Gentlemen:

There is attached a photograph of two used [redacted] which were forwarded to the Laboratory of this Bureau for examination in connection with an investigative matter.

b7D

Please advise as soon as possible whether or not your company has manufactured any [redacted] having the appearance and description of these [redacted] and, if so, the domestic and foreign distribution of these [redacted] from your factory. Otherwise, any available information which might be of assistance in identifying the manufacturer of these [redacted] is requested.

b7D

All catalogs and available detailed technical descriptions of your [redacted] production would be of great assistance as confidential reference material in this Laboratory.

b7D

Please consider this inquiry as confidential. It is desired that you return the attached photograph with your response marked for the attention of the FBI Laboratory.

Any assistance you can render in this matter will be greatly appreciated.

Very truly yours,

Gentlemen:

There is attached a photograph of two used [REDACTED] which were forwarded to the Laboratory of this Bureau for examination in connection with an investigative matter.

Please advise as soon as possible whether or not your company has manufactured any [REDACTED] having the appearance and description of these [REDACTED] and, if so, the domestic and foreign distribution of these [REDACTED] from your factory. Otherwise, any available information which might be of assistance in identifying the manufacturer of these [REDACTED] is requested.

All catalogs and available detailed technical descriptions of your [REDACTED] production would be of great assistance as confidential reference material in this Laboratory.

Please consider this inquiry as confidential. It is desired that you return the attached photograph with your response marked for the attention of the FBI Laboratory.

Any assistance you can render in this matter will be greatly appreciated.

Very truly yours,

John Edgar Hoover  
Director
