Re: [REDACTED]

Enclosed for the Bureau is original and two copies of a threatening letter received by the Cleveland Office along with envelope, for the consideration of the Extortion Section.

On 12/17/70, enclosed letter was received from Postal Inspector [REDACTED] who had had the letter referred to him by a postal employee who noticed the obscene notations.

On 12/18/70 the facts of this matter were discussed with AUSA [REDACTED] Eastern District of Ohio, in whose opinion this letter did not constitute a violation of existing Extortion statutes as it was not addressed to an individual, and the threats made in the context of the letter were vague and non-specific. As a result, Cleveland is conducting no further investigation in this matter.

Nevertheless, due to the references to the Black Panther Party, the FBI Lab is requested to compare and enter this letter in the anonymous note file. The Identification

ALSO SUBMITTED: Bread knife  
Paring knife  
3 Blank sheets of paper

**Result of examination:**

It was concluded that the writing on Q6 through Q18 was prepared by the writer of items Q1 through Q5, previously submitted in this matter.

It was found that the stamps on Q6, Q7, Q10, and Q17 were torn from a roll or rolls of stamps.

The paper making up Q13 through Q15 most closely resembles Spiral-type notebook paper.

The Manila envelopes, Q6, Q7, and Q10 contain printing on the reverse sides "HYTONE CLASP No. 1190 9 x 12." Information available in the FBI Laboratory indicates HYTONE is a mark used by Westab, Incorporated, Hulman Building, Dayton, Ohio 45402; however, there is no specific reference to the HYTONE printing as indicated on these Manila envelopes.

It was not possible to identify any of the questioned writing on the submitted items with that of any known individual.

Q6 through Q18 and the ALSO SUBMITTED material will be returned to you separately. Appropriate photographs are retained.

This case concerns anonymous obscene threats to the Director, President Nixon, and Vice President Agnew received through the mail by our Cleveland Office on 1/6/71. Attached indicates subject, a Negro female, age  has been interviewed and admits preparing the threatening communications. She states she would in fact kill the Director, President, and Vice President if she had the opportunity. Subject's background indicates she has experienced psychiatric problems, and she indicates she is currently affiliated with the Black Panther Party in Cleveland. United States Attorney is consulting the Department for authority to file process to bring subject before U. S. District Court for committment for psychiatric examination.

Bureau files contain no record identifiable with the subject. Secret Service has been advised. Matter being vigorously pursued by Cleveland Office.

GENERAL INVESTIGATIVE DIVISION

This is the case wherein subject, a Negro female, age [ ] sent several anonymous obscene threats through the mail received by our Cleveland Office on 1/6/71 against the Director, President Nixon and Vice President Agnew. Two of these communications contained kitchen knives. A subsequent letter on 1/7/71 to our Cleveland Office referred to the prior letters, identified herself and furnished her Cleveland address. Upon interview she readily admitted sending these communications and stated in fact she would kill the Director, the President, and Vice President if she had the opportunity. Her background indicates she has experienced psychiatric problems. In addition, she indicated affiliation with the Black Panther Party in Cleveland.

Attached reports the decision of the U.S. Attorney, Cleveland, as concurred in by the Department to charge her with two Postal violations (injurious article as nonmailable; libelous matter on envelope) (Title 18, Sections 1716 and 1718). A bench warrant was issued on 1/12/71 and she was taken into custody without incident by Bureau Agents at her employment on 1/13/71. Currently lodged at the Cuyahoga County Jail, Cleveland, in lieu of \$15,000 bond with hearing date continued. Secret Service in Ohio and national headquarters, Washington, have been advised.

Open Letter to the  
Federal Bureau of  
Investigation from  
the Black Communist  
Party and all other  
oppressed people.

I am a Black woman  
Communist and to say  
I am proud of it. The  
reason I am a Communist  
is, because I am convinced  
that the reason we have  
been forcefully compelled  
to live out our existence  
at the very lowest level of  
Amerikkka society has to do  
with the same nature of  
capitalism. If we are going  
to rise out of our oppres-  
sion, our poverty if we are  
to cease being targets of  
racist-minded mentality  
policemen, we will have  
to destroy the American  
capitalist system. As a

member of the Black  
Liberation Front my goal  
is to overthrow the  
Capitalist Class and all its  
various instruments of  
suppression. You white  
pigs say that we are free  
but that is bullshit, we  
as a black people won't  
be free when we as a people  
have destroyed our enemies,  
when we have broken the  
yokes of our oppression  
and can freely erect  
a society which reflects  
our needs and our dreams.  
Whoever is reading this  
I can clearly say that the  
Nazi type G.I. is be-  
coming a force similar to  
the death squad in Brazil  
used to repress Brazil  
in freedom fighting. Here  
is a knife and tell you

Rerep SA Raymond J. Michel dated 3/31/71.

Enclosed with rerep were two copies of FD-376 in which Items 1 and 4 were checked as reasons for dissemination to Secret Service. In connection with Item 4, it is not clear that subject is a U. S. citizen or resident who has defected from the U. S. to countries in the Soviet or Chinese Communist Bloc and returned. It would appear that Item 4 is checked in error and that Item 3 should have been checked. In the event FD-376 as submitted to the Bureau is correct, by return mail submit clarification; and if not, in the same manner submit corrected FD-376 and insure that dissemination to U. S. Secret Service, Cleveland, is appropriately corrected.

In the future investigative and supervisory personnel in your office should be cautioned as to the necessity of correctly advising Secret Service as to the reasons information is being disseminated to their service.
