I love you daddy, and want to see you. No one knows that I am writing this letter. I am very nervous at this time. They have been mistreating me. William, Emily, Kalota and Birchcomb are making plans to blow up Hill of Justice. I can't tell you where we are hiding out. But I can tell you that they are willing to give up and ready to die. I am wearing a black wig and lots of make up. So if the police recognize me please have them to arrest me. I am so nervous that I am crying. I am not ready to die.

HARRIS, AND HE WAS A TENANT AT THE AFOREMENTIONED ADDRESS.

WILLIAM KINDER: THE OAKLAND POLICE DEPARTMENT HAS REPORTED THAT INVESTIGATION HAS REVEALED THAT HARRIS, USING THE NAME OF WILLIAM KINDER, RENTED AN APARTMENT IN DECEMBER, 1973, AT 627 15TH STREET, OAKLAND. EXAMINATION OF THIS APARTMENT IN FEBRUARY, 1974, UNCOVERED URBAN GUERRILLA WARFARE AND DEMOLITION TECHNIQUE MANUALS.

JONATHAN MARIS: THE OWNER OF PROPERTY AT 859 47TH STREET HAS IDENTIFIED A DRIVER'S LICENSE PHOTOGRAPH OF RICHARD FRANK DENNIS AS BEING IDENTICAL TO A JONATHAN MARIS, A TENANT AT THAT ADDRESS. THE OWNER FURNISHED A RENTAL AGREEMENT IN WHICH MARIS LISTED THE U.S. MARINE CORPS (USMC) AS A FORMER EMPLOYER AND A DR. MICHAEL HERBERT AS A REFERENCE. HARRIS IS KNOWN TO HAVE LISTED FORMER EMPLOYMENT AS THE USMC AND HAS GIVEN MICHAEL HERBERT AS A PERSONAL REFERENCE.

JONATHAN MARK SALOMONE: AN EXAMINATION OF DRIVER'S LICENSE FOR A JONATHAN MARK SALOMONE INDICATES THAT THE PHOTOGRAPH CLOSELY RESEMBLES WILLIAM TAYLOR HARRIS. THIS DRIVER'S LICENSE

Specimens received 7/26/74 under cover of letter dated 7/23/74 (PC-L0661 PR): ITEMS RECOVERED AT APARTMENT #6, 1827 GOLDEN GATE AVENUE:

- Q1620 Cartridge (Your B-1-N) (Item 1)
- Q1621-Q1640 Twenty shotshell casings (Your F-5-E) (Item 2)
- Q1641-Q1642 Two shotshell casings (Your F-5-F) (Item 3)
- Q1643-Q1645 Three cartridge cases (Your F-5-J) (Item 4)

Result of examination:

The results of the requested latent fingerprint examinations are being reported separately.

The ammunition boxes and pieces of ammunition boxes present in specimens Q1602, Q1603, Q1611 and the "Also Submitted" items were reassembled. It was determined that the following ammunition boxes were represented by these specimens:

Seven Remington "Express" 12-gauge shotshell boxes which each contained twenty-five 2 3/4 inch plastic shotshells loaded with No. 1 Buck.

One Omark, Cascade Cartridge Incorporated "Blazer" cartridge box which contained five hundred .22 Long Rifle caliber cartridges.

One Winchester cartridge box which contained fifty .30 Carbine caliber cartridges loaded with 110-grain, hollow soft-pointed bullets.

One military cartridge box bearing printing, "LC Lot 12205," which contained fifty .30 Carbine caliber cartridges loaded with copper-jacketed bullets manufactured at the Lake City Ordnance Plant, Independence, Missouri.

One Smith and Wesson cartridge box which contained fifty .38 Special caliber cartridges.

Specimen Q1614 is an unfired .22 Long Rifle caliber copper-coated, hollow-pointed lead bullet. Toolmarks present on the nose of this bullet suggest that it was pulled out of its cartridge case by a serrated-jawed tool, such as a pair of pliers. Specimen Q1614 bears only extremely limited marks of value for identification purposes should a suspect tool be recovered.

Specimen Q1613 appears to be a brass ornament. Its light weight, brass composition and odd diameter would render it an undesirable substitute for a bullet.

Present in specimen Q1602 are three .30 Carbine caliber stripper clips which are used to facilitate the loading of .30 Carbine caliber magazines. The "Also Submitted" rubber magazine cover is used to cover and protect the open end of such a magazine.

Specimen Q1620 is a .30 Carbine caliber cartridge which was identified as having been loaded into and extracted from the same weapon as the Q15 through Q18 cartridge cases recovered at the abduction scene, the Q201 through Q204 cartridges recovered inside the Hibernia Bank, the Q213 and Q214 cartridge cases recovered outside the Hibernia Bank and the Q216A cartridge recovered in the 1973 Ford LTD. The "PC 42" headstamp indicates the cartridge case was originally manufactured for military use by Peters Cartridge Company, Kings Mill, Ohio.

Specimens Q1643 through Q1645 are .30 Carbine caliber cartridge cases. The primers of these cartridge cases have not been fired and therefore bear no firing pin impressions. Toolmarks present on the sides of the Q1643 through Q1645 cartridge cases were identified as having been produced by the same tool as marks present on the Q1041 through Q1043 and Q1045 cartridge cases found in the hallway closet at 1827 Golden Gate Avenue. The marks present on these specimens are located on their sides and appear to have been produced by a serrated-jawed tool, such as a pair of pliers. These marks were possibly placed on these specimens when the bullets were being unseated and removed from the cartridge cases. These specimens bear marks of possible value for identification purposes should a suspect tool be recovered.

Marks present on the primer of the Q1643 cartridge case were identified as having been produced by the same source as marks present on the primers of the Q197 and Q199 cartridge cases and Q206 cartridge recovered inside the Hibernia Bank, the Q1045 cartridge case found in the hallway closet at 1827 Golden Gate Avenue and the Q1572 through Q1584 cartridges recovered at 833 West 84th Street, Los Angeles, California. These marks appear to have been produced by a reloading tool, such as a primer seating tool.

Specimens Q1621 through Q1640 are 12-gauge unfired shotshell casings which have been opened and had their shot removed. Printing on these specimens indicates they were originally loaded with 00 Buck. Although the Q1621 through Q1640 shotshells are all of Winchester-Western manufacture, four different types of shotshell are represented which indicates these shotshells originated from at least four different shotshell boxes.

Specimens Q1641 and Q1642 are 12-gauge Remington-Peters "Express" unfired shotshell casings which have also been opened and had their shot removed. Printing on these specimens indicates they were originally loaded with No. 1 Buck. These specimens could have originated from any of the seven Remington "Express" 12-gauge shotshell boxes represented by specimens Q1602, Q1603, Q1611 and the "Also Submitted" items.

Specimens Q1621 through Q1642 bear no marks of value for identification with a weapon.

All of the above-listed specimens are being retained in the Laboratory for future comparisons.

TO: DIRECTOR, FBI (7-15200)
(ATTN: FBI LABORATORY AND
IDENTIFICATION DIVISION, LC #A84715)

FROM: SAC, SAN FRANCISCO (7-855) (P)

SUBJECT: HEARNAP

Enclosures, numbering 53, which are being forwarded under a separate cover, are listed on the attached six pages, numbered 1 through 58, with five of the numbers bearing the notation, omitted.

The items being enclosed were removed in connection with the search on 5/2/74 of Apartment 6 at 1827 Golden Gate Avenue, San Francisco, California, which has been identified as an SLA safe house which the group occupied during March and April, 1974.

Examination being requested is in connection with developing further evidence as to identity of individuals involved in the robbery of the Hibernia Bank, 22nd and Noriega Offite, San Francisco, California, on 4/15/74, and also to establish the extent of the membership of the SLA using the Golden Gate Avenue safe house and also as to the extent that any prisoners they might have been holding, such as PATRICIA HEARST, might have had access to documents and papers or were involved in the activities of the group.

For the sake of brevity in connection with examinations being requested, reference is only being made to the numbers which appear in connection with each item. Appreciating the administrative difficulty, it would be of considerable assistance to San Francisco and the USA's Office in connection with any future prosecution, in conjunction with the designations assigned by the Identification Division and the FBI Laboratory, if the item number listed by San Francisco could also be included in the reports.

EXAMINATION DESIRED

(1) It is requested that Items 1, 2, 3, 6, 7, 8, 13, 15, 16, 18, 19, 20, 22, 26, 27 (inside of gloves), 29, 30, 31, 32, 33, 34, 39, 40, 41, 42, 43, 47, 49, 50, 51, 56, be examined and compare any latents that might be developed with latents for individuals previously identified as known or suspected SLA members. It is appreciated that this request could involve voluminous activity and therefore, at the present time, only comparison need be made of high quality latents that might be developed.

(2) In connection with Items 4, 10, 14, 28, 38, 46, 48, 52, 53, 54, 55, photograph, compare handwriting and hand printing with that on file for known members of the SLA and afford these documents examination for latent fingerprints comparing latents as requested under Item 1.

(3) In connection with the following items, which are cut-up pieces of paper, attempt to assemble, photograph, examine for latent fingerprints and where logical, compare handwriting and hand printing along lines of request in Item 1 and 2 above: Compare typing, Item 11, with typing on letters from SLA.

11, 12, 17, 23, 24, 25, 44, 21

(4) It is requested that the outer pages for Item 45 be examined for latent fingerprints and that these pages also be checked for indented writing.

SF 7-855
TJP:sac

(5) It is requested that Item 57 be afforded an examination in order to determine what type of ingredients is involved, it being noted that these scrapings were taken from a bathroom mirror at the 1827 Golden Gate safe house and that that made up the letters "SLA" and appeared to be of some liquid make-up ingredient.

(6) It is requested that Item 58 be given a ballistics examination and if it is determined that this round was ever actually fired, that it be compared with latents maintained in the National Unidentified Ammunition file along with any spent rounds of a similar caliber which are maintained in connection with the Hearnap case or the SLA or related organizations.

All the enclosed items should be treated as evidence, and it is requested that after the examination is complete, these items all be returned to San Francisco along with the results of the examination.

ARMED AND DANGEROUS.

RE: EVIDENCE AT SLA SAFEHOUSE AT 1827 GOLDEN GATE AVENUE, SAN FRANCISCO, CALIFORNIA.

Enclosures, numbering four (4), which are being forwarded under a separate cover, are as follows:

- (1) B-1-N One live .30 caliber cartridge;
- (2) F-5-E 20 "Western Super OOB" 12 gauge shotgun shells with the buckshot removed. The letters "W-W" appear near rim on brass portion of casing;
- (3) F-5-F Two green Remington Peters 12 gauge shotgun shells, "1 Buck";
- (4) F-5-J ^{Three} Two .30 caliber carbine or rifle empty shell casings of various manufacturers.

The items being enclosed were removed in connection with the search on 5/2/74 of Apt. 6 at 1827 Golden Gate Avenue, San Francisco, which has been identified as an SLA safehouse, which group occupied during March and April, 1974.

① - package (RM) (-4 enclos)

JP:smg

Examination being requested on afore-described items is in connection with developing further evidence as to identifying individuals involved in the robbery of the Hibernia Bank, 22nd and Noriega Office, San Francisco, California on 4/15/74. San Francisco also desires to establish extent of membership of the SLA using the Golden Gate Avenue safehouse.

EXAMINATION DESIRED

(1) Will examine all four items, where practical, for fingerprints;

(2) It is requested that item B-1-W be examined for any tool markings which might identify the round with weapons previously known to be in control of the SLA, which weapons might have been used at the time of the PATRICIA HEARST kidnaping or in connection with the robbery of the Hibernia Bank, San Francisco.

(3) Examine item F-5-E for specifics as to what extent they have been disarmed and identify the contents which have been removed from each of the shells. Afford this same examination to item F-5-J and also for these latter two items, along with F-5-F, an examination for tool marks which indicate that they have previously been in weapons known to be in control of SLA members or which might be picked up during the continuing investigation of the SLA.

If feasible, the FBI Lab and Identification Division are requested to include the San Francisco item identification number in their report, along with the FBI Identification or Lab Number in order to facilitate the locating of the various items of evidence in the San Francisco and U.S. Attorney's Office.

All the enclosed items should be treated as evidence and after the examination is completed, they should be returned to San Francisco along with the results of examination.

ARMED AND DANGEROUS.

SAN QUENTIN PRISON OFFICIALS ADVISED TODAY THAT BARRON BROADNAX HAD A PAROLE HEARING LAST WEEK, AT WHICH HEARING HIS PAROLE WAS DENIED FOR ONE MORE YEAR. WE STILL ANTICIPATE INTERVIEWING BROADNAX IN THE NEAR FUTURE.

IT SHOULD BE NOTED THAT THIS IS THE SECOND PAROLE HEARING AFFORDED BROADNAX THIS YEAR, WHICH, ACCORDING TO SOURCES AT SAN QUENTIN, IS UNUSUAL AND THE POSSIBILITY EXISTS THAT SOME OTHER LAW ENFORCEMENT AGENCY IS ATTEMPTING TO SECURE BROADNAX'S RELEASE.

THIS MATTER BEING EXPLORED AND CONTEMPLATED INTERVIEW OF BROADNAX WILL BE COORDINATED WITH THE LOS ANGELES OFFICE.

RE: INFORMATION FROM [REDACTED]

RECEIVED TO BUREAU SEPTEMBER 12, 1974.

SAN FRANCISCO HAS NO INFORMATION REGARDING THE TYPE OF TRANSPORTATION THE FUGITIVES MAY BE UTILIZING. WE ALSO HAVE NO INFORMATION INDICATING THAT THE FUGITIVES ARE INVOLVED IN NARCOTICS. WE HAVE HAD A NUMBER OF "SIGHTINGS" IN CENTRAL AMERICA AND IN MEXICO BUT TO DATE NONE HAVE BEEN VERIFIED. INVESTIGATION REFLECTS THAT THE FEMALE MEMBERS OF THE SLA HAVE IN THE PAST USED VIBS. WE HAVE NO INFORMATION THAT THE FUGITIVES AT THIS TIME ARE TRAVELLING WITH A BLACK INDIVIDUAL ALTHOUGH IT IS CERTAINLY POSSIBLE SINCE BOTH EMILY AND WILLIAM HARRIS WERE INVOLVED IN THE PRISON REFORM WITH BLACK PEOPLE.

BOTH AQ AND EP SHOULD CONDUCT INVESTIGATION AS SET FORTH IN AQ TEL TO DIRECTOR, AND IN ADDITION LAV ENFORCEMENT

[REDACTED] WENT INTO RESTROOM AT THE SERVICE STATION AND STATED BOTH MEN'S AND WOMEN'S RESTROOMS WERE THE CLEANEST HE HAD SEEN IN MEXICO. HE SUSPECTED WOMAN MAY HAVE BEEN ATTEMPTING TO GET INTO HIS MOTOR HOME AND THEN FORCIBLY TRYING TO TAKE IT.

BOTH [REDACTED] AND HIS WIFE [REDACTED] VIEWED PHOTOGRAPH OF PATRICIA HEARST AND BOTH FEEL SHE WAS THE PERSON THEY SAW AT SERVICE STATION IN TENANGO DE ARISA ON SEPTEMBER 5, 1974.

[REDACTED] AND HIS WIFE DID NOT GET A GOOD ENOUGH LOOK AT THE MALE OCCUPYING THE AUTOMOBILE TO SEE IF HE COULD POSSIBLY HAVE BEEN HARRIS. [REDACTED] INDICATED THAT TENANGO DE ARISA IS ON HIGHWAY 55 SOUTH OF TOLUCA, MEXICO, NEAR MEXICO CITY. [REDACTED] STATED THE SERVICE STATION IS EASILY IDENTIFIED BECAUSE THE TOWN IS VERY SMALL AND THE SERVICE STATION IS THE ONLY NEW ONE IN TOWN.

[REDACTED] AND WIFE DESCRIBED HER AS BEING 5'4", SLIM BUILD, SHOULDER LENGTH DARK STRAIGHT HAIR, WEARING A WHITE BLOUSE AND BLUE SKIRT. BOTH THOUGHT SHE WAS NEATLY DRESSED.

RE: CIRCULARIZATION:

WE HAVE DEVELOPED A NUMBER OF OUTLETS THAT APPEAR APPROPRIATE FOR CIRCULARIZATION, HOWEVER, WE ARE HOLDING ANY RECOMMENDATION FOR THIS TYPE OF TECHNIQUE IN ABEYANCE UNTIL THE NEW WANTED FLYER AND/OR CIRCULAR HAS BEEN PREPARED.

RE: POSSIBLE FALSE PASSPORTS EMILY HARRIS, WILLIAM HARRIS, AND PATRICIA HEARST:

THIS PHASE OF OUR INVESTIGATION IS PROGRESSING IN A SATISFACTORY MANNER. WE HAVE ENCOUNTERED NO DIFFICULTIES AND ON A DAILY BASIS, ARE SUBMITTING BY AIRTEL TO WFO XEROX COPIES OF INDEX CARDS FROM PASSPORT OFFICE OF INDIVIDUALS FALLING WITHIN THE PRESCRIBED AGE CRITERIA.

RE: CHECK OF BUREAU OF VITAL STATISTICS:

INASMUCH AS IN THE PAST MEMBERS OF THE SLA HAVE UTILIZED FALSE BIRTH CERTIFICATES, WE HAVE CONTACTED THE BUREAU OF VITAL STATISTICS IN SAN FRANCISCO, WHICH COVERS SAN FRANCISCO COUNTY, AND IT APPEARS THAT BASED ON A PRELIMINARY SURVEY, TO CONDUCT THIS INVESTIGATION WOULD ENTAIL APPROXIMATELY FOUR THOUSAND LEADS. WE ARE HOLDING THIS MATTER IN ABEYANCE AT THIS TIME AND WILL RE-EVALUATE IT AT A LATER DATE.

RE: WEAPONS LOCATED AT 1466 EAST 54TH STREET, LOS ANGELES:

LOCATED AT THIS ADDRESS WAS A BROWNING HY-POWER AUTOMATIC WHICH WAS TRACED TO A STORE IN STOCKTON, CALIFORNIA AND INVESTIGATION REFLECTS THAT ONE EDDIE SPARKMAN OF LEXINGTON, KENTUCKY PURCHASED THIS GUN FROM THE STORE IN STOCKTON. SPARKMAN INITIALLY DENIED PURCHASING THE GUN AND THEN LATER, WHEN TALKING WITH FBI AGENTS, ATF

RE: SLA USE OF CYANIDE BULLETS

Reurairtel dated 8/22/74.

The use of potassium cyanide-tipped bullets has not come to the attention of the FBI Laboratory prior to their use by the Symbionese Liberation Army. Contact of Laboratory personnel and sources, as well as, a review of military, commercial and urban guerrilla warfare publications located only one reference to a possible use of poison-tipped bullets.

In the case entitled [REDACTED]

[REDACTED] aka, Et Al; Bank Robbery - Conspiracy, Bond Default, Bufile [REDACTED] Bureau Agents searched the subjects' residence [REDACTED] and discovered a large cache of weapons, ammunition and destructive devices. Both [REDACTED] and [REDACTED] were members of the Minutemen. Among the material seized was a briefcase which contained a .22 caliber pistol, a silencer, two boxes of .22 caliber hollow-point ammunition and a jar of the highly poisonous substance, strychnine sulfate.

Although information had been received that the strychnine sulfate had been acquired for the purpose of poisoning projectiles, it was never positively established that these individuals had dipped bullets into or filled them with any poisonous substance.

At recent conference of San Francisco - East Bay law enforcement agencies involved with captioned matter, Alameda County District Attorney's Office advised it would be most helpful to their trial handling of cases on JOSEPH REMIRO and RUSSELL LITTLE, if it could be determined from Bureau whether previous use of cyanide in bullets has come to the attention of the FBI Lab. Alameda County District Attorney hopes to point out such technique is unique to SLA.

The FBI Lab is requested to advise whether cyanide in bullets has come to previous attention.

Specimens received

9/9/74

- Q1 White envelope bearing typewritten address "Mr. Steven Bechtel, President Dechtel Corporation 50 Beale st. San Francisco, California"
- Q2 White envelope bearing typewritten message beginning "This is a personal letter..." and ending "...Thank you."
- Q3 Piece of white paper bearing typewritten message beginning "The Weathermen and others who..." and ending "... Mrs. Bechtel too."

Result of examination:

It was determined that Q1 through Q3 were prepared on a typewriter equipped with a Smith Corona pica style of type, spaced 10 letters to the horizontal inch.

The questioned typewriting in this matter was compared with the typewriting on specimens previously submitted in the cases captioned "AUGUST 7 GUERRILLA MOVEMENT," "SLA" and "HEARNAP."

It was determined that the typewriting in this matter was not prepared on a typewriter used to prepare any of the specimens in the "AUGUST 7 GUERRILLA MOVEMENT" or "SLA" matter.

While the typewriting on Q1 through Q3 is of the same size and style as the typewriting on Q1863, submitted in the "HEARNAP" case, differences were noted which indicate that a different typewriter was probably used for their preparation.

Page 1

BLM:asc

Those differences are limited and are not sufficient to permit a definite conclusion.

No indented writings, watermarks, or other characteristics of significance were noted in the examination of Q1 through Q3 which would aid in determining their immediate source.

by the SLA who occupied apartment number six at the address as a safe house during March and April, 1974.

The BB type pellets were recovered from 1808 Oakdale Street, San Francisco and it is not known whether they would have come to be there as a result of the SLA practicing with an air rifle or a similar weapon or whether they were the results of the SLA removing pellets from shot gun rounds so that the powder might have been used for some other purpose.

EXAMINATION DESIRED

It is requested that the enclosed ammunition and its containers be examined for latent fingerprints and that if any fingerprints are developed they be compared with those of members of the SLA, which individuals are known to the Identification Division from previous examinations requested.

The FBI Laboratory is requested to examine the enclosed live ammunition for any tool markings which might indicate that the ammunition has been in weapons recovered following the SLA shoot out in Los Angeles, California or from items of evidence recovered at crime scenes where SLA was involved.

It is requested that the enclosed "BBs" be examined and if possible an observation be given as to whether they are the type used in air rifles or if they could have been removed from a load of a shot gun round.

The enclosed items should be treated as evidence and after the examination is complete they should be returned to San Francisco along with the results of the examination.

RE: HEARNAP

NOTE: Reairtel provided a list of all employees of Good Year facility located on East Gage Street, Los Angeles, California. Previously local LA kidnap victim, Frank Sutter, had overheard SLA fugitives discussing their inability to locate East Gage Street. The significance of saying unknown. Extensive neighborhoods by the LAO have not ascertained any connection between East Gage Street residents and suspects. Enclosed computer print-out lists represents continuing effort to identify contacts of suspects. Above advises computerized search not feasible at FBIHQ and instructs LAO to conduct manual search. This matter coordinated with SA [REDACTED] Computer Systems Division 9/16/74.

HEARNAP. OO: SAN FRANCISCO.

SAC, SAN DIEGO, ADVISED BY TELETYPE 9/13/74.

ADVISED HE AND WIFE RETURNED TODAY FROM VACATION IN MEXICO, AND CLAIM TO HAVE SIGHTED PATRICIA HEARST IN MEXICO.

INDICATED ON SEPTEMBER 5, 1974, HE STOPPED AT NEW SERVICE STATION IN TOWN OF TENANGO DE ARISA TO GET HIS MOTOR HOME LUBRICATED. A WOMAN APPROACHED MOTOR HOME AND ASKED HIS WIFE IF SHE COULD USE THE RESTROOM IN THE MOTOR HOME BECAUSE RESTROOM IN THE SERVICE STATION WAS FILTHY. REFUSED HER ENTRY AND SHE WALKED AWAY AND GOT INTO A BLACK FOUR-DOOR SEDAN, MAYBE A SIX YEAR OLD CHEVROLET OR DODGE. UNABLE TO FURNISH FURTHER DESCRIPTION OF CAR. CAR HAD NO LICENSE PLATES.

RECALLED THERE WAS A WHITE MALE IN THE AUTOMOBILE WHOM HE DESCRIBED AS BEING 5'8-9", HEAVY-SET, 200 POUNDS, NO FACIAL HAIR, AND DARK COMPLETED OR MAYBE A DARK SUNTAN.

PAGE TWO

ED 7-496

[REDACTED] WENT INTO RESTROOM AT THE SERVICE STATION AND STATED BOTH MEN'S AND WOMEN'S RESTROOMS WERE THE CLEANEST HE HAD SEEN IN MEXICO. HE SUSPECTED WOMAN MAY HAVE BEEN ATTEMPTING TO GET INTO HIS MOTOR HOME AND THEN FORCIBLY TRYING TO TAKE IT.

BOTH [REDACTED] AND HIS WIFE [REDACTED] VIEWED PHOTOGRAPH OF PATRICIA HEARST AND BOTH FEEL SHE WAS THE PERSON THEY SAW AT SERVICE STATION IN TENANGO DE ARISA ON SEPTEMBER 5, 1974.

[REDACTED] AND HIS WIFE DID NOT GET A GOOD ENOUGH LOOK AT THE MALE OCCUPYING THE AUTOMOBILE TO SEE IF HE COULD POSSIBLY HAVE BEEN HARRIS. [REDACTED] INDICATED THAT TENANGO DE ARISA IS ON HIGHWAY 55 SOUTH OF TOLUCA, MEXICO, NEAR MEXICO CITY. [REDACTED] STATED THE SERVICE STATION IS EASILY IDENTIFIED BECAUSE THE TOWN IS VERY SMALL AND THE SERVICE STATION IS THE ONLY NEW ONE IN TOWN.

[REDACTED] AND WIFE DESCRIBED HER AS BEING 5'4", SLIM BUILD, SHOULDER LENGTH DARK STRAIGHT HAIR, WEARING A WHITE BLOUSE AND BLUE SKIRT. BOTH THOUGHT SHE WAS NEATLY DRESSED.

A definite conclusion was not reached whether the
questioned writing on Q1526 was prepared by any of the writers of
the unidentified questioned writing, known writing, or purported
known writing on items previously submitted in this case and in
case captioned "SYMBIONESE LIBERATION ARMY (SLA) EM," due to the
presence of unexplained variations and the lack of sufficiently
comparable writing. However, nothing of particular significance
was observed in comparing the questioned writing on Q1526 with
comparable unidentified questioned writing on items submitted
in these cases. No items containing writing have been submitted
in case captioned "UNSUB, aka 'Calaban;' The Upjohn Company,

Note and Envelope Received by 7-11 Food
Store, East Lansing, Michigan

On June 10, 1974, [REDACTED] advised that she was employed as a clerk at the 7-11 Food Store, [REDACTED] East Lansing, Michigan. On June 9, 1974, at approximately 7:00 PM, a young woman purchased some items amounting to approximately \$1.50 and was twenty-two cents short. She loaned this woman twenty-five cents. The woman remarked that she resided a few doors away, pointing west and would bring the quarter later in the day or the next day. [REDACTED] described the woman as being approximately 19 years of age and the same height and build as she is. She stated that she is 5 feet 3 inches and weighs 111 pounds. She said that the woman had shoulder-length brown hair and dark eyes.

At approximately 1:00 PM, June 10, 1974, [REDACTED] Lansing, Michigan, was on duty when a young lady appeared at the store and asked her in a very quiet voice to give an envelope to the girl who works nights. [REDACTED] did not look at the envelope immediately as the store was quite busy. Later in the afternoon she had an opportunity to look at the envelope, which was sealed, and noticed the following writing which was penciled on the envelope:

"To: the Night Girl at 7-11
From P.H. S..L.A."

She opened the envelope and it contained the following note:

"To the Night Girl,

Thank-you very much for the loan of 25¢. I couldn't get out tonight, so I gave it to the morning person. (or who ever works at about 1:00)

You did me a nice favor and I hope to repay it some time. So if you ever need a loan get in touch with

Result of examination:

Specimen Q1544 was not associated with material maintained in the Anonymous Letter File. Copies have been added thereto.

A definite conclusion was not reached whether the questioned writing on Q1544 was prepared by any of the writers of the unidentified questioned writing, known writing, or purported known writing on items submitted in this case or in case captioned "SYMBIONESE LIBERATION ARMY (SLA) EM" due to the presence of unexplained variations and the lack of sufficiently comparable writing. However, nothing of particular significance was observed in comparing the questioned writing on Q1544 with comparable writing on items previously submitted in these cases.

Specimen Q1544 bears partially legible indented writing which reads as follows:

553 - - - - -

560 -5733

A photograph of the indented writing on Q1544 is enclosed for Minneapolis and San Francisco. Specimen Q1544 is being returned separately. Appropriate photographs were made.

GEORGE FISHER, Editor in Charge, KNX Radio News, CBS, 6121 Sunset Boulevard, provided the following letter and envelope which was received via internal inter-departmental mail. The envelope bears the notation "News Room." It appears the envelope did not go through the U.S. Mail since there are no stamps or postmarks on it. FISHER advised that it appeared some unknown party slid the envelope under a locked door at the front of their building and then the letter was found by a security guard at approximately 11:00 PM, on May 31, 1974:

Q1547 Envelope bearing the notation "NEWS ER"

Q1548 Sheet of paper bearing the typewritten message beginning "SUBJECT: SHOOTDOWN OF POLICE HELICOPTER THIS IS TO CLAIM..."

Result of examination:

Q1547 and Q1548 were not associated with material maintained in the Anonymous Letter File. Copies have been added thereto.

The typewriting on Q1548 is too limited and too indistinct to classify. However, this typewriting most closely resembles Laboratory standards for Ransmeyer and Setag styles of type spaced 250mm per 100 characters. These styles of type are used on typewriters manufactured under brands names including: Calanda, Hermes, Japy, Princess, and Montana. Q41 through Q44, previously submitted in this case, were found to correspond to these styles of type; however, due to the lack of sufficient individual identifying characteristics, the limited nature of the typewriting and the indistinct nature of the submitted photocopy, a definite conclusion was not reached whether these items were prepared by the same typewriter. No typewriting on items submitted in the case captioned "Symbionese Liberation Army (SLA) EM" was found to correspond to these styles of type.

The Q1548 photocopy is similar to Laboratory standards for photocopies made from an Olivetti Corporation copier which uses coated paper.

Q1549 - Q1551

Letter and Envelope Received by "Allentown
Call-Chronicle" Allentown, Pa., June 12, 1974

Mr. GORDON FISTER, Editor, "Allentown Call-Chronicle", Allentown, Pennsylvania, furnished the following described letter and envelope which had been received in the mail on the morning of June 12, 1974. The letter had been given to him by the secretary to Mr. EDWARD MILLER, Executive Editor:

"This is an open letter to the people of your area, written when I recently traveled thru your town, and delivered by one of our people living near you:

"The assumption by people thruout the country - your people are typical - that I could have 'changed' so quickly into Tania is pure b---s---. It denies upper middle class children of affluence do not already have all they need to make the change: emotional nothingness, boredom, no real way of being needed or changing the situation for oppressed people. More specifically, that assumption denies I could have loved Cujo as I did. It's as if the locals still believe purpose is taught in Sunday School, and not in the streets and that love is learned in a Julie Andrews' flick, and not in a situation of where one's belief was tested.

"What underlies these assumptions is like a poison ivy leaf - there is a shiny and dull side. Both infect. The itch can spread. Some get a worse case than others.

"One radical change can occur as quickly as it has appeared to have done, as it has appeared to have done, as quickly as the L.A. flames that gave lives meaning. Two. That change occurred before the 'kidnap' on Feb. 4th.

"I knew Cujo months before; how long, I won't say now. From my father's viewpoint, I guess I did have 'bad taste'. But then Hearst never knew gentle Cujo, just as he never knew me. Just as S.W. (I can't remember) never did... It was so pitiful, those last months, watching him know me less.....

"Kidnap. Who is the kidnapper? Who is kidnapped? When capitalism takes us for a ransom (a college degree, all the middle class rituals) are we not murdered in return by the money-getting death-in-life that breeds oppression.

"How is the ransom to be paid? By whom? The late-night TV show terms are turned around now: The pigs donate bullets like money thinking they 'paid' their part; the parents are relieved their daughter is 'now a criminal', as they suspected...and the locals, like you who lived near Cujo.. you heave a sigh....

SF 7-855

"But why? Cujo lives and all the Tanias are
shouldering in your daughters' hearts. And so long as you
ignore the good doctor's pleas, that living fire burns higher.

Result of examination:

The conclusion was reached that the questioned writing on Q1557 and the majority of the questioned writing on Q1558 was prepared by CAROL HALL, purported writer of K23, K26, K27 and K33 through K35. Also, significant similarities were observed in comparing the word "Industrialists" on Q1563 with the purported writing of HALL which indicates this word was also probably prepared by HALL.

Handwriting similarities were observed in comparing portions of the questioned writing on Q1560, Q1561, Q1562 and the questioned writing on Q1563 except the word "Industrialists" with purported writing of NANCY LING PERRY, Kc4, K10, K13, K22 and K17 which indicates this questioned writing may have been prepared by PERRY; although due to the lack of sufficiently comparable writing and the presence of unexplained variations, a definite conclusion was not reached.

A definite conclusion was not reached whether the remaining questioned writing on items submitted was prepared by any of the writers of the known or purported known writing on items previously submitted in this case and in case captioned "SYMBIONESE LIBERATION ARMY (SLA) EM", due to the lack of sufficiently comparable writing and the presence of unexplained variations.

The typewriting on Q1559 is the same style and bears characteristics in common with samples from the Q1054 typewriter, which indicates the Q1054 typewriter may have been used to prepare the questioned typewriting on Q1559; although, due to the lack of a sufficient number of individual identifying characteristics, a definite conclusion was not reached.

Q1557 and Q1559 contain indented typewriting. Photographs of this indented typewriting are being enclosed for Los Angeles and San Francisco.

The submitted evidence, which has been photographed, is being returned separately.

ALI SHAREEL BAZ (NOEL GARNETT WEBSTER), 1709 Waller Street, San Francisco, California, no telephone, turned over to Special Agent [redacted] a postcard (6-1/2 inches by 3-1/2 inches), orange in color, with handprinting and handwriting on both sides. The card, the postmark of which was not legible, was addressed to "SAM the Man", 1711 Waller Street, San Francisco, California. The card reads as follows, which was received June 8, 1974:

BAZ advised that he was sure the above communication
was meant for him in that he is the only person to have re-
sided in the premises at 1709 - 1711 Waller Street during the
past year. He noted that the premises had been unoccupied up
until approximately the last month when he moved in.

When questioned as to the communication being ad-
dressed to "SAM the man", BAZ explained that this was termi-
nology frequently used in the black community. BAZ had no
idea as to who might have directed the card to him and he
denied that RETIMAH X, RONALD TATE, or JAMELLEA MUNTAZ knew
his present address so that any of these persons could have
been involved in the directing of the communication to him.
BAZ felt that there was an inferred threat in the communication
which possibly related to his having furnished information to
the police and the FBI concerning the Symbionese Liberation
Army (SLA).

SF 7-855
TJP:mjl

BAZ insisted that he had no idea who might have sent him the communication, nor did he associate the handwriting or handprinting on the card with anyone with whom he is acquainted. BAZ stated that he was extremely concerned for his own safety and believed that the next communication he might receive could be a letter bomb.

BAZ stated he will contact the FBI should he receive any further correspondence or should he receive any information as to the identity of the sender of the above-described communication.

beginning "hi Sam, still aint got by ..."

Result of examination:

Q1566 was not associated with material maintained
in the Anonymous Letter File. Copies have been added thereto.

A definite conclusion was not reached whether the
questioned writing on Q1566 was prepared by EMILY HARRIS,
purported writer of K5, K6, K8, K9, K20 and K37, WILLIAM HARRIS,
purported writer of K45 or PATRICIA CAMPBELL BEARST, K32,
due to the presence of unexplained variations and the lack
of sufficiently comparable writing. However, some handwriting
differences were observed in this comparison which indicates
that the questioned writing on Q1566 may not have been prepared
by any of these persons.

The somewhat irregular size of Q1566 indicates that
it may have been cut from a larger piece of paper.

Q1566 contains no watermarks, indented writing of
significance or other characteristics to definitely determine
its source. An eight cent U.S. Postal Service stamp, torn from
a coil of stamps, is affixed to Q1566.

Q1566, which has been photographed, is being returned
separately.

Anonymous Letter Postmarked 7/1/74,
Maryland 207 Received at FBIHQ

An anonymous letter postmarked July 1, 1974, Maryland 207, was received at FBIHQ. The contents of this letter are as follows:

"A girl resembling Patricia Hearst was seen moving into a house on Calvert Street, N. W., on the left side of the street (heading towards Stoddart Elementary School from Wisconsin Avenue) a few doors before the corner of 39th Street and Calvert. This was on Thursday, June 27th.

"Also moving in (or helping) were two men, described to me as way-out looking.

"The girl's hair was bleached blond and cut short with dark roots growing out.

"In the truck which they used to move, were a few odd pieces of furniture and many many stacks of small boxes, far too small for dishes.

"The person who told this to me is afraid to be involved; and I am too.

"However, I did feel that it should be reported."

Result of examination:

The conclusion was reached that the questioned writing on Q1590 and the majority of the questioned writing on Q1609 and Q1610 were prepared by PATRICIA MICHELLE SOLTYSIK, purported writer of K7, K28, and Kc30. Also, writing similarities were observed in comparing portions of the questioned writing on Q1593, Q1596, and Q1605 with available purported writing of SOLTYSIK, which indicates she may have prepared this questioned writing; although, due to the limited amount of questioned writing and the presence of unexplained variations, a definite conclusion was not reached in this regard.

The conclusion was reached that the majority of the questioned writing on the Q1599 items and the majority of the writing on Q1604 were prepared by CAMILLA HALL, purported writer of K23, K26, K27, and K33 through K36.

The conclusion was reached that the majority of the questioned writing on Q1595 and Q1607 was prepared by NANCY LING PERRY, purported writer of Kc4, K10, K13, K22, and K31. Also, similarities were observed in comparing portions of the questioned writing on Q1594 and Q1600 with available purported writing of PERRY, which indicates she may have prepared this questioned writing; although, due to the limited amount of questioned writing and the presence of unexplained characteristics, a definite conclusion was not reached.

Page 3

D-746725054 PF

(over)

A definite conclusion was not reached whether the remaining questioned writing on items submitted was prepared by any of the writers of known or purported known writing in this case and in the case captioned "SYMBIONESE LIBERATION ARMY (SLA); EXTREMIST MATTERS," due to the lack of comparable writing and the presence of unexplained variations.

The typewriting impressions on the three strips of used Ko Rec Type, Q1601, and the questioned typewriting on Q1608 are the same style and size as samples made from the Q1054 typewriter, previously submitted, and due to the lack of a sufficient number of distinctive identifying characteristics, a definite conclusion was not reached whether this questioned typewriting was prepared by the Q1054 typewriter. However, characteristics in common were observed in comparing the questioned typewriting on Q1608 with the samples from the Q1054 typewriter, which indicates the Q1054 typewriter may have been used in the preparation of the questioned Q1608 typewriting.

The questioned typewriting on Q1592 is the same style and size and contains characters in common with the questioned typewriting on items Q1413 and Q1468, previously submitted in this case and questioned typewriting on Q35 through Q38 and Q42 previously submitted in the SLA case by the Oakland, California, Police Department, which indicates the questioned typewriting on Q1592 may have been prepared by the typewriter used in the preparation of these other items; although, due to the somewhat limited nature of the Q1592 typewriting, a definite conclusion was not reached in this regard.

One sheet of yellow, legal-size paper contained in the Q1615 packet was found to contain indented writing. Legible portions of the observable indented writing appears to include the following notations: "25 yrs," "1 yr," "Rodrigues," "846-3000," "\$550 take ___ \$405" "prev. add. 2772 Bryant" "Crane" "525 L ___ D ___"

Beige cosmeticlike material noted in specimen Q1612 does not possess a sufficient number of unique individual characteristics to be positively associated with a particular source to the exclusion of all others.

A beige and a blue woolen fiber; a green, a red, a yellow, a black and a blue synthetic fiber; a blue and a red cotton fiber and a few green paper fibers were recovered from specimen Q1612. The source or sources of these fibers are not known. They were mounted on a glass microscope slide for possible future comparisons.

The submitted evidence is being returned separately. Appropriate photographs were made. Photographs of the indented writing on Q1615 and photographs of the torn or cut submitted items are attached.

Re: HARNAP

Date: August 8, 1974
FBI File No. 7-15200
Lab. No. PC-L0615 JA

Specimens received 7/25/74

- Q1616 One plastic jar containing some type of liquid residue (E-11-G)
- Q1617 Specimen of fluid from top of bath tub (H-1)
- Q1618 Specimen of sediment and fluid from bottom of bath tub (H-2)
- Q1619 Clear glass bottle with white plastic top containing small quantity of amber colored fluid (D-24)

Result of examination:

The residue in the Q1616 jar was found to be charred fragments of plant material. The plant fragments could not be specifically identified; however, no common drugs or cyanide were found in the residue. The jar appears to have been used as an ash depository for some type of burned plant material.

The Q1617 and Q1618 liquids were found to be dirty water containing small bits of plant material too finely ground for identification. There were no drugs, marijuana, cyanide or other identifiable chemicals present in these specimens.

The Q1619 amber liquid was found to correspond to "Binaca," a breath freshener. No cyanide was found in this specimen.

Result of examination:

A definite conclusion was not reached whether the unidentified questioned writing on items submitted in this case, in case captioned "SYMBIONESE LIBERATION ARMY (SLA) EM" or in case captioned "AUGUST SEVENTH GUERRILLA MOVEMENT (ASGM) EM" was prepared by PAUL L. HALVERSON, writer of Kc43, due to the presence of unexplained variations and the lack of sufficiently comparable writing. However, nothing of particular significance was observed in comparing the available writing of HALVERSON with comparable unidentified questioned writing on items submitted in these cases.

SUBJECT: HEARNAP

Enclosures, numbering 53, which are being forwarded under a separate cover, are listed on the attached six pages, numbered 1 through 58, with five of the numbers bearing the notation, omitted.

The items being enclosed were removed in connection with the search on 5/2/74 of Apartment 6 at 1827 Golden Gate Avenue, San Francisco, California, which has been identified as an SLA safe house which the group occupied during March and April, 1974.

Examination being requested is in connection with developing further evidence as to identity of individuals involved in the robbery of the Hibernia Bank, 22nd and Noriega Office, San Francisco, California, on 4/15/74, and also to establish the extent of the membership of the SLA using the Golden Gate Avenue safe house and also as to the extent that any prisoners they might have been holding, such as PATRICIA HEARST, might have had access to documents and papers or were involved in the activities of the groups.

For the sake of brevity in connection with examinations being requested, reference is only being made to the numbers which appear in connection with each item. Appreciating the administrative difficulty, it would be of considerable assistance to San Francisco and the USA's Office in connection with any future prosecution, in conjunction with the designations assigned by the Identification Division and the FBI Laboratory, if the item number listed by San Francisco could also be included in the reports.

EXAMINATION DESIRED

(1) It is requested that Items 1, 2, 3, 6, 7, 8, 13, 15, 16, 18, 19, 20, 22, 26, 27 (inside of gloves), 29, 30, 31, 32, 33, 34, 39, 40, 41, 42, 43, 47, 49, 50, 51, 56, be examined and compare any latents that might be developed with latents for individuals previously identified as known or suspected SLA members. It is appreciated that this request could involve voluminous activity and therefore, at the present time, only comparison need be made of high quality latents that might be developed.

(2) In connection with Items 4, 10, 14, 28, 38, 46, 48, 52, 53, 54, 55, photograph, compare handwriting and hand printing with that on file for known members of the SLA and afford these documents examination for latent fingerprints comparing latents as requested under Item 1.

(3) In connection with the following items, which are cut-up pieces of paper, attempt to assemble, photograph, examine for latent fingerprints and where logical, compare handwriting and hand printing along lines of request in Item 1 and 2 above: Compare typing, Item 11, with typing on letters from SLA.

11, 12, 17, 23, 24, 25, 44, 21

(4) It is requested that the outer pages for Item 45 be examined for latent fingerprints and that these pages also be checked for indented writing.

SF 7-855

TJP:sac

(5) It is requested that Item 57 be afforded an examination in order to determine what type of ingredients is involved, it being noted that these scrapings were taken from a bathroom mirror at the 1827 Golden Gate safe house and that that made up the letters "SLA" and appeared to be of some liquid make-up ingredient.

(6) It is requested that Item 58 be given a ballistics examination and if it is determined that this round was ever actually fired, that it be compared with latents maintained in the National Unidentified Ammunition file along with any spent rounds of a similar caliber which are maintained in connection with the Hearnap case or the SLA or related organizations.

All the enclosed items should be treated as evidence, and it is requested that after the examination is complete, these items all be returned to San Francisco along with the results of the examination.

HEARST ENROLLED AT THE UNIVERSITY OF CALIFORNIA AT BERKELEY FOR THE SCHOOL YEAR 1972 AND BEGAN TO SHARE AN APARTMENT IN THAT CITY WITH WEED, WHO WAS NOW A GRADUATE STUDENT.

ON FEBRUARY 4, 1974, HEARST WAS FORCIBLY ABDUCTED FROM THIS APARTMENT BY MEMBERS OF THE SYMBIONESE LIBERATION ARMY. SHE WAS NEXT SEEN PARTICIPATING IN A BANK ROBBERY EXECUTED

PAGE FIVE, SF 7-855

BY THE SYMBIONESE LIBERATION ARMY IN SAN FRANCISCO, CALIFORNIA,
ON APRIL 15, 1974.

ON MAY 16, 1974, HEARST UTILIZED AN AUTOMATIC WEAPON
TO FREE WILLIAM HARRIS, WHO WAS BEING DETAINED FOR ALLEGEDLY
SHOPLIFITING IN LOS ANGELES. THIS RESOLVED BEYOND ANY DOUBT
THE ISSUE OF WHETHER SHE HAD NOW JOINED HER FORMER CAPTORS.

Dear Ed,

Dave Linn was recontacted on 2 September and advised us that the source has already returned to the States. Source did say Miss Porter told him she last saw subject William Harris in Los Angeles one and a half years ago. However, Dave thinks she may have been confused when she told him the dates. He bases this thought on her difficulty with dates during the actual interview of her at Korat. Dave provided me with the following name and address, if you wish to recontact source through one of your offices in the States:

--PHYSICAL EVIDENCE--

INVESTIGATION CONTINUES RE THE PHYSICAL EVIDENCE OBTAINED FROM 1466 EAST 54TH STREET AND 833 WEST 84TH ST., LOS ANGELES, AND FROM SLA VEHICLES RECOVERED AT LOS ANGELES. LOS ANGELES CONTINUES TO REVIEW THIS EVIDENCE IN AN ATTEMPT TO RELATE ANY INFO CONTAINED THEREIN TO ANY PREVIOUS OR SUBSEQUENT INVESTIGATION.

[REDACTED] STATE OF CALIF. DEPT. OF MINES AND GEOLOGY, CONTINUES HIS EXAM OF DIRT AND ROCK SAMPLES REMOVED FROM THE 1972 RED AND WHITE VOLKSWAGEN VAN, BEARING CALIF. LICENSE 5303850. HE HAS NOT REACHED ANY CONCLUSIONS RE THESE SAMPLES WHICH WOULD INDICATE WHERE THIS VEHICLE MIGHT HAVE TRAVELED IN THE LOS ANGELES AREA. THIS VEHICLE WAS USED BY THE HARRISES AND HEARST TO FLEE FROM THE SCENE OF MEL'S SPORTING GOODS STORE, INGLEWOOD, CALIF., MAY 26, 1974.

--INVESTIGATION TO IDENTIFY VEHICLES USED BY FUGITIVES--

SACRAMENTO OBTAINED AND FORWARDED TO LOS ANGELES CALIF. DEPT. OF MOTOR VEHICLES (DMV) RECORDS WHICH SET FORTH LISTS OF AUTOMOBILES SOLD BY DEALERS IN THE LOS ANGELES AREA DURING MAY 1974. LOS ANGELES IS USING THE CLETS COMPUTER TO OBTAIN THE NEW OWNER OF THESE VEHICLES IN AN EFFORT TO LOCATE A VEHICLE WHICH MIGHT HAVE BEEN PURCHASED BY THE FUGITIVES ON MAY 17, 1974. SPECIFIC ATTENTION IS GIVEN TO VAN TYPE VEHICLES SINCE IT WOULD APPEAR THE FUGITIVES HAD A PREFERENCE FOR THIS TYPE OF AUTOMOBILE. ANY TRANSACTIONS WHICH APPEAR PERTINENT ARE INVESTIGATED TO VERIFY THE IDENTITY OF THE NEW OWNER AND THAT THIS VEHICLE IS IN THEIR POSSESSION.

--LOUISE HAMILTON--

DURING THE INVESTIGATION CONDUCTED REGARDING THE SLA
APARTMENT AT 1827 GOLDEN GATE AVENUE, SAN FRANCISCO, CALIF.,

[REDACTED] WAS INTERVIEWED.

[REDACTED] STATED THAT THE APARTMENT WAS RENTED BY A WHITE FEMALE,
25 - 30 YEARS OF AGE, 5'4", 120 LBS., WITH BLOND HAIR WHO
IDENTIFIED HERSELF AS LOUISE HAMILTON. [REDACTED] WAS SHOWN PHOTOS
OF THE SUSPECTED SLA MEMBERS INCLUDING EMILY HARRIS AND THOSE
FEMALES WHO DIED AT 1466 EAST 54TH ST., LOS ANGELES, CALIF.,
ON MAY 17, 1974. [REDACTED] INDICATED THAT NONE OF THESE INDIVIDUALS
APPEARED TO BE THE LOUISE HAMILTON WHO RENTED THE APARTMENT.

IN A CONTINUING EFFORT TO IDENTIFY POSSIBLE ASSOCIATES OF
THE FUGITIVES IN THE LOS ANGELES AREA A SURVEY OF INDIVIDUALS
NAMED LOUISE HAMILTON LISTED IN THE CALIFORNIA LAW ENFORCEMENT
TELECOMMUNICATIONS SYSTEM (CLETS) WAS MADE. OF THE NUMEROUS
LOUISE HAMILTONS LISTED ONE [REDACTED]

LOS ANGELES IS CONDUCTING INVESTIGATION TO DETERMINE WHETHER
OR NOT [REDACTED] WHO RESIDES IN THE IMMEDIATE VICINITY OF
[REDACTED] MAY HAVE INFO RE THE FUGITIVES. THE POSSIBILITY
EXISTS THAT [REDACTED] IDENTIFICATION MAY HAVE BEEN STOLEN
OR OTHERWISE OBTAINED BY THE FUGITIVES.

ANY OTHER LOUISE HAMILTONS SET FORTH FROM THE CLETS SURVEY WHICH MIGHT BE PERTINENT ARE BEING INVESTIGATED. THIS INVESTIGATION IS BEING CONDUCTED SINCE IT IS POSSIBLE ONE OF THESE INDIVIDUALS MAY HAVE LOST THEIR IDENTIFICATION WHICH WAS SUBSEQUENTLY UTILIZED BY THE FUGITIVES. PHOTOGRAPHS OF THESE INDIVIDUALS ARE BEING OBTAINED FOR DISPLAY TO [REDACTED] FROM THE DMV, SACRAMENTO, CALIF.

[REDACTED] ADVISED

THAT HE HAD BEEN ACQUAINTED WITH WILLIAM HARRIS [REDACTED]

LOS ANGELES INDICES REVEALED THAT EARLY IN THIS INVESTIGATION, THE PERSONAL AFFECTS OF MIZMOON SOLTYSIK WERE OBTAINED FROM HER FAMILY IN SANTA BARBARA, CALIFORNIA. INCLUDED AMONG HER PERSONAL AFFECTS WERE SEVERAL PHOTOGRAPHS DEPICTING FARM SCENES. INVESTIGATION DETERMINED THAT THIS FARM WAS LOCATED AT ASHLAND, OREGON, AND IDENTIFIED THE RESIDENTS OF THE FARM AT THE TIME THE PHOTOGRAPHS WERE TAKEN TO BE [REDACTED] AND [REDACTED]

INVESTIGATION WAS CONDUCTED TO LOCATE AND INTERVIEW [REDACTED] IN THE OREGON AREA WITH NEGATIVE RESULTS. DMV WAS REVIEWED AT THAT TIME AND A DRIVER'S LICENSE ISSUED TO A [REDACTED] WITH AN ADDRESS OF [REDACTED] EFFECTIVE MAY 19, 1969, WAS LOCATED. AN ADDITIONAL ADDRESS EFFECTIVE MAY 22, 1971, OF [REDACTED] WAS ALSO LOCATED. INVESTIGATION CONDUCTED IN LYNWOOD, CALIF., TO LOCATE [REDACTED] RESULTED IN THE INTERVIEW OF [REDACTED] [REDACTED] INDICATED HE HAD LAST HEARD FROM [REDACTED] APPROXIMATELY NINE MONTHS PRIOR TO APRIL 1, 1974, WHEN HE WAS INTERVIEWED. ██████████ MAY HAVE BEEN THE LINK BETWEEN MIZMOON SOLTYSIK
AND THE HARRISES. IT IS POSSIBLE THAT EVEN THOUGH THE
HARRISES MAY NOT HAVE MADE CONTACT WITH ██████████
IN LYNWOOD, CALIFORNIA, THEY MAY HAVE SUBSEQUENTLY
LOCATED HIM IN ASHLAND, OREGON. PORTLAND IS BEING

DATE 9/22/74

Dear Sir,

I am writing in reference of a letter that I have received about two weeks ago. I feel that it might be of interest to you because it gives some indications to the whereabouts of Patsy Hearst, Emily & Bill Harris when I first got the letter I didn't quite believe it. But then knowing the person who sent it to me as well as I do, I figured it could easily be true. The more I thought about it the more scared I became. I've been reluctant to say anything to anyone because I don't want to draw any unnecessary attention to myself, and trouble. But if you people want to see the letter you are welcome to it. And I will give you all the information I can on the person who sent it to me.

Sincerely,

Enclosed for San Francisco are two copies of same postcard.

On 9/5/74, [REDACTED] ANDY FRAIN COMPANY, Expo '74, Spokane, Washington, who furnishes the security for Expo '74, advised that the enclosed postcard was received by the ANDY FRAIN COMPANY in the mail on 9/6/74.

Reference is made to Mr. McDermott to Mr. Jenkins memorandum, captioned as above, 9-20-74, copy attached, wherein it was recommended that the Intelligence Division, General Investigative Division, and the External Affairs Division assist Mr. Colt in the preparation of the feature article for his newspaper pertaining to the Hearnap matter.

Colt has requested that he be permitted to attribute a number of statements made by FBI spokesmen to him as coming from Mr. Kelley.

The following are the statements Colt desires permission to attribute to the Director:

A new Wanted Flyer has been printed in both English and Spanish and is being disseminated by the FBI. The reason for the new Wanted Flyer is because it contains additional photographs of William Taylor Harris, Emily Montague Harris, and Patricia Campbell Hearst. It was printed in Spanish because of the fact that a substantial portion of the American population in the Southwest speak and read Spanish, and the HARRISES and Hearst were last known to be in the Southwest. Additionally, in view of the fact southern California and Arizona are contiguous to Mexico, it was felt that the Spanish flyer might reach a broader spectrum of the population, either American or Mexican.

MEMORANDUM TO MR. MC DERMOTT

RE: JOHN COLT, REPORTER

The success in avoiding apprehension by the
Harrises and Hearst to date ~~may be~~ attrib-
utable to assistance rendered by the anti-
establishment underground, which provided
assistance to other fugitives during the
Vietnam War controversies.

is POSSIBLY PER DIV 6
MM

It would appear that the guidance and pro-
tection of the Harrises, the underground,
or other street-wise persons would be
necessary in order for Patricia Hearst to
continue her fugitive status, in view of
the fact that prior to the kidnaping she had
no experience in this type of survival tech-
nique.

After the shoplifting incident in Los Angeles,
both William and Emily Harris, accompanied by
Patricia Hearst, are known to have abducted
Richard Frank Sutter. He was subsequently
released unharmed. On May 17, 1974, the
Symbionese Liberation Army shoot-out with
law enforcement personnel occurred, which
did not involve Patricia Hearst or the
Harrises. On May 19, 1974, two reported
sightings of Patricia Hearst and Emily Harris
occurred in the Sherman Oaks area of Los Angeles,
which appeared to have credence.

The chances of the FBI apprehending Patricia
Hearst and the Harrises increase, rather than
decrease, with each passing day, because of the
tenacity and professionalism of the men and
women in the FBI. Patricia Hearst will be
located, of that there is absolutely no doubt.
While their location may not occur today, or
perhaps even tomorrow, it will occur.

MEMORANDUM TO MR. MC DERMOTT
RE: JOHN COLT, REPORTER

Placement on the "Ten Most Wanted Fugitives" list of any criminal is designed to provide widespread saturation of the description and photograph of the fugitive, through the cooperation of the news media. Due to the nature of this particular case, Patricia Hearst and the Harrises have been receiving the fullest impact of news media attention and publicity. Of course, any badly wanted fugitive would receive possible consideration for listing on the Top Ten program as vacancies occur.

As Director of the FBI, I would like to ask the readers of the National Inquirer, as I ask all Americans, for their assistance for any information leading toward the location of Patricia Hearst and William and Emily Harris.

RECOMMENDATIONS:

(1) That the above statements be approved as attributable statements to Mr. Kelley.

(2) That, upon approval, this memorandum be returned to the External Affairs Division, at which time Mr. Colt will be advised of which statements may be used in connection with his feature article.

RE: FOOTPRINTS OF PATRICIA CAMPBELL HEARST:

For the information of the Latent Fingerprint Section, investigation in San Francisco indicates that the footprints of PATRICIA CAMPBELL HEARST taken at birth are maintained at Mt. Zion Hospital, San Francisco, on microfilm. An enlargement of this microfilm record was made and is enclosed with this airtel.

FBI Identification Division may wish to examine this enlargement to determine its value for identification purposes. Bay Microfilm, Inc., Palo Alto, California, who developed enlargement, also advises that they would be able to make a positive the same size as the microfilm negative which could be reviewed under a scanner. The Bureau may retain above enlargement.

Reference is made to J. B. Adams memorandum to Mr. Gebhardt dated July 25, 1974, captioned "SLA Shoot-out."

A chronology of events depicting the circumstances and extent of FBI involvement in the shooting incident which occurred on May 17, 1974, at 1466 East 54th Street, Los Angeles, California, between members of the Los Angeles Police Department (LAPD), Special Agents of the FBI, and individuals of the Symbionese Liberation Army (SLA) is set forth:

7/17/74
21-74
Dec Jan

On May 17, 1974, at approximately 2:00 pm the LAPD advised the Los Angeles Office (LAO) that 2 suspected SLA vans bearing California licenses 463-GMO and 846-50V had been located behind the residence at 1451 East 53rd Street. This LAPD notification was in response to an All Points Bulletin (APB) initiated by the LAO earlier that day at 9:30 am when investigation focused upon the 2 vans as suspected SLA vehicles. The vans had been observed by FBI Agents at approximately 11:00 pm on May 16, 1974, in the vicinity of 833 West 84th Street which was subsequently identified as an SLA pad on May 17, 1974. From this point on, the LAPD staked out the vans while joint FBI/LAPD operations were being coordinated.

Confidential

The events which follow all occurred on May 17, 1974:

REC-112 7-15200-3127

At approximately 3:00 pm, an individual telephonically contacted LAO and advised that a group of blacks and whites, one of whom this person believed to be Patricia Hearst, were in the residence located at 1462 East 54th Street. At approximately 4:05 pm, this person recontacted the LAO and corrected her previous information stating these individuals were in 1466 East 54th Street and added they

had weapons. This information was immediately furnished to supervisory personnel of the LAO who were establishing a joint command post with the LAPD during this period. At approximately 5:00 pm, an individual was interviewed at a temporary FBI/LAPD command post and this person stated several white females, a white male, and a Negro male were in a residence located at 1466 East 54th Street. According to this person, these individuals were armed with automatic weapons and they had stated they were SLA members. This individual positively identified photographs of Donald David DeFreeze and Camilla Christine Hall as 2 of these individuals. Another individual provided substantially the same information at that time.

At approximately 5:30 pm, the FBI/LAPD command post was established at the corner of 54th Street and Ascot Avenue. An immediate briefing was held between LAPD and FBI officials. In following through on preliminary raid plans established earlier that day, the FBI was to afford support to LAPD operations which in addition to field supervision of Assistant Director in Charge (ADIC) William A. Sullivan and SAC Elmer F. Linberg included: a 5-man FBI SWAT Team; an Agent who handled a scent dog; and the remaining FBI Agents (115) were assigned to perimeter control positions, see attachment A.

At 5:35 pm a raid plan was effected under the overall field command of the LAPD. The LAPD deployed two 8-man SWAT Teams and additional command personnel in the immediate area of 1466 East 54th Street, while the 5-man FBI SWAT Team took up position at 1445 East 54th Street which was approximately 60 yards away from the SLA pad. Another Agent was also in the immediate area at this time handling a scent dog, see attachment B.

At the same time, LAPD SWAT Team members and uniformed officers of the LAPD were effecting their evacuation plan by notifying all residents encountered in a house-to-house survey working in a circular pattern away from 1462 and 1466 East 54th Street. Additionally, members of both LAPD SWAT Teams orally warned occupants of neighboring houses and pedestrians to vacate the area. If residents refused to leave, they were instructed to lie down on the floor of their homes. No FBI personnel took part in the evacuation nor did they participate in oral warning statements for evacuation purposes.

Bates to Gebhardt Memorandum

RE: HEARNAP

At 5:44 pm, an LAPD SWAT Team leader directed a surrender announcement to the individuals in the residence at 1466 East 54th Street through a bullhorn. After one minute, the order was repeated and shortly thereafter a young Negro male came out of the front door of the house. After 2 additional surrender pleas by the LAPD over the bullhorn, an additional Negro male also exited in the same manner as above. The bullhorn announcements by the LAPD continued for 8 minutes. No FBI personnel participated in these surrender announcements.

At 5:53 pm, an LAPD SWAT Team member fired 2 tear gas projectiles into the aforementioned house and heavy bursts of automatic gunfire emanated from the SLA pad immediately. The LAPD returned the gunfire and a gun battle ensued between members of the LAPD SWAT Teams and the individuals within the dwelling.

At approximately 6:00 pm, the 5-man FBI SWAT Team was directed by the ADIC of the LAO to furnish firearms and tear gas support to the LAPD SWAT Teams. The FBI SWAT Team entered the rear of an abandoned residence at 1445 East 54th Street. The windows and doors of the 1445 East 54th Street house were covered with plywood. The plywood covering on the windows located on the east side of this residence near the front was removed to permit viewing the 1466 East 54th Street residence. As the plywood covering was removed the position was hit by incoming gunfire believed to be from automatic and/or semi-automatic weapons fired from 1466 East 54th Street. Two FBI Agents of the SWAT Team then fired 16 rounds of 40 mm CS irritant gas projectiles at the 1466 East 54th Street location. These gas projectiles were fired from M-79 grenade launchers. These gas projectiles were directed at the front and rear side windows on the west side of the house from a distance estimated at 50 to 60 yards.

Automatic and semi-automatic gunfire from the dwelling was continually directed at FBI SWAT Team position. (The LAPD report entitled "SLA In Los Angeles" cited property damage at 1445 East 54th Street for bullet holes at \$200.) Two FBI Agents of the SWAT Team returned the gunfire using M-16 rifles. One Agent fired 20 rounds, another 18 rounds of .223 caliber military ball ammunition. A third Agent using a Remington Model 700 BDL rifle fired 10

RE: HEARNAP

rounds of .223 caliber Federal brand soft point ammunition. The Agent handling a scent dog was pinned down by automatic gunfire emanating from 1466 East 54th Street. The Agent positioned himself behind a tree approximately 30 feet from the above residence and returned fire, expending 5 rounds of .38 caliber Winchester-Western ammunition from his service revolver at the side window from which the gunfire was coming, see attachment B. Also attached are FBI photographs taken 7/28/74 of the dwelling at 1445 East 54th Street which housed the FBI SWAT Team during the shooting incident as well as selected LAPD photographs taken 5/18/74 of other dwellings revealing numerous bullet holes caused by gunfire coming from the SLA pad.

At approximately 6:30 pm, a fire was observed burning within the residence at 1466 East 54th Street. From that time, firing by the FBI SWAT Team was discontinued. The FBI expended a total of 69 rounds from the various weapons set forth during the approximated 30-minute period Agents were under direct fire in the SLA shoot-out.

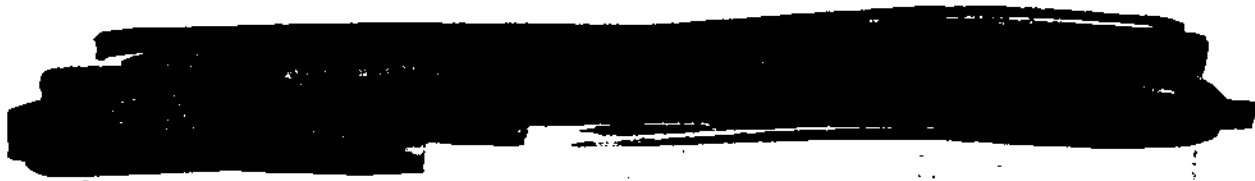

At approximately 6:45 pm, a Negro female ran from the residence. The fire completely destroyed the building and the LAPD secured their SWAT Teams at approximately 6:55 pm.

IN THE EVENT ANY OR ALL OF THE ABOVE IS DISSEMINATED, THE INFORMATION SHOULD BE EXTRACTED FROM THIS MEMORANDUM AND SET FORTH IN LETTERHEAD FORM WHICH HAS AFFIXED APPROPRIATE IDENTIFICATION AND PROPERTY CAVEATS.

OBSERVATIONS:

The above information was obtained from official reports of the FBI and LAPD. All FBI Agents who had participated in this incident have duly recorded their observations.

As of 8/12/74, there have been no civil suits filed against the FBI, LAPD or any of its officers, or the city of Los Angeles, California, regarding this matter. If consideration is given to disseminating the above information, the Los Angeles authorities cited above should be recontacted to insure the FBI does not release a statement in conflict with the proceedings of a civil action.

Bates to Gebhardt Memorandum
RE: HEARNAP

The LAPD report has been thoroughly reviewed by ADIC Sullivan, SAC Linberg and Supervisor Chester E. St. Vincent of the LAO and all have advised that no significant discrepancies are apparent.

In this regard, ADIC Sullivan and SAC Linberg both of whom were at the scene of the SLA shooting incident exerted extreme caution in evaluating information prior to directing any action in concert with the LAPD. The fact that their decisions were astute, and consequently avoided personal injury to innocent residents and law enforcement personnel, is self-evident.

The General Investigative Division concurs with the LAO that the information in this memorandum may be disseminated outside the Bureau if the need arises. This observation is subject to approval by Assistant Director Mintz, Office of Legal Counsel, upon his review of the entire matter. If necessary, the pertinent information in this memorandum could be readily converted to LHM form structured to answer any legitimate inquiry in this matter.

Attached is information concerning the participation of the Los Angeles Office SWAT team on 5/17/74 and an additional Agent who exchanged gunfire with SLA members. This information comes from the Training Division form submitted following the shoot-out.

In view of questions which have been raised concerning the shoot-out, we should have a complete report, separate from the investigative report, describing the circumstances of FBI involvement and the extent of participation. This should be in the form of a letterhead memorandum which, if necessary, can be disseminated. It should clearly set forth the circumstances leading up to the shoot-out, including warnings given by Los Angeles Police Department personnel, evacuation of neighbors, subsequent involvement by FBI personnel including number involved, types of weapons utilized, number of rounds expended, existence of FBI personnel receiving direct fire prior to returning fire, and other pertinent circumstances which will enable us to accurately respond to inquiries. If possible, sequence of events should indicate date and time.

Since there has been speculation by certain elements that law enforcement personnel needlessly killed the SLA members, available photographic evidence indicating bullet holes in houses or structures near our personnel or Los Angeles Police Department personnel should be attached as exhibits showing that law enforcement personnel were subjected to a clear and present continuing danger to their personal safety.

This matter should be expedited.

In connection with the participation of the Los Angeles Office SWAT Team on 5-17-74, the 5-man FBI Los Angeles SWAT Team manned the nearby rear of an abandoned residence believed to be 1445 East 54th Street in Los Angeles. This building was to be utilized to observe 1466 East 54th Street wherein members of the Symbionese Liberation Army (SLA) were barricaded. The windows and doors of the 1445 East 54th Street house were covered with plywood and as our people removed this plywood, our position was hit by incoming gunfire, believed to be from automatic and/or semi-automatic weapon fired from the SLA position at 1466 East 54th Street. We fired a total of 16 40 mm. CS (irritant agent) projectiles at the SLA location from our M 79 Grenade Launcher. After the first projectiles were fired into the SLA position and after succeeding rounds were fired, incoming semi-automatic and/or automatic rifle fire was received from the SLA position and struck the LA SWAT Team fire position. Return support fire was directed at the SLA position by our agents using M 16 assault rifles and the Model 700 Remington bolt action rifle. A total of 38 rounds was fired by agents using the M 16 rifles and a total of 10 rounds was fired by the agent using the bolt action rifle. In all, a total of 48, 223 caliber rounds (both M 16 and Model 700 bolt action rifle) were fired by our agents into the SLA position.

In addition, a 6th agent who was on special assignment from the San Francisco Office and who accompanied our dog handler, [REDACTED], was positioned behind a tree approximately 35 feet from the SLA position when the fire fight began. This agent received fire periodically from an automatic weapon positioned at the side window of the building occupied by the SLA subjects. This agent returned a total of 5, 38 caliber special rounds at the individual firing at him from the side window.

It is quite evident that our agents exercised extreme fire control discipline at this particular instance and the total rounds expended, including rifle, grenade launcher and handgun, were 69 in all.

For the information of Denver, WFO is reviewing all new passport applications for 5/17/74 through 7/31/74 that were applied for through the San Francisco or Los Angeles Office. This is being done since the HARRISEs and HEARST could conceivably have attempted to obtain false passports utilizing established illegal means, for example, using a deceased infants birth certificate.

Six "look-alikes" were selected by WFO and the results of the passport applications are as follows:

Reference is made to R. E. Gebhardt to Mr. Miller memorandum dated May 9, 1974, captioned as above. Referenced memorandum received the Director's approval for advising SAC Charles W. Bates, San Francisco, that, "The sum of \$50,000 is authorized as payment to any informant who could and would furnish the necessary information leading to the location and arrest of the subjects involved in the kidnaping and bank robbery case on a C.O.D. basis."

The Administrative Division advised that \$50,000 from funds for the fiscal year 1975 could be made available for informant information resulting in the location and arrest of Patricia Hearst; also, a substantial amount could similarly be made available for information resulting in the location and arrest of William and Emily Harris. In the event these amounts cannot be absorbed by a reduction of other confidential expenditures, it will be necessary to use funds provided for other purposes, such as for equipment, since no funds were provided for this purpose in our fiscal year 1975 appropriation.

RECOMMENDATION:

That approval be given to advise all SACs and Legats that we will pay any informant up to \$50,000 on a C.O.D. basis for information resulting in the location and arrest of Patricia Hearst; also, a substantial amount can similarly be made available for information resulting in the location and arrest of William and Emily Harris.

POSSIBLE FALSE PASSPORTS OF EMILY HARRIS, WILLIAM HARRIS AND PATRICIA HEARST

ReWFOtel of 8/24/74 recommending a system for checking files of Passport Office, Department of State by use of photocopies of issue cards from Los Angeles and San Francisco Passport Agencies covering period since 5/17/74. ReButel of 8/27/74 authorizing implementation of such system.

WFO has received Xerox copies of hundreds of these issue cards from San Francisco and has searched up to H in the alphabet directly in the passport file room.

Los Angeles by airtel dated 9/17/74 forwarded to WFO a list of which passport numbers were issued at Los Angeles in the pertinent period.

REC-112 7-15200-3134

WFO wishes to point out that such numbers are useless in this project. These passport files are filed semi-alphabetically and chronologically and the pertinent files are contained in the midst of some 4,200,000 files. They are not searchable by number. Personnel handling this extremely large volume of passport file searches have been able to locate nearly all files sought so far expeditiously.

- Q1868 Accompanying sheet of ruled paper bearing handwritten letter dated 9/20/74 beginning "I love you daddy, and want to see..." signed "Patricia Hearst"

Result of examination:

Q1867 and Q1868 were not associated with material maintained in the Anonymous Letter File. Copies have been added thereto.

The conclusion was reached that the questioned writing on Q1868 was not prepared by PATRICIA CAMPBELL HEARST, K32.

A definite conclusion was not reached whether the questioned writing on Q1867 and Q1868 was prepared by EMILY HARRIS, K5, K6, K8, K9, K20, and K37 or WILLIAM HARRIS, K45, or whether the questioned writing on Q1867 was prepared by PATRICIA CAMPBELL HEARST, K32, due to the presence of unexplained handwriting characteristics and the lack of sufficiently comparable writing. However, differences were observed in comparing the available writing of WILLIAM HARRIS with the questioned writing on Q1867 and Q1868 which indicated this questioned writing was probably not prepared by HARRIS. Also, handwriting differences were observed in comparing the questioned writing on Q1868 with the available writing of EMILY HARRIS which indicates she probably did not prepare this questioned writing. Also, nothing of particular significance was observed in comparing the limited

Specimens received

9/11/74

Q1869 Envelope postmarked "TRURO N.S. 10:30 AM 29 VIII 1974" bearing hand printed address "Radio Station WHN New York, N.Y."

Q1870 Sheet of paper bearing hand printed message beginning "PAT HEURST IS ALIVE..." and signed "SIGNED MR. X FOR THE S.L.A."

Result of examination:

Q1869 and Q1870 were not associated with material maintained in the Anonymous Letter File. Copies have been added thereto.

A definite conclusion was not reached whether the questioned writing on Q1869 and Q1870 was prepared by any of the writers of the unidentified questioned writing, known writing or purported known writing on items previously submitted in this case and in case captioned "Symbionese Liberation Army (SLA) EN", due to the presence of unexplained variations and the lack of sufficiently comparable writing. However, nothing of particular significance was observed in this comparison.

Q1869 and Q1870 contain no characteristics to aid in definitely determining their source.

Q1869 and Q1870, which have been photographed, are attached for New York.

SHOULD THE SAN BERNARDINO STUDY DEVELOP INTO A LENGTHY ASSIGNMENT, [REDACTED] WILL ATTEMPT TO ARRANGE FOR SOMEONE ELSE TO ASSIST THE FBI.

BARRON BROADNAX

INVESTIGATION IN EARLY 1974 REVEALED THAT BARRON BROADNAX, CONFINED CALIFORNIA MEN'S COLONY, SAN LUIS OBISPO, WAS A STUDENT OF REVOLUTIONARY ACTIVITY. EMILY HARRIS WAS A FREQUENT VISITOR OF BARRON'S UNTIL SHE WENT UNDERGROUND JANUARY 10, 1974. A REVIEW OF THEIR CORRESPONDENCE DISCLOSED THAT THEY HAD A COMMON INTEREST IN REVOLUTIONARY ACTIVITY, AS WELL AS A ROMANTIC INTEREST IN ONE ANOTHER. [REDACTED]

[REDACTED]

[REDACTED]

[REDACTED]

[REDACTED]

PREVIOUS INTERVIEWS OF BARRON BROADNAX, [REDACTED]

[REDACTED] IN AN EFFORT TO SECURE THEIR COOPERATION WERE UNSUCCESSFUL. DURING THE RECENT FBI CONFERENCE HELD IN LOS ANGELES DEALING WITH CAPTIONED INVESTIGATION, IT WAS RECOMMENDED THAT ANOTHER ATTEMPT BE MADE TO INTERVIEW BARRON AND SOLICIT HIS HELP IN LOCATING THE REMAINING SLA FUGITIVES.

PAGE NINE

LA 7-1627

ON SEPTEMBER 26, 1974, BARRON BROADNAX WAS INTERVIEWED IN A CONFERENCE ROOM OF THE SAN QUENTIN STATE PRISON BY LOS ANGELES SA'S [REDACTED] AND [REDACTED] BROADNAX RELUCTANTLY ENTERED THE ROOM AND STATED HE HAD NO DESIRE TO TALK TO THE FBI. HE SAID HE FELT THE FBI WAS RESPONSIBLE FOR HIS HAVING BEEN PLACED IN THE "HOLE" AT SAN QUENTIN AND FOR HIS PAROLE DENIAL SEVERAL WEEKS AGO. HE SAID HE HAD RECEIVED INFO FROM THE PAROLE BOARD AND FROM PRISON AUTHORITIES THAT THE FBI HAD IDENTIFIED HIM, BROADNAX, AS A MEMBER OF THE SLA. BROADNAX FURTHER ACCUSED THE FBI OF HARASSING HIS MOTHER AND FOLLOWING HER. IT IS UNKNOWN WHETHER THE ABOVE WERE SINCERE BELIEFS OR IF IT WAS ALL A FALSE FRONT FOR THE BENEFIT OF OTHER PRISONERS AND GUARDS WHO KNEW OF BROADNAX' CONTACT WITH THE FBI.

AFTER A FEW MINUTES, BROADNAX SEEMED TO CALM DOWN. HE WAS ATTENTIVE WHEN THE AGENTS TOLD HIM OF THEIR PURPOSE IN BEING THERE, THAT THEY WERE SEEKING HIS HELP IN LOCATING EMILY HARRIS AND HER ASSOCIATES, NOT TO HARASS HIM. THE AGENTS POINTED OUT THAT IT COULD BE ADVANTAGEOUS FOR HIM TO COOPERATE AND DISCUSSED VARIOUS WAYS IN WHICH HE MIGHT BENEFIT. BROADNAX LISTENED IN TOTAL SILENCE AND MADE NO COMMENTS. HE REFUSED TO SAY ANYTHING RE THE SLA, THE FUGITIVES OR HIS ABILITY TO DETERMINE THEIR CURRENT WHEREABOUTS.

PAGE TEN

LA 7-1627

AFTER APPROX. 15 MINUTES, BROADNAX ABRUPTLY TERMINATED THE INTERVIEW. AS HE WAS BEING ESCORTED FROM THE ROOM, HE STATED SOMETHING TO THE EFFECT HE UNDERSTOOD THEY WERE CONSIDERING TRANSFERRING HIM TO VACAVILLE PRISON AND HE WONDERED IF THE FBI WAS RESPONSIBLE.

POSSIBLE FALSE PASSPORTS OF EMILY HARRIS, WILLIAM
HARRIS AND PATRICIA HEARST

LOS ANGELES CONTINUES TO REVIEW ON A WEEKLY BASIS ALL CURRENT PASSPORT APPLICATIONS. APPROPRIATE FOLLOW-UP INVESTIGATION IS THEN CONDUCTED TO INSURE THAT THE PERSONS SUBMITTING APPLICATIONS ARE NOT IDENTICAL WITH THE FUGITIVES.

LA IS ALSO ENGAGED IN AN EVALUATION OF NECESSARY COST TO REVIEW THE PASSPORT APPLICATIONS RECEIVED IN MAY, JUNE AND JULY 1974.

LOUISE HAMILTON

ON SEPTEMBER 24, 1974, LOUISE [REDACTED] HAMILTON WAS INTERVIEWED AT HER RESIDENCE [REDACTED]

[REDACTED] STATED SHE LAST VISITED SAN FRANCISCO APPROXIMATELY FOUR YEARS AGO. SHE DISPLAYED HER CALIFORNIA DRIVER'S LICENSE AND SOCIAL SECURITY CARD AND STATED SHE HAD NEVER LOST HER WALLET OR ANY OTHER IDENTIFICATION NOR HAD SHE EVER LOANED HER IDENTIFICATION TO ANYONE.

MISCELLANEOUS

A REVIEW OF PAST INVESTIGATION REVEALED THAT ON MAY 10, 1974, WHEN THE SLA MEMBERS RENTED THE APT. AT 833 WEST 84TH STREET, LOS ANGELES, CALIFORNIA, ONE OF THE WHITE FEMALES USED THE NAME SUSAN RIVERA. IT IS NOTED THAT IN THE PAST WILLIAM AND EMILY HARRIS AND OTHER SLA MEMBERS HAVE USED FRAUDULENT OR STOLEN IDENTIFICATION AND IT WAS CONSIDERED FEASIBLE THAT THE NAME SUSAN RIVERA HAD BEEN SELECTED IN THIS WAY. SEARCH OF THE CALIFORNIA LAW ENFORCEMENT TELECOMMUNICATIONS SYSTEM (CLETS) DISCLOSED TWO FEMALES BY THE NAME OF SUSAN RIVERA RESIDE IN THE LA AREA.

RE: FALSE IDENTITY PHASE - DECEASED INFANTS.

IN REVIEWING OUR FALSE IDENTITY-DECEASED INFANT FILE, WE LOCATED

WHO

A NUMBER OF INDIVIDUALS WHO APPLIED FOR DRIVERS LICENSES USING THE NAMES AND DATES OF BIRTH OF DECEASED INFANTS WHEREIN THESE INDIVIDUALS FIT THE DESCRIPTION OF THE FUGITIVES, WE CONDUCTED APPROPRIATE INVESTIGATION AND TO DATE HAVE ELIMINATED ALL THESE PERSONS AS BEING IDENTICAL WITH THE HARRISES, OR PATRICIA HEARST.

RE: WEAPONS LOCATED AT 1466 EAST 54TH STREET, LOS ANGELES.

IN REGARD TO THE BROWNING HIGH POWER SEMI-AUTOMATIC PISTOL WHICH WAS TRACED TO EDDIE SPARKMAN OF LEXINGTON, KENTUCKY, SPARKMAN WAS CHARGED WITH VIOLATION OF TITLE 18, U.S. CODE, SECTION 922(A) (6) FALSE REPRESENTATION AND DISPOSITION OF FIREARMS. ON SEPTEMBER 23, 1974, SPARKMAN APPEARED BEFORE U.S. DISTRICT JUDGE PHILLIP G. WILKINS, SACRAMENTO, AND ENTERED A PLEA OF NOT GUILTY AND ON SEPTEMBER 24, 1974, HE APPEARED BEFORE U.S. DISTRICT JUDGE THOMAS J. MC BRIDE AND A JURY TRIAL WAS SET FOR JANUARY 20, 1974. HE WAS THEN RELEASED ON BOND AND RETURNED TO HIS HOME IN KENTUCKY.

EFFORTS CONTINUE TO INTERVIEW SPARKMAN AND DETERMINE THE DISPOSITION OF THE BROWNING PISTOL.

RE: BARRON BROADNAX.

BROADNAX WAS INTERVIEWED BY AGENTS OF THE LOS ANGELES OFFICE AT SAN QUENTIN ON SEPTEMBER 26, 1974. LOS ANGELES IS FURNISHING DETAILED INFORMATION CONCERNING INTERVIEW WITH BROADNAX, HOWEVER, IT WAS LARGELY NEGATIVE IN NATURE.

WE HAVE BEEN ADVISED BY PRISON OFFICIALS AT SAN QUENTIN THAT BROADNAX IS PRESENTLY ON A SIX-MONTH CALENDAR, MEANING HE WILL APPEAR BEFORE THE ADULT AUTHORITIES FOR PAROLE CONSIDERATION AGAIN DURING APRIL, 1974. THE ADULT AUTHORITY RECOMMENDED THAT PRIOR TO BEING CONSIDERED FOR PAROLE, BROADNAX BE TRANSFERRED TO THE "STRESS ASSESSMENT" UNIT AT THE CALIFORNIA MEDICAL FACILITY, VACAVILLE, CALIFORNIA. NO DATE HAS BEEN SET FORTH THIS TRANSFER AT THIS TIME, ALTHOUGH IT COULD OCCUR AT ANY TIME IN THE NEAR FUTURE.

THIS MATTER IS BEING FOLLOWED CLOSELY.

RE: POSSIBLE FALSE PASSPORTS OF WILLIAM HARRIS, EMILY HARRIS, AND PATRICIA HEARST.

WE CONTINUE TO SUBMIT BY AIRTEL ON A DAILY BASIS TO WFO XEROX COPIES OF INDEX CARDS FOR PASSPORT APPLICATIONS FROM THE SAN FRAN-

SF 7-855, PAGE FIVE

CISCO PASSPORT OFFICE FOR INDIVIDUALS WHO FALL WITHIN THE AGE CRITERIA OF THE THREE FUGITIVES. WE ARE AS OF SEPTEMBER 27, 1974, BEGINNING SUBMISSION OF NAMES BEGINNING WITH THE LETTER "R".

RE: INDIANA UNIVERSITY (IU) ASSOCIATES OF WILLIAM HARRIS AND EMILY HARRIS.

THE PROGRAM TO INTERVIEW IU ASSOCIATES OF THE SLA FUGITIVES HAS BEEN EXPANDED IN THE SAN FRANCISCO DIVISION TO INCLUDE THE SAN JOSE, CALIFORNIA, AREA AND SOME 50 ALUMNI OF IU ATTENDING THE SCHOOL AT THE SAME TIME AS THE HARRISES, ARE PRESENTLY BEING CONTACTED TO DETERMINE IF THEY HAVE ANY INFORMATION CONCERNING CLOSE CONTACTS OR WHEREABOUTS OF THE THREE SLA FUGITIVES.

TO DATE, WE HAVE NOT LOCATED ANY IU GRADUATES WHO HAVE HAD ANY RECENT CONTACT WITH THE HARRISES.

ARMED AND DANGEROUS.

Sir:

I read in the paper recently they thought they had found the Hearst kidnap car and the FBI was not interested enough to examine the evidence. How will the courts be able to judge this case if you don't get all the facts.

Have you abandoned Miss Patricia Hearst?
Has the case been closed? Can nothing be done for her?

DATE: 9-20-74

FROM : J. J. McDermott

SUBJECT: HEARNAP

On 9-18-74 Jay Sourwine, Chief Counsel of the Senate

Internal Security Subcommittee, called Inspector Bowers and stated he had just heard a rumor that Patty Hearst had been seen in Chicago, Illinois, in the company of Bernardine Dohrn. He said he is in the final stages of writing a report which the Subcommittee will soon issue dealing with the Weatherman and he wanted to include this rumor in the report if there is any possibility whatever that it may have some validity. He asked if we might be able to give any guidance in that regard.

A check was made with Special Agent Michael Morrow of the General Investigative Division who advised that we had no indication that Hearst and Dohrn had been seen in the Chicago area or anywhere else. Sourwine was so advised on 9-18-74.

On 9-20-74 William Reed of the Director's Office reported that Vince Rakestraw, Assistant Attorney General, Office of Legislative Affairs, had told him that Sourwine had questioned Rakestraw on 9-18-74 about the possibility that Hearst and Dohrn had been seen together in the Chicago area. SA Morrow advised on the morning of 9-20-74 that the Chicago Office has reported it has received no reports whatever of Hearst and Dohrn being seen together.

It should be noted Bowers saw Sourwine on the afternoon of 9-19-74 concerning another inquiry from him dealing with the Weatherman report he is preparing, and he did not mention at that time the rumor about Dohrn and Hearst.

By memorandum R. F. Bates to Mr. Gebhardt dated 9/17/74, captioned "Hearnap," it was recommended and approved that the External Affairs Division explore the feasibility of cooperating with national magazines in the placement of feature articles concerning the Hearnap fugitives. One such magazine, "Argosy," with an estimated readership of 4 million, is currently cooperating with the External Affairs Division in connection with a series of stories pertaining to major cases from our past.

On 9/30/74, the general concept of publicity in the Hearnap matter was discussed by SA [redacted] External Affairs Division, with Bert Randolph Sugar, Editor-in-Chief of "Argosy." Mr. Sugar expressed strong interest and enthusiasm in affording major attention in "Argosy" to the Hearnap fugitives. He volunteered to print a detailed article on the case which he personally would write with the assistance of George Clifford, a free-lance writer who is currently working on the "Argosy" FBI case series. The article would be given feature prominence and would contain photographs and complete descriptions of the fugitives. Every effort would be made to place the article in the December issue of "Argosy" which will appear on the newsstand in mid-November, 1974.

In connection with the article, Mr. Sugar, whose offices are in New York City, wishes to travel to Washington to meet with FBI representatives to discuss the case. At that

time, he would like to meet briefly with Mr. Kelley so that he may personally note Mr. Kelley's comments concerning the Hearnap investigation. If possible, at the same time he would like to be photographed with Mr. Kelley. Mr. Sugar has indicated that if convenient, he will be available to come to Washington anytime during the period October 4-11, 1974.

RECOMMENDATIONS:

(1) That approval be given to cooperate with "Argosy" magazine in the publication of an article pertaining to the Hearnap fugitives.

(2) That Mr. Kelley indicate if he would be willing to meet with Mr. Sugar sometime during the period 10/4-11/74 to briefly discuss the Hearnap case and to be photographed with Mr. Sugar.

(3) That this memorandum be returned to the Research Section, External Affairs Division, for further handling.

SUBJECT: HEARNAP

DATE: September 27, 1974

- 1 - Mr. Morrow
- 1 - Mr. Cleveland
- 1 - Mr. Wannall
- 1 - Mr. Walsh

Reference is made to R. F. Bates to Mr. Gebhardt memorandum dated 9/17/74 captioned as above. Referenced memorandum pertained to the results of the Hearnap conference held in Los Angeles, 9/3-6/74.

The purpose of this memorandum is to outline the concept of a public reward offer if initiated by the FBI in this case.

JUSTIFICATION:

It is apparent that the fugitives are likely receiving illegal or unwitting assistance in one form or another. In an effort to induce anyone who is either directly assisting or has knowledge regarding the fugitives, it is believed that a public reward announcement should be considered. Usually a reward is a "last ditch" attempt to enlist public cooperation inasmuch as it tends to generate numerous, extraneous leads which cause highly increased investigative demands. In the Hearnap case, we are not yet at the point where meaningful leads have been exhausted. However, a reward offer is not being discounted as it may be implemented at a future date.

STATUTORY PROVISION:

Title 18, U. S. Code, Section 3059 captioned "Rewards and Appropriations Therefor" contains the following:

"There is authorized to be appropriated, out of any money in the Treasury not otherwise appropriated, the sum of \$25,000 as a reward or rewards for the capture of anyone who is charged with violation of criminal laws of the United States or any State or of the District of Columbia, and an equal amount as a reward or rewards for information leading to the arrest of any such person, to be apportioned and expended in the discretion of, and upon such conditions as may be imposed by the Attorney General of the United States. Not more than \$25,000 shall be expended for information or capture of any one person.

Bates to Gebhardt Memorandum
RE: HEARNAP

"If any of the said persons shall be killed in resisting lawful arrest, the Attorney General may pay any part of the reward money in his discretion to the person or persons whom he shall adjudge to be entitled thereto but no reward money shall be paid to any official or employee of the Department of Justice of the United States."

OBSERVATIONS:

The above could be initiated upon the authorization of the Attorney General and administered by the Criminal Division of the Department of Justice. In our request to the Attorney General we would seek approval for Director Kelley to announce the reward as well as propose the recommended conditions of the reward to the Attorney General for his consideration. It would be incumbent upon the substantive desk to provide factual information to the administering body which may or may not be the Criminal Division of the Department in order for them to adjudicate the reward.

The most compelling reason to offer a reward at the present time would be for the thrust it would provide for nationwide publicity. A reward announcement would receive widespread publicity but may also serve to impede our progress in a more substantial area by the numerous leads that it would generate. Also a reward announcement may be construed as a public admission that the FBI is unable to find the fugitives through their own resources. For the above reasons, we believe that a reward announcement should not be made at this time. The reward concept will be continually evaluated, and upon approval, will be initiated when we reach the point where meaningful and productive leads are exhausted.

Re R. F. Bates memorandum to Mr. Gebhardt, 9/17/74, captioned as above.

In view of the extraordinary nature of captioned investigation and the multiple fugitives involved, it is recommended that the attached Wanted Flyer featuring fugitives William Taylor Harris, Emily Montague Harris, and Patricia Campbell Hearst be published as is on the centerfold of the November FBI Law Enforcement Bulletin in place of the regular fugitive feature usually appearing on the last page of the magazine.

Publication of the flyer as recommended will: 1) be responsive to the broadened circularization recommended in referenced memorandum; 2) present the information in its most readable form; 3) place the fugitive data in one of the most prominent locations in the magazine; and 4) permit the centerfold (normally pages 16 and 17) to be easily removed should the reader desire to retain the flyer on his person for reference purposes.

It is noted that the flyer will be printed sideways on the centerfold to conform with the format of the pages. This is not unusual and, in fact, will attract the most attention.

RECOMMENDATION:

Upon approval of the attached flyer to be published on the centerfold of the November, 1974, issue of the FBI Law Enforcement Bulletin, this memorandum and its attachment should be promptly returned to the Publications Unit. It is requested that this recommendation be given priority attention in order that no delays in the regular publication of the magazine occur.

HEARNAP

As you are aware, we are intensifying publicity coverage regarding the fugitives in this case. The November issue of the FBI Law Enforcement Bulletin will contain a photograph of the Wanted Flyer and will appear in the centerfold of that issue.

SAC, New York should make contact with the Editor of Spring 3100, the magazine for police officers of the city of New York. You are instructed to determine the feasibility of the New York City Police Department publishing a copy of our Wanted Flyer 475A regarding these fugitives in a forthcoming issue. It is felt that publication in the New York City Police Department magazine would be of assistance, not only to your office, but to our effort in this case.

Promptly forward the results of your contact with the New York City Police Department representatives.

Memorandum Bates to Gebhardt
Re: HEARNAP;

RECOMMENDATIONS:

1. That approval be given for the External Affairs Division to consider and explore the feasibility of feature articles in national magazines as well as television programs with network impact highlighting these fugitives.

10/14
2. That approval be granted for revision of WF 475, preparation and issuance of Identification Orders for Emily Harris and Patricia Hearst, and extensive circularization on a nationwide basis.

~~TOP SECRET~~ *REB* *Jm*
DETAILS: For the sake of clarity, various facets of the conference deliberations are broken down into phases.

TOP TEN INVESTIGATIVE CONCEPT

Inasmuch as the fugitives' whereabouts are unknown, it was decided that all field offices must become directly involved in this ongoing investigation. Accordingly, all offices will be instructed to insure that this matter is kept in a pending and assigned investigative status with coordination in each office between fugitive and extremist phases. Self-initiated investigative effort to be stressed with particular emphasis given to development of informants and sources. Additionally, all logical record checks should be conducted using the names and all known aliases of the fugitives. With the possibility that the three fugitives may now have separated and have varied backgrounds, it is believed that a two-phased fugitive investigation should be conducted; namely, one phase focusing on Patricia Hearst and the second on the Harrises.

Memorandum Bates to Gebhardt
Re: HEARNAP;

San Francisco is preparing a communication for approval to be directed to all offices and Legats capsulizing developments in this case and the \$50,000 available to informants for information leading to the fugitives' location and apprehension on a c.o.d. basis.

NATIONAL PUBLICITY

Recognizing that the fugitives' whereabouts have not been established since 5/17/74, it is believed that a concentrated publicity effort is mandatory. In that regard, these efforts which are recognized as extensive, would include a "Reader's Digest" article similar to that prepared in the Coors kidnaping case, which directly resulted in bringing that matter to a conclusion. Additionally, placement of an article in "True Detective" type magazine is desired as well as utilization of black magazines such as "Ebony."

It is also believed that nationwide television coverage is necessary and hopefully a segment could be prepared for presentation on a program such as "60 Minutes" or the "Reasoner Report." This would necessarily involve complete cooperation and assistance by the FBI in furnishing extensive information re the case and possibly appearances by the Director and top officials in the filming.

Upon approval, WF #475 will be revised containing additional photographs and descriptive data and afforded the widest dissemination. Attached are three photographs each of the Harrises, demonstrating the problem of identification. Additionally, separate Identification Orders will be prepared for Patricia Hearst and Emily Harris. It is noted that no inked fingerprints are available for these two females; however, the limited fingerprints available will be utilized.

While considerable circularization has been made throughout the country, further coverage is deemed desirable. In this regard, using additional photographs and updated information, widespread circularization should be made to abortion clinics, health clinics, divisions of motor vehicles and operator's license sections, day laboring and temporary employment offices, camping areas, camping supply outlets, parks, auto rental agencies, university personnel offices, and others. In order to insure the widest dissemination of information to the "police officer on the street", articles should be published in the "Law Enforcement Bulletin", IACP publications, California Police Association Bulletins, and bulletins of police departments. Additional publicity may also be gained through use of Fraternal Order of Police and other police benevolent or union association publications.

Memorandum Bates to Gebhardt
Re: HEARNAP;

With the possibility that subjects may have fled to Canada or Mexico, circularization through Canadian and Mexican authorities should also be accomplished. For use in circularizing Mexico and areas of the United States where we have a heavily concentrated Mexican-American population, appropriate circulars, Identification Orders, and Wanted Flyers will be prepared in the Spanish language.

REWARDS

Randolph Hearst, Patricia's father, has advised SF he will withdraw his \$50,000 reward. It is apparent that the fugitives are likely receiving assistance in one form or another. In order to induce anyone who is either directly assisting or has knowledge regarding the fugitives, it is strongly believed that a public reward announcement should be instituted. This matter of reward is being pursued by SAC Bates, is being researched at the Bureau and will be the subject of a separate memorandum.

BARRON BROADNAX

[REDACTED] He has been interviewed without success in the past by our Agents. We have learned that he had a parole hearing last week and he was denied parole. We plan to seize on this opportunity and intensively interview Broadnax and his cooperation will be encouraged. Broadnax may well believe, although incorrectly, that the FBI was responsible for his parole being denied. This tact will be exploited to the fullest in our interview.

[REDACTED]

Memorandum Bates Gebhardt
Re: HEARNAP;

INDIANA UNIVERSITY ASSOCIATES

It is noted that to date numerous individuals who attended Indiana University (IU) with William and Emily Harris have been located and interviewed in an effort to develop information regarding the fugitives. [REDACTED]

[REDACTED] The graduates and attendees of IU from the period 1960-1972, who reside in their respective territories, have been targeted by the LA and SF Offices. While nationwide contact with IU alumni of this period is not feasible because of the number of individuals involved, it is believed that face-to-face interviews should be expanded at least into the State of Indiana. By circularizing all IU Alumni clubs nationwide, we can publicize their fugitive status and perhaps elicit some positive information.

MARINE CORPS ASSOCIATES

As William Harris served in the U. S. Marine Corps, it is believed that he, while in a fugitive status, may contact some of his former Marine Corps "buddies". [REDACTED]

[REDACTED] Accordingly, we are rechecking the service record for the identities of former associates and reinterviewing those individuals who have been identified as serving with Harris.

CRIMINAL ACTIVITIES

With the thought that the three fugitives may be involved in some type of criminal activity to support them while in a fugitive status, widescale dissemination of subjects' photographs, descriptive data, and fingerprints will be made to police departments with the request that these individuals be considered as suspects in various crimes, particularly armed robberies. Furthermore, identification sections of major police departments will be requested to compare unidentified latent fingerprints against the known fingerprints of the fugitives. The Bureau's Identification Division will also be requested to conduct similar comparisons where feasible.

[REDACTED]

[REDACTED]

Memorandum Bates to Gebhardt
Re: HEARNAP;

[REDACTED]

As an adjunct to the above, with the possibility of a forthcoming announcement regarding Conditional Amnesty, deserters, Selective Service Act violators, and other fugitives may elect to return to this country. If there is an opportunity, these individuals will be interviewed regarding the offenses allegedly committed by them and in these interviews specific emphasis will be given to determining whether the Hearnap fugitives may have fled to Canada.

SAN FRANCISCO BAY AREA ACTIVISTS

Our SF Office has previously interviewed or attempted to interview known associates of the Harrises. These included Alicia Englander, Cindy Garvey [REDACTED] and Robyn Sue Steiner. These individuals and others of this type to date have been uncooperative. With the thought that the three fugitives may have had additional assistance in their flight, further interrogation of the above individuals will be conducted in an effort to identify any other associates who may reside in the LA area.

MISCELLANEOUS INVESTIGATIVE ACTIVITY

The LA Office is presently obtaining a listing of all employees at the Good Year Tire and Rubber Plant located on East Gage Street in LA, California. This is being done in order to develop a possible connection inasmuch as the fugitives were, on 5/17/74, attempting to locate East Gage Street. Intensive investigation to date, including neighborhood inquiry, has failed to develop the significance of East Gage Street other than the fact it is a major thoroughfare which parallels 54th Street, the scene of the shootout.

The Indianapolis and Chicago Offices are being instructed to thoroughly reinterview all known associates of the Harrises in order to develop any additional possible contacts. The SF Office will do the same regarding those associates of Patricia Hearst.

The Sacramento Office, at the request of SF, is currently exploring the feasibility of obtaining all drivers licenses issued since 5/17/74, so that photographs depicted thereon may be compared against those of the fugitives. Additionally, these drivers licenses will be, if possible, reviewed as to thumb print identifications.

Memorandum Bates to Gebhardt
Re: HEARNAP;

Our LA Office is presently rechecking logical auto or vehicle rental agencies during the pertinent period in an effort to ascertain if the fugitives obtained rental transportation. This is being done inasmuch as a review of the subjects' activities prior to their disappearance revealed they could likely have obtained a rental vehicle, as they utilized four rental cars in the 4/15/74 bank robbery.

Our LA Office is attempting to develop a target from KPFK personnel and/or individuals who have appeared on that radio broadcasting program. This is being done inasmuch as the last tape prepared by the fugitives was furnished to this radio station and no cooperation has been received from this station's staff.

CONCLUSION

It is firmly believed that the concept of a conference such as this one is indeed worthwhile. All of the participants were well prepared, the discussions were open, candid, and the enthusiasm which marked these efforts noteworthy. At a very minimum, the conference afforded an opportunity for the participants to undertake a detailed review of the activities in this case uninterrupted. Hopefully one of the investigative avenues developed from this conference will result in the location and apprehension of the fugitives. Comments were expressed by participants from the LA and SF Offices that the conference will give impetus to this most important case.

HEARNAP
OO: SAN FRANCISCO

Enclosed are two (2) copies of an LHM which sets forth developments in captioned matter since the kidnaping of Patricia Hearst on 2/4/74.

Wanted Flyer 475 regarding the fugitives in this case has been revised in order to include additional photographs and was issued under number 475A and has also been printed in Spanish (475B). In addition, Identification Orders are being prepared for Patricia Hearst and Emily Harris.

All offices are instructed to maintain this matter in a pending status and insure that it is afforded preferred attention from an investigative and supervisory standpoint. Recipient offices should immediately institute the following investigation:

- (1) All criminal, extremist, and security informants should be immediately canvassed and appropriate information contained in the LHM made available to them. During contact of these sources they should be informed that the Bureau is willing to make a sizable cash payment available on a C.O.D. basis for information resulting in the location and apprehension of Patricia Hearst. Substantial payment will also be considered for location and apprehension of the Harrises.

For your confidential information, up to \$50,000 on a C.O.D. basis has been approved for information resulting in the location and

apprehension of Patricia Hearst. This amount should not be disclosed in the course of the above regular informant contacts but should be reserved for your use in the event actual negotiations are entered into with an informant.

(2) The true name and known aliases of all fugitives (see Wanted Flyer 475A) should be checked through the Department of Motor Vehicles, Auto Registration Section and Driver's License Section, by the appropriate offices covering these facilities.

(3) In those states where a photograph and/or a thumbprint are prerequisites prior to obtaining a driver's license, the feasibility of reviewing all licenses issued subsequent to 5/17/74, should be explored since the Harrises have obtained driver's licenses under assumed names in the past. Also, it should be ascertained if thumbprints on new applications can be obtained and furnished to the Latent Fingerprint Section of the Identification Division for appropriate examination.

Where submission of a fingerprint is voluntary and the applicant refuses, particular attention should be afforded such individuals' driver's licenses.

(4) Contact should be made with abortion clinics, health clinics, day labor and temporary employment offices, camping supply outlets, auto rental agencies and university personnel offices where copies of Wanted Flyer 475A should be furnished.

Investigation in this matter should be closely coordinated with investigative and supervisory personnel handling subversive and particularly extremist investigations, since investigation has determined the Harrises were affiliated with extremist organizations and individuals.

The above suggested avenues of investigation are not to be considered all inclusive and recipient offices are to afford this matter self-initiated, imaginative, aggressive, and penetrative investigative attention.

All pertinent information developed should be furnished to the Bureau and the Los Angeles and San Francisco Offices.

HEARNAP

The Symbionese Liberation Army (SLA) came to our attention when they claimed credit for the killing of black Oakland School Superintendent Marcus Foster on November 6, 1973. On January 10, 1974, Joseph Remiro and Russell Little were arrested in Concord, California, following a shooting in the vicinity of a house believed to be occupied by Nancy Ling Perry, Russell Little, and at times, Donald David DeFreeze. Little and Remiro have since been charged with the Foster shooting.

At approximately 9:30 p.m., on February 4, 1974, Patricia Campbell Hearst, daughter of Randolph Hearst, was kidnaped from an apartment at 2603 Benvenue in Berkeley, which she shared with her fiancée, Steven Weed. She was kidnaped by two males, at least one of which was black and a white female. These individuals were armed with automatic weapons and in the getaway, shots were fired from these weapons. The SLA on February 7, 1974, in a letter to a radio station in Berkeley, claimed credit for the kidnaping of Patricia Hearst.

In the following weeks, the SLA communicated with the public and the victim's parents by letters and/or cassettes and made a demand for a massive food give-away program. In tapes received February 16, February 20, March 10, and April 3, 1974, the voice of Patricia Hearst was heard on the tapes.

In the April 3, 1974, tape, Patricia Hearst indicated that she had the option of being released or joining her captors, and she elected to join her captors.

Investigation by the FBI determined that in addition to Remiro and Little, the following individuals were central core members of the SLA, and some of them undoubtedly participated in the kidnaping of Patricia Hearst:

Nancy Ling Perry
Donald David DeFreeze
Patricia Michelle Soltysik
Camilla Christine Hall
William Lawton Wolfe
Emily Montague Harris
William Taylor Harris
Angela Atwood

ENCLOSURE

HEARNAP

On April 15, 1974, Donald David DeFreeze, Nancy Ling Perry, Camilla Christine Hall, Patricia Michelle Soltysik, and Patricia Campbell Hearst held up the Sunset Office of the Hiernia Bank in San Francisco obtaining \$10,692.51. During the robbery, they fired automatic weapons wounding a number of people in and about the bank. They escaped in rental cars. During the robbery, they apparently had a cover car occupied by four individuals with rifles waiting across the street.

Investigation at San Francisco reveals that the subjects remained in San Francisco following the kidnaping until approximately May 9, or in the early morning of May 10, 1974, when they departed for Los Angeles.

On May 16, 1974, William and Emily Harris, while shopping in Mel's Sporting Goods Store in Los Angeles, became involved in a scuffle following a shoplifting by William Harris. As the scuffle moved to the street and a revolver was displayed, an individual believed to be Patricia Hearst fired approximately 27 rounds from an automatic weapon from a van parked across the street from the sporting goods store. The three escaped in the van and subsequently kidnaped at least two individuals and ultimately disappeared on the afternoon of May 17, 1974, on the fringe of the Griffith Park area in Los Angeles after releasing their last hostage.

On the evening of May 17, 1974, Nancy Ling Perry, Camilla Christine Hall, Patricia Michelle Soltysik, Angela Atwood, Donald David DeFreeze and William Lawton Wolfe became involved in a shoot-out with the Los Angeles Police Department and the FBI at 1466 East 54th Street, Los Angeles, and all the above individuals perished.

The HARRISES and Hearst were believed to have been in Los Angeles on May 19, 1974. Their whereabouts since that date is unknown; however, another tape containing their voices was received by a Los Angeles radio station on June 7, 1974.

OBSERVATIONS

Miscellaneous

With one exception, the SLA hardcore was composed of college educated Caucasians from the East Bay area of San Francisco who lived in a frugal style holding down menial jobs. The group was active in prison reform and directed the majority of their contacts with black inmates.

HEARNAP

VEHICLES

The general mode of transportation utilized by the members of the SLA was either rental cars or used vans.

FALSE IDENTIFICATION

Members of the SLA have been known to obtain birth certificates of individuals who are deceased and also birth certificates of individuals who are legitimate living people. They primarily have used identification of living people which was stolen. The HARRISES are known to obtain false driver's licenses in fictitious names.

HOUSING

In the Fall of 1973, and up until approximately January, 1974, the SLA members resided in apartments and houses which were middle-income class areas and following the kidnaping of Patricia Hearst, they resided in extremely low-income areas in apartments and houses that were sometimes without water and electricity. They invariably either boarded up the windows or nailed drapes or other material across the windows so that no light was permitted into the dwelling. They also, on many occasions, installed additional security locks. The houses were generally without furniture and they utilized old mattresses or sleeping bags.

CLOTHING

The members apparently attempted to dress in a quasi-military manner. The girls generally wore blue jeans and peacoats or similar-type jackets and hiking boots. Upon many occasions, they wore two sets of clothing. Most of the SLA pads they abandoned contained wigs, indicating that the women could easily change hair color and styling.

WEAPONS

Our investigation indicates that the members of the SLA have practiced at at least one firearms range in the Berkeley area and possessed automatic pistols, revolvers, sawed-off shotguns, and M-1 carbines, which had been engineered so as to be capable of an extremely high cyclic rate of fire. When last seen, the HARRISES and Patricia Hearst were known to have been in possession of at least two automatic carbines and handguns.

HEARNAP

THE FUGITIVES

The cohesive factors of the SLA in the beginning appeared to be DeFreeze and Nancy Ling Perry. Since these individuals are dead, the possibility certainly exists that the Harrises may have separated themselves from Patricia Hearst. It should be borne in mind that one of the fugitives could be encountered by himself. For this reason, a two-phase fugitive investigation should be conducted; namely, one phase focusing on Patricia Hearst and the second on the Harrises.

PROCESS AND DESCRIPTIONS

The details of the Federal process outstanding for Patricia Hearst, Emily Harris and William Harris and their descriptions, may be found on Wanted Flyer 475A.

INASMUCH AS THE FUGITIVES IN THIS MATTER ARE
KNOWN TO BE CARRYING AUTOMATIC WEAPONS, THEY
SHOULD BE CONSIDERED ARMED AND DANGEROUS.

RE: UTILIZATION OF SUCCINCT SUB-HEADINGS.

THE BUREAU IN BUTEL OF MAY 23, 1974, TO ALL SACS REITERATED PREVIOUS INSTRUCTIONS THAT ALL OFFICES WERE TO INCLUDE, IN ADDITION TO THE USUAL REFERENCE, A SUCCINCT SUB-HEADING AS TO WHAT ASPECT OF THE CASE THE COMMUNICATION PERTAINED TO. BUREAU FURTHER POINTED OUT THAT THIS IS NECESSARY DUE TO THE VOLUME OF MAIL BEING RECEIVED BY THE OFFICE OF ORIGIN AND FBIHQ. THESE SUB-HEADINGS SHOULD BE AS COMPLETE AND AS SPECIFIC AS POSSIBLE TO FACILITATE THE CHANNELIZING OF INFORMATION. BUREAU FURTHER INSTRUCTED ALL OFFICES TO DIRECT PERTINENT COMMUNICATIONS TO THE LA AND SF OFFICES AS WELL AS FBIHQ.

IN VIEW OF RECENT BUAIRTEL WITH LHM TO ALL OFFICES INSTRUCTING THAT ACTIVE INVESTIGATION BE CONDUCTED CONCERNING CAPTIONED MATTER, THE BUREAU IS RESPECTFULLY REQUESTED TO AGAIN BRING TO THE ATTENTION OF ALL OFFICES THE ABOVE INSTRUCTIONS REGARDING THE UTILIZATION OF SUCCINCT SUB-HEADINGS. THIS HAS GREATLY FACILITATED THE HANDLING OF MAIL IN THE SF OFFICE.

RE: WANTED FLYER 475-A CIRCULARIZATION OF COMMUNES.

AS RECIPIENTS AWARE, COMMUNES HAVE BEEN A HAVEN FOR FUGITIVES INCLUDING CRIMINAL AND EXTREMIST TYPE FUGITIVES. DURING INVESTIGATION TO LOCATE WEATHFUGS MANY OF THESE COMMUNES WERE THE SUBJECT MATTER OF INVESTIGATION. THE HARRISES HAVE IN THE PAST ASSOCIATED WITH INDIVIDUALS CONNECTED WITH EXTREMIST ORGANIZATIONS AND IT IS CONCEIVABLE THEY MIGHT SEEK REFUGE IN ONE OF THESE COMMUNES.

WIDE SPREAD CIRCULARIZATION OF WF 475-A TO BUSINESS ESTABLISHMENTS IN THE VICINITY OF SUCH COMMUNES MIGHT POSSIBLY RESULT IN FUGITIVES BEING LOCATED. THIS CIRCULARIZATION SHOULD BE COORDINATED WITH LOCAL AUTHORITIES COVERING THESE PARTICULAR AREAS AND THEIR CO-OPERATION SHOULD BE SOLICITED IN EFFECTING A SATURATION OF THESE AREAS.

SUBJECT: HEARNAP

Reference is made to Mr. Heim to Mr. McDermott memorandum dated 9/24/74 captioned as above.

At 2:00 pm today, [redacted] telephonically contacted SA [redacted] General Investigative Division, regarding the captioned matter as outlined in attached memorandum. [redacted] indicated his desire to stop by and speak with Director Kelley since he [redacted] was in Washington, D. C.; however, when it was pointed out the Director was out of town, [redacted] withdrew his request.

[redacted] expressed his concern with [redacted] apparent disdain for the FBI. He wanted to insure that the Hearsts had been contacted in San Francisco and made to understand that the FBI had no role in the million dollar bond rumor revolving around Patty Hearst. [redacted] was assured that SAC Bates, San Francisco Office, had personally resolved the matter and remains in contact with the Hearsts on a continuing basis in order to prevent similar misunderstandings. [redacted] expressed his gratitude for the FBI's untiring patience and compassion in this case.

This matter was previously called to the personal attention of SAC Bates on 9/24/74. SAC Bates while in Washington, D. C., on 9/30/74 advised he had explained the ramifications of bond and bail to the Hearsts and he intends to continue direct contacts with the Hearsts to rectify any of the misconceptions along these lines.

W.C. 112 7-15200-3187

ASAC John Kelly, San Francisco Office, was telephonically apprised of [redacted] latest inquiry. ASAC Kelly observed that technically a million dollar bond recommendation does exist for Patty Hearst as follows: \$500,000 recommended bond in the Hibernia Bank robbery violation in San Francisco and \$500,000 recommended bond in the National Firearms Act violation in Los Angeles.

HEARNAP

On September 23, 1974, an individual identifying himself as [redacted] telephonically contacted the Director's Office, at which time the call was transferred to the Research Section. [redacted] said that his office address is [redacted]

He said his home telephone number is [redacted] and that [redacted]

[redacted] said that Patty's mother and father, on the West Coast, are very upset because some local authorities are spreading the word that "the FBI has a \$1 million bail on Patty Hearst." He said he tried to explain to Patty's parents that the bail is not set until after a person is arrested, and that any recommendations to the judge concerning bail after arrest are made by the prosecuting attorney and not the FBI.

[redacted] said that he felt that Attorney General William B. Saxbe has something to do with the bail rumor and most likely is trying to "get back" at [redacted]

[redacted] said that he has very high regard for the FBI and wanted us to be aware of the situation in case we had not heard anything about this matter.

This information was telephonically furnished to Supervisor Michael A. Morrow, Personal Crimes Unit, General Investigative Division on September 23, 1974.

FREEMAN HAD BEEN REQUESTED BY CINQUE TO LEAVE THE RESIDENCE TO PURCHASE A STATION WAGON OR VAN FOR THE GROUP AND WAS FURNISHED APPROXIMATELY \$450 TO DO SO BY CINQUE.

DURING REINTERVIEW, FREEMAN PROVIDED INITIALLY THE SAME INFORMATION HE HAD PREVIOUSLY PROVIDED. HE NOTED THAT CINQUE STATED HE AND HIS GROUP HAD COME TO 1466 EAST 54TH STREET ONLY BECAUSE WHILE CRUISING THROUGH THAT AREA, THEY HAD NOTED LIGHTS ON AND MUSIC PLAYING IN THE RESIDENCE. CINQUE STATED THIS INDICATED TO HIM THAT BLACK PEOPLE WERE WITHIN AND WOULD POSSIBLY BE FRIENDLY TO HIM. FREEMAN NOTED CINQUE WAS APPARENTLY UNFAMILIAR WITH THE AREA SURROUNDING 1466 EAST 54TH STREET IN THAT AFTER UNLOADING ONE VAN, HE REQUESTED FREEMAN TO ACCOMPANY HIM IN SEARCH OF A SECOND VAN

PAGE FOUR

LA 7-1627

WHICH CINQUE INDICATED HE HAD PARKED NEAR A FIELD IN THE NEIGHBORHOOD. CINQUE NEEDED FREEMAN TO ASSIST HIM BECAUSE HE COULD NOT RECALL WHERE HE HAD LEFT THE VAN EVEN THOUGH IT WAS LATER DISCOVERED BY FREEMAN THE VAN WAS ONLY A FEW BLOCKS AWAY. FREEMAN ASSISTED CINQUE IN PARKING THE TWO VANS AT AN ABANDONED APARTMENT HOUSE ON EAST 53RD STREET WHERE THEY WERE LATER DISCOVERED BY LOS ANGELES POLICE DEPARTMENT OFFICERS. FREEMAN STATED HE BELIEVES HIS GIRLFRIEND, EMMA LEE LEWIS, AKA MINNIE LEWIS, OBTAINED \$120 PAYMENT FROM CINQUE FOR PROVIDING SHELTER FOR CINQUE AND HIS GROUP.

FREEMAN RECALLS THAT HE INQUIRED OF THE GROUP CONCERNING PATRICIA HEARST'S INVOLVEMENT IN THE BANK ROBBERY IN THE SAN FRANCISCO BAY AREA AND RECALLS THAT WILLIAM WOLFE FIRMLY STATED THAT "HER NAME IS NOT PATTY. IT IS TANIA". AT ONE POINT, CINQUE AND THE OTHER SLA MEMBERS LISTENED TO A NEWS BROADCAST CONCERNING THE SHOOTING INCIDENT AT MEL'S SPORTING GOODS, INGLEWOOD, CALIFORNIA, ON THE EVENING OF MAY 16, 1974. CINQUE STATED HE WAS VERY MUCH INTERESTED IN THE BROADCAST SINCE SOME OF HIS PEOPLE WERE INVOLVED AND THAT "ONE OF THE GUYS TRIED TO STEAL A PAIR OF SOCKS".

PAGE FIVE

LA 7-162

AT THE POINT, FREEMAN WAS REQUESTED TO CHECK A LOCAL GARAGE REGARDING POSSIBILITY OF PURCHASING A STATION WAGON OR A VAN AND WAS ALSO REQUESTED TO OBTAIN A LOCAL NEWSPAPER. WHEN HE RETURNED, FREEMAN STATED HIS INQUIRIES CONCERNING A VAN LOCALLY WERE NEGATIVE AND THAT HE RETURNED TO THE RESIDENCE WITH A COPY OF THE LOS ANGELES TIMES NEWSPAPER. HE AND CINQUE SPENT A GREAT DEAL OF TIME LOOKING THROUGH THE WANT ADS FOR A POSSIBLE VEHICLE FOR PURCHASE WITH NEGATIVE RESULTS. EARLY IN THE AFTERNOON, FREEMAN OBTAINED FUNDS FROM CINQUE AND WAS SENT OUT TO LOOK FOR A VAN AT VARIOUS PARKING LOTS IN THE LOS ANGELES AREA. FREEMAN BOARDED A LOS ANGELES-BOUND BUS NEAR 54TH STREET AND SHORTLY THEREAFTER FELL ASLEEP AND WHEN HE AWOKE FOUND HIMSELF IN CENTRAL LOS ANGELES. BY THIS TIME IT WAS LATE AFTERNOON AND HE BOARDED ANOTHER BUS HEADED IN THE DIRECTION OF THE 54 TH STREET AREA AND ONCE MORE BEGAN DOZING AND THIS TIME WHEN HE AWOKE PEOPLE WERE SPEAKING ABOUT THE POLICE HAVING LOCATED SLA MEMBERS IN THE 54 TH STREET AREA. FREEMAN WENT BACK TO THE AREA SURROUNDING 1466 EAST 54 TH STREET AND STOOD IN THE CROWD WHILE THE GUN BATTLE BETWEEN THE LOS ANGELES POLICE DEPARTMENT AND THE SLA CONTINUED, THEN BEGAN DRINKING

PAGE SIX

LA 7-162

AT VARIOUS LIQUOR STORES AND BARS AND SUBSEQUENTLY RETURNED TO THE CENTRAL LOS ANGELES AREA.

FREEMAN STATED HE HAD PLANNED TO KEEP THE APPROXIMATELY \$450 FURNISHED TO HIM BY CINQUE AND USE IT TO PURCHASE CLOTHES AND A WATCH WHEN THE STORES OPENED ON SATURDAY, MAY 18, 1974. AT APPROXIMATELY 4:00 AM, FREEMAN ENTERED AN ALL-NIGHT PORNOGRAPHIC THEATER, PLANNING TO SLEEP UNTIL STORES OPENED. WHEN HE AWOKE SOMETIME AFTER DAYLIGHT HE DISCOVERED HIS WALLET MISSING. FREEMAN ADAMANTLY DENIED DELIVERY OF ANY MESSAGES BY CINQUE OR ANY OTHER SLA MEMBERS. HE FURTHER DENIED EVER HAVING MET EITHER THE HARRISES OR HEARST AND STATED AT NO TIME DID HE ASSIST SLA MEMBERS IN ANY ENDEAVORS OTHER THAN SEEKING A VEHICLE FOR THEM. HE INDICATED THAT HE HAD SOUGHT A VEHICLE FOR THEM UNDER DURESS BECAUSE CINQUE HAD INDICATED TO HIM THAT IF HE FAILED OR SPOKE TO POLICE CONCERNING THE MATTER OTHER INDIVIDUALS STILL WITHIN THE RESIDENCE AT 1466 EAST 54TH STREET WOULD BE KILLED.

MICKEY COHEN:

THE SAN FRANCISCO DIVISION ADVISED THE FOLLOWING:

aly
[REDACTED] A REPORTER FOR THE "SAN FRANCISCO EXAMINER"
ADVISED THAT ON SEPTEMBER 8, 1974, COHEN WAS IN SAN FRANCISCO.
COHEN INDICATED THAT HE HAD A SOURCE WHO KNEW THE WHEREABOUTS OF
THE FUGITIVES. [REDACTED] FELT THAT COHEN'S SOURCE IS [REDACTED]
[REDACTED]

ON OCTOBER 2, 1974, MRS. CATHERINE HEARST ADVISED THAT THE
HEARST ATTORNEY, JAMES MARTIN MC INNIS RECENTLY MET WITH MICKEY
COHEN IN LOS ANGELES AT WHICH TIME COHEN REPORTEDLY TOLD HIM THAT
A FRIEND OF HIS, [REDACTED] IN LOS ANGELES,
TOLD COHEN THAT HE HAD TWO BLACK FRIENDS WHO KNEW THE WHEREABOUTS
OF PATRICIA HEARST WHO WAS IN CLEVELAND, OHIO, AND THAT FOR
A FEE THEY WOULD KIDNAP HER AND RETURN HER TO SAN FRANCISCO.
MRS. HEARST FURNISHED THE ABOVE IN CONFIDENCE.

ON THE EVENING OF OCTOBER 2, 1974, RANDOLPH HEARST AND HIS WIFE CATHERINE, JR. AND MRS. JAMES MARTIN MC INNIS, MR. AND MRS. BO MONTGOMERY MET IN A LOCAL RESTAURANT AT A MEETING THAT ALLEGEDLY WAS ARRANGED BY MICKEY COHEN. ALSO AT THAT MEETING WAS AN ED LOWPOWELL A DIRECTOR OF THE MISSION REBELS, A YOUTH ACTION GROUP IN SAN FRANCISCO, AND KENNY MARCELAUS (PHD) THE ASSISTANT TO LOWPOWELL. THIS MEETING WAS ALLEGEDLY ARRANGED BY MICKEY COHEN AND DURING THE COURSE OF THE MEETING LOWPOWELL AND MARCELAUS INDICATED THEY WERE UNAWARE OF THE REASON FOR THEIR ATTENDANCE AT THE MEETING OTHER THAN THEY WERE INFORMED THAT MICKEY COHEN DESIRED THEIR ATTENDANCE. LATER IN THE EVENING, RANDOLPH HEARST CALLED MICKEY COHEN IN LOS ANGELES AND SAID THAT HE WOULD GO TO LOS ANGELES ON OCTOBER 3, 1974, AND DISCUSS THE MATTER FURTHER WITH COHEN. HOWEVER, ON OCTOBER 3, 1974, RANDOLPH HEARST STATED HE HAD RECONSIDERED AND FELT THAT NOTHING COULD BE GAINED BY FURTHER CONVERSATIONS WITH COHEN AND, THEREFORE, HE WAS NOT GOING TO LOS ANGELES UNLESS COHEN CALLED HIM BACK AND FURNISHED HIM ADDITIONAL INFORMATION.

ON THIS DATE, AGENTS INTERVIEWED MICKEY COHEN, NOTED FORMER RACKETEER WHO SERVED 11 YEARS IN THE FEDERAL PENITENTIARY, AT HIS APARTMENT, NUMBER 316, 1014 WESTGATE, WEST LOS ANGELES, CALIFORNIA, TELEPHONE NUMBER 478-0606. COHEN WAS ADVISED AGENTS HAD KNOWLEDGE OF HIS POSSIBLE INFORMATION REGARDING THE WHEREABOUTS OF PATRICIA HEARST AND SOLICITED HIS COOPERATION IN THIS MATTER.

COHEN WAS AT FIRST RELUCTANT TO DISCUSS THIS MATTER FOR FEAR IT WOULD JEOPARDIZE HIS SOURCES AND PERSONAL INVESTIGATION.

HOWEVER COHEN SUBSEQUENTLY ADVISED ED MONTGOMERY, A LONG TIME FRIEND AND REPORTER FOR THE SAN FRANCISCO EXAMINER, CONTACT (ED) HIM IN MARCH OR APRIL 1974, AND ASKED HIM TO HAVE ONE OF HIS BLACK SOURCES IN LOS ANGELES INTERVIEW [REDACTED]

[REDACTED] REGARDING THE WHEREABOUTS OF PATRICIA HEARST.

COHEN ARRANGED TO HAVE [REDACTED] OF LOS ANGELES INTERVIEW [REDACTED] BUT NOTHING OF TRUE SIGNIFICANCE RESULTED FROM THE INTERVIEW.

ACCORDING TO COHEN, [REDACTED] REQUESTED HE BE RELEASED FROM PRISON AFTER WHICH TIME HE WOULD PRODUCE PATRICIA HEARST. [REDACTED] WAS NOT PARTICULARLY IMPRESSED WITH [REDACTED]

PAGE SEVENTEEN

COHEN FURTHER RELATED HE HAS BEEN IN TELEPHONIC CONTACT WITH RANDOLPH HEARST ON PERHAPS 40 OCCASIONS. HE LAST SPOKE TO HEARST ON OCTOBER 3, 1974, WHEN HEARST APPARENTLY CHIDED HIM ABOUT DOING THIS FOR THE REWARD. COHEN TOOK OFFENSE AND STATED HE WAS DOING IT FOR MRS. HEARST'S SAKE AND TO REPAY ED MONTGOMERY AND MR. HEARST'S FATHER, WILLIAM RANDOLPH HEARST, SR., FOR FAVORS THEY HAVE DONE FOR HIM IN YEARS PAST. COHEN FURTHER STATED HE KNEW NOTHING OF ANY REWARD THAT WAS BEING OFFERED FOR THE RETURN OF PATRICIA HEARST. HE STATED HE WAS NOT INTERESTED IN A REWARD AND DID NOT NEED THE MONEY.

COHEN RELATED MONTGOMERY HAD GIVEN HIM THE NAME OF A BLACK PERSON IN LOS ANGELES AND ASKED HIM TO CONTACT THIS PERSON CONCERNING PATRICIA HEARST.

COHEN EVENTUALLY LOCATED THIS PERSON AT AN ADDRESS DIFFERENT THAN THAT GIVEN TO HIM BY MONTGOMERY AND HAS SUBSEQUENTLY BEEN IN CONTACT WITH SEVERAL BLACK PEOPLE MOST OF WHOM ARE YOUNG MILITANTS, WHO HAVE INDICATED TO HIM THEY MAY BE ABLE TO PRODUCE PATRICIA HEARST.

COHEN STATED HE HAS DIFFICULTY RELATING TO THESE YOUNG PEOPLE AND HE IS NOT SURE IF THEY ARE LEVELING WITH HIM.

HE STATED HOWEVER THAT ONE PARTICULAR OLDER PERSON HE HAS BEEN IN CONTACT WITH HAS BEEN HELPFUL AND HAS PUT HIM IN TOUCH WITH THE ABOVE PERSONS AND OTHERS.

COHEN SUBSEQUENTLY ADMITTED THIS PERSON IS [REDACTED]

[REDACTED] HE STATED UNLIKE THE YOUNG BLACK MILITANTS SHE SHOWED HIM GREAT RESPECT AND DISCUSSED THIS MATTER FREELY WITH HIM. SHE DID NOT SAY SHE KNEW ANYTHING OF THE WHEREABOUTS OF PATRICIA HEARST, EMILY HARRIS OR WILLIAM HARRIS

[REDACTED]
[REDACTED]
[REDACTED]
COHEN WOULD NOT SAY HOW MANY TIMES HE HAS CONTACTED

[REDACTED] BUT STATED HE SAW HER THREE WEEKS AGO WHEN THEY MET PRIVATELY AND THEY MET SEVERAL TIMES PREVIOUS TO THAT.

COHEN RELATED WHEN HE MEETS WITH HIS SOURCES, HE TRAVELS ALONE WITHOUT HIS DRIVER TO INSURE THE CONFIDENTIALITY OF THE MEETING. HE STATED THIS IS A GREAT INCONVENIENCE TO HIM

LA 7-1627

PAGE NINETEEN

AS HE CANNOT DRIVE AND HE CAN MOVE ONLY WITH GREAT DIFFICULTY WITH THE USE OF A CANE. HE STATED HE CALLS A CAB TO PICK HIM UP AT HIS APARTMENT AND SUBSEQUENTLY TRANSFERS TO OTHER CABS AND A LIMOUSINE FOR THE SUBSEQUENT MEETING. HE STATES HE ALWAYS "STAKES" TI PEOPLE HE MEETS WITH BECAUSE BLACKS MORE OR LESS EXPECT THIS.

COHEN FREELY ADMITS HE MAY HAVE BEEN LEAD ASTRAY BY SOME OF THESE BLACK CONTACTS BUT HE BELIEVES [REDACTED] IS LEVELING WITH HIM.

COHEN STATED HE FEARS IF THE FBI INTERFERES WITH HIS INVESTIGATION AT THIS TIME, IT WILL JEOPARDIZE THE CHANCES OF HIS RETURNING PATRICIA HEARST TO HER PARENTS. HE STATED HOWEVER THAT HE WOULD OTHERWISE OFFER HIS FULL COOPERATION TO THE FBI IN THIS MATTER AND THEY CAN FEEL FREE TO CONTACT HIM AT ANY TIME.

AGENTS ASKED COHEN ABOUT THE SIGNIFICANCE OF CLEVELAND, OHIO, IN HIS INVESTIGATION AND HE IMMEDIATELY STATED HE COULD NOT ANSWER ANY QUESTIONS SUCH AS THAT ONE UNLESS HE COULD GIVE AN HONEST ANSWER SO HE WOULD NOT ANSWER THIS QUESTION. COHEN WAS OBVIOUSLY STARTLED AT THE REVELATION OF THE AGENTS KNOWLEDGE OF CLEVELAND, OHIO AND [REDACTED]

LOS ANGELES IS OF THE OPINION COHEN CAN BE USEFUL IN
OUR INVESTIGATION SINCE HE HAS ESTABLISHED GOOD RAPPOR^DT WITH

[REDACTED] LOS ANGELES INTENDS TO CONTINUE TO CONTACT
COHEN AND ENTICE HIM WITH THE IDEA OF RECEIVING FAVORABLE
PUBLICITY THAT WOULD EMANATE HIS COOPERATION IN RETURNING
PATRICIA HEARST.

COHEN ADVISED THE AGENTS HE IS WRITING A BOOK WHICH HE
WILL ENTITLE, "THE MICKEY COHEN STORY" AND HE CONSIDERED
INCLUDING THE RESULTS OF HIS INVESTIGATION IN THIS MATTER IN
A PHASE OF THE BOOK. THERE WILL ALSO BE A MOVIE MADE OF HIS
LIFE IN WHICH PETER FALK WILL PLAY MICKEY COHEN.

AGENTS RECOGNIZED COHEN IS AN EGOTIST AND THIS CAN BE
USED TO THE ADVANTAGE OF THE FBI IN THIS INVESTIGATION.

SINCE IT APPEARS THAT MICKEY COHEN MAY BE IN A POSITION
AND AGREEABLE TO ATTEMPTING TO OBTAIN INFORMATION FROM [REDACTED]

[REDACTED] SAN FRANCISCO IS REQUESTED TO HAVE MRS. RANDOLPH HEARST
CONTACT MICKEY COHEN BY TELEPHONE AND INDICATE HER INTEREST IN HAVING
HIM ASSIST THE FBI IN THE LOCATION OF HER DAUGHTER. COHEN REPEATEDLY
INDICATED HIS DEEP FEELINGS OF SYMPATHY FOR MRS. HEARST.

LA 7-1627

PAGE TWENTYONE

[REDACTED] WAS
ALSO INTERVIEWED AND PROVIDED THE SAME INFORMATION PROVIDED
BY COHEN [REDACTED] CLAIMED HE HAD NOT BEEN IN TOUCH WITH COHEN.
RE THIS MATTER FOR APPROXIMATELY THREE MONTHS. [REDACTED]
APPARENTLY COOPERATIVE.

CHICAGO (UPI) -- FBI AGENTS BELIEVE THAT THERE ARE NINE MORE MEMBERS OF THE SYMBIONESE LIBERATION ARMY, SOME OF WHOM MAY BE ASSISTING FUGITIVES PATRICIA HEARST AND WILLIAM AND EMILY HARRIS IN ELUDING AUTHORITIES, THE CHICAGO TRIBUNE REPORTED SATURDAY.

IN ITS EARLY SUNDAY EDITIONS, THE TRIBUNE REPORTED THAT IN THE LAST TWO WEEKS A CONFIDENTIAL MEMO WAS DELIVERED TO ALL FBI AGENTS IN CALIFORNIA APPRISING THEM OF A LIST OF NINE SECRET SLA CODE NAMES--INCLUDING A WOMAN NAMED "SARAH" WHO MAY BE THE SLA'S FINANCIAL BACKER.

UNTIL RECENTLY, THE FBI HAD CONSIDERED MISS HEARST, 21-YEAR-OLD HEIRESS TO NEWSPAPER PUBLISHER WILLIAM RANDOLPH HEARST, AND HER TWO CONRADES IN HIDING TO BE THE LAST SURVIVING MEMBERS OF THE RADICAL ORGANIZATION, THE TRIBUNE SAID.

THE SLA LEADER, DONALD DEFREEZE, AND FIVE OTHER MEMBERS DIED MAY 17 IN A FIRE FOLLOWING A POLICE SHOOTOUT AT THEIR HIDEOUT IN LOS ANGELES.

BUT THE NINE OTHER NAMES WERE DISCOVERED IN DETAILED ANALYSIS BY THE FBI OF THOUSANDS OF DOCUMENTS SEIZED FROM PAST SLA HIDEOUTS, THE TRIBUNE SAID. IT SAID THE CODE NAMES WERE FOUND ON A LIST IN DEFREEZE'S HANDWRITING. BEHIND THE NAME "SARAH," WERE SEVERAL REFERENCES TO MONEY, THE REPORT SAID, INCLUDING A DOLLAR SIGN AND THE NOTATION "JANUARY MONEY."

THE TRIBUNE SAID THE OTHER EIGHT CODE NAMES INCLUDED SHAGO, SODIUM, AIKLA, ZOLLA, SEARA, ARCO, BROTHER HI AND M.E.

THE TRIBUNE QUOTED A SOURCE CLOSE TO THE INVESTIGATION AS SAYING THE OTHER SLA MEMBERS WERE "ONE OF THE MAIN FACTORS" IN MISS HEARST AND HER COMPANIONS' SUCCESS IN SLIPPING THROUGH A POLICE DRAGNET.

MISS HEARST, 21, HAS USED THE CODE NAME "TANIA" IN HER AFFILIATION WITH THE SLA, HARRIS THE NAME "TEKO" AND HIS WIFE, EMILY, THE NAME "YOLANDA."

THE THREE ARE WANTED FOR BANK ROBBERY IN SAN FRANCISCO, KIDNAPING AND ASSAULT WITH A DEADLY WEAPON IN LOS ANGELES AND A NUMBER OF OTHER CHARGES.

THE TRIBUNE SAID IT LEARNED FROM FRIENDS OF HARRIS THAT THE FBI HAS LOCATED ONE OR MORE HIDEOUTS USED BY THE THREE AND ESTABLISHED THE PATTERN OF THEIR MOVEMENTS. HOWEVER, HARRIS' FRIENDS TOLD THE TRIBUNE THEY WERE INFORMED BY THE FBI THAT IF THE FUGITIVES SOUGHT REFUGE WITH THEM THEY WOULD NOT BE OBLIGATED TO CONTACT AUTHORITIES UNTIL THE TRIO HAD LEFT.

TO : Mr. Jenkins

DATE: 9/30/74

FROM : Mr. McDermott

SUBJECT: JOHN COLT, REPORTER
THE NATIONAL ENQUIRER
REQUEST FOR MATERIAL FOR
FEATURE ARTICLE ON HEARNAP CASE

In response to Colt's request earlier this month, we have been cooperating with him in furnishing public source type material regarding the Hearnap case. In addition, he was furnished in Heim to McDermott memorandum of 9/24/74, captioned as above, a statement that could be directly attributed to Mr. Kelley, which deals with the fugitive status of Patty Hearst and William and Emily Harris. Colt has been most grateful for this material and feels that the "Enquirer" will be able to do an excellent in-depth feature story on these badly wanted fugitives.

On 9/30/74 Colt, who has returned to his home office in Florida, advised the "Enquirer" staff has been writing the story based on the material he has obtained while visiting at FBI Headquarters. Included in this material is data which he has obtained from briefings with FBI supervisory personnel. He stated quite possibly, based on this other material, the "Enquirer" staff would like to attribute one or two more statements to Mr. Kelley as the article is being prepared to go to press for next week's edition. Consequently, Colt stated he would make a telephonic contact with Mr. Kelley's office directly for the purpose of getting this last minute quote and, quite possibly, it would be on October 2nd or 3rd of this week. Colt stated he felt this request would not last more than a 2 or 3 minute telephone conversation with Mr. Kelley.

RECOMMENDATION

That should Colt contact the Director's office telephonically on October 2nd or 3rd, he be advised of the Director's absence and be referred to Inspector Murphy in my front office. He will be advised to furnish the statements he wishes to attribute to Mr. Kelley and that he will be called back as soon as possible, indicating that these comments can be attributed to the Director. Of course, such statements will be routed through appropriate Divisions and the Director for approval.

Remarks:

It is considered highly likely that the Q1652 through Q1649 cartridges were placed in the trash because the individuals discarding them had no weapons in their possession which would chamber and fire 7.65 mm Mauser and 7mm Mauser cartridges. A listing of such weapons is set forth in this report.

FBI File No. 7-15200
Lab. No. PC-L1162 PR

Specimens received

8/18/74

Q1652-Q1831 One hundred eighty cartridges in 36 stripper clips contained in 12 boxes from trash in basement of 1827 Golden Gate Avenue, San Francisco (1)

Q1832-Q1836 Five cartridges in stripper clip from trash in basement of 1827 Golden Gate Avenue, San Francisco (1)

Q1837-Q1848 Twelve cartridges from trash of basement of 1827 Golden Gate Avenue, San Francisco (1)

Q1849-Q1861 Thirteen pellets from 1808 Oakdale Street, San Francisco (2)

Result of examination:

Specimens Q1652 through Q1847 are 7.65mm Mauser cartridges which have been loaded with 185-grain, copper-jacketed boat-tail bullets. The "ORBEA" headstamps on these cartridges indicate they were manufactured for military use by Cartucheria Orbea, Argentina. Principal weapons adapted to chamber and fire the 7.65mm Mauser cartridge consist of the following: M30 Remington, M54 Winchester, M70 Winchester, M1889 Belgian Mauser, M1890 Turkish Mauser, M1891 Argentine Mauser, M1893 Turkish Mauser, M1903 Turkish Mauser, M1909 Argentine Mauser, M1935 Belgian Mauser, M1936 Belgian Mauser rifles, and various Maxim machineguns.

Specimen Q1848 is a 7mm Mauser cartridge of Remington-Peters manufacture which has been loaded with a 175-grain copper-jacketed, "soft point" bullet. Principal weapons adapted to chamber and fire the 7mm Mauser cartridge consist of the following: Commercial Mausers (D.W.M.), FN Mausers, Husqvarna Mausers, Johnson Semi-auto, Mannlicher-Schoenauers, Mexican Mausers, #5 Remington Rolling Block, M30 Remington, M77 Ruger, M54 Winchester, M70 Winchester,

1892 Spanish Mauser, M1893 Spanish Mauser, M1894 Brazilian Mauser, M1895 Chilean Mauser, M1895 Mexican Mauser, M1895 Spanish Mauser, M1897 Remington R/B, M1898 Mauser, M1902 Remington R/B, M1908 Mondragon semi-Auto, M1936 Mexican Mauser rifles and Chilean Madsen MG, Mexican Mendoza LMG, M1941 Johnson LMG, M1944 Johnson LMG machineguns.

Inked printing on the 12 boxes containing the Q1652 through Q1831 cartridge reads: "SAN FRANCISCO GUN EXCHANGE, 75 FOURTH ST. YU 2-6097, WARNING-KEEP OUT OF THE REACH OF CHILDREN." These cartridges are Argentine military surplus and were probably sold by the San Francisco Gun Exchange.

Numerous microscopic marks are present on the Q1652 through Q1848 cartridges. However, it cannot be determined if all these markings were produced by the accompanying stripper clips or if some of these markings were possibly produced by the mechanism of a weapon(s). Nothing was found to indicate that any of the above were reloads.

Specimens Q1849 through Q1861 consist of thirteen copper and brass-plated B-B shot which bear no marks of value for identification with a weapon.

All of the above-listed specimens are being temporarily retained in the laboratory for future comparison purposes.

7.65mm MAUSER

RIFLE: Argentine Mauser 91
BARREL: 29" TWIST: 1-10
CASES: Reformed .30-06 G.I.
PRIMERS: CCI 200, CCI 250

The 7.65 Belgian Mauser is a military cartridge which has been used by Belgium, Ecuador, Argentina, Turkey, and Peru. The primitive Model 1891 Mauser action carries its cartridges in a single row magazine forward of the trigger guard. The action is an odd looking one which has been imported in large numbers as various governments have got rid of obsolete calibers.

There were two military loadings. As used by Belgium and Ecuador, a 215 gr. bullet was given a muzzle velocity of 2,034 fps. As used by Turkey, Argentina, and Peru, a 154 gr. bullet was given a muzzle velocity of 2,788 fps. Velocity figures for both bullet

weights were taken in 30" barrels and would be very much less in 24" barrels.

The cartridge is similar in size to the .300 Savage or the .308 but it cannot be loaded to pressures as high because of the relatively weak Model 91 action which should not be used with pressures much over 40,000 p.s.i. The bullet is oversize .30, or .311" — .313" diameter. The .308" 100 gr. "Plinker" bullet can be used if the expander is changed to .307" diameter.

The loads given below seem satisfactory but all of them should be used with circumspection, starting at the minimum load given and working up slowly. The 7.65 has never been popular as a hunting cartridge but should be adequate in a good rifle for deer, black bear, and similar game.

7.65x53 Mauser

Historical Notes Mauser-designed for the 1889 Belgian pattern rifle, the 7.65mm was also adopted by Argentina, Bolivia, Columbia, Ecuador, Peru and Turkey. In the United States, Remington and Winchester loaded sporting ammunition and furnished rifles in this caliber until about 1936. It has been obsolete in the U.S. since that time, but sporting ammunition has always been loaded in Europe. The Remington Model 30 and Winchester Model 54 bolt action rifles were chambered for the 7.65mm and it enjoyed a limited popularity for a few years. With the influx of 1891 Argentine Mauser military rifles, it is having another go-round on the American market.

designed cartridge and gives excellent performance for North American hunting. In power it is somewhere between the .30-40 Krag and the .30-06, which makes it adequate for anything except possibly the big brown bears in close cover.

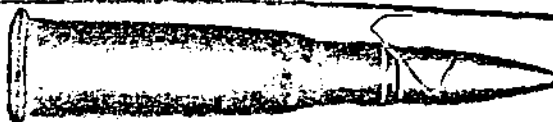

Primers are Berdan 5.5mm or .217", a size available in several European makes. Occasionally one encounters discontinued American made cases or ammunition, and these use large rifle (.210") primers. Cases can be made from empty .30-06 brass by using case forming dies available from several American manufacturers. Bullet size is .313", but .311" or .312" diameter bullets will give satisfactory accuracy. This cartridge case is also similar to the 7.7mm Arisaka and these can be used to form 7.65mm brass. Norma-made cases and loaded ammunition are now imported with Boxer primers.

General Comments The 7.65mm Mauser is a well-

8x50R Lebel

Historical Notes The 8mm Lebel was the first small bore smokeless powder military cartridge developed by any world power. The cartridge and the Lebel bolt action rifle were both adopted in 1886. Its rimmed case was not well-adapted to automatic arms so it was replaced by the rimless 7.5mm round in 1936. Remington manufactured Lebel rifles and ammunition for the French government during WW I. When the war ended all the surplus was sold commercially and Remington turned out sporting ammo with a 170-gr. bronze pointed bullet. No sporting rifles have been made in this caliber.

General Comments Probably more 8mm Lebel rifles

were sold during the 1920's and 30's than following WW II. The Remington factory products were all brand new and in perfect condition, which is more than can be said for the more recent war surplus models that have shown up. The 8mm Lebel cartridge is in about the .30-40 Krag class and makes a fine caliber for deer through elk hunting. Remington still lists 8mm Lebel sporting ammunition and it can be purchased in most of the larger cities. Plenty of good .323" bullets are available and American cases can easily be reloaded. Military cases have Berdan primers of .199" or .216" size and are not very practical to reload.

History and Development

The only known lot of ammunition reported made in this special calibre was produced by Winchester in 1914. The only cases reported or observed are headstamped W.R.A.CO. M A 1914. The cartridge is listed in Winchester records as "7.65mm Argentine Navy Match" and the only recorded bullet weight and type are as listed above. The cartridge is considered a rare collector's item. In mid-1963 a single specimen sold for at least \$50.00.

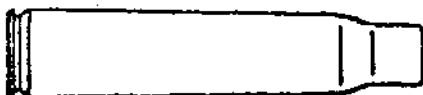

Cases measured by the writer, with the one exception of length, were identical to the standard 7.65 x 54 Mauser. The rifles for this match cartridge may have been custom made or were the M1909 Mausers re-chambered for the cartridge.

History and Development

The 7.65mm Mauser is the world's second oldest rimless military cartridge. It was originally chambered for

the M1889 Belgian Mauser. The M1889 and other pre-M93 Mausers are readily identified by the lack of front-ocking lugs and the straight box magazine which projects below the stock. The M93 and later models have a staggered magazine and a floor plate flush with the stock bottom. The M93 Turkish is a M93 Spanish Mauser except for calibre. Turkish models are equipped with a Mauser rarity—a magazine cut-off. Models with dates after 1900 are modified M98's.

The 7.65mm Mauser is an excellent calibre and is still the first-line Argentine calibre. Other countries like Turkey are now using rifles in other calibres like the 7.92 x 57 Mauser in addition to stocks of 7.65 Mausers. Belgium has adopted the 7.62mm NATO but still has large stocks of 7.65mm Mausers.

Most of the various Mausers were made in Germany or Belgium though Argentina, one of the few South American countries with facilities for arms and ammunition manufacture, has manufactured some Mausers.

The cartridge, beginning in 1900, was manufactured in the states by Winchester and possibly other ammunition companies. Though chambered for the modified Enfield M30 Remington and Winchester's M54 and M70, the cartridge was never very popular in the United States. Manufacture of the 7.65mm cartridges was not resumed after World War II in the United States. Recently surplus dealers have offered surplus Argentine Mausers for sale. Most of the ammunition now be-

ing offered is full-metal-jacketed service rounds.

Notes and Comments

This is a cartridge which, with adequate bullets, can be used for all North American game with the possible exception of moose, elk and brown bear.

handloader has a considerable variety of bullets at his disposal, ranging from the 115 gr. hollow point varmint slug to the 175 gr. semi-spitzer, designed for heavier North American game.

The 130 grain bullet is an excellent varmint bullet and the 145 gr. bullet a very good one for deer, sheep, antelope and game of similar size. For an all-around bullet, the 160 gr. is hard to beat.

The 7mm combines fine accuracy and good killing power with light recoil. In the hands of a good shot it can be used very nicely on any North American big game with the possible exception of Alaska

Brown bear. Since the recoil is noticeably less than that of the .30/06 and .270, it is an ideal cartridge for the recoil sensitive man or woman. The 7mm is ideal for a light mountain rifle or a light saddle rifle, because a light 7mm can be built to weigh at least a pound or so under the weight of a .270 or .30/06 without having objectionable recoil.

At the present time, the handloader should take great care with the 7mm, because case capacity varies and cases differ considerably. Remington cases are a good deal heavier than those made by Winchester and give much higher pressures with the same loads.

History and Development

The 7mm Mauser cartridge was developed by the Deutsche Metallpatronenfabrik in Karlsruhe (after 1896 the Deutsche Waffen und Munitionsfabrik) and Waffenfabrik Mauser of Oberndorf a.d. Neckar for the Spanish government about 1892 for the single-line box-magazine M1889 Mauser bolt-action. In 1893 the Spanish government adopted an improved version of the M1889 (Spanish M92) which used a staggered box magazine contained entirely within the stock. This was the first rifle to utilize this type magazine.

The standard 7mm service cartridge for many years was the 172.8-gr. round-nose metal jacketed bullet pushed by 38.6 grs. of smokeless leaf-type powder to a muzzle velocity of 2,388 f.p.s. in the standard 29.06" barrel. Muzzle energy was approximately 2,150 f.p. Muzzle velocity in the 17.95" carbine barrel was 2,182 f.p.s. Muzzle energy was about 1,735 f.p.

Spanish troops armed with 7mm Mausers fought a few U.S. Regulars

armed with 30-40 Krag and volunteers equipped with black-powder M1873 Springfield Single Shot rifles during the Spanish-American War. The only U.S. volunteer regiment known to be equipped with Krag was the First Volunteer Cavalry as Teddy Roosevelt's "Rough Riders" were officially designated. Some Rough Riders carried 30-40 Krag lever-action box-magazine M95 Winchesters which they purchased themselves.

The superiority of the clip-loading Mausers over the Krag which loaded by the "side-door" method—a method already obsolete when we adopted it—was obvious. Five years after the war ended we adopted a Mauser in 30 calibre. Both the 30-03 and the 30-06 case were nothing but the 7mm Mauser case necked up to 30 calibre as the 7mm case was the 8mm Mauser case necked down to 7mm calibre. The present 7.62mm NATO case is another version of the 7mm case.

If the 30-06, the 8mm Mauser and the 303 British were the standard calibres for the "Great Powers" then the 7mm Mauser was the standard cartridge for more minor powers than any other single calibre. Nearly every country from the Rio Grande south to Terra del Fuego adopted a Mauser in 7mm calibre. Notable exceptions were Argentina and Guatemala with the 7.65mm Mauser.

Though Spain had long lost her political power over Latin America, the emotional, economic and religious ties were close. Germany seeking trade expansion and Germans seeking settlement in the underdeveloped countries

had an increasingly great influence in Latin America. Mauser salesmen were not backward in promoting the excellent products of the brothers Mauser.

Today, the 7mm is trending towards obsolescence both as a sporting and military round. Many countries formerly armed with 7mm's now use American Garands in 30-06 calibre.

Remington, after the Spanish-American War, sold 30,000 Remington-Lee Military rifles to the so-called Cuban Republic. Some countries like Mexico which adopted the M95 Mauser in 7mm calibre purchased large quantities of Remington Rolling Block single-shot rifles and carbines.

The 7mm cartridge was probably first loaded in the United States by Union Metallic Cartridge Company. Winchester began 7mm cartridge manufacture in 1899.

The 7mm did not come into general use as a sporting cartridge in the United States until after World War I when Remington chambered its civilian (M30) version of the M17 Enfield for the cartridge. Winchester chambered its excellent M54 bolt-action and its even better M70 for the calibre. M70 production in 7mm was discontinued during the 1950's. *Outdoor Life* gun editor Jack O'Connor purchased the last M70 in 7mm calibre.

Notes and Comment

The 7mm never achieved widespread acceptance in this country but it has long had a very devoted coterie of followers. Two weights of bullets, the 139-gr. and the 175-gr. were available

until the 1930's when the 139-gr. was discontinued. This was an excellent bullet for use on medium game up to 300 yds. The 175-gr. softpoint round nose is primarily a short range timber load for deer and bear. An expert rifle man, under fair conditions, can take anything on this continent with a 175-gr. bullet.

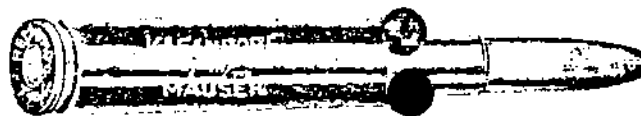

The 7mm or one of its improved versions like the 7mm Ackley Improved can be made up into a light-weight rifle which is handy to carry, is accurate and has no recoil objectionable to women or youngsters.

The 7mm was the favorite of the late elephant poacher D. W. M. "Karamojo" Bell who took over 1,000 elephants with his 303 British and 7mm Rigby. This feat of Bell's is almost invariably advanced as an argument by small-bore high-velocity advocates.

7mm Mauser

Historical Notes Developed as a military cartridge by Mauser and introduced in 1892, it was adopted by the Spanish government and chambered in a limited quantity of Model 92 Mauser bolt action rifles which were a modification of the Belgian pattern 89. In 1893 Spain adopted a new model Mauser in this same caliber. This rifle has been called the Spanish Mauser ever since, although it was also adopted by Mexico and a number of South American countries. Remington chambered their rolling block and Lee rifles for the 7mm about 1897 and later the Model 30. The Winchester Model 54 and 70 also chambered it. No American company makes rifles for it at the present time, but most of the European and British companies offer it as standard.

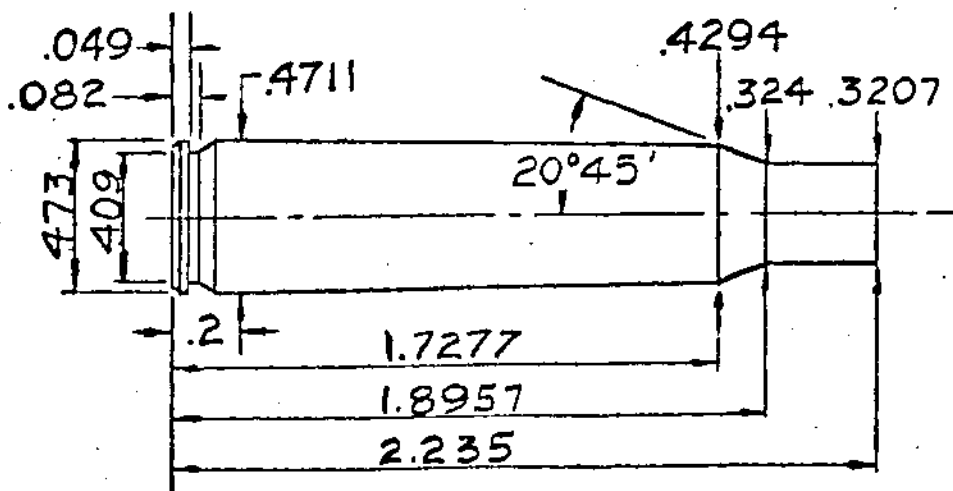

the best all-round sporting rounds ever developed. It is particularly useful in lightweight rifles because it delivers good killing power with moderate recoil. It has been used successfully on every species of big game on earth, including elephant. However, it is an elephant cartridge in the true sense of the term and its success is due largely to the hunting conditions and ability of the hunters who have used it. Ballistically, it is only slightly less powerful than the .270 Winchester or the .280 Remington. It is adequate for most American big game, but is perhaps on the light side for Kodiak bear or moose unless used by an experienced hunter. The 7mm Mauser was discontinued in American-made rifles about 1940 due to lack of popularity. Since the end of World War II it has become increasingly common due to the influx of surplus 7mm military rifles and the better bullet selection offered by Norma and U.S. makers.

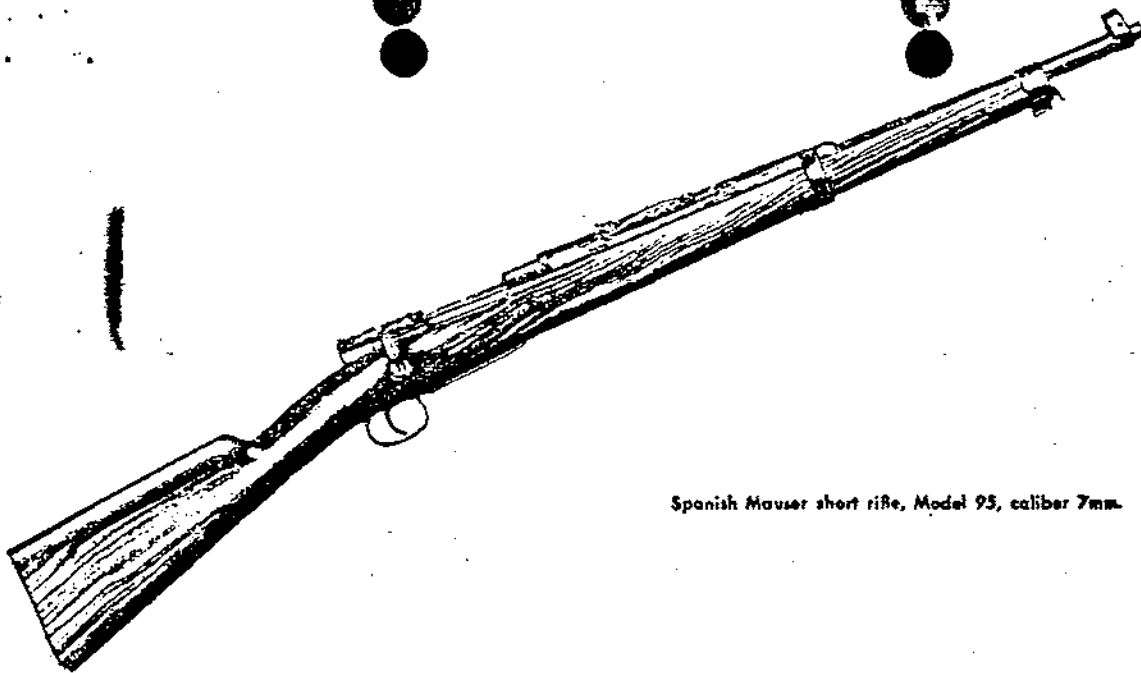

General Comments Although originally a military cartridge, the 7x57mm Mauser has proven itself as one of

7x57 Mauser

Historical Notes The 7x57mm Mauser is another cartridge that, although designed as a military round, was widely adapted to sporting purposes. Contrary to what most cartridge books say, it was not introduced in 1893. It was actually developed in 1892 and used in a limited number of Model 92 Mauser rifles, a modification of the Belgian-Mauser pattern of 1889. In 1893 Mauser introduced an improved bolt action rifle in 7x57mm caliber which was officially adopted by the Spanish military. Subsequently, minor modifications of this 7mm rifle were adopted by other European and many Latin-American governments.

The original 7mm military round employed a 173-gr. bullet with a muzzle velocity of 2296 fps and an energy of 2025 ft. Other loadings were used by various countries with bullets ranging in weight from 139 grs. up to the original 173-gr. Those on which data is available are listed below.

Model 93 Mauser rifles in 7mm caliber were used by Spanish troops during the Spanish-American war. The effectiveness of this combination against American forces was responsible for the eventual adoption of the

Mauser-system 1903 Springfield rifle. San Juan Hill was defended by only about 700 Spaniards armed with the new Mauser 7mm rifles, but they inflicted some 1400 casualties on the 15,000 Americans who attacked their position.

General Comments There has been a large influx of surplus 7mm military rifles since the end of WW II. Many who purchase these immediately want them altered to some more familiar American sporting caliber. This is actually foolish because the 7x57mm is one of the best all-round calibers available for North American big game. With the proper bullet for the job at hand, the 7mm will handle any big game found here. It might not be the choice for grizzly bear in heavy brush, but in the hands of an experienced hunter it will be far superior to the old .30-30 for any purpose. If the barrel is in good shape it is best to leave 7mm military rifles in their original caliber. 7x57 loading data is in chapter 1.

Enclosed for your review is a copy of the Symbionese Liberation Army's statement defining some of the basic concepts of that organization. The S. L. A. has kidnapped the daughter of Randolph Hearst and is holding her until certain demands are met, which at this date include distribution of food to poor people in the San Francisco area. This dramatic act of the S. L. A. has brought to the surface the plight of poor and oppressed people throughout the United States.

It is interesting to note that the Hearsts came to North America from Scotland in 1689, one of the original families that stole Indian lands in North Carolina and later in Missouri. Expropriation of Indian land and silver mines in Missouri gave the Hearsts power to "acquire" Indian lands in the Southwest and to participate in the Mexican - American war of conquest. The Hearst empire expanded to California during the 1800s with the annexing of huge land reserves. Hearst's mining enterprises were rampant in the Black Hills of Dakota, precipitating and supporting the military aggression against the Oglala Sioux Nation. Hearst's mining interests in the U.S. and South America have contributed greatly to the imperialistic behavior of the United States.

The Hearst family used their vast control of the press and media to precipitate the Spanish - American war for the "liberation of Cuba". In the early 1900s it was the Hearst publications that fomented pro-fascist movements in the United States, and later it was this same organization that supported Hitler and his Nazi party.

The Hearst organization was instrumental in inciting the Western population to incarcerate Japanese - Americans in concentration camps during World War II. Hearst newspapers and radio stations have continually supported the Vietnam war and the bombing of Cambodia. In addition the Hearst system has always supported Nixon and his policies. There is no doubt that Hearst and his organization have had a founding role in the formation of what America has become today.

Please review the enclosed S. L. A. statement of purpose and ask yourself who is truly guilty of crimes against the people.

THE SYMBIONESE FEDERATION & THE SYMBIONESE LIBERATION ARMY

DECLARATION OF REVOLUTIONARY WAR & THE SYMBIONESE PROGRAM

AUGUST 21, 1973

The Symbionse Federation and The Symbionese Liberation Army is a united and federated grouping of members of different races and people and socialist political parties of the oppressed people of The Fascist United States of America, who have under black and minority leadership formed and joined the Symbionese Federated Republic and have agreed to struggle together in behalf of all their people and races and political parties interest in the gaining of FREEDOM and SELF DETERMINATION and INDEPENDENCE for all their people and races.

The Symbionese Federation is NOT A GOVERNMENT, but rather it is a united and federated formation of members of different races and people and political parties who have agreed to struggle in a UNITED FRONT for the independence and self determination of each of their races and people and The Liquidation of the Common Enemy.

And who by this federated formation represent their future and independent pre-governments and nations of their people and races. The Symbionese Federation is NOT A PARTY, but rather it is a Federation, for its members are made up of members of all political parties and organizations and races of all the most oppressed people of this fascist nation, thereby forming unity and the full representation of the interests of all the people.

The Symbionese Liberation Army is an army of the people, and is made up of members of all the people. The S. L. A. has no political power or political person over it that dictates who will fight and die if needed for the freedom of our people and children, but does not risk their life or fight too for our freedom, but rather the S. L. A. is both political and military in that in the S. L. A. the army officer, whether female or male is also the political officer and they both are the daughters and sons of the people and they both fight as well as speak for the freedom of our people and children.

The Symbionese Federation and The Symbionese Liberation Army is made up of the aged, youth and women and men of all races and people. The name Symbionese is taken from the word symbiosis and we define its meaning as a body of dissimilar bodies and organisms living in deep and loving harmony and partnership in the best interest of all within the body.

We of the Symbionese Federation and The S. L. A. define ourselves by this name because it states that we are no longer willing to allow the enemy of all our people and children to murder, oppress and exploit us nor define us by color and thereby maintain division among us, but rather have joined together under black and minority leadership in behalf of all our different races and people to build a better and new world for our children and people's future. We are a United Front and Federated Coalition of members from the Asian, Black, Brown, Indian, White, Women, Grey and Gay Liberation Movements.

Who have all come to see and understand that only if we unite and build our new world and future will there really be a future for our children and people. We of the People and not the ruling capitalist class, will build a new world and system. Where there is really freedom and a true meaning to justice and equality for all women and men of all races and people, and an end to the murder and oppression, exploitation of all people.

We of the Symbionese Federation and The S. L. A. are the children of all oppressed people, who have decided to redefine ourselves as a Symbionese Race and People. Yet, recognizing the rich cultures of each and enforcing our rights to existence of our many cultures within a united federation of independent and sovereign nations, each of them flourishing and protected by its own laws and codes of self determination.

We are of many colors, but yet of one mind, for we all in history's time on this earth have become part of each other in suffering and in mind, and have agreed that the murder, oppression and exploitation of our children and people must end now, for we all have seen the murder, oppression and exploitation of our people for too long under the hand of the same enemy and class of people and under the same system.

Knowing this, the Symbionese Federation and The S. L. A. know that our often murderous alienation from each other aids and is one of the fundamental strengths behind the ruling capitalist class's ability to murder and oppress us all. By not allowing them to define us by color, and also recognizing that by refusing ourselves to also internalize this false division definition, knowing that in mind and body we are facing the same enemy and that we are all comrades of one people, the murdered and oppressed, we are now able to become a united people under the Symbionese Federation and make true the words of our codes of unity that **TO DIE A RACE, AND BE BORN A NATION, IS TO BECOME FREE.**

Therefore, we of the Symbionese Federation and The S. L. A. DO NOT under the rights of human beings submit to the murder, oppression and exploitation of our children and people and do under the rights granted to the people under The Declaration of Independence of The United State, do now by the rights of our children and people and by Force of Arms and with every drop of our blood, Declare Revolutionary War against the Fascist Capitalist Class, and all their agents of murder, oppression and exploitation. We support by Force of Arms the just struggles of all oppressed people for self determination and independence within the United States and The World. And hereby offer to all liberation movements, revolutionary workers groups, and peoples organizations our total aid and support for the struggle for freedom and justice for all people and races. We call upon all revolutionary black and other oppressed people within the Fascist United States to come together and join the Symbionese Federation and fight in the forces of the Symbionese Liberation Army.

THE GOALS OF THE SYMBIONESE LIBERATION ARMY.

1. To unite all oppressed people into a fighting force and to destroy the system of the capitalist state and all its value systems. To create in its place a system and sovereign nations that are in the total interest of all its races and people, based on the true affirmation of life; love, trust, and honesty, freedom and equality that is truly for all.
2. To assure the rights of all people to self determination and the rights to build their own nation and government, with representatives that have shown through their actions to be in the interest of their people. To give the right to all people to select and elect their own representatives and governments by direct vote.
3. To build a people's federated council, who will be a male and female of each People's Council or Sovereign Nation of the Symbionese Federation of Nations, who shall be the representatives of their nations in the forming of trade pacts and unified defense against any external enemy that may attack any of the free nations of the federation and to form other aids to each other's needs.
4. To aid and defend the cultural rights of all the sovereign nations of the Symbionese Federation, and to aid each nation in the building of educational and other institutions to meet

and serve this need for its people.

5. To place the control of all the institutions and industries of each nation into the hands of its people. To aid sovereign nations of the federation to build nations where work contributed concretely to the full interest and needs of its workers and the communal interest of its communities and its people and the mutual interest of all within the federation of nations.
6. To aid and defend the rights of all oppressed people to build nations which do not institute oppression and exploitation, but rather does institute the environment of freedom and defends that freedom on all levels and for all of the people, and by any means necessary.
7. To give back to all people their human and constitutional rights, equality, equality and justice and the right to bear arms in the defense of these rights.
8. To create a system where our aged are cared for with respect, love and kindness and aided and encouraged to become assets in their own ways to their nations and to their communal community. That the life that moves around them is not a frightening and murderous one and where life is not a fear, but rather one of love and feeling and of unity.
9. To create a system and laws that will neither force people into nor force them to stay into personal relationships that they do not wish to be in, and to destroy all chains instituted by legal and social laws of the capitalist state which acts as a reinforcing system to maintain this form of imprisonment.
10. To create institutions that will aid, reinforce and educate the growth of our comrade women and aid them in making a new true and better role to live in life and in the defining of themselves as a new and free people.
11. To create new forms of life and relationships that bring true meanings of love to people's relationships, and to form communes on the community level and bring the children of the community into being the responsibility of the community, to place our children in the union of real comradeship and in the care and loving interest of the revolutionary community.
12. To destroy the prison system, which the capitalist state has used to imprison the oppressed and exploited, and thereby destroy the love, unity, and hopes of millions of lives and families. And to create in its place a system of comradeship and that of group unity and education on a communal and revolutionary level within the community, to bring home our daughters and sons, and sisters and brothers, fathers and mothers and welcome them home with love and a new revolutionary comradeship of unity.
13. To take control of all state land and that of the capitalist class and to give back the land to the people. To form laws and codes that safeguard that no person can own the land, or sell the land, but rather the nations' people own the land and use it for their needs and interest to live. No one can own or sell the air, the sky, the water, the trees, the birds, the sun, for all of this world belongs to the people of this earth.
14. To take controls of all buildings and apartment buildings of the capitalist class and fascist government and to totally destroy the rent system of exploitation.
15. To build a federation of nations, who shall formulate programs and unions of actions and interests that will destroy the capitalist value system and its other anti-human institutions and who will be able to do this by meeting all the basic needs of all of the people and their nations. For they will be all able to do this because each nation will have full control of all of its industries and institutions and does not run them for profit, but in the full interest

of all the people of its nations.

- 16. To destroy all forms and institutions of Racism, Sexism, Ageism, Capitalism, Fascism, Individualism, Possessiveness, Competitiveness and all other such institutions that have made and sustained capitalism and the capitalist class system that has oppressed and exploited all of the people of our history.

By this means and the mutual aid and unity of each nation within The Symbionese Federation, will each nation be able to provide to each person and couple and family free of cost the five basic needs of life, which are food, health care, housing, education and clothing, and in this way allowing people to be able to find and form new values and new systems of relationships and interests based on a new meaning to life and love.

THE UNITED SYMBIONESE WAR COUNCIL

TERMS OF MILITARY/POLITICAL ALLIANCE

Our commitment to the revolutionary struggle for self-determination for all oppressed people and races and the international proletarian revolution is total and fully uncompromisable. Therefore, any relationship the Symbionese War Council has with any group or organization is based on their active military/political commitment to the goal of gaining freedom for all oppressed people and races.

1. Our alliance with any group or organization is based upon their firm decision to fight as well as talk in behalf of the people's interest, and once this commitment is clear then we can come together in order to:
 - 1) collectively develop a common strategy
 - 2) work together to develop tactical co-ordination
 - 3) Assist each other in developing the abilities and talents of all the members of the Symbionese War Council and to analyze the strengths and weaknesses of the leadership in order to constantly better all aspects of the ability and actions of the War Council, and its individual leadership from other organizations.
2. Command positions of The War Council are subject to the approval of all members of the council, based upon the military/political thinking and ability of the presented officer to work with others in the interest of freedom for all people and races.
3. Command positions in The War Council are not appointed by one who knows, one's sex, one's color or by the group or organization one belongs to, but only by one's Courage, Determination, Intelligence, Aggressive Initiative and Capability as a Leader and one's Military/Political thinking.
4. All members of the War Council are expected and fully are responsible for the military/political leadership of The S. L. A., they must fight and speak for the people and this must be understood clearly by all members.
5. No member of The War Council can elect or select himself or herself to a position such as the head of a government or people's council; the War Council is totally an alliance OF WAR AGAINST THE COMMON ENEMY. The people themselves shall have and hold the ONLY RIGHT to select and elect their governments and government heads of state.
6. It is NOT the policy of the War Council to rip off leadership or membership from other organizations, but rather it is the policy of The War Council to aid and support the development and education of leadership to fulfill truly its responsibility to the people, and to allow the collective intelligence, leadership and resourcefulness of the leadership from different organizations and groups to flourish together and grow together; thereby forming an area where the collective interests and needs as well as weaknesses and strengths of each can benefit each IN THE COMMON STRUGGLE TO LIQUIDATE THE COMMON ENEMY.
7. A successful military force is a necessity for actualizing political goals and must therefore be held as a priority; therefore, the true assistance in the supplying of military equipment, materials, finances, personnel is of the utmost importance, once these forces have fully committed themselves to open and total warfare against the common enemy and members of The War Council must understand this clearly.

8. Leadership of any group or organization who is truly committed and in agreement with the goals of the S. L. A. and the terms of military/political alliance may be presented to The War Council; however, the presented officer's membership is not confirmed until it is verified that prior to presentation for membership a combat action has been taken part in by that group, or organization within the last 12 months.
9. Once The War Council collectively agrees to an action or plan of strategy, then that action shall be understood as an action of The S. L. A., and not of any single group or organization. Just as the fingers cannot call themselves a fist, and the fist cannot call itself the fingers. From time to time the membership on The War Council may disagree upon a particular action or strategy. When in disagreement, that particular membership need not participate in The S. L. A. action, but membership on The War Council is maintained only as long as all commitments made to the collective Symbionese War Council are continued to be fully adhered to. It is the disagreeing group or organization's responsibility to, on its own, prove out their ideas in order to change or modify its own or The collective War Council's direction.
10. It is the policy of The War Council not to involve itself in the internal political affairs of disagreements that may result within different organizations or groups. However, The War Council recognizes and accepts membership to the Council of any military/political unit, cell or organization that qualifies and shall recognize them as true representatives of that particular organization or group. It is the collective policy of The War Council that the failure of the elected leadership to take her or his revolutionary responsibility as far as The War Council is concerned shall be totally the responsibility of the elected leader and not that of The War Council.
11. Organizations or groups that wish to serve in combat units must select two persons, one female and one male (if possible), who have full responsibility and authority to act and represent their group or organization and who will hold a command position in the unified command of The United Symbionese War Council.
12. All members of The Symbionese War Council must clearly understand that our commitment is total and our goal is the total freedom of the people and children and the destroying totally of the common enemy. Therefore, it is held that any restraining of supplies or other war materials etc. for political reasons or reactionary reasons or political chess games with the enemy, by any officer or other persons in The War Council that by its actions endangers the lives of the women and men of The Symbionese Liberation Army shall be held as a full and total violation of this alliance pact and compromising with the enemy and the freedom and life of the people and children and therefore is punishable by death.

TO THOSE WHO WOULD BEAR THE HOPES AND FUTURE
OF THE PEOPLE, LET THE VOICE OF THEIR GUNS
EXPRESS THE WORDS OF FREEDOM.

S. L. A.

TACTICAL SUPPORT UNITS

Each cell of The S. L. A. TACTICAL SUPPORT UNITS is composed of elements of other organizations and groups and individuals. Under the strategy of The S. L. A. it is totally impossible to follow the egotistic aspirations of many leaders of political organizations, since they continue to organize new organizations every time one falls apart, when they fail to understand that the people always organize to fight the enemy; and when leaders fail to start the fight, then the people fall from that organization.

To continue in this manner is totally reactionary, egotistic, opportunist and anti-revolutionary, since to do so only allows for the continued grouping and regrouping of the same revolutionary people for the fight that never comes and with the only purpose of organizing.

This is totally anti-revolutionary, for within the true purpose of revolution there is only TWO DEEP PURPOSES: TO DESTROY THE ENEMY AND FREE THE PEOPLE. This in itself means the need for an army of the people that fights the enemy.

In order to organize, one must organize in support of something, one does not organize in support of having or belonging to or just to organize, but rather one must have a purpose to organize around, and since in revolution it is the purpose to organize to fight the enemy and to support those that fight on the front lines, it is then clear that the people organize to fight and destroy the enemy. They do not organize to fight the enemy and then when it comes time to fight, claim that to fight the enemy will endanger the organization, for this would show them to be lovers of positions and the organization and not true revolutionaries that love the people and children.

Since you as members of the people have organized to fight the enemy, for the reason that you are and do love the people, then it is clear to you where your true responsibility is, and that is to join and support those who are in the front lines fighting the enemy of us all, regardless of what color, group or organization they belong to, for the people are just this, they are not an organization or color or group, they are the oppressed, exploited and the murdered, they are those we love and for whom we, if needed, are willing to die, for they are our children.

Therefore what is needed now is for you as lovers of the people to select in what area you are able and willing to fight or give support to, either in the combat units or support units of The S. L. A., the choice is yours alone: to be and show yourselves as lovers of the people and our children and true to your word revolutionaries, or as egotistic opportunists and lovers of the group and organization and enemies of the people.

THE HEARST FAMILY --

SLAVE-OWNERS
LAND-ROBBERS
NAZIS

~~CONFIDENTIAL~~

World attention has been focussed on the Hearst family since, to quote her captors, Patricia Hearst was taken prisoner. The mass media daily talks of the "ordeal" of the family. But the incident has raised other issues, which the media has not given any consideration. The single-most important one is that there exists a ruling class in the U.S., and the Hearsts, by their own admission are members of this class. The facts of history serve to bear this out.

The Hearst family has historically been in control of the news media since the turn of the century. That control has been used to mold public opinion and to create concepts of American superiority and patriotism to justify corporate foreign expansion and intervention throughout Latin America and to justify the exploitation of workers.

In the late 1800's the Hearst publications were responsible for launching the American people into the Caribbean and the Philippines-The Spanish-American War.¹ This war resulted in the replacement of Spanish control by United States corporate domination in the struggling countries of Cuba, Puerto Rico, Guam, and the Philippines.

Today that aggression, which was created and advocated by the "yellow journalism" of the Hearst family is best illustrated by the classical colonial status of Puerto Rico, so declared a colony of the United States, recently, by the United Nations.

In 1911, Hearst vigorously mobilized his mass media machinery to incite armed intervention in support of the Diaz dictatorship, during the Mexican Revolution.²

The Hearst publications were used to create and promote public support and financial assistance for Adolf Hitler and his fascist clique clique of genocidal murderers. Before World War II, after several personal visits by Hearst, Hitler paid the Hearst publications \$400,000 to incite U.S. public support for Nazism. Here in the United States, Hearst initiated the formation of several fascist groups throughout Los Angeles, such as the Lighthouse Cavalry, the California Esquadriile, the Hollywood Hussars, and others.³

During the 1940's editorials and reports from the Hearst publications took the leading role in inciting U.S. white racism and violence against the Japanese people of this country. That incitement culminated with the removal of Japanese men, women, and children from their homes and their placement in war-time concentration camps within the U.S.⁴ It was also in the '40's that the Hearst publications, especially the Herald-Examiner, condoned the attacks by U.S. navymen against Mexican people of Los Angeles. During these "Zoot-suit Riots" bands of white navy and civilian men roamed the streets of Los Ange-

les, brutally beating and ripping the popular zoot-suits off young Mexicans. The police would follow such bands, arresting the beaten victims and charging them with various "crimes."

During the 1950's Hearst advocated McCarthyism's suspension of civil liberties, persecution, incarceration and execution of courageous Americans who struggled for social change and for the elimination of racism.⁵

Throughout the 60's and 70's Hearst has called for and supported the genocidal bombings and napalming of helpless Vietnamese women and children. Even today they defend Watergate conspirator and advocate of American fascism, Richard Milhouse Nixon, whose policies are a serious threat to the American people's civil liberties. The Hearst presently stand in opposition to the impeachment of Nixon.

Historically the Hearsts' money and influence has been used to combat the right of workers to decent wages, better working conditions and the right to form unions. A present example is the complete destruction of the primarily white workers' movement to unionize and the strike waged by them against the Los Angeles Herald-Examiner, a newspaper currently produced by scab labor.

The Hearst family's disregard for human life is exemplified by their close association and membership in the exclusively elite "Brook Club." This club financially supports Air America, the C.I.A. private airline which annually transports 25,000 pounds of heroin from Southeast Asia into the United States.⁶ It is this heroin traffic that poisons the youth and politically represses the people's consciousness to struggle for social change.

A Hearst is a member of the U.C. Board of Regents which has repeatedly attacked academic freedoms, condoned the continued inhuman experiments on the brains of working people and prisoners through the fascist techniques of psycho-surgery, and have invested the people's tax money in the fascist and racist apartheid system (the complete segregation of the races) of South Africa.

The practices of the Hearst family historically clearly demonstrate their advocacy of white supremacy, and the right to colonial and imperialist exploitation and brutal repression of people's movements for self-determination.

It is not surprising to note that a slave-owning Hearst in the 1860's was one of the legislators in the nation who voted against the abolition of slavery.⁸

HISTORY OF THE HEARST FAMILY IN THE UNITED STATES

The Hearst family, since their migration to this land from

Scotland, in 1680, have played an active role in a movement, which while proclaiming freedoms, brutally drove out and murdered the native peoples of this country, to take over their lands for the sole purpose of profit.⁹ In later years, the Hearst family, due to their support and part in the western expansion movement (Manifest Destiny) which attacked Indian and Mexican people, benefitted through the robbery and exploitation of the natural resources which belong to the native inhabitants of this land.

As recent immigrants in 1680, the John Hearst II family had already claimed ownership to ten acres of land and nine slaves.¹⁰

In 1727, John Hearst III family migrated to South Carolina claiming extensive land holdings which later became known as Abbeville County, one of the largest counties in the state.¹¹

After the United States government's purchase of Indian lands from France (the Louisiana Purchase), the William Hearst family, following the Daniel Boone path through Kentucky, settled in Franklyn County Missouri in 1808.¹² By the use of slaves and claims of land the Hearst family built a small empire based on livestock. William Hearst became first lieutenant of the Missouri militia which waged armed campaigns against the Indian people. During this period William Hearst's claims grew to 800 acres.¹³

Before his death William Hearst incurred a debt of \$10,000 because of his campaign against Mexico, in which he advocated the take-over of the present southwest region from Mexico. This campaign later resulted in the Mexican-American War and the application of Manifest Destiny to Mexican and Indian people in the southwestern United States.¹⁴

His heir, George Hearst, in three years was able to repay his father's debt from the plunder of copper and lead mines which he stole from Indian people throughout the state of Missouri.

The Gold Rush in California attracted the Hearst exploiters and for ten years they lucratively speculated with stolen California land.

The Hearst family's tentacles reached into the growing mining business, with their principal investment going into the Comstock Lode in Utah and the silver sulphite mines in California, which were some of the richest mines in the west. Their exploitation reached the Sioux nation in the black hills of South Dakota with their ventures into the Homestock mines, and later, their expansion into the Anaconda Hills which had drastic results for the indigenous people.

HEARST CORPORATE HOLDINGS

The present holdings of the Hearst Corporation include the following:

Magazines: Good Housekeeping, House Beautiful, Harper's Bazaar, Popular Mechanics, Science Digest, American Druggist, Town & Country, Sports & Afield, Motor, Bride & Home, Motor Boating, and Cosmopolitan;

Over approximately twenty newspapers throughout the country, including Los Angeles Herald-Examiner, Chicago Herald-Examiner, and the San Francisco Examiner.¹⁵

Inclusive in the holdings of the Hearst family are newspaper and periodical publishing and printing, radio and television broadcasting, news syndicates, the United States Organization (USO), N.Y.; Twentieth Century Fox, United Press International, San Luis Mining, Halifax Power and Pulp Co., and the Androscoggin Water and Power Co., and many other areas hidden from the public eye.¹⁶

It is clear that the Hearst, by their own admission, are an integral part of the ruling class, which includes among others, the Rockefellers, the Morgans, the DuPonts, the Vanderbilts and the Carnegies. The history of the Hearst family in the United States is one of violence, exploitation and domination, especially over the native peoples of the United States. The Hearst family along with other 200 ruling class families in the United States have historically used their money, political power and influence to oppress working and struggling peoples within the United States and throughout the world. Hearst's history has shown this to be factually true.

[REDACTED] had also had a casual relationship with PATRICIA MICHELLE SOLTYSIK, [REDACTED]

He actually had contact with SOLTYSIK for approximately five days while in Ashland and subsequently alleged he had received a letter from her at which time she attempted to persuade him to resume their relationship which he refused.

[REDACTED] at one time also resided in approximately the same area where shoot-out between SLA and law enforcement agencies took place in Los Angeles and near where vehicle was commandeered by surviving members of SLA shoot-out at time of shoot-out.

[REDACTED] had been interviewed and advised that he considered it a possibility that HARRIS would possibly contact [REDACTED]

Based upon the above set of circumstances, Los Angeles Division requested that [REDACTED] be submitted to a polygraph examination to determine if, in fact, information being furnished by him denying any contact with HARRIS or surviving SLA members was truthful.

During pre-polygraph interview, [REDACTED] admitted that he was a casual user of marijuana, had not had any for the past three to four days, had utilized one-half pain killer-type pill on evening prior to interview with polygraph, had no history of heart disease, and was not aware of any information that would preclude him from taking polygraph examination, although he stated he had an extreme nervous condition.

It is to be further noted that the suppression started at the time of the asking of question 5 and was not in response to the answer given.

No significant responses were noted to question 5 having to do with [redacted] being in contact with HARRIS.

At the conclusion of test 2, [redacted] was interviewed and advised by the interviewing Agent that it was noted that questions regarding SOLTYSIK seemed to upset him. [redacted] advised that he felt somewhat responsible for SOLTYSIK's joining the SLA and becoming a lesbian as she had attempted to persuade him to resume a relationship with her [redacted] to which he had refused.

At the conclusion of the discussion, test 3 was administered and the most significant response to the questions afforded to [redacted] was again to the control question, question 4, which would indicate that [redacted] was more concerned over the fact that he had purchased underground records than the relevant questions.

In test 4 [redacted] became slightly agitated and extremely nervous. This was noted in his cardio tracings for the first five questions, and no significant responses indicating deception were noted as a result of any relevant questions.

It was noted during the examination of test 4 that [redacted] was making a definite attempt to control his breathing which was exhibited in the pneumograph tracing. At the conclusion of the examination, [redacted] was advised by the examiner that it was noted that he was attempting to control his breathing. [redacted] explained that he was becoming concerned over the length of the test and was being very careful so as the examination results would be correct and not indicate deception as he was telling the truth.

Prior to the examination being afforded, [redacted] advised that he had prior knowledge as to the physiology having to do with the examinations and was a firm believer in the use of the polygraph to determine if a person was practicing deception.

Based on [redacted] most significant responses during the examination to the control question, it is the opinion

of the examiner that the information furnished to Agents prior to the examination by [REDACTED] was truthful and he is not practicing deception when denying having knowledge of HARRIS' location or not having been contacted by him [REDACTED]

Suggestion Regarding Dissemination of Wanted Flyers

In view of the fact that PATRICIA HEARST and the HARRIS' could be in travel status in the United States, the following suggestion is being made. In an effort to afford a wider distribution of the wanted flyers in this case, it is recommended that interstate turnpike facilities and toll bridge authorities be provided with copies of the wanted flyers.

San Francisco Division is requested to consider the feasibility of this suggestion.

Specimens received 9/13/74 and 9/18/74

- Q1872 Envelope postmarked "BUFFALO, N.Y. 4 SEP 6 PM 1974," bearing the hand printed address "Niagara Gazette 310 Niagara Street Niagara Falls, New York 14301"
- Q1873 Sheet of ruled paper bearing writing beginning "To The Editors of the Niagara Gazette..." and signed "A disciple"
- Q1874 Sheet of ruled paper bearing writing beginning "You call Tania and her fellow ..." and signed "A disciple"
- Q1878 Envelope postmarked "BUFFALO, N.Y. PM 28 AUG 1974" bearing the hand printed address "Niagara Gazette ..."
- Q1879 Accompanying sheet of ruled paper bearing hand printed letter beginning "To The Editors of the ..." signed "An S. L. A. BELIEVER"

Result of examination:

Q1872 through Q1874, Q1878, and Q1879 were not associated with material contained in the Anonymous Letter File. Copies have been added to this file.

A definite conclusion was not reached whether the questioned writing on Q1872 through Q1874, Q1878, and Q1879 was prepared by any of the writers of the unidentified questioned writing, known writing, or purported known writing on items previously submitted in this case and in the case captioned "SYMBIONESE LIBERATION ARMY (SLA) EM" due to the lack of sufficiently comparable writing and the presence of unexplained variations. However, nothing of particular significance was observed in this comparison.

The submitted items contain no watermarks, indented writing or other significant characteristics to aid in definitely determining its source. The sheets of paper, Q1873 through Q1874 and Q1879 are similar to paper used in top spiral-bound stenographic notebooks.

A ten-cent U. S. postal service stamp, torn from a coil or coils of stamps, is affixed to each Q1872 and Q1878.

The submitted evidence, which has been photographed, is being returned separately.

same date. Approximately 9/3/74, a prior letter was received, this letter being either misplaced or destroyed, which extolled the virtues of the SLA and PATTY HEARST. The writer requested that the "Niagara Gazette" publish that letter.

On 9/9/74, the enclosed items were received by the "Niagara Gazette," again extolling the SLA and demanding that this letter be published.

REQUEST OF THE FBI LABORATORY

The FBI Laboratory is requested to search through and add to the Anonymous Letter File the enclosed items, in addition to comparing handwriting contained herein with known handwriting samples of SLA members and/or sympathizers. Upon completion of requested examination, forward enclosed original items to the Identification Division, Latent Fingerprint Section.

REQUEST OF THE IDENTIFICATION DIVISION

Upon receipt of enclosed items, it is requested the Identification Division, Latent Fingerprint Section process these items for latent fingerprints and compare same with fingerprints of known SLA members and/or sympathizers.

Upon completion of requested examination, original items should be returned to Buffalo.

SLA 10-5

CHICAGO (UPI) -- FBI AGENTS BELIEVE THAT THERE ARE NINE MORE MEMBERS OF THE SYMBIONESE LIBERATION ARMY, SOME OF WHOM MAY BE ASSISTING FUGITIVES PATRICIA HEARST AND WILLIAM AND EMILY HARRIS IN ELUDING AUTHORITIES, THE CHICAGO TRIBUNE REPORTED SATURDAY.

IN ITS EARLY SUNDAY EDITIONS, THE TRIBUNE REPORTED THAT IN THE LAST TWO WEEKS A CONFIDENTIAL MEMO WAS DELIVERED TO ALL FBI AGENTS IN CALIFORNIA APPRISING THEM OF A LIST OF NINE SECRET SLA CODE NAMES--INCLUDING A WOMAN NAMED "SARAH" WHO MAY BE THE SLA'S FINANCIAL BACKER.

UNTIL RECENTLY, THE FBI HAD CONSIDERED MISS HEARST, 21-YEAR-OLD HEIRESS TO NEWSPAPER PUBLISHER WILLIAM RANDOLPH HEARST, AND HER TWO CONRADES IN HIDING TO BE THE LAST SURVIVING MEMBERS OF THE RADICAL ORGANIZATION, THE TRIBUNE SAID.

THE SLA LEADER, DONALD DEFREEZE, AND FIVE OTHER MEMBERS DIED MAY 17 IN A FIRE FOLLOWING A POLICE SHOOTOUT AT THEIR HIDEOUT IN LOS ANGELES.

BUT THE NINE OTHER NAMES WERE DISCOVERED IN DETAILED ANALYSIS BY THE FBI OF THOUSANDS OF DOCUMENTS SEIZED FROM PAST SLA HIDEOUTS, THE TRIBUNE SAID. IT SAID THE CODE NAMES WERE FOUND ON A LIST IN DEFREEZE'S HANDWRITING. BEHIND THE NAME "SARAH," WERE SEVERAL REFERENCES TO MONEY, THE REPORT SAID, INCLUDING A DOLLAR SIGN AND THE NOTATION "JANUARY MONEY."

THE TRIBUNE SAID THE OTHER EIGHT CODE NAMES INCLUDED SHAGO, SODIUM, AIKLA, ZOLLA, SEARA, ARCO, BROTHER HI AND M.E.

THE TRIBUNE QUOTED A SOURCE CLOSE TO THE INVESTIGATION AS SAYING THE OTHER SLA MEMBERS WERE "ONE OF THE MAIN FACTORS" IN MISS HEARST AND HER COMPANIONS' SUCCESS IN SLIPPING THROUGH A POLICE DRAGNET.

MISS HEARST, 21, HAS USED THE CODE NAME "TANIA" IN HER AFFILIATION WITH THE SLA, HARRIS THE NAME "TEKO" AND HIS WIFE, EMILY, THE NAME "YOLANDA."

THE THREE ARE WANTED FOR BANK ROBBERY IN SAN FRANCISCO, KIDNAPING AND ASSAULT WITH A DEADLY WEAPON IN LOS ANGELES AND A NUMBER OF OTHER CHARGES.

THE TRIBUNE SAID IT LEARNED FROM FRIENDS OF HARRIS THAT THE FBI HAS LOCATED ONE OR MORE HIDEOUTS USED BY THE THREE AND ESTABLISHED THE PATTERN OF THEIR MOVEMENTS. HOWEVER, HARRIS' FRIENDS TOLD THE TRIBUNE THEY WERE INFORMED BY THE FBI THAT IF THE FUGITIVES SOUGHT REFUGE WITH THEM THEY WOULD NOT BE OBLIGATED TO CONTACT AUTHORITIES UNTIL THE TRIO HAD LEFT.

GENERAL INVESTIGATIVE DIVISION

The attached is in response to a Chicago UPI press release of 10/5/74 (copy attached), and an article by Ronald Koziol which appeared in "Sunday Tribune", Chicago, Illinois.

Our San Francisco Office advises the information is erroneous that Federal Agents believe there are 9 members of the Symbionese Liberation Army (SLA) besides Patricia Hearst and the Harrises and that these 9 may be harboring the 3 fugitives. It appears that Koziol has obtained bits and pieces of information from various unknown sources and erroneously interpreted such information to indicate there are additional SLA members when the facts do not support this assumption on his part.

On 8/5/74, a memorandum was directed to all Special Agents of the San Francisco Office and as a result of this memorandum, Agents contacted various police departments trying to identify individuals referred to by code names whose true identities we did not know. As you will recall, many code names were included in voluminous information obtained from the SLA pad, Concord, California, during a search by the Oakland, California, Police Department during January, 1974.

RE: CHICAGO UPI PRESS RELEASE OCTOBER 5, 1974, WHICH IS IN REGARD TO NINE MORE MEMBERS OF THE SYMBIONESE LIBERATION ARMY (SLA) AND ARTICLE BY RONALD KOZIOL APPEARING IN "SUNDAY TRIBUNE", CHICAGO, ILLINOIS, NEWSPAPER OF OCTOBER 6, 1974, REGARDING THE SAME MATTER.

KOZIOL'S ARTICLE ON WHICH THE UPI RELEASE IS BASED INDICATES THAT FEDERAL AGENTS BELIEVE THERE ARE NINE MEMBERS OF THE SLA BESIDES THE HARRISES AND PATRICIA HEARST. FURTHER, THAT SOME OF THE NINE MAY BE HARBORING MISS HEARST AND THE COUPLE AS THEY SLIP FROM HIDE-OUT TO HIDE-OUT IN CALIFORNIA TO ELUDE AUTHORITIES.

THE ABOVE INFORMATION IS ERRONEOUS. THIS OFFICE HAS NO REASON TO BELIEVE THAT THERE ARE, IN FACT, NINE OTHER SLA MEMBERS AND KOZIOL'S INFORMATION IN THIS REGARD DID NOT COME FROM THE SAN FRANCISCO OFFICE.

THE ARTICLE FURTHER REFERS TO A "CONFIDENTIAL MEMORANDUM" WHICH WAS CIRCULATED DURING THE PAST TWO WEEKS TO ALL AGENTS IN THE STATE LISTING THE CODE NAMES OF THE NINE. FURTHER, THAT ONE OF THE CODE NAMES IS "SARAH" WHO IS BELIEVED TO BE THE SLA FINANCIAL BACKER. FURTHER, THAT A "SOURCE CLOSE TO THE INVESTIGATION" TOLD THE "TRIBUNE" THAT "IT'S NOW APPARENT THAT THESE ADDITIONAL MEMBERS OF THE SLA ARE ONE OF THE MAIN FACTORS IN THE TRIO'S SUCCESSFUL EFFORTS IN ELUDING AUTHORITIES." THE ARTICLE INDICATES THAT THE NINE NAMES WERE DISCOVERED FROM PAST HIDE-OUTS OF THE ORIGINAL GROUP. THE OTHER CODE NAMES REFERED TO ARE SHAGO, SODIUM, AIKLA, ZOLLA, SEARA, ARCO, BROTHER HI, AND M.E.

IT SHOULD BE NOTED THAT THE ABOVE INFORMATION WAS OBTAINED FROM THE SLA PAD AT CONCORD, CALIFORNIA, DURING A SEARCH BY THE OAKLAND, CALIFORNIA, POLICE DEPARTMENT DURING JANUARY, 1974, WITH EXCEPTION OF SARAH.

THE ARTICLE MAKES REFERENCE TO ONE, "SARAH" ALONG SIDE WHOSE NAME REPORTEDLY IS A DOLLAR SIGN AND THE WORDS, "JANUARY MONEY". AS THE BUREAU IS AWARE, VOLUMINOUS MATERIAL WAS

PAGE THREE

SF 7-855

RECOVERED FROM THE CONCORD PAD AND SAN FRANCISCO IS UNABLE TO LOCATE ANY SUCH REFERENCES AS REFERRED TO ABOVE.

ON OCTOBER 7, 1974, [REDACTED]

OAKLAND POLICE DEPARTMENT, WHO HANDLED EVIDENCE RECOVERED FROM THE CONCORD SLA PAD WAS CONTACTED AND ADVISED THAT HE HAS NO RECOLLECTION OF THE ABOVE REFERENCE TO "SARAH" AND "JANUARY MONEY".

IT SHOULD BE NOTED THAT BY MEMORANDUM DATED AUGUST 5, 1974, TO ALL AGENTS OF THE SF OFFICE UNDER THE SLA CAPTION, REFERENCE WAS MADE TO SOME OF THE MATERIAL RECOVERED FROM THE CONCORD SLA PAD. THIS MEMORANDUM CONTAINED THE CODE NAMES OF VARIOUS INDIVIDUALS KNOWN TO US SUCH AS THE HARRISES, DE FREEZE, ATWOOD, HALL, SOLTYSIK, PERRY, WOLFE, LITTLE, REMIRO AND OTHERS.

THE MEMORANDUM ALSO CONTAINED THE NAMES MENTIONED BY KOZIOI IN HIS ARTICLE AND REQUESTED ALL AGENTS TO CONTACT SOURCES IN AN EFFORT TO IDENTIFY THESE INDIVIDUALS. THE MEMORANDUM DID NOT MAKE ANY REFERENCE TO A "SARAH" OR INCLUDE A DOLLAR SIGN OR REFER TO "JANUARY MONEY". THE MEMORANDUM CONTAINED ONE PAGE OF TYPEWRITTEN AND ONE PAGE OF HANDWRITTEN

PAGE FOUR

SF 7-855

MATERIAL. THE TYPED MATERIAL APPEARED TO BE A LIST OF THINGS TO DO AND MENTIONED CODE NAMES SUCH AS "MEETING WITH SEARA", "MEETING WITH ARCO", AND "REMOVE M-68 UNTIL HE HAS TIME". THE HANDWRITTEN MATERIAL CONTAINS GROUPINGS OF CODE NAMES, THE IDENTITIES SOME OF WHICH ARE KNOWN TO THIS OFFICE AND SOME OF WHICH ARE NOT.

IT SHOULD BE NOTED THAT THE INFORMATION CONTAINED IN OUR MEMORANDUM WAS KNOWN TO LOCAL AUTHORITIES AND THAT THE OAKLAND POLICE DEPARTMENT IS THE ORIGINAL SOURCE OF ALL MATERIAL RECOVERED FROM THE SLA PAD IN CONCORD DURING JANUARY, 1974. THE OAKLAND POLICE DEPARTMENT AS WELL AS THE OTHER POLICE DEPARTMENTS INVOLVED IN CAPTIONED MATTER HAVE CONDUCTED EXTENSIVE INVESTIGATION REGARDING ALL MATERIAL RECOVERED.

THE ARTICLE MAKES REFERENCE TO ONE OR MORE SLA, LOS ANGELES HIDE-OUTS (UNDOUBTEDLY REFERRING TO THE 54TH AND 84TH STREET ADDRESSES IN LOS ANGELES) AND INDICATES THE PATTERN OF MOVEMENTS OF HEARST AND THE HARRISES WAS LEARNED FROM FRIENDS OF HARRIS.

IT SHOULD BE NOTED THAT WE POSSESS NO HARD INFORMATION CONCERNING THE MOVEMENT OF THE HARRISES AND HEARST SUBSEQUENT

PAGE FIVE

SF 7-855

TO THE SHOOT-OUT IN LOS ANGELES ON MAY 17, 1974, AND HAVE INTERVIEWED THROUGHOUT THE COUNTRY NUMEROUS FRIENDS AND ASSOCIATES OF THE HARRISES INCLUDING GRADUATES OF INDIANA UNIVERSITY.

IN SUMMATION, IT APPEARS THAT KOZIOL HAS OBTAINED BITS AND PIECES OF INFORMATION FROM VARIOUS UNKNOWN SOURCES AND HAS ERRONEOUSLY INTERPRETED SUCH INFORMATION TO INDICATE THAT THERE ARE ADDITIONAL SLA MEMBERS WHEN THE FACTS DO NOT SUPPORT THIS ASSUMPTION ON HIS PART.

THE ABOVE IS BEING FURNISHED TO ASSIST THE BUREAU IN EVALUATING KOZIOL'S ARTICLE. NO FURTHER ACTION BEING TAKEN BY SAN FRANCISCO.

REGARD
TO OUR AUGUST 5, 1974 MEMO TO ALL SPECIAL AGENTS OF THE SAN FRANCISCO OFFICE, IT SHOULD BE NOTED THAT AGENTS CONTACTED THE VARIOUS POLICE DEPARTMENTS WHICH WOULD INCLUDE SAN FRANCISCO, BERKELEY, AND OAKLAND, CALIFORNIA IN AN EFFORT TO DETERMINE IF THEY POSSESSED ANY INFORMATION REGARDING THE IDENTITIES OF THE INDIVIDUALS REFERRED TO IN THE MEMO BY CODE NAMES,

PAGE SIX

SF 7-855

WHOSE ACTUAL IDENTITIES WE DID NOT KNOW. IT IS CONCEIVABLE THAT KOZIOL COULD HAVE LEARNED OF THIS INFORMATION THROUGH CONTACT WITH VARIOUS POLICE DEPARTMENTS.

WITH REGARD TO THE INFORMATION CONTAINED IN THE ARTICLE THAT INDIVIDUALS WERE INFORMED BY THE FBI THAT IF THE FUGITIVES SOUGHT REFUGE WITH THEM, THEY WOULD NOT BE OBLIGATED TO CONTACT AUTHORITIES UNTIL THE TRIO HAD LEFT. IT SHOULD BE NOTED THAT THAT INDIVIDUALS INTERVIEWED CONCERNING THE FUGITIVES HAVE BEEN ADVISED THAT THEY SHOULD NOT ENGAGE IN ANY ACTION WHICH MIGHT JEOPARDIZE THEIR SAFETY, AND WHERE APPROPRIATE OTHER INDIVIDUALS INTERVIEWED HAVE BEEN ADVISED OF THE PROVISIONS OF THE HARBORING STATUTE.

AS THE BUREAU IS AWARE, THE SAN FRANCISCO OFFICE UTILIZING
THE 35 MILLIMETER SEQUENCE BANK SURVEILLANCE FILM HAD MANUFACTURED
A 16 MILLIMETER MOTION PICTURE FILM DEPICTING THE BANK ROBBERY
OF THE SUNSET BRANCH OF THE HIBERNIA BANK IN SAN FRANCISCO ON
APRIL 15, 1974. THIS INCLUDED FILM FROM TWO CAMERAS. ON MAY 30,
1974, TWO WHITE INDIVIDUALS, ONE MALE AND ONE FEMALE, APPROACHED
CBS OFFICIALS IN NEW YORK AND OFFERED TO SELL A COPY OF THE
ABOVE FILM FOR \$20,000. THIS OFFER WAS REPORTEDLY DECLINED BY
THE CBS OFFICIALS. ACCORDING TO [REDACTED] CBS,
WASHINGTON, D.C., THE FILM WAS REVIEWED AND WAS OF GOOD QUALITY,
ALTHOUGH "JERKY," HOWEVER, WALTER CRONKITE, CBS NEWSCASTER, STATED
HE DID NOT REVIEW THE FILM AND DECLINED TO DISCUSS "A POTENTIAL
SOURCE OF NEWS INFORMATION WHO HAD MADE AN OFFER TO SELL THIS
FILM TO CBS."

~~SAN FRANCISCO~~ TELEVISION STATION, CHANNEL 5, ~~KPIX~~ A

WESTINGHOUSE STATION UNDER CONTRACT TO CBS, ON THEIR 6PM AND 11PM NEWS ON OCTOBER 7, 1974, SHOWED A FILM WHICH LASTED APPROXIMATELY ONE MINUTE AND 50 SECONDS, WHICH IS SIMILAR TO THE MANUFACTURED 16 MILLIMETER FILM WHICH CAME FROM ONE OF THE CAMERAS IN THE HIBERNIA BANK ROBBERY. THIS PORTION OF THE NEWSCAST WAS INTRODUCED BY MARILYN BAKER AND WAS NARRATED BY MARILYN BAKER. (MARILYN BAKER HAS RECENTLY WRITTEN A BOOK REGARDING THE SLA ENTITLED "EXCLUSIVE, THE INSIDE STORY OF PATRICIA HEARST AND THE SLA," THIS BOOK BEING PUBLISHED BY MACMILLAN COMPANY, INC., NEW YORK. THE FILM AS SHOWN ON KPIX WAS FROM THE EAST CAMERA IN THE BANK AND DEPICTS THE LOBBY OF THE BANK AND SHOWS DE FREEZE, CAMILLA HALL, PATRICIA HEARST, AND PATRICIA SOLTYSIK. THE FILM HAS THE SAME CHARACTERISTICS AS THE MANUFACTURED FILM IN OUR POSSESSION, THAT IS IT HAS A JERKY MOTION TO IT. ALL COPIES OF THE SAN FRANCISCO OFFICE FILM ARE ACCOUNTED FOR AND IT MAY BE NOTED THAT IN THE LATTER PART OF MAY AND EARLY JUNE, 1974, WE INTERVIEWED EMPLOYEES OF THE W.A. PALMER FILMS, INC., IN SAN FRANCISCO. THIS FIRM IS THE FIRM THAT MANUFACTURED THE

PAGE THREE SF 7-855

16 MILLIMETER FILM AND THE EMPLOYEES INTERVIEWED WERE THE ONES WHO HAD ACCESS TO THE FILM. WE RECEIVED NO INFORMATION THAT AN ADDITIONAL COPY OF THE FILM WAS MADE. HOWEVER, THERE WAS AN INDICATION THAT THEY HAD NOT AFFORDED THIS FILM THE NORMAL SECURITY AND THE POSSIBILITY CERTAINLY EXISTS THAT UNAUTHORIZED PERSONS HAD ACCESS TO THE FILM WHILE IN THE CUSTODY OF THE W.A. PALMER COMPANY.

THE ABOVE EXHIBITION OF THE FILM WAS DISCUSSED ON OCTOBER 8, 1974, WITH UNITED STATES ATTORNEY (USA), JAMES L. BROWNING, JR., AT SAN FRANCISCO, WHO REQUESTED THAT MARILYN BAKER AND/OR OFFICIALS OF KPIX TV BE INTERVIEWED IN AN EFFORT TO DETERMINE THE SOURCE OF THE FILM. BROWNING INDICATED THAT IF MARILYN BAKER WAS COOPERATIVE, A SIGNED STATEMENT SHOULD BE OBTAINED FROM HER AND IF SHE DECLINED TO FURNISH SAME, SHE SHOULD BE REQUESTED TO APPEAR EITHER WITH OR WITHOUT SUBPOENA BEFORE THE FEDERAL GRAND JURY AT SAN FRANCISCO ON OCTOBER 9, 1974. HE INDICATED THAT POSSESSION OF THIS FILM COULD BE, IN ADDITION TO THE THEFT OF GOVERNMENT PROPERTY STATUTE, CONCEIVABLY BE IN VIOLATION OF TITLE 18, UNITED STATES CODE (USC),

SECTION 2314 (INTERSTATE TRANSPORTATION OF STOLEN PROPERTY),
TITLE 18, USC, SECTION 1503 (OBSTRUCTION OF JUSTICE), TITLE 18,
SEC, SECTION 641 AND 642 (RECEIVING AND CONCEALING STOLEN PROPERTY).

BROWNING INDICATED THAT IF BAKER WOULD NOT AGREE TO ANY OF THE
ABOVE ENUMERATED COURSES OF ACTION, HE CONTEMPLATED WRITING TO
THE ATTORNEY GENERAL AND REQUESTING THE ATTORNEY GENERAL AUTHORIZE
THE ISSUANCE OF A SUBPOENA FOR HER APPEARANCE BEFORE THE FEDERAL
GRAND JURY. BROWNING FURTHER ADVISED THAT HE WAS CONTACTED BY

[REDACTED] A CBS NETWORK TELEVISION OFFICIAL IN LOS ANGELES,
WHICH NETWORK HAS KPIX UNDER CONTRACT. [REDACTED] INDICATED THAT

CBS NETWORK TV WOULD NOT EXHIBIT THIS FILM AGAIN WITHOUT PRIOR
CONSULTATION WITH USA BROWNING. [REDACTED] FURTHER INDICATED THAT

IT WAS AN FCC VIOLATION FOR ONE TELEVISION STATION TO TELEVISION
THE NEWSCAST OF ANOTHER STATION.

CALL BROWNING FURTHER INDICATED HE PLANNED ON CONTACTING JAMES
MARTIN MAC INNES, THE ATTORNEY FOR THE HEARST FAMILY, IN AN
EFFORT TO DETERMINE THE FEASIBILITY OF JOINING WITH HIM, MAC INNES,
IN OBTAINING A COURT ORDER PROHIBITING EXHIBITION OF THIS FILM
BASED UPON THE FACT THAT IT MIGHT PREJUDICE THE RIGHTS OF

PAGE FIVE SF 7-855

PATRICIA HEARST FOR A FAIR TRIAL AT A SUBSEQUENT DATE.

PIRSUANT TO BUREAU INSTRUCTIONS, USA BROWNING WAS RE-CONTACTED, AND THE INTERVIEW OF BAKER WAS DISCUSSED WITH USA BROWNING. THE FACT THAT SUCH AN INTERVIEW WOULD BE AN EXERCISE IN FUTILITY WAS POINTED OUT TO HIM. BROWNING, UPON REFLECTION, CONCURRED AND INDICATED THAT HE WAS WITHDRAWING HIS REQUEST FOR INTERVIEW OF BAKER AT THIS TIME, PENDING FURTHER DEVELOPMENTS AND CONSULTATION WITH DEPARTMENTAL OFFICIALS.

~~GEORGE REISLING~~, MANAGER, KPIX TV, SAN FRANCISCO, CONTACTED OCTOBER 8, 1974, ADVISED THAT MARILYN BAKER IS UNDER CONTRACT TO KPIX AS AN INVESTIGATIVE REPORTER AND THAT THE SOURCE OF HER MATERIAL, REFERRING TO THE FILM, IS NOT KNOWN TO HIM. MATERIAL SUBMITTED BY HER IS REVIEWED BY ATTORNEYS FOR THE STATION, IN THIS INSTANCE, A ~~TIM COHLER~~, 111 SUTTER STREET, *SAN FRANCISCO Calif*, TELEPHONE NUMBER 434-0900, SAN FRANCISCO, AND THE BROADCAST IN QUESTION WAS FOUND TO BE SUITABLE FROM A LEGAL STANDPOINT FOR RELEASE.

THE PROGRAM WAS TAPED APPROXIMATELY A WEEK BEFORE ITS RELEASE AND MARILYN BAKER IS PRESENTLY IN NEW YORK CITY WHERE

PAGE SIX SF 7-355

SHE IS STAYING AT THE BARCLAY HOTEL, ROOM 1142, TELEPHONE NUMBER 212-755-5900. HER STAY IN NEW YORK IS IN CONNECTION WITH PROMOTION OF HER BOOK, "EXCLUSIVE", INCLUDING NETWORK TELEVISION APPEARANCES, AND IF SHE IS NOT AVAILABLE AT HER HOTEL, SHE CAN BE REACHED THROUGH A MISS KAHAN AT THE MACMILLAN PUBLISHING COMPANY. REISLING ANTICIPATED BAKER WOULD RETURN TO SAN FRANCISCO ON OR SHORTLY AFTER OCTOBER 20, 1974, AND WOULD BE AVAILABLE THROUGH HIS OFFICE FOR INTERVIEW. REISLING ADVISED THAT THERE WERE NO PLANS FOR RE-RUNNING BAKER'S BANK ROBBERY STORY.

ABOVE IS FOR THE INFORMATION OF THE BUREAU AND INTERESTED OFFICES AND BUREAU WILL BE ADVISED OF SUBSEQUENT PERTINENT DEVELOPMENTS. NO INTERVIEW SHOULD BE CONDUCTED OF MARILYN BAKER AT THIS TIME UNLESS SO INSTRUCTED BY THE BUREAU.

ONLY MINIMAL PRESS INQUIRIES BEING RECEIVED HERE REGARDING THIS MATTER.

TO MR. JENKINS *AMJ*

DATE: 9-20-74

FROM J. B. MC DERMOTT *AMJ*

SUBJECT: HEARNAP

[REDACTED] in Washington, D. C., telephoned this afternoon to advise he had received a telephone call from an individual in San Francisco relating information concerning the Patricia Hearst kidnaping which might be of interest to the Bureau.

In response to [REDACTED] call, SA [REDACTED] of the General Investigative Division and SA [REDACTED] of the External Affairs Division went to [REDACTED] office. [REDACTED] advised that the individual who called him from San Francisco is [REDACTED]

According to [REDACTED] furnished him the following information:

On Wednesday night, 9-18-74, Mr. and Mrs. Randolph Hearst were approached by [REDACTED] both of whom are investigators for "Leftist" causes and have ties to "Leftists" in other countries, including Latin America. These two individuals told the Hearsts that they have information indicating Patricia Hearst is in Mexico in custody of, or in association with, Cabanas' guerrillas in the State of Guerrero. (This obviously refers to members of the Poor Peoples Party, headed by Lucio Cabanas in the vicinity of Acapulco.)

[REDACTED] indicated to the Hearsts that for the sum of \$20,000 (to be used to cover travel expenses) [REDACTED] would travel to Mexico illegally with an Associated Press reporter named [REDACTED] and a newsman named [REDACTED] to arrange the release of Patricia Hearst and her return to the United States. It was emphasized to the Hearsts that this proposed trip to Mexico would not be made in a conventional, legal manner.
