- Q2 Accompanying two-page printed message, first page beginning " "- Wanted By ..."
- Q3 Second page of accompanying message beginning "10) George Wallace.."

Result of examination:

Q1 through Q3 were not associated with material maintained in the Anonymous Letter File. Copies have been added thereto.

A definite conclusion was not reached whether the questioned writing on Q1 through Q3 was prepared by any of the writers of the unidentified questioned writing, known writing or purported known writing on items previously submitted in case captioned "HEARNAP" or case captioned "SYMBIONESE LIBERATION ARMY (SLA) EM", due to the presence of unexplained variations and the lack of sufficiently comparable writing. However, nothing of significance was observed in this comparison.

Q2 and Q3 each bear a watermark reading "ATLANTIC MIMEO BOND". This watermark is registered to the Eastern Fine Paper Company, Incorporated, Division of Eddy Paper Company, Limited, P.O. Box 129, Brewer, Maine. Q1 contains no watermark. Q1 through Q3 contain no indented writing of significance or other characteristics to aid in definitely determining their source. A ten cent U.S. Postal Service stamp, torn from a coil of stamps, is affixed to Q1.

Q1 through Q3, which have been photographed, are being returned separately.
