I. BACKGROUND

The National Office, the New York Local, and various publishing ventures of the Socialist Workers Party (SWP) have their headquarters on the second, third and fourth floor of 116 University Place, New York City. Party records, correspondence, membership lists, etc. are maintained on these premises. The Bureau has recently instructed that all offices with active SWP branches under investigation should intensify their investigations in view of the recent examples of the SWP seizing the initiative from the CP in some fields.

II. SECURITY ASPECTS

The building at 116 University Place is a four story building with the Sherbee Antique Shop occupying the ground floor (with its own entrance) and the SWP occupying the upper floors. The Sherbee Antique Shop is not open on Sundays and it has been found that foot and vehicle traffic in the neighborhood is at its least on Sundays.

It is contemplated that entry will be made on 4/19-20/59, by use of key previously obtained to SWP headquarters. Security will be assured prior to entry. After entry is made, the entrance to the building will be made secure. Security guards will be discreetly placed outside the building and will be in radio contact with agents developing this source.

It is noted that sources at SWP headquarters, [REDACTED] and [REDACTED] were developed on 11/22/58 and have been successfully contacted since.

III. PURPOSE OF ASSIGNMENT

To complete survey to expand coverage of misur to cover the other floors of SWP headquarters and further contact of source [REDACTED] to obtain additional documents regarding SWP membership and top-level activities, especially material on the 4th floor where National Headquarters are located.

2. List of delegates attending the above plenum with their voting record.

3. Correspondence to and from the SWP National leadership and Trotskyite leaders in foreign countries, detailing their past contacts and plans for the future. This includes names and addresses of the foreign Trotskyite leaders.

On 1/28/59 I telephonically communicated with Mr. JAMES MALLEY of the Bureau for the purpose of obtaining authorization to develop a highly confidential anonymous source at the business office [REDACTED] NY Top Hoodlum.

I advised Mr. MALLEY that [REDACTED] was in a [REDACTED] story building at [REDACTED] NYC, and that his office was the [REDACTED] on the [REDACTED] floor. I pointed out that the superintendent [REDACTED] was most cooperative and had volunteered access to the building which was under his control during the early morning hours [REDACTED] would not be present during the development of the source and the agents once inside could control the building with full security and could keep it locked with elevator service cut off and the stair well secured.

Mr. MALLEY gave authorization upon the assurance of full security.

RE: SOCIALIST WORKERS PARTY,
IS - SWP

HEREIN
DATE 3-4-81

SPATWP

I. BACKGROUND

The National Office, the New York Local, and various publishing ventures of the Socialist Workers Party (SWP) have their headquarters on the second, third and fourth floor of 116 University Place, New York City. Party records, correspondence, membership lists, etc. are maintained on these premises. The Bureau has recently instructed that all offices with active SWP branches under investigation should intensify their investigations in view of the recent examples of the SWP seizing the motive from the CP in some fields.

II. SECURITY ASPECTS

The building at 116 University Place is a four story building with the Sherbee Antique Shop occupying the ground floor (with its own entrance) and the SWP occupying the upper floors. The Sherbee Antique Shop is not open on Sundays and it has been found that foot and vehicle traffic in the neighborhood is at its least on Sundays.

25 It is contemplated that entry will be made on Sunday, 1/26/59, by use of key previously obtained to SWP headquarters. Security will be assured prior to entry. After entry is made, the entrance to the building will be made secure. Security guards will be discreetly placed outside the building and will be in radio contact with agents developing this source.

It is noted that sources at SWP headquarters and [redacted] were developed on 11/22/58 and have been successfully contacted since.
