[redacted] was interviewed at her residence, San Francisco. She was advised of the identity of the interviewing Agents and that the purpose of the interview was to obtain information regarding the recent activities and current whereabouts of CAMILLA C. HALL.

She listened to a recording which was received March 10, 1974, by KPFA radio at the Metro I Theater on Union Street, San Francisco, from the Symbionese Liberation Army (SLA) and she advised she could not identify any of the voices with any individuals known to her, particularly, CAMILLA C. HALL or WIZMOON. [redacted] was then requested to chronologically describe her friendship with HALL beginning at the time they met. [redacted] She said HALL graduated from the University of Minnesota in 1967 or 1968, and shortly thereafter began selling pots and pans on a house-to-house basis. She could not recall the name of the company for which HALL sold. She said that HALL then got a job in Duluth, Minnesota, where she worked as a social worker. She said she believes this employment was for about one year in 1968. HALL then in 1969 came to Minneapolis where she worked for Hennepin County as a social worker. In the spring of 1969 HALL departed Minnesota for Los Angeles in an attempt to be successful in selling her art work.

[redacted] said she and her husband, PAUL, came to San Francisco in the fall of 1969 where they lived on McAllister Street between Arguello and Willow. This area is known as the Richmond District. She said she visited HALL in Los Angeles at the time HALL resided there. She estimates the number of visits to Los Angeles to be three. At this time HALL had two artist friends known to [redacted] as SHERYL (last name unknown) and DAVID (last name unknown). She said at this time she was employed in San Francisco by McGraw Hill, 425 Battery Street, between October, 1969 and March, 1971. HALL moved to 2029 Channing Way, Berkeley, possibly in the winter of 1971 or the spring of 1972. HALL continued to work as a freelance artist showing her pictures in the Berkeley and Palo Alto areas. with HALL by telephone, visited her in Berkeley on several occasions and HALL visited [redacted] in San Francisco on many occasions. She said that HALL regularly talked with her about personal problems and she talked with her about her romance with PATRICIA SOLTYSIK, also known as MIZMOON. [redacted] said that she recalled meeting MIZMOON in approximately the summer of 1972 while HALL was living on Channing Way. She said she recalls MIZMOON having a roommate possibly named ELAINE (last name unknown), a white female. At the time MIZMOON was living in the apartment directly above HALL. At this time [redacted] observed a photograph of a white female in a wooded area walking barefoot on a log. She identified the individual as MIZMOON. [redacted] said she recalls HALL showing her this photograph and indicating that she took it one time in 1972 when she and MIZMOON were having a picnic in Golden Gate Park. At this time [redacted] indicated that she visited HALL at the Channing Way address approximately ten times. She said she recalled that in the spring or summer of 1972 MIZMOON came down to HALL's apartment while [redacted] was visiting there. At this time HALL introduced MIZMOON as PAT and indicated PAT was a school bus driver. She said that HALL and MIZMOON got along very well, and that HALL was actually swept off her feet by MIZMOON. HALL related to [redacted] that MIZMOON was extremely intelligent. She said that HALL and MIZMOON regularly took weekend trips including camping trips, and that on many occasions took other women friends with them.

She stated she does not recall that they ever had men friends with them on their weekend trips. [redacted] was questioned whether she has ever known HALL to be in possession of a firearm or explosives, and she replied, no, she did not nor did she ever see any when she was visiting HALL in her apartment. She said she does not ever recall HALL or any person mentioning the words Symbionese Liberation Army nor did she ever discuss the philosophies of this group or any other such group of people. She said she did discuss politics with HALL on many occasions, and she said HALL definitely is an advocate of women's liberation.

[redacted]

She said the first time she recalls hearing the name SLA was when she heard it on the radio regarding the HEARST kidnaping. [redacted] said she recalls HALL's relationship with MIZMOON as being difficult because CAMILLA trusted MIZMOON and when HALL learned that MIZMOON had male lovers she was very disappointed. She said that according to HALL MIZMOON experienced her first romance with a woman when she became involved with HALL and she really did not think women lovers were too neat. [redacted] said that in 1972 when MIZMOON told HALL she was dating a fellow, HALL first tried to accept it, but it was very difficult for her and as MIZMOON continued to see men, HALL became more and more upset and finally in the fall of 1972 she traveled to Europe in an attempt to forget about MIZMOON and her problems with her. She said HALL traveled to Europe by herself returning to Chicago in December, 1972 or January, 1973. She said she received a postcard from HALL while she was in Europe. HALL met with MIZMOON in Chicago possibly at the residence of MIZMOON's parents. The two then traveled together to Berkeley where they arrived in January, 1973.

[redacted] said that HALL and MIZMOON may have lived together a week or two in Berkeley. At this time, however, they did not live together for long and HALL then moved to the Francisco Street address in Berkeley. [redacted] said she continued to talk with and visit HALL regularly, and it was her understanding that HALL and MIZMOON had no relationship and did not see each other at this time. She said she remembered HALL indicating on one occasion that she saw MIZMOON on the street in Berkeley and indicated that she did not talk nor did they see each other again.

[redacted] was questioned regarding her knowledge of HALL's whereabouts and activities in December, 1973. She said that at Christmastime HALL visited with her [redacted] She said that HALL was acquainted with [redacted] where the

three individuals were friends. [redacted] said she did recall HALL saying she went to an appearance of [redacted] at the Boardinghouse Theater on Sutter Street in San Francisco in December, 1973. She said it was her understanding that HALL went to the show with friends from Berkeley. When questioned whether she ever called HALL CAM or whether she ever heard anyone call her that, [redacted] said no and she feels HALL would be offended if someone called her by this name. She said HALL was quite fat when she was in college and she was referred to as CANDY. Because of this HALL is extremely sensitive to nicknames.

[redacted] was displayed photographs of RONALD DAVID DE FREEZE, [redacted] WILLIAM TAYLOR HARRIS, EMILY MONTAGUE HARRIS, NANCY CECILE DE VOTO, also known as NANCY GAIL LING, [redacted] and [redacted] She indicated she could identify none of these individuals as people she knows or has met or observed while visiting HALL at her Berkeley residence.

[redacted] love, [redacted]

Hello & holiday. Think of you often, you know. ..

It's been fantastically blue sky & warm lately & I just can't believe it continues on — I keep expecting the next morning to be overcast ... but that sun peeks into my window & starts my day cheery. I've been working every day to catch up on all my gardening jobs — plus I have some new ones. One is a huge 1929 Spanish mansion w/ tall ceilings, tile roofs, slate floors, arched doorways, secret passageways, courtyard, and wood — tons of wood. I've pulled at least 500 miles of ivy off its sides (liberated it). It's been quite a job. She's got 5 hedges & I trimmed them all, pruned 20 rose bushes — hole bunches of work. Another new job is for the maid of the [redacted] (the ritzy folks w/ the magnolia tree). I pruned her lemon tree yesterday & she wants me to put some cabinets & a new counter in her kitchen for her. We sat down, coffee & talked abt. how the [redacted] think they're such hot shit. She said "did you get a Christmas bonus from them?" I said "nawh. did you?" & she said "nawh" then we both roared w/ laughter. We get others too.

[illegible] turned him down once. I wanted to [illegible] will see if they offer me anything else. I was really pleased that he did that - it was a definate vote of confidence. I told him I really enjoyed working w/ him & would love to work w/ him again in the future but that I didn't want to have to deal w/ the public as much as I knew I would have to at Tenerife.

Being sick for 3 months really made me feel my own body doing sit ups & push ups again to get my strength back. Between that & the gardening, I ache but it's a healthy ache & that makes all the difference in the world.

Are you bicycling & playing tennis these days? I can imagine at least 50% of you is already gone from LA & is off lovin' or truckin' around someplace. I know that's what it is, getting ready to move on.

Well, not much more to add except I love you & hope things are going well. Write when you can, hugs to Chris

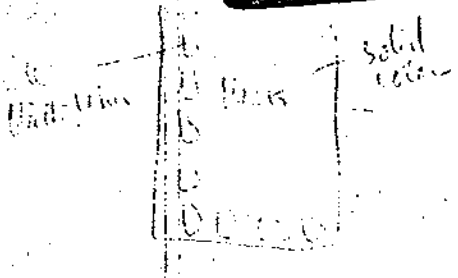
All they want is a nice background – they don't notice detail (as I discovered one of first days) I was pleased w/ the pruning I had done – they didn't notice the change – it gratifies me – that of course they don't notice – if they did, they'd do it themselves – love it. Now my other job is just for afternoons – I work for a young divorced woman who has 3 children – they live in a huge beautiful spacious dark wooded Tate Voo's house set in a jungle of fine, elegant, mature trees, apple, plum, magnolia, mango, lemon, lilac, & pittisporum, and Japanese maple – what a group! We all worked out there together doing the spring cleaning – she made us all sandwiches for lunch – we talked – laughed – she is terrifically appreciative of my work (gardening) – which is neat to hear of course – Jill – by going there about twice a month – has weirded & talked huge quantities of bric-a-brac & knick-knacks off her hair so they wouldn't crowd each other so. I was climbing up & down trees in my jeans & shirt & at last down right joyous fearless & limber & strong. You should of seen me – I looked good! And I got exhausted at night & ached all over & can hardly muster the strength to push the switch on my electric blanket at night. Never in my life before have my hands hurt inside. It's all those zillions of tiny invisible scratches & splinters from despots & saws & pulling & pruning & shearing constantly. And don't forget that I have my own yard to work on too! There just aren't enough hours. Next week I'll fertilize everything in all my tender care. On Tuesday a whole bunch of boys, a high old time – I'll go the visit but I don't think I'll stay – at least not for such a long. It would be ideal if it offered horseback rides (benefits of the insurance, orthodontic corrections etc. I do worry about that mouth of mine & will not have it

I could easily do it for a couple of years (or play, for that matter!) But [illegible] It's always a jolt to think that I used to [illegible] do for a point, and now I have to work 9 hours at hard physical labor for that same $35 (which doesn't buy much). I guess this is working off some kind of karma or something. But fortunately I'm really enjoying it: getting fit on it! My fingers don't get under control very easily at night from hunting: it's really hard to play the guitar, clip toenails, and write letters — and drawing is just plain painful.

[redacted] I think Eggshells would be a great cover.



So would Night: Corner Cafe

Why don't you make a how-you-say "business trip" up here to look through them all: charge it on the expense account! (Chuck could be your art consultant & critic. How's the first novel coming? I'm really excited. Do send the negatives soon. Time to see [illegible] on the car yet Jeffrie?

Sep 9 - Well, things change so quickly these days... can't even write letters fast enough to keep up! Now I'm working full time at Lake Tenaya doing gardening, maintenance. It's about 45 acres & has rolling grassy [illegible] & knolls, a lake w/ geese, ducks, boating, fishing, & swim-

flower space of rhododendrons, [illegible] ferns & many flowers. Yesterday I planted 50 petunias — after digging out ranunculus bulbs which were already done blooming. Part of the job is picking up litter & enforcing dog leash rules, also cleaning the toilets, mowing the lawns, cleaning up the picnic areas, clearing overgrowth from the hiking trails & of course watering, fertilizing & pruning. In short — a bit of everything. Sometimes I drive a green truck around, sometimes a little electric type truck. It's really a lovely setting to work in & the people are all pretty nice. There are only 2 of us doing gardening & clean up and the maintenance - the rest are life guards & office staff. It's a lot of work for 2 people, but relaxed enough. I'm not a slave. 8 hours is really a shock on my system & leaves me precious little time to watch my own greenies growing in my yard. Did take care of my 2 private yards on my days off — which works out fine ... except if I'd want to go camping or leave town, that is. But Lord knows (at least I think she does) I need the money — & the physical exercise is good too.

Must dash

On March 6, 1974, the following investigation was conducted at Los Angeles, California, by SA [redacted] and [redacted]

[redacted] was contacted at [redacted] Boulevard, Culver City, California. She advised she recalled a girl named CAMILLA HALL residing at apartment [redacted] Boulevard. She recalled her only as a quiet girl who was an artist and had no known friends. HALL drove a Volkswagen, possibly blue or tan in color. HALL paid her rent on time and was in the apartment for approximately one year. [redacted] stated she knew of nothing derogatory concerning HALL other than the fact that HALL stole a working chair upon leaving. [redacted] believes HALL resided at the [redacted] address from the Spring of 1970 to the Spring of 1971.

[redacted] Mar Vista Branch, U. S. Post Office, Los Angeles, California, advised changes of address are destroyed by his office two years after change. No record could be found regarding CAMILLA CHRISTINE HALL.

Mrs. [redacted] Street, Santa Monica, California, [redacted], Culver City, California, advised she could provide no information concerning HALL not already provided by [redacted] and could describe her only as a "young hippie girl" who paid her rent on time.

In an effort to locate CAMILLA HALL, a survey was made by Special Agents of the FBI in the San Mateo, Atherton, Hillsborough, Menlo Park, and Palo Alto, California, areas in an attempt to locate an estate with a gatehouse. This survey was negative. Also, all listed nurseries and gardeners in these areas were contacted in an effort to determine if CAMILLA HALL had been in touch with them.

The Police Departments in these communities were contacted and their records checked to see if CAMILLA HALL had any type of traffic violation and/or had been stopped and a field interrogation card made out.

Additionally, all foreign car services in these communities were contacted in an effort to determine if CAMILLA HALL had had her Volkswagen repaired at any of these establishments. All the above inquiries met with negative results.

[redacted] was interviewed concerning [redacted] NANCY LING, [redacted] and he furnished the following information:

[redacted] The last time he saw LING was in January, a couple of days before the Concord incident involving a shoot-out with the police. This was where LING reportedly set fire to a house in Concord, and shortly after that wrote a letter to the press. [redacted] did not know LING lived in Concord.

[redacted] he knew her to be living alone in a rooming house in Oakland. [redacted] did not know the address or room number, but just knew how to get there. He stated that he had on a number of occasions driven her home and had gone into her room a number of times. [redacted] did not have the telephone number for LING at this apartment, but said that she did have a private telephone there. He believed that [redacted] would have LING's address at this rooming house in his records [redacted] can be reached at telephone number [redacted]. [redacted] did not know of any other places where LING lived as she was very secretive about this. He did not know

any people with whom she associated or considered close friends. LING was the type of person who did not make friends [redacted]. He did recall that [redacted], who is also a University of California at Berkeley student, had dated LING on a few occasions. [redacted] did not think that LING and [redacted] were especially close or friendly. [redacted] is a jazz musician [redacted] but he believes that [redacted] still goes to school and lives in Berkeley. [redacted] noted that LING is very fond of jazz music.

One of the last times [redacted] saw LING he gave her $5 as she stated she did not have any money and, on one occasion, LING had asked him to drive her to Walnut Creek, California, to pick up some clothes as the stores in the Berkeley area were all closed. When he asked her why she had to go to Walnut Creek, LING replied that some people need these clothes "right now" to get out of town. When he asked her what this was all about, LING stated that some things are private and personal and referred to an occasion when [redacted] refused to tell her something about his own personal life. LING was in a hurry and got out of his car and started hitchhiking, apparently going to Walnut Creek. LING at no time approached [redacted] to enlist his support or to get him involved in the things she was involved in. She never mentioned the Symbionese Liberation Army or any other group that she was involved in. [redacted] does know that around June or July of 1973, LING became involved in visiting prisoners at Vacaville and would go there every Sunday. He does not know specifically who she was visiting, and LING never told him. LING would tell him that she was hitchhiking to Vacaville and never mentioned the names of other persons that she would go with to Vacaville.

Prior to late summer, 1973, and at about the time LING became involved in the rights of prisoners at Vacaville, LING used drugs such as cocaine, LSD and marijuana on a regular basis. LING was not an addict, but did not hesitate to use drugs whenever they were available. [redacted] remarked that even though she used drugs, [redacted]

[redacted], never showed any effects of being drugged [redacted] It was some time in the early fall that LING stopped using drugs completely and told him that she stopped because there is no time for drugs. She said that she was into political work that drugs interfered with this work.

[redacted] LING wanted to get her degree or masters and had obtained a number of student loans to go to school. LING eventually quit UCB apparently because she could not obtain another loan. [redacted] recalled that LING had told him that all of her weekly earnings, except for $10, she was using in her political activities. [redacted]

[redacted] stated that since the last time he saw LING, and a couple of days before the Concord incident, (described above), he read in the newspaper about her affiliation with the GOLDWATER campaign and her support of GOLDWATER in the election. This shcocked him because her political beliefs and attitude were 180 degrees from this. LING would sometimes come to him with some of her problems, even though they were small ones, but that sometime after she started going to Vacaville she did not confide to him any of her problems or associations. He does not know anything about her private life after that time. [redacted] does feel that LING had strong ideas about the aims and objectives of the

radical movement and had voiced some of these beliefs to him, but he does not want to become involved in this matter because he still considers LING to be a friend of his. He did say that one time she had mentioned that she would like to "get rid of them", referring to all the UC Regents, because they "do not deserve to live." She never specifically mentioned any names, but he feels she categorized the UC Regents, along with other high state officials, as enemies of the people. LING felt that there were too many officials preying on the people. LING never specifically threatened anyone by name.

LING had approached [redacted] and requested his assistance in teaching her how to use a weapon as she did not know anyting about the use of weapons. [redacted] does not know anything about the use of weapons. [redacted] does not know what kind of gun it was that she had, but feels it was possibly either an automatic or a rifle. He refused to help her learn to shoot, and that a number of months after this, LING told him that she had become proficient in the use of this weapon and could take it apart and put it together in the dark. She did not tell him how or when she learned to shoot this weapon, or who taught her.

[redacted] noted that LING had a couple of physical and mental problems. Specifically, she had a numbness in her hand or hands, he could not recall which it was. She usually wore a glove on one of her hands as she did not have any feeling in it and was unable to use it for anything when in that condition. LING had been to Cowell Hospital on campus and possibly to another doctor for treatment of this condition. [redacted] said that on the last two occasions that he saw her [redacted] that she was not wearing a glove and this condition may have cleared up. LING also had a very severe case of claustrophobia and could not remain in a room by herself, especially a small room, by herself. He feels that putting LING in a prison cell would be the same as the death penalty to her, as she just could not stand it.

[redacted] does not know of any car that LING ever owned, and that it was just late in 1973 that LING got a driver's license. She had asked him to teach her how to drive at one time, and when he saw her driving a car [redacted] he was surprised that she had gotten her driver's license and could drive now. [redacted] said that he does not know where to look for LING and that she has not attempted to contact him at all, either by telephone or mail. He does not know what he would do if she were to contact him, but feels that because of his strong friendship, he would probably help her.

[redacted] was informed that LING was presently in a fugitive status as a result of an outstanding warrant for her arrest, and that he, himself, could be prosecuted for harboring a fugitive if he gave her any aid or assistance while she was in that status.

[redacted] She last saw her about the ninth of January or just a couple of days before the Concord incident. This incident relates to a house where LING reportedly lived and set fire to. [redacted] did not know that LING lived in Concord. This last time that she saw LING, LING said she was living out of her car.

[redacted] does not have any information concerning LING's friends or associates and recalled that the only person [redacted] who appeared to be friends with her was [redacted] (Last Name Unknown). [redacted] LING seemed to be friends, and [redacted] liked LING. [redacted] furnished two telephone numbers for [redacted]

[redacted] recalled that a close relationship existed between LING and [redacted] and that LING used to clean up his room once a week regularly. She does not know to what extent this relationship existed on a personal basis.

[redacted] never saw her driving any car and remembered that [redacted] December 8, 19[redacted] ove LING back to Berkeley and offered to take her to her car. LING had her drive her to Ashby and Telegraph Avenues but did not let [redacted] take her to her car, which she said was parked just up the street. LING had told [redacted] that she had borrowed this car from friends she had in Sacramento, California. She boasted that she was quite capable of working on the engine and was able to put it back together.

[redacted] last saw LING possibly on Tuesday, January 15, 1974, [redacted] At that time, she said she was living out of her car and was traveling a lot between Sacramento and Berkeley. LING did not furnish any other information but stated that she would contact [redacted]

With respect to friends [redacted] recalled that a couple of times two men would come to talk to LING [redacted] One was her brother, GARY LING, who was also white, would often visit LING [redacted] This other individual on one occasion asked LING to go to Vacaville to visit a guy she had been visiting there. Apparently LING had stopped her visits and this individual told LING he needed her help to get an attorney. This occurred during the summer of 1973. GARY LING had come [redacted] approximately three or four times and the other individual on just two occasions that [redacted] knew of. [redacted] described this other individual as follows:

[redacted]

Race	White
Sex	Male
Age	27 years
Height	5'5" - 5'7"
Weight	160
Hair	Light brown, neck length
Facial Hair	Mustache

[redacted] viewed a photograph of RUSSELL LITTLE and JOSEPH REMIRO and identified RUSSELL LITTLE as being the person who came [redacted] with GARY LING to talk to NANCY LING.

[redacted] advised that [redacted] was considered to be a friend of LING's. Also, [redacted] thought that they used to live next door to each other but [redacted] does not know the source of this information. [redacted] is described as:

Race	White
Sex	Female
Age	23 - 24
Height	5'3"
Weight	130
Hair	Dark brown, shoulder length
Remarks	Round face
Education	Possibly a student at San Francisco State College

The only other person that [redacted] knew LING to associate with was a young Negro male, University of California student named [redacted] believes that this friendship existed because of their mutual interest in jazz music. [redacted] is a musician.

[redacted] also recalled that during the summer of 1973, LING mentioned to her that she was taking target practice and when [redacted] asked her why she was taking target practice, she told her that she might go after the regents. LING did not say where she was taking target practice or what kind of gun she had. LING also claimed to have been taught by a friend the basics of karate, and during December, LING was squeezing a black rubber ball to strengthen her hand.

The last time [redacted] saw LING, she was wearing her hair shorter than shoulder length, parted in the middle, with bangs. LING said that she had it cut so she would not look so radical and thus it would be easier for her to get into Vacaville.

[redacted] at one time had asked LING about her name and LING told her that she had been married to somebody named PERRY, and that her real name was [redacted] and that she had taken the name LING because she liked the sound of it.

LING was considered by most people to be a loaner, anti-social, and radical in her thinking. LING had read a lot of philosophical and political type books. LING also had a habit of shoplifting things that she needed, including boots which she took in a very small size.

[redacted] was advised that should she remember any additional information concerning LING or her whereabouts that she should immediately contact the FBI.

[redacted] advised that since the photograph of NANCY LING appeared in the newspaper, [redacted] had checked his records and determined that his last contact with LING was in October, 1973. [redacted] Berkeley, California, was contacted at her place of employment, [redacted], Berkeley, California. [redacted] was advised that she was being interviewed re ELAINE CHIANG (deceased), a reported friend of NANCY LING PERRY of the Symbionese Liberation Army (SLA). [redacted] provided the following information:

MC KENNA stated that ELAINE CHIANG resided at 2328 Mc Kinley, Berkeley, California, during 1969 - 1970 for approximately one year with two roommates - [redacted] NANCY LING PERRY lived across the street in an apartment complex at 2325 Mc Kinley with her husband GILBERT PERRY, whom she subsequently divorced. NANCY PERRY often came to [redacted] apartment or CHIANG's apartment to study because GILBERT PERRY was busy with his music. NANCY PERRY [redacted] CHIANG and her roommates were all students at the University of California at Berkeley (UCB) at the time. [redacted] recalls that NANCY LING PERRY resided at 2325 Mc Kinley for approximately two years with GILBERT PERRY and moved away for one year and subsequently moved back to the 2400 block area of Mc Kinley Avenue.

[redacted] stated that CHIANG and her roommates were not into any political cause or radical thought. [redacted] advised that PERRY, CHIANG and her roommates never discussed anything of significance as far as political causes are concerned. [redacted] feels that she was closer friends with NANCY PERRY than CHIANG because PERRY came to her apartment to stay quite often, as well as just to visit. [redacted] does not recall meeting any friends or relatives of NANCY LING PERRY.

[redacted] described PERRY as not politically oriented but concerned about minorities and poor people in general. PERRY was more of a romantic than anything. She had no particular opinion, but would adhere to anything that her current bedmate exposed. NANCY LING PERRY was very fond of black men and seemed to be involved with variety of them.

WEED advised that both HEARST and he socialized only with the above couples.

STEVEN WEED met PATRICIA CAMPBELL HEARST during her last year at Crystal Springs, a private girls school in Burlingame, California, in 1972. WEED stated he was not formally dating PATTY HEARST at that time, however, they did see each other in covert meetings while she was a Junior in this high school. HEARST graduated one year early at Crystal Springs, which was not really an academic-type school. Crystal Springs has a student body of approximately 200 girls, and employed both male and female teachers. The girls that attended Crystal Springs were from wealthy-type families. After graduating from Crystal Springs, HEARST attended Menlo College and WEED taught another year at Crystal Springs. WEED's residence at that time was 540 - 9th Avenue, Menlo Park, California.

Upon completing that school year at Menlo College and after WEED finished teaching the school year at Crystal Springs, both HEARST and WEED moved to Berkeley, where they began living together at Apartment 4, 2603 Benvenue, Berkeley, California. WEED began Graduate School in the Department of Philosophy at the University of California at Berkeley (UCB) in September, 1972. PATTY HEARST enrolled at UCB as an undergraduate student in September, 1972.

According to WEED, he could recall two people who lived at 2603 Benvenue during the time he and HEARST resided there who he would consider as possibly suspicious. WEED believed that possibly both individuals were homosexuals. One appeared to be a hairdresser of some type. One of the individuals was a black male and the other a white male. These individuals moved out of the apartment across from WEED approximately three or four months ago during the Summer of 1973. WEED stated that he had heard they left without paying the full rent that was due. During the time these individuals resided

at the apartment, they constantly had a lot of friends coming and going all hours of the day and night. These friends were both male and female and of different races. The above individuals did not seem political in any way, just "gay". WEED advised that neither he or HEARST ever visited in their apartment, or vice versa.

The day after the above individuals moved out of their apartment, WEED and PATTY HEARST's apartment was burglarized by [redacted] WEED does not know if [redacted] had any connection whatsoever with the above individuals.

WEED stated that when completing the rental agreement for their apartment at 2603 Benvenue, WEED and HEARST gave their name as STEVEN A. WEED and PATRICIA WEED. This was the first time they gave their names in a way to infer they were a married couple. Mr. and Mrs. RANDOLPH HEARST were aware that their daughter was living with WEED.

HEARST and WEED announced their engagement in December, 1973, and an article appeared in the newspaper on approximately December 17, 1973. This article gave a chronology of the HEARST family, i.e., it indicated that Mr. RANDOLPH HEARST was Chairman of the Board of the Hearst Foundation, President of the "San Francisco Examiner", etc. No addresses were given in this newspaper article.

WEED advised that his name appears as a public listing in the Pacific Telephone Directory. PATTY HEARST's name was listed in the UCB Student Directory along with WEED's.

[redacted]

FINANCIAL STATUS

WEED advised that he had saved quite a substantial amount of money prior to living together with PATTY HEARST. He estimated this amount was approximately $5,000. When he began graduate work at UCB he had approximately $2,500 in his savings account. Prior to living together, WEED spent quite a bit of money on HEARST. WEED claimed that he paid for all expenses up to a certain amount, which he did not name, then HEARST used her money which she received from her parents each month in the amount of $300. HEARST has paid for a major part of both WEED's and HEARST's expenses while living in Berkeley. Since the Fall of 1973, WEED has been

SF 7-83
DE[illegible]

a Teaching Assistant at UCB and is earning $400 per month. HEARST paid their apartment rent by endorsing her parent's check over to WEED and he would deposit it in their checking account and would then write a check for the rent.

WEED advised he had a Federally Insured Student Loan in the amount of $1,000 last year during 1973. During the school year 1973-74 he has received a total of $700 in loan money in addition to the $400 received from the teaching assistant position.

WEED and HEARST bought all the furnishings for their apartment together. WEED advised that the furnishings appeared to be expensive, but actually were not. WEED advised they purchased three to five pictures from HEARST's grandfather's estate. The Oriental rugs in the apartment were bought at auctions. WEED claimed they had no money to use other than the $300 received from the HEARSTS each month and the $400 salary per month he received.

At the present time, WEED advised he has approximately $800 in the bank in his checking account. He does not now have a savings account.

HEARST was given $1,000 by her father last summer in order to buy furnishings for their apartment. She again received $1,000 in the Fall of 1973 to pay for her tuition, books, etc. HEARST has a savings account of approximately $7,000 which was left to her by her mother's parents. The original amount was approximately $8,500, however, this was frozen for one year. After the one year elapsed, HEARST and WEED spent approximately $1,500 for expenditures leaving a balance of approximately $7,000.

WEED advised he owns a 1965 Volkswagen "bug", light green (grey-blue) in color which he bought when he graduated from Princeton. The license number, which he vaguely recalled, was VJK 286, or a combination thereof. PATTY HEARST was given an MGB GT by her parents, which she had while at Crystal Springs, and which was blue in color.

Last summer was the only time which HEARST went to her parents and asked for money.

STEVEN WEED was paid approximately $8,000 salary while teaching at Crystal Springs School.

SCHOOL SCHEDULE UCB

WEED:

3:00 - Cource in Architecture
Building offered by Professor
MYRO

Tuesday and Thursday

1:00 and 2:00 - Taught two sections
in Philosophy for
Professor MYRO's course

WEED could recall nothing suspicious happening regarding any of his classes. There were several blacks in MYRO's course, but none were in WEED's section.

WEED could not recall HEARST's schedule exactly. He did state, however, that she was carrying a full program.

WEED advised that HEARST and he had a very small group of close friends. He described HEARST as being somewhat "standoffish" and advised that very few people connected PATTY HEARST with the HEARST family and very few people knew they were living together.

WEED advised HEARST did bring one girlfriend home whose name WEED could only recall as "SHELLY". HEARST and "SHELLY" had lunch together occasionally.

WEED advised that HEARST and he never went out "on the town", and when they did go out for dinner, they went for pizza or hamburgers only. They have not gone to a movie in over a year and never attend any kind of sporting events.

WEED advised he was involved with sports while at Princeton and somewhat during high school. He further advised he was the captain of the track team at Princeton. He did not play football at all at Princeton, but played some while at Palo Alto High School.

While at Princeton, WEED advised he knew quite a few people very well. In 1969, one of his roommates was head of the Students for a Democratic Society (SDS) at Princeton, DOUG SEATON. He also knew PETER KAMINSKY very well who was Student Body President at Princeton. WEED advised that they were very interesting people, [redacted] NATE MACKEY, another roommate of WEED's, was one of the leaders of the Association of Black Collegians (ABC). The ABC was not associated with SDS. WEED advised NATE is a very sophisticated black individual. He was on a completely different level than PETER KAMINSKY.

WEED advised that he was not a member of the SDS, however, he made no effort to deny such at any time. He more or less pretended to be a member. He never attended any SDS meetings. WEED feels he obtained the reputation of being a member of the SDS because at one point while he was at Princeton the ROTC challenged the SDS to a football game, SDS accepted and WEED played for same. WEED was asked to play in this game along with NATE MACKEY. At the time, WEED advised he had a beard and definitely looked like he would fit the role of an SDS member. The SDS won the game over ROTC, and the "New York Times" carried an article captioned something to the effect of, "Bearded Quarterback Leads SDS".

WEED advised he did not know anyone at Princeton who was really radical in a serious sense. Almost every morning at 5:00 a.m. DOUG SEATON would ask WEED if he would like to help him pass out SDS leaflets, but WEED always refused. WEED stated that the SDS did stage three or four minor sit-ins at Princeton. One he recalled was staged at the Institute for Defense Analysis (IDA), however WEED did not participate in this sit-in. WEED advised he never met MARK RUDD, an SDS Weatherman leader, or anyone affiliated with the Weatherman organization. WEED advised that the SDS did have a conference or party of some type which was held at the Eating Club (social center) at Princeton, which WEED attended, however, no one should remember his name from that incident.

[redacted]

WEED advised NATE MACKEY was very involved in many activities at Princeton. He constantly brought black poets to Princeton and jazz musicians. NATE was responsible for bringing LEROI JONES, a black poet, to Princeton, and MACKEY later wrote his thesis on LEROI JONES. NATE MACKEY at the present time is quite apolitical, not radical in any sense. WEED advised that NATE was very reserved and one of HEARST's closest friends. WEED stated that he met one girl, CAROLINE, through NATE and GLORIA, however, he does not remember her last name or any other identification for CAROLINE. WEED advised they all had dinner together approximately three or four times.

DAY OF KIDNAPING

Monday, February 4, 1974, as recalled by WEED, was as ordinary as any other Monday. WEED advised he went to class at 9:00 a.m., then possibly went to the library, and got home about 11:00 a.m. WEED stated that he believes he skipped his 2:00 p.m. class as he had to do some work at home. He believes he left about 2:45 p.m. for his 3:00 p.m. class. WEED advised that he always walked to school. To his knowledge, PATTY HEARST was in school most of the day. WEED advised that he often stays after school for about one or one and a half hours and talks to the professor, which most likely happened on this day. WEED stated that he arrived home about 5:00 p.m. and HEARST was already home, but appeared to have just arrived home. WEED cannot recall anything that would lead him to believe that anyone was watching him during this day.

WEED stated they always locked their apartment and even had a good burglar alarm, ADT, which WEED installed after they were burglarized last summer.

WEED advised that he recalls both he and HEARST simply relaxing and taking it easy before PATTY began dinner. He seems to recall that PATTY did a few dishes during this time. WEED stated that both PATTY and he had developed the habit of watching television after they both arrived at home and usually watched "Star Trek" and "Mission Impossible". After these programs they usually had dinner, which is their usual course of events on Monday night. HEARST normally fixed the dinner, as she was pretty much the housewife-type, and WEED advised that he usually did the cleaning and the

gardening. He recalled that they had dinner later that evening, about 8:30 p.m. and recalled watching the television program "The Magician" which is from 8:00 to 9:00 p.m. WEED advised that they had dinner on the table in the nook. After dinner, WEED seems to recall they were clearing the dishes from the table and taking it easy.

WEED stated that both HEARST and he were in the living room when the doorbell rang. They both went to look through the door, as it was somewhat translucent, and they both noticed a figure standing at their front door. WEED noted that their porch light had been out for approximately three weeks, and was still out on this night. WEED advised that the figure appeared not to be one of their friends and seemed sort of hunched over and loosely dressed. WEED advised he definitely determined the figure was not one of their friends. The figure appeared to be that of a female, which WEED determined from the size and hair of the figure. He received the impression that there was a single female and not anyone that appeared to be a solicitor of any type.

HEARST seemed frightened and WEED was suspicious. WEED noted that it was quite an unusual event for someone to come to the door, especially at that time, which was approximately 9:15 p.m. or thereabouts. WEED advised that he went to open the door and HEARST was right behind him. He advised he threw the door open, which was a sliding glass door, and observed the figure who had a hunched effect and had a hand in front of her face. The figure did not look at WEED and gave the appearance that she did not want to be seen. Her hair was medium in length, sort of a brown shade and very undistinguished in style, etc. WEED advised that she successfully avoided being seen. WEED stated that she wore no glasses or gloves and had no gun or package of any kind. WEED advised that she stated about half a sentence, something to the effect of. "I just had a car accident out front and could you", which is all she said.

WEED advised that there is no visibility to the sides of the sliding glass door. Suddenly, WEED stated, two male individuals came from the north of the door and immediately came around the corner and entered the apartment. WEED does not remember exactly where the girl went, whether she came in first or whether she stepped aside. The male individual

was in front and was holding a rifle with a great deal of authority. He did not point the rifle at WEED, however, he just held it. WEED advised he recalls backing up, with HEARST right behind him. WEED described this male individual as being black.

A second male individual came in right behind the above black male, however, WEED did not see this individual's face and could not actully determine whether he was black or white. WEED advised he also had a rifle. WEED stated he heard no unusual noises or sounds, no fowl language, no unusual odor of any kind.

WEED advised that they appeared to mean business, probably due to the fact they had rifles. Neither WEED or HEARST said anything to the three individuals. HEARST did say something to the effect of, "Oh my God, you're not going to..." WEED received the impression that HEARST believed she thought they were going to kill the two of them.

WEED stated that at approximately this time the second individual dragged HEARST into the kitchen. The first black male got WEED into a face down position on the rug in the hall. WEED's feet were toward the living room and he was facing toward the front door. WEED advised he could partially see into the kitchen and could see only a part of HEARST. WEED advised that HEARST was wearing a blue terrycloth bathrobe which was given to her for Christmas by her father. Mr. HEARST had purchased the robe from I. Magnin Department Store. HEARST had a pair of underpants only under her bathrobe. The robe was a light blue color and was full length. WEED seems to recall PATTY was barefoot, as this was definitely a habit of hers. HEARST did not wear glasses or contact lenses. There was nothing unusual about HEARST's hair at this time. WEED seems to recall that HEARST changed into her robe before dinner, which was customary for her.

WEED stated he could hear HEARST whimpering in the kitchen with the other male. During this time the female individual, who was white, was going about the apartment gathering up things and seemed to be in charge of looking around. The individual must have tied up HEARST in the kitchen, according to WEED. During the entire incident, the three individuals said almost nothing to each other and when they spoke they did so in undertones and no names were ever mentioned.

WEED stated the female was obviously unfamiliar with the apartment, as she was very uncertain as to where she should look for certain things. WEED remarked that they obviously had a plan of some type.

WEED stated that he was on the floor immediately after they entered the apartment, and only saw the black individual's face for approximately two seconds. WEED was given the impression that the rifle was pointed down. He advised that he tried to get his head up so he could see and the black male began kicking his face with the toe of his shoe. WEED stated that his shoes appeared to be high laced boots, either military or hiking boots of some kind. He advised the male kept kicking him and asked, "Where's the safe?" When told there was none, the black male still kept kicking WEED, as if to make sure that he was not lying.

WEED advised that he never talked to anyone regarding a safe, or possibly obtaining one. He did think that possibly the phrase was a slang term of some type. WEED stated that they never kept large amounts of cash around the apartment. WEED stated that the three individuals were very authoritarian about the incident and appeared to have military training. WEED felt the black individual enjoyed kicking him and kicked him in a very deliberate manner, as if to intimidate WEED, making sure he was not lying. WEED assumed that it was the girl who took HEARST's wallet. WEED stated that the kidnapers also took his wallet.

After the black individual finished kicking WEED, he began tying WEED's hands behind his back with some type of nylon rope. Just as WEED's hands were being tied behind his back, a neighbor, STEVE SUENAGA, was dragged into the apartment and thrown next to WEED, just like you would throw a sack of potatoes. WEED advised that four or five Orientals reside in the apartment across from their apartment, however, he was unable to recognize SUENAGA at that particular time. After they threq SUENAGA on the floor, they tied him up also. WEED cannot recall whether or not both he and SUENAGA were tied up simultaneously or whether WEED was tied first. The black male did not leave WEED alone at any time.

The individuals stopped talking about money and the safe and WEED remembers someone saying, "Stop struggling or I'll have to knock you out". The female said, "They've seen us, we have to get rid of them".

At about that time WEED advised he was clubbed over the head by a wine bottle. WEED expressed some surprise as to the fact that the bottle did not break. The only sound WEED remembers hearing was a metallic bolt sound of the rifle. WEED thought he was losing consciousness, as he felt very dazed. He was hit three times by the wine bottle and then his head fell to the side and he was hit a fourth time. At that point, they had not hit the neighbor. WEED then leaped to his feet and started running around the living room and yelling as loud as he could. He stated his glasses had fallen off and he was trying to dodge them and even considered jumping out through the sliding glass door. WEED stated that when he leaped to his feet he may have possibly hit the black man who was standing or kneeling right behind him.

WEED advised that he felt the individuals did not intend to kill him, as they could have shot at him but did not. As soon as WEED began running around the apartment, the three individuals were getting HEARST out of the apartment and left SUENAGA on the floor in the hallway. WEED stated he was sure that the three of them left at that time.

WEED advised he went to the back door and tried to get it open. He advised he most likely pulled his bindings off his hands just before opening the back door. He stated he was not tied very securely. WEED advised the bindings were of medium thickness, nylon or cotton cord. He stated they certainly had not tied him very well. WEED continued, stating that he was able to get the back door open. At that point he left the apartment and remembers jumping over at least three fences in the backyard. He seems to have regained consciousness at this point and realized that the individuals were not chasing him. At this time he was approximately two houses south on Benvenue. He did not see any lights on and went over a fourth fence. During the escape he heard nothing, including no shots being fired. Once over the fourth fence, he cut back through a large yard and went through the gate. He emerged on Parker Street, the first street north of their residence. He began banging on the first door he came to but

no one answered. Finally, a voice asked what he wanted and he asked them to call the police. At this point WEED noticed a police car going toward what he assumed was the get away direction, up Parker, at a fast rate of speed.

WEED stated he then ran over to the corner of Parker and Benvenue where a large crowd had gathered. Most of his neighbors were there, including JERRY and DIANE, his next door neighbors, who called the police when WEED's apartment had been burglarized. JERRY noticed that WEED was bleeding and tried to get WEED to lie down. At that point WEED ran back to the apartment. He thinks an official of some type was there, but does not remember a police uniform. WEED advised someone was giving orders at this time.

WEED then ascertained they had dragged HEARST off with them. WEED was then made to lie down in the living room near the rug, which accounts for the large pool of blood that was discovered at that location. WEED feels that he was responsible for splashing blood on various items of furniture and pictures.

Prior to the three individuals arriving at their apartment, WEED could not recall either he or PATTY HEARST having left the apartment for any reason. He was pretty sure they did not go out at all. WEED could not recall receiving any telephone calls that night at all. He did state, however, that both his and HEARST's cars were parked outside during the entire evening.

When asked how he felt toward the establishment and the HEARST wealth, WEED furnished the following information:

He stated that both PATTY HEARST and he were quite apolitical in that sense. He felt that they were very conservative; they both voted for MC GOVERN and for the BAILEY recall. They voted almost entirely across the slate for progressive measures on the ballot. He stated they both hate "The Daily Californian". WEED advised he never used the word "establishment". As far as the HEARST wealth was concerned,

WEED advised he knows approximately 25 people who have more money than the HEARSTS but not as well known as the HEARSTS. PATTY HEARST once asked WEED how much money he thought her parents had and he guessed between five and twenty million dollars in total assets. WEED stated that the HEARSTS actually have much less than that. When they were trying to decide how much money they could dig up for the "food program" they were talking in terms of two million dollars.

WEED advised that the Hearst Foundation was completely separate from the HEARST family. He stated that he felt the Hearst Foundation had approximately 200 million dollars in total assets.

WEED stated he knows the following wealthy-type people:

(1) JIM HEWLETT (Of Hewlett-Packard)

(2) Crystal Springs friends

(3) Both roommates at Princeton,
RIDGEWAY TRIMBLE, III and
HENRY MC ILVANE LEWIS

When asked if he had any idea who kidnaped PATTY HEARST, WEED replied as follows:

He stated his mind was "pretty much closed on this matter". He seems to think that the group who abducted her may have obtained her name from their wedding announcement or through an article PATTY HEARST had in the "Bay Guardian" a few weeks earlier. The article was entitled, "Gee Dad, No One Under 80 Reads the 'Examiner' Any More, says PATRICIA HEARST, student at Berkeley".

WEED stated that all their friends would be perfectly willing to cooperate entirely in regard to this matter.

It is WEED's personal opinion that the group obtained their ideas from the newspaper articles. The only time he has ever heard of the Symbionese Liberation Army was in connection with the MARCUS FOSTER incident. He stated he has never heard of DONALD DE FREEZE or THERO WHEELER. In addition, he has never heard of EMILY or WILLIAM HARRIS. The only time he heard of NANCY LING PERRY was through her connection with the Concord shootout.

SF 7-85

WEED stated that two days prior to the kidnaping two people appeared at their door between 8:00 p.m. and 10:00 p.m. WEED opened the door and noticed two individuals dressed in a very undistinguished way. They were attired in dark and loose clothing, similar to "Salvation Army clothing". There was a female and a male at the door. He stated the female had on an overcoat or something like that. Both looked very embarrassed but did not seem criminal, just ill at ease. They asked about the apartments and said they wanted to move into an apartment. The female did all the talking, the male never spoke but he did acknowledge WEED's answers. WEED, therefore, did not have an excuse to stare at him and, as a result, did not get a good look at him. He described them as follows:

Male:

Race:	Lightly black
Age:	Late twenties
Height:	5'10" - 6'
Build:	Thin
Clothing:	Dark, not stylish like most blacks

Female:

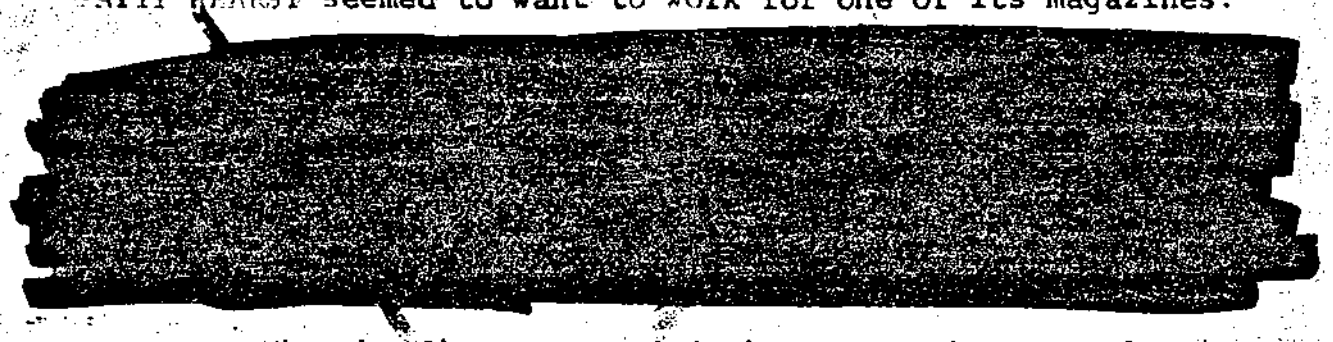
Race:	White
Age:	Late twenties
Height:	Average

Both individuals appeared to be street people and did not look like they could affort $240 per month for an apartment. WEED advised that they did not appear to be the same people involved in the kidnaping. He also advised that he has never heard any voice then or during the kidnaping that he recalls hearing in the past.

WEED'S PLANS FOR FUTURE

WEED advised that he was planning on taking some important qualifying exams at the end of the school year. He stated that he and HEARST planned to get married in June, 1974. They had talked about going to Europe for a year, which was the closest thing to a plan that they had. When they returned, WEED stated HEARST would continue with her last year of schooling

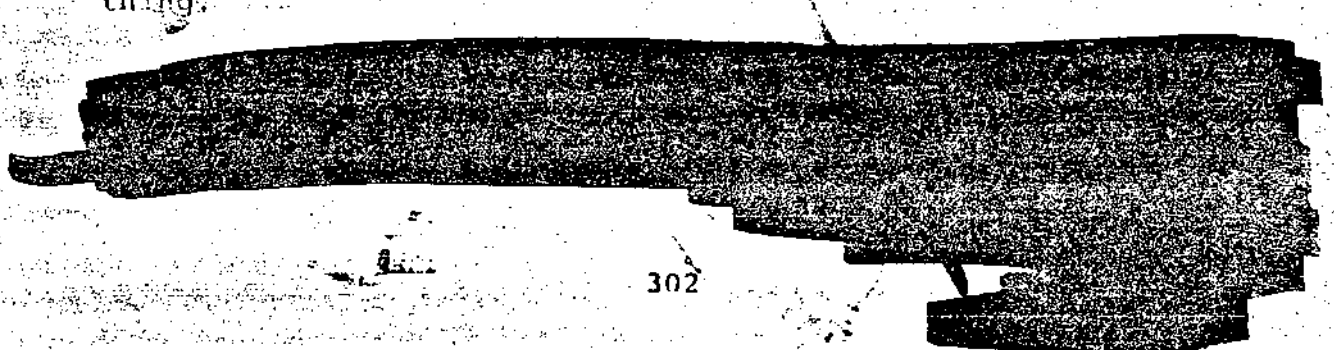
and he would write his thesis. WEED planned to look for a job as a college instructor in Philosophy. WEED did not plan to go to work for the Hearst Corporation, although PATTY HEARST seemed to want to work for one of its magazines.



When he first started dating PATTY HEARST, all WEED heard was about the problems she and her parents had. Lately, they both had dinner with the HEARSTS frequently. He first met Mr. and Mrs. HEARST one and a half years ago in the summer before PATTY and WEED moved in together. At that occasion WEED went over to their Hillsborough home for dinner. It was quite an awkward experience since HEARST and WEED had already planned to live together.

WEED's INVOLVEMENT WITH NARCOTICS OR DRUGS

WEED advised that he and HEARST smoked marijuana but had not done so for about three or four months. They used marijuana on social occasions only. WEED admitted he took LSD in college quite frequently for a short period of time. He estimated he had taken LSD approximately 20 times. WEED advised he did not have any "bad trips". After about ten times it started to have psychological side effects on him and he has used it only several times since. WEED advised he has not "dropped acid" for the last one and a half to two years. WEED advised that HEARST had taken LSD on one occasion after they moved in together in Berkeley. WEED stated that his "dropping acid" in college was sort of an experimental-type thing.



[redacted] WEED advised he was [redacted] for narcotics or "grass".

When asked where he obtained the large supply of marijuana that was observed in their apartment, WEED advised as follows:

He advised he obtained it about two years ago from a friend of HEARST's. WEED and HEARST bought one pound from HEARST's friend and kept about one-half pound for themselves. WEED sold the other half to friends for the same amount they had paid for the marijuana. [redacted]

WEED advised he did not want HEARST to take any acid, however, she kept after him to allow her to do so. HEARST did take it on one occasion [redacted]

WEED advised he was never involved with heroin or cocaine. He has only taken acid (LSD), hash and smoked "grass". He stated he does not know any addicts or sellers.

[redacted]

WEED advised that HEARST had been trying to get him to marry her for two years. WEED advised he thought it would be wise to wait until she was at least twenty years old and, as mentioned above, he stated they planned to be married in June, 1974.

[redacted]

WEED advised that HEARST formerly had a serious boyfriend in Hillsborough.

[redacted]

WEED advised he was planning on staying at the HEARST house until this kidnaping is resolved one way or another, then he plans to get away for a while. WEED stated that since the kidnaping, he has gone to his apartment on Benvenue Street approximately three times, and each time he is there he receives several phone calls and when he answers the phone the caller hangs up. He has not gone back to the apartment alone, but always brings a friend with him.

When asked why he thought the kidnapers did not kill him, WEED stated they may have been trying to do so by hitting him repeatedly over the head with the wine bottle.

When asked if he has any theories about the kidnaping, WEED replied that he did not have the faintest idea what the FBI has to do, unless to maybe get information from sources or informants.

WEED advised that everyone at the HEARST house seemed very depressed after the first communique from the kidnapers. WEED stated that the Symbionese Liberation Army seemed to think HEARST was synonymous with the Hearst Foundation. When the family received the second communique from the kidnapers, they seemed much more optimistic.

WEED advised that Mr. HEARST feels that PATTY HEARST will be released and plans to negotiate with them after her release. Mr. HEARST is a very liberal person,

according to WEED. WEED feels they will ask for three or four other minor things before releasing PATTY HEARST, i.e. money, political release of prisoners, bail, newspaper space, a plane out of the country, etc. WEED advised that the last communique gave the impression that the Symbionese Liberation Army was being surrounded and they may possibly be paranoid. WEED is hopeful they will release PATTY HEARST in a week, however, he has nothing upon which to base this hope.

In response to specific questions, WEED advised that he has never heard of PETER BENENSON until after the kidnaping. WEED stated that he has never heard of any of the names mentioned in the newspapers as being possibly connected with the kidnaping.

In response to a specific question, WEED advised that he was not and is not involved in any way in the kidnaping of PATRICIA HEARST. WEED advised that he would be willing to have sodium pentothal administered to him by a qualified physician, if this would in any way help him to recall events surrounding the kidnaping which may aid in the investigation.

STEVEN WEED, 2603 Benvenue, Berkeley, California, was interviewed at Cowell Hospital, University of California, Berkeley, California. WEED then furnished the following information concerning an incident which happened February 2, 1974, which he feels might be connected to the kidnaping of PATRICIA HEARST:

WEED related that on the night of February 2, 1974, which was a Saturday night, at approximately 9:00 PM, two individuals had come to his apartment when both he and his fiancee, PATRICIA HEARST, were at home. WEED related that these two individuals, who had acted suspiciously and weird at the time, might possibly be connected with the abduction of PATRICIA HEARST. WEED related that of these two individuals, one was a white female and the other was a Negro male.

WEED also said that only the female did any talking and that she spoke haltingly and appeared to be shy or nervous. The conversation that WEED recalled centered around their inquiries and the renting of WEED's apartment. Specifically, WEED recalled that she said something to the effect that, "We're looking for this apartment and would like to rent or move into this apartment." She claimed that they had talked to the Shepherd Realty Company, which handles the apartment at 2603 Benvenue, but did not give any specific person they had talked to. WEED added that the name Shepherd Realty Company appears on the mailboxes and that this was probably not true.

This female also asked if WEED was moving out or if anybody else in the apartment complex was moving. She also stated that they had attempted to rent an apartment here the previous summer but were unsuccessful. WEED then recalled that he felt she was lying because there were two apartments vacant the previous summer.

The only time WEED noticed the Negro male do anything was when WEED asked them if they knew that the cost of the apartment was $240.00 a month to rent. They both nodded

that they did. WEED could not remember any other specific conversation, and their conversation was terminated at that time.

WEED noted that after closing his front door, he had asked PATRICIA HEARST if she thought that the Negro male was in fact a male as he looked effeminate and that PATRICIA had said that she did think he was a man. WEED then furnished the following physical description of these two individuals as best he could recall:

Race	White
Sex	Female
Nationality	American
Age	25 - 30, looked old
Height	5'5" - 5'7"
Weight	Could not say
Complexion	Uneven, not necessarily smooth, pale or sallow
Posture	Not good
Eyes	Unknown
Teeth	Possibly uneven
Clothing	Possibly a dull colored, wool poncho with a slit for the head and generally loose fitting clothes and pants
Unusual Characteristics	None
Voice	No noticeable accent

The Negro male was described as follows:

Race	Negro
Sex	Male
Age	25 - 30
Height	6'
Build	Thin
Weight	145 - 150
Complexion	Light skinned
Hair	Black, appeared short
Clothing	Nondescript, possibly wore short jacket, shirt and pants
Facial Characteristics	Feminine looking face in that he had no strong male features such as prominent jaw or mustache

WEED related that he feels he got the best look at this female than he did at anybody, and that he did not see the man very well because it was dark.

WEED was advised that should he remember any additional details, he should contact the FBI.

STEVEN ANDREW WEED was interviewed at the HEARST residence, Hillsborough, California, with regard to any connection between himself and NANCY LING PERRY.

WEED advised that although his mother currently resides in Santa Rosa, California, he himself has never lived in that city nor has he ever been acquainted with NANCY LING PERRY. He stated, however, that subsequent to his hospitalization on February 4, 1974, he was visited by his aunt, Mrs. PAUL (DOROTHY) HOPPER, who resides on Sunrise Avenue, Santa Rosa, California.

WEED advised that his aunt mentioned to him during this visit that she knew NANCY LING when the latter was a small girl in Santa Rosa, and he believes his aunt mentioned to him at the time that she knew LING as a 10-year-old youngster in her neighborhood.

WEED stated he received the impression that his aunt has not seen PERRY for a number of years and has no current contact with her.

[redacted] Rath Realty, Pleasant Hill, advised that she was telephonically contacted at the Rath Realty office of Pleasant Hill, believed to be October 7, 1973, on a Sunday by a woman identifying herself as [redacted] stating that she was interested in a rental house. The woman was alone at the time and came into the realty office either pursuant to a newspaper ad or a sign on a rental house. [redacted] described three different rental houses which Rath had listed and the woman stated that she would look them over that day and recontact her on Monday, October 8, 1973. [redacted] gave the woman the addresses of three listings at that time.

At about 10 a.m. on October 8, 1973, [redacted] was contacted at her office by this woman in person, who again identified herself as NANCY DEVOTO, and said that she had looked over the three listings given to her the preceding day and was interested in the house at 1560 Sutherland Court, Concord. [redacted] drove this woman in her [redacted] car to Rath Realty office on Clayton Road, Concord, to pickup the key for the Sutherland Court residence. They then went to this residence and looked over the interior and NANCY DEVOTO agreed to rent the house.

They then returned to the Rath office on Clayton Road in Concord and contacted real estate agent [redacted] this particular house and [redacted] drew up a lease for NANCY DEVOTO to sign. NANCY DEVOTO then paid [redacted] and the Rath secretary, in Mrs. [redacted] presence, an amount of money to cover part of the first month's rent, the last month's rent and a $100 breakage deposit. She recalled that DEVOTO paid a large portion of the money in some form of traveler's checks which she could not recall specifically and the balance with cash.

She also volunteered that she was expecting a baby in February and [redacted] stated that she was surprised as NANCY DEVOTO was extremely small and did not appear to be pregnant. DEVOTO told her that her parents were small but her brother was 5' 10" and her husband was at least 6 feet tall. Following this contact she left with Approximately two days later, went to the 1560 Sutherland Court residence with the traveler's checks for her to counter sign as she had neglected to do so at the time of executing the lease agreement on October 8, 1973.

Upon arriving at the residence, he noted that she hesitated and delayed briefly in opening the door and he heard sounds indicating that there was someone else in the residence with her. He also noted that a dead bolt had been installed in the front door. She cracked the door and asked him what he wanted. He stated that he wished that she would counter sign the traveler's checks and handed them through the door to her. She signed the checks inside and handed them out to [redacted]. He did not have an opportunity to observe the interior of the residence other than a small portion through the cracked door and the garage door was down at the time.

[redacted] did not notice if he had a car or how he arrived at the real estate office. He spoke briefly about the possibility of keeping the refrigerator until December 1, 1973, as [redacted] had indicated he wanted to move the refrigerator out. He was informed by [redacted] that this would be agreeable and he paid $250 rent on November 1, 1973, to Rath Realty office by employee [redacted]. This payment is reflected on Rath Realty Receipt Number 2174 dated November 1, 1973, a copy of which was given to the interviewing Agent.

On December 3, 1973, this individual again appeared at Rath Realty and paid $250 cash for the December rental to Rath employee [redacted]. He left a message for [redacted] at that time that [redacted] could take the refrigerator and it would be available in the garage.

[redacted] and a friend then went to the Sutherland Court address in a truck to pick up the refrigerator. As they approached the residence, the individual who had previously identified himself as GEORGE DE SOTO opened the garage door and the refrigerator was loaded into the truck belonging to

[redacted] friend and removed it. [redacted] stated that at that time the individual identifying himself as GEORGE DEVOTO still had very close cut neatly trimmed hair and was clean shaven. He stated that the refirgerator had been completely cleaned.

[redacted] furnished the interviewing Agent with a copy of Roth Realty Rental Receipt Number 2205 dated December 3, 1973, as described above.

[redacted] stated that apparently NANCY DEVOTO came to Roth Realty on January 2, 1974, at which time she paid $250 to Roth employee [redacted] who gave her receipt number 2226 dated January 2, 1974, for the rent for January, 1974. [redacted] furnished the interviewing Agent with a copy of this receipt.

[redacted] stated that he had no contact with the individual at 1560 Sutherland Court until he was called by a neighbor who stated that the residence was burning down on January 10, 1974. [redacted] stated that he proceeded to the residence at which time the authorities and the fire department were in the process of putting out the fire and checking the residence. He stated that after the fire he had an opportunity to enter the residence and found some salvageable radios, tie tacks, cuff links, some revolutionary type literature in the form of books and a ring, which ring he gave to the Oakland Police Department. He also found two .38 caliber bullets with drilled out tips in the lead, which were filled with a substance believed to be wax. He also found a Chilton Auto Repair Manual and in the garage a Chevrolet six cylinder engine.

[redacted] stated that he has had no contact with the individuals identifying themselves as NANCY or GEORGE DEVOTO; however, since the fire he has been contacted by numerous individuals questioning him as to what happened. One of the individuals who contacted him was a [redacted] who stated he represented the "Philadelphia Inquirer" of 400 N. Broad Street, Philadelphia, Pennsylvania, and another was one

[redacted] who claimed to represent a publication known as "[redacted] Nations Star" of 730 Third Avenue, New York City. [redacted] stated that he would make available for inspection all of the items which he had recovered from the residence as well as an inspection of the automobile engine in the garage.

[redacted] Apartment [redacted] stated that she lived at [redacted] Court [redacted] from approximately December 1, 1973, to January 11, 1974. She stated that during that period of time, she had no direct contact with the occupants of 1560 Sutherland Court. She recalled seeing a few men and women go in and out of the residence and recalled a red van was generally parked in the garage.

On the day of the fire at 1560 Sutherland Court, Mrs. [redacted] recalled seeing the woman who normally lived there, whom she understands to be NANCY LING, standing alone in the driveway. At that particular time, Mrs. [redacted] was sitting down to dinner and was facing up the Court where she could observe 1560 Sutherland Court. She recalled that the woman was holding something in her hand like a key chain, and there was a light colored vehicle in the driveway, possibly an Oldsmobile or Buick, 1960-1965 model group. Mrs. [redacted] briefly left the table to go to the back of the house for a cigarette and moments later, [redacted] said there was a fire down the street.

Mrs. [redacted] then immediately returned to the window and saw that the woman had disappeared as had the above-described vehicle. There was a considerable amount of smoke and fire from the living room area of 1560 Sutherland Court. [redacted] ran to 1560 Sutherland and opened the garage. Smoke was seen coming out of the garage and [redacted] told her that the garage was empty.

Mrs. [redacted] stated that she had no idea as to how many people actually lived at the house and never noticed any blacks visiting the residence. She believed that the woman she saw in the driveway just prior to the fire was wearing a beige coat and an orange skirt.

[redacted], advised that she had very little contact with the occupants of 1560 Sutherland Court. She was furnished with a series of photographs, the only one of which she could identify was that of NANCY LING. Mrs. [redacted] stated that she never saw many people visiting the place and never saw any black individuals at all. She was of the impression that the only occupants in the residence was NANCY and her husband, whom she was not acquainted with.

The only time she talked to NANCY was on the day when a 17 year old high school boy attempted to gain entry with a gun and was repelled by NANCY.

Mrs. [redacted] stated that on the day of the fire (January 10, 1974), she did not notice NANCY at all and the first inkling she had of any problem was about 6:30 at night when she smelled smoke and looked out and saw the house on fire. At this point, her daughter [redacted] called the fire department and she and her husband went out to see if anyone was in the residence. They found no one there and the fire appeared to be going quite strong in the living room and garage areas of the house.

Mrs. [redacted] stated she could furnish no additional information at this time.

[redacted] ected the photograph of NANCY DEVOTO as the individual who rented the house [redacted] at 560 Sutherland Court. He stated she was usually at home all of the time, and there was a man living with her, whom he never met. He described this man as a Caucasian in his late 20s, 6' to 6'1" tall, husky build. There was another individual, a male, who was seen around frequently about the same age, although with bushy hair, and not quite as husky.

[redacted] ecalled that they had two vehicles, a tannish - white 1967-1968 Buick Riviera, and a red van. He stated that the husky male appeared to be mechanically inclined and was seen occasionally working on the vehicles.

[redacted] ated he saw very few people visiting the residence, but the ones that he saw were all Caucasians, both male and female, and in the 20-30 year age bracket.

On the day of the fire [redacted] called observing NANCY at the residence in the afternoon. At the time the fire actually broke out, [redacted] dicated that he had gone to the store and when he returned there were fire trucks in the court putting out the fire.

NANCY CECILE DE VOTO

[redacted] selected the photograph of NANCY DE VOTO as an individual who lived at 1560 Sutherland Court with an individual by the name of GEORGE DE VOTO, whom she believed was NANCY's husband. She identified the photograph of JOSEPH REMIRO as an individual she had seen visiting 1560 Sutherland Court on a few occasions. She identified the photograph of RAY HOFSTETTER as an individual who came to the residence after the fire with a truck to take some stuff out of the house, and who was picked up by the police department. She could not identify any of the other photographs and stated she had never observed any blacks at the 1560 Sutherland Court address.

She recalled that NANCY DE VOTO and another woman moved into the address first in the fall of 1973, and about one week later the individual she knew as GEORGE DE VOTO moved in, and all three remained at the address. She stated that there was very little activity, and that possibly on occasions, two or three other individuals would arrive. She described the other woman as a Caucasian female, 23-25 years of age, 5'6" tall, very slender, medium length black hair, very fair complexion, a noticeably large hook nose,

and big eyes.

The three of them had two cars, one a gold Buick, possibly a 1970, and the other a red van. On occasion she noticed a kelly green Pinto, a very late model with spot lights on each side. She could recall [redacted] no other vehicles.

On one occasion, shortly after they moved into the residence, NANCY DE VOTO was met at her door by a young man with a gun, whom NANCY disarmed, and the young man was later arrested. Following this incident NANCY and GEORGE came to her house and they spoke briefly as to whether or not this was a usual situation in the neighborhood. She recalled that NANCY was upset over the incident, and stated that she was, at the time, three months pregnant. She stated that if this activity was common in the neighborhood, she would move. [redacted] stated that NANCY did not look pregnant. She stated that NANCY said that she was from New York. She stated that this was the only time that any of the people from 1560 Sutherland visited her, although she did, from time to time, see the three of them in front working on the yard.

On the day of the fire, January 10, 1974, she recalled seeing NANCY in the Buick at about 2:30 PM. At the actual time of the fire [redacted] was in her bedroom, and the fire first came to her attention when she heard the fire trucks in the court. She stated she was not in a position to observe what had happened shortly before the fire as she was not in the front of her house at the time.

She stated there was a second woman also living with them who resembled PATRICIA MICHELLE SOLTYSIK to some degree. However, this woman appeared to be of a thinner build, with a longer, thinner face.

[redacted] recalled shortly after the DEVOTOs moved into the Sutherland Court address, a young boy, age 17, from a local high school, came to the door with a gun, and NANCY roughed him up and the Concord Police Department later arrested him. Following this incident, the DEVOTOs came

to her house to call the authorities. At that time, she recalled that GEORGE DEVOTO had very neat hair. However, after his arrest and identification as LITTLE, his hair was long and unkempt. At the time they were at her house to make the phone call, there was very little conversation concerning their personal life, but she was of the impression that they were married, and the second girl was GEORGE's sister, possibly with the name of SHIRLEY.

She stated that basically, the three of them led a very seemingly quiet life. They possessed a red van and a gold 1967 Oldsmobile. GEORGE and NANCY mainly drove the van, and occasionally NANCY would use the Oldsmobile. Very few other cars were seen at the address, although she did recall seeing what appeared to be a green Chevrolet Nova on occasions.

The few people that she observed visiting the house appeared to be "hippie type" and were all caucasians. She never observed any blacks at the residence. She thought it was rather unusual that whenever people came to visit in a car, they drove into the garage and closed the garage door.

In regards to NANCY, she recalled that NANCY said she was from New York and appeared to have an accent similar to a New York accent. She believed NANCY said that GEORGE was originally from Oakland.

[redacted] stated that the second girl, who she thought was SHIRLEY, was about 25 years of age, and she recalled seeing her come home almost every day about 1:30 PM carrying books. She was usually walking south on Sutherland Drive and turning into the court.

Generally, the three of them would leave in the morning about 8:00 or 9:00 AM in the red van, and within twenty minutes, NANCY and GEORGE would return alone. She stated that GEORGE did not work and was generally around the house. He was usually wearing a Navy blue, long coat, and the two women dressed very casually.

On the day before the fire, she recalled seeing GEORGE working on the van all day, and NANCY was apparently helping him. She was questioned as to whether she had ever seen REMIRO and she stated that she had not seen this individual.

SF 7-859
[illegible]

On the day of the fire, she observed NANCY come and go from the residence in the early afternoon on about three occasions, walking toward the 7-11 Store. The last time she returned to the residence was about 2:30 PM, at which time she was carrying a small bag of groceries.

At about 3:00 PM, the second girl was seen leaving the house on foot and turning in a northerly direction on Sutherland Drive. [redacted] noted that she was quite well dressed on this occasion, wearing nylons and a skirt instead of her usual maroon pants and long black sweater.

At 6:25 PM, [redacted] were eating dinner in their kitchen, which faces the court. She noticed some white smoke coming out of the garage and the Oldsmobile back out of the garage. She saw only the legs of someone close the garage door and get into the Oldsmobile and drive back from the driveway onto the court, bottoming the back of the car as it came off the driveway. It appeared that the car was heavily loaded. She stated that the shrubbery obstructed her view of the person closing the garage door. However, she recalled that the individual was wearing blue jeans.

About this time, a large amount of black smoke began to belch out from the living room and dining room area of the house. The car sped north on Sutherland Drive, and because of the poor lighting, she could not see who was driving. She was of the impression, however, that there were two people in the car, as she believed one person was closing the garage door while the other person was behind the wheel. She felt that NANCY DEVOTO was one of the two persons; however, due to the poor lighting, she could not be positive.

She and her husband ran to the residence, as did neighbor [redacted] wife, [redacted] called the Fire Department about that time.

[redacted] stated that she has not seen any of the individuals since the above described fire.

The following investigation was conducted by SA [redacted]

AT BERKELEY, CALIFORNIA

On February 27, 1974, the below listed photographs were shown, in connection with the February 4, 1974 observation of the Volkswagen bug in the vicinity of Parker and Benvenue Streets, to the following witnesses:

[redacted]

On March 1, 1974, the same photographs were shown to [redacted] Benvenue, Apartment A.

(1) [redacted]

(2) CAMILLA CHRISTINE HALL;

(3) [redacted]

(4) PATRICIA SOLTYSIK;

(5) [redacted]

(6) [redacted]

(7) [redacted]

(8) [redacted]

The above witnesses, upon viewing the photographs listed, all stated they could not make any identifications in connection with their observation of the Volkswagen bug on February 4, 1974.

[redacted] stated that the female she observed in that car was somewhat similar in appearance to the females pictured above in photos #5, #6 and #7. She stated the other individual in the car was definitely a male and could not possibly be identical with any of the individuals in the photos.

[redacted] stated that photo #4, that of PATRICIA SOLTYSIK, looked somewhat similar to the female he at first observed behind the driver's seat of the Volkswagen and whom he subsequently observed in the passenger seat of that vehicle. However, he could not say anything more positive than that.

[redacted] stated that the female pictured in photo #1, [redacted] was similar in appearance to the male or female that she observed in the passenger seat of the above Volkswagen. [redacted] noted the similarities in facial characteristics, except for the nose. She stated that, in her opinion, if the individual in photo #1 had a blonde wig and was made up like a male, she would look quite similar to the above individual [redacted] observed in the passenger seat. [redacted] noted that photo #1 was the closest resemblance to this individual of any photos she has been shown to date, however, she reiterated she could not even come close to making a positive identification.

[redacted] rented it through the realty office at Friedkin and Decker, 827 Grand Avenue, Oakland. [redacted] paid for the apartment.

[redacted] described [redacted] as follows:

Race	White
Sex	Female
Height	Approximately 5'
Weight	Approximately 95 pounds
Build	Slender and very small, built like a little child
Hair	Long and dark

He also observed during the month of November, one male who apparently frequented Apartment 12. He was described as follows:

Race	White
Sex	Male
Age	Approximately 25
Height	5'7"
Build	Slender
Hair	Dark, curly, medium length

[redacted] had met this man in the hall one day and the man said, "Here is the rent for Miss [redacted]"

The only other individual that he knew to have been in Apartment 12 was another white female described as follows:

Age	Approximately 25
Height	About 5'5"
Hair	Light colored, but not blond

This individual came down the stairs from Apartment 12 one day, hopped in a new pickup truck, and drove away by herself. He described this pickup truck as new, and it was a small foreign type pickup like a Toyota or a Datsun, and he could not positively identify the make of the pickup.

These three individuals were the only ones he observed to have used Apartment 12 during October and November, 1973. They normally used the back entrance. He never saw them use any other cars or vehicles. They never associated with any people in the building or in the immediate vicinity. It did not appear that they really lived in the apartment. There were no pots or pans or cooking equipment, and no garbage. There would be an occasional soft drink bottle, and the people seemed to come in and stay a couple of hours and then leave. He never observed anyone other than these three individuals that came to Apartment 12. These three seemed to avoid contact with any other people, and no one else in the building knew them at all.

FEDERAL BUREAU OF INVESTIGATION

Date February 9, 1974

On February 8, 1974, PETER BENENSON, Date of Birth (DOB): August 30, 1942, was interviewed by SA [redacted] concerning the individuals he had seen the night of February 4, 1974, and who are responsible for the theft of his car and his kidnaping. BENENSON was shown the group of photographs consisting of the following persons:

[redacted]
WILLIAM TAYLOR HARRIS, DOB: January 22, 1945

WILLIAM LAWTON WOLFE, DOB: February 17, 1951

Of the two females who had accosted him the night of February 4, 1974, BENENSON had been only able to give a good description of the first female who has previously been described as Female Number One. From the above-listed photographs of the females, BENENSON stated that the photographs of [redacted] and NANCY GAIL LING were similar to the Female Number One for the following reasons:

With respect to hair style; their hair appeared wavy as did Female Number One.

Another similarity of these two individuals to Female Number One - BENENSON noted that they both had the same general roundness of the face as he recalled Female Number One having.

BENENSON could not note any similarities between the above-listed female individuals to what he remembered for Female Number Two as he had previously described in interviewed dated February 5, and 6, 1974.

After studying all of the photographs, he advised he could not recognize any of the persons depicted on these photographs. The photograph of EMILY M. However, he cannot make any other comparison or recognize any other features.

BENSON listened to two cassette tapes labeled "Family Chatter" and depicting a female talking. He advised this voice is not familiar to him at all.

PLUM WINE

SF 7-855

Re: PLUM WINE

[redacted]

Investigation developed information that DONALD DAVID DE FREEZE had a preference for plum wine. This information was verified through interview of [redacted] by Special Agents [redacted] and [redacted] on February 26, 1974. [redacted] characterized DE FREEZE as an alcoholic to the extent of his apparent continuing dependence on alcoholic beverages. [redacted] trademark of DE FREEZE was his preference for plum wine although he would drink beer and other alcoholic beverages. It is further noted that during the search of the Sutherland Court residence occupied by HANK ING PERRY, RUSSELL LITTLE, JOSEPH REMIRO and other suspected members of the SLA by the Oakland Police Department on January 11, 1974, a case of empty plum wine bottles bearing the trademark Akadama was found.

On a select basis in the areas of Berkeley, Oakland, Richmond, San Pablo, El Cerrito, Concord, Walnut Creek, Martinez, Alameda and San Francisco liquor stores handling plum wine have been canvassed by Special Agent personnel at which time photographs of known SLA and suspected SLA members have been exhibited. A total of 800 liquor stores have been contacted with negative results. This canvass of liquor stores is continuing and being extended to other areas.

The SLA is principally made up of male black ex-convicts, Third World People, and Caucasian women. [redacted] said she did not know how JOSEPH REMIRO and RUSSELL LITTLE, (two SLA members on trial for the MARCUS FOSTER killing), got into the SLA, because neither fits into the mold by being Chicano and Caucasian. [redacted] said she was not positive, but thought REMIRO and LITTLE were members of Vietnam Veterans Against the War (VVAW).

She continued that the Caucasian women in the SLA are on a "guilt trip" with the blacks. She did not elaborate on this point; however, she said she is concerned about the destiny of the female members of the SLA to the exclusion of the male members, because she said the female members are being exploited. She stated that the women in the SLA are assigned the trivial, meaningless, "shit" jobs to be performed.

She stated there was a split in the SLA after MARCUS FOSTER was killed, because some SLA members did not

condone the killing until an attempt would have first been made to educate the community. The SLA members opposed to the FOSTER murder felt that public opinion would be strongly against the SLA if it shot down a black man in the street after he had become a successful leader in the community. [redacted] with no doubt that the killing of FOSTER was accomplished by some members of the SLA, but at no time did [redacted] state which SLA member(s) was responsible for killing FOSTER. [redacted] said following the split, there were a number of disgruntled SLA members who were capable of speaking against their fellow members; however, she did not mention any names of disgruntled SLA members. She stated she has met and is acquainted with CINQUE. She said MIZMOON moved to Oakland from Parker Street in June 1973, but does not know where in Oakland MIZMOON moved to or with whom she lived with there.

[redacted] said the SLA works in "cadres" or "cells" and that if MIZMOON and CINQUE were to work together in the same cadre, they would have had to undergone about two months of encounters with other cell members. These encounter sessions consist of mutual and self criticism in order to bring everything from within each member out into the open. [redacted] said that since June 1973, MIZMOON and CINQUE certainly had enough time to participate in the encounter sessions, but did not know if, in fact, such had occurred.

[redacted] also recalls talking to either [redacted] or [redacted] and them telling him that RUSSELL LITTLE had lived on the Channing Way street but [redacted] did not know LITTLE.

[redacted] also stated that CAMILLA HALL also resided in the apartment building on Channing Way. He described HALL as being a loner and [redacted] never recalls meeting any of her friends. HALL was a close friend of SOLTYSIK probably due to their similar political beliefs at that time. [redacted] advised that he saw HALL at an unrecalled date in a house in Berkeley which HALL had supposedly bought. He does not know the exact location of the house but it was below Sacramento Street, north of University Avenue and near a BART station. [redacted] does not recall when he was at this house but did state that he did not meet anyone there who was living with HALL.

[redacted] she eventually moved out of the Channing Way apartment building and on to Parker Street in Berkeley. He described this residence as being the bungalow behind another house with a small yard which had a flower bed in it. SOLTYSIK was living with a girl by the name of JUDY (LNU) at this house.

[redacted] SOLTYSIK secured a job as a janitor in the Berkeley Library somewhere during this period but [redacted] does not recall how long she worked at this position. He described her as being a traditional left wing revisionist. In Berkeley street talk this is a common philosophy of many people who are not involved in any particular group or cause. [redacted] did not think SOLTYSIK to be violence prone and has never known her to use a firearm or an explosive device. He stated that she is of above average intelligence but often did not apply herself and failed to get the results she was capable of. She was not a leader in the sense of a dynamic type person but [redacted] feels that she could exert a leadership influence on people if she so desires. SOLTYSIK was independent at this time and would only exert herself for matters which she really felt were necessary. She was not a naive person and had a good grasp of reality.

[redacted] MIZMOON SOLTYSIK. He does not know the reason why she picked up this name but more people then not knew her by the name of MIZMOON.

[redacted] advised that SOLTYSIK is from the Santa Barbara, California, area and lived in a large housing project in either Isla Vista or Goleta near the University of California at Santa Barbara. [redacted]. SOLTYSIK has a

[redacted]

couple of sisters. [redacted] oes not know how many but that she was fairly close to them.

[redacted] stated that SOLTYSIK had some sort of scholarship to the University of California, Berkeley, and she also received some type of an allowance from her family. [redacted] SOLTYSIK did not smoke cigarette[redacted] She did not drink alcohol other than an occasional glass of wine at parties they went to. [redacted] thinks that she occasionally smoked marijuana but not on a regular basis. He did not know her to have ever used any other sort of narcotic.

[redacted] advised that SOLTYSIK was very open and adaptable concerning her sex life. She was open to lesbianism and in particular with CAMILLA HALL. [redacted] stated that he would not have described her as a specialist in lesbianism but she was definitely not opposed to it. She also had heterosexual tendencies [redacted] He does recall that she was involved with one black man in the area but [redacted] could furnish no further information concerning him.

[redacted]

He advised that politically SOLTYSIK was not deeply involved in Marxism or Leninism during this period of time. She was not a dogmatic individual and seemed to be turned off by people who would spout this dogmatic communist philosophy. She was very unhappy with the way society was but really never offered any concrete alternatives.

[redacted] was shown photographs of the following individuals but was unable to recognize them:

DAVID DONALD DE FREEZE
THERO WHEELER
EMILY HARRIS
WILLIAM HARRIS
RAY HOFSTETTER

[redacted] advised that he would not be very surprised if SOLTYSIK was involved in the Symbionese Liberation Army (SLA). She was an independent type individual who could have come under the SLA type philosophy very easily. He has no idea of where she is currently residing or of anyone who might know where she is currently studying. He speculated that she would be very difficult to locate if she did not want to be located because of her unusual personality.

[redacted] SOLTYSIK and [redacted] were only good friends and not lovers, as SOLTYSIK told [redacted] that she was a lesbian. During one of the visits to SOLTYSIK's apartment, believed to be in late 1972 or early 1973, [redacted] met one of SOLTYSIK's friends. The friend was described as a Negro male, mid to late twenties, tall, thin build with an unkept natural hairdo. [redacted] had never seen the man before, never saw him again and never heard SOLTYSIK mention him again.

The only other time [redacted] ever saw any of SOLTYSIK's friends was one day [redacted] SOLTYSIK was with two white female friends, about SOLTYSIK's age. [redacted] could not further describe SOLTYSIK's friends.

She did not "rap" with her too much as she was in a different department. MIZMOON was in the Maintenance Department. [redacted] never saw any vehicle driven by MIZMOON, nor did she know any of MIZMOON's associates.

[redacted] MIZMOON was going to see her father and mother in Southern California, exact address unknown to [redacted] for the weekend and did not have opportunity to go to the bank. MIZMOON's father was sick and she wanted to help her mother. [redacted] had no idea where MIZMOON could be located now.

The following photographs were shown [redacted], but she did not recognize any of them:

1 [redacted] Mar-Y-Sol Motor Lodge, 18 Bath Street, Santa Barbara, California, made available his occupancy records for that motel, a review of which revealed the following:

On February 10, 1973, CAMILLA HALL registered at the motel, indicating she would be in residence there for four days, February 10, 1973 through February 13, 1973. She furnished her home address as 2135 Parker, Berkeley, California, and identified the vehicle she was operating as a Volkswagen, having California license plates 184 CRO. There were two individuals in the party, but the identity of the other individual was not shown.

[redacted] advised his records indicated that HALL and the other individual occupied Unit 2 during the period February 10, 1973, a Saturday, through February 12, 1973, a Monday, departing early on the morning of February 13, 1973. [redacted] related that his motel does not offer switchboard services and that all calls are normally made through the public telephone in the lobby, which is telephone number [redacted]-9495. A total of $52.70, including tax, was charged and paid by HALL in cash.

[redacted] advised that his records indicated he checked HALL in to the motel and out of the motel, which has only twelve units. At the time, [redacted] were the only employees of the motel. [redacted] advised he believes he recalled two young girls from the Berkeley area in a Volkswagen as residing in the motel during that time, and he believes that the vehicle was dark in color. He recalled nothing further with respect to this transaction or the stay of HALL with respect to any visitors, associates, or any unusual occurrances.

1 [redacted] County Recorder's Office, Vital Statistics Department, Santa Barbara, California, furnished the following information:

She observed a County Recorder Order Form stamped November 29, 1973 in the name M. SOLTYSIK, and advised that she personally waited on this individual on November 29, 1973. She advised that she furnished to SOLTYSIK a Santa Barbara County Application to Examine Records Form, which she completed. She explained that when an individual first comes to the Bureau of Vital Statistics, she is required to furnish an application to examine records. On subsequent visits she is not required to complete this form again.

She advised that she, [redacted] completed the order form for SOLTYSIK, which shows that she desired to search birth and death records. SOLTYSIK furnished her local address as 1016 Bath Street, Santa Barbara, and paid a fee of $2, which is required for the search of records.

[redacted] furnished the original of the application to examine records completed by M. SOLTYSIK, except for [redacted] signature at the bottom. This form requested permission to examine birth records for the years 1943 and 1948.

[redacted] also furnished the original of the order form which she, [redacted] completed concerning SOLTYSIK's request to search records.

[redacted] advised she can recall this individual only as a young female with dark hair. She advised SOLTYSIK was probably in her early 20's and was of medium height and build. [redacted] thinks that SOLTYSIK did not stay for a long period of time. She could not recall the clothing worn by SOLTYSIK.

[redacted]

It is noted that when M. SOLTYSIK applied to review Vital Statistics records in Santa Barbara, her residence address was given as 1016 Bath Street, Santa Barbara.

On March 1, 1974, observation of Bath Street in the 1000 block indicated there is no such number as 1016 Bath Street. This area is a commercial parking lot and otherwise vacant property.

RE: RUSSELL LITTLE AND JOSEPH REMIRO:

LITTLE AND REMIRO, SLA MEMBERS, ARE PRESENTLY IN CUSTODY IN ALAMEDA COUNTY FOR THE SLAYING OF OAKLAND SCHOOL SUPERINTENDENT DR. MARCUS FOSTER. THEY HAVE, IN THE PAST, ATTEMPTED TO OBTAIN A LIVE TELEVISION AUDIENCE; HOWEVER, THIS HAS BEEN DENIED BY TWO JUDGES. TODAY, KPFA RADIO STATION RECEIVED REC 68 1201
A LETTER DATED TUESDAY, MARCH 26, SIGNED JOE REMIRO AND RUSSELL LITTLE, WHICH IN ESSENCE IS AS FOLLOWS:

THE LETTER STATES THEY HAVE DECIDED TO SEND OUT THIS 9 APR 4 1974 STATEMENT INSTEAD OF WAITING FOR LIVE TELEVISED PRESS CONFERENCE INASMUCH AS IT APPEARS THAT OFFICIALS WHO INTERPRET AND ENFORCE

TELETYPED TO: LA, SC, SD

THE LAWS ARE DETERMINED TO STOP THE CONFERENCE. THE LETTER COMMENTS THAT WHILE THE NEWS MEDIA HAS EXPRESSED SUPPORT AND OFFERED TO HELP GET THEIR STATEMENTS OUT TO THE PUBLIC, THEY WANT TO SEE IF THE NEWS MEDIA WILL PUBLISH THIS LETTER IN FULL AND HOW MANY MAY TAKE EXCERPTS OUT OF CONTEXT. THE LETTER CLAIMS THAT EVER SINCE THEY WERE "ATTACKED AND ARRESTED ON JANUARY 16", JUDGES, DISTRICT ATTORNEYS, SHERIFFS AND FEDERAL LAW ENFORCEMENT AGENCIES HAVE CONSPIRED TO KEEP THEM FROM SPEAKING TO THE PEOPLE AND THEY ASK FOR THE PRESS CONFERENCE IN THE HOPES OF CONTRIBUTING TO THE SAFE AND SPEEDY RELEASE OF PATTY HEARST. THE LETTER STATES THAT LAW ENFORCEMENT AGENCIES ARE SO DESPERATE THEY WOULD NOT EVEN BE COMPLETELY SATISFIED WITH THE DEATH OF THOSE SLA FORCES GUARDING PATTY OR EVEN WITH ANNIHILATION OF ENTIRE SLA. THEY SEEK TO DISCREDIT THE SLA AND FEEL THIS CAN BE ACCOMPLISHED ONLY IF PATTY IS KILLED AND HER DEATH IS BLAMED ON THE SLA. THEY CLAIM THAT AFTER THE MIDNIGHT FEBRUARY 21 CONFERENCE WITH DEATH ROW JEFF

CLIFFORD JEFFERSON), PROCUNIER (HE IS THE DIRECTOR OF DEPARTMENT OF CORRECTIONS FOR THE STATE OF CALIFORNIA) AND THE FEDERAL AGENTS WITH HIM REALIZED THAT WE (REMIRO AND LITTLE) WERE NOT GOING TO MAKE A SIMPLE STATEMENT SUCH AS "RELEASE PATTY HEARST" THEY PUT JEFF IN THE HOLE IN VACAVILLE AND PUT THEM, REMIRO AND LITTLE, IN THE HOLE IN SAN QUENTIN. THEY ALSO COMPLAINED THAT THEY HAD SOME TYPE OF HANDWRITTEN SUGGESTIONS WHICH THEY GAVE TO PROCUNIER AND THEY DO NOT KNOW WHAT HAPPENED TO THESE SUGGESTIONS. THEY CLAIMED THAT THE FBI DENIED ANY PARTICIPATION OR KNOWLEDGE OF THE MEETING WITH DEATH ROW JEFF. THEY COMPLAINED ABOUT THE FACT THAT THEY WERE IN SAN QUENTIN'S MAXIMUM SECURITY ADJUSTMENT CENTER AND IN THE HOLE ON DEATH ROW. THEY GO ON ABOUT PRISONERS IN THESE SECTIONS BEING REGULARLY GASSED AND BEATEN WITH PICK HANDLES BUT THEY SET OUT NO SPECIFICS.

THEY MENTION THAT A JUDGE IN ALAMEDA COUNTY REMOVED THEM FROM SAN QUENTIN BY A COURT ORDER. THEY CONTINUE TO COMPLAIN GENERALLY ABOUT PRISON CONDITIONS IN REGARD TO THEMSELVES AND

END PAGE THREE

OTHER PRISONERS AND THEY PHILOSOPHIZE ABOUT THE BRAND OF MIDDLE CLASS MORALITY IN THE UNITED STATES AND IN OTHER COUNTRIES.

THEY CLAIM THEY DO NOT HOLD PATTY HEARST RESPONSIBLE FOR THE ACTIONS OF THE HEARST CORPORATION, BUT THEY ADMIRE THE COURAGE AND OBJECTIVITY THAT SHE HAS DISPLAYED AND SEND HER THEIR WARMEST REGARDS. THEY CLAIM THEY FEEL CONFIDENT THAT THE SLA WILL RELEASE PATTY HEARST UNHARMED AND THEY ARE GLAD TO HEAR THAT SHE RECOGNIZES THE DISHONEST ACTIONS OF HER FAMILY IN REGARD TO MEETING THE FOOD PROGRAM. THEY HOPE THAT WHEN SHE IS RELEASED SHE WILL CONTINUE TO BE STRONG AND SPEAK HER MIND.

IN COMPARING THE VICTIM'S PLIGHT AND THEIR INCARCERATION, THEY CLAIM THAT PATRICIA HEARST IS IN THE BETTER POSITION BECAUSE THE SLA CAN PROTECT HER AND KEEP HER HIDDEN UNTIL SHE CAN BE SAFELY RETURNED TO HER FIANCE. THEY STATE THEY LOOK FORWARD TO RECEIVING A VISIT FROM HER, PATTY, AFTER SHE IS

END PAGE FOUR

RELEASED. THEY SEND GREETING TO THE SLA AND MENTION A NUMBER OF OTHER PRISONERS WHOSE NAMES ARE FAMILIAR AS REVOLUTIONARIES ACROSS THE UNITED STATES. THEY CLAIM THEY SHARE THE SLA'S CONCERN FOR THE SAFETY OF PATTY. THEY CLAIM THAT THE ELEMENTS GUARDING HER ARE IN GRAVE DANGER AND SHOULD DEAL WITH THE SAFE RETURN OF PATTY AND THE SAFE WITHDRAWAL OF THE SLA ELEMENT. THEY HOPE THAT EVERYONE IS PREPARING FOR THE GOVERNMENT'S MASSIVE TERRORIST ASSAULT THAT WILL SURELY FOLLOW PATTY HEARST'S RELEASE AND THEY POINT OUT THAT IT IS OBVIOUS THAT DOZENS OF SUSPECTED SLA MEMBERS ARE NOW BEING ACTIVELY SOUGHT AND THAT ONCE SHE IS RELEASED MANY PEOPLE IN ORGANIZATIONS WILL BE ATTACKED AND PUT BEHIND BARS REGARDLESS OF ANY CONCERN OR KNOWLEDGE OF THE SLA. THEY SIGN THE HAND PRINTED LETTER LOVE JOE REMIRO, RUSS LITTLE.

THE LETTER IS REPLETE WITH SLA RHETORIC AND SLA PHILOSOPHIES REGARDING THE STRUGGLE OF THE HUMAN RACE AND MENTIONS NUMEROUS PROMINENT INDIVIDUALS WHO HAVE BEEN INVOLVED IN CIVIL RIGHTS

[redacted] ACTIONS IN THE PAST.

THE LETTER IN ITS ENTIRETY WAS READ BY ONE OF THE ANNOUNCERS OF KPFA RADIO, A LOCAL BERKELEY, CALIFORNIA, RADICAL RADIO STATION.

RE: INVESTIGATION CONCERNING KNOWN AND SUSPECTED SLA MEMBERS:

REGARDING [redacted] SUSPECTED MEMBER OF THE SLA [redacted] WAS LOCATED TODAY AT CHILDRENS HOSPITAL, OAKLAND. AS SOON AS THE INTERVIEWING AGENTS IDENTIFIED THEMSELVES, [redacted] SAID "I HAVE NOTHING TO SAY". [redacted] AS ADVISED WE WISHED TO TALK TO HIM REGARDING THE KIDNAPING OF PATRICIA HEARST, AND HE REPEATED HE HAD NOTHING TO SAY. HE WAS ASKED IF HE WOULD BE WILLING TO TALK TO THE FBI IF HIS ATTORNEY WAS PRESENT AND HE ONCE AGAIN REPEATED THAT HE HAD NOTHING TO SAY.

HE STATED HE SIGNED A MEDICAL DOCUMENT OR A CERTIFICATE FOR LITTLE'S MEDICAL EXAMINATION, HOWEVER, NEVER [redacted] SAW HIM AGAIN. CALL

IN REGARD TO [redacted] STATED THAT SHE IS A FRIEND OF HIS WHO HE KNOWS FROM [redacted] WHO ASKED HIM TO POST BAIL FOR HER WHEN SHE WAS ARRESTED ON THE BANK ROBBERY CHARGE. HE SAID HE DID SO, AND HE DOES NOT BELIEVE THAT [redacted] IS A POLITICAL-TYPE PERSON, HOWEVER, HE KNOWS NOTHING OF HER PERSONAL LIFE OR ACTIVITIES. HE STATED HE KNOWS OF NO CONNECTION BETWEEN [redacted] OR LITTLE. IT MAY BE NOTED THAT ERIC [redacted] AS BEEN OBSERVED AT SLA RESIDENCES. CALL

IN REGARD TO [redacted] IN VIEW [redacted] PPARENT FORTHRIGHTNESS AND WILLINGNESS TO TALK AND THE FACT THAT HE WAS THE ONLY CONTACT WITH LITTLE, [redacted] S NOT INTERVIEWED, SINCE

SHE HAD NO CONNECTION WITH LITTLE OR REMIRO. C/L/

REGARDING [redacted] WHO, ON MARCH 27, 1974 WAS CONTACTED TELEPHONICALLY IN AN ATTEMPT TO INTERVIEW HIM, AND WHO STATED HE WOULD HAVE TO CONTACT HIS ATTORNEY BEFORE HE WOULD CONSENT TO INTERVIEW, [redacted] ADVISED TODAY THAT HE CONTACTED HIS ATTORNEY [redacted], HAD ADVISED HIM NOT TO TALK TO THE FBI AND DEFINIITELY NOT TO COME TO THE FBI OFFICE [redacted] TED THAT IN VIEW OF HIS ATTORNEY'S ADVICE HE HAD NOTHING TO SAY TO THE FBI.

REGARDING NANCY LING PERRY'S SAFETY DEPOSIT BOX [redacted] AT THE CENTRAL BANK IN BERKELEY, IT MAYBE NOTED THAT THIS IS THE BOX THAT WAS RENTED ON JULY 7, 1972 AND WAS TO BE OPENED BY THE BANK ON MARCH 28, 1974. WE SERVED A SUBPOENA ON THE BANK FOR THE CONTENTS OF THE BOX AND ON THIS DATE, THE SAFETY DEPOSIT BOX WAS OPENED BY THE BANK AND IT WAS EMPTY.

RE: PATRICIA MICHELLE SOLTYSIK, AKA
MIZMOON MONIQUE SOLTYSIK:

REGARDING CAMILLA HALL'S 1967 BLUE VOLKSWAGEN BUG, CALIFORNIA LICENSE 184 CRO, THE DEPARTMENT OF MOTOR VEHICLES (DMV)

END PAGE EIGHT

ADVISED MARCH 27, 1974 THAT THEY HAD RECEIVED A NOTICE OF TRANSFER DATED MARCH 4, 1974 REGARDING THIS CAR. THEY DO NOT KNOW WHEN IT WAS RECEIVED, NOR ARE THEY ABLE TO FURNISH ANY INFORMATION CONCERNING THE DETAILS OF THIS TRANSFER. THIS NOTICE OF TRANSFER HAS BEEN ENTERED INTO THE COMPUTER SYSTEM OF DMV, BUT THIS CONSISTS ONLY OF THE FACT THAT SOME TYPE OF A TRANSFER IS ON FILE. DMV DOES NOT KNOW AT THIS TIME WHETHER THIS IS AN ACTUAL TITLE TRANSFER OR SIMPLY A FORM UTILIZED IN CALIFORNIA INDICATING THAT THE CAR HAS BEEN SOLD, AND THAT THE TRANSFER IS FORTHCOMING. AFTER THE ITEM ARRIVES AT DMV INDICATING THE TRANSFER, THE FACT THAT A TRANSFER IS IN THE PPROGRESS IS ENTERED INTO THE COMPUTER AND THEN THE ACTUAL PIECE OF PAPER SHOWING THE TRANSFER IS ROUTED THROUGH NINE DIFFERENT SECTIONS IN DMV.

THE DMV IS CONDUCTING A SPECIAL SEARCH IN AN ATTEMPT TO LOCATE WHATEVER DOCUMENT IT IS THAT IS IN THEIR SYSTEM THAT WAS POSTED INTO THE COMPUTER INDICATING THAT A NOTICE OF TRANSFER WAS IN EFFECT.

IT SHOULD BE NOTED THAT HALL IS THE SOLE OWNER OF THIS VEHICLE, THAT SHE COULD HAVE OBTAINED A LOAN ON THIS VEHICLE,

WHICH COULD HAVE RESULTED IN A NOTICE OF OF TRANSFER TO SHOW THE LEGAL OWNER.

WE DO NOT PLAN AT THIS TIME TO CANCEL OUR APB OR TO CEASE LOOKING FOR THIS VEHICLE UNTIL SUCH TIME AS WE DETERMINE THAT HALL HAS IN FACT SOLD THE VEHICLE. IT SHOULD BE NOTED THAT OUR APB MERELY REQUESTS THE LOCATION OF THIS VEHICLE AND THE SUBSEQUENT NOTIFICATION BY LOCATING OFFICES TO THE FBI OF THE CAR'S LOCATION. THE APB STATES THAT THE CAR SHOULD NOT BE STOPPED OR OCCUPANTS QUESTIONED.

ARMED AND DANGEROUS.

RE: RANDOLPH HEARST, VICTIM'S FATHER:

IN REGARD TO THE INFORMATION SET OUT IN DAILY SUMMARY MARCH 27, 1974, THAT REVEREND CECIL WILLIAMS HAD BEEN IN CONTACT WITH DEATH ROW JEFF, OUR SACRAMENTO OFFICE HAS ADVISED THAT [redacted] OCCIB, SACRAMENTO, FURNISHED THE FOLLOWING INFORMATION:

AT 1945 HOURS MARCH 26, 1974, [redacted] RECEIVED FOLLOWING INFORMATION FROM DEPARTMENT OF CORRECTIONS:

AT APPROXIMATELY 2:30 PM MARCH 26, 1974, DIRECTOR PROCUNIER INFORMED THAT MR. KOBLENTZ, HEARST'S SPECIAL ATTORNEY IN HANDLING SLA MATTERS, CONTACTED HIM AND REQUESTED ARRANGEMENTS BE MADE FOR DEATH ROW JEFFERSON TO TALK TELEPHONICALLY WITH CECIL WILLIAMS OF GLIDE MEMORIAL CHURCH.

AT APPROXIMATELY 3:30 PM THIS DATE CALL WAS PLACED BY DEATH ROW JEFFERSON TO CECIL WILLIAMS AT GLIDE MEMORIAL CHURCH. [redacted] GENERAL TENOR OF DISCUSSION WAS AS FOLLOWS:

END PAGE ELEVEN

[redacted]

MISS HEARST HAD BEEN IN NEW YORK DISCUSSING ADDITIONAL FUNDING FOR "PEOPLE IN NEED" PROGRAM WITH HEARST CORPORATION. APPARENTLY CORPORATION IS CONCERNED OVER CONTINUING ITS FUNDING PROGRAM BECAUSE OF SOME LARGE LOSSES IT HAD SUSTAINED. [illegible] HEARST TO JEFFERSON AND WOULD APPEAR TO [illegible] HAD BEEN EXTENSIVE CONVERSATIONS RE THIS PROBLEM.

WAS PROPOSED UPON MISS HEARST'S RELEASE, $2 MILLION IN ADDITIONAL FOOD STUFFS BE DISTRIBUTED TO THOSE IN NEED AND THREE-MAN BOARD BE SET UP TO CONTROL AND GOVERN DISTRIBUTION. BOARD TO BE COMPOSED OF CECIL WILLIAMS, CONGRESSMAN RON DELLUMS, ASSEMBLYMAN WILLIE BROWN, AND ATTORNEY FAYE STENDER. WILLIAMS HAD INFORMED HEARST IF JEFFERSON DID NOT APPROVE OF HIS PARTICIPATION, WILLIAMS WOULD NOT BE INVOLVED IN PROJECT, HENCE REASON FOR THIS PHONE CALL. JEFFERSON INDICATED MATTER HAD HIS APPROVAL EXCEPT HE DID NOT WISH TO HAVE FAYE STENDER ON GOVERNING BOARD.

IN ADDITION WILLIAMS WAS DESIROUS OF SETTING UP MEETING

END PAGE TWELVE

GPO : 1971—446-525

BETWEEN HEARST, JEFFERSON, LITTLE, REMIRO, HIMSELF AND FBI TO FURTHER DISCUSS MATTER. WILLIAMS INSISTENT THAT FBI BE THERE IN ORDER TO LISTEN TO WHAT WAS PLANNED, OTHERWISE NO ONE WOULD BELIEVE THEIR DISCUSSION OR PROPOSED ACTION.

ON MARCH 28, 1974 RANDOLPH A. HEARST APPEARED AT A PRESS CONFERENCE WHICH WAS HELD AT 10:30 AM OUTSIDE HIS HILLSBOROUGH, CALIFORNIA, RESIDENCE. HEARST STATED HE HAD NO PREPARED STATEMENT AND DIRECTED HIS REMARKS TOWARD THE PIN PROGRAM. HE MADE REFERENCE TO SOME OF THE FLAWS IN THE PROGRAM, THANKED THE PEOPLE WHO PARTICIPATED IN THE PROGRAM INCLUDING MEMBERS OF HIS FAMILY AND FRIENDS AND EVEN THANKED THE RECIPIENTS FOR THEIR PATIENCE IN WAITING IN LINE FOR THEIR FOOD.

REGARDING HIS TRIP TO NEW YORK, HEARST INDICATED THAT THE PURPOSE WAS TO SHOW THAT THE HEARST CORPORATION WAS ACTING IN GOOD FAITH SINCE ITS CREDIBILITY LOCALLY WAS "NIL" WITH THE SLA. STATED SLA COMMUNIQUE MADE THIS FAIRLY CLEAR. HEARST STATED THAT IN ORDER TO ASSURE THEM (SLA) THAT THE FOUR

MILLION DOLLARS WILL BE AVAILABLE UPON PATTY'S RELEASE, A PLAN WAS IN PROGRESS TO SET UP AN ESCROW ARRANGEMENT AT A BANK IN SAN FRANCISCO AND TO NAME THREE TRUSTEES THAT WILL BE ACCEPTABLE TO ANY LIBERAL GROUP IN THE COUNTRY. THEIR JOB WILL BE TO SEE THAT PATTY IS WELL AND UNHARMED AND WHEN THIS DETERMINATION IS MADE, THE BANK WILL BE INSTRUCTED BY THEM TO RELEASE THE MONEY TO THE PEOPLE IN NEED OR WHATEVER FOOD DISTRIBUTION ORGANIZATION THEY MAY DECIDE TO SET UP.

HEARST STATED THEY ARE IN THE PROCESS OF WRITING THE ESCROW ARRANGEMENTS AND GETTING PEOPLE TO ACT AS TRUSTEES. HE INDICATED THIS IS A VERY COMPLICATED LEGAL PROCEDURE. HEARST STATED THAT HE HAS FOUR OR FIVE PEOPLE WHO WILL BE WILLING TO SERVE AND HE WANTS TO SIT DOWN AND CONSULT WITH THE PEOPLE IN THE COMMUNITY TO SEE IF THESE INDIVIDUALS WILL BE ACCEPTABLE.

BUREAU WAS PREVIOUSLY ADVISED BY TELETYPE MARCH 28, OF EVENTS TRANSPIRING DURING SAC MEETING WITH HEARST DURING EVENING MARCH 27, 1974. DURING THIS MEETING DISCUSSION WAS HELD CONCERNING SAC ALONG WITH CECIL WILLIAMS AND RANDOLPH HEARST MEETING WITH DEATH ROW JEFF REGARDING ASSURANCES DEMANDED BY THE KIDNAPERS REGARDING THEIR BEING ALLOWED TO LEAVE THE COUNTRY IF VICTIM RELEASED.

AT 3:30 P.M., MARCH 28, 1974, HEARST ADVISED SAC THAT IN TELEPHONIC CONTACT WITH [redacted] PROCUNIER, DIRECTOR, CALIFORNIA PRISON SYSTEM. THE LATTER INFORMED HIM THAT DEATH ROW JEFF WAS DESIROUS OF MEETING WITH SAC. THIS MEETING TO BE HELD AT VACAVILLE WHERE DEATH ROW JEFF INCARCERATED, MORNING MARCH 29, 1974. REPORTED, HEARST, PROCUNIER, REVEREND CECIL WILLIAMS AND ATTORNEY VINCENT HALLINAN WILL ALSO BE THERE AT THE REQUEST OF [redacted]FFERSON.

UNDER NO CIRCUMSTANCES WILL SAC CONSENT TO INTERVIEW DEATH ROW JEFF WHEN ABOVE INDIVIDUALS MENTIONED ARE PRESENT;

END PAGE FIFTEEN

[redacted]

HOWEVER, SAC WILL LISTEN AND BE AVAILABLE FOR ANY INFORMATION JEFFERSON DESIRES TO FURNISH. NO COMMITTMENTS OF ANY KIND WILL BE MADE. BUREAU WILL BE ADVISED OF RESULTS OF THIS MEETING.

RE: NEWS MEDIA:

THE SECOND ARTICLE OF A SERIES APPEARED IN THE "/SAN FRANCISCO CHRONICLE" ISSUE OF MARCH 28, 1974. THE ARTICLE WAS CAPTIONED "THE SLA 'FANTASY'" AND FEATURED PHOTOGRAPHS OF UFAC FUGITIVE DONALD DE FREEZE AND EMILY AND WILLIAM HARRIS. THE ARTICLE CONTAINED DETAILED INFORMATION CONCERNING RUSSELL LITTLE, HIS GIRLFRIEND ROBYN STEINER, LITTLE'S SISTER JO ANN, WILLE WOLFE, DAVID GUNNELL, AND JEAN CHAN (JEAN WAH CHAN) ALL OF WHOM LIVED AT "PEKING HOUSE", 5939 CHABOT ROAD, OAKLAND. THE ARTICLE ALSO NAMED AND DISCUSSED IN DETAIL WILLIAM AND EMILY HARRIS, NANCY LING PERRY, CHRIS THOMPSON, PATRICIA SOLTYSIK, JOE REMIRO, GARY AND ANGELA ATWOOD, THERO WHEELER AND DONALD DE FREEZE.

END PAGE SIXTEEN

SF 7-855

THE ARTICLE WAS ACCURATE REGARDING THE MAKEUP OF THE SLA AND THE BACKGROUND OF THE INDIVIDUALS MENTIONED.

AS INDICATED IN OUR MARCH 27, 1974, SUMMARY, SINCE INDIVIDUALS WHO ARE PRIME SUSPECTS IN CAPTIONED MATTER HAVE BEEN SO IDENTIFIED IN THE NEW MEDIA, WE ARE NOW IN A POSITION WHERE WE CAN MORE AGGRESSIVELY AND OPENLY INVESTIGATE THEM AND THEIR ASSOCIATES. PRIOR TO SUCH DISCLOSURE OUR INVESTIGATION OF THESE INDIVIDUALS HAD TO BE SOMEWHAT DISCREET AND LIMITED IN SCOPE DUE TO THE FACT THAT VICTIM'S CAPTORS THREATENED TO KILL VICTIM IF ANY SLA MEMBERS WERE HARRASSED BY LAW ENFORCEMENT. WE DO NOT NOW HAVE TO CONCERN OURSELVES WITH BEING CAREFUL NOT TO DIVULGE THE REASON FOR OUR INVESTIGATION OF THESE PEOPLE SINCE THEY HAVE, AS INDICATED, BEEN PUBLICLY IDENTIFIED.

RE: STEVEN A. WEED, VICTIM'S FIANCEE:

IT IS TO BE NOTED THAT THE NAME WEED, 5133 PARKHURST, APARTMENT B, SANTA ROSA APPEARED IN THE NOTEBOOK AND/OR ADDRESS BOOK OF SLA MEMBER NANCY LING PERRY. WE HAVE CONDUCTED EXTENSIVE

INVESTIGATION AT SANTA ROSA, CALIFORNIA REGARDING THIS MATTER. THE ADDRESS REFERRED TO IS A FOUR-PLEX APARTMENT BUILDING, WHICH WAS COMPLETED IN JANUARY OF 1972. AT NO TIME HAS ANYONE BY THE NAME OF [redacted]EED EVER [redacted] RESIDED AT THAT LOCATION AND INTERVIEWS WITH OCCUPANTS OF THE BUILDING INDICATE THAT [redacted]TEVE WEED AND NANCY LING PERRY ARE UNKNOWN TO THEM. DURING THE SUMMER OF 1973, [redacted] OCCUPIED APARTMENT [redacted] IS A KNOWN "SPEED FREAK" AND USER OF NARCOTICS. NANCY LING PERRY WAS FORMERLY HEAVY ON DOPE AND HER ENTRY OF "WEED" MAY HAVE REFERRED TO A SOURCE OF MARIJUANA.

[redacted]

RE: [redacted]COURIER PROGRAM":

TO ASSIST OUR AGENTS PARTICIPATING IN OUR INTENSIVE SURVEILLANCE COVERAGE OF SLA PADS AND ON OTHER SLA SUSPECTS NOT RESIDING AT THOSE PADS, TODAY, WE MADE ARRANGEMENTS WITH THE FBI LAB TO HAVE [redacted] ALONG WITH A LAB MAN

[redacted]

MADE AVAILABLE. ONE UNIT, WHICH WAS BEING MAINTAINED BY THE SAN DIEGO OFFICE, HAS ARRIVED IN SAN FRANCISCO AND THE AGENT FROM THE LAB ARRIVES IN THE SAN FRANCISCO AREA LATE P.M. THIS DATE, WITH THE OTHER UNIT AND RELATED EQUIPMENT. WE PLAN ON UTILIZING THIS UNIT AT THE EARLIEST POSSIBLE DATE AND THE BUREAU WILL BE ADVISED OF RESULTS.

RE: [redacted]

[redacted] WAS CONTACTED BY AN AGENT OF THE BERKELEY OFFICE TODAY. [redacted] ND THE AGENT BOTH ALUMNI OF OHIO STATE UNIVERSITY AND [redacted] HAS BEEN AN ACQUAINTANCE OF THE AGENT FOR A NUMBER OF YEARS. [redacted] DVISED THAT IF HE OR HIS STATION SHOULD RECEIVE ANOTHER TAPE RECORDING FROM THE SLA AS THEY HAVE IN THE PAST, [redacted] OULD IMMEDIATELY NOTIFY THE INTERVIEWING AGENT. HE STATED THAT SINCE [redacted] HE PREFERRED TO HAVE PERSONAL CONTACT WITH THE INTERVIEWING AGENT AND ASKED THAT IF HE DOES FURNISH INFORMATION IT BE KEPT STRICTLY CONFIDENTIAL [redacted] WAS ASSURED THIS WOULD BE DONE.

Enclosed for the Bureau are the following documents which [redacted] Davre's Electric Underground Restaurant, Suite 9, [redacted] Concourse, 555 California, San Francisco, California, made available on 3/15/74 from the restaurant's personnel file on ANGELA ATWOOD, who is the subject of San Francisco file 100-76888:

1) A letter dated 11/28/73 and addressed to Davre's Great Electric Underground, specifying complaints concerning waitresses' uniforms.

2) A letter dated 12/4/73 and addressed to Davre's Great Electric Underground, alleging that ANGELA ATWOOD and [redacted] were victims of retaliation by management.

3) A undated letter, submitted to the restaurant on or about 12/19/73, when ATWOOD and [redacted] quit the restaurant's employ, giving their reasons for quitting.

4) An undated note signed by ATWOOD and [redacted] authorizing [redacted] to pick up ATWOOD's and SOLIAN's final checks.

It is noted that the files of Davre's Great Underground Restaurant do not contain the originals of the enclosed type written documents. [redacted] has advised that the restaurant had never received any of the originals, which presumably were kept by ATWOOD and SOLIAH. [redacted] further advised that he does not have any information as to whether ATWOOD or someone else had drafted and typed these documents.

The name of ANGELA ATWOOD has been developed in connection with the investigation of the Symbionese Liberation Army as being possibly a member, sympathizer, associate, or contact of this group. She is also a prime suspect in HEARNAP. ATWOOD's present whereabouts is unknown.

KATHLEEN SOLIAH has been identified as having been a close associate of ANGELA ATWOOD and as having quit her waitress job at Davre's Great Electric Underground Restaurant on 12/19/73 at the same time ATWOOD did. When SOLIAH applied on 9/8/72 for employment at the restaurant, she listed a [redacted] as the person to notify in case of emergency; this [redacted] is possibly identical to [redacted] now in a closed status. This latter [redacted] was a delegate to the Students for a Democratic Society (SDS) National Convention, Ann Arbor, Michigan, 6/25-30/67; and she was affiliated with the Venceremos Brigade and traveled to Cuba, February - April, 1970. A main case, San Francisco [redacted] has been opened on SOLIAH to determine the extent of her involvement, if any, in extremist activities.

REQUEST OF THE FBI LABORATORY

It is requested that the enclosed documents be compared with type written specimens previously submitted in connection with HEARNAP, The Symbionese Liberation Army (Bufile 157-30832, San Francisco File 157-8054) and the August Seventh Guerrilla Movement (Bufile 157-30190, San Francisco File 157-9413) to determine if the typewriting is similar or identical to any previous submissions. After

the Laboratory has completed its examination of the enclosed documents, please return them to San Francisco for retention by the San Francisco Division.

Synopsis:

On 3/9/74, Radio Station KSAN, San Francisco, received a telephone call indicating that there was a Symbionese Liberation Army (SLA) message in the ladies' restroom at Fosters Restaurant, Polk and Sutter Streets, San Francisco. A cassette tape was obtained from this location. Some of the words on this tape were very difficult to hear. In the envelope containing the tape was a California Automobile Association card in the name of PATRICIA C. HEARST. This tape began with a female voice who stated her name was DALINA. The voice of the victim was also heard as were other female voices and a male voice who identified himself as General Field Marshal CINQUE. The text of this tape is set out. Another tape was recovered from Fosters Restaurant, First and Mission Streets, San Francisco, on 3/11/74. The envelope containing this tape also had a Phillips Petroleum card in it in the name of R. A. HEARST. This tape was not copied as it appeared to be damaged. Another tape was located at Metro I Theater, San Francisco, on 3/10/74. The text was the same as the tape which was located at Fosters Restaurant, Polk and Sutter Streets, San Francisco, on 3/9/74, with the exception of an additional female voice (with an accent) at the end who identified herself as Information Intelligence Unit Four. The transcription of this tape is set out. The Berlitz School of Languages stated that the female speaking with an accent from Information Intelligence Unit Four is probably Danish. [redacted] believe that the voice speaking with the accent is that of PATRICIA MICHELLE

SOLTYSIK. One individual who knows NANCY LING PERRY stated that the female voice on the tape immediately before CINQUE is definitely the voice of NANCY LING PERRY. Other acquaintances think this voice is possibly the voice of PERRY. Individuals who know WILLIAM and EMILY HARRIS were unable to identify their voices on the tape. STEVEN WEED stated that the only person he could identify on the tape was that of PATRICIA HEARST. [redacted] BENENSON was unable to identify any of the voices on the tape. ARMED AND DANGEROUS.

PHIL BUCHANAN, (415) 383-3443, an announcer for Radio Station KSAN, was telephonically contacted on March 10, 1974. He advised as follows:

Sometime after 2:00 p.m. on March 9, 1974, while he was on the air, he received a call from an unknown female who mentioned the SLA. She instructed him to go to the women's john at Foster's Restaurant, Polk and Sutter, San Francisco and he would find a tape taped to the toilet. BUCHANAN related that several days ago they had received an anonymous call directing them to pick up a tape concerning a bombing and a subsequent search for that tape proved fruitless. As a result, he did not take the matter seriously but did mention over the air that he had just got a call. He did not state it was from the SLA but did mention that they had had a previous call and it had turned out to be false.

BUCHANAN stated that at the time he received the call [redacted] a stringer, and his girlfriend [redacted] (phonetic), were in the studio and she volunteered to look for the tape. [redacted] walked to Foster's and was gone for some time. BUCHANAN does not know what part of the restaurant she looked in but when she returned [redacted] accompanied her back to Foster's and when they returned they had the envelope and tape and stated they had found it attached to the wall. BUCHANAN does not know whether [redacted] recovered the tape and he is unsure of the exact location where the tape was found.

DONAHUE then advised that he would be available for interview at his KSAN office at 11:00 a.m. on March 11, 1974.

ERIC DONAHUE, Vice President and General Manager of KSAN Radio Station, 211 Sutter, San Francisco, California, whose residence 442 Lovell Avenue, Mill Valley, California, home telephone number 388-1946, furnished the following information:

At approximately 4:15 p.m. on March 9, 1974, he received a telephone call at home from PHIL BUCHANAN, the KSAN Public Service Director and Disc Jockey, who was then on duty at the KSAN studio; BUCHANAN told DONAHUE that at approximately 2:15 p.m. that same day BUCHANAN had received a telephone call at the KSAN studio from a woman who in a business-like manner told BUCHANAN that there was a Symbionese Liberation Army (SLA) message in the ladies' restroom of Foster's Restaurant at Polk and Sutter Street, San Francisco. BUCHANAN related to DONAHUE that at the time BUCHANAN received the call [redacted] who is a KSAN stringer correspondent, and [redacted] whom DONAHUE identified as [redacted] were in the studio; and [redacted] had gone to Foster's Restaurant, had been unable to locate the SLA message, and had returned to the KSAN studio at approximately 3:15 p.m. BUCHANAN further informed DONAHUE that when [redacted] finished work at 4:00 p.m., [redacted] returned to Foster's Restaurant and located an envelope containing a cassette and PATRICIA HEARST's California Automobile Association card attached to a wall in the ladies' room.

DONAHUE advised that in his telephone conversation with BUCHANAN, BUCHANAN had only described the voice of the woman who called him regarding the SLA message as "business-like"; BUCHANAN had not commented further regarding the woman's voice. DONAHUE further stated that he did not know exactly where in the ladies' restroom the cassette had been located or whether it was [redacted] who had recovered the cassette from the ladies' restroom.

DONAHUE arrived at the KSAN studio at approximately 5:00 p.m., and between 5:00 and 5:30 p.m. DONAHUE, his wife, [redacted] listened to the cassette. Thereafter, DONAHUE attempted to call WILLIAM RANDOLPH HEARST, but was told by the operator that the HEARST's

phone had been disconnected and that calls for HEARST should be referred to the FBI or the police. At this time there were quite a few people in the KSAN studio; and somebody, whose identity or description DONAHUE said he could not recall, said he knew how to reach WILLIAM RANDOLPH HEARST. About ten minutes later someone else, whose identity or description DONAHUE said he could not recall, told DONAHUE that he would soon receive a telephone call from WILLIAM RANDOLPH HEARST. DONAHUE advised that he was not sure how HEARST had been contacted; but DONAHUE believed that someone from KSAN had called someone at Radio Station KPFA in Berkeley, and this individual at KPFA had either directly contacted HEARST or had reached HEARST through a third party.

At sometime between 7:15 p.m. and 7:30 p.m., DONAHUE received a telephone call from WILLIAM RANDOLPH HEARST who said that he would send someone over to pick up the cassette. Sometime thereafter ROBERT W. HOLLIS of the Examiner came to the KSAN studio and told DONAHUE that he, HOLLIS, had been instructed by HEARST to pick up the cassette and deliver it to the FBI; DONAHUE then turned the cassette over to HOLLIS.

DONAHUE advised that between 7:45 p.m. and 8:30 p.m. on March 9, 1974, a copy of the cassette was broadcast by KSAN.

[redacted] was telephonically contacted, and she advised as follows:

She had decided not to furnish any information regarding her finding of a cassette from the Symbionese Liberation Army (SLA) in the ladies' restroom of Foster's Restaurant on March 9, 1974, because to do so might have bad results for PATRICIA HEARST. She acknowledged that she understood that all she was being asked to was to provide some details concerning the tape's recovery, but nonetheless believed that for her to cooperate with the FBI in any respect might jeopardize PATRICIA HEARST.

She politely refused to answer questions regarding the time when she found the cassette and the specific location where the tape had been found.

When asked for her place of residence and telephone number, she replied that if either she or [redacted] needed to be contacted at a later date, they could be located through KSAN Radio Station.

When asked if he could be interviewed at work, [redacted] said he would call back in several minutes to discuss his availability for interview.

Approximately ten minutes later, [redacted] called back and advised that in view of the instructions on the cassette that it not be furnished to the FBI, he thought it best that he not aid the FBI. At 7:45 p.m., [redacted] ROBERT W. HOLLIS of the "San Francisco Examiner" furnished a yellow manila envelope which contained the following items:

1. One Scotch brand C-20 Highlander/Low Noise tape cassette. Written on the label of this cassette was the letters SLA; a figure that looked like a handwritten J and the word March 74.

2. A California State Automobile Association credit card, Membership Number 05258633740, with the name PATRICIA C. HEARST on the face of it. The credit card back reflected the handwritten name in red ink "P. HEARST".

3. A torn up white envelope bearing the handprinted letters in blue ink "KSAN" with a blue line drawn above and below the letters. Connected to this envelope was a piece of light brown adhesive tape approximately five inches long by one and one half inches wide.

[redacted]OLLIS stated that he received this material from personnel at Radio Station KSAN, 211 Sutter Street, San Francisco, at 7:15 p.m.

He advised that he had learned of the existence of this tape from "RANDY" HEARST.

[redacted]OLLIS advised that personnel at KSAN told him that they received a telephone call at 2:15 p.m., March 9, 1974, from an unidentified female who advised that there was a tape recording in the ladies restroom at the Foster's Restaurant located at Polk and Sutter Streets in San Francisco.

Personnel of KSAN Radio went to this Foster's Restaurant and were unable to locate the tape. According to HOLLIS, they returned to their station and at 4 p.m. pursuant to another telephone call went to the second floor restroom of the above described restaurant and found the envelope containing the tape with the credit card inside the plastic jacket of the tape, taped to the wall.

HOLLIS stated that instructions in this tape were that the FBI was not to receive this tape and it was his desire that the FBI does not acknowledge that they received this tape.

He stated that numerous individuals have handled the above described material.

HOLLIS was furnished a receipt by SA [redacted] for the above described items.

FIRST FEMALE VOICE:

"To they who would bear the hopes and future of our people, let the voice of their guns express the words of freedom. Freedom to the people and comrades, sisters and brothers, my name is DALINA and I am a General in the Symbionese Liberation Army. I am speaking to you on behalf of the Symbionese War Council, the Court of the People, and on behalf of the Symbionese Federation as a whole. I was (inaudible) of the deepest expression of freedom and call out for revolutionary unity with profound love we greet the Black Liberation Army, the Weather Underground, the BGS and WO and the brave women and men who, by force of arms, have shown that there is no compromise for freedom and that the meaning of the Federation's Codes of Unity holds true. That to die a race and be born a nation is to become free. There have been many on the left who without a true understanding, have condemned the actions of the SLA and the peoples forces who have chosen to fight rather than talk. These speakers condemn without truely recognizing that our actions are a direct response to the vicious and murderous actions of the enemy corporate state against the people. It has been claimed that we are destroying the rest, but in truth an unarmed and nonfighting rest is doomed as the people of Chile can proudly testify. Denounces of these so-called leaders who

presume to speak for the people can be chose to one of two qualities. Either they are cowards, afraid of revolutionay violence because it is a direct threat to their personal security and comfort, or they are opportunists who have personal gains in allowing the enemy to enslave, oppress and tranquilize the people. The dream, and indeed it is a dream, of this reactionary leadership is that the enemy corporate state will willingly give the stolen riches of the earth back to the people, and that this will be accomplished through compromising talk and empty words. In reality the enemy state forces the people to buy back the goods that the people themselves have produced at the price of blood. To this our bullets scream loudly. The enemy's blood thirsty greed will be destroyed by the growing spirit of the people and their thirst for freedom. The actions of the SLA are based on a clear understanding and analysis of the enemy and its actions against the lives and freedom of the people. We call upon the people to judge for themselves whether our tactics of weight and struggle are correct or incorrect in fighting the enemy by any means necessary. The SLA and the Court of the People wish to state to the people the reasons behind the present suspension in communication and negotiations. The people have been experiencing the true meaning of the Hearst empire's sincerity, that true meaning being deception and lies. Throughout the previous

period of communication between the SLA and the Hearst empire, the SLA and the Court of the People have dealt truthfully with all concerned. We have at all times followed our revolutionary principles of utilizing our three weapons of war, our guns, our determination and the truth, and this means that we will never say anything that we do not totally mean to do. We wish to place before the people a comparison of the sincere actions of the SLA and the counter actions of the Hearst empire; 1. The Court of the People requested that all documents of the Court be printed in full, omiting nothing. The Hearst empire omited communiques one and two concerning the Foster operation from court documents that were to be published. Also, the meaning of the seven-headed cobra on the reverse side of the documents, showing the emblem of the SLA, was purposely omitted. 2. The Court of the People requested that $70 worth of top quality food, including an equal balance of dry stuffs and canned goods and fresh meats and poultry, produce and dairy products be given to poor families in various Bay Area communities as a gesture of good faith so that negotiations for Patricia Hearst might begin. The Hearst and the Hearst empire contributed two million dollars to People in Need, a program set up by Hearst in reaction to the request of the SLA. Instead of

issuing the type and quality of food stipulated, PIN showed contempt for the people through this organization and distribution of surplus commodities instead of top quality fresh meats, vegetables and produce. PIN also attempted to sham the people by trying to distribute hog feed instead of top quality dry stuffs. The people had to stand in long lines for hours, only to be treated as dogs when the PIN food was thrown at them. Many people were injured by police in East Oakland. 3. The SLA showed severe displeasure with the meager Hearst contribution and with the Hearst PIN program. The SLA reissued its guidelines for and adequate an equitable food distribution and requested that the Hearst empire add an additional four million dollars to the measly two million dollars. In a communique the SLA proved the Hearst trickery by stating just how rich and powerful the Hearst and the Hearst empire really are. Randolph Hearst responded deceitfully that he could not meet financially the SLA request and stated in typical Capitalist fashion that the situation was out of his hands. As if Hearst had no connection with the Hearst Corporation, the Corporation, supposedly out of the kindness of its corporate heart, responded that it would provide the additional four million dollars, but only after Patricia Hearst is released. Hearst and the Hearst Corporation assumed that the SLA and the people were

inexperienced inthe area of corporate trickery, and so they said that they would give two million dollars upon Patricia Hearst's release and the rest in January, 1975. However, the people have experienced such trickery too many times in the past to ever be fooled by it again. SLA elements were at Wounded Knee and we too want to be under decision to cease the occupation, but we will not forget the lesson that we learned from our brothers and sisters there, one thing above all, never trust the words of the enemy. Hearst's PIN program stated that it would follow the SLA distribution guidelines, however instead of $70 worth of top quality food, the people have gotten $8 worth of mediocre food. Instead of fresh meat, half the people received one chicken. Many stood in long, cold lines for only a bag full of cabbages, while others stood in line and got nothing at all. PIN stated they distributed $30,000 in food, but this lie was revealed by WAPAC and the coalition, which said only 15,000 walked away with food. After the second day of food distribution, WAPAC and the coalition issued their reports on Hearst's PIN program. The SLA and the Court of the People, and the people themselves want to see this report printed in full in all forms of the media. There has never been any uncensored uncut media reporting of any statement made by the coalition speakers. Ludlow Kramer has boasted the

well-known lies that Hearst's president has carried out the terms of the SLA prescribed good faith gesture, but people know his words don't make no bag of cabbages into meat. The Court of the People have a clear understanding of the actions of the Hearsts and the Hearst empire as a whole in regards to its deceit and silence concerning its interest and crimes against the people. It is not surprise that Mrs. Hearst has never once said anything about her activities on the University of California Board of Regents, and its policy of financing corporations who operate internationally and exempt the hungry and pressed peoples of the earth. It is no coincidence that Mr. Hearst has remained silent about his vast interest in Safeway Stores, Incorporated, and Exxon because it is very important that the people of this country not ask questions about these interests. It is very important to the enemy that people do not begin to question why it is that the same man who is so concerned for bilingual education for Chicano people is also the same man who owns vast stock interests in Safeway Stores, Incorporated, and thousands of acres of land robbed from Chicano peoples in California, and a silvermine of thousands of acres of land in Mexico, that the Hearst empire has exploited from the peoples in Mexico. Mr. and Mrs. Hearst, by constantly maintaining a secure position where they are not forced to reveal their interests in crime, and without really conceiving anything to the people,

hoped to gain the release of the prisoner. In our analysis of enemy strategy we find multiple reasons for why the Hearst empire has not complied with our request. First, by frustrating the people, forcing them to continually return to food distribution centers, to stand in long lines and to receive $8 worth of food. The Hearst empire attempted to discredit the political point of the action. Secondly, by handing out surplus and low-grade donated food, some of which was not even meant for human consumption, in an undignified manner, the Hearst empire attempted to discredit and disprove the example we intended to display. Thirdly, by prolonging the program, soliciting donations and giving no where near the required amount, the Hearst empire could retain control under the (inaudible) of humanitarianism with no loss to their bank books. The tactics of misplaced supplies of food, delayed and missing trucks, supposed hijackings of mysterious trucks claimed to be loaded with top quality meat are all designed to mislead the people into believing that these things were normal mishaps, and that the Hearst empire was not responsible for them and was really attempting to meet some of the needs of the people. The Hearst empire has attempted to encourage division among the people by giving them crumbs to fight over. Our strategy was to show by example what can be done. That this good will gesture was intended to give some food to the people while at the same time

point out our understanding that the people can never expect the enemy to feed them. That in fact the people do not want the enemy to feed them but rather the people must have back the land and control over their own destiny and must themselves realize the fruits of their own labor. We did this to point out how the enemy can easily afford to feed the people if it were forced to, but what the enemy cannot afford is to reveal to the people the total extent of the sum of the wealth that it has robbed from the people. The SLA stated that Patricia Campbell Hearst will be kept in accordance with international codes of war regarding prisoners of war and that she would be maintained in protective custody. It was further stated that the captive SLA elements in San Quentin would also have to be kept in accordance with such codes because of their legal POW status. The SLA requested that Randolph and Catherine Hearst and the Hearst empire see to it that our comrades' conditions follow those guidelines. It was stated at that time that Patricia Hearst's condition would correspond, at all times, with that of the captured brothers. The SLA has waited with disciplined patience for the agents of the facist state, including the Hearst media empire, to view the conditions of our comrades' confinement. The Symbionese War Council, the Court of the People, have considered transferring Patricia Campbell Hearst to a security area,

which would physically correspond to a stripped cell on death row in San Quentin Concentration Camp. This would be an obvious response to barbaric conditions in which our comrades are forced to endure. However, after extensive nationwide intelligence and analysis by the Symbionese War Council, it became clear that the facist corporate state and its chief domestic police agency, the FBI, and other police state agencies or institutions intended to set up Patricia Hearst for execution in order to discredit and isolate the peoples forces. This is shown by the deliberate disregard for the health, life and safety of Joseph Remiro and Russell Little, and the plans of police state agencies to see to it that Patricia Hearst is killed. To spite FBI claims that they would not do anything to endanger Patricia Hearst's life, they have raided homes throughout the country, knowing full well that to do so would endanger the life of Patricia Hearst. The plans of the police state agencies are to see to it that Patricia Hearst is killed and then use her death to further rally middle America in support of the Nixon represented corporate dictatorship and against all revolutionary forces. The facist state and the FBI have attempted to manipulate public opinion in support of Patricia Hearst's safety and

eventual return, while at the same time create conditions that it knows would force her execution, saving then the embarrassment of doing it themselves. But we have repeatedly stated that Patricia Hearst's safety, execution or freedom, is totally her family's and its classes responsibility. It is in the direct interest of the facist corporate state to eliminate all popular revolutionary forces, even if that would mean sending the FBI to execute Patricia Hearst. U.S. Attorney General William Saxbe's statement that the FBI should bust in to rescue the prisoner was no slip of the tongue but was in reality a prematurely exposed Government policy decision; just as Nelson Rockefeller and the prison authorities in New York State could easily sacrafice the lives of hostage correctional officers at Attica in order to kill incarcerated freedom fighters inside; just as Ronald Reagan and prison authorities in California could sacrafice the life of Judge Haley at the Marin County Courthouse in order to kill man-child Jonathan Jackson, an incarcerated freedom fighter from San Quentin. So, too, can the U.S. Government and the FBI, with the sick permission of her father, willingly and without regret, sacrafice the life of Patricia Hearst in order to attempt to kill members of the Symbionese Liberation Army. We know from our experiences in prisons and from our comrades who have been killed in prisons, and from all those comrades still locked down, that Russell Little and Joseph Remiro have

already been issued tickets to ride the facist corporate state's railroad to the gas chamber, and that the appointment by Randolph Hearst of a member of the facist UC Board of Regents to insure so-called due process of law, is merely a ploy to hide the already pre-determined destination of that train, not to stop it. In response to Randolph Hearst's public request that Patricia Hearst be allowed to communicate periodically with her family in conjunction with international codes of war regarding prisoners of war, the SLA asks Randolph Hearst, on what basis should the peoples' forces allow such communication? First, the Symbionese War Council has determined that communication between POW Patricia Hearst and her family will come only after the immediate creation of the necessary mechanisms whereby Russell Little and Joseph Remiro can communicate via live national TV with the people and the SLA concerning the full scope of their physical health and all the conditions of their confinement. Second, that this tape and a transcript of it be published in full, omitting nothing, in all forms of the media.

VOICE OF PATRICIA HEARST:

Mom, Dad, I received the message you broadcast last Sunday. It was good to hear from you after so much silence. The words you had to say sounded like you don't care if I ever get out of here. I only wanted to hear from you sometime. Your silence has definitely jeopardized my safety, because of the lousy FBI continue to attempt to find me and Governor REAGAN's most antagonistic statement with no response for me. I'm becoming to feel that the FBI would rather that I get killed than safely released. I'm telling you this now because I don't believe the FBI will let any more words from me get through the media. I hear that people all around the country keep calling on the SLA to release me unharmed, but the SLA are not the ones who are harming me. It's the FBI along with your indifference to the poor and what they have concealed from the people and the SLA that are really concerning us now. I don't believe that you are doing everything you can, everything in your power, I don't believe that you are doing anything at all. You have said that it is out of your hands. What you should have said was that you washed your hands of it. I don't think you don't understand that its not just the crimes of you and Mom personally that I am being held for but the crimes of the University of California Board of Regents and the voting record, Mom, and you're on that board and also the crimes of the Hearst Corporation. Dad, you say you put the responsibility for my status

on the corporation, but you seem to be ignoring that you are the Chairman of the Board and Uncle Bill is President of the Hearst Corporation. I know that if anything happens to me it would be because of the corporation (inaudible word) and the FBI decided to protect their interest instead of my life. I don't know the instruments by which you do not comply with the good faith gesture. I know you could have done it, what the SLA asked. I mean I know that we don't have enough money, but it proves to me that you have told the FBI (inaudible word) necessary toward the SLA. It's really true, Dad. I have heard reports concerning the FBI investigation and interrogations. Governor Reagan's careless and antagonistic remarks in an attempt for federal agencies through the use of the news media to make public my death by calling the (inaudible word) SLA for my release and thus I am forced to draw only one conclusion that the FBI and other federal agencies want me to die. I no longer think that as a human being honor has become all important as the political pivot point and I could be certain (unintelligible word) right wing elements. I could only be used successfully by these people if I am killed. I've had constant reassurances by the FBI that my safety is their primary concern. I can only say that the FBI has never shown concern for the safety of hostages and from what I've seen so far this case is no different. Whether consciously or not, the news media has been assisting the FBI and there is now a great attempt to set me up for execution.

It is done primarily in two ways. First, by promoting a public image of my father as a confused parent who has done all he can to meet the demands for his daughter's kidnappers and now waits the time for his daughter's release. In fact, the SLA demands have not even been approximated and they made it very clear that until the good faith gesture is completed, negotiations for my release will not begin. Second, immediate and complete cooperation with my parents have created a public image of me as a helpless, innocent girl, who was supposed to have been abducted by two terrible blacks, escaped convicts. I am a strong woman and I resent being used in this way. I've been hearing reports about the food program and so far it sounds like you and your advisor have managed to turn it into a real disaster. I hear that only 16,000 people received food in the first two weeks and that most of them, only about $8 worth. It sounds like most of the food is of low quality, no one has received anything of value. Anyway, it certainly didn't (unintelligible word). The SLA wanted this program to be over in one month. They wanted each person to get $70 worth of good food all at once. If you had just done what the SLA wanted for the food program, the month is almost over and I would be ready to get out of here. What you have done is tell people in need to start off this program (unintelligible word) it's really discouraging thing to the people who need it. Dad, I know that you get most of the food donated for People in Need and you have put very little money at all into the program. Mom, I can't believe that you agreed to the "out of my hands" part of the program. I just wish that you could be stronger and

pull yourself together from all these emotional outbrusts and see if you can pursuade Dad and the rest of the family. Mom, you have got to stand up and speak for yourself. You seem to be relying on other people to make your decisions. This program, if I can call it that, has given the FBI the go ahead to kill me. I wish Dad would think real hard and do something concrete to help me. I wish only that the rest of the family was thinking sane. It's hard to believe that my father and cousins aren't doing anything. If it had been you, Mom, or you, Dad, who had been kidnapped instead of me, I know that I and the rest of the family would do anything to get you back. If could have been one of you and how would you feel if you had been written off the way I've been in this thing. I'm sorry to think that no one is concerned about me anymore. I wish I could converse with the rest of the family. I would like to know what my sisters have to say about Dad's decisions in complying with the terms of the good faith gesture. Steven, what do you have to say? (unintelligible name) doesn't care about what happens to me. You can't be silent. Everyone has proved his point. I hope you will not think that I have been brainwashed or tortured into saying this. Please listen to me because I am speaking honestly and from my heart. (Unintelligible phrase) the last statement has become obvious to the SLA and all the hungry people that my father has not even attempted to show a gesture of good faith. I guess everyone knows by know that Dad has had no further word from the SLA about negotiating for my release. In the last two days, members of the

federation have spoken with me. They have given me some newspaper reports to read about the current (unintelligible word) comprising the prisoners throughout the country. I have also been given some journal commentaries about the kind of prisons in general and the adjustment center at San Quentin. Members of the federation have also given me a choice of books to read. I have been reading a book by George Jackson called "Blood in My Eye." I am starting to understanding what he means when he talks about fascism in America. Joseph Remiro and Russell Little, the two men in San Quentin, haven't even come to trial yet and already they are being held in stripped cells on death row. It is really hard to believe that all of this obvious violation of the Constitution is taking place, but it is true. How can people think that these men can get a fair trial. There isn't any doubt in people's minds as to what they are going to do. Members of the federation have shown me intelligence reports gathered on the activities of the FBI. These combined with discussions the members of the federation have had with me and my own observation of the way that my father has conducted himself has made me afraid because I realize that problems are coming from the FBI and the Attorney General's Office in Washington. Execution of the two men in San Quentin or if that's not (unintelligible phrase) accomplished (unintelligible word) I'll not get home alive or by attempting to (unintelligible word) the SLA (unintelligible phrase) they are the ones who killed me. Because of these things, I have been transferred to a specific security unit of the

SLA combat forces. I am being held in protective custody. I have been issued a 12 gauge riot shotgun and I have been receiving instructions on how to use it. While I have no access to ammunition, in the event of an attack by the FBI, I have been told that I will be given an issue of cyanide buckshot in order to protect myself. Because it's the federation's opinion and my own from observation that if the FBI does rush in, it will be obviously with the best wishes of my family and in total disregard for my safety. In fact, they would be doing it to murder me. Under international codes of war, I am allowed to communicate with members of my family and because of the scope of this incident, the public as well. However, I have been told the privilege allowing me to communicate with you will not be (inaudible) until the SLA hears from the two men in San Quentin. They want to hear what the two men have to say in a live nationwide broadcast so that they can hear all the conditions of their confinement. I really want to get out of here. And I really want to get home alive. I am appealing to the public and asking them not to assist the FBI in their investigation. They are simply helping them to dig my grave. I ask those people who say they've prayed for me and those who have signed petitions to the SLA for my safe release to redirect their energies into proving that the FBI is really attempting to murder me and the two men at San Quentin. I am no longer afraid of the SLA as they are not the ones that want

me to die. The SLA wants to free the people and (inaudible) justice for the two men in San Quentin. I realize now that it is the FBI that wants to murder me. Only the FBI and certain people in the government stand to gain anything by my death.

NEXT FEMALE VOICE COMES ON TAPE:

(Inaudible) to the fascist corporate military pig, we have declared a revolutionary world on you, enemy of the people and our seriousness and determination will not be swayed by any number of your U. S. Government inspected prison pigs. For those that you have hunted are now hunting you. Death to the fascist insect that preys upon the life of the people.

NEXT FEMALE VOICE COMES ON TAPE:

Comrade Sisters, Resistance Fighter, we greet you and call you to arms in the struggle to free our people. Today our daughters and our sons, our mothers and our fathers stand with the people and fight for the true freedom of our people. No people are free until we are all free. We women know the truth as it has been revealed in our own lives. We turn our roles toward the enemy in a direct line down the sights of our guns. We must turn our angle towards those who profit as our assassins and have our angle be effected in military tactics that utilize people violence against the men and women who are the monsters of populace violence.

Until we meet in the streets we will have a strong back like that of the grave digger.

MALE VOICE COMES ON THE TAPE:

This is General Field Marshal CINQUE (inaudible). I would like to take the opportunity to speak to my people and to all the people and to those that I fight beside against the enemy that preys upon the life of our children. The time has come when we of black people must come together and stop robbing and oppressing each other and other oppressed people. It is time that black people understand that the enemy is not white, brown or black people. The oppressor is not a particular color. The (inaudible) with this system and the corporate ruling class that it represents that preys upon the life of our people. I call upon oppressed people of all colors to arm themselves and be sent to their own freedom while they still have the chance. I call upon the robber, the pimps, the drag outs, the prostitutes and all those who have been used as pawns against the people to turn their rage and bodies towards the true enemy of the people, the corporate ruling class. I call upon the people to shed no more blood over innocence than rather bring death to the natives of fear and to cease fighting amongst ourselves because of our different colors. I call upon our mothers and fathers to hear the voice that rings in our hearts of freedom. I call upon that you hear the cries of our

children being murdered in the streets and to understand that there is no compromise for freedom. I call upon the people to join the federation by the only means we understand by answering this call to arms by the sounds of your guns and your committment to save the children.

1 Date 3/10/74

On this date an examination of the lady's restroom located at Foster's Restaurant, Sutter and Polk Streets, San Francisco, revealed that a strip of cellophane tape, approximately 2 1/2 inches long, attached to a small piece of white paper, was affixed to the left inside stall door. The cellophane tape and paper were removed (Item 1) and a fingerprint appearing on the underside of said cellophane tape was lifted from the surface of the door and preserved (Items 2,3 and 4).

[redacted] Foster's Restaurant, Polk and Sutter Streets, San Francisco, California, [redacted] furnished the following information:

[redacted] At approximately 2:20 p.m. on March 9, 1974, [redacted] had observed a small package attached to one of the walls of the restaurant's ladies' restroom. After so advising the interviewing Agents, she took them to this restroom, which was located at the top of a short flight of stairs at the rear of the restaurant. Inside, [redacted] entered the cubicle to the right of the door to the restroom, as viewed by one entering the door, and pointed to a place, approximately three feet up from the floor, approximately mid-distance from the sides, on the wall to the rear of the toilet occupying the cubicle, and she advised that this was where the package had been attached.

She stated that what she had observed could best be described as a package, although it might have been an envelope folded over. Although she was not positive as to the package's color, she believed it was wrapped in medium blue or bluish green paper. The package was somewhat shorter in length and a little wider than a dollar bill, and was attached to the wall by a piece of adhesive tape resembling masking tape, placed diagonally across the package. [redacted] believed, but was not sure, that the package bore writing or printing of some sort.

[redacted] had first observed this package when she had exited from the cubicle located to the left of the door to the restroom and had glanced through the open door of the cubicle immediately opposite. Her first impression was that the package might be a packet of money, but when she pressed her finger against the package, she determined that the contents was a solid object. She did not further examine the package or any writing thereon, but left the package undisturbed. She further advised that she did not notify anyone of the package's presence in the restroom.

[redacted] stated that no one else had been in the restroom at this time and that she had not observed anyone on the stairs to the restroom as she was entering or leaving the restroom. When asked if she had observed anyone loitering about the restaurant at this time, [redacted] replied that prior to 2:00 p.m., she had not observed anyone so doing and that between 2:00 p.m. and 2:20 p.m., she had not had an opportunity to observe the actions of individuals visiting the restaurant because she was in the back of the restaurant counting the cash receipts. After visiting the ladies' restroom at approximately 2:20 p.m., [redacted] had immediately left for home.

[redacted] advised that she had visited the ladies' restroom at approximately 11:45 a.m. on March 9, 1974, but had not seen the package at that time. She stated that had the package been in the restroom at that time, she would have noticed it.

She further advised that the door to the ladies' restroom is normally left unlocked during the day, but is locked at night. In keeping with this policy, the door to the ladies' restroom was not locked on March 9, 1974, at least up until the time at approximately 2:30 p.m., when she had departed for home.

When asked for the names of other restaurant employees who were on duty on March 9, 1974, [redacted] advised that [redacted] had shared the 6:00 a.m. to 2:00 p.m. shift with [redacted] had worked as a waitress during the 2:00 p.m. to 10:00 p.m. shift. She advised that on March 9, 1974, she had worked the 6:00 a.m. to 2:00 p.m. shift at the restaurant. At approximately 1:25 p.m. that day, she had gone to the ladies' restroom at the restaurant, but while there, had not seen any package or envelope inside the restroom. At this time, she was the only person inside the restroom and had gone into the cubicle to the left of the door to the restroom, as viewed by one entering the cubicle. She was unable to recall whether, at this time, the door to the cubicle to the right of the door to the restroom was open or whether she had looked in the direction of this cubicle opposite the one she had used; hence, she stated she was unsure as to whether the fact that she did not see a package or envelope was due to the absence of such an item or to her failure to observe such an item if it were there.

She further advised that she could not recall having seen anyone go upstairs to the ladies' restroom or having had anyone ask her for directions to the ladies' restroom. She stated that March 9, 1974, had been a busy day at the restaurant, and she had not paid particular attention to the activities of any of the customers nor had she observed anything that would have directed her attention to any particular customer.

[redacted] advised that she was in the ladies' room at Foster's Restaurant, Polk and Sutter, at about 3:00 p.m. on March 9, 1974. She stated that she took the 2:22 p.m. Golden Gate Transit Bus from Sausalito and got off this bus at Van Ness and Sutter at about 2:50 p.m. She walked one block to Polk and Sutter where she spent three or four minutes in a glass shop. She then entered Foster's, asked directions and went to the upstairs ladies' room. She occupied the west cubicle while in the ladies' room. As she was washing her hands and leaving, a pretty and young girl entered the ladies' room. This person had brown hair, average size, and was dressed in very plain clothes that appeared to be almost Salvation Army style. She recalls that the east cubicle of the ladies' room was occupied, therefore, she did not have the opportunity to view the inside. She noticed nothing else unusual while in Foster's other than most of the customers appeared elderly. She did not eat at Foster's and departed right after being in the ladies' room. [redacted] was shown Symbionese Liberation Army photos, however, was unable to identify any of the photos.

An Ampex cassette, 160, 350, housed in a clear plastic container, was played in order to determine if the cassette was the same as the one received from the Symbionese Liberation Army (SLA) on March 10, 1974. The cassette was identical to the one received on March 10, 1974.

Upon rewinding the cassette, it was noticed that it was binding at four different times. This was due to the cassette being wound very tightly in the manufacturing process. In order to keep from possibly stretching or breaking the tape, the rewinding process was halted and the cassette was sent to the FBI Laboratory. No copy of the cassette was made by the San Francisco Office due to the possibility of damage to the cassette.

The cassette was received from [redacted] Included with the cassette was one Phillips Petroleum Executive Courtesy Card, bearing the number 6200032180, in the name of Mr. R. A. HEARST and an envelope with KDIA written on the face of the envelope. The cassette and credit card was retrieved from Foster's Restaurant, 19 First Street, San Francisco, at 12:58 a.m., March 11, 1974.

[redacted] osters Restaurant, 99 - 1st Street, telephone 421-4044, furnished the following information:

[redacted]

On March 10, 1974, he finished his days work, left the restaurant, went next-door to a bar to have a couple of drinks, and he noted that this was the night that Fosters was having the floors cleaned by a professional cleaning crew so the restaurant was closed to the public at 10:00 p.m. He further stated that shortly after midnight, he left the bar and returned to the restaurant to check the progress of the floor cleaning. At this time, he was advised by an employee, [redacted] discovered an envelope containing a credit card and other material, noting that the credit card was in the name of R.A. HEARST. [redacted] took the envelope, looked inside, and saw that "other material" was a tape cassette. He then immediately placed the tape back on the table and gave it to the San Francisco Police when they arrived at the restaurant shortly thereafter.

[redacted] advised that the door to the ladies' room, which is located on the second fllor of Fosters, has no door knob on the inside of the door, which necessitates the assistance of himself or one of the other kitchen helpers to open the door from the outside. He noted that most women who use the restroom leave the outside door slightly ajar, but that approximately 6:30, March 10, 1974, two Negro females had closed the door so securly that they required his assistance from the outside to leave the restroom. [redacted] described these two Negro females as in their early 20s, or possibly in their late teens. He noted that he did not pay them much attention and so could provide only this meager description.

On March 10, 1974, he began work cleaning the kitchen of the restaurant after which he cleaned the mens' room, which is located downstairs. Approximately midnight, he went upstairs to clean the ladies' room. [redacted] advised that as he was emptying the sanitary napkin disposer, he noticed an envelope taped to the back of the disposer. He stated that he became very excited and was not certain what action to take, so he telephoned his boss who insisted that he open the envelope to determine its contents. Upon opening the envelope, he saw a credit card with the name R.A. HEARST on it and he realized it may have something to do with the kidnaping of PATRICIA HEARST. He then immediately put the envelope down, again telephoned his boss who told him to call the San Francisco Police.

[redacted] advised that he had observed nothing suspicious and could furnish no further information.

III. CASSETTE TAPE IN AN ENVELOPE DIRECTED TO RADIO STATION KPFA LOCATED AT METRO I THEATER, UNION STREET, SAN FRANCISCO, ON MARCH 10, 1974

[redacted] TOM O'HAIR, Program Director of Radio Station [redacted] 211 Sutter Street, San Francisco, California, [redacted] furnished the following information:

At approximately 6:15 p.m. on March 10, 1974 while he was at the KSAN studio, he received a telephone call from CRAIG PYE (phonetic) of Radio Station KPFA in Berkeley; PYE asked to speak to either TOM DONAHUE, the General Manager of KSAN, or to DAVE McQUEEN, the KSAN News Director, and PYE mentioned that a clearer copy of the tape that the Symbionese Liberation Army (SLA) had left at Foster's Restaurant the previous day was now at the Metro II Theatre in San Francisco. O'HAIR furnished PYE with DONAHUE's home telephone number, and stood by to await instructions from DONAHUE.

Several minutes later, DONAHUE telephoned O'HAIR and told him to go to the Metro II Theatre and look for a tape in the sixth row of seats from the front of the theatre. O'HAIR arrived at the Metro II Theatre, which is located on Union Street near Fillmore Street in San Francisco, at approximately 6:30 p.m.; and he identified himself to the theatre manager, whose name O'HAIR did not recall, and he told the manager that a tape from the SLA had been reported to be in the theatre. In the company of the theatre manager, O'HAIR proceeded down the far left aisle of the theatre to the sixth row of seats and commenced a search for the tape. At approximately 6:40 p.m., O'HAIR found a cassette-size white envelope appended by means of black tape, approximately one inch in width with adhesive on both sides, to the bottom of the fifth or sixth seat, as counted from the left by one facing the movie screen, in the right hand section of seats; at this time the seat to which the envelope was attached was folded upward.

O'HAIR stated that a movie was then being shown but no one was seated within four or five rows of where the envelope had been found; in the next few rows beyond there

had been only three or four people scattered about, and O'HAIR was unable to provide a description of any of these people. There was no indication that any of these people was paying particular attention to O'HAIR, nor was O'HAIR followed by anyone as he proceeded to the theatre manager's office.

Once inside the theatre manager's office, O'HAIR tore open the envelope, placed the cassette contained in the envelope into his jacket, and as best as he can remember discarded the envelope into a waste basket in the theatre manager's office. The only detail O'HAIR could provide concerning the cassette was that it bore the lettering, "ADC," which O'HAIR thought might be an abbreviation for American Dynamics Corporation; O'HAIR was unable to recall whether it was a 30 or 60 minute cassette, nor could he recall the color of the cassette label or any other writing thereon. Regarding the envelope, O'HAIR stated that he could not recall any writing thereon and that the envelope had been unevenly folded over and most of it had been covered by the adhesive tape.

From the theatre manager's office, O'HAIR placed a telephone call to the KSAN News Department to confirm that he had found a cassette and to request that KPFA be notified; he also placed a telephone call to DAVE McQUEEN at McQUEEN's home to inform McQUEEN that the trip to the theatre had not been a "wild goose chase." The theatre manager appeared to be quite nervous and expressed concern that someone associated with the SLA had presumably been in the theatre; O'HAIR, sensing the manager's nervousness and being himself uncertain as to what procedure should be followed, decided to leave the theatre immediately and return to the KSAN studio before a hassle with the theatre manager developed.

Outside the theatre, O'HAIR telephoned TOM DONAHUE at home from a phone booth on Union Street and then went immediately to the KSAN studio where he gave the cassette to KSAN Chief Engineer ED PYE and requested PYE to make a copy for KSAN. O'HAIR then called CRAIG PYE of Radio Station KPFA at CRAIG's home, and PYE stated that either a person with proper credentials from KPFA would pick up the cassette or the cassette should be given to DAVE McQUEEN who would bring the cassette to KPFA. O'HAIR left PYE's instructions with the Chief Engineer and then departed from the KSAN studio to cover a live recording commitment he had.

FOH DONAHUE

[redacted] Vice President and General Manager of RADIO STATION KPFA, 2H. Sutter Street, San Francisco, [redacted] furnished the following information:

Sometime around 6:00 p.m. on March 10, 1974, he was called at home by a Mr. PYE (phonetic), the News Director of Radio Station KPFA in Berkeley. PYE informed DONAHUE that one of the KPFA volunteer workers had received a telephone call at KPFA advising that a clearer version of the Symbionese Liberation Army (SLA) tape recovered on March 9, 1974 at Foster's Restaurant had been placed in the Metro II Theatre, San Francisco, and could be found in the sixth row from the front of the theatre. PYE told DONAHUE that KPFA did not have anyone available to pick up the tape from the theatre, and PYE asked DONAHUE to send someone from KSAN to pick up the tape.

After talking with PYE, DONAHUE telephoned TOM O'HAIR, the KSAN Program Director, who was on duty at the station and instructed O'HAIR to go to the Metro II Theatre. Approximately an hour, perhaps less, after DONAHUE had talked to O'HAIR, O'HAIR telephoned DONAHUE to verify that he, O'HAIR, had picked up the tape. DONAHUE then told O'HAIR to have a copy of the tape made for retention by KSAN and to make arrangements for a representative of KPFA to pick up the original.

[redacted] advised that in his telephone conversation with Mr. PYE of KPFA, PYE had not identified the KPFA volunteer worker who had received the telephone call reporting the location of the tape, nor had PYE mentioned anything regarding the individual who had placed the telephone call to KPFA.

DAVID McQUEEN, News Director of Radio Station KSAN, 211 Sutter Street, San Francisco, California, furnished the following information:

During the early evening of March 10, 1974, at sometime around 6:30 p.m., he received a telephone call at home from JOHN O'HAIR, the KSAN Program Director, who was on duty at the KSAN studio, who told McQUEEN that he, O'HAIR, had received a telephone call from Radio Station KPFA in Berkeley advising that a more audible copy of the tape from the Symbionese Liberation Army (SLA) that was left at Foster's Restaurant on March 9, 1974, was available for KPFA at the Metro Theatre in San Francisco. O'HAIR further informed McQUEEN that KPFA did not have anyone available to pick up the tape and had requested that KSAN make the pick up. McQUEEN advised O'HAIR to get the tape from the theatre and call McQUEEN back. Shortly, thereafter, O'HAIR telephoned McQUEEN to confirm that a tape had been found, and McQUEEN left home to go to the KSAN studio.

By the time McQUEEN reached the KSAN studio, O'HAIR had already brought the tape back to the studio and had given it to the KSAN Chief Engineer for "dubbing," that is, for making of a copy to be kept by KSAN. When the dubbing process was completed, McQUEEN obtained the original of the tape, that is, the one recovered from the Metro Theatre, and he personally delivered it to KPFA Production Director STAN JOHNSON at the KPFA Berkeley studio, who immediately had the tape broadcast over KPFA at approximately 9:00 p.m. At the conclusion of this broadcast KPFA personnel turned the tape over to a representative of the "Examiner" whose name was not known to McQUEEN.

McQUEEN advised that the tape recovered from Metro Theatre II had been in cassette form, and all he had seen was the cassette it self and not any packaging in which it had been recovered.

MIKE NUGENT, Manager, Metro I Theater, 2055 Union Street, San Francisco, advised he was telephonically contacted at approximately 6:45 PM, March 10, 1974, by THOMAS O'HARE, who is employed with KSAN Radio Station, San Francisco. He said O'HARE advised he had received a call from Radio Station KPFA in Berkeley, indicating a taped message from the Symbionese Liberation Army (SLA) had been left at the Metro I Theater. MR. NUGENT said that O'HARE arrived shortly at the theater, and at this time he indicated the tape recording was supposed to be taped to the bottom of a seat in row six from the front on the right-hand side of the theater.

MR. NUGENT advised that a movie was in progress at that time, and utilizing a flashlight, O'HARE and MR. NUGENT proceeded to the right-hand side in the front of the theater, where they counted back six rows from the front and then began checking the bottoms of seats from the inside aisle outward. MR. NUGENT advised that O'HARE and he both saw an envelope stuck to the bottom of the third seat from the inside aisle. O'HARE removed this envelope in MR. NUGENT's presence, and they proceeded to the theater office, where O'HARE removed a tape cassette from the envelope and threw the envelope in a wastebasket. MR. NUGENT advised that the tape was not played at this time, and he does not know the contents.

MR. NUGENT advised that O'HARE informed him that instructions had been given by the SLA that the FBI and other law enforcement agencies should not be contacted or furnished information regarding this tape. O'HARE departed at this time, and at this time MR. NUGENT began feeling he had a responsibility to contact the FBI, therefore he contacted the theater attorney, who advised him to contact the HEARST family and request their desires regarding the information. MR. NUGENT talked with a [redacted] BOSWORTH at the HEARST residence, and was advised that he should furnish information to the FBI, should the FBI make a request for such information.

FIRST FEMALE VOICE:

"To those who would bear the hopes and future of our people, let the voice and their guns express the words of freedom.

Greetings to the people and comrades, sisters and brothers. My name is DALINA and I am a General in the Symbionese Liberation Army. I am speaking to you on behalf of the Symbionese War Council, the Court of the People, and on behalf of the Symbionese Federation of the whole. Our weapons echo the deepest expression of freedom and cry out for revolutionary unity. With profound love, we greet the Black Liberation Army, the Weather Underground, the BGF and WO and those brave women and men who by force of arms have shown that there is no compromise for freedom and that the meaning of the Federation's Codes of Unity holds true. That to die a race and to be born a nation is to become free. There has been many on the left who without a clear understanding have condemned the actions of the SLA and the people forces who have chosen to fight rather than talk. These speakers condemn without clearly recognizing that their actions are a direct response to the

vicious and murderous actions of enemy corporate state against the people. It has been claimed that we are destroying the left but in truth, an unarmed and non-fighting left is doomed as the people of Chile can proudly testify. The analysis of these leaders who presume to speak for the people can be traced to one of two qualities. Either they are cowards afraid of revolutionary violence because it is a direct threat to their personal security and comfort, or they are opportunists who have personal gains in allowing the enemy to enslave oppressed and tranquilize the people. The dream and indeed it is a dream of this reactionary leadership, is that the enemy corporate state will willingly give the stolen riches of the earth back to the people and that this will be accomplished through compromising talk and empty words. In reality, the enemy state forces the people to buy back the goods that the people themselves have produced at the price of blood. To this our bullets scream loudly. The enemy's bloodthirsty greed will be destroyed by the growing spirit of the people and their thirst for freedom. The actions of the SLA are based on a clear understanding and analysis of the enemy and its actions against the lives and freedom of the people. We call upon the people to judge for themselves whether our tactics of waging struggle are correct or incorrect

in fighting the enemy by any means necessary. The SLA and the Court of the People wish to state to the people the reasons behind the present suspension of communication and negotiations. The people have been experiencing the true meaning of the HEARST empire's sincerity, that true meaning being deception and lies. Throughout the previous period of communication between the SLA and the HEARST empire, the SLA and the Court of the People have dealt truthfully with all concerned. We have at all times, followed our revolutionary principles of utilizing our three weapons of war, our guns, our determination and the truth and this means that we will never say anything that we do not totally mean to do. We wish to place before the people a comparison of the sincere actions of the SLA and the counter actions of the HEARST empire; 1. The Court of the People requested that all documents of the Court be printed in full omitting nothing. The HEARST empire omitted communiques one and two concerning the Foster operations from court documents that were to be published. Also, the meaning of the seven headed cobra on the reverse side of the document showing the emblem of the SLA was purposely omitted. 2. The Court of the People requested that $70 worth of top quality food including an equal balance of dry stuffs

can goods and fresh meats, poultry, produce, and dairy products be given to the poor families in various Bay Area communities as a gesture of good faith so that negotiations for PATRICIA HEARST might begin. The HEARSTs and the HEARST empire contributed two million dollars to People in Need, a program set up by HEARST in reaction to the requests of the SLA. Instead, of issuing the type and quality stipulated, PIN showed contempt for the people through disorganization and distribution of surplus commodities instead of top quality fresh meats, vegetables and produce. PIN also attempted to sham the people by trying to distribute hog feed instead of top quality dry stuff. The people had to stand in long lines for hours only to be treated as dogs when the PIN food was thrown at them. Many people were injured by police in East Oakland. 3. The SLA showed severe displeasure with the meager HEARST contribution and with the HEARST PIN Program. The SLA reissued its guidelines for an adequate and equitable food distribution and requested that the HEARST empire add an additional four million dollars to the measley two million dollars. In a communique the SLA proved the HEARST trickery by stating just how rich and powerful the HEARSTs and the HEARST empire really are.
