One HARRY LOUIS GOREN and wife CELIA resides at 1802 Redondo Boulevard, Los Angeles, California. The GORENS were interviewed and proved to be an elderly couple born in Russia who are naturalized citizens and who have been operating a cleaning shop in Los Angeles for approximately 15 years. Mr. and Mrs. GOREN disclaimed any knowledge of the letter and Mr. GOREN claims he is unable read or write the English language while Mrs. GOREN demonstrated some ability to read English, but claimed some of the words in the extortion letter were unknown to her. The penciled phone number WE 1-8663 on the envelope of HARRY L. GOREN was placed there by [redacted]

The laboratory is requested to conduct the following examination:

1. Process the extortion letter for latent fingerprints and compare the results with the elimination prints submitted herein.

Also compare latent print results with any fingerprints found in file on HARRY LOUIS GOREN, born 1/15/1897 in Russia, 5'10" tall, 185 pounds, blue eyes and naturalized in U. S. District Court, Minneapolis, Minnesota in 1933. GOREN was arrested in Los Angeles 6 months ago for drunk, by the Los Angeles Police Department, probably on 4/2/54.

2. Conduct type examination to establish the make of the typewriter used to write extortion letter and draw conclusions as to whether type was done by a trained typist or a hunt and peck typist.

3. Examine paper for any conclusions concerning the make, watermarks, etc., and information concerning description and use of paper this unusual size.

Q1 Envelope addressed to "Mr Steve Allen 15445 Ventura Boulevard Sherman Oaks, Calif.," postmarked "LOS ANGELES CALIF OCT 10, 1960 9 30 PM"

Q2 Typewritten letter beginning "Dear Mr. Allen: My name is Harry Goren" and ending "....communist Allen. Four days."

ALSO SUBMITTED: Elimination fingerprints for b7C

Result of examination:

Specimens Q1 and Q2 were searched through the appropriate sections of the Anonymous Letter File without effecting an identification.

It was concluded specimens Q1 and Q2 were prepared on a typewriter equipped with Royal pica type spaced ten letters to the inch.

Specimen Q1 is a white envelope which has a novelty finish such as might be found on social correspondence or greeting type envelopes. This specimen measures approximately 6.25 X 4.30 inches and bears no watermark. Specimen Q2 is a sheet of white bond paper which measures approximately 8.5 X 14.0 inches and bears no watermark. Paper of this size is usually termed legal size paper.

It has not been determined whether the typewriting done on specimens Q1 and Q2 was done by a trained typist or an untrained typist. However, the apparent lack of erasures and the neatness of the typing would suggest the possibility the typist may have had some training.

Specimens Q1 and Q2 and the ALSO SUBMITTED material will be returned separately. Photographs of specimens Q1 and Q2 have been made.

ENCLOSURE

W-1-8663

MR. STEVE ALLEN
15445 VENTURA BOULEVARD
SHERMAN OAKS, CALIF.

Mr. Steve Allen
Sherman Oaks, Cal.

Dear Mr. Allen:

My name is Harry Gaven, I live at 1802 Redondo Boulevard in Los Angeles. The reason I write to you, Mr. Allen, is because I have been informed by my doctor that I have exactly three weeks to live. In the next three to four weeks, I will die from the fatal disease cancer.

When I first heard the news I became very frightened, frightened, not because I was going to die, but because of what I made of my life -- nothing. Nothing at all. So, I began to think, in my last few days what could I really do to make up for all my sins. Just what was it that I could do for someone or some people that would help me die in peace, knowing that something good was done.

Then, just the other day, I read a newspaper headline which was titled, "Communists Start Youth Movement". It was a story about the fifth column in this country, the poisonous Communist traitors who were attempting to dupe many of our kids, in order, of course, to destroy this country, which, naturally, is their main penchant.

Then the idea came to me as to what I could do to help this country. The Communist movement in this nation is the most dangerous thing that is in this nation. The mammoth gall, the expanded ebullience of the hate-mongers, who, because of what THEY think should be our way of life, Communism and not Americanism, are trying to overthrow this country in every way possible. In other words, they are trying to force what THEY think on 180 million people. The outrageous gall of these sick, mentally retarded madcoats, who have some morbid idea that slavery is better than liberty; that lies are truth; that fraud is honesty; that tyranny is freedom; that deceit, trickery and subterfuge is virtuous thinking; etc., and the rest of the Communist ways, because of what they believe, are attempting to ruin everything that has been built for this country for the past three centuries.

When that happens, as sorry as it seems, I get mad, real mad for a guy named Washington, I get mad for a guy named Lincoln, I get mad for a guy named Jefferson, I get mad for Teddy Roosevelt, etc. When these lying, cheating, tricking, sanctimonious, beguiling, deceiving, treacherous, rotten slob, these sick, twisted Red lunatics who are working to overthrow their own country, continue to lie and hate and cheat, I get mad for a guy named Eisenhower.

I've gotten so mad that I said to myself the best thing that I could possibly do for this country, before I die, is exterminate some of this fifth column filth.

So I look around and think just where does this traitorous pro-occupation lie? Just where is it? Then I see these phony Communist organizations which want a ban on the H-bomb as well as nuclear testing and we find the heart of the pseudo-Red activities in this country.

But just who is behind it? Who are the biggest traitors to America? Then, out of the clear blue sky, I find a lying, rotten Communist traitor in Steve Allen, who is as much a deceit, fraud and hypocrite as Khrushchev himself.

That is why I write to you, Mr. Communist Allen, that is why. Call it a joke if you wish. Call it a crank if you wish. But let me tell you this: I have nothing to lose by taking my revolver, going down to your home, or, better yet, to your office in Sherman Oaks, and, on the whim, firing two or three bullets into the head of the biggest liar, cheat, humbug and Communist in this country. I have nothing to lose.

To repeat, you are probably thinking that this is just a crank. It isn't. This is a person who has only a few weeks to live and is determined to get rid of a treasonable menace: Steve Communist Allen.

This is NOT a request, but a DEMAND that you abolish your Communist activities within the next FOUR DAYS. Repeat: FOUR DAYS. If you do not, you are going to be dead within the next three weeks. Go ahead, laugh, but wait and see if this is something to "laugh" about.

You're a Communist horse and YOU'RE NOT ADDING ANYBODY.

Four days, my dear Steve Communist Allen. Four days.

Victim's secretary, [redacted] has ^{b7C} made available two additional letters which had been received prior to the one previously submitted with referenced airtel. These were derogatory in nature but carry no specific threats.

Enclosed herewith are the original and ^{two} photostatic ~~copy~~ of each of the following described documents:

1. White envelope, 3½ by 6½ inches, bearing four cent Lincoln stamp, postmarked 5:00 p.m., 10/6/60, Los Angeles, Calif., addressed by typewriter to STEVE ALLEN, 1544 Ventura Blvd., Sherman Oaks, Calif., with the return address of 1027 W. 6th Street, Los Angeles 23, Calif.
2. Two page typewritten letter on plain white paper, 8½ by 10 ¾ inches, first page of which is dated Thursday, 10/6/60, beginning "After witnessing", and ending on the second page "...Unsincerely (You Communist Fig)", bearing typewritten signature of MARION

4. Hand printed letter in red ink, written on 8½ by 11 inches lined notebook paper having 3 holes. This letter is dated 10/7/60, and begins "Go home Communist traitor!....", and ending "....Go home Communist traitor!"
This letter bears the handwritten signature of [redacted] 1218 N. Marvin Drive, Los Angeles.

b7c

It is believed possible these letters have a connection with the letter previously submitted on 10/11/60, noting that the first typewritten letter above, contains use of "etcetera" spelled "ect" which also appears in the letter previously submitted. The characteristic is also noted that the writer makes only one space between sentences, contrary to the usual typing practice. It is also observed that each of the letters submitted herewith make reference to "Butcher Boy" although one is typewritten and one hand printed.

It is requested that the Laboratory attempt to identify the kind of typewriter used in writing the letter dated 10/6/60. Comparison should be made between this typewriting and that of the previously submitted letter. The submitted items should be examined for any identifying water marks. These items should also be examined for latent fingerprints, bearing in mind that they were previously handled by the personnel of STEVE ALLEN's office, who are mentioned in referenced airtel and whose fingerprint cards were submitted for elimination purposes.

LA 9-New

b7c A name search should be made for MARION G. LEECH and [redacted] to determine if these persons have previously written any threatening letters to any other persons.

New York Office is requested to contact STEVE ALLEN at his available address in New York City to determine if either of these names have any significance to him.

b7c The items previously submitted with referenced airtel, along with the items submitted herewith, should be returned to Los Angeles upon conclusion of examination. The items submitted herewith bear the identifying initials of [redacted] and SA [redacted]

4. Hand printed letter in red ink, written on 8½ by 11 inches lined notebook paper having 3 holes. This letter is dated 10/7/60, and begins "Go home Communist traitor!....", and ending "....Go home Communist traitor!" This letter bears the handwritten signature of 1218 N. Marvin Drive, Los Angeles.

b7c

It is believed possible these letters have a connection with the letter previously submitted on 10/11/60, noting that the first typewritten letter above, contains use of "etcetera" spelled "ect" which also appears in the letter previously submitted. The characteristic is also noted that the writer makes only one space between sentences, contrary to the usual typing practice. It is also observed that each of the letters submitted herewith make reference to "Butcher Boy" although one is typewritten and one hand printed.

It is requested that the Laboratory attempt to identify the kind of typewriter used in writing the letter dated 10/6/60. Comparison should be made between this typewriting and that of the previously submitted letter. The submitted items should be examined for any identifying water marks. These items should also be examined for latent fingerprints, bearing in mind that they were previously handled by the personnel of STEVE ALLEN's office, who are mentioned in referenced airtel and whose fingerprints cards were submitted for elimination purposes.

- Q9 Accompanying typewritten letter beginning "SHERMAN OAKS,

Specimens received **10/31/60**

1960 9 PM"**
- Q11 Accompanying letter addressed to "Mr. Steve Allen"
beginning "Dear Steverino: "Lies are truth,..." and
ending "May God strike you dead."**

Result of examination:

It was concluded the typewriting on specimen Q11 was prepared on the typewriter used to prepare specimens Q1, Q2, Q5, Q6 and Q7, previously received. It could not definitely be determined whether or not the typewriting on specimens Q8, Q9 and Q10 was prepared on the typewriter used to prepare the afore-mentioned material due to the limited amount of typewriting on the envelope, Q10, and the fact that specimens Q8 and Q9 are prepared in upper-case typewriting which is not sufficiently comparable with the lower-case typewriting for comparison purposes. Nothing of significance was noted in the limited comparable material, however, that suggests any of these specimens were prepared on different typewriters.

For your investigative assistance, similarities were noted in the limited comparable handwriting and hand printing on specimens Q3, Q4, Q12, Q13 and Q19 that suggest the possibility this material may have been prepared by one individual.

Result of examination:

Specimens Q12 and Q13 were searched through the appropriate sections of the Anonymous Letter File without

Page 11 TELETYPE UNIT SWM:jl (continued on next page)

effecting an identification. Appropriate photocopies are being added to this file.

It was concluded the typewriting on specimens Q14 through Q19 was prepared on the typewriter used to prepare the specimens previously received except specimens Q8 through Q10 regarding which a definite conclusion could not be reached due to the limited nature of the typewriting or the fact that some of this material is in upper-case letters and is therefore not comparable with the typewriting on specimens Q14 through Q19.

It could not definitely be determined whether or not the handwriting on specimens Q12 and Q13 was prepared by the individual or individuals responsible for the handwriting on specimens Q4 and Q19 and the hand printing on specimens Q3 and Q4 because of the limited amount of comparable material available.

Specimen Q12 is a white bond envelope which measures approximately 6.5 by 3.6 inches and bears no watermark. Specimen Q13 is a sheet of white ruled, three hole, notebook paper with rounded corners. This specimen measures approximately 8.5 by 10.9 inches and bears no watermark. This specimen is similar to specimen Q4 except that it is slightly smaller in size.

Specimen Q14 is a white envelope similar to specimen Q1. Specimen Q15 is a sheet of pink bond paper which measures approximately 8.5 by 11.0 inches and bears no watermark.

Specimen Q16 is a white bond envelope with a printed return address form in the upper left-hand corner. This specimen measures approximately 6.5 by 3.7 inches and bears no watermark. Specimens Q17 through Q19 are sheets of yellow bond paper which measure approximately 8.4 by 10.4 inches and bear no watermarks.

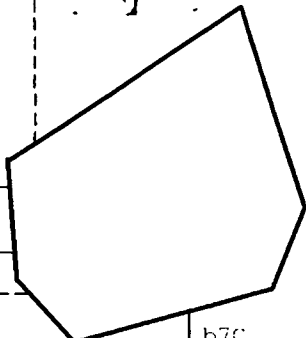

Specimens Q12 through Q19 will be returned separately. Photographs are retained.

b7C There are submitted herewith fingerprint cards on [redacted] and employees in victim's office for elimination purposes.

Since there is a good possibility other letters will be received by victim, which will be sent to the Bureau for examination it is requested that the Bureau retain the above fingerprint cards for future reference.

The FBI Laboratory is also requested to compare the typing on the aforementioned letter with the extortion letter in an effort to determine if it was prepared on the typewriter used to prepare the extortion letter. Mr. Steve Allen

Dear Mr. Allen:

I simply cannot express in words my disgust and nausea for the constant, vicious, treasonable deportment that you're demonstrating day after day. Your insulting arrogance of attempting to decide what is best for one hundred and eighty million people by working for the communist cause (with many other communists), trying to slowly, but gradually, overthrow this nation with your communistic Hollywood for SANE, is indeed enough to make one feel like taking drastic action against this criminal conspiracy, this filthy fifth column.

Who do you think you are? Where do you think you get the right of trying to destroy this country? If the United States falls to Russia, the rest of the world will fall. In other words, what you're doing now with your communist activities, such as the SANE (insane) group as well as the campaign against capital punishment, ect., is that you're deciding for the entire world, the entire human race, just how they should live — under a communist tyranny after the U.S. is destroyed by the Soviets.

Oh, yes, you and the rest of the filthy, communist traitors are so, so clever. You each have different subversive activities. Dora Schary has his campaign against the House Committee on Un-American Activities (wouldn't you like to see this abolished, eh?); Robert Ryan is attempting to get certain people elected into Congress as well as his wicked actions with the SANE group, ect.; [redacted] likewise; [redacted] hires dozens of commies and produces anti-American movies; [redacted] skates on the Negro problem in the South (Khrushchey has got on that, too); [redacted] hires commies; Otto Preminger and [redacted] likewise; [redacted] works for SANE; [redacted] gives you publicity; Dr. Linus Pauling does a little of each; Rod Serling goes against blacklists, ect., and ect., and ect., it is all a treacherous, rotten, evil criminal conspiracy which is working to overthrow this nation.

b7C

You, dear Steve, are the worst of the lot. You are a liar, a cheat, a hypocrite, and an American traitor. If you adore communism so, so much, if you honestly feel that the communist way of life is the best way of life (which you obviously do), why don't you take your family and go to the land of Khrushchey, the Soviet Union, and live there? Isn't it odd? You are willing to become the biggest communist traitor in this country, you are willing to work against this nation for the communist cause to help Russia, yet, you wouldn't even think of going to Russia and living there.

There's no question that you're a perfect example of a communist. You lie and lie and you consider it as telling the truth. You cheat and believe that it's honesty. You work for the overthrow of this country, and you probably consider it as loyalty. You have committed the most treacherous, deceitful and vicious acts of treason and you consider yourself a patriot to this nation. Yes, indeed, you're a perfect example of a sadistic communist traitor.

The danger of [redacted] or [redacted] or [redacted] or [redacted] or [redacted] or [redacted] or any of the other [redacted] b7C
lying, cheating, sanctimonious, vulgar commies think you are? You're only fooling a small handful of people with your communist activities and Red front, the Hollywood for SANE. You're not superior to anybody else. You have no, and I mean no right to decide for anybody else how the world should be.

I've talked to several people myself about your activities, and nearly all of them not only become sick to their stomach when they think of you and [redacted] and your fellow traveler friends, but they actually become frightened when they think of such sinister, evil commie rats like yourself running around loose, spewing your left-wingism, committing acts of outright treason. And, if you don't think that you're an iniquitous, evil traitor to America, you'd better look into the mirror. Because, when you do, you'll be looking at a vicious, mentally sick, horrid, filthy communist turncoats who gets thrills out of being a traitor to this nation. b7C

Here's sincere hoping that you either die of a heart attack, or some fatal disease, or that you get killed in a car crash or meet with some tragedy. And devil take the hindmost.

Respectfully,
[redacted] b7C

Mr. Steve Allen
15445 Ventura Blvd.
Sherman Oaks, California

Mr. Steve Allen:

One simply cannot express one's disgust over the type of ungratefulness that such hard-core communist fellow travelers like yourself are displaying. You've earned thousands of dollars under the American way of life, live in luxury (when you choose to), and then commit violent acts of outright treason with your phony communist front, the Hollywood for Sane.

And, let me assure you, the kind of subversive activities that you're involved in is the worst type of treason. But then, I suppose, under the communist philosophy, you probably feel that what you're doing against this country with all of your activities, is "patriotism." At least, that is the way such diseased thinking works --- insanity.

HOW CAN YOU VALUE THE AMERICAN DOLLAR SO MUCH, YET HAVE SO LITTLE VALUE IN AMERICA?

Why don't you just come right out and say that you're a communist, and that you actually believe in the communist cause, rather than telling lie after lie after lie, vomiting communist propaganda over the airwaves?

You, Mr. Allen, would be known as a mammoth coward. You are the worst type of human life. You lie, to help the communist conspiracy in overthrowing this nation, you cheat, to help the same cause, you disgorge the most amazing amount of hypocrisy and trickery, ect., yet you haven't got the gumption to candidly admit your real purpose or to lay your cards on the table and make your position clear and to show your real political colors.

I see now that you've continued your filthy hate campaign (in insidious propaganda tactics and subterfuge) over an FM radio station (KRHM), in which you spew Hollywood for Sane propaganda.

Why don't you stop acting like a colossal coward and lay your cards on the table, and stop demonstrating such vicious, sinister acts behind everyone's back? Why don't you admit that you're nothing but a treacherous, morbid anti-American communist traitor?

Oh, yes, that's right, in dealing with a communist bastard like yourself, there's simply no sense of reasoning. It is impossible to possibly talk logic with a monger like you, Mr. Allen, because you live in an entirely different world than I. You simply do not know the meaning in the word "truth." Your meaning of the word "truth" is "lie."

Never in my life have I been as outraged as I am over such rotten, tempestuous treason that you have been displaying. Never in my life have I seen such a bitter, vicious anti-American as yourself, where you have the effrontery to state that you "love" America, and then work in some of the most ruthless communist treason that one could possibly conceive.

There is no question that you, Mr. Allen, are a monolithic bastard. There is little doubt that you are a liar, a cheat, a coward, a hypocrite, a fraud, a propagandist, a traitor, and, most of all, a devoted communist, who, apparently, has made up his mind to work to the very end in a fight against the country and the public which has given him thousands of dollars.

I strongly suggest, Mr. Allen, that you go and see, at once, a psychiatrist. Anyone who lies as much as you, who deceives as much as you, who attempts to work for the overthrow of his own birth place as much as you, and who uses as much sanctimonious double-talk as much as you, must, and I mean must, be a mentally sick person. I don't say this to downgrade you. You are a rotten communist bastard, but, not to your fault, you are a mentally sick man in need of a doctor's care. If you feel that this is "silly" then I suggest that you look into the mirror one of these days and see just how you twist one side of your mouth around one side of your lip just like a lunatic commie bastard.

YOUR A FILTHY LIAR, STEVE ALLEN, AND YOU'RE SUCH A HYPOCRITICAL COWARD THAT YOU WON'T EVEN ADMIT YOUR REAL BELIEFS IN COMMUNISM.

You're just a latter day Alger Hiss. In fact, even Hiss finally admitted that he was a communist. But you, Steve Allen, are such a filthy, sordid, sadistic, lying piece of communist trash, such a piece of communist garbage, that you don't even admit it.

TO REPEAT, I ASK YOU (IF THERE'S ANY SORT OF REASONING LEFT IN YOU), IS THERE ANYBODY WHO'S A BIGGER HUMBUGH THAN YOU? YOU ARE A LIAR, A HYPOCRITE, A TRAITOR, A CHEAT, A COWARD, A FRAUD, AND A COMMUNIST. AND DEVIL TAKE THE HINDMOST.

Regards,

b7C

Title: UNSUB;
STEVE ALLEN - VICTIM

Character: EXTORTION

Synopsis: b7C

[REDACTED] Personal Secretary to STEVE ALLEN, television personality and actor, advised 10/11/60, that during recent months ALLEN had received many letters of criticism concerning ALLEN's stand on both the death penalty and the ban on nuclear testing. She said many of these letters were very abusive and accused ALLEN of being a Communist. Some of these letters were signed, while others were not. On 10/11/60, ALLEN received a one-page typewritten letter postmarked 10/10/60, at Los Angeles. This letter commences: "My name is HARRY GOREN. I live at 1802 Redondo Boulevard, Los Angeles." In this letter, the author says he has only a short time to live, so he looked around to see what he could do before he died which would benefit society. He said he found he could exterminate some of the fifth column filth and out of a blue sky comes the name ALLEN. The writer then says, "That is why I write to you, Mr. Communist ALLEN....call it a joke if you wish....but let me tell you this: I have nothing to lose by taking my revolver, going down to your home and....to your office....and, on the whim, firing two or three bullets into the head of the biggest liar, cheat, humbug and Communist in this country...." The writer continues, "This is not a request, but a demand, that you abolish your Commie activities within the next FOUR DAYS. Repeat: FOUR DAYS. If you do not, you are going to be dead within

the next three weeks." Other letters containing similar abusive language have since been received by ALLEN. GOREN, as well as other persons whose names appear on these letters, have been interviewed, where it was possible to identify them, and they all deny writing above referred to letter. AUSA, Los Angeles, advised GOREN letter, in his opinion, constitutes violation of Federal Extortion Statute, and he will consider prosecution if identity of subject can be established.

Date 10/14/60

b7C [redacted] personal secretary to Mr. STEVE ALLEN, suite 25, 15445 Ventura Boulevard, Sherman Oaks, California, advised that during the recent months this office has received many letters of criticism sent to Mr. ALLEN concerning ALLEN's stand on both the death penalty and the ban on nuclear testing. Many of these letters were very abusive, accusing ALLEN of being a communist, and most letters were signed although some were sent anonymously. This morning the following letter was delivered to the office and was opened by [redacted]. This letter and envelope are initialed by [redacted] and SA [redacted]. It's contents are as follows:

"Mr. STEVE ALLEN
Sherman Oaks, Cal.

"Dear Mr. ALLEN"

"My name is HARRY GOREN, I live at 1802 Redondo Boulevard in Los Angeles. The reason I write to you, Mr. ALLEN, is because I have been informed by my doctor that I have exactly three weeks to live. In the next three to four weeks, I will die from the fatal disease cancer.

"When I first heard the news I became very frightened. Frightened, not because I was going to die, but because of what I made of my life --- nothing. Nothing at all. So, I began to think, in my last few days what could I really do to make up for all my sins. Just what was it that I could do for someone or some people that would help me die in peace, knowing that something good was done.

"Then, just the other day, I read a newspaper headline which was titled, 'Communists Start Youth Movement'. It was a story about the fifth column in this country, the poisonous Communist traitors who were attempting to dupe many of our kids, in order, of course, to destroy this country, which, naturally, is their main penchant.

"Then the idea came to me on what I could do to help this country. The Communist movement in this nation is the most dangerous thing that is in this nation. The mammoth gall, the expanded abusiveness of the hate-mongers, who, because of what THEY think should be our way of life, Communism an not Americanism, are trying to overthrow to force what THEY think on 180 million people. The outrageous gall of these sick, mentally retarded turncoats, who have some morbid idea that slavery is better than liberty; that lies are truth; that fraud is honesty; that tyranny is freedom; that deceit, trickery and subterfuge is virtuous thinking, etc., and the rest of the Communist ways, because of what they believe, are attempting to ruin everything that has been built for this country for the past three centuries.

"When that happens, as corny as it seems, I get mad, real mad for a guy named Washington, I get mad for a guy named Lincoln. I get mad for a guy named Jefferson. I get mad for Teddy Roosevelt, etc. When these lying, cheating, tricking, sanctimonious, beguiling, deceiving, treacherous, rotten slobs, these sick, twisted Red lunatics who are working to overthrow their own country, continue to lie and hate and cheat, I get mad for a guy named EISENHOWER.

"I've gotten so mad that I said to myself the best thing that I could possibly do for this country, before I die, is exterminate some of this fifth column filth.

"So I look around and think just where does this traitorous pre-occupation lie? Just where is it? Then I see these phony, Communistic organizations which want a ban on the H-bomb as well as nuclear testing and we find the heart of the pseudo-Red activities in this country.

"But just who is behind it? Who are the biggest traitors to America? Then, out of the clear blue sky, I find a lying, rotten Communist traitor in STEVE ALLEN, who is as much a deceit, fraud and hypocrite than KHRUSHCHEV himself.

"That is why I write to you, Mr. Communist ALLEN, that is why. Call it a joke if you wish. Call it a crank if you wish. But let me tell you this: I have nothing to lose by taking my revolver, going down to your home, or, better yet, to your office in Sherman Oaks, and, on the whim, firing two or three bullets into the head of the biggest liar, cheat, humbug and Communist in this country. I have nothing to lose.

"To repeat, you are probably thinking that this is just a crank. It isn't. This is a person is has only a few weeks to live and is determined to get rid of a treasonable menace: STEVE Communist ALLEN.

"This is NOT a request, but a DEMAND that you abolish your Commie activities within the next FOUR DAYS. Repeat: FOUR DAYS. If you do not, you are going to be dead within the next three weeks. Go ahead, laugh, but wait and see if this is something to 'laugh' about.

"You're a Communist horse and YOU'RE NOT KIDDING ANYBODY.

"Four days, my dear STEVE Communist ALLEN, Four days.

The envelope was addressed "Mr. STEVE ALLEN, 15445 Ventura Boulevard, Sherman Oaks, Calif." It was postmarked October 10, 1960, 9:30 p.m., Los Angeles 31, California.

[redacted] said that only she and three other female employees had touched the letter. The other employees are [redacted]

The name HARRY GOREN was unknown to all of them and there was no record of him in their office files. She noted that the central telephone directory listed a HARRY GOREN, 1802 Redondo Boulevard, Los Angeles, California, WE. 1-8663.

[redacted] explained that STEVE ALLEN was presently in New York City where he would remain until October 14, 1960, at which time he would fly to Chicago, Illinois, remaining there one day. He would then fly to Los Angeles, California, on October 16, 1960, arriving at Los Angeles at 2:30 p.m. She felt that both the wife of STEVE ALLEN and Mr. ALLEN should be advised of the threat to his life.

[redacted] said that she and the other office employees were afraid that the person sending the letter might appear at the office and at her request the Van Nuys Division of Los Angeles Police Department were contacted and her request for police protection explained. She said that her office had received no phone inquiries which might tie in with the sender of the threatening letter.

Date 10/14/60

Mrs. STEVE ALLEN, also known as JAYNE MEADOWS, advised that she resides at this residence with Mr. ALLEN and their three-year-old son, BILLY. She added that Mr. ALLEN has three other sons by a prior marriage and that they reside with their mother, Mrs. DOROTHY MC GOVERN, at [redacted] California. The contents of the threatening letter were furnished to Mrs. ALLEN who appeared not to be alarmed with the letter in that her husband had been receiving many abusive type letters due to the publicity of his firm stand against the death penalty and in support of the ban against nuclear testing in the world. She explained that Mr. ALLEN was associated with other show people in support of the organization, Hollywood For Sane, 910 So. Robertson Boulevard, Los Angeles, and that he was making many public speeches for this organization. She said that she felt that she must advise Mr. ALLEN about the letter so he would be advised. The name HARRY GOREN was unknown to her. Mrs. ALLEN contacted Mr. ALLEN in New York City by telephone and requested that SA [redacted] discuss the matter with him. She was advised that the FBI could not assign personnel to protect her family, and she requested that the proper police authorities be advised of the situation. She explained that although her telephone [redacted] was unlisted that it was public knowledge where Mr. ALLEN lived. Mrs. ALLEN advised that should she receive any information of value in this matter she would immediately advise the Los Angeles FBI Office.

b7C

At 4:15 p.m., Mrs. ALLEN telephonically advised SA [redacted] that at approximately 4:10 p.m. she had answered her phone and a male voice had said "Hi." He then said, "Hi, how are you." When asked who he was he replied with a laugh and in the middle of the laugh, he hung up. Mrs. ALLEN said she had never before received such a call and she had no idea who it might be but thought it might have some connection with the present matter.

Mr. HENRY GOREN who resides at 1802 Redondo Boulevard in Los Angeles and who owns and operates a tailor shop at 4476 West Adams Boulevard, Los Angeles, was interviewed at his tailor shop mentioned above.

After agents identified themselves and informed Mr. GOREN why he was being contacted, he was told he did not have to talk with Agents unless he so desired. He was also told any statements he made during this interview might be used in a court of law against him. He was also informed that he was entitled to have an attorney of his choice present during the interview.

Mr. GOREN after having had the purpose of the Agents contact explained to him, stated he did not know STEVE ALLEN. Mr. GOREN advised he is 63 years of age, was born in Russia on January 15, 1897, but is now a naturalized American citizen. Mr. GOREN stated he had very little education and could barely read and write English. He said that he is able to read and write his own name, read the newspaper so long as the words used are familiar to him. It was noted he spoke with broken English and when given the letter which was purportedly written by him to STEVE ALLEN, he could pronounce only a few of the small words used in the letter.

Mr. GOREN positively denied having written such a letter stating he had no typewriter, did not use a typewriter and in view of his limited knowledge of English, could not have possibly composed the letter which was shown to him.

Mrs. GOREN who was present during the above interview, also denied any knowledge of the letter and when she was given the letter to read for her husband, she could not pronounce correctly a great number of the words used in this letter.

Both Mr. and Mrs. GOREN could offer no explanation as to any reason a person would have written a letter to STEVE ALLEN using Mr. HENRY GOREN's name and correct home address. They both denied being members of any clubs or groups in which STEVE ALLEN had been discussed or where the subject of communism was discussed. They stated they attend meetings of a church group which primarily engages in playing cards and work for
