[redacted] was contacted at his residence, [redacted]. It was noted that the above residence is situated on the [redacted] furnished the following information:

At approximately 9:30 PM on the previous night, February 4, 1974, he was studying in a second floor room located on the north side of his residence. He heard what sounded like a string of firecrackers going off. He hesitated in investigating the sound for a few seconds as he thought at first it might be in some celebration in connection with the Chinese New Year. However, upon reflecting on this, he thought the sound at that time of night was peculiar. He [redacted] walked to the south side of his residence and looked down at the front door of the apartment located in the rear apartment building at 2603 Benvenue Street. He did not see anything near the door, but became aware of some commotion in the alleyway farther up toward Benvenue Street near the front apartment building at the 2603 address. He walked to another room on the second floor where he could better observe the area where he thought he had heard some commotion. The window he went to overlooked the stairs which descended from the alleyway to the driveway and garage area at 2603 Benvenue Street. He did not see any people at all, but did hear a female voice say: "I can't see. I can't see."

He then heard a male voice respond: "Get in there. Get in there."

[redacted] also heard other words spoken by the above female voice to the effect of, "Don't hurt me," or possibly, "Let me go." His view of the driveway was partially obscured by a tree, however, he was able to observe the rear of a white Chevrolet, possibly a 1963 model. The car, which had three tail lights on each side, and was possibly a Bel Air or Impala, had been backed intothe driveway of 2603 Benvenue. [redacted] observed the trunk oepn at the time he heard the voices. As he watched, the trunk lid was closed, but HOM could not observe by whom.

At this point, [redacted] heard his wife, [redacted] screaming downstairs. He went downstairs and [redacted] stated something to the effect that, "They've got her." After a slight hesitation, [redacted] opened the front door and walked down to the corner of Benvenue and Parker Streets. Several seconds after arriving at the corner, he observed an individual who was unknown to him at that time walking west on the south side of Parker Street toward the intersection of Parker and Benvenue Streets. As the individual approached the corner, [redacted] observed him to be holding his head, which was bleeding, and stating something to the effect, "Where is the police."

[redacted] stated that, in addition to the first series of four or five explosions, which he had originally thought to be firecrackers, he heard similar subsequent explosions. However, he could not recall any details as to the number of subsequent explosions or the intervals of time between the explosions.

As this car passed them, shots were fired from inside the car and they saw bullets hit at their feet. [redacted] said at this time the three of them spread eagled on the ground and he could not see who was in the second car. [redacted] said both cars went north on Benvenue and then east on Parker.

[redacted] described the second automobile as being an off-white, compact station wagon, approximately 8 to 10 years old. He stated that it had rounded features in the rear and definitely was an American make. He said that it was not a Rambler but looked more like a Falcon or Valiant.

[redacted] gave no description of the girl being pushed in the trunk other than she had blonde hair. [redacted] did not see any other individuals and did not see who was firing at him.

Shortly after 9:00 p.m., he heard a group of gunshots which he estimated to be three to five shots. These shots came from the east side of his apartment which faces on Benvenue. He stepped out on his bedroom balcony and heard voices and shouting. He could not distinguish any words or sentences from the shouting. He then heard another group of gunshots which he described as a string of five to six shots. These were louder than the first ones he heard.

He then heard some man yell that a girl had been kidnapped and put in a car. Just then he observed a white station wagon, which he thought was a Plymouth station wagon, approximately year, 1960s. This vehicle was going north on Benvenue, and it turned east on Parker towards College Avenue. [redacted] could not see anybody in this white station wagon. Prior to seeing this car, [redacted] remembers seeing another car going north on Benvenue but does not know the make, model or year of this car. On the previous night, February 4, 1974, while watching television shortly after 9:00 p.m., he heard a couple of shots coming from Benvenue Street to the north of his residence and then a little later, heard some more shots, number unknown. He then turned off the lights to his apartment and looked down on Benvenue Street for about 15 seconds. The only thing he saw was a 1963 or 1964 light colored, possibly white, Bel Air Chevrolet station wagon with its lights on facing north on Benvenue Street. This car [redacted] was approximately 20 yards south of 2603 Benvenue. [redacted] feels that this car's engine was running as he observed the rear taillights flutter as though the engine was still running. He then went back to watch television and about one to one and one-half minutes later, he heard three more shots. He then called the police but did not see anything else from his window.

[redacted] advised that he did not see any other cars, men, or people on Benvenue Street until the police came. He did not get any license number on this Chevrolet station wagon but thought that it was in good shape for an older station wagon, as it appeared shiny and had lots of shiny chrome.

[redacted] was instructed to contact the FBI immediately should he remember any additional details concerning this matter.

FEDERAL BUREAU OF INVESTIGATION

Date February 7, 1974

[redacted] California, telephone number [redacted] employed at the University of California, Berkeley (UCB) Comp-Lit office, was interviewed concerning her recollection of the night of February 4, 1974. She furnished the following information:

On Monday night she has a yoga class at the Unitarian Fellowship Church, Bonita and Cedar Streets, Berkeley, California from 7:30 p.m. to 9:00 p.m. On February 4, 1974, she and her roommates [redacted] went to pick up another friend, [redacted] at her apartment [redacted] Apartment [redacted] Berkeley, California. [redacted] recalled that they left the yoga class between 9:05 p.m. and 9:10 p.m. and traveled from the center to [redacted] apartment and arrived there between 9:15 and 9:20 p.m. As they approached [redacted] apartment from the north on Benvenue Street, [redacted] said to her and the others, "Those two people in that car were there when we came to pick up [redacted]. [redacted] was referring to a Volkswagen parked just north of the first driveway on the west side of Benvenue Street just north of Parker and Benvenue intersection. [redacted] pulled her car in front of this Volkswagen into a very small parking space on the other side of the driveway. Because of the strange appearance of the person in the passenger side, [redacted] and [redacted] became apprehensive and did not want to get out of the car so they sat in their car with the lights on for a couple of minutes. They were waiting to see what these two people in this Volkswagen were going to do. [redacted] recalls

that she opened her door to look out to see if there was enough room for their care to be parked in this space and looked back at the passenger in this Volkswagen. She described this Volkswagen as a dark colored Volkswagen, possibly dark green in color.

After about two minutes, this Volkswagen, with its lights on, pulled out of this parking space and drove past the car they were in. As this car passed [redacted] took a good look at the person sitting in the passenger's seat of this Volkswagen, which she felt was a 1970 model or newer. As this car passed, [redacted] made a remark about the license plate being covered up and [redacted] looked at it and could see that it was a California license plate as it had a blue background. The letters were all covered up by black strips or possibly black tape which was in diagonal and cross diagonal strips. These strips completely obliterated the letters and numbers of the license plate.

This car moved to the corner about 25 feet away and double parked in the street facing south on Benvenue near the last parking space. It did not occupy this last parking space but stayed half in the street with its lights on, engine running and emergency flasher lights blinking. [redacted] parked her car up into the space they had previously occupied and they all sat for one to two minutes trying to decide what to do. Finally, they got out and [redacted] and [redacted] said they were going up to talk to the people in the car. [redacted] and [redacted] went towards [redacted] apartment and waited on the sidewalk for ESTA and JANE to return. At that time [redacted] did not recall seeing any other cars parked on Benvenue Street with their lights on and engines running. She did not note any other suspicious activity in the area.

Shortly after that, [redacted] and [redacted] rejoined them and they all went up to [redacted]'s apartment and either [redacted] or [redacted] remarked that the woman driver told them that, "they were waiting for a friend".

[redacted] unlocked the door and everyone went into her apartment. [redacted] said she went to the bathroom and came out about one to two minutes later and then went to [redacted] bedroom where [redacted] and [redacted] were. Right then, they all heard what sounded like a gunshot but someone thought it must have been a backfire or a firecracker. Shortly after that, she left the bedroom and went to the kitchen to talk to [redacted] and about 15 to 30 second later, she heard a volley of six to seven shots close together but separate and distinct from one another. She did not feel it was a machine gun firing these shots. She realized something was wrong and the other girls were trying to decide what to do. She went to the front room window about one minute after the shots and looked out the window and heard somebody shout, "Kidnap". Within a few seconds it seemed the police arrived and then a large number of people congregated on the street. Both she and [redacted] went down into the street and furnished the information concerning this Volkswagen and its occupants to a policeman whose name they did not know.

[redacted] advised that she could not recall any other information concerning this incident and did not see or hear any cars squealing away from Benvenue and Parker Streets at a high rate of speed. She does not recall hearing a crashing sound just before or after the shots. She does remember that there was extraneous noise after the last volley of shots, some of which could have been car noises but she paid more attention to the people noises, the shouts and the running of feet.

[redacted] provided the following description of the person she had seen sitting on the passenger side of the dark colored Volkswagen:

Sex:	Appeared to be a female but had some facial characteristics of a man. She is not sure what sex this person was but feels it was a woman.
Race:	Caucasian
Age:	Mid-twenties
Height:	5'6"-8"
Weight:	Medium

Hair:	Dead white, thick in a razor cut style - really shaped well with a "C" curl on the right side; did not appear to be a wig but the hair was in an overall square shape.
Facial Characteristics:	Very pale, white complexion, no color at all; no hair on face.
Eyes:	No color noted but did have thin, pale brown, arched eyebrows.
Clothing:	No clothing noted by [redacted] color or style.
Unusual Characteristics:	Sat motionless all the time and always stared straight ahead; appeared very spooky looking.

[redacted] estimates that from the time she last saw the Volkswagen parked with its lights on and engine running to the time she heard the first shots two to three minutes elapsed but not more. When she looked for the car it was gone. [redacted] was advised that should she remember any additional information she should immediately contact the FBI. [redacted] stated that she feels she will be able to recognize this person should she see her-him again or see a photograph of this person.

On the night of February 4, 1974, at about 7:10 p.m., her friends, [redacted] came to pick her up to take her to a class. These girls live at [redacted] Berkeley, California, [redacted] They all attend [redacted] California. This class lasts from 7:30 to 9:00 p.m.

[redacted] estimates that she left class at about 9:10 p.m. to 9:20 p.m., and got to her home about 9:20 p.m. to 9:30 p.m. As they were coming down Benvenue in a south direction, they attempted to park across the street from her apartment on the west side of Benvenue Street and one of the girls, [redacted] said to the rest of them that a car with two people in it had been at the same place when she picked [redacted] up for class. [redacted] thought that this was suspicious and [redacted] turned to look at the person in this car. This car was parked directly behind them just north of the first driveway on the west side of Benvenue Street, north of Parker.

This car was a dark navy blue Volkswagen "bug". She then looked back at the car and the people in it and noted that the car was being driven by a girl and that there was a man in the passenger side. Just then this car pulled out with its lights on and drove by the car she was in and then parked near the northwest corner of Parker and Benvenue Streets. This car continued with its engine running and lights on.

[redacted] then parked in the space that this car had previously occupied, and they all sat there and were afraid to get out of their car as they thought this Volkswagen and the people in it seemed suspicious. About two minutes later, they got out of their car, and [redacted] went to talk to the people in this Volkswa[redacted] and [redacted] crossed Benvenue and waited for her and [redacted] to come back. They all then went up to her apartment together. [redacted] could not recall seeing any other suspicious cars on Benvenue Street.

Shortly after they entered her apartment, she went [redacted] to the window which opens onto Benvenue Street and looked out of the window to see if the Volkswagen was still there. It was no longer there. This was within two minutes after she entered her apartment.

She then went to the kitchen and within two minutes heard what sounded like a crash and then a series of popping sounds. She estimates that the there were at least three shots or popping sounds, which she thought sounded like fire-crackers. She heard another noise which sounded like a crashing at the same time.

Within a minute after that, she heard the police speeding by north on Benvenue and then come back on Benvenue. [redacted] could not specificially recall, but vaguely remembered, hearing a screaming sound and the acceleration of the vehicle, but she did not recall which direction it came from. Just before the police came, she could remember hearing a man faintly yelling, "Help me, help me". She then looked out the front window and saw the police cars and lots of people on the street.

[redacted] then provided the following description of the female she had seen driving the Volkswagen "bug":

Sex:	Female
Race:	White
Nationality:	American
Age:	25
Height:	5'4" or 5'5", possibly 5'6"
Build:	Slim

[redacted] advised that she felt that she would be able to recognize the two individuals should she see them again. She also advised that the dark navy blue Volkswagen was approximately a 1970 or 1972 Volkswagen, and she recalled that it had newer type bumpers. There were no stickers or insignias of any kind that she noted ontthis vehicle. She did look at the rear license plate and thought that it looked like a California license plate if it was blue with yellow letters. All the girls in the car looked at the license plate and noted that it had been covered up or obliterated in some way. [redacted] thought that there were either holes torn or cut in the license plate as all the letters were almost totally obliterated by some material. She did think that she could make out parts of the letters E and W. She also recalled that the frame for the license plate may have read Oakland, California.

Upon returning from dinner at approximately 9:00 P.M., he noticed that the Volkswagen was still parked in the same space with the motor off and that the girl was now sitting in the passenger's seat. As he and his girlfriend passed the car, a white female, 23 to 29 years of age, 5'4" to 5'5", with blondish hair, wearing a beige colored coat, came from across the street, possibly from the southeast, and got into the car on the driver's side. TO : MR. JENKINS

DATE: 2-21-74

FROM : R. R. FRANCK

SUBJECT: HEARNAP

Assistant Director Gebhardt, Inspector Gallagher, and Quinn of my office discussed the press conference held by Attorney General Saxbe and Mr. Kelley in Los Angeles earlier today and Mr. Gebhardt indicated that the Director came away from the conference, based on the questions posed of him relative to captioned case, with the feeling that the news media may be under the impression that the FBI is doing nothing investigative-wise without the approval, permission and consent of the Hearst family.

To correct this possible misimpression on the part of the news media and in the interest of accurately conveying to the public the FBI's role here and in all kidnaping matters, the following statement is recommended for responding to future inquiries in this area:

"The FBI is conducting an intensive and exhaustive investigation in connection with the abduction of Miss Patricia Hearst on the basis of our jurisdiction in kidnaping matters. In this case and all such cases, the paramount concern of each and every FBI representative is the welfare of the victim. In fulfilling our investigative responsibilities, the FBI will take no action whatever which might possibly imperil or jeopardize the life or personal safety of the kidnap victim."

RECOMMENDATION:

That the above statement for responding to inquiries relative to FBI investigative activities in the Hearst matter be approved.

INVESTIGATION BEING CONDUCTED ON KNOWN OR SUSPECTED SYMBIONESE LIBERATION ARMY (SLA) MEMBERS:

This material is to be afforded appropriate Laboratory and Identification Division examinations. Also recovered at the residence were publications concerning Urban Guerrilla Warfare and Special Forces Demolition Techniques and a number of shotgun and rifle shells.

[redacted] has advised a Los Angeles Agent that he listened to a radio broadcast of the 2 male voices obtained on the first cassette received in this case. [redacted] stated he could positively identify one of these individuals and might possibly be able to identify the other. He also indicated that he was aware of the exact location of a "safe house" currently used to hide Weathermen Fugitives and feels that the victim may be held at this location. After evaluation by the San Francisco Office and the Bureau, Los Angeles was instructed that [redacted] should be recontacted and advised that if he can furnish any information which results in the location of the victim and her safe return, the FBI will do everything within its power to insure his cooperation receives all possible consideration.

ADDITIONAL EXTORTIONATE DEMAND RECEIVED BY MRS. RANDOLPH A. HEARST:

On 2/19/74, Mrs. Hearst received a collect phone call from an unidentified individual with a Spanish accent. He indicated he was with the SLA and demanded $50,000 in small denominations to be placed at a site near Laredo Air Force Base, Laredo, Texas, within 48 hours. He also demanded release of "the two brothers in San Quentin" and stated that if his demands were met the victim would be released. Mrs. Hearst advised the caller that the money would arrive at the earliest by Thursday (2/21/74), at 7:00 p.m., via messenger. Investigation indicates phone call made from a Laredo phone booth possibly located in a bar as there was music in the background and the caller had to speak loudly. The San Antonio Office is conducting appropriate investigation and will cover the payoff area in an effort to apprehend the unknown subject should he attempt to pick up a dummy package. This matter is not believed to be directly connected with the actual kidnaping of Patricia Hearst but is the result of the extensive publicity given this case by the news media.

UNKNOWN SUBJECT,
ALSO KNOWN AS
[redacted]
BOMB THREAT AGAINST
MARCH AIR FORCE BASE, CALIFORNIA
FEBRUARY 22, 1974

A 9:50 a.m., February 22, 1974, a Negro male advised the Riverside FBI Resident Agency that he was "[redacted] a member of the American Revolutionary Army." He said he did not agree with what the organization was doing and advised that "these people have planted five bombs at March Air Force Base, California, scheduled to explode in three hours." The caller was asked where he could be reached and he advised, 2586 11th Street, Riverside, adding, "You better check this out. I don't know where the bombs are located." It was determined that the call originated from a pay telephone located at a Union Service Station, 12400 Perris Boulevard, Sunnymead, California, telephone number 653-9043.

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.

ENCLOSURE 7-1

UNKNOWN SUBJECT, ALSO
KNOWN AS THOMAS WADE,
CARL JONES

Current directories covering Riverside and the records of the Department of Water and Power, Riverside, California, were checked and revealed 2586 11th Street, is a non-existent address.

The following persons were advised of the above:

[redacted]
Special Agent
Office of Special Investigations
March Air Force Base
10:08 a.m.
February 22, 1974

[redacted]
United States Secret Service
Riverside, California

[redacted]
United States Attorney's Office
Los Angeles, California

February 22, 1974

[redacted]
Patrol Bureau
Riverside County Sheriff's Office (RSO)
10:13 a.m.
February 22, 1974

On February 22, 1974, [redacted], Patrol Bureau, RSO, advised that at 10:17 a.m., February 21, 1974, a call was received by the switchboard of the Sheriff's Office from an unknown caller claiming to be [redacted]" He stated that a missing female, Patricia Hearst, from Northern California, was presently being held at 13386 Grant Street, in Edgemont, California. The dispatcher identified the voice as that of a male Negro.

The caller was requested to furnish his address and he advised it was "2486 11th Street, Riverside." The caller said that Miss Hearst was being held at the Grant Street address but would "not be there long." Investigation by representatives of the RSO revealed both the Grant Street address in Edgemont and the 11th Street address in Riverside contained no residences but are vacant lots.

The Los Angeles Office of the FBI offered services to both the Office of Special Investigations and the RSO, in their efforts to determine identity of the unknown subject. Both agencies indicated the services of the FBI were not needed at this time.

Both agencies consider the February 22, 1974 call to be a false bomb threat and give no credence to the caller's claims on February 21, 1974, regarding Miss Hearst.

Los Angeles will maintain contact with the Office of Special Investigations and the RSO for any information developed regarding unknown subject.

The above February 22, 1974 call was received by SA [redacted], who, after, listening to a Sheriff's Office tape recording of the February 21, 1974 call, advised both voices were that of the same individual.

HE AGAIN TOLD DOCTOR THIS IMPOSSIBLE. HEARST TOLD DOCTOR HE HAD AGREED TO FIRST PLAN AND WOULD STILL GO THROUGH WITH IT PROVIDING DAUGHTER RELEASED. HE ALSO TOLD DOCTOR ANY PLAN COULD NOT BE CARRIED THROUGH WITHOUT THE FBI'S PRIOR KNOWLEDGE. HE ALSO SAID HE WOULD NOT DO ANYTHING WHICH COULD RESULT IN BOTH HE AND DAUGHTER BEING HELD AS HOSTAGES.

BECAUSE OF LACK OF TIME, WAS IMPOSSIBLE TO GET MESSAGE ON 11:00PM NEWS. INFORMATION REGARDING FOOD PROGRAM WILL BE BROADCAST MORNING OF FEBRUARY 26, 1974. HEARST FEELS THIS ENTIRE PLAN HIGHLY IMPROBABLE BUT IS WILLING TO CONTINUE IT OFF CHANCE PEOPLE ARE IN CONTACT WITH KIDNAPERS.

RE: PATRICIA MICHELLE SOLTYSIK, AKA MIZMOON MONIQUE SOLTYSIK:

SOLTYSIK, REPORTEDLY DURING THE SPRING OF 1973, WAS CLOSELY ASSOCIATED WITH INDIVIDUAL BELIEVED TO BE SLA FUGITIVE DONALD DAVID DE FREEZE. A REVIEW OF PERSONAL PAPERS OF MIZMOON, WHICH WERE OBTAINED BY THE LOS ANGELES OFFICE FROM [redacted] AND FORWARDED TO SAN FRANCISCO ON [redacted] FEBRUARY 23, 1974, INDICATES A PERSONAL NOTE CAPTIONED "HONEY", SIGNED BY "CIN", INDICATING THAT HE IS GOING TO THE LAUNDRY TO DO SOME WASHING AND THAT THERE IS FOOD IN THE ICE BOX, AND THAT HE WILL SEE HER LATER. THE HANDWRITING ON THIS NOTE HAS BEEN COMPARED WITH THE KNOWN HANDWRITING OF DE FREEZE AND IT APPEARS THAT THIS IS DE FREEZE'S HANDWRITING.

END OF PAGE TWO

[redacted] HE ADVISED THAT [redacted] WAS A REPUTABLE INDIVIDUAL AND WOULD NOT ENGAGE IN SLA ACTIVITIES. SAN FRANCISCO IS ENDEAVORING TO LOCATE AND INTERVIEW THIS INDIVIDUAL. [redacted] IN AN EFFORT TO DETERMINE ANY INFORMATION WHICH WILL ASSIST IN ASCERTAINING THE PRESENT WHEREABOUTS OF MIZMOON. SAN FRANCISCO FEELS THAT WE SHOULD CONTINUE TO REMAIN IN CONTACT WITH [redacted] HOWEVER, WE SHOULD IN THE IMMEDIATE FUTURE INTERVIEW [redacted] FOR ANY PERTINENT INFORMATION SHE MAY POSSESS CONCERNING MIZMOON AND DE FREEZE.

IT SHOULD BE NOTED THAT [redacted] IN CORRESPONDENCE DIRECTED TO MIZMOON'S [redacted] WHICH CORRESPONDENCE WAS INTENDED FOR MIZMOON BUT WAS RETURNED AND SUBSEQUENTLY FORWARDED TO [redacted] INDICATED THAT [redacted] WAS FAMILIAR WITH THE SLA, AND THAT [redacted] WITH MIZMOON AND MADE REFERENCE TO CIN OR SIN.

INVESTIGATION CONTINUING AT SAN FRANCISCO IN AN EFFORT TO LOCATE AND INTERVIEW CAMILLE HALL, MIZMOON'S FORMER [redacted] ROOMMATE, AT BERKELEY, CALIFORNIA. THE CHICAGO OFFICE HAS CONTACTED HALL'S [redacted], WHO ADVISED THAT IN TELEPHONIC CONTACT WITH HER PRIOR TO HER DISAPPEARANCE, SHE ADVISED HIM THAT SHE WAS GOING TO WORK AS A GARDENER AT TWO ESTATES IN PALO ALTO, CALIFORNIA, AREA. IN ADDITION, HE FURNISHED THE NAME OF A BANK AT BERKELEY WHERE CAMILLE MAINTAINED AN ACCOUNT AND ADVISED THAT DURING THE LATTER PART OF FEBRUARY, 1974, HE HAD SENT TWO CHECKS TOTALLING $1500 TO HER, WHICH CHECKS HAVE NOT AS YET BEEN RETURNED TO HIS BANK.

IT IS TO BE NOTED THAT THE FBI LAB ADVISED BY COMMUNICATION THIS DATE THAT IT HAD BEEN DETERMINED THAT HANDWRITING, RECOVERED DURING A SEARCH BY THE OAKLAND PD ON THE PREMISES LOCATED ON SUTHERLAND COURT, CLAYTON, CONTRA COSTA COUNTY, ON JANUARY 10, 1974, WAS IDENTICAL WITH THE KNOWN HANDWRITING OF MIZMOON.

SAN FRANCISCO CONSIDERS MIZMOON A PRIME SUSPECT IN CAPTIONED MATTER AND AS BEING IDENTICAL WITH THE UNSUB WHITE

FEMALE OCCUPYING THE VOLKSWAGEN WHICH WAS IN THE IMMEDIATE AREA ON THE EVENING OF THE KIDNAPPING.

RE: INVESTIGATION BEING CONDUCTED ON KNOWN AND SUSPECTED SLA MEMBERS:

[redacted] INTERVIEWED THIS DATE IN THE PRESENCE OF SAN FRANCISCO MOVEMEMT ATTORNEY CHARLES GARRY, ADMITS ASSOCIATION WITH FUGITIVE [redacted] BETWEEN AUGUST AND NOVEMBER, LAST. [redacted] HAS NO INFORMATION CONCERNING HIS PRESENT WHEREABOUTS OR ASSOCIATES AFTER THAT DATE, AND BELIEVES HE DOES NOT KNOW HER WHEREABOUTS BECAUSE SHE HAS ASSUMED FICTITIOUS IDENTITY BECAUSE OF THREATS FROM SLA.

[redacted] REPORTED SLA OR SYMBIONESE FEDERATION WAS IN EXISTENCE IN AUGUST OF 1973 AS BRAINCHILD AND UNDER LEADERSHIP DONALD DAVID DE FREEZE, KNOWN AS CINQUE. HE COMPLETELY DOMINATED THE ORGANIZATION AND WOULD STAND NO CRITICISM. [redacted] STATES TO HER KNOWLEDGE, THE SLA CONSISTS OF DE FREEZE, NANCY LING PERRY, AND A CAUCASIAN FEMALE, AGE

25 FROM SANTA BARBARA, CALIFORNIA, AND A FORMER STUDENT AT UNIVERSITY OF CALIFORNIA, BERKELEY, KNOWN AS ZOYA AND RUSSELL LITTLE. SHE ADMITS SLA MEMBERS PROBABLY CONSIDERED [redacted] AND HERSELF MEMBERS PRIOR TO THEIR BREAK IN MID-OCTOBER, LAST, BECAUSE THEY HAD FREQUENTED MEETINGS WITH THE GROUP IN A HOUSE AND APARTMENT, OAKLAND. SHE STATES MEMBERS WERE ARMED WITH HANDGUNS AND HAD AN ARSENAL. [redacted] ADMITS VIEWING ELABORATE ORGANIZATIONAL CHARTS OF SLA SHOWING COMBAT, COMMUNICATION, MEDICAL UNITS, ETC., BUT SHE STILL BELIEVES THE GROUP CONSISTED ONLY OF A HANDFUL. [redacted] DISAGREED WITH DE FREEZE'S CALL FOR VIOLENCE, AND THAT THEY BROKE AWAY FROM THE GROUP. IN MID-OCTOBER, LAST, CINQUE, NANCY LING PERRY, AND ZOYA TOOK $600 FROM HER AT GUNPOINT. SHE IS DEATHLY AFRAID OF SLA AND BELIEVES THEY CONSIDER HER A WEAK LINK.

HER ATTORNEY WILL NOT ALLOW HER TO DISCUSS ANY OTHER FINANCES SHE MAY HAVE FURNISHED TO THE ORGANIZATION. SHE DID ADVISE THAT [redacted] UTILIZES THE ALIAS OF [redacted] BUT RESISTS QUESTIONS TO DEVELOP LEADS FOR HIS WHERABOUTS.

[redacted] POSITIVELY IDENTIFIED THE NEGRO MALE SPEAKER ON THE HEARST TAPE AS BEING DE FREEZE. INTERVIEWS WILL CONTINUE TOMORROW, PHOTOGRAPHS WILL BE EXHIBITED, AND SHE WILL BE AFFORDED AN OPPORTUNITY TO HEAR ALL TAPES. SHE WILL SPECIFICALLY BE SHOWN A PHOTOGRAPH OF MIZMOON SOLTYSIK BECAUSE THE DESCRIPTION AND BACKGROUND WOULD INDICATE THAT SHE IS ZOYA.

RESCTEL TO THE BUREAU 2/21/74.

RETEL CONCERNS SACRAMENTO VIEWS THAT SACRAMENTO'S SWAT TEAM SHOULD BE APPRISED OF CONTINGENCY PLANS TO BE UTILIZED IN THIS CASE AS WELL AS ITS PARTICIPATION IN ANY REHEARSALS.

SAN FRANCISCO SHOULD INSURE THIS MATTER BE GIVEN APPROPRIATE CONSIDERATION AND IF IT CONCURS WITH SACRAMENTO'S VIEWS, SAN FRANCISCO SHOULD SUBMIT APPROPRIATE RECOMMENDATIONS TO THE BUREAU. IF NOT ALREADY DONE, FURNISH SACRAMENTO COPY OF CONTINGENCY PLANS PREVIOUSLY DEVELOPED. IT WOULD APPEAR THAT IN VIEW OF SACRAMENTO'S CLOSE PROXIMITY TO SAN FRANCISCO, SWAT TEAM COULD BE UTILIZED ON SHORT NOTICE AND ANY TRAVEL AT THIS TIME MIGHT BE PREMATURE.

NOTE: Sacramento, in retel, pointed out that in view of its coverage of approximately 60% of the State of California, it is likely to become involved in any raids which might develop in this case. Sacramento expressed opinion that it should be apprised of contingency plans as previously developed by San Francisco and that it should participate in any rehearsals. It is believed that this matter should be resolved only with recommendations of San Francisco, who is office of origin in this matter.

SUBJECT: HEARNAP

Enclosed for the FBI Laboratory is (1) a cellophane envelope containing a white envelope marked "KQED" and a one page letter entitled "Open Letter to the Media", (2) a cellophane envelope containing a cassette, and (3) a photostat of the envelope and letter.

Items 1 and 2 were received from [redacted] on 2/22/74, and had been discovered in the restroom of Foster's restaurant at 625 Mission Street, San Francisco.

(4) is a cellophane envelope containing another "Open Letter to the Media" that was delivered to the SAC's office by messenger by KQED on 2/22/74.

For the information of the Laboratory, the cassette is almost word for word identical to "Open Letter to the Media" and the items appear to have come from the group who directed communiques to the media on 2/20 last, claiming they were dissidents of the Symbionese Liberation Army (SLA). The FBI Laboratory is requested to make handwriting and typewriting examination of these items furnishing any information available concerning watermarks and indented writing. The typing and handwriting should be compared with previous submissions in HEARNAP, the SLA matter, and the August 7th Guerilla Movement.

Any information discovered concerning the cassette should also be furnished and if it is possible to determine if the cassette was prepared on the same machine that prepared the

ARMED AND DANGEROUS.

The press coverage of our OPEN LETTER TO THE PEOPLE yesterday was, with a single exception, that of TV and Radio Station KQED, a total distortion of our message. It appears that it is necessary to kidnap a wealthy individual in order to get a fair hearing. The experience of the last day has taught us again with sharp new clarity the extent to which the American people are systematically mis-informed day in and day out by the ruling class-owned media. The established media seem to be truth-proof; they filter every item of news through their own ideology and a misguided sense of "newsworthiness", so that even our message, through selection, omission, and distortion (both intended and by habit), was made to represent us as pacifists, anarcho-syndicalists and/or anti-Marxists, and in general as anything but what we are.

We are not pacifists, but we are not violentists either. We are not "anarcho-syndicalists" or "anarchists" -- our theory originates in Marx (NOT in Lenin, Stalin, Mao, etc.), and in the outbreaks of revolutionary practice by the proletariat throughout the last one-hundred years, such as the Paris Commune of 1871, and the Hungarian revolution of 1956, in all of which forms of workers' councils were created.

If the American and world public is ever to know what really happened and why it happened, concerning the Foster assassination and the Hearst kidnaping so that they can judge for themselves instead of receiving pre-digested messages, our original statement will have to be made public, both uncut and with the present addition included, by the following media that distorted it yesterday:

SF Chronicle
SF Examiner
Oakland Tribune

KRON TV
KPIX TV

KPFA Radio

Our original decision not to reveal the whereabouts of the SLA, or our own, remains and will remain. We intend to reveal only WHAT HAPPENED, HOW IT HAPPENED, AND WHY.

DAILY SUMMARY 2/22 - 24/74

INVESTIGATION BEING CONDUCTED ON KNOWN OR SUSPECTED SYMBIONESE LIBERATION ARMY (SLA) MEMBERS:

Patricia Michelle Soltysik,
aka Mizmoon Monique Soltysik

[redacted] also made available Patricia Soltysik's personal papers which have been forwarded to San Francisco. Review of these papers reflect Soltysik's revolutionary political philosophy and indicate previous lesbian activity with [redacted] who resides Boise, Idaho. [redacted] wrote a letter to Soltysik dated 2/12/74 directed to Soltysik's Berkeley address, which was returned marked "Moved - No Address - Return to Sender" and forwarded inside a second envelope to [redacted] residence in Goleta, California. Bates to Gebhardt memo
RE: HEARNAP

[redacted] mentions when she reads about the SLA she thinks of Soltysik. [redacted] also tells Soltysik she could possibly remain unnoticed in Boise should she ever need to. [redacted] further remarks she remembers the man "Sin" or "Cin" and wishes him well.

Preliminary inquiry at Boise, Idaho, reveals [redacted] is the daughter of an [redacted] Butte SAs attempting to interview [redacted] and enlist his complete cooperation in this matter. [redacted] obviously does not know Soltysik's location and is sympathetic to her situation. We are not now interviewing [redacted] as it is conceivable that Soltysik will contact her for assistance in the future and arrangements are being attempted to afford any communication to [redacted] appropriate coverage to determine Soltysik's location.

RANDOLPH A. HEARST:

Mr. Hearst, in response to the SLA's demand for an additional $4 million to the needy, at a press conference 2/22/74, stated "The size of the demand is beyond my financial capabilities, therefore, the matter is out of my hands". Charles Gould, Hearst executive and confidant, at the press conference announced that the Hearst Corporation was prepared to contribute an additional $4 million to the food distribution program; $2 million now and $2 million in January, 1975, provided the victim is released unharmed. If the offer was not acceptable by SLA, no other funds will be committed under any circumstances. Mr. Hearst continues to be extremely cooperative with the FBI and has indicated to SAC, San Francisco that he was through dealing with the unreasonable demands of the SLA.

[redacted] was contacted by Rev. Cecil Williams on 2/23/74, and subsequently met with him at the Hilton Hotel, San Francisco. There he was introduced to a Black medical doctor and internist from San Francisco, not further identified, who stated that a patient of his allegedly had a contact with the kidnapers and that they wanted out. The kidnapers wanted $100,000 not to be identified as ransom and a long range plane for flight to a foreign country. [redacted]earst is to go in the plane with the kidnapers as insurance and they will then release the victim. [redacted] Hearst signed a paper indicating he agreed with the plan provided his daughter is released. Williams and the doctor indicated they would immediately try to contact unknown subjects and would advise Hearst. SAC, San Francisco emphasized

to Mr. Hearst that this transaction appears to be phoney and that he should take no action without proof that victim would be released prior to any further action. Mr. Hearst had been advised not to relate the above to the FBI but as previously indicated, would take no action without prior knowledge of the San Francisco Office. By WFT

DISTRIBUTION OF FOOD IN RESPONSE TO INITIAL DEMANDS BY SLA:

On 2/22/74, distribution of food was initiated in accordance with previous arrangements made after the $2 million contribution. Numerous disturbances occurred and it was necessary for police to intervene. At the food distribution center, 8740 East 14th Street, Oakland, California, police officers were rocked and bottles were thrown. An unidentified cameraman was injured during the melee and removed from the area in an ambulance. Oakland Police Department patrol units ultimately cleared the street and the crowd dissipated.

GLOVE LOCATED IN VEHICLE IN WHICH VICTIM WAS FIRST TRANSPORTED:

As previously indicated in summary memorandum dated 2/20/74, a leather and cloth glove had been found in the vehicle of Peter Benenson. Color photographs of the glove were furnished to appropriate offices in effort to identify its owner as Benenson had denied any knowledge of it. Glove was displayed by Indianapolis to [redacted] close friend and sorority sister of Emily Harris. [redacted] advised that the glove appeared similar to gloves owned by Emily Harris in 1970. It was also determined that Emily Harris was employed on a part-time basis with the Ayers Department Store, Bloomington, Indiana, the sole outlet for this glove in the United States. The photograph of the glove was also displayed to the former manager of another store owned by L. S. Ayers and she identified it as being identical to a pair of driving gloves worn by Emily Harris. It is noted previous investigation has indicated that Emily and William Harris are close associates with the SLA and are believed to have beer directly involved with the kidnaping

ADDITIONAL EXTORTIONATE DEMANDS RECEIVED BY HEARST:

In response to the extortionate demand received by Mrs. Hearst 2/19/74, for $50,000 to be placed at a site near Laredo Air Force Base, Laredo, Texas, the San Antonio Office prepared

a brown brief case which was placed at the designated spot the evening of 2/21/74. A surveillance was maintained, however, no attempt was made by unknown subject to retrieve the brief case.

Radio Station KPFA, Berkeley, also received a tape cassette in a manila envelope which purported to be from the SLA and stated that the victim had been taken to the New York City area where she was being held captive. The tape cassette contained involved instructions for travel of Mr. Hearst to New York on 2/27/74; borrowing or renting a transceiver set on a specific frequency; renting a helicopter and proceeding to vicinity of Prospect Park in Brooklyn and via the transceiver, contacting the SLA using code names. The helicopter pilot would then be instructed to land and an SLA pilot will then fly the helicopter to a "secret base".

This appears to be another phoney extortionate demand, however, New York attempting to afford appropriate coverage.

A definite conclusion was not reached whether the questioned writing on items previously submitted in this case, the case captioned "SYMBIONESE LIBERATION ARMY (SLA) EM" or "AUGUST SEVENTH GUERILLA MOVEMENT (ASGM) EM" was prepared by the writer or writers of questioned writing on Q55, due to the presence of unexplained variations and the lack of sufficiently comparable writing.

Memorandum

TO : Mr. W.R. Wannall

DATE: 2/26/74

FROM : H.A. Boynton, Jr.

SUBJECT: HEARNAP

On 2/22/74 [redacted] who identified himself as an employee of Sparcom at Route I95 and Seminary Road in Virginia (telephone 370-2200), contacted Supervisor [redacted] stated he had been contacted by a Dr. Murray Miron at Syracuse University. Miron contacted [redacted] seeking advice concerning a request by CBS that Miron appear on a television program to give his analysis of voice tapes in possession of CBS containing the voices of the kidnappers in this case. Dr. Miron does "semantic differential" analyses and from these analyses apparently draws a psychological profile of the speaker. Miron has previously done work under contract for Sparcom on psychological profiles of aircraft hijackers for the Federal Aviation Administration. [redacted] question was what advice he should give to Dr. Miron about appearing on television. [redacted] was advised by [redacted] that inasmuch as the victim is still being held, this case is in a very delicate situation. While the FBI could not prohibit Miron from appearing on television to discuss this case, it was not believed that such an appearance would in any way be helpful to the case, the victim or her family. [redacted] said he would relay this information to Dr. Miron.

Later in the afternoon Dr. Miron contacted [redacted] directly from Syracuse again seeking the Bureau's position as to his possible appearance on television. He stated that he was "terribly torn" as to what to do in this case. He was reluctant to discuss the Hearst case specifically but thought he would make a counteroffer to CBS to discuss terrorism generally. He felt his appearance might be helpful in encouraging the American public to look closely at the developing social disease of terrorism in this country. He did not want to do anything that would in any way jeopardize the safety of the victim in this case.

Re: HEARNAP

Specimens received 2-20-74, f

Q56 White envelope postmarked "U.S. POSTAL SERVICE, NV 890 Al PM 14 FEB 1974," bearing hand printed address "P.B.I., 300 Las Vegas Bl South, Las Vegas, Nev."

Q57 Sheet of paper bearing hand printing beginning "Miss Patricia Hearst is being held ..."

Result of examination:

Q56 and Q57 were not associated with material maintained in the Anonymous Letter File.

A definite conclusion was not reached whether the hand printing on Q56 and Q57 was prepared by the writer or writers of the hand printing on items previously submitted in this case, the case captioned "SYMBIONESE LIBERATION ARMY (SLA) EM" and the case captioned "AUGUST SEVENTH GUERILLA MOVEMENT (ASGM) EM", due to the presence of unexplained variations and the lack of sufficiently comparable writing.

No watermarks, discernible indented writing of significance or other characteristics to aid in definitely determining their source were found. An eight cent U.S. Postal Service stamp torn from a roll of stamps, is affixed to Q56.

Q56 and Q57, which have been photographed, are being returned separately.

IN A SEARCH OF THE SUTHERLAND COURT HOUSE, A GREAT AMOUNT OF PAPERS WERE Wm Wolfe LOCATED AND SOME OF THESE PAPERS CONTAINED THE NAME OF [redacted] WOLFE. RE ROBYN SUE STEINER.

MIAMI HAS PREVIOUSLY BEEN FURNISHED BACKGROUND INFORMATION CONCERNING THE SYMBIONESE LIBERATION ARMY (SLA) IN SAN FRANCISCO LHM'S OF NOVEMBER 9, 1973, AND FEBRUARY 5, 1974. PAGE 14 OF THE LAST LHM LISTS SUSPECTED SLA MEMBERS INCLUDING ROBYN STEINER. SUBSEQUENT INVESTIGATION HAS INDICATED THAT SLA MEMBERS IN THE SAN FRANCISCO AREA INCLUDE NANCY LING PERRY, WILLIAM WOLFE, DONALD DAVID DE FREEZE (KNOWN AS CINQUE), [redacted] RUSSELL LITTLE, JOSEPH MICHAEL REMIRO, ROBYN STEINER, EMILY AND WILLIAM HARRIS, ANGELA ATWOOD, [redacted] AND OTHERS.

REC-88 7-15200-629

STEINER TRAVELED TO CALIFORNIA WITH RUSSELL JACK LITTLE AND LIVED WITH HIM FOR SOME TIME. ON JANUARY 10, 1974, RUSSELL LITTLE AND JOSEPH REMIRO WERE ARRESTED NEAR CONCORD, CALIFORNIA, AND SUBSEQUENTLY CHARGED WITH THE SLAYING OF OAKLAND, CALIFORNIA, SUPERINTENDENT OF SCHOOLS, MARCUS FOSTER, ON NOVEMBER 6, 1973. IN NOVEMBER, 1973,

STEINER APPARENTLY ABRUPTLY CHANGED HER APPEARANCE AND DRESS FROM BEING A "STREET PERSON", CUT HER LONG HAIR, DISCARDED HER GRANNY GLASSES, AND DRESSED IN NORMAL ATTIRE. ASSOCIATES HAVE STATED THAT SHE WAS SCARED AND AFRAID, AND DEPARTED CALIFORNIA IN LATE NOVEMBER OR EARLY DECEMBER, 1973, TO RETURN TO MIAMI, FLORIDA.

INVESTIGATION INDICATES THAT THE SLA IS DOMINATED AND CONTROLLED BY DONALD DAVID DE FREEZE, AKA CINQUE. HE IS BELIEVED TO BE LIVING AND RELATING PHYSICALLY AND PHILOSOPHICALLY WITH NANCE LING PERRY, AS WELL AS A YOUNG WOMAN (CAUCASIAN) KNOWN AS ZOYA, WHO MAY BE IDENTICAL WITH PATRICIA MICHELLE SOLTYSIK, AKA MIZMOON MONIQUE SOLTYSIK. SOLTYSIK WAS BORN IN 1950, IS 5 FEET 4 INCHES TALL, 134 POUNDS, BROWN HAIR, AND BROWN EYES.

END PAGE TWO

TO AID IN THE QUESTIONING OF STEINER, IT SHOULD BE NOTED THAT THE RECORDS OF THE RECORDER'S OFFICE, COUNTY OF ALAMEDA, HAS ON FILE AN APPLICATION FROM ROBYN STEINER WITH FLORIDA DRIVERS LICENSE NUMBER [redacted] FOR PERMISSION TO EXAMINE RECORDS WHICH, IN THIS CASE, ARE BELIEVED TO BE BIRTH AND DEATH RECORDS. THE RECORDER'S OFFICE ALSO LIST A BIRTH CERTIFICATE FOR A JOANN RENEE MOSER, BORN MAY 30, 1949, WITH A SUBSEQUENT DEATH CERTIFICATE. THERE IS A CALIFORNIA DRIVERS LICENSE ISSUED IN THE NAME OF JOANN RENEE MOSER, 1621 SEVENTH AVENUE, OAKLAND, CALIFORNIA. THE PICTURE ON THAT DRIVERS LICENSE APPEARS TO BE IDENTICAL TO STEINER, AND THE WRITING APPEARS SIMILAR TO HER SIGNATURE.

STEINER, WHILE IN OAKLAND, LIVED AT 5939 CHABOT ROAD WITH RUSSELL LITTLE AND LATER MOVED TO 434 - 41ST STREET WHERE SHE APPARENTLY LIVED WITH WILLIAM AND EMILY HARRIS AND POSSIBLY ANGELA ATWOOD. THE ADDRESS ON MOSER'S DRIVERS LICENSE IS BELIEVED TO HAVE BEEN A HIDEOUT USED BY THE SLA IMMEDIATELY AFTER THE MURDER OF MARCUS FOSTER ON NOVEMBER 6, 1973.

END PAGE THREE

ON JANUARY 16 AND 18, 1974, A REPRESENTATIVE OF THE OAKLAND, CALIFORNIA, POLICE DEPARTMENT INTERVIEWED STEINER IN THE PRESENCE OF HER ATTORNEY, PHILLIP CARLTON, JR. HE OBTAINED VERY LITTLE INFORMATION FROM HER. [redacted] FOR ANY INFTORMATION IN HER POSSESSION CONCERNING THE POSSIBLE PARTICIPANTS IN ABOVE CAPTIONED MATTER, SPECIFICALLY QUESTIONING HER CONCERNING [redacted] CINQUE DE FREEZE, NANCY LING PERRY, PATRICIA MICHELLE SOLTYSIK, ANGELA ATWOOD, AND WILLIAM AND EMILY HARRIS, ALL OF WHOSE WHEREABOUTS ARE PRESENTLY UNKNOWN. ROBYN STEINER SHOULD BE QUESTIONED IN DETAIL CONCERNING THE SITES OF ANY POSSIBLE FIREARMS TRAINING UTILIZED BY THE SLA, AND ANY POSSIBLE SAFE-HOUSES IN THE OAKLAND AREA OR SUBURBAN AREAS.

END PAGE FOUR

Probat info re Steiner

IF STEINER APPEARS TO BE COOPERATIVE, SHE SHOULD BE DEBRIEFED IN DETAIL CONCERNING HER COMPLETE KNOWLEDGE AND HER PERSONAL ACTIVITY IN THE SLA.

PHOTOGRAPH OF SOLTYSIK, DRIVER'S LICENSE OF JOANN RENEE MOSER, AND PHOTOGRAPHS OF EMILY AND WILLIAM HARRIS AND ANGELA ATWOOD ARE BEING FORWARDED BY AIRTEL. THE DRIVERS LICENSE FOR JOAN RENEE MOSER SHOULD BE RETURNED TO SAN FRANCISCO AT COMPLETION OF INTERVIEW. MIAMI IS IN POSSESSION OF PHOTOGRAPHS OF [redacted] AND DONALD DAVID DE FREEZE.

PREFERRED AND INTENSIVE INVESTIGATION ATTENTION CONTINUES TO BE AFFORDED MIZMOON. ON FEBRUARY 26, 1974, WE RECEIVED PHOTOGRAPHS, THE PROPERTY OF MIZMOON, WHICH WERE OBTAINED BY THE LOS ANGELES OFFICE [redacted] FEBRUARY 25, 1974. THIS MATERIAL CONSISTS OF APPROXIMATELY

793 PHOTOGRAPHS WHICH WE ARE REVIEWING ON AN EXPEDITIOUS BASIS. WE BELIEVE WE HAVE IDENTIFIED A PHOTOGRAPH OF CAMILLA HALL, MIZMOON'S LAST KNOWN ROOMMATE AT BERKELEY, CALIFORNIA. IN ADDITION, WE HAVE DETERMINED THAT HALL HAS A 1967 BLUE VOLKSWAGEN BUG REGISTERED TO HER BEARING CALIFORNIA LICENSE 184 CRO. [redacted] SAN FRANCISCO FEELS THAT THIS WAS A SUBTERFUGE ON MIZMOON'S PART, AND THAT SHE DID NOT IN FACT PURCHASE ANY SUCH VEHICLE, HOWEVER, [redacted] DURING THE LATTER PART OF 1973, SHE INDICATED THAT A VOLKSWAGEN BUG IN HER POSSESSION AT THAT TIME WAS THE BUG PURCHASED BY HER. WE ARE MAKING EVERY EFFORT TO LOCATE THIS BUG SINCE IT IS FELT THAT THIS WAS THE VEHCILE OBSERVED IN THE AREA DURING THE NIGHT OF THE KIDNAPING AND AND THIS VEHICLE IS BEING UTILIZED BY MIZMOON AND CAMILLA HALL.

PHOTOGRAPHS OBTAINED WILL BE EXHIBITED TO WITNESSES. TO INFORMANTS AND SOURCES, AND TO OTHER INDIVIDUALS WHO MIGHT

BE ABLE TO IDENTIFY THE INDIVIDUALS DEPICTED AS BEING ASSOCIATES OF MIZMOON AND AFFILIATED WITH HER IN THE SLA.

Memorandum to Mr. Gebhardt
RE: HEARNAP

Patricia Michelle Soltysik,
aka. Mizmoon Monique Soltysik

[redacted]

Consideration being given to placing an ad in the "Berkeley Barb," an underground newspaper requesting that Mizmoon contact her mother since there is an illness in the family.

Mary Alice Siem

[redacted] reported that SLA or Symbionese Federation was in existence in August, 1973, and under the leadership of Donald David DeFreeze known as Cinque who completely dominated the organization and tolerated no criticism. She stated that SLA to her knowledge consists of DeFreeze, Nancy Ling Perry, a white female from Santa Barbara, California, former student at University of California, Berkeley, known as Zoya, and Russell Little. She stated that the members were armed with handguns and had an arsenal. She admits viewing elaborate organizational charts of SLA showing combat, communication, and medical units. She said she still believes the group consisted of only a handful and noted that [redacted] disagreed with DeFreeze's call for violence and for that reason [redacted] broke away from the group.

[redacted] positively identified the Negro male speaker on the Hearst tape as being DeFreeze. She is to be reinterviewed 2/26/74, photographs will be exhibited and she will be afforded an opportunity to hear all tapes. She will be specifically shown a photograph of Mizmoon Soltysik inasmuch as it would appear that she is Zoya.

INVESTIGATION CONCERNING EMILY AND WILLIAM TAYLOR HARRIS:

Photographs of the glove found in the Benen[illegible]n vehicle displayed [redacted] on 2/25/74. [redacted] denied knowing if Emily possessed similar type gloves.

[redacted]

As may be recalled, the main post office at Santa Clara, California, was being afforded intensive coverage. This coverage, which was designed to locate a letter addressed to Janet Cooper from William T. Harris's mother containing funds for Harris, has not been received. Our surveillance is being discontinued, however, arrangements have been made with the postmaster and the individual in charge of the General Delivery window to hold any mail received at General Delivery for Janet Cooper until the FBI has been alerted and our surveillance re-established.

LABORATORY EXAMINATIONS:

The FBI Laboratory, Document Section, has been conducting examinations of voluminous material submitted by the Oakland, California, Police Department, concerning the murder of Doctor Marcus Foster. Handwriting comparisons with that material and purported known writing of Nancy Ling Perry and Patricia Michelle Soltysik, aka. Mizmoon, has resulted in conclusions that those two individuals had prepared some of the questioned writing. Although no positive conclusion could be made, similarities were observed comparing writing of Perry with writing on the manila envelopes containing tapes received by KPFA Radio Station and Reverend Cecil Williams submitted in this case. From an investigative standpoint, this strongly indicates the close association of Soltysik and Perry and their possible presence in residences searched by Oakland Police Department. Attempts are continuing to obtain additional known writing of all suspects this case and especially Perry, who based on the Laboratory examination, might have prepared the manila envelopes utilized in mailing the extortion tapes. A review of personal papers of Mizmoon [redacted] indicates a personal note captioned "Honey" and signed by "Cinque." The handwriting of this note has been compared with the known handwriting of DeFreeze and it appears this is DeFreeze's handwriting.

ADDITIONAL EXTORTIONATE DEMAND RECEIVED BY HEARST INVOLVING NEW YORK CITY:

In connection with investigation concerning this matter in New York, our New York Office has made arrangements to utilize unmarked New York City Police Department helicopter. In addition, arrangements have been made with New York Office of Federal Communications Commission to attempt a triangulation in an effort to locate individual who might make radio transmission in connection with this extortion on frequency 146.41. This plan is set for 2/27/74.

ALCOHOL, TOBACCO AND FIREARMS SOURCE:

This source, who furnished information concerning SLA plans to kill police and Government officials, was located and interviewed 2/25/74. His information was extremely vague and contradictory. It is being evaluated and attempts being made to corroborate it. Although his reliability appears questionable, it is being followed through.

CONFERENCE WITH ASSISTANT U.S. ATTORNEY (AUSA), SAN FRANCISCO, 2/25/74:

AUSA Cimmet on 2/25/74, reviewed available material and indicated that he desired to make further study of all available evidence looking toward the preparation of search warrants and the possibility of initiating Title III coverage on SLA members. SFO maintaining close contact with U. S. Attorney's Office in this regard.

[redacted]

RANDOLPH A. HEARST, VICTIM'S FATHER:

SAC, SFO continues regular contacts with Mr. Hearst in regard to information previously furnished concerning the approach for the release of victim for $100,000, the exchange of Mr. Hearst for victim, and a subsequent long-range air flight to a foreign country; there have been no further developments concerning this matter.

Memorandum to Mr. Gebhardt
RE: HEARNAP

LETTERS RECEIVED AT REDDING, CALIFORNIA, AND BOSTON, MASSACHUSETTS FROM SLA:

The managing editor of the Redding, California, newspaper furnished a letter postmarked 2/22/74, Cottonwood, California, signed by SLA in which it states that SLA was establishing a headquarters in Shasta County, California. The envelope and letter are to be forwarded to FBI Laboratory for examination.

Mr. Harold L. Kern, Publisher, Herald - American Newspaper, who is on the Board of Directors for the Hearst Foundation, Boston, Massachusetts, advised on 2/25/74, he received a letter signed "General Field Marshal Cinque, Symbionese Liberation Army." The letter dated 2/23/74, was mailed from Boston. It would appear that this letter was written by a disgruntled employee as it calls Mr. Kern "slave driver and selfish." This letter also being forwarded to FBI Laboratory for examination.

Formed in December, 1970 the VO, also known as Venceremos, is a militant Marxist-Leninist-Maoist organization composed of third world and white revolutionaries operating in the San Francisco Peninsula area. The publicly stated goal of the VO is to build a united front against the imperialist United States leading to the overthrow of the United States Government by force and violence, armed struggle, and urban guerrilla warfare. The VO has publicly stated that all members must know how to operate and service weapons and have weapons available.

San Francisco Bay Area media on September 28, 1973, quoted Venceremos leaders that the organization had disbanded and was no longer in existence.

On January 10, 1974, a house in Clayton, California was partially burned as a result of an arson believed to be committed by the tenants, who are believed by the Oakland Police Department to be members of the SLA.

The fire was extinguished before the house was totally consumed and the police searched the residence. Following the police search, [redacted] appeared at the residence and removed additional material.

Q71 Two cigarette butts and five matches obtained from telephone booth at corner of 13th and Broadway in Oakland, California, and a hair from service desk.

Also Submitted: Piece of tinfoil; 28 cards of latent prints from telephone booth at the Chevron station, 1400 Pine St., San Francisco, six cards of latent prints from telephone booth at Arco station at Castro and Market Streets, San Francisco; and fifteen cards of latent lifts from telephone booth at 13th and Broadway, Oakland, California

Specimens received 2-25-74, from SAC, San Francisco:

Q90 Envelope bearing hand printing "KQED"

Q91 Photocopy of typewritten letter entitled "OPEN LETTER TO THE MEDIA"

Q92 Typewritten one page letter entitled "OPEN LETTER TO THE MEDIA"

Q93 AMPEX 90 cassette tape

Result of examination:

Q66, Q68 and Q70 are photocopies of the same original.

Q91 is a photocopy of Q92.

The conclusion was reached that the typewriter used to prepare Q92 was not used to prepare the typewriting on the original pages from which Q66, Q68 and Q70 were made, and was not used to prepare the questioned typewriting on other items previously submitted in this case, case captioned "SYMBIONESE LIBERATION ARMY (SLA) EM" and the case captioned "AUGUST SEVENTH GUERILLA MOVEMENT (ASGM) EM." Also, the conclusion was reached that the typewriter or typewriters used to prepare the original pages from which Q66, Q68 and Q70 were made was not used to prepare the questioned typewriting on items previously submitted in this case, the SLA case or the ASGM case.

The typewriting on Q66, Q68 and Q70 most closely corresponds to Laboratory standards for a Ransmayer elite style of type, spaced twelve characters per horizontal inch and used on typewriters manufactured under brand names including Adler, Halda/Facit, Olympia, Royal, Triumph, R.C. Allen and Smith-Corona.

The typewriting on Q92 corresponds to Laboratory standards for a Ransmayer style of type spaced 210mm per one hundred characters and used on typewriters manufactured under brand names including Rooy, Patria, Torpedo and Remington.

A definite conclusion was not reached whether the hand printing on Q65, Q67, Q69 and Q90 was prepared by the same person or persons or was prepared by the writer or writers of the unidentified questioned hand printing on items submitted in this case, the SLA case or the ASGM case.

The cigarette butts in specimen Q71 consists of one Marlboro brand originally 85mm long and sold in a hard pack and one Kool brand originally 100mm long and sold in a soft pack.

The torn ends of the five paper matches in Q71 may be of value for matching with the remaining ends in the matchbook from which they were removed.

A single brown limb hair of Caucasian origin was found in Q71; however, this hair is not suitable for comparison purposes.

The torn ends of the reinforced tape on specimens Q65, Q67, Q69 and Q90 may be of value for association with a suspect roll of tape.

Q92 bears the watermark "MILLER FALLS EZERASE COTTON CONTENT" which is registered to the Millers Falls Paper Company, Millers Falls, Massachusetts. No other watermarks, indented writing of significance or other characteristics to aid in definitely determining the source was located on other submitted items.

The submitted items are being returned separately. Appropriate photographs were made.

POINT. THE MOST SIGNIFICANT DEVELOPMENT IN OUR INVESTIGATION CONCERNING THIS INDIVIDUAL TO DATE IS THE FACT THAT [redacted] GIRL FRIEND OF [redacted] AND AN ATTENDEE AT SLA MEETINGS AUGUST-OCTOBER, 1973, DURING THE EVENING OF FEBRUARY 26, 1974 DEFINITELY IDENTIFIED MIZMOON AS BEING A SLA MEMBER AND THE GIRL FRIEND OF DONALD DAVID DE FREEZE.

PREVIOUS PAY CHECKS OF MIZMOON FROM THE BERKELEY PUBLIC LIBRARY WERE REVIEWED, NONE, HOWEVER, APPEARED TO HAVE BEEN NEGOTIATED BY DONALD DAVID DE FREEZE UNDER HIS NAME OR KNOWN ALIASES. IT WAS NOTED PAY CHECK DATED APRIL 20, 1973 WAS NEGOTIATED BY [redacted] THROUGH LAKE MERRITT BRANCH, BANK OF AMERICA. PAY CHECK DATED SEPTEMBER 7, 1973 WAS NEGOTIATED BY [redacted] AND CASHED AT HINK'S DEPARTMENT STORE, BERKELEY. THE CHECK WAS CASHED SEPTEMBER 12, 1973. IT WAS NOTED FROM THE PAY CHECKS THAT MIZMOON CHANGED HER NAME FROM PATRICIA TO MIZMOON SOLTYSIK BETWEEN THE PAY CHECKS JULY 21 AND AUGUST 22, 1972.

END PAGE TWO

SF 7-855

IT IS TO BE NOTED THAT DE FREEZE REPORTEDLY FIRST MET MIZMOON DURING MARCH, 1973 AND [redacted], DE FREEZE ALLEGEDLY TOOK OVER THE PAY CHECKS OF MIZMOON AND NANCY LING PERRY. THE POSIBILITY THAT HE NEGOTIATED THEM IS BEING FURTHER EXPLORED.

[redacted]

NEIGHBORHOOD CONDUCTED AT 1353 FRANCISCO, BERKELEY, LAST KNOWN RESIDENCE OF CAMILLA HALL, REVEALED TWO PERSONS IDENTIFYING CAMILLA HALL AS A TENANT AT THAT ADDRESS WHO WAS KNOWN TO HAVE A BLUE VOLKSWAGEN. NO NEIGHBORS WERE ABLE TO IDENTIFY MIZMOON AS A FORMER RESIDENT AND/OR VISITOR. IT

IS TO BE NOTED CAMILLA HALL VACATED THE PREMISES ON FEBRUARY 19, 1974 LEAVING HER FURNITURE BEHIND WITH THE INSTRUCTIONS THAT SHE WOULD SEND FOR HER FURNITURE AT A LATER DATE. THE PRESENT TENANTS AT THIS ADDRESS HAVE NO INFORMATION AND ARE NOT ACQUAINTED WITH CAMILLA HALL OR MIZMOON. LAST KNOWN RESIDENCE ADDRESS FOR MIZMOON WAS 2135A PARKER, BERKELEY. IT SHOULD BE NOTED IN THIS REGARD THAT [redacted] CONTACTED MIZMOON THIS ADDRESS DURING LATTER PART OF 1973 AND/OR FIRST PART 1974.

IN REGARD TO THE BLUE VOLKSWAGEN OWNED BY CAMILLA HALL AND WHICH WE SUSPECT WAS IN THE AREA OF THE KIDNAPING SITE ON THE NIGHT OF THE KIDNAPING, WE HAVE BEEN UNABLE TO LOCATE THIS VEHICLE AND HAVE INSTITUTED A PROGRAM WHEREBY LOCAL POLICE DEPARTMENTS WILL EITHER ISSUE A RADIO BROADCAST OR, IF POSSIBLE, WILL ADVISE THEIR PATROL UNITS AT THE SHIFT CHANGES THAT THE ROBBERY DETAIL OF EACH INDIVIDUAL LOCAL POLICE UNIT WANTS INFORMATION REGARDING THE WHEREABOUTS OF THIS VEHICLE BUT UNDER NO CIRCUMSTANCES SHOULD THE VEHICLE BE STOPPED OR SURVEILLED. [redacted]

END PAGE FOUR

[redacted]

[redacted] THESE DEPARTMENTS ASSISTING US IN THIS ENDEAVOR HAVE BEEN ADVISED THAT INDIVIDUALS OCCUPYING THIS CAR SHOULD BE POSSIBLY CONSIDERED ARMED AND DANGEROUS.

IN CONJUNCTION WITH THIS, WHEN AGENTS CONTACT THE LOCAL POLICE DEPARTMENTS, THEY ARE CHECKING THESE DEPARTMENTS TO SEE IF ANY RECENT TRAFFIC TICKETS OR MOVING VIOLATIONS HAVE BEEN ISSUED AGAINST THE VOLKSWAGEN BUG. A CHECK WITH THE CALIFORNIA COMPUTER SHOWS NO WARRANTS FOR MOVING OR PARKING VIOLATIONS REGARDING THIS CAR. WE HAVE LEADS OUTSTANDING AT ~~INDIANAPOLIS~~ Minneapolis WHERE HALL FORMERLY LIVED AND ATTENDED

RE: GLOVE LOCATED IN VEHICLE OF PETER BENENSON, ABDUCTED BY KIDNAPERS IMMEDIATELY PRIOR TO INCIDENT:

BENENSON HAS DENIED THIS GLOVE BELONGS TO HIM AND TO THE BEST OF HIS KNOWLEDGE, THE GLOVE WAS NOT IN THE CAR PRIOR TO THE KIDNAPING. AS BUREAU AWARE, INDIANAPOLIS OFFICE LOCATED AN [redacted], WHO INDICATED GLOVE IDENTICAL TO PAIR OF DRIVING GLOVES WORN BY EMILY HARRIS IN 1970. IT SHOULD BE NOTED THAT HARRIS EMPLOYED ON PART-TIME BASIS AT BLOOMINGTON STORE IN 1970.

[redacted] THAT THE GLOVE IN QUESTION WAS IDENTIFIED AS BEING IDENTICAL TO GLOVE OWNED BY EMILY HARRIS. [redacted] STATED TO HER KNOWLEDGE THIS WAS THE ONLY PAIR OF GLOVES EMILY OWNED.

TO : Mr. E. S. Miller

DATE: February 28, 1974

FROM : W. R. Wannall

SUBJECT: SYMBIONESE LIBERATION ARMY (SLA)
EXTREMIST MATTERS

Inspector Bassett's writeup of Associate Director Callahan's Executives Meeting of 2/26/74 noted that the writer had furnished at the meeting a brief run-down concerning the Hearst kidnapping case. On a routing slip, the Director noted that he had not heard of any report from the writer. For the Director's information, the following are comments and observations relating to the case based on the writer's trip to San Francisco during the period 2/16/74 to 2/22/74.

Discussions were held with SAC Bates, ASACs Druken and Kelly, seven of the security men handling our investigations of domestic groups, and members of the San Francisco Office SWAT Team No. One. Engaging in most of these discussions were SACs Moore of Jackson, Mississippi, and Shroder of San Diego. SACs Moore and Shroder are submitting their observations and comments separately.

It is the writer's observation that SAC Bates was working almost beyond his endurance. Most of his time, however, had to be committed to dealing with media representatives; with Mr. and Mrs. Randolph Hearst, parents of Patricia Hearst, kidnapped victim; and with certain important speech commitments. ASAC Druken who supervises all criminal and security matters in the San Francisco area was carrying the principal burden of the day-to-day supervision of the kidnapping case, as well as the intelligence aspects of the cases relating to extremist groups and individuals who obviously are involved in the kidnapping matter. ASAC Druken, of course, is operating directly under SAC Bates who is making the major decisions with respect to the course which the investigation should follow.

In view of the extensive nature of the investigation and the tremendous amount of material which is now available to the San Francisco Office for review and coordination not only from the standpoint of pursuing the criminal aspects of the case but also from the standpoint of developing and investigating the intelligence aspects of the case, it was the writer's definite impression that in a matter with such far-reaching ramifications, it would be highly desirable in a future situation of this type to assign one of our SACs having extensive background in handling special cases to an office with a problem of this magnitude. He would be in a

position to afford overall supervision to the investigative aspects of the situation and permit the local SAC to handle matters such as those which were occupying most of the time of SAC Bates. This is certainly not reflective on SAC Bates. He was being continually hounded by news media representatives by telephone and frequently in person when he was out of the office. I feel that any SAC in a comparable situation would have the same problems which Bates was facing and by permitting the local SAC to devote his time to such problems and another SAC supervising investigative matters, it would work to the Bureau's best interests in cases of this magnitude.

On 2/8/74 former Special Agent William H. Stapleton who is now Assistant Staff Director, House Committee on Internal Security (HCIS), furnished to Inspector Bowers a 14-page background paper on the SLA relating to some of its members and activities. A review of this paper by the Intelligence Division revealed six separate items of apparent significance to the SLA which had not previously been called to the attention of the Intelligence Division by the San Francisco Office. Accordingly, a copy of this paper had been sent to San Francisco and had been received prior to the writer's arrival there. The HCIS paper contained information reportedly secured from public sources. The information related to material which had been found in a Sutherland Court house formerly occupied by one of the principal suspects in this case, Nancy Ling Perry. She had set fire to this house on the day of the arrest of Russell Little and Joseph Remiro who had been charged with the murder of Marcus Foster, Superintendent of the Oakland School District. The HCIS report referred to other information seized by the Oakland Police Department as a result of searches of a house at 5939 Chabot Road, Oakland, which had been one of Little's residences and certain other addresses where persons suspected of having SLA connections had resided.

Upon arrival in San Francisco, the writer discussed with ASAC Druken the material which HCIS had secured but which apparently the San Francisco Office did not have. Druken said that efforts had been made to secure the material recovered by the Oakland Police Department, but [redacted] there was playing the case close to his chest as a murder case and had declined to turn over to our San Francisco Office pertinent material. After the kidnapping of Patricia Hearst, the Oakland Police Department permitted our Agents to photograph all of the material. [redacted]

EXTREMIST MATTERS

[redacted] Among the material was a notebook possibly belonging to Nancy Ling Perry which in two different places contained the name of Patty Hearst. There were also among the papers the names of 12 to 20 additional individuals (prominent industrialists and bankers) for the most part in the area covered by the San Francisco Office who apparently had been afforded surveillance attention by SLA members or sympathizers and possibly were scheduled as targets for kidnapping or acts of extortion by the SLA. At the writer's request, the material which was being photographed was quickly reviewed for the purpose of extracting that which appeared most pertinent in order that it might receive the earliest possible attention. The San Francisco Office thereafter notified the prominent individuals whose names were mentioned above, as well as the local law enforcement agencies covering their residences of the fact that their names had been found among the effects of SLA members, and that if they felt they required any protection or other action, they should make arrangements with local authorities.

Also discovered as a result of the review of the material, which incidentally weighed some 80 pounds, were numerous maps; possibly as many as 50 were located on which various installations had been marked in red, green, or yellow pencils. The installations included military bases, telephone towers, airfields, Federal and State buildings, an antique shop where automatic weapons were on display, and the residence of the owner of the antique shop. There were numerous red marks in the hilly and mountainous area east of San Francisco where mines were located. To expedite its investigation in the kidnapping case, the San Francisco Office secured geodetic and AAA maps which duplicated those found among the SLA effects and marked them in a manner so that leads could be pursued rather than await the photographing and developing of color prints of the maps found.

The San Francisco Office had secured from officials of the California Department of Corrections the transcript of a discussion by some of the Department officials with [redacted]

Memorandum to Mr E. S. Miller
Re: SYMBIONESE L_ERATION ARMY (SLA)
EXTREMIST MATTERS

[redacted]

The address 5939 Chabot Road is the headquarters for the SLA operation. At the heart of the operation were eight individuals, three of whom were in jail and five of whom were on the outside. Those in jail were [redacted]

The five outside were: Russell Little, described above; Nancy Ling Perry, a suspect in the Hearst kidnapping case; Cynque DeFreeze, another suspect in the case; [redacted] also a suspect; and one Willie Wolfe. (A car registered to Willie Wolfe was observed speeding away from the Sutherland Court house of Nancy Ling Perry on 1/10/74 after she had attempted to destroy the place by pouring gasoline in the house and setting it on fire.) [redacted] named these eight individuals as the governing committee of the SLA. He named other individuals who were said to be heavily involved in SLA activities.

[redacted] said that he learned prior to the killing of Marcus Foster that Cynque had made a decision to kill Foster. [redacted]

The SLA functioned as a clearing house in large part for other organizations and according [redacted] the SLA had worked with people from the Republic of New Africa and had a lot of contacts with [redacted] of the United Prisoners Union.

The contact for almost all of SLA activity started out of the California Medical Facility at Vaccaville where classes where conducted by the Black Cultural Association. There was an SLA group at Folsom. [redacted] said the word "Symbionese" means a group of people who are together for common purposes without distinction as to race. It was an effort to bring together people interested in revolution but who had previously been organized only on racial lines.

During the discussion conducted by [redacted] when the foregoing information he had received from [redacted] was

brought out, a reference was made to an individual who had been denied entrance to a prison facility to participate in a discussion, apparently under the sponsorship of the Black Cultural Association.

[redacted] indicated that members of the family of a convict up to about six or seven people were, under the regulations of the California Department of Corrections, permitted to visit a convict if they were members of his family for periods up to 72 hours. He was then asked if this would make it possible for the whole SLA board to meet in a prison and he responded, "Well if they could demonstrate a family relationship, yes." The questioner then remarked that this was interesting since he was concerned about how the SLA could plan so closely.

From the foregoing, it is obvious why so much violence is not only being carried out but apparently planned in the various penitentiaries and jails in different parts of the country. The Intelligence Division is submitting a recommendation for the Director's consideration that the FBI sponsor a conference at Quantico to which we can invite representatives of the correctional systems in various states for the purpose of in-depth briefing of the extremist and terrorist situations and a discussion relating to activities of a violent nature which are being spawned in the various prisons.

In view of the highly significant nature of some of the information contained in the 80 pounds of material, the photographs of which the San Francisco Office has now secured, the writer discussed with ASAC Druken the importance of reviewing this material as quickly as possible. Druken's attention was called to a teletype which had been sent to the San Francisco Office on 2/20/74 where that office was requested to advise Headquarters in the event additional manpower was needed to pursue the intelligence aspects of this case, it being recognized that the criminal aspects must be given top priority attention for the purpose of securing the release of Patty Hearst unharmed if possible. It was suggested to Druken that the review of the material be made for the purpose, first of assisting in solving the kidnapping case, second for the purpose of preventing, if possible, further extremist acts on the part of the SLA, and third for the purpose of informant development to penetrate the SLA and related groups.

As the result of the writer's visit to San Francisco, he feels that office now has most of the action relating to guerrilla-type warfare in the country and if the action can be contained in

San Francisco, we may be able to prevent further political kidnappings elsewhere in the country by some of the revolutionary, extremist, and terrorist groups we have under investigation. The Intelligence Division is sending through a recommended communication to all offices in order that appropriate emphasis will be placed on our domestic intelligence coverage in an effort to prevent proliferation of such activities.

It was most beneficial to the writer to have spent the week in San Francisco. It afforded him an opportunity to observe the numerous problems which the field has in an extensive investigation of this nature and to develop ideas as to how the Intelligence Division can best assist the field in meeting these problems.

As a final observation, the writer would like to note that all of the men working on the kidnapping and SLA cases, including the SAC and the ASACs, were devoting long hours to their tasks which included the weekend and intervening holiday during the week the writer was there and were approaching the job with enthusiasm and an obvious determination to get it done quickly and efficiently, keeping foremost in mind the necessity for affording every possible protection to the kidnapped victim.

[redacted] were particularly enthusiastic about their assignment and had every confidence that they could carry off the task if it was given to them.

2. Hearst Case Review

Mr. Miller and Mr. Gebhardt discussed recent developments concerning the Hearst kidnaping and brought out that Mr. Hearst has developed a plan wherein one-half million dollars would be paid by him and one and one-half million dollars would be paid by the Hearst Foundation to buy food for those on welfare. It was noted that no additional agents have been sent to San Francisco at this time although additional agents may be needed in the future depending on developments. Thirty Symbionese Liberation Army (SLA) people have been identified and are being investigated. It was noted that 4 of the 30 persons are Blacks and that the SLA stemmed from the Revolutionary Union and Venceremos Brigade. Departmental representatives are on the scene studying the possible Federal violations and the U. S. Attorney, San Francisco, has been in contact with Attorney General Saxbe concerning the use of a task force. Relations with local authorities continue to be good and their actions depend on where victim is located and further developments in the case. Mr. Gebhardt pointed out that the case has received considerable review by the news media and there has been no direct contact by Mr. Hearst with the kidnappers. The only known communications consist of one letter and two tapes, which have also received widespread publicity in the newspapers.

Mr. Kelley suggested that Mr. Hearst has two apparent options, one to capitulate to the kidnappers and two, to take a more aggressive stance. He noted that giving into the kidnappers does not

insure the victim's safety and that perhaps it would be well to condition Mr. Hearst to the taking of a more aggressive stance in his instructions to them. It may be beneficial to condition Mr. Hearst so that when the chips are down a decision can be made concerning a possible rescue of the victim. Mr. Kelley pointed out that if the kidnappers demand the release of the two subjects in prison it is not likely, based on available data, that the authorities in California will grant their release. Mr. Kelley pointed out that this could be a landmark case concerning the handling of other possible cases of this type. He stated that nothing is to be left to speculation and that all members of the Executives Conference should give thought as to what can be done now to prepare for possible future cases of this type.

DAILY SUMMARY

INVESTIGATION BEING CONDUCTED ON KNOWN OR SUSPECTED SYMBIONESE LIBERATION ARMY (SLA) MEMBERS:

William T. Harris and Emily Harris

[redacted] were interviewed on 2-25-74. [redacted] stated [redacted] visited William Harris and his wife Emily in Oakland, California, from 1/2-7/74. [redacted] William told her that they would be moving from the Oakland apartment to move in with another couple, however, the address was not furnished and William stated they would probably not hear from him for awhile.

[redacted] have corresponded in the past [redacted] via tape recordings in cassette form, however, one mailed to him shortly after their return 1-9-74 to Indianapolis, was returned to [redacted] address which William had probably given as a forwarding address. This was not unusual as he had done so on prior occasions when he was relocating. [redacted] later got a letter from William indicating they had moved and requesting [redacted] to keep any money that may come in the mail for them. [redacted] stated that [redacted] last heard from [redacted] -18-74, when he telephoned [redacted] apparently from a phone booth with the conversation lasting less than a minute. He only stated that he wanted to let them know that he and Emily were ok but could not talk then. [redacted] furnished mail [redacted] had received [redacted] stating he had given [redacted] permission to open it. A review of this mail did not indicate anything of immediate significance, however, appropriate leads are being covered based on return addresses and other information.

[redacted] was shown photographs of persons known to the Indianapolis Office from which [redacted] identified one of Angela Atwood whom [redacted] had met while visiting in Oakland. [redacted] stated that [redacted] had never heard of the SLA, and no mention of it was made during their visit to Oakland. [redacted] was aware, however, that the Harrises had been involved in prison reform.

[redacted] information concerning the letter [redacted] had received [redacted], requesting funds. This is the letter which contained a self-addressed return envelope to [redacted] in care of General Delivery, Santa Clara, California. Just prior to leaving the residence, [redacted] admitted receiving the letter and described its contents. [redacted] stated William had requested [redacted] to send money to him. [redacted] cashed a check he had on hand which [redacted] had received in either William's or Emily's name and mailed a total of $250 in the pre-addressed envelope. [redacted] mailed this letter the morning of 2/19/74, and made no alterations except to add 8¢ worth of postage. [redacted] could not recall to whom the letter was addressed but knew it was not the Harrises. [redacted] added that the phone call received from William Harris was at about 6:00 p.m., 2/18/74, and he heard William respond to the operator's request to the effect that he would have to get some additional change. The call was disconnected and William then called back within approximately ten minutes.

[redacted]

In this regard, on 2/26/74, [redacted] were recontacted and offered full cooperation in this matter. They agreed to request [redacted]

RANDOLPH A. HEARST, VICTIM'S FATHER:

During evening 2/25/74, Mr. Hearst received telephone call from a Doctor Kimbrough whom he met later at which time Kimbrough advised he had received the following instructions from the kidnapers:

Hearst should make a news release at 11:00 p.m., 2/25/74, to effect that quality of food was being increased, that ten cars were to be added to distribution center, that two people were to be released from jail, namely, Elmer Pratt, known leader of the Cleaver Faction of Black Panther Party (BPP) currently in Folsom, California, Prison, and Hank Jones, identical with Henry Watson Jones, Cleaver BPP Faction member and convicted bank robber at U.S. Penitentiary, Atlanta, Georgia, and each was to receive $50,000.

Mr. Hearst told Kimbrough this was absolutely impossible. The next demand was for Mr. Hearst to set up a school for guerrilla warfare. Mr. Hearst also said this was impossible. At this point, Mr. Hearst told Kimbrough that he had agreed to the first plan furnished him by Kimbrough which was to the effect that victim

 CONTINUED - OVER

would be released in exchange for payment of $100,000, the exchange of Randolph Hearst for victim, and a subsequent long-range air flight to a foreign country. According to Mr. Hearst, Kimbrough is acting merely as a courier for one of his patients whom he declined to identify and Kimbrough has indicated his only interest in this matter is that victim be returned safely. There have been no further developments as of late p.m., 2/26/74, with regard to above. Our SFO has identified Kimbrough as being Doctor L.S.D. Kimbrough, 500 Spruce, San Francisco, a doctor of internal medicine. Contacts in the medical field know of no adverse information concerning him and he is described as having a good reputation in the community. SFO files contain only one reference to him that being a telephonic extortion case in 1968 wherein he was the victim; no Federal violation was developed as it was a telephone call.

Mr. Hearst has advised SAC, SFO that before he takes any affirmative action in connection with negotiations for release of victim, he will advise SFO and solicit advise of SAC.

NEWS MEDIA:

On 2/26/74, [redacted] Chief of Police (COP), University of California, Berkeley, advised that representatives of news media, notably from Washington Post, San Francisco Chronicle, New York Times, and Television Station KQED, San Francisco, were attempting to obtain information concerning student status and/or employment status of individuals currently under investigation by our SFO as known and/or suspected SLA members or associates. These individuals include Patricia Michelle Soltysik, Emily Harris, Angela Atwood, and others. According to COP [redacted] the representatives of news media mentioned above have the story regarding the Hearst kidnaping and reportedly the news story will identify numerous individuals along with Russell Little, Joseph Remiro, and Nancy Ling Perry as being implicated in the kidnaping.

Our SFO has advised it has furnished no information concerning individuals currently under investigation by SFO to news media. SFO noted that investigative-type reporters connected with San Francisco Chronicle have sources among former Venceremos Organization members and they have conducted extensive inquiries among the "street people" in Berkeley gathering miscellaneous information, the majority of which is inaccurate. They do, however, obtain a few items which are factual and then they, the reporters, build stories around them.

UNKNOWN SUBJECTS;PATRICIA CAMPBELL HEARST - VICTIM; KIDNAPING
SYMBIONESE LIBERATION ARMY-WESTERN REGIONAL YOUTH UNIT (SLA); EXTREMIST MATTER

Specimens received 2-22-74, from FBI, Los Angeles:

K7 One envelope, two cards, and four letters bearing purported writing of PATRICIA MICHELLE SOLTYSIK, also known as Mizmoon Soltysik

Specimens received 2-22-74, from FBI, Chicago:

K8 Envelope with accompanying five-page written letter and one page letter all bearing purported writing of EMILY HARRIS

K9 Sheet of yellow paper bearing typewritten letter purportedly from EMILY HARRIS

Specimens received 2-22-74, from FBI, New York:

K10 One envelope with accompanying three-page letter, one envelope with accompanying four-page letter, and two sheets of paper all bearing purported writing of NANCY LING PERRY

Also Submitted: Five photographs of NANCY LING PERRY

Specimen received 2-24-74, from FBI, Seattle:

K13 Slip of paper bearing address "3856 Whittle Avenue, Oakland, California 94602," bearing purported writing of NANCY LING PERRY

Result of examination:

The conclusion was reached that the questioned writing described as follows and submitted in the captioned Symbionese Liberation Army case was prepared by PATRICIA MICHELLE SOLTYSIK, purported writer of K7:

The questioned writing on Q39, except the signatures.

BRG:mcw
(20)

The majority of the questioned handwriting in Q43, except the pagesbeginning "Acetal Colon ...," "Rifle primers ..." and "Ammonium Nitrate ..."

The majority of the questioned handwriting contained in Q44.

Handwriting similarities were observed in comparing the purported known writing of PATRICIA MICHELLE SOLTYSIK, K7, with the questioned writing on the Q46 page in the Symbionese Liberation Army case beginning "Beau-Talkin ..." and the fiber-tipped handwritten notation beginning "Sponsoring program ..." on the page underneath the hand printed notation "JACKSON FUNERAL HOME," which indicates this questioned writing may have been prepared by PATRICIA MICHELLE SOLTYSIK; although, due to the presence of unexplained variations, a definite conclusion was not reached whether this questioned writing was prepared by SOLTYSIK.

The conclusion was reached that the following described writing submitted in the Symbionese Liberation Army case was prepared by NANCY LING PERRY, purported writer of item K4 in the Symbionese Liberation Army case and Kc4, K10 and K13, in the captioned kidnaping case:

Majority of the questioned hand printing on Q42.

The questioned writing on the three pages in Q43 beginning "Acetal Colon ...," "Rifle primers ..." and "Ammonium Nitrate ..."

The majority of the questioned writing pertaining to mathematics in the Q46 notebook.

The questioned writing on Q48.

The majority of the questioned writing on Q52.

The majority of the questioned writing on Q59.

The majority of the questioned writing on the Q60 notebook.

The majority of the questioned writing in the K7 address book.

Although a definite conclusion was not reached whether the following described writings were prepared by

NANCY LING PERRY, whose purported writing is described above, handwriting similarities were observed which indicate PERRY may have prepared the following described items:

The signature "Fahizah" on Q29 and signature "Fahiza" on Q39 in the Symbionese Liberation Army case.

The words "Membership" on Q49 in the Symbionese Liberation Army case.

The questioned writing on the front page of Q58 in the Symbionese Liberation Army case.

The questioned writing on Q57 in the Symbionese Liberation Army case.

The questioned writing on the manila envelopes designated Q45, Q48 and Q63 in the captioned kidnaping case.

Due to the lack of sufficiently comparable writing and the presence of unexplained variations, a definite conclusion was not reached whether the remaining unidentified questioned writing on items submitted in the Symbionese Liberation Army case and the captioned kidnaping case was prepared by PATRICIA MICHELLE SOLTYSIK, NANCY LING PERRY, or by EMILY HARRIS, whose purported writing is described as K8 in the kidnaping case.

The conclusion was reached that the typewriter used to prepare K9, described above, was not used to prepare any of the questioned typewriting on items submitted in the captioned cases.

K8, K9, K10 and K13 are attached with copies of this report to the contributing offices. K7 is being returned separately to FBI, Los Angeles. The Also Submitted material is retained. Appropriate photographs were made.

THIS IS TO CONFIRM REBUTELCAL ADVISING THAT IF STEINER IS COOPERATIVE AND WILLING TO BE OF ASSISTANCE TO THE SAN FRANCISCO OFFICE, YOU HAVE AUTHORITY TO PROVIDE HER TRAVEL AND OTHER NECESSARY EXPENSES TO EFFECT HER UTILIZATION.

NOTE: ReSFteletype requested Miami to interview Robyn Sue Steiner who traveled to California with Russell Jack Little and subsequently lived with him. Little is presently incarcerated as a result of the Marcus Foster slaying and it is believed that Steiner may have information concerning Symbionese Liberation Army (SLA) members and their involvement in this case.

Patricia Michelle Soltysik, aka.
Monique Soltysik, Mizmoon Monique
Soltysik, "Zoya"

[redacted] on 2/27/74, exhibited photographs of Donald DeFreeze and all stated DeFreeze not known to them. [redacted] furnished identities of friends and associates of Mizmoon when she was employed by the Berkeley Public Library; also stated she recalled Mizmoon often talked about a personal friend named Camilla (last name unknown) (undoubtedly Camilla Hall). [redacted] identified numerous photographs [redacted] as being identical with Camilla Hall, Mizmoon, and Soltysik family members.

CONTINUED - OVER

[redacted] advised he had talked to a close political associate of Mizmoon's and knew she was involved with SLA. He said he had learned she formerly drove a van registered to Nancy Ling Perry which van was utilized by Russell Little and Joseph Remiro at time of their arrest. He also mentioned by name other individuals whom he said were involved in the abduction of victim. [redacted] claimed to know that Mizmoon assisted "Cin" in drafting an SLA communication and alleged that Mizmoon and "Cin" utilized facilities of the Berkeley City Library to Xerox material for SLA's proclamation.

He further indicated that Mizmoon is now adept with weapons and he claimed that the composite drawing of the white female at the scene of the abduction is Mizmoon who is also known by the code name "Zoya." He further indicated he knew of Mizmoon's prior Lesbian activities.

[redacted] stated his story concerning Mizmoon is expected to break in one week. He commented that it is time to put the finger on those responsible (apparently referring to the kidnaping) and said he will call [redacted] the evening before the article is printed. [redacted] advised [redacted] that [redacted] had been absent [redacted] for a long time and [redacted] was not aware of her whereabouts and activities.

[redacted]

Of further interest, neighborhood investigation at 1353 Francisco, Berkeley, last known residence of Camilla Hall, determined that Hall vacated the premises 2/19/74, leaving her furniture behind with instructions that she would send for it at later date.

Concerning the blue Volkswagen "bug" owned by Camilla Hall, it has still not been located, however, SFO has instituted program to alert local law enforcement agencies concerning this vehicle with instructions that if observed, under no circumstances should it be stopped or surveilled. The information concerning the vehicle is then to be furnished to one individual in the pertinent department who will be the only person aware that the FBI is looking for this vehicle in connection with the kidnaping.

[redacted]

As previously indicated [redacted] She also identified photographs of Nancy Gail Ling as SLA member who had attended meetings [redacted] August through October, 1973. She also identified photographs of other individuals such as Robyn Sue Steiner as acquaintances but not known to her as SLA members.

On reviewing the Hearst tape of 2/12/74, she was of the opinion that the male speaking on the first part and latter part of tape was Donald DeFreeze. On review of Hearst tape of 2/20/74, she stated she was positive speaker was DeFreeze known to her as "Sin." She said she is unable to pinpoint location of the site of SLA meetings she attended August through October, 1973, other than it was in a bachelor efficiency apartment in Oakland.

CONTINUED - OVER

"Sin" further stated that Xeroxing of material for SLA was done by Soltysik at Cleo's Copying and Printing Company in Berkeley. SFO has instituted immediate coverage of Cleo's.

Robyn Sue Steiner

Our Miami Office has arranged for Steiner's interview 2/28/74. in the presence of her attorney.

[redacted]

NEWS MEDIA:

[redacted]

it is apparent the news media is about to release a story linking certain individuals currently under investigation by FBI in connection with this kidnaping. SFO feels that if the story is printed, some individuals mentioned will undoubtedly go underground immediately. In view of this, SFO has established standby fisur schedules to be immediately implemented upon release of the story in effort to determine where these individuals who may go underground will relocate.

SFO is not making available to news media identities of any suspects and/or witnesses and local police departments involved are following FBI's course of action.

LEGAL MATTERS:

[redacted]his matter being coordinated with U. S. Attorney's Office in San Francisco. SFO also endeavoring to obtain material of evidentiary nature for the purpose of preparing affidavits for search warrants of known and suspected SLA locations which will be executed upon release of victim.

DAILY SUMMARY

INVESTIGATION BEING CONDUCTED ON KNOWN OR SUSPECTED SYMBIONESE LIBERATION ARMY (SLA) MEMBERS:

Robyn Sue Steiner

Phillip Carlton, attorney for Robyn Sue Steiner, advised on 2/28/74, that Steiner does not want to be interviewed by the FBI. Carlton is very cooperative and has advised Steiner that it would be extremely important for her to at least have a meeting with the FBI. Carlton advised that Steiner is agreeable to a meeting, however, she advised Carlton that this meeting could not take place until the week of March 4, 1974. Carlton noted this is obviously a delaying tactic on Steiner's part. Carlton indicated that as Steiner's attorney he would have to protect her interests and insure in any interview that she not incriminate herself without fully understanding the situation. Carlton also advised that he has in writing a document from Oakland, California, authorities granting Steiner complete immunity in the Marcus Foster murder. Close contact is being maintained with Carlton and Steiner's parents, who are also completely cooperative in order to help plan an early interview of Steiner.

Photographs of Soltysik and her associate Camilla Hall exhibited to witnesses who viewed late-model dark blue Volkswagen "bug" at scene of kidnaping with negative results.

[redacted] associate of Soltysik when she was employed at Berkeley Public Library, advised she endorsed Soltysik's pay check September, 1973, as a favor when Soltysik was leaving to visit sick father. [redacted] could provide no information concerning acquaintances, vehicles, or current whereabouts of Solytsik. Other former fellow employees of Soltysik at library to be located and interviewed.

Continuing investigation vicinity of 2135 A Parker Street, Berkeley, California, Soltysik's last known residence, unproductive. It is noted this is a transient type neighborhood and residents of this area are anti-establishment and anti-law enforcement. Our San Francisco Office (SFO) continuing investigation to locate and interview Camilla Hall, Lesbian associate of Soltysik, who on 2/19/74, moved from her residence, 1353 Francisco, Berkeley. Neighborhood investigation at that address determined that Hall did drive an older model blue Volkswagen. Further, one individual contacted identified a photograph of Mizmoon Soltysik as having been seen at that residence.

LEGAL MATTERS:

[redacted] SFO anticipates utilizing some of the material in the affidavit in connection with the preparation of search warrants on known and suspected SLA locations which it plans on executing upon release of victim.

MANPOWER:

Our SFO advises that it continues to utilize in excess of 100 Agents in this investigation on a full-time basis. In addition, other investigative personnel of that office (whose present complement is approximately 350) handle various leads and other facets connected with the investigation. Personnel are working on a 24-hour basis and are [redacted] on a seven-day, 24-hour basis.

SAC, SFO advises that preliminary surveys indicate that office delinquency will be appreciably higher than normal due to this investigation. SFO is endeavoring to determine the number of additional Special Agents from other offices who will be needed to press this investigation at its present pace as well as to cope with other investigative matters within the division.

DAILY SUMMARY

RE PATRICIA MICHELLE SOLTYSIK, AKA MIZMOON MONIQUE SOLTYSIK: INVESTIGATION CONTINUING AT BERKELEY, CALIFORNIA, IN AN EFFORT TO LOCATE AND INTERVIEW MIZMOON'S FORMER BOYFRIEND, [redacted] WE HAVE CONDUCTED INVESTIGATION AT NUMEROUS RESIDENCES WHERE THIS INDIVIDUAL REPORTEDLY LIVED WITH NEGATIVE RESULTS. IT SHOULD BE NOTED THAT MIZMOON AND [redacted] WERE REPORTEDLY ASSOCIATED WITH ONE ANOTHER FOR APPROXIMATELY TWO YEARS AND IT IS FELT HE MIGHT SHED SOME LIGHT ON HER POSSIBLE WHEREABOUTS.

REC-88 7-15200-716

RESULTS. THIS WITNESS, [redacted] WAS CONTACTED ON MARCH 1, 1974.

SEVERAL FELLOW FORMER EMPLOYEES OF MIZMOON AT THE BERKELEY PUBLIC LIBRARY HAVE BEEN LOCATED AND WERE UNABLE TO FURNISH ANY PERTINENT INFORMATION. EVERY EFFORT IS BEING MADE TO LOCATE AND INTERVIEW INDIVIDUALS FORMERLY ASSOCIATED WITH MIZMOON INCLUDING FORMER FELLOW EMPLOYEES AT THE EARLIEST POSSIBLE DATE.

INVESTIGATION MARCH 1, 1974, DETERMINED THAT HALL ON JANUARY 8, 1974, RECEIVED A GUN WHICH SHE HAD PURCHASED ON JANUARY 2, 1974, AT SIEGLE'S GUN SHOP IN OAKLAND, CALIFORNIA. THE WEAPON IS DESCRIBED AS BEING A 380 MAUSER AUTOMATIC PISTOL WITH SERIAL NUMBER 0124493. HALL ALSO PURCHASED 50 ROUNDS OF AMMUNITION AND INDICATED THE FRANCISCO STREET ADDRESS IN BERKELEY AS BEING HER RESIDENCE.

THIS IS THE FIRST INFORMATION WHICH WOULD INDICATE THAT HALL MIGHT ENGAGE IN VIOLENT ACTIVITIES AND COULD POSSIBLY BE INVOLVED IN CAPTIONED MATTER.

END PAGE TWO

SF 7-855

WE HAVE NUMEROUS LEADS OUTSTANDING CONCERNING MIZMOON AND HALL AND EVERY EFFORT IS BEING MADE TO DETERMINE THEIR WHEREABOUTS AT THE EARLIEST POSSIBLE DATE.

INVESTIGATION BEING CONDUCTED ON KNOWN AND SUSPECTED SYMBIONESE LIBERATION ARMY (SLA) MEMBERS. INVESTIGATION THIS DATE ELIMINATED TWO SLA SUSPECTS: [redacted]AS SLA SUSPECT BECAUSE OF ALLEGED RESIDENCE AT OAKLAND RESIDENCE WHERE JOSEPH REMIRO AND ROBERT HOOD, SLA MEMBERS, RESIDED 1973. INVESTIGATION NOW REVEALS [redacted] HE WAS COOPERATIVE ON INTERVIEW, BUT COULD FURNISH NO INFORMATION ON HEARNAP.

[redacted]WAS SLA SUSPECT BECAUSE POLICE OBSERVED HIM REMOVING FURNISHINGS FROM OAKLAND ADDRESS THAT WAS SUBJECT OF POLICE SEARCH WARRANT BECAUSE LEROY EARL MILLER, SLA ASSOCIATE, RESIDED THERE. [redacted] ON INTERVIEW WAS COOPERATIVE, RELATED THAT HE WAS REMOVING HIS OWN PROPERTY, AND FURNISHED MILLER'S PRESENT WHEREABOUTS.

END PAGE THREE

IT HAS BEEN PREVIOUSLY DETERMINED THAT SLA SUSPECT [redacted] ACCORDING TO CALIFORNIA DEPARTMENT OF MOTOR VEHICLES FILED AS OWNER OF 1964 STATIONWAGON CHEVROLET, LICENSE [redacted] HAS SUBSEQUENTLY BEEN OBSERVED IN A LIGHT BROWN CHEVROLET TRAVELALL NOT A STATIONWAGON, BEARING SAME LICENSE. IT HAS NOW BEEN DETERMINED THAT CALIFORNIA DEPARTMENT OF MOTOR VEHICLES COMPUTER REGISTERS TRAVELALLS AS STATIONWAGONS. THIS VEHICLE DOES NOT FIT DESCRIPTION OF STATIONWAGON AT KIDNAP SIGHT AND FURTHER EFFORTS TO INSPECT OR PHOTOGRAPH IT DISCONTINUED.

INVESTIGATION OF SLA SUSPECTS [redacted] AND [redacted] FORMER RESIDENTS OF 5939 CHABOT ROAD, OAKLAND, SLA PAD, REVEALS THAT THEY DEPARTED OAKLAND AREA FOR [redacted] LATE JUNE LAST. [redacted] IS DETERMINING PRESENT ACTIVITIES BEFORE CONTEMPLATED INTERVIEW.

INVESTIGATION REVEALS THAT SLA SUSPECT [redacted] BROUGHT A 30 CALIBER M-1 CARBINE TO SIEGLE'S GUNS, OAKLAND, FOR REPAIR ON JANUARY 9, 1974. THE SERIAL NUMBER WAS 3801 AND THE SHOP'S RECORDS SHOW THAT THE MAKE OF THE GUN IS

END PAGE FOUR

NATIONAL POSTAL METER BUT WEAPON COULD POSSIBLY HAVE BEEN A UNIVERSAL ARM. [redacted] ALSO ADVISED THAT SHE AND WOMEN FRIENDS OF HERS WERE INTERESTED IN TAKING A COURSE IN FIRING HANDGUNS.

RE UFAC PROCESS INVOLVING [redacted] AND DONALD DAVID DE FREEZE: DE FREEZE INVESTIGATION HAS DETERMINED PREFERENCE FOR PLUM WINE. ACCORDING TO ONE INDIVIDUAL INTERVIEWED, HE CONSUMES THIS PARTICULAT WINE ON A DAILY BASIS. INVESTIGATION HAS ALSO DISCLOSED THAT SOMETIME PRIOR TO THE KIDNAPING DE FREEZE PURCHASED THIS BEVERAGE AT A LIQUOR STORE IN THE BERKELEY AREA. IT IS NOTED DURING THE SEARCH OF THE SUTHERLAND COURT RESIDENCE BY THE OAKLAND POLICE DEPARTMENT A CASE OF EMPTY PLUM WINE BOTTLES WAS LOCATED WITH THE BRAND NAME OF AKADAMIA, A PRODUCT IMPORTED FROM JAPAN THROUGH SUNTORY DISTILLERIES OF LOS ANGELES. A SURVEY HAS BEEN CONDUCTED IN THE FIVE COUNTIES LOCATED IN THE BAY AREA AND DETERMINED SOME 5,000 OUTLETS FOR THIS WINE. ON A SELECT BASIS IN AREAS WHERE THESE INDIVIDUALS WOULD MOST LIKELY CONGREGATE, LIQUOR STORES HANDLING PLUM WINE ARE BEING CANVASSED BY SA PERSONNEL. IF OUR CANVAS IN THESE AREAS PROVES UNPRODUCTIVE,

CONSIDERATION WILL BE GIVEN TO EXTENDING IT TO THE OAKLAND, CALIFORNIA, AREA WHERE DE FREEZE WAS KNOWN TO FREQUENT. DURING THESE CONTACTS WE ARE EXHIBITING PHOTOGRAPHS OF KNOWN SLA MEMBERS AND INDIVIDUALS WHO ARE PRIME SUSPECTS IN THIS CASE.

SAN FRANCISCO AND SACRAMENTO DIVISIONS ARRANGED WITH [redacted] BAY AREA. [redacted] FALLING INTO THIS CATEGORY WERE CHECKED WITH [redacted] PHOTOGRAPHS WITH NEGATIVE RESULTS. RE BACKGROUND NOISES CONTAINED ON CASSETTES RECEIVED FEBRUARY 12, FEBRUARY 16, AND FEBRRUARY 20, 1974, FROM THE SLA:

SAN FRANCISCO HAS DETERMINED THAT IN THESE CASSETTES THERE ARE APPROXIMATELY SIX DIFFERENT BIRD NOISES. THESE HAVE BEEN ISOLATED AND PLACED ON REEL TO REEL TAPE AND ON MARCH 1, 1974, WERE PLAYED FOR A REPRESENTATIVE OF THE AUDOBON SOCIETY WHO ADVISED THAT INASMUCH AS THERE IS A LIMITED AMOUNT OF ANY ONE BIRD NOISE IT IS DIFFICULT TO IDENTIFY THE BIRDS, BUT HE BELIEVES THAT ONE BIRD IS A BLACK PHOEBE WHOSE NATURAL HABITAT IS NEAR FRESH WATER. HE THINKS THAT THERE IS A POSSIBILITY THAT ANOTHER BIRD IS A BAND TAIL PIGEON WHICH IS A MIGRATORY BIRD INDIGENOUS TO THE COAST OF CALIFORNIA. THE OTHER BIRD SOUNDS WERE NOT IDENTIFIED BY HIM. HE SUGGESTS THAT AN EXPERT IN THE FIELD OF INSECTS LISTEN TO THE TAPE AS HE BELIEVES THERE ARE INDIVIDUAL INSECT SOUNDS ON IT, BUT NOT BEING AN EXPERT HE COULD NOT MAKE A DETERMINATION AS TO WHETHER THESE ARE INSECT SOUNDS OR FROM SOME OTHER SOURCE. WE PLAN ON PLAYING THE BIRD TAPES TO AT LEAST ONE OTHER ORNITHOLOGIST SO THAT WE MAY GET ADDITIONAL OPINIONS IN THIS MATTER. THE REASONING FOR THE ABOVE, OF COURSE,

IS THAT WE HOPE TO LOCATE A BIRD SOUND OR SOUNDS THAT CAN BE IDENTIFIED WITH A BIRD WHOSE LOCALE IS SOME PARTICULAR AREA.

ARMED AND DANGEROUS.

ADMINISTRATIVE:

RE RANDOLPH A. HEARST, VICTIM'S FATHER: AS BUREAU IS AWARE, A DR. KIMBROUGH, WHO INVESTIGATION AT SAN FRANCISCO HAS DETERMINED TO BE IDENTICAL WITH DR. LEO SAMUEL KIMBROUGH, HAS BEEN IN CONTACT IN THE RECENT PAST WITH RANDOLPH HEARST CONCERNING AN ALLEGED SLA CONTACT WHO WAS REPORTEDLY WILLING TO MAKE A DEAL REGARDING THE RELEASE OF VICTIM. THIS DEAL INVOLVED THE PAYMENT OF A CERTAIN SUM OF MONEY AND CONTAINED OTHER CONDITIONS INCLUDING THE EXCHANGE OF HEARST FOR PATTY AND A SUBSEQUENT LONG-RANGE AIR FLIGHT TO A FOREIGN COUNTRY.

DURING LATE P.M., FEBRUARY 28, 1974, SAC, SAN FRANCISCO, DISCUSSED THIS MATTER WITH HEARST WHO INDICATED THAT SINCE LAST BEING CONTACTED ON FEBRUARY 25, 1974, BY KIMBROUGH, HE HAS HAD NO ADDITIONAL COMMUNICATION FROM HIM. HE STATED THAT IN THE

EVENT THIS INDIVIDUAL CONTACTS HIM AGAIN REGARDING THE ABOVE OFFER OR ANY ADDITIONAL INFORMATION RECEIVED FROM THIS ALLEGED SLA CONTACT OF HIS, THAT HE WOULD REQUEST KIMBROUGH TO FURNISH SUCH INFORMATION TO THE FBI. HE AGAIN ASSURED SAC THAT UNDER NO CIRCUMSTANCES WOULD HE ENGAGE IN ANY NEGOTIATIONS WITH INDIVIDUALS CONCERNING VICTIM WITHOUT SEEKING FBI ADVICE.

SAC, SAN FRANCISCO IS IN CONTACT WITH HEARST ON A DAILY BASIS AND ADVISES HIM CONTINUALLY THAT UNDER NO CIRCUMSTANCES SHOULD HE MAKE ANY DEALS IN CONNECTION WITH THIS MATTER UNLESS HE HAS SOUGHT THEIR ADVICE. HEARST HAS BEEN REPEATEDLY INFORMED THAT THE FBI WILL NOT ENGAGE IN ANY ACTIVITY WHICH WILL IN ANY WAY JEOPARDIZE THE SAFETY OF THE VICTIM.

WE ARE FOLLOWING KIMBROUGH MATTER CLOSLEY AND IN THE EVENT NO SUBSEQUENT CONTACTS BY KIMBROUGH ARE MADE WITH HEARST IN THE IMMEDIATE FUTURE, WE PLAN ON INTERVIEWING KIMBROUGH FOR ANY AND ALL INFORMATION HE MAY POSSESS REGARDING THIS MATTER. IT SHOULD BE NOTED THAT KIMBROUGH'S ALLEGED CONTACT WITH THE SLA

IS BELIEVED TO BE A PATIENT OF HIS.

RE PROPOSAL UNDER CONSIDERATION TO CANVAS VOLKSWAGEN DEALERS AND FOREIGN CAR REPAIR SHOPS IN AN EFFORT TO LOCATE 1967 VOLKSWAGEN BUG BELONGING TO CAMILLA HALL, ASSOCIATE OF MIZMOON SOLTYSIK: THE SAN FRANCISCO OFFICE HAS UNDER INVESTIGATION SEVERAL BANK ROBBERIES INVOLVING A 1972 VOLKSWAGEN, YELLOW IN COLOR. WE ARE CONTEMPLATING CANVASSING ALL REPAIR SHOPS IN THE SAN FRANCISCO BAY AREA INDICATING THAT WE ARE SEEKING A VOLKSWAGEN BUG IN CONNECTION WITH A NUMBER OF BANK ROBBERIES. THESE SHOPS WILL BE CANVASSED BY SA PERSONNEL AND INQUIRY WILL BE CONDUCTED REGARDING THE VOLKSWAGEN BUG WE ARE INTERESTED IN IN CONNECTION WITH THE BANK ROBBERIES AND ALSO THE VOLKSWAGEN BUG THAT WE ARE INTERESTED IN IN CONNECTION WITH LOCATING HALL. WE SHOULD BE ABLE TO MAKE THE ABOVE INQUIRIES WITHOUT DIVULGING THAT THE TRUE PURPOSE IS IN FACT TO LOCATE THE BUG INVOLVED IN CAPTIONED MATTER.

RE: PATRICIA MICHELLE SOLTSIK, AKA MIZMOON MONIQUE SOLTYSIK:

AS THE BUREAU IS AWARE, [redacted] HAS BEEN IDENTIFIED AS AN ASSOCIATE OF MIZMOON AND THE [redacted] OFFICE HAS BEEN MAINTAINING CONTACT WITH [redacted] WHO IS EMPLOYED AS AN [redacted] IN AN EFFORT TO DEVELOP INFORMATION LEADING TO THE WHEREABOUTS OF MIZMOON. IT SHOULD BE NOTED THAT ALTHOUGH COOPERATIVE, [redacted] HAS BEEN UNABLE TO FURNISH ANY PERTINENT INFORMATION.

REC-88 7-15200-711

IN ACCORDANCE WITH SAN FRANCISCO REQUEST, THE [redacted] OFFICE INTERVIEWED [redacted] ON MARCH 1, 1974. SHE WAS COOPERATIVE AND FURNISHED EXTENSIVE BACKGROUND INFORMATION

MAR 5 1974

END PAGE ONE

TELETYPED TO:

MAR 11 1974

REGARDING HERSELF AND HER ACTIVITIES WHILE IN THE SAN FRANCISCO AREA. [redacted] FIRST MET MIZMOON DURING THE FALL OF 1968 AND DURING PERIOD FROM FALL, 1972, TO SPRING, 1973, SHE AND MIZMOON ENGAGED IN LESBIAN RELATIONSHIP. DURING THIS PERIOD SHE ASSOCIATED WITH MIZMOON ON THE AVERAGE OF FOUR TIMES PER MONTH AND INDICATED THAT MIZMOON'S INTEREST DURING THIS PERIOD WERE WOMAN'S LIB AND LESBIANISM. SHE WAS NOT AWARE OF ANY GROUP OR ORGANIZATION THAT MIZMOON WAS AFFILIATED WITH AND AT NO TIME DURING THIS PERIOD DID MIZMOON ATTEMPT TO RECRUIT HER [redacted] FOR ANY ORGANIZATION. SHE INDICATED THAT DURING THE SPRING OF 1973, SHE MET ONE CHRIS (LNU) AT MIZMOON'S PARKER STREET RESIDENCE IN BERKELEY, CALIFORNIA. SHE DESCRIBED CHRIS A BEING A NEGRO MALE, 20 TO 25 YEARS OF AGE, SIX FEET THREE INCHES TALL, 180 POUNDS, AFRO HAIR-DO. DURING THIS ENCOUNTER, MIZMOON INDICATED THAT CHRIS WAS HER DATE.

IT IS TO BE NOTED THAT THE PHYSICAL DESCRIPTION OF CHRIS REFERRED TO ABOVE VERY CLOSELY FITS THE DESCRIPTION OF CHRISTOPHER BROTHER THOMPSON, A NEGRO MALE, BORN JUNE 12, 1946, AT NEW YORK CITY, NEW YORK, SIX FEET THREE INCHES TALL, 160 TO 176 POUNDS,

END PAGE TWO

Cmly

BLACK HAIR WORN IN A SHORT AFRO. THOMPSON IS THE SUBJECT OF CURRENT SLA INVESTIGATION AND ASSOCIATE OF KNOWN SLA MEMBERS. THOMPSON RESIDED AT KNOWN SLA PAD IN OAKLAND, CALIFORNIA, AND THIS IS THE FIRST INDICATION WE HAVE HAD OF ANY ASSOCIATION ON HIS PART WITH MIZMOON. IT IS TO BE NOTED THAT THE NAME "CHRIS" APPEARED IN PERSONAL PAPERS OF MIZMOON [redacted]

WE HAVE INFORMATION INDICATING THAT DE FREEZE UPON HIS ESCAPE FROM PRISON DURING MARCH, 1973, WAS TAKEN BY [redacted] TO MIZMOON'S PARKER STREET RESIDENCE WHERE HE ALLEGEDLY HOLED UP ON A TEMPORARY BASIS.

A PHOTOGRAPH OF THOMPSON IS BEING FURNISHED TO [redacted] AMSD, MARCH 2, 1974, FOR EXHIBITION TO [redacted] IN AN EFFORT TO EFFECT A POSITIVE IDENTIFICATION.

[redacted] IS UNABLE TO FURNISH ANY INFORMATION REGARDING SLA, CAPTIONED MATTER, OR ANY VOLKSWAGEN BUG IN POSSESSION OF MIZMOON. SHE DID, HOWEVER, FURNISH INFORMATION CONCERNING ONE INDIVIDUAL WHOM SHE FELT MIGHT BE KNOWLEDGEABLE CONCERNING MIZMOON'S ACTIVITIES AND/OR HER CURRENT WHEREABOUTS. THIS

INDIVIDUAL REPORTEDLY RESIDES IN THE OAKLAND, CALIFORNIA AREA AND INVESTIGATION IS UNDERWAY TO LOCATE AND INTERVIEW HER. [redacted] STATED NO PERSONAL CONTACT WITH MIZMOON SINCE MAY, 1973, AND THAT DURING TRIP TO BERKELEY AREA IN FALL OF 1973, SHE ATTEMPTED TO LOCATE MIZMOON; HOWEVER, SHE WAS UNSUCCESSFUL. SHE STATED THAT VICTIM'S FIANCE, [redacted], AND UFAC FUGITIVES DE FREEZE AND [redacted] UNKNOWN TO HER.

ADDITIONAL DATA FURNISHED BY [redacted] BEING REVIEWED FOR LEAD PURPOSES.

IT SHOULD BE NOTED THAT [redacted] DURING INTERVIEW ON MARCH 1, 1974, ADVISED THAT A PERSON BY THE NAME OF "CIN" OR "SIN" WAS UNKNOWN TO HER. SHE WAS ALSO EXHIBITED PERTINENT PHOTOGRAPHS AND SAN FRANCISCO ASSUMES THAT BUTTE EXHIBITED PHOTOGRAPHS OF UFAC FUGITIVE DE FREEZE TO HER FOR IDENTIFICATION PURPOSES.

IT SHOULD BE NOTED THAT LOS ANGELES TELETYPE TO THE BUREAU IN CAPTIONED MATTER DATED FEBRUARY 22, 1974, AND SPECIFICALLY PAGES 6 AND 7 OF THAT COMMUNICATION, MAKE REFERENCE

TO A LETTER DATED FEBRUARY 12, 1974, FROM [redacted] TO MIZMOON. THE FOLLOWING IS A PORTION QUOTED FROM THAT LETTER: "I DON'T REMEMBER IF IT IS SIN OR CIN OR WHAT EXACTLY--BUT I REMEMBER THE MAN. I WISH HIM WELL." THIS COMMUNICATION ALSO MADE REFERENCE TO THE SLA.

THE ABOVE WOULD INDICATE THAT [redacted] HAS NOT BEEN COMPLETELY CANDID WITH US SINCE SHE OBVIOUSLY IS ACQUAINTED WITH THE NAME CIN WHICH IS AN ALIAS UTILIZED BY DONALD DAVID DE FREEZE. Butte [redacted] HAS BEEN INSTRUCTED TO IMMEDIATELY RECONTACT [redacted] AND BRING TO HER ATTENTION THAT WE ARE AWARE OF THE FACT THAT SHE IS ACQUAINTED WITH AN INDIVIDUAL NAMED SIN OR CIN AND PERTINENT INFORMATION CONCERNING HER KNOWLEDGE OF THIS INDIVIDUAL SHOULD BE ASCERTAINED.

SAN FRANCISCO CONTINUING INTENSIVE INVESTIGATION IN AN EFFORT TO DETERMINE THE WHEREABOUTS OF MIZMOON.

IN ADDITION, PREFERRED INVIESTIGATIVE ATTENTION BEING AFFORDED OUR EFFORTS TO LOCATED AND INTERVIEW MIZMOON'S ASSOCIATE, CAMILLA HALL. AS THE BUREAU IS AWARE, HALL PURCHASED A 380 MAUSER AUTOMATIC PISTOL ON JANUARY 8, 1974, FROM A GUN SHOP IN

OAKLAND, CALIFORNIA.

SAN FRANCISCO PLANS BEGINNING MARCH 4, 1974, TO CANVASS VOLKSWAGEN DEALERS AND FOREIGN CAR REPAIR SHOPS IN THE SAN FRANCISCO BAY AREA IN A EFFORT TO LOCATE THE 1967 VOLKSWAGEN BUG BELONGING TO CAMILLA HALL. BUREAU PREVIOUSLY ADVISED WE HAVE UNDER INVESTIGATION SEVERAL BANK ROBBERIES INVOLVING A 1972 VOLKSWAGEN, YELLOW IN COLOR. THESE LOCATIONS WILL BE CANVASSED BY SPECIAL AGENT PERSONNEL AND WE SHOULD NOT ENCOUNTER ANY PRESS INQUIRIES CONCERNING THIS MATTER SINCE WE WILL INDICATE THAT WE ARE ATTEMPTING TO LOCATE THESE VEHICLES IN CONNECTION WITH A SERIES OF BANK ROBBERIES.

RE: BACKGROUND NOISES CONTAINED ON CASSETTE RECEIVED FEBRUARY 16, 1974, WHICH WAS LOCATED AT AIRPORT BUS TERMINAL, DOWNTOWN SAN FRANCISCO:

THIS IS THE SECOND CASSETTE RECEIVED FROM THE SLA AND CONTAINS VICTIM'S VOICE AND THAT OF AN INDIVIDUAL BELIEVED TO BE IDENTICAL WITH DE FREEZE. THE PHRASES PICKED OUT OF THE BACKGROUND ON THIS TAPE ARE AS FOLLOWS:

END PAGE SIX

MALE VOICE SAYING "THIS MORNING," "OF THE PEOPLE," "HOME FOR THE WEEK," "GAS," "FOR YOU," AND "TRUTH." THIS WAS FOLLOWED BY SEVEN SECONDS OF THE SONG "TIL". THE SEVEN SECONDS OF THE SONG "TIL" ARE COVERED BY THE VOICE OF THE VICTIM AND THEN THE MIKE IS TURNED OFF. AT THE END OF THE TAPE, VICTIM ADVISES THAT "YESTERDAY SOLZHENITSYN WAS DEPORTED FROM RUSSIA." SINCE THIS INDIVIDUAL DEPARTED RUSSIA ON FEBRUARY 12, 1974, THIS TAPE WOULD HAVE HAD TO HAVE BEEN MADE BETWEEN FEBRUARY 12 AND 16, 1974. IN AN EFFORT TO IDENTIFY THE RADIO STATION THAT PLAYED THE SONG "TIL," RADIO STATIONS IN THE GREATER BAY AREA ARE BEING CANVASSED. WE ARE HOPING THAT SOME SMALLER STATION WITH A LIMITED RANGE DID PLAY THIS PARTICULAR SONG AND IF THIS IS THE CASE, THEN WE WILL AT LEAST BE IN A POSITION TO DETERMINE AN APPROXIMATE RADIUS WHERE THIS TAPE WAS MADE.

RE: RANDOLPH A. HEARST, VICTIM'S FATHER:

HEARST ADVISED MARCH 2, 1974, THAT HE HAS HAD NO ADDITIONAL CONTACT WITH DR. KIMBROUGH. THE BUREAU HAS BEEN ADVISED PREVIOUSLY OF PERTINENT INFORMATION CONCERNING KIMBROUGH

END PAGE SEVEN

AND HIS RELATIONSHIP WITH RANDOLPH HEARST.

HEARST PLANS ON PERSONAL APPEARANCE BEFORE NEWS MEDIA APPROXIMATELY TEN A.M., MARCH 3, 1974. HE HAS INDICATED THAT HE WILL ADVISE MEDIA THAT HE HAS COMPLIED WITH THE DEMANDS OF THE SLA REGARDING THE SETTING UP OF FOOD DISTRIBUTION CENTERS AND THAT HE IS AWAITING FURTHER WORD FROM THEM AS TO WHEN THEY WILL RELEASE THE VICTIM. HE WILL INDICATE THAT MORE FUNDS (FOUR MILLION DOLLARS) WILL BE MADE AVAILABLE BY THE HEARST FOUNDATION, TWO MILLION DOLLARS IMMEDIATELY UPON RELEASE OF THE VICTIM AND THE OTHER TWO MILLION DOLLARS DURING JANUARY, 1975. HE WILL INDICATE THAT IF VICTIM IS RELEASED, HE WILL PERSONALLY PARTICIPATE IN THE FOOD DISTRIBUTION PROGRAM AND WILL ENDEAVOR TO MAKE IT A LASTING AND MORE SIGNIFICANT PLAN.

THE BUREAU WILL BE ADVISED OF PERTINENT COMMENTS MADE BY HEARST AT THIS PRESS CONFERENCE ON MARCH 3, 1974.

RE: UFAC PROCESS INVOLVING [redacted] AND DONALD DAVID DE FREEZE:

AS THE BUREAU IS AWARE, INVESTIGATION HAS DETERMINED

END PAGE EIGHT

THAT DE FREEZE PREFERS PLUM WINE. ACCORDING TO ONE INDIVIDUAL INTERVIEWED, HE CONSUMES THIS PARTICULAR WINE ON A DAILY BASIS. A SURVEY ON A SELECTED BASIS OF LIQUOR STORES SELLING THIS PARTICULAR BRAND IS UNDERWAY.

IT SHOULD BE NOTED THAT THIS PARTICULAR WINE BEARS THE BRAND NAME OF "AKADAMIA," IS IMPORTED FROM JAPAN, THROUGH THE SUNTORY DISTILLERIES OF LOS ANGELES, CALIFORNIA.

IN CONNECTION WITH FD-61 FOR DE FREEZE, REVIEW OF PHOTOGRAPHS DEPICT HIM WEARING AFRO-STYLE CLOTHING AND TINTED PRESCRIPTION-TYPE GLASSES.

IN INTERVIEW OF PRISON OFFICIALS AT SOLEDAD, CALIFORNIA, THEY ADVISED THAT THE INDIVIDUAL ON HEARST KIDNAPING TAPES SOUNDS VERY MUCH LIKE DE FREEZE; HOWEVER, THEY ARE UNABLE TO MAKE A POSITIVE IDENTIFICATION. THEY CHARACTERIZED DE FREEZE AS INTELLIGENT, CRAFTY, CONWISE, AND A PERSON WHO WAS CONTINUALLY STUDYING WHILE IN PRISON, WHICH STUDIES INCLUDED THE THI LANGUAGE. THEY ADVISED THAT DE FREEZE WOULD USE DIFFERENT ACCENTS AND IT WAS THEIR BELIEF THAT HE WAS TRYING TO IMPRESS OTHER INMATES WITH THE CALIBER OF HIS SPEECH AND A KNOWLEDGE OF DIFFERENT LANGUAGES.

END PAGE NINE

SF 7-855

THE SACRAMENTO DIVISION HAS FURNISHED PHOTOGRAPHS MADE AVAILABLE BY PRISON OFFICIALS AT CMF VACAVILLE, CALIFORNIA, WHICH PHOTOGRAPHS DEPICTED ACTIVITIES OF THE BLACK CULTURAL ASSOCIATION IN WHICH DONALD DAVID DE FREEZE PROMINANTLY APPEARS.

SAN FRANCISCO IS CONTACTING [redacted] IN ORDER TO IDENTIFY OTHERS DEPICTED IN THE PHOTOGRAPHS, AND LEADS WILL BE SET OUT TO HAVE THEM INTERVIEWED.

RE: PATRICIA MICHELLE SOLTSIK, AKA

MIZMOON MONIQUE SOLTSIK:

INTENSIVE INVESTIGATION IS CONTINUING TO IDENTIFY ASSOCIATES AND ACTIVITIES OF MIZMOON, AS WELL AS HER ASSOCIATE CAMILLA HALL AND THE 1967 BLUE VOLKSWAGEN BUG WHICH CAMILLA HALL IS REPORTED TO OWN; HOWEVER, TO DATE, WE HAVE LOCATED NO ONE WHO KNOWS OF THEIR PRESENT WHEREABOUTS. IN REGARD TO THE POLICE ALERT FOR CAMILLA HALL'S VOLKSWAGEN BUG, TO DATE, NO POLICE DEPARTMENT BROADCASTING THE ALERT HAS REPORTED THAT THIS CAR HAS BEEN SEEN. POLICE DEPARTMENTS ARE CONTINUING TO ALERT THEIR PATROL CARS EITHER IN LINE-UPS OR IN RADIO BROADCASTS TO BE ALERT FOR THIS CAR ON "INFORMATION WANTED" ONLY BASIS.

AT APPROXIMATELY 10:30 A.M., FEBRUARY 3, 1974, MR. AND MRS. RANDOLPH A. HEARST MADE THE FOLLOWING STATEMENT TO THE NEWS MEDIA OUTSIDE THEIR HOME IN HILLSBOROUGH, CALIFORNIA:

MR. HEARST:

"WE CAMEOUT, UH, HOPEFULLY TO USE THE FACILITIES OF THE TELEVISION AND RADIO MEDIA TO TALK TO OUR DAUGHTER. WE HAVEN'T HEARD FROM HER IN 10 DAYS. I'M SURE SHE'S ALL RIGHT. UH, I BELIEVE THAT THE SLA IS A POLITICAL MOVEMENT. I BELIEVE SHE IS BEING HELD UNDER THE GENEVA CONVENTION. UH, WE JUST WOULD LIKE TO SAY HELLO TO HER. SO, PATTY, WE KINDA MISSED YOU ON YOUR BIRTHDAY. WE THOUGHT MAYBE YOU'D BE HOME THEN. MATTER OF FACT, ALL THE FELLAS HERE HAD A SIGN SAYING "WELCOME HOME PATTY" AND WE'RE SORRY WE COULDN'T USE IT, BUT I THINK YOU'LL BE HOME PRETTY SOON. I HOPE YOU'RE WELL AND JUST...JUST ALL OF US MISS YOU. WE MIGHT ASK THE PEOPLE THAT ARE HOLDING YOU IF YOU COULD BE ALLOWED TO SEND US A LETTER OR GET IN TOUCH WITH US BY TAPE. IT'S, OF COURSE, RIDICULOUS TO THINK THAT UNDER THE GENEVA CONVENTION WE'RE

END PAGE TWO

GONNA BE ALLOWED TO GO IN AND SEE YOU, THAT ANYBODY CAN GO IN, BUT UNDER THE CONVENTION, YOU ARE ALLOWED TO WRITE OR CORRESPOND WITH OTHER PEOPLE. SO SEE IF THEY'LL LET YOU SEND US A NOTE OR SOMETHING AND LET US KNOW YOU'RE OKAY. YOU WANT TO SAY ANYTHING, HONEY?"

MRS. HEARST:

"PATTY, HONEY, YOUR FATHER'S DOING EVERYTHING IN HIS POWER AND I WANT YOU TO KNOW THAT MILLIONS OF PEOPLE ALL OVER THE WORLD ARE PRAYING FOR YOU. I KNOW IT'S BEEN A LONG TIME, SWEETHEART, BUT KEEP UP YOUR COURAGE AND YOU KEEP PRAYING. YOU'VE NEVER HARMED ANYBODY AND I KNOW THAT PRETTY SOON GOD'LL TOUCH THEIR HEARTS AND THEY'LL SEND YOU HOME AGAIN."

MR. HEARST ADVISED HE AND HIS WIFE MADE THIS STATEMENT TO THE PRESS IN THE HOPES THAT IT WOULD BRING NEW INFORMATION FROM THE KIDNAPERS AND REINSTATE COMMUNICATION WITH THEM.

MR. HEARST HAS BEEN CONSULTING WITH A BLACK MAN IDENTIFIED AS CHESTER A. WRIGHT FOR THE PAST THREE DAYS. MR. WRIGHT HAS AFFORDED HEARST INFORMATION CONCERNING THE MANNER IN WHICH TO DEAL WITH BLACK MILITANTS AND REVOLUTIONARIES. WRIGHT

IT APPEARS THAT THE SLA MAY HAVE BEEN CONSIDERING USING THIS LIST TO OBTAIN FALSE IDENTIFICATION BUT SINCE THEY LEFT IT, IT IS UNKNOWN IF THEY ACTUALLY DID SO, HOWEVER, WE ARE CHECKING THIS OUT THROUGH THE DEPARTMENT OF MOTOR VEHICLES AND OTHER SOURCES. THEREAFTER, WHEN THE SLA MADE DEMANDS, FOR DISTRIBUTION OF FOOD, [redacted] THOUGHT THERE WAS A POSSIBILITY THAT THESE TWO INDIVIDUALS MIGHT HAVE SOME KNOWLEDGE OF THE SLA. This major kidnaping investigation is being supervised on a full-time basis by SAs Michael A. Morrow and James K. Hall. These two Supervisors are working full time on this case and necessarily spend and have spent many hours after 6 pm, on holidays, and weekends. For example, on Sunday, 2-24-74, both SAs worked from 11:00 am until 10:00 pm.

The present gas shortage coupled with the increased demand for use of these SAs' personally owned automobiles is creating a heavy burden In order for these men to be able to immediately respond to the exigencies of this case after hours and to afford them transportation to and from their residences and FBIHQ, it is respectfully requested that they be permitted to utilize one Bureau car for transportation to and from their residences during the week and on weekends during this emergency.

ACTION:

Q87 Forty-five road and aerial maps and one manila envelope

Result of examination:

A definite conclusion was not reached whether the questioned written notations, where found, on the Q87 maps were prepared by the writers of any of the items previously submitted in this case, the case captioned "SYMBIONESE LIBERATION ARMY (SLA) EM" or in the case captioned "AUGUST SEVENTH GUERILLA MOVEMENT (ASGM) EM", due to the presence of unexplained variations and the limited nature of some of the Q87 notations.

Re NY teletype to Bureau, 2/25/74.

Enclosed for each office are two copies each of two photographs. Also enclosed for Chicago and Newark are two copies each of referenced NY teletype.

On 2/25/74, inmate [redacted] was interviewed concerning his allegations that some inmates at [redacted] are Black Liberation Army members and have information about Hearst and the Symbionese Liberation Army. [redacted] stated that he had overheard conversations between inmates [redacted], who had claimed he was associated with the BLA before going to prison, and [redacted] (true name not known), and [redacted] had said on hearing on the radio about the HEARST kidnapping that he knew who was probably responsible. [redacted] went on to say that the way the BLA operates he was sure that BLA members from Chicago, Ill. had gone to Calif. to do the "Job" for the California BLA and if there was a "Job" in the Chicago area or elsewhere outside, members would be brought in to do the job.

[redacted] said that he wrote down some of the names of BLA members as he understood them phonetically.

Those from California are supposed to be from the San Francisco, Oakland area and are all Blacks while those from Chicago are all blacks except for [redacted] These groups are listed separately:

San Francisco-Oakland, California group

1. [redacted] negro male, supposedly the head of the Calif. BLA.
2. [redacted] negro male
3. [redacted] negro female
4. [redacted], negro female
5. [redacted] negro female

Chicago, Illinois group

1. [redacted] white female
2. [redacted] negro male and boyfriend of [redacted]
3. [redacted] or [redacted], negro male supposed to be head of Chicago BLA.
4. [redacted] negro female
5. [redacted], negro male
6. [redacted], negro male
7. [redacted] negro male
8. [redacted] negro male

[redacted] said that [redacted] had indicated that [redacted] would have been the persons most likely to have gone to California to do this "job" and that they would have brought HEARST back to Chicago rather than to keep her in Calif.

[redacted] claimed the SLA is merely an offshoot of the BLA and that whoever tries to rescue HEARST would be in for a terrible gun battle because the weapons the SLA would have would include M-1 rifles, pistols, machine guns and hand grenades. [redacted] said that the bullets are split or cut in cross marks on the head so that the bullet would spread and do greater damage. [redacted] mentioned that the BLA had used the basement of a building on Boone Avenue at 168th or 169th Street in New York City for a firing range. It had been soundproofed. It was supposed to have been

abandoned for use after [redacted] was arrested in Brooklyn, New York, with guns in a suitcase, or after [redacted] was killed. [redacted] had claimed he was a member of the BLA and was acquainted with [redacted] and other BLA members. [redacted] also exhibited a photograph of a truck [redacted] claimed he owned that was used for transporting weapons for the BLA. The truck is now supposed to be at the residence of [redacted] North Carolina, who is [redacted] mother.

[redacted] also had exhibited the photo of a dark complexioned negro male, age about 50, large build, wearing a cap, and with guns on the wall in the background of the picture. This unidentified man, according to [redacted] is the national leader of the BLA. This photo [redacted] had said was sent to him by the sister of [redacted] name unknown. [redacted] said that [redacted] told him that [redacted] writes to [redacted] and in early February, she sent him about $180 and said she had to make a trip to California and she has not written since.

[redacted] had commented he would have to write to [redacted] and tell her she had better watch what she writes about the plans of the BLA. [redacted] advised she had been putting information in letters to him about where certain (unidentified) BLA members were or where they were going.

[redacted] said that [redacted] was a close friend of [redacted] and had said that he was a member of BLA before he came to [redacted] did not know how long [redacted] had been at [redacted] but knew that [redacted] came to [redacted] within the last three or four months. [redacted] and [redacted] both claimed they had been involved in the killing of policemen and that both were in prison on these charges.

On 2/26/74, [redacted], Head Clerk, [redacted] identified [redacted] as [redacted] There was no indication from a review of his disciplinary record, correspondence records, or otherwise of any association with any extremist element in prison or outside.

[redacted]

[redacted]

On 2/27/74, [redacted] furnished copies of the photo of the alleged leader of the BLA, however, the photo does not show any weapons on the walls of the room he is in as [redacted] had claimed he had seen in the photo. The same source also furnished copies of a photo of the truck allegedly owned by [redacted] and allegedly used by the BLA to transport weapons. The license plate of the truck is not in view.

Other than [redacted] and [redacted] Albany indices contain no information that is identifiable with other persons mentioned above.

The reviews of the inmate files of [redacted] and [redacted] tends to disprove part of the information furnished by [redacted] However, since a thorough evaluation

of all information could not be made at Albany, all recipient offices are requested to evaluate the information concerning their division by indices checks, contacts with appropriate sources for possible identification of individuals (other than [redacted].

A review of records of Santa Barbara County Recorder's Office, Bureau of Vital Statistics, disclosed on 11/29/73 M. SOLTYSIK, 1016 Bath Street, Santa Barbara, requested to search birth and death records that date. It is noted [redacted]

Los Angeles indices reflect on 11/21/73 MARY HENSLEY submitted an application for review of birth and death records for the year 1970. HENSLEY stated the reason for the application was to put together her family tree, but on being informed of the application fee, $2.00, stated she did not have the money and left the office. A residence address of 513 Chapala, Santa Barbara, contained on HENSLEY's order form was subsequently determined to be a nonexistent residence. On 11/30/73 HENSLEY returned to the Bureau of Vital Statistics office stating she wanted to obtain a birth certificate of a deceased individual, CYNTHIA SUE MANKINS. When ordering the certificate HENSLEY used the name MARY SCHWARTZ and gave her residence as 1923 De La Vina, Santa Barbara. Subsequent inquiry at the De La Vina address determined HENSLEY aka SCHWARTZ unknown at that address. HENSLEY is described as a white female, age 20 to 23, 5' 8", 130 lbs., waist-length brown hair, and unkempt appearance.

Enclosed for the Identification Division is a cellophane evidence folder containing a 3" x 8" envelope with cutout words "Berkeley Police" on the front. The envelope contains the cutout words "Find", "Hearst", "in", "Dunlop", "Valley". This material was obtained by the Berkeley Police Department from the Rincon Annex of the San Francisco Post Office.

The Police have advised that the U.S. Post Office reported there is no "Dunlop Valley", but indicated there was a "Dunlap Valley" outside Fresno, California.

The Latent Fingerprint Section is requested to examine the enclosed material for possible latents, and compare any latents found against those previously submitted in the HEARNAP matter, in the Symbionese Liberation Army matter, and in the August 7th Guerrilla Movement case. At the conclusion of the examination, return the material to San Francisco.

There is also enclosed a xerox copy of the front of the envelope submitted.

FBI File No. 7-15200
Lab. No. D-740222053 PF

Specimens received 2-22-74

Q76 Sheet of ruled paper bearing writing beginning "Facism is a tool ..."

Q77 Sheet of ruled paper bearing writing beginning "Mon clean rugs ..."

Q78 Sheet of ruled paper bearing writing of various names, addresses, and telephone numbers beginning [redacted]"

Q79 Two sheets of used Chiffon carbon paper

Q80 One sheet of paper bearing typewriting beginning "It has been suggested ..."

Q81 Envelope postmarked "REPRESA, CA 95671 FEB 13 AM 1974" bearing handwritten address [redacted] Oakland, Calif. 94601"

Q82 Copy of typewritten letter beginning "During the last 8 or 9 months ..."

Q83 Copy of typewritten letter beginning "Quentin 6, the Watergate...

Result of examination:

The typewriting on Q80 and the typewriting on Qc12 and Qc15, previously submitted in case captioned "AUGUST SEVENTH GUERILLA MOVEMENT (ASGM) EM" is similar in style to Laboratory standards for a Setag or Ransmayer style of type spaced 260 millimeter per one hundred characters. However, due to the lack of sufficient individual identifying characteristics, a definite conclusion was not reached whether these items were prepared by the same typewriter. No typewriting on other items previously submitted in this case, the ASGM case or the case captioned "SYMBIONESE LIBERATION ARMY (SLA) EM" were found to correspond to this style of type.

BRG:mcw (11)

Q82 and Q83 were prepared using an offset printing process. The typewriting on the original documents from which Q82 and Q83 were made correspond to Laboratory standards for a Royal pica style of type spaced ten characters per horizontal inch. The typewriter used in preparing the originals from which Q82 and Q83 were prepared was not used to prepare the typewriting on other items submitted in this case, the ASGM case or the SLA case.

Due to the presence of unexplained variations and the lack of sufficiently comparable writing, a definite conclusion was not reached whether the writing on Q76, Q77 and Q78 was prepared by any of the writers of other items previously submitted in this case.

Photographs made of the impressions on the Q79 sheets of carbon paper are enclosed.

Q81 is an embossed U.S. Postal Service stamp bearing a U.S. Government watermark. Q80 bears the watermark "EATONS CORRASABLE BOND USA BERKSHIRE COTTON FIBER CONTENT." This watermark is registered to the Eaton Paper Company, Division of Textron, 75 South Church, Pittsfield, Massachusetts. The other submitted items contain no watermarks, indented writing of significance or other characteristics to aid in determining their source.

The submitted evidence is being returned separately. Appropriate photographs were made. Photographs of the two sheets of carbon paper, Q79, are attached.

Enclosed for the Bureau are two (2) Oakland Public Library Science and Industry Reference Desk charge-out slips, Oakland Public Library Form 561-032.

For the information of the Laboratory, the enclosed slips were furnished to the FBI by the Oakland Public Library, Main Office, Oakland, California, on 2/8/74. Unknown individuals charged out two reference books during September and October, 1973, which were later recovered in the Symbionese Liberation Army (SLA) headquarters in Concord, California. Investigation at the Oakland Public Library has failed to identify the individuals who charged out the books and listed their names and addresses as appearing on the enclosed charge-out slips.

The Laboratory is requested to conduct latent fingerprint and handwriting examination on the two slips to be compared with list of suspects previously furnished in this case. The Laboratory should note that the following information appearing on the two slips was written by the suspects:

1. The name [redacted]

2. The name [redacted]

Upon completion of examination, the slips should be returned to the San Francisco Division.

For your assistance, significant handwriting similarities were observed in comparing the blue ink questioned writing on Q100, the questioned handwriting on the lower portion of Q42, submitted in the SLA case, the handwriting on Q32 submitted in the SLA case and portions of the handwriting on Q40 submitted in the SLA case with the purported writing of DONALD DAVID DE FREEZE, Qc12. If further examinations are requested regarding these items, it will be necessary to have additional voluminous known writing by DE FREEZE showing the same letters and letter combinations as the questioned writing. Also, if available, the original from which Qc12 was made should be obtained and submitted.

Nothing of particular significance was observed in comparing the questioned writing in this case, the SLA case or the ASGM case with the available writing of [redacted].

The SLA case referred to in the attached report has Bureau file #157-30832 and San Francisco file #157-9806. The ASGM case referred to has Bureau file #157-30190 and San Francisco file #157-9412.

Specimens received 2-28-74, from SAC, San Francisco:

Q100 Four inch by six inch card bearing writing on one side signed "Mizmoon" and writing on the other side signed "Cin"

Specimens received 2-24-74, from SAC, San Francisco:

K11 Twenty-five envelopes with accompanying letter addressed to [redacted] bearing purported writing of [redacted]

Kc12 Photographs of nine pages of writing of DONALD DAVID DE FREEZE

Result of examination:

The conclusion was reached that the black ink writing on Q100 was prepared by PATRICIA MICHELLE SOLTYSIK, purported writer of K7.

Due to the presence of unexplained variations and the lack of sufficiently comparable writing, a definite conclusion was not reached whether the blue ink questioned writing on Q100 was prepared by writers of other items submitted in this case, the case captioned "SYMBIONESE LIBERATION ARMY (SLA) EM" and "AUGUST SEVENTH GUERILLA MOVEMENT (ASGM) EM" or THERO WHEELER, purported writer of K11 or DONALD DAVID DE FREEZE, purported writer of Kc12.

K11 and Kc12 are attached. Q100 is being returned separately. Appropriate photographs were made.

SUBJECT: ROBERT HOUGHTON
ATTORNEY GENERAL's OFFICE
LOS ANGELES, CALIFORNIA

On March 1, 1974, Robert Houghton, Director, Division of Law Enforcement, State of California, Attorney General's Office, Los Angeles (Phone: 213-620-2085) phoned me. Mr. Houghton said Attorney General Younger of the State of California is putting together a highly selective group to consider possible options available to SLA in the Hearst kidnaping case. He said that the Attorney General wants to use Aero Space of California to supply a staff to this group of people in order to study just what can be done by the investigators and the family in the event SLA comes through with certain demands. An example would be that SLA might say that as a part of the solution to the case they want an airplane of a certain size and range. This would be studied as an option of SLA to determine how best the family and the law enforcement might plan to counter this demand and to try to devise possible purposes SLA might have in mind for the use of this equipment.

Houghton said 2 members, [redacted] and [redacted] have been primarily picked to form this panel. About 8 others will be chosen and it is hoped by him that at least 2 representatives could come from the FBI. It was hoped that the meeting could be held March 12, 1974, at 8:00 a.m., at an unspecified location in Los Angeles. Further description of their possible deliberation he said this would be somewhat in the area of "gaming." I am familiar with this process which is an analysis of all available information and thereby pay to protect what might be the reasons for certain action and what might be the base plan in order to give advantage to the planner.

I told Houghton I would consider this and let him know by Tuesday next. I feel that although this seems to be a rather ethereal type of project, none the less from experience I have found that there can be some significant developments made and courses of action outlined. I am further of the opinion that if we decline it might be construed as an uncooperative gesture and that we would be criticized for not having been a part of the

deliberations. A further matter which we should consider is that through this procedure we might be inviting others to share our responsibility but I do not feel this to be objectionable.

At any rate, I would like to have you and your associates among the Executives Conference consider this and be able to present your ideas on it to me upon my return to Washington, March 5, 1974. You may feel free to contact Mr. Houghton in Los Angeles for any further details. As a matter of fact, it might be advisable to do so after you have thought over this situation primarily.

My memorandum of March 1, 1974, captioned as above, advised of a call by Ambassador Hoffacker, Working Group, Cabinet Committee to Combat Terrorism, regarding request for a discussion by various individuals concerning contingencies that might occur in the Hearst kidnaping. Memorandum noted that Ambassador Hoffacker had been in contact with Jeff Shepphard, White House representative with the Working Group.

Ambassador Hoffacker contacted me the evening of March 1, 1974, and stated that Mr. Shepphard had called back and advised that the White House position was that they are more than satisfied with the FBI handling of this matter and thought that it should be left as it is. They felt that the FBI would be aware of any terrorist involvement and was capable of handling any contingencies of this type. He further felt that Federal agents should not be sent to the West Coast in this regard and that such a conference would not add anything to the investigation.

Ambassador Hoffacker so advised the office of the Attorney General of the State of California who registered disappointment. Ambassador Hoffacker stated that he has also brought this to the attention of CIA's representative and the Department's representative on the Cabinet Committee.

In connection with the suggestion from Evelle Younger regarding a meeting of various Federal agencies to discuss possible eventualities, a conference was held on the morning of 3-4-74. In attendance were Messrs. Callahan, Miller, Jenkins, Gebhardt, Cleveland, Wannall, Gallagher, Mintz, Warter, Putnam, and Morrow.

At the outset it was noted that the White House opposed Federal agencies participating in the meeting, the Central Intelligence Agency was reluctant to participate, and Younger as the Attorney General of the State of California is actively involved in politics.

After lengthy discussion, it was the unanimous opinion of all present that the FBI should not participate in the proposed meeting. This decision was based on our concern for the safety of the victim. It is realized that notwithstanding the promise that this meeting was to be cloaked in secrecy, it possibly would become known and highly publicized in the press which could well have a detrimental effect on the victim's well-being. We would, of course, be receptive to any information developed in such a meeting, if one was held, and the information was offered to us.

In the event the Director feels the FBI should participate in the proposed conference, it was agreed that Putnam, who is familiar with Terrorist Activities on a world-wide basis, and SA [redacted] a SWAT Team leader in the San Francisco Office, who is familiar with the Hearst Kidnaping case and the tactical plans formulated in the event it is necessary to rescue Miss Hearst, be designated as the FBI's representatives.

We have initiated a "think tank" group within the FBI to explore and define possible potential problem areas in connection with the Hearst case. This group will be directed

SUBJECT: HEARNAP

At approximately 10:30 a.m., 3/3/74, Mr. and Mrs. RANDOLPH A. HEARST made the following statement from their home in Hillsborough, California:

Mr. HEARST: We came out, uh, hopefully to use the facilities of the television and radio media to talk to our daughter. We haven't heard from her in 10 days. I'm sure she's alright. Uh, I believe that the SLA is a political movement. I believe she is being held under the Geneva Convention. Uh, we just would like to say hello to her. So, PATTY, we kinda missed you on your birthday. We thought maybe you'd be home then. Matter of fact, all the fellas here had a sign saying "Welcome Home PATTY" and we're sorry we - couldn't use it, but I think you'll be home pretty soon. I hope you're well and just...just all of us miss you. -You might ask the people that are holding you if you could be allowed to send us a letter or get in touch with us by tape. It's, of course, ridiculous to think that under the Geneva Convention we're gonna be allowed to go in and see you, that anybody can go in, but under the Convention you are allowed to write or correspond with other people. So see if they'll let you send us a note or something and let us know you're okay. You want to say anything, honey?

Mrs. HEARST: PATTY, honey, your father's doing everything in his power and I want you to know that millions of people all over the world are praying for you. I know it's been a long time, sweetheart, but keep

Morrow

On Friday, 3/1/74, at 5:10 p.m., Departmental Attorney James R. Robinson telephonically advised SA Michael A. Morrow that he had been contacted by Mr. Lewis Hoffacker, Department of State, and Chairman of the President's Committee to Combat Terrorism (PCCT). Hoffacker had told Robinson that Evelle Younger, Attorney General of the State of California, was concerned that the Hearst kidnapers may demand an airplane for transportation out of the U. S. Younger had requested that representatives from State, Central Intelligence Agency, Justice, FBI and others, not specified, conduct a "war games" type conference. Robinson stated that as far as the Department of Justice was concerned the FBI is its operational arm and he wanted to get this matter to us for a response.

It was subsequently decided that this matter would be discussed by Bureau officials on Monday, 3/4/74, in Mr. Callahan's Office.

Morrow

At 5:40 p.m., Mr. Hoffacker contacted SA Morrow and furnished the following. Younger had called Hoffacker earlier Friday and proposed this "war games" conference which was to be hosted by an aerospace organization in California. The conference would attempt to formulate the U. S. Government's policy if the kidnapers demanded to leave the country and to analyze the effect that policy would have abroad. The conference would be an effort to formulate hard thinking but no final commitments would be requested from the participants and there was to be no publicity regarding this meeting.

Hoffacker said that questions regarding domestic terrorism are within the FBI's domain and he and the PCCT have been quite satisfied with our handling of these matters. Younger, however, asked Hoffacker to call Attorney General Saxbe and indicated that he (Younger) had called Director Kelley and General Walters. Hoffacker called the White House and talked with Jeff Shepard regarding Younger's proposal. Shepard did not like it and twice told Hoffacker he was opposed to it. Hoffacker reiterated he was quite satisfied with the FBI's handling of terrorist activities but he did not have the courage to say no to Younger. In response to Hoffacker's query as to whether Morrow could speak for the Department and FBI, he was told that Morrow could not speak for the Department and that FBI officials were to discuss this matter Monday morning.

Hoffacker stated he would advise Younger, who had requested commitments from the various governmental agencie by 8:00 p.m., EDT, on 3/1/74, that the FBI was going to make its decision Monday.

On Saturday, 3/2/74, Jim Robinson advised that Hoffacker had informed him of the following. Jeff Shepard at the White House opposed the proposed meeting and the decision was made to refuse to have Federal agencies participat in the proposed conference, inasmuch as the FBI was handling the kidnaping and this was sufficient. According to Robinson, Hoffacker had informed Younger's Office of this decision.

DEPARTMENT OF JUSTICE

TO : Director

DATE: February 25, 1974

HEP:CWB:GLG:BA:d

FROM: Henry E. Petersen
Assistant Attorney General
Criminal Division

SUBJECT: Patricia Campbell Hearst Kidnapping
Symbionese Liberation Army

On February 13, 1974, representatives of this Division and the United States Attorney for the Northern District of California met with supervisory personnel of your field office in San Francisco, California, concerning the captioned matter. During the course of that conference it was requested that the Federal Bureau of Investigation, while following leads concerning the kidnapping, be alert to any connection between suspected members of the Symbionese Liberation Army and persons or groups who are seeking the radicalization or politicization of penal inmates.

As you are fully aware, the activities of external groups and individuals which result in the creation of discontent and disorder among prisoners has become a national issue and I am vitally interested in receiving any information the Bureau may develop in this case or in any other matter as it relates to this problem.

SYMBIONESE LIBERATION ARMY (SLA)
EXTREMIST MATTER - URBAN GUERRILLA WARFARE

Reference is made to your memorandum dated February 26, 1974, captioned "Patricia Campbell Hearst Kidnapping, Symbionese Liberation Army."

For your information and pursuant to request for data set forth in referenced memorandum pertinent to captioned matter, the Bureau is in receipt of information developed in January, 1974, by [redacted]

[redacted]

This information identifies SLA activists Russell Little, Nancy Ling Perry, Donald David DeFreeze, [redacted] and one Willie Wolfe as leaders of the SLA outside the prison system. As you are aware, Little has been charged in connection with the November 6, 1973, ambush slaying of the Oakland, California, Superintendent of Schools. Perry, DeFreeze, and [redacted] are prime suspects in the kidnapping of Patricia Campbell Hearst, and Willie Wolfe has been identified as a close associate of Nancy Ling Perry.

Data furnished by [redacted] indicates the SLA functioned as a clearing house for other groups, including persons connected with the black separatist Republic of New Africa and the United Prisoners Union, a militant prison reform organization organized in 1970 in the San Francisco Bay area. DATE 2/27/74

FROM : R. R. Franck

SUBJECT: HEARNAP

Charlie Bates, SAC San Francisco, called earlier today to advise that in connection with a television interview this morning, George Redding, a local television newsman in Oakland, California (Channel 2), indicated that he had learned from someone in the Department of Justice that the FBI had brought SWAT teams into San Francisco. Bates indicated that he was caught by surprise by the question; however, denied there was any connection between the presence of SWAT teams and captioned kidnaping case; indicating that they were engaged in training exercises. In response to questions he explained the SWAT team concept, noting that virtually every FBI office has a team.

Along the same lines, Susannah McBee, "Washington Post," called my office late this morning inquiring concerning SWAT teams, what they consisted of, what their role in law enforcement and the FBI was, and she was afforded a detailed explanation of the SWAT team concept to include the fact that a Metropolitan Police Department SWAT team was recently used to successfully remove a crazed individual who had been sniping at passersby from a building in Northwest Washington. She said she recalled reading about the incident.

She was tactfully asked why she was interested in this subject. She then replied that she had heard that the FBI had SWAT teams in San Francisco. It was acknowledged that this was true but they were not unique to San Francisco that every office had them. She then directly inquired as to whether there was any connection between the presence of SWAT teams in San Francisco and captioned case. She was advised that SAC Bates had responded to this question on television in San Francisco earlier today and she was apprised of Bates' response.

SUBJECT: ROBERT HOUGHTON
ATTORNEY GENERAL'S OFFICE
LOS ANGELES, CALIFORNIA

The Director's memorandum to Mr. Callahan dated March 1, 1974, under the above caption, advised of a telephonic request to have a highly selected group conduct a discussion to consider possible options available to SLA in Hearst kidnaping case.

On this date, Ambassador Lewis Hoffacker, Chairman, Working Group, Cabinet Committee to Combat Terrorism, telephonically contacted me and stated he had had a request from Attorney General (AG) Younger of the State of California making the same request as set forth in the Director's memorandum. In addition, Ambassador Hoffacker stated that he had learned that Mr. Younger had already contacted General Walters at CIA and that if his request for this "war game discussion" was not held he might go to the White House in an effort to have it approved.

Ambassador Hoffacker was advised that the Director had been contacted in line with the above and would advise the Attorney General's office of his decision by next Tuesday.

Ambassador Hoffacker subsequently advised that he had contacted Geoff Shepard, the White House representative on the Cabinet Committee Working Group, who reacted negatively to this request. Mr. Shepard stated that he would discuss the problem at the White House and be in further contact with the Ambassador. Ambassador Hoffacker stated he has no preference either way. He just didn't want the group to be criticized for being indifferent to the problem.

REURTEL, 3/4/74.

YOUR REQUEST FOR ADDITIONAL AUTHORITY OF $1,000 FOR LIMITED EXPENDITURES FOR INVESTIGATIVE OPERATIONS IN THIS CASE IS APPROVED.

NOTE: By Bureau airtel to all offices, 8/14/72, SACs were authorized [redacted]. Referenced Los Angeles teletype reveals a total expenditure of $430 has been made. The Los Angeles Office is currently maintaining a continuous surveillance of possible associates of the kidnapers in the Santa Barbara, California, area. This surveillance involves the use of rented aircraft, which is required to afford surveillance coverage.

It is recognized that the requested amount is in excess of that previously permitted SACs, but it is believed to be fully justified due to the magnitude and importance of this case.

DAILY SUMMARY

DR. LEO SAMUEL KIMBROUGH, M.D.:

Dr. Kimbrough was interviewed by Agents of our San Francisco Office regarding the kidnaping of Patricia Hearst. He stated that on either the 8th or 9th of February, 2 unknown Negro males, both of whom refused to furnish their names, visited his office. Kimbrough lied to these individuals to the effect that the victim's father, Randolph Hearst, had sought his (Kimbrough's) aid in obtaining the release of his daughter. One of these unknown Negro individuals commented "The people are hungry." Thereafter, when the Symbionese Liberation Army (SLA) made demands for the distribution of food, Kimbrough concluded there was a possibility that these 2 individuals might have some knowledge of the SLA. Subsequent to their visit in his office, he received 5 anonymous telephone calls to the effect that these unknown individuals had been unable to develop any information.

Kimbrough thereafter visited [redacted] to discuss possibility of aiding Hearst. He later consulted [redacted] a law firm investigator, who also offered suggestions that Hearst might take in connection with the food distribution program. Kimbrough has had absolutely no contact with the SLA and has no further information concerning any of its members. He did meet with Mr. Hearst on 2 occasions with [redacted] regarding proposals suggested to Hearst which might facilitate the release of Patricia Hearst. Kimbrough insists that at no time did he represent or attempt to convey any demands from the SLA and that he has no contact whatsoever with that group.

Wayne Thompson was also interviewed and subsequently corroborated Dr. Kimbrough's statements and also denies any contact with, knowledge, or involvement with the SLA or their activities.

Patricia Michelle Soltysik, aka. Monique Soltysik Mizmoon Monique Solytsik, "Zoya"

[redacted] was reinterviewed on 3/3/74, in view of discrepancies noted in the information she furnished during previous interview. She admitted she had withheld information and stated that she had in fact in June, 1973, while in Oakland, met a Negro male who was introduced to her by Mizmoon as "Cin" or "Sin". During that period, for two or three weeks, she and one [redacted] shared her Oakland residence with Mizmoon and "Cin". She [redacted] left Oakland in June, 1973, with [redacted] and hitchhiked back to [redacted] insists this is the last time she saw Mizmoon and "Cin" and has no knowledge regarding the SLA. Since that time, she attempted twice, once in October, 1973, and in mid-February, 1974, to contact or communicate with Mizmoon. In February she attempted to contact her by telephone and by letter but ended only with communicating with Mizmoon's mother or sister in Goleta, California. Mizmoon's parents were apparently unable to furnish Mizmoon's address. [redacted] had furnished Mizmoon with her [redacted] address should she ever desire to contact her and [redacted] has agreed to advise the FBI if this occurs. Logical leads resulting from the interviews of [redacted] are being followed including efforts to locate the above-mentioned [redacted]

On 3/3/74, SA [redacted] Santa Barbara, Resident Agenc and [redacted] and [redacted] Bureau of Vital Statistics (BVS), Santa Barbara, California, identified the photograph of Emily Montague Harris as the individual who was observed by SA [redacted] and [redacted] on 11/30/73, in the BVS Office where she obtained a birth certificate for a deceased person, Cynthia Sue Mankins. Harris identified herself at the BVS as Mary Hensley however, when ordering the form to obtain the birth certificate, Harris used the name Mary Schwartz of 1923 DeLaVina, Santa Barbara. Inquiry at the aforementioned address determined Hensley, aka Schwartz, unknown at that address. SA [redacted] described Harris, aka Hensley, Schwartz, as white female, aged 20-23, 5'8", 130 pounds, waist length brown hair and unkempt appearance. Certificate of birth for Cynthia Sue Mankins reflects she is a white female, born 12/17/52 at Santa Maria, California. Mankins was born out of wedlock to Sara Belle Forrester, aged 21, Santa Maria, and James Carleton Mankins, age 28. Certificate of death in name of Cynthia Sue Mankins reflects date of death as 1/24/53, at Cottage Hospital, Santa Barbara.

LEGAL MATTERS:

On 3/4/74, representatives of our San Francisco Office (SFO) met with Assistant U.S. Attorney (AUSA) Jerry K. Cimmet and Departmental Attorney Branden Alvey in San Francisco. During this meeting, the Bureau's Title III request for intercept at three suspected SLA locations was discussed and Alvey offered suggestions as to information that might buttress FBI's pending request. AUSA Cimmet indicated he felt that data contained in the Title III request could be utilized for request for search warrants and stated he would meet with representatives of SFO on 3/5/74, to further explore this matter.

SFO advised Alvey was apparently not aware that the request for Title III had been submitted to FBIHQ. Alvey indicated he would be returning to Washington, D.C., during early morning of 3/5/74, and planned to assist in expediting Title III request.

RANDOLPH A. HEARST, VICTIM'S FATHER:

On 3/4/74, Mr. Hearst advised he met that afternoon with Reverend [redacted] Williams, Doctor [redacted] Samuel Kimbrough, and Wayne Thompson, supra. According to Mr. Hearst, Thompson, during the meeting, gave the impression that he was a lawyer or at least had legal training and was involved with a legal aid program. He described himself as being a "Servant of the People" and indicated he was in contact with individuals confined in California State prisons. Thompson spoke of using Elmer "Geronimo" Pratt, former Los Angeles leader in the Black Panther Party - Cleaver Faction, and (first name unknown) Brown, who is probably identical with Richard Brown who is in custody on a number of gun charges and who was a leading functionary in the Black Liberation Army in the California area, both of whom are currently incarcerated in California prisons to work with the Western Addition Project Area Committee people who have been operating the People in Need (PIN) Program.

Thompson, during this discussion, taped the conversation and indicated his reason for doing this was to authenticate his conversation with Mr. Hearst and to assist him in further discussions with Pratt and Brown when he solicits their aid in connection with the PIN Program.

SAC, SFO contacting Mr. Hearst later today and will discuss above matter with him.

PIN PROGRAM BEING ADMINISTERED BY LUDLOW KRAMER, WASHINGTON SECRETARY OF STATE:

[redacted] advised 3/4/74, he was contacted by [redacted], who has no formal education but is described as being a leader in the San Francisco black community, to recruit approximately 15 individuals to assist her in connection with this program. [redacted] advised many of the individuals being recruited by [redacted] are planning to steal the food before it arrives at distribution centers. [redacted] advised of food located in a warehouse at China Basin in San Francisco which is to be loaded on trucks evening 3/4/74, and delivered to various distribution points in San Francisco Bay area. The plan of individuals recruited to transport this food is to steal much of the food before it arrives at its destination. [redacted] advised quantities of chickens and turkeys are being sold in the Filmore District of San Francisco which is predominantly black. [redacted] further advised a restaurant owner in the Filmore District purchased three cases of eggs at three dollars a case and 100 chickens for an undisclosed price.

SFO noted that during the more recent distribution of food by PIN, poultry and eggs were among the items distributed.

This information being furnished to Mr. Hearst this p.m. by SAC, SFO for Mr. Hearst's information and whatever action he deems appropriate. This information has also been furnished on a confidential basis to San Francisco Police Department.

Enclosed for the FBI Laboratory is (1) a cellophane envelope containing a white envelope marked "KQED" and a one page letter entitled "Open Letter to the Media", (2) a cellophane envelope containing a cassette, and (3) a photostat of the envelope and letter.

Items 1 and 2 were received from [redacted] on 2/22/74, and had been discovered in the restroom of Foster's restaurant at 625 Mission Street, San Francisco.

(4) is a cellophane envelope containing another "Open Letter to the Media" that was delivered to the SAC's office by messenger by KQED on 2/22/74.

For the information of the Laboratory, the cassette is almost word for word identical to "Open Letter to the Media" and the items appear to have come from the group who directed communiques to the media on 2/20 last, claiming they were dissidents of the Symbionese Liberation Army (SLA). The FBI Laboratory is requested to make handwriting and typewriting examination of these items furnishing any information available concerning watermarks and indented writing. Dear Mr. Doughty:

Pursuant to our telephone conversation this day, in regard to re-establishing communication between Patricia Hearst and her father, Randolph Hearst, I am sending for your edification a copy of Blueprint for Revolution, which I authored.

If Mr. Charles A. Bates, the F. B. I. Agent In Charge of the Hearst problem, continues to maintain that only the F. B. I. and those individual members of the S. L. A., who are immediately involved with Patricia Hearst's disappearance, are the only groups which can re-establish efficacious communications between the parties involved, then it is abundantly clear that Fahizah (nancy ling perry), is considerably more intelligent than Mr. Bates; and consequently, the clearing house for information should be transferred to a more responsive headquarters.

I am in sympathy with two of the announced aims of the S. L. A.: to wit, food for the people and open communication for all members of our society. However, this philosopher would greatly prefer to be informed of Patricia Hearst's well-being and eventual safe return to her family.

The revolution is not coming, we are in the middle of it. The revolution is not local or national, it is world-wide. The revolution is not the fantasy of some deranged megalomaniac, but is the product of philosophy and evolving social conditions.

I am not at war with any of the little people of the world, but I am more than a little irked with the systems which are being perpetuated to keep the people in virtual slavery to the present power holders.

I AM,

The Anterior Philosopher

Enclosed for the Identification Division is a cellophane evidence folder containing a 3" x 8" envelope with cutout words "Berkeley Police" on the front. The envelope contains the cutout words "Find", "Hearst", "in", "Dunlop", "Valley". This material was obtained by the Berkeley Police Department from the Rincon Annex of the San Francisco Post Office.

The Police have advised that the U.S. Post Office reported there is no "Dunlop Valley", but indicated there was a "Dunlap Valley" outside Fresno, California.

The Latent Fingerprint Section is requested to examine the enclosed material for possible latents, and compare any latents found against those previously submitted in the HEARNAP matter, in the Symbionese Liberation Army matter, and in the August 7th Guerrilla Movement case. At the conclusion of the examination, return the material to San Francisco.

There is also enclosed a xerox copy of the front of the envelope submitted.

on personal items of victim HEARST, it is suggested that additional items, such as school papers and books, be submitted in order to obtain additional latent prints of PATRICIA CAMPBELL HEARST.

[redacted]

The typewriting on Q20 through Q23, Q26 and Q27 contain few individual identifying characteristics, and therefore, definite identifications with known typewriters may not be possible.

The case referred to in the report concerning Q20 through Q27 captioned "AUGUST SEVENTH GUERRILLA MOVEMENT (ASGM) (EM) OO: San Francisco" has Bureau file #157-30190, San Francisco file #157-9412, and the case referred to captioned "SYMBIONESE LIBERATION ARMY (SLA)(EM) OO: San Francisco" has Bureau file #157-30832, and San Francisco file #157-9806.

Q28 through Q31 were not associated with material maintained in the National Security File.

Although the questioned hand printing on Q28 through Q31 possibly contains disguise, characteristics observed indicate that Q28 through Q31 may have originated from the same source or sources.

As the Laboratory has previously noted with regard to other questioned typewriting submitted in this case, the questioned typewriting on Q32 through Q39 contains few individual identifying characteristics, and therefore, definite identifications with known typewriter or typewriters may not be possible.

Q41 and Q42 were not associated with material maintained in the National Security File.

The case captioned "SYMBIONESE LIBERATION ARMY (SLA) EM" referred to in the report for Q41 and Q42 has Bureau file #157-30832 and San Francisco file #157-9806.

The typewriting on Q41 through Q44 contains few individual identifying characteristics and therefore, a definite identification of this typewriting with a known typewriter may not be possible.

OAKLAND PD

Q45, Q48, Q49, K5 and K6 - for your assistance, some similarities were observed in comparing the hand printing on items submitted by the Oakland, California Police Department (OPD) in the SLA case which are described in Laboratory report to OPD dated February 5, 1974 as K7, a black address book; Q42, a sheet of paper with typewriting and hand printing; on two pages with writing beginning "AMMONIUM NITRATE" and "RIFLE PRIMERS" in notebook designated Q43; Q46, a green spiral notebook; Q52, sheet of paper; Q57, sheet of paper; Q59, two-page paper; and Q60, a green notebook. Also some general similarities were observed in comparing the available writing of NANCY LING PERRY with portions of the above described questioned writing.

Additional writing by PERRY may be of value for future comparison. San Francisco should attempt to obtain voluminous additional known writing of PERRY, both handwritten and hand printed, showing similar letters and letter combinations as appear in the questioned writing. Also, additional writing of PERRY should have been prepared as contemporary as possible to the questioned writing.

It will be necessary to have additional voluminous handwriting and hand printing by EMILY HARRIS comparable to the questioned writing, before a more adequate comparison can be made with the questioned writing.

Q51 and Q52 - due to the somewhat indistinct nature of the reproduced typewriting on Q52 and the lack of sufficient individual identifying characteristics, it is doubtful that typewriting can be identified with samples from a known typewriter.

Some differences were observed in comparing the hand printing on Q51 with the hand printing on the Q45 and Q48 manila envelopes. However, the possibility that these envelopes were prepared by the same person cannot be eliminated.

[redacted] furnished four voice analysis tapes of the victim to the Sacramento Division.

By airtel dated February 20, 1974, the Laboratory furnished the following information:

For the information of San Francisco and Sacramento although the FBI Laboratory is aware of the technique the

SF 7-855
CHW:chw

FBI Laboratory does not use the Psychological Stress Evaluator (PSE) or have personnel trained to review PSE tapes. It is obvious that the victim exhibited stress in certain areas of the tapes and [redacted] observations may be of general investigative value. It should be pointed out, however, that this technique has not been validated and is purely subjective impressions by the examiner. Recent findings of an extensive Army study of PSE indicate clear inferiority of voice analysis in its present state of development not only to the polygraph but also to judgments made on the basis of simply observing subject's behavior. The American Polygraph Association disapproves of this technique and the published training of PSE examiners consists of two to five days. No Laboratory report is being submitted.

A crime scene investigation was conducted at 2603 Benvenue, Apartment 4, Berkeley, California. The following items were found and retained as evidence in regard to the alleged kidnapping of PATRICIA HEARST:

(1) One box of caliber 9 mm Parabellum (Luger) containing 25 cartridges which was found underneath a book-shelf located on the right side of the entrance hallway of the above residence. It is not known whether this ammunition belongs to the victim or the subjects. No weapon was found in the residence during this search.

(2) One piece of nylon rope, approximately three feet long with a loop in one end with black electrical tape used to make the loop. Traces of blood are present on the rope. This item was found near the door leading to the back of the apartment underneath a chair.

The bag containing the above items was dated and initi by [redacted]

On February 5, 1974, PETER BENENSON, 1304 Josephine Street, Berkeley, California, furnished the following:

Two (2) plastic bags containing strips of bed sheeting. One strip of the bed sheeting was used to blindfold BENENSON and the second strip was used to gag BENENSON.

One (1) plastic envelope containing nylon rope used to bind the hands of BENENSON. The nylon rope has black electrician's tape wound at one end to form a loop in the rope.

On February 7, 1974, the FBI Laboratory advised that the 24 cartridges submitted for inspection are 9 mm Luger of Remington-Peters manufacture which have been loaded with 115-grain, copper-jacketed, hollow-point bullets. The hollow points in cartridges selected at random contain crystalline potassium cyanide sealed in by a layer of paraffin.

The cord found in the victim's apartment is 13/16" diameter braided white nylon cord with a nylon core. On one end is a loop lashed with marline twine and wrapped with 3/4" wide black plastic tape.

One segment of cord taken from PETER BENENSON is like the cord found in victim's apartment and a loop on one end is constructed in the same fashion as described above. The torn end of tape used to wrap the loop on the cord from BENENSON matches end of tape used to wrap loop in cord from victim's apartment.

Second segment of cord taken from BENENSON is 3/16" diameter braided white nylon cord with a 4-ply nylon cord and is dissimilar to other cord submitted. The end of cord has loop constructed as those described above; however, different type of marline twine used. Tape ends on this segment do not match tape ends on other cord submitted. A stevedore's knot appears in one end of this cord.

The lashing of the loops on the submitted cord, the use of marline twine and stevedore's knot suggest Unsubs may have background in or be associated with maritime trade or industry.

The strips of fabric used to gag and blinfold BENENSON are torn pieces of bed sheet. The torn edges of this fabric are suitable for matching purposes should you locate the remaining portion of the bed sheet. No hairs or foreign textile fibers were found on the bed sheet.

On February 8, 1974, the FBI Identification Division, Latent Fingerprint Section, advised that three latent fingerprints and two latent palm prints of value appear in submitted photographs. No latent prints of value developed box containing cartridges or pieces of tape from cords. Latent palm prints identified as palm prints of STEVEN ANDREW WEED.

Latent fingerprints not identical fingerprints WEED. Latent fingerprints compared available fingerprints of PETER BENENSON and other numberous individuals named for comparison purposes but no identification effected.

Searches conducted through the Single Fingerprint File were negative.

On February 7, 1974, an examination was made of a window frame at 2607 Benvenue to locate an expended bullet which had lodged in the window frame. This examination was made by Special Agents [redacted] and [redacted] Berkeley Police Department. This examination was made with the consent of the owners [redacted] An entrance hole was observed approximately 14 inches above the window sill on the south frame of the window. Further examination revealed the expended bullet was lodged in the wooden framework, approximately one and a half inches inside the framework. This bullet was removed still encased in a piece of the wooden frame and is being maintained for evidentiary purposes.

Date 2/11/74

On this date, the below named Special Agent purchased two boxes of Interarms Brand .9 millimeter Tarabellum (Luger) cartridges from [redacted] San Francisco Gun Exchange, 124 Second Street, San Francisco, California, telephone 982-6097. Each box contained 25 cartridges.

Thereafter, [redacted] proceeded to the Oakland, California, Police Department Property Room [redacted] Oakland Police Department, made available one J & R Eng Brand .9 millimeter, Model 68, semi automatic weapon, Serial Number 03304, from Oakland Police Department Property Record 73-64355 (page 20). [redacted] took the weapon to the firearms range and utilized the first box of .9 millimeter cartridges, loaded the magazine, and extracted the 25 cartridges from the above weapon.

Thereafter, [redacted] proceeded to the Criminalistics Laboratory of the Oakland Police Department and contacted Criminalist [redacted] who made available one Walther Brand .380 semi automatic pistol, Model PP Serial Number 44435A. The second box of 25 cartridges was not utilized inasmuch as they would not load or chamber in this pistol.

[redacted] made available one half box (25 cartridges) of Super Vel 380 caliber A.C.T. .9 millimeter Short cartridges. These 25 cartridges were loaded into the magazine and weapon and extracted therefrom.

It was noted from Oakland Police Department Property Record 73-64355 (page 19) that the Walther semi automatic pistol had been charged out of the Property Room to the Criminalistics Section of the Oakland Police Department.

This document contains neither recommendations nor conclusions of the FBI. It is the property of the FBI and is loaned to your agency; it and its contents are not to be distributed outside your agency.

On February 11, 1974, the FBI Laboratory furnished the results of the examination of evidence delivered to the Laboratory on February 9 and 10, 1974:

The bullet from the wall is .30 caliber copper-jacketed bullet like that loaded into .30 carbine caliber cartridges. This bullet fired from barrel rifled with four lands and grooves, right twist, like that found on .30 carbine caliber U. S. carbines, M1 and M2. Microscopic marks of value present on this bullet for comparison and identification with suspect weapons.

The four cartridge cases from ground in front of residence are .30 carbine caliber military cartridge cases which were identified as having been fired in one weapon. Microscopic markings present on these four cartridge cases compared to markings present on cartridge case from Siegle's Gun Shop, reportedly fired in .30 carbine, M1, Serial Number 3801, property of KATHRYN MOYNAHAN. Nothing found to indicate four cartridge cases from scene fired in this weapon. However, repair of weapon could have altered character of microscopic markings produced on cartridge cases by this weapon.

Cartridge case from floor of station wagon is .380 auto (9mm short) cartridge case of Super Vel manufacture which bears microscopic marks of value for comparison and identification with suspect weapons. Nothing found to indicate this cartridge case loaded into and extracted from .380 auto Walther pistol, Model PP, Serial Number 44435A based upon comparison of mechanism marks on this cartridge case with mechanism marks on test cartridges loaded into and extracted from above weapon.

Microscopic comparison made of mechanism marks on twenty-five cartridges from apartment with mechanism marks present on twenty-five test cartridges loaded into and extracted from 9mm Luger (9mm parabellum) J and R Engineering Company carbine, Model M-68, Serial Number 03304. Nothing found to indicate twenty-five cartridges from apartment loaded into and extracted from this weapon.

It is noted twenty-five cartridges from apartment were found in box bearing Interarms, Alexandria, Virginia, label. These cartridges probably not purchased in this box which would have originally contained 9mm Luger (9mm Parabellum) cartridges loaded with full copper-jacketed bullets. Cartridges marketed in this type box usually bear "VPT" headstamp indicating manufactured by Lapuan Patruunatehdas, Lapua, Finland. Inked numbers and letters on bottom of box placed there by manufacturer and have no significance to Interarms who is United States importer and distributor. Therefore, trace based on these numbers not feasible.

Copper-jacketed bullet fragment embedded in wood from front window and other copper jacket and lead fragments from scene are too minute and mutilated to determine caliber type. However, land and groove widths present on several copper jacket fragments same as those present on .30 caliber bullet from wall. This suggests these fragments may also be fragments of .30 caliber bullets. Although copper jacket fragments bear limited microscopic marks of value for identification purposes, no conclusion if bullet, bullet fragments and copper jacket fragments fired from same barrel. Lead fragments from scene bear no marks of value for identification purposes.

Q26 White envelope bearing typewriting "F, B. I. Hearst Case, Important"

Q27 Accompanying sheet of white paper bearing carbon copy typewriting beginning "Dear F, B, I., Hearst Case: The following people ..."

Result of examination:

The typewriting on Q20 through Q23 corresponds to Laboratory standards for a Smith-Corona or S.C.M. elite style of type spaced twelve characters per horizontal inch.

The typewriting on Q26 and Q27 corresponds to a Royal elite style of type, spaced twelve characters per horizontal inch.

The typewriting on Q16 and Q17 in the case captioned "AUGUST SEVENTH GUERRILLA MOVEMENT (ASGM) EM " and the typewriting on a five-page document entitled "LETTER TO THE PEOPLE FROM FAHIZAH" described in Q29 in the case captioned "SYMBIONESE LIBERATION ARMY (SLA) EM " were also found to correspond to a Smith-Corona or S.C.M. style of type; however, a definite conclusion was not reached whether the typewriting on these items and the typewriting on Q20 through Q23 was prepared by the same typewriter due to the indistinct nature of the typewriting on the previously submitted items and the lack of sufficient distinctive individual identifying characteristics.

The typewriting on item K3, previously submitted in theSLA case is the same style as the typewriting on Q26 and Q27; however, due to the lack of a sufficient number of individual identifying characteristics, a definite conclusion was not reached whether the typewriting on these items was prepared by the same typewriter. However, some typewriting differences were observed in comparing the typewriting on Q26 and Q27 with the typewriting on K3.

No other typewriting on items previously submitted in the SLA and ASGM cases was found to contain the same styles of type as found on Q20 through Q23orQ26 and Q27.

Q20 through Q27 were not associated with material maintained in the Anonymous Letter File.

Q27 contains the watermark "COTTON DICTATION BOND By FOX RIVER." This watermark is registered to the Fox River Paper Company, Appleton, Wisconsin.

At approximately 4:15 p.m., on February 8, 1974, [redacted], Assistant News Director, KGO Television, 277 Golden Gate Avenue, San Francisco, California, telephone 863-0077, made available a letter which was received by KGO Television during the working hours on this date. The letter itself was on plain white paper with gray lines, eight inches by ten inches, containing what appears to be the following printed materials:

"(I, and/or we) saw Mr. and Mrs. HEARST on TV. They looked depressed. So the authors of this and prey. Note, say they have nothing to do with abduction. 'F.N.' stands for 'popular cookie by Nabisco'. 'L.F.' stands for what you might expect. No aefeaence to any kidnaping was ever made. 'Property' could have meant a bicycle of a paper boy. Dis aime a result of fact that idea seemed much less humorous after letter dropped which happened 50 minutes after idea for 'joke' struck (me, us), fuatheamore, it is always the paranoia from having every cop in nation looking for the author of a note (I, we) wrote. Sent note to 'News Scene' because they have most probable 'reporters' who try to act as dumb as they think the masses are. Would you believe I am 11. It is sad that cops will undeastandably but be sure (I, we) had nothing to do with the crime, which might interfere with more meaningful aspects of investigations. Still, maybe after hearing about the bogus note, the real McCoys will become frustrated and terminate their custodial responsibilities."

On the reverse side of the above-described paper was the following:

"Nobody's perfect"

A definite conclusion was not reached whether the questioned hand printing on Q28 through Q31 was prepared by the same person or by the writer or writers of the questioned hand printing on Q24 and Q25, due to the presence of distortion in the questioned hand printing, possibly due to intentional disguise.

Adhesive observed at the tops of Q29 and Q31 indicate that these sheets of paper were torn from a ruled tablet or tablets. Q28 through Q31 contain no watermarks, indented writing of significance or other characteristics which would aid in determining their source.

Q28 through Q31, which have been photographed, are being returned separately.

[redacted] Berkeley Main Branch, U.S. Post Office, Allston Way and Milvia, advised [redacted] both officials of KPFA Radio Station, Berkeley, earlier in the morning picked up a letter in his office which was related to the HEARST kidnaping. He explained that the letter was received in a 10-inch by 12-inch manila envelope, and addressed to "KPFA, Berkeley, California", with a return address of [redacted] KQED 9, San Francisco, California". [redacted] recalled that next to the return address was "Attention-to..." and that something else may have appeared on the envelope near the addressee. The writing on the front of the large manila envelope was written and/or printed in ink with nothing appearing on the back of the envelope. Inside the envelope was a 7-page statement, one page listing demands, and one cassette tape recording which was encased within a plastic container.

[redacted] recalled upon opening the envelope and after reviewing its contents, [redacted] immediately telephonically contacted the HEARST residence in Hillsborough, California, and advised them as to the contents of the letter which was received by KPFA.

Following telephonic contact, [redacted] then contacted KPFA studios and directed that studio #1 be set up for immediate use in broadcasting the contents of the letter and the tape recording. [redacted] stated that [redacted] then requested that he [redacted] make ten copies of the letter. [redacted] stated that [redacted] explained that his studio had no Xerox machine and that the copies were made for distribution for news reporters at KPFA. [redacted] stated that he was unable to keep a copy of the letter inasmuch as both [redacted] and [redacted] monitored very closely the Xeroxing of the letter.

[redacted] recalled that the manila envelope contained three rolls of stamps with four stamps in each row and that those stamps were hand cancelled. Although hand cancelled

At 11:52 PM, February 12, 1974, JAY BOSWORTH, son-in-law of RANDOLPH A. HEARST, and WILLIAM RANDOLPH HEARST, III, nephew of RANDOLPH A. HEARST, both presently residing at 233 West Santa Inez, Hillsborough, California, the residence of RANDOLPH A. HEARST, appeared in the reception room of the San Francisco Office of the FBI. They had in their possession two items that had been given to them this AM at Radio Station KPFA, Berkeley, California. These two items, identified as follows, were turned over to Special Agents [redacted] BOSWORTH and HEARST:

Item 1: One Zenith compact cassette, C-60, - 30 minutes each side, low-noise tape, made in the United States. One side is marked Index A and the reverse side is marked Index B; otherwise both sides have identical markings as indicated above. The cassette is in a light gray plastic case. The label is black and yellow with white and red lettering.

Item 2: The alleged original typewritten letter from the Symbionese Liberation Army. The letter consists of 7 pages, numbered 1-7, and an additional unnumbered page, which served as a cover page. Page #1 is headed "THE SYMBIONESE FEDERATION & THE SYMBIONESE LIBERATION ARMY DECLARATION OF REVOLUTIONARY WAR & THE SYMBIONESE PROGRAM", dated "AUGUST 21, 1973". This document consists of four pages. Page 5 contains the heading "THE UNITED SYMBIONESE WAR COUNCIL TERMS OF MILITARY/POLITICAL ALLIANCE", and consists of two pages. The seventh page is entitled "TACTICAL SUPPORT UNITS". The cover page is a single unnumbered page containing two

sections, A and B, each containing four numbered paragraphs. The four numbered paragraphs in section A is preceded by an unnumbered paragraph. The bottom of this page contains the following quote in capital letters: "IF THIS GESTURE OF GOOD FAITH IS NOT MET THEN WE WILL ASSUME THAT THERE IS NO BASIS FOR NEGOTIATIONS, AND WE WILL NO LONGER TAKE AND MAINTAIN IN GOOD HEALTH AND SPIRITS PRISONER'S OF WAR" and signed "S.L.A." The order of the pages of this letter, as received from BOSWORTH and HEARST, appeared in the following order: 5,6,7,4,3,2,1 and unnumbered page. HEARST advised that this is the order in which he received this letter from Radio Station KPFA. All pages of this letter had an approximate 2 1/2" vertical tear at the top.

MR. HEARST furnished the following information regarding the order of events from the time he and BOSWORTH obtained the above items:

A telephone call was received at the HEARST residence in Hillsborough, from Radio Station KPFA some time approximately from 9:00-9:30 AM this date. He and BOSWORTH traveled immediately from Hillsborough to Radio Station KPFA in RANDOLPH A. HEARST's dark green Toyota automobile.

They arrived at the radio station at approximately 10:45 AM. The time of their arrival can be more accurately determined because Radio Announcer PAUL FISHER was reading Item 2 above over the air and was on page 4, middle of the page, which begins "KUJICHAGULIA- LA LIBRE DETERMINACION-SELF DETERMINATION.....".

Approximately one half hour after their arrival at the radio station, ROGER PRITCHARD, Station Manager, gave them Item 1. He had it in his pocket and handed it to HEARST, who put it in a small zippered briefcase they were carrying. About ten minutes later PRITCHARD handed them the original typewritten letter, described in Item 2 above. This was also placed in their briefcase.

At the time PRITCHARD gave them the original cassette (Item 1), PRITCHARD had in his possession a copy of this cassette.

HEARST asked PRITCHARD for the envelope in which Item 1 and 2 had arrived in the mail at the radio station, and PRITCHARD said he does not know what happened to the envelope, but he will look for it, and if he finds it he will call the HEARST residence. HEARST said that either PRITCHARD or FISHER said that the return address on the envelope, which had contained Items 1 and 2 was in care of MARILYN BAKER, Channel 9, San Francisco, California. He does not know how the envelope was addressed; whether it was addressed to RANDOLPH A. HEARST in care of Radio Station KPFA or to the radio station only.

First Male Voice: To those who would bear the hopes and future of our people, let the voice of their guns express the words of freedom. Greetings to the people and fellow comrades, brothers and sisters: My name is Singue (phonetic) and to my comrades I am known as Sin. I am a black man and a representative of black people. I hold the rank of General Field Marshal in the United Federated Forces of the Symbionese Liberation Army. Today I have received an order from the Symbionese War Consel, the Court of the People, to the effect that I am ordered to convey the following message in behalf of the SLA and to insert a taped word of comfort and verification that PATRICIA CAMPBELL HEARST is alive and safe. The Symbionese Liberation Army is the Federated Union of military political elements of many different liberation struggles and of many different races. Our unified purpose is to liberate the oppressed peoples of this nation and to aid other oppressed people around the world in their struggle against fascist imperialism and the robbery of their freedom and homeland. Since this is the purpose and goal of the SLA, it is therefore clear to us, as it will be to all the press people, that our interest is to serve and defend the people and not ourselves, since the people shall always come first in our hearts and souls. The SLA has arrested the subject for the crimes that her mother and father have by their actions committed against me the American people and the oppressed peopl

and the oppressed people of the world. In understanding of this charge, we must first understand who the HEARSTs are and who the serve and represent. RANDOLPH A. HEARST is the corporate chairman of the fascist media empire of the ultra-right Hearst Corporation, which is one of the largest propoganda institutions of this present military dictatorship of the militarily armed corporate state that we now live under in this nation. The primary goal of this empire is to serve and for the necessary propoganda and smokescreen to seal the American people from seeing the realities of the corporate dictatorship which RICHARD NIXON and GERALD FORD represent. This network of propoganda and confusion has succeeded in hiding the truth from the people, that truth being that this nation has suffered its first military corporate coup and that the constitution which some of us still believe in has been overthrown. The fascist Hearst Corporation is compose of firstly, a national newspaper syndicate which includes the San Francisco Examiner and Chronicle and others that jump from California and to as far away as New York and Philadelphia. Second a magazine monopoly composed of over thirteen publications which include, for example, House Beautiful, Harpers Bazaar, Town and Country and Cosmopolitan. Thirdly, a TV and radio station empir across the nation with production of propoganda films of both national and international use. Fourth, ownership of vast areas of real estate in the United States and Mexico, forest, grasslan

and cattle farms. All of this is directly connected to Washin and the corporate dictatorship of RICHARD NIXON and GERALD FOR More to say that the Hearst empire is one of the empires of th ruling class and whose interests serve the rich and are in dir contradiction with the interests of the people. Therefore, th are enemies of the people. Mrs. RANDOLPH A. HEARST is a membe of the University of California Board of Regents and is responsible along with others appointed by Governor RONALD REAGAN for the lowering of funds and investments of our California tax monies in Corporations which have interest and do gain profit from the robbery, oppression and genocide carried out by Fascist and racist governments around the world and within the United States itself. The Regents, with the support of Mrs. HEARST, have time and time again been requested by we the people to not invest our money in such Fascist corporations as General Motors, Westinghouse, Gulf, Standard Oil, Bank of America and others who have and do serve and gain profits from the oppression, robbery, and murder that is committed against black people of South Africa where 70,000 black children a year die from malnutrition; Against white people of Ireland where U. S. trained British soldiers shoot down in the street Irish fathers and mothers, as U. S. manufactured teargas suffocates Irish children, as their older sisters and brothers rot in Irish concentration camps;

Against the freedom of the Philippine people where United States and Marcos puppet soldiers use U. S. manufactured napalm to attempt to burn away the spirit of freedom from the hearts and the souls of the poor and starving.

The UC Board of Regents, one of California's largest foreign investors, supports through its investments the murder of thousands of black men, women, and children of Mozambique, Angola, and Rhodesia. Murders designed to destroy the spirit that all humanity longs for. With all these crimes placed before the Board of Regents and Mrs. HEARST with all the pleas from the people to stop supporting these Corporations, and the murder of thousands of men, women, and children, the Board and Mrs. HEARST did not raise one voice in protest or refuse to be a party to these crimes committed against these people and those committed against the American people.

For these acts and others, the Court of the People hold the HEARST family accountable for their crimes and hold that they are enemies of the people.

We, of the Symbionese Liberation Army, hold that the HEARST Corporation and the HEARST family and the Board of Regents as well as the corporate states that they support and aid are enemies of the people, and as such, that the people

have a legal and human right and duty to attack said enemy, according to the forms of war taken by the oppressed people against any enemy or murderer and oppressor, to gain their freedom and liberty and to give life to their children and people.

It is, therefore, the directive of this court that before any form of negotations for the release of the subject prisoner be initiated, that an action of good faith be shown on the part of the HEARST family to allow the Court and the oppressed people of this world and this nation to ascertain as to the real interests and cooperative attitudes of the HEARST family, and in so doing show some form of repentance for the murder and suffering they have aided and profited from , and this good faith gesture is to be in the form of a token gesture to the oppressed people whom they aid the corporate state in robbing and removing their rights to freedom and liberty. This gesture is to be in the form of food to the needy and the unemployed and to which the following instructions are directed to be followed to the letter.

In closing, and speaking personally for myself and as the father of two children, I wish to say to MR. HEARST and MRS. HEARST that I, as well as the forces under my command for the appellate of the Court of the People, are not savage

killers and madmen, and we do hold a high moral value to life, and we value life very deeply, and with all the spirit that we as human beings can bring forth in our hearts. But, speaking as a father, I am quite willing to lose both my children if by that action I could save thousands of white, black, yellow and red children from a life of suffering, exploitation and murder, and I am, therefore, quite willing to carry out the execution of your daughter to save the life of starving men, women, and children of every race; and I am also, along with the loyal men and women of many races who love the people, quite willing to give our lives to freeing the people at any cost. And if, as you and others so naively believe, that we will lose, let it be known that even in death we will win. For the very ashes of this Fascist nation will mark our very graves.

PATRICIA HEARST: Mom and Dad, I'm okay. I'm (pause) I had a few scrapes and stuff, but I'm (pause) they've washed them up and they're getting okay. And I've caught a cold, but they're giving me pills for it and so uh I'm not being starved or beaten (sigh) or unnecessarily frightened. Um, I've heard some press reports and so I know that STEVE and all the neighbors are okay, that no one was really hurt, and I also know that the SLA members here are very upset about press distortions of what has been happening.

They have nothing to do with the August 7th Movement. They have not been shooting down helicopters or shooting down innocent people on the street. I'm kept blindfolded usually so that I can't identify anyone, and my hands are often tied but not generally they're not. And uh, I'm not gagged or anything, and I'm comfortable, and I think you can tell that I'm not really terrified or anything, and I'm okay.

I was very upset though to hear about the police rushing in on that house in Oakland, and I was just really glad that I wasn't there, and I would appreciate it if uh everyone would just calm down and not try to find me and not be making identifications because uh, they're not only endangering me but they're endangering themselves.

(Sigh). I'm with a combat unit that's armed with automatic weapons and uh (sigh) there's also a medical team here, and uh, there's no way that I will be released unless, until they let me go. So it wouldn't do any good for somebody to come in here and try to get me out by force. Uh, these people aren't just a bunch of nuts. They've been really honest with me, but uh, they're perfectly willing to die for what they're doing and I want to get out of here, but I, the only way I'm going to is if we do it their way, and (sigh) I just hope that you'll do what they say, Dad and just do it quickly (sigh).

Uh, I've been stopping and starting this tape myself so that I can collect my thoughts. That's why there's so many stops in it.

Uh, I'm not being forced to say any of this. Uh, Uh, I think it's really important that (sigh) you take their request very seriously about uh not arresting any other SLA members, and (sigh) and about following their good faith requests of the letter. Uh, I just want to get out of here and see everyone again and be back with STEVE.

The SLA is (clears throat) is very interested in seeing how you're taking this Dad, and they want to make sure that you're really serious and listening to what they're
