantage point, subject MATIX and PLATT were able to fire on the agent's cover positions with minimal obstruction. The wounding of SA's ORRANTIA and MIRELES occurred after the subjects exited the Monte Carlo.

As the exchange of gunfire continued, subject PLATT wounded SA MCNEILL with a round of rifle fire, striking MCNEILL in the shoulder/back. This wound, in conjunction with the previous wound to his hand/arm incapacitated SA MCNEILL for the remainder of the incident.

Apparently the next casualty to be borne by the SA's was the wounding of SA HANLON, who was hit by rifle fire in his right hand/arm as he reloaded his handgun after firing at the subjects from his cover point at the rear of the GROGAN/DOVE vehicle. SA HANLON then observed subject PLATT, who had now charged the GROGAN/DOVE vehicle (passenger side), proceed around the trunk area, fire multiple rifle rounds and then enter the drivers' side of that unit. It was during this charge and firing by subject PLATT that SA GROGAN and DOVE were killed and SA HANLON suffered additional wounds in the groin and leg.

SA MIRELES, maintaining cover after being hit, observed subjects MATIX and PLATT inside the GROGAN/DOVE FBI unit, as well as Agents wounded/down adjacent and immediately behind the vehicle. SA MIRELES therein began to direct one handed fire at the front driver/passenger compartment, firing four rounds of OO

WILLIAM RUSSELL MATIX, ET AL

buckshot from a service issued REMINGTON, Model 870 pump shotgun. After firing the last shotgun round SA MIRELES drew his service revolver, approached the subjects, firing six rounds through the automobile front driver window at subjects MATIX and PLATT.

Examination of casualties at the scene by arriving medical personnel determined that SA's GROGAN and DOVE were deceased, subjects MATIX and PLATT were deceased and SA's MCNEILL, HANLON and MIRELES were critically wounded. SA's MCNEILL and HANLON were transported to a local hospital facility by MEDIVAC helicopter service. SA MIRELES was transported to a medical facility by ambulance. SA's MANAUZZI and ORRANTIA were transported via FBI vehicle, treated for multiple shotgun pellet and shrapnel penetration, and released the same day.

Post shooting investigation at the scene has determined that approximately 143 shots were fired in the exchange. Eyewitness statements suggest that several automobiles drove into, or through the shooting parameter during the incident, but it is not verified from which direction they came or what route was taken in exit. Best estimates derived from review of recorded radio transmission.

and witness recollection support the conclusion that the gun battle lasted for a period of four to five minutes. Autopsy examination of the subjects determined that MATIX had been hit six times and PLATT had been hit twelve times. Evidence indicates that the subjects were wounded while in the Monte Carlo (at the onset of the gun fire exchange), while firing at SA's from the vantage point in the front area of their Monte Carlo, while entering the FBI GROGAN/DOVE unit and while in the FBI vehicle during their attempted flight from the scene. During the shooting incident the subjects fired one 12 ga. shotgun, two .357 Cal. revolvers and one .223 Cal. semi-automatic rifle.

SYNOPSIS OF BACKGROUND:

MATIX experienced a normal childhood, with the exception of laboring with a stuttering impediment. This ultimately required professional help to terminate. This treatment was acquired at the Walter Reed Army Hospital during his adult years while serving a second tour of enlistment. MATIX was an average high school student who did not participate in athletic events but did take an active role in The Future Farmers of America (FFA) program. He spent a great deal of time on the rural property of relatives and presented himself as a kind, quiet and considerate young man. He enlisted in the United States Marine Corps (USMC) on graduation and served an unblemished three years, attaining the position of Sergeant (E-5), and carrying out the duties of Bakery Foreman (MOS 3371 - Cook).

Thirteen months after discharge from the USMC, MATIX enlisted in the United States Army, having spent this short interim period living with his parents in New Madison, Ohio, and working as a laborer for the Hobart Manufacturing Company of Troy, Ohio. After basic Airborne training, MATIX optioned for Military Police duty assignment, and served until his discharge as a platoon leader and patrol supervisor. He was discharged with a record of citations to include Good Conduct, the Parachutist Badge and the National Defense Service Medal. It was while serving at Fort Campbell, Kentucky, that MATIX met, and served in the Military Police Unit with MICHAEL LEE PLATT.

MATIX met his first wife, PATRICIA BUCKANICH while undergoing stuttering therapy at Walter Reed Army Hospital in 1975. They were married after his Army discharge in 1976, and began a series of moves to include Takoma Park, Md., Poughkeepsie, N.Y., Hyde Park, N.Y., Toledo, Oh., Columbus, Oh., and Delaware, Oh. From Delaware, Oh., they returned to Columbus, Oh., where they lived until his wife, "PATTY" was murdered on December 30, 1983. In the 3 1/2 years of marriage, MATIX attended Culinary School, Meat Cutting School and Aviation Mechanics Training. He also continued his association with the military structure by serving from November, 1981, to April, 1984, as Senior Assistant Investigator and Utility Helicopter Repairman in the Ohio National Guard. MATIX did not stay with one employer.

WILLIAM RUSSELL MATIX, ET AL

for any sustained period of time, expressing to relatives and friends a longing for the regimentation and romance of military service. [REDACTED] b7d

On December 30, 1983, PATRICIA MATIX and a companion female co-worker were murdered (stabbed) at their place of employment, The Riverside Methodist Hospital Research Foundation, Columbus, Ohio. [REDACTED] b7d

MATIX's father, RUSSELL MATIX, suffered a stroke on the day that PATRICIA MATIX was murdered, and his health deteriorated until his death from terminal cancer in April, 1984. During this four month period, WILLIAM MATIX traveled back and forth from Columbus/Delaware Ohio, to Cincinnati, Ohio (RUSSELL MATIX's home). He became increasingly active in his local church, professing to be a "Born Again" Christian, and giving public testimony of his religious convictions and his ability to overcome the stigma of PATTY's Murder. MATIX received a sizable insurance claim payoff (exact amount unknown but believed to be in the \$180,000 range) from an existing life insurance policy on his wife, Social Security benefits resulting from her death, and also received monthly employees compensation payments as a surviving unemployed spouse. The insurance settlement was far less than he had anticipated and he was bitter, blaming the lack of double indemnity award on the poor investigation conducted by the Columbus, Ohio Police Department. MATIX related to many of his friends that the police were harassing him as he was their prime suspect in his wife's murder. He invested the major portion of the insurance award in a trust fund for his daughter [REDACTED] b7c, b6

MATIX dated a number of women after PATTY's death, [REDACTED] b7d

MATIX moved to Miami, Florida, in mid summer 1984, buying a one-fourth interest in Blade Cutters, a lawn trimming service owned by MICHAEL LEE PLATT, brother [REDACTED] and b7c

WILLIAM RUSSELL MATIX, ET AL

Between summer, 1985, and the time of his death, those close to MATIX noticed a definite change in his personality. He became listless, vague as to his work record, irritable and quick to loose his temper. His moods were unpredictable and he seemed incoherent at times, bringing up subjects of conversation dealing with the disposition of his property and the upbringing of his daughter, if and when anything should cost him his life.

SYNOPSIS OF BACKGROUND:

MICHAEL LEE PLATT led an uneventful childhood, being the son of career military U.S. Navy Petty Officer (Corpsman), [REDACTED] MICHAEL PLATT lived in the city of his birth, San Diego, California, until approximately 1965, at which time his father was transferred to Pearl Harbor, Hawaii, and assigned duty on a hospital ship. In 1966, [REDACTED] was reassigned to the Naval Air Station, Alameda, California, and the family lived there for approximately thirteen months. In 1977 the family moved to Yuma, Arizona, where [REDACTED] was stationed until his retirement from the U.S. Navy. MICHAEL PLATT graduated from KOFA

WILLIAM RUSSELL MATIX, ET AL

High School at Yuma, Arizona, in 1972. He was an accomplished athlete in the games of football, basketball and baseball. Immediately after graduation PLATT joined the United States Army, taking his basic training at Fort Ord, California.

While in Army basic training, PLATT applied for U.S. Army Airborne Ranger Training, and subsequently entered Paratrooper Air Assault School at Fort Campbell, Kentucky.

[REDACTED] b7d
[REDACTED]
On completion of jump school, PLATT was assigned to the Military Police Unit at that facility, and it was in this duty assignment that he met, and served in the same unit with WILLIAM RUSSELL MATIX. Upon arrival, the above Laboratory personnel met with ASAC Jim Freeman in the Miami Field Office. ASAC Freeman advised that the Metro-Dade Police Department (MDPD), Dade County, Florida, was conducting the shooting scene search and would examine evidence collected at the scene in their laboratory. The above Laboratory personnel then traveled to the shooting scene which was located at 12201 S.W. 82nd Avenue. Contact was made with SA [REDACTED] (ph), Miami Office, who was in the command center at the shooting scene. He advised that Sergeant [REDACTED] MDPD homicide detective, was in charge of the shooting scene investigation. Contact was made with Detective [REDACTED] and the above Laboratory personnel remained on the scene until approximately 1:30 a.m., 4/12/86 when all logical evidence and all of the vehicles involved in the shooting incident had been removed. While at the scene, Bureau Laboratory personnel were able to assist mobile crime laboratory personnel in collecting serology and firearms-related evidence from the scene, make preliminary sketches of the scene while the vehicles were in place and photograph the scene with the vehicles in place. Also, a preliminary trajectory analysis was made with the vehicles in place and the location of each vehicle was marked for future reference. b7c

The Bureau vehicles and the subjects' vehicle were moved to a hanger at the Opa-locka Airport north of Miami. On 4/12/86, SAs [REDACTED] and [REDACTED] assisted MDPD mobile crime lab personnel in collecting serology, firearms and other trace (paint, rubber smears) evidence from these vehicles. [REDACTED] also photographed these vehicles at this time. On 4/12/86, [REDACTED] and [REDACTED] made detailed measurements of the shooting scene to assist them in preparing sketches, overlays and other exhibits upon return to the Laboratory. At approximately 2:00 p.m., SA [REDACTED] attended the SACs briefing at the Miami Field Office upon the arrival of the administrative inquiry team which was headed by Inspector [REDACTED]. SA [REDACTED] also went to the shooting scene with the shooting inquiry team and then directed them to and traveled with them to the hanger at Opa-locka Airport where the vehicles were being searched and evidence collected. Detective [REDACTED] MDPD homicide detective, was in charge of the processing of the vehicles at the hanger for the MDPD. b7c

OO: Miami

On 4/13/86, [redacted] and [redacted] prepared a preliminary sketch of the shooting scene for the shooting inquiry team to assist them in their interviews. [redacted] and [redacted] departed Miami for return to the Bureau on 4/14/86. [redacted] coordinated the aerial photography of the scene with Bureau pilots from the Aviation & Special Operations Unit who had flown to Miami from the Bureau. Aerial photographs were taken using the Bureau vertical aerial photographic aircraft. Aerial photographs were taken on 4/13/86 and on 4/14/86. The Bureau pilots departed Miami on 4/14/86, for their return to the Bureau.

The MDPD completed processing of the vehicles on 4/13/86, and turned these vehicles over to the Bureau. SAs [redacted] and [redacted] continued the processing the vehicles on 4/13/86 and 4/14/86. Additional blood and trace evidence was collected for examination by our Laboratory. A detailed trajectory analysis was made in order to establish the position of the shooters at the time of the incident. Additional photographs were also taken at this time for inclusion in the shooting incident administrative report. b7c

On 4/14/86, SA [redacted] attended a briefing of all MDPD homicide detectives, mobile crime lab personnel and laboratory personnel involved in the shooting inquiry at the MDPD. [redacted] from the Dade County Medical Examiner's Office, who conducted autopsies on SAs Grogan and Dove and Matix and Platt, was also in attendance. SA [redacted] met with [redacted] Crime Laboratory Bureau who advised SA [redacted] that their laboratory would cooperate fully with our Laboratory in helping to resolve any issues relating to this shooting. SA [redacted] also met with the following laboratory personnel who are coordinating or examining evidence in this matter:

[redacted] - Coordinator for serology/trace evidence
examinations [redacted]
[redacted] - Serology [redacted]
[redacted] - Firearms [redacted]
[redacted] - Trace evidence [redacted] b7c

SA [REDACTED] also met with Detective [REDACTED] MDPD,
homicide detective, who is in charge of the shooting investigation.

On 4/15/86, SA [REDACTED] departed Miami. [REDACTED] developed
several aerial photographs of the shooting scene and made these
available to the shooting inquiry team for their use. SAs [REDACTED]
and [REDACTED] briefed the shooting inquiry team on the results of their
observations and analysis of the shooting scene and vehicles. This
included a review of all the firearms, cartridge cases, cartridges
and fired projectiles recovered at the scene or in the vehicles
including an inventory of firearms and ammunition remaining in the
vehicles. SAs [REDACTED] and [REDACTED] and [REDACTED] departed Miami
on 4/16/86. b7C

Laboratory examinations are currently being conducted
by SAs [REDACTED] and [REDACTED] on serology and trace evidence collected. Sketches
and overlays are being prepared for the administrative inquiry report
by [REDACTED] and [REDACTED]. [REDACTED] is handling
the development of the photos (aerial, scene and vehicles) being
prepared for the administrative report. Appropriate 302s and inserts
are being prepared by SAs [REDACTED] and [REDACTED] for inclusion in
the administrative report. SA [REDACTED] will coordinate these activities
with Inspector [REDACTED]
