The attached memorandum containing information concerning captioned individual was furnished to the Bureau on January 11, 1954, by former Inspector Lee Pennington, presently Director, National Americanism Commission of the American Legion. Pennington advised he had obtained same from Dick Arens, Senate Subcommittee on Immigration of the Committee on the Judiciary. It is noted that the attached memorandum contains information which, according to the House Committee on Un-American Activities, U. S. House of Representatives, is contained in the public records, files and publications of that Committee. This information was evidently prepared for Senator William E. Jenner, Chairman, Senate Subcommittee on Internal Security.

It is further noted that subject's name appeared in the October 1, 1953, issue of the "Daily Worker," east coast Communist newspaper, as one of 99 "notables" who were reported in that particular issue as sponsors of a National Conference to Repeal the McCarran - Walter Law. The conference was scheduled for December 12 and 13, 1953, Walsh's Hall, 1014 North Noble Street, Chicago, Illinois, under the auspices of the American Committee for Protection of Foreign Born. This organization has been designated by the Attorney General pursuant to Executive Order 10450.

Captioned individual is the subject of a pending Security Matter - C investigation. Subject is not listed on the Security Index. Chicago is the Office of Origin in this case.

OBSERVATIONS:

A review of Bureau "See" files and a comparison of information therein with the information in the attached memorandum reflects that the Bureau is already in possession of the same or substantially the same information as contained in the memorandum prepared by the HCUA. However, it is noted that the files do not contain all the individual items as set forth in the HCUA memorandum.
