U.S. AIR FORCE

You Stink Like Shit, So do Killine's
Hi, fuck you,

This is a fuck you letter. I don't like you and you don't like me. As you know today is my birthday and you have made me fucking old and very fucking pissed. I'm trying to write nasty I hope your not impressed or unimpressed, who cares, you don't.

Look Dumb Asses I've had it with you. You know what's going on. My families and I can't take anymore. Look you know their going to continue to kill kids and people until I get out home's back and it has to be in Westland and they have to be different homes as you fucking know. You know like we know we have a law sui against the Air force, army, navy and marines and you know what we had and what we want also no kidfucking or fucking kids. We had it.

Instead of doing right by my families, my mom and me, you actually want to say I'm nuts, and get me in a mental institute

5/21/85

05

on a god damn fucking jail and I
don't deserve it. You, you not gonna
keep explaining, I heard. I was
threatened to try to kill myself or
they might kill my families. You
know my kids, Ed's, father's brother
was killed and the pilots said it
wasn't no accident and they might
have killed my families. They might
still bleed, murder or kill them
as you know.

You are dumb fucking cock-
assholes. Look, I'll kill
Reagan and Kennedy next, now I
mean this. Their kid fuckers, ass
hole fuckers, garbage, sick in the
head, people that ought to be
destroyed. I'll get even. I guarantee
it, no matter what.

Did ya hear I'll kill Kennedy
and Reagan & what you want.

Look all we want is our 2
homes, back only different homes
and it has to be in all the land as
you know and our fucking lives
back, as you know I need and
kill. My youth has gone and
you will be destroyed for it.

It's no secret you don't do your job or do it right. Everyone knows, screw you, you actually don't want me to ever have my families, my mom and me back or our homes and lives your going to prison for life.

Fuck jobs, that's all your good for, you aren't getting away with this.

Anyone who plays dumb dies and so do their families. Look replace now and get my families, my mom and me back or you can be replaced.

Look, you know what's going on and it's a felony not to help my families my mom and me. You know the whole story and you know you should have got my mom out of the ground with me there, and take her to a hospital and fix her asshole and give her glucose and blood and be patient with her because it might take a while for her to come out of it. You also know you should get 2 different homes back in Westland and my families my mom and me back and you should get in fact you should buy us all brand new cars for what you've did. You hear these machines too. My God people are really pissed, you've had kids fucked in the asshole and fucked.

5/2/85

you'll hear it in the wind and air where
I'm at.

and you aren't and haven't done your
job. Like I said people are
getting real mother fucking
pissed off. I look you owe us
we don't owe you nothing. We'd
replace or you add gonna live.
Over 5 years of our lives, these
pilots mean this stuff. They aren't
playing games.

Neither am I. I took the fall
last time for you and I know
I'll take it again, but it's fucking
illegal and it sucks and fucks. You
mother fuckers are going to a prison
you won't get out of. ~~It's~~ reimburse
now sucks. Boy, are you dumb.
I told my lawyer and that asshole
I bought the trader from not to
fuck around with my families
and me, I meant it. Now
don't fuck around.

Brass Jacks, I'm gonna kill
Kennedy, and Reagan and I
really really mean it. I'm old tired
of this shit and fucking pissed.

Photofacsimiles of a four-page handwritten communication addressed to the Secret Service and signed by captioned UNSUB were transmitted through the Laboratory with request for psycholinguistic evaluation.

The content and style of this communication are consistent with those of an expressive extortion. That is to say, the author is merely ventilating her frustrations and projecting her inadequacies. Her intention is to shock in order to gain attention.

Although the subject's ideation is clearly paranoid, the message lacks the indicators of the resolve or the determination to carry out her threats.
