Personal and Confidential

Honorable Francis E. Walter,
House of Representatives,
Washington, D. C.

My dear Congressman:

First, I want to apologize for not having previously acknowledged your very kind letter of April 2nd, but I have been in and out of the city so much in connection with official matters that I have gotten behind in my personal correspondence.

I want you to know that it is very gratifying to me to learn of the action taken by the Judiciary Committee upon the bill which was favorably reported out to that Committee concerning my compensation. Irrespective of whether the bill ever becomes a law, I shall always treasure that evidence of respect and confidence on the part of the Committee. It means more to me to have the confidence and approbation of thinking and sincere citizens than it does to receive monetary reward. Consequently, I value so much the action of the members of the Judiciary Committee of the House.

I do hope that you may have the opportunity at some early date to come down to our headquarters here and go through and see first hand the work which we are trying to do in the field of law enforcement. I think that you would be interested in seeing it.

Allow me to take this occasion to express to you my ~~Mr. Hoover's~~ deep appreciation of your over-evident interest in the ~~Mr. Hoover's~~ work which the Federal Bureau of Investigation is trying to do.

With expressions of my very best regards, I am

Sincerely yours,

J. Edgar Hoover

Dear Mr. Hoover:

On rare occasions Bills are reported favorably by the Judiciary Committee without contra-argument. Never, however, has a Bill been favorably reported by our Committee where there was such unanimity of approval as that which was expressed Tuesday when we approved the Bill which will to some small degree give concrete evidence of appreciation for your great contribution to the Nation's welfare. Perhaps, I am doing an improper thing in divulging the proceedings at an Executive Session but I feel that I must tell you and I am sure I am voicing the sentiments of the entire Congress and the Nation that our great Government is, indeed, fortunate in having you as one of its servants.

With kindest regards, I am

MEMORANDUM FOR MR. HENRY SULLIVAN,
Special Assistant to the Attorney General

I have received your memorandum of March 17th relative to the inquiry made by the United Press concerning my health. I personally do not see a necessity for the making of any public statement concerning my physical condition. It is a fact that I have been having serious sinus trouble, and am still under treatment for it, but I do not consider that the condition of my health is of sufficient importance to be commented upon by me to the press.

Very truly yours,

John Edgar Hoover,
Director.

The United Press has called me several times during the past 24 hours with regard to an item in Walter Winchell's column printed in New York Monday, March 16, and in the Washington Herald on Tuesday, March 17, as follows:

"John Edgar Hoover is very ill after a serious sinus surgery."

The United Press states that it understands that you are suffering from a serious throat affection.

I stated yesterday to the United Press, in response to these inquiries, on my own authority, that I felt quite certain there was nothing to these stories and rumors, that I had been in frequent touch with you and that I felt certain there was no question of serious illness. The United Press asked me, however, to get into touch with you on this subject. I called Mr. Tolson yesterday but was unable to reach him. The United Press is getting quite excited about this and is demanding some sort of response. I would therefore appreciate it if you would advise me what statement, if any, you would desire to have made to the United Press. If you prefer, of course, you might get in direct touch with Mr. Turner at National 9052.

Hoover, G Men Leader, May Resign Post

Reported in Huff Over Subordination and Recent Reprimand

G-men circles in San Francisco are agog over private reports their chief, J. Edgar Hoover, is threatening to quit in a huff.

Thus far no official hint has reached outside the inner circle of Hoover's intimates, according to information received by Federal circles here.

W. S. Listerman, who trained in Washington under Hoover and recently was brought from New Jersey to head the bureau here, expressed surprise yesterday over the report.

REASON OF HUFF

Hoover's reported huff is due to the appointment of Joseph E. Keenan, assistant attorney general in charge of crime prosecutions, to the Federal Bureau of Investigation of the Department of Justice, the post formerly held by Hoover.

The subordination of Hoover to Keenan followed shortly after word reached San Francisco Attorney General Cummings had called Hoover on the carpet for a reputed reprimand as a so-called "publicity bound."

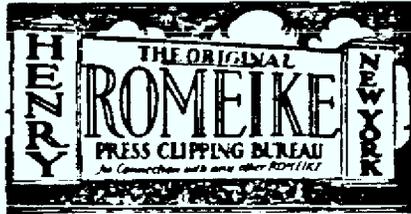

That was about the time the "movies" and the magazines were filled with the exploits of the G-men, featuring Hoover as the outstanding hero.

"TOO MUCH PUBLICITY"

"Mr. Hoover," the Attorney General said in effect, according to the version reaching high Government circles here, "I want you to realize that I am the head of the Department of Justice. It seems to me there is too much Hoover in the publicity going out from your department."

The chief G-man has issued stringent orders that no information, except on the most minor offenses, shall be given out by his subordinates, even though they be in charge of the various bureaus. Everything must be referred to him in Washington, to be given its "press release" there.

To tighten up any leaks Hoover recently ordered all agents take an "oath of secrecy" whenever they were assigned to a new district.

PERSONAL and CONFIDENTIAL

Director,
Federal Bureau of Investigation,
Washington, D. C.

Dear Sir:

In connection with your anticipated visit to Miami, Florida and thence to Habana, Cuba; Nassau and Puerto Rico; returning to Miami, Florida, I conferred with Commander V. M. Thompson, Special Assistant to the Secretary of the Treasury, and with Mr. E. T. Ackan, who is attached to the office of the Honorable Stephen B. Gibbons, Assistant Secretary of the Treasury, and through Mr. Gibbons have arranged that the freedom of the port at Miami, Florida and Customs courtesy be extended to you and those who will accompany you when you return from your trip, by aeroplane, to Miami, Florida. In order that no possible misunderstanding may arise when you return to Miami, Florida, there is annexed hereto copy of a letter dated February 11, 1936, from the Honorable Stephen B. Gibbons to Mr. John Klein, Deputy Collector of Customs, Miami, Florida, authorizing the extension of the usual Customs courtesies and free entry privileges to you, Mr. Tolson and Mr. Hottel. Complying with the request made in connection with this matter, as embodied in my letter to Mr. Gibbons, your arrival at Miami will not be made known to the press or others not officially interested. The extending to you of the usual Customs courtesies and free entry privileges will eliminate any examination of luggage or other procedure which may cause you any delay or necessary loss of time when you return to the United States via Miami, Florida. A copy of the letter from Mr. Gibbons to Mr. John Klein, Deputy Collector of Customs, Miami, Florida, is enclosed in an envelope so indicated and marked "No. 1".

PROOF OF CITIZENSHIP UPON RETURN TO UNITED STATES VIA MIAMI, FLORIDA

Upon your return to the United States, via Miami, Florida, it would customarily be necessary to exhibit proof of citizenship. I have, however, arranged through the cooperation of Miss Ruth Shipley to have instructions issued by Colonel Daniel W. MacCormack, Commissioner of Immigration and Naturalization, Department of Labor, to his representatives at Miami, Florida to waive the customary procedure in connection with proof of citizenship. Colonel MacCormack is presently out of the city, but upon his return on Monday, February 12, 1936, Miss Shipley

will confer with him and see that the arrangements in this respect are perfected.

There is annexed hereto a letter dated February 11, 1936, addressed to you by the Honorable Wilbur Carr, Assistant Secretary of State, in which he makes reference to the general letter of introduction for you to any American Diplomatic and Consular officer within whose territory you may visit. He further states that he has also written to the Honorable Jefferson Caffery, American Ambassador at Habana and to Mr. Henry, American Consul at Nassau concerning your trip. When Mr. Carr was informed of your anticipated trip he indicated very keen interest and desire to extend every possible courtesy to you, through his office and the offices of the State Department representatives wherever you may visit. --This most cordial feeling, I am quite sure, is the result of his recent visit to your office.

There is also attached hereto a letter dated February 11, 1936, signed by the Honorable Cordell Hall, Secretary of State, to the American Diplomatic and Consular officers which refers to your anticipated trip and bespeaks for you and your party such courtesies and assistance which the Diplomatic officers may be able to render, consistent with their official duties.

HABANA, CUBA

American Ambassador: Honorable Jefferson Caffery
Residence: Country Club Park
Office: American Embassy

There is attached hereto copy of a letter dated February 11, 1936, from Honorable W. J. Carr, Assistant Secretary of State, to the Honorable Jefferson Caffery, American Ambassador, Habana, Cuba. It will be noted in the last part of this letter that the possibility exists that you will likely wish to leave with him your address in order that any urgent communications from your office may be transmitted to you. Copy of this letter to Mr. Caffery from Mr. Carr is enclosed in an envelope so indicated and marked "No. 2".

Hotel: THE SEVILLA-BILTMORE on the Prado

is now the leading hotel and is being occupied by guests who enjoy international prominence.

Amusements: Exclusive Dining Places:

I have been informed that the "PATIO ON THE PRADO" caters to the more exclusive class at Habana for dinner and supper and the guests to a large extent are members of the Diplomatic Corps and high government officials. Another place which Mr. Sumner Wells, the former Ambassador to Cuba, recommends as being very exclusive, is the "SANS SOUSI", which, I understand, is an open air cabaret which caters to the more elite class of Cuban society.

Government Transportation Request:

I have been informed by the State Department that the transportation facilities in Cuba are required to report immediately to the Cuban Government the identity of all persons traveling on Government Transportation Request.

NASSAU, BAHAMAS:

American Consul: Frank Anderson Henry

I am transmitting herewith copy of a letter dated February 11, 1936, from the Honorable Wilbur J. Carr to Mr. Henry advising him of your anticipated trip and expressing his appreciation for anything he may be able to do for you while at Nassau. The last part of the letter makes reference to the very splendid work which you and your men have been doing for our Government. A copy of this letter is enclosed in an envelope so indicated and marked "No. 3".

I am also forwarding herewith copy of a letter dated February 11, 1936, from Miss Ruth Shipley, Chief, Passport Division, Department of State, to the Honorable F. Lammot Belin who resides on an estate known as "On the Edge of the Blue" at Nassau, Bahamas. Miss Shipley has been personally acquainted with Mr. Belin for many years and she referred to him as a career man of the State Department; former Ambassador to Poland, related to the DuPonts of Delaware and a man who has a splendid personality and is enjoying life on his very beautiful estate known as "On the Edge of the Blue" at Nassau. There is attached to the copy of this letter the personal card of Miss Shipley introducing you to Mr. Belin.

It will be noted in this letter that Miss Shipley stated that she had been asked whether she knew anyone in Nassau to whom a letter of

introduction could be given for you. I assure you that this is entirely incorrect and that I made no such suggestion really; on the other hand, that you preferred to have time at your disposal to do what you desired to do. Miss Shipley evidently used this phraseology not knowing just what else to say. This letter is enclosed in an envelope so indicated and marked "No. 4".

Hotel: FORT MONTAGUE

I am informed that this hotel is the most exclusive one there.

PUERTO RICO:

Governor: Honorable Blanton Winship

There is annexed hereto copy of a letter dated February 11, 1936, to Governor Winship from Miss Ruth Shipley of the Department of State, advising him of your anticipated trip, and suggesting that you undoubtedly will pay your respects to him. Attached to this letter is a personal card of Miss Shipley introducing you to the Governor. This letter is enclosed in an envelope so indicated and marked "No. 5".

United States Federal Judge: Robert A. Cooper

United States Attorney: A. Cecil Snyder

United States Commissioner:

At San Juan: Honorable Raymond C. Julia
At Mayaguez: Honorable William Falbe

Hotel: CONDADO-VANDERBILT

is the only hotel which I understand has facilities which are acceptable.

CABLE OR WIRELESS COMMUNICATIONS - BY CODE OR OTHERWISE - WITH YOU OR
BY YOU SHOULD EMERGENCY REQUIRE SAME:

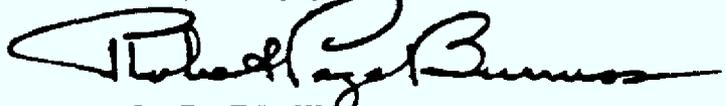

I have arranged with Miss Ruth Shipley of the Department of State, should an emergency arise to reach you by cable or wireless - by

code or otherwise - through the officials above referred to. I may suggest, if agreeable to you, that you indicate to the American Ambassador or Consuls, or to the office of Governor Winship where you may next be located, and, should you deem it advisable, can arrange upon instructions from your office to reach you through the channels above referred to. The same facilities will be at your disposal should you care to reach your office at Washington, D. C.

May I respectfully suggest that consideration be given to the use of Travelers' Checks by you while on this trip, and further that you may desire to take out Travelers' Insurance. Might I further take the privilege of suggesting that travel both by plane and by railroad to the South is extremely heavy at this season of the year and that reservations should be made as far in advance as possible.

I am also sending to you an original letter dated February 11, 1936, addressed to me by Miss Ruth Shipley, Chief, Passport Division, Department of State, which indicates the action taken by her and other officials in connection with your trip South. She has exhibited keen interest and cooperation and a desire to be helpful and the thought has occurred to me that you may care to drop her a note of thanks.

My dear Mr. Caffery:

Mr. J. Edgar Hoover, Director of the Federal Bureau of Investigation, accompanied by Mr. Clyde Tolson, Assistant Director, and Mr. Guy Hottel, is making a brief flying trip to Nassau, Habana, and San Juan, arriving in Habana in the early part of the week of February 17. Mr. Hoover will undoubtedly get in touch with you if the length of his stay in Habana permits.—I understand that it is to be a private, personal trip and that they desire no publicity. I have given him a letter of introduction and I will greatly appreciate anything that you may do to be of assistance to him. He will likely wish to leave with you his address in order that any urgent communications from his Department may be transmitted to him.

With cordial remembrances,

Very sincerely yours,

W. J. Carr

Also:

While Mr. Lester was in New England he made eight speeches in three days and after his speech making was over the faculties of Smith and Hobart colleges, two very heavily endowed Colleges, visited him and offered him the Presidency of these two colleges. Mr. Lester declined, and was assured by the faculties that if the salary were any drawback they would meet any demands he would make in this connection.

MEMORANDUM FOR THE DIRECTOR.

Mr. Hanson of New York City telephoned and stated that while at police headquarters yesterday afternoon, Special Agent Jim Amos was informed by Harry Butts, ballistics expert, that it is freely rumored around the New York Police Department that Mr. Hoover is going out of office as Director and that Commissioner Valentine is to succeed him; that H. E. Burckman is to take Valentine's place.

I inquired of Mr. Hanson if he knew as to the source of the rumor or if any further details were known. He stated that he did not know the source of the rumor or any other details. I inquired if there were any situation in New York City that might lend itself to such a rumor. Mr. Hanson stated that he has heard and there has been some comment in the paper concerning the assigning of two detectives by Valentine to guard the Mayor after receipt of certain threats; that the Mayor found out about the guard, ordered the men taken away at once and that Valentine was quite provoked about it. The news and general comment at that time seemed to indicate that a situation had arisen and it was rumored that Burckman would take Valentine's place.

Mr. Hanson stated that Agent Amos is to be at police headquarters again today and if any further information is received, he will communicate with the Bureau.

MEMORANDUM FOR THE DIRECTOR.

On Saturday, July 27, Agent in Charge Brantley, who is in Washington, advised me of the receipt of information from his office in Oklahoma City to the effect that Mr. Mark T. Little, a former Agent of the Bureau, is now Acting Agent in Charge of the office of the Division of Investigations, Interior Department, at Oklahoma City. Mr. Brantley had received word that Mr. Mark T. Little had circulated a story to the effect that the Director was going to resign and intended to establish an international detective agency. The report further indicated that Mr. Tamm was slated to become Director of the Bureau.

I telephoned Mr. John Little, Acting Agent in Charge of the Oklahoma City Office, and instructed him to communicate with Mr. Mark Little and to inform him that this is an absolute falsehood, that Mr. Hoover has no intention of resigning, and further if he did resign he certainly would not establish any international detective agency. Mr. John Little stated that he would communicate with Mr. Mark Little and that he would verify his conversation with Mr. Little in this matter by letter.

Respectfully,

Clyde Tolson.

PERSONAL AND CONFIDENTIAL

Director,
Federal Bureau of Investigation,
U. S. Department of Justice,
Pennsylvania Ave. at 9th St., N. W.,

Dear Mr. Hoover:

In accordance with telephonic instructions from Mr. Tolson, Mr. Mark T. Little, formerly an Agent in the Bureau, called at the Oklahoma City office today, at my request, in connection with the statement or rumor reported to emanate from Mr. Little to the effect that you contemplate resigning as Director in order to establish an international detective bureau and would be succeeded by Mr. E. A. Tamm as Director.

Mr. Little stated that he first received this report in East Texas, the source of which he declined to reveal, but stated that he received the same information from two independent sources, which sources considered the report to be well founded and "to be a matter of general knowledge in Washington." Mr. Little stated that the report, as he heard it, was to the effect that you were to be succeeded by Mr. Tamm or Mr. Tolson.

Mr. Little stated that he attached no credence whatever to the story, considering it merely idle gossip, and in the event he has unwittingly repeated this report, it was unintentional and he sincerely regrets that the source of such a report should be attributed to him. He was advised that the report is untrue and that there is no basis whatever for the circulation of a story of this character. Mr. Little stated that "his lips would be sealed" so far as any further repetition of this story is concerned. During the interview, Mr. Little spoke only in the highest terms of you, and it was noted that he referred to you frequently as "the boss" with apparently no premeditation.

Mr. Little is presently Acting Special Agent in Charge for the local office of the Division of Investigations of the Department of the Interior, and stated that he wished to dispel any ideas that the rumor referred to emanated in any manner as propaganda in connection with any antagonistic feelings formerly reported to exist between the Bureau and

Although I knew from the first that any statement of this character would be false and without basis, I appreciate the fact that you desire to be advised thereof promptly. I shall be governed accordingly in the future and should any information of a like character be received by me, while acting in charge of a Bureau office, I shall see that the same is furnished you directly.

Local Man Played Part in Steering Noted G-Man's Life

Napoleon once said: "the changes in the course of empires hang on threads and not ropes," and this historic assertion was exemplified here today by a local man, Alfred Hampton, when he casually revealed he once played a "minor part" in the career of J. Edgar Hoover, the keystone G-Man being credited with the recent gratifying amazing cleanup of crime conditions throughout the nation.

Hampton, now retired, who was active in Federal politics for many years, was chief assistant to Commissioner General of Immigration Anthony Caminetti during the Wilson administration, and it was during this term of office he met the now famed head of the Department of Justice agents' bureau.

Caminetti was the storm center of several political battles during his term of office, and once while he was absent for a period from his official desk in Washington Hampton was in charge of the Bureau of Immigration.

Hoover Bought Transfer

It so happened during the period a decision was to be made on a \$1600 a year appointment, a "good Government job" in those days, and among the applicants for it was J. Edgar Hoover, then a \$1400 a year man but a highly

regarded one in the Department of Justice.

Young Hoover was highly recommended for the post and he was an efficient worker.

Hampton finally took the stand that all things being equal, it would be good policy to promote eligible men already familiar with the bureau's work and already working in it, so young Hoover's application for a transfer was reluctantly turned down.

Hoover Makes Own Way

And it wasn't long before Hampton's judgment was confirmed in an opposite way—for shortly afterwards a ticklish case of deportation of a representative of the Russian Government came up for action in the Immigration Bureau, and it was Hoover's brilliant investigation work for the Department of Justice and his forceful presentation of the case that brought about the deportation of the Russian plotter.

From this case on, Hoover's climb to position and fame as an investigator began resulting in his headship of all G-Man forces today, with credit accorded him as organizer of the most mobile, brilliant, swift force of crime investigators and criminal trappers in American penal history.

"On such apparently small decisions do great developments hinge," says Hampton, who has a fund of such reminiscences, and who, some day, the Dispatch may be able to coax into preparing a series of articles on experiences in the Federal service.

The Bureau is charged with the duty of investigating violations of the laws of the United States and collecting evidence in cases in which the United States is or may be a party in interest. The organization has an annual appropriation of five millions of dollars, with a personnel of over fifteen hundred employees throughout the United States. Under the direction of the Attorney General, the Director of the Bureau directs the work of the Special Agents who are employed for the purpose of detecting crime and collecting evidence for use in proposed and pending cases for prosecution.

Mr. Hoover has under his immediate supervision the Identification Division of the Federal Bureau of Investigation, which has on file approximately 5,000,000 sets of fingerprint records of persons who have been arrested in the United States and foreign countries, representing the largest and most complete collection of criminal fingerprint records of current value existing

anywhere in the world. In addition, he has under his immediate supervision the crime statistics work which was established on September 1, 1930, involving the collection of statistics on crime from the various law-enforcement officials of the United States for dissemination to interested officials and agencies.

Also, Mr. Hoover has under his supervision the Technical Laboratory of the Bureau, wherein scientific detection aids are utilized in connection with the solving of crimes under the Bureau's jurisdiction. The experts of this laboratory also assist State and local law-enforcement officials throughout the country in the use of scientific crime detection aids, such as handwriting and typewriting analysis, the examination of blood, hair and bullets, the use of ultra-violet light in the examination of substances and the decoding of cryptographic messages.

U. S. DEPARTMENT OF JUSTICE

Excerpt from Lovell Thomas'
Broadcast

June 10, 1935NBC-NJZ Network

Well, this week begins with one piece of welcome news. A notable victory for John Law's lesson to kidnapers. Uncle Sam's policemen are wearing a new feather in their hats tonight. The success of the Bureau of Investigation of the Department of Justice in the Weyerhaeuser case was just about the swiftest thing in the annals of American crime. This morning's story alone was enough to electrify the country. Two people laid by the heels at Salt Lake City. In Butte, Montana, another man takes it on the run at the sight of a cop, leaving \$15,000 in ransom bills in his abandoned car and all this within a week after the Weyerhaeuser family turned over the \$200,000 to the snatchers. The government men have had Hanson and Margaret Haley behind the bars in Salt Lake City ever since Friday night.

But this afternoon another sensation broke. J. Edgar Hoover's men found the hideout of the kidnapers in Tacoma, and there's a real achievement in sleuthing and it may cause the criminal world to scratch its head and ask - does kidnaping pay now? The confession of the Waleys has the police of five northwestern states looking for an escaped bank robber named William Mahan, the man who took it on the land in Butte, leaving his car and \$15,000 in ransom bills. Every trail, every bus, every car traveling the roads of the northwest and of the inter-mountain states has been scrutinized by a cordon of patrols.

It turns out today that there's an eastern angle to the story of the Waleys. They used to live in Camden, New Jersey. Philadelphia and Camden police pinched the young man several times on suspicion of robbery, but they always had to let him go for lack of evidence. And an interesting story about the Waleys was unearthed by the Philadelphia records. They lived in a boarding house in Camden. When they left, Haley told his landlady and a fellow boarder "I've got a deal on that's going to fix Margaret and me up for life." And now it looks as though he spoke the truth, though not in the way he meant. He expected an easy life. Instead it's probably going to be prison life and the prosecutor in Tacoma declares that he's going to insist on a death sentence for all the conspirators.

All this adds considerable point to a ceremony at George Washington University last week when the faculty conferred a degree of Doctor of Laws on J. Edgar Hoover. It's an axiom in baseball that whenever a player gets a public testimony, he promptly walks to the plate and strikes out and he fumble every ball that comes his way in the field too. It seems to work the opposite way with the brilliant young head of that Bureau of Investigation. The citation of the University was: "This degree was granted to John Edgar Hoover, an administrator trained in law and technique and social justice who by reason

of character, courage and skill has caused his name to be associated with those who believe in the nobility of government and the worthiness of life." On top of that, young Hoover and his men went right out and more than justified this citation. Nineteen years ago Hoover was a pale faced, dark eyed, dark haired lad who labariously got his law degree at George Washington University working nights. Daytimes he worked in the Library of Congress. It was a job paying \$30 a month and the advice he got from the elder fellows there was "Don't break your neck around here, youngster; it won't get you anywhere." Well, young J. Edgar Hoover paid no attention to the advice. He broke his neck consistently. He got a raise, he got another raise. Presently he was making more than any of the elder men who had given him that thorny advice. He was the highest paid clerk on the job when he got his law degree and quit to take another position in the United States Department of Justice. In 1924, Chief Justice Stone of the Supreme Court was Attorney General then. He was organizing a new division of investigation and when he looked through his department to find a head for it, he picked J. Edgar Hoover. The rest is a matter of criminological history. The breaking of the Weyerhaeuser case - the latest chapter.

MEMORANDUM FOR MR. J. W. GARDNER
GENERAL AGENT AND CHIEF CLERK.

Reference is made to your memorandum advising of a suspension by the General Accounting Office in the voucher submitted by me covering official travel on November 10th and 11th, 1933, the suspension representing the difference between the cost of air transportation used by me and the available railroad rate.

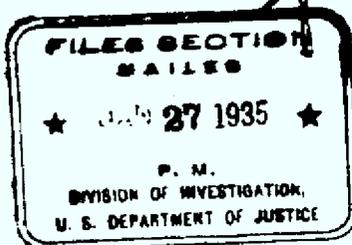

This is to advise you that the travel performed on the above-mentioned dates was occasioned by an unforeseen development connected with an important investigation at the New York office, by reason of which it became necessary for me to proceed to that city for a special conference. Inasmuch as this conference was essential in order to determine the further procedure in a criminal case at New York, it was essential that I proceed there as rapidly as possible using air transportation to effect the necessary saving in time. This was a matter which could not have been postponed to permit travel by train, for to have done so would have nullified the developments in the case up to that time and rendered it impossible to protect the interests of the Government in that case.

Very truly yours,

J. Edgar Hoover

Dear Mr. Hoover:

I wish to thank you for your communication of December 12 and, also, for the copy of your illuminating address delivered at the Attorney-General's conference on crime in Washington on December 11.

Your reference to a national training school for law-enforcement officers meets with the approval of every red-blooded American who desires to see the police force divorced from politics.

My observations of many years lead me to believe that the only way to solve the problem is to have all police orders emanate from the national capital, with all the states and territories coordinated into one police unit and each state cooperating with the others. This would redound to the advantage of the whole United States.

It is only natural that when the local politician is appealed to he exerts his influence in order to maintain his good graces with the voters. If the orders were issued from Washington it would relieve him of this self-imposed duty and the communities would benefit, crime would decrease, and the glorified gangster who appears too often on the front page of our metropolitan newspapers would soon be back in the obituary column where he belongs. Instead of having a cooper casket and a floral parade with a morbid, curious audience, he would receive the same American funeral that we all receive when we answer the last roll call.

You are doing good missionary work, for which you will receive the proper credit in the not far distant future. You have laid a solid foundation, and it will not require many years for the American public to appreciate the efforts, vision, and foresight of John Edgar Hoover in exterminating America's criminals.

Your assistants, Messrs. Edwards, Coffey, and Schilder, are in the photograph, and I sent it along to Pittsburgh, together with some copy.

When he received it, the editor wrote back and asked me where our good friend, John Edgar Hoover, was and why he was not in the picture. He thought that we had slighted you and failed to extend to you an invitation to be photographed in front of the Department of Justice Building. I explained to him that you had been very busy that morning and more urgent business had required your immediate attention, but we hoped that we would secure a picture of you with the Elizabeth Police Laboratory in the not far distant future. This explanation satisfied the editor, and in his reply he stated that as long as we did not slight you or fail to invite you to have your picture taken, he felt that we had done our duty.

I would appreciate receiving all your circulars and bulletins which you mail out frequently, along with the fingerprint copies or picture of our undesirables.

The Attorney General,
Washington, D. C.

Dear Sir:

If you really want to learn some of the reasons why John Edgar Hoover should not occupy the position of Director of the Division of Investigation the only steps that need be taken will be to send a capable, unbiased and unafraid investigator to the offices of the U. S. Attorneys in the various judicial districts of the country, contact the heads of the Police Departments in the principal large cities and the Sheriffs in the counties in the populous centers and ask why:

- 1- Despite the favorable newspaper publicity, magazine and radio propaganda that has been forced upon the American public during the past few months, the Division of Investigation and all who have any connection therewith, are the laughing stock of every police and crime detecting agency in the country.
- 2- Why the much boasted of "cooperation" of police officials, sheriffs and other officers interested in the detection and prosecution of crime does not, in reality, exist.
- 3- Why an organization which, up to the time John Edgar Hoover became the directing head, functioned effectively as an investigative agency, now is nothing more than a very efficient political machine, subordinating its real purpose to that of furthering the political aims of John Edgar Hoover and keeping him in the position he is so thoroughly disqualified to fill.
- 4- Why no trace remains of that morale, among the employees who have been in the service longer than three years, which is so essential to the success of any organization which employs any considerable number of persons.
- 5- Why fear only actuates every move made by the present employees; all sense of loyalty, voluntary cooperation, love of the work and respect for the superior officers, having been absolutely destroyed by the administrative policies outlined and put into effect by J. E. Hoover.
- 6- Why the name "John Edgar Hoover" and the names of a majority (fortunately not all) of his administrative assistants, special agents in charge and others in authority, are always preceded by, "the dirty so-and-so" when they are mentioned by any employees who have been in the service long enough to have discovered what an inefficient and unpopular organization they represent.

- 7- Why a personnel "turn-over" which, if equaled in any private organization not having the resources of the U. S. Treasury behind it, would wreck the employing company, is necessary.
- 8- Why has it been necessary for the Bureau to lose the many thousands of dollars worth of experience, training and ability which it has lost in the last three years due to the forced resignations of many capable and outstanding agents; these resignations following a studied plan to harrass, intimidate and annoy; said plan having been initiated by J. E. Hoover and carried out by his subordinates.
- 9- Why all semblance of "humanness" has been eliminated from the Special agents in charge in most of the Bureau offices; these men, normally splendid fellows, having been so thoroughly brow-beaten, cowed and bound up in assinine rules, regulations and red-tape that they dare not follow their own judgments in deciding any matter but must first look in the manual and see what John Edgar Hoover would do in a like situation. This might not be so bad if John Edgar Hoover knew the right answer but, in many instances he does not.
- 10- Why are thousands of dollars of the Government's money expended unnecessarily because of J. E. Hoover's policy of keeping many agents constantly in a travel status, with the result that many of them always have pending cases in widely separated sections of the country, requiring frequent travel for grand jury and trial attendance and necessitating huge expenditures for unnecessary travel expenses.

This probably only duplicates information already in your possession; if so, is it not about time the tax payers who pay the salaries of John Edgar Hoover, et al, be given a "NEW DEAL" and that said salaries be transferred to others who will come nearer to returning value for the pay checks they receive?

You may wonder at my interest in the matter. It is because of my great regard for a cousin of mine, formerly a special agent who, after devoting 11 years of his life to the service of the Bureau of Investigation, was forced out by the tactics described and left, a broken man physically and disheartened and discouraged mentally.

Yours very respectfully,

Oren J. Thornton.
